

FIGHT CANCER

WITH A WILL!

When you are consulted about bequests for medical work that deserves support, please remember the work of the Imperial Cancer Research Fund. This pioneer body in Cancer Research was founded by the Royal Colleges of Physicians and Surgeons specially to undertake this vital work in its own laboratories. It has no official grants and is entirely supported by voluntary contributions. Please help us when you can.

Suggested wording for Bequests

'I hereby bequeath the sum of pounds free of duty to the Imperial Cancer Research Fund, Lincoln's Inn Field's, WC2 for the purpose of scientific research, and I direct that the receipt of the Honorary Treasurer shall be a good discharge for such legacy'.

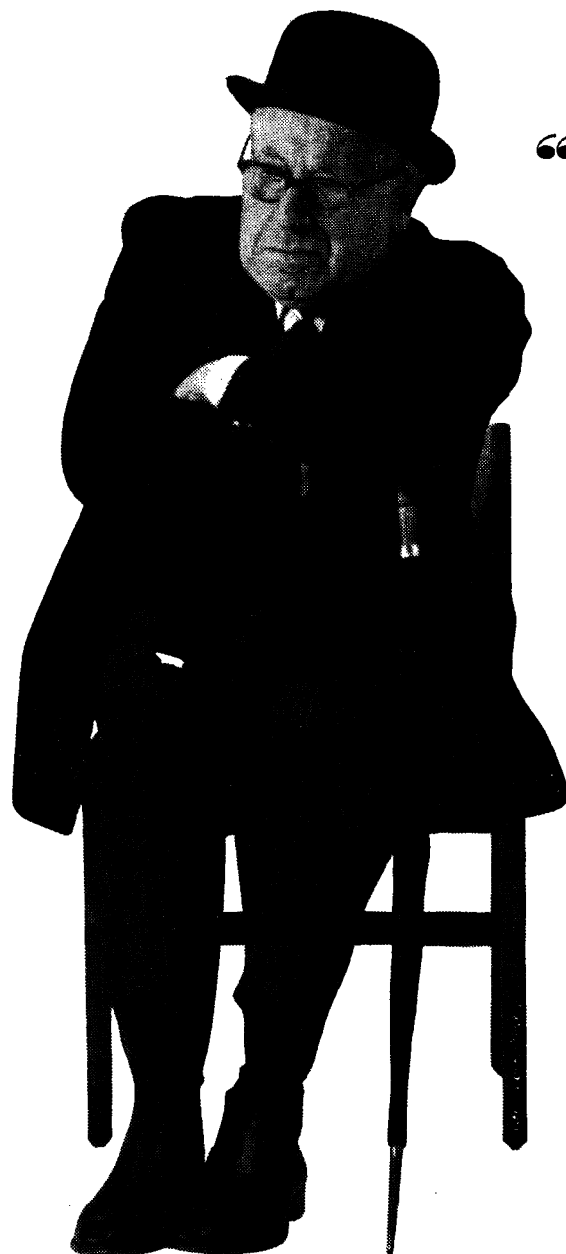

Patron: Her Majesty The Queen

“Doctor,
I feel awful”

Once he might have been diagnosed as “anxiety state”. Today, you know he might be a depressive, but it doesn’t seem as simple as all that. The truth of the matter is that patients don’t always fit neatly into diagnostic categories. They may suffer from such diverse symptoms as depression, agitation, loss of appetite and tension-fatigue at the same time.

The great strength of ‘Aventyl’ is that its beneficial actions range widely over the symptoms which plague these

problem patients. ‘Aventyl’ is not merely an anti-depressant, nor is it a combination of drugs. It is a *single substance* which relieves a constellation of mental and emotional symptoms embracing depression, anxiety and their effects on awareness and mood.

‘Aventyl’ is not a monoamine oxidase inhibitor, and no serious side-effects have been reported at the recommended dosage.

‘AVENTYL’TM lightens the troubled mind
Nortriptyline

‘Pulvules’ of 10 mg. and 25 mg. Liquid: 10 mg. in each 5 ml., in bottles of 120 and 480 ml.
Full information will be sent on request.

Psoriasis

Clinical tests confirm Alphosyl's effectiveness

Accumulating evidence increasingly underlines Alphosyl's effectiveness in cases of psoriasis, even in those that have proved intractable to other forms of treatment. Its success is attested by the fact that after only 2 years Alphosyl Lotion became the leading branded preparation for psoriasis in this country.

New Alphosyl Cream Following the success of Alphosyl Lotion, this coal-tar and allantoin combination is now available in Britain as a lubricating cream. The cream base has proved a particularly effective vehicle for Alphosyl as it incorporates a combination of free fatty acids (saturated and unsaturated) naturally occurring in triglycerides, sterols and esters to give the lipid phase of the base a significant resemblance to the lipid array of normal human skin¹.

Clinical Trials The table below gives the results of four different clinical trials which show the effectiveness of Alphosyl in lotion and in cream form.

No. of patients	100% cleared	75%-99% improved	50%-74% improved	25%-49% improved	No improvement
62 ³	29	26	7	0	0
50 ⁴	11	16	17	6	0
41 ¹	27	9	5	0	0
96 ²	44	29	15	0	8

Why Alphosyl is so effective In Alphosyl, allantoin and a specially refined coal-tar extract were combined for the first time. Allantoin has been found to be particularly effective in loosening psoriatic scales⁵, while the keratoplastic effect of coal-tar is well known⁵. Alphosyl is non-greasy and non-staining and vanishes on application. It is notably safe,⁵⁻⁴ being free from the risks which are found in other forms of treatment such as arsenicals, mercury, corticosteroids, x-ray, etc. It certainly deserves a trial in all cases of psoriasis.

Stafford-Miller Limited, Hatfield, Herts. by arrangement with Reed & Carnrick, Kenilworth, New Jersey, USA.

Alphosyl Lotion formula - special coal-tar extract 5% + allantoin 2% in a smooth, non-greasy lotic base.

Alphosyl Cream formula - allantoin 2% + 90% alcoholic extract of coal-tar (5:1) 5% in a vanishing cream type base.

R_x Alphosyl

Aldactone-A

brand of spironolactone

for the water-logged patient

Many patients with oedema and ascites fail to get a complete response to diuretic treatment. An important cause of this resistance is excessive secretion of aldosterone, a sodium-retaining adrenal steroid.

In these water-logged patients the early addition of Aldactone-A (a selective aldosterone antagonist) to the diuretic programme is a compelling therapeutic necessity.

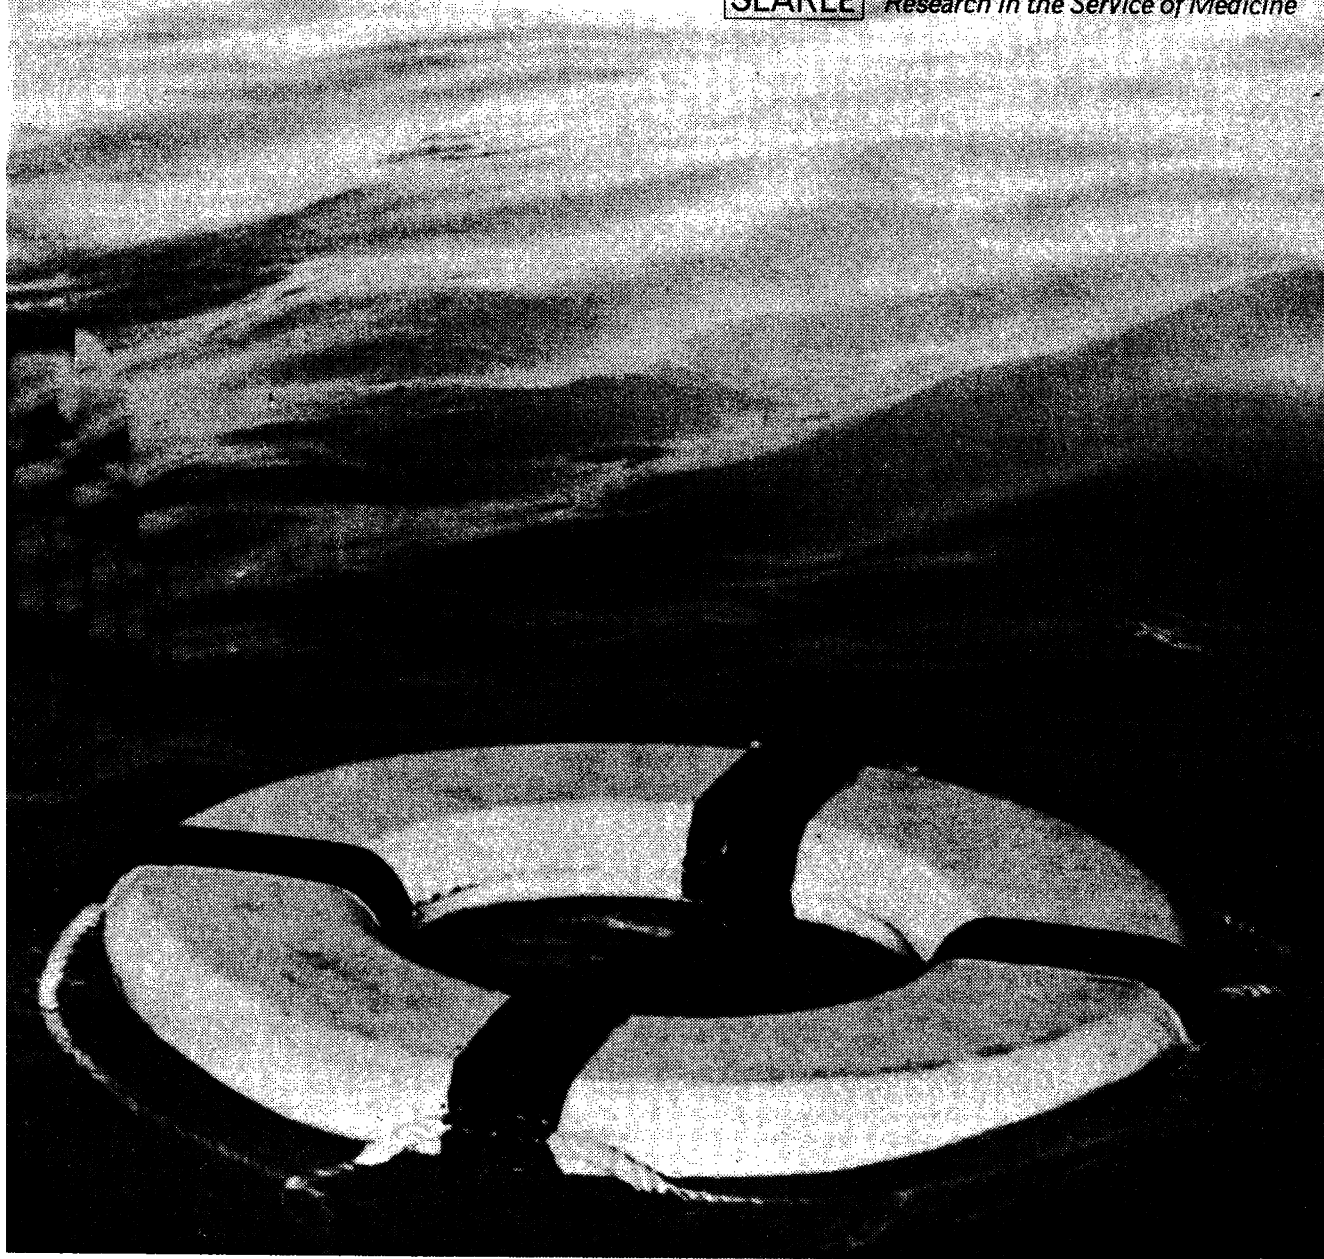

Aldactone-A acts as a booster to conventional diuretics, maintaining and enhancing their effect and enabling more complete diuresis to be achieved, until 'dry weight' is regained. Aldactone-A also increases the safety of long-term diuretic therapy by minimizing potassium depletion. Finally, patients on Aldactone-A often feel better, function better, and may be permitted a more liberal diet.

Available as 25 mg. tablets in bottles of 30, 100 and 500.

Aldactone is a Registered Trade Mark.

Doctors Past and Present

Lord Brain

This is the second volume in the eventual three-volume collection of Lord Brain's papers. It is not so general as "Some Reflections on Genius" in that it concerns medical personalities and contains essays on broad medical—but not clinical—subjects. This is a delightful book on literature and life seen through the eyes of a physician who is also a writer. **40s. net**

James Douglas

K. Bryn Thomas

This is a brief history of James Douglas, the friend and teacher of William Hunter, the founder of the Windmill Street School of Anatomy. The book contains a bibliographical survey of James Douglas' books and papers, all of which have never been edited or classified before. **35s. net**

Thyroid Disorders

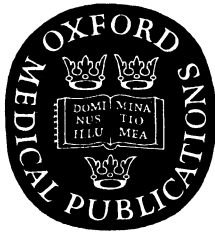

I. P. C. Murray

This book has been designed to provide an outline of present-day concepts of the investigation and treatment of thyroid disorders. The first part of the book provides a basis for understanding the use of radioactive iodine in the diagnosis of thyroid disorders. Whilst, in the second half the major disturbances of the thyroid function are briefly outlined. **15s. net**

Manual of Respiratory Cytology

F. R. Philps

This is a working manual for the cytologists and clinical pathologist to use on the bench. It is profusely illustrated and gives the reader a clear guide to the snags and peculiarities he sees in the sputum specimens he is examining under the microscope. **20s. net**

OXFORD UNIVERSITY PRESS

Cunningham's Textbook of Anatomy

EDITED BY G. J. ROMANES

In preparing this new edition the aim has been to provide a book of reference that, whilst shorter than the full scale textbooks of the past, is sufficiently comprehensive to cover adequately the structural details of the human body and their functional implications without the need for a special textbook on each subsidiary aspect of the subject. A considerable part of the text has been rewritten and the remainder extensively modified so as to achieve an appreciable reduction in overall length without the sacrifice of any necessary material. The illustrations have been extensively revised, all the old wood engravings have been replaced by half-tone illustrations, 217 new figures from original drawings

have been added and many other illustrations have been redrawn. The larger page size, with 2 columns of the text to the page, has enabled many illustrations to be increased considerably in size without divorcing them from the relevant text. The number of radiographs has been increased considerably, all are new and form virtually an atlas of normal radiographic anatomy. Throughout the text the revised *Nomina Anatomica* published in 1961 has been used. A glossary has been included at the end of the book which gives all the changes from the earlier Birmingham Revision used in the previous edition.

Tenth Edition: Demy 4to, 1,030 pages, 1,316 illustrations, 120s net (*Just published*)

Community Services for the Mentally Handicapped

J. TIZARD

How can the community care best for the mentally handicapped? What problems do families with a mentally handicapped child have to face? What kind of training and education is most suitable for mentally handicapped children? Institution or home care—what are the advantages and disadvantages of each? These are some of the questions to which this book suggests answers.

Demy 8vo, 188 pages, 28s net (*Just published*)

The book is divided into five parts dealing respectively with the prevalence of mental subnormality; the problems of families; the education and care of mentally subnormal children; the Brooklands Residential Unit (an account of an experiment with a method of care based on the concept of small, family-type groups); and the organization of services.

Medical Surveys and Clinical Trials

Some Methods and Applications of Group Research in Medicine

EDITED BY L. J. WITTS, CBE

The aim of this book is to display the common factors in several forms of clinical research in which patients are considered in groups rather than as individuals. Such research includes epidemiological surveys, studies of the natural history of disease, therapeutic trials, follow-up

studies, and similar investigations. The first part of the book describes the methods used in group research and the second part shows how these methods may be applied in many different branches of clinical science.

Second Edition: Demy 8vo, 382 pages, 19 illustrations, 42s net (*October*)

EXPERIMENTAL SURGERY—New (5th) Edition

By J. MARKOWITZ, M.B.E., M.B. (Tor.), Ph.D.,
J. ARCHIBALD, D.V.M., M.V.Sc. (Tor.), and H. G.
DOWNIE, D.V.M. (Tor.), M.S. PL.D., Ontario Veterinary
College, Guelph, Ontario.

A new edition of a book which is credited with stimulating much of the
work in experimental surgery that has been done in recent years.

5th Edition. 670 pages, 580 illustrations. 104s.

SURGERY OF ARTHRITIS

Edited by ROBERT A. MILCH, M.D., F.A.C.S., Assistant
Professor of Orthopedic Surgery, The Johns
Hopkins University School of Medicine, Baltimore.

This book is essentially a primer for doctors and surgeons. It describes
when, how, and for which arthritic conditions surgery is the best
corrective measure.

320 pages, 250 illustrations. 92s.

VIRUSES OF VERTEBRATES

By SIR CHRISTOPHER ANDREWES, M.D., F.R.C.P.,
F.R.S., late Deputy Director, National Institute for
Medical Research, Mill Hill, London.

"Andrewes has performed a very valuable feat in bringing together a
vast amount of information on viruses of vertebrates."—*The Lancet*.

401 pages. 63s.

TREDGOLD'S TEXTBOOK OF MENTAL DEFICIENCY

By R. F. TREDGOLD, M.D., D.P.M., and K. SODDY,
M.D., D.P.M., both of the Department of Psychological
Medicine, University College Hospital, London.

The authoritative work on the care, management and treatment of
mentally subnormal persons.

10th Edition. 562 pages, 8 pages of illustrations. 60s.

SINGLE-DOSE TREATMENT FOR BOTH THREADWORMS AND ROUNDWORMS

"With its high cure-rate, lack of toxicity, ease of administration, and simplicity of dosage, we regard pripsen as, at present, the remedy of choice for enterobiasis...The doses of piperazine were less than half those hitherto used in seven days' treatment, and there were no toxic effects."

Lancet, 1960, *i*, 256.

"Pripsen...is a highly effective agent against ascariasis."

"Of the 88 patients completing the trial, 74 (84%) were cured by a single dose and, in the remaining 14, repeated dosage...resulted in a 100% cure-rate...Apart from one patient...there were no undesirable side-effects in this series, which included babies of 4 and 5 months."

S. Afr. med. J., 1962, *36*, 240.

**New
Miltown S-R:
the first
and only
meprobamate
in sustained
release
capsule form**

New Miltown S-R gives up to 12 hours sustained relief from anxiety and tension. It is the only meprobamate in sustained release capsule form, and is the ideal tranquilliser for busy or elderly patients who can so often forget to follow high-frequency dosage patterns. Each capsule of Miltown S-R contains 400 mg. Miltown (meprobamate*, Wallace) renowned for its efficiency and singular lack of unpleasant side effects.

DOSAGE:

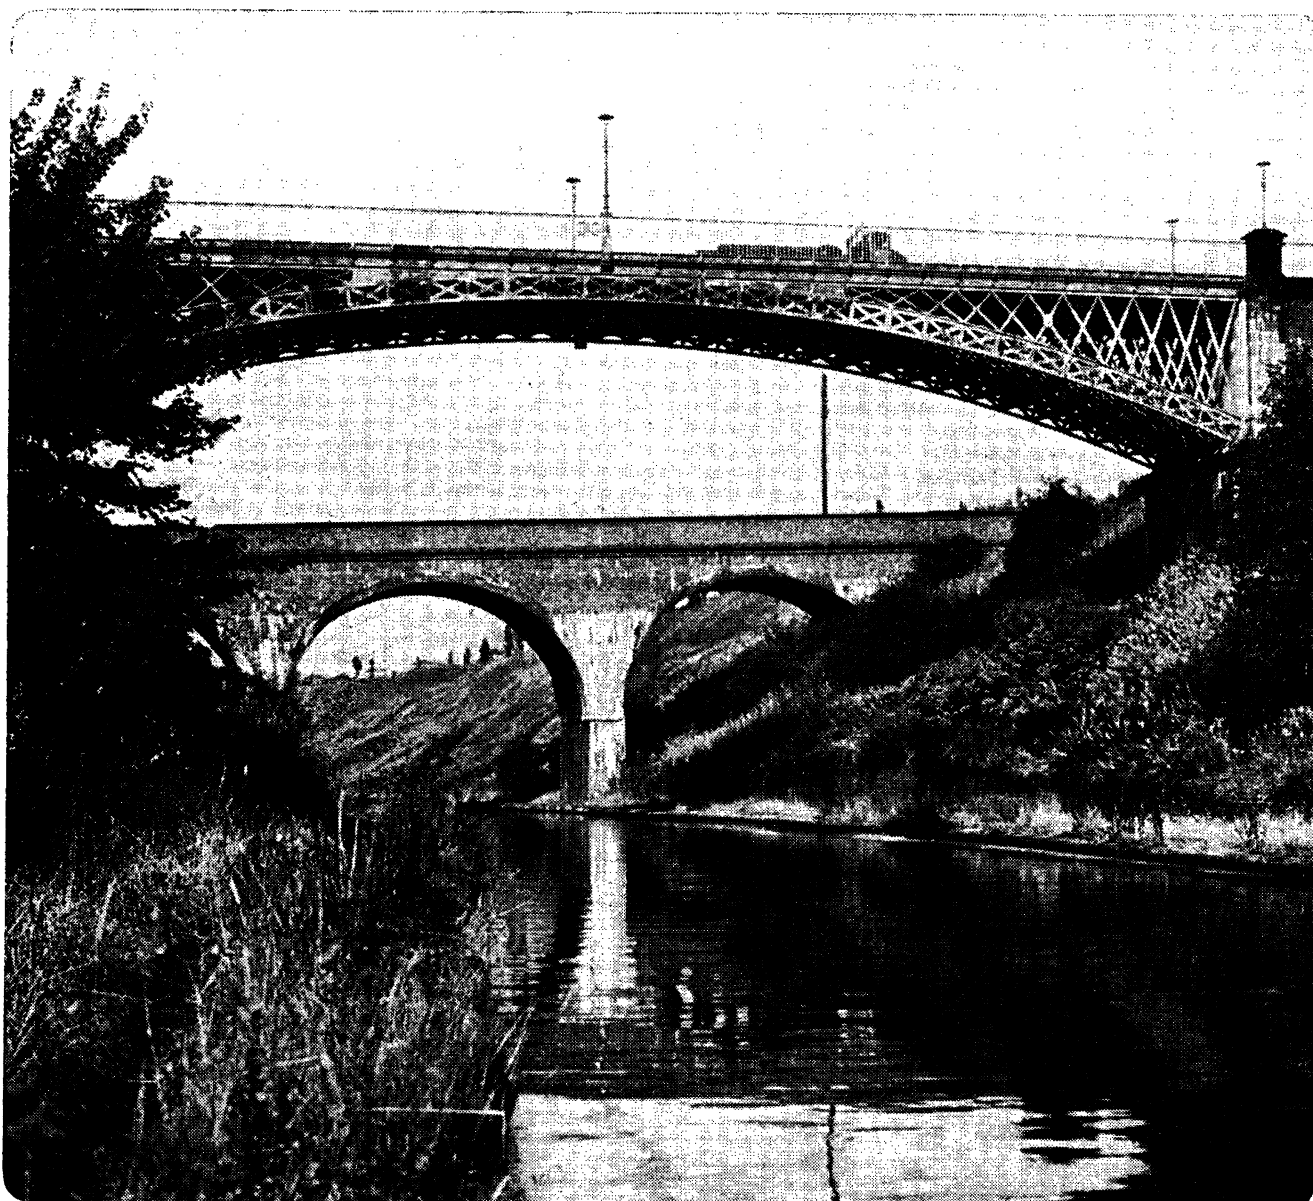

The usual dosage is one 400 mg. capsule in the morning and again at bedtime.

AVAILABILITY:

Bottles of 30 blue-topped sustained release capsules 400 mg. meprobamate.

WALLACE LABORATORIES,
Wear Bay Road, Folkestone, Kent
'Miltown' the original meprobamate is a Regd.
Trade Mark *British Pat. No. 751440.

The cast-iron Galton Bridge at Smethwick was designed by Thomas Telford, and built in 1829. It carries the road over the Birmingham Canal.

SIDROS—FOR THE PATIENT DEFICIENT IN IRON well tolerated iron compound plus reducing agent to aid absorption

In the treatment of iron-deficiency anaemia many iron salts can produce the desired increase in haemoglobin level. Some also have a tendency to produce side-effects, and there can be a great deal of wastage through non-absorption.

SIDROS is designed to overcome these disadvantages, and provides a reliable treatment for iron-deficiency anaemia.

Ferrous gluconate Each Sidros tablet contains 300 mg of ferrous gluconate which produces a highly satisfactory clinical response and is very well tolerated.

Ascorbic acid Sidros also contains stabilized ascorbic acid (30 mg per tablet) which is known to aid absorption by maintaining iron in the reduced state.

The basic NHS price of 100 Sidros tablets is 2/8 as dispensed from 1000 tablet bottle. Samples of Sidros are available on request.

SIDROS is effective, well absorbed, well tolerated and economical

INVIRIN-OL, the latest oil-adjuvant influenza vaccine is dispensed in the new JEXIN disposable unit. This completely sterile unit consists of a ready-assembled syringe, loaded with one dose of INVIRIN-OL. The unit is simple to use—twist the central barrel to break the seal, remove cap, inject and then throw away. In this time saving manner vaccination sessions end sooner and are less tiring, at no extra cost.

The vaccine itself is the oil-adjuvant type that has been shown to be the influenza vaccine of choice. A high antibody response is produced after two to three weeks; and with a small 0.25 ml dose, the chance of reaction is minimal. Four strains of killed virus are included: A/Singapore/1/57, A/England/1/61, B/England/939/59, and B/Taiwan/4/62.

INVIRIN-OL, like all Glaxo vaccines, is backed by twenty-eight years of human vaccine research and development.

Invirin-ol is available in packs of 1 × 1 dose in the new Jexin disposable unit. Multiple pack at quantity rates available for industrial use only.

Invirin-ol and Jexin are Glaxo Trade marks

**from day
sedation
to night
hypnosis**

The value of NEMBUTAL. The harassed housewife who needs light sedation during the day; the stress-loaded businessman who cannot get to sleep; the true insomniac . . . all these are candidates for Nembutal therapy. A small dose of Nembutal t.d.s. helps to smooth out life's rough edges, calming the patient and helping them to face life's problems rationally. Where insomnia is due to mild tension, a slightly larger sedative dose is often enough to let the patient drift into a natural sleep. Larger hypnotic doses bring sleep to even the most stubborn case.

The qualities of NEMBUTAL. It is rapid in onset, and has a duration of action of about 4 to 6 hours, which lessens the possibility of hangover. It may be used for any degree of CNS depression, from mild sedation to deep hypnosis, by adjusting the dose.

Nembutal is available in three strengths 30 mg ($\frac{1}{2}$ gr), 50 mg ($\frac{3}{4}$ gr), 100 mg ($1\frac{1}{2}$ gr) also as Elixir containing approx. 20 mg/5 ml. *For daytime sedation:* One 30 mg capsule t.d.s. (One 50 mg

capsule t.d.s. if required). *As an aid to natural sleep:* One 50 mg capsule nocte. *For hypnosis:* One (or two) 100 mg capsules nocte (up to four capsules for basal hypnosis).

**You avoid the unexpected
and have the safety and
assurance of a classic drug**

What has Equanil to do with a cabbage?

The answer is nothing. And neither has your patient if you prescribe Equanil*. The plain fact is, however, that when potent depressant drugs are prescribed for patients with relatively mild anxiety and tension, there is a tendency for them to be over-sedated and become mere 'cabbages'. The drug of choice in chronic anxiety and tension is Equanil, which relaxes mind and muscle without interfering with the patient's day to day activities. Well-tolerated Equanil (Meprobamate B.P.) is available as 200 mg. and 400 mg. tablets in bottles of 20 and 250.  John Wyeth & Brother Limited, Taplow, Maidenhead, Berkshire. *trade marks

volkswagen open up a second boot

Take an estate-size boot in the back. Then add a spare boot in front, under the bonnet, where others keep their engine. □ Result? The most spacious 5-seater sports car of its size. Yes, sports car! With a powerful twin-carburettor engine, soaring acceleration, and a cruising speed of 85 m.p.h. □ And if you think that a sports car that looks like an estate car is all pure gimmick, then study the design. It's solid Volkswagen. Sturdy, lasting, with all the well-tried Volkswagen features. □ At first we didn't know what to call it. Then someone said: "It's so versatile, call it the Variant". And this we did.

Also available as a saloon (1500 S), or with Karmann Ghia coupé body.

The illustration (*circa* 1400 A.D.) depicts the stage of life of an Aztec of ancient Mexico where he suffers from the "pains of middle age". The position of the spear heads indicate the various parts of the body which were particularly afflicted, e.g., his eyes begin to fail, his heart becomes weak and his muscles begin to ache. The Aztecs found that these grumbling pains began rather earlier in their life span than we find

in ours. Today, of course, much can be done to relieve the querulousness of old age and the use of drugs such as

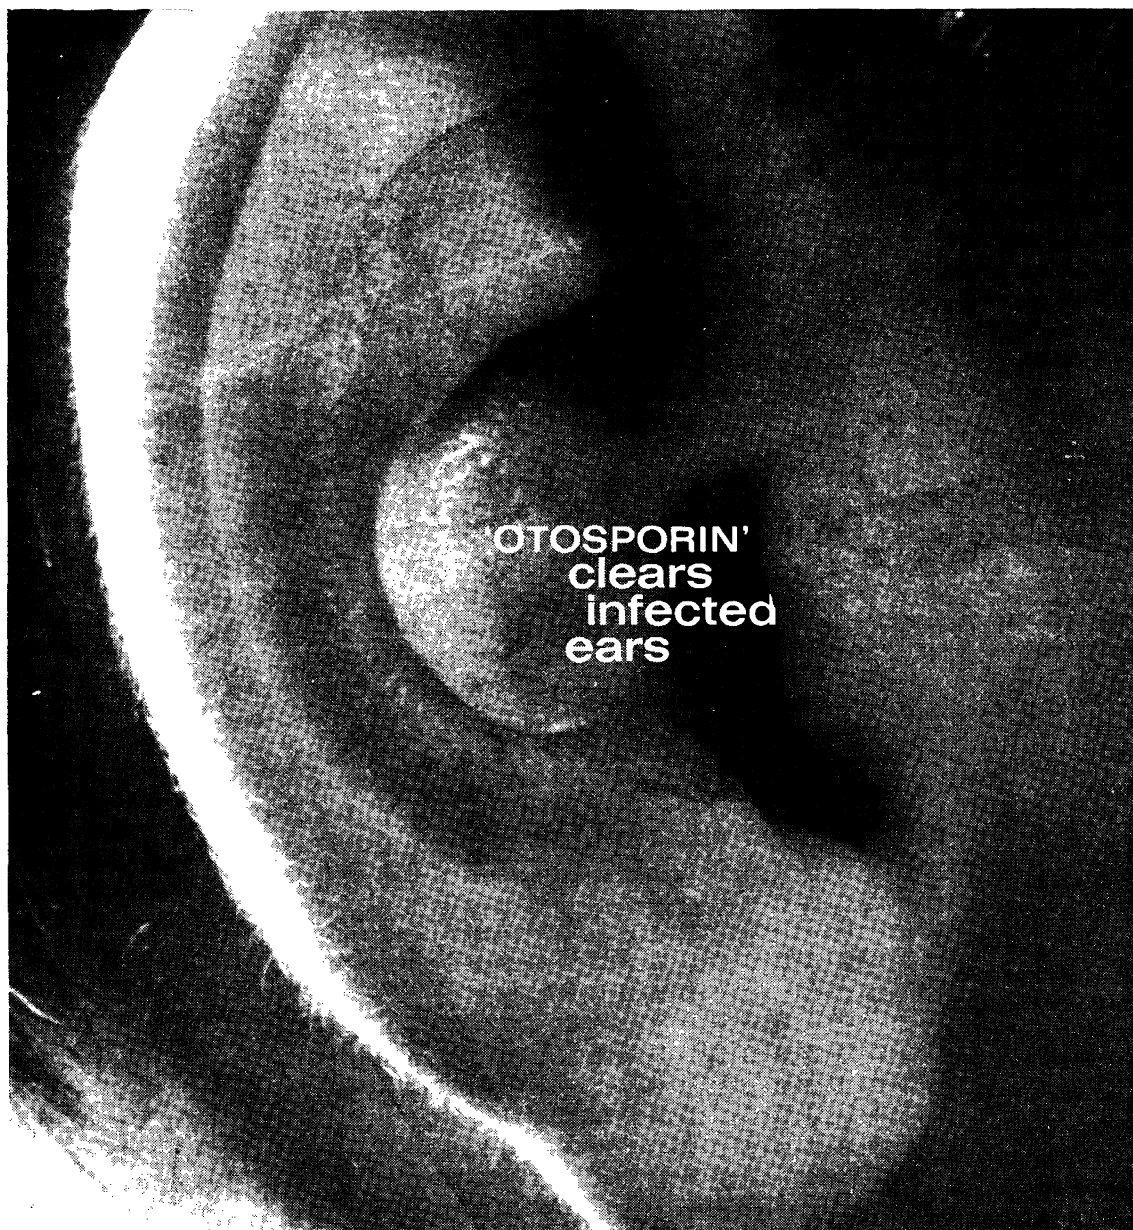

'Largactil'

is helping considerably to make this stage of life happier and more useful.

An M & B brand Medical Product

'Largactil' is the trade mark of May & Baker Ltd for its brand of chlorpromazine

'OTOSPORIN'

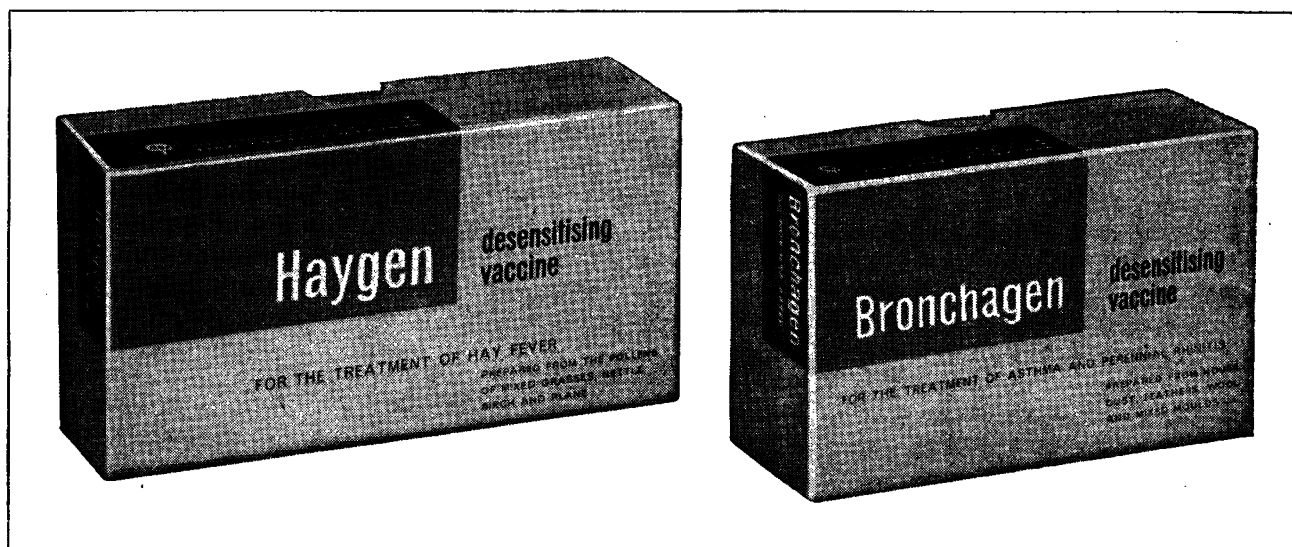

The modern method of treatment in otitis externa, chronic suppurative otitis media, and infected mastoid cavities, is 'Otosporin' Drops. 'Otosporin' is an aqueous suspension containing neomycin and polymyxin B which are together effective against practically all the bacteria found in ear infections. In addition, it contains hydrocortisone to reduce inflammation and swelling, thereby providing easier access for the antibiotics.

'OTOSPORIN' BRAND Drops ISSUED IN BOTTLES OF 5 ml.

*two new
desensitising vaccines
for the treatment of
allergy*

HAYGEN & BRONCHAGEN

HAYGEN and BRONCHAGEN are the logical outcome of research by the Bencard Allergy Unit in the field of specific desensitising vaccines for the treatment of hay fever on the one hand and allergic asthma and perennial rhinitis on the other.

Clinical observation has indicated that the allergens incorporated in Haygen are responsible for the symptoms of more than 80% of cases of hay fever, while those of Bronchagen are responsible for the symptoms in at least 70% of cases of allergic asthma and perennial rhinitis.

With simplified treatment based on case history alone, patients may expect substantial relief or complete freedom from symptoms following therapy with Haygen or Bronchagen.

Availability and price:

HAYGEN—FOR HAY FEVER

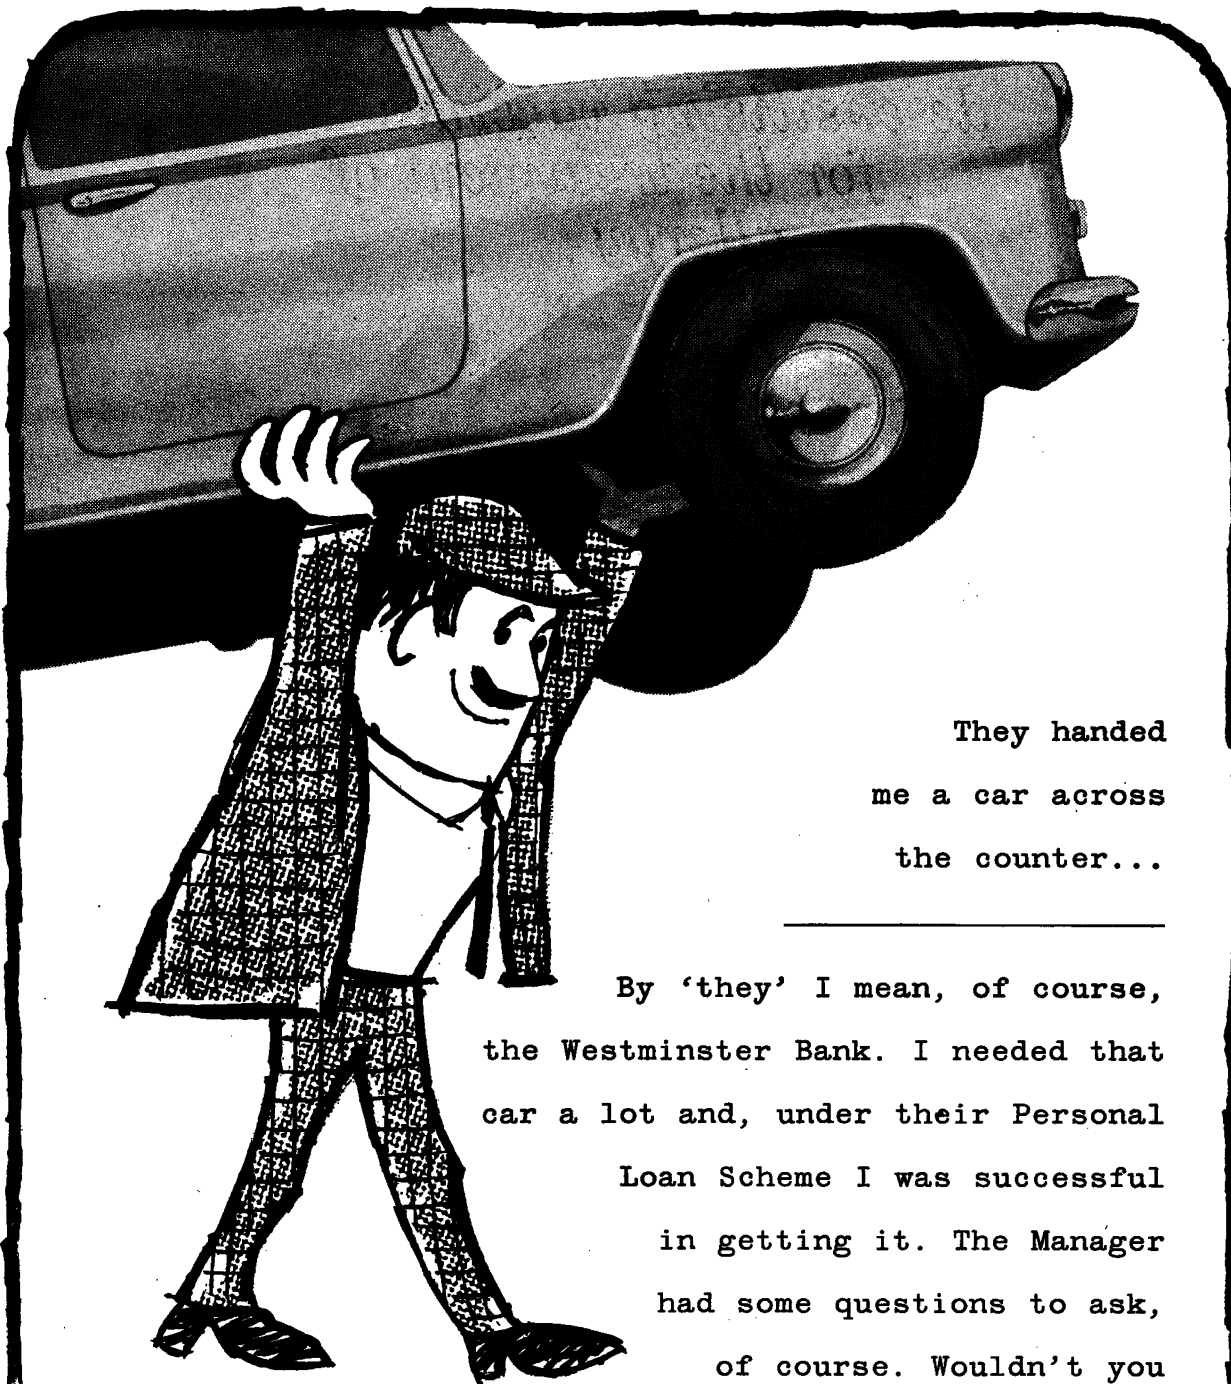

Supplied in 4 x 10ml. vials in graded strengths suitable for one season's treatment. Treatment should be carried out starting in January in each three successive years. Basic N.H.S. 78/9.

BRONCHAGEN—FOR ASTHMA AND PERENNIAL RHINITIS

Supplied in 3 x 10ml. vials in graded strengths suitable for a complete course of treatment, which may be undertaken at any time of the year. Basic N.H.S. 78/9.

HAYGEN and BRONCHAGEN are the products of British research at

Efficient antiseptics with Dettol

REGD.

"If the antiseptic is to be of any value at all in most of these situations it must not only kill organisms that are dry and probably embedded in films of some kind but it must act rapidly before it is removed by evaporation, gravity or washing." "Efficiency of Antiseptics When Acting on Dried Organisms" Brit. Med. J. 1963 1, 499.

According to the evidence Dettol meets these two important provisions of Rapidity of Action and Compatibility with Soap.

RAPIDITY OF ACTION. Dettol kills Staph. aureus, including phage type 80/81 and Ps. pyocyanea in less than 2½ minutes. (vide Brit. Med. J. 1963 1, 498).

COMPATIBILITY WITH SOAP. "Unlike the other antiseptics, Dettol appeared to have its efficiency increased by the presence of soap, and against Staph. pyogenes the effect was one of true synergism."

"Antiseptics in Midwifery" Brit. Med. J. 1956 2, 200.

Dettol is non-poisonous and is well-tolerated. Its efficiency is well maintained in the presence of organic materials and it is stable in solution.

SURGICAL DETTOL. A tincture for pre-operative skin disinfection available in orange, blue and colourless varieties.

DETTOL CREAM. An antiseptic cream for surgical, medical and obstetric uses.

INSTRUMENT DETTOL. For the disinfection and storage of surgical instruments and appliances.

RECKITT & SONS LIMITED.
PHARMACEUTICAL DEPARTMENT, HULL

QUESTIONS, PLEASE?

Menstrual protection and comfort

Q Many patients ask about Tampax because they feel it would be more convenient to use than a perineal pad. From the standpoints of comfort, convenience and efficiency can Tampax be recommended?

A Yes, definitely. Tampax comes in a disposable container-applicator which, if properly used, ensures that the tampon will be inserted as it should be—above the sphincter muscles. This area of the vagina is virtually insensitive so the user is literally unaware of the presence of Tampax.¹ Absence of the restrictive, binding harness of straps and pins that is required with the use of the perineal pad adds greatly to the convenience, comfort and peace of mind of the Tampax user. Many leading research workers have reported that most patients preferred tampons over perineal pads because of the great comfort they afford.²⁻⁴

Tampax is efficient because of the principle on which it is based. A woman doctor says, "tampons are far more efficient (than sanitary towels); partly because they are applied nearer the source, partly because the material of which they are made seems to be more absorbent".⁵

A Tampax tampon and its container-applicator can be flushed away in standard toilet facilities without difficulty.

Tampax is available in Regular and Super absorbencies.

1. J.A.M.A. 123:490 (June 16) 1945. 2. Brit. med. J. 1:24 (January 5) 1952. 3. Am. J. Obst. & Gynec. 46:259 (August) 1943. 4. Ugesk. Laeger 116:119 (January 24) 1954. 5. Brit. med. J. 1:1741 (June 4) 1960.

TAMPAX MENSTRUAL TAMPONS

Preferred because they—

1. Eliminate vulval chafing and irritation.
2. Permit freedom from menstrual odour.
3. Eliminate danger of infection from the anal region.
4. Permit normal flow with no possibility of occlusion.
5. Promote mental and physical well-being.
6. Ensure hygienic, medically correct insertion via their unique container-applicator.
7. Provide protection in a convenient, comfortable, efficient and disposable form.

*Start your patient on good menstrual hygiene
—start her on*

TAMPAX

Tampax Limited, Havant, Hants.

Take a man from a crowd and he's still several men. He may be a family man as well as a professional man; a motorist, a householder too. Each role has its own risks, its own special responsibilities. But sound insurance can take care of many of the worries they bring. It means peace of mind in the present and in the future.

THE GENERAL LIFE ASSURANCE CO • London

BRITISH HEART FOUNDATION

A Progress Report

The British Heart Foundation has already made a number of specific grants to doctors and other scientific investigators engaged in a wide range of research. A great deal more money is now required to continue this valuable work.

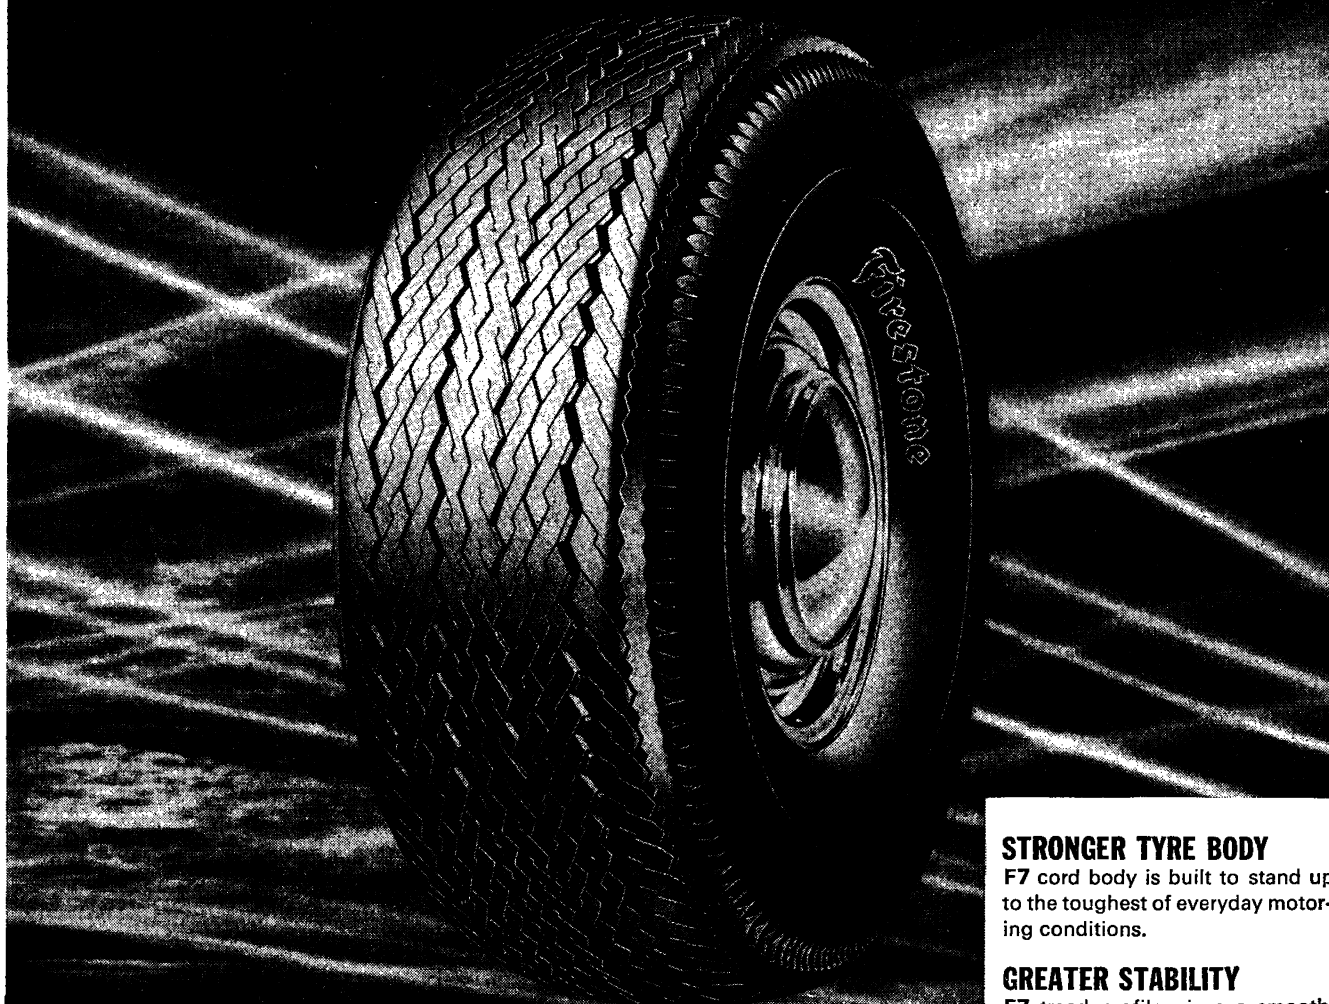

Grants totalling more than £300,000 have already been promised to Institutions and individuals in over 50 centres. Among interesting projects being supported are:

- * A clinical trial to determine whether reduction of elevated serum lipids in healthy men reduces their risk of developing ischaemic heart disease. (Royal Infirmary, Edinburgh) £10,000.
- * A study of the haemodynamics of congenital heart disease (Post-graduate Medical School of London) £11,145.
- * A Research Fellowship and technical assistance to study techniques for the correction of transposition of the great arteries in infants under one year. (Institute of Child Health, London) £12,500.
- * A study of atherosclerosis in wild animals under natural conditions and in captivity. (The Nuffield Institute of Comparative Medicine) £21,000.
- * Application of simultaneous biplane cine-angiography to the study of cardiac function. (Royal Infirmary and University of St. Andrews, Dundee). £6,000 for photographic apparatus.
- * Dietary trials in healthy school children. (University of Ibadan, Western Nigeria). £5,000 for an automatic amino-acid analyser and an ultraviolet spectrophotometer.

As all doctors will recognise, this work represents only a fraction of the tremendous problem. The Foundation aims at a minimum income of £500,000 a year. There is a long way yet to go and we urgently appeal for support. Help us by not only making a donation or by taking up membership, or by remembering us in your will, but also by bringing this worthy cause to the attention of patients—particularly patients with a personal interest in heart disease. The idea of an "In Memoriam" donation to the fund has also commended itself to many people.

Donations to, and details from, the Director of Appeal (Dept. B.M.6), British Heart Foundation, Tavistock Square, London, W.C.99.

GRIP ALONE IS NOT ENOUGH!

NEW Firestone F7

gives you the strength behind the grip!

Grip is important but grip alone is not enough: it's the strength behind the grip that counts. The world's finest grip is of little use if the carcass won't stand up to the strain or if the tread wears out too quickly. There's more to a tyre than grip alone: you need grip plus strength.

Firestone development engineers have spent years of research and testing to produce the F7, the perfect tyre, round shouldered, strong, cooler running, flexible: a new standard in safety; a tyre by which to judge all others. Perhaps some day all tyres will be as good—today the F7 is paramount.

STRONGER TYRE BODY

F7 cord body is built to stand up to the toughest of everyday motoring conditions.

GREATER STABILITY

F7 tread profile gives a smooth, true ride, even over cats' eyes and raised white lines.

BETTER CORNERING

F7 grip acts superbly when needed most—on corners. Safer cornering than ever before.

HIGHER MILEAGE

F7 tread has special stabilisers built-in to give more miles.

ADVANCED TREAD PATTERN

F7 tread has seven ribs—five main ribs, plus two round the shoulders to give non-skid safety.

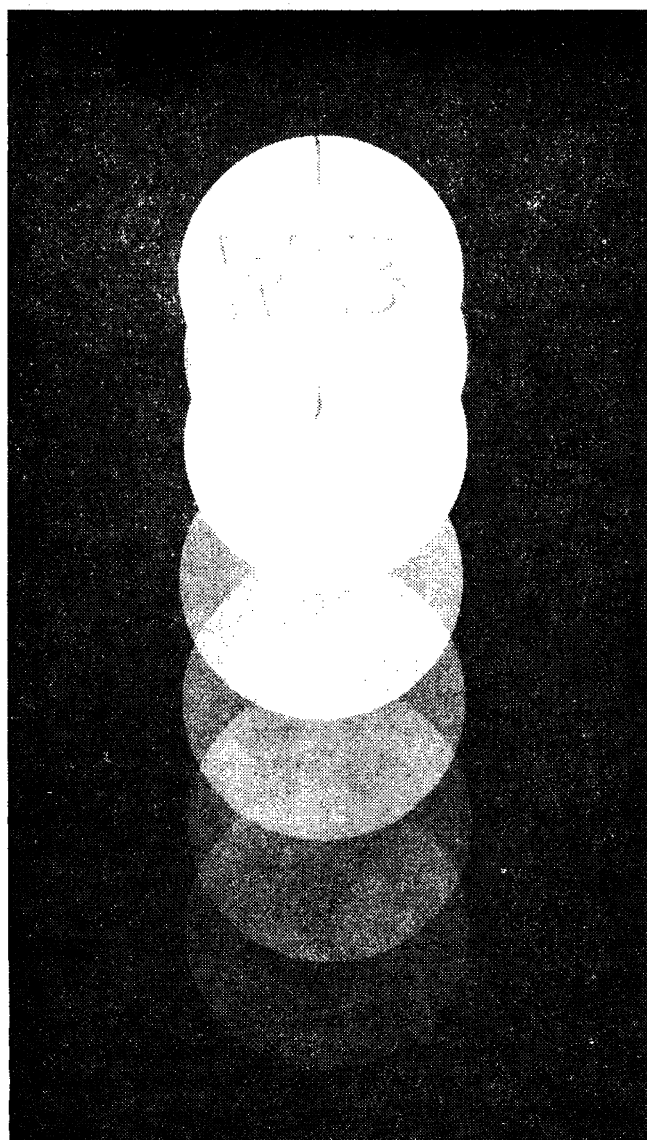

REMARKABLE WET WEATHER GRIP

F7 tread pattern is scientifically designed to squeeze water away from the point of road contact.

NEW RUBBER COMPOUND

F7 is made with the latest Firestone miracle rubber compound SUP-R-TUF for safety and long life.

MAKE YOUR CAR FIRESTONE SAFE

EKAMMON

SOLUBLE

FOR SAFER
SALICYLATE THERAPY

Makes possible the administration of aspirin in full analgesic, anti-pyretic and antirheumatic doses. The three effective constituents of Ekammon Soluble offer these three important advantages:-

1. **SOLUBLE ASPIRIN**—minimises the gastric irritation encountered with the use of insoluble aspirin, avoiding erosive gastritis and its potentially dangerous complications.
2. **VITAMIN K**—counteracts the prothrombin-reducing action of aspirin, averting haemorrhagic tendencies.
3. **VITAMIN C**—prevents the C-hypovitaminosis usually associated with the administration of salicylates.

COMPOSITION:- Soluble Aspirin equivalent to acetylsalicylic acid 330 mg. (5 grains) Acetomenaphthone (Vitamin K) 0.49 mg. Ascorbic Acid (Vitamin C) 20 mg.

PACKS:- Containers—50, 100, 300 and 750 tablets.

A QUESTION OF HABIT

Journal reading habits vary. Some people start with the front cover and read right through to the back whilst others begin at the back.

Whichever type of reader you are, there is one habit well worth cultivating—read classified advertisement pages, particularly those in the *B.M.J.*

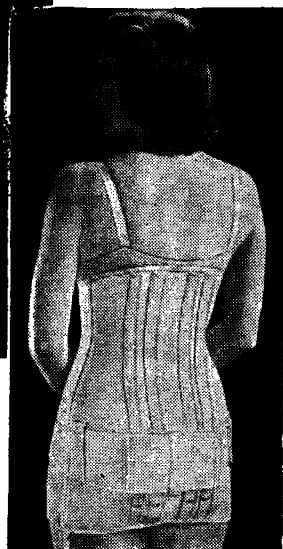

If you make a habit of reading these pages you should find them most rewarding.

As an advertiser you could use them to your advantage.

A SPENCER SUPPORT for Intervertebral Disc

In both conservative and surgical treatment of intervertebral disc, application of a back support is usually indicated.* We invite the surgeons' investigation of Spencer as an adjunct to treatment. Each Spencer is *individually designed, cut and made* for each patient—after a description of the patient's body and posture has been recorded and detailed measurements taken. Thus, individual support requirements are accurately met. The Spencer Spinal Supports shown incorporating rigid Spinal Braces were individually designed for both man and woman patients. Note exterior pelvic binder for added pelvic stability.

* Ruptured Intervertebral Disc and Sciatic Pain, "Journal of Bone and Joint Surgery," 29, 429-437 (April, 1947).

Wright's

comes first to hand

In the hospital, in the surgery, in patients' sickrooms and in your own home, you need Wright's Coal Tar Soap. Because of its germicidal qualities and gentle, cleansing lather, Wright's has held for over fifty years the Certificate of Merit of the Royal Institute of Public Health and Hygiene. Wherever you are, this pure mild soap helps to safeguard against infection.

PROTECTIVE—YET SO GENTLE

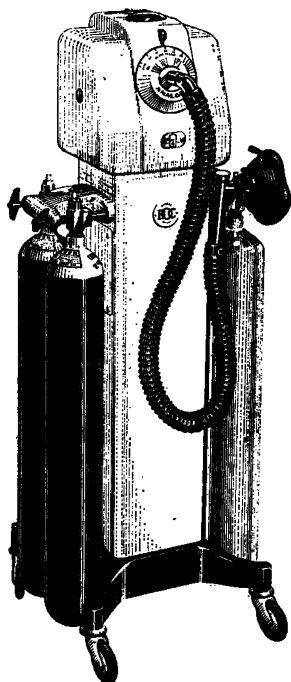

MEDICAL EQUIPMENT FROM BRITISH OXYGEN

Acknowledgments to Farley's Infant Food Ltd.

The Lucy Baldwin apparatus represents a significant advance in obstetric analgesia. It is designed for the administration of nitrous oxide and oxygen mixtures, the composition of which may be varied between 70% N₂O/30% O₂ and 100% O₂. The mixture exhaled by the patient corresponds closely to the control setting, regardless of changes in draw-off conditions and will flow only in response to the patient's inspirations. Safety features include an emergency oxygen control and an automatic cut-off valve to prevent inhalation of nitrous oxide in the event of undetected failure of the oxygen supply. Write for illustrated leaflet.

EDUCATIONAL

UNIVERSITY OF ST. ANDREWS

Chancellor—His Grace THE DUKE OF HAMILTON, P.C., K.T., G.C.V.O., A.F.C., LL.D., F.R.C.S.E., F.R.G.S., D.L.

Rector—Sir CHARLES PERCY SNOW, C.B.E., LL.B., D.Litt.

Vice-Chancellor and Principal—Sir THOMAS MALCOLM KNOX, M.A., LL.D., F.R.S.E.

The UNIVERSITY OF ST. ANDREWS includes the UNITED COLLEGE OF ST. SALVATOR AND ST. LEONARD AND ST. MARY'S COLLEGE IN ST. ANDREWS, and QUEEN'S COLLEGE IN DUNDEE.

FACULTY OF MEDICINE

Dean of the Faculty—Professor J. L. HENDERSON, M.D.(Edin.), F.R.C.P.E.

Adviser of Studies at St. Salvator's College—Professor R. WALMSLEY, M.D.(Edin.), F.R.C.S.F., F.R.S.E.

Adviser of Studies at Queen's College—Professor R. E. COUPLAND, M.D., Ph.D.(Leeds), F.R.S.E.

The University confers the following DEGREES and DIPLOMAS:—M.B., Ch.B., M.D., Ch.M., Ph.D., D.P.H., D.I.H. (all open to men and women).

Application for admission as a medical student should reach the Dean not later than December 15 in any year.

SESSION 1964-65 commences on October 11, 1964. The whole curriculum may be taken at Dundee, or the first two years and two terms may be taken in St. Andrews and the remainder in Dundee.

CLINICAL INSTRUCTION—Ample facilities at Dundee Royal Infirmary (510 beds), Maryfield Hospital (400 beds), and other Medical and Surgical Institutions in Dundee and neighbourhood.

Fees for complete M.B., Ch.B. Course and Matriculation, £450.

Full information may be obtained from the Dean of the Faculty of Medicine, Queen's College, Dundee.

SCHOOL OF DENTISTRY

Adviser of Studies—Professor A. D. HITCHIN, M.D.S., D.D.Sc., F.D.S. R.C.S.

The University confers the Degrees of B.D.S., M.D.S., D.D.Sc., and Ph.D. and the Diploma in Public Dentistry.

Full facilities for instruction are available in the Medical and Scientific Departments of the University and the Teaching Hospitals. Academic teaching of dental subjects is conducted in the new Dental School, and excellent facilities for Clinical Dental Instruction are available in the recently modernized Dundee Dental Hospital.

Fees for complete B.D.S. Course and Matriculation, £375.

Full information may be obtained from the Adviser of Studies in Dentistry, Dental School, Park Place, Dundee.

GENERAL INFORMATION

RESIDENCE HALLS. Several are available for men and women of all Faculties in St. Salvator's College and Queen's College.

BURSARY (SCHOLARSHIP) COMPETITION. For St. Andrews and Dundee. Medical and dental students are eligible.

POSTGRADUATE STUDY AND RESEARCH. There are good facilities for research in many departments, both medical and dental. Information can be obtained from the Dean or Adviser of Studies.

THE UNIVERSITY OF SHEFFIELD

FACULTY OF MEDICINE

Dean—J. G. McCRIE, O.B.E., T.D., M.B., F.R.C.P.Ed.

The University grants Degrees in Medicine and Surgery (M.B., Ch.B., M.D., Ch.M., Ph.D.) and in Dental Surgery (B.D.S., M.D.S.). It also grants a Diploma in Microbiology (Dip. Microbiol.) and a Diploma in Dental Surgery (L.D.S.). These are all open to men and women on equal terms.

The Session 1964-65 begins on October 5.

Entries to the Medical and Dental Schools are strictly limited in order to ensure adequate lecture and laboratory accommodation for all students. Lectures and laboratory courses are given in the University, whilst clinical instruction is provided in the general and special Hospitals in the City. The relatively ample number of hospital beds available renders the facilities for clinical instruction unusually large.

HALLS OF RESIDENCE.—FOR MEN: Crewe Hall, Clarkehouse Road, Sheffield, 10; Stephenson Hall, Oakholme Road, Sheffield, 10; Sorby Hall, Endcliffe Vale Road, Sheffield 10. FOR WOMEN: Halifax Hall, Endcliffe Vale Road, Sheffield, 10, and annexes.

Particulars of the Halls may be obtained from the Wardens.

A number of junior hospital appointments are open to qualified students of the Schools, both male and female.

Prospectuses containing details of the Medical and Dental Schools may be obtained, respectively, from the Dean of the Faculty of Medicine and the Director of Dental Studies; and one giving particulars of Entrance Scholarships from the undersigned.

G. CLARK, Registrar.

OXFORD UNIVERSITY CLINICAL SCHOOL

The School is based on the Radcliffe Infirmary, the Churchill Hospital, and the special hospitals in Oxford. There are six University Chairs in clinical subjects in the teaching hospital group and several important research units.

The United Oxford Hospitals (1,300 beds) serves both as the Area Hospital receiving the acute sick of the neighbourhood in great variety and also as a Regional Centre with special departments serving a wider population. The range of clinical material is exceptional for a teaching hospital and clinical firms are small. The tutorial system continues throughout the clinical course.

The clinical departments, the laboratories division and the research units provide excellent opportunities for postgraduate training and for training in scientific research.

Students who are admitted from other universities may read for the medical degree of their own university. Preference is given to honours graduates, who may apply to transfer to the Oxford B.M. examinations.

Osler House and its garden provide attractive premises for the clinical students' club. The sports ground is at Headington.

A prospectus containing information about admission, scholarships, etc., may be obtained on application to the Secretary of the Medical School, Osler House, 43 Woodstock Road, Oxford.

BRITISH POSTGRADUATE MEDICAL FEDERATION
UNIVERSITY OF LONDON

THE INSTITUTE OF LARYNGOLOGY AND OTOTOLOGY

330-332 Gray's Inn Road, London, W.C.1

IN ASSOCIATION WITH

THE ROYAL NATIONAL THROAT, NOSE, AND EAR HOSPITAL

The Institute is organized to provide instruction in this Specialty for the whole period of training necessary to reach full consultant standard. There are ample clinical and research facilities and teaching is carried on continuously daily throughout the year.

There are full-time courses of lectures and demonstrations suitable for those intending to take the D.L.O.(R.C.P.&S.Eng.), and the Final F.R.C.S. examinations in Otolaryngology. There are also short courses for senior students in aural surgery, pathology, and in the treatment of the deaf child.

A number of paid appointments, which are open to postgraduate students in the different stages of training, give opportunities of clinical experience and research.

Further information may be obtained from the Dean.

INSTITUTE OF NEUROLOGY (QUEEN SQUARE)

(University of London—British Postgraduate Medical Federation)

ADVANCED LECTURES ON CLINICAL AND EXPERIMENTAL NEUROLOGY

THE course of Lectures on the Broader Aspects of the Scientific Basis of Neurology will be continued at the Institute of Neurology, National Hospital, Queen Square, London, W.C.1. The lectures will commence on Wednesday, October 21st, 1964. The course is intended for postgraduates and two lectures will be held weekly on Wednesdays, 6 to 6.45 p.m. and 7 to 7.45 p.m. Each pair of lectures will treat the same topic from an experimental and clinical viewpoint and the next series will cover aspects of cerebral vascular disease. There will be no fee for this course.

For further details apply to the Dean, Institute of Neurology.

BRITISH POSTGRADUATE MEDICAL FEDERATION
UNIVERSITY OF LONDON

THE INSTITUTE OF PSYCHIATRY IN ASSOCIATION WITH THE BETHLEM ROYAL HOSPITAL AND THE MAUDSLEY HOSPITAL

The Institute provides advanced training in psychiatry covering all branches of the subject and leading to the Diploma in Psychological Medicine. Research appointments and research and higher degree facilities for work on clinical problems, various aspects of the pathology of mental disease, and in psychology are also available.

Paid appointments on the Joint Hospital staff are open to postgraduate students and give opportunities of clinical experience and research.

For further particulars apply to the Dean, Institute of Psychiatry, The Maudsley Hospital, Denmark Hill, London, S.E.5. Telephone: Rodney 6333.

UNIVERSITY COLLEGE HOSPITAL MEDICAL SCHOOL (UNIVERSITY OF LONDON) UNIVERSITY STREET, W.C.1 Telephone: Euston 5861

THE WINTER SESSION will commence on October 6, 1964. **THE SCHOOL IS FOR FINAL STUDIES** only. STUDENTS are prepared for the Degrees of the Universities of OXFORD, CAMBRIDGE, and LONDON and for the Diplomas of other qualifying bodies.

FEES.—The fees for the complete clinical Course are 249 guineas and are payable, if desired, in three annual instalments of 83 guineas. The fees include life subscription to the U.C.H. Union and subscription to the U.C.H. Magazine.

SCHOLARSHIPS, EXHIBITIONS and Prizes (value £3,000) are awarded annually. Among the most important are:

I. GOLDSMID ENTRANCE SCHOLARSHIP, entitling the holder to the Final Course of Medical Study, is offered for competition annually in July, and is open to Students who are preparing for the Degrees of the Universities of London, Oxford, Cambridge, or other British Universities.

II. GOLDSMID ENTRANCE EXHIBITION, entitling the holder to a reduction of £126 in the fees due for the Full Course of Final Medical Study.

III. FILLITER ENTRANCE SCHOLARSHIP IN PATHOLOGY, entitling the holder to a reduction of £123 in the fees due for the Full Course of Final Medical Study. Candidates will be examined in any two of the following subjects: Anatomy, Physiology, General Pathology, and Bio-Chemistry. Candidates take the examination in Pathology alone, if they desire to enter only for the Filliter Entrance Scholarship in Pathology.

All further information and Prospectus can be obtained from the Secretary, and the Dean can be interviewed by appointment.

Dean—C. W. FLEMING, C.B.E., D.M.Oxon., M.Ch., R.C.S.Eng.
Vice-Dean—P. J. VERRILL, M.B., B.S., F.F.A.R.C.S.
Secretary—D. H. LLOYD MORGAN, B.A.Oxon.

THE ROYAL LONDON HOMOEOPATHIC HOSPITAL GREAT ORMOND STREET AND QUEEN SQUARE, LONDON W.C.1

HOMOEOPATHY

Short courses of instruction in the principles and practice of homoeopathy will be given at the hospital on Fridays, October 16, November 13, and December 11 followed respectively by a week's intensive course of study comprising lectures on homoeopathic materia medica, the repertory, out-patient tutorials and clinical instruction in the wards.

This course and similar courses to be held January to March, and April to June, 1965, is intended to qualify students for the examination for the Diploma of the Faculty of Homoeopathy (D.F.H.).

The fee for the course for registered medical practitioners is £12 12s. Shorter periods pro rata or exempt from payment. Senior students of medicine admitted without fee.

A limited number of travelling scholarships are offered.

A copy of the syllabus and further particulars can be obtained on application to the Dean of the Education Course at the hospital.

INSTITUTE OF DISEASES OF THE CHEST (University of London) FULHAM ROAD, S.W.3

The Institute is associated with the Brompton Hospital, S.W.3, and the London Chest Hospital, E.2.

Instruction is arranged as follows:

MEDICAL

Part-time: Part-time courses of study in chest diseases are conducted during all three terms, each lasting 10 weeks. The course includes lectures and discussions, clinical sessions in the wards of both hospitals, and instruction in the interpretation of chest X-rays. It occupies two whole days each week, with some additional sessions on at least two other days.

The fee is £25 for the whole course and £10 for one month.

Full-time:

Autumn Term (October to December): 10-week course in Tuberculosis. This includes instruction in chest X-ray interpretation, bacteriological techniques, chest clinic administration and practice, extra-pulmonary tuberculosis and all clinical aspects of the disease. The emphasis is on practical tuition in small groups. A few sessions on non-tuberculous chest diseases are included. During the course, students may attend without additional fee short courses in Birmingham and Cardiff. The whole provides a comprehensive course in all aspects of tuberculosis control.

The fee is £40.
Spring Term (January to March): 10-week course in Diseases of the Chest. This is designed for postgraduate students intending to specialize in chest disease or already working in the specialty. It consists of attendance at out-patient sessions and ward clinics at the two hospitals, radiological and pathological demonstrations, discussions and formal lectures.

The fee is £40.
Summer Term (April to June): 10-week course in Diseases of the Chest. (As for Spring Term.)

The fee is £40.

SURGICAL AND CARDIOLOGICAL

Whole time courses of ten weeks each in chest surgery and in the surgical aspects of cardiology are conducted during each of the three terms. In addition to lectures and demonstrations attendance at out-patient clinics, operating sessions and ward discussions are arranged.

The courses are intended as an introduction to thoracic and cardiac surgery and the surgical aspects of cardiology.

The fee is £40 per term.

RADIOLOGY

Part-time instruction in radiology of the chest for trainee radiologists is given each term. The fee is £20 per term.

An enrolment fee of £2 (deducted from the fees due, but not returnable) is payable on reserving places in advance in any of these courses.

Open Demonstration and Lectures:

Clinical demonstrations, Fridays at 5 p.m. Formal lectures, Wednesdays at 5 p.m. These are open to the medical profession without fee. Further information may be obtained from the Dean.

THE BRITISH DIABETIC ASSOCIATION

HERMON WHITTAKER MEMORIAL SCHOLARSHIP

This Scholarship consists of a supplementary grant of £50 per annum, available to any diabetic medical student in the United Kingdom.

Further details may be obtained on application to: The Secretary-General, The British Diabetic Association, 152 Harley Street, London W.1.

CHARING CROSS HOSPITAL MEDICAL SCHOOL (University of London) 62-65 CHANDOS PLACE, W.C.2 Telephone: TEMple Bar 7788

WINTER SESSION BEGINS OCTOBER 12, 1964

The Pre-Clinical Departments, Administrative Offices and the main Library are housed at 62-65 Chandos Place and annexes, all of which are adjacent to Charing Cross Hospital. Clinical teaching is carried out at the parent hospital and at the Fulham and West London Hospitals, where students are prepared for the degrees of the Universities of London, Cambridge, and Oxford. There are both Senior and Junior Entrance Scholarships, as well as many valuable prizes, and a sufficient number of House appointments within the Charing Cross Group of Hospitals to meet the needs of almost every student qualifying from the Medical School.

The Students' Union includes a sports ground of seventeen acres at Cobham, Surrey, in addition to the many other facilities available in the Medical School and the Hospitals of the Group.

The fees are 80 guineas a year, and further information may be obtained on application to the Dean or Secretary, both of whom are available for interview by appointment.

Dean: S. J. R. Reynolds, M.A., M.B., B.Ch., D.M.R.E.
Secretary: Brian S. Drewe, E.R.D., T.D., L.L.B., M.A.

ST. MARK'S HOSPITAL FOR DISEASES OF THE COLON, RECTUM, AND ANUS

Course of lectures October 12 to 16, 1964, mornings only suitable for candidates for the Final F.R.C.S. Examination, but others are welcome to apply. Similar course March, 1965.

Consultants conference Friday afternoon and Saturday morning December 11 and 12, 1964.

Postgraduate students may apply to attend the practice of the hospital, including the Departments of Pathology, Research, and Radiology. Fee 3 guineas per week or 10 guineas per month.

Further inquiries should be addressed to the Dean of Postgraduate Studies, St. Mark's Hospital, City Road, E.C.1.

THE ROYAL INSTITUTE OF PUBLIC HEALTH & HYGIENE DIPLOMA IN PUBLIC HEALTH & DIPLOMA IN INDUSTRIAL HEALTH

28 PORTLAND PLACE, LONDON W.1

Courses, each of an academic year's duration when taken full-time, commence in March and September annually and lead to the above examinations of the Conjoint Board of the Royal College of Physicians of London and the Royal College of Surgeons of England.

After carrying out either the D.P.H. or the D.I.H. course, a student need attend for the last five months only (full-time) of the other course.

For the D.I.H. examination of the Society of Apothecaries of London, those with medical qualifications and experience acceptable to the Society of Apothecaries of London need attend for the last five months only (full-time) of the full D.I.H. course.

All courses may be taken on a full-time or part-time basis and part-time courses may be commenced at any time.

THE CHEST AND HEART ASSOCIATION

Forthcoming educational meetings:

1964
September 25—Bronchitis Conference, Rhyl.
October 22—Bronchitis Conference, Leeds.
October 23—"Stroke" Rehabilitation Conference, York.
October 29—Bronchitis Conference, Bourne-mouth.
November 12—Bronchitis Conference, Swansea.
November 19—"Stroke" Rehabilitation Conference, Worcester.
November 26—"Stroke" Rehabilitation Conference, Leicester.

1965
March 23-26—World Asthma Conference, Eastbourne.
November 25—Bronchitis Conference, Portsmouth.

Further meetings will be arranged during 1965. Full details from C.H.A., Tavistock House North, London W.C.1.

INSTITUTE OF UROLOGY

in association with
ST. PETER'S, ST. PAUL'S AND
ST. PHILIP'S HOSPITALS
Postgraduate Courses of Urological
Instruction

Week-end Courses of Lectures and Demonstrations beginning on Friday afternoon and ending on Sunday about tea-time; about once a month, as advertised. Fee for each course, £5 5s.

Weekly Lectures: October, 1964, to March, 1965. Day: Wednesday. Time: 5 p.m. No fee.

Guest Lectures: Twice a year at the Royal College of Surgeons.

The practice of the hospitals, including the use of the Institute museum, reading room, and library, is open to students attending the course, and, by arrangement, for a month at a time, the fee 10 guineas.

Applications should be made to the Secretary, Institute of Urology, 10 Henrietta Street, Covent Garden, W.C.2.

INSTITUTE OF CARDIOLOGY (British Postgraduate Medical Federation: University of London)

The following courses will be held during the session 1964-65:

Full-time and part-time courses:

October 5 to December 11.

April 26 to July 2.

Short Intensive Course:

February 1 to 12.

Consultant Physicians:

March 15 to 19.

General Practitioners:

March 22 to April 2.

Further particulars may be obtained from the Dean, Institute of Cardiology, 35 Wimpole Street, London W.1.

IMPERIAL COLLEGE OF SCIENCE AND TECHNOLOGY

Department of Electrical Engineering

ENGINEERING IN MEDICINE

An annual postgraduate course on the Applications of Engineering in Medicine and Biology commences in October each year. The course is provided mainly for graduates in medicine or the biological sciences who have some experience of research; an intensive training is given in applicable electronics, mathematics, instrumentation, feedback systems, the use of computers and other aspects of modern applied physical science relevant to medicine and biology.

Further details and information about the availability of bursaries may be obtained from the Registrar, Imperial College of Science and Technology, London S.W.7.

(9999)

UNIVERSITY OF EDINBURGH
FACULTY OF MEDICINE

The University grants the Degrees of Bachelor of Medicine and Bachelor of Surgery (M.B., Ch.B.), Doctor of Medicine (M.D.), Master of Surgery (Ch.M.) Bachelor of Dental Surgery (B.D.S.), Master of Dental Surgery (M.D.S.), Bachelor of Veterinary Medicine and Surgery (B.V.M. & S.) and Doctor of Veterinary Medicine and Surgery (D.V.M. & S.).

The approximate cost of the six years' course for the degree of M.B., Ch.B. is £500. The curriculum for the degree of B.D.S. is of five years' duration and the approximate cost is £410. The course for the degree of B.V.M. & S. extends over five years, the approximate cost being £410. The programme of admission to the University may be obtained from the office of the Dean of the Faculty of Medicine, University Medical School, Teviot Place, Edinburgh 8, and for intending Veterinary Students from the Director of Veterinary Education, Royal (Dick) School of Veterinary Studies, Summerhall, Edinburgh 9. The Admission Programme includes information regarding a scheme whereby, on the basis of work done and examinations passed at school or other pre-university institution, certain selected candidates can be admitted direct to the second year, or exempted from one or more of the three subjects of the First Professional Examination. The closing date for receipt of applications is November 30 of the year prior to that in which entry is desired.

The University grants Diplomas in Public Health, Psychological Medicine, Medical Radiodiagnosis, Medical Radiotherapy, Tropical Medicine and Hygiene, Medical Services Administration, Tropical Veterinary Medicine, and Veterinary State Medicine, and full courses of instruction for the Diplomas are provided.

In the various Departments of the Faculty of Medicine provision is made for research by students of graduate standing.

A copy of the Faculty Programme may be obtained from the Dean's Office. Programmes relating to Degrees in other Faculties may be obtained from the Matriculation Office, University, South Bridge, Edinburgh 8.

CHARLES H. STEWART,
Secretary to the University.

**ROYAL COLLEGE OF
PHYSICIANS AND SURGEONS
OF GLASGOW**

Examinations in 1964-65
The Examinations will begin as under-noted:

MEMBERSHIP QUA PHYSICIAN

Friday, October 9, 1964.

Friday, February 5, 1965.

Friday, June 4, 1965.

FELLOWSHIP QUA SURGEON

Primary Examination

Monday, October 26, 1964.

Monday, January 25, 1965.

Monday, May 24, 1965.

Final Examination

Monday, November 23, 1964.

Monday, February 22, 1965.

Monday, June 14, 1965.

DIPLOMA IN CHILD HEALTH

Friday, December 11, 1964.

Friday, June 25, 1965.

Copies of the Regulations and forms of application may be had on application to the Registrar, 242 St. Vincent Street, Glasgow, C.2.

UNIVERSITY OF ABERDEEN
FACULTY OF MEDICINE

The Degrees in Medicine granted are: Bachelor of Medicine and Bachelor of Surgery (M.B., Ch.B.), Doctor of Medicine (M.D.), Master of Surgery (Ch.M.) and Doctor of Philosophy (Ph.D.). A Diploma in Public Health (D.P.H.) is also granted, the period of study for which may cover one year of full-time study or fifteen months of full-time and part-time study or eighteen months of part-time study.

The total cost of the curriculum for the Degrees of M.B., Ch.B. and M.D., including class, hospital, matriculation, and Degree fees, is approximately £650. Students are required to commence study in the Winter Term, which begins in October, and the period of study covers three years.

The University also grants degrees in Arts, Science (Pure, Agriculture, Forestry, and Engineering), Divinity, and Law particulars of which may be had on application to the undersigned.

W. S. ANGUS, Secretary.

UNIVERSITY OF ST. ANDREWS
FACULTY OF MEDICINE

The University offers courses leading to:

(a) The Diploma in Industrial Health (D.I.H.)

(b) The Certificate in Industrial Health (C.I.H.)

a) DIPLOMA IN INDUSTRIAL HEALTH

Instruction will be given in Queen's College, Dundee, and extends over one academic year. The first two terms will be similar in content to the course leading to the Diploma in Public Health. Applicants who already possess the Diploma in Public Health may be excused the first two terms.

Fee for the D.I.H. course will be £75.

(b) CERTIFICATE IN INDUSTRIAL HEALTH

The University will grant a Certificate in Industrial Health (C.I.H.), the period of instruction for which will be one term, commencing Whitsunday Term, 1965. The course offered will consist of systematic clinical and practical instruction in occupational health.

Fee for the C.I.H. course will be £25.

LEVERHULME FELLOWSHIPS

Applications can now be considered for the award of a number of Leverhulme Fellowships to enable candidates to take the above courses. Fellowships of £300 are available for the C.I.H. course, and of £600 for the whole year D.I.H. (not the shortened C.I.H. available to candidates with a D.P.H.).

Full information and forms of application may be had from the Dean of the Faculty of Medicine, Queen's College, Dundee.

WESTMINSTER MEDICAL SCHOOL

(University of London)

Built in 1939, Westminster Medical School and Westminster Hospital were designed as an integrated whole, and a large new research building is now being added on a site immediately adjacent to the hospital. Over 800 beds in the Teaching Group provide a wide variety of clinical material and instruction is given by both full-time academic professorial and part-time teaching staff.

FEES. Registration fee 5 guineas. Annual fee, £75, which includes membership of the Students' Union Club, with its various branches—football, cricket, tennis, hockey, swimming, fencing, golf, sailing, squash rackets and rowing.

HOSTEL. The School has its own hostel with accommodation for 70 students within six minutes' walk.

SPORTS GROUND. The School has its own sports ground (15 acres) and pavilion at Cobham, Surrey.

A Prospectus and full particulars may be obtained on application to the Dean:

R. I. S. BAYLISS, M.D., F.R.C.P.

Westminster Medical School, Horseferry Road,

Westminster, London S.W.1.

Telephone: VICTORIA 6041-2.

TWO-DAY REFRESHER COURSE IN PSYCHIATRY FOR GENERAL PRACTITIONERS

The Royal Medico-Psychological Association has arranged the following course on Saturday and Sunday, 26th and 27th September, 1964, at The Auditorium, The Wellcome Foundation Building, Euston Road, London, N.W.1.

SATURDAY, SEPTEMBER 26, 1964

10.00 a.m.—11.15 a.m. ..

Incorporated 1505

**ROYAL COLLEGE OF
SURGEONS OF EDINBURGH**

COPIES OF REGULATIONS for the FELLOWSHIP, LICENCE, FELLOWSHIP IN DENTAL SURGERY and LICENCE IN DENTAL SURGERY, and Dates of Examinations may be had on application to the Clerk to the College, 18 Nicolson Street, Edinburgh 8.

UNIVERSITY OF GLASGOW**DIPLOMA IN PUBLIC HEALTH**

A Course of instruction covering three academic terms will commence in October, 1964.

The fee for the full course (including examination fee) is £75.

Application forms may be obtained from the Dean of the Faculty of Medicine, The University, Glasgow W.2, and should be lodged not later than September 28, 1964.

**THE LONDON HOSPITAL MEDICAL
COLLEGE****A COURSE OF LECTURES IN
MEDICAL JURISPRUDENCE**

will be held at the London Hospital commencing on Monday, November 16, and finishing on Saturday, December 5, 1964. Classes will be held daily and the Course is designed to cover in the first week the general aspects; in the second week, the clinical aspects, and in the third week, the pathological aspects, although it is quite clearly desirable for anybody who specializes in the subject to take all three weeks.

The fee for the Course of two weeks (first and second or first and third weeks) is £25, and for all three weeks, £30.

The Course will be limited and application should be made to the Dean, H. B. May, Esq., M.A., M.D., F.R.C.P., The London Hospital Medical College, Turner Street, London E.1.

**LONDON SCHOOL OF
HYGIENE AND TROPICAL
MEDICINE**(University of London)
Incorporating the Ross Institute

The London School of Hygiene and Tropical Medicine provides courses for the following University of London Academic Postgraduate Diplomas: PUBLIC HEALTH, BACTERIOLOGY, CLINICAL MEDICINE OF THE TROPICS, APPLIED PARASITOLOGY AND ENTOMOLOGY, TROPICAL PUBLIC HEALTH, OCCUPATIONAL HYGIENE, NUTRITION, also for the Conjoint Board's Diplomas in Tropical Medicine and Hygiene (ENGLAND), AND INDUSTRIAL HEALTH (ENGLAND).

**DIPLOMA IN PUBLIC HEALTH
(LONDON)**

The course, which begins next on October 5, 1964, lasts for nine months. It is designed primarily for qualified medical practitioners who intend to undertake any branch of public health work. Applications to be received not later than preceding April 1. Fee: £88 4s.

**DIPLOMA IN BACTERIOLOGY
(LONDON)**

The course commences at the beginning of October each year and lasts for nine months. It is intended for graduates and non-graduates in medicine, science, including veterinary science, or pharmacy who intend to follow a career in bacteriology. Applications for the subsequent session must be received not later than March 1. The number of places is strictly limited. Fee: £88 4s.

**DIPLOMA IN CLINICAL MEDICINE
OF THE TROPICS (LONDON)**

The course, which begins next on September 28, 1964, lasts for nine months. It is designed to give advanced training in tropical medicine. Applications for the subsequent session must be received by March 1. Fee: £88 4s.

**DIPLOMA IN APPLIED PARASITOLOGY
AND ENTOMOLOGY (LONDON)**

The course, which commences next on September 28, 1964, lasts for nine months and is designed for graduates in medicine, veterinary medicine, veterinary science and science, who wish to take up research or laboratory appointments in tropical medicine. Applications for the subsequent session must be received not later than April 1. The number of places is strictly limited. Fee: £88 4s.

**DIPLOMA IN TROPICAL PUBLIC
HEALTH (LONDON)**

The course, which commences next on September 28, 1964, lasts for nine months and is intended for medical graduates proposing to work in the fields of preventive and social medicine, including administration, in tropical countries. Applications for the subsequent session must be received not later than March 1. Fee: £88 4s.

**DIPLOMA IN OCCUPATIONAL
HYGIENE (LONDON)**

If numbers permit, a whole-time course will be held at the beginning of October each year and will last for nine months. It is the first of its kind to be offered in the U.K. It is open to graduates—particularly in physics, chemistry, engineering or medicine, in special circumstances non-graduates with the necessary previous education and experience will be accepted. Applications must be received by April 1. Fee: £88 4s.

DIPLOMA IN NUTRITION (LONDON)

Commencing in October 1964, the School will offer a course of lectures and practical instruction in scientific and applied nutrition for a University of London Academic Postgraduate Diploma in Nutrition. The course is for graduates in agriculture, household science, medicine, veterinary medicine or veterinary science and to students who, though not graduates, have satisfied the University that their previous education and experience qualify them to rank on the same level as graduates for this purpose. Applications for the subsequent session must be received by April 1, 1965. Fee: £88 4s.

**DIPLOMA IN TROPICAL MEDICINE
AND HYGIENE (ENGLAND)**

A five months' course for the Conjoint Board's Diploma is held once a year, commencing at approximately the beginning of March. It is open to applicants with approved medical qualifications. Applications must be received not later than April 1. Fee: £50 8s.

OCCUPATIONAL HEALTH

A whole-time course will be held from the end of September and will last for three months. It is for registered medical practitioners who desire training or a refresher course in this subject. For those who hold the D.P.H. it will provide the additional requirements for entry to the D.I.H. (England). Applications for the subsequent session must be received not later than April 1. Fee: £37 16s.

OTHER COURSES NOT leading to a qualification:**MEDICAL SERVICES ADMINISTRATION**

A ten weeks' course will be held at the end of March each year. Subjects to be covered will include (a) elements of business management and administration, (b) organization of central and local medical services, (c) relationship of administrative services with the community, (d) the work of the administration of professional and lay organizations associated with medical care, and (e) review of trends of management in medical and health affairs. Fee: £37 16s.

**SHORT COURSE IN MEDICAL
STATISTICS**

A course will be held annually on two mornings and two afternoons a week, from the beginning of January to the middle of April. The course is intended primarily for medically qualified research workers, but those with appropriate scientific qualifications are also eligible. Applications must be received by September 1 preceding the course concerned. Fee: £21.

**COMBINED COURSE IN MEDICAL
STATISTICS AND EPIDEMIOLOGY**

A course will be held annually from the beginning of January to the middle of April, on two full days and two mornings a week. The course is designed for medical practitioners, and only a small number of students will be accepted. Applications must be re-

ceived by September 1 preceding the course concerned. Fee: £31 10s.

ENVIRONMENTAL CONTROL

A fifteen weeks' course is held once in each academic year, commencing next on October 5, 1964. Although intended primarily for health inspectors from abroad the course is so planned as to be of value to medical officers and others interested in the health aspects of environmental control both at home and abroad. Applications for the subsequent course must be received by March 1. Fee: £33 12s.

MEDICAL MYCOLOGY

A course lasting a fortnight is offered to graduates in medicine and allied subjects at the beginning of July each year. Applications must be received by May 15. Fee: £10 10s.

**SHORT COURSES IN OCCUPATIONAL
HYGIENE**

Intensive courses lasting one week will be offered in these subjects during 1965:

- (a) Measurement and control of noise (February).
- (b) Measurement and control of industrial air pollution (March).
- (c) Measurement and control of heat and hot environments (May).

Fee: £5 for each course.

Applications for admission to courses should be made to the Registrar, London School of Hygiene and Tropical Medicine, Keppel Street (Gower Street), London W.C.1.

**UNIVERSITY OF NEWCASTLE
UPON TYNE THE MEDICAL
SCHOOL****COURSE IN GENERAL SURGERY**

A course in general surgery and the surgical specialties, suitable for candidates preparing for the Fellowship of one of the Royal Colleges of Surgeons, will be held in the Royal Victoria Infirmary (teaching hospital) and associated hospitals.

The course will consist of ward rounds and clinical instruction, lectures and discussion, on each Wednesday afternoon and evening. During the Michaelmas term, 1964, the subject will be Cardiovascular Surgery.

The programme on each Wednesday will be:

- 2.00-4.00 p.m. Ward round, clinical instruction and discussion.
- 4.00 p.m. Tea.
- 4.05-5.15 p.m. Surgical Pathology.
- 5.30-6.30 p.m. Clinical meeting.
- 6.30 p.m. Buffet supper.
- 7.30-8.30 p.m. Specialist lecture on current practices and future trends in the various surgical subjects.

Application form and provisional programme may be obtained from the Assistant Registrar, The Postgraduate Office, The Medical School, University of Newcastle upon Tyne. Applications should be submitted as early as possible before the commencement of the session.

The fee for the course will be 6 guineas, including refreshments.

**UNIVERSITY OF NEWCASTLE
UPON TYNE MEDICAL SCHOOL****POSTGRADUATE COURSES IN
ADVANCED MEDICINE**

It is proposed to hold three courses during the Michaelmas term, 1964:

- (a) Recent Advances in Haematology October 6, 13, 20.
- (b) Inherited Metabolic Disorders October 27, November 3, 10.
- (c) Diseases of Muscle November 17, 24, December 1.

Fee for each of the above courses is £2 11s. 9d., including refreshments.

These courses are designed mainly for consultant physicians and registrars, but general practitioners may also attend. Guest speakers will be invited. Courses will consist of lectures, discussions and clinical demonstrations.

Practitioners wishing to attend any of these courses should write to the Assistant Registrar, Postgraduate Office, Medical School, University of Newcastle upon Tyne, for a form of application and programme. The closing date for the receipt of applications will be one week prior to the commencement of the course.

**UNIVERSITY OF NEWCASTLE
UPON TYNE THE MEDICAL
SCHOOL****WEEK-END COURSE IN CARDIOLOGY
FOR GENERAL PRACTITIONERS**

An intensive week-end course in cardiology for general practitioners will be held at the Newcastle General Hospital and Seaham Hall Hospital on Friday and Saturday, November 27 and 28, 1964. The course fee will be £2 12s. 6d., plus 6s. for refreshments.

The course is available to National Health Service practitioners for whom fees and allowances will be paid by the Ministry of Health subject to certain conditions, details of which are provided in Form G.P.R.C.1.

Application form and programme may be obtained from the Assistant Registrar, Postgraduate Office, Medical School, University of Newcastle upon Tyne. Completed applications must be received by the Assistant Registrar not later than November 13, 1964.

**UNIVERSITY OF NEWCASTLE
UPON TYNE THE MEDICAL
SCHOOL****POSTGRADUATE LECTURES IN
GENERAL SURGERY**

Specialist Lectures in current practices and future trends in cardiovascular surgery will be given in the New Lecture Theatre, Royal Victoria Infirmary, Newcastle upon Tyne, on Wednesday evenings at 7.30 p.m. during the Michaelmas term, 1964. The first lecture will be delivered on October 6, 1964.

These lectures will be suitable as a revision course for candidates preparing for the Final Fellowship examination of one of the Royal Colleges, or as a refresher course for surgeons.

There will be no charge for admission to the lectures.

**THE UNIVERSITY OF
MANCHESTER**

The Degrees granted in the Faculty of Medicine are: Bachelor of Medicine and Bachelor of Surgery (M.B., Ch.B.), Doctor of Medicine (M.D.), Master of Surgery (Ch.M.).

The course for the degrees of M.B., Ch.B., (which is open to men and women) may be completed in a minimum of five years, and candidates who obtain exemption from Part 1 of the first M.B., Ch.B., on performance in the G.C.E. Advanced Level examination. Applications for admission in 1965 and subsequent years to first degree courses should be made through the Universities Central Council on Admissions (apart from applications from candidates resident overseas, which should be made through the appropriate Students' Unit, High Commissioner or Embassy). The U.C.C.A. form is obtainable from schools or from 29 Tavistock Square, London W.C.1.

A one year full-time course is offered for the Certificate for Psychiatric Social Workers, and a four year full-time course is offered for the Diploma in Community Nursing.

The Faculty offers postgraduate courses for Diplomas in Public Health, Psychological Medicine and Bacteriology of the University of Manchester, in addition to courses in preparation for the D.M.R.D., D.M.R.T., and D.I.H. of the Examining Board in England. Advanced courses in Medicine and Surgery are held twice yearly, and week-end symposia on particular topics are arranged on a number of occasions. Extended refresher courses conforming to Ministry of Health requirements are held for G.P.s from time to time.

Enquiries relating to the Faculty and to Undergraduate Courses should be addressed to Professor Walter Schlapp, Dean of the Medical School, The University, Manchester 13.

Enquiries relating to Postgraduate Courses should be addressed to Professor J. H. Kellgren, Dean of Postgraduate Medical Studies, The Manchester Royal Infirmary, Manchester 13.

**UNIVERSITY OF CAMBRIDGE
SCHOOL OF CLINICAL
RESEARCH AND
POSTGRADUATE
MEDICAL TEACHING**

One-day symposia on subjects of interest to general practitioners are held at three-weekly intervals during the academic year. These courses, usually on Saturdays, begin at 10.30 a.m. and end at 4.30 or 5 p.m., and consist of lecture discussions and/or demonstrations either of clinical cases or to illustrate modern methods. A detailed programme is published a few weeks before the date of each symposium.

Two one-week refresher courses for general practitioners will be held from July 5 to 10 and July 12 to 17, 1965, accommodation for which will be provided in one of the colleges. Arrangements can also be made for practitioners to attend the practice of the United Cambridge Hospitals for short or long periods. Advanced courses on special aspects of medicine and research are also held from time to time.

Course on the Biology of Skin
The annual course on The Biology of Skin will be held from December 7 to 12, 1964. The course is intended primarily for registrars and others who have recently commenced the study of clinical dermatology, but all who are interested are invited to attend. Accommodation will be provided in Churchill College.

Further particulars may be obtained from the Secretary, The Medical School, Tennis Court Road, Cambridge.

**UNIVERSITY OF BRISTOL
FACULTY OF MEDICINE**

THE SESSION commences on October 8, 1964.

The University grants the Degrees of Bachelor of Medicine and Surgery (M.B., Ch.B.), Master of Surgery (Ch.M.), Doctor of Medicine (M.D.), Bachelor of Dental Surgery (B.D.S.), Master of Dental Surgery (M.D.S.), and Bachelor of Veterinary Science (B.V.Sc.), as well as Diplomas in Public Health (D.P.H.) and Dental Surgery (D.D.S.), and holds a Training Course for Health Visitors.

The lectures and laboratory courses, which are given in the University, are designed to cover the curricula for the University's qualifications.

Hospital Practice and Clinical Instruction are provided in the Hospitals of the City, associated with the University for this purpose, and students have exceptional opportunities for studying the practice of medicine from a large variety of cases.

There are Halls of Residence for men and for women students.

Inclusive fees:
For the M.B., Ch.B. curriculum .. £82 p.a.
For the B.D.S. curriculum .. £82 p.a.
For the B.V.Sc. curriculum .. £82 p.a.
For the D.D.S. curriculum .. £82 p.a.
For the additional examinations apply to the Registrar, The University, Senate House, Bristol 2.

CONJOINT BOARD R.C.P.&S.I.**NOTICE****CONJOINT BOARD OF THE ROYAL
COLLEGE OF PHYSICIANS OF IRELAND
AND THE ROYAL COLLEGE OF
SURGEONS IN IRELAND**

Undergraduate examinations held by this Board are reserved for students of the Medical School attached to the Royal College of Surgeons in Ireland and lead to the Diploma L.R.C.P. and S.I.

Postgraduate Diplomas are awarded following examination in:

- Child Health, D.C.H.
- Psychiatry, D.P.M.
- Ophthalmology, D.O.M.S.
- Anaesthetics, D.A.

The regulations governing these examinations may be obtained from the Secretary of the Conjoint Board, 123 St. Stephens Green, Dublin 2.

**UNIVERSITY OF WALES
THE WELSH NATIONAL SCHOOL OF
MEDICINE****COURSES OF INSTRUCTION FOR
MEDICAL AND DENTAL DEGREES AND
DIPLOMAS**

Courses of Instruction are conducted for the medical degrees (M.B., B.Ch.) of the University of Wales, and may be attended by students preparing for degrees of other examining bodies.

The composition fee for each year of study is £75. The approximate total cost of the six years' course is £528, including laboratory fees, students' societies fees, and the matriculation, examination, and graduation fees of the University of Wales. Certain scholarships, etc., are available.

Postgraduate Study.—Facilities are provided for approved research. Postgraduate scholarships are available, ranging in value from £300 to £400 per annum.

Complete Postgraduate Courses of Instruction are conducted for the Diploma in Public Health (D.P.H.) and the Diploma in Tuberculosis and Chest Diseases (D.T.C.D.) of the University of Wales. Postgraduate courses for practitioners are arranged.

Dentistry.—Courses of Instruction for Degrees in Dentistry (B.D.S.) of the University of Wales will commence in October, 1964.

Further particulars may be obtained from the Provost, The Welsh National School of Medicine, 34 Newport Road, Cardiff.

Application for admission to undergraduate courses of instruction must be made to the Universities Central Council on Admissions, Tavistock Square, London W.C.1, by December 15 in the year immediately preceding that in which admission is sought.

**THE UNIVERSITY OF LEEDS
DENTAL SCHOOL AND HOSPITAL**

THE FIRST TERM begins on October 6, 1964.

THE DEGREES OF B.Ch.D. and M.Ch.D. are conferred by the University.

The first year studies are taken in the School of Dentistry of the University, and a complete professional education is provided by the Dental School and Hospital, the Medical School, and the General Infirmary at Leeds.

For prospectus and further information, application should be made to: The Administrative Officer, The Dental School and Hospital, Blundell Street, Leeds 1.

**ROYAL COLLEGE OF
SURGEONS IN IRELAND****NOTICE****ROYAL COLLEGE OF SURGEONS IN
IRELAND**

The Medical School attached to the College offers a complete medical course of six years, including the Pre-registration year in Chemistry, Physics and Biology. Students may take the M.B. of London University as external students.

The Students' Union includes a social centre, rugby, sailing, cricket, caving, and other clubs.

There are a limited number of Dental places reserved for Irish Citizens.

The College conducts examinations leading to the Fellowship of the College in Surgery, Otolaryngology or Ophthalmology.

The Fellowships of the Faculty of Anaesthetists is awarded following Primary and Final examinations.

The Primary examinations for the Fellowship and the Fellowship of the Faculty of Anaesthetists are reciprocal with the other Royal Colleges.

Fellowship of the Faculty of Dentistry will be awarded following examinations, the first of which will be held in Summer 1965.

Postgraduate education.

1. Two courses are held each year in October and February suitable for students preparing for the Primary Fellowship examinations.

2. A postgraduate course in advanced Surgery organized with the co-operation of the University College and Trinity College will be held in October and in the following Spring.

These intensive whole-time courses are designed for candidates preparing for Fellowship examinations. Early application for places is desirable.

Further particulars may be obtained from the Registrar, Royal College of Surgeons in Ireland, 123 St. Stephens Green, Dublin 2.

**UNIVERSITY COLLEGE, DUBLIN
DEPARTMENT OF PAEDIATRICS**

A one-month, whole-time postgraduate course will commence in the College and its associated hospitals on Monday, October 19, 1964. The course will fulfil the requirements for a Diploma in Child Health for candidates who have completed the recognized Children's hospital appointments.

Enquiries to the Hon. Secretary, Postgraduate Course, Our Lady's Hospital for Sick Children, Crumlin, Dublin 12.

**ROYAL COLLEGE OF
PHYSICIANS OF EDINBURGH**

THE EXAMINATIONS for the MEMBERSHIP of the College are held quarterly. Candidates for the MEMBERSHIP must submit their applications to the Registrar. Dates of Examinations and closing dates for entry are intimated in the Regulations and are as follows for the year 1965:

January 8 to 14, 1965.

Last date of entry December 4, 1964.

April 2 to 8, 1965.

Last date of entry February 26, 1965.

July 2 to 8, 1965.

Last date of entry May 28, 1965.

October 1 to 7, 1965.

Last date of entry August 27, 1965.

For the regulations in regard to the LICENCE of the College (as a single qualification) in regard to the other qualifications granted by the College and all other information, application should be made to the Registrar.

THE ROYAL DENTAL HOSPITAL OF LONDON SCHOOL OF DENTAL SURGERY

(University of London)

PATRON: HER MAJESTY THE QUEEN

FACILITIES: The School has excellent resources for undergraduate teaching of Dental Surgery and related subjects, for the prosecution of research and for the supervision of postgraduate courses. UNIVERSITY OF BIRMINGHAM
FACULTY OF MEDICINE
(Associated with the United Birmingham Hospitals. The General, The Queen Elizabeth, The Children's, The Midland Nerve, The Birmingham Dental, The Birmingham and Midland Hospitals for Women).

The University grants DEGREES IN MEDICINE, SURGERY AND DENTAL SURGERY.

A large number of pre-registration appointments in Birmingham and District are open to qualified students of the School.

Entrance and other Scholarships and Exhibitions and Various Prizes and Medals are awarded annually. These include a number of Arthur Thomson Scholarships open to students of all Universities wishing to pursue the clinical part of their studies at the Birmingham Medical School.

Residence for Undergraduates and other students: There are Halls of Residence for men and women students. A register of approved lodgings is also kept by the Lodgings Warden.

For syllabus and further information apply to the Assistant Registrar, The Medical School, Birmingham 15.

TRAINING SERVICE FOR MEDICAL
PRACTITIONERS

The Family Planning Association arranges Training Courses throughout Britain as follows:

PART 1

Four Lectures:
(a) Contraceptive Technique and Clinic Routine
(b) The Sub-Fertile Couple.
(c) Sex Difficulties in Marriage.
(d) Oral Contraception.
London: October 19, November 17, December 14, 1964.
Glasgow: October 10, 1964.
Manchester: October 13, 1964.

PART 2

Practical work at F.P.A. Training Clinics. Details and application forms from the Medical Secretary, Family Planning Association, 231 Tottenham Court Road, London W.1.

UNIVERSITY OF EXETER
Postgraduate Medical Institute

A full-time postgraduate course lasting ten weeks will begin on October 5, 1964. These courses are held three times a year, starting in October January and April. Each course includes instruction in general medicine, paediatrics, preventive medicine, pathology, psychiatry, orthopaedics and general surgery. The programme is planned so that students wishing to specialize in a particular clinical subject are given facilities to do so, while others receive training in each of the main clinical departments in turn. Unpaid clinical attachments can be arranged at the end of the course for students requiring a longer period of training.

Further particulars and application forms for these courses are obtainable from the Director, the Postgraduate Medical Institute, the University, Exeter, Devon.

THE ROTUNDA HOSPITAL
Dublin

The Rotunda Hospital contains 147 maternity beds, 23 gynaecological beds and 61 paediatric cots. Over 5,000 patients are delivered annually in the hospital, and the Extern Maternity Service attends approximately 1,000 patients in their own homes.

Undergraduate teaching includes the conduct of normal labour, attendance at gynaecological operations and abnormal labour cases, and opportunities for gynaecological examinations. Comprehensive lecture courses are arranged in four ten-week terms each year, and cover clinical obstetrics and gynaecology, pathology, and paediatrics. The large antenatal clinic, which offers comprehensive care, affords excellent opportunities for the study of all aspects of antenatal obstetrical practice.

There are extensive facilities for postgraduate tuition consisting of lecture programmes as listed above, together with opportunities for limited participation in clinical work under supervision. Postgraduate courses cater especially for the D.G.O., M.A.O., Diploma in Obstetrics (R.C.P.I.), and L.M. (Rotunda). Tuition fees are six guineas per month and the charge for full board and residence is four guineas per week, at present.

Full particulars of all courses are available from the Master, Rotunda Hospital, Dublin.

OR SENIOR TUTOR/SENIOR REGISTRAR
IN GENERAL MEDICINE

Applications are invited for a whole-time post as Tutor/Registrar or Senior Tutor/Registrar in General Medicine at teaching hospitals in Belfast for the period ending July 31, 1965.

The appointment will be made jointly by the Queen's University, Belfast, and the Authority and will involve teaching and other University duties as Tutor.

Applications should be made on a form which may be obtained (with further particulars) from the Secretary, Northern Ireland Hospitals Authority, 25 Adelaide Street, Belfast, and which must be returned so as to be received not later than September 19, 1964. (9966)

REGIUS CHAIR OF OBSTETRICS AND
GYNAECOLOGY
University of Aberdeen

The Secretary of State for Scotland invites applications for the
REGIUS CHAIR OF OBSTETRICS AND GYNAECOLOGY

in the University of Aberdeen, which will fall vacant on October 1, 1965. A note of the conditions of appointment may be obtained on request from the Secretary, Scottish Education Department, Room 206, St. Andrew's House, Edinburgh 1. Three copies of applications, accompanied by the names of three referees, should be sent not later than October 31, 1964, to the Private Secretary, Room 505, St. Andrew's House, Edinburgh 1. (9996)

ROYAL MARSDEN HOSPITAL
Fulham Road, S.W.3Medically qualified
RESEARCH ASSISTANT

(Registrar grade) required to work in the Department of Clinical Research on the problems of temperature levels in tumours. The appointment will be for one year in the first instance, renewable up to three years. Further details may be obtained from the Director of Clinical Research, to whom applications should be sent by September 23. (5056)

THE UNIVERSITY OF LEEDS
Department of Psychiatry

Applications are invited for the post of
LECTURER
in the Department of Psychiatry

The successful candidate will be a member of the University Department which has clinical facilities at the General Infirmary and St. James's Hospital, Leeds. Candidates must have good general experience in psychiatry and should preferably have held a Senior Registrarship in that specialty. The initial salary will be dependent upon experience and age and will be on the scale £1,580 to £2,700.

Applications (three copies), stating age, qualifications and experience, and naming three referees, should reach the Registrar, The University, Leeds 2 (from whom further particulars may be obtained) not later than September 26, 1964. (9953)

University and Research Appointments—contd.

THE UNIVERSITY OF MANCHESTER

Applications are invited from candidates with medical qualifications registrable in this country for the post of

ASSISTANT LECTURER or DEMONSTRATOR IN PATHOLOGY
Previous experience of pathology is not essential and the successful applicant will take part in the general activities of the Department of Pathology, including participation in the morbid anatomy service of the Manchester Royal Infirmary. Opportunities will be available for research. Present salary scales per annum attached to the post: Assistant Lecturer, £1,305 to £1,805; Demonstrator, £1,200 to £1,560. Initial salary and status according to qualifications and experience. Membership of the F.S.S.U. Applications should be sent as soon as possible, but not later than September 19, 1964, to the Registrar, the University, Manchester 13, from whom further particulars and forms of application may be obtained. (9590)

THE UNIVERSITY OF MANCHESTER

Applications are invited from candidates with medical qualifications registrable in this country for the post of

SENIOR LECTURER or LECTURER IN PATHOLOGY
The successful applicant will take part in the general activities of the Department of Pathology, including participation in the morbid anatomy service of the Manchester Royal Infirmary. Opportunities will be available for research. Salary scales per annum: Senior Lecturer, £3,085 to £4,470; Lecturer, £1,805 to £3,085. Initial salary and status according to qualifications and experience. Membership of F.S.S.U. Applications should be sent not later than September 19, 1964, to the Registrar, the University, Manchester 13, from whom further particulars and forms of application may be obtained. (9591)

THE UNIVERSITY OF MANCHESTER

Applications are invited from candidates with medical qualifications registrable in this country for the post of

ASSISTANT LECTURER OR DEMONSTRATOR IN ANATOMY
Good research facilities are available. Salary scales per annum: Assistant Lecturer, £1,250 to £1,600; Demonstrator, £1,200 to £1,350. Initial salary and status according to qualifications and experience. Applications should be sent not later than September 19, 1964, to the Registrar, the University, Manchester 13, from whom further particulars and forms of application may be obtained. (9554)

THE UNIVERSITY OF MANCHESTER

Student Health Service

Applications are invited from suitably qualified medical practitioners for the post of **PSYCHIATRIC ADVISER (Part-time)** whose duties will include attendance on five notional half-days weekly to advise on the psychiatric problems of students. Opportunities may also be available for some teaching and research. Salary scale within the range of £1,300 to £2,000 per annum. Initial salary according to age, qualifications and experience. Applications should be sent not later than September 14, to the Registrar, the University, Manchester 13 from whom further particulars and forms of application may be obtained. (9077)

UNIVERSITY OF BRISTOL

Applications are invited for the post of **LECTURER IN RHEUMATIC DISEASES** in the University Department of Medicine. The appointment will be for a period of five years, subject to annual renewal, from a date to be agreed and will be financed by a grant to the University from the Medical Research Council. The question of its continuation beyond the five year term will be considered by the University towards the end of the period. The appointment will be full-time, the major part being spent in research at the National Hospital for Rheumatic Diseases at Bath and in the University Department of Medicine at the Bristol Royal Infirmary and the balance in general teaching and routine clinical work. The successful candidate will accordingly be given honorary contracts, as Consultant or Senior Registrar, of the South Western Regional Hospital Board and by the Board of Governors of the United Bristol Hospital. The salary will be within the range: £1,920 by £115 to £2,150 by £110 to £2,700 (if with Senior Registrar status), or £2,700 by £110 to £3,470 by £115 to £3,585 by £60 to £3,645 (if with Consultant status), together with superannuation. Applications (12 copies), together with the names of three referees, should be sent to the Registrar, the University of Bristol, the Senate House, Bristol 2, not later than September 19, 1964. (9555)

EDUCATIONAL

(See pages xxxiii-xxxvii)

PART-TIME CONSULTANT ANAESTHETIST

(nine notional half-days). Duties at Manor and General (Sister Dora) Hospitals, Walsall. Wide experience specialty and F.F.A. required. Successful candidate must reside within easy reach hospitals. 15 copies application naming three referees to Secretary, 146 Hagley Road, Birmingham 16, by October 5, 1964. Candidates may visit hospitals. (9798)

APPOINTMENTS

Applicants should state name, address, age, nationality, qualifications, and enclose (unless otherwise specified) one copy each of 3 recent ★ testimonials with short statement of experience and appointments held. Applications should be sent at once if no closing date is given. House Officers should submit a separate application for each post for which they apply.

Canvassing of members of the Board or Advisory Appointments Committee will lead to disqualification (Statutory Instrument 1950, No. 1259, N.H.S.).

★ **SERVICE MEMBERS** may have difficulty in supplying recent testimonials, but this should not deter them from applying.

SALARY SCALES OF JUNIOR GRADES OF HOSPITAL MEDICAL STAFF

Registrar Grades, Whole-time

(a) **REGISTRAR**. Posts obtained normally not less than one year after full registration as a medical practitioner and held normally for two years; £1,425 in the first year; £1,595 in the second and any subsequent years. Deduction of £255 per annum for compulsory residence, £300 per annum for voluntary residence.

(b) **SENIOR REGISTRAR**. Posts obtained normally not less than three years after full registration and held normally for four years; £1,710 by £115 to £1,940 in the third year; by £110 to £2,050 in the fourth year; thereafter, £2,165 in the fifth and sixth years; £2,280 in the seventh and eighth years; £2,395 in the ninth and any subsequent years. Deduction of £295 per annum for compulsory residence; £325 per annum for voluntary residence.

Other Grades, Whole-time

(a) **HOUSE OFFICERS**. Each post in this grade shall be tenable for six months. £770 per annum for the first post held; deduction of £175 per annum for compulsory residence or £220 per annum for voluntary residence. £855 per annum for the second post held; deduction of £180 per annum for compulsory residence or £220 for voluntary residence; £940 per annum for the third and any subsequent posts held; deduction of £190 per annum for compulsory residence or £250 per annum for voluntary residence; provided that the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that the remuneration of any officer holding his first post in the National Health Service as a House Officer shall be £855 per annum if they are satisfied that the officer has held at least one hospital post outside, of not less than six months' duration, involving clinical responsibilities equivalent to those of house posts in the National Health Service and supervised by appropriate specialist staff; provided further that where a House Officer has previously held two such outside posts the employing authority (subject in the case of a Hospital Management Committee to the consent of the Regional Hospital Board) shall have discretion to determine that his remuneration shall be £940 per annum. Any House Officer who on first appointment is paid at the appropriate rate to the second or third post held in accordance with the above provisions shall be paid at the third post rate for any subsequent appointments in this grade.

(b) **SENIOR HOUSE OFFICERS**. Posts obtained by fully registered medical practitioners and held normally for one year only; £1,195 on appointment at age 27 or under; £1,255 on appointment at age 28 or over. Deduction of £210 per annum for compulsory residence or £255 per annum for voluntary residence.

(c) **JUNIOR HOSPITAL MEDICAL OFFICERS**. Officers who have held house appointments but who are not registrars and who have less responsibility than other hospital officers of non-consultant status, and who have been appointed for a limited or indefinite period, not less than one year after full registration as a medical practitioner; £1,255 by £65 (3) to £1,450 by £70 (5) to £1,800. Deduction of £255 per annum for compulsory residence or £300 per annum for voluntary residence. Allowances at rates of up to £115 per annum shall be payable to house officers, senior house officers, junior hospital medical officers, and registrars occupying posts approved for such allowances in peripheral hospitals.

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

required to be responsible for an industrial health service for 3,000 employees of Morganite Carbon Ltd., at Battersea and to the medical adviser to all other subsidiary companies in the Group.

Age 30 to 40 with experience in general practice and industrial medicine; possession of the D.I.H. would be an advantage.

Apply the Staff Manager,
MORGANITE CARBON LTD.,
Battersea Church Road, London S.W.11.
A Member of The Morgan Crucible Group

(5165)

INDUSTRIAL MEDICAL OFFICER

Boots Pure Drug Co. Ltd. invites applications for the post of Industrial Medical Officer at Nottingham. The applicant should be under 40 years of age and have held industrial medical appointments or possess equivalent experience.

Duties will involve full responsibility for medical care and environmental conditions in Pharmaceutical, Soap and Chemical factories and the associated service departments.

The salary will be in accordance with the range for medical officers as recommended in the Terms of Service for Industrial Medical Officers issued by the B.M.A.

Applications should be addressed to
Chief Medical Officer, Industrial Health Unit,
Boots Pure Drug Co. Ltd., Station Street,
Nottingham

The closing date will be September 26th (5083)

Public Health—contd.

CORPORATION OF KIRKCALDY

MEDICAL OFFICER OF HEALTH
Applications are invited for the post of Medical Officer of Health. Salary £2,610 to £3,200 per annum. Conditions of appointment may be obtained from the undersigned. Applications to be lodged by September 30, 1964.—Charles D. Chapman, Town Clerk. (9951)

COUNTY BOROUGH OF BOLTON

Applications are invited from registered medical practitioners who hold a Diploma in Public Health for the appointment of **DEPUTY MEDICAL OFFICER OF HEALTH AND DEPUTY PRINCIPAL SCHOOL MEDICAL OFFICER**. Candidates should have good experience in public health and school health services. The person appointed will, subject to the approval of the Home Office, be expected to undertake the duties of Deputy Medical Officer for the purposes of the Cremation Acts. He will be required to devote the whole of his time to the duties of these offices.

Salary scale £2,433 6s. 8d. rising by four annual increments to £2,700 with an additional £140 for cremation duties.

The post is superannuable, subject to three months' notice of either side and a medical examination will be necessary.

Application forms, obtainable from me, should be returned by September 25.—Phillip S. Kennison, Town Clerk, Town Hall, Bolton. (5123)

COUNTY BOROUGH OF READING

The D.P.H. Assisted Training Scheme
APPOINTMENT OF ASSISTANT M.O.H. AND S.M.O.

Applications are invited from registered medical practitioners for the above post. Salary scale £1,515 to £2,050, ultimately £2,130. Starting point on an appropriate step on the scale according to experience. The Council is prepared to consider applications from men who are now studying for the D.P.H. In the event of the successful applicant not possessing the D.P.H. it will be a condition of appointment that he obtains this qualification at the earliest opportunity. For this purpose the Council is prepared to second him for a period of approximately nine months. Salary during secondment will be three-quarters of the minimum salary of the above mentioned scale. The person so seconded is expected to sign an undertaking to work for the Council for a period of not less than three years after obtaining the D.P.H. The Council are willing to pay 50% of removal expenses and to give sympathetic consideration to an application for the provision of housing accommodation for an initial period after appointment. Further particulars and forms of application may be obtained from the Acting Medical Officer of Health, Bristol & West House, 173, 4 Friar Street, Reading, to whom they should be returned not later than two weeks after the appearance of this advertisement.—F. Darlow, Town Clerk. (9992)

COUNTY COUNCIL OF THE WEST RIDING OF YORKSHIRE

JOINT APPOINTMENT OF SENIOR ASSISTANT COUNTY MEDICAL OFFICER AND SCHOOL MEDICAL OFFICER

to the West Riding County Council and
DEPUTY MEDICAL OFFICER OF HEALTH
to the Tadcaster and Wetherby Rural Districts

Applications are invited from registered medical practitioners holding the D.P.H. or nearing completion of training for the D.P.H. and approved for the ascertainment of educationally subnormal children. Duties mainly in the School Health and Infant Welfare Services but in addition the person appointed will be required to act for the Divisional Medical Officer and Medical Officer of Health in his absence, and will be appointed Deputy Medical Officer of Health to the constituent authorities. Salary £1,745 to £2,360 per annum (subject to approval) commencing salary according to experience and qualifications. County Council scale of subsistence and travelling allowances. Post superannuable and subject to medical examination. Forms of application from the undersigned, to be returned not later than September 26, 1964.—Ronald W. Elliott, County Medical Officer, Health Department, Wood Street, Wakefield. (5003)

KINGSTON UPON HULL CORPORATION HEALTH DEPARTMENT

Applications are invited from registered medical practitioners preferably holding a Diploma in Public Health, for the appointment of

ASSISTANT MEDICAL OFFICER for duties in the School Health, Maternity and Child Welfare, Port Health and other Local Authority Services.

If the successful candidate does not hold a D.P.H., the Authority will grant leave (a) without pay or (b) with pay (subject to certain undertakings), to enable the officer to attend a part-time course of study at Leeds University.

A limited c/r allowance will be granted and consideration given to assistance with removal expenses.

Salary scale £1,515 by seven annual increments to £2,050 rising to £2,130.

Particulars of the appointment, and forms of application, may be obtained from the Medical Officer of Health, Guildhall, Kingston upon Hull. (5158)

MANCHESTER EDUCATION COMMITTEE

School Health Service

ADMINISTRATIVE MEDICAL OFFICER required to be responsible to the Principal School Medical Officer for the day to day organization of the School Health Service. Candidates should be registered medical practitioners holding a Diploma in Public Health and should have had previous experience in Health Service. Salary scale £2,865 by £85 (5) to £3,290. Particulars and application forms from the Chief Education Officer (DOR), P.O. Box 480, Manchester 3, returnable to the Town Clerk by September 21, 1964. (5159)

NORTH RIDING OF YORKSHIRE COUNTY COUNCIL

DEPUTY COUNTY MEDICAL OFFICER OF HEALTH AND DEPUTY PRINCIPAL SCHOOL MEDICAL OFFICER

Applications are invited from medical practitioners for the above whole-time appointment which will become vacant on November 9, 1964. Salary £2,810 rising to £3,240 13s. 6d. per annum. Particulars and forms of application from Clerk of the County Council, County Hall, Northallerton, to be returned by September 26, 1964. Canvassing will be deemed a disqualification. (5140)

WARWICKSHIRE COUNTY COUNCIL

APPOINTMENT OF AN ASSISTANT COUNTY MEDICAL OFFICER OF HEALTH AND SCHOOL MEDICAL OFFICER COMBINED WITH A BURSARY SCHEME FOR TAKING THE DIPLOMA IN PUBLIC HEALTH

Applications are invited from young medical practitioners wishing to make a career in Public Health. A minimum of two years' medical experience is required. The selected candidate may elect to join the Bursary Scheme which provides for attendance on paid leave, in the third or fourth year of service, at London University, to take the Diploma in Public Health—with assistance towards living, travelling and course expenses. The post is kept open, and a satisfactory candidate may return to the Council's service on the appropriate point in salary scale. A brochure explaining the scheme in full is supplied with the application form. Conditions of service and salary are in accordance with the Whitley Council scale—£1,515 to £2,050 and ultimately to £2,130—commencing salary according to experience. A successful candidate has certain deductions. Post superannuable from date of appointment. The successful candidate will be required to produce a satisfactory medical certificate. Forms of application can be obtained from the County Medical Officer of Health, County Health Department, Lakin Road, Warwick. Closing date for applications is September 23, 1964.—L. Edgar Stephens, Clerk of the Council, Shire Hall, Warwick. (9788)

WATFORD BOROUGH COUNCIL AND HERTFORDSHIRE COUNTY COUNCIL

DEPUTY MEDICAL OFFICER OF HEALTH AND DEPUTY DIVISIONAL COUNTY MEDICAL OFFICER OF HEALTH

Applications are invited from duly qualified Medical Practitioners holding the D.P.H. or equivalent qualification for the combined post of Deputy Medical Officer of Health to the Watford Borough Council and Deputy Divisional Medical Officer of Health for the County of Hertfordshire.

A scheme for the delegation of health and welfare services has been approved by the County Council, which will be administered by a Division for Health and Welfare, whose area will comprise South-West Hertfordshire with a population of near 200,000.

This post will afford good administrative experience in both the environmental health services of the Borough Council and the personal health services of the County Council respectively.

The inclusive salary will be within the range £2,043 16s. 0d. to £2,477 per annum rising to a maximum of £2,477 per annum and, from January 1, 1966, to a maximum of £2,542 10s. 0d. per annum. The commencing salary within the grade will be fixed according to the experience of the successful candidate.

Further particulars and application forms may be obtained from the Town Clerk, Town Hall, Watford, to whom they should be returned by September 21, 1964.—Gordon H. Hall, Town Clerk, Watford Borough Council, Neville Moon, Clerk, Hertfordshire County Council. (9982)

WORCESTERSHIRE COUNTY COUNCIL

**CANADA—THE ONTARIO CANCER INSTITUTE
RESIDENT TRAINING IN THERAPEUTIC RADIOLOGY**

The Ontario Cancer Institute incorporating the Princess Margaret Hospital offers a two-year Diploma Course which combines clinical work on the wards and in the Out-patient Department of the hospital, and didactic courses in Physics, Anatomy, Pathology, Radiobiology and Radiotherapy. This course leads to the Diploma in Medical Radiotherapy from the University of Toronto and is accredited by the Faculty of Radiologists in London. The hospital is also accredited by the Royal College of Physicians and Surgeons of Canada and the American Board of Radiology for complete training in radiotherapy over a period of three years. In addition it is also accredited for Internal Medicine and Anatomic Pathology for a period of one year and for six months in Diagnostic Radiology. An additional year of training may be undertaken and a limited number of one year appointments are also made. Salary range \$400 to \$500 monthly.

The Princess Margaret Hospital provides complete facilities for Cancer Research, Diagnosis and Treatment, exclusive of major surgery. Over 3,000 new patients are seen annually; there are 120 active treatment beds, and facilities include five Cobalt Units, two Caesium Units and a Betatron.

Applications are invited for the year beginning July, 1965. For further details inquiries should be addressed to:

The Director, Dr. C. L. Ash,
The Princess Margaret Hospital, 500 Sherbourne Street, Toronto 5,

SYDNEY HOSPITAL
Australia

MEDICAL REGISTRAR

Applications, closing September 3, 1964, are invited for the position of Medical Registrar at Sydney Hospital for one year from approximately January 11, 1965, with eligibility for re-appointment up to a maximum of three years. A higher qualification in medicine, and at least four years experience from graduation, are essential. Salary £A.2,636 per annum.

Duties include supervision, under the direction of the honorary physicians of approximately one hundred general medical patients and the house and trained specialist physicians. Teaching of undergraduates and organization of clinical meetings are part of his responsibility.

Sydney Hospital is a teaching hospital of the University of Sydney, with over two hundred students being allocated to the hospital for clinical training. Honorary medical staff totals more than two hundred, and full-time medical officers approximately eighty.

Further particulars are obtainable from Medical Superintendent, Sydney Hospital, Macquarie Street, Sydney Australia.—H. R. Beer, Chief Executive Officer. (9062)

UNIVERSITY OF CAPE TOWN/
PROVINCIAL ADMINISTRATION
OF THE CAPE OF GOOD HOPE

PHYSIOLOGY TECHNICIAN

Applications are invited for a post of Technician which will fall vacant on February 1, 1965, in the Department of Physiology and Pharmacology. The technician will be responsible for the performance of biological tests on material from hospital patients and should have experience of laboratory routine in either a physiology or a pathology department. Experience in handling laboratory animals will be an advantage.

The salary scale is R.1,920 by R.120 to R.2,520 by R.120 to R.3,000 (£960 by £60 to £1,260 by £60 to £1,500) per annum initial placing depending on qualifications and experience.

Applicants should state age, qualifications and experience, and should give names of two referees whom the University may consult.

Two copies of the application and testimonials should reach the Secretary, Association of Commonwealth Universities (Branch Office), Marlborough House, Pall Mall, London S.W.1 (from whom a memorandum giving the general conditions of appointment should be obtained), not later than September 30, 1964. An additional copy should be sent direct by airmail to the Registrar, University of Cape Town, Private Bag, Rondebosch, Cape Town, South Africa, by the same date.

The University reserves the right to appoint a person other than one of the applicants or to make no appointment. (5127)

THE SAVE THE CHILDREN FUND
MALE MEDICAL OFFICER

required for Mobile Clinic in Southern Swaziland based on Hlatikulu. This is Freedom from Hunger project with emphasis on nutritional and health education. Three-year contract offered but one year considered. Salary according to age and experience based on N.H.S. Scale. Fund provides board, lodging, transport and fares. Apply Overseas Personnel Officer, S.C.F., 29 Queen Anne's Gate, London S.W.1. (9181)

UNIVERSITY OF TASMANIA
CHAIR OF PATHOLOGY

A Faculty of Medicine is currently being established within the University and applications are invited for appointment as Professor of Pathology.

The decision to establish a Medical School has been taken by the Council of the University with the support of the Tasmanian State Government and the Australian Universities Commission, which is responsible for advising the Commonwealth Government on provision of funds for universities.

The first preclinical courses (following premedical courses in the basic sciences) will be offered in 1966. It is proposed that teaching in Pathology will begin in the second year of preclinical teaching in 1967. Appointments have already been made to Chairs of Anatomy and Physiology and it is expected that an appointment will be made shortly to the Chair of Biochemistry.

An initial amount of £600,000 has been allocated for a building and equipment for the three preclinical departments. This building will be on the University site at Sandy Bay and will probably be available in 1967. Until then the three preclinical departments will be housed in temporary accommodation at Sandy Bay. The clinical and paraclinical departments will be located in the city at the Royal Hobart Hospital some two miles from the University. The financial allocation for building and equipment for these departments has not yet been determined.

The building and facilities of the Medical School are being planned to allow for about sixty graduates annually, but in the early years the number will probably not exceed thirty.

Initially, all professors of the Medical School will be involved to a considerable extent in advising the Professorial Board and Council on the planning of the Medical School including buildings, staffing, the development of courses and research and library facilities.

The salary will be £A.5,200 per annum, comprising the normal professorial salary of £A.4,600 per annum together with a loading (at present £A.600 in the case of Pathology) applicable to all professors with medical qualifications. Professorial salaries in Australia are at present under review. Other conditions of appointment including method of application should be obtained from the Secretary, Association of Commonwealth Universities (Branch Office), Marlborough House, Pall Mall, London S.W.1.

Members of clinical departments may undertake a limited amount of private consultative practice under conditions approved by the University Council. Fees for such practice may be retained by the staff member up to a maximum of 15% of the basic professorial salary; fees received above this limit are paid to the University.

Applications close in Australia and London on October 30, 1964.

The University reserves the right not to make an appointment or to fill the Chair by invitation. (9947)

DOCTORS ABROAD. Copies of vacancies advertised in the "Journal" can be sent by AIR MAIL. The minimum cost is 3s. per week, which covers up to five separate headings; additional headings 1s. each. Orders for specific grades cannot be accepted.

THE UNIVERSITY OF MANITOBA
PROFESSOR OF ANATOMY AND HEAD
OF THE DEPARTMENT

The position of Professor of Anatomy and Head of the Department will become vacant in September, 1965. The University of Manitoba is now prepared to accept applications for this position. Minimum salary \$13,000. Please address inquiries to the Dean, Faculty of Medicine, University of Manitoba, Cor. Bannatyne and Emily Street, Winnipeg, Manitoba, Canada. (9780)

UNIVERSITY OF
WESTERN AUSTRALIA
LECTURESHIP IN
PHARMACOLOGY

Applications for appointment to the above-named position in the Department of Pharmacology are invited from graduates in Science or Medicine. The salary range for the position is £A.1,900 by £A.105 to £2,635 per annum, with superannuation similar to F.S.S.U. Experience in teaching as well as research is desirable but not essential.

The Department gives undergraduate and postgraduate instruction in the Faculties of Science, Medicine and Dental Science. Facilities for research are available.

Intending applicants are requested to obtain details of the procedure to be followed in applying for the post, and a copy of the conditions of appointment before submitting their applications. This information is available from the Secretary, Association of Commonwealth Universities (Branch Office), Marlborough House, Pall Mall, London S.W.1.

Applications close in Australia and London on October 10, 1964. (9948)

UNIVERSITY OF THE WEST INDIES

Applications are invited for

(a) LECTURESHIP or
(b) ASSISTANT LECTURESHIP
in Biochemistry Department

Salary scales: medically qualified: (a) £1,650 by £105 to £1,965 (b) £1,200 by £105 to £1,350 per annum (c) £1,350 by £50 to £1,500 per annum non-medically qualified: (a) £1,450 by £60 to £1,810 by £80 to £2,290 per annum (b) £1,200 by £50 to £1,350 per annum. Child allowance £150 per annum, first child, £100 per annum second, £50 per annum third. F.S.S.U. Housing allowance of 10% of salary, or, if available, unfurnished university accommodation at 10% of salary. Up to five full passages on appointment, or normal termination and on triennial study leave. Detailed applications (nine copies) naming three referees, should be sent by October 5, 1964, by persons living in the Americas and Caribbean area to Registrar, University of the West Indies, Kingston 7, Jamaica, W.I., and by all others to Secretary, Senate Committee on Higher Education Overseas, University of London, Senate House, London W.C.1. Further particulars may be obtained similarly. (5077)

THE MEDICAL DEFENCE UNION

Tavistock House South, Tavistock Square, London W.C.1.

Secretary:
Dr. Philip H. Addison,

Dental Secretary:
A. H. R. Rowe, B.D.S., F.D.S.

Osteoporosis?

Calcium-SANDOZ
Effervescent Tablets
in osteoporosis
of postmenopausal
or senile origin

Calcium-Sandoz
Effervescent Tablets
(orange flavoured);

calcium gluconogalactogluconate
(0.38 g. Ca equivalent to 4 g. calcium
gluconate) and 20 mg. ascorbic acid
2 to 5 effervescent tablets daily

“Studies are reported here which suggest that calcium deficiency is an important factor in many cases of postmenopausal and senile osteoporosis. Many patients with these forms of osteoporosis absorb and retain calcium abnormally avidly when on a high calcium intake in the form of supplements (calcium gluconate Sandoz), and moreover may continue to retain it avidly for at least three and a half years. Symptoms of the disease are relieved and no further fractures take place.”

Lancet (1961) 1, 1015
