SECOND CLASS POSTAGE PAID AT NEW YORK, N.Y.

**The first
penicillin
clinically
effective
against
Pseudomonas
pyocyanea**

Beecham have now added Pyopen to their range of injectable semi-synthetic penicillins. Not only is it effective against *Ps. pyocyanea* (*Ps. aeruginosa*), but it is also highly active against *E. coli* and *Proteus* spp. including many strains of *Pr. vulgaris*, *Pr. morganii* and *Pr. rettgeri*, insensitive to other antibiotics.

Being a penicillin, Pyopen can be given if

necessary in high dosages without fear of toxicity.¹

Pyopen is remarkably free from toxic effects and can be administered in sufficient dosages to obtain concentrations in the serum which are inhibitory to typical strains of *Ps. pyocyanea*, and the drug is also excreted in high concentration in the urine.²

INDICATIONS AND DOSAGE

Urinary Tract Infections: Pyopen achieves high urinary levels, which, together with its bactericidal action against *Ps. pyocyanea*, *Proteus* spp. (including many strains resistant to other antibiotics), and *E. coli*, make it particularly suitable for the treatment of urinary tract infections.³

Dosage: 1 g. 6-hourly by intramuscular injection, for 5-10 days.

Infected Burns: Pyopen reduces or eliminates *Ps. pyocyanea* from burns, and prevents further invasion by this organism. It is recommended for prophylactic treatment of high-risk patients.⁴

Dosage: Prophylactic dosage: 1 g. 6-hourly by intramuscular injection, for five days.

Severe Systemic Infections and Septicaemia: Pyopen's low toxicity allows large intramuscular or intravenous dosage to be used to achieve the necessary high blood levels.⁵

Dosage: 12-30 g. daily by intravenous injection or infusion. Higher blood levels can be achieved by simultaneous administration of probenecid.

Other indications: Dosage will depend on the site of infection and the sensitivity of the infecting organism.*

Paediatric Dosage: Dependent upon weight and age of child. A suitable daily dosage, depending upon site and organism involved, should lie between 100 and 300 mg. per kilogram body weight.*

Contra-indications: Penicillin allergy. N.B. Pyopen has no activity against penicillinase-producing staphylococci.

Side-effects: Some pain may be experienced at the site of injection, otherwise as for injectable penicillins.

Availability: Each vial contains 1 g. carbenicillin as the disodium salt for injection.

*Further information may be obtained from the Company's Medical Department.

The simplest,
safest and most
effective treatment
for intestinal
amoebiasis...

FURAMIDE

Furamide relieves the symptoms of amoebic-dysentery and other forms of intestinal amoebiasis within a few days, effecting a complete cure in ten days.

Furamide is particularly useful in the treatment of cyst-passers and is without doubt the drug of choice for mass treatment because of the absence of side-effects.

Furamide offers several distinct advantages over other forms of treatment:

- A cure rate of 80% or more in the acute condition and 90% to 100% in the chronic condition may be expected.
- The specific amoebicidal effect does not upset normal bacterial flora of the gut.
- Bed-rest is unnecessary unless the clinical condition of the patient warrants it.
- Hospitalisation is not normally necessary.
- No special dietary restrictions or enemas are necessary.
- The only side-effects which may occur are occasionally flatulence, which may normally be disregarded, and less frequently an urticarial rash may be observed.

A product of Boots research.

FURAMIDE

Each tablet contains 0.5 G. of Diloxanide Furoate B.P. Packed in bottles of 15 and 250 tablets

INTERNATIONAL DIVISION

BOOTS PURE DRUG CO. LTD., NOTTINGHAM, ENGLAND

ANTIBIOTICS AND THE INTESTINAL FLORA

Treatment with broad spectrum antibiotics suppresses the normal flora, which may be replaced by abnormal resistant organisms causing diarrhoea.

This change can be prevented or reversed by the implantation of *Lactobacillus acidophilus* which has been rendered antibiotic-resistant, and is thus able to multiply freely under these abnormal conditions. The products of growth of the organism are inimical to that of many other bacteria^{1,2} and thus contribute to its rapid preponderance over other species.

Oral treatment with antibiotic-resistant *L. acidophilus* in the form of ENPAC has been shown to eliminate *Candida* from the faeces of infants with antibiotic-induced diarrhoea, with relief of symptoms succeeded by rapid gain in weight^{3,4} and greatly to reduce the numbers of staphylococci in the faeces of patients treated with tetracyclines.⁵

Candida could well be the culprit!

Candida albicans is an increasingly common cause of vaginitis. Against this organism Candeptin has a rapid, specific curative effect. *In vitro* tests have shown that it inhibits *Candida albicans* more powerfully than either nystatin or amphotericin B. Local application quickly relieves symptoms, resolves infection. Over 90% success rates have been achieved—including characteristically difficult cases as in pregnancy and infections of long standing.

Candeptin vaginal tablets containing 3 mg candicidin: supplied in boxes of 28 with applicator.
Candeptin vaginal ointment 0.6 mg candicidin per gramme: supplied in 75G tube with applicator.

CANDEPTIN

a specific answer to the
problem of vaginitis

the two 'vital statistics' of Tenuate

Efficacy

Recent double-blind placebo controlled trials confirm the effectiveness of Tenuate in helping patients to lose weight.

"The 37 patients in the drug-treated group who completed at least 11 weeks of study lost an average of 11.3 lb . . . the ten controls, in contrast, gained an average of 0.6 lb."¹

"During an antiobesity trial lasting an average of 6.4 weeks, patients in the diethylpropion hydrochloride (Tenuate) group lost an average of 7.3 lbs. compared with an average total weight loss in the control group of 0.1 pound."²

Acceptability

The acceptability of Tenuate, as shown by freedom from troublesome side effects has also been confirmed in double-blind studies.

"No cardiovascular side effects were reported in this series of patients."^{*2}

*Patients with angina pectoris.

"There was no significant difference between the frequency of side effects reported by those receiving placebo and those receiving diethylpropion hydrochloride."¹

These papers on controlled studies were published recently, and are representative of the continuing stream of reports which confirm the efficacy and acceptability of Tenuate to help patients keep to a weight reducing diet.

You can be confident that today's prescription for Tenuate is backed by a tremendous wealth of experience, controlled assessment and approval.

AIM FOR THE BAD'UNS WITH 'ILOSONE'

With 'Ilosone' your aim is effective and selective. Killing off the pathogenic bacteria, allowing the normal gut flora to pursue their useful life.

The real 'bad 'uns', of course, are Gram positive cocci, causing most of the infections you see every day. Against these infections 'Ilosone' is much more active than, for example, the tetracyclines and it will not discolour teeth or deposit in bone. Nor is 'Ilosone' likely to cause diarrhoea or gastro-intestinal upset—disadvantages which the tetracyclines share with the broad spectrum penicillins.

Effective. Selective. Use 'Ilosone' when you go gunning for bad 'uns—in acute tonsillitis or acute bronchitis or any common bacterial infection of the upper respiratory tract. *Haemophilus influenzae*? Yes, 'Ilosone' deals with this 'bad 'un' too!

'Pulvules' of 250 mg* and 125 mg*; a pleasant tasting suspension containing 125 mg*/5 ml. *Base equivalent. Full information available on request.

or mastered

Mixogen

Appreciating the limited role of sedatives and tranquillizers in what is essentially a metabolic disturbance, physicians are turning increasingly to the treatment that masters the immediate symptoms of depression and irritability and acts at a fundamental level as prophylaxis against the long-term consequences of ovarian-pituitary imbalance.

'Today when the average woman can expect to reach her threescore years and ten, it would seem unrealistic to deny hormone treatment, which not only alleviates all the troublesome and antisocial symptoms of the menopausal and postmenopausal phases but is also a prophylactic measure against osteoporosis, senile vaginitis, hypertension, and coronary heart disease, to mention but a few hazards of oestrogen depletion.'

The arguments against the use of plain oestrogen therapy – endometrial bleeding and nausea – are countered when Mixogen is used.

'Perhaps the best way of avoiding oestrogenic bleeding is to use one of the oestrogen-testosterone combinations, of which the original – Mixogen – is the best.'²

Steroids orally? Fast relief with the betamethasone in **Betnesol**

Betamethasone as 17-valerate (Betnovate) is well established as a most effective topical steroid. Now Betnesol brings the advantages of a soluble form of betamethasone to systemic steroid therapy. Although betamethasone brings swift relief of inflammatory symptoms, it has a low incidence of side effects. Even during long-term therapy as in rheumatoid arthritis, betamethasone is unlikely to cause oedema and hypertension and has negligible effect on potassium balance.

Normally, corticosteroids are not very soluble. However, Betnesol Tablets when dropped into a glass of water dissolve to form a particle-free drink which is easy to take even during an attack of asthma. The complete solubility of Betnesol ensures maximum efficiency of absorption, the most consistent therapeutic response and no solid steroid particles to irritate the stomach. Betnesol adds solubility to all the other advantages of betamethasone.

**When your peptic ulcer
patient is doubled up
with pain...**

**Straighten
him out with
NACTON**

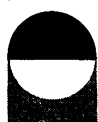

Nacton prevents peptic ulcer pain at source—right around the clock. Which means that Nacton gets patients back to work *and* helps them sleep better. A clinical trial shows a striking increase in the comfort of patients at night.

Nacton also

- ☐ gives the ulcer a better chance to heal
- ☐ lets the patient eat as he chooses
- ☐ enables him to dispense with antacids.

Because Nacton has no anaesthetic effect, it will not mask the warning pain of an impending perforation. And at the correct dosage, Nacton has no side-effects.

Full information on Nacton (regd.) (poldine methylsulphate B.P.), including advice on dosage, is available from the Bencard Medical Department.

*Embarrassed by contact dermatitis.*

Synalar gives fast relief in a wide range of inflammatory dermatoses

Speed. Low concentrations of Synalar achieve optimal skin penetration, frequently with therapeutic response, in 24-48 hours. This rapid action reduces the incidence of scratching. The speedy restoration of the epidermal barrier lessens the risk of secondary bacterial infection.

Efficacy. Synalar has an exceptionally high success rate in inflammatory dermatoses and in pruritic and allergic conditions of the skin. It has often been successful in difficult skin

conditions which, previously, had been unresponsive to other steroid preparations.

Synalar's effective action is maintained for up to 2 weeks after application because of the build-up, in the stratum corneum, of the steroid reservoir. **Range.** The complete flexibility of the Synalar range makes the selection of treatment, according to the type and severity of the condition, a simple one: Synalar is available in cream, ointment, lotion and aerosol form,

for the initial treatment of severe cases. For maintenance therapy and the less severe dermatoses. Synaldone is also available as cream, ointment and lotion.

Psoriasis can be for life. It's hard for your patients to face.

You can make it a little easier by prescribing Alphosyl.

Over the years Alphosyl has proved the most effective known treatment for Psoriasis.

And Alphosyl continues to prove itself. Everyday there is new evidence of Alphosyl's effectiveness.

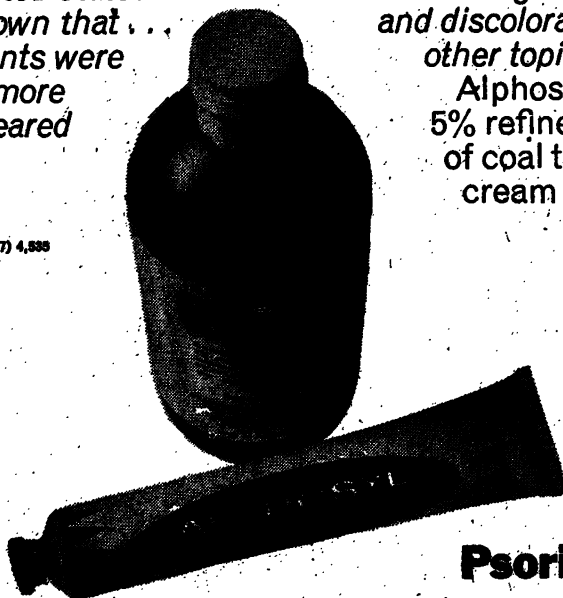

*"Trials in the United States of America have shown that . . . 70% to 80% of patients were helped and 50% or more had their lesions cleared completely by the treatment."**

* BRITISH MEDICAL JOURNAL (1967) 4, 535

Long after 'revolutionary' advances have been tried and forgotten, Alphosyl remains the product most widely prescribed for the specific treatment of Psoriasis.

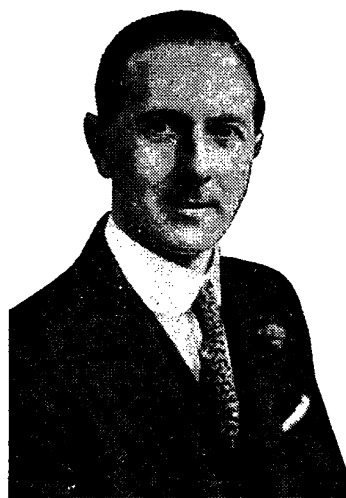

*"It certainly avoids the hazards of antimetabolites and local and systemic corticosteroids, and it does not have the disadvantages of staining, burning and discoloration that occur with other topical preparations."**

Alphosyl is available as a 5% refined alcoholic extract of coal tar and allantoin in a cream and lotion.

Psoriasis R Alphosyl

Stafford Miller Ltd., Hatfield, Hertfordshire, England.

For years he's been dosing himself with antacids For years he's been suffering with indigestion

When indigestion and malabsorption suggest replacement of deficient enzymes – replace them as completely as possible.

After operative procedures on the gastrointestinal tract and in malabsorption due to various enteropathies, lipase, trypsin, amylase, cellulase and oxbile extract may be valuable aids to management. A daily dose of six Cotazym B tablets provides sufficient of these substances to digest 50 g. of fat, 100 g. of protein, 250 g. of starch and 480 mg. of cellulose.

Dosage: 1 or 2 tablets during meals.
There is no contraindication.

Packs: Foil-stripped in cartons of 30 and 120.

IMPRESSIVE NEW BOOKS FROM SAUNDERS**Conn:
Current Therapy
1968**

Edited by Howard F. Conn, M.D. *With contributions by 336 eminent authorities.*

The entire range of commonly encountered diseases and disorders is covered in this practical volume. Treatment measures are spelt out in specific detail—ready for use. Exact dosages are always given and prescriptions written out where necessary. *Treatments are included solely on the basis of their effectiveness—old or new makes no difference.*

Among the 200 new or rewritten articles in this 1968 volume you'll find the latest information on the use of measles vaccine; an excellent article on the different phases of therapy for terminal inoperable lung cancer; the management of pregnancy in unwed mothers; the latest drugs in therapy of gout; most recent methods for control of hyperuricemia; etc. Why not make use of the help that *Current Therapy* can give you?

About 976 pages.

Published March, 1968.

£5 19s.

**Gellis and Kagan:
Current Pediatric
Therapy III**

Edited by Sydney S. Gellis, M.D., *Tufts University School of Medicine*; and Benjamin Kagan, M.D., *University of California at Los Angeles*. *With 294 eminent contributors.*

The latest *Current Pediatric Therapy* volume has been extensively and carefully revised to bring you the most successful treatment methods for more than 300 childhood diseases and disorders. Refined and updated by 294 leading authorities, it offers sound, practical measures for the many ills of infancy and childhood. From advice on the use of ampicillin in meningitis to guidance on management of minor psychological disturbances—from help with the techniques of peritoneal dialysis to assistance in judging the usefulness of drugs in cardiac disease, this book reflects the many changes in therapy which have taken place in the past several years. For this volume, 112 articles have been rewritten by new authors and over 200 others updated and revised by their original authors. In addition, 18 new articles cover topics not discussed in earlier volumes.

The SPENCERFLEX for Men

- ★ Co-relates back and abdominal support
- ★ Allows complete freedom of action
- ★ Protects scar following upper abdominal surgery

Individually designed, cut and made for each patient, this support provides pelvic control, abdominal uplift, freedom for muscular action. Thus, at work or play, or during convalescence, the Spencerflex favourably influences better posture and body mechanics.

Safe because it is made in non-elastic material that will not yield or slip under strain. *Comfortable* because it is individually designed according to the prescribed needs of each patient.

The extra width at back gives exceptional back support. It is light and flexible, with no pressure on prominent part of hip bones.

Designed as an adjunct to treatment following upper abdominal surgery. Especially helpful in early ambulation and where drainage has been maintained for a considerable period. Completely covers and protects the scar without "digging-in" at lower ribs. Relieves fatigue and strain—even that caused by deep breathing and coughing—on tissue and muscles of the wound area. *We know of no other abdominal support for men* which provides these benefits.

PRACTICES

(Executive Councils)

For vacancies (except those in Scotland) apply on Form E.C.16A, obtainable from the Executive Council. Mark envelopes "Vacancy."

CENTRAL DISTRICT, E.C.1 (OLD STREET AREA)

"Intermediate" area, retiring practitioner, male. List at present approximately 2,400. Surgery premises will be available. Application forms E.C.16A obtainable from the Clerk, Inner London Executive Council, Insurance House, Insurance Street, W.C.1. Completed applications to be received by the Council not later than 12 noon, Monday, April 22, 1968. (H.7437)

COUNTY PALATINE OF CHESTER NATIONAL HEALTH SERVICE EXECUTIVE COUNCIL FOR CHESHIRE

MEDICAL PRACTICE VACANCY ELLESMERE PORT—CHESHIRE
Applications are invited for a practice vacancy due to resignation on June 30, 1968. Urban, industrial area, classified "Designated." List 3,535. Residential and separate surgery accommodation may be available for purchase. Successor required to take over on July 1, 1968. Forms E.C.16A and further particulars obtainable from the undersigned, and completed applications must be received not later than Friday, April 26, 1968. F. Hayte, Clerk of the Council, 28 Nicholas Street, Chester. (H.7438)

AMENDED ADVERTISEMENT EXECUTIVE COUNCIL FOR SOUTH-EAST LONDON AND KENT THAMESMEAD (LONDON BOROUGH OF BEXLEY)

Applications are invited from experienced general practitioners for the first of a number of appointments of general medical practitioners to practise in the new riverside community of Thamesmead, which is being developed by the Greater London Council within the areas of the Boroughs of Bexley and Greenwich. It is expected that the first houses will be completed in Bexley in June, 1968, and it is intended that the appointed medical practitioner should be available to give services to the new residents. The practitioners appointed will work closely with the local health authorities and local hospitals. It is intended that the practice will be developed in close association with the medical school at Guy's Hospital. The first doctor appointed will have the opportunity of taking a leading part in the development of general practice teaching and research at Guy's, and of holding a suitable part-time academic appointment in the medical school. A joint health services advisory committee has been formed to advise the bodies concerned on the operation of these arrangements. It is intended that the practice will be based on a temporary health centre pending the building of the first permanent health centre, which will form part of the projected medical plan for the whole area. Thamesmead has been approved as a designated area for which the new increased (Type D) initial practice allowances will be payable.

Further information regarding the appointment may be obtained from the Clerk of the Executive Council for South-East London and Kent, 11 Station Road, Maidstone, Kent, and applications on Forms E.C.16A must be received by him not later than Wednesday, April 24, 1968. (H.7420)

IMMINGHAM GRIMSBY, Lincs

Applications are invited for mixed urban/rural vacancy due to resignation on September 30, 1968. Immingham is an expanding area. The practice area is classified "Open." List approximately 3,056 of which 1,294 are dispensing. The combined surgery and residential accommodation may be available for purchase. Apply on Form E.C.16A to the Clerk, Lincolnshire (Lincoln) Executive Council, 17 Tentercroft Street, Lincoln, not later than April 30, 1968. (H.7314)

CLASSIFIED ADVERTISING

The issue of April 20 closed for press on Wednesday, April 10.

LIVERPOOL EXECUTIVE COUNCIL MEDICAL PRACTICE VACANCY WEST DERBY PARLIAMENTARY DIVISION

Applications are invited for the above-mentioned practice due to resignation. The area is classified as "open" by the Medical Practices Committee. List approximately 1,787 patients. The practice has been conducted by a lady practitioner since 1948. Residential and surgery accommodation will be available for purchase. Applications on Form E.C.16A to be received by the undersigned not later than Tuesday, April 16, 1968.—J. H. Hunter, Liverpool Executive Council, 36 Princes Road, Liverpool 8. (H.7393)

LUDDENDEN, NR. HALIFAX

Applications are invited for a vacancy at Luddenden (Sowerby Bridge U.D.) due to resignation of doctor on June 30, 1968. List comprises 1,787 patients. "Open" area. Local Health Authority Staff attachment. Residential and surgery accommodation may be available for purchase. Successor required to take over not later than July 1, 1968. Applications on Form E.C.16A (obtainable from the undersigned) should be submitted to B. England, Clerk, West Riding Executive Council, 5 St. John's North, Wakefield, Yorks, by not later than April 26, 1968. (H.7459)

MIDDLESEX EXECUTIVE COUNCIL

Vacancy—Heston and Isleworth
Applications invited for vacancy occasioned by resignation of male practitioner. Doctor resigns June 30, 1968. List at present approximately 2,139. Designated area. Practice premises may be available for purchase.
Vacancy—Hornsey (Muswell Hill Ward)
Applications invited for two vacant practices. Vacancy occasioned by resignation of two practitioners (husband and wife) in partnership. Doctors resign July 31, 1968. Total list at present approximately 2,962. Open area. Practice premises will not be available.
Vacancy—Hornsey (Crouch End Ward)
Applications invited for vacancy occasioned by resignation of male practitioner. Doctor resigns May 31, 1968. List at present approximately 3,126. Open area. Practice premises will be available for purchase. Applications for the above vacancies should be made on Forms E.C.16A before April 22, 1968, to the Clerk, Middlesex Executive Council, International Life House, Dept. S, 4th Floor, Olympic Way, Wembley, Middx. (H.7392)

NATIONAL HEALTH SERVICE EXECUTIVE COUNCIL FOR THE CITY OF EDINBURGH

Applications are invited from registered medical practitioners for succession to the whole or parts of the under-noted two practices from July 1, 1968.
(1) Practice in the Craighentinny district. List at March 18, 1968, 1,313. The surgery premises at which the doctor (who is retiring on June 30, 1968) resides and from which he practises will not be available for purchase.
(2) Practice in the Inverleith district. List at March 29, 1968, 1,504. The house at which the doctor resides and from which he practises may be available for purchase. Forms of application and further particulars may be obtained from the Clerk to the Council, "Drumshugh House," 37a Drumshugh Gardens, Edinburgh 3, with whom applications should be lodged by Wednesday, April 24, 1968. Canvassing in any form will lead to disqualification. (H.7449)

**NUFFIELD TRAVELLING FELLOW-
SHIPS FOR GENERAL PRACTITIONERS
OF THE UNITED KINGDOM**

As part of its programme for the advancement of health, the Nuffield Foundation, in co-operation with the College of General Practitioners, is preparing, in 1968, to award to men and women of the United Kingdom:

Three Fellowships (each for a period of six consecutive months) to enable general medical practitioners of outstanding ability, preferably between the ages of 35 and 45, to undertake approved study overseas in July to December, 1969, in some subject of importance to general practice. The value of the Fellowship award will cover for the Fellow (and for his wife) tourist return travel by air and other fares at tourist rates, together with an adequate subsistence allowance, and provision for the cost of employing an approved Assistant during his absence.

Applications for these awards must be received by the Nuffield Foundation not later than October 1, 1968. The conditions of the Fellowships and application forms may be obtained from the Director, the Nuffield Foundation, Nuffield Lodge, Regent's Park, London N.W.1.

RESEARCH FELLOWSHIP

Clinical Research Unit, Department of Surgery, Dublin University,
Sir Patrick Dun's Hospital

Applications are invited for a Research Fellowship commencing on July 1, 1968, for one year, to continue investigations on chronic venous insufficiency. Details of the project may be obtained on application. Salary £1,000 to £1,500 dependent on qualifications. Applications should be addressed to: Professor W. G. Fegan, M.Ch. F.R.C.S.I., Sir Patrick Dun's Hospital, Dublin 2. (H.7405)

**THE UNIVERSITY OF MANCHESTER
Manchesters 13**

**TEMPORARY ASSISTANT LECTURERS
IN ANATOMY**
Applications invited from candidates with medical qualifications registrable in this country for posts for one year initially, but renewable. Duties commence October 1. Salary range, £1,310 to £1,680 per annum. Particulars and application forms (returnable by May 4) from the Registrar. Quote ref. 53/68 J.M.B. (17844)

**STOKE MANDEVILLE HOSPITAL
Aylesbury****RESEARCH BIOCHEMIST
(Senior or Principal Grade)**

To work as member of a team under the direction of the Consultant in charge of the National Spinal Injuries Centre. At least five years experience in basic biochemist grade necessary. Person appointed to the Senior grade may be promoted to Principal grade after a satisfactory period of experience. Appointment subject to Whitley conditions of service and to three months notice. Salary scales: Senior grade £1,833 to £2,276 p.a.; Principal grade £2,323 to £2,987 p.a. Applications, with details of age, experience, qualifications and two names for reference, to the Administrative Officer. (28452)

**THE LONDON HOSPITAL MEDICAL
COLLEGE
(University of London)
Physiology Department: Neonatal Research
Group**

Applications are invited from medical graduates at Junior Lecturer/Lecturer level. The successful candidate will also be given the opportunity to undertake some teaching duties. Initial salary will be according to qualifications and experience within the following grades: Junior Lecturer, £1,415/£1,775, plus £60 London allowance; Lecturer, £1,895/£2,630, plus £60 London allowance. The appointment will be eligible for superannuation either under the F.S.S.U. or N.H.S. Further information may be obtained from Professor K. W. Cross. Applications, in duplicate, together with names of two referees to the Secretary, The London Hospital Medical College, Turner Street, London E.1, by May 13. (17892)

**THE LONDON HOSPITAL MEDICAL
COLLEGE
(University of London)**

JUNIOR LECTURER IN PHYSIOLOGY
Applications are invited for the appointment of Junior Lecturer in the department of physiology from September, 1968. Both medical and non-medical candidates are invited to apply. In addition to teaching duties there will be adequate opportunity and facilities for research. Initial salary according to qualifications and experience, the scale £1,415/£1,775, plus £60 London allowance, together with superannuation under the N.H.S. or F.S.S.U. Applications, in duplicate, to the Secretary, The London Hospital Medical College, Turner Street, London E.1, by May 13. (17891)

**THE MATHILDA AND TERENCE
KENNEDY INSTITUTE OF
RHEUMATOLOGY
London W.6**

The Management Committee invite applications from graduates in medicine for the position of Head of the Division of Immunology within the Institute.

The Institute, opened in 1966 within the grounds of the West London Hospital, already has fully staffed divisions of biochemistry, cellular biology and experimental pathology, and a clinical research division based on the rheumatology services of the West London Hospital, which comprises approximately 20 beds together with out-patient facilities. The Institute is permanently endowed by the Mathilda and Terence Kennedy Charitable Trust and the Arthritis and Rheumatism Council. The present staff of the building is 50; ultimately not less than 100 persons will be accommodated. Existing equipment includes cold work rooms, electron microscope laboratory, high speed centrifuges and all facilities needed for contemporary immunology. A redesigned animal house with isolation, isotope and breeding rooms will shortly be opened.

Applicants should possess wide experience of research in an immunological field and have evidence of ability to direct a research group and to supervise research students. The Head of the immunology division will be granted a wide measure of academic freedom in building up his/her research programmes but he/she should be prepared to collaborate in work already under way on experimental arthritis, immunofluorescence analysis of muscle, isotope probes for the measurement of the inflammatory reaction and tissue culture.

This position is a permanent appointment, with a salary appropriate to that of reader in a university department, and both teaching and clinical diagnostic work can be arranged. Contribution to F.S.S.U. is obligatory. Further particulars from the Secretary, Kennedy Institute of Rheumatology, Bute Gardens, London W.6, to whom applications should be addressed by May 30, 1968. (17758)

**THE UNIVERSITY OF MANCHESTER
Manchesters 13**

LECTURER IN CHILD HEALTH
Applications invited for this post in which Lecturer will specialize in paediatric oncology. M.R.C.P. and experience in clinical paediatrics essential. Duties involve treatment of children with tumours, including leukaemia, especially by chemotherapy, together with some general paediatrics. Initial appointment for three years, after which it is expected that a permanent position will be available. Salary per annum: £2,015, rising by scale. F.S.S.U. Further particulars and application forms (returnable by April 20) from the Registrar. Quote ref. 38/68. (17693)

UNIVERSITY OF ABERDEEN

LECTURESHP IN CHILD HEALTH
Applications are invited for this post. The successful applicant will be accorded appropriate clinical status. Salary on scale £1,470 to £2,995, with initial placing according to qualifications and experience. Superannuation (F.S.S.U.) and renewal allowance. Further particulars from the Secretary, The University, Aberdeen, with whom applications (10 copies) should be lodged by May 25, 1968. (H.7408)

**UNIVERSITY OF DUNDEE
LECTURESHP IN
PSYCHIATRY**

Applications are invited for a Lectureship in Psychiatry in the Department of Psychiatry, The University, Dundee. Associated with the post is an honorary appointment with the Eastern Regional Hospital Board.

Salary scale, £1,470 to £2,995, with placing according to qualifications and experience. F.S.S.U.; grant towards removal of household effects.

Applications (6 copies) containing the names of three referees, to be lodged by May 4, 1968, with the Secretary, The University, Dundee, from whom further particulars may be obtained. (17792)

**UNIVERSITY OF NEWCASTLE UPON
TYNE
The Medical School**

DEMONSTRATORS IN ANATOMY
Applications are invited from graduates in medicine for demonstratorships in the department of anatomy, beginning at a time to be arranged between July 31 and October 1, 1968.

The posts are suitable for those preparing for the Primary F.R.C.S. examination, but preference will be given to those seeking experience and training in research in the anatomical sciences.

The commencing salary will be at a suitable point on the pre-clinical demonstrator scale (£1,180 by £170 to £1,350 by £140 to £1,490 by £160 to £1,650).

Further particulars may be obtained from the Professor of Anatomy, with whom applications should be lodged not later than April 25, 1968. (17867)

**UNIVERSITY OF NEWCASTLE UPON
TYNE
The Medical School**

**DEMONSTRATOR IN ANATOMY AND
HUMAN CYTOGENETICS**
Applications are invited from graduates in medicine or honours graduates in biological science for the post of demonstrator in anatomy and human cytogenetics. The post offers training and experience in diagnostic and research studies in human cytogenetics and would be particularly suitable for a graduate planning a career in medical genetics.

The commencing salary will be at a suitable point on one of the following scales: Pre-clinical demonstrator scale: £1,180 by £170 to £1,350 by £140 to £1,490 by £160 to £1,650. Non-medical junior demonstrator scale: £790 by £50 to £890 by £55 to £945. Further particulars may be obtained from the Professor of Anatomy, with whom applications should be lodged not later than April 25, 1968. (17866)

**SUMMER SCHOOL IN IMMUNOLOGY
SPONSORED BY THE BRITISH SOCIETY FOR IMMUNOLOGY
AND THE WORLD HEALTH ORGANIZATION
Monday September 9—Friday September 13, 1968**

The residential Summer School in Immunology will be held in the Department of Bacteriology and Immunology of the University of Glasgow under the aegis of Professor R. G. White. It is intended primarily for those teaching immunology to medical, biological, veterinary and technical students who are not themselves professional immunologists but others are welcome. The course will consist of lectures, tutorials and practical work and will not assume extensive knowledge of immunology. Participants may choose to undertake practical work on: basic immunological techniques including column chromatography, immunofluorescence, cellular immunity.

Small group tutorials will be held on three evenings. The fee for the course is £12. Accommodation is available at a nearby Hall of Residence. Applications should reach Dr. G. L. Asherson, London Hospital Medical College, London E.1, by May 6, and should include a brief curriculum vitae and an indication of the applicant's research and/or teaching interests and his background in immunology. (17802)

**GLASGOW POSTGRADUATE MEDICAL BOARD
(The University and the Royal College of Physicians and Surgeons)****WEEK-END COURSE IN DERMATOLOGY
May 18 to 19, 1968**

A week-end course in Dermatology will be held in Stobhill General Hospital, commencing at 2.30 p.m., on Saturday, May 18. The programme will be:

Saturday p.m.
Genetic Considerations in Dermatology Dr. M. A. Ferguson
Smith
Dr. O. A. Finn

Sunday a.m.
Skin Disease as a Social Problem Professor T. Anderson
Social Aspects Dr. A. R. Miller
Preventive and Administrative Problems Dr. J. F. Kirk
Domiciliary and Hospital Management Dr. A. Girwood
of Infectious and Contagious Skin Fergusson
Diseases

Sunday p.m.
Inter-relationship of Haematology and Dermatology Dr. Mary D. Smith
Laboratory Aspects Dr. J. L. Markson
Clinical Aspects Dr. J. C. P. Logan
Dermatological Aspects

The fee will be £3 13s. 6d. This will include lunch on Sunday and morning coffee or afternoon tea as appropriate.

Application forms should be sent to the Director of Postgraduate Medical Education, the University, Glasgow W.2. (17843)

UNIVERSITY OF GLASGOW

LECTURESHP IN MATERIA MEDICA
Applications are invited for appointment to a Lectureship in Materia Medica combined with a clinical post in wards, in charge of the professor, at Stobhill Hospital. The total salary attached to the post will be made up of half the salary on the appropriate university scale for clinical lecturers and half the salary on the National Health Service scale appropriate to the successful candidate's grading.

Applications (12 copies) should be lodged not later than May 10, 1968, with the undersigned, from whom further particulars may be obtained.—Robt. T. Hutcheson, Secretary of the University Court. (17814)

**UNIVERSITY OF BELFAST
UNIVERSITY TUTORSHIP IN
PHYSIOLOGY**

The Senate of the Queen's University of Belfast invites applications for a University Tutorship in Physiology from May 1, 1968. The salary scale is £1,470 by £115 (3) to £1,815, plus F.S.S.U. Initial placing on this scale will depend on experience and qualifications. Letter of application (one copy), giving the names of two referees, should reach the undersigned by April 26, 1968. Further particulars may be obtained from G. R. Cowie, M.A., LL.B., J.P., Secretary to the University. (17890)

COMMERCIAL APPOINTMENTS**SANDOZ
MEDICAL ADVISER
WITH EXPERIENCE IN PSYCHIATRY**

Applications are invited from British male registered medical practitioners with several years postgraduate experience in psychiatry, at least to Registrar level, for this post in the Company's Medical Research Department in London. A sound knowledge of general medicine and therapeutics is essential, and a higher qualification, or previous experience in the pharmaceutical industry, would be advantageous.

The work of the Department is varied and interesting. It is concerned with the planning and administration of clinical trials in the British Isles, the submission of information to official committees and close liaison with basic research units and other divisions of the Company.

The Company operates an excellent Pension Scheme, with life assurance cover, and provides other additional benefits. A progressive salary will be negotiated.

Applications, marked 'In Confidence', should be made in writing to: The Research Manager, Sandoz Products Limited, Sandoz House, 23 Great Castle Street, London, W.1.

Educational—contd.

UNIVERSITY OF CAMBRIDGE
School of Clinical Research and Postgraduate
Medical Teaching

The Third Course on Progress in the Biological Sciences in Relation to Dermatology will be held from September 23 to 28, 1968, in the Chemical Laboratory, Lensfield Road, Cambridge. The main topics will include bacteriology, immunological mechanisms of drug reactions, pharmacologically active substances in normal skin, the polymorphonuclear neutrophil, regional variations in the skin and the distribution of skin eruptions, and endocrine and metabolic influences on the skin. Course fee £12 12s. 0d.

Copies of the programme and enrolment forms, with details of College accommodation arrangements, may be obtained from the Secretary, The Medical School, Tennis Court Road, Cambridge. (17884)

PILKINGTON

APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given. Canvassing disqualifies (Statutory Instrument, 1966, No. 569).

SALARY SCALES OF HOSPITAL MEDICAL STAFF

Following the Seventh Report of the Review Body, new salary scales have been approved. These came into force on October 1, 1966. The scales are set out below:

HOUSE OFFICERS: Each post in this grade shall be tenable for six months, £1,100 per annum for the posts held during the first year; £1,200 per annum for posts held during the second year; £1,300 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £150 per annum in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

SENIOR HOUSE OFFICERS: £1,450 per annum in the first year; £1,550 per annum in the second year; £1,650 per annum in the third or subsequent years. Deductions of £175 per annum in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

REGISTRARS: £1,650 per annum, rising by four annual increments of £100 to £2,500. Deductions of £175 per annum for those with remuneration at the first two points on the scale, and £200 per annum for those on the third and subsequent points will be made in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £140 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRARS: £1,950 per annum rising by one increment of £100 and four further annual increments of £125 to £2,550.

Deductions of £225 per annum in respect of lodging only for voluntary residence. (No deduction for lodging will be made for compulsory residence.)

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANTS: £1,850 per annum rising by fourteen annual increments of £100 to £3,250.

Deductions of £225 per annum in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

CONSULTANTS: £3,200 per annum rising by five annual increments of £185, and then by four further increments of £190 to £4,885.

Deductions of £350 per annum in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

Doctors with satisfactory training will not be excluded from consideration for appointment to consultant posts on the grounds that they have spent little or no time as senior registrars.

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff. Memoranda on the following subjects of particular interest have been issued by the Ministry of Health: Standard of Residential Accommodation, Telephone Charges, Removal Allowances, Study Leave.

Further details may be obtained from the Hospital Secretary, or summaries of the Memoranda may be obtained from the Secretary, British Medical Association. (August, 1967)

Medical practitioners are requested not to apply

for any appointment specified above or for any appointment under an authority referred to above without first communicating with the Secretary of the British Medical Association, B.M.A. House, Tavistock Square, London W.C.1, to learn the views of the Association regarding the terms and conditions of service pertaining to the appointments, or, in the case of the Australian appointment, with the Honorary Secretary, Queensland Branch, Australian Medical Association, 88 L'Estrange Terrace, Kelvin Grove, Brisbane, Queensland. Medical practitioners are requested not to apply for, accept, or sit on Interview Boards for any of the Irish appointments mentioned in this notice without first communicating with the Medical Secretary of the Irish Medical Association, 10 Fitzwilliam Place, Dublin.

By Order of the Council,

D. P. STEVENSON,

Secretary.

April 6, 1968.

BACTERIOLOGY**HYGIENE ADVISORY
SERVICE OFFICER**

LEVER INDUSTRIAL LIMITED, a Company within the UNILEVER Group has a vacancy at Port Sunlight for a Hygiene Advisory Service Officer. His main function will be to advise customers on bacteriological and hygiene matters. He will also be concerned in identifying potential markets for the Company's bactericidal and related products. The successful candidate should be qualified in bacteriology or public health as related to food and community hygiene. Experience in marketing or sales negotiation would be an advantage, but is not essential.

Starting salary would not be less than £1,600 p.a. and would be considerably more for a man well adapted to the job.

Please write for an application form to:

**L. P. Critchley, Recruitment Manager,
Lever Brothers & Associates Limited,
Port Sunlight, Birkenhead, Cheshire.**

SOUTH-WESTERN REGIONAL HOSPITAL
BOARD

Plymouth Clinical Area

Applications are invited for the appointment

to the **REGISTRAR IN PSYCHIATRY**
to the Plymouth clinical area based on Moorhaven Hospital, Ivybridge, South Devon.

The appointment will be for two years, but is subject to review after the first year. The post is designated as non-resident; a good house is available.

Experience can be gained in all branches in in-patient and out-patient work (including neurology, subnormality and child guidance). The out-patient service is based on the Plymouth General Hospital and the Plymouth Nuffield Clinic. Moorhaven Hospital is recognized as a training centre for the D.P.M. Tuition will be provided and every assistance will be given to candidates preparing for higher qualifications to obtain time for necessary study.

Applications by letter, stating date of birth, qualifications and experience, together with the names and addresses of two recent referees, should be sent to the Secretary of the Regional Hospital Board, 27 Tyndalls Park Road, Bristol 8, not later than April 22, 1968. Selected candidates will be interviewed on May 17, 1968. (H.7398)

GLENISIDE AND BARROW HOSPITAL
MANAGEMENT COMMITTEE

Applications invited for appointment of

SENIOR HOUSE OFFICER
The group has admission units, mixed units, a day hospital, psychology and E.E.G. departments and industrial therapy units. The appointment offers experience in all aspects of acute and chronic psychiatric illness. Facilities for studying and gaining experience for D.P.M. Board residence for single officer. Applications, with names of two referees, to Secretary, Glenside Hospital, Stapleton, Bristol. (28140)

RUNWELL HOSPITAL
near Wickford, Essex**SENIOR HOUSE OFFICER IN
PSYCHIATRY**

This post offers excellent postgraduate experience in clinical psychiatry and research for those preparing for the D.P.M. and other higher qualifications. The training programme has been approved by the British Postgraduate Medical Federation. The special departments include psychology, neuropsychology, biochemistry and clinical neurophysiology. There is a comprehensive medical library. The hospital deals with the full range of psychiatric disability. Furnished accommodation for both single and married doctors is available.

Applications, with the names of two referees, to the Group Secretary. (17148)

SOUTH-EASTERN REGIONAL HOSPITAL BOARD, SCOTLAND

Registrars in Psychiatry, Victoria Hospital, Kirkcaldy (two posts). These posts have been created by an expansion of the Fife Psychiatric Services and are based on the Victoria Hospital, Kirkcaldy, a modern general hospital of 460 beds. An out-patient department and a day-bed area are already operating and a psychiatric ward of 22 beds will be opened shortly.

Successful candidates will work mainly in the Kirkcaldy area but will also have experience in other branches of the Fife Psychiatric Service. The hospital has an active E.E.G. Department. D.P.M. training may be undertaken, and every opportunity for postgraduate study will be given.

Every assistance in obtaining married or single accommodation will be given.

Apply within two weeks from the date of this advertisement, giving particulars of age, qualifications, and previous experience, together with the names and addresses of two referees, to the Secretary, 11 Drumshugh Gardens, Edinburgh 3. (H.7427)

Aldactide

**makes the
difference
in essential
hypertension**

The additive effect of two proven anti-hypertensive agents provides a two-stage activity in lowering blood pressure gently. There is less risk of hypokalaemia and of precipitating gout and diabetes mellitus.

as surely as problems promote insomnia 'Tuinal' promotes sleep

Whatever the insomnia problem 'Tuinal' will give your patient a good night's sleep. 'Tuinal' promotes sleep so surely because it is a balanced combination of two hypnotics—one to give prompt onset, one to ensure that sleep lasts the whole night through.

Whether your patients have trouble getting off to sleep or whether they waken too early, 'Tuinal' is the ideal all-rounder. Moreover, you may prescribe 'Tuinal' with confidence because extensive clinical

experience has confirmed its safety at the recommended dosage level. Within 30 minutes of taking 'Tuinal' your patients can safely pigeon-hole tonight's problems until the morning.

'Tuinal' 200 mg: each 'Pulvule' contains quinalbarbitone sodium 100 mg, amylobarbitone sodium 100 mg.

Full prescribing information on request.

**LONDON BOROUGH OF HACKNEY
HEALTH DEPARTMENT****ASSISTANT MEDICAL OFFICER**

Applications are invited from registered medical practitioners for the above post. Appointment offers experience in the whole range of personal, school, mental health, and environmental services. Encouragement given to pursue particular interests relevant to work of the Department.

Possession of D.P.H. or D.C.H. an advantage.

Salary according to experience within the scale of £1,870–£2,520.

Application forms obtainable from the Town Clerk, Town Hall, Mare Street, E.8, quoting reference B.M.J., returnable by 22nd April, 1968. (28442)

**LONDON BOROUGH OF MERTON
Health Department****APPOINTMENT OF SENIOR MEDICAL OFFICER**

Applications are invited for the above post from Registered Medical Practitioners holding a Diploma in Public Health.

This post will offer a splendid opportunity for varied experience of the administration of a Health and School Health Department and will also afford some opportunity for clinical work. The person appointed will be required to have a special interest in matters relating to Mental Health and Social Welfare. The Borough, which comprises Wimbledon, Merton and Morden and Mitcham, is a pleasant one within very easy reach of central London and the Surrey countryside.

Candidates should have had previous experience of Local Health and School Health Services. The salary scale will be £2,535 × £90 (6) to £3,075 per annum plus London weighting allowance of £75 per annum. An essential user car allowance and telephone rental are also attached to the post. Commencing point on the scale will be fixed having regard to present salary and experience.

Application forms, obtainable from Medical Officer of Health, The Vestry Hall, Mitcham, Surrey. Completed application forms, together with the names of three persons to whom reference may be made, should be returned to the Medical Officer of Health not later than Saturday, May 4, 1968.

SYDNEY ASTIN,
Town Clerk.

(H.7417)

**CAMBRIDGESHIRE AND ISLE OF ELY COUNTY COUNCIL
ELY URBAN DISTRICT COUNCIL
ELY AND NEWMARKET RURAL DISTRICT COUNCILS
HEALTH DEPARTMENT****Appointment of
SENIOR MEDICAL OFFICER AND MEDICAL OFFICER
OF HEALTH**

Salary within the scale £2,970 to £3,460.

Applications are invited from suitably qualified registered medical practitioners for the above-mentioned combined post.

The person appointed will be based on the Health Department, Shire Hall, Cambridge, and will be expected to devote 3/11ths of his time to District Medical Officer of Health duties. The remainder of his time will be taken up with the senior clinical and administrative duties in the County Council's personal health services, with particular reference to handicapped children. There are opportunities for research and there is considerable integration of the three branches of the National Health Service.

Further details obtainable from Dr. P. A. Tyser, County Medical Officer, Shire Hall, Cambridge.

Applications (no forms), stating age, qualifications and experience, should be forwarded to The County Medical Officer, Shire Hall, Cambridge, by April 29, 1968.

W. Liddell Hann,
Clerk of the Cambridgeshire and
Isle of Ely County Council.
R. R. Davies,
Clerk of the Newmarket Rural
District Council.

P. H. Brown,
Clerk of the Ely Urban District
Council.
J. E. Ward,
Clerk of the Ely Rural District
Council. (H.7255)

NORFOLK COUNTY COUNCIL**SENIOR
MEDICAL OFFICER**

Applications are invited from registered medical practitioners with experience and ability in preventive medicine and interest in the development of community health services. The successful candidate will be given the opportunity of gaining administrative experience in the work of the department and will have particular responsibility for child health and associated services. The appointment is one which offers training for higher posts in the public health service.

Salary scale £2,535–£3,075 which will be increased throughout by £90 when the Government's incomes policy permits.

Application forms and further details can be obtained from the County Medical Officer, Health Department, 29, Thorpe Road, Norwich, NOR.01T, to whom completed forms should be returned not later than 20th April. (28361)

Public Health—contd.

DEVON COUNTY COUNCIL

ASSISTANT COUNTY MEDICAL OFFICER/SCHOOL MEDICAL OFFICER
Applications are invited from registered medical practitioners preferably holding a Diploma in Public Health for the full-time appointment of Assistant County Medical Officer in the East Devon area. Salary according to experience and qualification within the Whitley Council scale, £1,795 to £2,445 per annum, but, at a later date, there may be an opportunity for hearing assessment work, in which case the salary scale would be reviewed. The starting point will be determined by past experience. Travelling and subsistence allowances on the national scale. Separation allowance, removal expenses grant and house and car purchase loan schemes available.

Application form and conditions of appointment from Dr. J. Lyons, County Medical Officer, County Hall, Exeter. (28441)

BUCKINGHAMSHIRE COUNTY COUNCIL

Applications are invited from registered medical practitioners for vacant posts of **DEPARTMENTAL MEDICAL OFFICER** and **SCHOOL MEDICAL OFFICER** centred at Blechley, High Wycombe or Slough. Assisted D.P.H. scheme in operation. Salary within the scale £1,795 to £2,445 per annum, commencing according to qualifications and experience. Consideration may be given in appropriate cases to the appointment of applicants at salaries within the new upper salary range. Removal allowances of up to £100 and housing allowance of £2 per week pending removal, payable in appropriate cases.

Further particulars and form of application obtainable from the County Medical Officer, County Offices, Aylesbury, Bucks. (28287)

KINGSTON UPON HULL CORPORATION

ASSISTANT MEDICAL OFFICER

(Full Salary Assisted D.P.H. Scheme)
Applications are invited from registered medical practitioners for the appointment of Assistant Medical Officer for duties in the school health, maternity and child welfare, port health and other local authority services. A scheme is in operation in accordance with the National Joint Council's conditions of service which will enable the successful applicant to pursue a full-time course of study for the D.P.H. without loss of salary. A car allowance will be granted and consideration given to assistance with removal expenses.

The salary will be within the scale £1,795 to £2,445 per annum, commencing according to qualifications and experience.

Particulars of the appointment and forms of application may be obtained from the Medical Officer of Health, Guildhall, Kingston upon Hull. (28532)

LONDON BOROUGH OF BARNET

Health and Welfare Department

SENIOR MEDICAL OFFICER

Applications invited from suitably qualified persons with organizing ability and experience in public health. Duties involved mainly concerned with environmental medicine, epidemiology, geriatrics and social welfare. Opportunities also exist for obtaining experience in a considerable variety of services administered by a large health and welfare department. Salary £2,535 to £3,075, plus £75 per annum London weighting. Point of entry being determined according to qualifications (D.P.H. or D.C.H. desirable) and experience. Essential car user allowance.

Applications, with names and addresses of two referees, to Medical Officer of Health, 32 Regents Park Road, London N.3, immediately.—R. H. Williams, Town Clerk. (17830)

**HAMPSHIRE COUNTY COUNCIL AND
HAVANT AND WATERLOO URBAN DISTRICT
COUNCIL**

**ASSISTANT COUNTY MEDICAL OFFICER/
SCHOOL MEDICAL OFFICER**

A registered medical practitioner is required in this Delegation Area for the whole-time superannuable post of Assistant County Medical Officer/School Medical Officer. Diploma in Child Health or Public Health an advantage. Salary new Whitley Council scale—£1,795 to £2,445. Provision of unfurnished accommodation will be considered by U.D.C. for married officers.

Havant, which is midway between Portsmouth and Chichester, is a rapidly expanding south coast town with a population of 100,000 incorporating the seaside resort of Hayling Island.

Forms of application, returnable by April 20, 1968, and details from the County Medical Officer, Dept. SA 756/86, The Castle, Winchester. (17668)

**LONDON BOROUGH OF GREENWICH
VISITING MEDICAL OFFICER**

Applications are invited from Medical Practitioners practising locally under the National Health Service, for the post of Visiting Medical Officer at a newly adapted Home for 26 children at 58 Kidbrooke Grove, S.E.3.

Salary: £130 per annum.

Particulars and application form from Medical Officer of Health, Royal Hill, S.E.10. Closing date: 22nd April, 1968. (17861)

**ROYAL BOROUGH OF
KINGSTON UPON THAMES
Health and Welfare Department**

**DEPUTY MEDICAL OFFICER OF
HEALTH AND DEPUTY PRINCIPAL
SCHOOL MEDICAL OFFICER**

Applications for this vacancy are invited from registered medical practitioners holding the Diploma in Public Health.

The salary scale is £3,015 by £93 (4) to £3,387 with a fixed car allowance of £180 per annum.

An additional allowance of £123 per annum is payable for acting as Deputy Medical Referee to the Kingston Crematorium.

The appointment offers good prospects and wide experience in the administration of all health and welfare services of an all-purpose London Borough, in a particularly attractive part of the metropolis.

There is scope for obtaining committee experience and the opportunity to participate in the planning of health centres and other health and welfare projects.

The appointment is one which should appeal to an ambitious, youngish doctor, keen to advance his career in the local authority field.

An allowance of 75 per cent. of approved removal expenses up to a maximum contribution of £50 may be claimed. Temporary accommodation for a period of up to one year may be available if required.

Application forms, from Medical Officer of Health, Tolworth Tower, Surbiton, Surrey, returnable by April 23, 1968. (28362)

**LONDON BOROUGH OF BEXLEY
Health and Welfare Department**

SENIOR MEDICAL OFFICER

Applications are invited from registered medical practitioners holding a D.P.H. (or equivalent qualification) with previous experience in a public health department, for the above post which offers valuable experience in all aspects of health and welfare services. The person appointed will have day to day administrative responsibility for one or more sections of the department, with clinical and field duties.

Salary scale—£2,535 to £3,075 plus London Weighting, starting point according to qualifications and experience. Casual user car allowance.

**ASSISTANT MEDICAL OFFICER OF
HEALTH**

Registered medical practitioner required preferably holding a Diploma in Public Health (or equivalent qualification). Post offers valuable experience in all aspects of health and welfare services.

Salary—£1,725 to £2,445 plus £75 London Weighting, starting point according to qualifications and experience. Assistant Medical Officer holding the Diploma in Public Health may be considered for early promotion to Senior Assistant Medical Officer of Health within the salary scale £2,025 to £2,625 plus £75 London Weighting.

Appointee not holding the Diploma in Public Health may be granted leave with full pay and training facilities to attend a full-time course leading to the D.P.H.

Whitley Council conditions of service and casual user car allowance.

Further details of duties, etc., may be obtained from the Medical Officer of Health, London Borough of Bexley, 9 Brampton Road, Bexley Heath, Kent (telephone 01-303 6211).

Applications, giving details of age, qualifications, previous appointments and experience, together with the names and addresses of three referees, to be received by me not later than April 24, 1968.—Clive Dennis, Town Clerk, Town Hall, Erith, Kent. (17566)

HEREFORDSHIRE COUNTY COUNCIL

Applications are invited from registered medical practitioners possessing a Diploma in Public Health for the whole-time appointment of:

**ASSISTANT COUNTY MEDICAL
OFFICER AND MEDICAL OFFICER OF**

for the Ross-on-Wye Urban, Dore and Bredwardine Rural, Ledbury Rural and Ross and Whitchurch Rural District Councils. Salary scale: £2,618 to £3,123 per annum. The person appointed must provide and use his own car in consideration of a travelling allowance in accordance with the recommendations of Committee "C" of the Medical Whitley Council. Applications on the prescribed form, which with full particulars may be obtained from the County Medical Officer, 35 Bridge Street, Hereford, must be received by him within fourteen days of the publication hereof.—F. D. V. Cant, Clerk of the County Council, Shirehall, Hereford. (17811)

D'Arta, M.D., Director of Medical Education. (H.5749)

MEDICAL STAFF

BOTSWANA

The Republic of Botswana have vacancies for Medical Officers, two at Senior Medical Officer level.

The Senior Medical Officers are required to take charge of the administration of a major district hospital and supervision of subsidiary hospitals and dispensaries as well as clinical duties.

The Medical Officers are required for general medicine and emergency surgery and may be required to give anaesthetics, take an interest in public health matters and visit outlying dispensaries and clinics.

Candidates must possess medical qualifications registrable in the United Kingdom and be able to meet all other requirements for full registration. Experience in tropical medicine would be an advantage. Senior Medical Officers should also possess at least ten years' experience since qualifying and not less than five years' experience administering a hospital of over 100 beds.

Appointments for a minimum tour of two years.

Emoluments: Senior Medical Officers basic salary £4,980 Rands (approximate sterling equivalent £2,904) plus those eligible for designation under the Overseas Service Aid Scheme, an inducement allowance of £402 10s. 6d. For those not eligible, a contract addition of 474 Rands (approximate sterling equivalent £277).

Medical Officers basic salary 3,840 to 4,800 Rands (approximate sterling equivalent £2,240 to £2,800) plus, for those eligible for designation under the Overseas Service Aid Scheme, an inducement allowance of £276 to £372 per annum. For those not eligible, a contract addition ranging from 366 to 462 Rands (approximate sterling equivalent £213 to £269).

There are also generous gratuities on satisfactory completion of contract, education allowances for children, free family passages. Superannuation can be preserved or maintained.

For further information, please write, stating full name, to the **APPOINTMENT OFFICER (MEDICAL), MINISTRY OF OVERSEAS DEVELOPMENT, ROOM 444, ELAND HOUSE, STAG PLACE, LONDON, S.W.1.** (H.7845)

Teaching Hospitals of Association of American Medical Colleges. Affiliated with Albany Medical College, Near Boston and New York City. Write Director of Medical Education. (H.5070)

THE ALBERT EINSTEIN COLLEGE OF MEDICINE New York City

PSYCHIATRISTS

Adult, child, adolescent. Positions available in a comprehensive community mental health centre under the auspices of the department of psychiatry. The centre is an outgrowth of an extensive programme in community psychiatry with over three years' experience in serving a deprived urban area. Openings at many levels which entail responsibility for programme planning and direction as well as clinical practice. Tasks include innovative approaches to crisis intervention, brief therapy, family therapy, group treatment, as well as consultation with medical departments and community agencies. Opportunities for extensive professional development including collaboration with a large research section within the centre. Responsibilities in an approved residency training programme are offered to those qualified. Openings immediately and throughout the year. Positions carry an appointment on the faculty of Albert Einstein College of Medicine. Requirements: three years' accredited residency or equivalent; E.C.F.M.G. or state licence. Knowledge of Spanish and experience in community settings desirable but not required. Address inquiries to Harris B. Peck, M.D., Director, Mental Health Service of Lincoln Hospital, 333 Southern Boulevard, Bronx, New York 10454. (H.7195)

ROYAL PERTH HOSPITAL

Western Australia

REGISTRAR (Neuropathology)

Applications are invited from suitably qualified medical practitioners for appointment to the above post. Applicants should be graduates of at least two years' standing. Possession of a higher qualification would be an advantage.

Duties: The appointee will be required to perform neuropathological autopsies, routine histopathology and to assist with postgraduate teaching programme of the neuropathology unit. The post offers basic experience in neuropathology which would be an advantage to those interested in neurology, neurosurgery and psychiatry, as well as general medicine.

The neuropathology unit is associated with teaching and research in neuropathology in the Department of Pathology in the University department of pathology. The department is recognized for membership of the College of Pathologists.

Salary: Within the range \$A5,262 to \$A6,400 per annum. Commencing point will be determined according to qualifications, experience. If "living-in" an amount of \$A650 per annum will be deducted from the above salary. Sea passage will be arranged. Further information regarding the hospital and the State of Western Australia may be obtained from the Agent General for Western Australia, Western Australia House, 1 Strand, London.

Applications addressed to the Medical Superintendent, giving details of age, qualifications, experience and the names and addresses of two professional referees.—V. J. Driscoll, Administrator. (H.741)

VICTORIA HOSPITAL
London, Ontario, Canada

CHIEF

Department of Diagnostic Radiology
 Applications are invited for the position of Chief of the Department of Radiology, Victoria Hospital, London, Ontario. This is one of the teaching hospitals of The University of Western Ontario, and comprises about 1,000 beds of which approximately 168 are in the adjacent Children's Hospital. There is at present a staff of six certified radiologists and up to five residents-in-training. Approximately 56,000 examinations were carried out during 1967 including 10,000 special procedures. Among other specialties there are neurosurgical and cardiac units.

Victoria Hospital is planning a centennial building which is expected to be completed in 1971. This will be primarily for the provision of new and expanded services, i.e., operating rooms, laboratories and expanded department of diagnostic radiology. The new department will be fully equipped.

The successful applicant will receive a teaching appointment with the Department of Diagnostic Radiology of The University of Western Ontario which will entail teaching the undergraduate and postgraduate levels. Research facilities are available.

Those interested should communicate with Dr. Hugh J. Bright, Medical Director, Victoria Hospital, London, Ontario, Canada, enclosing a curriculum vitae and the names of three referees. All communications will be treated on a confidential basis. (H.7225)

ARLEF 100 helps the arthritic to get a grip on things

Arlef* 100 (flufenamic acid, Parke-Davis) is a new non-steroidal anti-inflammatory analgesic. Extensive controlled studies in patients with rheumatoid arthritis, osteoarthritis and other painful rheumatic conditions show that Arlef 100 significantly improves grip strength and relieves joint stiffness and pain. Since Arlef 100

is also generally well tolerated and appears to be free from serious toxic effects, the patient receiving Arlef 100 is more readily able to cope with normal daily activities.

Arlef 100 is available in Kapseals* containing 100mg. flufenamic acid in containers of 50 & 250. Further information will be supplied on request.

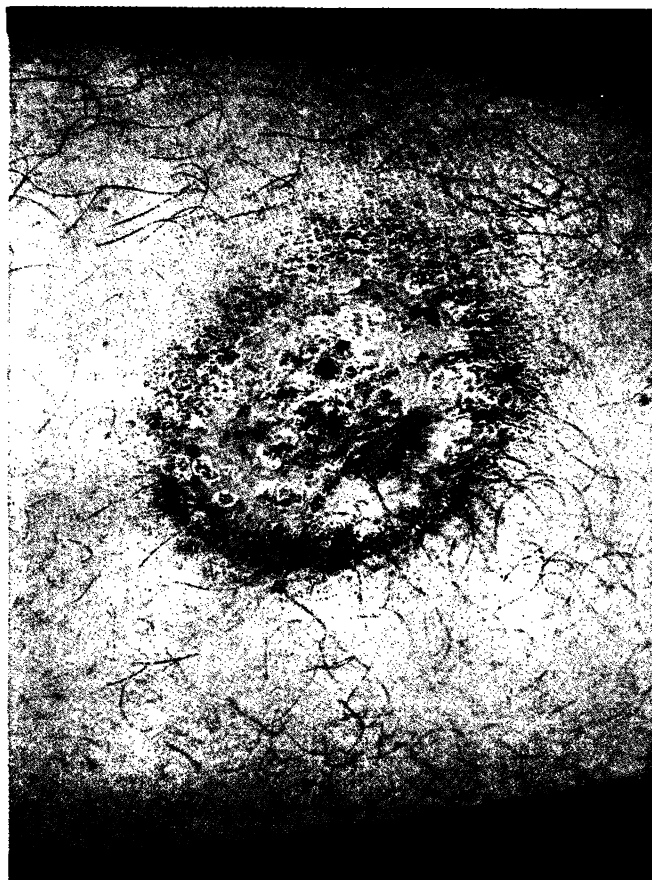

ARLEF 100

Here's a case for low-cost Betnovate

Leg lesion in discoid eczema of nine months' duration, treated unsuccessfully with hydrocortisone

Add rapid response and that means double economy

Complete clearance after two weeks' treatment with Betnovate Ointment under occlusion

For your detailed reading

Betnovate, Betnovate-N and Betnovate-C skin preparations

Betamethasone 17-valerate with or without neomycin or chionoform for dermatological use

Presentation

All preparations contain 0.1% betamethasone as 17-valerate:

Betnovate Ointment: 15 and 30 gram tubes

Betnovate Cream: 15 and 30 gram tubes

Betnovate Lotion: 20 ml bottle

Betnovate Scalp Application: 30 gram plastic squeeze bottle with 3% chionoform:

Betnovate-C Ointment: 15 and 30 gram tubes

Betnovate-C Cream: 15 and 30 gram tubes

or with 0.5% neomycin sulphate:

Betnovate-N Ointment: 15 and 30 gram tubes

Betnovate-N Cream: 15 and 30 gram tubes

Betnovate-N Lotion: 20 ml bottle

Betnovate-N Tulle*: tin of 10 pieces (4 in x 4 in)

Advantages

In the skin-blanching test¹ Betnovate (betamethasone 17-valerate) was shown to be the most potent of a long series of corticosteroids put to test.² The validity of this screening test has been confirmed by clinical experience indicating that Betnovate is therapeutically more effective than the other topical corticosteroids in the majority of cases.³

Indications

Betnovate produces a remarkably rapid and profound response in inflammatory dermatoses which normally respond to topical corticosteroid therapy. It also makes possible effective topical therapy of more difficult conditions such as resistant psoriasis, hypertrophic lichen planus, lichen simplex chronicus and eczema of the hands. Clinical indications for use of Betnovate dermatological preparations include:

psoriasis; eczema — including atopic eczema, infantile eczema, Besnier's (flexural) prurigo, nummular (discoid) eczema, stasis eczema, otitis externa; *neurodermatoses* — including lichen simplex; *anal and vulval pruritus*; *seborrhoeic dermatitis*; *intertrigo*; *contact sensitivity reactions and allergies* — including insect bites; *sunburn*; *'prickly heat'*; *lichen planus*; *discoid lupus erythematosus*; *generalised erythrodermia*.

The preparations with neomycin should be used when bacterial infection is present or suspected. Similarly, the preparations containing chionoform can be used when bacterial or fungal infection is present or suspected.

Side effects

Corticosteroids should never be used in the presence of infection except in conjunction with effective chemotherapy. Usually the preparations are well tolerated. However, sensitisation phenomena have on very rare occasions been reported with the use of corticosteroid-containing preparations for local application. From existing reports it is difficult to determine whether or not the corticosteroid or other components were responsible. Neomycin, largely confined in its use to local application, has been reported to give rise to skin sensitisation. These occurrences, however, are rather uncommon and this antibiotic is probably one of the best tolerated when used for local application. It can be said to have a very low sensitising potential. If, by remote chance any indication of sensitisation occurs, application should be stopped immediately. When occlusive dressings are used on extensive areas, or for prolonged periods, it is desirable that, as with all topical corticosteroids, the possibility of systemic absorption should be considered.

Application

Ointment, Cream, Lotion and Scalp Application

A small quantity should be applied gently to the affected area once or twice daily until improvement occurs. It may then be possible to maintain progressive improvement using one application a day or less.

Tulle

Apply direct to the lesion and cover with an absorbent dressing if necessary.

Legal restriction

To be supplied on prescription only. (Therapeutic Substances Act: Part II).
