

ACCEPT

WHO BENEFITS?

With Broxil Syrup, both the patient and the doctor.

The Patient benefits because fruit-flavoured, easy-to-take Broxil Syrup is so acceptable to those who find tablets and capsules difficult to swallow. The excellent activity of Broxil Syrup in such complaints as Tonsillitis, Pharyngitis, Otitis Media, Strep. Throats, Acute Bronchitis and lower respiratory tract infections ensures that patients recover quickly.

The Doctor benefits from the high rate of clinical success associated with Broxil Syrup. This success may be attributed to Broxil's effectiveness, high blood levels and bactericidal action, whilst the acceptability of the syrup preparation is of particular value in young and difficult patients, increasing the likelihood of therapy being completed.

**BROXIL
SYRUP**

ABILITY

INDICATIONS. Tonsillitis, Pharyngitis, Otitis Media, Strep. Throats, Acute Bronchitis, and infections due to sensitive organisms where a syrup preparation is more acceptable than tablets or capsules.

AVAILABILITY. Syrup 125 mg./5 ml., in 60 ml. bottles. Tablets (125 and 250 mg.) and capsules (250 mg.) are also available.

DOSAGE. Children: 62.5—125 mg. ($\frac{1}{2}$ —1 teaspoonful) four times daily, $\frac{1}{2}$ hour before meals. Adults: 125—250 mg. (1—2 teaspoonsful) four times daily, $\frac{1}{2}$ hour before meals.

In severe infections the dosage may be safely increased.

CONTRA-INDICATION
Penicillin allergy.

SIDE EFFECTS
Side effects are typical of oral penicillins, being rare and mild in nature.

Full information is available on request.

Broxil* (phenethicillin B.P.) is a product of British research at

INDOCID[®]

Indomethacin

a sign of improvement

less pain, more mobility for many arthritic patients...

patients, for example, in whom the ability to perform simple, everyday tasks is limited by disorders such as rheumatoid arthritis, osteoarthritis, ankylosing spondylitis, and bursitis. In such cases, 'Indocid' can reduce pain, inflammation and stiffness, and result in a progressive improvement in mobility.

"It is clear from reported clinical experience that indomethacin is a powerful compound, capable of giving relief of symptoms and reduction of inflammatory signs in several rheumatic disorders."

Brit.med.J., 1966, 1, 80 (8 Jan)

"There is general agreement that indomethacin is an effective non-corticosteroid drug with anti-inflammatory, antipyretic and pain-relieving properties."

Today's Drugs, *Brit.med.J.*, 1964, 2, 429 (15 Aug)

Merck Sharp & Dohme Limited, Hoddessdon

If the holiday is disrupted by diarrhoea

Penbritin KS gives fast effective relief

Penbritin KS works fast

In just 24 hours Penbritin KS gives both symptomatic and antibacterial treatment of diarrhoea and enteritis.

Penbritin KS is effective

Penbritin KS eliminates infection from the wall of the intestine, kills organisms in the lumen, consolidates stools, adsorbs toxins and soothes inflamed mucosa.

Penbritin KS is virtually non-toxic

Penbritin KS contains ampicillin and sulphadimidine, two of the safest and most widely used antibacterials.

Penbritin KS formulation

Penbritin—provides wide antibacterial cover.

Sulphadimidine—widens the spectrum of activity still further, ensuring complete removal of infecting organisms.

Light Kaolin—consolidates stools, adsorbs toxins and soothes inflamed mucosa.

Full information is available on request.

Penbritin KS (regd.) is a product of
Beecham Research Laboratories,
Brentford, England.

PENOTRANE

for the treatment of Athlete's Foot

Penotrane (hydrargaphen) in the form of a powder, jelly or tincture provides a rapid, effective and long-lasting control of tinea pedis. Penotrane's range of antifungal activity is such that all the fungi responsible for athlete's foot are destroyed thus minimising the likelihood of recurrence of the condition.

Full information is available on request.

The simplest,
safest and most
effective treatment
for intestinal
amoebiasis...

FURAMIDE

Furamide relieves the symptoms of amoebic-dysentery and other forms of intestinal amoebiasis within a few days, effecting a complete cure in ten days.

Furamide is particularly useful in the treatment of cyst-passers and is without doubt the drug of choice for mass treatment because of the absence of side-effects.

Furamide offers several distinct advantages over other forms of treatment:

- A cure rate of 80% or more in the acute condition and 90% to 100% in the chronic condition may be expected.
- The specific amoebicidal effect does not upset normal bacterial flora of the gut.
- Bed-rest is unnecessary unless the clinical condition of the patient warrants it.
- Hospitalisation is not normally necessary.
- No special dietary restrictions or enemas are necessary.
- The only side-effects which may occur are occasionally flatulence, which may normally be disregarded, and less frequently an urticarial rash may be observed.

A product of Boots research.

FURAMIDE

Each tablet contains 0.5 G. of Diloxanide Furoate B.P. Packed in bottles of 15 and 250 tablets

VARICOSITY?

She'll willingly take your advice if it means wearing fashionable Burson Lightweights

A woman's psychological need for fashion often makes her reluctant to accept your advice to wear elastic stockings. Burson Lightweights have been specially created to provide the answer.

Undetectable in wear, they are truly acceptable to the most fashion-conscious woman—yet are completely effective in relieving the pain and discomfort of a mild varicose condition and are approved by the N.H.S.

Made of alternating strands of strong, supple elastic with strands of sheer nylon, Burson Lightweights combine strength and resilience with stretch in **both** directions. Horizontal stretch eases the pressure of distended veins; vertical stretch aids the natural flow of blood

back to the heart. Available under N.H.S. (on the EC 10 form) in six normal stocking sizes scientifically adjusted to fit all leg shapes, they come in a pleasing shade.

Thus, in specifying Burson Lightweights when prescribing for mild varicosity, you will ensure your patient's relief from discomfort—whilst preserving her confidence and femininity.

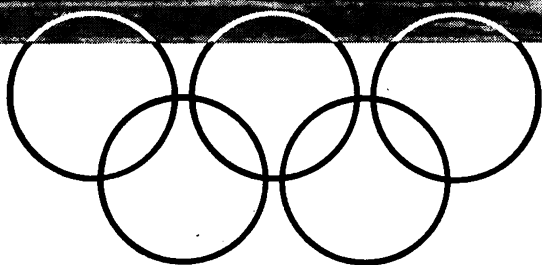

BURSON

the comprehensive range of elastic stockings for all degrees of varicosity

OCTOBER 4 — THE PROBLEM. A large weeping ulcer infected with staph. pyogenes and with a dirty central slough. Previous treatment with paraffin gauze and a local steroid antibiotic merely enlarged the ulcer four times.

TWO WEEKS LATER — DESLOUGHING. After treatment with Aserbine Cream to the ulcer and Aqueous Ichthyol to the surrounding skin, complete desloughing has taken place.

NOVEMBER 14 — HEALING. The ulcer is completely healed. After desloughing with Aserbine Cream, the ulcer was treated with a closed dressing.

... in varicose ulcers, burns, pressure sores,
trophic ulcers, etc.
... experience has shown that **ASERBINE**
is a true desloughing agent which
does not affect living tissue

Presentation: Aserbine is available as a cream (100 G. jars) and as a solution (500 ml. bottles).

Method of Application: Aserbine Cream should be applied once or twice daily. Aserbine Solution should be applied as a wet dressing and it is important to keep the dressing moist.

Active Ingredients	In 100 G. cream	In 500 ml. solution
Malic Acid Ester of propylene glycol	160 mg.	5.25 G
Malic Acid	250 mg.	7.65 G
Benzoic Acid	25 mg.	0.75 G
Salicylic Acid	5 mg.	0.15 G

Further information is available on request.

When you prescribe elastic stockings

Scholl make sure the patient wears them

Scholl know as well as you do just how much women hate the idea of elastic hosiery. And that though they'll often take the prescription, they don't always wear the stockings.

So Scholl make their elastic hosiery attractive by making the stockings as un-detectable as possible. They conform to all the specifications of the Drug Tariff and they give the patient all the support and comfort you want her to have. But they look nicer than ordinary elastic stockings. Feel lighter. So that your patient doesn't feel embarrassed by them. And instead of leaving them in the drawer, she wears them.

Scholl 'Soft Grip'

for conditions requiring 'Elastic Yarn Standard Weight'.

Worn *under* normal sheer nylons, Soft Grip are almost invisible. They are made in double-expansion mesh with two-way elasticity to provide firm, even support *around* the leg with plenty of comfortable 'give' lengthwise.

Scholl 'Nylastik'

for cases needing 'Lightweight Elastic Yarn Stockings'.

Nylastik are worn instead of nylons, and, on the leg, appear almost indistinguishable from an ordinary 30 denier stretch stocking.

Scholl
the world's
largest makers of
Elastic Hosiery

why

so many hypertensive patients do well on Aldomet®

Methyldopa BP

- 'Aldomet' offers smooth and even control of blood pressure when the dosage has been established.
- 'Aldomet' usually reduces lying as well as standing blood pressure.
- 'Aldomet' causes much less postural hypotension than other powerful antihypertensive agents.
- 'Aldomet' rarely causes exertional hypotension.
- The dosage of 'Aldomet' is simple, flexible and easily established.

Supplied as tablets containing methyldopa BP equivalent to 250 mg anhydrous methyldopa and, for emergency use, as an injection. Detailed information is available to physicians on request.

In a trial comparing three antihypertensive agents, it was shown that, '... in the patients who could take adequate doses methyldopa provided the best control of blood pressure, with the lowest levels of blood pressure when the patient was supine.'

footloose and fungus free

That's your athlete's foot patients after they've used Tinaderm (tolnaftate). They like the swift relief it brings from burning, itching and discomfort—often within 48 hours—followed by rapid clearance of lesions. That's because Tinaderm penetrates the lesion to kill the fungus rather than just suppressing the symptoms. There are two economical-to-use Tinaderm preparations—cream and powder. Tinaderm Cream can be safely applied to raw areas and does not sting, stain or have an odour. Tinaderm Powder is particularly useful where perspiration is excessive. It should be sprinkled liberally into footwear, socks and stockings which may act as reservoirs of infection. Good reasons to prescribe Tinaderm—the topical antifungal that usually works even when others fail.

or mastered

Mixogen

Appreciating the limited role of sedatives and tranquillizers in what is essentially a metabolic disturbance, physicians are turning increasingly to the treatment that masters the immediate symptoms of depression and irritability and acts at a fundamental level as prophylaxis against the long-term consequences of ovarian-pituitary imbalance.

'Today when the average woman can expect to reach her threescore years and ten, it would seem unrealistic to deny hormone treatment, which not only alleviates all the troublesome and antisocial symptoms of the menopausal and postmenopausal phases but is also a prophylactic measure against osteoporosis, senile vaginitis, hypertension, and coronary heart disease, to mention but a few hazards of oestrogen depletion.'

The arguments against the use of plain oestrogen therapy – endometrial bleeding and nausea – are countered when Mixogen is used.

'Perhaps the best way of avoiding oestrogenic bleeding is to use one of the oestrogen-testosterone combinations, of which the original – Mixogen – is the best.'²

from the onset
of relief

Medihaler

makes the most of a minute dose

In the management of the asthmatic attack *Medihaler* opens airways in only seconds, quickly gives major relief—with only a minute dose. Why does a puff from *Medihaler* have such far-reaching effects? The medication is delivered direct to its site of action in the lungs in the form of a dry spray of particles whose size is determined during manufacture. By this premicronisation, over 85 per cent, by weight, of the particles are delivered at the optimum size for inhalation therapy: small enough to penetrate deep into the finer air passages; heavy enough to remain there during exhalation. With only a minute dose, *Medihaler* gives the rapid and profound relief that is the foremost need of the patient fighting for breath.

Medihaler-iso Forte

contains a suspension of Isoprenaline Sulphate B.P. 20 mg./ml. and delivers 0.4 mg. per dose.

Medihaler-iso

contains a suspension of Isoprenaline Sulphate B.P. 4 mg./ml. and delivers 0.08 mg. per dose.

Dosage

Each puff from *Medihaler* delivers a measured dose. One to three puffs should be sufficient to provide relief in most cases. It should not be necessary for the patient to take further treatment for at least thirty minutes, or more than eight treatments a day.

Children

Medihaler should be administered to children only under the supervision of a responsible adult.

Caution

Isoprenaline is well tolerated by most patients. However, it should be used with caution in the presence of impaired cardiac function, hyperthyroidism and severe hypertension. Isoprenaline is a highly effective agent. The smallest dosage of it which provides relief should not be exceeded.

Basic NHS prices

Medihaler-iso Forte, 17/-; *Medihaler-iso*, 14/4. 400-dose complete unit.

Additional information is available on request. *Medihaler*, *Medihaler-iso* are registered trade marks.

True value of long-term antihypertensive therapy emerges from 5-year study

A unique clinical trial* from a well-known British teaching hospital evaluated the long-term effects of reducing high blood pressure in more than 200 hypertensive patients, many of whom were treated for over 5 years with only one drug—

Ismelin®

The following important findings emerged from this balanced and comprehensive report.

Dramatic improvement in prognosis

"The outstanding feature among these results is of course the 5-year mortality of only 8 per cent—although scarcely less remarkable is the fact that all of the 11 patients who presented originally with malignant hypertension are still alive."

Increased efficacy with long-term usage

"Over the whole series an average of 83 per cent were at least moderately controlled and over 60 per cent showed excellent or good control, but it is of interest that the standard of control improved very strikingly among patients treated in excess of 4 years with only 5 per cent of failures in these groups."

* Angiology, 1967, 18: 705.

Minimal interference with normal routine

"The surviving patients present on the whole a fairly happy picture, for the great majority are leading unrestricted lives, free from hypertensive headache. Very few are troubled by their treatment and none have abandoned it. . . . Side effects were not troublesome and diarrhoea was readily controlled by codeine phosphate."

10 and 25 mg tablets guanethidine sulphate BP, in 100's and 500's.

Basic N.H.S. price—100×10 mg: 27s. 8d.

BAD LEGS?

Tired heavy aching legs

Before 'bad legs' become an ugly problem—**PAROVEN®**

All the early symptoms of venous insufficiency—tired, heavy, aching legs, skin disorders, and night cramps—respond to PAROVEN therapy. [1-3]

PAROVEN, containing trihydroxyethylrutoside, reduces the increased capillary permeability which "is at the bottom of the majority of the complications of varicose disorders". [4]

Indications

Conditions associated with lower limb venous insufficiency.

Tired, heavy, aching legs. Night cramps. Skin disorders.

Superficial thrombophlebitis.

Varicose states.

Dosage

1 tablet 3 or 4 times a day.

Maintenance dosage [as little as one tablet a day] may be adjusted to patients' needs.

Packages

Tablets of 250 mg. hydroxyethylrutosides [not less than 45% troxerutin]. Tins of 20-100 tablets.

Plus Alphosyl psoriasis curiae praescribitur quam quidquid aliud medicamentum.

It's the truth. Alphosyl is the most widely prescribed product used specifically for the treatment of psoriasis. Alphosyl Lubricating Cream is the newer form of Alphosyl, clinically proven for psoriasis—especially in the intertriginous areas.

In these areas where dry, scaly lesions cause constant friction and continuous

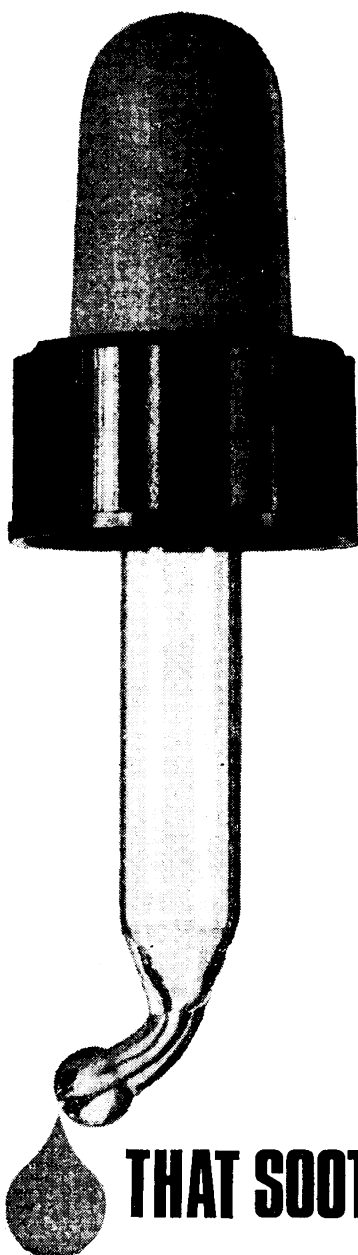

irritation, Alphosyl Lubricating Cream not only removes scales and crusts, but enhances lubrication of the skin folds to lessen irritation. It has proved effective even in resistant cases.

Alphosyl therapy (either Lotion or Cream) can now be adjusted to fit the patient's individual needs... or preference.

**When your peptic ulcer
patient is doubled up
with pain...**

**Straighten
him out with
NACTON**

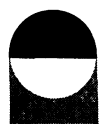

Nacton prevents peptic ulcer pain at source—right around the clock. Which means that Nacton gets patients back to work *and* helps them sleep better. A clinical trial shows a striking increase in the comfort of patients at night.

Nacton also

- ☐ gives the ulcer a better chance to heal
- ☐ lets the patient eat as he chooses
- ☐ enables him to dispense with antacids.

Because Nacton has no anaesthetic effect, it will not mask the warning pain of an impending perforation. And at the correct dosage, Nacton has no side-effects.

Full information on Nacton (regd.) (poldine methylsulphate B.P.), including advice on dosage, is available from the Bencard Medical Department.

In angina pectoris Inderal is the only drug which protects the heart from the oxygen-wasting effects of emotion and effort

The results are: increased effort tolerance and a new concept in long-term relief

The action of Inderal is unique: where other treatments attempt either to improve blood flow by dilating the arteries, or simply to sedate the patient, Inderal, through adrenergic beta-receptor blockade, protects the heart from the action of adrenaline. There is a slowing of the heart rate and a reduction in the oxygen needs of the myocardium.

This represents a new concept of long-term relief of angina, rather

than just a treatment of the condition as and when it arises.

Inderal is unique in another way. It is the only treatment consistently proved in double-blind clinical trials. Trials have, in fact, produced an 80% success figure, with more pain-free days and increased effort tolerance. They also show that Inderal (unlike other forms of angina therapy) is of considerable value in very severe cases of angina.

We shall be pleased to send you complete information on Inderal.

CALCITONIN

Proceedings of the Symposium on Thyrocalcitonin and the C Cells, London, 1967

Edited by SELWYN TAYLOR, D.M., M.Ch., F.R.C.S.

Research workers all over the world, but especially in Canada, the United States and Great Britain have recently demonstrated the secretion of a new hormone, calcitonin, by the thyroid gland. This discovery is an exciting scientific event.

Calcitonin is a hormone which regulates calcium metabolism. In mammals it is secreted by the thyroid gland in response to a rise in the level of blood calcium and the hormone lowers this blood calcium level by inhibiting bone resorption. This means that calcitonin prevents calcium leaving bone, and so blood calcium levels fall as more calcium continues to enter bone.

The discovery of this new hormone in 1962, like so many other important discoveries of this kind, was a by-product of work, on this occasion aimed at re-examining current views of calcium homeostasis. Up to this time endocrine regulation of calcium blood levels was attributed to changes in the rate of secretion of a single hormone, parathyroid hormone. This endocrine secretion, by increasing the absorption of calcium from the gut and renal tubule and by promoting bone resorption, raises blood calcium. The presence of a second calcium-regulating hormone, calcitonin, which inhibits bone resorption, is now thought to prevent hypercalcaemia and excessive bone destruction.

An international symposium on calcitonin was held in London during July of 1967 at the Royal Postgraduate Medical School. The conference was attended by over 300 participants who discussed current problems and recent findings.

The part which calcitonin may play in the correction of disease in man has yet to be defined, but as it becomes available in the purified form it will undoubtedly provide a fascinating new diagnostic tool.

the two 'vital statistics' of Tenuate

Efficacy

Recent double-blind placebo controlled trials confirm the effectiveness of Tenuate in helping patients to lose weight.

"The 37 patients in the drug-treated group who completed at least 11 weeks of study lost an average of 11.3 lb . . . the ten controls, in contrast, gained an average of 0.6 lb."¹

"During an antiobesity trial lasting an average of 6.4 weeks, patients in the diethylpropion hydrochloride (Tenuate) group lost an average of 7.3 lbs. compared with an average total weight loss in the control group of 0.1 pound."²

Acceptability

The acceptability of Tenuate, as shown by freedom from troublesome side effects has also been confirmed in double-blind studies.

"No cardiovascular side effects were reported in this series of patients."^{*2}

*Patients with angina pectoris.

"There was no significant difference between the frequency of side effects reported by those receiving placebo and those receiving diethylpropion hydrochloride."¹

These papers on controlled studies were published recently, and are representative of the continuing stream of reports which confirm the efficacy and acceptability of Tenuate to help patients keep to a weight reducing diet.

You can be confident that today's prescription for Tenuate is backed by a tremendous wealth of experience, controlled assessment and approval.

Vasogen Silicone

—for skin protection in cases of
bedsores, napkin rash
cracked skin, itching
and other skin disorders

Vasogen Silicone has high water repellent properties and protects the skin from irritants induced or aggravated by contact with aqueous liquids, body fluids and exudations. It is effective also in the treatment of sore buttocks, excoriation, plaster sores, maceration, some conditions of eczema and can be used after colostomy. Vasogen Silicone is easy to apply and is almost invisible on the skin. It provides an acceptable protective barrier that is maintained effectively for lengthy periods.

FORMULA

Dimethyl Silicone Fluid B.P.C.	20.0%
Zinc Oxide B.P.	7.5%
Calamine B.P.	1.5%
in an emulsified base

**UNIVERSITY AND
RESEARCH
APPOINTMENTS**

(see also OVERSEA)

APPLICATIONS ARE INVITED FOR A Research Fellowship in Coronary Artery Disease in the Nuffield Department of Surgery in Oxford. The Fellowship may be held for from three to five years, according to circumstances, and the successful applicant will be expected to work on some aspect of cardiac metabolism or the coronary circulation in conjunction with a team of physicians and surgeons. Laboratory facilities, including those for coronary angiography, biochemistry and electron microscopy, are available in the department. Salary in the third of Consultant status, in accordance with age and experience. Applications to Nuffield Professor of Surgery, Radcliffe Infirmary, Oxford, by the end of August, 1968. (H.8317)

**INSTITUTE OF UROLOGY AND THE
ROYAL COLLEGE OF SURGEONS OF
ENGLAND**

Applications are invited for a **RESEARCH FELLOW** (with medical and/or scientific qualification) in the grade of Lecturer (Senior Registrar status) for an investigation into the pathology and ultrastructure of the kidney. The successful applicant will be attached to the department of pathology, St. Paul's Hospital, and the anatomy department, the Royal College of Surgeons. Appointment for one year in the first instance, subject to renewal. Applications by June 29 to the Pathologist, St. Paul's Hospital, Endell Street, London W.C.2. (H.8163)

**KING'S COLLEGE HOSPITAL MEDICAL
SCHOOL
(University of London)
Denmark Hill, London S.E.5**

Applications are invited from medical graduates for the full-time post of British Empire Cancer Campaign Research Fellow, in the department of surgery. The work involves both clinical and laboratory investigations and is likely to result in material suitable for a thesis. Salary at Registrar scale. Further particulars may be obtained from Professor J. G. Murray, department of surgery, Applications, with the names of two referees, should be sent by June 29, 1968, to the Secretary of the Medical School. (19398)

**LONDON SCHOOL OF HYGIENE AND
TROPICAL MEDICINE
(Incorporating the Ross Institute)**

Applications are invited for the post of **LECTURER (Technical Assistance)** in tropical hygiene. A condition of appointment is willingness to serve overseas on secondment, if required to do so by the school. Candidates should be medically qualified. Salary within the range £1,745 to £2,820. The appointment will be for three years in the first instance, with a possible extension for a further two years.

Applications should be received not later than July 31, 1968, by the Dean of the London School of Hygiene and Tropical Medicine, Keppel Street, Gower Street, London W.C.1, from whom further particulars may be obtained. (19475)

MELVILLE TRUST

FELLOWSHIPS IN CANCER RESEARCH The Melville Trustees invite applications for Fellowships in Cancer Research commencing October 1968. The research may deal with any aspect of malignant disease and candidates need not necessarily have medical qualification. Fellowships are awarded for two-year period but may be renewed at discretion of the trustees. Salary according to experience, in the £900 to £1,600 range, and funds available for equipment and technical assistance. The research is normally to be carried out in one of the recognized clinical or scientific departments in Edinburgh and, if possible, applicants should have made prior contact with the head of the appropriate department. Applications, giving details of qualifications and previous research experience and the names of three referees, should be submitted by 21 June 1968, to the Scientific Advisory Committee, The Melville Trust, Royal College of Surgeons, Edinburgh 8. Applications must be accompanied by an outline of the proposed research. (H.8210)

**THE UNIVERSITY OF
LEEDS****Applications are invited for the following post
SENIOR REGISTRAR AND
TUTOR**

in DERMATOLOGY in conjunction with the United Leeds Hospitals, at the General Infirmary at Leeds. Applicants should be members of one of the Royal Colleges of Physicians. Research facilities will be available. Salary on the scale £1,950 to £2,550. Reference No. 68/50/1. Closing date June 25, 1968.

Applications (three copies), stating age, qualifications and experience, and naming three referees, should be submitted to the Registrar and Secretary, The University, Leeds 2 (from whom further particulars may be obtained). Please quote reference number. (19519)

**THE UNIVERSITY OF MANCHESTER
Manchester 13**

STUDENT HEALTH PHYSICIAN Applications invited for this post in the Student Health Centre. It is proposed to add to the present occupational and advisory service a comprehensive treatment for students within the National Health Service. Applicants should have wide clinical experience, be interested in young people and must have had experience of a national health service. There is opportunity for implementation of forward looking proposals for the future development of a large and varied medical service. A new health centre is at present being planned. Salary range £2,015 to £3,950 per annum according to age and experience. F.S.S.U. Duties commence as soon as possible and at latest October 1. Particulars and application forms (returnable by June 19) from the Registrar. Quote ref. 93/68 NJB. (19277)

**THE UNIVERSITY OF MANCHESTER
Manchester 13**

LECTURER OR ASSISTANT LECTURER IN PATHOLOGY Applications invited for this joint appointment between the department of pathology and the rheumatism research centre. The successful candidate will be expected to take a special interest in osteopathology and connective tissue diseases, in addition to routine and teaching duties in the department of pathology. Salary range per annum £2,015 to £3,400. F.S.S.U. Particulars and application forms (returnable by June 21) to the Registrar. Quote ref. 98/68 J.M.B. (19476)

**THE UNIVERSITY OF MANCHESTER
Manchester 13**

ASSISTANT LECTURER IN ORTHODONTICS Applications invited for this post from candidates with dental qualifications registrable in U.K. The post is intended for younger graduates and in addition to clinical and teaching responsibilities will include training in all branches of orthodontics. The appointing may take a higher qualification or undertake research. Salary range £1,430 to £2,015. Further particulars from the Registrar. Closing date June 30. Quote ref. 100/68 JMB. (19528)

APPLICANTS ARE ADVISED NOT TO send original testimonials when replying to advertisements. Copies will serve the purpose quite as well, and in the event of their being lost or mislaid no inconvenience will ensue.

**UNIVERSITY OF SYDNEY
LECTURESHIP IN MEDICINE**

Applications are invited for the above-mentioned post. Special qualifications in endocrinology are essential.

Salary: Lecturer, \$A5,400×\$270-\$7,300 per annum.

Information concerning superannuation, housing scheme, sabbatical leave, etc., and method of application, is obtainable from the Association of Commonwealth Universities (Branch Office), Marlborough House, Pall Mall, London S.W.1.

Applications close in Australia and London on **June 21, 1968.**

Further details may also be obtained from the Head of the Department of Medicine, Professor C. R. B. Blackburn, in the University.

(19461)

**University and Research
Appointments—contd.****UNIVERSITY OF
BRADFORD**

Applications are invited for the post of Lecturer/Assistant Lecturer in **PHARMACOLOGY** (Ref.: PG/L/2/BMJ). Candidates should have teaching and research experience in experimental, biochemical or clinical pharmacology. The successful applicant will be appointed on one of the following two scales, in accordance with his age, qualifications and experience.

Lecturer: £1,470 to £2,270 per annum (bar) to £2,630 per annum (max.).
Assistant Lecturer: £1,105 to £1,340 per annum (max.).

The post is superannuable (F.S.S.U.). Application forms and further particulars (please quote ref.) to be returned by June 28, 1968, may be obtained from the Registrar, University of Bradford, Bradford 7. (19504)

**UNIVERSITY OF EDINBURGH
DEPARTMENT OF GENERAL
PRACTICE**

Applications are invited for the appointment of a lecturer in this department. Applicants should have had some experience in general practice. The post will involve some routine medical care of patients but the individual appointed will be expected to contribute to the teaching and research programmes of the department. He will be encouraged to develop an interest in teaching and research involving collaboration with other departments in the medical school. Salary scale £1,470 to £2,995 per annum. Further particulars and forms of application may be obtained from the Secretary to the University, Old College, South Bridge, Edinburgh 8. The closing date for applications is June 15, 1968. (19507)

**UNIVERSITY OF
EDINBURGH
DEPARTMENT OF
GENERAL PRACTICE
TRAINEE ASSISTANTSHIP**

Professor Richard Scott will have a vacancy for a Trainee Assistant in the department of general practice at the end of September, 1968. The post is for one year under the conditions laid down by the National Health Service Acts. Placement on a salary range from £1,550 to £1,950 per annum will be determined by the nature of the applicant's previous hospital experience, plus a car allowance of £270.

Applications are invited from individuals who will probably, but not necessarily, wish to pursue a career in general practice.

As well as training in this department, the successful applicant will take part in a regional programme for trainee assistants from other practices.

Applicants should send full particulars to Professor Scott (from whom further information may be obtained) at Livingstone House, 39 Cowgate, Edinburgh 1, before July 1, 1968. (19509)

**UNIVERSITY OF LIVERPOOL
Department of Obstetrics and Gynaecology**

Applications are invited for the post of **LECTURER IN OBSTETRICS AND GYNAECOLOGY**. Considerable previous experience and a higher qualification in these subjects is essential. The post offers opportunities for clinical work and research as well as teaching. The appointment will be for three years in the first instance, commencing on October 1, 1968. The initial salary will be within the range £1,745 to £2,650 per annum, according to qualifications and experience, on a scale to £3,110 per annum.

Applications, stating age, qualifications and experience, together with the names of three referees, should be received not later than June 22, 1968, by the Registrar, from whom further particulars may be obtained. Please quote Ref. RV/514/BMJ. (19196)

**UNIVERSITY OF LIVERPOOL
Department of Medicine**

Applications are invited for the post of **TEMPORARY LECTURER IN MEDICINE** in the department of medicine, until October 1, 1968. The salary will be within the range £1,470 to £3,110 per annum.

Applications, stating age, qualifications and experience, should be received not later than June 15, 1968, by the Registrar, from whom further particulars may be obtained. Please quote Ref. RV/513/BMJ. (19195)

**UNIVERSITY OF NEWCASTLE UPON
TYNE**

The Medical School and the United Newcastle upon Tyne Hospitals

**APPOINTMENT OF SENIOR LECTURER
OR LECTURER IN FORENSIC
PATHOLOGY**

Applications are invited from registered medical practitioners for the whole-time appointment of Senior Lecturer or Lecturer in Forensic Pathology in the medical school. The commencing salary will be at a suitable point on the Senior Lecturers' clinical grade £3,340 by £115 to £3,570 by £120 to £3,810 by £140 to £3,950 or on the Lecturers' higher clinical grade £2,765 by £115 to £3,340 according to the qualifications and experience of the person appointed. If made at Senior Lecturer level the appointment will carry with it an honorary contract with the board of governors of the teaching hospital. Membership of F.S.S.U. will be required. The responsibilities of the post will include medico-legal work, teaching in forensic medicine and routine work in the department of pathology.

Further particulars may be obtained from the Registrar, the University, Newcastle upon Tyne NE1 7RU, with whom applications (three copies), together with the names and addresses of three persons to whom reference may be made, should be lodged not later than two weeks after the appearance of this advertisement. Please quote reference J.M.B. (19397)

UNIVERSITY OF READING**PROFESSORSHIP**

In the Department of Physiology and Biochemistry (Animal Physiology)

Applications are invited for a newly established Professorship in the department of physiology and biochemistry with special reference to animal physiology. Candidates should have a primary interest in an area of vertebrate, preferably mammalian, physiology.

Further information may be obtained from the Registrar (Room 39, O.R.B.), The University, Reading, by whom applications should be received not later than July 13, 1968. (19524)

**UNIVERSITY OF SURREY
Department of Biological Sciences**

**RESEARCH ASSISTANTSHIP IN
PHYSIOLOGY/ZOOLOGY**

Applications are invited as soon as possible for a Research Assistant position. A good degree in physiology, zoology or biology is required. The work consists of physiological, biochemical and cell culture studies of isolated mammalian nerve cells. The project is supported by The Spastics Society and Action for the Crippled Child, and is well equipped. The successful applicant may register for a higher degree.

Enquiries about the nature of the research are welcome, and applications should be sent to Dr. H. Hillman, Department of Biological Sciences, 14 Falcon Road, London S.W.11 (BATTERSEA 6612). (19477)

Moore on "Experimental Hypertension in Pregnancy and Allied States," and the second on Wednesday, June 19, 1968, at 5.30 p.m., by Dr. J. G. Bate, on "Uncommon Tumours of the Uterus." (19415)

**THE UNIVERSITY OF MANCHESTER
Manchester 13**

DIPLOMA IN INDUSTRIAL HEALTH
A part-time course starting October, 1968, will be held in the department of occupational health for industrial medical officers, general practitioners and other doctors. The course will extend over two years (one year for full-time industrial medical officers and those with D.P.H.) on Tuesdays during term (9.30 a.m. to 4 p.m.) and optionally Thursdays (10.30 a.m. to 12 noon). Fee £25 per annum. Enquiries to the Secretary, Department of Occupational Health, Clinical Sciences Building, York Place, Manchester 13. (19474)

**THE
UNIVERSITY OF
LEEDS****DIPLOMA IN
PSYCHOLOGICAL
MEDICINE**

A course for Part I of the Leeds Diploma in Psychological Medicine will begin in October, 1968, provided sufficient entries are received. Instruction will be part-time and the course for Parts I and II will together occupy two days a week during six academic terms (two years). Further particulars may be obtained from the Secretary, School of Medicine, Thoresby Place, Leeds 2, to whom applications for admission to the course should be sent as soon as possible. (19189)

**UNIVERSITY OF EXETER
Postgraduate Medical Institute**

A full-time postgraduate course lasting ten weeks will begin on October 7, 1968. These courses are held three times a year starting in October, January and April. Each course includes instruction in general medicine, paediatrics, preventive medicine, pathology, psychiatry, orthopaedics and general surgery. The programme is planned so that students wishing to specialize in a particular clinical subject are given facilities to do so, while other students are taught in each of the main clinical departments. Unpaid clinical attachments can be arranged at the end of the course for students requiring a longer period of training.

It is sometimes possible to accept general practitioners for one or two weeks of a course, and attendance for this period is recognized under section 48 of the N.H.S. Act (1946). These courses are also recognized under the special scheme for the re-training for general practice of doctors who have been out of the Health Service for at least five years.

The fee for this course will be £40 (£83 for students from outside the United Kingdom). Further particulars and application forms for these courses are obtainable from the Director, The Postgraduate Medical Institute, The University, Exeter, Devonshire.

**UNIVERSITY OF LONDON
(BRITISH POSTGRADUATE MEDICAL
FEDERATION)**

Institute of Neurology, (Queen Square)

Two courses of clinical demonstrations open to postgraduates will be held at the National Hospital, Queen Square, on Wednesdays at 4.15 p.m., July 3 to September 11, inclusive, and on Saturdays at 10.30 a.m., from July 6 to September 21, inclusive, (excluding August 31). The fee for attending either of these courses is three guineas (six guineas both courses).

Applications for a ticket should be made to the Dean, Institute of Neurology, The National Hospital, Queen Square, London W.C.1, enclosing a remittance to cover the fee. Cheques should be made payable to the Institute of Neurology. (19453)

ASSISTANT SURGEON

(Medical Assistant grade) required for the Accident and Emergency Service, North Tees-side Group of Hospitals. Main hospital Stockton and Thornaby (130 beds). Residence within ten road miles of Stockton and Thornaby Hospital.

Further particulars from Senior Administrative Medical Officer, Regional Hospital Board, Benfield Road, Newcastle-upon-Tyne NE6 4PY, to whom applications should be addressed, together with the names of three referees, by June 29, 1968. (20222)

DOCTORS ABROAD. Copies of vacancies advertised in the "Journal" can be sent by AIR MAIL. The minimum cost is 3s. per week, which covers up to five separate headings; additional headings 1s. each. Orders for specific grades cannot be accepted. PLEASE ENCLOSE PAYMENT to avoid delay.

APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given. Canvassing disqualifies (Statutory Instrument, 1966, No. 569).

SALARY SCALES OF HOSPITAL MEDICAL STAFF

Following the Seventh Report of the Review Body, new salary scales have been approved. These came into force on October 1, 1966. The scales are set out below:

HOUSE OFFICERS: Each post in this grade shall be tenable for six months. £1,100 per annum for the posts held during the first year; £1,200 per annum for posts held during the second year; £1,300 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £150 per annum in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

SENIOR HOUSE OFFICERS: £1,450 per annum in the first year; £1,550 per annum in the second year; £1,650 per annum in the third or subsequent years. Deductions of £175 per annum in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

REGISTRARS: £1,650 per annum, rising by four annual increments of £100 to £2,050.

Deductions of £175 per annum for those with remuneration at the first two points on the scale, and £200 per annum for those on the third and subsequent points will be made in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £140 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRARS: £1,950 per annum rising by one increment of £100 and four further annual increments of £125 to £2,550.

Deductions of £225 per annum in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANTS: £1,850 per annum rising by fourteen annual increments of £100 to £3,250.

Deductions of £225 per annum in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

CONSULTANTS: £3,200 per annum rising by five annual increments of £185, and then by four further increments of £190 to £4,885.

Deductions of £350 per annum in respect of lodging only for voluntary residence. (No deductions for lodging will be made for compulsory residence.)

Doctors with satisfactory training will not be excluded from consideration for appointment to consultant posts on the grounds that they have spent little or no time as senior registrars.

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff. Memoranda on the following subjects of particular interest have been issued by the Ministry of Health: Standard of Residential Accommodation, Telephone Charges, Removal Allowances, Study Leave.

Further details may be obtained from the Hospital Secretary, or summaries of the Memoranda may be obtained from the Secretary, British Medical Association.

required to commence June 14. Resident post offering experience in all types of cardiovascular diseases with special emphasis on modern techniques of investigation. Tenable for six months in first instance, and renewable to one year.

The hospital has a postgraduate programme with good facilities for postgraduate lectures, and clinical meetings, and an M.R.C.P. course in progress since May 13.

Application, with names and addresses of two referees, to Group Secretary, Memorial Hospital, Shooters Hill, S.E.18. (19208)

SOUTH LIVERPOOL HOSPITAL MANAGEMENT COMMITTEE

Sefton General Hospital, Liverpool 15

Applications are invited from suitably qualified medical practitioners for

SENIOR HOUSE OFFICER

appointments to staff a new six-bedded coronary intensive care unit at the Liverpool regional cardiac centre, Sefton General Hospital.

The posts will be for a period of 12 months, commencing October 1, 1968. Application forms may be obtained from the undersigned to whom they should be returned, not later than Friday, June 21, 1968.—G. A. Smith, Secretary to the Committee. (18996)

CHEST AND TUBERCULOSIS

(see also THORACIC SURGERY)

SOUTH-WESTERN REGIONAL HOSPITAL BOARD

Bath Clinical Area

Applications are invited for a whole-time, or maximum part-time

CONSULTANT PHYSICIAN

with a main interest in diseases of the chest. The duties include general medical in-patients and out-patients work, with chest clinics in Bath and at hospitals in Wiltshire. The equivalent of one session will be devoted to liaison with the Wiltshire Local Authority.

The successful applicant will be required to live in the Bath area. Further details may be obtained from the Senior Administrative Medical Officer, South-Western Regional Hospital Board, 27 Tyndalls Park Road, Bristol 8.

Applications (one copy), with names and addresses of two referees, to the Secretary to the Board at the above address by July 1, 1968. (H.8314)

BOARD OF MANAGEMENT FOR GLASGOW, WESTERN AND GARTNAVEL HOSPITALS

Western Infirmary/Knightwood Hospital

Applications are invited for the post of

REGISTRAR IN MEDICINE

with special interest in respiratory medicine, with duties in the new respiratory unit at Knightwood Hospital and in the Western Infirmary. The successful candidate will have opportunity to research in the pulmonary physiology laboratory, teaching and experience in intensive care. The appointment is for one year in the first instance.

Applications (single copy only), stating date of birth, qualifications, experience, present appointment, and the names of three referees, to reach the Secretary, Board of Management for Glasgow Western and Gartnavel Hospitals, 10 Park Circus, Glasgow C.3, within seven days of the appearance of this advertisement. (H.8288)

NEWCASTLE REGIONAL HOSPITAL BOARD

REGISTRAR PHYSICIAN IN CHEST DISEASES AND GENERAL MEDICINE whole-time, for North and South Tyneside groups of hospitals. Main hospitals Poole (304 beds), 260 chest diseases and Stockton and Thornaby Hospital (130 beds) (38 general medicine).

Single or married accommodation (small flat) available. Applications, with names and addresses of three referees, to Senior Administrative Medical Officer, Regional Hospital Board, Benfield Road, Newcastle upon Tyne NE6 4PY, by June 22, 1968. (20236)

PAPWORTH HOSPITAL

near Cambridge

SENIOR HOUSE OFFICER

(Respiratory Diseases)

Applications are invited for the above post in the medical unit of Papworth Hospital, which is a chest hospital and regional centre for cardiology and thoracic and cardiac surgery. The post will provide good experience in all types of respiratory diseases, including respiratory physiology. Accommodation is available. Applications, stating age, qualifications, experience, with relevant dates, whether married or single, and number of children, if any, together with the names and addresses of two referees, to be sent as soon as possible to the Group Secretary, Papworth Hospital, Papworth Everard, Cambridge.

Candidates are invited to visit the hospital by direct arrangement with the Physician Superintendent. (20300)

Chest and Tuberculosis—contd.

**LEEDS (GROUP B) HOSPITAL
MANAGEMENT COMMITTEE**
Gareforth Hospital, Hambleton, near Selby,
Yorkshire

Applications are invited for the resident post of **SENIOR HOUSE OFFICER** at the above hospital for the treatment of a wide variety of diseases of the chest. The post will be linked with Killinbeck Hospital, Leeds, to provide further experience. Salary and conditions in accordance with those laid down for hospital medical staff. Vacant August 1, 1968.

Applications, stating age, qualifications and experience, with relevant dates, together with names and addresses of two referees, to be sent as soon as possible to Group Secretary, Seacroft Hospital, Leeds 14. (19462)

ST. MARY'S HOSPITAL
Luton. 33 beds—Active Chest Unit
130 beds—Geriatrics

SENIOR HOUSE OFFICER
(Chest and Geriatrics)
Post vacant July 1, 1968. Married quarters available. Applications, stating age, nationality, qualifications, experience, together with copies of three recent testimonials, to the Hospital Secretary, St. Mary's Hospital, Luton, Beds. (20343)

THE UNITED OXFORD HOSPITALS

Applications are invited for the post of **POST-REGISTRATION HOUSE OFFICER** to the Osler Hospital, Headington, Oxford. The post includes responsibility for the tuberculous meningitis unit in addition to about 25 beds for all forms of chest disease including tuberculosis, and provides excellent experience and opportunity for study for higher qualifications.

Applications, on forms obtainable from the Administrator, Radcliffe Infirmary, Oxford, should be returned to him not later than June 15, 1968. (20067)

DENTAL

THE LONDON HOSPITAL
Whitechapel, E.1

Applications are invited for the post of **SENIOR REGISTRAR** to the Dental Department. Applicants should be in possession of a higher dental qualification. A medical qualification, although desirable, is not essential. Excellent opportunities for research are available.

Applications (eight copies), giving the names and addresses of three referees, should be received by the undersigned by June 30, 1968.—J. L. Scarlett, House Governor. (19460)

THE UNITED NEWCASTLE UPON TYNE HOSPITALS
Royal Victoria Infirmary

SENIOR REGISTRAR IN ORAL SURGERY required at the Royal Victoria Infirmary, Newcastle upon Tyne. The post involves close association with the medical and dental schools of the University of Newcastle upon Tyne. The post affords a wide experience in the specialty and the department deals with a considerable number of patients requiring oral surgery and the treatment of maxillo-facial injuries each year.

The post is available immediately. Applications, giving full details and the names and addresses of three referees, should be sent to the House Governor and Secretary, Royal Victoria Infirmary, Queen Victoria Road, Newcastle upon Tyne NE1 4LP, by June 24, 1968. (20205)

GERIATRICS

WESTERN REGIONAL HOSPITAL BOARD

Applications are invited for the following appointment: **CONSULTANT IN GERIATRICS** Paisley and District Hospitals. Whole-time or maximum part-time sessions.

Applications (16 copies), stating date of birth, qualifications, experience, present appointment, and the names of three referees, to reach the Secretary, Western Regional Hospital Board, 351 Sauchiehall Street, Glasgow C.2, not later than thirty days after the publication of this advertisement. (H.8268)

BARNET GENERAL HOSPITAL
Wellhouse Lane, Barnet, Herts

LOCUM MEDICAL ASSISTANTS OR REGISTRAR (Geriatrics) required for approximately three months. Apply to Hospital Secretary, or phone 91-419 7421. (19433)

Appointment of whole-time **ASSISTANT PHYSICIAN IN GERIATRICS** (Medical Assistant grade). Ipswich and East Suffolk Hospitals. The post will include participation in the area service under the Consultant Physician in Geriatrics. Candidates can obtain experience in the physical methods applied in the rehabilitation of the elderly sick. Higher qualification not essential but good experience in geriatric medicine and experience in geriatrics an advantage. Applicants must have served at least three years in the hospital service since full registration, including normally at least two years in the post of Registrar or equivalent experience. The appointment is for two years in the first instance and renewable, subject to confirmation, for an indefinite period. Applications (eight copies) stating age, experience and names of three referees, to S.A.M.O., East Anglian R.H.B., Union Lane, Chesterton, Cambridge, by July 8, 1968. Candidates invited to visit by direct arrangement with H.M.C. Secretary, Broughton House, Broughton Road, Ipswich. (20206)

OXFORD REGIONAL HOSPITAL BOARD

LOCUM ASSISTANT GERIATRIC PHYSICIAN

(Medical Assistant grade) required immediately in the Amersham/High Wycombe/Aylesbury area for approximately three months.

Candidates should have experience in geriatric medicine. Applications, giving particulars, and names of two referees, to the Secretary, Geriatric Department, Amersham General Hospital, Amersham, Bucks, quoting reference No. 17/41/1Y. (20237)

SHEFFIELD REGIONAL HOSPITAL BOARD

WHOLE-TIME ASSISTANT IN GERIATRICS

(Medical Assistant grade) for the North Derbyshire Geriatric Service. Main duties at Scarsdale Hospital and at a new day hospital to be built at Walton Hospital, Chesterfield. Appointment for two years in first instance, renewable subject to confirmation, for an indefinite period. Application form and further details from Senior Administrative Medical Officer, Sheffield Regional Hospital Board, Old Fulwood Road, Sheffield S10 3TH. Forms to be returned by June 29, 1968. (20015)

SOUTH-WESTERN REGIONAL HOSPITAL BOARD

LOCUM ASSISTANT GERIATRICIAN—CHELTENHAM

Applications are invited for the immediate appointment of a locum Assistant Geriatrician (Medical Assistant grade) for duty at Delancey Hospital, Cheltenham until August 3, 1968. This is a non-resident post but hospital accommodation can no doubt be arranged.

Applications, stating age, qualifications and experience, together with the names and addresses of two referees, should be sent to the Secretary of the Regional Hospital Board, 27 Tyndalls Park Road, Bristol 8. (H.8315)

GENERAL HOSPITAL
Rochford, Essex

LOCUM REGISTRAR IN GERIATRICS (Resident) required at the above hospital from June 17 to July 14, inclusive. Applications to the Secretary as soon as possible. (H.8141)

MANCHESTER REGIONAL HOSPITAL BOARD
Oldham and District Hospital Management Committee

RESIDENT REGISTRAR (Dermatology and Geriatrics)

Applications are invited for the above post, vacant immediately. The person appointed will work partly as a member of a team of seven doctors, headed by two Consultants, providing a modern geriatric service and offering good experience in the acute illness of the elderly, with emphasis on clinical medicine.

The skin work comprises bioclinical experience and the change of 24 beds, dealing with acute and chronic skin disorders, in close association with Manchester and Salford Hospitals for Skin Diseases.

Applications, quoting details of qualifications and experience, together with the names and addresses of two referees, should be forwarded to the Group Secretary, Oldham and District Hospital Management Committee, Central Offices, Rochdale Road, Oldham, quoting Ref. No. P/17. (19437)

ADMINISTRATIVE

LEEDS REGIONAL HOSPITAL BOARD
ASSISTANT SENIOR MEDICAL OFFICER
(salary scale £2,770 to £3,430 per annum) required to assist the S.A.M.O. in the planning and organization of the hospital specialist services. Previous experience in medical administration desirable.

Applications will also be considered for an alternative appointment of **ADMINISTRATIVE MEDICAL OFFICER** (salary scale (33 years of age and over) £2,335 to £2,770 per annum), from candidates without experience in medical administration but who have a sound clinical background and are interested in a career in administration. An appointment in this grade would be for two years in the first instance and a varied training would be given during this period. Applications (indicating the post in which interested) and giving details of experience and qualifications, together with the names and addresses of three referees, to the Secretary, Park Parade, Harrogate, by June 20, 1968. (20291)

THE WELLCOME TRUST

requires a Medical Officer to assist in the scientific administration of its activities, including the development of a European programme. Experience of research and its organization, and of University affairs, are essential qualifications, and a knowledge of foreign languages would be useful. The salary will be negotiated, and related to the responsibilities of the post and the seniority of the successful applicant. Applications, with a full curriculum vitae and the names of two referees, should be sent for the personal attention of

**THE SECRETARY,
THE WELLCOME TRUST,
52 QUEEN ANNE STREET,
LONDON W.1,**

by June 28, 1968.

(H.8301)

GOVERNMENTAL

TREASURY MEDICAL SERVICE

Applications are invited from medical practitioners, practising in the districts detailed below, for appointment, in a part-time and mainly advisory capacity, as Local Treasury Medical Officer, for each of the districts or groups of districts shown. The town shown in brackets after the district-name indicates the Head Post Office Area in which the district, or group of districts, is situated. Applicants must have a surgery in the district.

Successful applicants will be required to examine and report on the condition of certain Government officers, teachers, candidates for appointment, etc., who may be referred to them from time to time and to attend when summoned to an emergency case of accident or sudden illness occurring in a Government office in the neighbourhood.

Fees for this work, and mileage allowance where journeys in excess of a certain distance are necessary, will be paid on a scale agreed with the British Medical Association.

Intending applicants should write, within 14 days, to:

TREASURY MEDICAL ADVISER,
TREASURY CHAMBERS,
GREAT GEORGE STREET,
LONDON S.W.1.

for a form on which application may be made. Applicants should be not more than 60 years of age.

The districts for which applications are invited are as follows:

Amesbury (Salisbury)
St. Albans (St. Albans)
Llangollen (Wrexham)
Windermere (Kendal). (19512)

PUBLIC HEALTH

CITY OF MANCHESTER
EDUCATION COMMITTEE
School Health Service

OPHTHALMIC MEDICAL OFFICERS
Applications invited from medical practitioners on the Supplementary Ophthalmic Services List for refraction duties in school clinics, for up to five sessions per week. Fee £5 15s 6d. per session at present.

Application forms from Acting Education Officer, Education Offices, Manchester 3, returnable by June 21, 1968. (19468)

CITY OF WORCESTER

APPOINTMENT OF DEPUTY MEDICAL
OFFICER OF HEALTH AND DEPUTY
PRINCIPAL SCHOOL MEDICAL OFFICER

Applications are invited from registered medical practitioners holding the Diploma in Public Health. Candidates should have experience in the assessment of educationally subnormal pupils and be approved by the department of education and science for this purpose.

The successful applicant will be concerned with the general range of services in a county borough and have particular responsibility for the school health service.

Salary within the scale £2,353 6s. 8d. to £2,603 6s. 8d. If successful applicant is appointed Deputy Medical Crematorium Referee an allowance will be paid (at present £123 6s. 8d. per annum). An essential car user allowance will also be paid.

The post is superannuable and subject to medical examination.

Application forms and further details may be obtained from Medical Officer of Health, Church House, The Avenue, The Cross, Worcester, to be returned by June 28, 1968. —Bertram Webster, Town Clerk, Guildhall, Worcester. (20160)

MINISTRY OF DEFENCE (Air)
CIVILIAN MEDICAL PRACTITIONERS

Applications are invited from registered medical practitioners, not more than 60 years of age, and with at least five years' experience in general practice in the United Kingdom or equivalent experience with the armed forces, for employment as full-time civilian medical practitioners with the Royal Air Force in the United Kingdom. Duties will be similar to those in general practice, involving in most cases the care of service families as well as R.A.F. personnel.

Salaries in the range from £2,315 per annum at age 28 to £2,895 per annum at age 35 and over.

Application forms may be obtained from the Ministry of Defence, CE2a(Air), Sentinel House, Southampton Row, London W.C.1. (19423)

ADMINISTRATIVE—see also p.xliv

WELSH HOSPITAL BOARD

STATISTICIAN

Applications are invited for the post of STATISTICIAN in the Medical Division of the Board, the head offices of which are situated in the Cardiff Civic Centre area.

Applicants for this important post must hold a university degree in statistics, or diploma in technology in statistics; or in mathematics, economics, or other appropriate main subjects combined with statistics, and will be expected to have had wide statistical experience. Normally they should have been awarded a first or second class honours degree.

The successful candidate will be concerned with the application of statistical methods in the study of specific medical and administrative problems within the hospital service, together with more routine applications such as cancer registration, mental health epidemiology and hospital activity analysis. Time will be available on the Board's recently installed I.C.T. 1903 computer for these and other projects. The person appointed will act as adviser to the Senior Administrative Medical Officer and will be expected to provide consultant staff in the principality with statistical advice on the conduct of clinical trials or other research projects. Opportunities will be given to develop his or her own lines of research.

SALARY: £2,240 rising by five annual increments to £2,740 per annum. New entrants to the service commence at £2,240.

The appointment is established and subject to a contributory superannuation scheme.

Application forms (for which a self-addressed foolscap envelope should be sent) to the Secretary, B.M.J., Welsh Hospital Board, Temple of Peace and Health, Cathays Park, Cardiff CF1 3NW. Closing date June 21, 1968. (19424)

COUNTY BOROUGH OF DARLINGTON

ASSISTANT MEDICAL OFFICER OF
HEALTH (Female)

Applications are invited from female registered medical practitioners for appointment as Assistant Medical Officer of Health and School Medical Officer, to work in all sections of the health and school health departments. Preference will be given to holders of the D.P.H. with previous experience in obstetrics and gynaecology.

Conditions of service and salary are in accordance with Whitley Council scale £1,795 to £2,445 per annum according to qualifications and experience.

Applications, stating age, qualifications and details of past experience, with names of two referees, should be sent to the Medical Officer of Health, Archer Street, Darlington. (19530)

COUNTY BOROUGH OF ROTHERHAM

ASSISTANT MEDICAL OFFICER OF
HEALTH AND SCHOOL MEDICAL
OFFICER

Applications are invited from registered medical practitioners for the above post which offers experience in all aspects of the work of a progressive health department.

Salary scale is £1,795 to £2,445 per annum and, the point of entry determined according to experience and qualifications. Housing accommodation is available, and approved removal expenses will be paid. Car allowance.

Further particulars and forms of application can be obtained from the Medical Officer of Health, Health Department, Municipal Offices, Rotherham, to whom they should be returned not later than June 24, 1968.—John S. Wall, Town Clerk and Chief Executive Officer, Municipal Offices, Rotherham. (20288)

COUNTY BOROUGH OF SOLIHULL

DEPUTY MEDICAL OFFICER OF
HEALTH, DEPUTY PRINCIPAL SCHOOL
MEDICAL OFFICER and DEPUTY CHIEF
MEDICAL WELFARE OFFICER

Applications for the above appointment are invited from registered medical practitioners possessing the D.P.H.

Preference given to applicants having previous experience in the school health, mental health and welfare services.

Salary £2,775 by £100 (3) to £3,075 per annum.

Housing accommodation and car allowance. Removal expenses paid.

The post offers the opportunity of experience in all aspects of public health and welfare work, including attendance at committees.

Further particulars and application forms may be obtained from me at P.O. Box 18, Council House, Solihull.

Closing date June 19, 1968.—D. W. Chapman, Town Clerk. (20159)

COUNTY BOROUGH OF YORK

Applications are invited for the post of
DEPUTY MEDICAL OFFICER OF
HEALTH AND DEPUTY PRINCIPAL
SCHOOL MEDICAL OFFICER

at a salary of £2,400 rising to £2,666 13s. 4d. per annum. The person appointed may be required to act as a medical referee to the York Crematorium for which additional payment is made.

Applicants must be registered medical practitioners holding the Diploma of Public Health, and the person appointed must be capable of taking full responsibility for the department if necessary.

Forms of application, and further details, may be obtained from the Medical Officer of Health, 9 St. Leonard's Place, York, to whom completed applications should be returned not later than June 21, 1968.—C. B. Crane, Medical Officer of Health and Principal School Medical Officer. (H.8225)

DERBYSHIRE COUNTY COUNCIL

County Health Department

Applications are invited from registered medical practitioners for the following whole-time superannuable posts:

(a) **MATERNAL AND CHILD WELFARE MEDICAL OFFICER (female).** Amended advertisement. There are two posts; candidates should be experienced in antenatal work, midwifery and children's diseases, as they will be required to hold consultations at the council's maternal and child welfare clinics and centres, and to perform such other duties as may be required;

(b) **DEPARTMENTAL MEDICAL OFFICER AND SCHOOL MEDICAL OFFICER (male or female).** Vacancies in areas near to Matlock, Alfreton and Long Eaton: while most of the work is in the school health service, there will be other duties, including child welfare and immunizations.

For all the above posts, the salary scale is £1,795 rising to £2,445 per annum (previous experience and qualifications are taken into consideration in fixing the commencing salary). Car allowance. Assistance towards removal and lodging expenses in appropriate cases. Canvassing disqualifies.

D.P.H. course. The county council has a scheme for assisting Medical Officers on their staff to undertake a part-time course for the Diploma in Public Health: on the half-time basis but being paid 70% of the normal full-time salary, the officer being required to serve the authority for two years after obtaining the diploma.

Full particulars and application forms are obtainable from Dr. J. B. S. Morgan, County Medical Officer of Health, County Offices, Matlock, Derbyshire, DE4 3AG, and should be returned to him duly completed, by June 17, 1968. (H.8224)

The County Council invites applications for the above whole-time post. Applicants must hold a degree or Diploma in Public Health. The salary scale is £3,260 per annum rising by four annual increments of £106 13s. 4d. to £3,686 13s. 4d. Duties and conditions of the appointment, together with form of application, may be obtained from the County Medical Officer of Health, Berkeley Chambers, Berkeley Street, Gloucester, to whom applications should be returned by June 21, 1968. (20162)

GREENOCK CORPORATION

Applications are invited from registered medical practitioners for two posts of
**ASSISTANT MEDICAL OFFICER OF
HEALTH**

The posts are superannuable and the salary scale is £1,795 to £2,445 per annum, with placing according to previous experience. Preference will be given to candidates possessing the D.P.H.

Duties will include mental health, maternity and child welfare, school health, port health and such other duties as the Medical Officer of Health may direct from time to time. The duties of one of the posts will be mainly in connection with the school health service.

Car allowances are payable in accordance with the scheme operated by the Corporation. Housing accommodation, if required, will be available to the successful applicants.

The successful applicants will require to contribute to the Corporation's superannuation fund and to a life assurance scheme. There is also available a voluntary hospital service plan.

Applications, stating age, experience and qualifications, together with the names and addresses of two referees, should be lodged with the undersigned not later than two weeks after publication of this advertisement.—J. D. Smith, Town Clerk and Chief Executive Officer, Municipal Buildings, Greenock. (19522)

KINGSTON UPON HULL CORPORATION

**ASSISTANT MEDICAL OFFICER
(Full salary assisted D.P.H. scheme)**

Applications are invited from registered medical practitioners for the appointment of Assistant Medical Officer for duties in the school health, maternity and child welfare, port health and other local authority services. A scheme is in operation in accordance with the National Joint Council's conditions of service which will enable the successful applicant to pursue a full-time course of study for the D.P.H. without loss of salary.

A car allowance will be granted and consideration given to assistance with removal expenses. The salary will be within the scale £1,795 to £2,445 per annum, commencing according to qualifications and experience. Particulars of the appointment and forms of application may be obtained from the Medical Officer of Health, Guildhall, Kingston upon Hull. (20289)

LANCASHIRE COUNTY COUNCIL

MEDICAL OFFICERS AND SCHOOL
MEDICAL OFFICERS**

Applications are invited from practitioners wishing to make a career in public health. The duties include work in the school health and child welfare services and such others as may from time to time be prescribed. The salary scale is £1,795 by £70 (1) by £80 (5) by £90 (2) to £2,445 and account is taken of previous professional experience and qualifications particularly the D.P.H., D.C.H. and D.Obst.R.C.O.G., when determining the commencing rate. It is possible that suitable candidates would be considered for a D.P.H. course on full salary.

Lodging allowances and removal expenses are payable for both posts in accordance with the county council's scheme and car allowances will also be paid.

Forms of application and further details of both posts may be obtained from the County Medical Officer of Health, County Buildings, Stafford, and applications should be returned to me not later than Monday, June 24, 1968.—T. E. Evans, Clerk of the County Council, County Buildings, Stafford. (20329)

REPUBLIC OF IRELAND

LIMERICK HEALTH AUTHORITY

Limerick Regional Hospital

**REGISTRARS IN GENERAL SURGERY
REQUIRED (2 POSTS)**

First Post vacant as from June 10, 1968
Second Post vacant as from July 22, 1968
Limerick Health Authority invites applications for posts as Registrars in General Surgery in the Regional Hospital, Doonacally. Appointment will be for a period of 12 months in the first instance and may be renewed.

Limerick Regional Hospital is one of the teaching hospitals associated with University College, Cork, and the hospital is recognized for the purposes of F.R.C.S.(Eng.) Candidates must be not less than 24 years of age and not more than 35 years of age on June 1, 1968. The remuneration will be within the scale of £1,652 to £2,302 per annum inclusive of ten months depending on qualifications and experience.

Application forms and full particulars may be had from the Secretary, Limerick Health Authority, to whom completed application forms should be forwarded to reach him not later than 10 a.m. on June 21, 1968. Offices: 104 Henry Street, Limerick. (H.8299)

OVERSEA

Attention is drawn to the desirability of obtaining full details of remuneration and terms of service in advertised appointments where these are not stated in the advertisement. In some cases local B.M.A. Branches or affiliated Associations may be in a position to provide information, and their addresses are available on application to the Secretary of the Association.

ASSISTANT WITH VIEW REQUIRED FOR
four-man practice in prosperous N.S.W. country town. For details apply Dr. Smith, Box 26, P.O. Lorton, N.S.W.

BRITISH DOCTORS WILL BE IN UNITED
Kingdom in May and August, 1968, to interview doctors interested in settling in Southern Ontario. Immediate hospital posts exist in Burlington. This offers an excellent opportunity for those interested in doing general practice in the area of specializing. Remuneration is excellent and are general practice opportunities.—Contact: Box OV.998, B.M.J.

PAISLEY

DEPUTE MEDICAL OFFICER OF HEALTH

Applications are invited by Paisley Town Council for the above post at the salary of £2,364 x (4) £60/£2,604 in accordance with the revised scale of the Whitley Councils for the Health Services (Great Britain) Medical and (Hospital) Dental Council Committee "C." Applicants must be Registered Medical Practitioners holding a Diploma in Public Health, or similar qualification and have clinical and administrative experience in Public Health work.

Applications, stating age, qualifications and experience, should be lodged with me not later than June 12, 1968.

JAMES AITKEN,
Town Clerk.

Municipal Buildings,
PAISLEY.

(H.8287)

LONDON BOROUGH OF RICHMOND UPON THAMES

**Appointment of
Deputy Medical Officer of
Health and Deputy Principal
School Medical Officer**

Applications for the above appointment are invited from registered medical practitioners who hold a Diploma in Public Health or an equivalent qualification. Candidates should be experienced in public health administration and be capable of assuming full responsibility in the absence of the Medical Officer of Health.

The person appointed will be responsible for carrying out administrative and other duties in all sections of the work of a progressive department, including committee work. There is a rapidly expanding geriatric service and a number of interesting projects are in hand. Opportunities exist for continuing clinic and field interests, if so desired.

The Borough, which has a population of 179,040, is mainly residential and situated in a pleasant riverside area comprising the districts of Barnes, Richmond and Twickenham.

The salary will be within the scale £2,820 x £70 (4)—£3,100. Essential user car allowance, assistance with removal expenses and telephone. Housing accommodation may be available if required. Application forms from Dr. A. M. Nelson, Medical Officer of Health, Health Department, Elmfield House, High Street, Teddington, Middlesex, to be returned by June 18.

(19481)

PSYCHOPHARMACOLOGISTS

Positions are available in the U.S. for M.D.s or Ph.D.s in clinical and/or basic psychopharmacology in a research-oriented service in a University Medical Center. The University is located in a culturally and intellectually stimulating mid-western city. Commensurate compensation. Write to Box OV.1217, B.M.J.

Overseas—contd.

OUTSTANDING OPPORTUNITY IN RADIOLOGY

There are two openings for additions to our nine-man group of radiologists practising in Edmonton, Alberta.

Our group is young, enthusiastic and forward looking. The Hospital department is now one of the foremost in western Canada, and undertakes virtually all procedures. An academic environment is generated and maintained by university affiliation with undergraduate and postgraduate teaching. There are comprehensive teaching programmes for radiological residents.

Private offices undertake the equivalent of out-patient work and are equipped with image intensifiers. In addition to this, we are able to offer an excellent income.

A member of a specialist medical clinic will also be available for discussion of opportunities in a private clinic outpatient radiology department in Edmonton.

Edmonton, the capital of Alberta, is built on the banks of the beautiful north Saskatchewan River Valley. It is Canada's fastest growing community and enjoys a healthy climate with cool dry winters and warm dry summers. Recreation facilities abound, with golf, skiing, ice hockey, sailing, etc. Numerous green parks encourage picnics and the Rockies are close enough for weekend touring.

Excellent schools and houses are plentiful. The arts are encouraged by the symphony orchestra, the repertory theatre, the art gallery and by university activities.

Dr. S. C. Windle of our group will be at The Hyde Park Hotel, London, from the afternoon of Wednesday, June 12th to Sunday, June 16th. He would be pleased to meet any radiologist interested in our work, and travel expenses will be refunded. Please contact Dr. Windle collect at the hotel to arrange appointment.

Oversea—contd.

CANADA—ALBERTA. HAIG CLINIC. A mixed specialty group in Lethbridge, Alberta, is looking for an addition to the department of family practice. We are a university city of 40,000, the clinic is modern and the hospital facilities are excellent. We are looking for a young general practitioner who is interested in a family type practice. Our 1968 salary is \$1,200 per month, with partnership being offered at the end of two years. Please apply with particulars and a recent photo to Dr. E. A. M. Cairns, Haig Clinic, Lethbridge, Alberta, Canada, or telephone collect Canada (area code 403) 328-6641.

DOCTOR TO JOIN WELL-ESTABLISHED group practice hospital town Rhodesia. Full surgical, medical, obstetric responsibility if desired. Very favourable remuneration: hours ratio. Excellent climate, amenities and secondary education. Free passage doctor and family. From £R3,000. Partner available for interview London mid-June.—Apply Box OV.847, B.M.J.

SPECIALIST in pathology AUSTRALIA

REPATRIATION GENERAL HOSPITAL, PERTH, WESTERN AUSTRALIA

Applications are invited from registered medical practitioners, with appropriate postgraduate qualifications, for appointment to two posts of **SPECIALIST IN PATHOLOGY** at the Repatriation General Hospital, Hollywood, Perth, Western Australia.

The hospital is located within easy reach of the city of Perth proper and is only 1½ miles from the University of Western Australia, which has a medical teaching school. There are 500 beds in the hospital and 450 of these are currently in use. Wards comprise General Surgery, Ophthalmology, Otorhinolaryngology, Urology, General Medicine, Dermatology, Chest and Psychiatry. General Medical and Surgical wards are provided for a limited number of female patients. In the main, patients are veterans of the 1939-45 war, but there are a few from latter wars and the 1914-18 war.

In an endeavour to develop the Pathology service, plans are in hand to construct a new 10,000 square feet Pathology Department. At the present time, the Department has up-to-date equipment and specialist staff are supported by a team of 15. Plans to expand this staff to a level commensurate with the hospital needs are already in progress.

A salary range on appointment will be determined within the limits \$8,567-\$11,387. Commencing salary will be within the determined range and will be dependent on experience since gaining postgraduate qualifications. One appointee will be given Senior status and will be responsible for co-ordinating work within the specialty and advising top-level medical and executive management on matters relating to the practice of the specialty.

Subject to medical fitness, the successful applicants will be permanently appointed to the Commonwealth Service and will be eligible to contribute to a Superannuation Scheme. Appointees will also receive generous recreation, sick and long-service leave entitlements. On completion of a bond of service for three years, the appointee's and dependants' first-class fares to Perth will be paid by the Commonwealth and some assistance may also be given towards removal of effects to Perth. The Department will arrange initial accommodation, and in the case of married appointees a reasonable "settling-in" allowance may be paid for a limited period depending on particular circumstances.

Further information and application forms are obtainable from:

The Public Service Board Representative,
Canberra House, 10-16 Maltravers Street,
The Strand,
LONDON, W.C.2,
by June 24, 1968.

BRANDON CLINIC

BRANDON, MANITOBA, CANADA

NOW HAS A NUMBER OF OPENINGS

The Brandon Clinic at Brandon, Manitoba, Canada was established in 1961 as a seven member multi-specialist group. This clinic serving a large area of Western Canada has a successful growth record in its first six years and now has fifteen members covering general surgery, obstetrics and gynaecology, internal medicine, paediatrics, urology, and general practice.

An addition to the 1961 building is now under construction and accordingly the Brandon Clinic has the following openings:

GENERAL PRACTICE
GENERAL SURGEON
ORTHOPAEDIC SURGEON
OPHTHALMOLOGIST
OTOLARYNGOLOGIST

The Brandon Clinic is located immediately adjacent to the new and expanding Brandon General Hospital complex. The City of Brandon has all educational facilities including University. The City of Brandon has excellent recreational facilities including nearby summer resorts, new Y.M.C.A., new Auditorium, all popular sports and the city engages a full-time recreational director.

When applying, please give full information in first letter. Apply to Mr. G. D. Box, Business Manager, Brandon Clinic, P.O. Box 280, Brandon, Manitoba, Canada.

(H.8227)

UNIVERSITY OF MELBOURNE

LECTURESHIP/SENIOR LECTURESHIP IN IMMUNOLOGY in the DEPARTMENT OF MICROBIOLOGY

Applications are invited from graduates in Science or Medicine with postgraduate experience in immunology. Applicants will be expected to have had some general training in microbiology as well as research and teaching experience in immunology. The duties will be primarily, but not exclusively, in teaching immunology, lectures, seminars and practical work, to students in various Faculties. In addition the appointee would be expected to supervise students proceeding to higher degrees, B.Sc. Honours through to Ph.D. and to develop an active immunological unit.

This position is in the School of Microbiology, which is physically well equipped for immunological research, including the use of germ-free animals. It works in close collaboration with immunologists at the Walter and Eliza Hall Institute.

Salary: Senior Lectureship (Medical) \$A7,760—\$9,440
Senior Lectureship ... \$A7,500—\$8,750
Lectureship ... \$A5,400—\$7,300

Initial salary will be determined according to qualifications and experience.

Further information, including details of superannuation, travel and removal expenses, housing assistance and conditions of appointment, is available from the Association of Commonwealth Universities (Branch Office), Marlborough House, Pall Mall, London S.W.1.

Applications close on July 31, 1968.

(19384)

● Little publicity, much less than it deserves, has been given to the potential of the method (oral contraception) for the production of highly desirable and pleasant side-effects. These would include personal happiness of the patient, presumably from confidence in the future that the method affords; and it is noticeable how this sense of happiness appears to extend to other members of the family. This often results in an altogether better adjusted and more integrated family unit than previously. ●

Clinical Trials Journal, (1968) 5, 143

Ovulen 1mg., the most widely prescribed oral contraceptive in Britain today.

Doctor experience Since Ovulen 1mg. was introduced in 1963 physicians have found it to be not only effective, but extremely well tolerated. More prescriptions are written for Ovulen 1mg. than any other oral contraceptive in Britain.

Clinical experience Clinical research on Ovulen 1mg. has been continuous. It was subjected to clinical trials in over 2,500 women before it was made commercially available; to date more than 16,000 women have been involved in trials totalling more than 190,000 cycles of experience.

Patient experience Millions of women in Britain and overseas are using this low-dose oral contraceptive. One reason is the trouble-free protection it affords—acceptability rates in clinical trials have been as high as 95.4 patients in every 100, over a period of more than four years.

Company experience In the fifteen years since Searle developed the first oral contraceptive the company's products in this field have been accepted by many millions of women.

SPECIALIST (radiology) AUSTRALIA

**REPATRIATION GENERAL HOSPITAL, PERTH,
WESTERN AUSTRALIA**

Applications are invited from registered medical practitioners with
appropriate postgraduate qualifications for a post of **SPECIALIST
(RADIOLOGY)** at the Repatriation General Hospital, Hollywood,
Perth, Western Australia.

The hospital is located within easy reach of the city of Perth proper
and is only 14 miles from the University of Western Australia, which
has a medical teaching school. There are 500 beds, and 450 of these
are currently in use. Wards comprise General Surgery, Ophthalmol-
ogy, Otorhinolaryngology, Urology, General Medicine, Dermatology,
Chest and Psychiatry. General Medical and Surgical Wards are
provided for a limited number of female patients. In the main, patients
are veterans of the 1939-45 war, but there are a few from latter wars
and the 1914-18 war.

In an endeavour to develop the Radiological Service plans are in hand
to construct a new 5,000 square feet Radiology Department. At the
present time the Department has up-to-date equipment and is sup-
ported by trained technical staff.

The appointee, apart from performing clinical work, will be required
to co-ordinate activities within the specialty and advise medical and
executive management on matters relating to the practice of the
specialty.

Salary on appointment will be within the range \$8,567-\$10,757 and will
be dependent on experience since gaining postgraduate qualifications.
Subject to medical fitness, the successful applicant will be permanently
appointed to the Commonwealth Service and will be eligible to contrib-
ute to a Superannuation Scheme. The appointee will also receive
generous recreation, sick and long-service leave entitlements. On
completion of a bond of service for three years the appointee's and
any dependants' first-class fares to Perth will be paid by the Com-
monwealth and some assistance may also be given towards removal of
effects to Perth. The Department will arrange initial accommodation,
and in the case of married appointees a reasonable "settling-in"
allowance may be paid for a limited period depending on particular
circumstances.

THE LANCET

five patients. 10 ml. of blood was taken for serum-iron determination from the fasting patient who then took three tablets of 'Ferromyn S' (ferrous-succinate/succinic-acid mixture). Serum-iron levels were repeated 3 hours later. An increase of 100 μ g. per 100 ml. or more in the serum-iron indicates normal iron absorption. The iron tablets used in the test can be the preparation selected for treatment of the patient; but lately we have given all patients ferromyn S, since in our experience this has been the most effective oral iron tablet. We feel that iron malabsorption is certainly present if it occurs when ferromyn S is used. It is also better for comparison with other patients and for comparison with later tests in the same patients if a standard test is evolved. The test can be repeated with 800 mg. ascorbic acid taken orally at the same time and in addition to the iron. This test was repeated in

Lancet 1967, 1, 1297

Why Ferromyn-S is more effective than other oral iron treatments.

The double radio isotope technique for measuring absorption of substances in the body* eliminates the wide range of variables present in the normal clinical trial. Applications of this technique in experiments to determine the efficacy of common iron salts led to the discovery that Free Succinic Acid actively promotes the absorption of iron. When added in its optimum ratio an increase of 30% or more can be expected.

What is the value of 30% greater absorption?

It is now widely accepted that the incidence of side effects associated with oral iron therapy is in direct ratio to the dosage of elemental iron. Ferromyn-S (Ferrous Succinate & Free Succinic Acid) contains less elemental iron than the conventional iron tablet but, because of the higher absorption, gives a better Haemoglobin response. At the same time, this combination of low iron

dosage and greater absorption significantly reduces the incidence of side effects encountered with the common iron salts. Ferromyn-S, therefore provides a high efficiency therapy at a cost of less than 2d. per day.

Full information is available on request.

Refs. *Acta Med. Scand. (1962) Suppl. 376 to vol. 171

Ferromyn-S

Ferrous Succinate with Free Succinic Acid
Ferromyn-S with Folic Acid is also available for the treatment and prevention of megaloblastic anaemia of pregnancy.

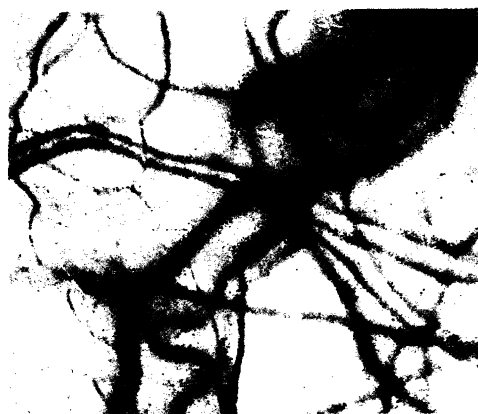

CALMIC LTD., CREWE, CHESHIRE

RONICOL*TIMESPAN*

gives day-long relief
from symptoms due to 'poor peripheral circulation'

Microphotograph of the bulbar conjunctiva in a man aged 65 with peripheral vascular disease.

The same area two hours after a single Ronicol Timespan tablet, showing marked vasodilation.

Ronicol Timespan presents a powerful vasodilator (β -pyridyl carbinol) in a long-acting tablet form which rapidly produces sustained vasodilation. Because the action is prolonged, peripheral vascular diseases can be treated with a convenient, twice-daily dosage schedule.

Ronicol Timespan is indicated for:

- peripheral vascular diseases giving rise to 'poor peripheral circulation'
- intermittent claudication
- cramps, including night cramps
- vasospasms such as Raynaud's phenomenon, acrocyanosis and other ischaemic conditions of the limbs.

*Ronicol is the registered trade mark applied to pharmaceutical preparations containing β -pyridyl carbinol, the alcohol corresponding to nicotinic acid. Timespan is the registered trade mark applied to long-acting dosage forms.
