"It's that backache again!"

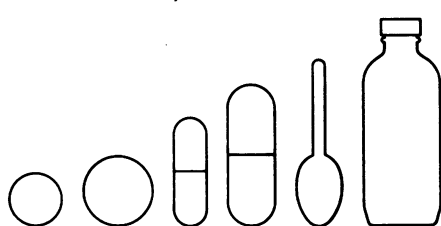

Jane Smith's usually a lively thirty-year-old. But for the last six months she's had recurring bouts of acute pyelonephritis. Her doctor's tried a number of treatments but they only produced temporary remissions. This time he's prescribing Ceporex. He's saving both Jane and himself a lot of needless worry.

In urinary tract infections, like acute pyelonephritis, Ceporex has a success rate of over 80%. Ceporex rapidly kills the common gram-negative organisms responsible for most urinary tract infections. It achieves outstanding success against most strains of *E. coli*. It also kills most gram-positive organisms which may be present, including penicillin-resistant strains. The success rate of Ceporex is aided by its rapid and virtually complete absorption which gives very high serum, tissue and urine levels within an hour. Ceporex is well tolerated because of its quick absorption and low toxicity and can be considered in patients hypersensitive to the penicillins. There is little chance of antibiotic rashes developing. For detailed information on Ceporex (trade mark), write to Glaxo Laboratories Ltd, Greenford, Middlesex.

TWO OUTSTANDING NEW BOOKS FROM SAUNDERS

Mudd:

INFECTIOUS AGENTS AND HOST REACTIONS

Its contributors reading like a roster of Who's Who in the world of microbiology, this brilliant work is neither another textbook nor an encyclopedic recitation of established facts. It is intended to be a distillation of the experience and insights of select senior investigators in the area of infectious disease, and this is exactly what the book achieves with the refreshing clarity of men who truly understand their work.

Dr. Mudd has gathered the impressive array of authorities and each discusses an aspect of infectious invasion and host reaction that is of significance to teachers and investigators in medical microbiology, to medical students, and to post-graduate and practising physicians.

Edited by Stuart Mudd, M.D., *Professor Emeritus of Microbiology, The University of Pennsylvania School of Medicine. With 30 contributors.*

626 pages.

107 illustrations.

Published February 1970.

£9 11s. 0d.

Fraser and Pare:

DIAGNOSIS OF DISEASES OF THE CHEST:

An Integrated Study Based on the Abnormal Roentgenogram

The major aim of this new book is to present abnormal borderline roentgen signs and to show how these are used in the diagnosis of chest diseases. Starting from these abnormal films, the authors proceed to demonstrate how a diagnosis may be arrived at by proper use of the medical history, tomograms, bronchograms, pathologic studies, clinical findings, and pulmonary function tests. Throughout the work, radiology and pathology are coordinated.

By Robert G. Fraser, M.D., F.R.C.P.(C) *McGill University, Montreal*; and J. A. Pare, M.D., *McGill University, Montreal*.

1446 pages.

"Our Jimmy's got ear-ache again, doctor"

It's his third attack in as many months, and he's only four. Neither Jimmy nor his mother is very pleased. That's why the doctor's prescribing Ceporex this time. In ENT infections, like otitis media, Ceporex has given an over-all success rate of 88%. Ceporex is the first cephalixin syrup available in this strength. Children like its pleasant fruit flavour and not-too-sweet taste. Ceporex absorption is rapid and virtually complete, giving high serum and tissue levels within an hour of administration. Ceporex kills most of the common sensitive pathogens responsible for ENT infections, including penicillin-resistant staphylococci; and many gram-negative organisms. Ceporex is well tolerated because of its quick absorption and low toxicity and can be considered in patients hypersensitive to the penicillins. There is little chance of antibiotic rashes developing. SlumberAid

THE SINCLAIR MAGNETIC PILLOW INSERT

*the safe
relief for sleeplessness*

Helps insomnia sufferers, reduces tension, and in many cases eliminates the need for drugs.

If your patient needs sleeping tablets, consider Slumber Aid first. It is particularly suitable for those with an anxiety neurosis. There are no electric wires or batteries to go wrong, and most important, the danger of an overdose is completely eliminated.

THE SLUMBER AID
PILLOW INSERT

is produced under strict quality control; is washable, and contains eight thin flexible Barium Ferrite magnets producing their own continuous field, between two soft sheets of plastic foam.

Special quantity discount to hospitals and clinics. For further information please write:

"But I can't swallow big pills, doctor"

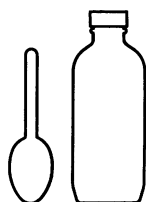

There's no problem with Ceporex 250 mg tablets or capsules, because they are the smallest cephalixin presentations available, so they're easy to swallow. They are suitable for the treatment of such infections as acute cystitis, sinusitis and tonsillitis.

Ceporex 500 mg tablets or capsules are the only cephalixin available in this strength. They provide convenient treatment of more serious infections such as pyelonephritis and acute bronchitis, because it means your patients take fewer capsules or tablets.

The 250 mg/5 ml syrup is the first cephalixin syrup available. Its pleasant taste is very acceptable to children, the elderly, who take to the not-too-sweet flavour quite readily, and for those not able to swallow capsules or tablets.

the more completely absorbed oral antibiotic

Kelfizine W once a week

more convenient than the antibiotics

There can be no doubt of the reawakening of interest in the sulphonamides and in 'Kelfizine' as the most conveniently administered form.

At an international symposium in Milan last November, British doctors reported:

In bacteriuria during pregnancy

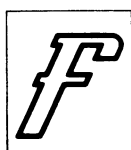

1 "...of the twenty patients whose organisms were sensitive to 50 micrograms per ml. of sulfametopyrazine* or less, 16 (80 per cent) were clear of their organisms at six weeks".

2 "Of the thirteen sensitive organisms treated with sulfametopyrazine* all but one responded".

In urological surgery

"Treatment of the five sulphonamide sensitive infections with 'Kelfizine' W 2 gram weekly was succesful".

*'Kelfizine'

FOLIC ACID DEFICIENCY and ANAEMIA OF PREGNANCY

FOLEX-350

CONTAINING FOLIC ACID 350 MICROGRAMS WITH
FERROUS FUMARATE 308 MILLIGRAMS IN EACH TABLET

COMPOSITION

Ferrous fumarate 308 mg.
Folic acid 350 mcg.

DOSE

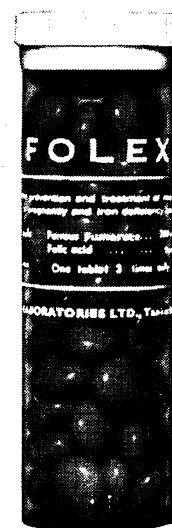

ONE TABLET DAILY THROUGHOUT PREGNANCY

It is now known beyond doubt that megaloblastic anaemia of pregnancy is caused by deficiency of folic acid.

From the very excellent results obtained over the years by the prophylactic use of folic acid and iron given orally from the beginning of pregnancy it is becoming more and more generally accepted that anaemia of pregnancy can be prevented. The question of the optimum dose of folic acid has not been easy to establish but recent work* suggests that not less than 300 mcg. and not more than 400 mcg. daily can be considered adequate.

In the light of this knowledge Folex-350 containing 350 mcg. of folic acid and 308 mg. of ferrous fumarate has been introduced.

*Ref. *B.M.J.* No. 5529. p. 158.

FOLEX

The original Folex containing a therapeutic dose of folic acid (folic acid 5 mg. and ferrous gluconate 300 mg.) will remain available for the treatment of confirmed cases of megaloblastic anaemia and

for those practitioners who might prefer to rely on the larger dose of folic acid which for several years has been given prophylactically with such excellent results.

MODE OF ISSUE

Containers
50 and 500 tablets

Therapeutic dose: One tablet 3 times daily

Prophylactic dose: One tablet daily

'very clear reasons'[†] for using **Seprin**^{*} in urinary tract infections

Abstracted from a Leading Article, *Brit med J*, (1969) **1**, 525.[†]

- Trimethoprim not only attains therapeutic tissue levels, but is excreted unchanged in high concentration in the urine.
- All Gram-negative bacilli occurring in the urine, except *Pseudomonas aeruginosa*, are usually highly sensitive to it.
- Its minimum inhibitory concentration is extremely low.
- Trimethoprim and a sulphonamide, by blocking successive stages in the same bacterial metabolic process, exert a strong synergic effect, and this action is *bactericidal*.

^{*}Trade Mark

These clinical trial results were obtained in treating hospital in-patients with U.T.I.

85% cure rate **SEPRIN**

70% cure rate ampicillin

40% cure rate sulphadimidine

Wellcome

Seprin—an advance on the antibiotics

In just five days, 87 per cent of 251 patients with painful muscular conditions recovered or improved with *Norgesic*¹. Six days was the average treatment time in another trial, on 478 patients, when nearly nine out of every ten gained uniformly good or fair relief of pain². *Norgesic* gives the patient a better chance of rapid and reliable relief from pain – and an early return to normal work. *Norgesic* contains two agents acting in different but complementary ways. Orphenadrine citrate releases muscles from painful and incapacitating stiffness. Paracetamol relieves the pain of local tissue damage. By relieving both pain and muscle spasm *Norgesic* quickly restores the pain-free movement that plays a major part in speeding recovery, overcomes the limitations of simple analgesics, and spares the patient wasted days of immobility and needless pain.

Each tablet contains Orphenadrine Citrate B.P. 35 mg. and Paracetamol B.P. 450 mg. Dosage is two tablets three times daily.

Side effects: within the recommended dosage, undesirable side-effects are uncommon. Dry mouth, nausea, blurring of vision, dizziness, restlessness or drowsiness may however occur in some patients susceptible to the parasympatholytic action of orphenadrine. These symptoms disappear rapidly following reduction of dosage or withdrawal of treatment. **Contra-indications** to *Norgesic* result from the parasympatholytic action of orphenadrine.

Norgesic should not be given to patients with glaucoma urinary retention (e.g. in prostatic hypertrophy or bladder neck obstruction) or myasthenia gravis. It should be used with caution in patients with tachycardia. Basic NHS prices: 100 tablets 14/4; 500 tablets 70/-. *Norgesic* is a registered trade mark.

1. *Practitioner* (1966) **191**: 660.

2. *Brit. J. Clin. Pract.* (1967) **21**: 37.

A major achievement
of British research
now established in the
treatment of rheumatic disease

BRUFEN

(ibuprofen)

Brufen is the tangible result of an extensive programme of research aimed at developing and investigating new compounds for the treatment of rheumatic disease. Over a period of fifteen years, thousands of non-steroidal compounds were evolved and tested. Of the few which reached an advanced stage of pre-clinical assessment, it was Brufen that demonstrated the required high level of antirheumatic activity together with an exceptional freedom from toxic effects.

Brufen has been evaluated in controlled clinical trials and its activity found comparable to the most powerful non-steroidal antirheumatic agents already in use. The remarkable freedom from adverse effects, particularly gastric upset, has been confirmed. Brufen has become widely used in the treatment of arthritic conditions both in hospitals and in general practice.

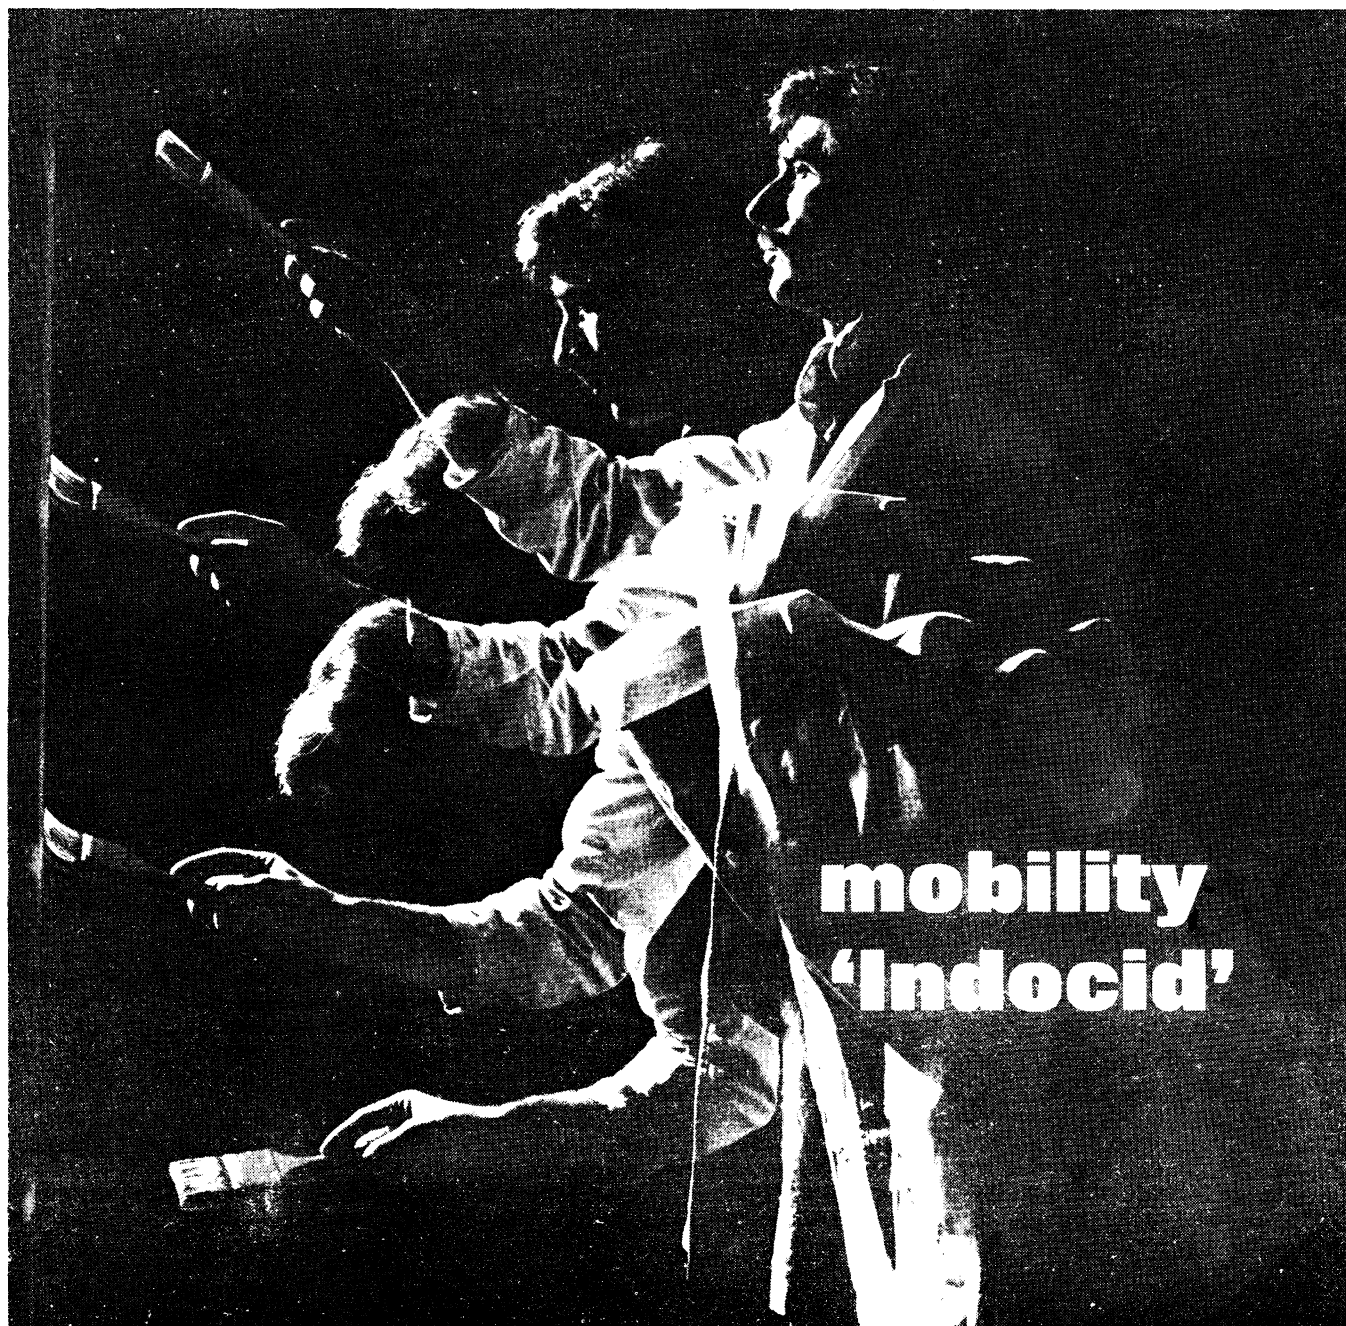

Today, Brufen is well recognised as a highly effective antirheumatic agent whose therapeutic value is undiminished by frequent or serious side-effects. Its benefits are well known to thousands of arthritic patients.

BRUFEN 

new freedom for the arthritic

Brufen is available as tablets, each containing 200 mg. of ibuprofen. Full information is available from Medical Products Marketing,
Boots Pure Drug Co. Ltd., Nottingham.

Any advance is worthwhile

...and that is why Akineton is well worth considering in the treatment of Parkinsonism. It represents a worthwhile advance in the treatment of a distressing condition - and offers significant benefits to the patient. For instance, Akineton controls rigidity and evidence suggests that the effectiveness of the optimal dosage does not diminish, even over a number of years. Akineton restores salivation to normal in as many as 95 per cent of patients. Hyperkinesia, dyskinesia, akathisia - all these can be effectively controlled by Akineton. Tremor is alleviated - and in some cases controlled completely. The parenteral form of Akineton offers something more. The results in severe tremor and rigidity are spectacular, relief has been achieved in as little as five minutes. Akineton has been equally successful in dystonic and bulbar symptoms. Both oral and parenteral forms are well tolerated, and very well documented. Full information is available on request.

Senokot restores natural rhythm to the constipated colon

Senokot, standardized senna, has earned a reputation for effectiveness and safety. Over 150 references in medical journals and text books testify to its value. Senokot is suitable for all ages and is useful in pregnancy and in geriatric cases. It is predictable in its action and, taken in the correct dosage, it is free from griping. Acting specifically in the colon, it induces controlled peristaltic action and restores the normal defaecation reflex leading to re-education of the bowel.

From the dispensing packs, the basic NHS cost of a spoonful of granules or two tablets is about a halfpenny. Granules: 56, 170 and 900 grammes. Tablets: 50, 100, 200, 1000. Syrup: 150 ml, 2 litres.

Theograd[®]
bronchodilation

the simple answer is often the best

Bronchospasm? Theophylline gradually, consistently, predictably released from the Gradumet in the small intestine. Reliably absorbed to give 24 hour relief of bronchospasm from one 350 mg. tablet b.d.

Theograd provides the simple answer:-

Controlled release so that the bulk of theophylline is released in the small intestine, ready for immediate absorption.

Clinically effective blood levels slightly in excess of 5 mcg/ml, without undue fluctuation, over a 12 hour period.

Minimal gastric irritation

Prolonged effect: 24 hour relief of bronchospasm on a recommended initial dose of 2 tablets, followed by one tablet b.d.

24 hours predictable bronchodilation

Side effects and contraindications: as with all theophylline preparations, some patients may experience gastrointestinal side effects; the Gradumet® presentation reduces these to a minimum. No clear contraindications; relatively non-toxic.

Folic Acid Deficiency in Pregnancy

It is now established that the body stores of folic acid decrease throughout pregnancy and may lead to megaloblastic anaemia, a common complication in the third trimester. 1,2

In addition to routine oral iron therapy, it is recommended that prophylactic administration of folic acid should be started in the early stages of pregnancy, preferably incorporated with the iron in a single tablet.³

PLESMET F.A. Tablets provide this facility in the most appropriate dosage combination and present advantages in convenience for the patient, together with economy both in dosage and cost of prescribing.

New formulation - New pack

Ivax antidiarrhoeal

quickly controls diarrhoea

This well established product for the treatment of intestinal infections has been re-formulated to omit the sulphaguanidine. The new formulation includes an increased dose of neomycin to ensure a reliable level of antibacterial activity against pathogens present in the gut during acute episodes of diarrhoea. The optimum dose of light kaolin adsorbs toxins, soothes the inflamed mucosa and consolidates the stools. The flavour and consistency of new Ivax make it acceptable both to adults and to children.

Ivax now contains 525 mg. of Neomycin Sulphate B.P. and 6 G. of Light Kaolin B.P. in each 30 ml. The pack contains 200 ml. and includes a convenient graduated metric dose measure. The Basic N.H.S. Price is 12/10.

Full information, including the revised dosage, is available from Medical Products Marketing.

Less income tax and surtax now— more pension later!

Allowing for inflation, a doctor in a General Practice for 35 years may get about half his final income as a pension from the Superannuation Scheme. But is that sufficient to promise a carefree and comfortable retirement?

You could increase your pension by 50%—often more—with one of our Personal Pension Policies. In addition you receive full relief of income tax and surtax on the premiums you invest.

Bonuses declared every three years increase the pension. You are not committed to pay a fixed annual premium. You pay as you like in accordance with your earnings.

Should you die before pension age all payments are returned to your estate plus compound interest at 4%. You may take the pension at any age between 60 and 70.

For full details of these unique policies, specially designed for General Practitioners, write for details quoting ref. No. 5003.

A week ago
his problem was
his skin

He first noticed the itching at work. Then his hands started to redden. The skin cracked and became scaly. He soon found difficulty in operating his lathe and the irritation affected his sleep. He realised that something must be done; and done quickly. His doctor told him it was contact dermatitis and prescribed Propaderm Cream.

Propaderm relieves skin problems

Propaderm can be used for all conditions responsive to topical steroid therapy. Propaderm is beclomethasone dipropionate—a powerful topical steroid. So powerful that in a recent trial 94% of 252 patients with eczema or psoriasis showed good results when treated with Propaderm (cream, ointment and ointment with 3% aureomycin BP). Propaderm is fast acting. In the same trial the majority of patients who responded to Propaderm did so in the first week of treatment.

"All three preparations of the drug which were tested were found to be superior to previous treatments. No side effects were reported."

Practitioner, (1968) 201, 362.

PROPADERM OINTMENT AND CREAM, PROPADERM-A OINTMENT with 3% aureomycin BP.

Also available: Propaderm Lotion, Propaderm-C Ointment and Cream (with 3% clioquinol), Propaderm-N Ointment and Cream (with 0.5% neomycin sulphate BP), Propaderm-L Rectal Ointment and Suppositories (with lignocaine), Propaderm-Forte Cream.

All Propaderm preparations contain beclomethasone dipropionate 0.025% except Propaderm-Forte Cream which contains 0.5%.

Full information is available on request.

Propaderm is a Trade Mark of ALLEN & HANBURY'S LIMITED LONDON E2

LOUGHBOROUGH UNIVERSITY
"ELECTRONICS IN MEDICINE"

July 19-25

Short course dealing with the operation of electronic medical instruments and an appreciation of the principals involved. No prior knowledge of electronics required.

The Course is recognised under Section 63 of the Health Services and Public Health Act 1968, and for those eligible the fee will be £16. For those not eligible under Section 63 the fee (inclusive of residence) will be £35.

This course forms part of the University Summer Programme which includes activities for the whole family. Apply: The Director, (Ref. B.M.J.), Centre for Extension Studies, University of Technology, Loughborough, Leics. (17631)

ROYAL COLLEGE OF
SURGEONS OF EDINBURGH
COURSE IN OPERATIVE
SURGERY AND SURGICAL
PATHOLOGY

A course of approximately 150 lectures and demonstrations will be given commencing 27 July 1970. The Course will extend for nine weeks and is designed for graduates preparing for the Final F.R.C.S. Examinations.

For further particulars, and for enrolment form, application should be made to The Administrative Officer, Royal College of Surgeons, 18 Nicolson Street, Edinburgh, EH8 9DW. (16785)

RHEUMATOLOGY (M.R.C.P.)

An intensive course in Rheumatology suitable for Part II M.R.C.P. candidates will be held at St. Stephen's Hospital on May 29, 30, 31, 1970. Fee: £9. Details and application forms from The Secretary, Fellowship of Postgraduate Medicine, 9 Great James Street, London W.C.1. Tel. 242 6900. (17475)

THE ROYAL COLLEGE OF
GENERAL PRACTITIONERS

A five-day residential course for new entrants to General Practice will be held from September 21 to 25, in Glasgow, under the auspices of the Glasgow Postgraduate Medical Board.

Enquiries should be made to the Honorary Secretary, Education Committee, Royal College of General Practitioners, 9 Lynedoch Crescent, Glasgow, C.3. (17474)

THE UNIVERSITY OF MANCHESTER
Faculty of MedicineDIPLOMA IN MEDICAL
RADIO-DIAGNOSIS
(R.C.P. & S. ENG.)

25-month full-time non-resident course of instruction for the Diploma in Medical Radio-Diagnosis (R.C.P. & S. Eng.) starts early October, 1970; inclusive fee: U.K. Candidates, £75, Overseas Candidates £250. Applicants must be registered medical practitioners who fulfil the requirements as to previous medical experience laid down by the Examining Board in England (D.M.R.D.) regulations obtainable from the London Conjoint Board (8/11 Queen Square, London W.C.1.). Application to take the course should be made to the Dean of Postgraduate Medical Studies, The Royal Infirmary, Manchester M13 9WL by June 1st. In connection with this course, the Board of Governors of the United Manchester Hospitals, and the Manchester Regional Hospital Board, offer to practitioners qualified for a minimum of two years and with a sound basic training in general medicine, a number of whole-time non-resident trainee registrar posts, tenable at hospitals in the Manchester area. This number is limited to three, but in certain circumstances supernumerary posts may be available to practitioners intending to remain in the National Health Service. Trainees are required to attend the above course and facilities will be provided for this.

Application forms for the trainee posts (returnable by June 1) from the Senior Administrative Medical Officer, Manchester Regional Hospital Board, Gateway House, Piccadilly South, Manchester M60 7LP. (17311)

INTENSIVE COURSE FOR GENERAL PRACTITIONERS Derbyshire Royal Infirmary, June 1-5 1970. Approved under Section 63, in conjunction with the University of Sheffield. Details from and applications to Postgraduate Secretary, Derbyshire Royal Infirmary, Derby. (17441)

QUALIFYING & POSTGRADUATE
EXAMINATIONS

Carefully designed courses with personal access to specialist tutors. Advice on reading, guidance and notes to each lesson and answer notes to all test papers are provided.

UNIVERSITY EXAMINATION POSTAL

UNITED LEEDS HOSPITALS

COURSES IN RADIO-DIAGNOSIS

Applications are invited for admission to a course commencing in September, 1970, leading to the D.M.R.D. Preference will be given to candidates with good clinical background, and to those intending to practise in the N.H.S. a limited number of Registrar posts are available. A course run by the University Department of Medical Physics is followed by a comprehensive practical and theoretical training for Part II in the United Leeds Hospital and St. James Hospital (University Hospital designate) the two Leeds leading hospitals.

Applications stating experience, qualifications, and naming three referees, should be sent to the Secretary to the Board, United Leeds Hospitals, Great George Street, Leeds LS1 3EX. (17598)

TRAINING IN PSYCHIATRY AT
McGILL UNIVERSITY

The Department of Psychiatry has openings for young physicians with initiative in the following programme, effective July 1, 1971. However, for people who would like to submit their applications now, there may be suitable opportunities available before that date:

FOUR-YEAR DIPLOMA COURSE

provides basic and advanced training in general and child psychiatry to suitable applicants who have completed a general internship. Approximate salaries offered: Resident I — \$7,426, Resident II — \$8,269, Resident III — \$9,339, Resident IV — \$10,352, per annum, effective July 1971. Other courses available, for selected students:

(a) Master of Science in Psychiatry — candidates may major in approved clinical or laboratory research project, and are required to have finished at least three years in Psychiatry before taking this Course.

(b) Training in Psychoanalysis — recognized by the Canadian Psychoanalytic Society as leading to graduation as a qualified psychoanalyst.

(Financial support for M.Sc., and Psychoanalysis must be arranged by the student, but some research and relating resources are available.)

Application should be made to the Coordinator of Postgraduate Education, Department of Psychiatry, McGill University, Montreal 112, Quebec, Canada. (H.8395)

CLASSIFIED ADVERTISING
MAY 30 ISSUE

All classified advertisements should reach this office by 2 p.m. on Wednesday, May 20.

Semi-display advertisements must be received before 12 noon on Tuesday, May 19.

Cancellations and/or corrections cannot be effected if received after 12 noon on Thursday, May 21.

THE UNIVERSITY OF MANCHESTER
Faculty of MedicineDIPLOMA IN
PSYCHOLOGICAL MEDICINE

Registered medical practitioners are invited to apply for a course in preparation for this diploma which starts in October, 1970; instruction is part-time for eight terms, occupying two half days a week for the first two terms and three half days for the remaining six terms. Further particulars from Professor Neil Kessel, Department of Psychiatry, Swinton Grove, Manchester, M13 9WL, to whom application should be made as soon as possible.

Candidates for the course should normally hold training posts either at one of the two teaching hospitals—United Manchester Hospitals and Withington Hospital—or at other psychiatric units in the Manchester Region. The psychiatric unit at Withington Hospital is to open this year and there will be a number of posts in the Senior House Officer and registrar grades. Special provisions for extended part-time clinical work can sometimes be made for married women. Doctors intending to apply for the course who wish to obtain a hospital post in this area should state this in their applications and also watch the medical press for details of such vacancies. (17313)

BRITISH POSTGRADUATE
MEDICAL FEDERATION
(University of London)

Two courses of study in anatomy, physiology, pathology, biochemistry and pharmacology, each extending over a period of twelve weeks, will be held during 1971 commencing in March and October.

The course includes systematic revision lectures, practical demonstrations and tutorials covering anatomy with histology, general pathology and microbiology, physiology, biochemistry and pharmacology. It is designed for all postgraduate students proceeding to higher diplomas in surgery and medicine and will include tutorials and demonstrations for small groups. The fee is £90.0s.0d.

All applicants will be asked to complete a short test paper before acceptance. In order to assist overseas students arrangements have been made for this to be held in various centres throughout the world in October 1970 and May 1971. Applications for the March course should be in by 31st August 1970 and for the October course by 1st March 1971.

All enquiries and applications should be made to Mr. W. F. Davis, Secretary, Institute of Basic Medical Sciences, Royal College of Surgeons of England, Lincoln's Inn Fields, London, W.C.2. (Telephone 01-405 3474). (17451)

Watt, The Health Centre, Langholm 212. 9-1

GENERAL PRACTICE TRAINING POSTS

NORTHAMPTON GENERAL HOSPITAL AND BOROUGH OF NORTHAMPTON

TRAINING POST FOR GENERAL PRACTICE

Applications are invited for the post of Trainee General Practitioner at Northampton General Hospital and in the Borough of Northampton beginning on October 1, 1970. This training post is one of a number of training schemes in the Oxford Regional Hospital Board Area and the holder will on completion be entitled to the Vocational Training Allowance.

The trainee who must have completed his pre-registration year, will be appointed for three years and will spend eighteen months in hospital, six months half time in hospital and half time in General Practice and one year in General Practice.

A memorandum about the post will be sent on request. Salary at S.H.O./Registrar grade according to experience. Married accommodation may be available for the first eighteen months of the training period.

Applications to the G.P. Secretary, Northampton and District Hospital Management Committee, Northampton General Hospital by May 30, 1970. (30667). 11

NORTHERN REGIONAL HOSPITAL BOARD (Scotland)

The Northern Regional Hospital Board (Scotland) invites applications for a post under the Combined Training Scheme in Hospital and General Practice. The Trainee's time during the two year tenure of the post is divided equally between hospital work and general practice.

The post is non-resident. The salary range is £1,680-£2,120 per annum, with placing on the scale determined by previous experience and an increment of £110 in the second year.

Candidates should apply by June 15, 1970, on forms obtainable from the Senior Administrative Medical Officer, Northern Regional Hospital Board, Kesy House, 17 Old Edinburgh Road, Inverness, by whom further particulars will be supplied on request. (H.8281) 11

UNIVERSITY AND RESEARCH APPOINTMENTS

(see also page xxix and OVERSEA)

ST. MARY ABBOTS HOSPITAL, Kensington, W.8

PART-TIME RESEARCH ASSISTANT (Clinical Asst. Grade) for one year in first instance for six sessions weekly at St. Mary Abbot's Hospital. Applications to House Governor. (31150) 14-1

THE UNIVERSITY OF LEEDS

Applications are invited for a post in the following Department:

SURGERY

Lecturer

Application will be made to the teaching hospital for an honorary contract.

Closing date May 20, 1970.

Reference number 53/5/J.

SALARY SCALE: Lecturer £1,590—£3,605 (efficiency bar £2,725)

Applications (three copies) stating age, qualifications and experience and naming three referees should be sent to the Registrar, The University, Leeds LS2 9JT from whom further particulars may be obtained. Please quote reference number.

UNIVERSITY OF OXFORD

Applications from medical graduates are invited for the post of

LECTURER IN BACTERIOLOGY (or Junior Lecturer)

in the Bacteriology Department, Radcliffe Infirmary. The successful candidate will be expected to take a major part in the department's teaching programmes for clinical students and postgraduates and participate in the general work of the department, which serves the Infirmary and is also the Department of Public Health Laboratory. The post thus provides opportunities for training and research in many aspects of clinical pathology. The Bacteriology Department and the associated departments within the Department of Pathology are recognized for training for the M.R.C. Path. examinations.

Salary scale £1,885 to £2,725 (Junior Lecturer £1,370 to £1,740), with starting point according to experience and qualifications.

Applications, with names and addresses of three referees, should be sent by May 25, 1970 to Dr. W. H. H. Jebb, Department of Bacteriology, Gibson Laboratories, Radcliffe Infirmary, Oxford, from whom further particulars can be obtained and with whom arrangements to visit the department can be made. (31073) 14-1

UNIVERSITY OF MALAYA

GUY'S HOSPITAL MEDICAL SCHOOL London S.E.1

Applications are invited for the post of WHOLE-TIME SENIOR LECTURER

in the Department of Anaesthetics (honorary consultant to Guy's Hospital) with duties to commence as soon as possible. The duties will include opportunity for research. Salary scale £3,470-£5,275 and superannuation.

Forms of application may be obtained from the Dean, Guy's Hospital Medical School, London Bridge, S.E.1, and should be returned not later than June 12, 1970. (17629) 14-1

SCHOLARSHIPS

THE UNIVERSITY OF MANCHESTER

WELLCOME SCHOLARSHIPS IN CLINICAL PHARMACOLOGY

Two scholarships available for session 1970/71 for clinical investigators to attend the course leading to the M.Sc. in Clinical Pharmacology in the University of Manchester. The purpose of the course is to train registered medical or dental graduates in techniques necessary for evaluation of drug action in man. The stipend for these scholarships will vary with age and experience but will not exceed £1,750 per annum.

Procedure for Application: Candidates should be sponsored by heads of departments for consultants interested in developing clinical pharmacology. The sponsor should indicate whether the candidate would have an opportunity of returning to the department or unit to undertake research in clinical pharmacology when the course is completed. The application should include the nominee's curriculum vitae and the names of two independent referees.

Further details can be obtained from Secretary, Department of Pharmacology, Materia Medica and Therapeutics, The University, Manchester, Manchester M13 9PL. (17194) 14-6

INDUSTRIAL APPOINTMENTS

(see also pages xxx and xxxi)

Attention is drawn to the British Medical Association's statement of policy on the Remuneration of Industrial Medical Officers as approved by the Representative Body, which is available on request from the Secretary.

Occupational Health Specialist

Applications are invited for a full-time post in the Aero-Engine Division, Derby Group of Factories. The successful applicant will be an experienced practitioner of occupational health and, in addition to a D.I.H., will have had responsibility for thousands rather than hundreds of people exposed to a wide range of environments. He will work with, and be responsible to, the Senior Medical Officer of the Company, who has a direct responsibility for all health matters in the Aero-Engine Division and a functional responsibility for medical services in other Divisions.

The work comprises the clinical and technical aspects of occupational health and ranges from the medical aspects of manpower resourcing to toxicology, ergonomics and mental health.

The remuneration will be in accordance with the recommendations of the B.M.A. for Senior Medical Officers and will not be less than the maximum for Medical Officers.

Suitably qualified doctors should request an application form from the Senior Medical Officer, Rolls-Royce Ltd. (Ref. B.M.J. 11/1), P.O. Box No. 31, Derby, sending brief details of themselves and their career.

Air Corporation Joint Medical Service

Industrial Medical Officer

The Air Corporations Joint Medical Service provides a comprehensive Occupational Health Service for B.E.A. and B.O.A.C. and includes groups dealing with Industrial Medicine, Aviation Medicine and the care of Overseas Staff. Due to a promotion there is a vacancy for an Industrial Medical Officer based at London (Heathrow) Airport. This appointment will be of interest to a doctor with previous experience in occupational health, looking for a more responsible post, or alternatively to a younger person wishing to make a career in occupational health in a modern and progressive organisation with good career prospects.

Possession of the D.I.H. and D.P.H. is desirable, but not essential.

The preferred age range is from 27 to 40 years, although candidates outside this range would be considered.

All candidates must be medically registered in the U.K.

The salary will be within the B.M.A. Industrial Medical Officer scale and the starting point will be fixed according to age, qualifications and experience.

There are opportunities for overseas holiday air travel and there is an excellent contributory pension scheme.

Applicants should write, giving details of age, experience and qualifications to:—

**Manager Selection Services
(BMJ/301),
B.O.A.C.,
Heathrow Airport-London,
P.O. Box 10, Hounslow,
Middlesex**

The closing date is June 9 1970.

DOCTOR, WHY ARE YOU STUDYING THE "POSITIONS VACANT"?

Doesn't your present job satisfy you?
Doesn't it involve enough travel?
Doesn't it provide enough stimulating discussion with colleagues?

Doesn't it reward initiative?
Doesn't it allow you to use your creative talents?
Doesn't it?

We have one that does!

If you are interested in joining the Pharmaceutical Industry—or at least knowing more about that job—please drop a line to:
Alan Pitchford, Medical Director, Schering Chemicals Limited, Victoria Way, Burgess Hill, Sussex.
By the way, we are the U.K. company of the world-renowned Schering A.G., of Berlin. (17601) 17

NORFOLK AND NORWICH HOSPITAL

The following appointments are vacant August 1, 1970:

SENIOR ACCIDENT AND EMERGENCY OFFICER (2) (S.H.O. status). Two Senior House Officers employed in the Department. Posts recognized for final F.R.C.S. examination requirements.

Applications giving full details with names of two referees to Group Secretary, Hospital Management Committee, St. Stephen's Road, Norwich, Norfolk NOR 53A, by June 5, 1970. (31152) 20-8

NORTHAMPTON GENERAL HOSPITAL (582 beds)

Applications are invited for **THREE SENIOR HOUSE OFFICERS** to serve in the Accident and Emergency Department for six months from June 13, 1970 (5 S.H.O.s in all). Duties will be divided between the reception, theatres and the in-patient Department under the direction of the three Consultant Accident and Orthopaedic Surgeons. This modern unit has its own Operating Theatres, Wards and X-ray facilities. Off duty time is generous and there is an excellent new Postgraduate Centre with library and an energetic post-graduate programme, thus affording the facilities to study for higher qualifications. Posts recognized for F.R.C.S. London is accessible in just over an hour by rail or the M1 Motorway. Married accommodation may be available. Removal expenses in accordance with H.M.(67)39.

Applications giving full particulars of age, qualifications, registration, previous experience, telephone number, names and addresses of two referees to the Superintendent, Northampton General Hospital. (31077) 20-8

SALARY SCALES OF HOSPITAL MEDICAL STAFF

Following the Tenth Report of the Review Body, new salary scales have been approved. These came into force on January 1, 1969. The scales are set out below:

HOUSE OFFICERS: Each post in this grade shall be tenable for six months. £1,250 per annum for the posts held during the first year; £1,350 per annum for posts held during the second year; £1,450 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £165 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICERS: £1,570 per annum in the first year; £1,680 per annum in the second year; £1,790 per annum in the third or subsequent years.

Deductions of £195 per annum in respect of lodging only for voluntary residence.

REGISTRARS: £1,790 per annum, rising by three annual increments of £110 and a further increment of £100 to a maximum of £2,220.

Deductions of £195 per annum for those with remuneration at the first point on the scale, and £225 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £140 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRARS: £2,120 per annum rising by one increment of £100 and four further annual increments of £135 to £2,760.

Deductions of £250 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANTS: £2,100 per annum rising by one annual increment of £120, by another three annual increments of £130 and by a further ten annual increments of £120 to a maximum of £3,810.

Deductions of £250 per annum in respect of lodging only for voluntary residence.

CONSULTANTS: £3,470 per annum rising by eight annual increments of £200 and one further increment of £205 to a maximum of £5,275.

Deductions of £390 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rental is appropriate.

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff. Memoranda on the following subjects of particular interest have been issued by the Ministry of Health: Standard of Residential Accommodation, Telephone Charges, Removal Allowances, Study Leave.

Further details may be obtained from the Hospital Secretary, or B.M.A. members may obtain summaries of the Memoranda or explanatory handouts from the Secretary, British Medical Association. (August 1969)

IN PSYCHIATRYLEAVESDEN HOSPITAL, ABBOTS LANGLEY
NEAR WATFORD, HERTS.

This large comprehensive hospital for the mentally handicapped offers a wide range of activities which should be of interest to any aspiring Consultant Psychiatrist and especially to doctors specialising in mental subnormality. Psychological, speech therapy, school, industrial training and sheltered workshop facilities and the Hospital is visited by the complete range of Specialists in other branches of medicine. Clinical tutorial activities and medical library available. Candidates should possess the D.P.M. when applying for this four-year training course (subject to formal review). Married quarters available if required. Hospital may be visited by arrangements with the Physician Superintendent from whom application forms can be obtained and to whom they should be returned by 27th May, 1970. (30974) 44-5

NORTH WEST METROPOLITAN REGIONAL HOSPITAL BOARD

SENIOR REGISTRAR IN PSYCHIATRY

at Cell Barnes Hospital, St. Albans, Herts. 951 beds for mentally subnormal patients of all ages and levels of retarded intelligence. The person appointed will be expected to assist with out-patient clinics and to develop a personal interest in research work. Possession of the D.P.M. or equivalent qualification essential. Unfurnished married accommodation available. The hospital may be visited by appointment. Application forms from the Group Secretary, Verulam Group H.M.C. Harpersbury Hospital, Harper Lane, Nr. St. Albans, Herts. to be returned not later than May 29, 1970. (17618) 44-5

SOUTH WESTERN REGIONAL HOSPITAL BOARD Plymouth Clinical Area

Applications are invited for the appointment of **SENIOR PSYCHIATRIC REGISTRAR** based on Moorhaven Hospital, Ivybridge, South Devon.

The appointment which is vacant from August 1, 1970 will be held for one year in the first instance and will then be subject to review. Candidates should possess an appropriate higher qualification.

The post is designated non-resident but a good modern house (furnished or unfurnished) is available at a very reasonable rental. The Hospital (761 beds) had 1253 admissions in 1969 and a medical staff of 16.

A comprehensive Mental Health Service is in operation and experience can be gained in all branches of in-patient and out-patient psychiatry (including subnormality, Forensic Psychiatry, Neurology, Child Guidance and E.E.G. work). The out-patient service is based on the Plymouth General Hospital and the Plymouth Nuffield Community Mental Health Centre. The Biennial Report for 1968 and 1969 which gives full particulars of the service can be obtained from the Physician Superintendent, Moorhaven Hospital.

Applications by letter, stating date of birth, qualifications and experience together with the names and addresses of two recent referees should be sent to the Secretary of the Regional Hospital Board, 27 Tyndalls Park Road, Bristol, BS8 1PJ by May 28, 1970. Selected candidates will be interviewed on June 12, 1970. (H.8363). 44-5

JOHN CONOLLY HOSPITAL Bristol Road South, Rednal, Birmingham

ROCHDALE AND DISTRICT HOSPITAL MANAGEMENT COMMITTEE Birch Hill Hospital

REGISTRAR (Psychiatry)

required June 29 for the 12 bed psychiatric unit of this progressive general hospital. The post, which offers excellent experience and is recognized for both parts of D.P.M., carries an additional peripheral allowance of £140 per annum. All cases from the catchment area (160,000) are dealt with in this unit which has well developed ancillary, clinical and social services. The hospital also has a modern postgraduate medical centre providing a regular and varied programme of lectures and activities. Possibility of married accommodation for successful candidate, if required.

Applications, giving full personal particulars, details of experience and two referees, to Group Secretary, Birch Hill Hospital, Rochdale. (30771) 44-6

ST. MATTHEW'S HOSPITAL Burntwood

LOCUM REGISTRAR IN PSYCHIATRY

required for two months initially and subject to review. Furnished married accommodation available. Further particulars may be obtained from the Hospital Secretary, telephone Burntwood 5511. Applications giving full details and naming two referees to Group Secretary, Burton District Hospital Centre, Belvedere Road, Burton-on-Trent. (31134) 44-6

SOUTH WESTERN REGIONAL HOSPITAL BOARD Bristol Clinical Area

Applications are invited for the appointment of

REGISTRAR IN PSYCHIATRY

based on Barrow Hospital (410 beds). The appointment which is vacant from July 24, 1970, will be for a period of two years but is subject to review after the first year. The post is non-resident but a furnished house is available if required. Previous psychiatric experience desirable.

The post is being included in a rotation scheme designed to provide wide opportunities for training in clinical psychiatry and the registrar will be encouraged to study for the D.P.M. or other higher qualification. Initially the emphasis will be on the treatment by psychological and physical methods of short-stay in-patients but the post also offers experience in out-patient work and in the rehabilitation of chronic and geriatric patients. Subsequently it is hoped to offer opportunities for working in child psychiatry, sub-normality and in a day hospital or general hospital setting. Barrow Hospital has an E.E.G. Department, Department of psychology, an active postgraduate teaching programme and its own library.

Applications by letter stating date of birth, qualifications and experience together with the names and addresses of two recent referees should be sent to the Secretary of the Regional Hospital Board, 27 Tyndalls Park Road, Bristol, BS8 1PJ by May 28, 1970. Selected candidates will be interviewed on June 12, 1970. (H.8364). 44-6

SOUTH-EAST METROPOLITAN REGIONAL HOSPITAL BOARD

Applications invited for appointment for one year in the first instance as **WHOLETIME REGISTRAR IN PSYCHIATRY**

to Bexley Hospital, Dartford Heath, Bexley, Kent, including duties at the Castlewood Day Hospital.

Previous experience in General Medicine desirable. Hospital approved for D.P.M. and full facilities available for out-patient clinical work and attendance at lectures for D.P.M. Admission rate is high. Single or married accommodation available.

Application forms from the Secretary, Registrars Committee, South-East Metropolitan Regional Hospital Board, Randolph House, Wellesley Road, Croydon, CR9 3QA, to be returned by May 30, 1970. (31213) 44-6

UNITED BRISTOL HOSPITALS AND SOUTH WESTERN REGIONAL HOSPITAL BOARD

Applications are invited for the appointment of **REGISTRAR IN PSYCHIATRY** in the Bristol Clinical Area (non-resident but a furnished flat is available).

The successful applicant will be based at Glenside Hospital, Bristol and will take part in the Registrars Rotating Scheme which has been designed to provide a wide experience in general psychiatry, rehabilitation and geriatrics. He will also spend six months with the Professional Unit which has recently been developed in the hospital by the Department of Mental Health, University of Bristol and will participate in its general clinical work and undergraduate teaching activities. At all stages in the rotation, training is emphasized by the inclusion of sessions specifically for this purpose, including experience in mental subnormality at Stoke Park Hospital, Bristol. Postgraduate seminars are held regularly under the guidance of the hospital Clinical Tutor.

The appointment which is vacant will be for a period of two years but is subject to review after the first year. Applications by letter, stating date of birth, qualifications and experience together with the names and addresses of two recent referees should be sent to the Secretary of the Regional Hospital Board, 27 Tyndalls Park Road, Bristol, BS8 1PJ by May 28, 1970. Selected candidates will be interviewed on June 12, 1970. (H.8365) 44-6

**WELSH HOSPITAL BOARD
REGISTRAR IN PSYCHIATRY** to the Cardiff and District H.M.C. Based at Ely Hospital, Cardiff (471 beds for subnormal patients and 139 beds for mentally ill patients). Successful candidate will be expected to undertake duties relating to mentally ill and subnormal patients.

This hospital for the subnormal is closely associated with the Whitchurch Psychiatric Hospital and will be involved in the impending unification of the Cardiff hospitals into a University hospital group, and ample facilities for study and research are available.

Vacant June 1, 1970.

Resident/Non-resident (residential accommodation within the hospital or in a house adjacent to the hospital).

Subject to review end of first year.

Application forms from S.A.M.O., Temple of Peace and Health, Cathays Park, Cardiff to be returned by May 30, 1970. (17525) 44-6

WELSH HOSPITAL BOARD

WHOLETIME LOCUM TENENS

as a **REGISTRAR IN PSYCHIATRY** (sub-normality) required immediately for 6 weeks. Based at Ely Hospital Cardiff, with visits to other hospitals in the Cardiff and District H.M.C.

WESSEX REGIONAL HOSPITAL BOARD Knowle Hospital, Fareham, Hants.

A training post of **REGISTRAR IN PSYCHIATRY** under the Wessex Regional Scheme for Postgraduate Education, is available at this hospital. Furnished single accommodation, or a partly furnished house at a moderate rental available. The hospital runs a modern mental health centre in Southampton and provides a comprehensive psychiatric service for the adults of a large and varied district. It is approved for the D.P.M. and has a very good scientific library. Weekly medical meetings are held. Clinical work and teaching are organized on the firm system. The registrar will, at the appropriate stages, be released regularly for a day a week to attend the regional tutorial classes for the D.P.M., Part I (25 study days) and Part II (28 study days). Tutorials are held at the University of Southampton, at the Wessex Neurological Centre and at the Wessex Regional School of Psychiatry which is situated at Knowle Hospital. Good general academic ability is valued just as much as previous psychiatric experience. A Professor of Psychiatry at the new Medical School, Southampton, will be appointed shortly and he will have a unit at Knowle Hospital.

Candidates may visit the hospital by arrangement with the Chairman of M.A.C. Forms of application can be obtained from the Group Secretary, Knowle Hospital, Fareham, Hants. (telephone: Wickham 2271) and are returnable by May 26, 1970. (31214) 44-6

**EXPERIMENTAL TRAINING
PROGRAMME****RESIDENT SENIOR HOUSE OFFICER
IN PSYCHIATRY**Applications are invited for the above
post, which will become vacant on July 1,
1970. The successful applicant will be
attached to the clinical division and seconded
during the period of the post for one of
two sessions per week to the departments of
Psychology, neuropathology or clinical
neurophysiology. The training programme,
which includes clinical conferences, seminars
in the basic sciences and clinical psychiatry
and an extended series of special lectures, is
approved by the British Postgraduate Medical
Federation. The secondment to the special-
ist departments will provide practical ex-
perience in the field most closely related to
the basic science instruction. Out-patient
and day-patient experience will also be
provided. There is a comprehensive medical
library. The hospital is recognized for the
D.P.M. This post would also be of interest
to those preparing for either higher qualifi-
cations or considering entry into general
medical practice. Residential accommodation
available for a single applicant; a flat or house
available for a married applicant in the town.

ADMINISTRATIVE**LEEDS REGIONAL HOSPITAL BOARD****ADMINISTRATIVE MEDICAL OFFICER**

(Medical Officer Salary Scale—£2,530 rising to £2,990 per annum)

Applications are invited for two appointments in this medical administrative grade. The successful candidates who need not have had experience in medical administration—but who have a sound clinical background, and are interested in a career in administration—would be seconded from October, 1970 to June, 1971 to the Nuffield Centre for Health Service Studies, The University of Leeds, to qualify for the Diploma in Health Services Administration.

Candidates who gain the Diploma will subsequently be graded as Assistant Senior Medical Officers—Salary Scale £3,000 rising to £3,705 per annum, and will play a full part in assisting the Senior Administrative Medical Officer in the planning of the hospital and specialist services.

Prospective applicants may contact the Board's Senior Administrative Medical Officer (or his Deputy) at the Board's Headquarters in Harrogate—telephone Harrogate 5061.

Application forms, together with a copy of the prospectus for the course on health services administration, may be obtained from The Secretary to the Board, Park Parade, Harrogate.

Applications should be returned to the Secretary by June 9, 1970. (30767) 54

PUBLIC HEALTH**SURREY COUNTY COUNCIL MIXED AND COMBINED APPOINTMENTS WITH DISTRICT COUNCILS****Divisional Medical Officer**

Northern Division; Medical Officer, Surrey County Council; Medical Officer of Health for both Staines and Sunbury-on-Thames Urban District Councils.

Salary £2,706-£2,403 10s. 0d. + £414 (including London allowance).

Deputy Divisional Medical Officer

Northern Division; Medical Officer, Surrey County Council; Deputy Medical Officer of Health, Staines and Sunbury-on-Thames Urban District Councils.

Salary £2,006 13s. 4d.-£2,644 15s. 0d. + £370 (including London allowance).

Applicants should be qualified, Registered Medical Practitioners with a Diploma in Public Health. Appointments are Superannuable, subject to medical examination and Public Health Officers Regulations 1959.

Car user allowance, generous relocation allowances in approved cases.

Applications stating age, qualifications, experience, names of three referees, to the Clerk, Surrey County Council, Kingston-upon-Thames, by May 28. (31075) 56

BURGH OF COATBRIDGE**DEPARTMENTAL MEDICAL OFFICER**

Applications are invited for Registered Medical Practitioners, preferably possessing the Diploma in Public Health, for appointment as Departmental Medical Officer with the Burgh.

The salary scale is £1,850 per annum, rising to £2,520 per annum, with placing according to qualifications and experience.

Main duties will be in respect of Child Welfare, Immunization, and Vaccination services, and such other duties as may be required by the Medical Officer of Health.

The post is superannuable and permanent, and the successful applicant will require to pass a medical examination before appointment.

Forms of application may be obtained from the Town Clerk, Municipal Buildings, Coatbridge, and should be returned completed to him, on or before May 26, 1970. Louis A. Runciman, Town Clerk, Municipal Buildings, Coatbridge. (17623) 56

BUCKINGHAMSHIRE COUNTY
COUNCIL

**Appointment of
DEPARTMENTAL MEDICAL OFFICERS**
Upper Salary Range—£2,255 to £2,795 per annum

Applications are invited from suitably qualified and experienced medical practitioners for vacancies in the north and south of the county.

Commencing salary within the range according to qualifications and experience. Assisted D.P.H. scheme available.

Removal allowance of up to £100 and housing allowance of £5 per week pending removal may be payable in appropriate cases.

Further particulars and application form obtainable from County Medical Officer County Offices, Aylesbury. (31262) 56

HOVE AND PORTSLADE-BY-SEA
DEPUTY MEDICAL OFFICER OF
HEALTH

Applications are invited from male registered medical practitioners holding the D.P.H. for the above appointment. The Hove Borough Council exercise health and welfare functions delegated by the East Sussex County Council. Opportunity to exercise full range of duties.

Salary £3,100 per annum. Car allowance. Contribution to removal expenses.

Further particulars and application forms from the undersigned to whom applications should be sent so as to arrive not later than May 27, 1970. John E. Stevens, Town Clerk, Brookers Hall, 19 New Church Road, Hove, Sussex, BN3 4AH. (H.8379) 56

COUNTY BOROUGH OF SOUTHPORT

APPOINTMENT OF DEPUTY
MEDICAL OFFICER OF HEALTH
AND DEPUTY PRINCIPAL
SCHOOL MEDICAL OFFICER

Applications are invited from registered medical practitioners for the above appointment. Applicants should possess a diploma in sanitary science, public health or state medicine and have had experience in a health department. Salary £2,865 rising to £3,165 per annum (included in this salary is a special payment of £155 per annum for duties as deputy medical referee at Southport Crematorium). A motor car allowance is paid on a mileage basis.

Application forms and conditions of service may be obtained from the Medical Officer of Health, 2 Church Street, Southport, to whom applications should be returned by May 29, 1970. (H8188) 56

CITY AND COUNTY BOROUGH OF
CARLISLE

MEDICAL OFFICER IN DEPARTMENT

Applications are invited for the post of Medical Officer in this historic City close to the English Lake District and the Scottish Border Country. The work is mainly clinical, with particular emphasis on Child Health. There is opportunity for experience in all aspects of the work of a Health and Welfare Department. Experience in the ascertainment of Mentally Handicapped Children would be an advantage, but opportunities for training are available.

The salary scale is at present £1,850—£2,520. An additional fee will be paid for duties as Deputy Medical Referee to the Crematorium. An assisted car purchase scheme is available; in addition, an essential user car allowance will be paid. Housing can be made available if required, and financial assistance with removal expenses will be offered.

Full particulars and forms of application may be obtained from Medical Officer of Health, Civic Centre, Carlisle, CA3 8QQ. W. Hirst, Town Clerk. (31074) 56

GILLINGHAM BOROUGH COUNCIL
Health Department

MEDICAL OFFICER

In Department with special interest in Geriatrics

Required for a newly created post to look into the problems of the elderly in the community together with a percentage of time given to the normal child and school health duties.

The salary scale within the range of £1,850—£2,520. Commencing point would be fixed having regard to present salary and experience.

The post offers scope for candidates contemplating a thesis or M.D. in this aspect of geriatrics and it is proposed that the doctor appointed would in due course set up a clinic for the elderly to screen and ascertain early signs of ill health and to advise on problems of management.

This post offers an exciting new development in community health and close co-operation with the hospital geriatric service and the general practitioners in the town is assured. Support will be given by a social worker already in the post.

A car allowance will be granted and assistance with removal expenses.

Further particulars of the appointment may be obtained from the Medical Officer of Health, Municipal Buildings, Gillingham, Kent, to whom applications should be sent. (30619) 56

PUBLIC HEALTH

"COMBINED AND MIXED"
APPOINTMENT
OF DISTRICT MEDICAL OFFICER
OF HEALTH

for the Bakewell Urban, Bakewell Rural and Matlock Urban District Councils

DEPARTMENTAL AND SCHOOL
MEDICAL OFFICER
for the Derbyshire County Council

Applications are invited from male or female registered medical practitioners holding a Diploma in Public Health or an equivalent qualification for the above post. Salary £2,250 18s. 0d. rising to £3,092 14s. 7d. per annum.

The person appointed will be directly responsible to the respective District Councils for the proper performance of all duties of a Medical Officer of Health for those areas. As a Departmental and School Medical Officer, he will act under the direction of the County Medical Officer of Health who is also the Principal School Medical Officer. While there is no "divisional administration" of the County Council's medical services, he will be required to conduct clinics and perform such other duties as may be required.

Sympathetic consideration will be given to the provision of temporary housing accommodation if required. The Officer must not engage in private practice but devote whole time to the duties of the before-mentioned posts. The appointment is subject to the provisions of the Local Government Superannuation Acts, 1937/53, and the successful candidate will be required to pass a medical examination. Canvassing, either directly or indirectly, will be a disqualification.

Application forms may be obtained from the undersigned, to whom they should be returned so that they are received not later than June 6, 1970. J. B. S. Morgan, County Medical Officer of Health, County Offices, Matlock, Derbyshire, DE4 3AG. (H.8392) 56

"COMBINED AND MIXED"
APPOINTMENT OF DISTRICT
MEDICAL OFFICER OF HEALTH
for the Borough of Glossop and the
Urban District of New Mills,
AND DEPARTMENTAL AND
SCHOOL MEDICAL OFFICER
for the Derbyshire County Council

Applications are invited from male or female registered medical practitioners, holding a Diploma in Public Health or an equivalent qualification, for the above post. Salary £2,572 14s. 7d. rising to £3,132 5s. 9d. per annum.

The person appointed will be directly responsible to the respective District Councils for the proper performance of all the duties of a Medical Officer of Health for those areas. As a Departmental and School Medical Officer, he will act under the direction of the County Medical Officer of Health who is also the Principal School Medical Officer. While there is no "divisional administration" of the County Council's medical services, he will be required to conduct clinics and perform such other duties as may be required.

The Officer will be required to live in one of the above-mentioned Districts: sympathetic consideration will be given to the provision of temporary housing accommodation if required. The Officer must not engage in private practice but devote whole time to the duties of the before-mentioned posts. The appointment is subject to the provisions of the Local Government Superannuation Acts, 1937/53, and the successful candidate will be required to pass a medical examination. Canvassing, either directly or indirectly, will be a disqualification.

Application forms may be obtained from the undersigned, to whom they should be returned so that they are received not later than June 6, 1970. J. B. S. Morgan, County Medical Officer of Health, County Offices, Matlock, Derbyshire, DE4 3AG. (H.8393) 56

GOVERNMENTAL

Department of Health and Social Security

Headquarters
Medical
Officers

At least 4 posts for men or women aged at least 28 in the Headquarters of the Department in London.

The work of the headquarters medical staff is concerned with the general health of the population, changes in patterns of disease and developments in treatment, and with all medical aspects of planning and organization in the National Health Service.

Within the Department the work is organized in a number of sections, some with highly specialized functions and others with more general responsibilities, giving full scope for the acquisition of specialized knowledge and experience in particular fields which may include the following: medical statistics, epidemiology and social medicine; environmental health; clinical and operational research; data processing and computers; international health; hospital planning; and maternity.

Opportunities for special study, including secondment and attendance at university courses, may be available.

QUALIFICATIONS: Candidates must be registered as medical practitioners in the United Kingdom and have good post-qualification clinical or administrative experience.

STARTING SALARY: £2,735 at age 28 to £4,092 at 40 or over (possibly higher if at least 41), rising to £4,620. Non-contributory pension. Promotion prospects.

**Company Medical
Officer-Dublin**

Applications are invited from registered medical practitioners for the post of Company Medical Officer to Becton, Dickinson and Company Limited. The Company is one of the world's major manufacturers of medical and surgical instruments.

Initially this position will be on a part-time basis, but as the company continues its rapid rate of expansion (at present 600 people) it could become a full time appointment.

The successful candidate will be joining a well established company Health Programme and will be responsible for the health supervision of all members of the company at our two locations — Dun Laoghaire and Drogheda, each with its own medical facilities. He will advise management on all aspects of health and hygiene, and by familiarising himself with company products will be a valuable advisor on their usage.

The company would very much like to hear from doctors (age 30–40) who have experience in industrial medicine, preferably backed up by a diploma in Public Health and/or a diploma in Industrial Hygiene. Alternatively a doctor who plans to make Industrial Medicine his career would be considered.

Salary will be commensurate with experience and potential and will be progressive.

Applications should include details of experience to date and addressed to:

Michael Lenahan,
Group Personnel Manager,
Becton, Dickinson and Co. Ltd.,
Pottery Road, Dun Laoghaire,
Co. Dublin.

MOUNT ISA MINES QUEENSLAND

INDUSTRIAL MEDICAL OFFICER

Mount Isa Mines Limited mines and processes copper and lead/zinc ores at Mount Isa and has the subsidiary companies Copper Refineries Pty. Ltd., Townsville Transport and Services Pty. Ltd., and North Queensland Stevedoring Pty. Ltd., located in Townsville.

Townsville is a North Queensland coastal city with a population of approximately 70,000. Most essential modern amenities are available including education facilities up to and including university level and a wide variety of sporting and recreational activities are catered for. It is situated in the tropics, and during most of the year the climate is very pleasant.

The services provided by the Company's Occupational Health organisation at Mount Isa embracing Medical, Industrial Hygiene and Safety activities, are to be extended to these Subsidiaries. A modern Industrial Medical Centre will be constructed at Stuart, the location of the refinery, eight miles from Townsville, and an Industrial Medical service will be provided for the other Companies from a base in the new Administrative Headquarters in the City.

Applications are invited from registered medical practitioners who have several years' experience in industry. Qualifications must be acceptable for registration in Queensland. Possession of a Diploma in Industrial Health would be a distinct advantage. The appointee will be expected to participate actively in Accident Prevention programmes and to advise management on Environmental and Industrial Hygiene problems.

SALARY: Will be negotiated initially in the \$A9000-\$A11000 p.a. range, dependent on qualifications and experience and will be subject to annual review.

GENERAL

CONDITIONS: First class passages by air and reasonable removal expenses to Townsville. Immediate participation in superannuation and pension plan. Assistance will be given for house purchase. Other fringe benefits apply.

Applications giving full details of qualifications and experience should be air mailed to reach:

The Group Executive Officer
Mount Isa Mines Limited

WELLINGTON HOSPITAL
Wellington, New Zealand**MEDICAL SUPERINTENDENT**

The Wellington Hospital Board invites applications from qualified Medical Practitioners for the position of Medical Superintendent at Wellington Hospital.

Applicants must either be registered in New Zealand or hold qualifications which entitle them to such registration.

This is a new position, the duties of which in the past, have been combined with those of the Superintendent-in-Chief and partly the Deputy Superintendent-in-Chief. It will be a challenging post involving planning and the further development of specialist departments.

The position is essentially Administrative, but arrangements may be negotiated to allow limited clinical work. Special importance will be attached to previous Hospital Administrative experience, and a higher qualification is essential.

Wellington Hospital, a Base Hospital of 955 general beds, covers a wide range of specialties. It is a Branch Faculty teaching centre for the University of Otago Medical School, and in 1973 will establish a Clinical School of the University of Otago.

Conditions are in accordance with the New Zealand Hospital Employment (Medical Officers) Regulations, and the position is one that requires a person of specialist status as defined in the Regulations.

Salary scale will be within the range NZ\$6740—9101 with automatic increments to the maximum of the scale. There are additional Merit Rates of NZ\$9550, NZ10,056, NZ10,567.

NZ\$2,149 equals £1 sterling approximately. Assistance may be given towards the appointee's transport expenses to New Zealand in return for an undertaking to remain in the Board's service for a period of two years.

Applicants should obtain a copy of the Conditions of Appointment and a form of application from the Office of the High Commissioner for New Zealand, New Zealand House, Haymarket, London S.W.1.

Applications will be received by the Secretary, Wellington Hospital Board, Private Bag, Wellington, New Zealand up to 9 a.m. on Monday, June 22, 1970. (17445) 61-1

VICTORIA — AUSTRALIA. POSITION with a view to full membership with a group of nine.

No in-going costs or overheads, and with most Specialist services available in the Group.

Salary: \$8,190—\$9,323, plus right of private practice. Additional per annum—\$800 for higher degree, \$400 for diplomas.

Leave: Annual leave—4 weeks per annum. Sick leave—21 days per annum. Post graduate leave—2 weeks per annum (not accumulative). Sabbatical leave—6 months after 5 years' service. Long service leave—3 months after 10 years' service.

Superannuation: Good Superannuation benefits with Death and Disability cover—no qualifying period.

Roster duties: With adequate time off weekends, night and afternoon each week.

Accommodation: Unfurnished house on rental basis, or furnished flat for single doctor.

Hospital and Clinics: Day-to-day requirements at the Group Clinics. 150-bed hospital with full hospital facilities and private care.

Duties: G.P. sessions at Group clinics plus hospital in-patient management.

Situated in an expanding area of the Latrobe Valley with excellent sporting facilities, handy to coastal resorts and mountain areas. Fringe benefits, including a gardener are available.

Further details on any aspect available from The Secretary, P.O. Box 105, Newborough, Victoria, 3828. J. A. Graham, Secretary. (H.8161) 61-1

WINNIPEG GENERAL HOSPITAL
Winnipeg, Manitoba**POSITION OPEN****LOCUM ANAESTHETISTS, CANADA**

University teaching hospital requires locum anaesthetists for 1—3 months \$1,200.00 per month plus return air fare. Ideal temperatures. F.F.A.R.C.S. preferred. Reply immediately to Dr. C. T. Ethans, Assistant Professor, Department of Anaesthesia. (H.8293) 61-1

**WANTED:
YOUNG DOCTOR**

£6,150 annually for the first year. 27 bed hospital in hilly, lake area of Saskatchewan. To join two Welsh doctors. Anaesthetic experience helpful but not essential. Modern house available for economic rent.—Box 3129 B.M.J. 61-1

**WAIKATO HOSPITAL BOARD
Te Kuiti Hospital
New Zealand****WHOLE-TIME MEDICAL OFFICER**

Applications are invited from suitably qualified medical officers for the above position.

Some postgraduate experience in Anaesthetics is essential and applicants should preferably hold a higher qualification in the specialty. In addition, the appointee will carry out general medical duties.

Te Kuiti Hospital is a general hospital of some 100 available beds and a wide range of surgery is carried out (800 operations per annum).

Housing may be available at a rental in accordance with the Hospital Employment Regulations.

Salary and conditions will be in accordance with the Hospital Employment Regulations within the scale \$4,819/8,202. Commencement rate will be determined by the Director General of Health having regard to the qualifications and experience of the appointee.

Enquiries regarding this position should be made direct to the Medical Superintendent, Te Kuiti Hospital, Te Kuiti, New Zealand.

Conditions of Appointment and application form are available from the Secretary, Waikato Hospital Board, P.O. Box 934, Hamilton, with whom applications close on June 17, 1970 (H8297) 61-1

WANTED: ADDITIONAL PARTNER FOR general group practice of five doctors in attractive large country town in South Australia. Group has F.R.C.S., M.R.C.O.G. & D.A. Doctor with M.R.C.P., D.C.H. or D.L.O. preferred. Modern hospital of 200 beds. Enquiries to Dr. W. J. Wright, c/o 66 Croft Road, Carlisle, England. 61-1

**WAIKATO HOSPITAL BOARD
Waikato Hospital
Hamilton
New Zealand****WHOLE-TIME ANAESTHETIST**

Applications are invited from suitably qualified medical officers registrable in New Zealand for the above position. Applicants should have been qualified for a minimum period of eight years and have had five years experience in Anaesthetics and possess an F.F.A.

Salary will be in the scales \$4,819/8,202—\$6,740/9,101 per annum.

Waikato Hospital is an 800 bed base hospital situated in the city of Hamilton. The city has excellent public and private schools, a university centre and a teachers training college. It is the centre of a rapidly expanding agricultural and farming area with ready access to hunting and fishing grounds and other areas.

Enquiries regarding this position should be made direct to the Medical Superintendent, Waikato Hospital, Private Bag, Hamilton.

Conditions of Appointment and application forms may be obtained from the Secretary, Waikato Hospital Board, P.O. Box 934, Hamilton, with whom applications close on June 17, 1970 (H8296) 61-1

to assist in expansion policy. The position offers much scope for a person with the right qualifications: methodical outlook, skilful author liaison, knowledge of medical literature, editorial and administrative experience. Salary will be commensurate with the applicant's experience, and progressive with the results achieved. Please send full details to Box 3149 BMJ 62-4.

**Medical Officer
Zambia**

Roan Selection Trust has a vacancy for a young Medical Officer of Senior House Officer standard to work in a modern well equipped hospital on the Copperbelt in Zambia. A wide variety of clinical material affords an excellent opportunity to gain valuable experience in tropical and general medicine, obstetrics and surgery.

The successful applicant will be employed at Chibuluma, one of four mines on the Copperbelt managed by RST and owned in partnership with the Zambian Government. At Chibuluma his duties will include the medical care of both out-patients and in-patients in a 90 bed hospital catering for company employees and their families. There will also be a certain amount of public health supervision.

Initially, employment will be on a two year contract although this could be longer if required and contracts may be renewed by agreement.

The salary, which will be generous, will be based on experience and qualifications. Contract employees are permitted to externalise up to 50% of total monthly earnings.

Furnished accommodation is provided at a low rental and air fares for successful applicant and family will be paid at the commencement and end of contract.

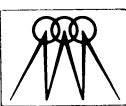

A car will be provided for professional use.

Additional benefits include * baggage allowance * free life assurance * educational allowance of up to £500 per child per annum with two holiday return fares per annum * 55 days paid leave p.a.

The Copperbelt which is 4,000 feet above sea level enjoys an ideal climate with an abundance of sunshine. Excellent facilities exist for practically all sports and leisure activities including first class golf courses, yacht clubs and television.

Applicants should write to:

E. T. S. Hughes 80/70, Overseas Appointments Division,
RST International Metals Limited, One Noble Street, London EC2

RST**RACHEL FORSTER HOSPITAL
Pitt Street, Redfern, Sydney
ASSISTANT
MEDICAL SUPERINTENDENT**

Applications closing May 31, 1970 are invited from male or female medical practitioners with at least 5 years' hospital experience for appointment to commence on August 1, 1970.

Rachel Forster Hospital, within 10 minutes of the centre of Sydney, is a general hospital of 160 beds with a large out-patients department at which there are approx. 50,000 attendances annually. There are Private, Intermediate and Public Beds for men, women and children. Excellent ancillary services—a large pathology department, medical records department, pharmacy and physiotherapy departments and a small intensive care unit.

Salary range \$7498-\$8259 plus \$700 for higher medical qualification relevant to work.

There is a furnished flat at low rental available opposite the hospital or a flat for a single person (no kitchen) in the residents' quarters.

Further details and application forms are available on request from The General Medical Superintendent.

Applicants will be interviewed in London between June 3 and 10. Applications should be sent to Dr. Freda B. Bonner, c/o Royal Overseas Club, St. James's, London S.W.1. (H8298) (61-1)

**Mount Sinai School of Medicine
New York**

ST. ANDREW'S HOSPITAL NORTHAMPTON

Medical Director: James Harper M.B., F.R.C.P. (Edin.), D.P.M.

St. Andrew's Hospital is a private psychiatric hospital situated in 130 acres of parkland in the county town of Northampton. In general, patients are admitted to Wantage House, a reception unit in the grounds, which is equipped for the investigation and treatment of all forms of mental and nervous illness. In addition, there is accommodation mainly in private rooms, both in the main hospital and in various villas, for longer-stay patients and geriatric patients.

The hospital's amenities include Gloucester House, which comprises an Occupational Therapy department, a swimming pool, a squash court and library, while in the grounds there are tennis courts, a nine-hole golf course, etc.

Fees range from £31 10s. per week, and subscribers to private medical insurance schemes, such as British United Provident Association and Private Patients Plan, may claim benefit in respect of these charges.

Further particulars may be obtained from the Medical Director, St. Andrew's Hospital, Northampton (Tel. Northampton 34354), who can be seen in consultation by appointment, either at the hospital or at 55 Harley Street, London, W.1. 67-13

Betnovate-C Cream	●	●	●
Betnovate-C Ointment	●	●	●
Betnovate-A Ointment	●	●	—
Betnovate-N Lotion :	20 ml bottle		
Betnovate-N Tulle :	10 pieces		

Betnovate preparations for non-infected dermatoses

Preparation	Pack size		
	15 gram tube	30 gram tube	100 gram tube
Betnovate Cream	●	●	●
Betnovate Ointment	●	●	●
Betnovate Lotion :	20 ml bottle		
Betnovate Scalp Application :	30 gram plastic squeeze bottle		
Betnovate Compound Suppositories :	box of 10		
Betnovate Rectal Ointment :	20 gram tube		

Betnovate (0.1% betamethasone as 17-valerate)
 Betnovate-N (Betnovate + 0.5% neomycin sulphate)
 Betnovate-C (Betnovate + 3% clioquinol)
 Betnovate-A (Betnovate + 3% aureomycin)
 Betnovate Rectal Ointment (0.05% betamethasone 17-valerate + 0.1% phenylephrine hydrochloride + 2.5% lignocaine hydrochloride)
 Betnovate Compound Suppositories (0.5 mg betamethasone 17-valerate + 2.0 mg phenylephrine hydrochloride + 40.0 mg lignocaine hydrochloride)

Indications

All steroid-responsive dermatoses including psoriasis. Betnovate-N or Betnovate-A preparations should be used if bacterial infection is present or suspected. As an alternative, or when there is fungal infection present, Betnovate-C may be used.

Application

Ointment, cream, lotion and scalp application
 Apply a small quantity once or twice daily.

Rectal Ointment

Apply a small quantity two or three times daily.

Compound Suppositories

Insert a suppository night and morning.

Tulle

Apply direct to the lesion and cover with an absorbent dressing if necessary.

Adverse reactions

Betnovate preparations are usually tolerated well, but if signs of hypersensitivity appear, application should be stopped immediately. When used with occlusive dressings on extensive areas, or for prolonged periods, as with all topical steroids the possibility of systemic absorption should be considered. Absorption is more likely in infants and children and may occur in the absence of occlusion. Prolonged corticosteroid therapy may cause local atrophy.
