

Test Tube

A crowded tube: a tough test confirming the success of Declinax measured both in mm/Hg¹ and in the patient's ability to cope with and enjoy life^{1, 2}

Brit. med. J., 1966, *ii*, 732.

1. "In this trial many patients treated with debrisoquine [Declinax] had been unsatisfactorily controlled by other hypotensive agents; the change to this drug made satisfactory blood-pressure control possible, and there was relative freedom from troublesome side-effects."

*Declinax is the registered trade mark for pharmaceutical preparations containing debrisoquine sulphate.

Full information is available on request from Roche Products Limited, 15 Manchester Square, London W1M 6AP

Brit. med. J., 1966, *ii*, 728.

2. "Side-effects are notably less frequent, less severe and less unpleasant than with any other effective preparation previously used for lowering blood-pressure..."

DECLINAX*

PONDERAX[®]

Fenfluramine

ACTS ON FAT

The more overweight the patient – the more fat they have – the more Ponderax they need.

Ponderax has an exercise-like glycoliptic effect to melt away excess fat – without diet – without stimulation – without tolerance.

Prescribing is simple – weigh the patient, take skinfold thickness reading, give the patient the appropriate dosage schedule sheet with the required number of tablets and they will start to lose their excess fat after 2/3 weeks.

CASE HISTORY 1:

WHAT SORT OF PEOPLE HAVE HOME LIFTS?

GEORGE, LINCOLNSHIRE FARMER

George was always the independent type—until arthritis struck. Eventually walking was again possible but unaided stair climbing out of the question. A Home Lift changed all that! Now George is independent again.

Every floor's a ground floor with a Hammond & Champness Home Lift. Send for a fully illustrated brochure in colour and see for yourself how well it looks in any setting. About £900 (credit terms available)

Hammond & Champness Ltd
DEPT. BJ, 159 ST. JOHN STREET, LONDON EC1 (01-253 9081)

In Bremen in 1905 Dr. Ludwig Roselius discovered how to remove caffeine from coffee without altering its flavour.

Since then, it has been possible for everyone to enjoy good coffee and good sleep. And in, nearly every country of the world, H.A.G. Decaffeinated Coffee is recommended by Doctors whenever caffeine is contraindicated. Liberal samples are free to any Doctor applying to the address below.

The A.A. Supply Co. Ltd. (Dept. 204), 31/33 Priory Park Road, N.W.6.

PHARMACEUTICAL PRODUCTS

Readers are reminded that prescribers' literature and clinical information are always available from advertisers on request.

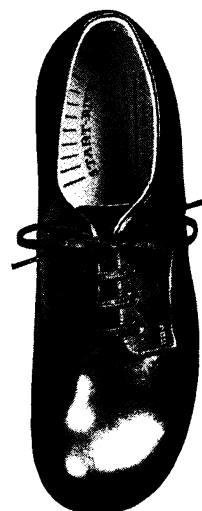

the 'inside secret' of treating in-rolling feet

Prescribe an external shoe wedge, and you only do part of the job. The wedge wears away to become largely ineffective—and in any case it disturbs the proper balance of the shoe. On top of that you run the risk of introducing a psychological problem too—what child wants to wear shoes that make him look and feel abnormal?

The answer can be found in Start-rite INNERAZE, the shoes that are orthopaedically designed to correct in-rolling with an invisible built-in wedge that can't wear or change shape.

For further information about the shoes with an 'inside secret' or details of the explanatory 12-minute INNERAZE 16mm colour film available on loan, write to: C. James, Fitting Consultant, Start-rite Shoes Ltd., Crome Road, Norwich, NOR 60A.

Boehringer Ingelheim Limited are pleased to announce the availability of Catapres for the treatment of hypertension

World-wide interest in Catapres has resulted to date in a list of more than 275 reports on its action and use in hypertension. British journals have already contained many Catapres trial reports and references. In addition, Catapres has been the subject of three international symposia held in New York, Ulm and London.

This wealth of clinical experience with Catapres is being augmented by several formal studies and open assessments which are currently being carried out by Physicians throughout the British Isles.

Catapres (clonidine hydrochloride) is available as:
Tablets containing 0.10 mg.
Ampoules containing 0.15 mg in 1 ml.

Appearance of tablets

White, uncoated tablets impressed with the motif $\frac{C}{S}$ on one side, and the Boehringer Ingelheim symbol on the reverse.

Full information on Catapres is now available to the medical profession from the Technical Services Department of Boehringer Ingelheim Limited.

Road Accidents and the Family Doctor

Road accidents are now acknowledged to be one of the major epidemics of our time. It has been estimated that many accident deaths could be saved by skilled treatment at the site of the accident, and recently doctors in Britain and abroad have been playing an increasingly active part in this. This booklet, which reprints a series of articles which appeared in the *B.M.J.*, contains contributions on organization and medical equipment, the management of soft-tissue injuries resuscitation, fractures of the spine, and extrication of persons trapped in a vehicle. The introduction is written by Mr. Norman Capener, Chairman of the Medical Commission on Accident Prevention.

How many of the drugs you prescribe are as well documented as Alka-Seltzer?

TRADE MARK

In the booklet 'A Scientific Assessment of Alka-Seltzer' no less than forty-three sources of reference are quoted – and that represents only part of the documentation available on the product. Based on these references the facts about Alka-Seltzer are presented in explicit detail:

Physico-chemical studies—on pH, solubility, ionisation and fat-solubility, antacid and buffering action *in vitro*.

Pharmacological studies—on

antacid and buffering action *in vivo*, effect on gastric emptying, absorption, salicylate blood levels, excretion.

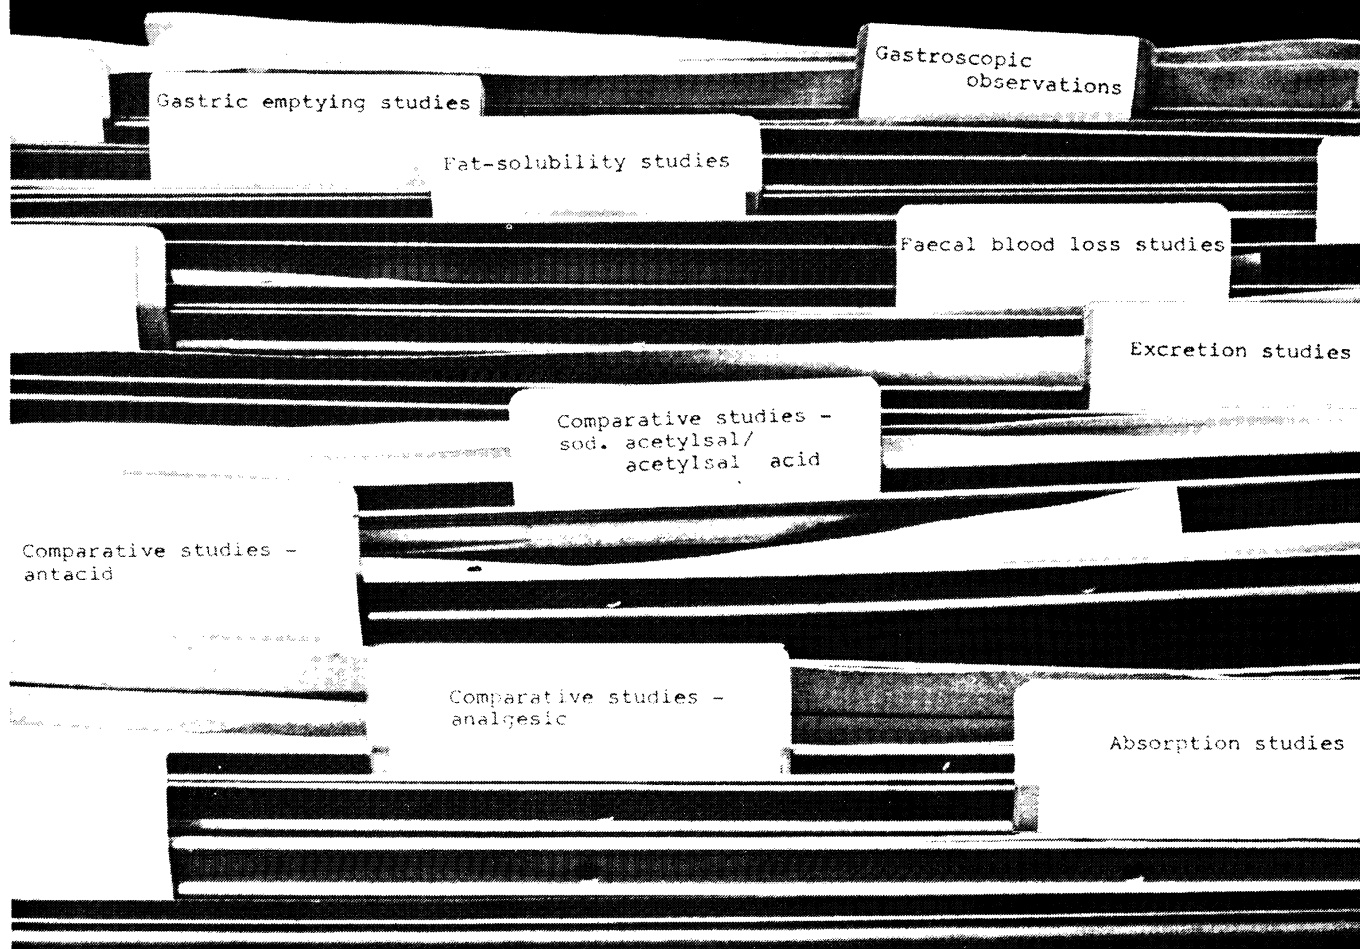

Therapeutic studies—on its antacid and analgesic properties.

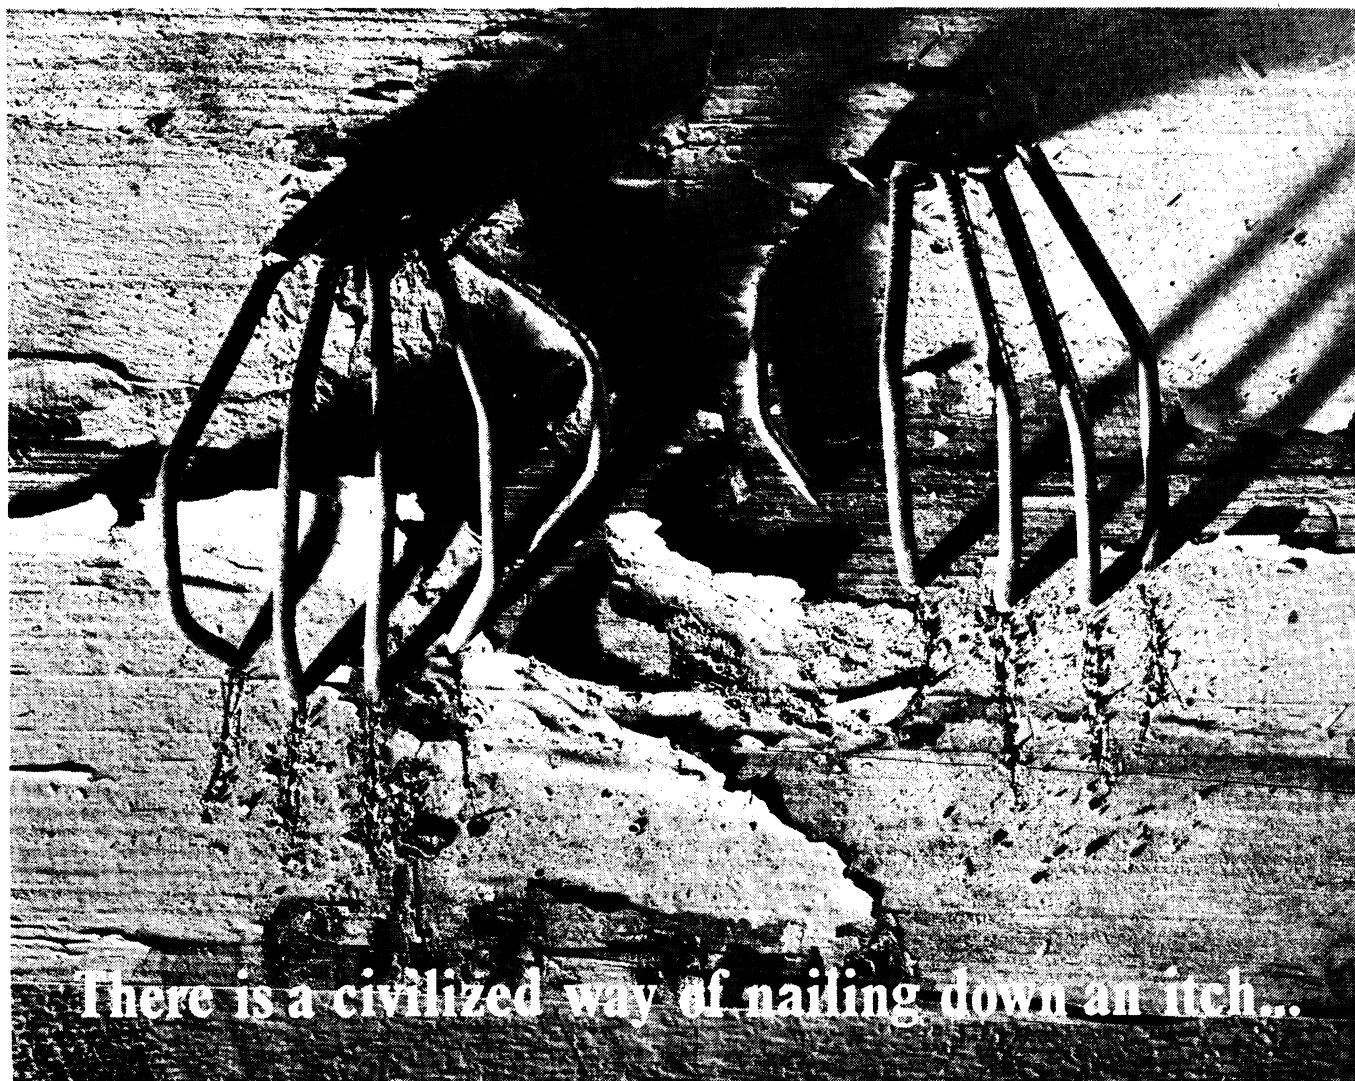

Safety studies—on the difference between sodium acetylsalicylate and acetylsalicylic acid, gastroscopic observations, faecal blood loss, and special studies related to alcohol ingestion.

The total picture that emerges

is that of a safe and effective home remedy which is as well documented as many ethical prescription items.

For every doctor who is concerned about the subject of self-medication 'A Scientific Assessment of Alka-Seltzer' makes instructive reading. Copies available from: Dept G 1, Miles Laboratories Limited, Stoke Court, Stoke Poges, Bucks.

Vallergan – orally

In urticaria and pruritus, whatever their aetiology, 'Vallergan' breaks the itch-scratch-itch cycle, encouraging the healing of lesions.

Antipruritic and antihistaminic, 'Vallergan' also exerts a potent sedative action, ideal for the restless patient and when sleep is disturbed.

Not just a pretty face.

Now, in an entirely new format, comes the Heinz booklet, "From Milk to Mixed Diet." The new edition covers feeding and development from birth right up to the toddler stage. Written under the supervision of a leading paediatrician, it follows the concept of feeding by weight rather than age. It will prove a useful reference to mothers, helping them to

cope with their day-to-day feeding problems. We'll be pleased to send you copies (without charge) for your own use and for mothers under your care.

"It's the same every winter, doctor"

Michael's had asthma since he was three. Every winter it's the same old story – he gets a cold which quickly sets up the familiar pattern of bronchitis and severe asthma causing anxiety for Michael, his mother and his doctor.

Now Ceporex (cephalexin) is the effective answer to the bacterial infection because it kills most of the pathogens, including penicillin-resistant staphylococci, which commonly cause acute respiratory infections. The absorption of Ceporex is rapid and virtually complete, giving high serum levels within an hour of administration. Ceporex has very low toxicity, is well tolerated and can be considered the logical alternative for patients hypersensitive to the penicillins.

At the International Conference on Cephalosporins, 1970, twenty papers were presented on cephalexin. These reported on the treatment of 2,000 patients with a wide variety of conditions.

During a trial conducted in adults and children by General Practitioners, *341 infections were treated, including those of the ear, nose, throat and soft tissue, as well as those of the urinary and respiratory tracts. An over-all success rate of 91% was achieved with Ceporex at a dosage of 20 mg/kg per day or over. Confirmation that Ceporex really works. Make it your first choice in bronchitis.

*Supp. to *Postgrad. med. J.* (Oct. 1970) **46**, 113

Successful treatment starts with

Ceporex

cephalexin

See previous page for more information

"And I've found Ceporex just as successful in cystitis and otitis media"

Ceporex is fast becoming acknowledged as a highly effective treatment for urinary and ENT infections as well as those of the respiratory tract. And recent trials* on an international scale have proved this growing and increasingly widespread confidence to be completely justified.

*Supp. to *Postgrad. med. J.* (Oct. 1970) 46

cephalexin

Fifty years ago Dr. John Rogers discovered that it pays to deal with the specialists.

He found our Society existed solely to look after the assurance needs of doctors and dentists.

For the rest of his life he had no worries about paying locums when he was ill. No worries about the effect of his death on his family. No worries about enjoying the retirement he felt entitled to. And he shared in all our profits because we're a mutual society.

Now his widow still has the added security of our pension cheque every month.

Isn't it time you discovered your Society?
We are the specialists. Get us on your side.
Start today by writing for our prospectus quoting ref. BMJ3. It will help you to live happily almost ever after.

Medical Sickness Society

Full information is available on request.

● Diuretic therapy

The traditional approach to C.C.F. was rest, digitalis to improve cardiac function, and a diuretic to reduce oedema. The diuretic could be mild, moderate or potent, according to the doctor's judgement.

The problem of potassium loss

Under diuresis the reduction in plasma volume leads to a compensatory increase in the secretion of aldosterone. This causes reabsorption of sodium and water in exchange for potassium. The result is a feeling of general ill-health in the patient, and a growing risk of digitalis intoxication.

● Diuretic with potassium supplements

To moderate the effects of potassium loss doctors have tried supplemental potassium, in the hope that the extra potassium ingested might compensate for that being excreted.

Is the problem solved?

Unfortunately this has shortcomings. Extracellular potassium is easily replaced, but if the intracellular levels have been disturbed the problem of correction is extremely difficult. Without constant electrolyte checks potassium supplements are at best a hit or miss solution, and the long-term risk of bowel ulceration can never be ignored.

● The role of spironolactone . . .

to supplement and enhance the effectiveness of your chosen diuretic.

To obviate many of the hazards already mentioned more and more doctors are now adding Aldactone-A to the initial regimen of digitalis and a diuretic. By its unique action Aldactone-A effectively reduces potassium loss caused by conventional diuretics, and eliminates the need for potassium supplements.

Aldactone-A will combat the effects of diuretic-induced secondary aldosteronism. By its synergism with the more proximally acting diuretic Aldactone-A will provide a smooth, increased diuresis, with the later possibility of a reduction in diuretic dosage.

Used from the start of therapy, Aldactone-A will:—

- Reduce the long-term hazards of thiazide therapy e.g. drug-induced diabetes, gout.
- Not normally allow refractory states to develop.
- Eliminate the need for potassium supplements.
- Avoid the "washed out" feeling common to so many patients on long-term diuretic therapy.
- Improve the long-term prognosis.

Aldactone-A

Aldactone is a Registered Trade Mark

'Synalar' Gel treats inflammatory conditions of the scalp such as simple dandruff and seborrhoeic dermatitis.

The unique gel formulation is clear, non-greasy and non-sticky – which means no mess

Autohaler

ISO-AUTOHALER OR DUO-AUTOHALER

A new kind of inhaler
operated by breath alone

Breath-triggered operation

A dose is automatically released at exactly the right moment in the patient's breathing cycle.

Built-in synchronism

The patient no longer has to co-ordinate pressing a vial and inhaling to be sure of an effective dose. *Autohaler* makes every patient an expert in inhalation technique with little instruction.

Controlled action

Patients cannot pump the *Autohaler* unit and take several puffs while inhaling. And *Autohaler* eliminates wasted doses resulting from test-firing or faulty use.

Treatment economy

Treatment costs as little as 0.33p per inhalation.* (Some ordinary aerosols cost more per puff.)

*Average cost per dose calculated from cost of one *Iso-Autohaler* complete plus one replacement cartridge.

Governed doses

With *Autohaler* it is more difficult for the patient to take excess dosage because the unit must be reset between inhalations.

Unparalleled inhalation efficiency

Because every dose from *Autohaler* is made to count, a patient is more likely to get full benefit from treatment and therefore less likely to take extra, ill-advised doses.

Iso-Autohaler and *Duo-Autohaler* are supplied as complete units for which replacement cartridges are available.

Composition *Iso-Autohaler* contains a suspension of Isoprenaline Sulphate B.P. 4 mg./ml. and delivers to the patient 0.08 mg. in each dose. *Duo-Autohaler* contains a suspension of isoprenaline hydrochloride 8 mg./ml. and phenylephrine bitartrate 12 mg./ml., and delivers to the patient 0.16 mg. isoprenaline hydrochloride and 0.24 mg. phenylephrine bitartrate in each dose. **Indications** *Iso-Autohaler* and *Duo-Autohaler* give immediate relief of bronchospasm in bronchial asthma, chronic bronchitis and emphysema. **Dosage** One to three puffs should be sufficient to provide relief in most cases. It should not be necessary for the patient to take further treatment for at least thirty minutes, or more than eight treatments a day. Children: *Iso-Autohaler* and *Duo-Autohaler* should be administered to children only under the supervision of a responsible adult. **Side-effects** Overdosage may cause dry mouth, palpitations, or

nervousness. **Cautions and contra-indications** There are no absolute contra-indications, but *Iso-Autohaler* and *Duo-Autohaler* should be used with caution in the presence of cardiac disease, hypertension or hyperthyroidism.

Basic NHS prices *Iso-Autohaler*, complete unit £1.97, replacement cartridge £0.72. *Duo-Autohaler*, complete unit £2.10, replacement cartridge £0.85. *Autohaler*: registered trade mark. *Iso-Autohaler*, *Duo-Autohaler*: trade marks.

A few hard facts about ear wax solvents

In the literature regarding the efficacy of ear wax solvents conclusions have been drawn based wholly on in vitro studies but their validity in clinical practice has been questioned.

A recently published report of in vitro studies of ear wax solvents with a controlled clinical trial—probably the first carefully designed and controlled work on the subject—compared the efficacy of six widely used solvents and again confirmed the importance of in vivo studies.

Cerumol was found to be the only product significantly more effective than the control.

Reference: J. Laryngology & Otology (1970), LXXXIV No. 10, 1055.

Small wonder that CERUMOL remains the most widely prescribed ear wax preparation.

CERUMOL

removes wax easily, rapidly and safely—from the ear.

Prescribable on N.H.S. form E.C.10.
Available as 11 ml dropper vial.

Get up and go . . .

. . . the first stage on the road to complete recovery. The rapid removal of a convalescent patient's feeling of listlessness and malaise is the key to their rapid recovery. This is particularly so after such seasonal ailments as influenza and other winter infections when even the weather conspires to depress.

In Labiton the active catechol-caffeinates of the Kola nut are retained by a special anti-oxidative process and stabilised in alcohol. Glycero-phosphoric acid and Vitamin B₁ are added together with special flavouring to give a highly palatable central stimulant.

Prescribable on N.H.S. form E.C.10
Available as 200 ml bottles.

As a first line antibiotic in common respiratory infections **ILOSONE**TM Erythromycin Estolate BP has proved its claims

- ☐ Intense antibacterial action where it is needed
- ☐ Low incidence of sensitivity reactions
- ☐ Reliable, consistent and rapid absorption
- ☐ Little clinically significant effect on gut flora

It is not surprising that more and more doctors are prescribing ILOSONE as a first line treatment for everyday respiratory infections.

The clinical evidence, which has been mounting for over 10 years, has only strengthened the ILOSONE claims. Reliable, predictable and effective where it matters most—particularly against Gram positive cocci, H. influenzae and Mycoplasma pneumoniae. Little or no effect on the normal gut flora and no risk of stained teeth or deposition in bone.

Furthermore, apart from rare reports of reversible cholestatic jaundice following prolonged treatment, ILOSONE has a notable record of safety.

ILOSONE has stood the test of time where others have failed or have yet to prove themselves.

SEMI-DISPLAY ADVERTISEMENTS

£9 per single column inch and pro rata

All classified advertisements, subject to approval, will appear in the forthcoming issue provided they reach this office not later than 12 noon on the Friday of the week preceding date of issue. Semi-display advertisements must reach this office by 12 noon on the Tuesday of the week preceding date of issue.

Cancellation and corrections of advertisements must be received before 2 p.m. on the Friday of the week preceding date of issue (issues affected by public holidays excepted).

It is requested that when stamped addressed envelopes are enclosed in response to advertisements advertisers will ensure that a reply is sent.

Every effort is made to ensure the accuracy of advertisements appearing in the Journal. No recommendation is implied by acceptance, and the Editor of the *British Medical Journal* reserves the right to refuse, discontinue or interrupt the insertion of any advertisement.

NOTICE TO READERS

REPLIES TO BOX NUMBERS. The names and addresses of advertisers under box numbers are held by us in strict confidence and cannot be disclosed. Each Box Number should be addressed separately. Two or more replies can be enclosed in one envelope. The replies will be forwarded to the advertisers in plain envelopes.

ROYAL COLLEGE OF PHYSICIANS OF LONDON

M.R.C.P. (U.K.) EXAMINATION
 The Diploma M.R.C.P. (U.K.) may now be registered with the General Medical Council. The next Examination for Parts I and III of the Examination will start on Friday, 11th June, 1971.

Candidates are notified of two changes in the Examination:—

1. Candidates may opt to undertake the clinical examination only of Part II in either (a) General Medicine or (b) Paediatrics.
 2. As from April, 1970 Part III of the Examination was discontinued, but candidates who have already been admitted to take Part III will be allowed to complete any outstanding attempts.

Candidates holding the diploma of M.R.A.C.P. have hitherto been allowed exemption from Parts I and II on application to the Censors' Board but have been required to take Part III. They may now apply to the Censors' Board for exemption from Part I and the written papers of Part II, but will be required to take the oral and clinical examinations of Part II.

Candidates must apply to the College for entry forms. The completed forms must reach the College (together with the necessary fee and supporting documentation) not later than first post on Friday, 14th May, 1971. The fee for entry to Part II after success in Part I is £35. The fee for a second or third attempt at Part II is £30. The fee for Part III is £18. (17353) 2

UNIVERSITY OF BRISTOL

FINAL F.F.A.R.C.S. COURSE

A two-week course for candidates preparing for the above examination will be held from Monday June 7th until Friday June 18th inclusive. GENERAL PRACTICE TRAINING POSTS

BIRMINGHAM REGIONAL HOSPITAL BOARD AND UNIVERSITY OF BIRMINGHAM

Vocational training for general practice. The Birmingham Regional Hospital Board and the Board of Graduate Studies of the Faculty of Medicine of the University of Birmingham, in co-operation with the Midland Faculty of the College of General Practitioners and Local Medical Committees, offer to post-registration graduates seeking a career in general practice in the Birmingham region three year period of vocational training which will satisfy the requirements for the vocational training allowance. The three years will include:—1. Two house officer appointments, each of six months in obstetrics, paediatrics, psychiatry or any other specialty that may be desired. 2. A one year resident "family medicine rotating internship" in the grade of senior house officer. This year will be tailored to the needs of the holder and may include general medicine, paediatrics, obstetrics and gynaecology, psychiatry, casualty, dermatology, ophthalmology, otorhinolaryngology or geriatrics. 3. One year as a registrar in family medicine (trainee practitioner). This year may be divided into two periods—one in urban and the other in rural practice. It will include an extended course of special instruction sponsored by the University of Birmingham and may also include a period of attachment to a Medical Officer of Health.

Detailed applications naming 3 referees to Secretary, Regional Hospital Board, 146 Hagley Road, Birmingham B16 by 3rd May, 1971. (44501) 11

WINDSOR GROUP HOSPITAL MANAGEMENT COMMITTEE

Vocational trainees are invited for a three year Vocational Training Post for General Practice, based at Wexham Park Hospital, Slough. Senior House Officer grade salary scale (Salary related to previous service on S.H.O. or higher grade in accordance with regulations). Successful candidate will spend two years in rotating posts in Hospital Departments and one year in approved General Practice. Further information may be obtained from the Hospital Secretary, Wexham Park Hospital, Slough, to whom applications with details of two referees should be addressed. (44585) 11

SITUATIONS WANTED

ANAESTHETIST now retired from directing teaching department and not wishing to stagnate, desires part time anaesthetic or para-anaesthetic work in London. Considerable literary experience. Box 3516 BMJ. 13

WELL TRAINED, experienced physician available for clinical or research work in paediatric neurology. London or Oxford area. Box 3377 BMJ. 13

UNIVERSITY AND RESEARCH APPOINTMENTS (see also OVERSEA)

HOUGHTON POULTRY RESEARCH STATION Houghton, Huntingdon (Founded by the Animal Health Trust) Grant-aided by the Agricultural Research Council

HEAD OF DEPARTMENT OF VIROLOGY (Re-advertisement)

Applications are invited from experienced virologists for the vacant post of Head of the Department of Virology. Possession of a veterinary qualification is desirable.

The work of this department is concerned with investigations of viral diseases of poultry other than those associated with oncogenic viruses. Facilities include a recently completed and fully equipped laboratory wing, sophisticated isolation accommodation for experimental animals and access to an electron microscope.

The salary would be in the range £2,820 to £5,015 p.a. depending upon qualifications and experience, plus allowance of £44% of salary for F.S.S.U. superannuation.

Further information and applications should be submitted by 14th May, 1971. (17444) 14-1

ROYAL POSTGRADUATE MEDICAL SCHOOL Hammersmith Hospital

RESEARCH FELLOW IN NUCLEAR MEDICINE

Applications are invited for the above post in Radioisotope Scanning Unit attached to the Department of Diagnostic Radiology. Emphasis is on organ scanning and applications of Cyclotron-produced isotopes. Applicants need not necessarily have experience in nuclear medicine but higher medical/radiological qualification desirable. Advanced training in nuclear medicine available. Post tenable for 3 years. Salary equivalent to that of Senior Registrar. Applications to Secretary, Royal Postgraduate Medical School, Hammersmith Hospital, Duane Road, London, W.12, by 21st May, 1971 quoting ref. 12/225. (17355) 14-1

LONDON SCHOOL OF HYGIENE & TROPICAL MEDICINE

TUC CENTENARY INSTITUTE OF OCCUPATION HEALTH

offers an attractive appointment for a doctor aged, but 30-35 interested in occupational health to undertake a research survey into existing and planned occupational health services in hospitals in England and Wales. Hospital Memorandum (71) 27 "Care of the Health of Hospital Staff" refers.

This project, which will take 3 to 5 years to complete, needs a doctor with experience as a registrar or senior registrar, and the post would suit someone already in occupational health or wishing to enter this field.

Salary according to age, qualifications and experience, but probably in the Clinici.1 Senior Lecturer range £3,635-£5,324. Applications and requests for further information to Dr. Peter Taylor, Deputy Director of the Institute at Keppel Street, London, WC1E 7HT. (17536) 14-1

VACANCY FOR A MEDICAL GRADUATE
INTERESTED IN THE
ADMINISTRATION OF RESEARCH

If you are a Medical Graduate, preferably aged under 38 with at least five years' postgraduate experience and an interest in research, there is a particularly interesting administrative appointment available with the Medical Research Council in London.

The Council is the main Government agency responsible for the promotion of medical research and sponsors an extensive programme both at home and abroad. The position offers an excellent opportunity to keep in touch with the latest developments in medicine and the biological sciences. The work involves maintaining close liaison with scientific staff and others in the medical research field working in the Council's own establishments in universities, hospitals and other institutions. Salary will be in the range £2,957-£4,429 per annum rising subsequently to £5,000 per annum, plus superannuation allowance. The appointment will be to the Council's established staff, subject to satisfactory completion of a probationary period of two years.

Applications, which will be treated in strict confidence, should give full personal and career details and explain why you consider that you may be suitable for this post, and should be sent to Miss M. Walton, Medical Research Council, 20 Park Crescent, London, W1N 4AL, telephone 01-636 5422, together with the name and address of two professional referees. Closing date for applications is 7th May, 1971. Please quote E2/480. (44630)

WARE PRACTICE MANAGER required for expanding group practice. Salary in accordance with experience and qualifications. J. M. Ferrar, 63 High Street, Ware, Herts.

COMMERCIAL APPOINTMENTS

Wellcome

CLINICAL RESEARCH
parasitology and
tropical medicine

This is a new position in the Clinical Trials Department of our Clinical Research Division in London, which is responsible for the evaluation of efficacy and tolerance of products which reach the stage of clinical investigation.

This post will be mainly concerned with the initiation and administration of clinical trials in the tropics and elsewhere of our new drugs in the field of parasitology, but from time to time other products being investigated by the Department will be involved. Direct negotiation with clinical investigators throughout the world will necessitate extensive travel from time to time. Close co-operation with the Wellcome Laboratories of Tropical Medicine at Beckenham will also be required, and a part-time clinical assistantship at a hospital will be encouraged.

To fill this position, a medical practitioner already well-known in the field of tropical medicine would have an obvious advantage. Possession of the DTM & H, together with practical experience of tropical medicine, is in any case essential, and a higher degree would be welcome.

Candidates should be between the ages of 30 and 50.

There are excellent conditions of employment, including a generous pension scheme and the use of a company car.

For further particulars and an application form, please quote reference AM.56 when writing to the Senior Personnel Officer, Group Personnel Division,

The Wellcome Foundation Limited,
183 Euston Road, London, N.W.1.

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1969, No. 163).

SALARY SCALES OF HOSPITAL MEDICAL STAFF

Following the Twelfth Report of the Review Body, new salary scales have been approved. These came into force on April 1, 1970. The scales are set out below:

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £1,626 per annum for the posts held during the first year; £1,755 per annum for posts held during the second year; £1,884 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,040 per annum in the first year; £2,184 per annum in the second year; £2,328 per annum in the third or subsequent years.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £2,328 per annum x £144(3) x £126(1) - £2,886. Deductions of £210 per annum for those with remuneration at the first incremental point on the scale, and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £183 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £2,760 per annum x £126(1) x £174(1) x £177(1) x £174(1) x £177(1) - £3,588.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £2,520 per annum x £144(1) x £156(3) x £144(10) - £4,572.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £4,512 per annum x £201(8) x £210(1) - £6,330. Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rental is appropriate.

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters may be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association. November 1970

ISLE OF MAN HEALTH SERVICES BOARD

Applications are invited for the whole-time or maximum part-time post of **CONSULTANT PHYSICIAN IN GERIATRICS**

The main duties of the successful applicant will be the continued development and running of the geriatric services in the Isle of Man. In addition he will be responsible for the Chest Clinic and the care of Tuberculous patients. The post involves some duties in general medicine, and the appointee would work in close association with the general physicians.

Work is proceeding on a £1,600,000 Development Scheme for Noble's Hospital, and the first phases of the Scheme should be operational early in 1972. Wide experience is required and a higher qualification is essential. The person appointed will be expected to live within a reasonable distance of the main Hospital in Douglas.

Terms and conditions essentially the same as those in the United Kingdom, and there is full reciprocity therewith in respect of superannuation.

Application forms and further details may be obtained from the undersigned, to whom completed forms should be returned not later than Monday, 10th May, 1971.

C. J. Quayle, Administrator & Secretary, Isle of Man Health Services Board, 3 Harris Terrace, Douglas, Isle of Man. (Telephone: Douglas 3303; STD 0624-3303). (H8848) 29-1

Three other Consultants in post and the successful candidate will join one of the Consultants in a team working in a 50 bedded unit run on a diffuse multi-disciplinary basis with the accent on community care, providing a comprehensive service for an area of the East Riding of approximately 120,000 population. The hospital provides good specialist facilities. Further information and application forms obtainable from the Secretary, Park Parade, Harrogate to whom they should be returned by 11 May, 1971. (44769) 44-1

MANCHESTER REGIONAL HOSPITAL BOARD

Whole-time or maximum part-time
CONSULTANT CHILD PSYCHIATRIST
to the Rochdale and District Group of Hospitals. This is a new post and the successful applicant will be based at Birch Hill Hospital, Rochdale, where he will carry out the major part of his duties. This is a large general hospital which has a well-established adult psychiatric unit catering for the needs of the catchment area (155,000 population). It houses a Department of Clinical Psychology and has a close liaison with the local authority through its own Psychiatric Social Workers. There is a proposal to provide a Child Psychiatric Unit including both In-Patient (eleven beds) and Out-Patient facilities. Although the appointee will be based at Birch Hill Hospital, he will be expected to carry out duties in conjunction with the Local Authority Clinic and at a Special School for Maladjusted Boys in the locality. Higher qualifications and wide experience are essential and the successful candidate will be required to live within a reasonable distance of Birch Hill Hospital.
Application forms and further particulars from the Senior Administrative Medical Officer to the Board, Gateway House, Piccadilly South, Manchester, M60 7LP, to be returned by 27th April, 1971. (17256) 44-1

MANCHESTER REGIONAL HOSPITAL BOARD Whole-time or maximum part-time

CONSULTANT CHILD PSYCHIATRIST
for duties in the Child Psychiatric Unit at Lancaster Moor Hospital (North Lancashire and South Westmorland Group of Hospitals) and at Local Health Authority Clinics at Lancaster, Kendal and Barrow, 2 sessions weekly at each centre. The appointee will share facilities provided in the in-patient unit with the existing consultant.
Wide experience and higher qualifications essential; appointee to live within a reasonable distance of the above centre.
Application forms and further particulars from the Senior Administrative Medical Officer to the Board, Gateway House, Piccadilly South, Manchester, M60 7LP, to be returned by 3rd May, 1971. (17507) 44-1

NEWCASTLE REGIONAL HOSPITAL BOARD

LOCUM CONSULTANT PSYCHIATRIST
Whole time or maximum part time, required immediately for St. George's Hospital Morpeth (1,211 beds) for approximately two months. The hospital is a progressive hospital with a modern admission unit.
Accommodation available if required.
Applications, naming three referees, to Senior Administrative Medical Officer, Regional Hospital Board, Benfield Road, Newcastle upon Tyne, NE6 4PY, as soon as possible. (44512) 44-1

SOUTH-EASTERN REGIONAL HOSPITAL BOARD Scotland

Applications are invited for the post of **CONSULTANT PSYCHIATRIST** whole-time or maximum part-time, associated with Bangour Village Hospital, Broxburn, West Lothian.

The post also carries responsibility for duties in association with the medical geriatric services at the Royal Victoria Hospital, Edinburgh and there will be an attachment to the Western General Hospital, Edinburgh.

The person appointed may be offered a part-time Senior Lectureship in the University of Edinburgh and in that case his contract with the Regional Board would include a specific allocation of sessions for academic duties. The appointment may however be one with whole-time or maximum part-time duties to the Regional Board without a University component other than an honorary appointment to the clinical teaching staff.
Further particulars available on application.
Applications which should be type-written, giving particulars of age, qualifications, and experience, together with the names and addresses of three referees, should be lodged with the Secretary, 11 Drumshugh Gardens, Edinburgh, by 15th May, 1971. (H8961) 44-1

WELSH HOSPITAL BOARD

Two locum tenens Consultant Psychiatrists required immediately for periods of six months and two months initially. Both posts are based at Pen-y-Fal Hospital Abergavenny, although there will be visits to other hospitals in the North Monmouthshire H.M.C. area.
Applications naming two referees, to S.A.M.O. Temple of Peace and Health, Cathays Park, Cardiff CF1 3NW to be returned as soon as possible. (17495) 44-1

WESTERN REGIONAL HOSPITAL BOARD

Applications are invited for the following appointment:
CONSULTANT CHILD PSYCHIATRIST
at the Royal Hospital for Sick Children, Glasgow. Whole-time or maximum part-time sessions.

This is a third Consultant post in a comprehensive department of Child and Family Psychiatry in the new Royal Hospital for Sick Children, due to be in commission by May, 1971.

Further details can be had from the Secretary, Western Regional Hospital Board, 351 Sauchiehall Street, Glasgow, C.2, to whom applications (1 copy) should be sent with details of age, qualifications, experience, present appointment, and the names of two referees, not later than 30 days after the publication of this advertisement. (H8932) 44-1

SOUTH-EASTERN REGIONAL HOSPITAL BOARD SCOTLAND

Applications are invited for the post of **ASSISTANT IN PSYCHIATRY**
(Medical Assistant Grade)
with duties principally at Stratheden Hospital, Cupar, Fife.

Stratheden Hospital is a 884 bed hospital with an admission rate of approximately 1100 a year, and is the centre of a comprehensive psychiatric service for the County of Fife. There is an extensive out-patient service with over 5,000 attendances a year and duties will include sessions at General Hospitals and Day Hospitals in the main centres in the County. Accommodation, married or single, is available.

Further particulars may be obtained on application to the Chairman, Medical Committee, Stratheden Hospital. (Tel: 0334 2611)

Salary scale £2520-£4572.
Applications which should be typewritten, giving particulars of age, qualifications and previous experience together with the names and addresses of two referees should be lodged with the Secretary, 11 Drumshugh Gardens, Edinburgh by 1st May, 1971. (H8962) 44-3

SOUTH-EAST METROPOLITAN REGIONAL HOSPITAL BOARD

Full time Medical Assistant required at Levenshoe Grange Hospital, West Malling, Kent. (1350 beds).

The post offers opportunities to get experience in all aspects of mental subnormality. The re-organisation of the hospital now in progress aims at providing first class clinical and research facilities and there are linkages with other hospitals including a teaching hospital. A Cytogenetic unit has been opened, and the medical library is being expanded.

Applicants should have served in the Hospital Service for at least three years since full registration including at least two years in the grade of Registrar or equivalent experience. Appointment will be for two years in the first instance and renewable subject to confirmation, for an indefinite period.

Possession of the D.P.M. is desirable. Accommodation may be made available, if required.

Application forms from the Secretary, Advisory Appointments Committee, South-East Metropolitan Regional Hospital Board, Randolph House, Wellesey Road, Croydon, CR9 3QA to be returned by 17th May. (44777) 44-3

OXFORD REGIONAL HOSPITAL BOARD
and the Isis Group Hospital Management Committee

SENIOR HOUSE OFFICER
IN PSYCHIATRY
is required to enter a new 3-year training scheme arranged jointly between the Isis Group of Hospitals (Littlemore and Warneford Hospitals and the Park Hospital for Children) and the University of Oxford Department of Psychiatry. The trainee will spend the first period with the Professional Unit at the Warneford Hospital and then move to one of the other clinical units. The scheme will ensure comprehensive training and experience to meet the requirements of present or planned professional examinations, and will include experience in child psychiatry. The appointment will be as S.H.O. in the first instance, with the opportunity to proceed to a Registrar appointment to complete the 3-year training. Single accommodation available, married accommodation may be available. Applications (2 copies) on forms obtainable from the Group Secretary, Isis Group Hospital Management Committee, Littlemore Hospital, Littlemore, Oxford, should be returned to him by not later than 23rd April, 1971. (44248) 44-8

East Glamorgan General Hospital, Church Village, Near Pontypridd (nine miles from Cardiff)

Applications are invited for **SENIOR HOUSE OFFICER** at the Psychiatric Unit at the above hospital. The clinic, the first of its type in Wales, consists of two ward units, totalling 46 beds, a day centre for 30 patients, and a consultative wing, from which the out-patient service will operate. It is hoped that the department will be recognised shortly for D.P.M., and arrangements will be made for junior medical staff to attend lectures and seminars in neighbouring postgraduate centres. Applications, stating age, qualifications and experience, together with copies of two recent testimonials, to be sent to the undersigned as soon as possible. P. V. Davies, Group Secretary, Group Headquarters, Albert Road, Pontypridd. (17429) 44-8

RUNWELL HOSPITAL

Wickford, Essex
Training Programme
Resident
SENIOR HOUSE OFFICER
in Psychiatry
Applications are invited for the above post. The successful applicant will be attached to a clinical division and seconded during the period of the post for one or two sessions per week to the departments of psychology, neuropathology, clinical neurophysiology, or neurology. The training programme includes clinical conferences in the basic sciences and clinical psychiatry and an extended series of special lectures. The secondment to the special departments will provide practical experience in the field most closely related to the basic science instruction. Out-patient and day-patient experience will also be provided. There is a comprehensive medical library. The hospital is recognised for the D.P.M. This post would also be of interest to those preparing for either higher qualifications or considering entry into general medical practice. Single or married accommodation.
Applications, with the names of two referees to the Group Secretary. (17240) 44-8

- £3342 + £90 London weighting.

This is a post with a progressive local
authority, jointly with L.L.E.A. offering
interesting clinical work covering full range of
services, with emphasis on Maternity and
Child Welfare and School Health Services.
Work includes developmental assessment and
vision and hearing testing in the very young,
for which training courses arranged if
required. School Health Services cover 7
schools for handicapped pupils, and other
special opportunities in this field.

Experience in ascertainment of E.S.N.
pupils and additional qualifications, e.g.
D.C.H., D.P.H., or D.R.C.O.G. an advantage.

Postcard requests for application forms to
Personnel Manager, 233 Hammersmith Road,
W.6. Closing date 23rd April. (17539) 56

SUNDERLAND COUNTY BOROUGH

SENIOR MEDICAL OFFICER

£3,006 - £3,672. Applications are invited
from registered medical practitioners for the
post of Senior Medical Officer. Experience in
public health is essential and possession of a
D.P.H. would be an advantage.

The duties include responsibility to the
Medical Officer of Health for the
administration of services in a comprehensive
health department and can be varied to suit
qualifications, experience and special
interests. In addition there is scope for clinical
work.

All appropriate conditions of the Whitley
Scale apply to the appointment. The salary
scale is £3,006 - £3,672, commencing
according to qualifications and experience. A
casual user car allowance is payable.

Applications, together with the names of
two referees, to the Medical Officer of Health,
Health Department, Town Hall and Civic
Centre, Sunderland. (H8945) 56

WARWICKSHIRE COUNTY COUNCIL Meriden Rural District Council

Appointments of Deputy Medical Officer of Health and Senior (Clinical) Medical Officer of Health for the North-Western Area of the County

Applications are invited from registered
medical practitioners, holding a Diploma in
Public Health or similar qualification, for the
above mentioned appointments. The officer
will be regarded as spending 50 per cent of his
time on each of the appointments. The
aggregate salary is £3845.63 per annum rising
by annual increments to £4370.65 per
annum.

The North-Western Area of the County, as
defined for Health Service purposes,
comprises the whole of the Meriden Rural
District, which has an area of 66,531 acres
and a population of approximately 112,000.

The successful applicant will be required to
provide and maintain a motor car for the
performance of duties, and travelling
allowances on the essential user scale
recommended by the Medical Whitley Council
will be paid according to the engine capacity
of the vehicle used, but not exceeding 1.199
c.c.

The person appointed will not be permitted
to engage in private practice and will be
required to devote the whole of his time to
the duties of the two offices.

Forms of application, further particulars,
and conditions of appointment can be
obtained from the Clerk of the Meriden Rural
District Council, The Council House,
Coleshill, Birmingham, B46 3AZ. Canvassing
in any form will disqualify and relationship to
any member or senior officer of the
employing authorities must be stated.

Closing date for applications - 10th May,
1971. (H9027) 56

COMPANY MEDICAL OFFICERS

The challenge (and the reward)

In Zambia, the world's third largest copper producer, Nchanga Consolidated Mines Limited operate three developed and three developing mines, responsible for 60% of the nation's output. The engineering complexes on the Copperbelt are among the most modern in the world.

The company is responsible for providing full medical care to its employees and their families. Nchanga has three divisions, in Kitwe, Chingola and Chililabombwe respectively. Its employees number 27,000, with their dependents the total number to be looked after exceeds 150,000. Zambia is one of the most prosperous and rapidly developing of the new countries, but it still has to turn to the older countries for its medical staff (mostly to U.K.) and there is still a lot to be done medically for its people, especially the children.

Where YOU fit in. N.C.C.M. Ltd. employs a staff of over 30 doctors and specialists, and approximately 140 fully qualified nurses. There are 5 well-equipped hospitals.

General Duty Medical Officers will be involved in preventive and curative medicine, surgery,

anaesthetics, gynaecology/obstetrics, public health and nutrition, and although the mines have a strict safety code, an amount of accident work can be expected.

Contracts may be negotiated for periods of one to four years. Locums can also often be arranged.

There will be time to enjoy the almost unique facilities for recreation and social activity in an interesting African country.

Salaries depend on experience but the minimum is **K7,600 (£4,400 +)** per annum. In addition there is a settling-in allowance: a detached, furnished house with garden is provided for 30/- per week: and children receiving secondary education overseas are granted up to £500 per child per year towards school fees and two free return passages to visit their parents during holidays.

Please send for further details to:

UNIVERSITY OF MALAYA FACULTY OF DENTISTRY

Applications are invited for appointment to three **CHAIRS** in the newly established Faculty of Dentistry, from candidates qualified in one or more of the following fields:

Preventive Dentistry ★ **Conservative Dentistry**
Oral Surgery

Candidates should have high academic qualifications and wide experience in teaching and research in their respective fields. In addition, they should desirably have administrative experience. Ordinarily the successful candidates would be appointed on an initial contract of approximately three years in the first instance. One of the successful candidates may be appointed as the first Dean of the Faculty of Dentistry. The functions of the Dean, Faculty of Dentistry would be to plan, organise and establish the Faculty of Dentistry in accordance with the policy decisions laid down by the Council and the Senate of the University. These functions would be in addition to those connected with the establishment of his own Department.

Emoluments: (approximate sterling equivalents at current exchange rates) are:

(a) **Salary:** There is a range of basic salaries, to a point on which a Professor is appointed, depending on his qualifications and experience. These are: £2882, £2980, £3077, £3175, £3273, £3370, £3468.

In addition, the following allowances are payable:

(b) **Variable Allowance:** minimum £244, maximum £651 per annum calculated at 35% of the basic salary.

(c) **Inducement Allowance:** (If awarded) up to £1628 per annum. (In exceptional cases an inducement allowance exceeding this amount may be granted).

Housing: will be provided, if available, for which a rent of £163 to £204 per annum will be charged. Staff members may opt for a Supplementary Housing Allowance in lieu of University Housing. **Provident Fund:** Staff member contributes 5% and University 15% of basic salary.

Further particulars and application forms are obtainable from the Association of Commonwealth Universities (Appts), 36 Gordon Square, London WC1H 0PF (Tel: 01-387 8572).

The closing date for the receipt of applications in Kuala Lumpur and London is 10 May 1971. Ref: UM.118 Pt. X1 (59). (17476) 61-1

UNIVERSITY OF MELBOURNE

SENIOR LECTURESHIP IN MEDICAL PSYCHOLOGY

IN THE
DEPARTMENT OF PSYCHIATRY

QUALIFICATIONS: Applicants will be expected to be experienced clinical psychologists, with undergraduate and postgraduate teaching experience and proven research ability. Applicants should preferably have a Ph.D. in this field.

DUTIES: Teaching in the Medical School and to Psychiatrists in Training.

This position was held by Dr. R. M. Mowbray who has been appointed to a Chair in Canada.

SCALES: \$A9,000-\$10,500 p.a.

\$ A9,312-\$11,329 p.a. (if medically qualified).

Initial salary will be determined according to qualifications and experience.

Further information, including details of applications procedure, superannuation, travel and removal expenses, and conditions of appointment is available from the Registrar, The University of Melbourne, Parkville, Victoria, 3052, Australia, or from the Association of Commonwealth Universities (Appts), 36 Gordon Square, London, WC1H 0PF (Tel: 01-387 8572).

Applications close on 17th May, 1971.

It should be noted that this position was originally advertised in January, 1971, and that this extension of the closing date is due to the postal strike in the United Kingdom.

(17498) 61-1

WELLINGTON HOSPITAL BOARD
Wellington, New Zealand

VISITING OPHTHALMOLOGIST

Applications are invited for qualified medical practitioners for the position of Visiting Ophthalmologist to the Wellington and Hutt Hospitals. Wellington Hospital (900 beds) is a base hospital with all major specialties and Hutt Hospital (390 beds) 12 miles from Wellington is its principal subsidiary.

Duties to commence by arrangement. A higher qualification is essential. Applicants must be registered in New Zealand or hold qualifications entitling them to registration.

The appointment will be on the basis of over 10½ hours but not over 14 hours per week and remuneration will be four tenths of the whole-time rate.

Excellent opportunities exist for private consultant practice in the district and further details may be obtained by writing direct to the Board's Superintendent in Chief, Mr C. L. Tucker, P.O. Box 10245, Wellington, New Zealand.

Conditions will be in accordance with the New Zealand Hospital Employment (Medical Officers') Regulations and the appointee must qualify for Specialist status as defined in the Regulations.

The whole-time salary scale is - Specialist: Automatic scale: NZ\$7,500 - NZ\$10,100; Higher grading: NZ\$10,625 - NZ\$11,150; NZ\$11,750 - NZ\$12,500; (NZ\$2,149 equals £1 sterling).

A Schedule of Conditions of Appointment and an Application form are available from the High Commissioner for New Zealand, New Zealand House, Haymarket, London, S.W.1.

Applications, preferably on the form provided, will be received by the Secretary, Wellington Hospital Board, P.O. Box 10245, Wellington, New Zealand until 9 a.m. on Friday, 30th April, 1971. (17550) 61-1

NOTICES

WORLD HEALTH ORGANISATION AND COUNCIL OF EUROPE FELLOWSHIPS 1972

A small number of fellowships for study abroad will be awarded in 1972 by the World Health Organisation and the Council of Europe. These are available to registered medical practitioners, dental practitioners, state registered nurses and other professional personnel engaged in the health services, medical education, or medical research in the United Kingdom.

The fellowships are awarded normally for periods of two weeks to one month. Only in exceptional cases can periods longer than this be considered. In each case the fellows are given a monthly allowance of approximately £110 per month, (the amount varying with the country or countries visited) together with all travelling expenses.

Applicants should be of at least five years standing in their profession and able to assess critically their visits and studies abroad so as to utilise the experience for the benefit of the health services of the United Kingdom. They will be expected to continue in the health services of the United Kingdom for at least three years after holding a fellowship.

Application forms for fellowships to be taken up in 1972 may be obtained:

- By those resident in Scotland from:*
The Secretary, Scottish Home and Health Department, St. Andrew's House, Edinburgh 1.
- By those resident in Wales:*
The Secretary, Y Swyddfa Gymreig, Welsh Office, Health Department, Cathays Park, Cardiff CF1 3NQ.
- By those resident in Northern Ireland from:*
The Secretary, Ministry of Health and Social Services, Dundonald House, Upper Newtownards Road, Belfast 4.
- By others from:*
The Secretary, Room B102, Department of Health and Social Security, Alexander Fleming House, Elephant and Castle, London, S.E.1.

Envelopes should be marked "W.H.O. and Council of Europe Fellowships".

The completed application forms should be returned to the office from which it was obtained not later than Saturday, May 22nd, 1971.

(17181)

62

WELLINGTON HOSPITAL BOARD
WELLINGTON, NEW ZEALAND.VISITING ORTHOPAEDIC SURGEON
HUTT HOSPITAL

The Wellington Hospital Board invite applications from qualified medical practitioners for the position of Visiting Orthopaedic Surgeon at Hutt Hospital, a general hospital of 390 acute beds about 12 miles from Wellington. Planning is well advanced for development into a 600 bed hospital within 5 years including a completely new Orthopaedic Unit of 90 beds.

Applicants must be registered in New Zealand or hold qualifications entitling them to registration. A higher qualification is essential.

The appointment will be on the basis of over 17½ hours but not over 21 hours per week, and remuneration will be six tenths of the whole time rate with opportunities for private consultant practice in the district. A new private hospital is under construction about 20 minutes drive from the Hutt, and a good opportunity is available immediately for associated consultant private practice. Details could be obtained from Mr G. R. Laurensen, F.R.C.S., 14 Raroa Road, Lower Hutt, New Zealand.

Conditions will be in accordance with the New Zealand Hospital Employment (Medical Officers') Regulations and the appointee must qualify for specialist status as defined in the regulations.

Whole-time salary scale is: Specialist: Automatic Scale NZ\$7,500 - NZ\$10,000 Higher Grading NZ\$10,625, NZ\$11,150, \$11,750, NZ\$12,500.

NZ\$2,149 equals £1 sterling approximately.

A Schedule of Conditions of Appointment and an Application Form are available from the Office of the High Commissioner for New Zealand, New Zealand House, Haymarket, London, S.W.1.

Applications, preferably on the form provided, will be received by the Secretary, Wellington Hospital Board, P.O. Box 10245, Wellington, New Zealand until 9.00 a.m. on Friday, 30th April, 1971.

Day after day of freedom from asthmatic attack

The unique mode of action of disodium cromoglycate offers the asthmatic patient outstanding benefits. A prophylactic treatment, it prevents the onset of asthmatic episodes - thus minimising long-term damage to lung tissue. Freedom from asthma attacks permits a happier, more normal life for the asthmatic patient.

Published clinical reports confirm that with INTAL COMPOUND, the incidence and severity of acute attacks is considerably reduced - even in patients on conventional therapy such as bronchodilators, antihistamines and corticosteroids. Less time is lost from work or school, exercise tolerance is improved and a consistent clinical comment on disodium cromoglycate has been the total absence of serious side effects.

INTAL COMPOUND - supplied in SPINCAPS (each containing 20 mg disodium cromoglycate, and 0.1 mg Isoprenaline Sulphate BP in powder form, together with an inert carrier). For use in a special insufflator - SPINHALER.

Full information is available on request. The Technical Services Department, Fisons Limited-Pharmaceutical Division, Loughborough, Leicestershire.

There's nothing else like

INTAL Co.

Prophylaxis in asthma.

INTAL, INTAL COMPOUND, SPINCAP and SPINHALER are Fisons trade marks

Betnovate is better. So is she.

**Discoid eczema:
all the better for
Betnovate**

Eczema patients respond better to Betnovate than to other topical steroids. Two clinical trials, involving 916 patients and comparing Betnovate with five other leading topical steroids, proved this conclusively.

Their findings included:

"... whenever preferences were expressed, there were always more for betamethasone 17-valerate than for the other corticosteroids."¹

"Betamethasone 17-valerate was statistically superior to the other topical corticosteroids in fourteen of the twenty separate subdivisions of the trial; in no instance was it inferior."¹

"A better response is more likely with betamethasone 17-valerate than with any of the other corticosteroids tested."¹

"... response in psoriasis is a more stringent test of the efficacy of a corticosteroid than response in eczema. The superiority of betamethasone 17-valerate in this context is noteworthy."²

Betnovate gives rapid relief from itching and inflammation and thus achieves the best response. In discoid eczema it's the one thing to remember because Betnovate is the most effective steroid you can prescribe.
