

"In exceptional cases patients confined to bed and wheel-chair have walked independently. More commonly those whose activities were restricted to the house have shown such improvement in gait, balance and confidence that they have resumed almost normal physical activities."

Brit.med.J., 1970, 7, 446.

# PARKINSONISM **LARODOPA**

## Lasix<sup>®</sup> for reliability & dependability

Effective in eliminating oedema

Convenient to the patient because of its short action

Superior for long term use through a lower potassium loss than the thiazides

Lasix tablets contain 40mg frusemide

**"All the  
coal-cellar stairs in one go—  
for the first time  
in 5 years"**

A simple achievement.  
Yet a tremendous one for the  
angina patient. Because without  
Trasicor he could only manage  
five stairs before pain  
stopped him.

Trasicor gives the angina  
patient a new lease of life.  
Protects his heart from the  
effects of excessive sympathetic  
stimulation due to physical  
and emotional stress.

But Trasicor does more  
than just relieve anginal pain.  
It exerts a continual beneficial  
action on the heart, even at rest,  
producing a fundamental  
improvement in the heart's  
efficiency. Moreover, because  
Trasicor is less likely to  
provoke heart failure than  
previous beta-blockers it can  
be used earlier and more  
widely in angina.

Tablets  
**40mg (for angina)**  
20mg (for arrhythmias)  
in 100's and 500's.  
Also ampoules 2mg.

# Diseases of the Joints

Arthritis and rheumatism are common complaints, even if patients are often vague about the exact meaning of the terms they use. In the last few years the diagnosis of joint disorders has become more exact, while the introduction of local and systemic steroid therapy and the powerful non-steroidal anti-inflammatory drugs has revolutionized treatment. In an attempt to bring doctors up to date in this field, the *B.M.J.* published in 1969 a series of short articles giving practical advice on the common disorders of the joints. The articles have now been revised by their authors and collected together to form this handbook on the management of arthritis.

Structures of the brain

Somatic and psychosomatic disorders of the body

The amygdala in the limbic system plays the crucial part in the generation and transmission of anxiety

When sensory stimuli reverberate through the cortex it evaluates those stimuli and decides, in a flat, uninflected way, the response to make. In 1937, it was suggested<sup>1</sup> that the limbic system was the anatomical source of the emotions which intensified the individual's response

Later research work<sup>2</sup> suggested the amygdala as the source of aggression and anxiety. This was confirmed by experiments<sup>2,3</sup> in which removal of the amygdala produced a tranquillizing or taming effect on previously wild animals and others where electrical stimulation produced a whole spectrum of emotions from anxiety, through panic to extreme rage<sup>4</sup>

23 24

25

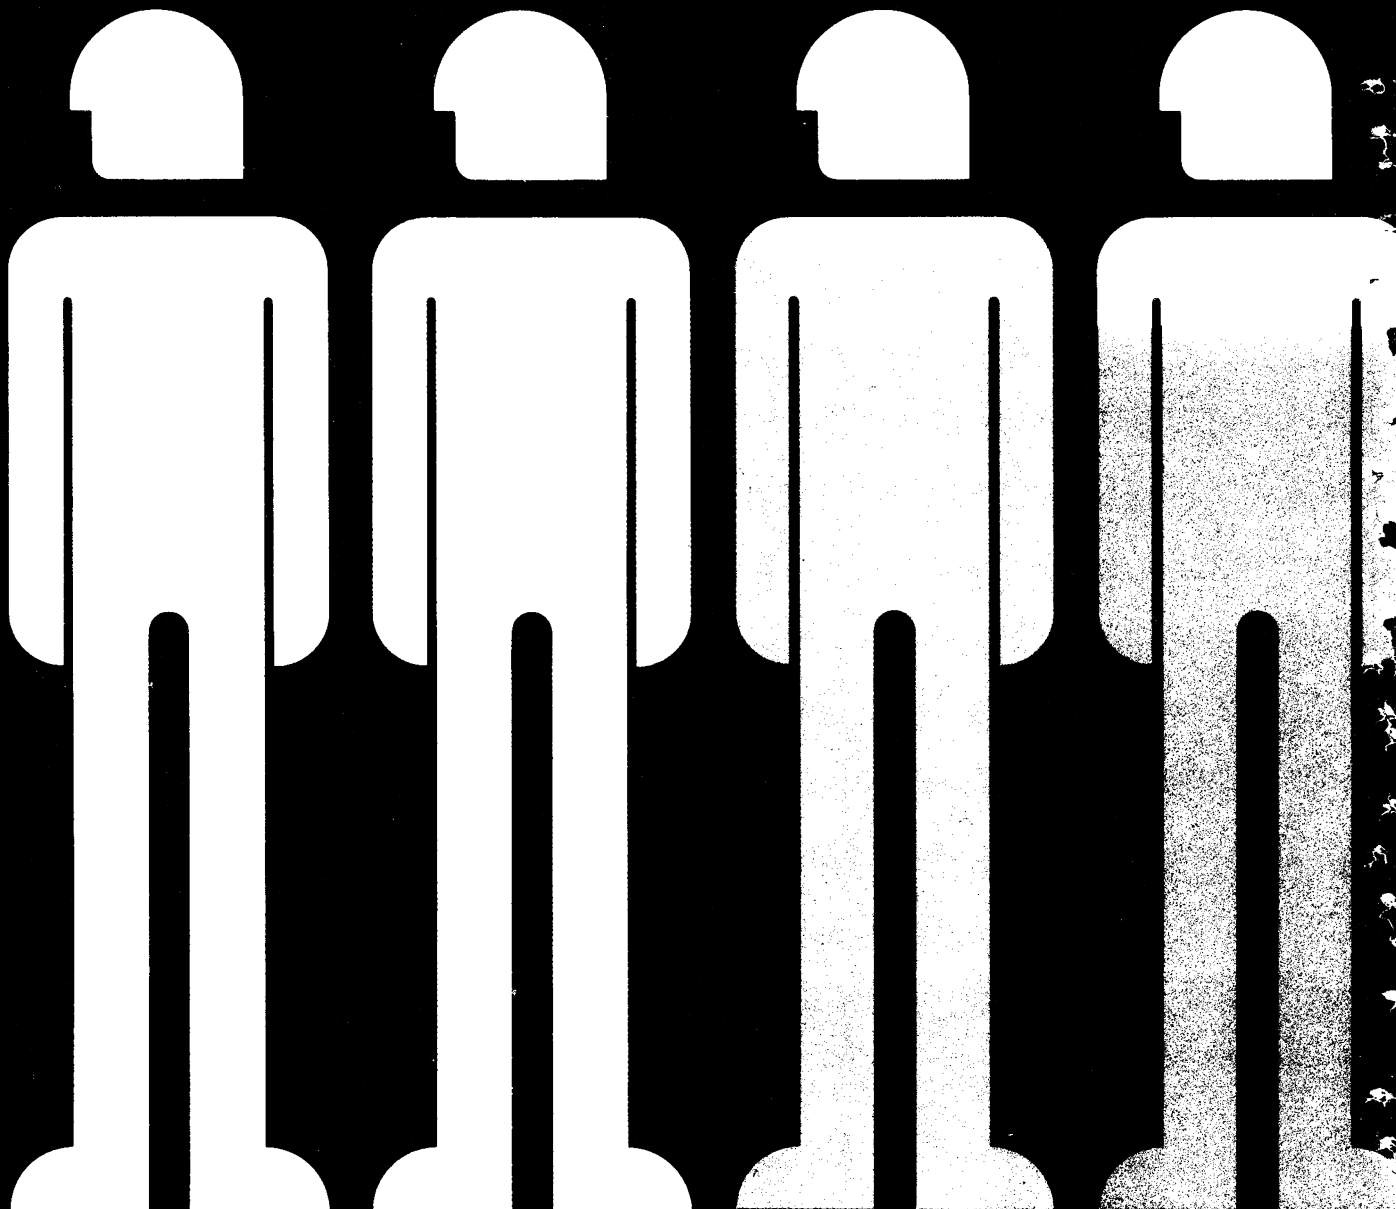

26

In excessive anxiety the hypothalamus constantly prepares the body for a violent physical challenge which never materializes, producing a long list of anxiety symptoms and psychosomatic disorders

Close to the amygdala - and with many connections to it - is the hypothalamus, the structure which acts, through the autonomic nervous system,<sup>5</sup> the neuro-endocrine structure<sup>6</sup> and neuro-secretory mechanisms<sup>7</sup> to produce an appropriate level of physical arousal

This physical arousal can be produced in circumstances where it can serve no useful purpose, during academic examinations, for example<sup>8,9</sup> and even when watching anxiety-provoking films.<sup>10</sup> If such changes are too frequent or too prolonged they may permanently damage the heart or circulation<sup>11,12</sup>

The physical changes produced by anxiety are many: the electrical resistance of the skin changes,<sup>13</sup> so does muscle tone,<sup>14</sup> secretion of saliva<sup>15</sup> respiration<sup>16</sup> and respiratory efficiency.<sup>17</sup> A specific study on soldiers subjected to experimental stress recounted changes in the blood picture and concluded that such changes could '... trigger or otherwise promote psychosomatic and psychiatric disease'<sup>18</sup>

1 Anxiety, tension and agitation\*  
81.0%

2 Phobias\*  
83.1%

3 Cardiac symptoms with anxiety\*  
81.2%

4 Respiratory symptoms with anxiety\*  
73.5%

Nobrium acts mainly on the amygdala and has a smaller, complementary action on the hypothalamus, curbing both the emotional and physical manifestations of anxiety

In over 50 clinical trials, involving more than 5,000 patients, Nobrium relieved more than 80% of the individual symptoms detailed in the trial reports

It has been shown that Nobrium exerts its major effect on the amygdala and has a smaller, complementary, action on the hypothalamus.<sup>19</sup> This suggests that Nobrium should control both the emotional and physical symptoms of anxiety without interfering with other functions

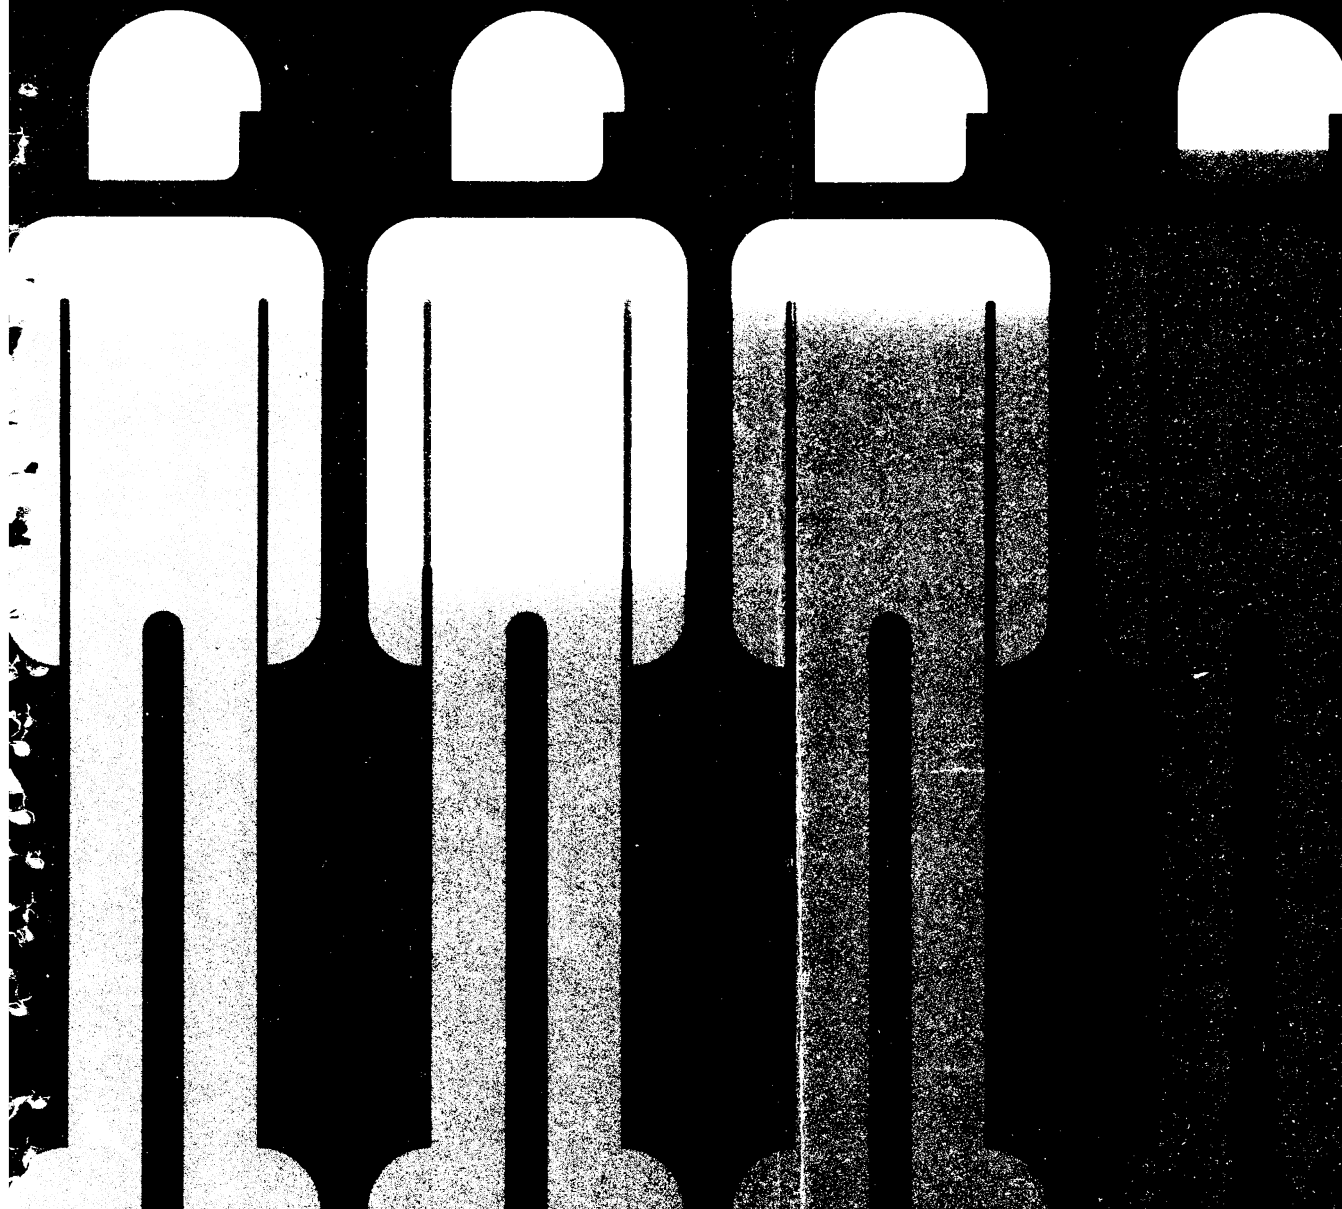

Nobrium: Good to excellent response in over 80% of anxiety symptoms and associated disorders

In over 50 published reports of clinical trials with Nobrium, involving more than 5,000 patients, details of 3,443 individual symptoms or associated disorders were reported. A good to excellent response was achieved in 2,781 (80.8%) of those symptoms. In no group, other than headache, did the good to excellent response drop below 73%

Nobrium: Thirteen double-blind trials

Thirteen of the published clinical trials were double-blind studies comparing Nobrium with either placebo, phenothiazine, barbiturate or chlordiazepoxide<sup>20-32</sup>

\* Good to excellent symptom responses

Gastro-intestinal symptoms with anxiety\* 75.9%

6 Headache of emotional origin\* 53.6%

7 Alcoholism\* 75.9%

8 Depression associated with anxiety\* 88.75%

In every case Nobrium was clearly better than the placebo and this was frequently confirmed by statistical analysis. In a trial against a phenothiazine<sup>20</sup> Nobrium produces 64% good to very good responses, double that produced by the other treatment. Against phenobarbitone<sup>21</sup> Nobrium produced a 76% good to excellent response initially, compared with an initial response of 29% to phenobarbitone. Compared with chlordiazepoxide, both were effective but Nobrium seemed to have a better effect in somatic anxiety, as opposed to the 'free floating' variety

#### Nobrium and motor performance

In one double-blind study Nobrium was compared with the placebo with regard to its interaction with alcohol. The conclusion was that Nobrium '... in general, did not affect human mental or motor performance either alone or in combination with alcohol'<sup>24</sup> (Despite the findings of this trial patients should be instructed to avoid alcohol while under treatment with Nobrium). A study in which 75 trolley bus drivers were treated while they went on working as usual tends to confirm this. No

significant difference could be found in alertness between subjects treated with Nobrium and those given a placebo<sup>25</sup>

#### Nobrium and anxiety in the body

Particular attention was paid in a number of reports to patients suffering from specific physical symptoms and disorders in association with anxiety. Details of 563 such cases could be extracted from the literature. Of the group 406 (72.1%) showed a good to excellent response to treatment

# THE NEW £49 DRY COPIER THAT EVERYONE CAN AFFORD

The £49 3M 051 Dry Copier—still the lowest ever price for high quality dry copying.

The 051 gives clean, clear copies of virtually anything up to 8½" x 14". And even copies bound books, colours, solids, subtle half-tones.

Unlike wet copiers the 051 doesn't need messy liquids, powders or chemicals. You just plug in and switch on.

The 3M 051 desk-top dry copier is ideal for personal use. And at this remarkable price it's a breakthrough. In economy. In quality. In convenience.

To: G. Kemp,  
3M Company Ltd, 3M House,  
Wigmore Street, London, W1A 1ET.

Please send me further information on the 3M 051 Dry Copier.

AWARD 1971

# What is the word for emotional distress?

The presenting symptoms? "Can't sleep... irritable... no appetite... tired... aches and pains"—consultation after consultation.

The task? To penetrate behind the facade to the underlying condition.

The aim? To make the patient feel better quickly and reveal the problem, without unnecessary consultations.

Tranquillizers or hypnotics may deal with part of this aim, but only part.

Prothiaden can meet all the requirements. It is rapidly effective in both anxiety and depression. One ingredient, a single-strength capsule means straightforward dosage.

Prothiaden is well tolerated even by the elderly.

Prothiaden can mean trouble-free treatment of anxiety, depression, in fact any manifestation of emotional distress.

## Prothiaden

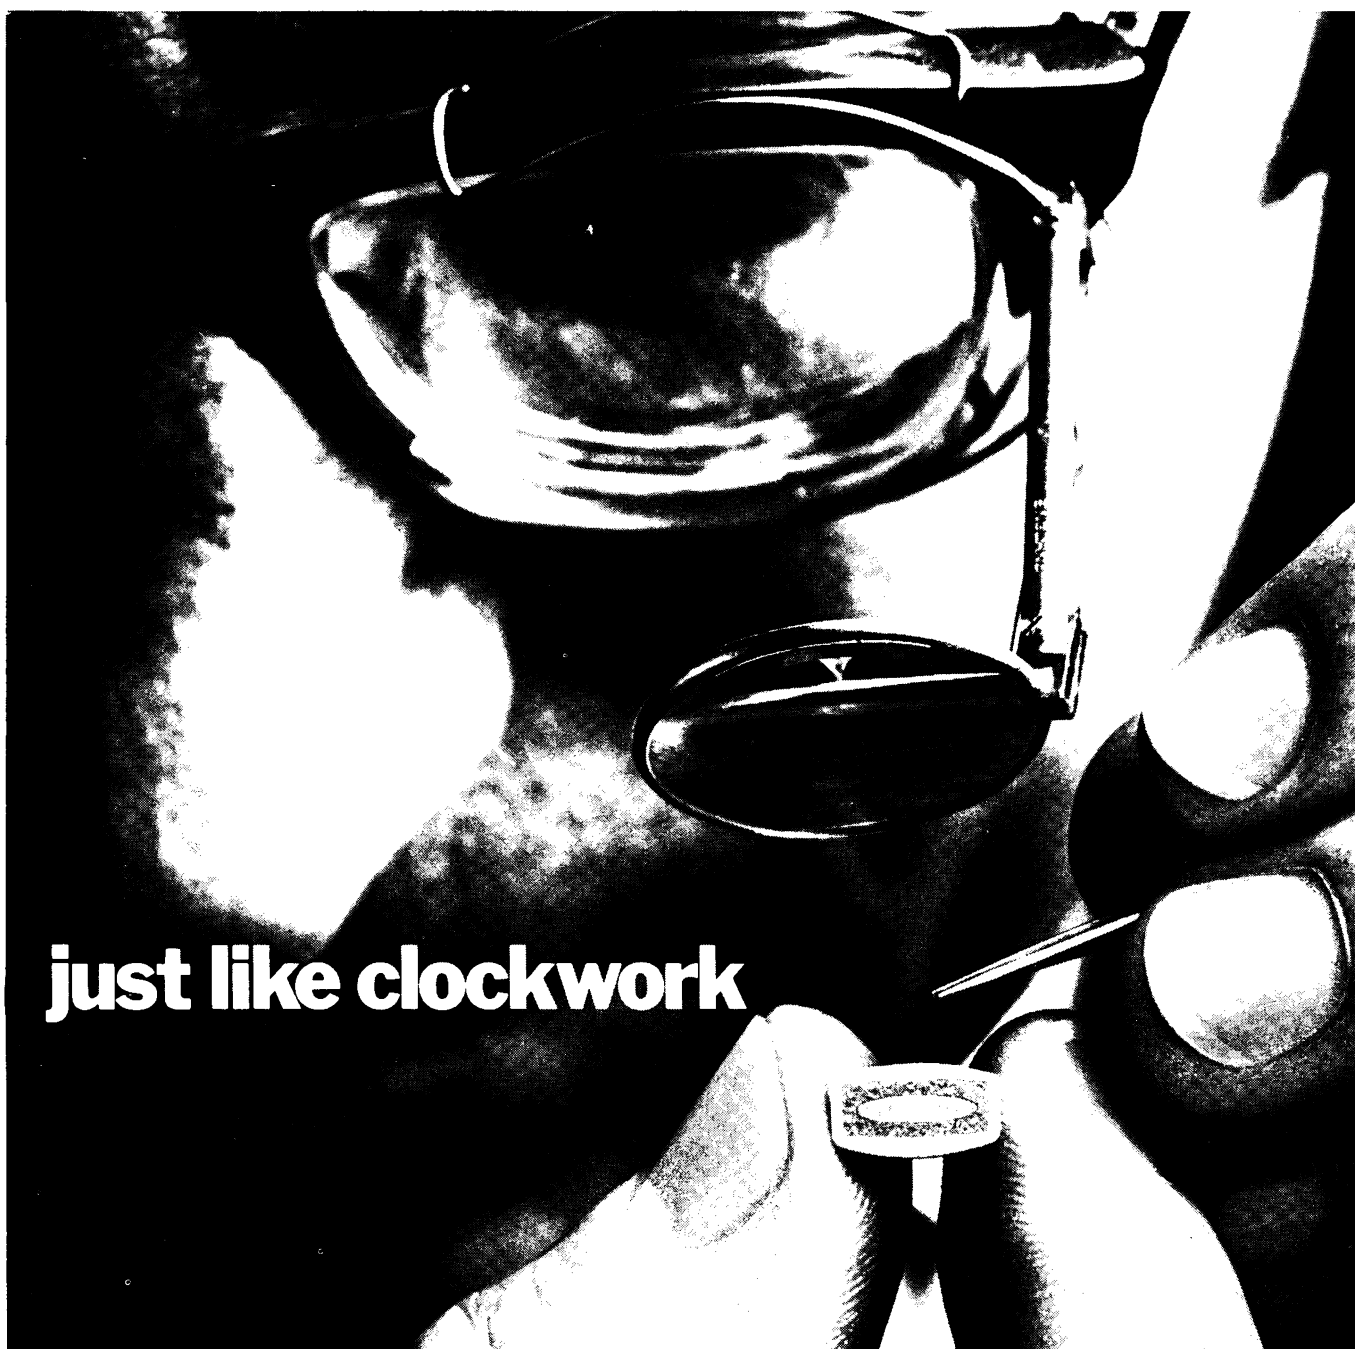

Presentation:  
hard gelatin capsules  
each containing 25 mg.  
Dothiepin hydrochloride.

## a little knowledge is not enough . . . give teen-agers the facts about menstruation

Some teen-agers have heard they shouldn't bathe or wash their hair during their menstrual periods. Some think unmarried girls shouldn't use tampons. Others say exercise brings on "cramps". No wonder they call it the "curse".

Give them the facts...with the help of the illustrations in charts like the one above prepared by R. L. Dickinson, M. D. and available to you free from Tampax Limited. These 11"x8½" coloured charts are laminated in plastic for permanence and are suitable for marking with grease pencil. Social myths can be exploded, too, by giving teen-agers either of the two booklets we will be glad to send you in quantity for distribution. One booklet is written for the young girl just beginning menstruation and the other for the older teen-ager. The booklets tell them what menstruation is, how it will affect them, and how easily they can adjust to it normally and naturally.

Unmarried girls, of course, can use tampons. And

they have many good reasons to do so. Tampax tampons are easy to insert—comfortable to wear. Because they're worn internally there's no irritation or chafing; no menstrual odour.

Tampax tampons are available in Regular and Super absorbencies, with explicit directions for insertion and use enclosed in each package.

Simply write to the address below for your free set of charts and sample booklets. These booklets may then be reordered in any quantity you need for your patients' personal use.

# Halt at the flashing light

Flashing lights and visual disturbances, classically early warnings of migraine, are signals for arresting all manifestations of an attack – at onset. MIGRIL\* acts in the minutes between initial warning and the otherwise inevitable full-blown attack. As well as containing an effective dose of ergotamine (2 mg in each tablet), enhanced by caffeine, MIGRIL contains the anti-emetic, cyclizine. Nausea and vomiting, due to migraine itself or to ergotamine, are very effectively relieved. MIGRIL, taken at the first warning of an attack, provides a specific treatment that the patient will learn to rely on. Full information is available on request.

\*Trade Mark.

## Migril masters migraine

## Hypertension is a danger sign

## Half measures can be fatal

There is now convincing evidence that in hypertension, whether mild or severe, blood pressure must be maintained in the normal range.

Any degree of hypertension – and by inference, incomplete therapeutic control – still carries a high long-term morbidity.

Complete control is usually impracticable with conventional antihypertensive agents because of prohibitive side effects.

Not so with 'Inderal'-80. This drug maintains normal blood pressure by night as well as day. Hypotensive crises due to changes in posture, activity or external temperature do not occur. Mental, sexual and gastro-intestinal functions are unimpaired.

'Inderal'-80, with a thiazide diuretic, controls some 80% of hypertensive patients. It is a real step forward in preventive medicine.

Detailed information, available on request, should be consulted before prescribing.

TO INDUSTRY  
1966 1967  
1968 1969

The Duke of Gloucester's anguish in 'King Lear'—after his torture and blinding, and the revealed treachery of his son, Edmund—may not find many exact parallels in modern society, but his mood 'all dark and comfortless' is seen often enough in patients suffering from depression and anxiety. In such cases

Triptafen-DA can often help; lifting the basic depression and calming any underlying or overt anxiety. The combined action of amitriptyline and perphenazine relieves the symptoms of depression and anxiety, no matter which condition predominates.

Each Triptafen-DA tablet contains amitriptyline hydrochloride BP 25mg and perphenazine BP 2mg. Also available: Triptafen-DA Suspension.

Will she reach a diagnosis?

**colofac**<sup>®</sup>  
mebeverine  
relieves irritable colon directly

A paper in the *Lancet*\* described how difficult it is to reach a conclusive diagnosis of irritable (or spastic) colon. So often these patients first complain of diarrhoea plus other vague abdominal symptoms. Examination frequently reveals gas in the colon. Further enquiry may reveal a history of repeated attacks of abdominal pain, discomfort after meals in addition to disordered bowel function. This is strongly indicative of irritable (or spastic) colon. Colofac is specific for irritable (or spastic) colon and can be started immediately. It relieves colon spasm by a direct action on smooth muscle. It is totally unrelated to the anticholinergic or atropine-like drugs and is free from their typical effects — dry mouth, blurred vision, urinary retention. Colofac acts selectively on smooth muscle in spasm. It has no effect on normal gut motility.

Colofac is supplied as tablets of 100mg mebeverine.\**Lancet*, 2, 753-756, 1969 Further information is available on request.

# from asthmatic attack

BRITISH MEDICAL JOURNAL, 22 MAY 1971

The unique mode of action of disodium cromoglycate offers the asthmatic patient outstanding benefits. A prophylactic treatment, it prevents the onset of asthmatic episodes - thus minimising long-term damage to lung tissue. Freedom from asthma attacks permits a happier, more normal life for the asthmatic patient.

Published clinical reports<sup>1,22</sup> confirm that with INTAL COMPOUND, the incidence and severity of acute attacks is considerably reduced - even in patients on conventional therapy such as bronchodilators, antihistamines and corticosteroids. Less time is lost from work or school,

exercise tolerance is improved and a consistent clinical comment on disodium cromoglycate has been the total absence of serious side effects.

INTAL COMPOUND - supplied in SPINCAPS (each containing 20 mg disodium cromoglycate, and 0.1 mg Isoprenaline Sulphate BP in powder form, together with an inert carrier). For use in a special insufflator - SPINHALER.

# Chances are you have over 100 Psoriatics on your list... ...Alphosyl could help them.

A great many people in Britain suffer from Psoriasis. On average, more than 100 for every G.P. in the country. And that's why every G.P. should know about Alphosyl.

Alphosyl Lotion is the most widely prescribed treatment specifically for Psoriasis. Patients get complete clearing or a marked improvement without systemic reactions, without uncomfortable restrictive dressings and without serious side effects or contraindications.

Alphosyl Lotion is the primary treatment, for use all over the body. And its effectiveness is backed up by the Cream and Application PC. The Cream is particularly effective in the intertrigenous areas, and Application PC removes scales from the scalp and prepares the head for treatment with the Lotion.

Alphosyl therapy (Lotion, Cream and Application PC) can be adjusted to suit the patients individual needs . . . or preferences.

Alphosyl is available as a 5% refined alcoholic extract of coal tar and allantoin (2%) in a Cream and Lotion. Alphosyl Application PC is a unique combination of coal tar extract (5%) and hexachlorophane (1%).

Infected eczema:  
all the better  
for Betnovate-N

# Glaxo brief

## Infected eczema: all the better for **Betnovate-N**

Eczema patients respond better to Betnovate than to other topical steroids. Two clinical trials<sup>1,2</sup> involving 916 patients and comparing Betnovate with five other leading topical steroids, proved this conclusively. Their findings included:

"Betamethasone 17-valerate was statistically superior to the other topical corticosteroids in fourteen of the twenty separate sub-divisions of the trial; in no instance was it inferior."<sup>1</sup>

When you add the broad-spectrum antibiotic neomycin to the most effective steroid you can prescribe, the result is Betnovate-N. In infected eczema it gives rapid relief from itching and inflammation and thus achieves the best response. The one thing to remember is Betnovate. Add an N to fight the infection.

1. *Lancet* (1964) **1**, 1,177
2. *Brit. med. J.* (1967) **4**, 275

### Presentation

Betnovate-N Ointment in 30 gram (1 oz) tubes

## Don't let tinea pedis get a foothold in your practice Prescribe **Tinaderm Cream and Powder** from the start

They work together. The cream brings swift relief from burning, itching and discomfort, followed by prompt clearance of lesions. While the powder dries up perspiration and guards against re-infection.

### Fungicidal to all dermatophytes

Tinaderm Cream and Powder contain 1% tolnaftate – an anti-fungal agent which has proved outstandingly successful in treating dermatophyte infections, like tinea pedis. Tolnaftate is not a keratolytic agent. It *penetrates* lesions to kill the infecting fungi.

### Prompt relief, rapid clearance

Tinaderm gives outstanding results, often within two to three weeks, regardless of the duration of the infection. Relief from pruritus and discomfort is notable, usually within 48 hours.

Patients with acute and chronic tinea or dermatophyte infections, unsuccessfully treated with other topical preparations, often respond excellently to Tinaderm.

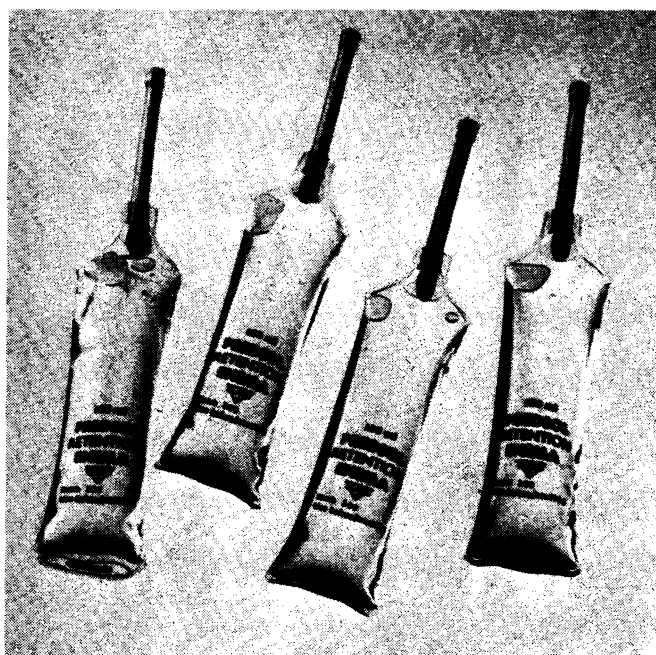

### Presentation

## Crystapen G beats the streptococci and that's what counts!

Penicillin is still the most effective treatment for tonsillitis. That's because it is still the most effective antibiotic against streptococci. Recently the number of cases where there has been decreased streptococcal sensitivity to the sulphonamides and tetracyclines has been on the increase. And ampicillin simply doesn't have the same high degree of activity against streptococci as penicillin. Crystapen G gives you this effective penicillin therapy at its most versatile — and at low cost too.

### THE UNIVERSITY OF MANCHESTER

**WELCOME SCHOLARSHIPS IN CLINICAL PHARMACOLOGY**  
Two scholarships available for session 1971/72 for clinical investigators to attend the course leading to the M.Sc. in Clinical Pharmacology in the University of Manchester. The purpose of the course is to train registered medical or dental graduates in techniques necessary for evaluation of drug action in man. The stipend for these scholarships will vary with age and experience but will not exceed £1,750 per annum.

**Procedure for Application:** Candidates should be sponsored by heads of departments for consultants interested in developing clinical pharmacology. The sponsor should indicate whether the candidate would have an opportunity of returning to the department or unit to undertake research in clinical pharmacology when the course is completed. The application should include the nominee's curriculum vitae and the names of two independent referees.

Further details can be obtained from the Secretary, Department of Pharmacology, Materia Medica and Therapeutics, The University, Manchester, M13 9PL. (18839) 2

### UNIVERSITY OF LONDON

A lecture entitled "The Role of the Posterior Pituitary and its Hormones on Conditioned Avoidance Behaviour" will be delivered by Professor D. de Wied (Utrecht) on 26th May at 5.30 p.m. at the Royal Free Hospital School of Medicine, 8 Hunter Street, WC1N 1BP. Admission free, without ticket. M. A. Baatz, Academic Registrar. (18993) 2

### PRACTICES (Executive Council)

For vacancies (except those in Scotland) apply on Form E.C.16A, obtainable from the Executive Council. Mark envelopes "Vacancy."

#### BURNLEY EXECUTIVE COUNCIL

Applications are invited for medical vacancy due to death. Present list 3,100 approx. (1,900 in Burnley, urban, and 1,200 in adjacent County area, urban/rural). "Open" area. Residential premises incorporating practice premises (in Padiham, nr. Burnley), together with additional practice premises in Burnley available for purchase. Applications (on Form E.C.16A, obtainable from the Council) to be submitted by not later than 1st June, 1971 to T. A. Watson, Clerk of the Council, 79/81 Church Street, Burnley. (H9716) 3

#### HERTFORDSHIRE EXECUTIVE COUNCIL

**VACANCY AT ST. NICHOLAS STEVENAGE NEW TOWN**  
Applications are invited from registered medical practitioners to succeed to a rapidly expanding practice of approximately 2,950 patients in the St. Nicholas area of Stevenage, which is at present classified as "Restricted".

A Health Centre is planned for the area within two years, from which the successful applicant would be invited to practise, with the prospect of developing a four or five doctor group practice as the population of the area expands. It is anticipated that the practice will eventually serve approximately 11,000 patients.

The resigning practitioner is practising temporarily from premises provided by the Development Corporation, together with another doctor with whom he entered into partnership eight months ago, and who will continue in the practice premises.

Further information and Form E.C.16A, which must be returned by the first post on 31st May, 1971, can be obtained from The Clerk, Hertfordshire Executive Council, Crown Court, Pegs Lane, Hertford. Telephone: Hertford 3195. (H9556) 3

**RE-ADVERTISEMENT** Aldershot, Hampshire. Applications are invited for a single-handed urban practice vacancy due to the retirement of the practitioner on 30th June, 1971, or as soon as possible thereafter. Area classified as "Open". Present practitioner female. List at present approximately 2,170. Patients all prescribing. Surgery accommodation available to rent, until new health centre opens in about 18 months, when full surgery accommodation has been reserved for all general practitioners in the town. Application forms and further particulars may be obtained from The Clerk, Hampshire Executive Council, Friarsgate, Winchester. Applications completed applications should be submitted by 10th June, 1971. (H9601) 3

**GENERAL PRACTICE TRAINING POSTS****WELSH NATIONAL SCHOOL OF MEDICINE****THE WELSH VOCATIONAL TRAINING SCHEME for GENERAL PRACTICE at Bridgend, Glamorgan**

An opportunity now exists to take part in a new forward looking Vocational Training Scheme for General Practice based on the Bridgend General Hospital.

Bridgend is situated in the very attractive Vale of Glamorgan and the area is such that it will provide a most agreeable home for the single of the family man throughout the three years of the course.

It is the firm intention of the Organisers to provide a stimulating three year course. The appointments commencing in the S.H.O. Grade will consist of (1) Six months in General Medicine or Geriatrics, (2) Six months in Accident and Emergency Surgery, (3) Six months in General Practice, (4) Six months in Obstetrics and Gynaecology, (5) Six months in Paediatrics, (6) a further six months in the same General Practice. Special arrangements will be made throughout the Course for experience in E.N.T., Ophthalmology, Psychiatry, Dermatology and other subjects relevant to General Practice.

During the General Practice appointments day release will be given to attend the Vocational Training Course at the General Practice Unit of the Welsh National School of Medicine in Cardiff. The appointments are recognised to qualify candidates for entry to the following examinations - M.R.C.G.P., D.C.H. and D.Obst.R.C.O.G.

Applications giving full particulars and the names and addresses of two referees should be sent to the Group Secretary, Bro Morgannwg H.M.C., Garthmor Old Road, Neath, within fourteen days.

**Doncaster Hospital Management Committee Vocational Training for General Practice**

Three vacancies will be available from August 1st, 1971 for

**Registered Medical Practitioners**

Appointment will be for three years (although in cases where experience is already extensive it may be possible to reduce this). The first six months will be spent in General Practice followed by two years in Rotating Senior House Officer appointment at Doncaster Royal Infirmary. The final six months will be spent in General Practice.

During the hospital period six months each will spent in General Medicine, Obstetrics, Psychiatry and Paediatrics. Experience in other specialties will be provided for by half day release in the General Practice period.

Close contact will be maintained between participants and some of the doctors involved in the programme. There will be a half day release course in General Practice subject throughout the three years run with the assistance of Royal College of General Practitioners. Doctors completing the programme will qualify for the Vocational Training Allowance. The programme and post will also be acceptable preparation for the D.Obst., R.C.O.G. and the M.R.C.G.P.

Salaries will be at the appropriate hospital grade in the general practice year at the appropriate level of the trainee practitioners scheme.

Applications and inquiries should be made in writing to the Secretary, Joint Planning Committee for Vocational Training, c/o The Hospital Secretary, Doncaster Royal Infirmary, Doncaster.

### PARKINSON'S DISEASE SOCIETY of the U.K. Ltd.

**RESEARCH FELLOWSHIP** Applications are invited for the appointment of a full-time Research Fellow into subjects related to the cause and treatment of parkinsonism. The work must be conducted at a recognised institution and the tenure of support will be one year in the first instance renewable for a maximum of three years. Salary will be determined according to seniority and experience. Applications should be directed to The Chairman, Parkinson's Disease Society, 36 Queens Road, London, S.W.19, stating curriculum vitae, names of two or three referees, proposed place of work, subject of research and tenure of grant. (H9558) 14-1

### GUY'S HOSPITAL MEDICAL SCHOOL

#### Department of General Practice

#### LECTURER IN GENERAL PRACTICE

The integrated health service planned for the 60,000 people moving to Thamesmead near Woolwich will form the basis of a community teaching unit for Guy's medical and dental students. The first permanent health centre will be opened towards the end of this year.

There is now a vacancy for a third doctor to join the partnership to form a group practice in the autumn. For the first 6 months or so he will have an opportunity to gain research and other experience at Guy's and work begun during this period can be carried forward while his list is building up. During this initial period he will be offered a full-time appointment in the lecturer grade (£2,450 to £3,926), at a starting point appropriate to his experience and qualifications or a part-time appointment if he wishes to undertake limited clinical duties at Thamesmead from the beginning. Ultimately he will be expected to look after 2,000 to 2,500 patients, devoting 2 sessions a week to teaching as a part-time Lecturer.

Further details and application form may be obtained from the Dean, Guy's Hospital Medical School, London Bridge, S.E.1 (18810) 14-1

## THE BRITISH INDUSTRIAL BIOLOGICAL RESEARCH ASSOCIATION PATHOLOGIST

The Pathology Department is engaged in research in the fields of carcinogenesis and the mechanisms of action of chemical compounds including drugs, food additives, medical plastics and industrial chemicals. ## COMMERCIAL APPOINTMENTS

## PHARMACEUTICALS DIVISION

## Pathologist

The Pharmaceuticals Division of ICI requires an additional Pathologist in its Safety of Medicines Department. The work concerns the determination of the relative safety of new potential drugs for clinical trial and covers the whole field of pathology. The post offers a rewarding career for a research-minded pathologist interested in the study of pathogenesis of various lesions. The research facilities are unrivalled and there would be ample opportunity for work for and prepare an M.D. thesis.

The candidate should have had general experience in medical or veterinary pathology and should preferably be under 35 years of age.

The Pharmaceuticals Division is situated in rural North Cheshire within easy reach of Manchester and with excellent housing and education facilities. Assistance over relocation expenses may be given.

Applications, with brief details of qualifications and experience, should be addressed to:

THE QUEEN'S AWARD  
TO INDUSTRY  
1966 1967 1968 1969  
1970

(H9615)

J. Leek,  
Assistant Personnel Manager,  
Imperial Chemical Industries Limited,  
Pharmaceuticals Division,  
Mereside, Alderley Park,  
Macclesfield, Cheshire.

Please apply to Hospital Secretary, Basingstoke District Hospital, Aldermaston Road, Basingstoke, Hants. (46402) 19-8

# EAST BIRMINGHAM HOSPITAL General Branch, Birmingham, B9 5ST

ACCIDENT UNIT vacant immediately.

# SENIOR HOUSE OFFICER

required for a six month period. The Department is supervised by three Consultants and two Registrars. The duties are shared with three other casualty officers and there are six regular weekly General Practitioners Sessions. This post is recognised for F.R.C.S. There is an active Postgraduate Centre in the hospital with excellent medical library facilities, where weekly surgical ward rounds and tutorials are held. A final F.R.C.S. course is held locally.

Single or married accommodation is available. Applications to the Secretary, naming two referees. (18884) 19-8

# INDUSTRIAL APPOINTMENTS

# INDUSTRIAL MEDICAL OFFICER (Northern Ireland)

In addition to the recently advertised vacancies in England and Scotland, Michelin also seeks a medical officer for the well established occupational health service at the Company's Northern Ireland factories. He will be based at Mallusk, Newtownabbey and also be responsible for the medical services at the Ballymena factory. He will, additionally, maintain close liaison with the medical officers at other Michelin factories in the U.K.

This post is likely to suit a practitioner in his early thirties who has experience of, or an interest in, occupational medicine and wishes to further his career therein. Salary will be in accordance with the B.M.A. recommended scales for industrial medical officers.

Interviews will be arranged in Northern Ireland, or at other convenient centres in the U.K.; initially, details of experience and qualifications should be sent to:

D. C. Jeffrey, S.21/BMJ Recruitment Manager,  
Michelin Tyre Company Limited,  
Stoke-on-Trent, Staffs, ST4 4EY.

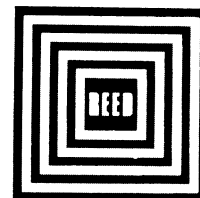

**MICHELIN** 

(18812)

Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1969, No. 163).

## SALARY SCALES OF HOSPITAL MEDICAL STAFF

Following the Twelfth Report of the Review Body, new salary scales have been approved. These came into force on April 1, 1970. The scales are set out below:

**HOUSE OFFICER:** Each post in this grade shall be tenable for six months. £1,626 per annum for the posts held during the first year; £1,755 per annum for posts held during the second year; £1,884 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

**SENIOR HOUSE OFFICER:** £2,040 per annum in the first year; £2,184 per annum in the second year; £2,328 per annum in the third or subsequent years.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

**REGISTRAR:** £2,328 per annum x £144(3) x £126(1) — £2,886.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale, and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £183 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

**SENIOR REGISTRAR:** £2,760 per annum x £126(1) x £174(1) x £177(1) x £174(1) x £177(1) — £3,588.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

**MEDICAL ASSISTANT:** £2,520 per annum x £144(1) x £156(3) x £144(10) — £4,572.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

**CONSULTANT:** £4,512 per annum x £201(8) x £210(1) — £6,330.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

**COMPULSORY RESIDENCE:** The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rental is appropriate.

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters may be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association. November 1970

## GERIATRICS

### MANCHESTER REGIONAL HOSPITAL BOARD

Whole-time or maximum part-time **CONSULTANT PHYSICIAN IN GERIATRIC MEDICINE** to the South Cheshire Group of Hospitals. This new post is the first such appointment in this specialty in this Group. It will be based on Leighton Hospital, near Crewe, the new 29 bed District General Hospital for the area opening later this year, which will have 64 Geriatric assessment beds and a 40-place Geriatric Day Hospital.

The Consultant appointed will be expected to develop the specialist geriatric service in the area and to undertake the domiciliary investigation of patients as well as maintaining close liaison with general practitioners and local health authorities.

Good experience in general medicine is important, together with a special interest and experience in the treatment and rehabilitation of geriatric patients. Higher medical qualification is essential. The successful applicant will be required to live within 10 road miles of Leighton Hospital, which is situated in beautiful Cheshire countryside with excellent road and rail connections.

Application forms and further particulars from the Senior Administrative Medical Officer to the Board, Gateway House, Piccadilly South, Manchester, M60 7LP, to be returned by 10th June, 1971. (18897) 29-1

### NORTH-EASTERN REGIONAL HOSPITAL BOARD Scotland

and Joint County Council of Moray and Nairn

### CONSULTANT IN GERIATRIC AND GENERAL MEDICINE

Applications are invited for the joint post of Consultant in Geriatric and General Medicine (whole-time or maximum part-time) at Elgin. The post is a combined appointment between the North-Eastern Regional Hospital Board and the Joint County Council of Moray and Nairn, the allocation of sessions between the employing bodies allowing for 2 sessions per week for the Joint County Council duties, the remainder of his sessions being with the North-Eastern Regional Hospital Board.

The Regional Hospital Board duties will include responsibility for geriatric assessment and hospital long stay beds in Elgin and of 17 acute general medical beds, and out-patient services.

For the purposes of his County Council duties the successful applicant will be on the staff of the Medical Officer of Health, will act as adviser to the Director of Social Work regarding the assessment of old persons for admission to residential homes, and will be encouraged to organise a preventive geriatric service.

Applications, together with the names of two referees, should be forwarded by 12th June, 1971 to the Senior Administrative Medical Officer, North-Eastern Regional Hospital Board, 1 Albyn Place, Aberdeen, AB9 1RE from whom further particulars and a form of application may be obtained. (H9508) 29-1

### SOUTH WEST METROPOLITAN REGIONAL HOSPITAL BOARD

requires whole-time or maximum part-time **CONSULTANT GERIATRICIAN** to the Chichester and Craylingwell Group of Hospitals with duties mainly at the Royal West Sussex, St. Richard's Hospital, and including duties with the West Sussex County Council. The successful candidate will be required to live within ten miles of the Royal West Sussex Hospital, St. Richard's, Spitalfields Lane, Chichester, Sussex.

Application forms and further particulars available from the Secretary (S1), South West Metropolitan Regional Hospital Board, 40 Eastbourne Terrace, London, W.2. (Tel: 01-262 8011, Ext. 288). Forms to be returned by 19th June, 1971. (46569) 29-1

### NORTH-EASTERN REGIONAL HOSPITAL BOARD (Scotland)

Applications are invited for the post of **LOCUM REGISTRAR IN GERIATRIC MEDICINE** for approximately six months from 1st August, 1971, for duties in the Regional Geriatric Service based on the Aberdeen Teaching Hospitals.

Applications, together with the names of two referees, should be sent to the Senior Administrative Medical Officer, 1 Albyn Place, Aberdeen, AB9 1RE, as soon as possible. (H9653) 29-1

### MANCHESTER REGIONAL HOSPITAL BOARD

Whole-time, non-resident **ASSISTANT IN GERIATRICS** (Medical Assistant Grade) to the Blackpool and Fylde Group of Hospitals, (Victoria Hospital, Blackpool, Wesham Park Hospital, Kirkham, and Rosall Hospital, Fleetwood). Good experience essential and higher qualifications desirable. Applicants must have served in the hospital service for at least three years since full registration, including normally at least two years in the grade of Registrar, or shall have had equivalent experience.

Application forms from the Senior Administrative Medical Officer to the Board, Gateway House, Piccadilly South, Manchester, M60 7LP, to be returned by 7th June, 1971. (18894) 29-3

### TOLWORTH HOSPITAL Tolworth, Surrey

**LOCUM MEDICAL ASSISTANT IN GERIATRICS** required from 7th June-11th July, 1971. Apply to Hospital Secretary immediately, with full particulars. (46711) 29-3

SOUTH WESTERN  
REGIONAL HOSPITAL BOARD

South Somerset Clinical Area

Applications are invited for the appointment  
of

REGISTRAR IN  
PSYCHIATRY

in the South Somerset Clinical Area.

The post is recognised for the Diploma of  
Psychological Medicine. The main duties of  
this post will be based on the Tone Vale  
Psychiatric Hospital, near Taunton. Training  
facilities will be provided and the registrar will  
spend sessions at the Department of Mental  
Health of Bristol University. Training sessions  
will also be arranged at the Day Hospitals in  
Taunton and Yeovil, out-patient clinics at  
four general hospitals in the area,  
electroencephalography and child psychiatry  
at Taunton. In-patient experience of Child  
Psychiatry will be arranged at the Merrifield  
Children's Unit and hostels for maladjusted  
children.

The appointment which is vacant will be  
for a period of two years, but is subject to  
review after the first year.

The post is designated as non-resident, but  
married or single accommodation may be  
available.

Applications by letter, stating date of birth,  
qualifications and experience, together with  
the names and addresses of two recent  
referees should be sent to the Secretary of the

## DURHAM COUNTY COUNCIL

## HEALTH DEPARTMENT

### SENIOR MEDICAL OFFICER (CHILD HEALTH)

Applicants must be registered medical practitioners, preferably holding the Diploma in Public Health or the Diploma in Child Health. Commencing salary in the scale £3,453-£4,116 p.a.

The person appointed will be on the central administrative staff of the Health Department which, because of recent reorganisation, presents the opportunity of working in a progressive, fully integrated child health service utilising the opportunities presented by automatic data processing for the observation and recall of handicapped children and those at risk. Opportunities exist for some clinical application, together with liaison links with local hospitals and specialists. These duties afford experience and training for promotion to more senior posts in the service.

**Application forms, which must be returned by 4th June, 1971, and further particulars from the County Medical Officer, County Hall, Durham.**

**J. T. BROCKBANK,**  
Clerk of the County Council 56

## PUBLIC HEALTH DEPARTMENT

Applications are invited from duly qualified medical practitioners, male or female, for the post of Medical Officer in Department. The possession of a D.P.H., D.C.H., or D.R.C.O.G., will be considered an additional qualification.

The salary will be at the rate recommended by the Whitley Council, £2,493 to £3,342, with starting salary according to experience.

The appointment will be subject to the provisions of the Local Government Superannuation Acts, 1937/1953 and the successful candidates will be required to pass a medical examination.

Forms of application may be obtained from the **Medical Officer of Health, Public Health Department, 79 London Road, Stoke-on-Trent, ST4 7PZ**, and should be returned, accompanied by the names and addresses of three referees. 56

### Hertfordshire County Council Health Department

## MEDICAL OFFICER IN DEPARTMENT

### ST. ALBANS DIVISION

Applications are invited for the above full-time post from Registered Medical Practitioners to work in the St. Albans Division. There are opportunities to attend refresher courses and considerable opportunities are offered in the administration of local Health Services.

The salary will be on the scale £2,493 to £3,342 per annum, point of entry on the scale according to qualifications and experience. Car allowance, payable. Removal expenses, lodging and travelling allowances payable where appropriate.

**Further details and forms of application may be obtained from: Staff Section, Health Department, County Hall, Hertford, to be returned within 14 days.** 56

# Overseas Development

The provision of skilled manpower is a vital element in Britain's aid to the developing countries. Your professional skills will be welcome and you will have the satisfaction of doing a challenging, responsible and worthwhile job. The emoluments shown are based on basic salary scales and allowances. Terms of service usually include free family passages, paid leave, education grants, free or subsidised accommodation and terminal gratuities. For certain of these appointments an appointment grant of up to £200 and car purchase loan of up to £300 may be payable. Employment will be on contract to the overseas Government for 2-3 years unless otherwise stated; in most cases superannuation rights can be preserved or maintained.

Candidates should normally be citizens of, and permanently resident in, the United Kingdom. They must possess full medical qualifications and be eligible for full registration with the General Medical Council in the United Kingdom.

## CONSULTANT SURGEONS

## verenigde ziekenhuizen zutphen netherlands

(18806)

61-1

A 3-year contract abroad. *Not* featherbedded (except in money, etc.)

## General Medical Practitioner required for the National Coal Board of Zambia's 'outback' mine £4,200-£4,950

This is an official appointment with Zambia's state mining control body (Mindeco).

The Coal Board is steadily developing its opencast mine at Maamba, with still a long way to go before full capacity is reached. The present appointment is for a qualified and experienced general practitioner to take responsibility for the large, and growing, national and expatriate staff.

The Maamba site is away from the highly-advanced mining centres of the nation, and this post would appeal to a man who can stand on his own two feet.

In return: an excellent salary, together with a higher-than-usual range of allowances and benefits for an expatriate.

It is worth mentioning that Zambian income tax is comparatively low, and that as much as 50% of your *gross* income can be remitted to the UK.

Note: Salary and all allowances are paid in the local currency of Zambia.

*The appointment.* You would be in charge of the self-contained mining clinic, with a staff of 2 trained nurses

(Sisters), 3 midwives and 4 medical assistants.

Beyond this, cases can be routed to the full-scale medical facilities elsewhere in Zambia.

There is an ambulance service: company transport is also available for your official use.

### Benefits with this appointment

- 25% gratuity on completion of 3-year contract
- £290 settling-in allowance (cash)
- Free air passage to and from Zambia
- Baggage allowance
- Subsidised accommodation, or a housing allowance
- Loan for car purchase
- Educational allowances paid for children aged 7-18
- At least 30 days fully-paid leave per year
- Medical Aid Scheme
- Sickness Benefit
- Free Life Assurance.

There's a lot to be gained from this vacancy — travel, money, experience, responsibility. If you are interested, please write to:

Mindeco Limited, Dept BMJ 1  
Cheapside House, London EC2.

Wellcome

# Investigaciones Clínicas — América Latina

Somos un laboratorio farmacéutico inglés de importancia mundial. Uno de los médicos que trabaja en nuestro Departamento de Investigaciones Clínicas en Londres tiene la responsabilidad de iniciar y organizar investigaciones clínicas concernientes a nuevas drogas, en América Latina. Para asistirle en este tipo de actividad, estamos buscando un médico joven que residiría en Londres, como base permanente de su trabajo, y debería estar dispuesto a viajar por todos los países de la América Latina en donde tendría que relacionarse con investigadores clínicos para discutir e iniciar ensayos clínicos y cotejar informaciones para el registro de drogas.

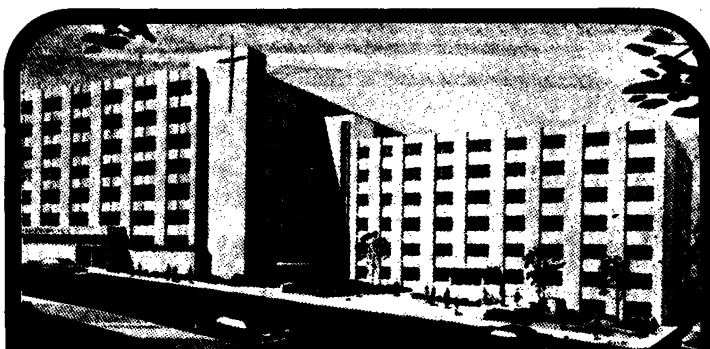

No es indispensable experiencia previa de actividad similar en la industria farmacéutica, pero constituiría ciertamente una ventaja, así como alguna experiencia en la investigación científica y cualificaciones médicas de alto nivel. Lo que es absolutamente esencial es un dominio completo de la lengua española y deseable el conocimiento de la lengua portuguesa. El conocimiento del idioma inglés, escrito y hablado, es indispensable. La persona que buscamos tiene que estar en buenas condiciones de salud y con deseos de viajar frecuentemente a países lejanos. La edad preferible es de 27 a 35 años.

Hay excelentes condiciones de empleo, incluyendo una importante aportación para los gastos de traslado, un esquema generoso de pensión, así como el uso de un automóvil proporcionado por la compañía. Para ulteriores detalles y para obtener el formulario necesario se ruega se mencione la referencia núm. AM.62 y escribir al:

Senior Personnel Officer,  
Group Personnel Division,  
**The Wellcome Foundation Limited,**  
183 Euston Road,  
London N.W.1.

## Medical Appointments Vancouver, Canada

The Workmen's Compensation Board of British Columbia is a statutory agency, wholly financed by industrial levies. Comprehensive compensation and rehabilitation services are provided for people disabled through industrial accidents or diseases. Over 20 physicians are already employed in rehabilitation and medical review work. The Board is proposing to recruit a number of qualified men in the UK during the next few months to fill the following appointments in Vancouver, B.C.

## Radiologist (Approx.) \$25,000

Candidates must hold a diploma in Radiology and a degree in medicine. They will have directed the work of a medium-sized X-ray department, and should have at least ten years' experience in this specialised field, with emphasis on experience in bone and joint work, rather than in gastro-intestinal or the various dye studies associated with heart disease. H. C. S. Brand reference AM.2345.

## General Medical Officers (2) Starting (approx.) \$16,000

These positions would be of special interest to physicians between 30 and 50 years of age, with the experience and interest appropriate to industrial medicine and rehabilitation. A post-graduate degree is not necessary. H. C. S. Brand reference AM.2346.

## Industrial Hygiene Specialist

The Board is looking for a specialist in this field, whose training and experience are such that the medical faculty of the University of British Columbia would also be interested in his services as lecturer and member of its faculty. Salary in this case will be negotiated according to age, experience and specific arrangements to be agreed. H. C. S. Brand reference AM.2347.

**The MSL Consultant has analysed each appointment**  
Further information will be sent if you provide your name and address by telephoning 01-629 1844 or writing to the consultant quoting the reference. Your enquiry will be in confidence.

## PROVINCE OF SASKATCHEWAN, CANADA

Department of Public Health — Psychiatric Service Branch

requires

## SENIOR PSYCHIATRISTS

**Salary Range:** 1. D.P.M. or American Boards or eligibility, American Boards \$19,716 — \$21,744. 2. D.P.M. or American Boards, full licence \$19,716 — \$25,176. 3. Certification (C) and full licence \$21,744 — \$27,756.

Additional pay for duty outside working hours of \$1,500 to \$2,000 annually.

**Duties:** Saskatchewan leads North America in providing the most advanced public psychiatric programme based on proven concepts of community psychiatry. Services are made available to the province's one million citizens through eight mental health regions. The Senior Psychiatrists attached to each region assume major programme responsibility.

**Qualifications:** Minimum, Eligibility Certification (C) or American Boards, or D.P.M. or equivalent; also at least four years' training in psychiatry.

Please note that university graduates of accredited medical schools in the United Kingdom and Ireland are eligible to be fully licensed by reciprocity. In addition, certain other British and Irish qualifying medical diplomas are recognised through reciprocity.

Promotional opportunities to the Regional Director series as follows:

Regional Director I — \$21,216 — \$29,892 for Certification (C) and licence. Regional Director II — \$23,400 — \$32,952 for Certification (C) and licence. Regional Director III — \$25,176 — \$35,424 for Certification (C) and licence.

Youth is no barrier to promotion, but good judgment and ability to work effectively with professional colleagues, ancillary staff, and community agencies are essential.

Financial assistance toward the cost of travel and sustenance of the appointee and members of his immediate family is available. In return for such assistance, the recipient must agree to remain with the Department for two years.

Further particulars and application forms available by writing to: Colin M. Smith, M.D., F.R.C.P. (C), Executive Director of Psychiatric Services Branch, Provincial Health Building, Regina, Saskatchewan, Canada. Completed application forms should be returned to Dr. Colin M. Smith. Please quote competition number c/c 2011.

Information may also be obtained by communicating with Mr. W. C. A. Knights, Executive Assistant, Saskatchewan House, 28 Chester Street, London, S.W.1., England. (H9490)

61-1

ST. JOSEPH Infirmary Preston and Eastern Parkway, Louisville, Kentucky 40217 USA. Surgery Residency, July, 1971. First and second year vacancy in a fully approved four year program based in a 507 bed community teaching hospital also having internship and medical, ob-gyn, pediatric, and radiology residency programs. (18804)

61-1

#### UNIVERSITY OF OTAGO Dunedin, New Zealand

#### LECTURER OR SENIOR LECTURER IN SURGERY

Applications are invited for the position of Lecturer or Senior Lecturer in the Department of Surgery, within the Faculty of Medicine.

The position, within the Professorial Unit, is full-time, with a limited right of private practice. It carries honorary consultant status in the Dunedin Hospital, where clinical responsibilities cover a wide range of general surgery, including vascular surgery. New research laboratories are at present being built and the successful applicant, in addition to general undergraduate teaching responsibilities, will be expected to develop and teach in his own particular field of interest.

Applicants must be Fellows of a Royal College of Surgeons, or possess American Board Certification in General Surgery (or an equivalent qualification). Some experience in research and teaching is necessary.

Salary according to qualifications and experience within the following scales:—

Lecturer: \$NZ5,335 to \$7,639 with a bar at \$6,291 per annum;

Senior Lecturer: \$NZ7,866 to \$9,101 per annum.

(Note: \$NZ100 equals £46.67 sterling; \$US112; \$A100)

These scales are at present under review. It is anticipated that they will be substantially increased before the successful applicant takes up his appointment.

Promotion to the grade of Senior Lecturer is normally considered when the lecturer reaches the maximum for his grade.

Further particulars are available from the Secretary-General, Association of Commonwealth Universities (Appts), 36 Gordon Square, London WC1H 0PF (Tel: 01-387 8572), or from the Registrar of the University. Applications close in New Zealand and London on 30th June, 1971.

# Trends in Clinical Pathology

## Essays in Honour of Gordon Signy

This book is no pious collection of personal tributes but a survey of the old and the new disciplines in clinical pathology since the second world war — research in atherosclerosis and ischaemic heart disease, progress in medical virology, microbiology and cytology, the impact of antibiotics on medical bacteriology, chemical pathology and also molecular defence, haematology in mid-century, including haemostasis and blood transfusion. The place of fibrin in the story of hyalin is another modern study, so also is that on automation. The outlook on some members of the family Enterobacteriaceae is changing, and the 'old' forensic medicine is indeed new. And those pathologists working in the under-developed countries are not forgotten. The contributors are internationally renowned.

**237 Ballards Lane, London, N3 1NG.**  
**01-346 5283.**

A Psychiatric Nursing Home for the treatment  
and care of acute, chronic and elderly  
patients.

Dr. S. Bockner, visiting Consultant  
Psychiatrist, is in attendance. Patients also  
admitted under the private care of their own  
doctors. 99

## CLASSIFIED ADVERTISING JUNE 5 ISSUE

All classified advertisements  
should reach this office by 10  
a.m. on Wednesday, May 26.

Semi-display advertisements  
must be received before 10 a.m.  
on Friday May 21.

Cancellations and/or correc-  
tions cannot be effected if  
received after 12 noon on  
Wednesday, May 26.

## ST. ANDREW'S HOSPITAL NORTHAMPTON

Medical Director: James Harper M.B.,  
F.R.C.P. (Edin), D.P.M.

St. Andrew's Hospital is a private  
psychiatric hospital situated in 130 acres of  
parkland in the county town of  
Northampton. In general, patients are  
admitted to Wantage House, a reception unit  
in the grounds which is equipped for the  
investigation and treatment of all forms of  
Psychiatric illness. In addition, there is  
accommodation mainly in private rooms,  
both in the main hospital and in various villas,  
for longer-stay patients and geriatric patients.  
The hospital's amenities include Gloucester  
House, which comprises an Occupational  
Therapy department a swimming pool, a  
squash court and library, while in the grounds  
there are tennis courts, a nine-hole golf  
course, etc.

Fees range from £31.50 per week, and  
subscribers to private medical insurance  
schemes such as British United Provident  
Association and Private Patients Plan, may  
claim benefit in respect of these charges.  
Further particulars may be obtained from  
the Medical Director, St. Andrew's Hospital,  
Northampton (Tel. Northampton 34354),  
who can be seen in consultation by  
appointment, either at the hospital or at 55  
Harley Street, London, W.1. 99

# The last Hygroton<sup>®</sup> tablet of the day . . . .

## . . . . no more until breakfast time tomorrow

In the meantime she is assured of steady, sustained control of her raised blood pressure  
But it's not just a question of convenience

Hygroton<sup>®</sup> is significantly effective in lowering raised blood pressure and for many mild to moderate  
hypertensives it is the only hypotensive agent that they need

Hygroton<sup>®</sup> is available as white, scored compressed tablets containing 100 mg  
and as pale yellow, scored, compressed tablets containing 50 mg  
3-(4-chloro-3-sulphamoylphenyl)-3-hydroxyisoindolin-1-one (Chlorthalidone B.P.).

Detailed literature describing any Geigy product will be supplied on request.  
Geigy Pharmaceuticals, Macclesfield, Cheshire, SK10 2LY

# When diagnosed Otitis Media, Penbritin Territory

## The right-first-time antibiotic for infections in children

Penbritin is right because it is active against the causative organisms in Otitis Media. Its broad spectrum includes *H. influenzae* which commonly causes this infection in the under fives. This pathogen is insensitive to Penicillin V and G and only partially sensitive to the erythromycins. Penbritin destroys it.

Penbritin is right because its safety is well proven. This contrasts with recent publicity drawing attention to the problems of tooth staining and bone deposition which may follow tetracycline therapy.

Two palatable syrups, capsules, tablets and the new paediatric suspension enable you to prescribe Penbritin in the right form for any patient. Injectable Penbritin is also available if required. Following the recent price reduction the average daily cost of treating Otitis Media with Penbritin is just 8½p.

Penbritin is right because it is well proven. Published references involving more than 600 patients with Otitis Media show an overall success rate of 84%. This figure confirms Penbritin as the right-first-time antibiotic.

### Dosage:

Children under 10 years — 125 mg q.i.d.  $\frac{1}{2}$  — 1 hour a.c.  
Older children and adults — 250 mg q.i.d.  $\frac{1}{2}$  — 1 hour a.c.  
In severe infections these dosages may be increased.

**Contra-indication:** Penicillin hypersensitivity.

**Side-effects:** as with other penicillins.

Further information is available on request.

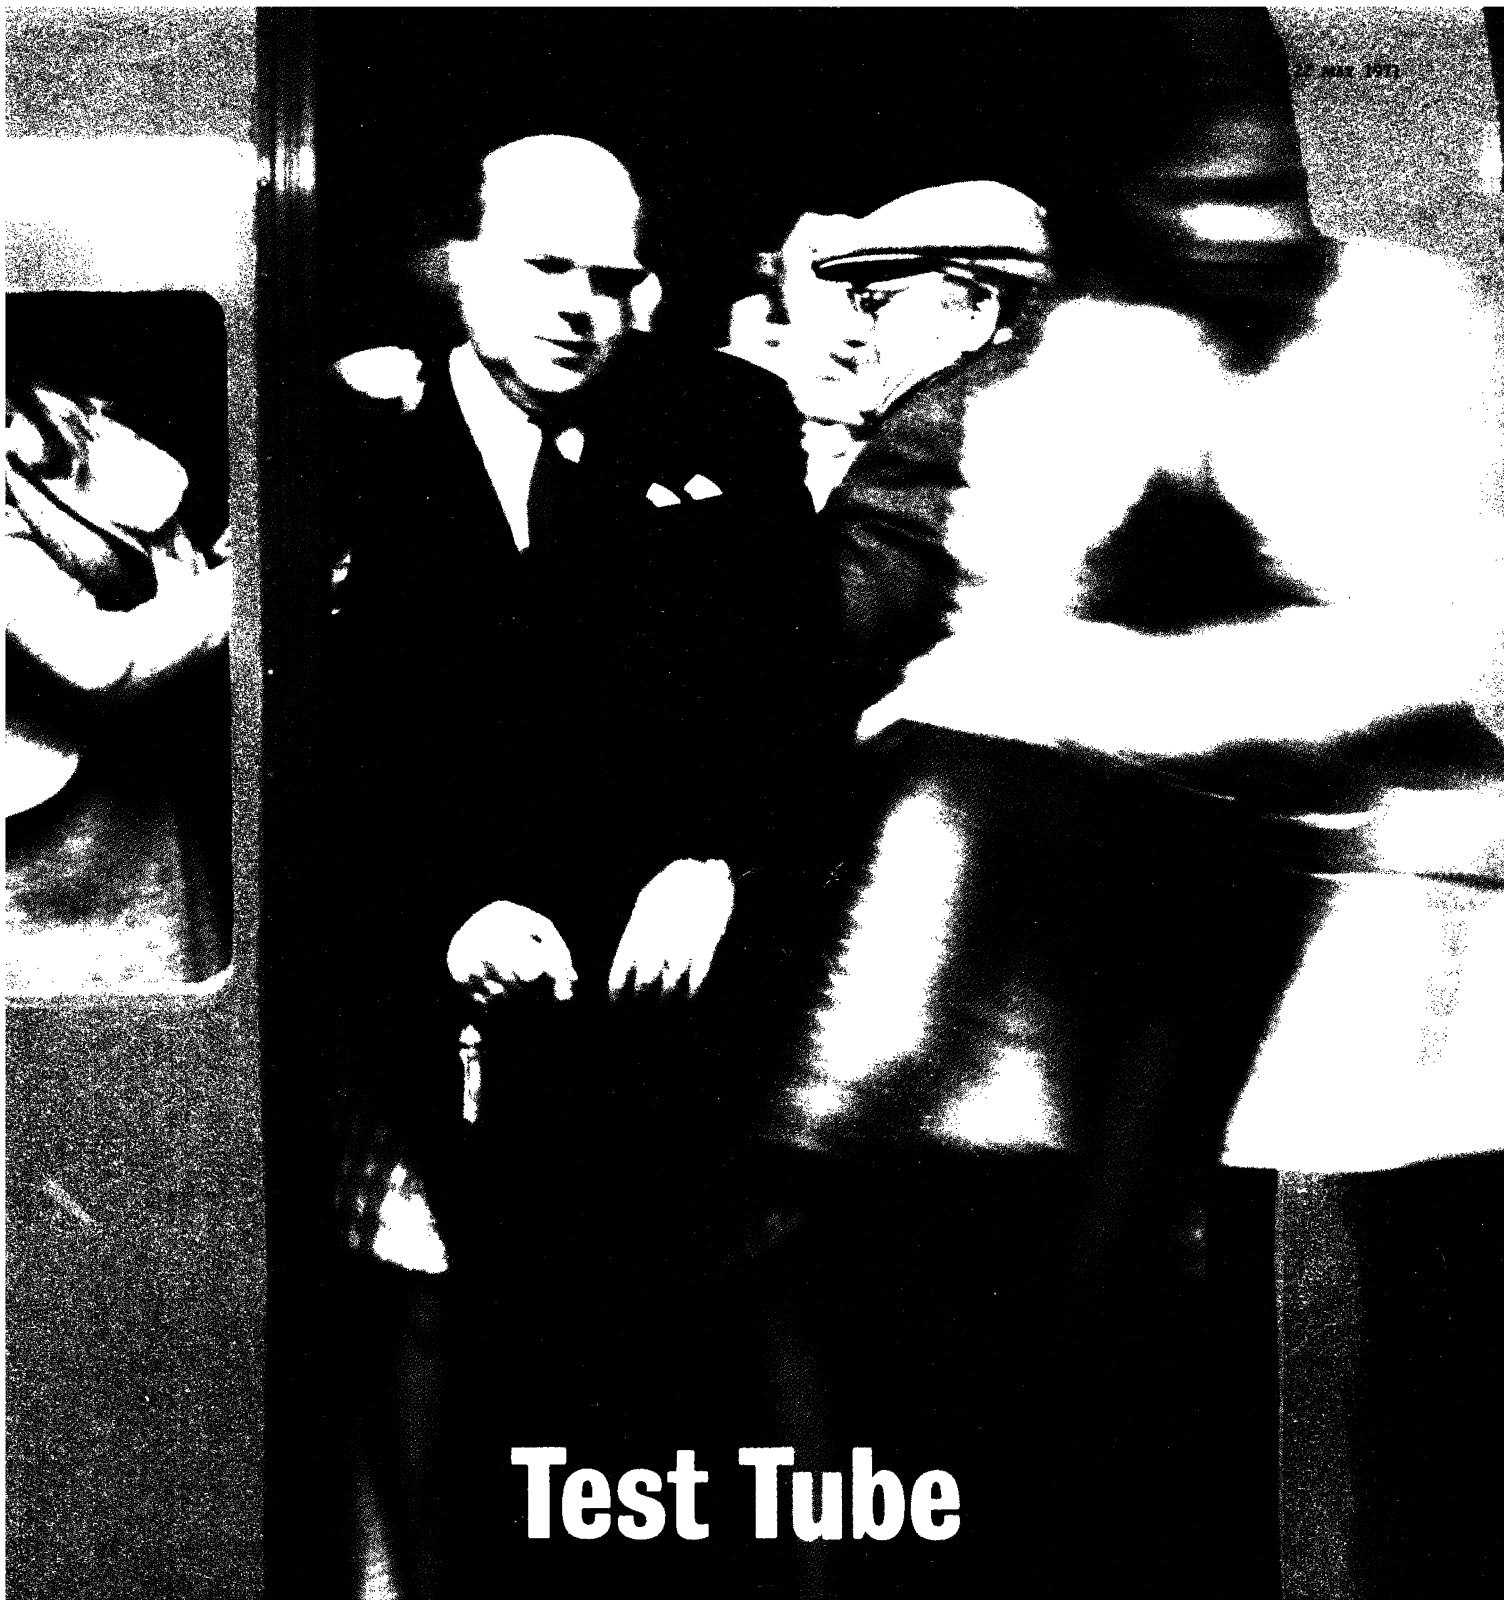

# Penbritin

Penbritin\* (ampicillin B.P.) is a product of British research at  
**Beecham Research Laboratories** Brentford, England  
originators of the new penicillins

\*regd.

# Test Tube

A crowded tube: a tough test confirming the success of Declinax measured both in mm/Hg<sup>1</sup> and in the patient's ability to cope with and enjoy life<sup>1, 2</sup>

Brit. med. J., 1966, *ii*, 732.

1. "In this trial many patients treated with debrisoquine [Declinax] had been unsatisfactorily controlled by other hypotensive agents; the change to this drug made satisfactory blood-pressure control possible, and there was relative freedom from troublesome side-effects."

\*Declinax is the registered trade mark for pharmaceutical preparations containing debrisoquine sulphate.

Full information is available on request from  
Roche Products Limited, 15 Manchester Square,  
London W1M 6AP

Brit. med. J., 1966, *ii*, 728.

2. "Side-effects are notably less frequent, less severe and less unpleasant than with any other effective preparation previously used for lowering blood-pressure..."

## anxious and depressed

Mrs Rogers presented with headache. She appeared tense and irritable. Her doctor's history-taking elicited her social and sexual problems, her guilt feelings and insomnia. He decided she was basically depressed with anxious overtones.

## six good reasons for prescribing Bactrim\* Roche for urinary tract infections

Urinary Infections respond outstandingly well to Bactrim Roche, a combination of trimethoprim and a sulphonamide. One such combination was used prophylactically in 25 cases of chronic bacteriuria where the usual treatment (ampicillin, tetracycline or nitrofurantoin) had failed. Although the dose used was very much below the level normally recommended† the treatment controlled 22 (88 per cent) of the group for periods of 8 to 36 months.<sup>1</sup> The combination used in Bactrim Roche (trimethoprim/sulphamethoxazole) achieved a cure rate of 85 per cent one week after treatment ended and 67 per cent after four to five weeks, compared with 70 per cent and 52 per cent for ampicillin.<sup>2</sup> An editorial in the British Medical Journal commented that the combination "was therefore clearly superior . . . and this superior effect was even more appreciable in the treatment of patients who had failed on another drug."<sup>3</sup>

# Prevention is better than migraine

'Migraine does not destroy life but can destroy the joy, value and rewards of living.'<sup>1</sup>

Dihydroergotamine-Sandoz is a new tablet formulation that makes migraine prophylaxis simpler and more practicable than ever before. Dihydroergotamine has a vasoconstrictor action on distended extracranial arteries similar to that of ergotamine,

while being largely free from its uterotonic and pressor actions. In one trial<sup>2</sup>, Dihydroergotamine 2 mg. administered regularly 3 times a day was used to treat 80 patients with migraine. Improvement was recorded in 58 (72.5%); migraine disappeared in 32 patients and was greatly or partially reduced in the remaining 26.

# Dihydroergotamine-Sandoz tablets

each tablet contains 1 mg. dihydroergotamine mesylate.  
Further information is available on request.
