

A good friend in

Cystitis, or indeed any infection of the urinary tract, needs immediate attention. In all cases you can depend on Amoxil for routine treatment. Its broad spectrum activity and high urine concentrations deal decisively with the principal urinary pathogens while its outstanding oral absorption ensures that bactericidal serum levels are available to combat potential ascending infection into renal tissue.

Amoxil can be prescribed with confidence in women of child-bearing age – and especially in pregnancy where choice of treatments is limited. Having the safety of a penicillin, Amoxil is equally suitable for children, the elderly and those patients requiring long-term therapy.

In addition Amoxil has highly acceptable oral presentations, a convenient t.d.s. dosage and is one of the most economic treatments available in this indication.

Amoxil is indeed a good friend in urinary tract infections. To both you and your patients.

Further information on Amoxil (regd) is available from: Bencard, Freepost, Great West Road, Brentford, Middlesex.

 **Bencard**

Prescribing Information.

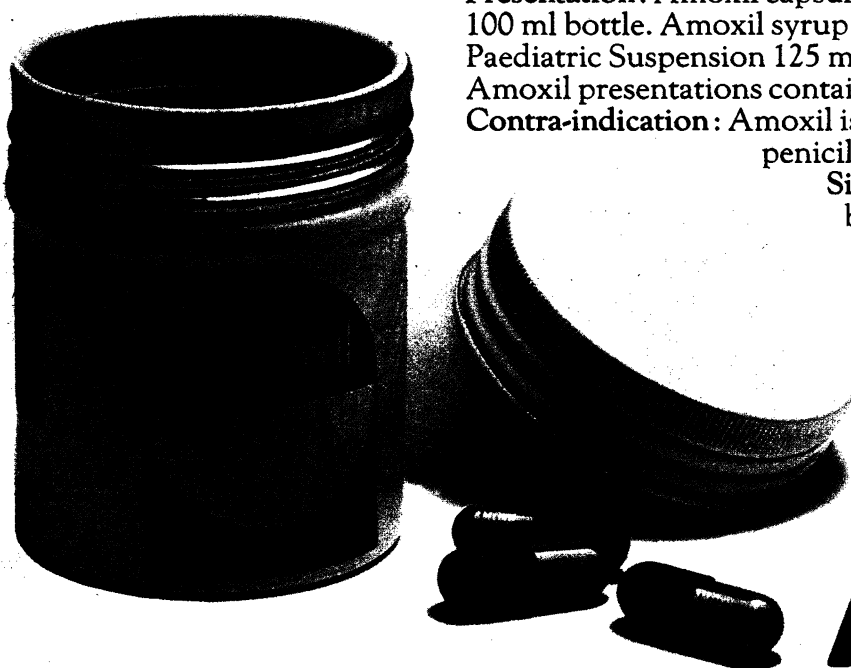

Dosage: Adults 250 mg three times a day. Children – up to 10 years: 125 mg three times a day. In the case of severe infections the dosage should be doubled.

Presentation: Amoxil capsules 250 mg. Amoxil syrup 250 mg/5 ml, 100 ml bottle. Amoxil syrup 125 mg/5 ml, 100 ml bottle. Amoxil Paediatric Suspension 125 mg/1.25 ml, 20 ml bottle with pipette. Amoxil presentations contain amoxycillin as the trihydrate.

Contra-indication: Amoxil is a penicillin and should not be given to penicillin-hypersensitive patients.

Side effects: No serious side effects have been reported in extensive clinical trials.

Those side effects which were encountered were mild and of a transitory nature.

urinary infections.

When waking hours stretch far into the night...

‘Surmontil’

provides complete treatment to make sleep easy again

In the many patients whose sleep problem stems from depression, ‘Surmontil’ offers significant advantages over other forms of therapy.

- **Causal as well as symptomatic relief**
Unlike hypnotics, ‘Surmontil’ does more than just rapidly relieve sleeplessness. It gets to the root of the problem by acting on the underlying depression.
- **Preservation of normal sleep patterns**
‘Surmontil’ acts without reducing REM sleep time. Because of this the sleep which it promotes is both sound and natural.
- **Reduced daytime anxiety**
Besides its immediate sleep-inducing and gradual mood-elevating actions ‘Surmontil’ also has a rapid effect on the anxiety which invariably accompanies depression.
- **Conveniently taken in a single nightly dose**
The good tolerance of ‘Surmontil’ means that the total daily requirement for effective relief of depression may be conveniently taken in a single night-time dose.

‘Surmontil’ helps worried, dejected patients sleep easy again

Ear, Nose and Throat Infections

Prescribe Penbritin with Confidence for infections in children

Confidence is born of experience. And experience with Penbritin in the treatment of ear, nose and throat infections has established an outstanding record of safety and effectiveness.

Penbritin gives you broader cover than penicillin V—yet retains all the benefits of penicillin safety.

And Penbritin has none of the tooth-staining problems associated with the use of tetracyclines in young children.

a top performer

in psoriasis &

stubborn eczemas

Psoriasis

After 8 days' treatment with clobetasol propionate

When the next patient presents with a psoriasis or eczema requiring a more effective steroid than has so far been available, take the opportunity to assess the merits of Dermovate yourself.

Dermovate contains clobetasol propionate, a new Glaxo steroid that has been the subject of clinical trials in over 1,100 referred patients with these conditions.

In psoriasis, a notably stringent test of topical steroid efficacy, thorough comparison with the modern steroids suggested Dermovate superior.

Dermovate also proved second to none in various other stubborn, inflammatory dermatoses.

So next time psoriasis or a recalcitrant eczema looks like becoming a clinical problem, why not put Dermovate to the test?

A sample and detailed information are available on request from:
Medical Department, Glaxo Laboratories Ltd, Greenford, Middlesex

Glaxo

Dermovate (clobetasol propionate 0.05% w/w) is available as cream or ointment in 25 and 100 gram tubes

The main laboratories at Lincoln's Inn Fields

The Imperial Cancer Research Fund deserves your support

because

- It is entirely financed from voluntary contributions and devotes 95½p of every pound donated to cancer research.
- Its laboratories at Lincoln's Inn Fields offer unrivalled facilities and are the largest independent centre for cancer research in Europe.
- It is committed to an expanding research programme and its hopes for the future depend on YOUR SUPPORT NOW.

For everyone's sake support I.C.R.F. now with an offer of help or a donation. It makes sense.

Donations may be sent to: Hon. Treasurer, I.C.R.F., Dept.

PROPERTIES OVERSEAS...

Acknowledgement to International Property Club.

Despite the financial unrest that seems to be troubling most of the world, the interest in buying property overseas either as an investment or for holidays and investment or quite simply for retirement, shows little sign of declining. 'Devaluation,' 'floating,' 'premium' are the words which have, to a considerable extent, lost the fear they once used to instill; the rarity now having become the common place. Neither are changing political scenes the deterrent they used to be. They might occasion a little

re-adjustment of thought, a re-appraisal of the situation or even a change of plans but the idea and intention are steady fast.

Property is still fairly reasonably priced abroad although as everywhere the costs are rising, but not so steeply as in the United Kingdom. In the much favoured area of Costa del Sol, Spain, apartments are now £4,000 and villas £6,500 and upwards. The Property Owners Club who concentrate on this area have property on six estates to offer. This is helpful to the prospective buyer going out there on an Inspection Flight, as it enables him to be shown different sites by the same person which is a great saving in time and expense.

The Costa del Sol has some very lovely beaches, but the factor that has contributed so much to its popularity is the number of first class golf courses.

Recently the Algarve has increased in popularity as a place for holiday or retirement. This is possibly due to the relatively new airport at Faro. There are a number of little fishing villages along this coastline which is only about 150 miles long and at several there are interesting developments. Especially is this true of Albufeira which has a magnificent piece of sandy beach within easy reach called the Golden Beach (Praia da Oura). Again several first class golf courses.

The popularity of the Balearic Islands as holiday venues has helped considerably to encourage tourists to return as residents or at least as holiday flat or villa owners. The three islands of Majorca, Menorca and Ibiza have airports with direct flights to and from London and this has been a major factor in their popularity, particularly in relation to Menorca. This island is now being developed rapidly because of its new airport.

Majorca is the principal island and although being well built up in many areas, is large enough to have an abundance of beautiful countryside. A new 'Basque' style village is being built on the East coast on the beach of Cala Anguila, which is only 3 miles from the fishing village of Porto Cristo. It is called the Pueblo Mediterraneo and will have uninterrupted views of the sea. Prices range from about £7,000 to £11,000.

Last year the B.M.A. held a Clinical Meeting in Cyprus and many of the doctors and their wives expressed their enchantment at the beauty of the island, its atmosphere and the friendliness of everybody with whom they came into contact. Apart from its beauty the island has of course many historical and archeological attractions.

Nicosia the capital, is a most convenient centre with many old buildings and fascinating quarters. It is modern in all respects including fashionable shopping areas. The charm of the island really surrounds its coastal resorts such as Kyrenia,

Investment, Holidays & Retirement

Limassol, Paphos and Larnaca. The most popular though, is Famagusta, which has miles of sandy beaches and sailing facilities that are the best that one could desire. The countryside, although flat in certain districts, is relieved by the Troodos Mountains and range of hills that are a joy to behold.

The purchasing and management of property overseas can present problems to the uninitiated. Fortunately there are organisations in this country which specialise in advice and guidance through the Exchange Control Regulations, legal technicalities and property legislation to assisting with finance and management and their help should be sought.

Artists impression of OSL development, Pueblo Mediterraneo.

Just Published—

CLINICAL ENDOCRINOLOGY

Over the last 25 years progress in endocrinology has been rapid. The important recent advances in treatment of disorders of the endocrine system were reviewed in a series of 'Medical Practice' articles published in the *B.M.J.* last year. These have been revised by their authors and collected together in a booklet, which forms a useful introduction to modern ideas in this specialty.

SEPTRIN TACTICS

first

SEPTRIN ensures coverage against all likely bacterial pathogens.

fast

SEPTRIN rapidly obtains effective blood levels with simple twice daily dosage.

decisive

SEPTRIN crushes bacterial resistance with a bactericidal action which differs essentially from that of the antibiotics

Superior to either ampicillin or tetracycline as judged by reduction in sputum purulence or sputum volume.^{1,2}

"... not only are the two primary pathogens, *Strep pneumoniae* and *H influenzae*, sensitive, but so are the secondary invaders such as klebsiella which often replace them after antibiotic treatment."³

"... can only be considered excellent on the criteria originally specified, namely the elimination of the infecting micro-organism."⁴

1905 An important year for coffee lovers

It was the year Dr. Ludwig Roselius discovered how to remove caffeine from coffee without altering its flavour.

Since then, thanks to him and his Kaffee H.A.G., no one need say "No" to coffee! Today, in nearly every country in the world, the Medical Profession is recommending it increasingly in cases where caffeine is contra indicated.

"... the lot of the angina victim
is not a happy one.
1 in 4 men with angina
can expect to have a
coronary attack within 5 years."

In two long-term, double-blind independent British studies 'Atromid'-S reduced mortality and morbidity rates by half in patients with angina pectoris.

In an American study angina did not develop in any of the 2,170 men treated with 'Atromid'-S for up to 5 years.

These and other trials together with 10 years world-wide use confirm the remarkable degree of safety associated with 'Atromid'-S therapy. A simple twice daily dosage provides a convenient and unobtrusive treatment for the ambulant patient.

Surgical hosiery provides venous support, but PAROVEN is a kind of 'physiological elastic stocking' for the capillaries.

"The most obvious effect of treatment with HR (Paroven) is the very constant relief of night cramps, with an improvement exceeding 90 per cent."

Brit J Clin Pract (1970) 23, 161

"The degree of relief in chronic aching pain in the legs was not so marked (compared with 90% improvement in night cramps and 70% improvement in heaviness of the legs), but still amounted to 54 per cent."

Brit J Clin Pract (1970) 23, 161

"Symptoms of heavy legs are improved in 70 per cent, and it was generally agreed that not only did legs feel lighter but the patients were more agile."

Brit J Clin Pract (1970) 23, 161

"The improved venous blood oxygenation and the reduced tissue oxygen extraction indicated better tissue perfusion with less blood oxygen having been taken from the increased capillary blood flow."

Brit med J (1971) 2, 138

PAROVEN[®]

improves capillary flow

Relief of symptoms in varicose disorders

Varicose veins, post-phlebitic syndrome, superficial thrombophlebitis, varicose ulcers, varicose eczema, ankle oedema, restless legs, paraesthesia, haemorrhoids.

Dosage Initial treatment: 4 capsules a day, preferably with meals. In most cases, at least four weeks treatment with PAROVEN is required before significant benefit is felt. At the point where the patient experiences benefit, the dosage may be adjusted to a maintenance level. Maintenance treatment: 1-2 capsules a day.

Side effects and Precautions In a few patients, slight gastro-intestinal disorders, flushes and headaches have been reported. These are usually overcome by taking the capsules with meals or by slight adjustment of dosage. There are no known contra-indications to PAROVEN; it is virtually non-toxic and has no teratogenic effects. In keeping with current teaching and practice its use during the first trimester should, however, be avoided.

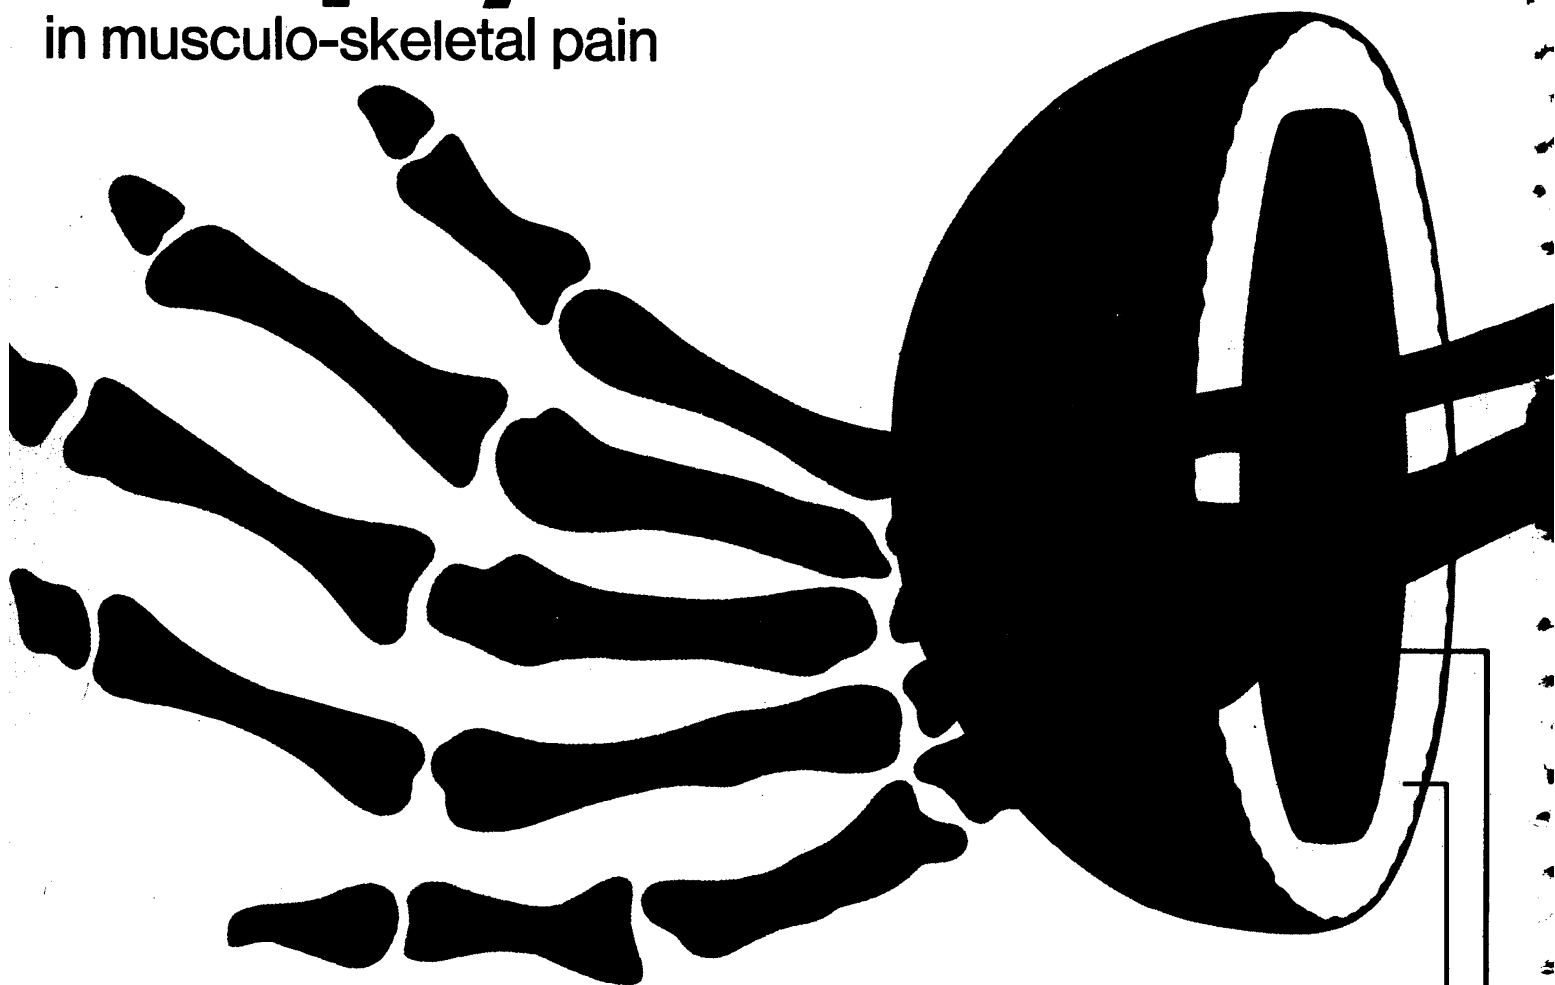

Availability Capsules, each containing 250 mg of O—(β -hydroxyethyl)—rutosides (not less than 45% troxerutin) in bottles of 20 and 100 capsules.

Further information is
available on request.

UNIVERSITY OF BRISTOL

ADVANCED POSTGRADUATE TRAINING COURSE IN CLINICAL RHEUMATOLOGY

Royal National Hospital for Rheumatic Diseases, Bath 17th-22nd September, 1974.

The programme will concentrate on common practical problems in rheumatic diseases and on their scientific bases. It will include a number of symposia in which aetiology, diagnosis and treatment will be approached from different angles, and in which the course member will actively participate. The course will be suitable for Consultants, Senior Registrars and Registrars who are either Rheumatologists or are General Physicians but wish to further their knowledge of the subject.

The course fee is £25 or £37 to include accommodation. The course has been recognized by the Council for Medical Postgraduate Education for England and Wales and by the D.H.S.S. for the Advanced Postgraduate Training Scheme. The fee, subsistence and travelling expenses are therefore recoverable.

For further information and full details of the programme, please write to Dr. M. I. V. Jayson, Royal National Hospital for Rheumatic Diseases, Bath, Somerset BA1 1RL (22923) 4

UNIVERSITY OF BRISTOL

THE ELECTRICAL ACTIVITY OF THE FUNCTIONING BRAIN: NEW METHODS OF ANALYSIS AND THEIR IMPLICATION FOR CLINICAL PRACTICE

A two-day course on the analysis of the spontaneous and evoked E.E.G. activity will be held on the 17th and 18th May, 1973 at the Burden Neurological Institute and Hospital, Bristol.

There will be on-line demonstrations of the various techniques applied to intracerebral and scalp activity. The fee for the course, including lunch etc., will be £8.50.

This course has been recognized by the University and Regional Hospital Board for the payment of fees and expenses. Permission to attend the course should be made to applicant's employing Authority.

Applications will be accepted now and should be made to Dr. Ray Cooper, Burden Neurological Institute, Stapleton, Bristol together with the appropriate fee. 4

WESTERN REGIONAL COMMITTEE FOR POSTGRADUATE MEDICAL EDUCATION

COURSE IN MENTAL DEFICIENCY

8th to 26th October, 1973

A full-time postgraduate medical course in Mental Deficiency will be held from 8th to 26th October, 1973. The course will include instruction in the clinical, legal and administrative aspects of the subject and opportunity will be given for practice in the application of intelligence tests and the clinical examination of mentally handicapped children. The course which is recognized by the Scottish and English employing authorities, is especially suitable for school medical officers and other doctors engaged in the assessment of mental defect.

The fee is £30. Early enrolment is advisable as the number of places in the course is limited. Application should be made to the Dean of Postgraduate Medicine, The University of Glasgow, Glasgow, G12 8QQ (22918) 4

THE M.R.C.P. (U.K.) EXAMINATIONS

Our course covers all the requirements of the new examinations.

It includes communications on all aspects of internal medicine; X-rays, E.C.G.s, pathology forms, clinical case problems, colour slides and viewer, multiple choice questions. All aspects have detailed model answers. Personal guidance and assessment is given throughout. Write for details and your initial assessment to Medical Tutors Ltd., 113 Seven Sisters Rd., London N.7. 4

ROYAL COLLEGE OF PHYSICIANS

These posts will include rotation through Paediatrics, Obstetrics and Gynaecology, Psychiatry, Community Medicine and Occupational Medicine for the first two years. The third year will be devoted essentially to general practice the time being divided between rural and urban practices. The Scheme is run in conjunction with the Regional Adviser in General Practice, (who organises further postgraduate instruction) and the C.M.O.H. for Monmouthshire. Married accommodation if required, will be provided at the base hospital throughout.

National Health Service Salary and conditions of service will apply. Further details of the Scheme may be obtained from the Postgraduate Organizer, Nevill Hall Hospital, Abergavenny, Mon. NP7 7EC. Application should be forwarded to the Group Secretary, N.M.H.M.C., Administrative Offices, Nevill Hall Hospital, Abergavenny, Monmouthshire, by 30th April, 1973. (22885) 22

SOUTH ESSEX HOSPITAL MANAGEMENT COMMITTEE

VOCATIONAL TRAINING FOR GENERAL PRACTICE

This is a new scheme and the first intake of trainees will start their hospital posts at the beginning of August, 1973.

The first two years will be spent in rotating appointments in hospital followed by a year in general practice. There is also an optional month, "Introduction to General Practice", which may be done before or in between the first two hospital posts.

A half-day release programme is being organized in conjunction with the schemes at Romford and Chelmsford.

Married accommodation will be available. Applications must be made by the end of April.

For further details please apply to the Group Secretary, South Essex Hospital Management Committee, Tower Block, Basildon Hospital, Nether Mayne, Basildon, Essex (22916) 22

VOCATIONAL TRAINING IN GENERAL PRACTICE AT PETERBOROUGH

This is a new three-year scheme planned with the enthusiastic co-operation of the staff of the Peterborough District Hospital. Applications for two places are invited from medical graduates who are fully registered.

The general practice portions of the scheme will be divided into two major parts — during the first year there will be an introductory course and a period of six months spent in a training practice, during the final year there will be a second period of six months spent in Peterborough District Hospital. The hospital attachments the trainees will be kept in contact with general practice by a half-day release scheme.

The hospital portion of the scheme will include clinical responsibility in the grade of Senior House Officer in general medicine, obstetrics and gynaecology, paediatrics and geriatrics. There will also be experience in physical medicine, accident and emergency, dermatology, E.N.T. and ophthalmology. Psychological medicine will be based on a study of family psychiatry and this will be centred on the half-day release scheme. A new Postgraduate Centre with excellent facilities will be opening in the autumn of 1973.

Hospital married accommodation will be available for trainees throughout the three years.

For one trainee the Course will commence on 1st September, 1973 and for the other on 1st October, 1973. Those wishing to be considered should apply to the Group Secretary, Peterborough District Hospital, Thorpe Road, Peterborough, PE3 6DA for details of the scheme and application form returnable by 5 May, 1973.

Any additional enquiries should be addressed to Dr. I. H. Redhead, Course Organizer, Peterborough District Hospital, (49044) 22

WATFORD GENERAL HOSPITAL

VOCATIONAL TRAINING SCHEME FOR GENERAL PRACTITIONERS

Applications are invited for a place in the Vocational Training Scheme which will be available on 1 August, 1973.

The training programme includes Senior House Officer posts to be held for 6 months in general medicine - Geriatrics, Obstetrics and Gynaecology, Adult and Child Psychiatry and Paediatrics, together with a year in general practice divided into an initial two months before the hospital posts and a final ten months.

The scheme provides for a three year training period under the continuous supervision of a course tutor and in association with the Watford and West Herts Postgraduate Medical Centre. There will be teaching and seminar sessions throughout the three years. Clinical attachments in other specialties such as E.N.T. and physical medicine are available during the general practice periods.

The appointments are recognised for the D.H.C., D.R.C.O.G., D.P.M., M.R.C.Psych., and the M.R.C.G.P. Upon completion the doctor will be entitled to receive the Vocational Training allowance.

Married accommodation may be made available.

Applications naming two names for reference (one of last employer) should be sent to the Hospital Secretary, Watford General Hospital, Sherwoods Wing, Vicarage Road, Watford, Herts. (22818) 22

Faculty of Medicine and DentistryApplications are invited for the post of
CLARKSON SENIOR CLINICAL TUTOR
IN GENERAL PRACTICE

The person appointed will be based in the Department of Medicine and will be responsible for the organization and provision for medical students of clinical instruction based on general practice and for developing appropriate research activities. The person appointed will be expected to co-operate in other work related to general practice within the Medical School, particularly the research and teaching provided by the Department of Social Medicine.

Applicants should be actively engaged in general or other comparable clinical practice. The post will be part (2) time and an appointment will be made for four years in the first instance at Senior Lecturer/Consultant level. The successful candidate will be expected to continue to engage in clinical practice.

Salary on scale: £4,836 x 1/2 to £7,350 x 1/2 plus F.S.S.U.

Applications (9 copies) with names of three referees by 21st May, 1973, to the Assistant Registrar, Medical School, University of Birmingham, Birmingham B15 2TJ, from whom further particulars may be obtained. (49283) 25

THE UNIVERSITY OF MANCHESTER

LECTURER IN SURGERY

Applications invited for this post, to be held in the University Department of Surgery, Manchester Royal Infirmary (Professor I.E. Gillespie). In addition to clinical and teaching duties the person appointed will be expected to engage in research. Present research interests of the Department include gastroenterology, transplantation and peripheral vascular disorders. Possession of a higher surgical qualification desirable. Salary range p.a.: £2,337 - £5,112. Particulars and application forms (returnable by 7th May) from the Registrar, The University, Manchester, M13 9PL. Quote ref: 54/73/JMBx(22734) 25

UNIVERSITY OF SHEFFIELD
AND UNITED SHEFFIELD HOSPITALS4 DEMONSTRATORS
IN ANATOMY AND PHYSIOLOGY
and S.H.O.s. in Casualty
(Non resident)

required from 1st August, 1973, for one year. This post is suitable for those intending to work for the Primary Fellowship examination of one of the Royal Colleges. It will be a rotating appointment with six months spent as a Demonstrator in the University Departments of Anatomy and Physiology and six months as a Casualty Officer in either the Royal Hospital or the Royal Infirmary, Sheffield. The six months in Casualty is recognised for the final F.R.C.S.

Applications (single copy), naming 3 referees, stating age, qualifications, present and previous appointments (with dates) to the Chief Administrative Officer, United Sheffield Hospitals, 10 Beech Hill Road, Sheffield, S10 2RZ, by 28th April. (48982) 25

THE UNIVERSITY OF LEEDS
SCHOOL OF MEDICINE

The increase in the annual intake of students in the School of Medicine has involved the development and expansion of clinical teaching at Leeds (St. James's) University Hospital and at Seacroft Hospital, in addition to that provided in the United Leeds Hospitals. Applications are invited for the following newly created lectureships in the departments of the School of Medicine.

ANAESTHESIA The successful candidate will be expected to teach undergraduate and postgraduate students, to undertake research supported by the facilities of the entire department and to organize undergraduate teaching and co-ordinate anaesthetic research at Leeds (St. James's) University Hospital, where clinical sessions will be available. Previous research experience and F.F.A.R.C.S. essential. (Ref. No. 54/3/L).

MEDICINE The successful candidate will take part in the care of general medical and gastroenterological patients at Leeds (St. James's) University Hospital and in research and teaching. Previous research experience would be an advantage. (Ref. No. 69/4/L).

PAEDIATRICS Duties will include undergraduate and postgraduate teaching and participation in research. The Department has major facilities in the United Leeds Hospitals and at Seacroft Hospital. Applicants should be members of one of the Royal Colleges. (Ref. No. 51/7/L).

SURGERY Duties will include teaching, research and the clinical care of patients at Leeds (St. James's) University Hospital. It is hoped that the successful candidate will be eligible for honorary senior registrar status. (Ref. No. 53/14/L).

Applications will be made to the hospital authorities for appropriate honorary contracts.

Salary scale £2,337 - £5,022.

Forms of application and further particulars from the Registrar, The University, Leeds LS2 9JT (please quote the appropriate reference number). Closing date 10th May, 1973. (22945) 25

The University of Leeds
DIPLOMA IN PUBLIC HEALTH

The Department of Preventive Medicine and Public Health of the University of Leeds provides a full-time non-residential course for the Diploma in Public Health which lasts one academic year. The next course will run from October, 1973 to June, 1974. In addition to the usual topics emphasis is placed on (i) Epidemiology, (ii) Statistics, (iii) Social Services in relation to Community Medicine, including Health Education (iv) Principles of Administration, Management and Health Care Planning. The fee for the course is £114.50 (£264.50 for overseas students). All communications regarding the course should be addressed to: University of Leeds, Department of Preventive Medicine and Public Health, 32 Hyde Terrace, Leeds LS2 9LN before 31st July, 1973. (22944) 25

COMMERCIAL APPOINTMENTS

Pharmaceuticals Division

Medical Advisers

The work of the Medical Department of I.C.I. Pharmaceuticals Division is expanding vigorously. We are looking for Doctors who enjoy responsibility and would like to work as members of multi-disciplinary teams. The work itself includes assisting in the development of new drugs, especially in the field of cardiovascular medicine; the technical servicing of established drugs; liaison with Research Department and advising the Commercial Departments. One of our main growing points is in business overseas. This involves some foreign travel and the chance to work in collaboration with leading clinicians abroad. No rigid frameworks exist and our doctors are free, within broad limits, to develop the pattern of their work according to their own special interests and abilities.

The Medical Department is located at our Research establishment in rural Cheshire, fourteen miles south of Manchester, an attractive area with excellent housing and education facilities. A competitive salary will be offered, based on qualifications and experience, and there are pension and profit sharing schemes in operation. Assistance towards re-location expenses will be given to married appointees.

Letters may be addressed, in confidence, to:-

**The Medical Director,
Imperial Chemical Industries Limited,
Pharmaceuticals Division,
Alderley House, Alderley Park, Macclesfield,
Cheshire SK10 4TF.**

(49231) 34

CHASE FARM HOSPITAL
Enfield, Middx.

LOCUM CONSULTANT ANAESTHETIST
required from 14th to 31st May, 1973. Applications with details of previous experience to Hospital Secretary. (49222) 52-1

APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1969, No. 163).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £1,749 per annum for the posts held during the first year; £1,887 per annum for posts held during the second year; £2,025 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,280 per annum x £177(2) — £2,634.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £2,634 per annum x £162(4) — £3,282.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale, and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £3,120 per annum x £162(1) x £216(4) — £4,146.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £2,925 per annum x £168(1) x £180(3) x £168(10) — £5,313.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £4,836 per annum x £279(8) x £282(1) — £7,350.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rental is appropriate.

**RESIDENT REGISTRAR
IN PSYCHIATRY**
required Pastures Hospital, Derby (986 beds). Postgraduate study facilities for D.P.M. at Sheffield University. Facilities available for training in Child Psychiatry. Experience in Mental Handicap at Aston Hall Hospital, Aston-on-Trent.

Applications, preferably typewritten, to the Secretary, Old Fulwood Road, Sheffield S10 3TH, by 30th April, giving age, qualifications, present and previous appointments (with dates) naming three referees. (49272) 84-6

SOUTH WESTERN REGIONAL HOSPITAL BOARD AND UNITED BRISTOL HOSPITALS

Applications are invited for the appointment of

REGISTRAR IN PSYCHIATRY
in the Bristol Clinical Area. The post is non-resident. Single accommodation is available. The appointment, which is vacant from 1st July, 1973, will be for a period of two years, subject to review after the first year.

The Registrar will be based at Barrow Hospital and will take part in the Registrar rotation scheme in the Bristol Clinical Area. This entails approximately 18 months in General Psychiatry at Barrow Hospital and in the associated out-patient clinics in the Bristol Teaching Hospitals. There will be six months each in acute general psychiatry and rehabilitation, acute general psychiatry and psychogeriatrics at the Bristol Day Hospital. Six months will be spent at Northam Hospital and with the Bristol Child and Family Guidance Service gaining experience in Mental Subnormality, Child and Adolescent Psychiatry.

Both Barrow and Northam Hospitals are actively involved in the teaching of medical undergraduates for the University of Bristol and there is also a progressive postgraduate teaching programme organized at both hospital and regional level in association with the Department of Mental Health of the University of Bristol. This includes a course of lectures and seminars spread over a two-year period devised for those intending to sit Membership of the Royal College of Psychiatrists. These and other details are available from Mr. Barker, Hospital Tutor, Barrow Hospital, Barrow Gurney, Bristol BS19 3SG.

Applications by letter giving age, qualifications and experience with dates, together with the names and addresses of two recent referees, including one relating to the current or most recent substantive appointment, should be sent to the Secretary, South Western Regional Hospital Board, 27 Tyndalls Park Road, Bristol BS8 1PJ by 3rd May, 1973. Selected candidates will be interviewed on 18th May, 1973. (H11581) 84-6

SOUTH-EASTERN REGIONAL HOSPITAL BOARD Scotland

**REGISTRAR IN
CHILD PSYCHIATRY**
at Royal Hospital for Sick Children, Edinburgh.

This post is suitable for intending specialists in Child Psychiatry but is also suitable for trainees in Paediatrics and Psychiatry. This post offers experience of a wide range of disorders in children, adolescents and their families attending the out-patient department and in the in-patient unit for children and adolescents.

The successful applicant will be expected to participate in a course of seminars in child and adolescent psychiatry.

Applications, which should be typewritten giving particulars of age, qualifications and previous experience together with the names and addresses of two referees should be lodged with the Secretary, 11 Drumshugh Gardens, Edinburgh, within two weeks of this advertisement. (H11595) 84-6

KENT AND CANTERBURY HOSPITAL
Canterbury, KentVOCATIONAL TRAINING
IN HOSPITAL MEDICINE
Two Rotating Senior House Officer
Posts for One Year Each

Following their pre-registration year, applicants are offered a year's discriminatory period starting 1st July 1973. The programme is designed to introduce them to as many aspects of hospital medicine as possible.

The successful applicant will be attached to the following departments for varying periods totalling not more than nine months.

Community Care and General Practice; Medical Administration; Pathology; Paediatrics; High Dependency Areas (Anaesthetics Intensive Care, Coronary Care and Renal Unit); Nuclear Medicine; Diagnostic and Therapeutic Radiology; Geriatrics; Psychiatric Medicine; Ophthalmology and Neurology.

The remaining three months will be used as an elective period in any specialty including General Medicine or Surgery. The existing Basic Medical Science Course will be used to supplement the applicants' education, in order to prepare for postgraduate qualification. The programme may be varied according to the needs of each individual although emphasis must be placed on a broad education.

These are two supernumerary posts which are non-resident although married/single accommodation may be available.

Applications, together with copies of two recent testimonials should be addressed to the Hospital Secretary at the above Hospital. (22459) 88-8

CHIEF ADMINISTRATIVE
MEDICAL OFFICER

Four Boards have been appointed to undertake from October, 1973 the administration of integrated health and personal social services in Northern Ireland.

Each Board is appointing a Chief Administrative Medical Officer who will be responsible for the professional management of administrative medical services and for the overall planning and co-ordination of medical and para-medical services in the Board's area, in addition to sharing with other Chief Officers, the corporate management of health and personal social services as a whole. The post thus offers an opportunity unique in the United Kingdom of developing integrated health services in partnership with personal social services.

Applications are invited for this post with provisional salary scale:—

SOUTHERN BOARD £6,504 — £7,665

(pop. 258,200) headquarters in Craigavon

Applicants must have had wide experience in the field of medical administration in one or more of the existing branches of the health services. The appointment will take effect from October, 1973, but arrangements could be made for a successful candidate to take up post earlier on an interim basis, to participate in the implementation of the new structure being evolved with the help of management consultants.

Further particulars and application form, which must be returned not later than 7th May, may be obtained from the Director, Staffs Council for the Health and Welfare Services, The Beeches, 23 Hampton Park, Belfast BT7 3JN. (22943) 111

PSYCHIATRIST

The Province of Alberta

requires physicians with an interest or experience in psychiatry, to work in the Government mental health system.

Opportunities exist in both community centres and in two active and comprehensive psychiatric hospitals of approximately 650 beds each. Both hospitals are also developing community oriented programmes.

The specialties of Psychogeriatrics, child psychiatry, rehabilitation and forensic psychiatry are practised, along with general psychiatry.

Employment is on a contractual basis and positions exist at all levels. Salaries range from \$25,000 — \$40,000 per annum, with paid annual vacation, paid study leave and expenses and an additional allowance for night duty. A generous removal allowance is given.

Candidates should be graduates of medical schools in the United Kingdom, Ireland, Australia, New Zealand, Canada or South Africa.

Interviews will be held in London, England, in early May, 1973 and those interested should contact

**The Director,
Division of Mental Health Services,
Administration Building,
Edmonton, Alberta,
Canada**

by air mail as soon as possible, when further details will be forwarded. Please include telephone number in any communications.

ROYAL SOUTH SYDNEY HOSPITAL
Sydney, New South Wales, Australia, 2017

Hospital: The Board of the Royal South Sydney Hospital has accepted a new role to establish a Regional Rehabilitation Service for the Sydney Metropolitan Southern Region.

A modern building is now in the process of construction for this purpose. It will be the first service of its kind, specially designed for the care of injured workers as well as other adult physically handicapped persons.

This hospital is situated in a heavily industrialized area, three miles from the City centre. It is an associated hospital of the University of New South Wales Medical School.

There are 103 beds and out-patient attendances of 78,000 per year; 38 minimum care beds are also planned in the new building. The daily attendance in the Rehabilitation Unit will be 150.

Applications are invited from suitably qualified persons, registrable in New South Wales for the undermentioned positions.

DIRECTOR OF MEDICAL SERVICES

Qualifications: This is a prestige position. The applicant should have a Higher Degree in either Medicine, Surgery or Orthopaedics and hold a recognized Diploma of Physical and Rehabilitation Medicine or other equivalent qualifications.

Experience: The applicant is responsible to the Hospital Board for directing all the services of the hospital and in particular should have had experience in the management of a Rehabilitation Unit and the direction of Paramedical staff and have achieved senior status in this field. Administrative and teaching duties in the hospital are part of this position as well as the ability to promote rehabilitation services within the medical profession and the community.

Salary: Present salary \$18,260 per annum plus an administrative allowance of \$476.00 per annum, plus private practice in accordance with the determination of the Health Commission of N.S.W.

Commencing date: 1st November, 1973.
Closing date for applications: 30th June, 1973.

DEPUTY DIRECTOR OF MEDICAL SERVICES

The applicant should be able to assist the Director in his work and would be required to direct the inpatients and outpatients services of the Hospital and be responsible to the Director of Medical Services for the integration of the facilities of the general medical services with the whole Rehabilitation concept.

Qualifications: The applicant should have a qualification in Physical and Rehabilitation Medicine and have had experience or hold a qualification in health administration.

Salary: Range \$13,180 — \$16,600.
Commencing date: 1st November, 1973.
Closing date for applications: 30th June, 1973.

Application forms and schedule of duties attached to positions are available on request from the Chief Executive Officer, Royal South Sydney Hospital, Joynton Avenue, Zetland, New South Wales, Australia 2017. (H11587) 118

CILAG-CHEMIE FOUNDATION for Therapeutic Research

invites applications for research award in therapeutics. Preference will be given to work in clinical pharmacology and drug metabolism in man.

Research grants will be made for one year with the very exceptional possibility of renewal for a second and final year. Grants will not exceed Sw.Frs. 50,000 per year.

Applications for grants beginning 1974 should be received by 31st July, 1973. Application forms may be obtained from

THE NORTH BRISBANE HOSPITALS BOARD

ROYAL BRISBANE HOSPITAL

VISITING SPECIALIST MEDICAL STAFF

PHYSICIAN IN RENAL DISEASE

Applications are invited from Specialist Physicians for appointment to the new position of Nephrologist for five or six sessions per week (each session to be of three (3) hours duration).

The appointee will have inpatient and outpatient responsibilities as well as a consultant role to the rest of the hospital staff, including those of the Royal Children's and Royal Women's Hospitals. He will be expected to take an active part in the present maintenance dialysis facilities and in the development of nephrology services in the Board's Hospitals.

Further particulars may be obtained from the General Medical Superintendent. Present remuneration is as follows:

Senior A \$1,915 per annum per weekly session
Junior A \$1,545 per annum per weekly session
Assistant A \$1,335 per annum per weekly session

Status of the successful applicant will depend on his qualifications and experience.

Application forms, obtainable from the General Medical Superintendent or Manager, should be returned to the Manager, North Brisbane Hospitals Board, Base Hospitals Post Office, Brisbane 4029, Queensland Australia by 29th June, 1973. (H11566)

TWO General Practitioners required in Clinic group of twelve, partnership considered. Located on the Sunshine Coast of British Columbia, Canada, approximately 80 miles north of Vancouver, B.C. Good salary, 151 bed hospital. Please reply to Dr. Barry Cutler, 4794-A Joyce Avenue, Powell River, B.C., Canada.

THE NORTH BRISBANE HOSPITALS BOARD QUEENSLAND RADIUM INSTITUTE

MEDICAL STAFF

Applications are invited from Medical Practitioners eligible for registration with the Medical Board of Queensland for appointment to the following positions:

RADIOTHERAPIST TRAINEE RADIOTHERAPIST TRAINEE IN NUCLEAR MEDICINE

Applicants for the position of Radiotherapist should have a Diploma or equivalent degree in Radiotherapy.

Salary — Radiotherapist (Specialist) — A \$532.60 per fortnight (A \$13,890 per annum). With at least 2 years or more experience as a Specialist — A \$595.10-A \$634.40 per fortnight (A \$15,722-A \$16,747 per annum).

Intending applicants for the position of Trainee Radiotherapist should have at least two years' postgraduate experience before commencing duty.

Salary A \$385.90-A \$413.70 per fortnight (A \$9,986-A \$10,789 per annum).

For appointment to the position of Trainee in Nuclear Medicine preference will be given to candidates who have a suitable higher qualification (e.g. M.R.A.C.P.) or who are on the threshold of obtaining same.

Salary A \$385.90-A \$413.70 per fortnight (A \$9,986-A \$10,789 per annum) or with specialist registration A \$472.70-A \$482.10 per fortnight (A \$12,328-A \$12,574 per annum).

Board and lodging is not provided and successful applicants will be required to contribute to the Public Service Superannuation Fund.

The centre is a progressive one, equipped with two Supervoltage Linear Accelerators and a Cobalt Unit. A third Linear Accelerator is currently on order. The Nuclear Medicine Department undertakes the Nuclear Medical services for the major public hospitals of Queensland.

Prospective candidates may obtain details of the scope and calibre of the positions and the training courses by contacting the Director, Queensland Radium Institute.

Applications giving full name, detailed particulars of qualifications, experience, personal details and the names and addresses of two referees, should be forwarded to the Manager, The North Brisbane Hospitals Board, Base Hospitals Post Office, Brisbane 4029, Queensland, not later than Friday, 29th June, 1973. (H11567)

Medical Officer with Anaesthetics

This appointment, with Roan Consolidated Mines in Zambia, is for doctors with at least two years' post-qualification experience in hospital and a general practice. The nature of the work is varied and will involve out-patient clinics and a certain amount of in-patient responsibility. It should appeal to someone with anaesthetic experience up to DA level only, and a good general medical background. The man appointed will be based at Kalulushi on the Copperbelt, where the company provides a comprehensive health service for the employees and dependants of its Chibuluma division. The curative medical services have an establishment of four doctors and consist of a well-equipped hospital and four clinics in the area. The hospital has nearly 100 beds and is run by qualified nursing and para-medical staff.

Employment will be on a renewable contract basis — FOR TWO OR THREE YEAR PERIODS. A competitive salary will be negotiated, depending on experience and qualifications.

Additional benefits include ■ paid return passages and leave passages (after two years' service) for applicants and families ■ baggage allowance ■ furnished accommodation at low rental ■ free life assurance ■ children's education allowances ■ paid leave which accrues at the rate of 55 days p.a. ■ car provided. Excellent facilities exist for practically all sport and leisure activities on the Copperbelt which enjoys a healthy temperate climate with sunshine all year round.

Immediate interviews are offered but because of documentation procedures it will be about three months before the man appointed will take up his duties in Zambia.

Please write giving concise details of qualifications and experience, quoting reference AM.603, to:

THE WALTER AND ELIZA HALL

INSTITUTE OF MEDICAL RESEARCH

FELLOW TO BIOMEDICAL

COMPUTATION LABORATORY

Applications are invited by the Walter and Eliza Hall Institute of Medical Research for appointment as Fellow to Biomedical Computation Laboratory. The Biomedical Computation Laboratory has been established in the Clinical Research Unit of the Walter and Eliza Hall Institute of Medical Research to further research into the application of computational techniques to medical record data. Current work includes storage and retrieval of coded clinical data, automated diagnosis and development of standard programmes for statistical analysis. A collaborative activity is under development with the Open Heart Surgery Unit of St Vincent's Hospital, Melbourne. Some experience in computational and statistical work is required and preference could be given to medically qualified applicants. Opportunity exists for the successful applicant to become Head of this Laboratory. Salary to be negotiated in range of \$A9,000-\$A12,000 per annum.

Applications, which close on 1st June, 1973, should be addressed to the Head of the Clinical Research Unit, The Walter and Eliza Hall Institute of Medical Research, Post Office, Royal Melbourne Hospital, Victoria 3050, Australia. (H11564)

THE WALTER AND ELIZA HALL

INSTITUTE OF MEDICAL RESEARCH

ASSOCIATE ASSISTANT PHYSICIAN

TO HEAD OF THE UNIT

Applications are invited by the Walter and Eliza Hall Institute of Medical Research for appointment as Associate Assistant Physician to the Head of the Clinical Research Unit of The Walter and Eliza Hall Institute of Medical Research and The Royal Melbourne Hospital.

The appointment will be made under the National Health and Medical Research Council conditions, within the category of Research Fellow, according to experience and qualifications. Applicants should have some experience, or at least interest, in the current research areas of this Unit, i.e. clinical immunology, diseases of the liver, demyelinating diseases, tumour immunology, and biomedical computation. This appointment has formerly been directed to immunopathology, and would carry some clinical responsibilities in the ward of the Clinical Research Unit in The Royal Melbourne Hospital, and, subject to the approval of The Royal Melbourne Hospital, the appointee would be eligible for appropriate honorary appointments within The Royal Melbourne Hospital.

Applications, which close on 1st June, 1973, should be addressed to the Head of the Clinical Research Unit, The Walter and Eliza Hall Institute of Medical Research, Post Office, Royal Melbourne Hospital, Victoria 3050, Australia. (H11565)

Applications for advertisement space and for rates should be addressed to the Advertisement Manager, *British Medical Journal*, B.M.A. House, Tavistock Square, London WC1H 9JR. 01-387 4499. Telegrams: Britmedads, London WC1H 9JR. Telex: 265929.

Classified Advertisements

Please write advertisements and name and address clearly in BLOCK CAPITALS and send to the Classified Advertisement Manager, *British Medical Journal*, B.M.A. House, Tavistock Square, London WC1H 9JR. For immediate insertion please enclose cheque in payment and state whether member or non-member. Classified rates for Doctors' Personal advertisements and for Appointments in General Practice are as follows:

MEMBERS' RATE: Minimum charge £1.10 for twelve words and a Box Number; or £1.05 for eighteen words including name and address or telephone number. Additional words at the rate of 35p for each six or less. Box Number address counts as six words, and 5p to be added for postage.

NON-MEMBERS' RATE: Minimum charge £2.45 for twelve words and a Box Number; or £2.40 for eighteen words including name and address or telephone number. Additional words at the rate of 80p for each six or less. Box Number address counts as six words, and 5p to be added for postage.

PUBLIC APPOINTMENTS: Hospitals; Public Health; the Services; University and Research and other medical situations; Practices (Executive Councils) and Non-Medical Posts. Minimum charge £2 for four lines and 50p for each additional line. Box Number address counts as one line, and 5p to be added for postage.

COMMERCIAL AND INDUSTRIAL APPOINTMENTS: Minimum charge £2.80 for four lines and 70p for each additional line. Box Number address counts as one line, and 5p to be added for postage.

EDUCATIONAL NOTICES, MEETINGS AND HOMES: Minimum charge £2.20 for four lines and 55p for each additional line. Box Number address counts as one line, and 5p to be added for postage.

GENERAL AND COMMERCIAL (TRADE): Notices; Accommodation; Consulting Rooms; Houses and Property; Travel; Hotels; Nursing, Medical and Secretarial Agencies; Commercial. Minimum charge £2.70 for eighteen words. Additional words at the rate of 90p for each six or less. Box Number address counts as six words, and 5p to be added for postage.

SEMI-DISPLAY ADVERTISEMENTS

£9 per single column inch and pro rata

All classified advertisements, subject to approval, will appear in the forthcoming issue provided they reach this office not later than 10 a.m. on the Friday of the week preceding date of issue. Semi-display advertisements must reach this office by 10 a.m. on the Tuesday of the week preceding date of issue.

Cancellation and corrections of advertisements must be received before 12 noon on the Friday of the week preceding date of issue (issues affected by public holidays excepted).

It is requested that when stamped addressed envelopes are enclosed in response to advertisements advertisers will ensure that a reply is sent.

Every effort is made to ensure the accuracy of advertisements appearing in the Journal. No recommendation is implied by acceptance, and the Editor of the *British Medical Journal* reserves the right to refuse, discontinue or interrupt the insertion of any advertisement.

NOTICE TO READERS

REPLIES TO BOX NUMBERS. The names and addresses of advertisers under box numbers are held by us in strict confidence and cannot be disclosed. Each Box Number should be addressed separately. Two or more replies can be enclosed in one envelope. The replies will be forwarded to the advertisers in plain envelopes.

NOTICE TO SUBSCRIBERS

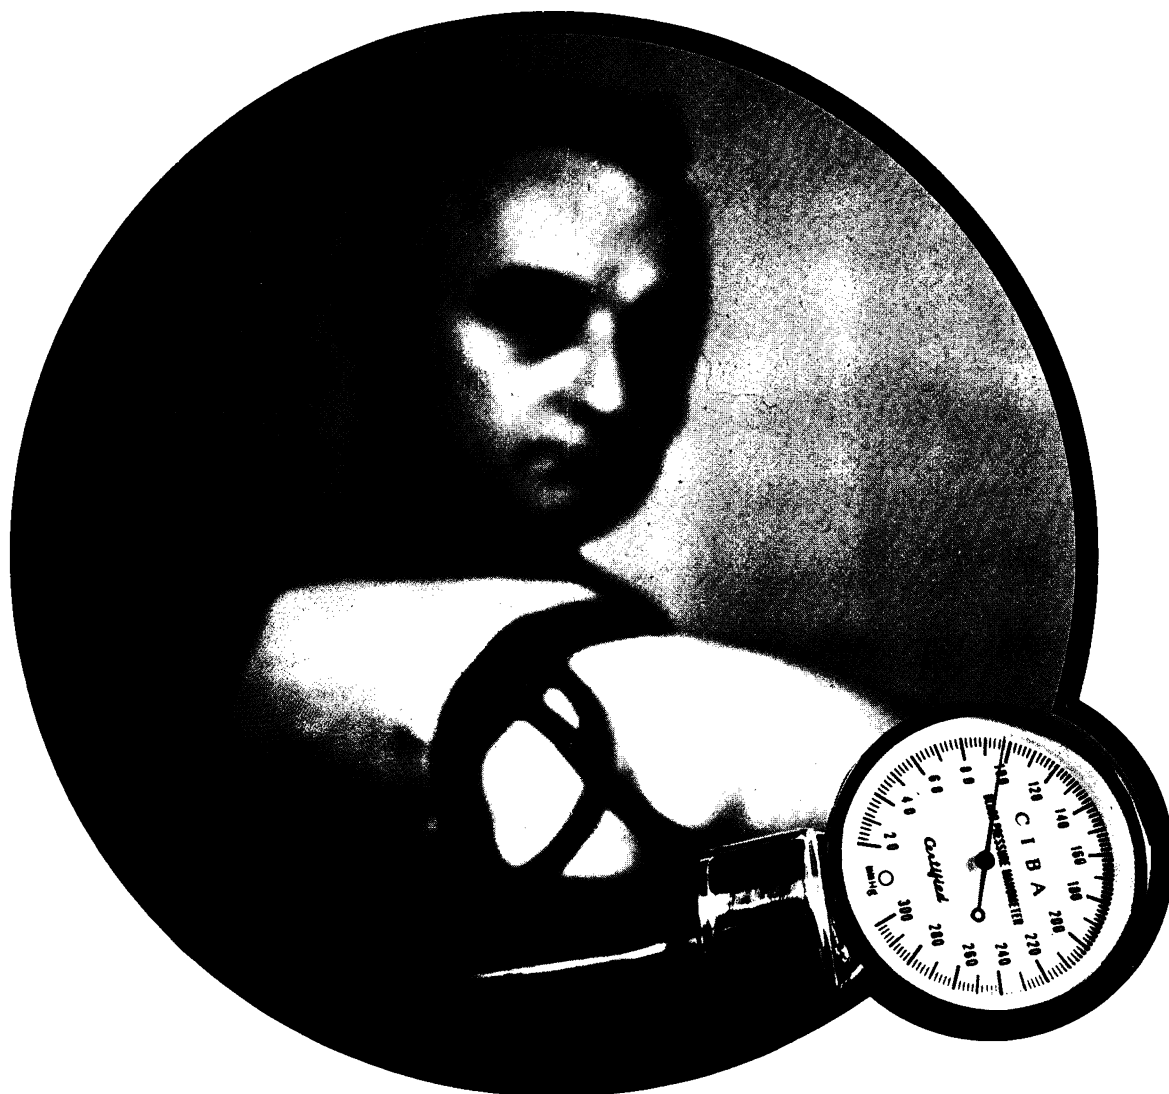

United Kingdom and Irish Republic. The annual subscription rates for members of the medical profession who are not members of the B.M.A. is £21.00. Subscriptions can be ordered direct from the Subscription Manager, *British Medical Journal*, B.M.A. House, Tavistock Square, London WC1H 9JR, or through any leading subscription agent or bookseller.

Overseas. The rate for non-members is £15 direct from the Subscription Manager. Orders can also be placed through any leading subscription agent or bookseller.

North America. A B.M.J. "Air Express" service is available to subscribers in Canada and the U.S.A. at the inclusive annual subscription rate of Canada \$68.00 and U.S. \$65.00 (until 1 September, 1973). The non-member subscription rate to the B.M.J. by surface mail is in Canada \$39.00; U.S.A. \$36.00 (until 1 September, 1973), including postage. Readers in the U.S.A. can send their subscription orders, with or without payment to: *British Medical Journal*, 1172 Commonwealth Avenue, Boston, Mass. 02134.

IRRITATION**

with

Benoral

suspension

Benoral Suspension, a new and highly effective anti-inflammatory analgesic, does not produce the gastric irritation which so often complicates therapy with aspirin and other anti-arthritis agents.

Because it has a long duration of effect, Benoral allows a simple twice-daily dosage regimen which controls swelling and pain and affords significant relief from night discomfort and early morning stiffness.

**Base your therapy now on
Benoral Suspension**

Benoral Suspension contains 40% w/v benorylate. Benoral is a registered trade mark

Electronscan micrograph of E. coli after 8 hours' incubation with 'Eskacef'. Plasmolysis has taken place and on the left hand side, the remains of a filamentous form can be seen. In vitro study. Magnification x 2,000.

This was E. coli. It was treated with 'Eskacef.'

Because every cystitis is a potential pyelonephritis, you need powerful antibiotic action. 'Eskacef.'

'Eskacef' is effective against all the bacterial organisms commonly found in urinary tract infection, including some strains which produce penicillinase, or are resistant to other antibacterials. It is excreted 95% unchanged in the urine after twelve hours¹ (compare with the 25% unchanged excretion rate of ampicillin²).

And this, together with high serum levels, ensures that the active form of the drug is present in sufficiently high concentration to eradicate organisms, not only from the bladder, but also from pockets of infection deep in renal tissue.

'Eskacef' is so low in toxicity that it can be given to children, may be useful for long-term treatment and may, with adjustment of dosage to avoid accumulation, be given to patients with renal damage.

'Eskacef' is available as both capsules and oral suspension.

Use it to be sure.

Each capsule contains cephadrine 250 mg or 500 mg. Each 5 ml of suspension contains cephadrine 125 mg or 250 mg.

Intal doesn't relieve asthmatic attacks

It prevents them

All too often the asthmatic child loses valuable school time through frequent attacks. Yet—regularly inhaled—INTAL could *prevent* them.

More than 150 clinical trials have proved INTAL to be one of the most effective methods of providing continuous prophylaxis without troublesome side-effects.

Leading authorities are agreed that it is now justifiable for all new asthmatics to be given the benefit of a trial of INTAL and they may never have attacks again.

Sodium Cromoglycate BP

IN ASTHMA

Becotide INHALER *puts steroid therapy in its place*

Becotide Inhaler contains beclomethasone dipropionate BP, a steroid which differs from those previously administered to asthmatics by aerosol in that it is highly active within the lungs in doses which are not systemically active. Used as an aerosol it provides remarkable control of asthma without causing significant systemic effects. This result is attributable to the intrinsic properties of the compound and to its localisation at the intended site of action.

Becotide effectively controls the three pathological processes of asthma – bronchospasm, bronchial mucosal oedema and hypersecretion of mucus.

Cross section of a bronchiole showing BRONCHOSPASM.

Cross section of a bronchiole showing BRONCHIAL MUCOSAL OEDEMA.

Cross section of a bronchiole showing the effect of HYPERSECRETION OF MUCUS.

*"If a drug could be produced that had the
sedative properties of steroids without their side
effects, the trials and tribulations
of asthmatic patients would be at an end."*

—Lancet (1969), 2, 155.

SELECTIVE STEROID THERAPY IN ASTHMA

Extensive clinical trials of Becotide Inhaler have shown that it gives effective control of asthmatic symptoms in patients who are no longer obtaining adequate relief from bronchodilators or sodium cromoglycate.

In addition it has been shown that Becotide Inhaler therapy can be used successfully to replace systemic steroids even in asthmatic patients who have become steroid dependent.

In a double-blind controlled trial involving asthmatic patients, Becotide Inhaler provided control which was at least as effective as that obtained from oral prednisolone; the only significant difference was that plasma cortisol levels were *not* depressed with Becotide Inhaler therapy.

(Brit. med. J., 1972, 3, 314)

IMPORTANT

Clinical trials have highlighted the need for particular attention to the selection and clinical management of patients.

It is also important that the patient uses Becotide Inhaler correctly and regularly and that it is not confused with bronchodilator aerosols.

A full and complete full prescribing information including details of clinical management is available on request.

Becotide Inhaler ensures for your asthmatic patients:

- ☐ Highly effective treatment controlling the three main pathological processes involved in asthma—bronchospasm, oedema of bronchial mucosa, and hypersecretion of mucus.
- ☐ Freedom from steroid side effects including adrenal suppression.
- ☐ A fuller and less restricted life as the advantages of steroid therapy can be introduced at an earlier stage of the disease.

PRESENTATION

Becotide Inhaler is a metered aerosol which delivers 50 mcg beclomethasone dipropionate BP per inhalation. Each container of Becotide Inhaler provides 200 inhalations.
