Infections in the elderly

Prescribe Penbritin with Confidence for infections in elderly patients.

Penbritin offers established effectiveness with proven penicillin-safety for the treatment of infections in elderly patients.

In contrast to co-trimoxazole and the tetracyclines, Penbritin can be prescribed with confidence even in cases where your patient may have impaired renal function.

Trust Penbritin

Full information is available on request.
Penbritin* (ampicillin) is a British product originated by
Beecham Research Laboratories, Brentford, England. *regd.

When pollen returns

As surely as birds come back in spring your hay fever patients will be returning to the surgery with streaming eyes and running noses.

Rynacrom offers a completely new means of dealing with the problem.

It doesn't merely provide symptomatic relief from hay fever but actually prevents the release of the spasmogens which trigger off this distressing condition.

Regular insufflation of Rynacrom means permanent protection—and your patients will be able to enjoy life to the full.

RYNACROM®

Sodium Cromoglycate BP

PROPHYLAXIS IN HAY FEVER

Full prescribing notes on this unique product appear in the new series of RYNACROM "Bird Life" mailings. Any further information required will be gladly sent on request.

New from Glaxo

Dermovate

clobetasol propionate

Trade mark

a top performer in psoriasis & stubborn eczemas

Psoriasis

After 8 days' treatment with clobetasol propionate

When the next patient presents with a psoriasis or eczema requiring a more effective steroid than has so far been available, take the opportunity to assess the merits of Dermovate yourself.

Dermovate contains clobetasol propionate, a new Glaxo steroid that has been the subject of clinical trials in over 1,100 referred patients with these conditions.

In psoriasis, a notably stringent test of topical steroid efficacy, thorough comparison with the modern steroids suggested Dermovate superior.

Dermovate also proved second to none in various other stubborn, inflammatory dermatoses.

So next time psoriasis or a recalcitrant eczema looks like becoming a clinical problem, why not put Dermovate to the test?

A sample and detailed information are available on request from:
Medical Department, Glaxo Laboratories Ltd, Greenford, Middlesex

Glaxo

Dermovate (clobetasol propionate 0·05% w/w) is available as cream or ointment in 25 and 100 gram tubes

What makes *Lergoban* the antihistamine that suits most patients?

Lergoban is highly effective whenever allergic reactions occur. It is equally valuable in skin conditions and in hay fever [1,2,3]

Lergoban reduces the dosage needed to control allergic reactions—two doses can give protection all day and all night.

Lergoban keeps most patients active—clinical trials have shown marked absence of drowsiness or interference with normal activity.

1. *Acta Allergologica* (1971) 26: 454
2. *Ars Medici* (1969) 24: 1069
3. *Svenska Läkartidningen* (1961) 58: 1245

Composition
Each tablet contains 5 mg. diphenylpyraline hydrochloride in a porous plastic matrix.
Indications
Allergic skin conditions and irritation; urticaria, hay fever; allergic rhinitis; allergic conjunctivitis; angioneurotic oedema.
Dosage
Adults: One or two tablets every twelve hours, or as indicated by the physician.
Children: Older children may be given one tablet every twelve hours.
Caution
Like all antihistamines, *Lergoban* may cause drowsiness. If affected, the patient should not drive or operate machinery.
Side-effects
Although side-effects are less likely with this sustained release tablet, slight drowsiness dizziness, flushing, headache, anorexia or dryness of the mouth may occur.
Contra-indications
Antihistamines should not be given to epileptics.

VENTOLIN

for effective bronchodilatation without cardiac stimulation

Ventolin is available in a wide range of preparations, all of which contain salbutamol BP. This compound has a highly selective action on bronchial muscle, causing maximal dilatation with low dosage. Therapeutic doses of salbutamol are virtually devoid of effects on heart or blood pressure; this is now so well established that Ventolin is the only adrenergic bronchodilator that is indicated for the treatment of bronchospasm in patients with concomitant heart disease or hypertension.

Ventolin Inhaler for rapid, effective relief of asthmatic attacks.
Ventolin Tablets 2 mg and 4 mg for routine oral bronchodilator therapy.
Ventolin Syrup fruit flavoured for ready acceptability by children.
Ventolin Spandets sustained-action tablets, particularly suitable where nocturnal bronchospasm is a problem.

Ventolin sets a higher standard in bronchodilator therapy

There may be more to his insomnia than sleepless nights

'Tryptizol' can help to relieve the anxiety-depression that disturbs sleep.

Insomnia is one of the most frequent presenting symptoms of the anxiety-depressive syndrome. In addition to its antidepressant action, 'Tryptizol' has a rapidly apparent anti-anxiety effect. It can quickly relieve the sleep disturbance associated with depression, usually obviating the need for hypnotics. While the patient is encouraged by this early improvement, 'Tryptizol' can effectively treat other distressing symptoms of the illness, such as agitation, anorexia, lack of interest, and lowered mood.

Tryptizol®

Amitriptyline hydrochloride/MSD

a single solution to a dual problem

'Tryptizol' is supplied as tablets containing 10 mg, 25 mg, and 50 mg amitriptyline hydrochloride/MSD. The 50 mg tablet is especially convenient when a relatively large dose is prescribed at bedtime. 'Tryptizol' is also available as a syrup, and as an injection. Detailed information is available to physicians on request.

London Nursing Homes

London Nursing Homes offer the medical profession a range of surgical facilities in the West End, and outer London, through four well equipped clinics. These are ideal for general surgery, and are now being widely used for plastic and dental surgery. Fully equipped private recovery rooms are available for the busy patient, allowing easy access to business or social contacts.

Department of Health licenses for termination of pregnancy are held at the London Private, Parkview Clinic, and New Cross Nursing Home. New techniques and equipment have allowed a series of second trimester terminations by saline induction to be successfully completed, and laparoscopic sterilisation for women is now available at the London Private.

Geriatric care is undertaken at Blackheath and Upminster Nursing Homes, which are both being rebuilt to the highest standards to accommodate over 200 residents.

London Nursing Homes will be pleased to answer doctors enquiries, or arrange for facility visits through their resident medical officers.

Liberal samples of Ground or Instant will be sent free and post free to any Doctor applying to: The A. A. Supply Co. Ltd., Dept. BM, 14 Northfield Estate, Beresford Avenue, Wembley, Middlesex HAO 1YN.

H-FAd

Why should a qualified doctor even consider joining the Army?

We think the Army can offer you everything you'd get in a civilian practice plus one or two attractions of its own.

Firstly, the pay isn't bad. At 24 you can start life in the Army as a Captain at a salary of £3,942 with generous allowances on top of that. If you've been a doctor for a few years, you can start as a Major.

You'll get 6 weeks paid holiday each year and when your Short Service Commission ends after 3 years or 5 years you can leave with a substantial tax free gratuity. On the other hand, you might like the life well enough to apply for a Regular Commission.

Of course, you'll have plenty to do looking after soldiers and their families. But we will provide you with fully equipped, up to date surgeries to work in.

While you're with us you may want to study for higher qualifications. And some doctors specialise.

There's every chance that part of your service will be abroad. (Quite apart from seeing something of the world this can provide experience of treating tropical diseases.)

And then there's Army life itself. Plenty of friends and every facility for sport and recreation. And the feeling of being an essential member of a team.

If you're interested in learning more about the opportunities the Army offers doctors, write to Colonel A. R. Worthington, MB, MFCM, DTM & H, RAMC, Ministry of Defence (AMD2), Dept. M28, Lansdowne House, Berkeley Square, London, W1X 6AA.

He'll send you all the details and arrange for you to visit an Army medical establishment so that you can look around and chat to a few Army doctors.

They'll tell you what it's like. Warts and all.

RAMC Officer

Now, an even more powerful difference.

Even greater engine power. Same unique Citroen comfort.

This is the new Citroen DS23. A car designed, pre-eminently, for the new era of motorways. More motorways opened means greater mileages driven, and a greater-than-ever need for DS comfort, power and safety.

The new 2,347cc DS23 engine combined with the aerodynamic DS shape delivers effortless power, and an Electronic Fuel Injection option is available if you want more power still. With EFI, top speed is 116.8mph and 0-50 takes a brief 7.5 seconds.

You can choose semi-automatic transmission or a 5-speed manual gearbox. The fifth forward gear extracts optimum performance from the new engine as well as giving you quieter, more economical high-speed cruising.

The 5-speed gearbox is also standard on Citroen's second new DS model for '73, the DSuper 5-21 – introduced to give you all the DS qualities at a surprisingly low price.

The DS differences include the uniquely smooth ride and comfort you get with Hydropneumatic suspension. Front wheel drive. Front wheel discs and self-compensating dual circuit braking system. Extras available as options or standard include power-assisted steering, unique 'swivelling' headlamps, super Pallas finish.

DS prices begin at £1581.67 plus VAT for the D Special, D Estates start at £1945.67 plus VAT. See your Citroen Dealer. A test drive will prove the powerful difference a DS will make to your driving pleasure, safety and comfort.

Or write for brochure and list of agents to:
Citroen Cars Ltd, Dept D50,
Trading Estate, Slough SL1 4QA. CITROËN

Please enquire about our Personal Export and Diplomatic schemes.

Prices include car tax but exclude VAT (seat belts, number plates and delivery extra). The model illustrated is the DS23.

NEW for Maintenance Therapy

Patients with mild oedema requiring maintenance therapy particularly appreciate the convenience of Lasix 20mg. Its gentle diuresis will be over in four hours rather than spread throughout the day or disturbing the night's rest. Your patient, too, can avoid the problems of the thiazide diuretics with Lasix 20mg.

"Predictability of response enabled us to tailor the diuresis to the individual patient's life circumstances."[1]

Containing only 20mg frusemide Lasix 20mg provides the required diuresis with all the advantages of Lasix – reduced risk of electrolyte imbalance or need for potassium supplements, low incidence of adverse reactions.

"Frusemide, thus fulfils all the criteria which are needed for the majority of conditions met with in general practice."[2]

Lasix® 20mg

Lasix 20mg. Tablets contain 20mg frusemide B.P.

A good friend in

Cystitis, or indeed any infection of the urinary tract, needs immediate attention. In all cases you can depend on Amoxil for routine treatment. Its broad spectrum activity and high urine concentrations deal decisively with the principal urinary pathogens while its outstanding oral absorption ensures that bactericidal serum levels are available to combat potential ascending infection into renal tissue.

Amoxil can be prescribed with confidence in women of child-bearing age – and especially in pregnancy where choice of treatments is limited. Having the safety of a penicillin, Amoxil is equally suitable for children, the elderly and those patients requiring long-term therapy.

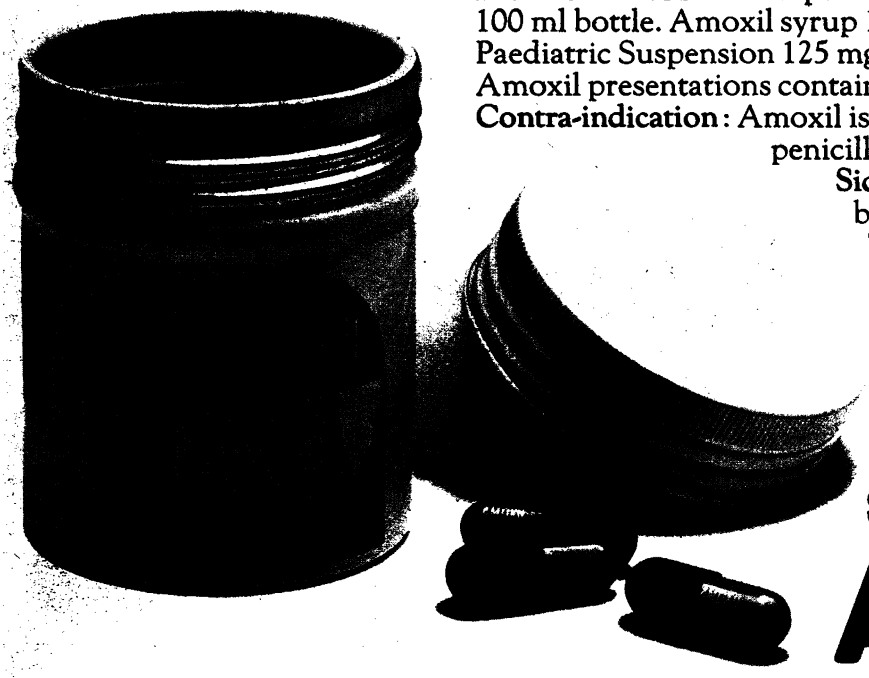

In addition Amoxil has highly acceptable oral presentations, a convenient t.d.s. dosage and is one of the most economic treatments available in this indication.

Amoxil is indeed a good friend in urinary tract infections. To both you and your patients.

Further information on Amoxil (regd) is available from: Bencard, Freepost, Great West Road, Brentford, Middlesex.

Bencard

Prescribing Information.
Dosage: Adults 250 mg three times a day. Children – up to 10 years: 125 mg three times a day. In the case of severe infections the dosage should be doubled.
Presentation: Amoxil capsules 250 mg. Amoxil syrup 250 mg/5 ml, 100 ml bottle. Amoxil syrup 125 mg/5 ml, 100 ml bottle. Amoxil Paediatric Suspension 125 mg/1.25 ml, 20 ml bottle with pipette. Amoxil presentations contain amoxycillin as the trihydrate.
Contra-indication: Amoxil is a penicillin and should not be given to penicillin-hypersensitive patients.
Side effects: No serious side effects have been reported in extensive clinical trials. Those side effects which were encountered were mild and of a transitory nature.

URTI Chest infections UTI
Skin and soft tissue infections

AMOXIL

an excellent antibiotic for routine treatment

urinary infections.

When patients like this, have symptoms like these...

"a teaspoonful or two can work wonders"[1]

there's a lot to be said for

PHENERGAN ELIXIR

In young patients with infections or allergic conditions of the upper respiratory tract – from winter colds to hay-fever – 'Phenergan' Elixir brings rapid relief of uncomfortable symptoms:

dries up secretions
The anticholinergic action of 'Phenergan' Elixir effectively reduces secretion in the swollen upper respiratory passages. This helps end the misery of running eyes and nose and restores the comfort of easy breathing.

reduces irritation
The drying and central sedative actions of "Phenergan', together with the demulcent effect of the elixir, all combine to provide soothing relief of nose and throat irritation.

combats restlessness
By relieving distressing symptoms 'Phenergan' Elixir does much to ease the irritability of the young patient during the day. And at night its well-known sedative properties are of particular value in ensuring undisturbed sleep – for both child and parents.

'Phenergan' Elixir soon "makes it all better" again

GENERAL PRACTICE TRAINING POSTS

GREAT YARMOUTH & LOWESTOFT
VOCATIONAL TRAINING SCHEME
FOR GENERAL PRACTICE

Applications are invited for a three year traineeship for General Practice, consisting of two years in hospital posts and a year as a trainee in General Practice.

The hospital posts will be in Great Yarmouth, and will consist of six months appointments in General Medicine, Obstetrics and Gynaecology, Paediatrics and an optional period of the candidate's choice. The General Practice traineeship will be in an approved practice in the coastal area. A weekly study half-day programme, and a course of monthly evening meetings, both on General Practice topics, is held in collaboration with the Norwich Vocational Training Scheme, at both centres. The scheme is approved by the Department o Health and Social Security as qualifying for the Vocational Training Allowance, and by the Royal College of General Practitioners for the M.R.C.G.P. Married accommodation will be available throughout the hospital period.

Hospital posts will commence on 1st February, 1974, and the year in General Practice can be divided to give an initial period as a trainee, starting on 1st November, 1973.

Applications and requests for further information should be sent to the Secretary, Great Yarmouth GeneralHospital, Deneside, Great Yarmouth, Norfolk by 6th July. The provisional interview date is 17th July. (51844) 22

OXFORD REGIONAL COMMITTEE
FOR POSTGRADUATE
MEDICAL EDUCATION
AND TRAINING
Wycombe General Hospital

LINKED TRAINING SCHEME
FOR GENERAL PRACTICE

Applications are invited for two posts to commence on 1st October, 1973. These will be three year appointments, two years of which will be spent at the High Wycombe Group of Hospitals and the final year in a selected Teaching Practice. The Hospital posts will consist of the following:— S.H.O. in General Medicine and Dermatology (approved by R.C.P.); S.H.O. in Psychiatry (approved for D.P.M.); S.H.O. in Paediatrics (approved for D.C.H.); S.H.O. in Obstetrics.

Ophthalmology, E.N.T., Geriatrics, Accident and Emergency and Physical Medicine would be included in the above posts on a sessional basis according tc candidate's wishes.

All appointments are approved for M.R.C.G.P. and all doctors in their general practice year attend the Thames Valley Faculty R.C.G.P., Vocatiomal Training Regional Day Release Course.

Applications should be sent by 14th July, 1973 to the Area Clinical Tutor, Chiltern Medical Centre, Wycombe General Hospital, High Wycombe, Bucks HP11 2TT.

Further particulars can be obtained from either the Area Clinical Tutor (address as above) or the Regional Organiser for General Practice Training, 43 Woodstock Road, Oxford. (51678) 22

ROYAL BUCKINGHAMSHIRE AND
ST. JOHN'S
HOSPITAL MANAGEMENT COMMITTEE

VOCATIONAL TRAINING SCHEME
FOR GENERAL PRACTICE

Applications are invited from registered medical practitioners for a three year course, two years of which will be spent in the Aylesbury Hospitals and one year in a selected teaching practice. Hospital years comprise six months Obstetrics, six months Paediatrics, six months Psychiatry and Geriatrics and six months selected Departments. The post will be resident during the first year and married accommodation will be available. The Scheme is approved for the M.R.C.G.P. and one post is available from July, 1973. Full information may be obtained from the Group Secretary, 9 Bicester Road, Aylesbury, to whom applications should be sent as soon as possible, giving details of experience and the names of two referees. (51738) 22

ST. HELIER GROUP
HOSPITAL MANAGEMENT COMMITTEE

VOCATIONAL TRAINING FOR
GENERAL PRACTICE

Applications are invited for two places in a Vocational Scheme of training for General Practitioners, to commence in July, 1973, based at St. Helier Hospital, Carshalton, Surrey.

Training will consist of two years in established Hospital posts, (S.H.O. grade), preceded by three months in a Teaching General Practice, and followed by a further 9 months in a similar post.

The Hospital posts will be for six months each in Accident & Emergency, Paediatrics, Geriatrics/Medicine and Obstetrics. There will be opportunities for Out-Patient experience in E.N.T. and Orthopaedics. Training in Psychiatry will be optional for those candidates preferring it. Day release will be arranged for training purposes. Excellent Postgraduate Medical Centre and library facilities available.

The scheme is recognized for the M.R.C.O.G., D.Obst. and the D.C.H. Married accommodation may be available if required.

Applications giving full details of previous medical experience and including the names of two referees, should be sent to the Hospital Secretary, St. Helier Hospital, Carshalton, Surrey. (51946) 22

VOCATIONAL TRAINING FOR
GENERAL PRACTICE

Applications are invited for 6 vocational training posts for General Practice to commence 1st September, 1973.

The scheme of training will be of 3 years duration and will comprise four 6 month hospital based attachments and two 6 month attachments to General Practices in the Wirral area. The scheme will be based at Clatterbridge Hospital, Bebington, which is a designated District General Hospital with approximately 1,000 beds.

This scheme of vocational training has been arranged in association with the University of Liverpool and is recognized by the Royal Colleges for the purpose of the M.R.C.G.P., D.R.C.O.G., D.C.H. examinations. Although the training programme follows a standard pattern, every endeavour will be made to meet individual experience and needs. The hospital training attachments will be in the Senior House Officer grade and will include four of the following specialties: Obstetrics, Paediatrics, Accident/Emergency, General Medicine and Geriatrics, Psychiatry. Experience in Ophthalmology, E.N.T. and Dermatology may also be offered. The scheme will include attendance on a day release basis on the appropriate course in the Faculty of Medicine, University of Liverpool.

The hospital attachments will be governed by the salary and conditions of service for Senior House Officers and th General Practice attachments by the trainee practitioner scheme with car allowance.

Further particulars and application forms from the Group Secretary, Central Wirral Hospital Management Committee, Clatterbridge Hospital, Bebington, Wirral, Cheshire L63 4JY. (25201) 22

UNIVERSITY AND RESEARCH APPOINTMENTS

AHMADU BELLO UNIVERSITY
Nigeria

Applications are invited for posts of
SENIOR LECTURER/LECTURER
in Department of Medicine

Candidates for both posts should possess a recognized first medical degree and a higher qualification or diplima. M.R.C.P. or equivalent advantageous. Experience in clinical medicine, teaching and research also desirable. Experience in dermatology is required for one post of Lecturer and in methods of medical teaching including audio-visual techniques in the other post of Senior Lecturer/Lecturer. In addition to clinical work, teaching and research, appointees will be granted honorary consultant status at the University hospitals in Zaria and Kaduna. Clinical supplementation will also be given. Salary scales: Senior Lecturer N5,030—N6,050 p.a. Lecturer N2,760—N4,830 p.a. (£1 sterling — N1.67). The British Government may supplement salary of Senior Lecturer by £1,050 p.a. (sterling) for married appointee or £500 p.a. (sterling) for single appointee (normally free of all tax) and provide children's education allowances and holiday visit passages. This supplementation is unlikely to be applied to appointments at Lecturer level. Family passages; various allowances; superannuation scheme; biennial overseas leave.

Detailed applications (2 copies), including a curriculum vitae and naming 3 referees, should be forwarded by airmail, not later than 12th July, 1973 to the Registrar, Ahmadu Bello University, Zaria, Nigeria. Applicants resident in U.K. should also send 1 copy to Inter-University Council, 90/91 Tottenham Court Road, London W1P 0DT. Further particulars may be obtained from either address. (24998) 25

GENERAL PRACTICE TRAINING POSTS

WEST SUFFOLK
HOSPITAL MANAGEMENT COMMITTEE

West Suffolk Vocational Training Scheme for General Practice

Applications are invited for this 3 year Scheme which will commence on the 1st October, 1973. The Scheme is recognized by the Royal College of General Practitioners. The initial 3 months and final 9 months General Practice attachments are split by four specially created hospital in service Senior House Officer appointments:

- 6 months Obstetrics and Gynaecology (Recognized for D.Obst. R.C.O.G.)
- 6 months Paediatrics (Recognized for D.C.H.)
- 6 months General Medicine and Geriatrics
- 6 months Psychiatry with sessional commitments to Casualty

The Scheme is centred on a New District General Hospital and will operate in an Urban and Rural area in which there is a good General Practitioner/Consultant liaison.

There will be weekly half day elective periods which will provide a comprehensive Course on all aspects of General Practice throughout the Scheme.

The West Suffolk Hospital Management Committee will make salary payments and will provide accommodation in Bury St. Edmunds for the 3 year period.

Further information and application forms are available from the Hospital Secretary, West Suffolk General Hospital, Bury St. Edmunds, Suffolk IP33 3JX, Tel: Bury St. Edmunds 2381, Ext. 26. Closing date 25th June, 1973.

(51451) 22

This is a temporary appointment (3 years initially), associated with a multi-centre project supported by the Department of Health and Social Security for research into the Clinical and Epidemiological value of laboratory investigations. Previous experience of epidemiological research desirable but not essential. Salary according to qualifications and experience within the range of £2,787—£3,852 per annum with superannuation under F.S.S.U. Applications, including a curriculum vitae and the names and addresses of two referees, to Professor D. L. Miller, (BMJ), Department of Community Medicine, Central Middlesex Hospital, Acton Lane, Park Royal, London, N.W.10. Further particulars can be obtained similarly. Closing date 30th June, 1973. (24968) 25

UNIVERSITY OF
WESTERN AUSTRALIA
Perth

Applications are invited for appointment to a
CHAIR IN CLINICAL PHARMACOLOGY
The appointee will be head of the Department of Pharmacology and will replace the Professor of Pharmacology (Mary F. Lockett) who retired recently. No specific field of interest has been assigned to the Chair and the appointment will be made on the basis of qualifications and experience. The present salary for a Professor is $A15,368 plus a differential of $A572 p.a. for clinical responsibilities, but academic salaries are under review. Benefits include superannuation similar to F.S.S.U., fares to Perth for appointee and dependent family, removal allowance, study leave and long service leave and housing loan scheme. Further information about the Department and conditions of appointment are available from the Staffing Officer, in the University, or from the Association of Commonwealth Universities (Appts), 36 Gordon Square, London WC1H 0PF (Tel: 01-387 8572).

Applications in duplicate stating full personal particulars, qualifications, experience and the names and addresses of three referees should reach the Staffing Officer, University of Western Australia, Nedlands, Western Australia 6009, by 14th July, 1973. (25084) 25

UNIVERSITY OF EDINBURGH
Department of Orthopaedic Surgery

LECTURER
The University Cout invites applications for a post of Lecturer which is tenable from 1st August, 1973 or as soon as possible thereafter. Candidates should have reasonable experience of Orthopaedic Surgery, and a special interest in teaching and research for which there are good facilities.

It is expected that the successful candidate will be granted Honorary Senior Registrar status, by the South-Eastern Regional Hospital Board (Scotland). The salary for Clinical Lecturers ranges from £2361 to a maximum of £4617 per annum, with superannuation provision under F.S.S.U.

Applications in writing (six copies), together with the names of three referees, should be sent to the Secretary to the University, Old College, South Bridge, Edinburgh, EH8 9YL, from whom further particulars may be obtained. The closing date for applications is 30th June, 1973. Please quote reference 1041. (24930) 25

UNIVERSITY OF LEICESTER
Department of Anatomy

Applications are invited for a
SENIOR LECTURESHIP OR LECTURESHIP
in the Department of Anatomy. Applicants must be active in research and able to instruct both medical and honours science students. Applicants for the Senior Lectureship should be capable of covering a wide range in the anatomical field or have considerable experience in topographical anatomy. Possession of a medical degree desirable but not essential.

Initial salary dependent on qualifications and experience on scale £4,143 - £5,247 for Senior Lectureship or £1,764 - £4,299 for Lectureship. Post tenable from October 1973 or as soon as possible thereafter.

Further particulars from the Registrar, to whom applications should be sent by 26th June. Informal enquiries may be made directly to the Professor of Anatomy. (24658) 25

UNIVERSITY OF ABERDEEN

Lectureship in Social Medicine

Applications are invited for above post. Interest and experience in applied epidemiology would be an advantage and the lecturer will have the opportunity of collaborating with groups working on operational research, computer applications, medical care evaluation and health economics. It is also intended that a clinical attachment appropriate to the lecturer's interest will be available. Salary on scale — £2,340-£4,626.

Further particulars from **The Secretary, The University, Aberdeen,** with whom applications (10 copies) should be lodged by 30th June, 1973.

(H12496) 25

INSTITUTE OF CHILD HEALTH
AND THE HOSPITAL FOR SICK CHILDREN
GREAT ORMOND STREET

COMMERCIAL APPOINTMENTS

ORGANON

offers an interesting and satisfying MEDICAL CAREER within the pharmaceutical industry.

Organon Laboratories Ltd., the British subsidiary of a large international pharmaceutical organisation based in Holland, have an opportunity for a young physician between 30 and 35 to join the company at its Headquarters in Morden, Surrey. We are looking for a doctor who has previous experience either in Hospital Service or General Practice, and who wishes to make his career within the stimulating environment of a progressive ethical pharmaceutical company. After an initial period of training he will assist in the duties of the medical department. The scope of these duties is both varied and interesting, and includes training of representatives, medical advice to management, advice to and liaison with fellow members of the medical profession, attendance at scientific meetings, development of new products, and clinical trials. The doctor is encouraged to maintain active contact with current medical practice by taking a part-time clinical appointment. The job involves travel within the U.K. and occasionally overseas.

An attractive progressive salary will be offered, a car provided, and the company has an excellent Pension Scheme.

Applications will be regarded as strictly confidential and should be addressed to:—

Dr. C. R. Lucas,
Organon Laboratories Ltd.,
Crown House,
Morden, Surrey.

(24988) 34

INDUSTRIAL APPOINTMENTS

Attention is drawn to the British Medical Association's statement of policy on the Remuneration of Industrial Medical Officers as approved by the Representative Body, which is available on request from the Secretary.

DUNDEE & DISTRICT
OCCUPATIONAL HEALTH SERVICE

MEDICAL OFFICER

A Medical Officer is required for this Group Service covering 63 factories in Dundee and Fife as well as the University Health Service of the University of Dundee.

An Occupational Health Service is provided at the University with emphasis on student counselling and a wide range of industry is served, including textiles, heavy engineering, electronics and chemicals. There are close links with the Department of Social and Occupational Medicine at the University and with the Scottish Occupational Health Laboratory Service.

Possession of the D.I.H. is an advantage and a current driving licence is essential. Salary will be within the B.M.A. scale, commencing salary being related to previous experience and qualifications.

The doctor will be responsible to the Medical Director from whom application forms may be obtained at 310 Broughty Ferry Road, Dundee. (H12491) 35

APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1969, No. 163).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £1.749 per annum for the posts held during the first year; £1.887 per annum for posts held during the second year; £2,025 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,280 per annum x £177(2) — £2,634.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £2,634 per annum x £162(4) — £3,282.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale, and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £3,120 per annum x £162(1) x £216(4) — £4,146.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £2,925 per annum x £168(1) x £180(3) x £168(10) — £5,313.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £4,836 per annum x £279(8) x £282(1) — £7,350.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rental is appropriate.

ISLE OF MAN
HEALTH SERVICES BOARD

Applications are invited for the whole-time or maximum part-time post of:
CONSULTANT IN ANAESTHETICS
This is a newly created post, approved following a review of the hospitals' medical staffing structure.
The duties will be mainly at Noble's Hospital, Douglas, Isle of Man, an acute general hospital of 200 beds, of which approximately 90 are surgical. The person appointed will be required to undertake duties at other hospitals in the Isle of Man.
Wide experience and F.F.A.R.C.S. essential. Modern twin-theatre operating suite. Intensive therapy unit in operation.
The successful candidate will share the anaesthetic work with two other Consultants.
Work is proceeding on a £1,800,000 Development Scheme at Noble's Hospital, the first phases of which are now operational.
Terms and conditions essentially the same as those in the United Kingdom. Full reciprocity for superannuation. The person appointed will be required to reside within ten miles of the main Hospital in Douglas.
Application form and futher details may be obtained from the undersigned, to whom completed forms should be returned not later than Monday, 9th July, 1973.
Mr. C. J. Quayle, Administrator and Secretary, Isle of Man Health Services Board, 3 Harris Terrace, Douglas, Isle of Man. (Tel: Douglas 3303. (STD: 0624-3303)). (H12423) 52-1

Next week may be too late

An illness or an accident can be costly.
Fortunately, most of us recover and the setback to family finance is only temporary.
But can the same be said of permanent incapacity?
Adequate insurance is the answer for the majority of doctors.

CLAYBURY HOSPITAL
Woodford Bridge
Woodford Green, Essex IG8 8BY

There will be a vacancy for a full-time
SENIOR HOUSE OFFICER

from 10th July, 1973.

Claybury Hospital is a progressive psychiatric hospital within easy access of central London. The post offers special experience in training in therapeutic community methods.

The hospital is organised into six firms, so that each S.H.O. works on an admission ward under consultant supervision and has responsibility for longer stay wards. A postgraduate training programme of case conferences, seminars and journal discussions is organized by the Clinical Tutor. Time may also be allowed for attendance at other recognised courses. Single accommodation onlyis available.

In addition to the normal duties with his/her firm, the S.H.O. undertakes one night duty a week and one week-end duty in eight.

Those interested should apply to the Group Secretary. (23200) 84-8

appointments in Psychiatry at the above named hospital for a period of twelve months with effect from 1st October, 1973.

The unit provides active treatment for acute Psychosis and Neurosis in a Geeral Hospital and Medical Students attend for instruction.

Facilities may be available for successful applicants to attend the D.P.M. Course.

Application forms may be obtained from the Personnel Officer, to whom they should be returned not later than 29th June, 1973. (H12455) 84-8

St. Crispin Hospital Management Committee

Training in Psychiatry

Rotating traineeships in Psychiatry leading to M.R.C.Psych., are offered by St. Crispin Group of Hospitals in the Northamptonshire Area Service.

The appointments are for one year, renewable annually up to 4 years, commencing as Senior House Officer and, subject to satisfactory progress, progressing to Registrar after one year.

The expanding services of this Group and Area afford experience in a very wide range of general psychiatric practice, in child psychiatry, mental subnormality and E.E.G. work. There is much emphasis on community aspects throughout. The Group is accredited as Category I for training by the Royal College of Psychiatrists. There are complementary Area and Regional training programmes for the M.R.C.Psych.

Preference will be given to applicants committed to a career in psychiatry.

Applications are now invited for traineeships commencing 1st October, 1973. It is possible that a vacancy may arise before that date.

Single or married accommodation available.

Full information on these posts and application forms are available from the Group Medical Director. He, or the Area Psychiatric Tutor, is available for discussion of the training programme.

Closing date for applications: 30th June, 1973.

Interviews will be held on or about 12th July, 1973.

Completed forms to be returned to: **Personnel Department, St. Crispin Hospital, Duston, Northampton NN5 6UN. Tel: Northampton 52323.** (51341) 84-8

GOVERNMENTAL

Opportunities for Experienced Doctors to specialise in Psychiatry

As a Medical Officer in the Prison Medical Service you are responsible for the general medical care of the inmates of the establishment — borstal, prison or remand centre — to which you are attached. Current vacancies are at HM Prisons at Stafford, Maidstone and Bristol, and HM Borstal, Lowdham Grange.

A good proportion of the work at many establishments lies in making medical and psychiatric assessments for the Department and the Courts, and, at some establishments, assistance is available from psychologists, social workers and pharmacists. You will also be concerned with the general hygiene and dietary requirements of the establishment. Surgical and psycho-therapeutic units employing part-time specialists are established at selected centres and use is made of the facilities available in NHS Hospitals for consultations and special investigations.

These posts provide a unique opportunity to research into mental and physical disorders.

Candidates must be fully registered as medical practitioners in the UK and possess good all-round medical and surgical experience. A knowledge of psychological medicine is desirable, and a Dip. P.M. an advantage.

Starting salary within the scale £4,498-£6,245 (plus £111 environment allowance) according to qualifications and experience. Promotion prospects. Non-contributory pension scheme. Rented accommodation may be available.

For full details and an application form (to be returned by 6th July, 1973) write to Civil Service Commission, Alencon Link, Basingstoke, Hants RG21 1JB, or telephone Basingstoke 29222, Ext. 500 or London 01-839 1992 (24 hour answering service), quoting S(Q)/630/1. (24962) 112

LABORATORY HAEMATOLOGIST

Applications are invited for the post of Associate Haematologist in the Division of Haematology and Blood Bank, New Mount Sinai Hospital.

Applicants must be medically qualified and have an appropriate higher qualification or be eligible to sit for same.

The successful candidate will be responsible to the Head of the Division for routine diagnostic haematology and blood bank services. Interest or experience in Immunohaematology would be advantageous and the applicant will be encouraged to undertake research work in his specialty.

The hospital is one of the University of Toronto teaching hospitals and the duties include both undergraduate and postgraduate teaching. The successful candidate will receive an appropriate academic appointment in the Department of Pathology, University of Toronto.

The appointment arises out of a move to a new hospital in 1973.

Commencing salary will be in the range of $23-28,000.00 per annum depending on experience and qualifications.

For details write to Dr. Derrick Abbott Head, Division of Laboratory Haematology and Blood Bank, New Mount Sinai Hospital, 550 University Ave., Toronto, Ontario, Canada. (H12494) 118

MID-MANITOBA, Canada, If you would like to work in a harmonious group practice of twelve doctors, where all duty is shared equally and rota works out to about one day per week or less. If you are interested in good general practice with admitting and attending privileges in the local 150 bed, accredited hospital and wish to have an extra interest in, say obstetrics or gynaecology, or other sub speciality, we would like to hear from you. The vacancy arises due to expansion and not due to personnel leaving. This practice is situated just fifteen miles from one of the most beautiful clear water lakes in the world, where it is possible to spend summer in your own lakeside cottage and commute to work (20 minutes drive) when not on call. The Doctor required should be competent, have a pleasant personality, and be willing to work harmoniously within a group practice. The starting salary for this 'little bit of paradise' is $20.000 per annum.

TASMANIA, Australia

Launceston General Hospital

THREE SENIOR POSTS

General Medical Superintendent
Deputy Medical Superintendent
Director of Diagnostic Radiology

General Information

The Launceston General Hospital is a 354 bed general hospital with 142 geriatric beds nearby, providing medical care for a population of approximately 120,000. The Hospital is an associated teaching unit of the University of Tasmania, and is actively concerned with medical student teaching. It is staffed by full-time and honorary visiting specialists, together with eight Registrars and fifteen Residential Medical Officers.

Launceston is a pleasant city situated on the banks of the Tamar River, Northern Tasmania — an hour's air flight from Melbourne. The Hospital contains most departments including an Intensive Care Unit with modern sophisticated equipment, a new Pathology Department, and new Theatre Block. There is an extensive modernization and expansion building programme under way.

General Medical Superintendent
Salary $A15,747

Applications for this position closing on 31st July are invited from duly qualified medical practitioners with at least ten years' postgraduate experience. Previous work in medical administration is desirable and an appropriate qualification in this field would be an advantage. The appointee will be the Chief Executive Officer and responsible to the Board of Management for the efficient functioning of the Hospital.

The present Superintendent is retiring at the end of the year and the appointee will be expected to commence no later than November, 1973. A furnished home away from the Hospital is available at a nominal rental.

Deputy Medical Superintendent
Salary range $A12,930 — $A14,301

Applications are invited from qualified medical practitioners with a minimum of four years' postgraduate experience. The work involved will consist of both Hospital administrative work and duties in the casualty section of the Hospital. This would be an opportunity to take a Hospital Administration Course and eventually specialize in this field.

Director of Diagnostic Radiology

Salary range $A14,817 — $A17,598 according to qualifications and years of experience. An appropriate higher qualification is necessary. Initial accommodation will be made available on a rental basis for a period of six months.

For all three positions passage assistance may be arranged and reasonable removal expenses are paid. Recreation, long service and sick leave are provided. The appointees will be required to contribute to the Retirement Benefits Scheme.

For application forms and further information, doctors in Britain should write to The Agent General for Tasmania, 458 Strand, London WC2R 0RJ.

COMMONWEALTH OF AUSTRALIA
REPATRIATION DEPARTMENT
AUSTRALIA

SPECIALIST

(REHABILITATION AND PHYSICAL MEDICINE)

Applications are invited from registered medical practitioners with postgraduate qualifications in physical medicine or other suitable senior qualifications for the position of Specialist, Rehabilitation and Physical Medicine.

The position is located at the Repatriation General Hospital, Heidelberg which is a 650 bed general hospital and is a clinical school of the University of Melbourne. Other full-time specialist posts include Radiology, Pathology, Chest Diseases, Anaesthesia, Medicine, Psychiatry, Surgery, Resuscitation, Nuclear Medicine, Limb Fitting and Ophthalmology, and in addition there is a system of sessional work by visiting specialists.

The Specialist will be required to co-ordinate the work of the Department of Rehabilitation and Physical Medicine and will be responsible for the overall co-ordination of the Departmental rehabilitation programme in Victoria. In addition to practising rehabilitation at the clinical level the successful applicant will be expected to provide expert advice to top level medical and executive management on matters relating to the practice of rehabilitation and to participate in the clinical activities of the hospital including postgraduate training programmes.

Commencing salary will be within the range of $A13,187 to $A16,547 per annum. Advancement to Senior Specialist, $A17,924 per annum, may be achieved after three years, on the maximum of the Specialist salary range. At present exchange rates £1 = $A1.82.

First class air fares will be provided for the successful applicant and his approved dependants, together with generous allowance for removal of personal effects. Permanent appointment is offered with excellent Superannuation scheme.

Further information may be obtained by writing to Dr. B. J. Doran, Director (Medical Services), at the address below.

Applications giving full details of qualifications and experience should be forwarded to:—

Deputy Commissioner,
Repatriation Department,
Box 87A GPO,
MELBOURNE
Victoria 3001 by 13th July, 1973.

WAIKATO HOSPITAL BOARD
Waikato Hospital
Hamilton, New Zealand

CLINICAL BACTERIOLOGIST

Applications are invited for the position of Clinical Bacteriologist at Waikato Hospital, Hamilton. The appointee must have a specialist qualification in Bacteriology or equivalent degree. A medically qualified appointee could, if he so desired, have clinical responsibilities with access to in-patient beds.

The position for a medical officer appointee is of specialist status as defined in the Hospital Employment (Medical Officers) Regulations and the salary scale is in the nominal full-time range of $10,224/ $13,768 per annum; and for non-medical appointees in the scale of $6,061/ $9,510 under the Hospital Employment (Laboratory Officers) Regulations. The actual commencing rate to be determined by the Director General of Health, having regard to previous experience and qualifications.

Waikato Hospital is a rapidly expanding base hospital of some 800 beds.

Conditions of appointment and official application forms can be obtained from the Chief Executive, Waikato Hospital Board, P.O. Box 934, Hamilton, with whom applications close on the 20th July, 1973.

Further details, if so desired, may be obtained from the Medical Superintendent, Waikato Hospital, Private Bag, Hamilton, New Zealand. (H12495) 118

PAROVEN®

improves capillary flow

Relief of symptoms in varicose disorders

Varicose veins, post-phlebitic syndrome, superficial thrombophlebitis, varicose ulcers, varicose eczema, ankle oedema, restless legs, paraesthesia, haemorrhoids.

Dosage Initial treatment: 4 capsules a day, preferably with meals. In most cases, at least four weeks treatment with PAROVEN is required before significant benefit is felt. At the point where the patient experiences benefit, the dosage may be adjusted to a maintenance level. Maintenance treatment: 1-2 capsules a day.

Side effects and Precautions In a few patients, slight gastro-intestinal disorders, flushes and headaches have been reported. These are usually overcome by taking the capsules with meals or by slight adjustment of dosage. There are no known contra-indications to PAROVEN; it is virtually non-toxic and has no teratogenic effects. In keeping with current teaching and practice its use during the first trimester should, however, be avoided.

Availability Capsules, each containing 250 mg of O—(β-hydroxyethyl)—rutosides (not less than 45% troxerutin) in bottles of 20 and 100 capsules.

Further information is available on request.
Zyma (UK) Ltd
Godalming Surrey

Paroven is known as Venoruton in certain overseas markets

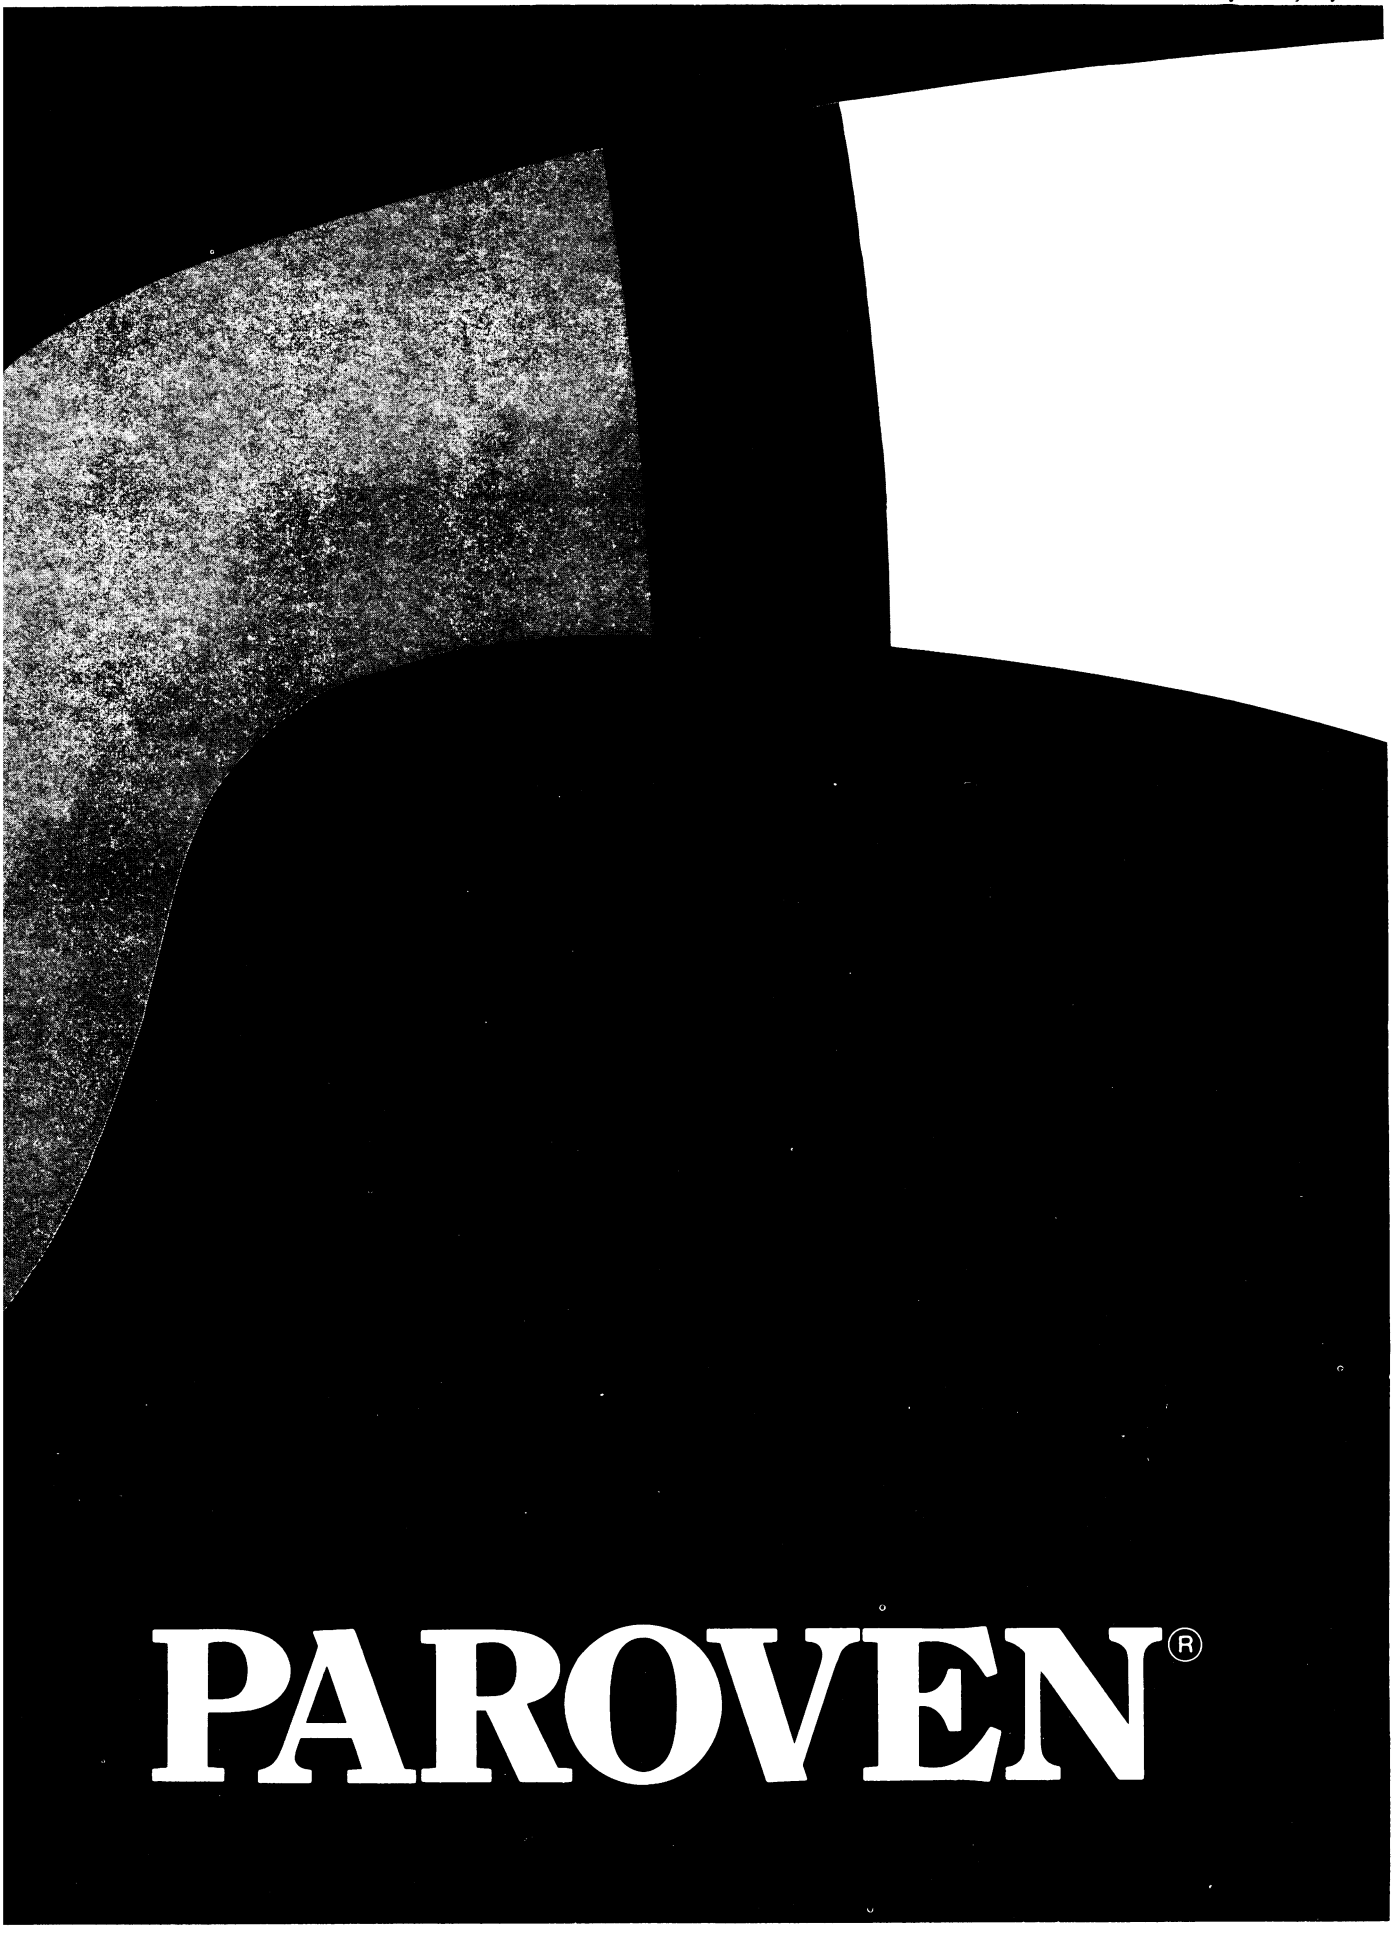

Surgical hosiery provides venous support, but PAROVEN is a kind of 'physiological elastic stocking' for the capillaries.

"The most obvious effect of treatment with HR (Paroven) is the very constant relief of night cramps, with an improvement exceeding 90 per cent."
Brit J Clin Pract (1970) *23*, 161

"The degree of relief in chronic aching pain in the legs was not so marked (compared with 90% improvement in night cramps and 70% improvement in heaviness of the legs), but still amounted to 54 per cent."
Brit J Clin Pract (1970) *23*, 161

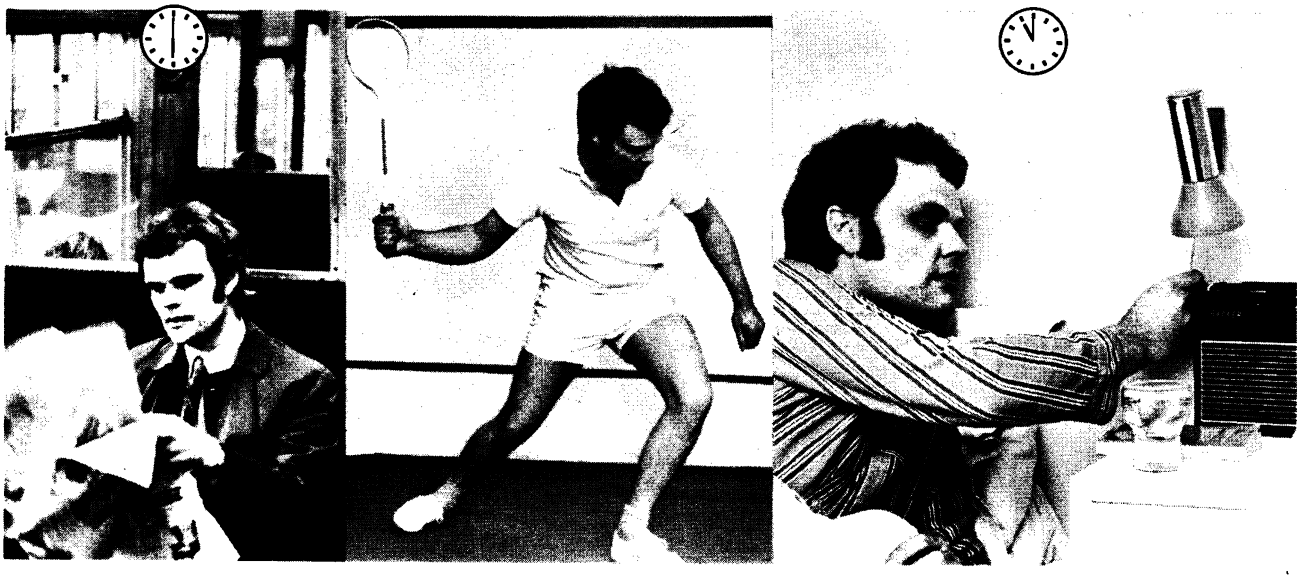

"Symptoms of heavy legs are improved in 70 per cent, and it was generally agreed that not only did legs feel lighter but the patients were more agile."
Brit J Clin Pract (1970) *23*, 161

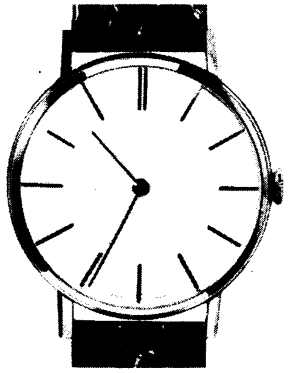

"The improved venous blood oxygenation and the reduced tissue oxygen extraction indicated better tissue perfusion with less blood oxygen having been taken from the increased capillary blood flow."
Brit med J (1971) *2*, 138

PAROVEN®

24 hours in the life of an asthmatic treated with Bricanyl Inhaler– the longer-acting bronchodilator

Time is vitally important, particularly to the patient who suffers from Asthma. An attack of Bronchospasm is not only distressing but can be embarrassing on occasions and detrimental to normal everyday activities. The patient treated with Bricanyl Inhaler will enjoy greater confidence because reliability can be placed upon its long duration of action. This will facilitate planning of the days' activities with the knowledge that the risk of an attack is minimal. A simple 4 times daily dosage is the key to this freedom.

Bricanyl®
Terbutaline

Full details on request.

ASTRA

She'd like the answer to a burning problem

And you, doctor, can supply that answer. By prescribing Ceporex.

Ceporex swiftly and reliably puts out the fires of cystitis. Because Ceporex (cephalexin from Glaxo) destroys most of the gram-negative pathogens, particularly *E. coli* and *Klebsiella* spp, responsible for most urinary tract infections.

High urine levels are rapidly reached by Ceporex, and between 80 and 100% of the dose can be recovered from the urine in 24 hours, most of it in the first six hours. This, coupled with high blood and tissue levels, helps promote swift remission of both symptoms and disease.

That's why Ceporex has achieved a 92% success rate in acute cystitis.*

Ceporex clears cystitis

Presentation
Ceporex is available as tablets, capsules and syrups in 250mg and 500mg strengths

*Advances in Antimicrobial and Antineoplastic Chemotherapy, 1972, **1**, 1199

Intal doesn't relieve asthmatic attacks

It prevents them

Steroids, bronchodilators and antihistamines, whether in aerosol or tablet form, are only symptomatic treatments. Whereas INTAL actually *protects* the patient from asthmatic attacks—day in, day out.

By preventing the release of spasmogens INTAL affords daily prophylaxis for as long as any challenge exists. More than 150 clinical trials have proved its effectiveness, safety and ease of administration.

But only an asthmatic can really appreciate the difference it makes.

REMEMBER THE ASSOCIATED ANXIETY

Clinical trials [1 & 2] have shown Triptafen-DA superior in the treatment of depression to either amitriptyline or imipramine given alone.

1. *Brit. J. Psychiat,* 1967, **113,** 201.
2. *Brit. J. Psychiat,* 1969, **115,** 693.

Each Triptafen-DA Tablet contains: amitriptyline hydrochloride BP 25 mg and perphenazine BP 2 mg. Each 10 ml of Triptafen-DA Suspension contains: amitriptyline embonate 37.5 mg (equivalent to 25 mg amitriptyline hydrochloride) and perphenazine BP 2 mg.

REMEMBER THE UNDERLYING DEPRESSION

Triptafen-Minor has been shown to be superior in the treatment of anxiety to chlordiazepoxide.[3]

3. *Brit. J. clin. Pract.,* 1971, **25,** 381.

Each Triptafen-Minor Tablet contains: amitriptyline hydrochloride BP 10 mg and perphenazine BP 2 mg.

TRIPTAFEN-DA and TRIPTAFEN-Minor
