# 7 OUT OF 10 RESPOND TO IT

**ANOTHER  
BRUFEN  
BENEFIT**

Brufen has the powerful analgesic and anti-inflammatory properties needed to relieve the pain, stiffness and swelling of arthritis. There is now little doubt that Brufen is the best tolerated of the available antirheumatic drugs. Experience has shown that at least 7 out of every 10 arthritic patients on Brufen improve as judged by both subjective and objective criteria. It has been well demonstrated that patients prefer Brufen to other drugs. Given at the recommended dosage, Brufen can do much for those who suffer with arthritis.

 Brufen is ibuprofen, available as tablets containing 200 mg and as a Suspension containing 100 mg in each 5 ml. Full information from The Boots Company Ltd., Nottingham.

## **IMPLANTS IN SURGERY**

In this book the authors discuss and correlate the basic theory, the results of experimental investigations and the clinical applications of all aspects of implant surgery. The book aims to provide the surgeon, clinician, biomedical engineer and non-medical scientist with an interrelated survey of all the factors affecting implant use and development. The emphasis of the book is placed on implant materials and on the correlation between their scientific properties and their behaviour in the body environment. Particular attention is paid to metallic corrosion, polymer degradation, the local response of tissues to implants (including carcinogenesis), blood-prostheses interactions (thrombogenesis, haemolysis) and possible systemic effects.

This detailed study of materials together with the scientific and engineering aspects of implant development is followed by a close examination of the use of implants in orthopaedic surgery, cardiovascular and thoracic surgery, and plastic and reconstructive surgery. Each chapter in this section, written by a specialist in his own field, defines the reasons for using implants, and the scope and status of current implant surgery.

## **MUSCLE RELAXANTS**

*Volume One of Major Problems in Anaesthesia*

*Consulting Editor: William W. Mushin, CBE, MA, MB, FRCS, FFARCS*

The intention behind this book is to bridge the gulf between the laboratory pharmacologist and the practising anaesthetist. Based largely on clinically observed phenomena it examines carefully the nature and action of muscle relaxant drugs. The author studies the occurrence of normal neuromuscular transmission, how this can be interrupted by blocking agents, and the physiological and pathological influences on the degree and duration of the drugs' effects.

The emphasis on clinical observation highlights the difficulty in theorising from in vitro tests only, and the author presents supporting evidence in instances where his approach conflicts with current opinion. A unique feature of the book is the study of clinical use in the light of theories as to the nature of the drugs' effects, a study which underlines the importance for the practising anaesthetist in understanding the chemical basis of muscle relaxant behaviour. Of especial interest to the reader will be the original material included in the book, particularly the information on the nature of the drugs' actions and the cause of dual block.

By Stanley A. Feldman, BSc, FFARCS, *Consultant Anaesthetist at the Westminster Hospital, University of London*

# You can break this link

Effective anti-inflammatory *and* analgesic action—without the gastric irritation that so often complicates therapy with aspirin and other anti-arthritis agents. This is the principal advantage that Benoral Suspension now brings to the treatment of acute and chronic arthritic conditions—including osteo-arthritis and rheumatoid arthritis—and many forms of soft-tissue (non-articular) rheumatism.

Moreover, because Benoral has a long duration of effect it allows a simple twice-daily dosage regimen which controls swelling and pain and affords significant relief from night discomfort and early morning stiffness. Can any other anti-arthritis offer so much?

# Bread should have a place on every table

	Quantity per oz. of bread	Contribution of bread to average daily diet *
Protein	2.2 g	16.8%
Iron	0.51 mg	17.9%
Calcium	26.0 mg	14.3%
Niacin	0.48 mg	15.1%
Thiamine	0.05 mg	23.3%
Energy value	69 kcal	14.3%

\* Figures from 1971 National Food Survey

Our daily bread is often underestimated as an essential source of goodness and nourishment.

In the average national diet (according to the 1971 National Food Survey), bread plays a key part, providing over one-sixth of a person's daily protein and iron intake; over one-fifth the

daily thiamine; and nearly one-sixth the daily calcium, niacin and energy value.

This means, of course, that the importance of including bread in one's diet should never be underestimated. To cut out bread, even when slimming, may produce an unsatisfactory diet. For health's

sake, it's worth recommending bread in *every* diet.

Penny for penny, bread provides nearly twice as much protein as cheese, and nearly three times that of white fish or beef. Which makes our daily bread one of the best food bargains in the world.

The Flour Advisory Bureau, 21 Arlington Street, London, SW1A 1RN

## Flatulent dyspepsia. And not for the first time.

Or even the second or third. For this patient it is a recurring problem, and one which a wide variety of antacids and other medications have so far failed to control.

Maxolon offers a real break in this all too familiar routine. It treats the disturbed motility which is often the underlying cause of flatulent dyspepsia. Maxolon prevents symptoms arising in four out of five patients. In a month, normal motility may be re-established.

Prescribe a month's course of Maxolon for your next regular patient. She'll get *effective* relief, probably for the first time.

**Prove Maxolon for yourself.** Use Maxolon on your regular flatulent dyspepsia patients. For a 7 day starter pack write to Beecham Research, Freeport, Brentford, Middlesex—post-free in the United Kingdom. *Full information is available on request.*

Maxolon\* (metoclopramide) is a product of **Beecham Research Laboratories**, Brentford, England. \*regd.

## Maxolon for flatulent dyspepsia.

# It is safer to eat Flora

Few people now discount the relationship between saturated fats, high blood cholesterol levels and coronary heart disease.

Many authorities would argue that some substitution of polyunsaturated fats for saturated fats in normal diet

may reduce the risk of coronary heart disease. And, because of its cholesterol-reducing properties, Flora is particularly effective in the dietary treatment of some hyperlipidaemias.

Where the risk of heart disease is present — Flora margarine makes very good advice.

**Flora** Highest in polyunsaturated fats.

At least 50% of Flora's fat content is linoleic essential fatty acid. Flora has a fat content of not less than 80% of the total product and is sold in half pound tubs.

Where there's  
 ▽omiting and nausea  
 there's often another  
 side to the picture-

△nxiety

## But there's no two ways about treatment: Stemetil controls both

- Rapid, sustained relief of nausea and vomiting
- Intrinsic tranquillizing action simultaneously calms and relaxes

Migraine, vestibular disturbances, gastro-intestinal disorders, malignancy, cardiovascular disease – in these and many other organic and psychogenic conditions, anxiety, nervousness and tension are familiar concomitants of nausea and vomiting, and serve only to hinder definitive treatment of the underlying disorder. 'Stemetil'\* not only stops the nausea and vomiting, but also effectively brings these accompanying emotional symptoms under control. Side-effects are minimal and transitory and the result is frequently such that the patient feels not just better, but better

than he's felt for a long time. Moreover, because it offers not just one, but two, essential effects, 'Stemetil' clearly makes economic, as well as therapeutic, sense.

# Stemetil the tranquillizing anti-emetic

# A good friend in

Cystitis, or indeed any infection of the urinary tract, needs immediate attention. In all cases you can depend on Amoxil for routine treatment. Its broad spectrum activity and high urine concentrations deal decisively with the principal urinary pathogens while its outstanding oral absorption ensures that bactericidal serum levels are available to combat potential ascending infection into renal tissue.

Amoxil can be prescribed with confidence in women of child-bearing age – and especially in pregnancy where choice of treatments is limited. Having the safety of a penicillin, Amoxil is equally suitable for children, the elderly and those patients requiring long-term therapy.

In addition Amoxil has highly acceptable oral presentations, a convenient t.d.s. dosage and is one of the most economic treatments available in this indication.

Amoxil is indeed a good friend in urinary tract infections. To both you and your patients.

Further information on Amoxil (regd) is available from: Bencard, Freepost, Great West Road, Brentford, Middlesex.

## Prescribing Information.

**Dosage:** Adults 250 mg three times a day. Children – up to 10 years: 125 mg three times a day. In the case of severe infections the dosage should be doubled.

**Presentation:** Amoxil capsules 250 mg. Amoxil syrup 250 mg/5 ml, 100 ml bottle. Amoxil syrup 125 mg/5 ml, 100 ml bottle. Amoxil Paediatric Suspension 125 mg/1.25 ml, 20 ml bottle with pipette. Amoxil presentations contain amoxycillin as the trihydrate.

**Contra-indication:** Amoxil is a penicillin and should not be given to penicillin-hypersensitive patients.

**Side effects:** No serious side effects have been reported in extensive clinical trials. Those side effects which were encountered were mild and of a transitory nature.

Nobrium is the most recent product of the vast Roche international research programme into anxiety. It has a precise action which curbs anxiety at the source—the amygdala in the limbic system of the brain.<sup>1</sup> Nobrium also damps the transmission of anxiety into the body by its action on the hypothalamus. As other brain structures are virtually unaffected,<sup>2</sup> the incidence of side-effects is remarkably low.

This precise action is highly effective in anxiety and the many conditions caused by or associated with it. In clinical trials Nobrium has consistently produced success rates of between 80 and 90% in a wide range of conditions including psychosomatic disorders of the gut, heart or lungs; organic disease complicated by anxiety; phobias; menopausal syndrome; and alcoholism.

# THE HISTAMINE CHALLENGE:

## Can any single antihistamine tablet fight off attacks for 24 hours?

In a study† designed to test the duration of protection afforded by PRO-ACTIDIL\*, human volunteers were given intradermal injections of histamine and the areas of flare and weal response were measured.

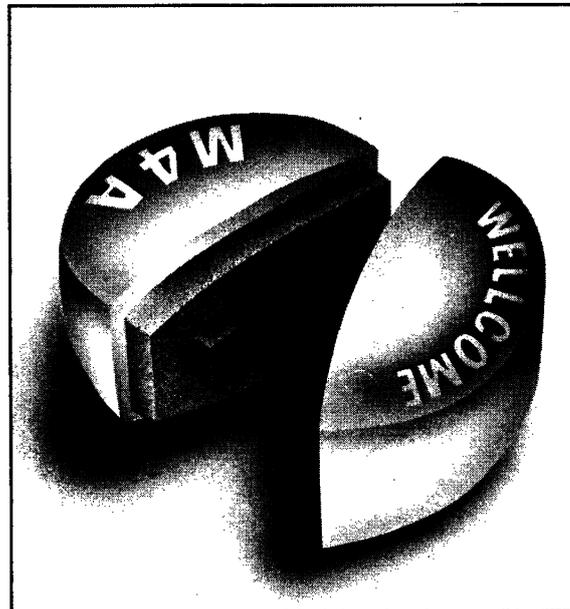

After the responses had completely disappeared one PRO-ACTIDIL tablet was administered to each volunteer and the histamine challenge was repeated.

By measuring the reduction in areas of flares and weals the protective effect of PRO-ACTIDIL could be plotted for the 24 hours following administration.

After 24 hours the weals still showed a reduction of 65 per cent and the flares a reduction of 83 per cent. The authors concluded that the anti-histaminic effect of PRO-ACTIDIL lasts for 24 hours.

First 6 months in paediatrics and chest diseases, later obstetrics and gynaecology, general medicine, accident and emergency and attachments in other specialties over a period of 2 years, followed by 1 year in general practice. Recognition for M.R.C.G.P. being sought. First post recognized for consultant training and application made for D.C.H. recognition; other posts suitably recognized. Active Postgraduate Medical Centre. Single or married accommodation. Applications with full details and names of 2 referees to Group Secretary, St. Richard's Hospital, Chichester (S2544)

**NORTH MIDDLESEX AREA**

**VOCATIONAL TRAINING SCHEME  
FOR GENERAL PRACTICE**

Applications are invited for two vacancies in a linked, two-year, hospital-general practice vocational training scheme, commencing on 1st October, 1973. The appointee will spend first year in a choice of two of the following hospitals posts:— general medicine, paediatrics, psychiatry, obstetrics and gynaecology, and casualty. The second year will be spent in a local training practice. A half-day release course for training in general practice is in operation and all trainees in the area are invited to attend. The course is recognized for the M.R.C.G.P. examination and the hospital posts are recognized for the relevant higher diplomas. Applications in own handwriting, stating age, qualifications and experience and the names of referees, to the Hospital Secretary, North Middlesex Hospital, Silver Street, London N18 1QX, by 16th July, 1973. (S2545) 22

**SITUATIONS  
WANTED**

BRITISH GRADUATE, 30, 3½ years experience in general practice as principal, seeks permanent position outside N.H.S. Adaptable, enthusiastic, reliable. Private or insurance work preferred, but anything considered. Available September onwards. Preference for London area. Box 6774 BMJ 24

**UNIVERSITY AND  
RESEARCH  
APPOINTMENTS**

**THE ROYAL AUSTRALASIAN  
COLLEGE OF PHYSICIANS**

**ROCHE RESEARCH FELLOWSHIP**  
Applications are invited by the Royal Australasian College of Physicians for the Roche Research Fellowship tenable in 1974. The Fellowship is made available by Roche Products Ltd., to investigate basic problems in the field of medical biology and will have a value in the range of A \$5,400 to A \$7,300 according to qualifications and experience. Graduates in medicine of Universities of Australia and New Zealand are eligible. Work under the Fellowship must be carried out in Australia in a department of a medical school of an Australian University or in an institute approved by the College. The appointment will be for a period of one year in the first instance but may be renewed on application for a further period of one or two years. Detailed information may be obtained from the Honorary Secretary, The Royal Australasian College of Physicians, 145 Macquarie Street, Sydney NSW, 2000. Applications (fifteen copies) should be lodged with the Honorary Secretary on or before Monday, 13th August, 1973. (H12742) 25

**THE UNIVERSITY OF MANCHESTER  
Department of Medical Genetics  
Immunology applied to Leukaemia  
and Birth defects**

Medical or Science graduate required immediately with experience of the laboratory aspects of immunology to join research team engaged in immunotherapy of leukaemia and investigation of immunological factors in causation of birth defects. Salary scale p.a.: £1,764 — £4,299 according to qualifications and experience. Please apply in writing giving appropriate details to Dr. R. Harris, Department of Medical Genetics, St. Mary's Hospital, Hathersage Road, Manchester M13 0JH, quoting the names of two referees who may be contacted. (25612) 25

**UNIVERSITY OF MANCHESTER**

**LECTURER IN MEDICINE**

Applications are invited from candidates with higher medical qualifications for this post, tenable in the Department of Medicine at the Manchester Royal Infirmary: it is financed by the Medical Research Council as part of a Programme Grant in support of research into 'calcium metabolism, vitamin D metabolism and parathyroid function in metabolic bone disease and related disorders'. The appointee would receive training in clinical research methods and be expected to engage in research in the field covered by the Grant. Continued training in general medicine with experience of emergency, out-patient and general ward work, would also be provided. Tenure under the Grant may be for up to five years and the position is suitable for graduates initially of Registrar grade intending to continue specialist training in medicine. Salary range p.a. £2,667-£3,438. F.S.S.U. Further particulars and application forms (returnable by 20th July) from the Registrar, The University, Manchester M13 9PL. Quote ref: 109/73/JMB. (25712) 25

**UNIVERSITY OF  
THE WEST INDIES  
Jamaica**

Applications are invited for posts of  
**SENIOR LECTURER/LECTURER  
AND  
LECTURER/ASSISTANT LECTURER**

(25740) 25

**UNIVERSITY HOSPITAL  
OF SOUTH MANCHESTER  
Christie Hospital and Holt Radium  
Institute  
Withington, Manchester M20 9BX**

A vacancy exists for a  
**RESEARCH FELLOW IN  
CLINICAL PHARMACOLOGY**  
at the Christie Hospital and Holt Radium Institute who would undertake part-time duties and attend a course leading to M.Sc. degree in Clinical Pharmacology commencing in October, 1973 in the University of Manchester under Professor H. Schnieden. Candidates should preferably have a higher qualification in medicine and have a special interest in the drug therapy of a malignant disease. Salary within the range £2,634 — £3,292 per annum according to experience. Applications, with a detailed curriculum vitae and the names of 2 referees to the Group Secretary, Withington Hospital, Manchester M20 8LR by 6th July, 1973. (25483) 25

**The University of Leeds  
TUTOR IN MEDICINE**

Applications are invited for the post of Tutor in the University Department of Medicine (Leeds General Infirmary). The duties will involve undergraduate teaching, patient care and research. Previous experience in research is not essential and it is intended that the candidate should join the research team at present working in the Department on problems of haemostasis and thrombosis. Membership of a Royal College of Physicians is desirable, but not essential. An appropriate honorary clinical contract will be sought for the successful applicant. Salary within the scale £2559-£4233.

Forms of application and further particulars from the Registrar, The University, Leeds LS2 9JT (please quote 50/10/J). Closing date 18th July, 1973. (25555)

25

**THE UNIVERSITY OF MANCHESTER**

**CHAIR OF  
CLINICAL ONCOLOGY**

Applications are invited from candidates with medical qualifications registrable in the United Kingdom for a recently established full-time Chair of Clinical Oncology which has been endowed by the Cancer Research Campaign. The salary will be within the normal professorial range for full-time clinical appointments, with F.S.S.U. benefits. The clinical work of the candidate appointed will be based on the Christie Hospital and Holt Radium Institute. The hospital, the largest of its type in the country, is part of the University Hospital of South Manchester and provides excellent facilities for clinical research and undertakes both undergraduate and postgraduate teaching. In addition, basic research facilities will be available in the adjacent Paterson Laboratories and in the University's New Medical School. Manchester is one of the Oncological Centres recently designated by the D.H.S.S.

Applications (one copy suitable for photocopying) giving full details of qualifications and experience and the names and addresses of three persons to whom reference may be made, should be sent to the Registrar, The University, Manchester M13 9PL and received by him not later than 27th July, 1973. Particulars of the appointment may be obtained from the Registrar. Please quote reference 100/73/JMB. Overseas candidates may apply by airmail in the first instance. (25552)

25

**INSTITUTE FOR RESEARCH INTO  
MENTAL & MULTIPLE HANDICAP**

**Executive Director**

Applications are invited for the newly established post of Executive Director of the Institute, founded in 1966 to promote and undertake research in the field of mental handicap.

In conjunction with The Spastics Society, the work of the Institute is being expanded to include multiple handicap. The Executive Director will be required to promote and stimulate research in these important fields.

The Institute has the support of the Department of Health and Social Security. It sponsors postgraduate research and has an information service, a scientific library, a publishing programme and organizes Conferences and Study Groups. It will also undertake a programme of evaluation of The Spastics Society's and other services for the mental and multiple handicapped.

The Executive Director will be able, if he or she so wishes, to carry out research into the field of mental and multiple handicap and will be responsible to the Honorary Director for executing policies laid down by the Board of Governors.

He or she should have executive experience. A research background in medicine, psychology, education or sociology, or experience in administration of research is required.

**Salary on appropriate scale.**

Further details and application form from:—

**THE SECRETARY,  
INSTITUTE OF RESEARCH INTO MENTAL  
AND MULTIPLE HANDICAP LTD.,  
16 FITZROY SQUARE,  
LONDON W1P 5HQ**

(25525)

25

**THE UNIVERSITY OF MANCHESTER  
ADDITIONAL CHAIR  
OF PSYCHIATRY**

Applications are invited from candidates with medical qualifications registrable in the United Kingdom for an additional full-time Chair of Psychiatry from 1st October, 1973. The holder of the other Chair of Psychiatry is Professor W. I. N. Kessel. The salary will be within the normal professorial range for full-time clinical appointments with F.S.S.U. benefits.

The clinical work of the candidate appointed will be based on the Hospitals of the Manchester Regional Hospital Board but will be confined in the first instance to the University Hospital of South Manchester.

Applications (one copy suitable for photocopying) giving full details of qualifications and experience and the names and addresses of three persons to whom reference may be made, should be sent to the Registrar, The University, Manchester M13 9PL, and received by him not later than 10th July, 1973. Particulars of the appointment may be obtained on request to the Registrar, The University, Manchester M13 9PL. Please quote reference 103/73/JMB. Overseas candidates may apply by air mail in the first instance. (25553) 25

## GRANTS

THE RUDOLF FRIEDLAENDER  
MEMORIAL FUND

### AWARD SCHEME

The Trustees of the Rudolf Friedlaender Memorial Fund are able to provide annual grants of up to £300.

(a) to enable General Practitioners to travel within the United Kingdom or abroad to study new medical treatments or clinical techniques.

(b) to enable General Practitioners to prepare for publication information concerning medical treatments acquired in the course of their practices, by paying for necessary secretarial or other services and expenses incidental to such publications.

Please write for application forms to the Trustees, The Rudolf Friedlaender Memorial Fund, c/o Midland Bank Limited, 120 Church Street, Eccles, Manchester M30 0LS. Closing date for applications is 30th September, 1973. (H12833)

## UNIVERSITY AND RESEARCH APPOINTMENTS

The University of Leeds

### RESEARCH ASSISTANT IN CARDIOVASCULAR UNIT

Applications are invited for a post of

#### RESEARCH ASSISTANT

in the Cardiovascular Unit of the Department of Physiology. The post is financed by the Medical Research Council. Previous training in neurophysiology is essential. Salary up to approximately £2500, according to qualifications and experience.

The successful candidate would work in the basic laboratories of the Unit, which are fully equipped to study central nervous and reflex control of the cardiovascular system. The Unit operates its own computer facility. The problems on which the successful applicant will be expected to work are within the field of central projections of cardiovascular afferent fibres to the brainstem.

Applications, giving full personal details and the names of three referees, should be sent as soon as possible to Professor R. J. Linden, Cardiovascular Unit, Department of Physiology, The University, Leeds LS2 9JT. Preliminary enquiries may also be made to Professor Linden. (25549)

25

## COMMERCIAL APPOINTMENTS

# HEAD OF TOXICOLOGY DEPARTMENT

Applications or enquiries are invited from experienced toxicologists for the post of Head of Toxicology Department at this Division's Chesterford Park Research Station. This key Department carries out all the complex toxicological research programmes required on new candidate pesticides for their international clearance and has a well established reputation in such studies.

The post is thought most suitable for applicants with a scientific or a medical qualification in the age range 30-45, already engaged in experimental toxicology in the pesticide, drug, food additive or industrial field, with a desire and the ability to become authoritative on pesticide toxicology, and to lead a small but experienced team in such work. The Research Station, 12 miles south of Cambridge, with a total of 270 staff, provides an excellent scientific and administrative environment for this in all respects.

Other conditions of service include a first-class contributory pension scheme, and four weeks' holiday after one year's service. Assistance with relocation expenses is available when appropriate.

Salary and final details of this important appointment will all be by personal negotiation.

Requests for further information, preferably with a brief summary of qualifications, experience and previous career, should be made to the Personnel Department (Ref: 136/10) Fisons Ltd., Agrochemical Division, Chesterford Park Research Station, Nr. Saffron Walden, Essex. CB10 1XL.

(52353)

## INDUSTRIAL APPOINTMENTS

Attention is drawn to the British Medical Association's statement of policy on the Remuneration of Industrial Medical Officers as approved by the Representative Body, which is available on request from the Secretary.

A MAJOR ENGINEERING GROUP  
with manufacturing facilities located in the  
Central and East Midlands

wishes to appoint a

# MEDICAL SERVICES EXECUTIVE

as head of its internal surgery arrangements and as co-ordinator of all its activities on the safety, welfare and environmental fronts.

The employee strength of the organisation is about 5,000 people and the company is recognized as a major employer and industrial leader in the towns where it operates. The Medical Services Executive will be expected to operate a comprehensive range of health screening and accident prevention/treatment activities and to advise on absenteeism stemming from illness. He will also help to put the Company in the forefront of industrial practice on such matters as pollutant control and the development of sensitivity to environmental considerations in its products, its manufacturing operations and its relations with its customers, employees and the public.

The post calls for medical qualification but additionally for a good deal of commitment, administrative competence and the capacity to secure co-operation from line managers and engineering specialists. The appointment is part of a campaign to give all aspects of the Company's operation a reputation compatible with its dominant market position and its highly regarded name.

Applicants should write to Box 6614 BMJ, giving a Curriculum Vitae and some indication of salary required, which in any case would not be less than B.M.A. recommended rates. 35

# APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1969, No. 163).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

## SALARY SCALES OF HOSPITAL MEDICAL STAFF

**HOUSE OFFICER:** Each post in this grade shall be tenable for six months. £1,749 per annum for the posts held during the first year; £1,887 per annum for posts held during the second year; £2,025 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

**SENIOR HOUSE OFFICER:** £2,280 per annum x £177(2) — £2,634. Deductions of £210 per annum in respect of lodging only for voluntary residence.

**REGISTRAR:** £2,634 per annum x £162(4) — £3,282. Deductions of £210 per annum for those with remuneration at the first incremental point on the scale, and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

**SENIOR REGISTRAR:** £3,120 per annum x £162(1) x £216(4) — £4,146. Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

**MEDICAL ASSISTANT:** £2,925 per annum x £168(1) x £180(3) x £168(10) — £5,313.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

**CONSULTANT:** £4,836 per annum x £279(8) x £282(1) — £7,350. Deductions of £420 per annum in respect of lodging only for voluntary residence.

**COMPULSORY RESIDENCE:** The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rental is appropriate.

February, 1973

**NEWPORT & EAST MONMOUTHSHIRE  
HOSPITAL MANAGEMENT COMMITTEE**  
Royal Gwent Hospital  
Newport, Mon.

Recognized F.R.C.S.

**SENIOR HOUSE OFFICER**

required for 1st August. Resident or non-resident. The Department is in the charge of a full-time Consultant Surgeon, has five Senior House Officers and all emergency cases are admitted through the Department which is responsible for initial resuscitation. The Department is equipped with apparatus for cardiac monitoring, positive pressure ventilation, as well as X-ray intensifiers and a Bernam F.B. Locator.

The hospital is the base hospital for the Group and therefore has a large volume of acute cases in all specialties. It is being extensively redeveloped by a major capital building programme. An intensive care unit is situated at the hospital.

There is a close connection with the teaching hospital at Cardiff, 10 miles to the west and there is an extensive postgraduate education programme with a very good library. A postgraduate Centre is situated at the hospital. The appointment gives ample opportunity to the holder to avail himself of these facilities.

The successful candidate will be expected to be resident on the nights on which he is on first call, which will on average be one night in five.

Write for application forms to Group Secretary, 64 Cardiff Road, Newport, Mon. (25676) 51-8

**NORFOLK AND NORWICH  
HOSPITAL**

**ROYAL GWENT HOSPITAL**  
Newport, Mon.  
(426 beds)  
(Recognized F.R.C.S.)

**2 SENIOR HOUSE OFFICERS**  
required on or about 1st August. Resident or non-resident. Married accommodation is available if required. The Department is in the charge of a full-time Consultant Surgeon, has five Senior House Officers and all emergency cases are admitted through the Department which is responsible for initial resuscitation. The Department is equipped with apparatus for cardiac monitoring, positive pressure ventilation, as well as X-ray intensifiers and a Berman F.E. Locator.  
The Hospital is the base hospital for the Group, and therefore has a large volume of acute cases in all specialities. It is being extensively redeveloped by a major capital building programme. An intensive care unit is situated at the Hospital.

There is a close connection with the teaching hospital at Cardiff, 10 miles to the west, and there is an extensive postgraduate education programme with a very good library. A Postgraduate Centre is situated at the Hospital. The appointment gives ample opportunity to the holder to avail himself of these facilities.

The successful candidates will be expected to be resident on the nights he is on first call, which will — on average — be one night in five.  
Apply quoting two referees to Group Secretary, 4 Cardiff Road, Newport, Mon. (25129) 51-8

**SOLIHULL HOSPITAL**  
Lode Lane, Solihull

Solihull Hospital requires resident **SENIOR HOUSE OFFICER** Accident/Emergency Department. Post vacant 15th July 1973.  
There is a Consultant in charge of this Unit in association with East Birmingham Hospital. Every effort will be made to bring the successful candidate into the East Birmingham Unit where all levels of postgraduate study are available.  
Time will be made available for those wishing to attend F.R.C.S. or M.R.C.P. courses.  
Applications with names of two referees to the Hospital Secretary. (25609) 51-8

**SOUTH CHESHIRE**  
HOSPITAL MANAGEMENT COMMITTEE

One Senior House Officer post is vacant in the Accident and Emergency Department at this new well-equipped District General Hospital with 729 beds. There is a full-time Consultant in charge of the Accident department and when combined with Orthopaedics the staff complement is 3 Consultants, 2 Registrars and 6 Senior House Officers.

The posts are recognized under F.R.C.S. regulations and certain of them carry a peripheral allowance. There is a shift system with part of the working day spent in tuition in clinical areas. There are nine G.P. sessions allowing for study time and a new Postgraduate Medical Centre offers good library facilities. Married accommodation may be available.

Applications, giving the names and addresses of two referees to: The Group Secretary, Leighton Hospital, Leighton, Nr. Crewe CW1 4QJ. (25715) 51-8

## GERIATRICS

MANCHESTER  
REGIONAL HOSPITAL BOARD  
Burnley Group of Hospitals

LOCUM CONSULTANT GERIATRICIAN  
A locum Consultant Geriatrician is required  
for the Burnley Group of Hospitals pending  
the appointment of a permanent whole-time  
or maximum part-time Consultant. The locum  
appointment is available immediately for  
approximately one year.

The Geriatric Unit has 236 beds, mainly at  
the Burnley General Hospital, including an  
annexe of 42 beds at Bank Hall Hospital  
nearby. The Unit serves a population of about  
180,000 and there are on average 1,600  
admissions per year. There is a policy of age  
defined admission limit.

A new day hospital is in course of erection at  
the Burnley General Hospital and there are  
further plans for development of the Service.  
Applications, with full details of  
qualifications, and experience, and the names  
and addresses of two referees, should be sent  
immediately to the Group Secretary, Burnley  
General Hospital, Burnley, Lancs. (H12857) 63-1

**SOUTH-EASTERN**  
REGIONAL HOSPITAL BOARD  
Scotland**Applications are invited for the Post of**  
**CONSULTANT PSYCHIATRIST**

whole-time or maximum part-time, for duties at Bangour Village Hospital, Broxburn, and associated clinics, serving West Lothian and the north part of the City of Edinburgh. The post is primarily identified with the North Edinburgh Services and while the person appointed will initially admit in-patients to Bangour Village Hospital he will eventually do so to the Royal Edinburgh Hospital, while retaining his responsibility for long-term patients at Bangour.

The appointment will be whole-time or maximum part-time, and the person appointed may be offered a part-time Senior Lectureship in the University of Edinburgh, in which case his contract with the Regional Board would include a specific allocation of sessions for academic duties.

The appointment may however, be with the Regional Board only without a University component other than an appointment to the Clinical Teaching Staff.

Further particulars are available on application.

Applications which should be typewritten, giving particulars of age, qualifications and previous experience together with the names and addresses of three referees should be lodged with the Secretary, 11 Drumshugh Gardens, Edinburgh EH3 7QQ by 28th July, 1973. (H12759) 84-1

**WELSH HOSPITAL BOARD****Appointment of**  
**CONSULTANT PSYCHIATRIST**

to serve the Newport and East Monmouthshire Hospital Management Committee. The duties of which will be mainly in general psychiatry with beds at St. Cadoc's Hospital with visits to other hospitals in the area and out-patients at St. Cadoc's Hospital and at the Royal Gwent Hospital.

The appointee would be preferred to have a special interest in one of the following sub-specialities: Psychotherapy, Psychogeriatrics, Alcoholism or Rehabilitation.

Successful candidate to live within ten miles of the base hospital.

Applications naming three referees to the S.A.M.O., Temple of Peace and Health, Cathays Park, Cardiff, within 21 days. (25685) 84-1

**WEMBLEY HOSPITAL**  
Fairview Avenue  
Wembley, Middlesex HA0 4UH**LOCUM CONSULTANT PSYCHIATRIST**

at Shenley and Wembley Hospitals for the period 30th July—10th August.

Wembley Hospital has a small but active psychiatric unit with in-patient, day-patient and out-patient facilities.

Shenley Hospital has approximately 1,500 beds and is a large psychiatric hospital situated near St. Albans, Hertfordshire. The locum would act for the Consultant, on annual leave, and the number of sessions could be flexible, i.e. from four to nine weekly.

Applications to Psychiatric Secretary. (25686) 84-1

**SOCIAL MEDICINE**

**TRAINING  
 IN COMMUNITY MEDICINE  
 INTER-REGIONAL SCHEME**

A two-year programme of in-post training is planned to begin in September, 1973, to assist doctors to prepare for a career in community medicine and for the membership examination of The Faculty of Community Medicine of the Royal Colleges of Physicians. It is being offered by the University of Manchester in collaboration with health service authorities. The University will provide a progressive and co-ordinated series of courses covering the four main modules of epidemiology and medical statistics, behavioural sciences, principles of health services management and medical advances in the health service. The course will extend over six terms for 2½ days each week and together will be the equivalent of approximately 25 weeks over a period of two years. During the two years doctors will be expected to gain appropriate in-service experience in training posts in health service authorities. For this purpose training posts will usually be offered in one of the two Regions participating in the scheme. For those entering the course in September, 1973, two posts are offered by the Manchester Regional Hospital Board and two by the Liverpool Regional Hospital Board. Although trainees will be in contract with the Hospital Boards, the in-service training experience may be provided at various levels within the health services including (to the 1st April, 1974) local authorities.

The training posts established will be equivalent to Registrar in the clinical specialities (salary £2,634 x £162 (4) — £3,282); where doctors currently earning higher salaries are appointed it will be at the discretion of Boards to allow protection of salary. Doctors on the course will have their contracts transferred automatically to the appropriate health authority on the 1st April, 1974. Applications are invited from registered Medical Practitioners who have had at least two years' post-registration experience. Application forms and further particulars may be obtained from the Senior Administrative Medical Officer of the Hospital Board of the Region which is the applicant's first choice, but should also indicate whether the applicant would wish to be considered for the other Region. Applications should be received not later than 14th July, 1973.

The addresses of the Boards participating in the scheme are:

**SOUTH-EASTERN**  
**REGIONAL HOSPITAL BOARD**  
Scotland

**SURGICAL REGISTRARS**  
Applications are invited for Surgical Registrar Appointments on 1st October, 1973 in Edinburgh. These are associated with the Edinburgh Scheme for Basic Surgical Training.

The Basic Training Scheme is a three year training programme, the first two years of which consists of six month rotational posts in which experience of general and specialist surgery will be gained and the requirements for entry to the Part II Fellowship examination of the Royal Colleges of Surgeons satisfied. The third is 'elective' and offers a range of posts in specialist or general surgery. Appointments to the scheme are under the auspices of the Clinical Training Committee in Surgery and will give eligibility for attendance at the half-day release course in Surgery, and at other surgical meetings in Edinburgh.

During the transitional period between the old and the new scheme, there will be a number of additional rotation programmes of 2 to 3 years duration. Full details will be supplied on application. The initial posts available on 1st October are: 4 General Surgery, 2 Orthopaedic Surgery, 1 Accident and Emergency, 1 Paediatric Surgery.

Applications which should be typewritten, giving particulars of age, qualifications and previous experience, together with the names and addresses of two referees should be lodged with the Secretary, 11 Drumshugh Gardens, Edinburgh EH3 7QQ within two weeks from the date of this advertisement. (H12750) 91-6

**GOVERNMENTAL**

---

Department of Health and Social Security

## Regional Medical Officers

£4,498 — £6,245

4 posts in the Regional Medical Service (Health side); these involve visits to discuss mutual problems with general practitioners, administrative duties for the National Health Service and clinical duties, including for instance examinations of persons referred by the Social Security organisation for a second opinion on their capacity to work and under the Disabled Persons (Employment) Act, 1944.

The vacancies are in Chelmsford, Leeds, Lincoln, and Newcastle-upon-Tyne.

Candidates must be medical practitioners fully registered in the U.K. Considerable experience of general practice in the NHS is also essential, and experience in medical boarding, occupational health or administrative aspects of the Health Service will be an advantage.

Starting salary within scale £4,498—£6,245 according to qualifications and experience. Non contributory pension scheme. Promotion prospects.

Social Services  
Residential Services**

**PSYCHIATRIST**

Rate of pay £11.40 per session. Required at Grove Lodge, Children's Assessment Home, N10 (14 places).

A psychiatrist is required on a sessional basis to undertake psychiatric assessment of school age children, the preparation of reports and to offer guidance and support to the Social Work Assessment Team on specific problems.

Clerical assistance is available. Please contact Mr G. Armstrong, Assistant Director of Social Services, Tottenham Town Hall, N15 4RY. Tel: 808 1000, Ext. 101. Closing date 14th July, 1973. (52565) 113

**PORTSMOUTH COUNTY BOROUGH**

**SCHOOL HEALTH DOCTOR**

Post No 506 — Full-time or part time Medical Officer in Department, Salary Scale £2,949 — £3,936.

Car allowance. Registered Medical Practitioners, interested in the well-being of children, can make a valuable contribution by joining a keen multi-disciplinary team in this City notable for its wide range of educational facilities.

Duties will be mainly with the School Health Service and will include some Health Education.

Work is available with handicapped children and in the field of developmental paediatrics.

Special interests are encouraged and, for those who require it, facilities are available for further training.

Much of the work will be in schools or new purpose-built clinics.

Further details and forms of application may be obtained from The Principal School Medical Officer, Department of Public Health, Lombard Street, Portsmouth PO1 2JU. Tel: Portsmouth 24541.

This advertisement appears after consultation with the Local Government Staff Commission for England. (52564) 113

**UNIVERSITY OF GLASGOW  
Department of Epidemiology  
and Preventive Medicine**

**TRAINING IN  
COMMUNITY MEDICINE**

Applications are invited from registered medical practitioners for sponsored places in a one year course beginning in October, 1973. The City of Glasgow is the sponsor and will pay stipends within the scale £2,949—£3,936, in accordance with the postgraduate experience of each applicant. Candidates will be prepared for the degree of M.Phil. in Community Health or for the Diploma in Public Health and will be encouraged also to study for Membership of the Faculty of Community Medicine.

Applicants should have completed residencies and should have an interest or experience in practical aspects of community medicine with a view to specialisation. Consideration will be given also to physicians with more extensive experience or with experience in other branches of medicine who wish to undertake formal training in community medicine.

Applications with names of three referees should be sent to the Dean of Postgraduate Medicine, The University, Glasgow G12 8QQ, from whom further particulars can be obtained. (25742) 113

## Not everyone has Adequate Capital

to meet the cost of a new car or to replace equipment. Many seek financial help — Bank loans, Personal loans, and Hire Purchase — but some of these are expensive. The M.I.A. can help and in many cases can arrange loans at competitive rates.

Hatch, St. Joseph's Hospital, London, Ontario. N6A 4V2. (H12756) 118

## AUSTRALIAN ORTHOPAEDIC ASSOCIATION

A Training programme in orthopaedic surgery has been functioning in each State of Australia for some years. It is administered and supervised by a Board of Orthopaedic Studies in each State. The aim of the programme is to train orthopaedic surgeons to a standard where they will be acceptable for Active Membership of the Australian Orthopaedic Association and eligible to sit for the Fellowship in Orthopaedic Surgery of the Royal Australasian College of Surgeons.

The Programmes, which cover training in adult orthopaedics, trauma, paediatric orthopaedics and research, involve rotating registrarships at a number of teaching hospitals in each Capital City for varying periods up to four (4) years according to the candidate's requirements. The successful applicants will be required to commence duties during the months of January, February or March, 1974, according to the State involved.

Applicants must have completed two (2) years basic surgical training as required by the Royal Australasian College of Surgeons and should preferably be in possession of the Primary Fellowship.

Application forms and further details may be obtained from the Secretary of the various Boards of Studies whose names and addresses are appended hereunder:  
New South Wales: Dr. T. J. Claffey, 147 MacLuarie Street, Sydney, N.S.W. 2000  
Newcastle: Dr. G. Kerridge, Royal Newcastle Hospital, Pacific Street, Newcastle, NSW 2300

For further information and application forms please write to The Medical Superintendent of the above hospitals. (25556) 118

**NORWAY HOUSE**  
Manitoba, Canada

Experienced doctor required for this community, four resident doctors on staff, 45 bed hospital with facilities for surgery, paediatrics, an The doctor for this position should preferably have fairly recent hospital experience together with some general practice and some training in one of these specialties. Internal Medicine, Surgery, Paediatrics or Obstetrics, or Public Health would be an advantage. Norway House Hospital acts as a centre for several other small communities in the surrounding area, and a flying doctor service is provided to the different communities on a rotating basis. Subsidized, fully furnished, modern accommodation is available at nominal rent.

Salary in first year is \$24,000 per annum, with a generous bonus for satisfactory completion of one year's service. Remuneration for second and subsequent years is extremely attractive and there are other fringe benefits: four weeks' paid vacation after first year, increasing by one week per year to a maximum of six weeks. One doctor will be required for October, 1973 and another for February, 1974. Doctors applying for this post will be expected to be interviewed in England, either by the clinic staff or by a representative of the Federal Government. Applicants must be on the G.M.C. Home List, and be registrable in the Province of Manitoba. Apply with photograph and telephone number to Administrator, Associate Medical Clinic, Box 930, The Pas, Manitoba, Canada. Tel: Area Code 204, Tel: 623 2403. (H12791) 118

**PROVINCIAL LABORATORY**  
OF PUBLIC HEALTH  
Calgary, Alberta, Canada

**DIRECTOR**  
Applications are invited from medically qualified microbiologists for the position of Director of the Southern Branch, Provincial Laboratory of Public Health, Calgary. The Laboratory performs public health bacteriology for the southern regions of the Province and will be moving to new quarters shortly. A close relationship with the University of Calgary is anticipated and investigative work will be encouraged. Commencing salary related to the experience of the appointee. Apply to Dr. J. M. S. Dixon, Director, Provincial Laboratory of Public Health, Edmonton, Alberta, Canada T6G 2J2. (H12738) 118

# When pollen returns

As surely as birds come back in spring your hay fever patients will be returning to the surgery with streaming eyes and running noses.

Rynacrom offers a completely new means of dealing with the problem.

It doesn't merely provide symptomatic

relief from hay fever but actually prevents the release of the spasmogens which trigger off this distressing condition.

Regular insufflation of Rynacrom means permanent protection—and your patients will be able to enjoy life to the full.

# RYNACROM<sup>®</sup>

Sodium Cromoglycate BP

## PROPHYLAXIS IN HAY FEVER

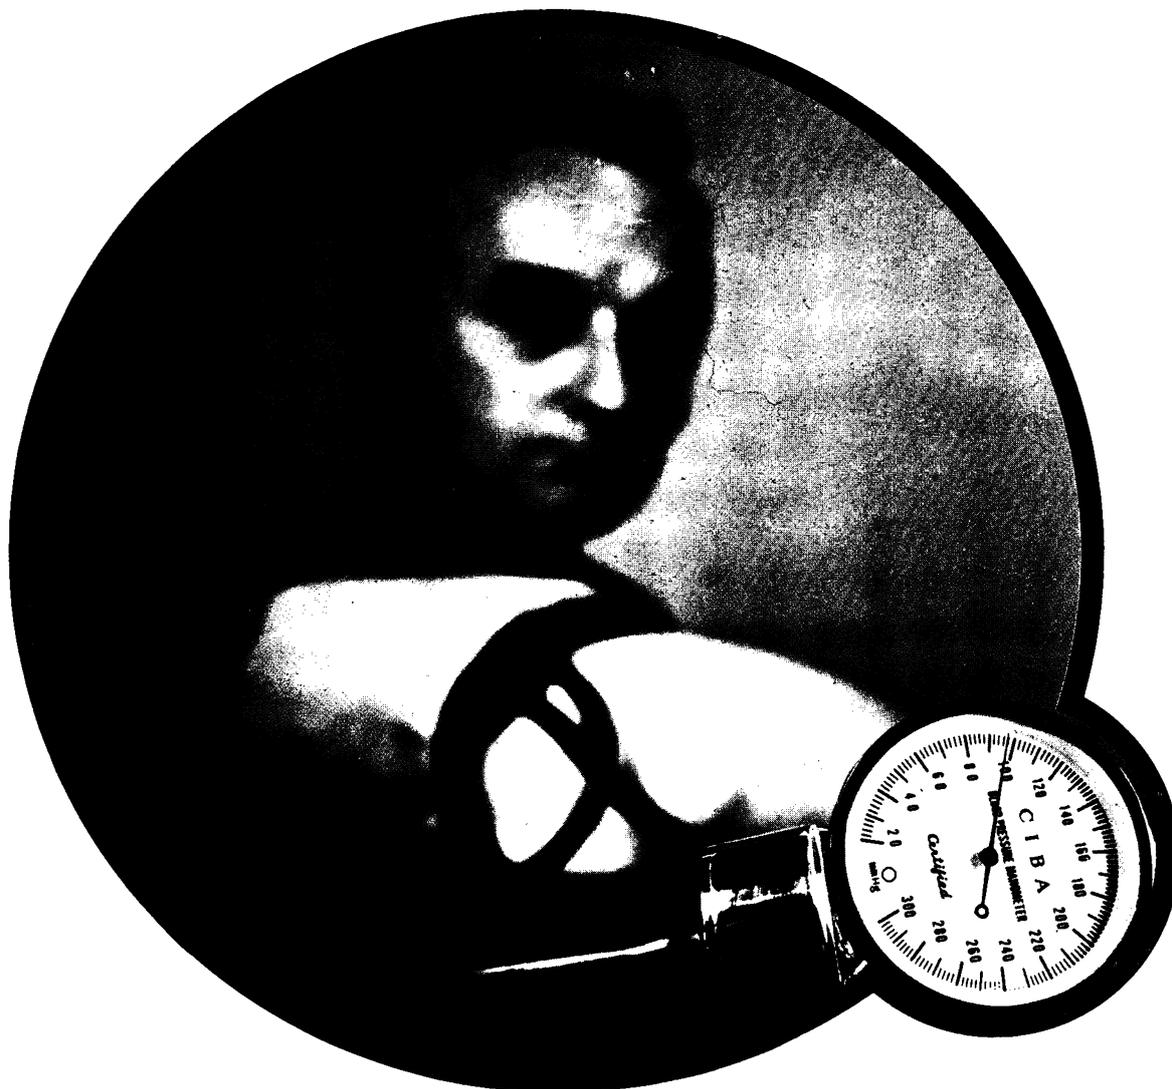

Full prescribing notes on this unique product appear in the new series of RYNACROM "Bird Life" mailings. Any further information required will be gladly sent on request.

**THE HOSPITAL GAZETTEER 1973**

A guide to the Hospitals in the United Kingdom

This new edition is even more comprehensive than those previously published with a new easy read format. It is possible to tell at a glance:

The number of beds; the establishment of medical staff; nature of special departments; study leave, off duty time, etc.; opportunities for preparation for postgraduate diplomas; the kind of accommodation provided; facilities for recreation and other relevant facts.

Specialy reduced price for B.M.A. members and senior medical students £2.50 including postage. (Cover price £3.50 including postage.)

**ORDER YOUR COPY NOW**  
From: The Publisher  
British Medical Journal,  
B.M.A. House, Tavistock Square, London WC1H 9JR  
or through any bookseller

**DOCTORS ABROAD.** Copies of vacancies advertised in the Journal can be sent by AIR MAIL: Members rate: minimum cost is £2 for six weeks' supply, which covers up to five separate headings. Non-members rate: £3 minimum for six weeks' supply of five headings or less. Additional headings: 50p each for six weeks' supply (for members and non-members). Orders for specific grades cannot be accepted. Payment must be PREPAID and enclosed with application.

What makes *Lergoban* the antihistamine that suits most patients?

*Lergoban* is highly effective whenever allergic reactions occur. It is equally valuable in skin conditions and in hay fever<sup>1,2,3</sup>

*Lergoban* reduces the dosage needed to control allergic reactions—two doses can give protection all day and all night.

*Lergoban* keeps most patients active—clinical trials have shown marked absence of drowsiness or interference with normal activity.

- 1. *Acta Allergologica* (1971) 26: 454
- 2. *Ars Medici* (1969) 24: 1069
- 3. *Svenska Läkartidningen* (1961) 58: 1245

**Composition**

Each tablet contains 5 mg. diphenylpyraline hydrochloride in a porous plastic matrix.

**Indications**

Allergic skin conditions and irritation; urticaria, hay fever; allergic rhinitis; allergic conjunctivitis; angio-neurotic oedema.

**Dosage**

Adults: One or two tablets every twelve hours, or as indicated by the physician.

Children: Older children may be given one tablet every twelve hours.

**Caution**

Like all antihistamines, *Lergoban* may cause drowsiness. If affected, the patient should not drive or operate machinery.

**Side-effects**

Although side-effects are less likely with this sustained release tablet, slight drowsiness, dizziness, flushing, headache, anorexia or dryness of the mouth may occur.

**Contra-indications**

Antihistamines should not be given to epileptics.

the antihistamine that suits most people

# NEW for Maintenance Therapy

Patients with mild oedema requiring maintenance therapy particularly appreciate the convenience of Lasix 20mg. Its gentle diuresis will be over in four hours rather than spread throughout the day or disturbing the night's rest. Your patient, too, can avoid the problems of the thiazide diuretics with Lasix 20mg.

*"Predictability of response enabled us to tailor the diuresis to the individual patient's life circumstances."*<sup>1</sup>

Containing only 20mg frusemide Lasix 20mg provides the required diuresis with all the advantages of Lasix - reduced risk of electrolyte imbalance or need for potassium supplements, low incidence of adverse reactions.

*"Frusemide, thus fulfils all the criteria which are needed for the majority of conditions met with in general practice."*<sup>2</sup>

## Lasix<sup>®</sup> 20mg

Lasix 20mg Tablets contain 20mg frusemide B.P.
