

Surgical hosiery provides venous support, but PAROVEN is a kind of 'physiological elastic stocking' for the capillaries.

"The most obvious effect of treatment with HR (Paroven) is the very constant relief of night cramps, with an improvement exceeding 90 per cent."

Brit J Clin Pract (1970) 23, 161

"The degree of relief in chronic aching pain in the legs was not so marked (compared with 90% improvement in night cramps and 70% improvement in heaviness of the legs), but still amounted to 54 per cent."

Brit J Clin Pract (1970) 23, 161

"Symptoms of heavy legs are improved in 70 per cent, and it was generally agreed that not only did legs feel lighter but the patients were more agile."

Brit J Clin Pract (1970) 23, 161

"The improved venous blood oxygenation and the reduced tissue oxygen extraction indicated better tissue perfusion with less blood oxygen having been taken from the increased capillary blood flow."

Brit med J (1971) 2, 138

PAROVEN[®]

improves capillary flow

Relief of symptoms in varicose disorders

Varicose veins, post-phlebitic syndrome, superficial thrombophlebitis, varicose ulcers, varicose eczema, ankle oedema, restless legs, paraesthesia, haemorrhoids.

Dosage Initial treatment: 4 capsules a day, preferably with meals. In most cases, at least four weeks treatment with PAROVEN is required before significant benefit is felt. At the point where the patient experiences benefit, the dosage may be adjusted to a maintenance level. Maintenance treatment: 1-2 capsules a day.

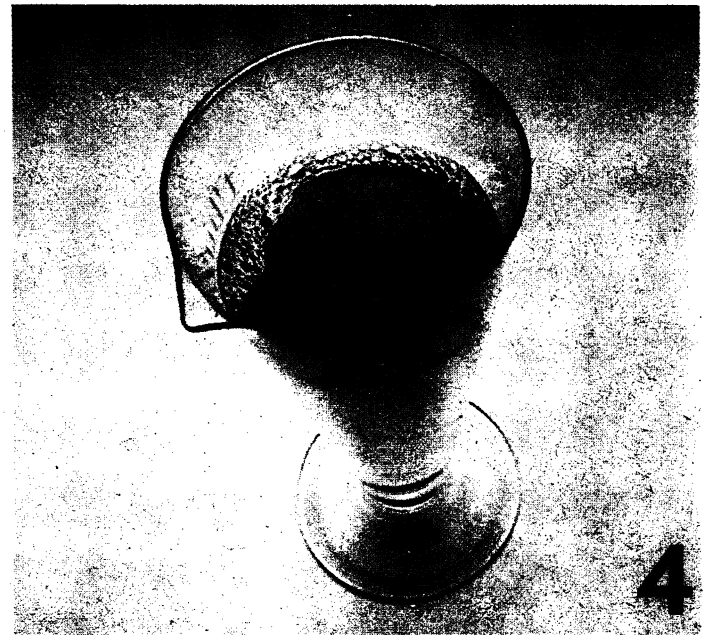

Side effects and Precautions In a few patients, slight gastro-intestinal disorders, flushes and headaches have been reported. These are usually overcome by taking the capsules with meals or by slight adjustment of dosage. There are no known contra-indications to PAROVEN; it is virtually non-toxic and has no teratogenic effects. In keeping with current teaching and practice its use during the first trimester should, however, be avoided.

Availability Capsules, each containing 250 mg of O—(β -hydroxyethyl)—rutosides (not less than 45% troxerutin) in bottles of 20 and 100 capsules.

TUTORIALS IN DIFFERENTIAL DIAGNOSIS

E. R. BECK, J. L. FRANCIS and R. L. SOUHAMI

This exciting new book has made an immediate impact in the few weeks since publication. Unlike the average textbook, it adopts the problem-orientated, case study approach in order to present clinical situations as they are seen in real life. Each case study is developed along the lines of the MRCP (UK) examination. Graphic, exciting, clinically wise and reasonably priced, this is essential reading for every medical student, postgraduate, general practitioner, and anyone who wishes to improve their study of differential diagnosis.

220 pages Illustrated Paperback £2.20 net

FUNDAMENTALS OF CLINICAL ENDOCRINOLOGY

R. HALL, J. ANDERSON, G. A. SMART, and G. M. BESSER

A new and updated edition of this title which was extremely well received on first publication. Aimed at a wide audience, it fills the need for a standard textbook on the subject. Contains sufficient information to allow diagnosis and treatment of all but the most obscure diseases.

"... Those who wish to have a textbook of Endocrinology on their bookshelf will not find a better book at the price."—British Clinical Journal

500 pages Illustrated Cased £9.50 net
Paperback £7.00 net

THE BASIS OF CLINICAL DIAGNOSIS

R. A. PARKINS, and G. D. PEGRUM

Approaches the study of clinical diagnosis by stressing the underlying changes in function. Teaches the student to appreciate the disordered function and develops the ability to deduce a diagnosis in a logical manner. An outline of normal structure and function, and the disease processes affecting them is presented for each system in turn, followed by an account of the appropriate investigations, their relative value, reliability, and diagnostic significance. Aimed primarily at the student at the start of the clinical period, and reinforces an integrated approach. Also valuable for recently qualified postgraduates and ECFMG candidates.

Floxapen.

The 97% answer to boils and abscesses

This patient has a boil. Not a serious infection, but it's painful and embarrassing. He'd like you to get rid of it for him—quickly. Floxapen can help you do just that. Following an oral dose, high blood levels are rapidly achieved ensuring effective concentrations at the site of infection. And, once there, Floxapen will destroy virtually all staphylococci as well as all streptococci. In a recent G.P. clinical trial, Floxapen was successful in 97% of the soft tissue infections treated. (*Practitioner*, 1970, 205, 801.)

Oral dosage. Adult: 250 mg q.i.d. a.c. Children under 10: $\frac{1}{2}$ adult dose. Side-effects: as with other penicillins. Contra-indications: penicillin hypersensitivity, ocular administration. Further information is available on request.

Floxapen* (flucloxacillin) is a British product originated by
Beecham Research Laboratories,
Brentford, England.

*regd.

Floxapen. The penicillin strong enough for today's infections

Rynacrom. The wide awake answer to hay fever.

Rynacrom can give complete freedom from hay fever without antihistamine drowsiness or any other side effect. Thus patients can drive and work as usual.

Rynacrom does not potentiate alcohol.

RYNACROM®

Duromine

in weight reduction than any other treatment

Clinical results with most anti-obesity agents may look good. But these results are often misleading. Initial weight loss initially. When treatment stops, the weight loss will continue, and without treatment problems.

This kind of evidence is available for *Duromine*.

A major clinical trial, involving two years of meticulous work, provides the latest comprehensive evaluation of *Duromine*. This, the second carefully controlled long-term study to be published in a leading British medical journal, has again demonstrated that with *Duromine* a weight loss of 20 lb. is well within reach in as little as three months.^{1,2} Further significant weight loss was achieved as the trials progressed.

Composition *Duromine* capsules contain phentermine as an ion-exchange resin complex. Capsules are available in two strengths: grey/green 15 mg. and grey/maroon 30 mg.

Indications Simple obesity. *Duromine* may also be used to re-establish appetite control in patients who have developed tolerance to other anorectic agents.

Dosage One capsule at breakfast time. Capsules in two strengths (15 mg. and 30 mg.) allow for adjustment of dosage if necessary.

Side-effects Slight dryness of the mouth or a tendency to early waking may be experienced from the higher dosage.

Contra-indications *Duromine* is contra-indicated in patients under treatment with monoamine-oxidase (MAO) inhibitors.

1. *British Medical Journal* (1968) 1:352 2. *The Practitioner* (1973) 211:232

Duromine: trade mark.

Fybogel

the new therapeutic solution for the treatment of pressure diseases of the large bowel

**DIVERTICULAR DISEASE
IRRITABLE/SPASTIC COLON
HAEMORRHOIDS
ANAL FISSURE**

These are the pressure diseases of the large bowel — a wide range of conditions with a common aetiological factor: low level of fibre in the diet.

The pressure problem

Raised intra-colonic pressure due to excessive segmentation. This leads to the formation of diverticula when pressure builds up in an occluded segment.

Raised intra-abdominal pressure due to straining to evacuate the resulting concentrated stools. This may lead to the formation of haemorrhoids when pressure on the pelvic diaphragm occludes the venous return from the haemorrhoidal plexus.

Fybogel — the natural solution

By providing a natural fibre regimen Fybogel treats the main cause of pressure diseases — a low level of dietary fibre. Fybogel is a controlled regimen, presented as granules in single dose sachets. The granules disperse in water to make a palatable drink.

Full information is available on request from:
Reckitt & Colman Pharmaceutical Division,
Hull HU8 7DS.

Each sachet contains 3.5g Isphagula Husk BPC in an effervescent base.

Before one bad thing leads to another

Bacterial throat infections in a child can be a cause for anxiety to everyone concerned.

And you'll want to make sure that the treatment you prescribe will prevent the condition turning into something worse . . . such as otitis media, with a possible legacy of impaired hearing; or a chest infection.

Ceporex is the ideal antibiotic in such cases, because it is rapidly bactericidal. This means that fever quickly subsides; so do irritation, discomfort and pain.

Ceporex, with recorded success rates of 97% in tonsillitis/pharyngitis, 94% in acute otitis media and 92% in unspecified ENT infections,* has minimal side effects and an excellent record of safety.

in children's U.R.T.I. Ceporex- Fast.

**Advances in Antimicrobial and Antineoplastic Chemotherapy, 1972, 1, 1199*

Literature on Ceporex (trade mark) is available from Glaxo Laboratories Ltd, Greenford, Middlesex, UB6 0HE

Doctors have been known to stop prescribing Dermovate after just 7 days.

Severe eczema:
after 1 week's treatment
with clobetasol propionate
(under occlusion).

Psoriasis:
after 1 week's treatment
with clobetasol propionate
(under nightly occlusion).

It's clear to see why...

... Dermovate has proved itself so successful in the treatment of psoriasis – a searching test for any topical steroid.

It's not just in general practice that Dermovate (clobetasol propionate) is proving itself to be a top performer.

In clinical trials, involving double blind comparisons with other modern topical steroids, Dermovate showed itself to be significantly superior in the treatment of psoriasis.*

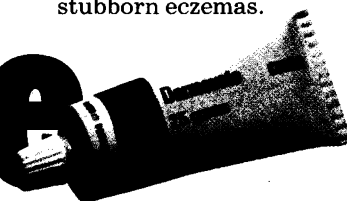

But not only in psoriasis has Dermovate proved superior.

In stubborn eczema and other recalcitrant dermatoses Dermovate clearly succeeds.

If you haven't prescribed Dermovate yet – do so today and see for yourself that Dermovate clearly succeeds in psoriasis and stubborn eczemas.

Dermovate

Glaxo

He's back with a

There's now considerable evidence to show that Amoxil is more effective than other broad spectrum antibiotics in the treatment of chest infections.^{1,2,3,4}

There are some good reasons for this:

Firstly, Amoxil is extremely well absorbed by the oral route,⁵ attaining high bactericidal concentrations.

And secondly, the overall absorption is unaffected by the presence of food⁵ which means your patient doesn't have to remember to take Amoxil half an hour or whatever before meals.

Couple this with Amoxil's apparently excellent ability to penetrate into bronchial secretions^{3,6}, and you've probably explained why Amoxil out-performs other broad spectrums.^{1,2,3,4}

AMOXIL a virtuoso

better routine

Uncle Jim is Cousin Fred

When lack of concentration appears in old age, the problem is often likely to be of organic origin. In particular, the patient may even confuse 'who is who' in her family—as well as suffer simpler lapses of short-term memory. Lucidril can end this confusion by an action that does not depend on improving the blood supply to the brain.

Lucidril gets the deteriorating brain

working again. Firstly, it stimulates the metabolism of the brain, probably through different pathways. Secondly, it removes the lipofuscin pigments which are a concomitant of old age and which may impair cellular metabolism.

Lucidril thus improves mental function; as a recent clinical paper has pointed out:

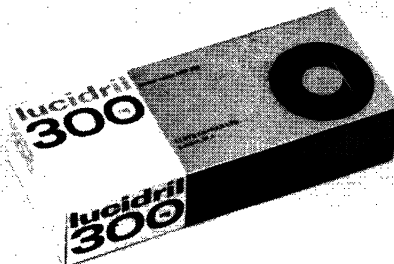

"These preliminary results (with

Lucidril) are encouraging, because they indicate that the intellectual impairment exhibited by such patients may be reversible, even when the underlying causes are presumably of an organic nature, such as cerebral arteriosclerosis."

* Copies of the paper Age and Ageing, (1972), 1, 74 and any further information are available on request.

lucidril

Lucidril 300 contains 300 mg meclofenoxate hydrochloride.
Product Licence Number 0098/5002.
Lucidril is a trade mark.

Betnovate and Betnovate-N are presented as cream or ointment in 15, 30 and 100 gram tubes.

Rapid response to Betnovate.

Are your asthmatic patients still at risk?

Asthma may appear to be a fairly straightforward condition.

With several alternative treatments.

But what are the snags?

Bronchodilator aerosols are normally used only during the attack and may leave the lungs open to damage before they take effect.

Moreover, they don't always work and there is a possibility of misuse and overdosage.

Steroids always present the danger of side effects and should probably be

reserved for those patients for whom there is no alternative.

Only Intal prevents the attack and eliminates these problems.

With Intal, there is no danger of side effects, no risk of misuse and no diminution of therapeutic effect.

Put them on Intal.
Give them a fighting chance.

Intal[®]
SODIUM CROMOGLYCAT E BP

FISONS LIMITED—PHARMACEUTICAL DIVISION, Loughborough, Leicestershire, England.

How much would it cost to safeguard your family?

Here is an example of a Family Income Benefit policy, which would provide your wife and children with adequate life assurance cover, at very reasonable cost.

"At age 34 an F.I.B. policy providing initial cover of £40,000 over a 20 year period, can be effected for less than £3 per month after tax relief. The policy would secure a tax-free income of £2,000 p.a. in the event of death at any time during the period of the policy and this income would be payable from death until the end of the 20th year from commencement of the policy."

The F.I.B. policy is only one of a number of ways in which a family's financial wellbeing can be safeguarded. The Medical Insurance Agency was formed to assist the Medical and Dental Professions in all insurance problems. Impartial advice is available completely free of charge and very often by assisting you in choosing the best policy for your circumstances, we can save you money.

Contact the M.I.A. — your insurance specialists — by completing and returning the coupon below.

To the
MEDICAL INSURANCE AGENCY, LTD., 8.M.A. HOUSE, TAVISTOCK SQUARE, LONDON, WC1H 9JD.
I am interested in discussing life assurance protection for my family.

INTERNATIONAL SOCIETY OF CHEMOTHERAPY

**9th International Congress
of Chemotherapy
13th-19th July, 1975**

Venue — Imperial College of Science and Technology,
Exhibition Road, London, SW7.

Patron — Her Majesty the Queen.

The Ninth International Congress of Chemotherapy will be held in London in 1975. The scientific programme will include sections on treatment of infections and of neoplastic disease. There will be guest lecturers and symposia on current problems in chemotherapy, in addition to ample time for short papers on current research.

Symposia are being arranged at present and include the following topics:

Current practice in treatment of tuberculosis.	Animal models in chemotherapeutic studies.
The treatment of the carrier state.	Disinfection Action.
Prophylactic antibiotic therapy.	Tropical Diseases.
Present position in antiviral therapy.	Infection in immunosuppressed patients.
Standardization of sensitivity tests.	Pharmacology of Anticancer agents.
Interactions — absorption and pharmacokinetics of antibiotics and other drugs.	The Kinetics of Chemotherapy.
Problems in tissue concentrations of antibiotics.	Clinical Chemotherapy of Cancer.
Current assay techniques.	Chemotherapy of Advanced Cancer.
Mode of action of antibiotics and mechanisms of resistance.	Clinical Evaluation of antitumor agents.
	New Anticancer Drugs.
	Leukaemia Chemotherapy.

Free papers are invited on these and other topics in the chemotherapy of infection or cancer. There will be sections for microbiology, pharmacology, toxicology and experimental chemotherapy, in addition to clinical research.

Seven halls will be in operation — two for symposia, two for free papers in cancer chemotherapy and three for free papers in antimicrobial chemotherapy. Many overseas participants are expected to contribute to the meeting.

Organising Committee (on behalf of International Society of Chemotherapy)

CHESHIRE AREA HEALTH AUTHORITY

FAMILY PRACTITIONER COMMITTEE
New Medical Practice vacancy in the Mordishaw District of the Runcorn new town — Cheshire.

A new single-handed Medical Practice Vacancy has been created in the Mordishaw District of the Runcorn New Town. The vacancy will attract an Initial Practice Allowance Type 'A' and general practitioners who have had at least two years experience in general practice as principal, assistant or trainee or who have been fully registered as a Medical Practitioner for a period of not less than four years are invited to apply for the appointment. The successful applicant will be expected to take up the appointment on 1st September, 1974.

The Mordishaw District is the third of the Central Districts of the Runcorn New Town under development and will have an ultimate population of 11,500. The Runcorn Development Corporation will make available residential accommodation and temporary surgery premises pending the completion of Health Centre facilities.

Further information and application forms should be obtained from The Administrator, Cheshire Family Practitioner Committee, 28 Nicholas Street, Chester, and completed applications returned not later than Friday 10th June, 1974. (H19492)

9th to 20th September, 1974

An intensive postgraduate course in surgery, suitable for Final F.R.C.S. candidates, will be held at Dudley Road Hospital, and at general and specialist hospitals in the Birmingham area from Monday, 9th to Friday, 20th September, 1974.

The lecturers will include: Mr. L. D. Abrams, Professor F. Ashton, Mr. J. Atkins, Mr. A. D. Barnes, Mr. P. G. Bevan, Professor B. Brooke, Mr. A. Clair, Mr. D. B. Clarke, Professor J. Leigh Collis, Mr. J. J. Corkery, Professor H. Ellis, Mr. J. D. Hamer, Mr. J. G. Hamilton, Mr. M. H. M. Harrison, Mr. M. H. Irving, Mr. D. M. Jackson, Mr. G. Jantet, Mr. P. S. London, Mr. G. D. Oates, Mr. H. Piggott, Professor G. Slaney, Mr. R. Abbey Smith and Mr. J. Alexander Williams.

Accommodation will be available at a University hall of residence. There will be a course fee of £50.00 inclusive of day-time refreshments, and there will be an additional charge to those requiring residential accommodation.

Those interested may obtain further details and application forms from Professor A. G. W. Whitfield, Director, Board of Graduate Studies, The Medical School, Birmingham B15 2TJ. Closing date for applications will be 15th July, 1974, and applicants will be notified of their inclusion or otherwise on the course shortly thereafter. (26603) 4

BMA PERSONAL SERVICES BUREAU

PARTNERSHIPS AVAILABLE

Full details of the opportunities listed below can be obtained from the Manager, Personal Services Bureau, BMA House, Tavistock Square, London WC1H 9JP (tel. 01-3875601). Please quote reference number. Members of the BMA having a vacancy for a partner are also invited to apply to the Bureau for particulars of the introductory facilities available.

Ref. P689. Health Centre practice in Southern Hampshire, bordering New Forest, seeks graduate of British University under 35 years of age, as fifth partner. Cottage hospital beds available. Fully staffed and equipped centre includes own ECG and treatment room staffed by four state registered nursing sisters. Good access postgraduate facilities. Parity after total of three years.

Ref. P690. Group practising from newly acquired and purpose converted premises in Morden, Surrey, require graduate of British University with some G.P. experience to replace retiring partner. Appointments system; ancillary staff and L.H.A. attachments. Share worth £6,500 to £7,000 per annum after 6 months probation increasing to reach parity in 3 years. This is a recently reorganised practice which offers scope for participation in future development.

Ref. P691. Graduate of British University to replace fifth partner in Health Centre practice in Melr and Longton Staffordshire. Access to G.P. maternity beds. Deputising service available for weekend cover. Full parity offered after 12 months at a salary of £5,000 p.a. No capital required for practice assets.

Ref. P692. East Cornwall Market town, population 5,000, 26 miles from Plymouth. Rural dispensing practice of 2 partners, has vacancy due to retirement. Open access to diagnostic facilities. Access to G.P. hospital and Maternity Home. District Nurse attachments. Moving to Health Centre. No capital needed. 6 months trial at £4,800 p.a., then 1/4 share parity (worth £9,000 p.a.) after further 2½ years. Applicant to start anytime within next 3 months. Must be male, graduate of British University, under 35 years and have done obstetric job.

Ref. P693. Berkhamsted. Graduate of British University required to replace retiring 3rd partner about 1st January, 1975. Purpose built premises in small country town in attractive part of Chiltern Hills. Appointment system, ancillary staff and L.H.A. attachments. No capital required for practice assets. Share worth approximately £5,250 p.a. after short probationary period rising to parity after 12 months.

Ref. P694. West Byfleet, Surrey. Graduate of British University with a sense of humour required to replace 4th partner in group moving to health centre. Access to hospital beds. Good professional facilities. Convenient for schools, golf, etc. Share worth over £6,000 p.a. after 6 months; parity (worth about £8,500 p.a.) 2 years later. No capital required.

Ref. P695. Second partner required to join new, expanding practice in Telford, Shropshire. New Health Centre available 1975 with all facilities. Access to maternity beds. Continued expansion assured and this offers exciting opportunity to share in planning and development of new group practice. Initial salary £5,000 p.a., plus all car and house expenses, after 9-12 months and parity 2 years later. Applicants should be graduate of a British University, eligible for inclusion on obstetric list.

Ref. P696. Group in small market town of Wantage, 15 miles from Oxford require replacement for 4th partner leaving to specialise. Access to Cottage Hospital where adjoining Health Centre nearing completion. Large ancillary staff includes two dispensers. Own E.C.G. machine, audiometer, 2 way radiolink between hospital, surgery and cars. Share worth about £5,000 p.a., after 6 months probation increasing by stages to parity 3 years later.

Ref. P697. Twickenham, Middx. Graduate of British University required to replace partner in 2 man practice. Modern premises. Ancillary staff. Access to G.P. and maternity beds. Immediate partnership with parity in 2 years or alternative terms offered to candidate wanting only part time commitment.

Ref. P698. Opportunity for lady doctor looking for about 4 days work a week to replace outgoing partner in 3 doctor practice at Mitcham, Surrey. Partnership with share worth about £3,400 p.a. offered immediately. No capital required for practice assets. Easy access to London and country. Good schools available.

Ref. P699. Dispensing practice in pleasant market town of Leighton Buzzard, Bedfordshire, seeks fifth partner (male or female). Access G.P. maternity unit. Central surgery fully staffed with practice manager, nurse, dispenser etc. Share worth around £6,500 to £7,000 p.a., after 6 months increasing yearly to parity 3 years later. No capital required for practice premises.

Ref. P700. Two vacancies occur following retirement of two senior partners in 3 man, full list, practice in St. Helens, Lancs. Preference given to intelligent, responsible candidates (male or female) who are under 35 years and of amiable disposition. Centrally heated premises with full staff and L.H.A. attachments. Immediate partnership leading to parity in 2 years. Incoming partners not required to purchase share in any partnership assets.

Ref. P701. Berkeley, Glos. Graduate of British University required soon as possible to replace retired partner in 2 man, old established, rural practice. Good schools, housing relatively easy. Health centre to be built in local hospital grounds. Access to General and Maternity beds. Share worth about £6,500 p.a. after 3 months rising to parity (around £10,000 p.a.) after 3 years. No capital required for practice premises.

Ref. P702. Health Centre Practice in Cambridgeshire. Enthusiastic graduate of British University with obstetric experience to replace retiring senior partner in 3 man group in Market Town. Access maternity beds. E.C.G., haemoglobinometer, microscope, etc. at centre as well as nursing assistance and other ancillary staff. Full parity (£8,000—£8,500 p.a.) in 2 years.

Ref. P703. Gravesend, Kent. Practice within easy reach of countryside and postgraduate centres requires replacement for deceased third partner. Young man eligible for obstetric list preferred. Central surgery with ample beds. Immediate partnership worth about £5,000 p.a. rising by stages to parity in 2 years. No capital required for practice premises.

Ref. P704. Semi rural practice in North Hampshire require young, married graduate of British University as 6th partner. Practice conducted from surgeries in three villages (2 partners in each). Large ancillary staff and L.H.A. attachments. Access maternity, paediatric and medical beds. Share worth about £5,000 p.a. after 6 months rising by stages to parity (£8,750 p.a. approximately) after 3 years.

Ref. P705. London, W7. Replacement required for retiring partner in two man practice. Applications considered from married couple (husband full time, wife part time). Graduate of British University preferred. Well staffed, central premises. Access to GP beds. Purchase of surgery premises not required. Immediate parity after 3 months probation.

Ref. P706. Sidcup, Kent. Replacement required for third partner. Ample free time, excellent postgraduate facilities. Relief service available. Good schools. Easy access to country. Initial share worth £5,500 after short probationary period rising by 6 monthly increments to 30% in 3 years. No capital required.

Ref. P707. Hoddesdon, Herts. Group of three (2 female, 1 male) require male graduate of British University as fourth partner in expanding market town with pleasant, unspoiled surrounding countryside. Access G.P. obstetric beds. Professorial accommodation rented. Good hospital facilities. Parity 3 years.

Ref. P708. Urban and semi rural practice in Doncaster, Yorks. requires male or female graduate of British University or third partner. New health centre being built. Access to G.P. Maternity beds in new District General Hospital. Share worth about £7,200 p.a., after 3 months rising annually to parity (over £9,500 p.a.) in 3 years. No capital required.

Ref. P.677 Swanley, Kent. Group within easy reach London, surrounded by attractive countryside seeks 8th partner with obstetric experience. Young graduate of British University preferred. Modern purpose built premises; abundant staff and attachments. Own ECG etc. Access GP beds. No capital required. Share worth about £5300 p.a. after 2 or 3 months assistantship and parity (£8,500 p.a.) within 3 years.

Ref. P.667 Male or female graduate of British University to replace 3rd Partner in Coventry practice. Emergency treatment service available. Active postgraduate centre. GP maternity beds if wanted. £4000 p.a. for initial 6 months rising by stages to parity in 3 years. No capital required for practice premises.

Ref. P.666 East Grinstead, Sussex. Graduate of a British University, age 35 to 40, required to replace third partner soon as possible. Practice owned premises with ample staff and L.H.A. attachments. All partners on GP staff of local hospital (45 GP beds). Share worth at least £6,000 pa after probationary period of 6 months rising to parity in 1 or 2 years (or perhaps sooner) according to experience.

Ref. P673 Pleasant rural dispensing practice in Northamptonshire. Graduate of British University who is eligible for inclusion on obstetric list required to replace retiring partner in 2 man practice. Access maternity beds. Health centre planned. At present conducted from fully staffed, pleasant premises. Share worth about £6,800 pa after 6 months assistantship and parity (£8,500 p.a.) one year later.

Ref. P.674 Rural, non dispensing practice in South Shropshire (Clebury Mortimer) requires young graduate of British University, vocationally trained or M.R.C.G.P. candidate to replace second partner. Purpose built, medical centre, practice owned. Access to maternity beds. Share worth minimum to £6300 per annum after assistantship of 6 months and parity 3 years later.

Ref. P.670 Cambridge. Graduate of British University preferably vocationally trained, required to replace retiring partner in three man practice. No capital required for practice premises. Parity three years after short assistantship at £4,500 p.a.

Ref. P.661 Pleasant seaside practice in Cleethorpes, Lincs. has vacancy for fifth partner due to retirement. Graduate of British University required. Recently converted, centrally heated surgery premises with full staff and L.H.A. attachments. Access to G.P. maternity beds. Share worth about £5,200 pa after 6 months rising by stages to parity (£8,000 p.a.) after further 2½ years.

Ref. P.666 Nottingham. Graduate of British University required as fourth, additional partner. Privately owned premises in residential area. Access to diagnostic facilities. Salaried partnership for 3-6 months at £4,000-£4,500 per annum and parity (in excess of £8,000 per annum) within 3 years.

Ref. P.650 Pleasant residential, 5 gold course area in Warwickshire. Graduate of a British University required to replace outgoing partner in mixed private and NHS 4-man practice. Access to GP hospital and maternity unit. Share worth £6,000 to £6,500 p.a. after initial 6 month probation rising by stages to parity (about £10,000 p.a.) in 3 to 4 years.

Ref. P.651 Eastbourne, Sussex. Mixed N.H.S. and private practice seeks a male graduate of a British University, under 30 years of age and eligible for Obstetric list, to replace 3rd partner. Central surgery with ample staff including S.R.N. Access to maternity beds and expected access to G.P. beds when new district hospital completed. Share worth about £5,250 p.a. after 3 months assistantship, increasing by stages to parity in 3 years.

Ref. P. 687 Downham Market, Norfolk. Graduate of British University sought as third, additional partner in rural dispensing practice. Purpose built premises. Adequate staff, appointments system and diagnostic facilities. Good postgraduate and recreational facilities. Off-duty rota. £4,000 p.a. offered for 2 months plus free use of furnished bungalow and parity (in excess of £7,000 p.a.) within 3 years.

Ref. P.685 Whitby Yorkshire. Second, replacement partner required in National Park area practice. Position will suit experienced doctor (age 45-55) (salaried) or young, expending, vocationally trained practitioner seeking full partnership. Modern, purpose built premises with increasing staff. Access GP beds and usual facilities. Approximately £5000 per annum initially increasing to parity (about £8500 p.a.) in 3-5 years.

SOUTH EAST KENT HEALTH DISTRICT (Kent Area Health Authority)

CINQUE PORTS VOCATIONAL TRAINING SCHEME

Applications are invited for one trainee post in this scheme which is based on the towns of Dover and Deal. Medical institutions include a District General Hospital, a General Practitioner Hospital and a new multi-group Health Centre.

The initial and closing periods of three-year scheme will be spent in General Practice and there will be four six-month Senior House Officer posts in the hospital — in Medicine/Geriatrics, Paediatrics/Dermatology, Obstetrics/Gynaecology and Psychiatry. The last of these will include a good deal of work within the community.

A day release scheme operates which includes participation in a continuing course at the Kent Postgraduate Medical Centre at Canterbury. This Centre, and the scheme itself, have close links with the Health Service Research Unit at the University of Kent.

Throughout the three year period each trainee will be in continuous touch with his own General Practitioner. The post in Obstetrics/Gynaecology and Paediatrics are recognized for the Membership and Diploma of the Royal College of Obstetricians and Gynaecologists and Diploma in Child Health respectively. Fluidity within the organisation will allow an alternative post such as Anaesthesia. Trainees will be encouraged to sit for the Membership of the Royal College of General Practitioners.

The post will begin on 1st August, 1974. Further details of the scheme and application forms can be obtained from the Postgraduate Tutor at Buckland Hospital, Dover. Telephone enquiries can be made to Mrs. Howard, Tel: Dover 201624. Closing date for applications 17th June, 1974. (59074)

SITUATIONS WANTED

DOCTOR AGED 49, adaptable, seeks part-time employment S.E. or London. Occupational health and senior administrative experience overseas. Box 37 BMJ.

UNIVERSITY AND RESEARCH APPOINTMENTS

CLINICAL RESEARCH DEPARTMENT

Sir Patrick Dun's Hospital
Dublin 2
Ireland

RESEARCH FELLOWSHIP

Applications are invited for a Research Fellowship commencing 1st July, 1974, for one year, to continue investigations on Chronic Venous Insufficiency.

Applications including curriculum vitae should be sent to The Secretary, at the above address. (H19535)

DALHOUSIE UNIVERSITY

Nova Scotia, Canada
Department of Anatomy
2 ASSOCIATE OR ASSISTANT PROFESSORS

Applications are invited from persons with a Ph.D. or a professional qualification for the above positions. Duties may include the teaching of Anatomy to Medical, Dental or Paramedical students. An ability to teach gross anatomy and a research interest in the nervous system would be an advantage. Salary (minimum \$15,000) and rank commensurate with experience.

Applications together with curriculum vitae and the names of two referees should be addressed to Dr. D. Gwyn, Department of Anatomy, Dalhousie University, Halifax, Nova Scotia, Canada by 20th June, 1974. (H19303) 25

HAILE SELLASSIE I UNIVERSITY Ethiopia

Applications are invited for appointment to the post of

PROFESSOR OF ANATOMY

which becomes tenable 1 September, 1974. Preference will be given to medically qualified applicants who have made a significant contribution to the advance of their subject. The initial contract would be for 2 years in the first instance. Appointee will be Head of the Department of Anatomy and will organise and participate in the teaching of Anatomy, Histology and Embryology and conduct research in his chosen field. He will also be responsible for the further training of Ethiopian graduates wishing to pursue a career in Anatomy, and contribute to the training of Ethiopian laboratory technicians. Salary scale: \$Eth.28,000 — \$Eth.31,000 p.a. (normally free of Ethiopian tax). (£1 sterling — \$Eth.4.96). There may be supplementation of salary by £1,375 p.a. (sterling) and provision of children's education allowances and holiday visit passages. This supplementation rate is currently under review. Housing allowance; dependants allowance; family passages; baggage allowance. Detailed applications (2 copies), including a curriculum vitae and naming 3 referees, should be sent by airmail as soon as possible to the Dean, Faculty of Medicine, P.O. Box 1176, Addis Ababa, Ethiopia. Applicants resident in U.K. should also send 1 copy to Inter-University Council, 90/91 Tottenham Court Road, London W1P 0DT. Further particulars may be obtained from either address. (26673) 25

CLINICAL RESEARCH

PSYCHIATRISTS

Two psychiatrists are required for research into the combined use of drugs and psychological treatments in neurotic disorders. They will be part of a team of five clinical research workers supported by a 5-year Medical Research Council grant held by Dr I. Marks and Dr S. Rachman. The Research programme will start at the end of 1974. Minimum qualifications M.Phil. or M.R.C.Psych. Salary and status will fall in equivalent of range from Registrar to Senior Lecturer inclusive according to qualifications and previous experience. Applicants should reply by 21st June, 1974 (giving curriculum vitae and names and addresses of two referees) to: Dr I. M. Marks, Institute of Psychiatry, De Crespigny Park, Denmark Hill, London SE5 8AF. (26614) 25

WESSEX REGIONAL HEALTH AUTHORITY

DORSET AREA HEALTH AUTHORITY — EAST DORSET DISTRICT

Vocational Training Scheme for General Practice BOURNEMOUTH

Applications are invited from fully registered Medical Practitioners for Senior House Officer grade posts on the Wessex Vocational Training Schemes for General Practice. There are three schemes in operation, two of which cover a three year period (2 years in Hospital, 1 year in General Practice) and the third for a two-and-a-half year period (1 ½ years in Hospital, 1 year in General Practice). Each scheme commences with an initial month and concludes with a final eleven months in General Practice with an approved trainer. Details of the schemes are given below:-

Scheme I

Six months each in Chest Medicine, Paediatrics and Obstetrics and Gynaecology. Next post becomes available — 1st October, 1974.

Scheme II

Six months each in Chest Medicine, Obstetrics and Gynaecology and Geriatrics (in an active short-stay unit). Next post becomes available — 1st December, 1974.

There is a six months elective period during which there will be opportunities for gaining experience in other specialties.

These schemes are recognized for the M.R.C.G.P., (the D.Obst. R.C.O.G. and the D.C.H. as appropriate) and on completion of the appointment the holder qualifies for the Vocational Training Allowance paid to junior principals in the National Health Service.

Scheme III

Six months each in Psychiatry, Accident/Emergency Services and Medicine/Dermatology. Next post becomes available — 1st September, 1974.

It is envisaged that this scheme would be suitable for Doctors who have already completed a Post-Registration job in another specialty.

Included in the trainee year for all three schemes is a day release course at Southampton or Winchester.

Arrangements can be made for interested candidates to visit the hospitals and practices in the area involved in the schemes. Hospital posts are resident.

Forms of Application and full details of the appointments may be obtained from the Administrative Assistant (Medical Staffing), Central Administrative Offices, Royal Victoria Hospital, Shelley Road, Boscombe, Bournemouth, to whom completed forms should be returned by Saturday, the 29th June, 1974.

Telephone enquiries to Miss Stark — Bournemouth 35201 extension 234.

GENERAL PRACTICE TRAINING POSTS

See also page xv.

WATFORD GENERAL HOSPITAL**Vocational Training Scheme
for General Practitioners**

Applications are invited from Medical Practitioners who have completed pre-registration training for appointment of **Trainee General Practitioners** at the Watford General Hospital and in local General Practice.

There are TWO PARALLEL Schemes which both start with two months in General Practice and end with ten months in General Practice.

The TWO POSTS in the FIRST Scheme, which is in its third year, start on 1st August, 1974 with two months in General Practice, followed by six-month posts at S.H.O. grade in General Medicine/Geriatrics, Obstetrics and Gynaecology, Paediatrics, Psychiatry and Family Psychiatry and end with ten months General Practice.

The SECOND Scheme starts on 1st September, TWO POSTS available, with two months General Practice followed by six-month posts at S.H.O. grade in General Medicine/Geriatrics, Obstetrics and Gynaecology, Casualty and Orthopaedics, Psychiatry and Family Psychiatry and ends with ten months in General Practice.

There is a half-day release during the three year course for a teaching seminar organised by the Course Tutor. During the hospital post training period all trainees are sponsored by G.P. Trainers (with whom they have continuing contact). There is an active Postgraduate Centre in the hospital.

The appointments are recognized for the D.R.C.O.G. and M.R.C.G.P., D.C.H. and D.P.M. Upon completion the doctor will be entitled to receive the Vocational Training Allowance.

Married accommodation available.

Applicants to the FOUR POSTS available, please apply to: **The Hospital Secretary, Shrodells Wing, Vicarage Road, Watford, Herts WD1 8HB**, from whom further particulars may be obtained.

(26348) 21

**EAST SUSSEX
AREA HEALTH AUTHORITY**

Eastbourne Health District

**Vocational Training Scheme
for General Practice**

Applications are invited for two-year and three-year schemes commencing on 1st October, 1974. There are two vacancies for each scheme. Trainees are appointed to Senior House Officer grade and spend either one or two years in hospital and two periods of six months in General Practice.

The rotation of hospital posts is as follows:-

**Paediatrics
Geriatrics with Rheumatology
Psychiatry
Accident and Emergency**

Applicants for the two-year course may choose two of these S.H.O. posts.

Weekly half-day release programmes throughout the three years include one year at Sussex University studying Sociology and Human Development, and programmes arranged by the Eastbourne Community Medicine and Social Service Departments. Fortnightly Trainer/Trainee Meetings and a full programme of Postgraduate Meetings are also held.

This is a new Course. Recognition for the M.R.C.G.P. and D.C.H. is being sought in time for the commencement of the course.

Single and married hospital accommodation is available and may be retained during the General Practice periods.

A new district hospital is being built in Eastbourne and is due to be opened in 1975.

Further details of the Course and local facilities in this attractive seaside town, together with application form from the District Administrator, Avenue House, The Avenue, Eastbourne. (Telephone: Eastbourne 21333).

Application forms to be returned by 2nd July, 1974. (59072)

UNIVERSITY OF MANCHESTER

Department of
Medical Oncology
(Christie Hospital and
Holt Radium Institute)

1. TUTOR WITH HONORARY SENIOR REGISTRAR STATUS
Applications are invited for the post of Tutor (with Honorary Senior Registrar status) to be based at the Christie Hospital and Holt Radium Institute in the new Department of Medical Oncology. The post is suitable for an applicant intending to specialise in Medical Oncology. Training facilities in all aspects of Medical Oncology research, facilities and opportunities for undergraduate and postgraduate teaching will be available. Membership of a Royal College of Physicians is essential and research experience in Oncology is desirable. Post to start 1st October 1974 and to last four years. Salary range p.a.: £2,535—£5,361 F.S.S.U.

2. RESEARCH ASSISTANT WITH HONORARY REGISTRAR STATUS
Applications are invited for the post of Research Assistant (with Honorary Registrar status) to be based at the Christie Hospital and Holt Radium Institute in the new Department of Medical Oncology. This post is suitable for an applicant wishing to spend two to three years in clinically-orientated laboratory research in the field of tumour immunology. Membership of a Royal College of Physicians is essential. The work involved would be suitable for a Ph.D. or M.D. thesis. There will be opportunities to participate in clinical duties and an educational programme in Oncology. Post to start 1st July 1974 and to last three years. Salary range p.a.: £2,535—£5,361 F.S.S.U. For both posts, particulars and application forms (returnable by 7th June) are obtainable from the Registrar, The University, Manchester M13 9PL. Quote Ref: 96/74/BMJ. (26403) 25

UNIVERSITY OF BRISTOL

Appointment of a Demonstrator
in Pathology

Applications are invited from registered medical practitioners for appointment as DEMONSTRATOR IN PATHOLOGY. Salary scale £2,535—£3,696 per annum, according to qualifications and experience. Previous experience in Pathology is not necessary. The duties include assistance with the teaching of medical and other students and the conduct of autopsies. Facilities for research and training in diagnostic histology, are available.

Applications (two copies, please) giving full name, age and qualifications, details of education and experience, together with the names of not more than three referees, should reach the Secretary, Senate House, University of Bristol, Tyndall Avenue, Bristol BS8 1TH, from whom further particulars may be obtained, not later than 14th June 1974. Please quote reference TLJ. (26758) 25

UNIVERSITY OF IBADAN

Nigeria

Applications are invited for the following posts:-

1. LECTURER/MEDICAL RESEARCH FELLOW IN NUTRITION

In the Food Science and Applied Nutrition Unit. Candidates must be registered medical practitioners with postgraduate training on one or more of the following: Nutrition, Public Health, Child Health. Preference will be given to those with field experience in any or all of these fields in an African environment. There are possibilities of further training in the field of Nutrition. Duties of appointee, will include co-operation with a staff of staff in the research of Public Health Nutrition, including the assessment of nutritional status of communities and the planning and execution of applied nutritional programmes; teaching of public health nutrition to medical students and other health personnel; and the awakening of awareness of nutrition in the general population.

2. LECTURER

IN MEDICAL BACTERIOLOGY
In the Department of Medical Microbiology. Candidates must be medically qualified, have a Diploma in Bacteriology or equivalent and have appropriate experience in teaching, research and diagnostic work. Interest and experience in the clinical application of the subject in the tropics would be an advantage, particularly in the field of Microbiology of Venereal Diseases. Appointee (1) must be experienced in advising clinical colleagues on the treatment of patients, when requested to do so and (2) organise and supervise diagnostic service for the Venereal Diseases and Treponematosis Research Unit. The post carries honorary Consultant appointment at the University College Hospital, Ibadan.

Salary scales: Lecturer (Consultant Status) N4,880—N5,800 p.a. Research Fellow (Medical Clinical) N3,960—N5,800 p.a. Lecturer (Non Consultant) N3,960—N4,830 p.a. Lecturer/Research Fellow (Medical Pre-Clinical) N2,760—N4,830 p.a. (£1 sterling = N1.54). The British Expatriates Supplementation Scheme is unlikely to be applied to these appointments. Family passages; various allowances; superannuation scheme; biennial leave. Detailed applications (2 copies), including a curriculum vitae and naming 3 referees, should be sent by airmail, not later than 12th June, 1974 to the Registrar, University of Ibadan, Ibadan, Nigeria. Applicants resident in U.K. should send a copy to Inter-University Council, 90/91 Tottenham Court Road, London W1P 0DT. Further particulars may be obtained from either address. (26672) 25

UNIVERSITY OF QUEENSLAND

Australia

CHAIR IN COMMUNITY PRACTICE

Applications are invited for the newly created Chair in Community Practice, to be located in the Department of Social and Preventive Medicine (Head: Professor D. Gordon). The Professor of Community Practice will be provided with facilities for teaching and research in Community Centres currently being developed in association with the State Health Department. Applicants should hold medical qualifications registrable in the State of Queensland and should have substantial previous experience in community practice (viz. other than hospital practice), and preferably some experience of teaching in this setting.

The salary is \$A22,102 per annum, and the University provides travelling and removal expenses, superannuation similar to F.S.S.U., housing assistance, and study leave. Additional information and application forms are obtainable from the Secretary-General, Association of Commonwealth Universities (Apts), 36 Gordon Square, London WC1H 0PF.

Applications close in London and in Brisbane on 26th July 1974. (26706) 25

UNIVERSITY OF CAMBRIDGE

Wellcome Unit for the
History of Medicine
Department of History
and Philosophy of Science

Applications are invited for the post of ASSISTANT DIRECTOR OF RESEARCH IN HISTORY OF MEDICINE from 1st October 1974, for five years, to be in charge of Unit. Teaching and research in history of medicine and allied fields of history of the bio-medical sciences. Salary scale £3,108—£4,896.

Applications with two or three referees should be sent to Dr Mary Heshe, Department of History & Philosophy of Science, Free School Lane, Cambridge, from whom further information can be obtained. Closing date 12th June. (H19556) 25

UNIVERSITY OF GLASGOW

RESEARCH STUDENTSHIP IN COMMUNITY MEDICINE

Applications are invited from Honours Graduates in the Social Sciences or Biostatistics for 2 or 3 year studentship as above. Basic training will be given in epidemiology, medical statistics and in the organisation of health care. Candidates will also be expected to participate in departmental research in accordance with their own field of interest. It is intended that training will be in preparation for a research or academic career in community medicine or in the candidates' own field in its relationship to community medicine. Stipend and allowances in accordance with Research Council Regulations, at present under review. Enquiries to Professor C. Stewart at Department of Community Medicine, Ruchill Hospital, (041 946 7120).

Applications by letter with names of 3 referees to the Faculty of Medicine, University of Glasgow, G12 8QQ. In reply please quote ref. no. 34673. (26684) 25

UNIVERSITY OF NEW SOUTH WALES

School of Obstetrics
and Gynaecology

LECTURER/SENIOR LECTURER

High academic qualifications required, together with membership of the Royal College of Obstetricians and considerable clinical experience in the specialty. Appointee will be based at the Royal Hospital for Women, Paddington N.S.W., but may be required to spend some time supervising students at one or other of the University's associated teaching hospitals. The School can provide laboratory and research facilities.

Salary: \$A12,288 range \$A14,308 per annum (senior lecturer); \$A8,698 range \$A11,982 per annum (lecturer). Commencing salary according to qualifications and experience. In addition, a clinical loading of \$A2,500 per annum is payable.

Details of appointment, including superannuation, study leave, housing scheme and rights to private practice, may be obtained from the Secretary-General, Association of Commonwealth Universities (Apts), 36 Gordon Square, London WC1H 0PF.

Applications close 28th June, 1974. (26671) 25

SPECIAL APPOINTMENTS

INTERESTING TEMPORARY assignment. Each year during the Autumn, Duphar Vaccination teams visit hospitals, schools and industrial premises to administer Influvac (influenza virus vaccine). Each team consists of two S.R.N.s and one Registered Medical Practitioner. The nurses are trained in the use of Jet Injector equipment and are responsible for administering the vaccine and keeping appropriate records. The doctor is responsible for advising on the suitability of subjects for vaccination and to oversee the vaccination session. Since the vaccination teams visit our clients' premises, considerable travel throughout the U.K. is involved and members of the teams must be prepared to stay away from home for long periods of time. Hotel accommodation is provided and each team uses a Company vehicle to travel in. Applicants must hold a current British driving licence. Remuneration will be at a rate of £80 per week plus £15 per week bonus payable upon satisfactory completion of each full week of service with the Company. Applications are invited from Registered Medical Practitioners who are available between September and December inclusive. The successful applicants will receive adequate instructions before they join a team. Written applications should be addressed to The Medical Adviser Duphar Laboratories Ltd., Gaters Hill, West End, Southampton, Hants. SP3 3JD. (H19558) 37

(H1953) 27

GWENT
AREA HEALTH AUTHORITY
South Gwent Health District
Royal Gwent Hospital, Newport, Mon.
(442 beds)
Recognized F.R.C.S.

SENIOR HOUSE OFFICER
required for Accident and Emergency Department, immediately. Married accommodation available. Resident. The Department is in the charge of a full-time Consultant Surgeon, has five Senior House Officers and all emergency cases are admitted through the Department which is responsible for resuscitation. The Department is equipped with apparatus for cardiac monitoring, positive pressure ventilation, as well as X-ray Intensifiers and a Berman F.B. Locator.

The Hospital is the base Hospital for the Group and therefore has a large volume of acute cases in all specialties. It is being extensively redeveloped by a major capital building programme. An intensive care unit is situated at the hospital.

There is a close connection with the teaching hospital in Cardiff, 10 miles to the west, and there is an extensive postgraduate education programme with a very good library. A postgraduate centre is situated at the hospital. The appointment gives ample opportunity to the holder to avail himself of these facilities.

The successful candidate will be expected to be resident on the nights on which he is on first call, which will be on average one night in five.

Apply quoting two referees to the District Administrator, 64 Cardiff Road, Newport, Mon. NPT 2UA. (26456) 51-8

GENERAL HOSPITAL
Park Road North, Birkenhead

SENIOR HOUSE OFFICER
LOCUM SENIOR HOUSE OFFICER
Casualty Department
(Not compulsorily resident)

Post tenable immediately for six or 12 months. The department is in administrative charge of a Consultant General Surgeon and staffed by one full-time Medical Assistant and four S.H.O's. Approximately 26,000 patients are treated annually in the Department. The posts are recognized for the Fellowship of the Royal College of Surgeons and arrangements can be made for Officers to attend on day release a Basic Science course at the Liverpool University of the Final Fellowship of the Royal College of Surgeons for those who possess their primary fellowship.

Rotation to the Orthopaedic Department may be arranged on completion of the contract. Free single accommodation available. Applications are also invited for this post on a locum basis to take effect immediately. Apply within 14 days of this advertisement to the District Administrator, Wirral Area Health Authority, Northern District, St. James' Hospital, Tollemache Road, Birkenhead, stating qualifications, experience and the names and addresses of two referees. APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1969, No. 163).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

In particular, they will find full details of facilities provided in most hospitals in the United Kingdom in the current edition of the *Hospital Gazetteer*. If such details are not included members are advised to consult the Secretary of the B.M.A.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £1,914 per annum for the posts held during the first year; £2,061 per annum for posts held during the second year; £2,208 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,475 per annum x £189(1) x £186(1) — £2,850.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £2,850 per annum x £171(3) x £168(1) — £3,531.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £3,363 per annum x £168(1) x £216(4) — £4,395.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £3,156 per annum x £183(2) x £180(2) x £168(10) £5,562.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £5,085 per annum x £279(8) x £282(1) — £7,599.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rent is appropriate.

August, 1973

EALING, HAMMERSMITH & HOUNSLOW
AREA HEALTH AUTHORITY

(Teaching)
at Charing Cross Hospital and Oxford
Regional Health Authority
SENIOR REGISTRAR IN CHEMICAL PATHOLOGY
Applications are invited for this new rotating appointment at the Royal Berkshire Hospital, Reading and Charing Cross Hospital. The post

is non-resident and the successful candidate will commence duty at the Royal Berkshire Hospital, exchanging after two years.

The well-equipped and staffed Department of Chemical Pathology in the newly opened Charing Cross Hospital offers training in all branches of the subject and has excellent facilities for research. Frequent lectures, seminars, clinic-pathological conferences, etc. are held. The Clinical Chemistry Section of the Royal Berkshire Hospital provides a comprehensive service with opportunities for clinical consultation. It offers training in computer-controlled data processing, participation in research projects and attendance at selected courses at the University of Reading.

Both laboratories are recognized by the Royal College of Pathologists for training for the membership examination in chemical pathology.

Further details and application forms are obtainable from the undermentioned and should be returned by 20th June, 1974.

TRAINING SCHEME
IN PATHOLOGY
(Non-resident)

Applications are invited for vacancies in the above scheme. The training programme is of three years' duration. It will be flexible and vary according to the previous experience of the applicant, but in general will consist of rotation through each of the five disciplines of Pathology (three months in each), followed by training in a specialty.
The Training programme is designed to meet the recommendations of the Royal College of Pathologists and the Joint Committee on High Medical Training.
Application forms and further details may be obtained from the Acting Administrator, Leeds General Infirmary, Great George Street, Leeds LS1 3EX to whom they should be returned by 15th June, 1974. (26471) 81-8

NORTHERN IRELAND HEALTH AND SOCIAL SERVICES

Consultant Clinical Pathologist

(with special interest in Microbiology)

The Central Services Agency, on behalf of the Western Health and Social Services Board invites applications for a whole-time or maximum part-time post of Consultant Clinical Pathologist.

The post is based at Altnagelvin Hospital, Londonderry, but duties at other hospitals in the Area may be arranged by agreement.

The appointment will involve working in association with other Pathologists in the development of a comprehensive pathology service in the area.

Candidates must be Members of the Royal College of Pathologists or a Royal College of Physicians or hold an equivalent higher medical qualification, and must have had wide experience in Clinical Pathology. Preference will be given to those with a special interest in Microbiology.

Application forms and further particulars are available from
The Chief Administrative Officer,
Central Services Agency,
27 Adelaide Street, Belfast BT2 8FH.

The latest date for the receipt of application forms is 1st July, 1974.

South Nottingham District

TRAINING FOR GENERAL PRACTICE
(Resident)

The Nottingham hospitals have combined to offer two Senior House Officer appointments from 1st August, 1974, each providing a one year rotational training course designed primarily, but not exclusively, for doctors contemplating General Practice.

Successful candidates will be based for six months in the University Department of Psychiatry at Mapperley Hospital and during this period will have day release facilities for study of E.N.T. work. During the second six months period they will be based at the Department of Dermatology at Nottingham General Hospital with day release study of Ophthalmology, Geriatrics and Venereology. In the main specialties concerned appointees will be required to undertake a service role including a share in on-call duties. Married accommodation may be available if required. Appointments will be the formal aegis of the South Nottingham District.

Applications giving full details and naming two referees, should be forwarded as soon as possible, but not later than 8th June, 1974 to the Acting Group Personnel Officer, Harvey Court, University Hospital, Nottingham (59251) 88-8

BRENT & HARROW AREA HEALTH AUTHORITY

Brent Health District

**District
Community
Physician**

Salary scale £5085 to £7599

Applications are invited from Registered Medical Practitioners for the post of District Community Physician, Brent.

This post offers opportunity for someone interested in participating in active re-organisation of the Health Service in the Brent District (population 217,000). The District Community Physician will be expected to play a major part in the planning of the Hospitals and Health Centres in the District, with the opportunities that these will provide for developing an integrated Health Service. Some of the hospitals in the District are due for major redevelopment.

The Brent District has a close association with the Middlesex Hospital Medical School and the Professional Department of Community Medicine is based at the Central Middlesex Hospital, where the Brent District Management Team will also be located. The Middlesex Hospital Medical Schools Academic Board is prepared to offer an honorary appointment to a suitable candidate. The District Community Physician would assist in teaching and have the opportunity to participate in research and other activities of the department.

Further particulars and details available from Dr. D. Gooding, Area Medical Officer. Applications to V. Hintham Area Personnel Officer, Brent and Harrow Area Health Authority, Signal House, Lyon Road, Harrow, Middx. HA1 2EL Telephone: 01-863 9111. (26608)

Duties: Primarily within the Civil Aviation Division, and responsible to the Principal Medical Officer for administration of the medical aspects of pilot licensing and related duties, with medical support to the Road Transport Division as required. Some travelling involved.

Passages: Fares for appointee and his wife and family will be paid, with expenses of \$NZ120 (single) and up to \$NZ800 (married) for carriage of personal effects to New Zealand.

Application forms and further information are available from The High Commissioner for New Zealand, New Zealand House, Haymarket, London SW1Y 4TQ, with whom applications will close on 29th June, 1974. Please quote reference IMM2/38/15/1642 when enquiring. (26664) 118

THE ROYAL NORTH SHORE HOSPITAL OF SYDNEY

RESIDENT MEDICAL OFFICERS

Two vacancies exist for Second Year Medical Officers at this Hospital from present time until 13th January, 1975.

Royal North Shore Hospital is a modern 650 bed teaching hospital for the University of Sydney and carries out postgraduate training for all major specialties. The hospital is also undergoing expansion, with a new 650 bed acute ward block due for completion in 1975.

Vacant Resident positions would contain one (ten week) term of Emergency Unit/Casualty and one term in an associated country base hospital. The remaining time would be spent in surgical areas. Successful applicants would be entitled to apply for twelve month position of Senior Resident for 1975.

Salary would be at \$A6,640 p.a. plus overtime (approx. \$1,000).

Applications should be forwarded to undersigned at The Royal North Shore Hospital of Sydney, Pacific Highway, St. Leonards, N.S.W. 2065, Australia. I. R. Vanderfield, General Medical Superintendent. (H19553) 118

Temporary Obstetrician/Gynaecologist

St. Finbarr's Hospital, Cork (Teaching Hospital)

Applications are invited for a post of temporary Consultant in Obstetrics and Gynaecology at the above hospital for a period of six months. Two other Consultants are employed in the Department.

Salary will be at the rate of £5,484 per year with certain private and consultant practice. In addition, the first phase of the Irish 15th round increase will be effective from 1st June, 1974.

Registrar in Obstetrics & Gynaecology

St. Finbarr's Hospital, Cork (Teaching Hospital)

Applications are invited for a post of Registrar in Obstetrics and Gynaecology at the above hospital, which will become vacant on 1st July, 1974. M.R.C.O.G. desirable but not essential. The appointment is recognized for training in Obstetrics for membership of the Royal College of Obstetricians and Gynaecologists.

Salary will be within the scale £3,900 to £4,850 per year depending on experience, plus the first phase of the Irish 15th round increase effective from 1st June, 1974. An allowance at the rate of £300 per year is payable in respect of a recognized higher degree.

Application forms and particulars may be obtained from the Personnel Officer, Southern Health Board, Room 610, County Hall, Cork, Ireland. Completed application forms should be received at this address not later than 5.00 p.m. on Friday, 14th June, 1974. (26663) 117

southern health board

THE ROYAL NORTH SHORE HOSPITAL OF SYDNEY STAFF SPECIALIST — ENDOCRINOLOGIST

Applications are invited for the position of Staff Specialist Endocrinologist. The successful applicant will be required to work in an active group with well developed interests in thyroid pituitary and adrenal aspects of the specialty.

Preference will be given to an endocrinologist with special interest in establishing and expanding laboratory and clinical services relating to other aspects of endocrinology, such as diabetes, parathyroid disease or gonadal dysfunction. The successful applicant would be expected to share in the routine clinical services already being undertaken in the department as well as to participate in postgraduate training programmes. The department will be moving into new laboratories during this year and will have its own ward unit when the present building programme is completed in 1975-76. Salary and conditions of employment will be according to the Specialist Medical Officers Award. (Present range is \$A13,574 to \$A18,755 — this scale is at present under negotiation). A limited right of private practice may be granted to the appointee. Further particulars may be obtained from Dr. Ian Hales.

Application forms may be obtained from **The Director of Medical Services, The Royal North Shore Hospital of Sydney, St. Leonards, N.S.W. 2065, Australia**, and should be completed and returned by 31st July. I. R. Vanderfield, General Medical Superintendent. (H19554) 118

SHIPS DOCTOR £650 per month

Experienced sea going doctor needed for 6-7 month season on pipe laying barge in North Sea. Several years work expected. Start work end of May, 1974. Job requires long periods at sea. Prefer Royal Navy doctor, either retired or short tour man.

Write to: **Techselect, Personnel Continental, 20th Floor, Centre International Rogier, 1000 Brussels, Belgium**. Furnish details of experience. (26606) 118

AUSTRALIAN DEPARTMENT OF HEALTH AND UNIVERSITY OF SYDNEY

Applications are invited for the position of

RESEARCH MEDICAL OFFICER Class 2

in the Institute of Child Health, Australian Department of Health and in the Department of Child Health, University of Sydney, which becomes vacant on 1st August, 1974.

The appointee will have responsibilities for teaching and research and will have clinical care of patients at the Royal Alexandra Hospital for Children. Applicants should possess qualifications admitting to registration as a medical practitioner within New South Wales. Appropriate paediatric experience desirable.

Salary

\$A15,980 — 17,680 per annum (£1 — \$A1.60)

Commencing salary will be determined in the light of qualifications and experience.

Conditions

Conditions of employment include first class passage by air for the successful applicant and family payable by the Department. Salary will be paid from date of embarkation. Conditions include generous annual leave, accumulative sick leave provisions, furlough and a comprehensive superannuation scheme.

Candidates should forward three copies of their application, giving the following information:

- i) Date and place of birth
- ii) Academic and professional record
- iii) Research and administrative experience and published works
- iv) Names of three professional persons to whom reference can be made
- v) A recent photograph

to: **Professor T. Stapleton,
Institute of Child Health
Royal Alexandra Hospital for Children,
Camperdown,
N.S.W. 2050
Australia.**

by: **15th June, 1974.**

CANCER INSTITUTE

(PETER MACCALLUM CLINIC)

MELBOURNE — AUSTRALIA

MEDICAL DIRECTOR

As a consequence of the retirement of the present Medical Director in 1975, the Board of the Cancer Institute invites from medical practitioners, applications for the position of Medical Director. Applicants should have proven clinical background and experience in the organisation and administration of medical services.

The Cancer Institute is an independent Corporation established by Act of Parliament, and has developed a single organisation with clinics and laboratories dealing with the causation, prevention, diagnosis and treatment of cancer and allied conditions.

The clinical care of patients includes radiotherapy, chemotherapy, surgery and other forms of treatment. The Institute maintains a close collaboration with the General and Special Hospitals of the Melbourne area.

The present In-patient capacity is 120 beds together with well-developed ancillary services. The basic objectives of the Institute have been systematically implemented, and after periods of rapid expansion and consolidation, a major step in the further development of the Institute has now been taken in that a major building project, which will provide for 260 beds, has started. Approximately 8,000 new patients are referred annually to the Institute.

The Institute, which is a Clinical School of the University of Melbourne, provides undergraduate and postgraduate training in various medical and scientific disciplines associated with cancer.

Full-time salary at present **\$A21,336 - \$A24,237 per annum plus allowances**. Other conditions of employment include superannuation, long service leave, sick leave and recreational leave. Limited Private Practice is permitted. The retiring age is 65 years. The Medical Director is ex-officio a member of the Board and of its Executive Committee.

It is expected that the successful applicant will take up duties at the end of July 1975, or later by negotiation.

Application forms, conditions of appointment, statement of organisation, activities, staff, removal expenses, and duties and responsibilities may be obtained from **Mr G. S. Bolitho, Manager and Secretary, 278 William Street, Melbourne Vic. Australia, 3000.**

APPLICATIONS CLOSE ON 16th AUGUST, 1974

(26607)

Nigeria

Federal Ministry of Health

Consultant Nutritionist and Senior Registrar (Nutrition)

Applications are invited from suitably qualified candidates for appointment to the following posts:—

(a) Consultant Nutritionist and

(b) Senior Registrar (Nutrition)

(i) CONSULTANT NUTRITIONIST:

(a) Qualifications and Experience

Applicants should be medical officers with post-graduate qualifications with 8 years experience of which at least 3 years must be after obtaining post-graduate qualifications.

(b) Duties

The Officer will be in charge of the Federal Nutrition Unit of Federal Ministry of Health and co-ordination of all matters relating to Public Health throughout the Federation. He will be required to carry out Planning, Applied Nutrition Projects, Research and Training. He will also liaise with the Universities on all matters relating to Nutrition Research and Applied Nutrition Programmes.

(c) Salary

Group 6 — N5,472. (£3,283) per annum

(ii) SENIOR REGISTRAR (NUTRITION)

(a) Qualifications and Experience

Applicants must be medical practitioners with post-graduate qualifications in Public Health with total experience of 5 years. Intending applicants should be prepared to undertake a course for Diploma in Food Science and Applied Nutrition.

(b) Duties

The Officer will assist the Consultant Nutritionist in his duties as in (i) (b) above.

(c) Salary

Group 7 — N5,064. (£3,038) per annum

CONDITIONS OF SERVICE

The posts are pensionable for Nigerians, and in the case of a new entrant into the Government Service, the appointment will be on probation for the first three years. For non-Nigerians the appointment will be on contract for two tours or 18–24 months each in the first instance with opportunity for further extension. Free passage will be provided for husband, wife and children (not exceeding 2 adult fares) as well as free medical services. Children separate Domicile Allowance is payable. Government quarters (where available) are provided at a rental of 8½% subject to a maximum of N300. (£189) per annum. Other conditions of service will be as prescribed for officers of equivalent grades in the Federal Public service from time to time.

METHOD OF APPLICATION

Applications from candidates in Government Service should be submitted in letter form through the Head of the applicant's Department, and where the applicants are in the Public Service other than the Federal Public Service, through the Public Service Commission concerned and be accompanied by copies of Confidential Reports for the last 3 years. Candidates not in the Government Service should complete official application form (in duplicate for Overseas candidates) obtainable from the Secretary, Federal Public Service Commission, Lagos or the Recruitment Attache, Nigerian High Commission, 9 Northumberland Avenue, London WC2. All applications should be submitted not later than 30th June, 1974.

A GROUP PRACTICE in Albany, 254 miles South of Perth, Western Australia is looking for a Locum or Assistant with a view to take the place of one of the retiring Principals as from May, 1974.

For Locums — a period of three weeks to two years will be considered.

This is a well run Practice of four in a beautiful seaside resort, with a population of 15,000. All work is on a roster basis with plenty of time for leisure. The 1st on Duty Doctor has a 2nd on as a back-up.

The Practice is moving to a modern well planned air conditioned set of rooms with provision for an extra Doctor, that is five at a future date.

This Practice does the majority of the Surgery, Obstetrics and General Medicine in this area, plus such interesting jobs as care of the Port and Shipping, Police work, Prison work and some Flying Doctor work. There are visiting Consultants in Eye, E.N.T., Dermatology and Paediatrics.

This Practice has many close attachments too Consultants in various fields in Perth, and advice by phone is always easily available.

There are four other Doctors in the area running solo practices. There is a fully equipped 130 bed regional hospital with all ancillary facilities and Doctors have full admitting rights and care for their own patients.

The town itself is the centre of a holiday resort area, but has farming and secondary industries.

There are plenty of leisure facilities, which includes 1st class golf course, beaches, fishing, swimming, yachting, horse-riding plus plenty of scenic bush-walking.

There is a top class High School going onto Leaving and also a Womens College going on to Leaving.

Financial arrangements will be generous and will depend on the experience and the actual time to be spent in Albany.

Reasonable housing will be provided and this will depend on how much time the Doctor is prepared to spend in Albany.

For full further particulars contact: Doctor Ken Lynch of 195 York Street, Albany, W.A. 6330. Phone: 41 1579. 118

MERSEY GENERAL HOSPITAL Latrobe, Tasmania

RESIDENT MEDICAL OFFICERS

Applications are invited from first, second and third year medical graduates, possessing Australian or British qualifications, for positions in medicine and surgery which become vacant in July and September, 1974 and in January, 1975.

Initial appointments are for one year from the time of commencement but this may be extended by agreement.

It may be possible to offer experience in obstetrics and gynaecology in the Women's Division of the hospital.

This is a modern base hospital of 230 beds with a full time specialist staff. The General Division is in Latrobe and the Women's Division is five miles away in Devonport on the North West Coast of Tasmania.

Service at the hospital is recognized for registration.

Salary 1st year after qualification — \$8,594 (£5,338); 2nd year after qualification — \$9,396 (£5,836); 3rd year after qualification — \$10,198 (£6,334).

Annual leave — 28 days.

Single R.M.O's receive board, accommodation and laundry. Attractive modern, self contained fully furnished and equipped married quarters are available for which an annual rental of \$780.00 is charged. (This includes light and fuel).

The financial terms quoted are those pertaining at the time of advertising and are subject to variation by the controlling authority. There is a review of salaries expected within the next few weeks.

Applications and enquiries accompanied by the names of two referees should be addressed to the Medical Superintendent, Mersey General Hospital, Latrobe, Tasmania, Australia, Australia 7307, from whom further particulars and the hospital brochure may be obtained.

Further general information may be obtained from the Agent General for Tasmania, 458/9 Strand, London who may arrange assisted passages for selected personnel and possibly allowances towards removal expenses. (2497) 118

THIRD PARTNER wanted urgently in former 3 man practice in Levin, New Zealand. Medical centre being planned. Even climate; good educational and recreational facilities. Apply Drs Gillies & Rosa, 126 Bath St, Levin N.Z. 118

It's a gamble treating diabetes
with so-called 'equivalents' of

Diabinese*
brand of chlorpropamide *Trade Mark

the original chlorpropamide

"Different preparations of chlorpropamide may vary in
particle size — and hence rate of absorption of the drug —
and so the hypoglycaemic effect may be reduced."

Brit. Med. J. 1972, 3, 692.

To be sure it's Diabinese* write the name

100 mg. and 250 mg. tablets in packs of 100.
Full information is available on request.

The main laboratories at Lincoln's Inn Fields

The Imperial Cancer Research Fund deserves your support

because

- It is entirely financed from voluntary contributions and devotes more than 95p of every pound donated to cancer research.
- Its laboratories at Lincoln's Inn Fields offer unrivalled facilities and are the largest independent centre for cancer research in Europe.
- It is committed to an expanding research programme and its hopes for the future depend on YOUR SUPPORT NOW.

For everyone's sake support I.C.R.F. now with an offer of help or a donation.
It makes sense.

Donations may be sent to: I.C.R.F., Dept. 101,
P.O. Box 123, Lincoln's Inn Fields, London, WC2A 3PX.

Ventolin sets a higher standard

Time and Time again

Clinical trials have shown that
the superior action of Ventolin
over other bronchodilators

in bronchodilator therapy

Measurement of lung function is generally considered essential in order to assess the efficacy of bronchodilator therapy.

One of the commonly used instruments for this purpose is the dry wedge spirometer (Vitalograph) with which the patient's spirogram can readily be obtained. From this the forced expiratory volume in 1 second (FEV₁) and the forced vital capacity (FVC) can easily be calculated.

During the five years that Ventolin has been available it has been the subject of a large number of clinical trials. An analysis of the first 50 of these is shown in the table.

Number of clinical trials	Number of patients involved	Number of the trials conducted 'double-blind'	Number of 'double-blind' trials against an active bronchodilator
50	1,477	20	18

HIGHLY EFFECTIVE

In all the clinical trials Ventolin was shown to be highly effective, producing near maximum reversibility of bronchospasm.

HIGHLY SELECTIVE

In all the clinical trials, without exception, Ventolin was shown to be a highly selective bronchodilator, whether it was administered by mouth or by inhalation. Therapeutic doses had no effect on the heart. In some investigations where many times the therapeutic dose was investigated again no effect on the heart could be detected.

LONG DURATION OF ACTION

In trials in which the duration of action was measured this was shown to be from 4 to 6 hours.

A wide range of preparations to suit each individual need

VENTOLIN INHALER—for rapid, long-lasting relief of acute bronchospasm.

VENTOLIN TABLETS—2 mg and 4 mg—for routine oral bronchodilator therapy.

VENTOLIN SYRUP—fruit-flavoured for ready acceptability by children.

VENTOLIN SPANDETS—sustained-action tablets, particularly suitable where nocturnal bronchospasm is a problem.

Ventolin Inhaler contains salbutamol BP, all oral Ventolin preparations contain salbutamol BP as sulphate.

For the relief of bronchospasm ... prescribe VENTOLIN

MOST DOCTORS DO!

Full prescribing information is available on request. Ventolin and Spandet are trade marks of ALLEN & HANBURY LTD LONDON E2 6LA

Anafranil[®] restores colour to life

Anafranil[®]
