

'Orudis' in arthritis

Optimal efficacy and tolerance now further confirmed by two new studies

Activity equal to that of phenylbutazone

"... in 47 patients with osteoarthritis of the hip, it has been shown that there is little to choose in efficacy between ketoprofen ['Orudis'] 200mg daily and phenylbutazone 300mg daily... Side-effects were mild..."¹

Comparative clinical studies with indomethacin³ and ibuprofen⁴ have already shown that 'Orudis' affords both significant therapeutic effect and low toxicity in the treatment of arthritis.

1 *Rheumatol. and Rehabil.*, (in press), 1974

2 *Scand. J. Rheumatol.*, (in press), 1974

Tolerance markedly superior to that of aspirin

"... a trial with gastroscopic examinations has allowed the adoption of the hypothesis that the new anti-inflammatory product ketoprofen ['Orudis'] is better tolerated by the gastric mucosa than acetylsalicylic acid..."²

The latest comparisons with two further widely prescribed agents provide additional cogent evidence of its ability to meet the criteria for optimal drug management.

Dyspepsia

**If antacids were the complete answer,
would he return to your surgery so often?**

Antacids deal with excess acid. But, in many cases, dyspepsia involves more than this.

Unpleasant symptoms such as dyspepsia, heart-burn and gastritis can frequently be traced back to disturbed gastric motility. Recent research has shown that in many patients food is retained for too long in the stomach, gastric contents enter the oesophagus, and bile refluxes from the duodenum.¹

With Maxolon, you can resolve this underlying problem. Maxolon restores gastric motility to normal, so that symptoms of dyspepsia are prevented.

Prescribe Maxolon (tablets or syrup) for your dyspepsia patients. They—and you—will appreciate the difference.

Full information on Maxolon in gastroduodenal conditions is available on request.

Linthicum & Schwartzman:

MICROPATHOLOGY OF THE TEMPORAL BONE

The organisation of this book is atlas-style with descriptive histopathology for each figure on facing pages. With each temporal bone section a high-power magnification of the significant cellular detail is inserted. A three-dimensional illustration of the cut through the temporal bone accompanies each photomicrograph. The atlas fills a major gap in the literature of otology.

By Frederick H. Linthicum, Jr., MD, *Los Angeles Foundation of Otology*; and Jorge Schwartzman, MD, *Buenos Aires, Argentina*.

88 pages 112 illustrations on 36 full colour plates. February 1974. £10.70.

Ingelfinger *et al.*:

CONTROVERSY IN INTERNAL MEDICINE II

This book presents a collection of 31 contemporary controversies, a stimulating mixture of socioeconomic, scientific and "bread-and-butter" disputes. 30 of these 31 topics are examined from at least two viewpoints; one topic is covered by only one discussion since its alternative has not attracted an exponent. Comments by one of the editors follows each topic.

Edited by Franz J. Ingelfinger, MD, *Editor, The New England Journal of Medicine*; Richard V. Ebert, MD, *Professor and Chairman of the Department of Medicine, University of Minnesota Medical School*; Maxwell Finland, MD, *George Richards Minot Professor of Medicine, Emeritus, Harvard Medical School*; and Arnold S. Relman, *Frank Wister Thomas Professor of Medicine, University of Pennsylvania School of Medicine*. 89 Contributors.

338 pages 59 Electron Micrographs on 3 plates; 398 illustrations on 22 Colour plates; 23 Synthetics diagrams on 22 plates May 1974. £5.25

Poznanski:

THE HAND IN RADIOLOGIC DIAGNOSIS (Saunders Monographs in Clinical Radiology—4)

Unlike some of the atlases on hand surgery, which are superficial and incomplete, Dr. Poznanski has written a true monograph on the normal variations and abnormalities of the hands that manifest systemic disease. There is no similar book in existence. The hand is a diagnostically useful region. Because of its thinness, films can be obtained without screens, which allows excellent visualization of fine structures. The hand is also remote enough from the body so that it can be radiographed freely without as much concern about radiation doses.

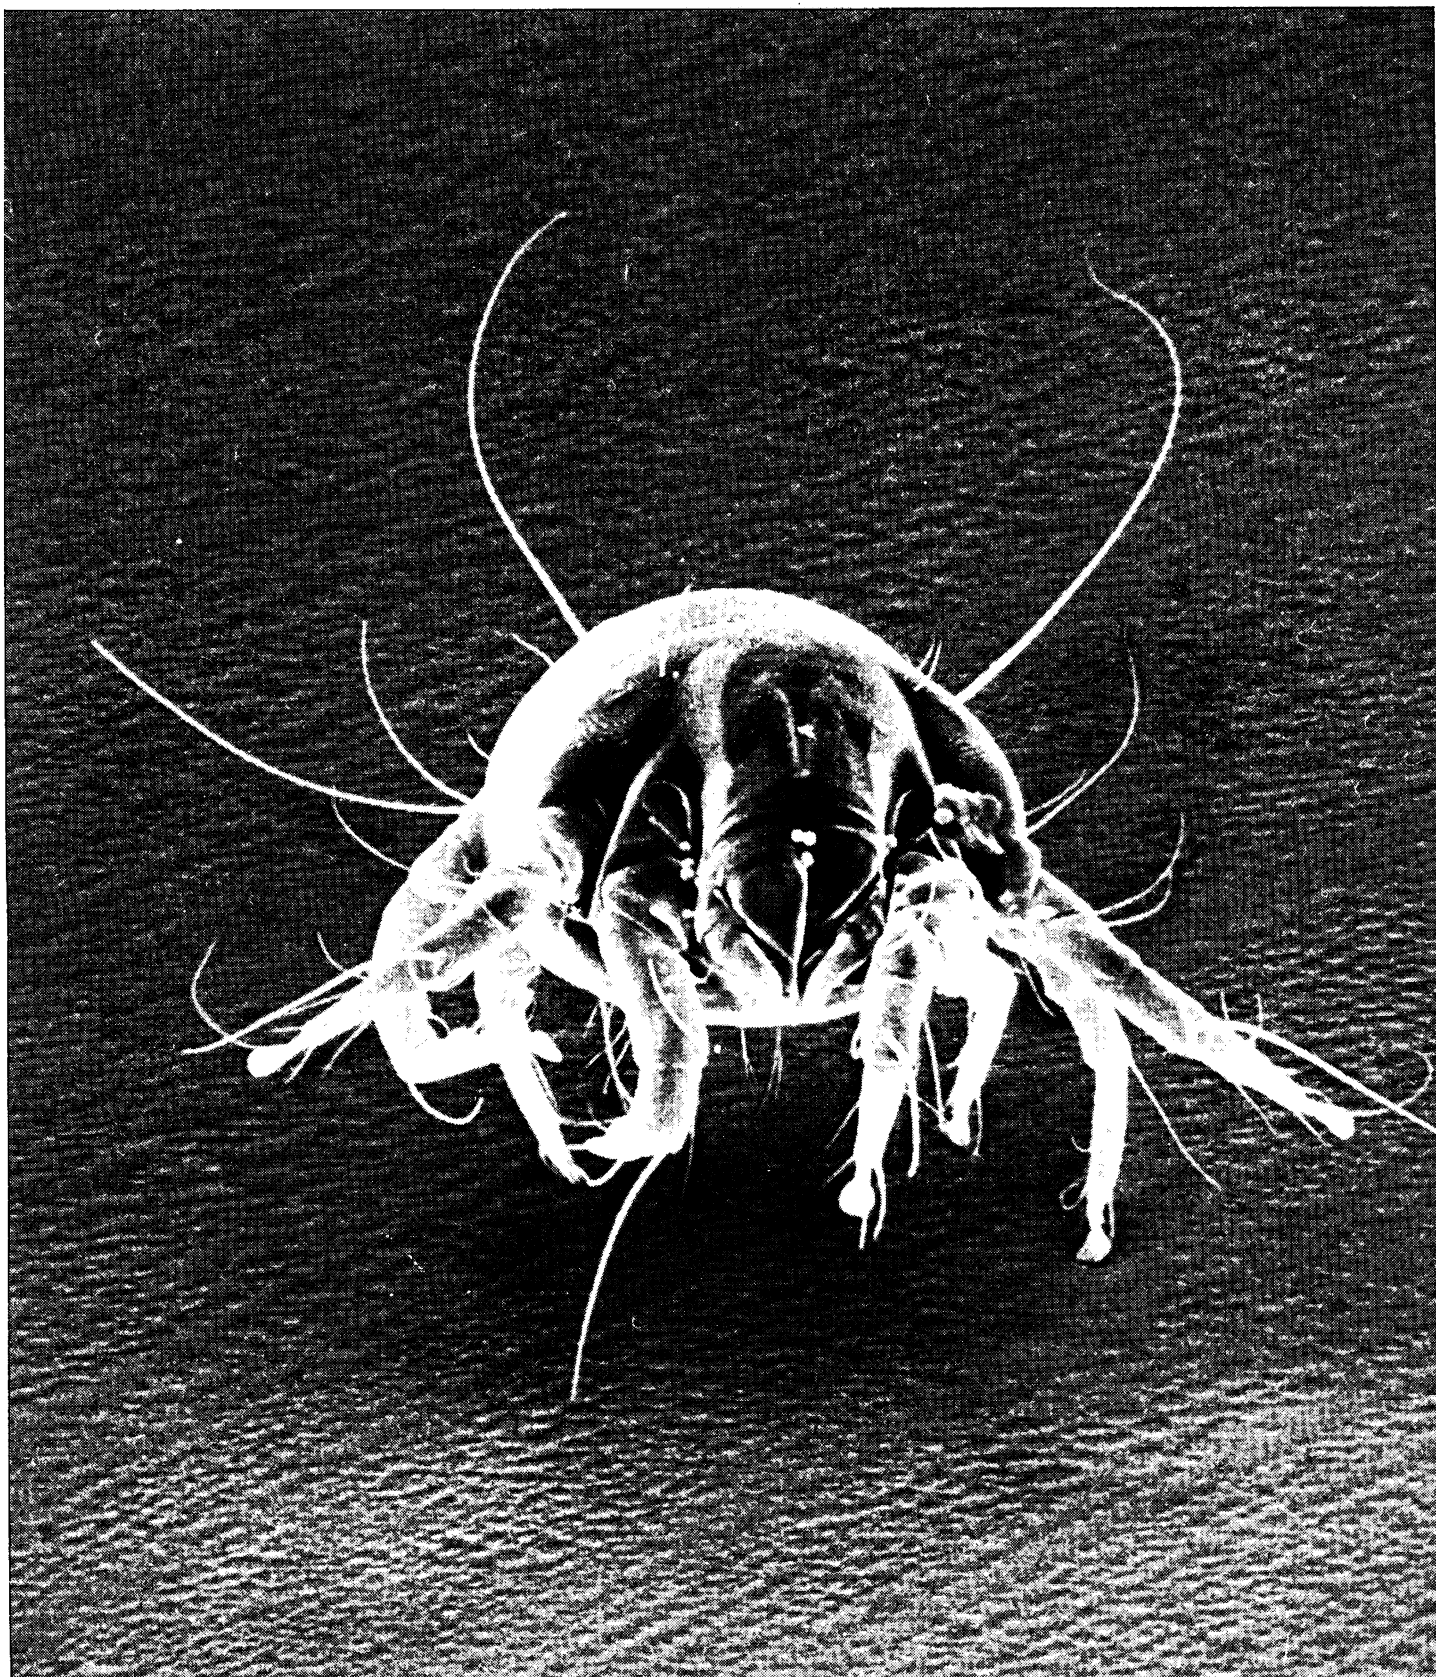

By Andrew K. Poznanski, MD, *Professor of Radiology, The University of Michigan, Ann Arbor*.

One thing you shouldn't

Dermatophagoides pteronyssinus scanning electron micrograph

Migen
asthma immunisation made easy.

sweep under the carpet.

Because, no matter what you do, you can't get rid of *Dermatophagoides pteronyssinus*, the house dust mite, "... the most common cause of allergic asthma in this country". Brit. med. J., (1970), 2, 501.

The mite is an extremely potent allergen. In fact, it has been calculated that the inhalation of mite material in an amount weighing less than one whole live mite would be capable of precipitating an allergic reaction.

In 1698 Floyer in his "Treatise on Asthma" stated that, "all asthmatics are offended by the least dust made by the sweeping of a room, or making of a bed". But it wasn't until 1964 that the significance of this tiny, semi-transparent creature was first appreciated.

Today, although only 0.3 mm. in length, the common house dust mite has been proved to be a major cause of a disease that disables over 300,000 Britons.

"... it is now firmly established that house dust is one of the most important allergic causes of asthma and that the most important allergen of house dust is a minute insect called the house dust mite."

The Asthma Research Council

A Thriving Subculture

Although the mites will live and breed in any house dust they are most often found on the mattresses and pillows of our beds, close to their staple diet - human skin scales. For most people this thriving subculture means little. But for the allergic asthmatic it could mean the difference between a dream and a nightmare.

Avoidance is Impossible

In the home, it is virtually impossible to remove every trace of the mite. The ubiquitous creature exists in beds, carpets, curtains, cushions - anywhere that human beings and domestic dust come together. Even immaculate dwellings produce dust samples rich in live mites, their excreta and dead remains - all potent allergens. This is why the most effective way of controlling house dust mite sensitivity is immunisation.

Migen - for the prevention of Asthma

Migen is a new short course vaccine which immunises against the house dust mite.

So it does not simply treat the symptoms of asthma - it prevents them. Immunisation against the powerful house dust mite allergen can raise the patient's overall level of tolerance. If he is multi-sensitive he may well find that he no longer reacts to contact with other allergens which have previously provoked attacks. And the stress caused by the fear of attack is reduced.

Migen is the first short course treatment that gives you, the family doctor, real control over asthma.

Migen and Simplicity

There was a time when immunisation was both a complicated and lengthy business. Not so with Migen. Just six injections form a course of treatment for asthma and perennial rhinitis. With each syringe pre-filled to ensure easy administration and accurate dosage.

Migen and Safety

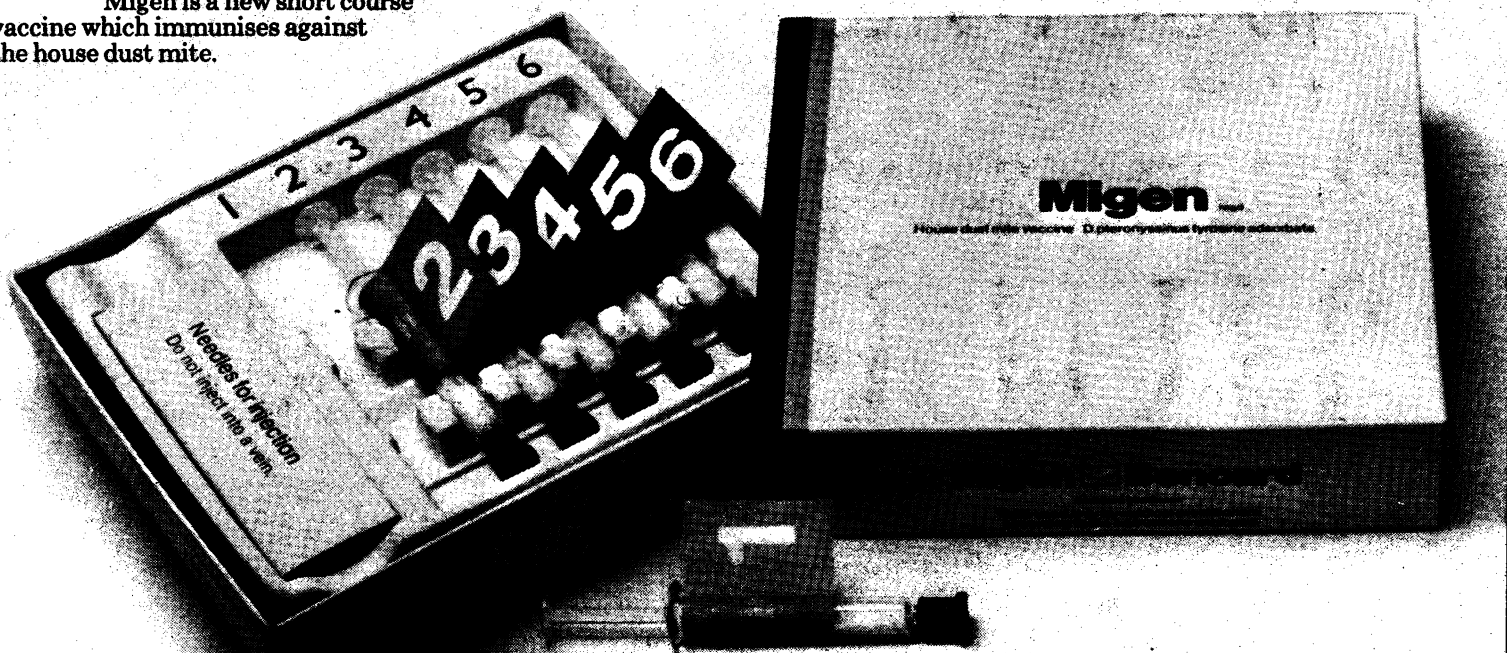

In Migen the active material is adsorbed on to tyrosine - a naturally occurring amino acid which is metabolised in the human body. The active material is therefore released slowly but completely for maximum effectiveness and minimum risk of adverse effects.

Diagnosis

Migen may usually be prescribed on the basis of a careful case history alone. A Diagnostic Aid has been devised to help identify, by case history, those patients who are most suitable for Migen treatment. If the diagnosis is still in doubt after the case study then the Migen Skin Test Kit may be used for confirmation. Both the Diagnostic Aid (which also includes notes for the guidance of patients) and the Skin Test Kit are available on request from Bencard.

Migen

Many products have been advocated for use in the treatment of asthma. Most have drawbacks that you and your patients suffer for the sake of some relief. Now Migen offers you an opportunity to treat the most common form of allergic asthma. From your surgery.

Migen  **Bencard**

Migen is a tyrosine adsorbed vaccine prepared from pure extract of *Dermatophagoides pteronyssinus*. Full information on Migen (regd.) is available on request from Bencard, Freeport, Brentford, TW8 9BE.

Herpid is 5% idoxuridine, an agent effective against DNA viruses, in dimethyl sulphoxide, a penetrating solvent.

Herpid, brushed on to the vesicles by the patient regularly for 4 days, rapidly reduces pain and resolves lesions.

Eradicates pain

Herpid halves the duration of pain (otherwise often severe and long lasting) in most zoster patients. In one series the median

duration of pain was only 3 days.

Less postherpetic neuralgia

Herpid greatly reduces the incidence and severity of postherpetic neuralgia.

Resolves lesions quickly

Herpid cuts the average healing time of lesions by almost a third.

Herpid is most effective when used early in the course of the disease. So consider zoster in any patient presenting with

unilateral root pain and prescribe Herpid.

Doctors in the Australian Army get the best of all worlds

A new life in Australia. With first class passage paid for you and your family. A job waiting—and all the advantages of a service practice.

With extraneous administration taken off your hands, you can really do your job properly. You could be in an R.M.O. unit, field ambulance station or military hospital and there are opportunities for updating medical knowledge and techniques. Then there's the sports and social side, too.

The sort of man we're looking for is preferably under 40—with medical qualifications registerable in the Commonwealth of Australia. He's medically fit—prepared to serve anywhere and is a British subject eligible for permanent residence in Australia. If this sounds like you, this is what we'll do for you.

You'll be appointed to a Short Service Commission for 4 years in the Medical Corps of the Australian Army in the minimum rank of Captain, where your salary would amount to £4,773 per annum after the equivalent of 5 years service. (Your professional experience in England serves to ante-date your period of service). Tax and a refunded retirement benefit will be deducted from this—though your clothing and marriage allowances of £51 and £345 per annum are not taxed. You also receive a bounty of about £1,540.

If this sounds like your sort of life, contact:
Staff Officer 2 Personnel
Australian Army Staff,
2nd Floor, Australia House
Strand, London,
W.C.2.
Telephone:

TUTORIALS IN DIFFERENTIAL DIAGNOSIS

E. R. BECK, J. L. FRANCIS and R. L. SOUHAMI

This exciting new book has made an immediate impact in the few weeks since publication. Unlike the average textbook, it adopts the problem-orientated, case study approach in order to present clinical situations as they are seen in real life. Each case study is developed along the lines of the MRCP (UK) examination. Graphic, exciting, clinically wise and reasonably priced, this is essential reading for every medical student, postgraduate, general practitioner, and anyone who wishes to improve their study of differential diagnosis.

THE BASIS OF CLINICAL DIAGNOSIS

R. A. PARKINS, and G. D. PEGRUM

Approaches the study of clinical diagnosis by stressing the underlying changes in function. Teaches the student to appreciate the disordered function and develops the ability to deduce a diagnosis in a logical manner. An outline of normal structure and function, and the disease processes affecting them is presented for each system in turn, followed by an account of the appropriate investigations, their relative value, reliability, and diagnostic significance. Aimed primarily at the student at the start of the clinical period, and reinforces an integrated approach. Also valuable for recently qualified postgraduates and ECFMG candidates.

twice daily

NAPROSYN

naproxen 250 mg.

**Powerful
in arthritis**

**Kind
to patients**

Courtesy of Westminster Hospital

Naprosyn is a powerful non-steroidal anti-inflammatory agent with analgesic properties, for the treatment of rheumatoid arthritis, osteo-arthritis and ankylosing spondylitis. Naprosyn significantly reduces morning stiffness, relieves painful joints, increases mobility and improves grip strength. Naprosyn is well tolerated.

NAPROSYN round-the-clock action in
rheumatoid and osteo-arthritis

Prescribing Information

Presentation: NAPROSYN (naproxen) is a new and unique non-steroidal anti-inflammatory agent, developed by Syntex Research. It is unrelated to salicylates, the corticosteroid hormones, or to other anti-inflammatory compounds now in use. It is presented as a yellow half-scored tablet containing 250mg of naproxen, inscribed NAPROSYN on one side, and SYNTEX on the other.

Indications: NAPROSYN is indicated for the treatment of rheumatoid arthritis, osteo-arthritis (degenerative arthritis) and ankylosing spondylitis.

NAPROSYN has been shown to have striking anti-inflammatory properties when tested in classical animal test systems. In addition, it has marked analgesic and antipyretic actions. It exhibits its anti-inflammatory effect even in adrenalectomised animals, indicating that its action is not mediated through the pituitary-adrenal axis. It inhibits prostaglandin synthetase, as do other non-steroidal anti-inflammatory agents. As with other agents, however, the exact mechanism of its anti-inflammatory action is not known.

Dosage and Administration: The recommended starting dose (and usual maintenance dose) of NAPROSYN is 250mg twice daily, usually given with the morning meal and about 12 hours later. Dosage adjustment within the range of 375mg to 750mg daily, maintaining twice-daily administration, may be required for long-term maintenance.

As safety and efficacy studies in children are not yet complete, the product is currently not recommended for use in children under 16 years of age.

Contra-indications: There are no known absolute contra-indications.

Special Precautions and Warnings: NAPROSYN has been found to be well tolerated by patients exhibiting dyspepsia with other similar agents. Nonetheless episodes of gastro-intestinal bleeding have been reported in patients with NAPROSYN therapy. NAPROSYN should be given under close supervision to patients with a history of gastro-intestinal disease.

Due to the high plasma protein binding of NAPROSYN patients simultaneously receiving hyalantoinis, anti-coagulants or a highly protein-bound sulphonamide should be observed for signs of overdosage.

Occasional skin rashes and angio-oedema have been reported. Patients who have exhibited aspirin hypersensitivity in the past (usually as the angio-oedema/asthma

syndrome) may exhibit the same phenomenon on NAPROSYN. The following additional occurrences have been reported with NAPROSYN but a causal relationship to NAPROSYN has not been established: abdominal discomfort, epigastric distress, headache, inability to concentrate, insomnia, thrombocytopenia, tinnitus, vertigo.

Sporadic abnormalities in laboratory tests (e.g. liver function tests) have occurred in patients on NAPROSYN therapy but no definite trend was seen in any test indicating toxicity.

Teratology studies in rats and rabbits, at dose levels equivalent on a human multiple basis to those which have produced foetal abnormality with certain other non-steroidal anti-inflammatory agents, e.g. aspirin, have not produced evidence of foetal damage with NAPROSYN. As with other drugs of this type NAPROSYN produces delay in parturition in animals. The relevance of this finding to human patients is unknown. However, good medical practice indicates minimal drug usage in pregnancy, and use of this class of therapeutic agents requires cautious balancing of possible benefits against potential risks to the mother and foetus.

Overdosage: Should a patient ingest a large number of NAPROSYN tablets accidentally or purposefully, the stomach may be emptied and usual supportive measures employed. Animal studies indicate that the prompt administration of activated charcoal in adequate amounts would tend to reduce markedly the absorption of the drug.

Pharmaceutical Precautions: Protect from light.

Legal Category: To be supplied on prescription only.

Package Quantities: NAPROSYN is supplied in canisters of 250 tablets. (N.H.S. Price £17.50).

Further information. In addition to the excellent therapeutic efficacy demonstrated by NAPROSYN in comparative clinical trials, good tolerance has been demonstrated, even in patients exhibiting multiple intolerance to other commonly used non-steroidal anti-inflammatory agents.

Product Licence Number PL/0286/0031B (NAPROSYN is a registered trade mark).

Product Licence Holder: Syntex Pharmaceuticals Limited, St. Ives House, Maidenhead, Berkshire. Technical literature, symposia proceedings and full bibliography are available on request.

Merck Sharp & Dohme Limited
Hoddesdon, Hertfordshire

Before you prescribe another bronchodilator, read this.

Asthmatic attacks in older patients can be serious.

They may damage lung tissue and affect the ability to expel pus and phlegm. This can lead to chronic infection.

Bronchodilator aerosols help, but usually only when much of the damage has been done.

Often they don't get through to the affected areas and succeed only in hyperventilating unaffected areas.

The patient may panic, overdose, and this may result in cardiac stimulation.

Only Intal prevents the attack and eliminates these problems.

With Intal, there is no danger of side effects, no risk of misuse and no diminution of therapeutic effect.

Put them on Intal.
Give them a fighting chance.

FENOPRON

BRITISH MEDICAL JOURNAL, 8 JUNE 1974

takes the pain out of living with osteo-arthritis

FENOPRON relieves pain and reduces joint inflammation. It thus encourages mobility, reduces stiffness and helps your patients to lead a more normal, active life. Treatment with FENOPRON not only controls day-to-day pain, but subdues occasional 'flare-ups' or exacerbations. Few patients experience side-effects with FENOPRON, and those which occur are neither serious nor troublesome.¹

FENOPRON will also benefit your patients with rheumatoid arthritis who need consistent reliable pain relief, reasonable improvement of mobility and an easier, less restricted life-style.

Supplied as capsules each containing fenopropfen calcium equivalent to 300mg fenopropfen.

THE UNIVERSITY OF MANCHESTER

DEPARTMENT OF PHARMACOLOGY

MATERIA MEDICA AND THERAPEUTICS

1. M.Sc. (Reproductive Biology)

Applications are invited for registration for this one year course
commencing in October 1974. The course covers the reproductive
physiology and pharmacology of the male and female. Assessment will
be by formal examination at the end of the Lent term and successful
candidates then proceed to a research project. The course is suitable
for students in other biological disciplines beside pharmacology (e.g.
Zoology). Applicants should state if they are able to fund themselves or
will require financial assistance. One advanced course studentship is
available to British subjects who have attained an honours degree (2i)
or better) or expect to attain this in June.

2. M.Sc. (Clinical Pharmacology)

Places are available for registered medical or dental graduates in the
course leading to the degree of M.Sc. by formal examination and
thesis. The course covers the pharmacology of the autonomic nervous
system, pharmacokinetics, biostatistics and the design of clinical
trials. Performance in these subjects is assessed by formal examination
at the end of the Lent term and successful candidates then proceed to
a clinical research project. The course commences on 1st October, 1974
and theses may be submitted from the end of September, 1975. Two
postgraduate training scholarships are available for suitable
candidates.

3. Research Studentships

Applications are invited for an M.R.C. studentship and an S.R.C.
studentship which may lead to the degree of Ph.D. Applicants should
be British subjects and have attained an honours degree (2i)
classification or better) or expect to attain this in June. Applicants
should state their field of interest.

Further information concerning each of the above may be obtained
from the Secretary, Department of Pharmacology, The University,
Manchester, M13 9PT. The closing date is 30th June. 4

Medical Defence Union

Applications are invited from registered medical practitioners for an additional full-time appointment to the medical secretariat in London. The starting salary of the successful applicant will be based on age and experience. There is a favourable superannuation scheme.

Applications stating age, qualifications and experience, together with the names of three referees, should be submitted not later than 30th June, 1974 to:

The Secretary,
Medical Defence Union,
3 Devonshire Place, London W1N 2EA Tel: 01-486 6181

(H19461) 3

F.R.C.S.

Investigations have shown that it is not necessary to take a special course to pass this examination. Postal courses can help in both the Primary and Final.

THE ROYAL COLLEGE OF PHYSICIANS

CONFERENCE ON THE DOCTOR
AS A CLINICAL DECISION MAKER

Friday, 29th November, 1974
The Conference will be held at the College and is intended to present to clinicians the practical application of some simple mathematical concepts to clinical diagnosis and clinical decision making.

Applications to attend should be made not later than the 28th October, 1974. The fee is £6.05 (reduced fee for Fellows and Collegiate Members £5.50). Full details of the programme are available by application.

The morning will start with an introduction to simple probability theory which will explain the various logical processes by which evidence can be assessed and applied to making clinical diagnoses.

Examples of applications to clinical diagnoses will follow with practical demonstrations of a new general programme for analysing diagnostic data.

The afternoon will begin with a description of simple decision theory and the concept of assessing the values (utilities) of the outcomes of decisions. Examples of applications to actual clinical decisions will be presented.

UNIVERSITY OF LONDON

GENERAL PRACTICE TRAINING POSTS

WEST MIDLANDS REGIONAL HEALTH AUTHORITY Central Birmingham, Bromsgrove and Worcester Health Districts

VOCATIONAL TRAINING SCHEME IN GENERAL PRACTICE

Applications are invited for the post of Senior House Officer to commence on 7th July, 1974, in a vocational training scheme for General Practice.

The first period of six months will be spent at the General Hospital, Birmingham, followed by rotations to Bromsgrove General Hospital and Powick Hospital, during which whole period of two years experience in casualty, paediatrics, obstetrics and gynaecology, and psychiatry will be obtained. The third year will be spent in a teaching general practice.

Seminars are held during the hospital years and a half-day release course and visits of interest for intending general practitioners are included in a year spent in the teaching general practice.

Application forms, obtainable on quoting reference GP/40000, from Medical Personnel Office, Queen Elizabeth Hospital, Birmingham B15 2TH, and should be returned by 19th June 1974. (H19736) 21

NORTH OF SCOTLAND POSTGRADUATE MEDICAL EDUCATION COMMITTEE

Vacancies for Trainee General Practitioners are available in the North of Scotland. The undernoted Trainers will be glad to give information regarding their practices.

Dr. G. A. C. Esson, 12 Institution Road, Elgin; Dr. J. A. C. Fisher, Dunvegan, Skye; Dr. G. D. Gormley, Dunbar Street, Lossiemouth; Dr. T. L. Henderson, Health Centre, Grantown-on-Spey; Dr. W. R. N. Sutherland, Medical Centre, Thurso.

Details regarding remuneration and allowances may be had from

The Regional Adviser in General Practice, Postgraduate Medical Education Centre, Raigmore Hospital, Inverness.

(H19532)

EAST SUSSEX AREA HEALTH AUTHORITY

Eastbourne Health District VOCATIONAL TRAINING SCHEME FOR GENERAL PRACTICE

Applications are invited for two-year and three-year schemes commencing on 1st October 1974. There are two vacancies for each scheme. Trainees are appointed to Senior House Officer grade and spend either one or two years in hospital and two periods of six months in General Practice.

The rotation of hospital posts is as follows:— Paediatrics, Geriatrics with Rheumatology, Psychiatry, Accident and Emergency.

Applicants for the two-year course may choose two of these S.H.O. posts.

Weekly half-day release programmes throughout the three years include one year at Sussex University studying Sociology and Human Development, and programmes arranged by the Eastbourne Community Medicine and Social Service Departments. Fortnightly Trainer/Trainee Meetings and a full programme of Postgraduate Meetings are also held.

This is a new Course. Recognition for the M.R.C.G.P. and D.C.H. is being sought in time for the commencement of the course.

Single and married hospital accommodation is available and may be retained during the General Practice periods.

A new district hospital is being built in Eastbourne and is due to be opened in 1975.

Further details of the Course and local facilities in this attractive seaside town, together with application form, from the District Administrator, Avenue House, The Avenue, Eastbourne. (Tel: Eastbourne 21333). Application forms to be returned by 2nd July 1974. (59353) 21

UNIVERSITY OF LIVERPOOL Joint Committee for Regional Postgraduate Medical Education

COMBINED TRAINING PROGRAMME FOR GENERAL PRACTICE WITH OBSTETRICS AND PAEDIATRICS

Applications are invited from registered medical practitioners for a two year rotating training post which includes Obstetrics, Paediatrics, and General Practice starting on 1st September, 1974.

During the two years each doctor will spend six months in Obstetrics, six months in Paediatrics, and two six month periods in two separate group practice settings offered would be of value not only to those intending to enter General Practice, but also to those hoping to specialise, particularly in Obstetrics and Paediatrics.

The Obstetric post will be at Mill Road Maternity Hospital, Liverpool, and the Paediatric post at Alder Hey Children's Hospital, Liverpool. General Practice training will be in two approved teaching group practices. The Obstetric training will qualify a candidate for the D.Obst.R.C.O.G. examination, and the Paediatric training will qualify for the D.C.H. examination. The appointment in Paediatrics allocated to this training scheme is one of the Senior House Officer posts which are advertised in the Paediatric section of this issue. An appropriate day release course is organised. Any candidate who has already spent at least one year post-registration in a hospital appointment would also qualify for the Vocational Training Allowance on entering general practice.

Salaries will be at the appropriate hospital grade and, in the practice year at the appropriate level on the Trainee Practitioners' Scheme, with car allowance.

Applicants wishing to visit the two practices should apply to Dr. J. F. Lowe, Cantril Farm Health Centre, The Withens, Liverpool L28 1NL. Tel: 051-489 9924, or Dr. C. W. Warner, 6 Woolton Street, Liverpool L25, Tel: 051-428 4184.

Application forms are obtainable from the Administrator, Liverpool Area Health Authority (Teaching), Medical Staffing Department, 80 Rodney Street, Liverpool L1 9AP, and should be returned by 15th June 1974. (H19616) 21

COMMERCIAL APPOINTMENTS

MEDICAL ADVISERS. Due to a dramatic increase in activity in the ethical field, an international pharmaceutical organisation with a multi-million pound turnover, is looking for registered medical practitioners interested in a career in the industry. They will join the well established Medical Department of its highly profitable U.K. subsidiary, and be based within twenty miles to the West of London. The Department, which has just doubled its six figure budget, is concerned with a wide range of products and offers the opportunity of either gaining experience across the spectrum of its activities, or of specialising in certain areas. Please send relevant details in confidence to the consultants handling the appointments. Box 306 BMJ 23

DOCTORS ABROAD. Copies of vacancies advertised in the *Journal* can be sent by AIR MAIL: Members rate: minimum cost is £2 for six weeks' supply, which covers up to five separate headings. Non-members rate: £3 minimum for six weeks supply of five headings or less. Additional headings: 50p each for six weeks' supply (for members and non-members). Orders for specific grades cannot be accepted. Payment must be PREPAID and enclosed with application.

SYNTEX

Clinical adviser in a wide range of therapeutic areas

Applications are invited for the post of clinical adviser with this well established British subsidiary of the international Syntex Corporation.

This is a demanding and senior position for a well qualified general physician at the registrar, senior registrar or research fellow level.

The successful applicant will be joining a team of highly qualified doctors whose major responsibility is to collaborate with leading UK clinicians in research projects on new and existing drugs in the fields of dermatology, haematology and a wide range of therapeutic areas.

Applicants should hold a higher medical qualification such as MRCP or MD with an interest in research or in the pharmaceutical industry and will

probably be over 30. The company is located in an attractive part of the Home Counties and there will be opportunities for foreign travel.

The importance of the position will be reflected in the benefits provided. A high starting salary, commensurate with experience and qualifications, will be paid plus valuable fringe benefits including car, non-contributory pension scheme, annual bonus and BUPA membership.

Please write or phone for an application form to:

Alan Jarrett, Personnel Manager,
Syntex Pharmaceuticals Ltd.,
St. Ives House, St. Ives Road,
Maidenhead, Berkshire.
Tel: 0628 28424

UNIVERSITY AND RESEARCH APPOINTMENTS

MEDICAL OFFICER OCCUPATIONAL HEALTH

Following a developmental move within Medical Department, British Petroleum requires a Medical Officer for the Occupational Health Unit at its Research Centre at Sunbury-on-Thames. The appointment offers a stimulating challenge in the short term, and interesting future career development possibilities.

The successful candidate will be a doctor, aged under 40, with an interest in occupational medicine. Possession of D.I.H. would be advantageous; however, Company assistance towards the acquisition of this Diploma can be made available after a period of satisfactory service. Preference will be given to those who have some previous experience in the petroleum, chemical or related industries.

Starting salary will depend on age and experience but is likely to be between £5,000 and £6,000 rising by merit increments to a point substantially above this level. Conditions of employment are excellent and include a non-contributory pension scheme. Help with relocation expenses will be given where necessary.

Please write, giving brief details of age, qualifications and experience, quoting reference AM.794, to: The Manager, Central Recruitment, The British Petroleum Company Limited, Britannic House, Moor Lane, London EC2Y 9BU.

UNIVERSITY AND RESEARCH APPOINTMENTS

FLINDERS UNIVERSITY OF SOUTH AUSTRALIA School of Medicine

The Flinders Medical Centre (an integrated School of Medicine and teaching hospital) is being developed on the University campus. Its first buildings will open this year, and will provide patient services at the end of 1975 with 310 beds, increasing to 710 beds by 1980. The undergraduate medical course started this year with 64 first-year undergraduate students.

Applications are invited from suitably qualified persons for the following positions in the School of Medicine.

PROFESSOR OF CLINICAL PHARMACOLOGY
The professor will be expected to take up duty about March, 1975. In addition to his responsibilities for teaching and research in the School of Medicine, the professor will be responsible for the supervision of pharmaceutical services in the Flinders Medical Centre. If he possesses appropriate medical qualifications, he will also have a direct involvement in patient care.

PROFESSOR OF PATHOLOGY
The professor will be expected to take up duty about February 1975. In addition to his responsibilities for teaching and research in the School of Medicine, the Professor of Pathology will also be responsible for the services in histopathology and morbid anatomy for the Flinders Medical Centre and the region of which it will serve.

ASSOCIATE PROFESSOR OF CLINICAL IMMUNOLOGY
ASSOCIATE PROFESSOR OF HAEMATOLOGY
ASSOCIATE PROFESSOR OF MICROBIOLOGY

It is hoped to make these appointments sufficiently early in 1974 to permit the Associate Professors to be involved in planning and preparation, but they would not take up their duties until about April—June, 1975.

Salaries: Professor: \$A19,102; Associate Professor \$A15,940. Appointees with medical qualifications will also be eligible for clinical loadings to their salaries. Superannuation is on the S.S.U. basis.

Further information about the position, including conditions of appointment and details required of applicants, may be obtained from The Secretary-General, Association of Commonwealth Universities (Apts), 36 Gordon Square, London WC1H 0DF. Applications should be lodged in duplicate, with the Registrar, The Flinders University of South Australia, Bedford Park, South Australia, 5042, by 5th July, 1974. (26821) 25

DALHOUSIE UNIVERSITY Nova Scotia, Canada Department of Anatomy

2 ASSOCIATE OR ASSISTANT PROFESSORS

Applications are invited from persons with a Ph.D. or a professional qualification for the above positions. Duties may include the teaching of Anatomy to Medical, Dental or Paramedical students. An ability to teach gross anatomy and a research interest in the nervous system would be an advantage. Salary (minimum \$15,000) and rank commensurate with experience.

Applications together with curriculum vitae and the names of two referees should be addressed to Dr. D. G. Gwyn, Department of Anatomy, Dalhousie University, Halifax, Nova Scotia, Canada by 20th June, 1974. (H19303) 25

GUY'S HOSPITAL MEDICAL SCHOOL

Applications are invited from medical graduates for the post of

JUNIOR LECTURER OR LECTURER (Full-time or part-time)

in the Department of Physiology. The duties include teaching practical physiology, with man as a subject, and with emphasis on relevance to medicine.

The person appointed will have opportunity to follow his own line of research or to join in with current work. There are excellent facilities for co-operative research with other departments, both academic and clinical. For a recently registered graduate there are good facilities for preparation for the examinations for higher diplomas.

Salary (October 1974 rates, full-time) for Junior Lecturer £2,580-£3,285 and for Lecturer £3,285 and for Lecturer £2,285-£4,896, plus £162 London Allowance and F.S.S.U.

Application forms are obtainable from the Dean, Guy's Hospital Medical School, London Bridge, SE1 9RT and should be returned not later than 1st July 1974. (26867) 25

ST. GEORGE'S HOSPITAL MEDICAL SCHOOL (University of London) Hyde Park Corner London SW1X 7NA

Applications are invited for the post of

LECTURER

IN HISTOPATHOLOGY at St. George's Hospital Medical School. Duties include service work for the Hospitals at Hyde Park Corner and Tooting, participation in the integrated teaching programme at the School and the conducting of research for which material, facilities and time are available. The post offers excellent opportunities for study for the diplomas of the R.C.Path. and the undertaking of a Doctorate thesis. Salary on the Clinical Lecturer's scale according to qualifications and experience.

Applications, giving the names of two referees, should reach The Secretary, Department of Histopathology, from whom further particulars may be obtained, by 24th June, 1974. (H19587) 25

HAMPSHIRE AREA HEALTH AUTHORITY (Teaching) Southampton District Southampton University Medical School

Applications are invited for 12 month (Resident) posts (S.H.O. Grade) in the Accident & Emergency Department at the Southampton District Hospital, connected with Demonstrationships in Anatomy in the University at Southampton Medical School.

These posts have been specifically designed for Doctors intending to take the Primary Fellowship Examination before following a career in Surgery.

The duties in the two Departments have been integrated and the work in the Accident & Emergency Department and the Accident & Acute Orthopaedic wards has been recognized by the Royal College of Surgeons for the necessary six months' experience required for the F.R.C.S.

A course of lectures in Emergency Surgery & Medicine is held and a Day Release course in Basic Sciences is available annually.

The vacancies will be available from 1st August 1974. Application forms are obtainable from the Secretary, Medical Staffing Office, Southampton District Hospitals, 119 Tremona Road, Shirley, Southampton.

Closing date for receipt of completed applications—21st June, 1974. (26985) 25

MEDICAL RESEARCH COUNCIL UNIT OF CLINICAL PHARMACOLOGY University of Oxford Department of Pharmacology, Radcliffe Infirmary, Oxford OX2 6HE

Applications are invited for a full-time appointment to the M.R.C. Clinical Scientific Staff in the M.R.C. Unit of Clinical Pharmacology. The appointment is primarily on M.R.C. research post, but the successful applicant will also be expected to participate in the teaching of clinical pharmacology to students of the Oxford Clinical School and in the clinical service provided for the Oxford Regional Health Authority. The appointee will be expected to undertake research into the development of techniques to monitor the biochemical and pharmacological effects of drugs in patients and to correlate these effects with therapeutic activity.

Applicants must possess the M.R.C.P. A first degree in one of the physiological sciences and research experience would be very helpful, but they are not essential. Of more importance is the ability to apply basic scientific knowledge to the solution of clinical problems, and proven academic ability. The appointment is for three years in the first instance, renewable thereafter. Salary will be commensurate with qualifications and experience (M.R.C. Clinical Scientific Staff Scales and F.S.S.U.). An honorary N.H.S. appointment at the appropriate grade will be negotiated for the successful applicant.

Further information is available from Professor D.G. Grahame-Smith M.R.C. Unit at the University Department of Clinical Pharmacology, Radcliffe Infirmary, Oxford, OX2 6HE, to whom application should be sent with curriculum vitae and names of two referees before 30th June, 1974. (H19671) 25

ST. GEORGE'S HOSPITAL MEDICAL SCHOOL (University of London)

SENIOR LECTURER IN PSYCHIATRY (Honorary Consultant)

Applications are invited for the above post. Clinical work will include responsibility for about 12 beds at the Atkinson Morley's Hospital. The person appointed will be expected to play a major part in the teaching programme and to conduct and supervise research. The Medical School is undergoing considerable expansion during the next few years. Salary range £5085 to £7599 per annum.

Further particulars may be obtained from the Dean of the Medical School, Blackshaw Road, London, S.W.17, to whom applications should be sent by 30th June, 1974.

Applications are also invited to contact Professor A.H. Crisp (Tel: 01-672 1024). (H19715) 25

THE MEDICAL COLLEGE OF ST. BARTHOLOMEW'S HOSPITAL West Smithfield, London EC1A 7BE

Applications are invited for the post of ASSISTANT DIRECTOR (Senior Lecturer)

on the Surgical Professorial Unit, and candidates should have an interest in surgical gastroenterology. This appointment carries honorary hospital consultant status, and the salary will be on the scale £5,085 - £7,599. Applications (12 copies) should be forwarded to the Dean of the Medical College not later than the 8th July, 1974. (H19716) 25

UNIVERSITY OF EDINBURGH Faculty of Medicine

LECTURER IN PSYCHIATRY

Applications are invited for the post of Lecturer in the Department of Psychiatry, tenable from 1st July, 1974. The initial salary will be at a suitable point on the scale £2562-£4866, with provision for superannuation under F.S.S.U.

There are good facilities for biological, epidemiological and psychological research. The lecturer will undertake clinical duties and teaching of medical students, trainee psychiatrists, clinical psychologists and social workers.

Further information may be obtained from Professor H.J. Walton at the Department of Psychiatry, Royal Edinburgh Hospital, Morningside Park, Edinburgh, 10. Further particulars and terms of employment are obtainable from the Secretary to the University of Edinburgh, Old College, South Bridge, Edinburgh, EH8 9YL, to whom applications (6 copies), including the names of two referees, should be sent not later than 30th June, 1974. Please quote reference number 1025. (26988) 25

THE QUEEN'S UNIVERSITY OF BELFAST

LECTURESHIP IN SURGERY

Applications are invited for an appointment as Lecturer in General Surgery tenable in the Department of Surgery, Queen's University of Belfast. The Lectureship is a joint appointment between the University and the Eastern Health and Social Services Board and is tenable from 1st July 1974, or such other date as may be arranged. If suitably qualified the successful applicant will be graded as Consultant, with the University title of Senior Lecturer. The salary is in the range £3,921 to £5,286 but, if graded as Consultant, may rise to a maximum of £7,599 per annum. The successful applicant will be expected to play a full part in the organisation of undergraduate and postgraduate teaching and to initiate and develop research programmes. Applications should be received by 17th June 1974. Further particulars may be obtained from The Personnel Officer, The Queen's University of Belfast, Belfast BT7 1NN, Northern Ireland. (Please quote Ref. 74/BMJ). (27078) 25

THE UNIVERSITY OF MANCHESTER Department of General Practice Manchester Family Practitioner Committee

Applications invited for two additional posts of LECTURER

in the Department of General Practice. The successful candidates will be appointed as Principals providing unrestricted general medical services in the area of the Manchester Family Practitioner Committee. Candidates should have had experience in general practice. It will be an advantage if they have completed a three year training programme for general practice. They will be required to take part in teaching and research. An opportunity will be available to obtain a higher qualification. Salary range p.a.: £2,535-£3,361. F.S.S.U. Further particulars and application forms (returnable by 11th June) from the Registrar, The University, Manchester M13 9PL. Quote ref: 102/74/JMB. (26686) 25

GENERAL PRACTICE TRAINING POSTS

NOTTINGHAMSHIRE AREA HEALTH AUTHORITY (Teaching)

NOTTINGHAM VOCATIONAL TRAINING SCHEME

Applications are invited from Registered Medical Practitioners for further posts in this scheme commencing between August and November, 1974.

Following an initial period in General Practice, two years will be spent in Hospital at S.H.O. level with a choice from General Medicine, Obstetrics and Gynaecology, Paediatrics, Geriatrics, Psychiatry and Accident and Emergency. There will be a further period in general practice to complete a total three years. Opportunities will be available to gain experience in minor specialties.

A three year integrated half day release programme is run in conjunction with the Department of Community Health at Nottingham University. This is attended by Trainers and Trainees in both the Nottingham and Derby Vocational Training Schemes.

The courses are primarily for those who are recently registered, however applications may be considered from those who have suitable post-registration experience and who do not require a three year programme.

The course is recognized for higher qualifications including M.R.C.G.P.

Hospital accommodation will be available.

Letters of application containing full details and curriculum vitae should be addressed to District Administrator, North Nottingham Health District, Administrative Headquarters, Sherwood Hospital, Hucknall Road, Nottingham NG5 1PD together with the names and addresses of two referees by 15th June, 1974.

Full details of the Scheme will be issued on application.

(26813)

21

UNIVERSITY OF IBADAN Nigeria

Applications are invited for the post of
**READER IN PHYSICAL
BIOCHEMISTRY OR MICROBIOLOGICAL
CHEMISTRY**
in the Department of Biochemistry. Applicants should hold a research doctorate and have several years academic experience. Salary: N6,100 p.a. (£1 sterling = N1.47). The British Expatriates Supplement Scheme is unlikely to be applied to this appointment. F.S.S.U. Family passages; various allowances; regular overseas leave. Detailed applications (2 copies) including a curriculum vitae and naming 3 referees, should be sent by air mail, not later than 1st July 1974 to the Registrar, University of Ibadan, Ibadan, Nigeria. Applicants resident in UK should also send 1 copy to Inter-University Council, 90/91 Tottenham Court Road, London W1P 0DT. Further particulars of these appointments may be obtained from either address. (27070)

25

THE UNIVERSITY OF MANCHESTER

LECTURER IN CLINICAL PHARMACOLOGY

Applications invited for this post. The person appointed will have clinical, research and teaching responsibilities in the Department of Medicine at Hope Hospital, Salford and in the Department of Pharmacology, Materia Medica and Therapeutics (Medical School, Stopford Building). He must hold a higher medical qualification and will be granted appropriate N.H.S. grading by the Salford A.H.A. (T). Whilst some preference may be given to candidates with an interest in pharmacokinetics and computer methodology since there is a team already working in this field serious consideration will be given to applicants with other interests in clinical pharmacology. Salary range p.a. £2,535 — £5,361. F.S.S.U. Further particulars and application forms (returnable by 22nd June) from the Registrar, The University, Manchester, M13 9PL. Quote ref: 114/74/JMB.

(26995)

25

UNIVERSITY OF DUBLIN Trinity College

DEPARTMENT OF SURGERY

PROFESSOR OF SURGERY

Applications are invited for the full-time Chair of Surgery. The main Professorial Unit will be based at St. James's Hospital, but the Professor will also have clinical responsibilities in Dr. Steeven's Hospital.

Further particulars concerning this appointment may be obtained from:

Mr. G.H.H. Giltrap, Secretary to the College, West Theatre, Trinity College, Dublin 2.

Completed applications for this post should be received by Friday, 28th June, 1974.

LECTURER CONSULTANT IN SURGERY

A second full-time appointment of a Lecturer in Surgery, who will have consultant status in St. James's and Dr. Steeven's hospitals, will be made with the assistance of the newly appointed Professor.

Candidates who wish to be considered should write to the above address for full particulars.

(H19666) 25

OCCUPATIONAL HEALTH

Senior Medical Officer

National Westminster Bank wish to appoint a Senior Medical Officer, who will be based in the City of London.

The officer will be responsible for providing a medical service necessary for the treatment of any occupational illness or injury, and will also take charge of the handling of medical emergencies and simple dispensary-level treatment covering non-occupational illnesses or injuries.

Organising and instructing those concerned with the Group Medical Service will be a further responsibility, as well as the provision of advice to management on members of staff with health or emotional problems.

Ideally the officer should be aged between 40 and 50, with experience of general practice although this is not essential — an all-rounder rather than a specialist.

Commencing salary will be negotiable according to age and experience but is expected to be around £6,500/7,000 p.a. There will, in addition, be a number of valuable fringe benefits.

Please write to: Mr. G. W. Hargreaves, Personnel Division,
National Westminster Bank Limited,
Drapers Gardens, 12 Throgmorton Avenue,
London EC2P 2ES.

(26940) 24

UNIVERSITY OF LIVERPOOL Department of Medicine

Applications are invited for the post of
LECTURER IN GENERAL PRACTICE
(Special Appointment)

The initial salary will be within the range £2,535 - £4,119 per annum, according to qualifications and experience. General Practitioners who have been "Vocationally trained" will receive an additional payment at the rate of £400 per annum from the N.H.S. Applications, together with the names of three referees, should be received not later than 5th July, 1974, by the Registrar, The University, P.O. Box 147, Liverpool, L69 3BX, from whom further particulars may be obtained. Quote ref RV/BMJ/276053. (27018) 25

UNIVERSITY OF MANCHESTER Departments of Anaesthetics and Social Administration

Applications are invited for
TWO RESEARCH ASSOCIATESHIPS
these appointments are for three-year projects concerned with various aspects of Health Manpower Planning and Postgraduate Medical Education. The intention is to appoint one Research Associate with qualifications in statistics/operational research, and one Research Associate with an appropriate medical and/or social science background. Secretarial help and other facilities will be available. Salary on appropriate Lecturer scale; maximum of range approximately £4,500 p.a. Further particulars and application forms (returnable by 24th June) from the Registrar, The University, Manchester, M13 9PL. Quote ref 113/74/JMB. (26994) 25

UNIVERSITY OF NEWCASTLE UPON TYNE The Medical School and the Newcastle Area Health Authority (Teaching)

Appointment of
LECTURER
in the Department of Child Health.
Applications are invited from registered medical practitioners for the post of Lecturer in the Department of Child Health tenable forthwith. The Lecturer will work under the direction of the Professor of Child Health and will be expected to devote the whole of his time to the work of the department. The Lecturer will share in the teaching of clinical, developmental, community and social paediatrics and will be expected to engage in research for which facilities are available. He will also participate in the clinical work in the Teaching Group of Hospitals. His main clinical responsibilities will be in the Fleming Memorial Hospital. He will also have responsibilities in relation to Community Child Health Services in the City.
The appointment will be made at a suitable point on the Lecturers' Clinical General Grade (£3006 — £4635) or on the Lecturers' Clinical Higher Grade (£4635 — £5271) according to age, qualifications and experience. Membership of F.S.S.U. will be required.
Applications (four copies) giving full details as to age, qualifications and experience, together with the names and addresses of three persons to whom reference may be made, should be lodged with The Registrar, The University Newcastle upon Tyne, NE1 7RU, not later than 28th June 1974. Please quote reference JMB. (26931) 25

26

GRANTS

JAMES SMELLIE FUND

Since its inception the James Smellie Fund has successfully sponsored a series of Senior and Junior Bursaries in Paediatrics. In future the fund will be used for sponsoring lectures in Paediatrics in hospitals. Professor James Smellie and his great contribution to Paediatrics in this country. Any funds not needed for this purpose will be used for Paediatric research at the Institute of Child Health, Birmingham. (H19618)

29

SPECIAL APPOINTMENTS

INTERESTING TEMPORARY assignment.

Each year during the Autumn, Duphar Vaccination teams visit hospitals, schools, industrial premises to administer Influvac (influenza virus vaccine). Each team consists of two S.R.N.s and one Registered Medical Practitioner. The nurses are trained in the use of Jet Injector equipment and are responsible for administering the vaccine and keeping appropriate records. The doctor is responsible for advising on the suitability of subjects for vaccination and to oversee the vaccination session. Since the Vaccination teams visit our clients' premises, considerable travel throughout the U.K. is involved and members of the teams must be prepared to stay away from home for long periods of time. Hotel accommodation is provided and each team uses a Company vehicle to travel in. Applicants must hold a current British driving licence. Remuneration will be at a rate of £80 per week plus £15 per week bonus payable upon satisfactory completion of each full week of service with the Company. Applications are invited from Registered Medical Practitioners who are available between September and December inclusive. The successful applicants will receive adequate instructions before they join a team. Written applications should be addressed to The Medical Adviser, Duphar Laboratories Ltd., Gaters Hill, West End, Southampton, Hants. SP3 3JD. (H19558)

37

DOCTORS ABROAD. Copies of vacancies advertised in the *Journal* can be sent by AIR MAIL: Members rate: minimum cost is £2 for six weeks' supply, which covers up to five separate headings. Non-members rate: £3 minimum for six weeks supply of five headings or less. Additional headings: 50p each for six weeks' supply (for members and non-members). Orders for specific grades cannot be accepted. Payment must be PREPAID and enclosed with application.

ELECTIONS

NOTICE OF BY-ELECTION
GENERAL MEDICAL COUNCIL
MEDICAL ACTS 1956 to 1969

NOTICE IS HEREBY GIVEN that pursuant to the Medical Acts 1956 to 1969 an ELECTION OF ONE MEMBER OF THE GENERAL MEDICAL COUNCIL is about to be held, to fill a vacancy caused by the resignation of one of the members who represent the fully registered medical practitioners resident in ENGLAND AND WALES.

Every fully registered medical practitioner is qualified to be nominated as a candidate.

Each candidate must be nominated by a separate nomination paper.

Every fully registered medical practitioner resident in ENGLAND AND WALES is entitled to take part in nominating ONE candidate.

Every nomination paper must state the name, registered address, and registered qualification or qualifications of the candidate nominated; it must be signed by not fewer than six fully registered medical practitioners resident in ENGLAND AND WALES, as nominating such candidate; and the registered address and registered qualification or qualifications of each one so signing must be appended to his signature. Every nomination paper, accompanied by a declaration in writing signed by the candidate, by post or otherwise, on or before July 12, 1974, addressed to the Registrar of the Council from whom forms of nomination may, on application by post or otherwise, be obtained. Copies of the Electoral Scheme which governs the election may also be obtained from the Registrar.

Every nomination paper in respect of which any of these Regulations has not been complied with, or which is not received by me on or before July 12, 1974, will be invalid.

If more than one person is nominated an electoral roll will be prepared of those fully registered medical practitioners who are qualified by residence on August 9, 1974, to vote in the election. Any other person who becomes fully registered or is fully registered and becomes qualified by residence to vote in the election after that date but before the last day fixed for the return of voting papers will be entitled to obtain a voting paper on application by letter to the Registrar provided that he signs an undertaking that he has not and will not mark more than one voting paper in the election.

HAMPSHIRE
AREA HEALTH AUTHORITY
(Teaching)
Southampton District/Southampton
University Medical School

Applications are invited for 12 month (Resident) posts (S.H.O. Grade) in the Accident & Emergency Department at the Southampton General Hospital combined with Demonstratorship duty in the University at Southampton Medical School. These posts have been specifically designed for Doctors intending to take the Primary Fellowship Examination before following a career in Surgery. The duties in the two Departments have been integrated and the work in the Accident & Emergency Department and the Accident & Acute Orthopaedic wards has been recognized by the Royal College of Surgeons for the necessary six months Casualty experience required for the F.R.C.S.

A Course of lectures in Emergency Surgery & Medicine is held and a Day Release course in Basic Sciences is available annually. The vacancies will be available from 1st August 1974. Application forms are obtainable from the Secretary, Medical Staffing Office, Southampton District Hospitals, 119 Tremor Road, Shirley, Southampton. Closing date for receipt of completed applications - 21st June, 1974. (26986) 51-8

GWENT
AREA HEALTH AUTHORITY
 South Gwent Health District
 Royal Gwent Hospital, Newport, Mon.
 (442 beds)
 Recognized F.R.C.S.

SENIOR HOUSE OFFICER
 required for Accident and Emergency Department. Immediately. Married accommodation available. Resident. The Department is in the charge of a full-time Consultant Surgeon, has five Senior House Officers and all emergency cases are admitted through the Department which is responsible for resuscitation. The Department is equipped with apparatus for cardiac monitoring, positive pressure ventilation, as well as X-ray intensifiers and a Berman F.B. Locator.

The Hospital is the base Hospital for the Group and therefore has a large volume of acute cases in all specialties. It is being extensively redeveloped by a major capital building programme. An intensive care unit is situated at the hospital.

There is a close connection with the teaching hospital in Cardiff, 10 miles to the west, and there is an extensive postgraduate education programme with a very good library. A postgraduate centre is situated at the hospital. The appointment gives ample opportunity to the holder to avail himself of these facilities.

The successful candidate will be expected to be resident on the nights on which he is on first call, which will be on average one night in five.

Apply quoting two referees to the District Administrator, 64 Cardiff Road, Newport, Mon. NPT 2UA. (26456) 51-8

ROTATION SCHEME
FOR SENIOR HOUSE OFFICERS
 in General Surgery, Orthopaedics and Accident and Emergency

Applications are invited for the following posts of Senior House Officer (resident on duty nights) for the period 1st October, 1974 to 30th September, 1975 (and rotating on the 1st April, 1975): 2 posts General Surgery and Orthopaedics at Newsham General Hospital; 1 post Orthopaedics at Broadgreen Hospital (recognized for M.Ch.Orth.); 3 posts Accident and Emergency at Broadgreen Hospital (recognized for F.R.C.S.).

In addition there are two further posts in Accident and Emergency which are not on the rotation scheme and are available for six month appointments: there is also one post on a separate rotation scheme, giving a total establishment of 6 Senior House Officers on a rota covering 24 hours a day, 7 days a week which gives ample time off duty.

Application forms together with details of rota for the Accident and Emergency Department obtainable from the Area Administrator, Medical Staffing Department, 80 Rodney Street, Liverpool L1 9AP, and forms should be returned not later than 15th June, 1974. (H19662) 51-8

LIVERPOOL
AREA HEALTH AUTHORITY
 (Teaching)
 Sefton General Hospital

Applications are invited for two non-resident posts of

SENIOR HOUSE OFFICER
 IN CASUALTY
 for the period 1st October 1974 to 30th September 1975. The holders will each spend six months in orthopaedics and six months in casualty. Apply by 22nd June 1974 on form obtainable from the Area Administrator, Medical Staffing Department, 80 Rodney Street, Liverpool L1 9AP. (H19684) 51-8

APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1969, No. 163).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

In particular, they will find full details of facilities provided in most hospitals in the United Kingdom in the current edition of the *Hospital Gazetteer*. If such details are not included members are advised to consult the Secretary of the B.M.A.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £1,914 per annum for the posts held during the first year; £2,061 per annum for posts held during the second year; £2,208 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,475 per annum x £189(1) x £186(1) — £2,850.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £2,850 per annum x £171(3) x £168(1) — £3,531.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £3,363 per annum x £168(1) x £216(4) — £4,395.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £3,156 per annum x £183(2) x £180(2) x £168(10) £5,562.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £5,085 per annum x £279(8) x £282(1) — £7,599.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rent is appropriate. August, 1973

NEWCASTLE AREA HEALTH AUTHORITY

(Teaching)

SENIOR REGISTRARS IN HAEMATATOLOGY
Three Senior Registrars in Haematology to be appointed in the Newcastle Teaching Area to initiate a rotating scheme. The appointments will be held in the Royal Victoria Infirmary, Newcastle General Hospital and Newcastle Regional Blood Transfusion Service which is situated in the grounds of the General Hospital.

It is intended during the first three years to rotate through these departments, to provide experience in the laboratory and clinical aspects of haematology, including the opportunity to carry out research projects. The Regional Haemophilia Centre is situated in the Royal Victoria Infirmary, operating in conjunction with the Transfusion Service, and this will also be included in the rotation. Candidates should possess M.R.C.P. or Primary M.R.C.P. Path; intending applicants can visit hospitals by arrangement with Dr T. Bird, Dept. of Haematology, Newcastle General Hospital.

Applications, naming three referees, to the Area Personnel Officer, Personnel Division, Newcastle General Hospital, Westgate Road, Newcastle upon Tyne NE4 6BE by 21st June, 1974. (26835) 64-5

OXFORD REGIONAL HEALTH AUTHORITY

Oxfordshire Area Health Authority (Teaching)

SENIOR REGISTRAR IN HAEMATATOLOGY
This is a joint appointment, the first part of which is held at Stoke Mandeville Hospital, Aylesbury, and the second part in the Departments of Haematology of the Oxfordshire Area Health Authority (Teaching). The Stoke Mandeville Laboratory (recognized for M.R.C.P. Path. and Dip. Path.) serves 1,000 special and general beds in Stoke Mandeville and Aylesbury Hospitals. In Oxford the various sections of Haematology provide a Regional, Area and Hospital service to 1,500 beds. Rotational training will be arranged in accordance with the requirements of the Joint Committee for Higher Medical Training. The appointment will be for one year in the first instance, eligible for extension up to four years. Applications may visit Stoke Mandeville Hospital by appointment with the Haematologist.

Applications on forms obtainable from the Medical Staffing Officer, Manor House, Osier Road, Headington, Oxford OX3 9BL should be returned to him by 15th June, quoting reference M37/74. (59152) 64-5

KENT AND CANTERBURY HOSPITAL
Canterbury
(407 beds)

SENIOR HOUSE OFFICER
Combined Post in General and Community Medicine

Applications are invited from those interested in the possibility of a career in community medicine (administrative medicine or epidemiology) for a resident post as Senior House Officer in General Medicine on the Medical Unit, (Dr. D. J. E. Taylor), vacant in June.

In addition to the part-time clinical duties the successful candidate will be involved in research in epidemiology and administrative medicine in the Health Services Research Unit (Director—Professor M. D. Warren) at the University of Kent at Canterbury. The candidate will be given the status of honorary research associate in the University.

This post is intended to provide an introduction to community medicine whilst enabling the successful candidate to gain further experience and training in general medicine. At the end of the period of appointment, further training may be arranged in community medicine over a three to four year period which would include an opportunity to study for the M.Sc. (Social Medicine) at the London School of Hygiene and Tropical Medicine.

Applications giving full particulars of age, qualifications and experience together with names and addresses of two referees to be addressed to the Postgraduate Administrator at the above Hospital as soon as possible. (26707) 67-8

Applications are invited for the post of
RESIDENT SENIOR HOUSE OFFICER
IN MEDICINE/GERIATRICS
at Cymla Hospital, Neath, Glam. (108 beds). Vacant 1st August, 1974.

Duties shared between two Senior House Officers. There are 30 medical beds, mainly dealing with diseases of the chest, and 50 geriatric beds, 30 of which are in a recently commissioned unit. There is out-patient work in both Chest Medicine and Geriatrics. There is not a great deal of emergency night work and consequently the holder of this post is given every encouragement to study for membership examinations. There is a postgraduate medical centre at Neath General Hospital (approximately 2 miles from Cymla Hospital) including a medical library and the successful applicant will be expected to attend.

Married accommodation may be made available.

Applications, stating qualifications, experience and the names and addresses of two referees, should be sent to the District Administrator, Neath Health District, "Garthmor", Old Road, Neath, as soon as possible. (27021) 67-8

Alder Hey Children's Hospital
Royal Liverpool Children's Hospital

Applications are invited for the following resident posts

SENIOR HOUSE OFFICER

for the period 1st September 1974 to 28th February 1975. Application forms may be obtained from the Area Administrator, Medical Staffing Department, 80 Rodney Street, Liverpool, L1 9AP, and should be returned not later than 15th June 1974.

Alder Hey Children's Hospital. There are eleven posts of Senior House Officer which offer wide experience in medical paediatrics and in special departments including accident and emergency. One of the posts is allocated to the vocational Training Scheme for General Practice details of which appear in this issue under General Practice Training Posts. All of the posts are recognized for the Diploma in Child Health. Postgraduate educational facilities include a five month course in Paediatrics and regular weekly conferences.

There are also three posts of Senior House Officer in Paediatric Surgery which offer experience in acute and general paediatric surgery including neonatal surgery. The posts are recognized for the D.C.H. and the F.R.C.S., and postgraduate educational facilities exist for the D.C.H. and the primary F.R.C.S.

Details of all of the posts may be obtained from the Medical Administrator, Alder Hey Children's Hospital, West Derby, Liverpool, L12 2AP.

Application forms may be obtained from the Area Administrator at the address at the end of the advertisement.

Royal Liverpool Children's Hospital. There are seven posts of Senior House Officer and there is a scheme of rotation which provides an opportunity for gaining experience in general paediatrics, paediatric cardiology, paediatric surgery, and casualty. The posts are recognized for the D.C.H. for which postgraduate educational facilities exist.

Application forms may be obtained from the Area Administrator at the address at the head of the advertisement. (H19634) 79-8

MID GLAMORGAN
AREA HEALTH AUTHORITY
Ogwr Health DistrictSENIOR HOUSE OFFICER
IN PSYCHIATRY
(Resident)

Required at Morgannwg Hospital, (1670 beds) comprising of Penyal, Glanrhayd & Paro Hospitals.

The hospital is responsible for extensive in-patient, out-patient and domiciliary services and has a close relationship with Local Authorities within the catchment area of 600,000 in the County of Glamorgan. The hospital has extensive diagnostic facilities including E.E.G. and Psychology Departments, and provides a full range of therapeutic activities. These include a Specialised Therapeutic Clinic utilising various forms of Behaviour Therapy, Psychodrama, Projective Art, etc., with its own Therapeutic Team to which the successful applicant would be seconded for a period to gain experience in these techniques.

The hospital is recognized as a Postgraduate Centre in Psychiatry for which there is a study-day scheme in which the appointee is expected to participate. The post affords excellent opportunities for postgraduate education in psychological medicine necessary for the D.P.D. & M.R.C. Psych. There is also an associated Child and Family Guidance Service. In addition to case conferences there are regular Journal Club Meetings and periodic Weekend Courses for General Practitioners (Hospital brochure and sample programmes sent on request). The hospital is situated in very pleasant surroundings. Married or single accommodation is available.

Applications giving full particulars and the names and addresses of two referees to be submitted to the Personnel Department, Ogwr Health District, Maesteg Road, Tondu, Bridgend. (Tel: Aberkenfig 720121). (26911) 84-8

**NORTH WESTERN
REGIONAL HEALTH AUTHORITY**
Wrightington Hospital
Wigan

LOCUM REGISTRAR IN RHEUMATOLOGY
This post is vacant immediately and will be
available for approximately four months. The
Hospital provides services to the Lancashire
Area and to Wigan and District for
Rheumatology. There are 52 Rheumatology
beds at Wrightington Hospital and out-patient
clinics are held there and in the region. There
is opportunity for study and clinical research.
Previous experience in the specialty is not
essential and the post would provide ideal
short term experience in rheumatology.
Accommodation is available in pleasant rural
surroundings.

On call duties light.
Further information from Dr Cawley,
Wrightington Hospital, Tel: Appley Bridge
2211.

Applications, giving qualifications, details
of post held and registration with the General
Medical Council, together with names of two
referees to the Administrator, Wrightington
Hospital, Wigan WN6 9EP. (59340) 87-6

TRAINING FOR GENERAL PRACTICE (Resident)

The Nottingham hospitals have combined to
offer two Senior House Officer appointments
from 1st August, 1974, each providing a one
year rotational training course designed
primarily, but not exclusively, for doctors
contemplating General Practice.

Successful candidates will be based for six
months in the University Department of
Psychiatry at Mappesley Hospital and during
this period will have day release facilities for
study of E.N.T. work. During the second six
months period they will be based at the
Department of Dermatology at Nottingham
General Hospital with day release study of
Ophthalmology, Geriatrics and Venereology.

In the main specialties concerned appointees
will be required to undertake a service role
including a share in on-call duties. Married
accommodation may be available if required.
Appointments will be under the formal aegis
of the South Nottingham District.

Applications giving full details and naming
two referees, should be forwarded as soon as
possible, but not later than 8th June, 1974 to
the Acting Group Personnel Officer, Harvey
Court, University Hospital, Nottingham.

REPUBLIC OF IRELAND

(See also p. xlviii)

ST JOHN OF GOD SERVICES FOR THE MENTALLY HANDICAPPED IN IRELAND

CLINICAL DIRECTOR (Two Posts)

Applications are invited for the above posts which will be of Consultant status and will include limited facilities for private practice. One position will be based at Saint Raphael's Hospital and Training Centre for the Mentally Handicapped, Celbridge, Co. Kildare, and the other will be based at Saint Mary's Hospital and Training Centre for the Mentally Handicapped, Drumcar, Co. Louth. Saint Raphael's has a bed complement of 400 with Day Services for 80 children. Both Centres are concerned with the Nurse Training School attached to the total Service. A Community Assessment and Clinical Service is carried on and the Clinical Director will also have duties in ancillary Day Care Services.

Candidates must have extensive experience in psychiatry, additional experience in mental handicap, developmental paediatrics and child psychiatry would be an advantage.

Applications together with the names of three referees should be forwarded to The Medical Director, Saint John of God Services for the Mentally Handicapped, Saint Augustine's, Blackrock, Co. Dublin, before the 17th June, 1974.

Conditions of appointment and further details may be obtained from the Medical Director. (H19675) 117

COMMUNITY MEDICINE

ST. HELENS & KNOWSLEY AREA HEALTH AUTHORITY

Specialist in Community Medicine Social Services

The St. Helens & Knowsley Area Health Authority invites applications for the post from suitably qualified medical staff within the recently merged Health Services. Candidates must have previous experience of administrative medical work at a senior level.

The Area has a population of 380,000 and is of mixed residential, industrial and rural character lying between the Liverpool boundary and the M6 motorway. It is a single-district Area for Health Service purposes, but comprises two Local Government Metropolitan Districts.

Salary scale: £5,085 - £7,599.

The Area Medical Officer, Dr. J. Packer, will be pleased to provide further information. Telephone: No. St. Helens 33531.

Job description and application form available from the Area Personnel Officer, Area Health Offices, Cowley Hill Lane, St. Helens, Closing Date: 24th June 1974.

(26947)

110

National Health Service Reorganisation

Cornwall Area Health Authority

Area Specialist In Community Medicine (Social Services)

Salary: £5,085 x £279(8) — £7,317 x £282(1) — £7,599.

Applications for the above appointment are invited from officers serving in the merging Health Services in England and Wales.

Applicants should be registered medical practitioners with broad experienced of administrative medical work in a senior level employed on the provision of health services by local health or education authorities, or in the public health services of local authorities, or in the national health service hospital service.

Cornwall is a single district Area with a population of 383,000 with both the Area Health Authority and County Services based in Truro. There is a high proportion of the elderly with excellent prospects of increasing liaison with the Social Services Department. The duties of the post will include aspects of the care of the Physically Handicapped, Mentally Ill and Mentally Handicapped, Maternity Services and Family Planning.

Requests for application form, job description and further particulars should be made in writing to the Secretary, Appointments Unit (South Western Region), Room 112, 38 Victoria Street, Bristol BS1 6DD.

The closing date for completed applications is not later than Friday, 28th June, 1974.

(26816-110)

OVERSEA

Attention is drawn to the importance of detailed careful consideration to the terms of any contract, especially as terms and conditions of service may differ markedly in different areas. 'Notes on Contracts Overseas' may be obtained on application to the Secretary.

Before any contract is signed it is advisable to obtain full details of remuneration and of terms and conditions of service and information about local conditions. These may often be obtained from the local B.M.A. Branch or affiliated Medical Association whose address may also be obtained on application to the Secretary.

GOVERNMENTAL

Medical Advisers

for the Employment Medical Advisory Service

£5,332 to £6,968.

There are a number of vacancies in the Employment Medical Advisory Service, a division of the Department of Employment. The appointments which are full or part-time, are in areas based in or near the following:

FULL-TIME ADVISERS

Birmingham, Letchworth, Manchester, Stoke-on-Trent, Taunton, South Wales

PART-TIME ADVISER

Birmingham (20 hours)

Vacancies may arise in other areas.

An Adviser's duties include investigations and formal surveys, advising about working conditions, and medical supervision of young people who are not fully fit for employment and of people undergoing training or rehabilitation. This is very wide-ranging work of growing importance. It takes an Adviser into many different work-places, particularly factories, and requires him to give advice on occupational medicine to workers (and their representatives) and employers, as well as maintaining liaison with medical practitioners on the medical aspects of their patients' work.

So far as is geographically possible Advisers will work in groups and nurses have been appointed to some groups. Clerical and supporting staff are provided. Laboratory facilities either through the NHS or the EMAS Central Reference Laboratory are available. Statistical assistance is also available.

Applicants (men or women) must be fully registered medical practitioners in the United Kingdom. Experience in Industrial medicine or in allied subjects, such as toxicology, pulmonary physiology, rehabilitation or psychiatry, is desirable and the possession of higher qualifications will be an advantage. A current driving licence is essential.

Starting salary within the scale quoted above. For the part-time Advisers the salary will be pro-rata of the full-time Advisers' salary scale. There are good prospects of promotion for full-time Advisers as the Service develops, to posts with salaries of up to £7938 and even beyond. The pension is non-contributory and previous superannuation rights will normally be transferable.

For full details of these posts and an application form (to be returned by 21 of June 1974) write to the Civil Service Commission, Alencon Link, Basingstoke, Hants RG21 1JB, or telephone Basingstoke 29222 ext. 500 or London 01-839 1992 (24 hour answering service) quoting S/8652.

Ascension Island

A general Practitioner, with Obstetric/Anaesthetic experience is required for an interesting appointment on this equable South Atlantic island, which has a population of some 1,500 expatriots.

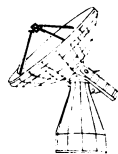

- ☐ Tax free emoluments are approximately £4,800 per annum.
- ☐ Free air passages, fully furnished accommodation for self and family, and a car for business purposes.
- ☐ Sports and social facilities.
- ☐ Contract for one year, from September 1974, with the possibility of mutually convenient extension.

Apply in writing, giving personal particulars and details of qualifications and experience to:

Nicholas

Top flight prescription marketing man

Nicholas International Limited are about to expand their activities in the field of prescription medicines. This follows a conscious decision taken five years' ago to concentrate their research activities in this direction and they now have several products coming up to marketing stage. These products have originated from three sources:

1. Their own research activities.
2. Their partner in collaborative research.
3. A vigorous licensing programme.

The group is now seeking a top flight marketing man, who is experienced in marketing prescription products, to establish and co-ordinate marketing plans for most of the countries of the world. He will be located at the Group's Head Office in Melbourne and will report to the Vice President, Marketing and Commercial Development.

Ideally the man will be in his thirties with a qualification in medicine or pharmacy. He will already have a notable record of achievement and experience in marketing prescription products preferably in more than one market. Ideally he will also have some ability in languages.

Internal candidates have been considered for this position and one of them will be on our short list.

A substantial salary is envisaged, a motor car will be provided, a good Pension Fund and Profit Sharing Scheme exist.

Applications should be addressed to:
M. J. Hayes, Vice President - Personnel,
Nicholas Industrial Ltd,
225 Bath Road, Slough, Berks.

THE ROYAL NORTH SHORE HOSPITAL OF SYDNEY RESIDENT MEDICAL OFFICERS

Two vacancies exist for Second Year Medical Officers at this Hospital from present time until 13th January, 1975.

Royal North Shore Hospital is a modern 650 bed teaching hospital for the University of Sydney and carries out postgraduate training for all major specialties. The hospital is also undergoing expansion, with a new 650 bed acute ward block due for completion in 1975.

Vacant Resident positions would contain one (ten week) term of Emergency Unit/Casualty and one term in an associated country base hospital. The remaining time would be spent in surgical areas. Successful applicants would be entitled to apply for twelve month position of Senior Resident for 1975.

Salary would be at \$A6,640 p.a. plus overtime (approx. \$1,000).

Applications should be forwarded to undersigned at The Royal North Shore Hospital of Sydney, Pacific Highway, St. Leonards, N.S.W. 2065, Australia. I. R. Vanderfield, General Medical Superintendent. (H19553)

ALEXANDER
P.O. Box 32, Castlemaine, Victoria, 3450
AUSTRALIA

SPECIALIST GERIATRICIAN

Qualified Medical Practitioners with appropriate senior qualifications are invited to apply for appointment to the senior medical position of Specialist Geriatrician at this 344 bed public Geriatric Hospital serving a regional population of 57,000 in the North Central Highland District of Victoria.

The current programme embraces substantial development in the rehabilitation and domiciliary field. A further 100 bed wing should be completed by mid 1976 to be followed by a Rehabilitation Centre and a 25 bed short term intensive care hospital.

The appointee will have every opportunity to contribute to these developments and will be required to undertake:

- 1 Assessment, rehabilitation and care of long and short stay patients.
- 2 Research on problems of the ageing in the community.
- 3 Development of Day Hospital and Domiciliary Care Services.
- 4 Establishment of an association with a University Faculty of medicine. (Chair of Geriatrics and Gerontology).

The management of the total medical care programme will be vested in the Specialist Geriatrician who will be supported by two full-time Medical Officers and a full range of medical ancillary staff operating from well equipped departments. It is anticipated that a rotating Resident Medical Officer scheme will be initiated. Sessional medical and dental specialists attend Alexander.

The opportunity will be given for paid study leave for orientation purposes at major Australian Geriatric Institutions. Reasonable expenses will be met.

Current salary range extends from A \$330.50 to A \$398.20 per week and conditions of employment include four weeks annual leave, ten public holidays per year, adequate sick leave, six months paid long service leave after 15 years service and the granting of sabbatical leave.

Further detailed information may be obtained from the undersigned to whom applications should be directed. R.C. Johnstone, Administrator. (26902) 118

CANCER INSTITUTE

(PETER MACCALLUM CLINIC)

MELBOURNE — AUSTRALIA

MEDICAL DIRECTOR

As a consequence of the retirement of the present Medical Director in 1975, the Board of the Cancer Institute invites from medical practitioners, applications for the position of Medical Director. Applicants should have proven clinical background and experience in the organisation and administration of medical services.

The Cancer Institute is an independent Corporation established by Act of Parliament, and has developed a single organisation with clinics and laboratories dealing with the causation, prevention, diagnosis and treatment of cancer and allied conditions.

The clinical care of patients includes radiotherapy, chemotherapy, surgery and other forms of treatment. The Institute maintains a close collaboration with the General and Special Hospitals of the Melbourne area.

The present In-patient capacity is 120 beds together with well-developed ancillary services. The basic objectives of the Institute have been systematically implemented, and after periods of rapid expansion and consolidation, a major step in the further development of the Institute has now been taken in that a major building project, which will provide for 260 beds, has started. Approximately 8,000 new patients are referred annually to the Institute.

The Institute, which is a Clinical School of the University of Melbourne, provides undergraduate and postgraduate training in various medical and scientific disciplines associated with cancer.

Full-time salary at present \$A21,336 - \$A24,237 per annum plus allowances. Other conditions of employment include superannuation, long service leave, sick leave and recreational leave. Limited Private Practice is permitted. The retiring age is 65 years. The Medical Director is ex-officio a member of the Board and of its Executive Committee.

It is expected that the successful applicant will take up duties at the end of July 1975, or later by negotiation.

Application forms, conditions of appointment, statement of organisation, activities, staff, removal expenses, and duties and responsibilities may be obtained from Mr G. S. Bolitho, Manager and Secretary, 278 William Street, Melbourne Vic. Australia, 3000.

APPLICATIONS CLOSE ON 16th AUGUST, 1974

Ekombe Hospital, Post Bag 203, Kranskop,
Natal, South Africa. Interviews could be
arranged October/November this year in
London.

THE ROYAL NORTH SHORE HOSPITAL OF SYDNEY STAFF SPECIALIST — ENDOCRINOLOGIST

Applications are invited for the position of Staff Specialist Endocrinologist. The successful applicant will be required to work in an active group with well developed interests in thyroid pituitary and adrenal aspects of the specialty.

Preference will be given to an endocrinologist with special interest in establishing and expanding laboratory and clinical services relating to other aspects of endocrinology, such as diabetes, parathyroid disease or gonadal dysfunction. The successful applicant would be expected to share in the routine clinical services already being undertaken in the department as well as to participate in postgraduate training programmes. The department will be moving into new laboratories during this year and will have its own ward unit when the present building programme is completed in 1975-76. Salary and conditions of employment will be according to the Specialist Medical Officers Award. (Present range is \$A13,574 to \$A18,755 — this scale is at present under negotiation). A limited right of private practice may be granted to the appointee. Further particulars may be obtained from Dr. Ian Hales.

Application forms may be obtained from The Director of Medical Services, The Royal North Shore Hospital of Sydney, St. Leonards, N.S.W. 2065, Australia, and should be completed and returned by 31st July. I. R. Vanderfield, General Medical Superintendent. (H19554) 118

NORTH-WESTERN GENERAL HOSPITAL Tasmania

RESIDENT MEDICAL OFFICERS

Vacancies exist at the North-Western General Hospital, Burnie, Tasmania, for two Resident Medical Officers, Registrars in Tasmania.

This modern and well equipped complex contains 300 beds. The acute division at Burnie (150 beds) would be the site of employment for the successful candidates. This division covers intensive care, gynaecology and obstetrics, surgery, medicine and paediatrics, and is well served by full-time consultants. As well, visiting consultants in other disciplines conduct regular out-patients clinics.

Six further posts will be available in January, 1975.

Salary range: \$7,694 — \$9,298 (besides this salary a regional allowance of up to \$900 is granted by the hospital, according to economic circumstances).

Conditions of service: 5 weeks annual leave following 12 months service and rostering is one night in three and every third weekend.

Accommodation: Well appointed two and three bedroomed units are available for all posts.

Travelling Allowance: Assistance with fares and personal belongings will be negotiated.

Applications are invited from registered Medical Practitioners for the position of Medical Superintendent with the right of private practice at Surat Hospital. Salary classification A \$373.80 per fortnight. Basic furniture for three bedrooms, kitchen, lounge and dining room will be provided if necessary, and the modern house and surgery are provided free together with free fuel, light and power. Surat is situated 50 miles south of Roma, connected by a good bitumen road. The hospital is modern and well equipped. Hospital daily averages of in-patients is 360 and out-patients 67. The private practice had been well established. Main industries are sheep and cattle. Further information is available from Queensland House, London. The successful applicant would be required to travel to Queensland under the Assisted Migrant Scheme, if applicable, operating at that time.

Applications are to contain full details of age, marital status, qualifications, experience, etc., and to be forwarded to Manager, Hospitals Board, P.O. Box 124 Roma Q. 4455. (H19704) 118

ROMA HOSPITALS BOARD

Roma, Queensland
Surat Hospital

MEDICAL SUPERINTENDENT

Applications are invited from registered Medical Practitioners for the position of Medical Superintendent with the right of private practice at Surat Hospital. Salary classification A \$373.80 per fortnight. ROYAL HOBART HOSPITAL Hobart, Tasmania

HAEMATOLOGIST

Applications, closing on the 30th June, 1974, addressed to the General Superintendent, Dr J. M. Sparrow, from whom further particulars may be obtained, are invited from registered medical practitioners with an appropriate higher qualification and laboratory experience in haematology for appointment as Haematologist at the Royal Hobart Hospital. Applicants from United Kingdom or Eire may obtain further particulars from the Agent-General for Tasmania, London.

The appointee will be in charge of the Department of Haematology and Blood Group Serology and although he may have special interests in clinical haematology he must have a wide experience of laboratory haematology appropriate to these responsibilities, which will include the supervision of the haematology training of the pathology registrars. The appointee will also be required to contribute to the teaching of haematology in the University of Tasmania Departments of Pathology (Professor R. A. Rodda) and of Medicine (Professor A. G. Baikie) which has a major interest in haematological disorders. The appointee will be given an appropriate status in the University.

Salary will be in the range \$A13,432 — \$A18,080 depending on the qualifications and experience of the appointee.

Salaries and conditions of service are subject to such changes as may be determined by the appropriate authority, when such matters become subject to general review.

Assistance towards travelling expenses in taking up the appointment will be made. (26904) 118

OVERSEA

SOUTH AFRICA

A large international Mining and Industrial organisation requires the services of a

MEDICAL OFFICER

**£7 000 P.A. NEGOTIABLE
PLUS HOUSE AND MOTOR CAR**

The man appointed to this position will be attached formally to the company's head office in Johannesburg, but will work on secondment at a mine hospital situated in a most attractive rural area.

Candidates for this position must have about five years of experience, preferably in General Practice. Experience in Obstetrics or Anaesthetics would be an advantage, although not essential.

In addition to the salary mentioned above, a spacious, modern house is available and a motor car is supplied. Excellent facilities for Nursery as well as Primary School education are available. The company undertakes to pay fully the Boarding School fees for older children. A bonus of approximately 10% of annual salary is paid and annual leave entitlement is 55 days.

In addition to an excellent climate and very pleasant living conditions, South Africa has a generous taxation system.

Confidential applications giving full particulars should be addressed to

THE SELECTION CONSULTANT,
P.O. Box 61670, Marshalltown, Transvaal.

Interviews with selected candidates will be conducted in London towards the end of June.
