

# BMA

## Specialist Journals on MICROFICHE

Since January 1976 all the BMA Specialist Journals have been published in a microfiche edition simultaneously with the standard paper editions. Overseas subscribers to the microfiche editions will receive microfiches, by AIR MAIL, within days of publication. The availability of the microfiche editions should have great appeal to libraries and other readers far distant from the United Kingdom.

The microfiche produced for the British Medical Association conform to the international standard as laid down by the National Microfilm Association of America. These microfiches are produced by a step and repeat camera with duplicates produced on silver halide film for archival permanence. Each fiche measures 105 mm × 148 mm and can contain up to 98 images filmed at a reduction ratio of 24 × along with an eye readable title for identification. Details of microfiche volume binders are available on request.

The subscription prices for each annual volume on microfiche are as follows:

	<u>Rate for Paper Edition Subscribers</u>		<u>Rate for those NOT subscribing to Paper Edition</u>	
	<b>Inland £</b>	<b>Abroad US \$</b>	<b>Inland £</b>	<b>Abroad US \$</b>
<b><u>Published Monthly</u></b>				
Archives of Disease in Childhood	}	<b>£13·50</b>	<b>£20·25</b>	<b>\$41·00</b>
British Heart Journal				
British Journal of Ophthalmology				
Gut				
Journal of Neurology, Neurosurgery and Psychiatry	}	<b>£14·50</b>	<b>£21·75</b>	<b>\$43·50</b>

<b><u>Published Quarterly</u></b>				
British Journal of Industrial Medicine	}	<b>£6·50</b>	<b>£9·75</b>	<b>\$19·50</b>
British Journal of Preventive and Social Medicine				

The volumes published in 1975 are also available on microfiche at these rates.

Orders for the microfiche editions of the BMA Specialist Journals can be sent to:

The Publisher, BMA House, Tavistock Square, London WC1H 9JR. Readers in the USA can order from: BRITISH MEDICAL JOURNAL, 1172 Commonwealth Avenue, Boston, Mass. 02134, or through any leading subscription agent.

# Be more specific!

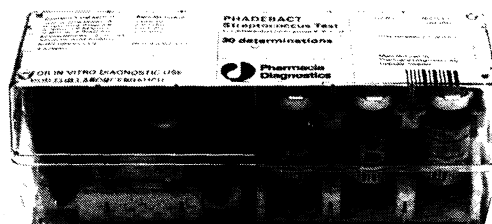

## PHADEBACT STREPTOCOCCUS TEST. The new, rapid, slide technique to identify Lancefield groups A, B, C or G.

It is no longer adequate to classify a streptococcal strain as either "group A" or "not group A". Instead a more specific identification is required. Groups A, B, C and G are the ones which have most often been associated with human streptococcal infections. Therefore the ability to identify these groups in clinical microbiology is highly desirable.

Until recently the methods available for group identification were inconvenient, laborious, time-consuming or complex. These disadvantages were deterrents to group identification.

Phadebact streptococcus test has changed all that. Now you can accurately identify the important streptococcal groups A, B, C and G with a simple, rapid, and convenient method.

Simply add one drop of the broth culture to one drop of each of the Phadebact Streptococcal reagents on a glass slide. Rock the slide and watch for any co-agglutination appearing as a heavy white precipitate within two minutes.

The complete kit is sufficient for at least 30 patient samples and has a shelf life of a minimum of one month after reconstitution.

It's so easy, just try it.

# Septtrin in chest infections

**the antibacterial cover that makes sure**

The chart above shows *in-vitro* sensitivities of a variety of chest organisms, in particular *Strep.* and *H. influenzae*, to four frequently used antibacterials; 96% were shown to be sensitive to Septtrin.

Septtrin\* has a bactericidal action against all likely chest pathogens. Add to this the speed of clinical response and convenient dosage of Septtrin and you have an antibacterial you can rely on for both acute and chronic chest infections.

<sup>1</sup> *Modern Geriatrics* (1975) 5, 11, 21.

Septtrin contains trimethoprim and sulphamethoxazole. Full prescribing information is available on request. Wellcome Medical Division The Wellcome Foundation Ltd., Berkhamsted, Herts

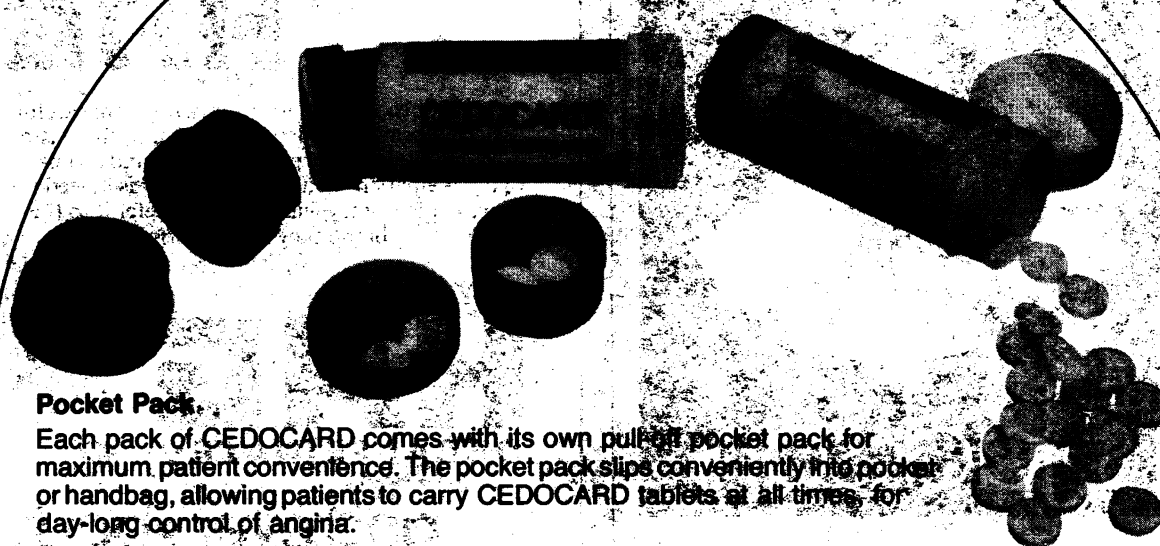

**Wellcome**

# CEDOCARD

ISOSORBIDE DINITRATE

For effective control  
in angina pectoris and long-term  
management of coronary insufficiency.

## Pocket Pack.

Each pack of CEDOCARD comes with its own pull-out pocket pack for maximum patient convenience. The pocket pack slips conveniently into pocket or handbag, allowing patients to carry CEDOCARD tablets at all times, for day-long control of angina.

**CEDOCARD** can be taken either orally or sublingually.

**ORALLY** For prophylaxis, CEDOCARD tablets may be taken orally, when a more prolonged protection is achieved.

The dosage should be 1 or 2 tablets (5-10mg), 3 to 4 times daily.

Activity commences after 15 to 20 minutes and lasts 4 to 6 hours.

**SUBLINGUALLY** For the treatment of acute attacks of angina pectoris, or before exercise likely to promote an anginal attack, CEDOCARD should be taken sublingually.

CEDOCARD tablets dissolve within 20 seconds to give immediate relief which lasts for up to 2 hours (unlike nitroglycerin which is only active for 20 to 30 minutes). Together, the advantages of CEDOCARD permit a dramatic reduction in number, duration and severity of anginal attacks.

**CEDOCARD**, unlike nitroglycerin, is highly stable and does not lose its activity, even over extended periods.

**CEDOCARD** has a prolonged duration of activity because it is only slowly metabolised by the liver.

**CEDOCARD** is highly soluble with a correspondingly rapid onset of action which is both consistent and reliable.

In patients with congestive heart failure, there is evidence<sup>1 2 3</sup> that the vasodilation achieved by CEDOCARD effectively reduces the left ventricular filling pressure (L.V.F.P.), permitting a more effective contraction of the heart in patients who have had an infarct.

For example, isosorbide dinitrate was given orally, at a dosage of 30mg, to 21 patients with myocardial infarction and with an L.V.F.P. of approximately 20mm Hg. A significant decrease of L.V.F.P. was recorded, lasting for 4 to 5 hours.<sup>4</sup>

attack the  
**MIGRAINE**

-not  
Mrs. Jackson

Mrs. Jackson's migraines, while frequent, do not follow an entirely predictable pattern. She dislikes the side-effects of ergotamine treatments: long-term prophylaxis would involve an unacceptable degree of over-medication. Is there an alternative?

2 PINK MIGRALEVE, taken at the first warning, will often completely abort impending Migraine attacks. Residual symptoms, if any occur, can be controlled with Yellow Migraleve. Like most patients, Mrs. Jackson will find such a regime preferable, because Migraleve offers:

- Less medication than with long-term prophylactic treatments
- Economic dosage, taken only as attacks occur
- Proven effectiveness in 79% of attacks<sup>2</sup>
- Considerably less vomiting than with ergotamine<sup>1</sup>
- Proven patient preference<sup>1</sup>

5 good reasons for prescribing

"When caffeine is contra indicated"

**R<sub>x</sub>**  
**HAG**

HAG Coffee in all its forms is made from carefully selected beans, blended and meticulously roasted to give it an unsurpassed flavour and aroma. To put a patient "on to Cafe HAG" is indeed no hardship — they will probably prefer it to the brand they already drink.

SAY

**HAG**  
DECAFFEINATED

and everybody  
will be happy!

in cases of  
INSOMNIA, PALPITATIONS,  
DISORDERS OF THE HEART,  
EXCITABILITY, GASTRITIS,  
PEPTIC ULCER, GALLSTONES,  
AND CERTAIN DISEASES  
OF THE LIVER

\* **THE HAG DECAFFEINATING PROCESS**  
Swelling the green beans by steam pressure enlarges the pores and exposes the maximum surface to a volatile W.H.O. approved caffeine solvent which, flushed through the beans, carries the caffeine away. Final steam flushing removes surplus solvent, and the beans are then roasted in the normal way.

**FREE!**

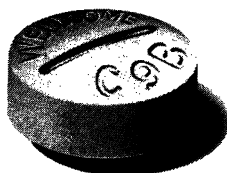

**TEST ITS TASTE FOR YOURSELF**  
Send a postcard now for a supply of HAG ground coffee and copies of "Some Notes on the Pharmacology of Caffeine" by V. C. Medvei, CBE, FRCP and Wolf Muller-Limmroth's famous monogram "Physiological, pharmacological and clinical actions of coffee" to:

## The powerful one

Because DF 118 is a powerful analgesic it works well in small doses, leaves your patient alert and allows him to go about his everyday tasks normally, without the need for follow-ups until a repeat is necessary.

Transfer a chronic patient to DF 118 and notice how dramatically you reduce his analgesic intake. The effective dose, once established, will remain steady and any concomitant therapy is simpler for him to control.

Acute patients, too, benefit from DF 118 since the fully active oral route lessens the need for injections. For patients who cannot swallow tablets Elixir DF 118 offers an alternative form with greater flexibility of dosage.

Low dosage leads to low cost and the basic cost of 28 tablets (an average week's supply) is only 37 1/2p.

Each DF 118 tablet contains Dihydrocodeine tartrate BP 30mg.

Each 5 ml Elixir DF 118 contains Dihydrocodeine tartrate BP 10mg.

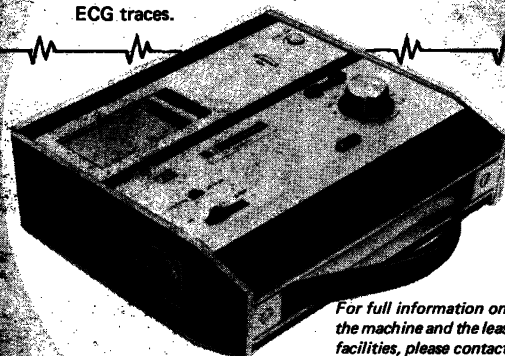

**DF 118 subdues the pain,  
but not the patient.**

# ST. ANDREW'S HOSPITAL NORTHAMPTON

## THE FOREMOST PRIVATE PSYCHIATRIC HOSPITAL IN BRITAIN

ST. ANDREW'S HOSPITAL, which was established in 1838 as a non-profit making charitable foundation, is a progressive hospital staffed and equipped for the treatment of every type of psychiatric illness.

**SHORT STAY** patients are, in general, admitted to Isham House, a modern and luxurious Nursing Home within the grounds. The accommodation consists of private bedrooms, most of which have private bathrooms. All forms of treatment are available, with emphasis on individual and group psychotherapy.

**PSYCHO-GERIATRIC** patients are admitted to "The Harper Unit" in the main hospital, which has recently been opened. This unit, which has both private rooms and cubicle accommodation, has been completely reconstructed and adapted specifically to provide a high standard of care and privacy and the ratio of nurses to patients is generous.

**LONG STAY** patients are admitted to a separate part of the main hospital, which has also been completely modernised.

All patients are under the care of full-time Consultant Psychiatrists.

**FACILITIES AND AMENITIES** for occupational therapy and recreation are excellent, and include a 9-hole golf course, squash court, tennis courts, heated indoor swimming pool and a Social Centre with restaurant, shop and hairdressing salon. All these are set in the hospital's own 100 acres of attractive well-wooded grounds.

Northampton is about one hour's journey from London, either by train or on the M.1 motorway, and is easily accessible from all parts of the country.

Subscribers to the main private patient schemes may claim benefit in accordance with the rules of these schemes.

Further particulars, including fees, may be obtained from the Medical Director, St. Andrew's Hospital, Northampton (Tel: 0604-21311) who can be seen in consultation by appointment at the hospital, or at 152, Harley Street, London W1.

## "BY GIVING MORE WORK TO MY NURSES YOU'LL HAVE MORE TIME FOR YOUR PATIENTS"

WINIFRED SMALLEY, SRN, SCM.

Medical practice these days means a very heavy workload.

A workload which, in a number of cases, you can share.

Often your patients will need constant attention of a routine nature.

And it's in cases like this that BNA, Britain's largest nursing agency, can help.

By recommending that they hire a qualified nurse from BNA you can be sure that they're getting skilled professional attention.

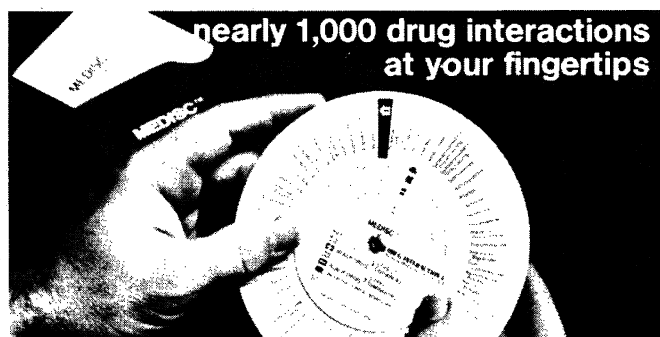

Attention, that in many cases, can be covered by BUPA or other private insurance schemes.

The BNA service is available nationwide 24 hours a day, through our network of 26 branches.

For more information phone your local BNA branch, (see Yellow Pages) or contact:

**BNA**  
British Nursing Association  
LET US CARE  
FOR YOU.

## EDUCATIONAL

### BRITISH POSTGRADUATE MEDICAL FEDERATION (University of London) ENDOCRINOLOGY

The eighth annual postgraduate course in endocrinology, designed for consultants and senior registrars with experience in the field, will be held from 25th April to 13th May, 1977. The first week will be spent at the Royal Postgraduate Medical School, and the remaining two weeks based on units in a number of London Hospitals. Fee: £135.00 (which includes all catering charges). Closing date for applications 28th January, 1977.

### GASTROENTEROLOGY

The annual one-week course in gastroenterology, designed for registrars and others, and intended as an introduction to the field of gastroenterology will be held from 14th to 18th March, 1977. It will be based on the Central Middlesex Hospital, the Royal Free Hospital, and the Royal Postgraduate Medical School. Fee: £35.00. Closing date for applications: 21st January, 1977.

Further details and application forms for both these courses from the Deputy Director, British Postgraduate Medical Federation, 33, Millman Street, London WC1N 3EJ. (27154) 4

### ROYAL SOCIETY OF MEDICINE

1 Wimpole Street, London, W.1.  
Section of Clinical Immunology & Allergy  
'MUSCLE AUTOANTIBODIES  
& ANTIGENS'

Monday 13th December, 1976 at 5.30 p.m.  
Speaker — Dr. A. J. Fairfax, Department of Medicine, The Middlesex Hospital: 'The Antigens of Cardiac Conducting Tissue'. Speaker — Dr. M. M. Esiri, Department of Neuropathology, The Radcliffe Infirmary, Oxford: 'Cellular Autoimmunity to Muscle'. Speaker — Dr. E. J. Holborow, Canadian Red Cross Memorial Hospital, Taplow: 'Autoantibodies to Smooth and Skeletal Muscle'.

Meetings of the Society are open to Fellows and Members of the Section only. Non-members are warmly invited to apply for admission to Mrs. Coley, c/o R.S.M. (H13659) 4

THE TAVISTOCK CLINIC  
in Association with

## The Tavistock Institute of Human Relations Advanced Training in Family Therapy 1977/78

Applications are invited for a multidisciplinary clinical training in family therapy for experienced therapists who are currently engaged in family therapy and have interest in developing their own training schemes.

A 1½ day per week programme will include clinical work with families in the Department for Children and Parents with supervision using video tapes plus theoretical and experiential seminars. There will be opportunities for members to teach in various training events.

There will also be the possibility of a further year's programme involving a commitment of ½ day per week.

**Closing date: 1st February 1977**

Application forms and further details are available from:  
**The Executive Officer (Training) Tavistock Centre, 120 Belsize Lane, London NW3 5BA.**

## M.Sc. SOCIAL MEDICINE

The next course leading to the Higher Degree of Master of Science in Social Medicine of the University of London will start on the 26th September, 1977 and extend whole-time over two calendar years. The Course provides professional training for doctors intending to become Community Medicine Specialists and follow careers in Health-Services Administration or in Teaching and Research. The training has been designed primarily to prepare the graduate for the variety of medical administrative posts in the National Health Service; there is a widespread shortage of university teachers of social medicine which it is hoped that the course will also help to meet.

In the first year of the course an integrated academic training is offered in statistics, epidemiology and information systems; behavioural sciences, social policy and administration (jointly with the London School of Economics); and the theory and practice of the organisation of medical care — all in relation to policies and services for the promotion of health, the prevention and control of disease, health and social care. A wide range of teaching methods is used. During the second year, each student is attached to an academic or service unit and carries out his/her own research in order to gain practical experience in the application of the theory and methods learned in the first year; this second year also provides an opportunity for the student to develop professional and career interests.

The Course and Degree exempt from Part I of the examination for Membership of the Faculty of Community Medicine. The Report on the Second Year project can also be prepared with the requirements of the Membership in mind and, it is hoped, may lead to further personal studies.

"Trainee" appointments, with initial secondment to the Course, can be arranged for successful applicants with Regional and Area Health Authorities. Bursaries may be available in particular cases from the Department of Health and Social Security and others from the Medical Research Council.

Further details and application forms may be obtained from

**the Registrar,  
London School of Hygiene and Tropical  
Medicine,  
Keppel Street (Gower Street),  
London WC1E 7HT,**

to whom applications for admission should be addressed before the end of **February, 1977. Interviewing will begin in January.**

(27149)

Mansfield & Partners, Lomgroff Clinic, Woodmansterne Lane, Banstead, Surrey. Tel: Burgh Heath 59332. 19

**APPLICANTS ARE ADVISED NOT TO send original testimonials when replying to advertisements. Copies will serve the purpose quite as well, and in the event of their being lost or mislaid no inconvenience will ensue.**

## Clinical Evaluation of New Compounds

# Medical Adviser

Beecham Pharmaceuticals, U.K. Division, has a vacancy for a physician to join a small medical team responsible for the early clinical data required for the registration of new pharmaceutical compounds. Duties will include the initiation and follow up of clinical trial evaluation programmes and will require close co-operation with hospital departments, the Company's own Clinical Research Unit and various project teams.

Applicants should have wide experience in the various branches of medicine and an

appreciation of scientific research techniques; previous experience within the pharmaceutical industry is desirable, but not essential.

The successful candidate will be based in the London area.

In addition to an attractive salary, a company car is provided together with other first class fringe benefits.

Please write, giving details of age, qualifications, experience and current salary to:— Mr. J. C. Monks, Personnel Director, Beecham Pharmaceuticals, UK Division, Beecham House, Gt. West Road, Brentford, Middx.

## COMMERCIAL APPOINTMENTS

# Medical Director UK

c.£15,000.

Our Client, a prominent European pharmaceutical Company, expect to make this senior appointment within the next few months.

The new Medical Director will probably be based in the Home Counties, but will report directly to the Company's principal management on the Continent.

First tasks will be to establish a base in the U.K. to pioneer development of novel therapeutic agents through clinical trials and safety evaluation, and to monitor progress once a licence has been granted.

The work will entail close liaison with UK-based commercial operations, but candidates must obviously be competent and prepared to work alone initially.

Some overseas travel, notably in Europe, will be necessary, and a knowledge of Continental languages would be an asset.

Candidates must be British registered medical practitioners with appropriate post-graduate qualifications and an understanding of the high professional responsibility required within the industry.

In addition, a thorough understanding, based

on extensive personal experience, of the needs of an international pharmaceutical organisation including requirements of the Medicine Acts, the Committee on Safety of Medicines (C.S.M.), and international standards — is essential.

Our Client is prepared to negotiate a substantial salary, and rewards will include a car appropriate to the position.

To enquire about this appointment, post your personal card or letterhead, marked "Medical Director UK", in an envelope to J. A. Lewzey at the address below. Applications will be dealt with in strictest confidence at all stages of selection and negotiation.

## OCCUPATIONAL HEALTH

# SENIOR Industrial Medical Officer

A large chemical group in the North-East of England requires a full-time Senior Industrial Medical Officer to take charge of its established medical service. The group has an extensive interest in the field of petrochemical and large scale manufacture, of a wide range of petroleum-based products. Some 14,000 employees are located at its base and the Group has interests elsewhere, both at home and overseas.

The existing medical service, which is totally equipped, has as its role the provision of a full clinical occupational health service, and an advisory service to employees at all levels on the detection and control of chemical hazards.

This is a senior post requiring considerable knowledge and direct experience, together with well-developed interpersonal skills. A higher medical qualification would be an advantage.

Salary and other conditions of employment will reflect the seniority and responsibility of this appointment and are well in accord with B.M.A. recommended scales.

Candidates should apply in the first instance to D. G. Wright, either by letter or by telephone quoting reference No. 368. All applications will be treated in strict confidence and will not be disclosed without the individual's permission.

## Senior Medical Officers

**\*£7,848 – £10,689**

We are seeking to fill the newly created post of **Senior Medical Officer** in the Medical Branch of the Nuclear Health and Safety Department at our Headquarters near St. Pauls, London.

The person appointed will report to the Head of the Branch and will be especially concerned with providing a service to the staff at Board Headquarters and the Research Division comprising laboratories at Leatherhead and Marchwood and the Nuclear Laboratories at Berkeley.

The Branch gives specialist medical advice on radiation protection and on the supervision of radiation workers within the Board; it is also the focal point for the Board's medical services as a whole.

Candidates must be registered Medical Practitioners with recent experience in occupational and clinical medicine, although previous experience in radiation protection is not essential for this post. A London Allowance of £460 is payable as is also a car allowance. There are first class facilities which include a haematology laboratory and a medical centre at Headquarters with a physiotherapy section which is being currently extended to include amenities for the rehabilitation of staff, etc.

Applications stating full relevant details and present salary to the Personnel Officer, Central Electricity Generating Board, Sudbury House, 15 Newgate Street, London EC1A 7AU, by 20 December 1976. Quote Ref. BMJ/94/C.

Applications are invited for the appointment of a **Regional Medical Officer** to the NORTH EASTERN REGION of the Central Electricity Generating Board.

This is a new appointment, and the successful candidate will be responsible to the Regional Personnel Manager for the provision of a comprehensive Occupational Health Service to the Board's staff in the Region, and will be based at the new Regional Headquarters in Harrogate, but is required to work at all management locations in the Region.

The Region employs 10,000 personnel, and is responsible for the generation and high-voltage transmission of electricity in the North East of England. Power is generated from coal, oil and nuclear power plants, and hence provides a variety of potential occupational health care problems.

The Regional Medical Officer will also be responsible for the selection, appointment and training of nurses employed within the Region, and for the organisation and training of first-aiders. He or she will be required to liaise closely with the Safety and Welfare functions of the Region.

Applications stating full relevant details and present salary to the Regional Personnel Manager, Central Electricity Generating Board, North Eastern Region, P.O. Box 177, Merrion Centre, Leeds LS1 1RL by 20 December 1976. Quote Ref. BMJ/740/76.

\*This is the salary range recommended by the BMA for Senior Medical Officers.

Applications, stating age, experience and two names for reference to Sector Administrator. (27293) 25

### THE MIDDLESEX HOSPITAL MEDICAL SCHOOL (University of London) SENIOR LECTURER IN GENERAL PRACTICE

Applications are invited for the recently established post of part-time Senior Lecturer in General Practice within the Department of Community Medicine, sited at Central Middlesex Hospital, London NW10 7NS. The duties of the post will include the development and conduct of teaching and research in General Practice in this Medical School. It is also expected that the Senior Lecturer will engage in active general practice preferably in the Brent-Harrow Area. If necessary, to allow for suitable practice arrangements to be made, the appointed person could be offered a full time salary for a limited period. Applicants should possess a relevant higher qualification, and have had experience in research and in teaching General Practice. The Salary for this part-time appointment will be 6/11ths of the full-time salary, range £7,536 to £10,689 per annum plus £312 per annum. London Allowance. The post is Superannuable.

Applications, including the names and addresses of three referees, should be sent to Professor D.L. Miller, Department of Community Medicine, Central Middlesex Hospital, Acton Lane, London NW10 7NS, by the 31st December, 1976. Further particulars may be obtained from Professor Miller. (26473) 25

### UNIVERSITY OF BRISTOL

Department of Pathology

Applications are invited for the post of

### CONSULTANT SENIOR LECTURER IN PATHOLOGY

(Morbid Anatomy). Salary £7,536 to £10,689 per annum together with superannuation, according to qualifications and experience and the criteria applicable to the N.H.S. Consultant Scale. (In addition a supplement of £312 per annum is payable unless the total remuneration exceeds £8,500 per annum.) The successful candidate may expect to be offered an honorary Consultant contract by the Avon Area Health Authority (Teaching). The Pathology Department is situated mainly in the Modern Medical School buildings alongside the Hospital precinct and is fully equipped for research; the Department also has laboratories in the new building of the Bristol Royal Infirmary. The successful candidate will take part in the autopsy and surgical histopathology work for the teaching hospital group and will be expected to contribute to undergraduate and postgraduate teaching. The candidate will also be expected to develop a research programme related to his field of interest in pathology.

Applications stating age, qualifications and experience should include the names of three referees and reach the Secretary, University of Bristol, Senate House, Bristol BS8 1TH from whom further particulars may be obtained, not later than 21st December, 1976. Please quote reference TLJ. Intending applicants are invited to contact Professor M. A. Epstein, Department of Pathology, University of Bristol Medical School, University Walk, Bristol BS8 1TD. (26945) 25

### UNIVERSITY OF LONDON

Institute of Psychiatry  
LECTURER/SENIOR LECTURER  
IN NEUROPATHOLOGY

Applications are invited for the above post. The Department of Neuropathology provides a diagnostic and consultative service to the Bethlem Royal and Maudsley Hospitals, the Guy's-Maudsley-King's Neurosurgical Unit and to many other hospitals in the region and beyond. Facilities for research in the human or in the animal fields are excellent and collaborative work with other departments or research centres will be encouraged. The successful candidate will be expected to play a part in these various activities as well as in the teaching responsibilities of the department.

Salary scales: Lecturer £4674 — £6954 plus £354 London Weighting; Senior Lecturer £6585 — £9000 plus £354 London Weighting, or £7848 — £11001 plus £354 London Weighting.

Further details from Professor Corsellis, Department of Neuropathology, Tel: 01-703 5411, Ext. 338.

Application forms from the Secretary, Institute of Psychiatry, De Crespigny Park, Denmark Hill, London SE5 8AF quoting ref JANCB/BMJ. Closing date for applications 4th January, 1977. (27155) 25

### UNIVERSITY OF MANCHESTER SENIOR LECTURER IN MEDICINE

Applications are invited for this new post of Senior Lecturer in the Department of Medicine at Hope Hospital, Salford, working with Professor L. A. Turnbull. The person appointed will participate in undergraduate teaching and preference will be given to candidates with particular expertise within the broad field of endocrinology who are able to develop the clinical and research aspects of this subject. Facilities will be provided to encourage this development and include the use of new laboratories and a five day investigation ward and a general medical ward. Honorary Consultant grading in the N.H.S. will be granted to a suitably qualified appointee. Salary range p.a. £7,848 to £11,001. Superannuation.

Further particulars and applications forms (returnable by December 22nd) from the Registrar, The University, Manchester M13 9PL. Quote ref. 194/76/J.M.B. (27202) 25

### UNIVERSITY OF SOUTHAMPTON

Faculty of Medicine

Applications are invited from registered medical practitioners for a new post of

### SENIOR LECTURER IN DERMATOLOGY

The person appointed will be required to undertake clinical teaching and research duties in the field of dermatology. It is intended that a suitable candidate should be offered honorary Consultant status by the Hampshire Area Health Authority (Teaching). Salary £7,536 to £10,689 (4 increments). Superannuation. Initial salary will depend on qualifications and experience.

Further particulars may be obtained from the Administrative Secretary, The University, Southampton SO9 5NH, to whom applications (7 copies from applicants resident in UK and one from others) should be sent not later than 7th January 1977 quoting Ref: J.M.B/16/76/A. (27137) 25

## FELLOWSHIP AWARDS

### THE ROYAL SOCIETY BRUNO MENDEL FELLOWSHIPS

Applications are invited for Bruno Mendel Fellowships for one year from 1st October, 1977, renewable for one and exceptionally two additional years, from postgraduate candidates normally resident in the United Kingdom, The Netherlands or Israel, to carry out research in medicine or the biomedical sciences at a university, medical research centre or medical school. Stipends will normally be at the level of a junior research fellowship appointment in the United Kingdom; additional allowances for travel and superannuation may be provided as appropriate.

Application forms, receivable by 15th January, 1977, and regulations (revised in May 1976) are available from the Executive Secretary, The Royal Society, 6 Carlton House Terrace, London SW1Y 5AG. (25812) 26

### UNIVERSITY OF OXFORD RADCLIFFE TRAVELLING FELLOWSHIP IN MEDICAL SCIENCE 1977

The Radcliffe Travelling Fellowship is held for two years of which the Fellow must spend at least one year abroad engaged in the study of medical science. On the present scale the Fellow will be paid, while abroad, £5,500 plus allowances of £1,500 for a wife, and £500 for each child; these payments will normally not be subject to tax. No payment will be made to the Fellow while he is in this country, but he will be entitled to the common meal at University College. Candidates must have passed all the examinations required by the University for the Degrees of Bachelor of Arts and Bachelor of Medicine of the University of Oxford, and must not have exceeded six years from the time of passing the last examination for the Degree of Bachelor of Medicine. The Fellowship will be vacated ipso facto by a Fellow who spends more than twelve months on the whole within the United Kingdom, but permission may be given to postpone taking up the Fellowship for a period not normally exceeding one year. Candidates will be required to submit an essay of not more than six thousand words on some subject, chosen by themselves, connected with the science or practice of medicine, including pre-clinical subjects. With this essay they should submit a statement indicating the sort of work they would like to do during the tenure of the Fellowship. They may be orally examined. Each intending candidate should send his name and address, qualifications and curriculum vitae, together with the above-mentioned essay and statement to the Regius Professor of Medicine, 13 Norham Gardens, Oxford, OX2 6PS, on or before 31st January, 1977. (H13536) 26

**PEEL MEDICAL RESEARCH TRUST**  
Applications are invited from registered medical practitioners for a Travelling Fellowship. The Fellowship aims to provide 1 year of postgraduate study in medicine or allied subjects at centres abroad. The basic allowance is intended to provide the cost of maintaining the fellow in the country concerned. In addition, there are allowances for travelling and home maintenance in certain circumstances. Candidates should supply full details of the intended study, including the name of the department or centre at which they intend to work, and an assurance of consent from the head of the department concerned. Applicants must be permanently resident in the United Kingdom.

Further particulars and forms of application are available from the Peel Medical Research Trust, 5 New Square, Lincoln's Inn, London WC2A 3RP. Closing date for receipt of applications 17th February, 1977. (H13670) 26

## GRANTS

**PEEL MEDICAL RESEARCH TRUST**  
Applications are invited from registered medical practitioners, or from other persons engaged in medical research, for grants of financial aid towards medical research. Any one grant is not likely to exceed £1,000; the average is £500 which may be repeated for up to 3 years.

Further particulars and forms of application are available from the Peel Medical Research Trust, 5 New Square, Lincoln's Inn, London WC2A 3RP. Closing date for receipt of applications 17th February, 1977. (H13671) 29

**UNIVERSITY OF LONDON**  
(British Postgraduate Medical Federation)  
A prize of £200 will be awarded annually to a present or past postgraduate student or member of the staffs of the Institute of Neurology and the National Hospitals for Nervous Diseases, not holding Consultant status at the time of submission, who presents the best entry describing work, a large part of which was carried out in the Institute or Hospitals.

For conditions of the award apply to the Dean, Institute of Neurology, The National Hospital, Queen Square, WC1N 3BG. Closing date for entries 1st April, 1977. (27237) 29

required for the Lewisham Health District, based at Lewisham Hospital from 18th December, to 31st December, 1976. The post is resident.

Applications in writing together with names and addresses of two referees to the Medical Staffing Officer, Lewisham Hospital, High Street, London SE13 6LH. (33057) 51-8

# APPOINTMENTS

Applicants for medical appointments are advised to check whether the post advertised is included in the Important Notice and to scrutinize carefully the remuneration and terms of service offered. Any member who is in doubt about these terms in relation to B.M.A. agreements should consult the Secretary of the Association.

Advertisers are reminded that the Race Relations Board insists that no descriptive term implying racial, national, or ethnic characteristics may be used in any advertisement. Further, readers are advised not to apply for any appointment which discriminates between applicants on grounds of creed or unreasonably on grounds of sex.

# HOSPITAL APPOINTMENTS

Applicants should state names, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1974, No. 361).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

In particular, they will find full details of facilities provided in most hospitals in the United Kingdom in the current edition of the Hospital Gazetteer. If such details are not included members are advised to consult the Secretary of the B.M.A.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

Advertisements for post-registration house officers, senior house officers and registrars should state clearly whether the post is resident, i.e. compulsorily resident.

In all advertisements grade should be clearly indicated. Normally a consultant vacancy must be advertised as (a) part-time with the number of sessions clearly stated, or (b) whole-time with the option of maximum part-time.

In the view of the B.M.A., an advertiser should not insist on possession of English higher qualifications in preference to Scottish or Irish qualifications (or vice versa).

# SALARY SCALES OF HOSPITAL MEDICAL STAFF

+ HOUSE OFFICER: Each post in this grade shall be tenable for six months. £2,859 per annum for the posts held during the first year; £3,075 per annum for posts held during the second year; £3,294 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.  
+ SENIOR HOUSE OFFICER: £3,683 per annum x £243(1) — £3,906 x £246(1) — £4,152.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

**GLASGOW HOMOEOPATHIC HOSPITAL**  
1,000 Great Western Road, Glasgow G12 0NR  
**SENIOR HOUSE OFFICER**  
(Resident or Non-resident) This small acute hospital offers experience in general medicine and surgery under the supervision of Consultant Physicians. This post gives an opportunity to a doctor wishing to learn something of the homoeopathic approach and method of prescribing in the wards and Out-Patient Clinics. An interest in homoeopathy is essential. A knowledge of some homoeopathic remedies would be helpful but is not essential. A full range of orthodox investigations and treatment is also used. Two Clinics dealing with Allergy and Rheumatoid Arthritis have been set up and research is currently being carried out on these problems. We have a good library and postgraduate facilities. Consideration will be given to applicants who wish to be employed on a locum basis. Terminating employment on 31st January, 1977. Single resident accommodation only available. Terms and conditions of Service for Hospital Medical and Dental Staff (Scotland).  
Applications with names and addresses of two referees to the Medical Superintendent, Glasgow Homoeopathic Hospital, 1,000 Great Western Road, Glasgow, G12 0NR. (27308) 67-8

**MICROBIOLOGY****GWYNEDD HEALTH AUTHORITY  
CONSULTANT MEDICAL  
MICROBIOLOGIST**

(Whole-time/Maximum Part-time appointment)  
 Applications are invited for this newly established  
 post based in Bangor, North Wales, at the Area  
 Pathology laboratory which serves the whole of the  
 Gwynedd population of 220,000 which rises to  
 700,000 in the Summer months. The successful  
 candidate will be required to organise and develop  
 the Microbiology Service in the Area Laboratory  
 and at two supporting Laboratories at St. David's  
 Hospital, Bangor and the General Hospital,  
 Llandudno. He will also be required to take part in a  
 Postgraduate teaching programme based in the  
 University college of North Wales, Bangor. The  
 Area Laboratory has in post three Consultant  
 Pathologists and a top grade Bio-Chemist.  
 Further particulars and application forms are  
 available from the Area Personnel Officer,  
 Gwynedd Area Health Authority, Area Offices,  
 Coed Mawr, Bangor, Gwynedd LL57 4TP. Tel:  
 51551, Ext. 276. Closing date 18th December,

**LOTHIAN HEALTH BOARD  
Central Microbiological Laboratories  
Western General Hospital, Edinburgh  
CONSULTANT MICROBIOLOGIST**

Applications are invited for the post of Consultant  
 Microbiologist (whole-time or maximum  
 part-time) with the central microbiological  
 laboratories of the Western General Hospital. This  
 consultant will act as one of a team of consultant  
 and senior microbiologists providing a  
 comprehensive microbiology and immunology  
 service for hospitals, General Practitioners and  
 community health services within the North and  
 South Lothian Districts. This post provides the  
 opportunity to develop general and specialised  
 clinical relationships. The successful applicant will  
 be expected to be involved in investigative and  
 research work and serve with his colleagues on rotas  
 covering emergency services. Further particulars  
 are available on application.  
 Applications which should be typewritten, giving  
 particulars of age, qualifications and previous  
 experience together with names and addresses of  
 three referees should be lodged with the Secretary,  
 11 Drumsheugh Gardens, Edinburgh EH3 7QQ,  
 within 4 weeks from the date of this advertisement.  
 (H13594) 68-1

**Re-advertisement  
PUBLIC HEALTH LABORATORY  
SERVICE BOARD**

Lower Entrance, Colindale Hospital  
 Colindale Avenue, London NW9 5EQ  
**CONSULTANT MICROBIOLOGIST**  
 Area Public Health Laboratory  
 Coventry  
 Applications are invited for a whole-time  
 Consultant Microbiologist (medically qualified) at  
 the Area Public Health Laboratory, Coventry and  
 Warwickshire Hospital, Stoney Stanton Road,  
 Coventry, Warwickshire CV1 4FH. This is a joint  
 Laboratory, and duties will include participation in  
 hospital microbiology for hospitals in the area. It is  
 anticipated that the successful applicant will be  
 given an honorary contract by the West Midlands  
 Regional Health Authority. A higher qualification  
 is essential.  
 Salary on NHS Consultant scale: other terms and  
 conditions of service generally as for Consultants in  
 the NHS.  
 The Laboratory may be visited by arrangement  
 with the Director, Dr. P. R. Mortimer, Tel:  
 Coventry 24055.  
 Full particulars may be obtained from the  
 Secretary to the PHLS Board, to whom applications  
 (12 copies) should be sent by 17th December,  
 1976, stating date of birth, qualifications,  
 experience and published work, and naming three  
 referees. (H13679) 68-1

**LOTHIAN HEALTH BOARD**

Applications are invited for the post of  
**SENIOR REGISTRAR**  
 at the Regional Virus Laboratory, City Hospital,  
 Edinburgh. As well as providing a diagnostic  
 service for the hospitals and General Practitioners  
 of the Lothians area, the laboratory is actively  
 engaged in teaching and research, and there is a  
 close liaison with the University Department of  
 Virology. Previous experience in virological  
 techniques is essential. The laboratory is recognised

for training by the Royal College of Pathologists.  
 Further particulars on request.

Applications which should be typewritten, giving  
 particulars of age, qualifications and previous  
 experience, together with the names and addresses  
 of three referees should be lodged with the  
 Secretary, 11 Drumsheugh Gardens, Edinburgh,  
 EH3 7QQ within three weeks from the date of this  
 advertisement. (H13684) 68-5

**NEUROSURGERY****SOUTH EAST THAMES  
REGIONAL HEALTH AUTHORITY  
CONSULTANT IN NEUROSURGERY**

whole-time or maximum part-time in the Regional  
 Neurosurgical Unit. The vacancy in the Regional  
 Neurosurgical Unit, which is currently based at the  
 Brook General Hospital, Shooters Hill Road,  
 London, SE18 4LW, arises as a result of the  
 retirement of Mr. G.B. Northcroft. Three  
 neurosurgeons share equally the clinical  
 responsibility of the Regional Service. Occasional  
 visits to hospitals within the Region are required. A  
 complete upgrading of neuroanatomical facilities,  
 which has included the provision of an EMI  
 Scanner, is near completion. Candidates may visit  
 the hospital by arrangement with a Consultant  
 member of the Neurosurgical Unit. Canvassing  
 disqualifies.

Application form and further particulars from  
 the Secretary Advisory Appointments Committee,  
 South East Thames Regional Health Authority,  
 Randolph House, 46-48 Wellesley Road, Croydon  
 CR9 3QA. The form is to be returned by 31st  
 December. (32890) 73-1

### BRADFORD

#### AREA HEALTH AUTHORITY

St. Luke's Hospital, Bradford BD5 0NA

One resident rotational training post vacant from 1st February, 1977 in the Senior House Officer grade for a period of eighteen months — 6 months each in Accident & Trauma, General and Plastic Surgery. All posts recognised for F.R.C.S. (including casualty training). Subject to satisfactory progress it is hoped to offer rotational registrar training posts (recognised for F.R.C.S.) at the end of the eighteen months period and training in basic medical sciences for Primary F.R.C.S. will be given. The hospital has an active postgraduate training programme with full library and University facilities. Undergraduate students are also trained in the hospitals of the Bradford District.

Applications stating age, qualifications and experience, and giving two names for reference to the District Administrator, Bradford Area Health Authority, Bradford District, Bradford Royal Infirmary, Duckworth Lane, Bradford BD9 6RJ, as soon as possible. (27213) 91-8

## Hereford Health District

### SENIOR HOUSE OFFICER GENERAL SURGERY COUNTY HOSPITAL — HEREFORD

Applications are invited for the post of SENIOR HOUSE OFFICER in GENERAL SURGERY to commence duties on the 1st February, 1977.

The duties of the post are similar to those of a registrar and the successful applicant will be directly responsible to the Consultant for the care of the first cases.

There are 3 surgical firms in the group, of which 2 have registrars. The successful applicant will rotate at 6 monthly intervals with the registrars. As the registrar posts become vacant he/she would be able to apply for one.

An experienced person is therefore required and possession of the FRCS would be an advantage.

Very good training is offered towards a surgical career, with excellent Postgraduate facilities and programme.

The District has good married and single accommodation available. Detailed applications naming 3 referees to:

**R. J. Brodie, District Personnel Officer, Hereford Health District, Victoria House, Eign Street, Hereford.**  
 by 20th December, 1976.

Interviews will be held in Hereford about 4th January 1977, candidates may visit the hospital by arrangement with the Consultant Surgeons.  
 (27220) 91-8

**NORTHERN IRELAND  
HEALTH & SOCIAL SERVICES  
Southern Health & Social Services Board  
DISTRICT ADMINISTRATIVE  
MEDICAL OFFICER  
(District Community Physician)**

The Central Services Agency, on behalf of the Southern Health and Social Services Board, invites applications for a vacancy as District Administrative medical Officer for the Craigavon and Banbridge District. The post is based at Craigavon. The Southern Board administers an area with a population of approximately 265,000. The District has a population of 100,000 and the facilities include the area hospital at Craigavon, one of the most modern in the British Isles. Candidates must be registered medical practitioners with wide experience in medical administration and a good clinical background. They should also have specialised knowledge of the organisation and management of medical services in the hospital or community context. The salary is £7,536 rising by four increments to \$10,689 per annum. The starting point on the scale will be determined in the light of qualifications and experience.

Application forms and further particulars are available from The Chief Administrative Officer, Central Services Agency 27 Adelaide Street, Belfast BT2 8FH. Latest date for receipt of applications is 31st December, 1976. (27160) 110

**OXFORD**

**REGIONAL HEALTH AUTHORITY  
REGISTRAR/SENIOR REGISTRAR**

Training programme in Community Medicine. Applications are invited for the above post in Community Medicine starting on 1st March, 1977. The training programme will last 3 years. The first 6 months will be spent at the Oxford R.H.A. and there will then be a period of secondment for one year to the London School of Hygiene and Tropical Medicine for the academic part of the MSc Course in Social Medicine. On completion of this the appointee will then be graded Senior Registrar and will return to the R.H.A. to undertake a project for Part II of the MSc. (Social Medicine) and Part II to the M.F.C.M. examinations. Applicants should have broad experience in the practice of clinical medicine and should be at present in the Registrar grade and have a higher qualification such as the M.R.C.P. or the M.R.C.G.P.

Further details and applications forms (2 copies) may be obtained from Dr. Rosemary Rue, Regional

Medical Officer, Oxford Regional Health Authority, Old Road, Headington, Oxford. Tel: Oxford 64861 and should be returned by 31st December, 1976. (33105) 110

**ONTARIO CANCER FOUNDATION  
RADIO THERAPIST (JUNIOR)**

Full-time. Applications are invited for this position. Basic salary \$26,000 per annum, 4 weeks' holiday, retirement scheme, group insurance, etc. Supplementary benefits and other sources of income may allow the completely qualified candidate to become eligible for further income up to \$12,000 per annum. The Ottawa Clinic of the Ontario Cancer Foundation has 2 divisions; one of which is at the Ottawa General Hospital and the other division at the Ottawa Civic Hospital. A completely new Cancer Clinic building is presently

under construction at the Civic Hospital which will provide completely new Cobalt 60 treatment facilities as well as a 6 Mev and 20 Mev Linear Accelerator. A treatment Simulator is presently in operation. Approximately 1500 new patients are seen per year and the total number of treatments given in 1975 was 20,993. Candidate must either have or be capable of obtaining Fellowship from the Royal College of Physicians and Surgeons of Canada and be eligible for full registration with the College of Physicians and Surgeons of Ontario. Fluency in the French language would be an important asset. Candidates from outside Canada who make application and are considered eligible for this position would be required to meet the migration requirements of Canada and may obtain specific information in this regard from the nearest Canadian Embassy or High Commission Office.

Further particulars and application forms may be obtained from the Director, Ottawa Clinic, Ontario Cancer Foundation, Ottawa Civic Hospital, 1053 Carling Avenue, Ottawa, Ontario K1Y 4E9, Canada. (H13579) 118

## New appointments to meet dramatic Health Service expansion

Together with most other countries, Zambia has been affected by the recent worldwide recession. Now, partly due to rising copper prices and recent widespread agricultural development, our economy has regained its strength, and Zambia's Health Service is undergoing further expansion as a result.

In fact, Zambia's Health Service has been transformed since independence in '64. Planned, co-ordinated progress has produced a high degree of professional efficiency, with superb modern buildings and the most sophisticated medical equipment. Health centres, clinics, district hospitals, general hospitals, central

hospitals and some specialist hospitals are established throughout the country.

Nonetheless, in an area larger than France, Belgium, Switzerland and The Netherlands combined, the eventual aim of bringing full medical aid close at hand to everyone is a mammoth task, so existing momentum will most certainly be maintained for many years. Of those contributing towards this development, a large number have come out from Britain on 3-year contracts (renewable by mutual agreement). Why not join them in one of these capacities...

### Obstetrician/Gynaecologists

**Anaesthetists**

**Radiologists**

**Ophthalmologists**

**Cardiologists (Physicians)**

**Dermatologists**

**Epidermiologists**

**Leprologists**

**Paediatricians**

**Psychiatrists**

**Physician Specialists**

**ENT Specialists**

**Orthopaedic Surgeons**

**Surgical Specialists**

**Haematologists**

**K7608-K7812 (c. £5706-£5859) PLUS K2400 (c. £1800)**  
non-private practise allowance PLUS  
supplement - £4716 (married), £2598 (single).

#### Requirements:

In all cases relevant qualifications plus some years' experience are essential.

### Senior Registrar

**K6324-K6756 (c. £4755-£5067) plus K2000 (c. £1500)**  
non-private practise allowance.  
Supplement £4620 (married), £2502 (single).

#### Requirements:

MRCP or equivalent (medicine), or FRCS or MRCPG:  
2 years' orthopaedic experience.

### Registrars

**K5700 (c. £4275).**  
Supplement £3798 (married), £1782 (single).

#### Requirements:

MBBS or equivalent plus 1 years' experience as Senior House Officer.

### Medical Officers

**K5136-K6540 (c. £3852-£4905) plus K2000 (c. £1500)**  
non-private practise allowance.  
Supplement £4500 (married), £2382 (single).  
**Requirements:**

MBBS or equivalent; 3 years' post-internship experience in medicine, paediatrics, obstetrics/gynaecology.

### Senior Resident Medical Officers

**K5316 (c. £3987).**

#### High earnings, good conditions, rich experience.

Add to the salaries shown free passages, the benefits of low taxation, TAX-FREE annually-reviewed supplements, TAX-FREE terminal gratuities (25% of basic salary payable after 30 months' service), and the sum total really looks attractive. But there's more. Low-cost furnished accommodation is guaranteed. If you receive the annually reviewed supplement paid by the British Government to designated British nations (this is salary-related) you also receive a further string of benefits: appointment grants, educational allowances, car loans, medical aid assistance, and free holiday visits for children educated in Britain. N.B. Sterling equivalents given are approximations only, due to constant exchange rate fluctuations.

Apart from much satisfying professional experience, the country itself offers a wealth of fascinating scenery ranging from spectacular mountains to vast lakes and wildlife reserves. Equally important, many people are surprised to discover how pleasant and congenial is Zambia's climate.

Job descriptions for all appointments are available. For further information please send full personal/professional details (without obligation), indicating which appointment interests you, to: Recruiting Officer (Room 39B), Zambia High Commission, 7-11 Cavendish Place, London W.1.

(27146)-118

**ZAMBIA**

**Swedish Red Cross Hospital,  
Koning Gustaafweg, Zierikzee,  
Holland.**

Applications are invited for the position of:

## Gynaecologist Obstetrician

at the above stated hospital, a small general hospital of 90 beds, serving a population of 26,000. The hospital itself is a gift from the Swedish Red Cross after the flood in 1953 when the old building was severely damaged, and hence still modern and well equipped; nevertheless, it has been the scene of many modernising activities during the last few years.

The medical staff comprises a mixture of full-time (8) and part-time (7) members, several of whom possess higher degrees. Zierikzee is an attractive town in the south west part of Holland with many recreational (sailing) facilities. Adequate accommodation will be available. Cooperation with nearby colleagues is possible. Applications, giving full details of qualifications and any relevant personal data or requests for further information, are to be forwarded to the undersigned.

C. G. Langelaar, Director.

## RADIOTHERAPY

**Residency in Radiation Oncology**  
(Radiotherapy)

The Division of Radiation Oncology of the Faculty of Medicine of the University of Alberta situated in the Dr. W. W. Cross Cancer Institute in Edmonton offers full postgraduate training in Radiation Oncology. This is a University of Alberta programme approved by the Royal College of Physicians and Surgeons of Canada and the American Board of Radiology. The Cancer Institute serves a population of 950,000 and most cancer patients in this community are referred to the Institute thus providing access for the residents to the whole spectrum of cancer. One thousand six hundred new courses of radiotherapy are started each year. There is an academic staff of 7 radiation oncologists, 3 physicists, an expanding radiobiology programme and University staff in all the medical and surgical specialties work in the Institute. At present there are 4 residents in training. There are 76 beds for cancer patients, excellent library facilities, an 8 MeV linear accelerator, two new accelerators on order, a Theratron 80, a picker simulator, Artronix treatment planning computer, mould room and all essentials of a training centre for radiation oncology.

The 1976 salaries for residents range up to \$17,012 according to experience and will be increased in 1977. The next intake of residents is on 1st July, 1977. For application forms and further information write to the **Director of Radiation Oncology, Dr. J. G. Pearson, F.R.C.S., F.R.C.P., F.R.C.R., Dr. W. W. Cross Cancer Institute, 11560 University Avenue, Edmonton, Alberta, Canada, T6G 1Z2.**

**WELLINGTON HOSPITAL BOARD**  
Wellington Clinical School  
Wellington, New Zealand  
**HISTOPATHOLOGISTS/  
MORBID ANATOMISTS**  
Department of Laboratory Services  
Wellington Hospital

The Wellington Hospital Board invites applications from medical practitioners for two positions of whole-time Histopathologist/Morbid Anatomist. Applicants must either be registered in New Zealand or hold qualifications which entitle them to such registration. An appropriate higher qualification is required. These are full-time Hospital Board posts and the appointees will be engaged in the routine histopathology and morbid anatomy services provided by the Division of Anatomic Pathology within the Department of Laboratory Services, Wellington Hospital. Conditions are in accordance with the New Zealand Hospital Services Determination for Medical Officers and the positions require persons of specialist status as defined in the determination. Commencing salary will be determined by qualifications and experience and will be within the Specialist Scale of \$14,000 to \$18,365 per annum, with automatic annual increments. An allowance for teaching responsibilities may be paid by the University of Otago according to status and teaching duties performed in the Wellington Clinical School.

Applicants should obtain a copy of the conditions of appointment and application form from the Office of the High Commissioner for New Zealand, New Zealand Wellington Hospital Board, P.O. Box 10245, Wellington, by whom applications will be received until Friday, 28th January, 1976. (27352) 118

**GIPPSLAND GERIATRIC CENTRE, P.O. BOX 12  
BAIRNSDALE, VICTORIA 3875**

# AUSTRALIA

## POSITIONS AVAILABLE:

**Medical Officers Occupational Therapists  
Physiotherapists Chiropodist (1)**

Bairnsdale is a town of population nine and a half thousand situated approximately 170 miles from Melbourne with transport available to the regional centre namely the City of Sale which is 43 mile away.

The local facilities include in the cultural field, amateur dramatics, art groups and music groups with a suitable library and in addition a full range of sporting facilities. Bairnsdale is situated 14 miles from the Gippsland Lakes which is a quiet inland system of lakes with a channel to the region and a highly spectacular ocean beach. The Geriatric Hospital has a 186 beds including a 40 bed hostel annex for the more active elderly long term geriatric care, admission on a short stay basis, day hospital and satellite day centre forming part of the complex.

No accommodation can be provided at the present though some temporary accommodation in the nurses home would be available for female paramedical staff. There is a large sector hospital 80 mile from Bairnsdale where clinical experience is available and applicants will be encouraged and support given to participate in post basic or ongoing educational programme.

Applications should be made in writing to: **Mr R. G. Aldridge, Administrator, Gippsland Geriatric Centre, McKean Street, Bairnsdale, Victoria 3875, Australia.** (27215)

Orders for specific grades cannot be accepted. Payment must be PREPAID and enclosed with application.

# What the papers say

## Shortest Acting

"With doses up to 1 mg, the natriuresis was largely complete within 3 hrs."<sup>3</sup>  
 "It (Burinex) has a short duration of action, being virtually complete in 3 hrs."<sup>4</sup>

## Fast Acting

"The rapid absorption from the gastrointestinal tract is reflected in the brisk diuresis established within the hour."<sup>1</sup>  
 "Its (Burinex Injection) onset of action is within 10 min."<sup>2</sup>  
 "Bumetanide is rapidly absorbed from the gut."<sup>3</sup>

## Clinically Effective

"Fourteen patients showed a good diuretic response on bumetanide where previous treatment with frusemide had proved either unsatisfactory or too slow."<sup>5</sup>  
 "An impressive diminution of the signs of pulmonary oedema was seen in most patients and in some the clearance of alveolar oedema was dramatic."<sup>6</sup>

"Based upon our experience with the use of bumetanide in several hundreds of patients and the detailed studies reported above, it may be concluded that this new diuretic agent is a very useful drug in the treatment of congestive cardiac failure."<sup>7</sup>

"Our study... confirms that bumetanide is a potent diuretic effective over a wide dose range and in a variety of clinical conditions."<sup>1</sup>

## Well tolerated

"Burinex was extremely well tolerated."<sup>12</sup>  
 "Bumetanide was well tolerated by patients."<sup>1</sup>  
 "Overall, bumetanide showed itself to be a safe and effective diuretic when administered to severely ill patients in a busy hospital milieu."<sup>5</sup>

## The correct amount of K

"It is known from short-term studies that 1 mg. of bumetanide increases the excretion of potassium by 10-15 mmol daily (Asbury et al, 1972; Olesen et al, 1973; Davies et al, 1974). Two tablets of the combined preparation Burinex K contain 1 mg. of bumetanide and 16 mmol of potassium."<sup>8</sup>

## At the correct time

"35% of the potassium chloride is released by one hour, the rest being released over a period of six hours."<sup>4</sup>

## The Morning OR Evening diuretic

"The rapid onset and short duration of action of loop diuretics are clearly desirable when a rapid diuresis is indicated, and when given in the evening to patients with chronic heart failure, the short duration of action can ensure a good nights sleep undisturbed by nocturia or breathlessness."<sup>9</sup>

"The use of potent and short-acting diuretics such as bumetanide allow the Physician and patient scope to decide upon the most appropriate time for administration and so reduce major disruptions in the patient's daily routine."<sup>10</sup>

"Patients who go out to work may find Burinex K given in the evening more socially acceptable."<sup>11</sup>

## Patients prefer Burinex K

"These results indicate that when long-term diuretic/potassium supplement therapy is required, Burinex K is a more acceptable regimen to the patients than one in which diuretic + Slow K are given separately."<sup>13</sup>

"Patients showed a highly significant preference to take two tablets on one occasion (Burinex K) rather than two different types of tablet on three separate occasions (Lasix + K)."<sup>14</sup>

\* Burinex is a trade mark

Rx ... But of course the decision is yours.

# Burinex K\*

Tablets contain 0.5 mg bumetanide with a slow release core of 573 mg (7.7mEq) of potassium chloride.
