ST. ANDREW'S HOSPITAL NORTHAMPTON

PRIVATE TREATMENT OF ALCOHOLISM

Our well-established alcoholism treatment unit offers intensive resident therapy in pleasant surroundings, first-class accommodation, a friendly, relaxed atmosphere and at a reasonable cost.

The programme includes group therapy, social skills training, educational films, videos and discussions, together with a comprehensive range of recreational facilities catering for men and women of all ages.

Staffed by a Consultant Psychiatrist, Psychologist, and specially trained Nursing Staff, the unit is readily accessible from all parts of England and Wales. Regular follow-up groups take place in London and the Midlands.

GROUP PSYCHOTHERAPY UNIT

The Group Psychotherapy Unit is amongst an increasing range of specialised facilities offered by St. Andrew's Hospital. It is run by two Consultant Psychiatrists, assisted by a Nurse Therapist and an Occupational Therapist, and has now been open for a year.

We have found that with an intensive approach of daily interpretative groups, social skills training and art and drama therapy, encouraging results can be obtained in ten to twelve weeks' in-patient or out-patient treatment. This is helped by the friendly, non-institutionalised atmosphere of the hospital.
