QUININE WINE,

AS SUPPLIED TO THE SICK AND WOUNDED DURING THE LATE WAR.

The many and expensive forms in which this well known medicine is administered, too often preclude its adoption as a general tonic. The success which has attended "WATERS'S QUININE WINE" arises from its careful preparation by the manufacturer. Each wine-glassful contains sufficient Quinine to make it an excellent restorative to the weak. It behooves the public to see that they have Waters's Quinine Wine, for the result of Chancery proceedings, a short time since, elicited the fact that at least one unprincipled imitator did not use Quinine at all in the manufacture of his Wine. All Grocers sell Waters's Quinine Wine at 30s. per dozen.
