PUBLIC HEALTH ACT.

PROCEEDINGS OF LOCAL AUTHORITIES.

The Reports of Meetings of Sanitary Authorities, at which the Inspectors of the Local Government are present and give advice, are at this time of considerable interest in judging of the administration of the Public Health Act. We shall be greatly obliged to correspondents if they will kindly FORWARD COPIES of LOCAL PAPERS containing reports of such Meetings and of documents relating thereto. We shall be glad to receive copies of past Reports of the kind dating back to 1872, or information respecting them.
