### TO CORRESPONDENTS.

\*.\* All letters and communications for the JOURNAL, to be addressed to the EDITOR, 37, Great Queen St., Lincoln's Inn Fields, W.C.

CORRESPONDENTS, who wish notice to be taken of their communications, should authenticate them with their names—of course not necessarily for publication.

PUBLICATION OF PAPERS READ AT MEETINGS.—We recommend the following remarks of the editor of the *Social Science Review* to the consideration of the editorial department of the *Lancet*.

"We have been repeatedly asked since then to publish this communication; but, as the paper was the property of the Association, we could not, with propriety, so far try to forestall the coming volume of *Transactions*. We have, however, through the kindness of the author, been furnished with the original notes, of which the paper read before the Association was a condensed abstract."

### SUBSCRIPTIONS.

THE following Laws of the Association will be strictly enforced:—

15. The subscription to the Association shall be One Guinea annually; and each member on paying his subscription shall be entitled to receive the publications of the Association of the current year. The subscriptions shall date from the 1st of January in each year, and shall be considered as due unless notice of withdrawal be given in writing to the Secretary on or before the 25th of December previous. If any member's subscription remain unpaid twelve months after it shall have become due, the publications of the Society shall be withheld from such member until his arrears be paid.

16. The name of no member shall remain on the books of the Association, whose arrears extend over three years; but the omission of the name from the list of members shall not be deemed, either in honour or equity, to relieve any member from his liability for the subscriptions due for the period during which he has availed himself of the privileges of membership.
