By JUKES STYRAP, L.R.C.P., Etc.
Physician-Extraordinary to the Salop Infirmary.
J. and A. CHURCHILL, New Burlington Street, London.

"We have read this treatise with much satisfaction. It has evidently been prepared with great care, and critically revised and approved by several distinguished practitioners in England, Ireland, and Scotland. The tone is high, and the honour of the profession can titillate a principal motive throughout.... We cordially recommend it, to the younger members of the profession in particular."—*Lancet Med. Journal*.

"Such a code was much wanted, and its publication will be hailed with great satisfaction by the profession."
—*Students' Journal and Hosp. Gaz.*

"This very complete code will be found a valuable possession to the medical practitioners of all grades."—*Brit. Med. Jour.*
