ALTERATION OF ADDRESS.

The Offices of the British Medical Association and of the BRITISH MEDICAL JOURNAL are now at 161, STRAND (opposite Newcastle Street).

NEW WORK BY DR. DOBELI, Consulting Physician (late Senior Physician) to the Royal Hospital for Diseases of the Chest, etc. Now ready, demy 8vo, cloth, with Chromo-lithographic Plate, 10s. 6d.

On Loss of Weight, Blood-spitting, and LUNG DISEASE.

"A person who suffers from loss of weight, blood-spitting, and lung disease, is generally thought to be in a consumption; but as either of these conditions may exist alone, may be due to a variety of causes, may be independent of the others, and may require special treatment, it is very important that each should be made the subject of a separate and careful consideration."—*Extract from Preface.*

J. & A. CHURCHILL, New Burlington Street.

Now ready, with Engravings, crown 8vo, 6s. 6d., Second Edition, Revised and Enlarged.

HEADACHES:

THEIR CAUSES, NATURE, & TREATMENT.

By W. H. DAY, M.D., M.R.C.P.L., Physician to the Samaritan Hospital for Women and Children.

"Well worth reading. The remarks on treatment are very sensible."—*Boston Med. and Surg. Journal.*

"The appearance of a second edition so soon is the best evidence we could have of its having found acceptance with the profession."—*Practitioner.*

J. & A. CHURCHILL, New Burlington Street.

Just published, with 31 Life-size Illustrations prepared expressly for this Work, in crown 4to, price 7s. 6d.

The Mechanical System of UTERINE PATHOLOGY, being the Harveian Lectures delivered before the Harveian Society of London, December 1877. By GRAILY HEVITT, M.D. Lond., F.R.C.P., etc., President of the Harveian Society; Professor of Midwifery and Diseases of Women, University College, and Obstetric Physician to the Hospital.

"We have read these Lectures with great profit and pleasure; they give evidence throughout of being the result of much patient and philosophical research upon an important branch of gynecology."

British Medical Journal.

London: LONGMANS and Co.

In 8vo, pp. 392, with 3 Tables, 6 Woodcuts and Diagrams, and 18 Lithographic Plates, price 15s. cloth, gilt top.
