## On Diseases of the Chest:

Second Edition, Revised and Enlarged. By A. T. H. WATERS, M.D., F.R.C.P., Physician to the Liverpool Royal Infirmary.

"We have to congratulate the profession on the appearance, in an enlarged form, of Dr. Waters's book. ... One of the most valuable treatises hitherto published on diseases of the chest."—*Dub. Med. Journal*.

"We are glad to welcome a second edition of the thoughtful and practical lectures and papers which are collected in Dr. Waters's volume. Comprising the result of many years' careful observation of the subjects to which they refer, they have a special value to the pathologist and to the practitioner."—*The Lancet*.

"Œuvre consciencieuse, fruit de méditations sincères et de recherches assidues. .... Il est vraiment pratique."—*Gaz. Méd. de Paris*.

J. & A. CHURCHILL, New Burlington Street.
