Now ready, price 6s. 6d.

Spermatorrhœa: its Results & COMPLICATIONS. Enlarged and reprinted from the Original Papers published in the *Lancet* for 1852, and the *Medical Circular* for 1858. By J. L. MILTON, Surgeon to St. John's Hospital for Diseases of the Skin. Tenth Edition, illustrated with Engravings.

"To those desirous of acquiring a scientific knowledge of this affection, together with its treatment, we most heartily recommend this excellent treatise on the subject."—*Canada Med. and Surg. Jour.* "The work is clearly and intelligibly written, and supplies a want."—*Glasgow Med. Jour.* "The treatment especially is founded on common sense in many important particulars."—*Edin. Med. Jour.* "We cordially recognise the completeness of his monograph."—*Med. Examiner.*

London: HARDWICKE & BOGUE, 192, Piccadilly.

Crown 8vo, price 6s.

Diseases of Women. By LAWSON TAIT, F.R.C.S., Surgeon to the Birmingham Hospital for Women, etc.

"The distinguished merit of this book is its originality and practical character."—*Med. Times & Gazette.* "It abounds in valuable hints as to diagnosis and treatment, which cannot but prove most useful to the general practitioner, while in it the gynecologist will find the most recent theories as to the etiology and pathology of these affections, many of the views put forward being striking and original."—*Dub. Med. Jour.*

WILLIAMS & NORGATE, London and Edinburgh.

8vo, 5s.

On Psoriasis or Leprosy. By GEORGE GASKOIN, Surgeon to the British Hospital for Diseases of the Skin.

J. & A. CHURCHILL, New Burlington Street.

Now ready, Second Edition, revised, price 8s. 6d.

Insanity and its Treatment: LECTURES on the Treatment, Medical and Legal, of INSANE PATIENTS. By G. FIELDING BLANDFORD, M.D. Oxon., F.R.C.P.; Lecturer on Psychological Medicine at the School of St. George's Hospital.

Edinburgh: OLIVER & BOYD.

London: SIMPKIN, MARSHALL, & Co.

Just published, with over 100 Illustrations, 8vo, 5s.

A Practical Introduction to MEDICAL ELECTRICITY. By A. DE WATTEVILLE, M.A., B.Sc., M.R.C.S., Assistant-Physician to the Hospital for Epilepsy and Paralysis; late Electro-Therapeutical Assistant to University College Hospital.

"We heartily commend the book to the careful study of those who are interested in electro-therapeutics."—Dr. RUSSELL REYNOLDS, F.R.S., in *Brain*.

"We can honestly recommend the book to our readers as an admirable practical guide to electro-therapeutics."—*Dub. Med. Jour.*

"On the question of treatment, the directions are reduced to something like scientific precision."—*Med. Examiner.*

"We give the author a sincere welcome, and look forward to his doing great service in the department of medicine in which he has fortunately engaged."—*Westminster Review.*

"It is an exceedingly able *exposé* of the physical questions involved in applying electricity medically; and it contains also a number of practical hints which will be found of great advantage to those who intend occupying themselves with the various applications of electricity in general practice.... and who wish a short, clear, and accurate summary of what is known on the subject."—*Practitioner.*

London: H. K. LEWIS, 136, Gower Street.

Now ready, 8vo, 1s.

Remarks on the Routine Use of the OPHTHALMOSCOPE in CEREBRAL DISEASE. By J. HUGHLINGS JACKSON, M.D., F.R.C.P., F.R.S., Physician to the London Hospital and to the National Hospital for the Epileptic and Paralysed. J. & A. CHURCHILL, New Burlington Street.

Third Edition, Revised and Enlarged, and in part Rewritten, with 674 Engravings (many being coloured), 2 vols, crown 8vo, 28s.

The Practice of Surgery. By THOMAS BRYANT, F.R.C.S., Surgeon to, and Lecturer on Surgery at, Guy's Hospital.

NOTICES OF THE PRESS.

"It has so much compactness, is so full of matter we employed and of experience well used, the illustrations so good, and the rough purposes of a student's text-book are so well fulfilled, that we are not surprised that with the average medical student such a book is popular."—*Brit. Med. Jour.*, Feb. 1.

"We heartily recommend it as a handy, reliable, and instructive epitome of modern surgery."—*Dub. Med. Jour.*, May.

J. & A. CHURCHILL, New Burlington Street.

87th Thousand, fcap. 8vo, 2s. 6d.

Advice to a Wife on the MANAGEMENT of her own HEALTH, and on the Treatment of some of the Complaints incident to Pregnancy, Labour, and Suckling. With an Introductory Chapter especially addressed to a Young Wife. By PYE CHAVASSE, F.R.C.S.

By the same Author, 77th Thousand, fcap. 8vo, 2s. 6d.

Advice to a Mother on the MANAGEMENT of her CHILDREN, and on the Treatment on the Moment of some of their more pressing Illnesses and Accidents.

J. & A. CHURCHILL, New Burlington Street.
