## THE LONDON MEDICAL RECORD.

A MONTHLY Abstract of the Medical Literature of Great Britain and Ireland, France, Germany, Italy, Spain, Russia, Holland, Scandinavia, America, and the Colonies.

Compiled by a Staff of upwards of Ninety Hospital Medical Officers and others.

No. 53 for NOVEMBER 15TH now ready. price 1s. 6d.

The LONDON MEDICAL RECORD is a YEAR-BOOK appearing in monthly parts.

The LONDON MEDICAL RECORD is the monthly guide and companion of the leading practitioners of Great Britain, India, and the Colonies.

The LONDON MEDICAL RECORD is an unique and high-class professional review, giving the pith of 240 British and Foreign contemporary publications.

The NEW SYDENHAM SOCIETY, which numbers 2,000 members, has abandoned its *Biennial Retrospect* in favour of the LONDON MEDICAL RECORD, and since its extensive adoption into professional favour, *The Abstract of Medicine, The Medico-Chirurgical Review, and The Doctor* have been discontinued, and the LON- DON MEDICAL RECORD has taken their place.

The LONDON MEDICAL RECORD.—Any person having a complete set for disposal is requested to communicate with the Publishers.

The LONDON MEDICAL RECORD is published in Monthly parts, and may be ordered direct from the Publishers. Annual Subscription, 18s.; postage paid, 1s. 6d.
