The new B25 Trailer Yacht

Earls Court Boat Show
STAND R4

Combines the exhilaration of fast offshore cruising with all the mobility and low costs of the home-based trailer-sailer.

The B25's fully retractable, hydraulically operated bulb keel (draws 4'8" down) provides the stability and offshore performance of a fixed keel yacht, yet she can be launched into 10 inches of water in under 5 minutes.

Easily towed behind the family car, the B25 weighs less than the average caravan. Built to high specifications with exceptional galley and stowage space for the cruising family, sleeping 4/5 in full-length berths.

CUTS MOORINGS, YARD, AND SLIPPING COSTS. AN IDEAL YACHT FOR SHALLOW OR DRYING MOORINGS. BASIC PRICE INCLUDES SAILS, RIGGING, LIFEBOUYS ETC - just some of the benefits in this fully proven, Award-winning yacht, designed by David Binks and built by Moore's of Wroxham, the trailer yacht experts.

Carefree Camping in France

As good as the name implies

Take advantage of Carefree's unsurpassed experience and expertise and motor to one of their specially selected sites on the coast of Normandy, Brittany or Western France. You'll find spotless, roomy, ready-erected tents (also caravans) awaiting your occupation plus comprehensive camping equipment and mature and responsible British representatives on all sites. Add to this a choice of all ferry routes and you'll get wonderful value from a family holiday that can cost as little as £50 per person for 2 weeks including site fees, ferry and insurance. Write or phone for free colour brochure now.

PROBLEMS OF CHILDHOOD

From the British Medical Journal

While in paediatrics the spotlight has, perhaps, swung recently on to behavioural and psychological aspects of child development, much of the clinician's time is still spent with acute and chronic physical disorders. Both these aspects of medical problems in childhood were reviewed in a series of *BMJ* articles published early in 1976, and these have now been collected together after further revision by their authors. We hope the collection will prove useful to doctors at all stages of their careers: for children occupy a great deal of the time of every general practitioner, and confidence in their care demands both experience and knowledge.

As a fast acting diuretic
Burinex^{*} K
bumetanide and slow-release potassium chloride
is unbeatable...

as a potassium
supplement it's
unforgettable

Your patients rarely forget to take their 'water pill' but all too frequently fail to take their potassium supplement if you prescribe it separately.¹ Burinex K solves this problem because Burinex the 'most effective natriuretic agent'² 'coats' the potassium core - to make it truly unforgettable. In addition - because of the shape and size - it's easier to swallow than the most commonly used potassium supplement alone.³

Burinex K in CCF
right from the start

1. Brit. Med. J., 618, 2, 1977

2. Acta med. scand., 119, 193, 1973

3. J. Int. Res., 104, 3, 1975

Burinex (bumetanide) is a potent short-acting diuretic indicated in the treatment of oedema: Avenol as Burinex tablets (1 mg and 2 mg), Burinex Injection (4 ml and 25 ml ampoules; each ml contains 0.25 mg bumetanide) and Burinex K (0.5 mg bumetanide and 7.7 mmol slow release KCl). Dosage: oral and parenteral normally 1 mg. Higher doses may be used in resistant oedema, for long-term maintenance therapy of CCF, Burinex K is usually given as 2 tablets O.M. Contra-indications: Hepatic coma and severe electrolyte disturbances. Burinex K should not be used with potassium sparing agents. Adverse reactions: Occasional skin rashes and minor gastric upset. Precautions: Burinex may potentiate antihypertensive therapy and rarely, may affect carbohydrate metabolism. Periodic electrolyte checks are advisable on long-term therapy. Burinex K should be stopped immediately if signs or symptoms of bowel ulceration appear. Product Licence No: 0043/0027B
