# MARITAL PATHOLOGY

Divorce is becoming increasingly common:  
at current rates about six million people in Britain  
will divorce before the end of the century.

Every doctor and health worker will have to deal  
with the diverse effects of marital unhappiness.

This book discusses clearly and concisely reasons  
for marital misery, its effects on the health of  
the family, and how counsellors can help. This  
book will benefit all who have to deal with these  
problems.

Price: Inland £1.75
