

ALCOHOL PROBLEMS

In recent years alcohol problems have increased dramatically and the thinking on them has undergone a revolution. Alcohol Problems brings together two recent series of articles published in the *BMJ*—the ABC of Alcohol, with its emphasis on straightforward advice for the clinician, and Alcohol and Alcoholism,

Dr Richard Smith's more discursive survey of current thinking and controversies. Together they cover both the clinical aspects of managing alcohol problems and the social and political factors that surround them.

SEX PROBLEMS IN PRACTICE

Patients increasingly are bringing their sex problems to doctors, many of whom have had no training in managing such problems. This book provides straightforward advice on what general practitioners and other front-line health workers can and cannot do. Most problems can be managed with simple advice and counselling, but some need referral.

Price: Inland £4.00

HISTORY OF THE BRITISH MEDICAL ASSOCIATION

Volume II 1932-1981

by

ELSTON GREY-TURNER
CBE, MC, TD, MD, MRCS, LRCP
(Secretary, BMA, 1976-79)

and

F M SUTHERLAND
MA, FLA
(Librarian, BMA, 1961-81)

A companion volume to the history of the BMA's first hundred years published in 1932, *The History of the BMA Volume II* covers the next 50 years. The authors, Dr E Grey-Turner, former secretary of the BMA, and Mr F Sutherland, former librarian of the BMA, describe the change in the BMA's role overseas, the baffling new ethical problems, and the expansion of the BMA's publishing activities. Their book is packed with fascinating information. Why did the BMA threaten the *Sunday Pictorial* at the beginning of the second world war? What did the presidents of the royal colleges say in their famous letter to Aneurin Bevan? What was the biggest award ever made to doctors by a Review Body? All these questions, and many more, are answered in this book.

Price: Hardback — £12.25 (US\$30.60) Paperback — £10.00 (US\$25.00)
