

Kefzol

Logical alternative

‘Kefzol’ i.m.(cefazolin sodium) – greater effect than any single penicillin

Gram-positive: wider range of activity against Gram-positive organisms, including penicillinase producers.

Gram-negative: active against Gram-negative organisms, especially those increasingly resistant to penicillins, such as E.coli, Klebsiella and P. mirabilis.

to the penicillins

Low toxicity: low incidence of side effects. Well tolerated

Indications: hospital infections of the respiratory tract, urinary tract, skin, soft tissue, bones and joints and in obstetrics and gynaecology, due to susceptible organisms.

More convenient: effective in a simple twice daily dose of 500mg.

500mg twice daily

ERYTHROPEL
makes it easy

Erythroped Forte
Children over 8 years - Adults.
500 mg./5 ml.

Erythroped PI
Children under 2 years.
125 mg./5 ml.

Erythroped is the easy antibiotic. Easy for you to prescribe. Easy for parents to give. Easy for children—and old people—to take.

Erythroped is made in 3 strengths for 3 different age groups—the only children's antibiotic that is. We've increased the three strengths, so now Erythroped is even more effective. Simply prescribe them by name, according to the age of the child, q.i.d.

And the delicious cherry taste of Erythroped will ensure that all the treatment you prescribe gets taken.

You know exactly where you are with Erythroped. It's the antibiotic that makes life easier for everyone.

 Full information on Erythroped (Erythromycin ethyl succinate) from **Abbott Laboratories Ltd., Queenborough, Kent, ME11 5EL.**

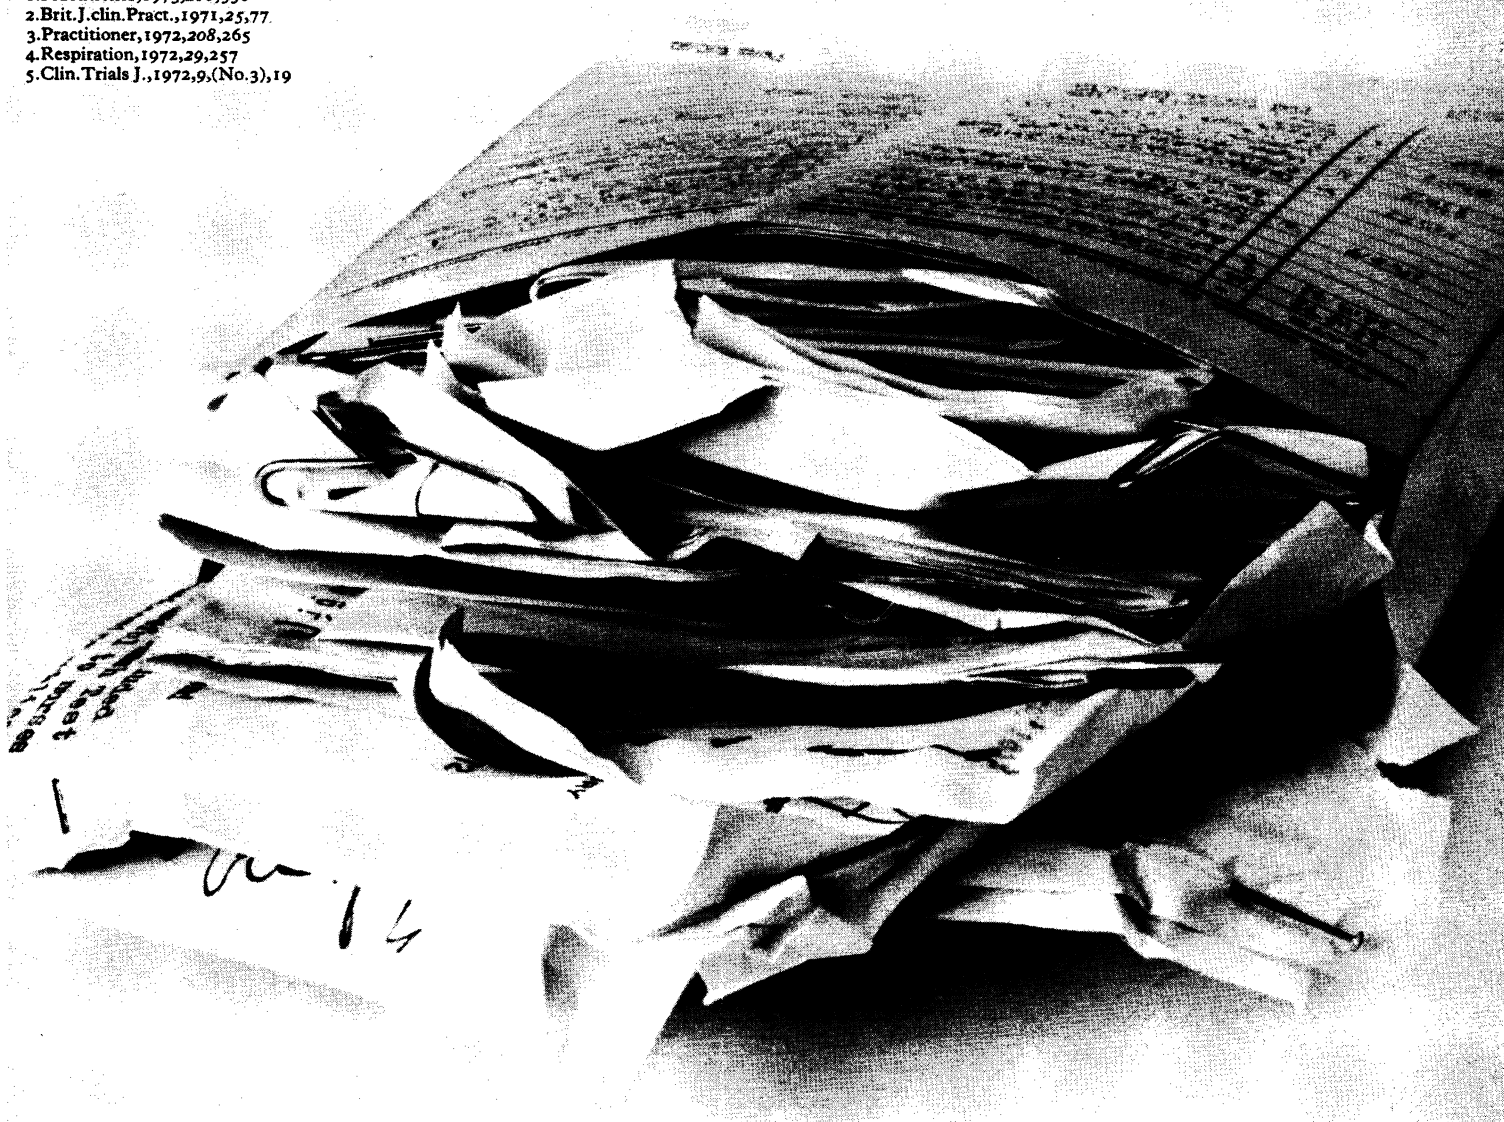

Licence Nos. 0037/5014-6

April 1973

In April 1973 an article¹ in *The Practitioner* showed that Bactrim Roche—already an established treatment for acute exacerbations of chronic bronchitis superior to ampicillin,² the tetracyclines^{3,4} and cephalixin⁵—can also play a valuable role in the long-term management of that condition.

In vaginitis/vaginal discharge
you want the right answer, right away

9 times out of 10
we have the
perfect
arrangement

Nine times out of ten 'Flagyl Compak' is the "perfect arrangement" for immediately prescribable, highly successful treatment of vaginitis. Even when, clinically, the nature of the infection is unclear.

Immediately prescribable because nine times out of ten the probability is trichomoniasis, candidiasis or both^{1,2}—and 'Flagyl Compak' supplies the answer to each. 'Flagyl' for "TV": Nystatin for "thrush." The two for the two together.

Highly successful because nine times out of ten 'Flagyl Compak' supplies a fully effective answer. Each agent has a cure rate of 98 per cent.^{3,4} Both can produce cure in just one week.

In vaginitis, even when there's uncertainty, could anything be surer—right from the start?

Further information available on request
'Flagyl' and 'Compak' are trade marks of May & Baker Ltd

One thing you shouldn't

Dermatophagoides pteronyssinus scanning electron micrograph

Migen
asthma immunisation made easy.

sweep under the carpet.

Because, no matter what you do, you can't get rid of *Dermatophagoides pteronyssinus*, the house dust mite, "... the most common cause of allergic asthma in this country". Brit. med. J., (1970), 2, 501.

The mite is an extremely potent allergen. In fact, it has been calculated that the inhalation of mite material in an amount weighing less than one whole live mite would be capable of precipitating an allergic reaction.

In 1698 Floyer in his "Treatise on Asthma" stated that, "all asthmatics are offended by the least dust made by the sweeping of a room, or making of a bed". But it wasn't until 1964 that the significance of this tiny, semi-transparent creature was first appreciated.

Today, although only 0.3 mm. in length, the common house dust mite has been proved to be a major cause of a disease that disables over 300,000 Britons.

"... it is now firmly established that house dust is one of the most important allergic causes of asthma and that the most important allergen of house dust is a minute insect called the house dust mite."

The Asthma Research Council

A Thriving Subculture

Although the mites will live and breed in any house dust they are most often found on the mattresses and pillows of our beds, close to their staple diet - human skin scales. For most people this thriving subculture means little. But for the allergic asthmatic it could mean the difference between a dream and a nightmare.

Avoidance is Impossible

In the home, it is virtually impossible to remove every trace of the mite. The ubiquitous creature exists in beds, carpets, curtains, cushions - anywhere that human beings and domestic dust come together. Even immaculate dwellings produce dust samples rich in live mites, their excreta and dead remains - all potent allergens. This is why the most effective way of controlling house dust mite sensitivity is immunisation.

Migen - for the prevention of Asthma

Migen is a new short course vaccine which immunises against the house dust mite.

So it does not simply treat the symptoms of asthma - it prevents them. Immunisation against the powerful house dust mite allergen can raise the patient's overall level of tolerance. If he is multi-sensitive he may well find that he no longer reacts to contact with other allergens which have previously provoked attacks. And the stress caused by the fear of attack is reduced.

Migen is the first short course treatment that gives you, the family doctor, real control over asthma.

Migen and Simplicity

There was a time when immunisation was both a complicated and lengthy business. Not so with Migen. Just six injections form a course of treatment for asthma and perennial rhinitis. With each syringe pre-filled to ensure easy administration and accurate dosage.

Migen and Safety

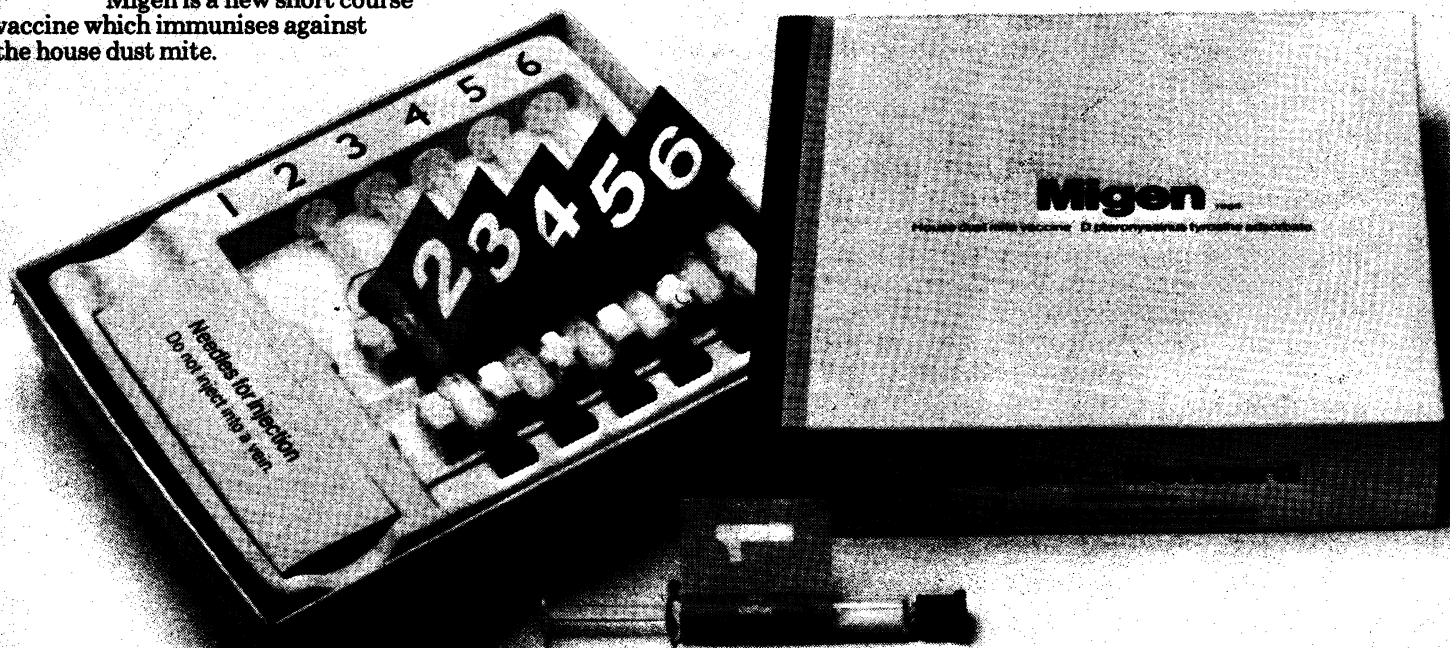

In Migen the active material is adsorbed on to tyrosine - a naturally occurring amino acid which is metabolised in the human body. The active material is therefore released slowly but completely for maximum effectiveness and minimum risk of adverse effects.

Diagnosis

Migen may usually be prescribed on the basis of a careful case history alone. A Diagnostic Aid has been devised to help identify, by case history, those patients who are most suitable for Migen treatment. If the diagnosis is still in doubt after the case study then the Migen Skin Test Kit may be used for confirmation. Both the Diagnostic Aid (which also includes notes for the guidance of patients) and the Skin Test Kit are available on request from Bencard.

Migen

Many products have been advocated for use in the treatment of asthma. Most have drawbacks that you and your patients suffer for the sake of some relief. Now Migen offers you an opportunity to treat the most common form of allergic asthma. From your surgery.

Migen  **Bencard**

Migen is a tyrosine adsorbed vaccine prepared from pure extract of *Dermatophagoides pteronyssinus*. Full information on Migen (regd.) is available on request from Bencard, Freepost, Brentford, TW8 9BE.

PICCIN

ADVANCES IN GASTROINTESTINAL ENDOSCOPY

Proceedings of the 2nd World Congress of Gastrointestinal Endoscopy—Rome and Copenhagen. Bound volume of 960 pages, richly illustrated. Lit. 30.000. Editors: G. Marcozzi and M. Crespi.

"This book contains the contributed papers presented at the symposium involving gastrointestinal endoscopy. Part 1, occurring in Rome, contains papers divided into 11 general categories. The 1st section includes contributions involving clinical experiences in endoscopy in relation to the evaluation of endoscopic techniques in comparison with other methods of investigation. The next topic covers limits between the normal and the pathological in endoscopic biopsies, followed by new developments in instrumentation. The next several topics include papers on new methods of investigation with the help of endoscopy, cytology of the digestive system, endoscopy in the diagnosis of hemorrhages, emergencies and sequels to gastric surgery and modern aspects of gastrointestinal endoscopy. The final topics covered in part 1 include the value of endoscopic and related procedures, recent advances in gastrointestinal tract electron microscopy, and new frontiers in endoscopy—the study of the colon and the duodenum. Part 2, occurring in Copenhagen, includes contributed papers under the following 7 topical sections: esophagoscopy, gastrocamera, gastroscopy, gastrobiopsy and cytology, duodenoscopy, colonoscopy and peritoneoscopy. The book will be of interest to physicians and medical researchers involved in the area of gastrointestinal disorders."

TUTORIALS IN DIFFERENTIAL DIAGNOSIS

E. R. BECK, J. L. FRANCIS and R. L. SOUHAMI

This exciting new book has made an immediate impact in the few weeks since publication. Unlike the average textbook, it adopts the problem-orientated, case study approach in order to present clinical situations as they are seen in real life. Each case study is developed along the lines of the MRCP (UK) examination. Graphic, exciting, clinically wise and reasonably priced, this is essential reading for every medical student, postgraduate, general practitioner, and anyone who wishes to improve their study of differential diagnosis.

THE BASIS OF CLINICAL DIAGNOSIS

R. A. PARKINS, and G. D. PEGRUM

Approaches the study of clinical diagnosis by stressing the underlying changes in function. Teaches the student to appreciate the disordered function and develops the ability to deduce a diagnosis in a logical manner. An outline of normal structure and function, and the disease processes affecting them is presented for each system in turn, followed by an account of the appropriate investigations, their relative value, reliability, and diagnostic significance. Aimed primarily at the student at the start of the clinical period, and reinforces an integrated approach. Also valuable for recently qualified postgraduates and ECFMG candidates.

DOCTORS AND STATE MEDICINE

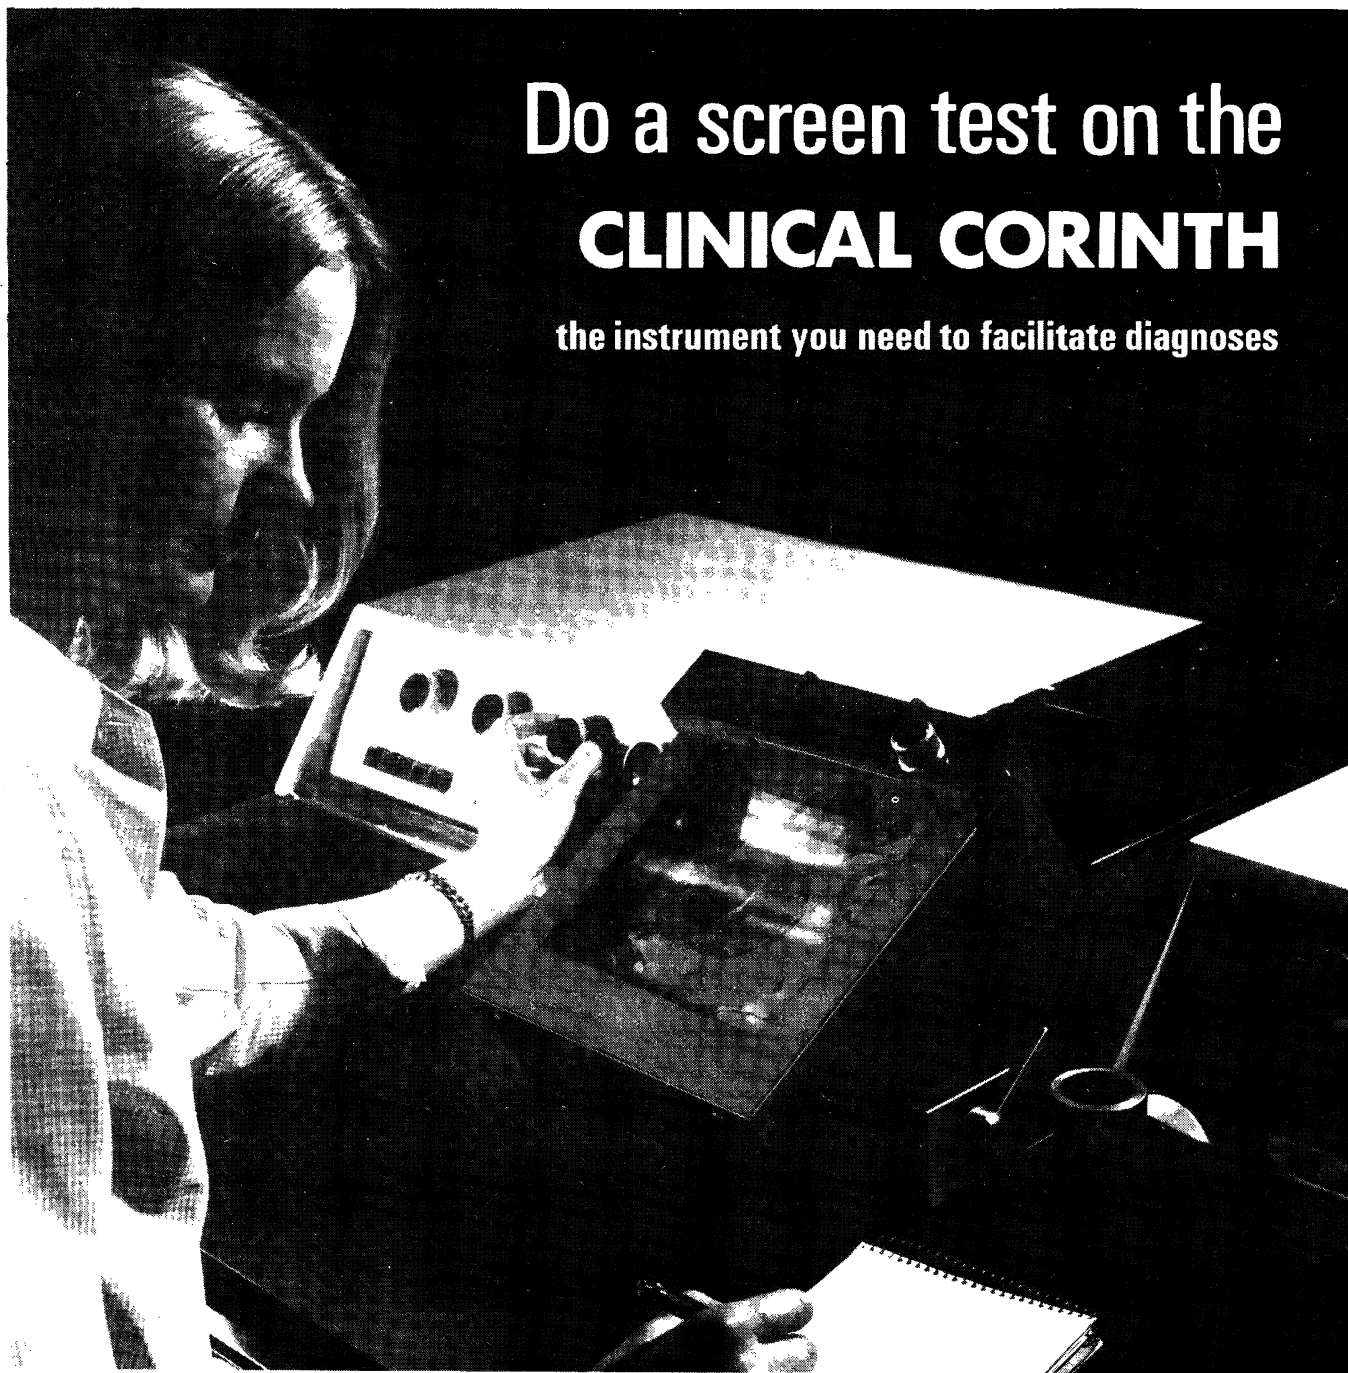

GORDON FORSYTH

A balanced and timely analysis of the NHS.

"... This book is undoubtedly the best that has been produced on this subject."—British Medical Journal

Do a screen test on the CLINICAL CORINTH

the instrument you need to facilitate diagnoses

Diagnosis of biopsy materials is too often impeded by the limitations of the light microscope. These limitations are overcome by the overlapping magnification range of Clinical Corinth, a new AEI electron microscope specifically designed for diagnosis. Clinical Corinth provides a correlated technique – and the following distinct advantages:-

- ★ Search magnification 100X – establishes the critical areas
- ★ Magnification range 250X to 40,000X in twelve steps – reveals the finest details
- ★ Maximum field view 225 μ m diameter – large area observation

★ Resolution 10Å point-to-point guaranteed – high contrast, bright images without heavy specimen staining.

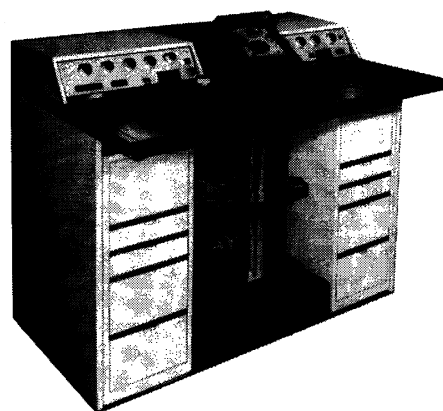

★ Extra large viewing screen – 6½ in. square (165mm) – designed and located for group viewing

★ Four specimen holder for rapid throughput

★ Compact, award winning design – all instrumentation housed in console

★ Simple operation, proven performance, very attractive price

See Clinical Corinth and Corinth 500 at Micro 74 Symposia and Exhibition, West Centre Hotel, London, 8–12 July.

Herpid is 5% idoxuridine, an agent effective against DNA viruses, in dimethyl sulphoxide, a penetrating solvent.

Herpid, brushed on to the vesicles by the patient regularly for 4 days, rapidly reduces pain and resolves lesions.

Eradicates pain

Herpid halves the duration of pain (otherwise often severe and long lasting) in most zoster

patients. In one series the median duration of pain was only 3 days.

Less postherpetic neuralgia

Herpid greatly reduces the incidence and severity of postherpetic neuralgia.

Resolves lesions quickly

Herpid cuts the average healing time of lesions by almost a third.

Herpid is most effective when used early in the course of the

disease. So consider zoster in any patient presenting with unilateral root pain and prescribe Herpid.

Further information and dermatome maps are available on request. Please write or phone:

This is
time she
to you for

How long before
she's back again

Not long, it seems, if her hypnotic prescription is renewed. Admittedly she sleeps well enough while the tablets last. But what happens when they stop? Her insomnia duly returns and she is obliged to come back for more. It's been like this for months.

But it needn't go on like this – not with 'Surmontil'. The return of insomnia is usually a sign of an underlying, untreated disturbance – anxiety/depression. And 'Surmontil', by itself, in once-nightly dosage, supplies the requisite comprehensive relief.

An immediate, marked sedative effect for continued symptomatic control of the insomnia.^{1, 2, 3}

Together with pronounced anxiolytic/antidepressant actions to definitively remove its causes,^{4, 5, 6} so permitting, in time, unaided sleep and the withdrawal of treatment.

With 'Surmontil', in short, you do more than just prescribe a name. You write, in seconds, a happy ending to the most wearisome of stories.

Are asthmatic attacks ruining her lungs?

Asthmatic attacks can damage lungs.

Sometimes the bronchioles lose their elasticity, the ability to expel phlegm is impaired and there is increased risk of infection.

Sometimes the alveoli themselves may suffer damage.

Aerosol bronchodilators can help, but only when the attack is under way, and there may already be damage.

Only Intal prevents the attack and eliminates these problems.

With Intal, there is no danger of side effects, no risk of misuse and no diminution of therapeutic effect.

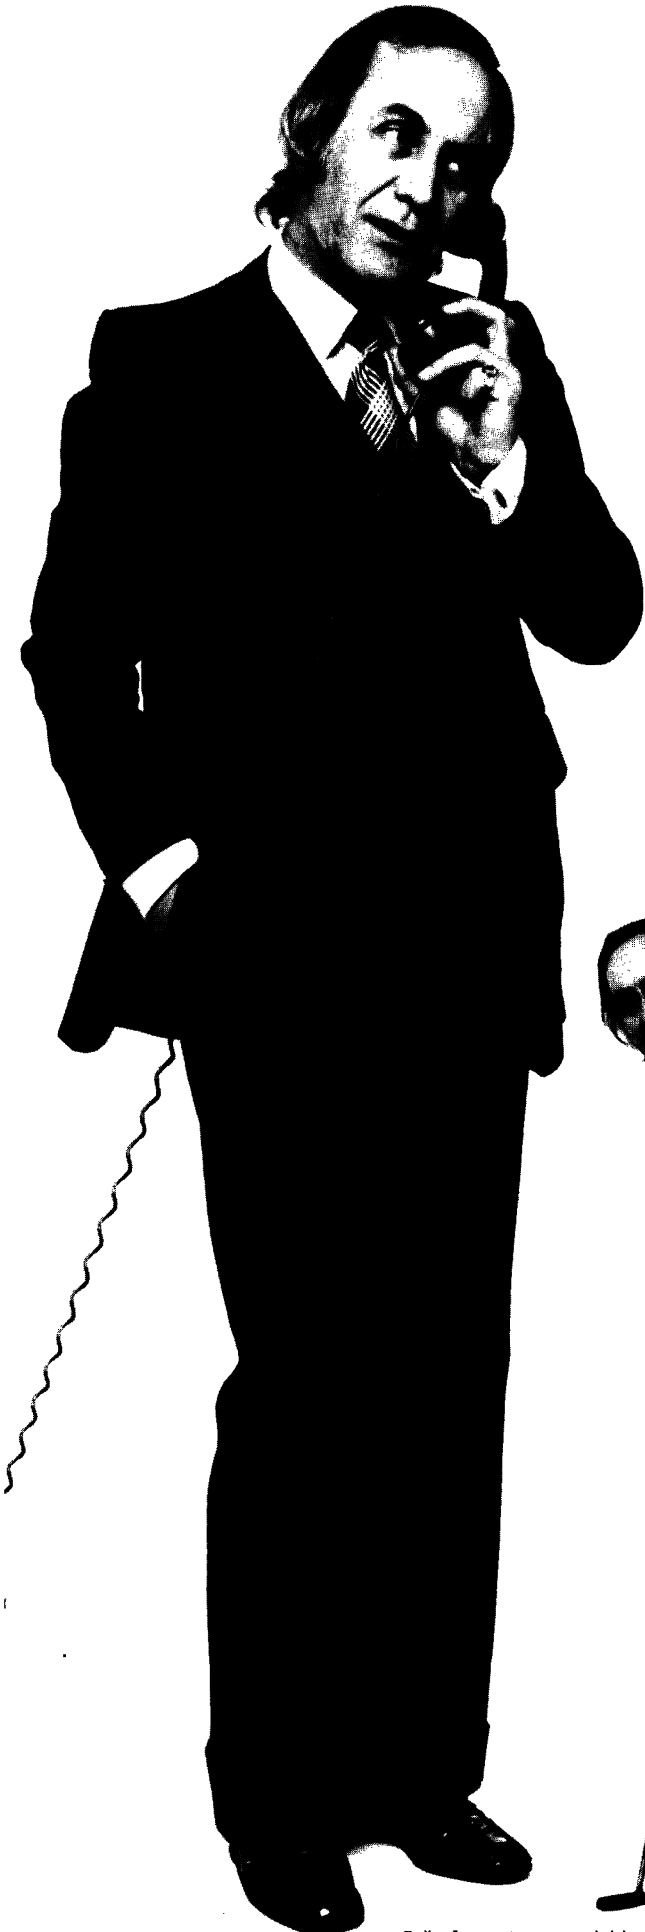

Put them on Intal.
Give them a fighting chance.

Intal

the ulcer fighter

When an infection causes concern

In treating children's infections such as otitis media and acute bronchitis, you can be more certain of first-time success when you prescribe Magnapen Syrup.

Magnapen destroys all the bacteria commonly met in general practice. And Magnapen's greater certainty means that your young patients are more likely to respond quickly, relieving anxiety at home.

So you can depend on Magnapen when treating severe infections in children, even when there are no laboratory reports to guide you.

Full information on Magnapen* (ampicillin with flucloxacillin in equal parts) is available from:

Beecham Research Laboratories
Brentford, England.

Syrup**

She's back with a

Most therapeutic agents work well in urinary tract infections, and Amoxil is no exception.

But, quite apart from its effectiveness, Amoxil is a better routine because it has six other virtues with which no other treatment can fully compare.

1. Patient-proof Amoxil is taken t.d.s. – breakfast, teatime and bedtime – and the patient doesn't have to remember to take it on an empty stomach.

2. Economical Apart from the antibacterial sulphonamides, Amoxil is the cheapest antibiotic for

urinary tract infections.

3. Safety Penicillin safety allows you to prescribe with confidence in pregnancy or where pregnancy would be a disquieting possibility (there are more than 10 million women of child-bearing age in the United Kingdom).

4. Better tolerated A remarkably low incidence of side-effects with less rash and diarrhoea than ampicillin.

AMOXIL

better routine

- 5. Bactericidal Amoxil eradicates bacteria, rather than merely inhibiting their growth.
 - 6. Effective concentrations – in the blood, urine, kidney and tissue ensure rapid resolution of infection.
- Full information on Amoxil (regd), amoxycillin, is available from: Bencard, Brentford, Middlesex.

-high flyer in urinary tract infections

'Orudis' in arthritis

Optimal efficacy and tolerance now further confirmed by two new studies

Activity equal to that of phenylbutazone

"... in 47 patients with osteoarthritis of the hip, it has been shown that there is little to choose in efficacy between ketoprofen ['Orudis'] 200mg daily and phenylbutazone 300mg daily... Side-effects were mild..."¹

Comparative clinical studies with indomethacin³ and ibuprofen⁴ have already shown that 'Orudis' affords both significant therapeutic effect and low toxicity in the treatment of arthritis.

1 *Rheumatol. and Rehabil.* (in press), 1974

2 *Scand. J. Rheumatol.*, (in press), 1974

Tolerance markedly superior to that of aspirin

"... a trial with gastroscopic examinations has allowed the adoption of the hypothesis that the new anti-inflammatory product ketoprofen ['Orudis'] is better tolerated by the gastric mucosa than acetylsalicylic acid..."²

The latest comparisons with two further widely prescribed agents provide additional cogent evidence of its ability to meet the criteria for optimal drug management.

3 *Br. Med. J.*, iv, 398, 1973 4 *Br. Med. J.*, iv, 82, 1973

twice daily

NAPROSYN

naproxen 250 mg.

**Powerful
in arthritis**

**Kind
to patients**

Courtesy of Westminster Hospital

Naprosyn is a powerful non-steroidal anti-inflammatory agent with analgesic properties, for the treatment of rheumatoid arthritis, osteo-arthritis and ankylosing spondylitis. Naprosyn significantly reduces morning stiffness, relieves painful joints, increases mobility and improves grip strength. Naprosyn is well tolerated.

NAPROSYN round-the-clock action in
rheumatoid and osteo-arthritis

Prescribing Information

Presentation: NAPROSYN (naproxen) is a new and unique non-steroidal anti-inflammatory agent, developed by Syntex Research. It is unrelated to salicylates, the corticosteroid hormones, or to other anti-inflammatory compounds now in use. It is presented as a yellow half-scored tablet containing 250mg of naproxen, inscribed NAPROSYN on one side, and SYNTEX on the other.

Indications: NAPROSYN is indicated for the treatment of rheumatoid arthritis, osteo-arthritis (degenerative arthritis) and ankylosing spondylitis.

NAPROSYN has been shown to have striking anti-inflammatory properties when tested in classical animal test systems. In addition, it has marked analgesic and antipyretic actions. It exhibits its anti-inflammatory effect even in adrenalectomised animals, indicating that its action is not mediated through the pituitary-adrenal axis. It inhibits prostaglandin synthetase, as do other non-steroidal anti-inflammatory agents. As with other agents, however, the exact mechanism of its anti-inflammatory action is not known.

Dosage and Administration: The recommended starting dose (and usual maintenance dose) of NAPROSYN is 250mg twice daily, usually given with the morning meal and about 12 hours later. Dosage adjustment within the range of 375mg to 750mg daily, maintaining twice-daily administration, may be required for long-term maintenance. As safety and efficacy studies in children are not yet complete, the product is currently not recommended for use in children under 16 years of age.

Contra-indications: There are no known absolute contra-indications.

Special Precautions and Warnings: NAPROSYN has been found to be well tolerated by patients exhibiting dyspepsia with other similar agents. Nonetheless episodes of gastro-intestinal bleeding have been reported in patients with NAPROSYN therapy. NAPROSYN should be given under close supervision to patients with a history of gastro-intestinal disease.

Due to the high plasma protein binding of NAPROSYN patients simultaneously receiving hydantoins, anti-coagulants or a highly protein-bound sulphonamide should be observed for signs of overdosage.

Occasional skin rashes and angio-oedema have been reported. Patients who have exhibited aspirin hypersensitivity in the past (usually as the angio-oedema/asthma

syndrome) may exhibit the same phenomenon on NAPROSYN. The following additional occurrences have been reported with NAPROSYN but a causal relationship to NAPROSYN has not been established: abdominal discomfort, epigastric distress, headache, inability to concentrate, insomnia, thrombocytopenia, tinnitus, vertigo.

Sporadic abnormalities in laboratory tests (e.g. liver function tests) have occurred in patients on NAPROSYN therapy but no definite trend was seen in any test indicating toxicity.

Teratology studies in rats and rabbits, at dose levels equivalent on a human multiple basis to those which have produced foetal abnormality with certain other non-steroidal anti-inflammatory agents, e.g. aspirin, have not produced evidence of foetal damage with NAPROSYN. As with other drugs of this type NAPROSYN produces delay in parturition in animals. The relevance of this finding to human patients is unknown. However, good medical practice indicates minimal drug usage in pregnancy, and use of this class of therapeutic agents requires cautious balancing of possible benefits against potential risks to the mother and foetus.

Overdosage: Should a patient ingest a large number of NAPROSYN tablets accidentally or purposefully, the stomach may be emptied and usual supportive measures employed. Animal studies indicate that the prompt administration of activated charcoal in adequate amounts would tend to reduce markedly the absorption of the drug.

Pharmaceutical Precautions: Protect from light.

Legal Category: To be supplied on prescription only.

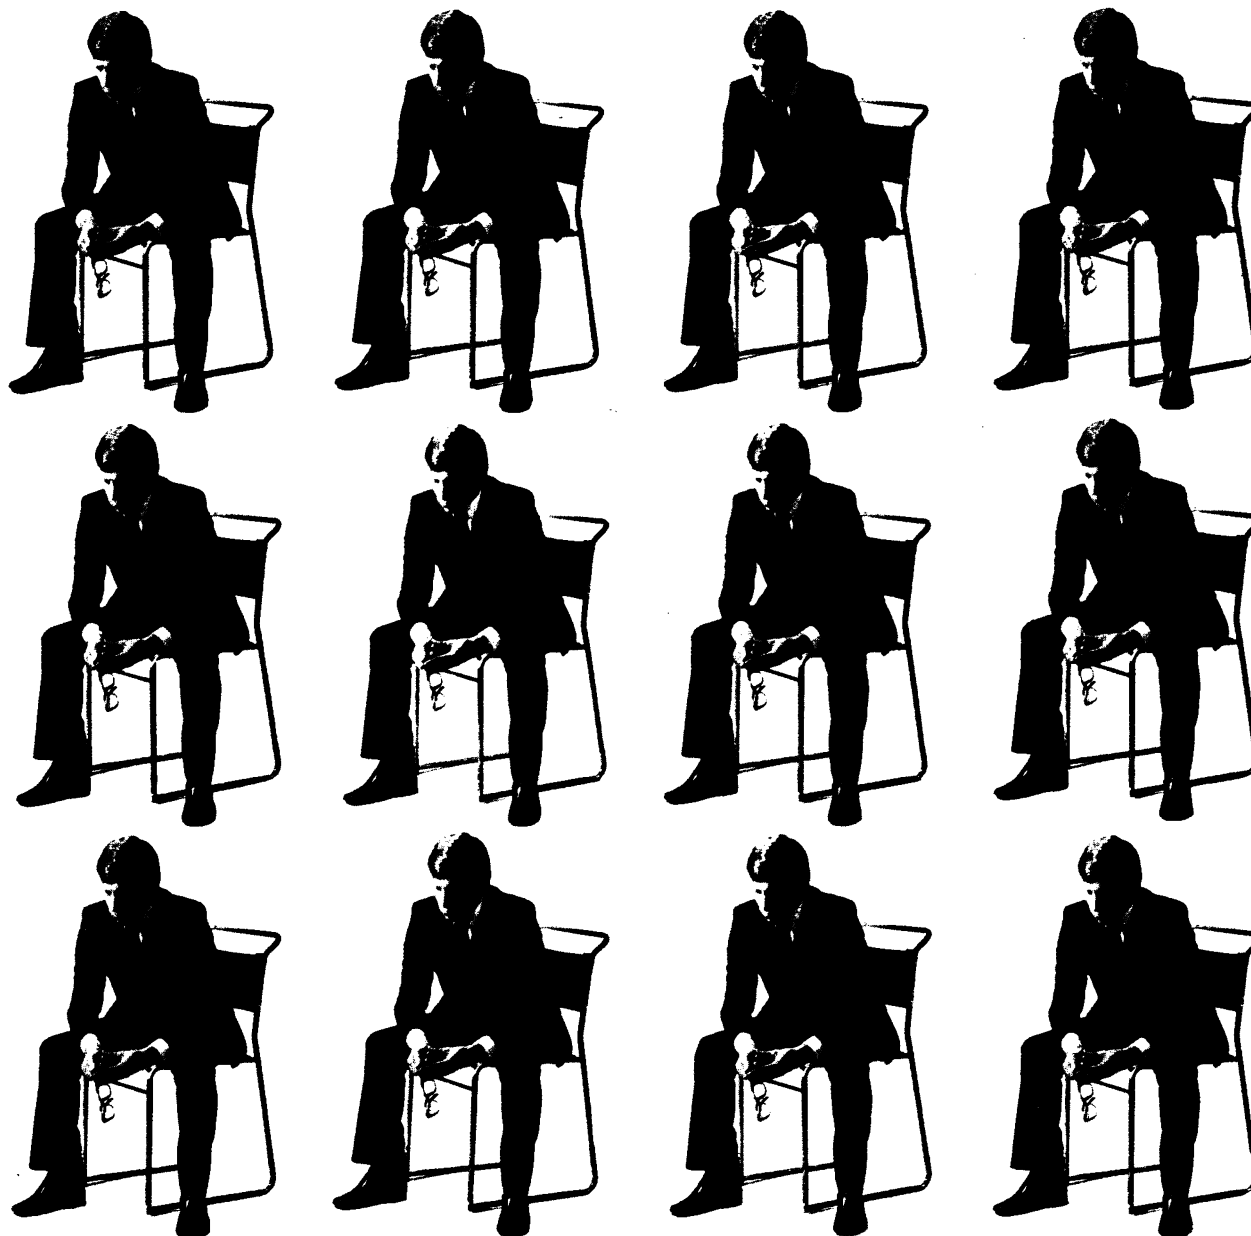

Package Quantities: NAPROSYN is supplied in canisters of 250 tablets. (N.H.S. Price £17.50).

Further information. In addition to the excellent therapeutic efficacy demonstrated by NAPROSYN in comparative clinical trials, good tolerance has been demonstrated, even in patients exhibiting multiple intolerance to other commonly used non-steroidal anti-inflammatory agents.

Product Licence Number PL/0286/0031B (NAPROSYN is a registered trade mark).

Product Licence Holder: Syntex Pharmaceuticals Limited, St. Ives House, Maidenhead, Berkshire. Technical literature, symposia proceedings and full bibliography are available on request.

SYNTEX

Gastritis

**If antacids were the complete answer,
would he return to your surgery so often?**

Antacids deal with excess acid. But, in many cases, dyspepsia involves more than this.

Unpleasant symptoms such as dyspepsia, heartburn and gastritis can frequently be traced back to disturbed gastric motility. Recent research has shown that in many patients food is retained for too long in the stomach, gastric contents enter the oesophagus, and bile refluxes from the duodenum.¹

With Maxolon, you can resolve this underlying problem. Maxolon restores gastric motility to normal, so that symptoms of dyspepsia are prevented.

Prescribe Maxolon (tablets or syrup) for your dyspepsia patients. They—and you—will appreciate the difference.

Full information on Maxolon in gastroduodenal conditions is available on request.

1. Proceedings of Symposium on Maxolon
Postgrad. med. J., (1973), 49, (Suppl.) 104.

Maxolon* (metoclopramide) is a product of
Beecham Research Laboratories,
Brentford, England.

MEDICINE IN OLD AGE

The series of twenty two articles published in the British Medical Journal throughout the winter has been collected in book form as a convenient source of reference for general practitioners. The emphasis is on remedial mechanisms, and the use that can be made of psychogeriatric and social services in keeping the elderly healthy and relatively independent members of the community.

UNIVERSITY OF MANCHESTER

Department of Audiology and Education of the Deaf

Course for Otolologists and Neurologists in the Diagnosis and Management of Hearing and Speech Disorders in Children, and Hearing and Balance Disorders in Adults.

Non-residential course — 9th to 13th September, 1974

Lectures and clinical demonstrations will be given of testing procedures used with all age groups together with interpretation of results. Consideration will also be given to the management of young deaf children and their parents, speech and language problems of childhood. Particular emphasis will be placed on those disorders which are not especially amenable to surgical treatment.

The lecturers will be drawn from the Department's own staff, together with a number of distinguished guest lecturers. Fee: £50.

Approved under the Advanced Postgraduate Training Scheme. Further details from Professor I. G. Taylor, M.D., M.R.C.P., D.P.H., Department of Audiology, The University, Manchester M13 9PL. (27743) 4

IPSWICH HEALTH DISTRICT

VOCATIONAL TRAINING SCHEME ONE-YEAR COURSE IN GENERAL PRACTICE

During the year beginning 1st August, 1974, the teaching general practices the Ipswich scheme will be offering places to Post-Registration Doctors wishing to further their training by doing a traineeship in General Practice.

It is hoped to appoint a group of 8 Doctors, so that it will be possible to run a day-release training programme, which has been a very successful feature of the Ipswich scheme in the past. It is likely that accommodation can be provided.

Applications should be addressed to The Clinical Tutor, Postgraduate Medical Centre, The Ipswich Hospital, Angelsea Road Wing, Ipswich.

Visits to the training practices can be arranged on request. Early application is advised, as a number of candidates are already being interviewed. (23101) 4

THE MEDICAL COLLEGE OF ST. BARTHOLOMEW'S HOSPITAL University of London

FINAL F.R.C.S. HALF-DAY COURSE
A course of clinical sessions and lectures for Final F.R.C.S. examination candidates will be held at St. Bartholomew's Hospital each Wednesday from the 31st July to the 16th October 1974 from 2 p.m. to 6 p.m.

The emphasis of the course will be on clinical sessions and will include lectures, Pathology, Operative and X-Ray Sessions and candidates will be expected to write papers. The course is officially recognized for Study Leave and claims for reimbursement of the fee of £25 will be considered under the provisions of HM67(27).

Application forms and further information available from Mr. M.H. Irving, F.R.C.S. Department of Surgery, St. Bartholomew's Hospital, West Smithfield, London, EC1A 7BE. (01-606 7777 Ext. 630). (28016) 4

THE UNIVERSITY OF MANCHESTER Faculty of Medicine

DIPLOMA IN PSYCHOLOGICAL MEDICINE
Registered medical practitioners are invited to apply for a course in preparation for this Diploma which starts in October, 1974. Instruction is part-time for eight University terms, occupying two half days a week for the first two terms and three half days for the remaining six terms. Attendance at this course will also serve to prepare suitable applicants for Membership of the Royal College of Psychiatrists. Candidates for the course should normally hold training posts in the National Health Service. These may be at one of the two teaching hospitals, United Manchester Hospitals and the University Hospital of South Manchester, which offer a number of posts in the Senior House Officer and Registrar grades, or at other psychiatric units in the Manchester Region. Special provisions for extended part-time clinical work can sometimes be made for married women. Doctors intending to apply for the course, who wish to obtain a hospital post in this area should state this in their application and also watch the medical press for details of such vacancies. Further particulars from Professor David Goldberg, Department of Psychiatry, University Hospital of South Manchester, West Didsbury, Manchester, M20 8LR, to whom application should be made as soon as possible. (28060) 4

RADIOTHERAPY COURSE FOR D.M.R.T. AND F.F.R.

A full-time course of instruction for both the D.M.R.T. and the F.F.R.R. examinations begins at the Christie Hospital & Holt Radium Institute on 7th October. The fee per annum is £35. Applicants must be registered medical practitioners who fulfill the requirements as to previous medical experience laid down by the Examining Board in England. Applicants may be eligible for S.H.O. appointments. Special consideration given to candidates with higher qualifications in medicine or surgery, for whom registrar appointments may be available. Further information from the Dean of Postgraduate Studies, The Royal Infirmary, Manchester, M13 9PL, or Professor Eric C. Easson, Director of Radiotherapy, Christie Hospital & Holt Radium Institute, Withington, Manchester, M20 9BX. (28059) 4

UNIVERSITY OF BRISTOL

COURSE IN THE INITIAL MANAGEMENT OF ACCIDENTS AND EMERGENCIES

A course in the initial management of Accidents and Emergencies will be held at Frenchay Hospital, Bristol, from Monday, 21st October until Friday, 25th October, 1974 inclusive.

It will cover all aspects of accident and emergency work and will consist of lectures, demonstrations, discussion groups and films. The course will be aimed primarily at Accident Officers and General Practitioners with an interest in Immediate Care.

Hospital doctors will be required to pay a fee of twenty five pounds, which will be reimbursed by their Employing Authority. Cheques should be made payable to the University of Bristol. The course is recognized under Section 63.

Numbers may be limited and early application is advised.

Application forms and further information may be obtained from the Secretary, Medical Postgraduate Dean's Office, University of Bristol, 21 Woodland Road, Bristol 8. (28066) 4

GENERAL PRACTICE
TRAINING POSTSKIRKLEES
AREA HEALTH AUTHORITY
DEWSBURY DISTRICTVOCATIONAL TRAINING SCHEME
FOR GENERAL PRACTICE

Applications are invited from Medical Practitioners for two Senior House Officer posts, to initiate the Dewsbury District vocational training scheme.

Programme Comprises: 1st Year. Six months paediatrics and six months in general medicine and dermatology. 2nd/3rd Year. Six months obstetrics and gynaecology and six months geriatrics (including certain duties in acute general medicine and coronary care) or accident and emergency, interspersed with two six months periods in general practice.

Throughout the course there will be integrated teaching in General Practice in the Dewsbury Post Graduate Medical Centre and with the Huddersfield District of the Kirklees Area Health Authority.

Arrangements will be made for Psychiatric Seminars and Ophthalmic experience, and also experience in the work of the Community Physician's Department.

The posts are recognised for D. Obst. R.C.O.G., D.C.H. and recognition is also being sought for the M.R.C.G.P.

The successful candidates will be based at Staincliffe General Hospital, which has 397 general beds. Married accommodation may be available if required.

Please apply in writing to the Personnel Officer, Kirklees Area Health Authority, Dewsbury District 20 Oxford Road, Dewsbury, Yorks. (30812) 21

SEFTON
AREA HEALTH AUTHORITY
Southern District
and the University of LiverpoolVOCATIONAL TRAINING
FOR GENERAL PRACTICE

Applications are invited for a 3 year course, commencing 1st September, 1974, based on Walton Hospital.

The programme consists of 2 years in hospital posts selected from a wide range of specialties (including Obstetrics), together with two six months periods in General Practice.

Trainees will attend the day release course organised by the University of Liverpool.

It is expected that hospital married accommodation will be available during the whole of the 3 years.

For application, and full details of the scheme, obtainable from Mr. K. A. P. Gill, District Administrator, Sefton Area Health Authority, Southern District, Walton Hospital, Rice Lane, Liverpool L9 1AE, to whom applications should be returned not later than 18th July, 1974. (23109) 21

CHASE FARM HOSPITAL
ENFIELD, MIDDLESEX & THE
MIDDLESEX HOSPITAL
LONDON W.1.VOCATIONAL TRAINING SCHEME
FOR GENERAL PRACTICE

Applications are invited for a 3 year appointment (S.H.O. Grade) in a Vocational Training Scheme for General Practice. 2 vacancies exist commencing 1st September 1974.

The programme will include an initial month and the final year in an approved training practice in the Enfield area. The first year of the hospital programme will be spent at Chase Farm Hospital, Enfield, to include 6 months in general medicine and 6 months in either accident and emergency, obstetrics and gynaecology, or paediatrics. The second year will be at The Middlesex Hospital, London, W.1. and will include dermatology, geriatrics, psychiatry, E.N.T. and ophthalmology. Throughout the three year course a half-day release scheme will operate to enable trainees to attend courses of lectures in General Practice. Married and single accommodation will be available. The scheme has been approved by the Royal College of General Practitioners.

Applications, together with copies of two recent testimonials, should be sent to the Hospital Secretary at Chase Farm Hospital, Enfield, by 26th July 1974. (30024) 21

LANCASHIRE
AREA HEALTH AUTHORITY
Ormskirk DistrictVOCATIONAL TRAINING SCHEME
FOR GENERAL PRACTICE

Applications are invited from fully registered doctors for four vacancies to this scheme commencing 1st September 1974.

These posts consist of fifteen months in general practice (on 3 separate occasions) linked with the following S.H.O. appointments. Medicine (6 months) Paediatrics (6 months at the Royal Liverpool Children's Hospital). Obstetrics & Gynaecology (6 months, recognised for Dip. Obst.). Accidents & Emergencies (3 months). Rented accommodation will be available.

Enquiries about the scheme and applications should be sent to the Administrator, Ormskirk & District General Hospital, Wigan Road, Ormskirk, Lancs. L39 2AZ. (27776) 21

SCOTTISH BORDERS HEALTH SERVICE

VOCATIONAL TRAINING SCHEME
FOR GENERAL PRACTICE

Applications are invited for two places in a Vocational Training Scheme in preparation for General Practice, due to begin in this Area on or about 1st August 1974.

These posts will be in the S.H.O./Registrar grade and will cover a three year training programme. The first year to be based at Peel and Sanderson (Galashiels) Hospitals and will include combined duties in the Acute Medical Wards (60 beds) and the Geriatric Assessment Unit of 30 beds at Peel and Sanderson Hospitals respectively.

The second year will be a period of six months in the Orthopaedics and accident and Emergency Wards at Peel Hospital and six months Obstetrics at the Elsie Inglis Hospital, Edinburgh.

The third and final year will be in General Practice with a General Practitioner trainer in the Borders Area.

During the three year period arrangements will be made for training experience in other specialties of interest to General Practice.

An approach is being made to the Royal College of General Practitioners for recognition of this training scheme as appropriate for candidates for the M.R.C.G.P.

Married accommodation will be available during the period of training at Peel and Sanderson Hospital and could be made available for the full three year period.

Further particulars may be obtained from the Secretary, Dept (T) Borders Health Board, Newstead, Melrose, Roxburghshire TD6 9DB with whom applications should be lodged immediately but not later than 15th July 1974.

Applications should be typewritten and should have particulars of age, education and previous experience together with the names and addresses of two referees. (28051) 21

WEST SUSSEX
AREA HEALTH AUTHORITY
Chichester District

Applications invited for 3-year appointment, starting 1st September, 4 resident Senior House Officer posts followed by 1 year in general practice. Recognized for M.R.C.G.P. Active Postgraduate Medical Centre. Excellent single or married accommodation.

Applications with full details and names of referees to District Medical Staffing Section, St. Richard's Hospital, Chichester. (30853) 21

BURY ST. EDMUNDS HEALTH DISTRICT

West Suffolk
Vocational Training
Scheme for
General Practice

Applications are invited for this 3 year Scheme which will commence on the 1st October, 1974. The Scheme is recognized by the Royal College of General Practitioners. This will be the second year of the Scheme. 2 Trainees are appointed to the Scheme annually. The initial 3 months and final 9 months General Practice attachments are split by four specially created hospital in service Senior House Officer appointments:

- 6 months Obstetrics and Gynaecology (Recognized for D.Obst.R.C.O.G.)
- 6 months Paediatrics (Recognized for D.C.H.)
- 6 months General Medicine and Geriatrics
- 6 months Psychiatry with sessional commitments to Casualty.

The Scheme is centred on a New District General Hospital and will operate in an Urban and Rural area in which there is a good General Practitioner/Consultant liaison.

There will be weekly half day elective periods which will provide a comprehensive Course on all aspects of General Practice throughout the Scheme.

The Suffolk Area Health Authority will make salary payments and the District Management Team will provide accommodation in Bury St. Edmunds for the 3 year period.

Further information and application forms are available from the Hospital Secretary, West Suffolk Hospital, Bury St. Edmunds, Suffolk IP33 2OZ. Tel: Bury St. Edmunds 63131, Ext. 538. Closing date 9th July, 1974.

**NOTTINGHAMSHIRE
AREA HEALTH AUTHORITY
(TEACHING)
WORKSHOP AND RETTFORD
VOCATIONAL TRAINING SCHEME
FOR GENERAL PRACTICE**

This is a new scheme which will start on 1st September, 1974. Initially there will be four vacant posts.

The training will be arranged to cater for the individual successful applicant's needs. All trainees will be offered four 6-month S.H.O. posts from the specialties of general medicine, obstetrics, paediatrics, geriatrics (acute work with day hospital facilities) and accident and emergency. This hospital service will be preceded and followed by six months in general practice with one trainer.

Experience in E.C.T. dermatology, orthopaedics, psychiatry and ophthalmology and a half-day release programme will be available throughout the course.

Accommodation available, but not necessarily within Hospital Premises.

The paediatric post is recognized for the D.C.H. examination and the obstetric post for the D.Obst. R.C.O.G.

Application has been made through the Royal College of General Practitioners for recognition of the scheme as fulfilling the requirements for the M.R.C.G.P. examination. Workshop is a medium-sized town in rural North Nottinghamshire within easy reach of Sheffield, Doncaster, Nottingham and is the gateway to the Dukeries.

Written applications giving full experience of training and qualifications etc. to Assistant District Administrator, Victoria Hospital, Workop. S80 2BN. (30564) 21

**UNIVERSITY AND
RESEARCH
APPOINTMENTS**

**INSTITUTE OF UROLOGY
(University of London)
in association with
St. Peter's Hospitals**

Applications are invited for the post of

**SENIOR LECTURER
IN GENERAL UROLOGY**

AND RENAL TRANSPLANTATION
The appointment will be for three years in the first instance and, subject to personal confirmation on appointment, the holder of this post will be granted an Honorary Consultant contract with the Board of Governors, St. Peter's Hospitals. Department of Physiology
and Manchester Royal Infirmary
Department of Anaesthetics**

Applications invited for a joint post, tenable from 1st September or as soon as possible thereafter of

**TEMPORARY LECTURER IN PHYSIOLOGY
S.H.O. IN ANAESTHETICS**

Duties will include teaching medical and science students in the Department of Physiology and clinical responsibilities in the Department of Anaesthetics at M.R.I. Applicants should be medically qualified preferably with experience in anaesthetics. The post is suitable for study for a further qualification. Salary range £2,475 — £2,850 p.a. Further particulars and application forms (returnable by 20th July) from the Registrar, The University, Manchester, M13 9PL. Quote ref: 135/74/JMB. (27748) 25

UNIVERSITY OF MANCHESTER

SENIOR LECTURER IN ANATOMY

Applications for this post are invited from persons with a medical qualification registrable in this country. Research facilities are excellent, including histochemistry, tissue culture and electron-microscopy. Contact and links with paraclinical and clinical departments could be arranged. Duties to commence 1st October 1974 or as soon as possible thereafter. Salary range p.a. £4,707 - £5,844. F.S.S.U. Further particulars and application forms (returnable by 15th July) from the Registrar, The University, Manchester M13 9PL. Quote ref: 138/74/JMB. (27827) 25

THE UNIVERSITY OF MANCHESTER

**SENIOR LECTURER IN SURGERY
CONSULTANT SURGEON**

Applications are invited for this post in the Department of Surgery at Hope Hospital, Salford. This is a rapidly developing teaching hospital associated with the University Medical School and the department of surgery is one of the first of several academic departments to be set up during the next two years. The successful applicant, who must hold a higher surgical qualification, will be granted honorary consultant status by the Salford Area Health Authority (Teaching) and will be responsible for the care of patients in the academic department. He will also act as clinical deputy to the Professor elect of Surgery (Professor Miles Irving). The applicant should be trained as a General Surgeon, but have a special interest in vascular surgery. The Department of Surgery is represented in the new Medical School building thereby ensuring excellent research facilities. Salary range per annum: £5,085 - £7,599 p.a. F.S.S.U. Further particulars and application forms (returnable by 16th July) from the Registrar, The University, Manchester, M13 9PL. Quote ref: 137/74/JMB. (27780) 25

**UNIVERSITY OF LIVERPOOL
Department of Obstetrics
and Gynaecology**

Applications are invited for the post of

LECTURER

The normal tenure of appointment is up to three years at an initial salary within the range £3,240—£3,696 per annum on a scale rising to £4,989 per annum according to qualifications and experience.

The successful candidate, who will have Honorary Senior Registrar status with the Liverpool A.H.A. (T), will be expected to undertake duties in the five hospitals served by the Department, to assist with the large teaching commitment, to accept responsibility for some departmental administration and to undertake research.

This University operates a scheme whereby a Lecturer might be exchanged with a Senior Registrar for a period not exceeding one year.

The post is tenable from 1st August, 1974. Applications, together with the names of three referees, should be received not later than 22nd July, 1974, by the Registrar, The University, P.O. Box 147, Liverpool L69 3BX, from whom further particulars may be obtained. Quote ref. RV/BMJ/276095. (28030) 25

OCCUPATIONAL HEALTH

Attention is drawn to the British Medical Association's statement of policy on the Remuneration of Industrial Medical Officers as approved by the Representative Body, which is available on request from the Secretary.

Unilever

Applications are invited from registered medical practitioners, preferably between 28 and 35 years, to join the full-time staff of the Unilever Occupational Medical Service based on the Head Office at Blackfriars, London, E.C.4.

The successful candidate's duties will include health supervision of employees in a number of factories and offices in the Unilever Group situated in the Greater London area; advice to management on problems relating to the health of the working communities; examinations for home and overseas appointments.

Candidates should have a good standard of clinical medicine combined with an interest in preventive and occupational medicine. Experience in general practice would be an advantage. An opportunity for further post-graduate training will be available after a period of satisfactory service. Salary will be in accordance with experience, qualifications and age, and will not be less than that set out in the B.M.A. scale. A car is provided and the Company has a generous contributory pension scheme.

The list of those invited to attend for interview will be made out from the letters of application. Candidates are therefore asked to give full details of their training and experience including their reasons for wishing to make a career in occupational medicine.

The names of two persons to whom reference may be made should also be included.

Applications should be submitted to the Principal Medical Adviser, Unilever House, Blackfriars, London EC4P 4BQ.

UNIVERSITY OF ADELAIDE
MORTLOCK CHAIR OF MEDICINE

Applications are invited for the above-mentioned appointment in succession to Professor D. J. Deller. The new Professor, who must hold a medical qualification registrable in South Australia, will be located at the Royal Adelaide Hospital. The Department of Medicine is responsible for a 32-bed unit at each of the Royal Adelaide and The Queen Elizabeth Hospitals and has office and laboratory space at both locations. The Michell Chair at The Queen Elizabeth Hospital is occupied by Professor A. G. Wangel.

Teaching in Medicine is carried out in the three clinical (fourth to sixth) years of the medical curriculum. Present research interest in the Department are in the fields of haematology, including marrow failure and folate metabolism, the biology of trace elements, the metabolism of mucosa, clinical immunology, oncology, hepatitis and liver disease, medical education and clinical pharmacology.

Salary: \$A19,614 a year with superannuation on the F.S.S.U. basis and for an eligible candidate, supplementary superannuation and pension schemes. In addition to basic salary the Professor will receive on account of his registrable qualification a clinical allowance at the rate of \$A3,000 a year.

Further information: Potential candidates are invited to obtain from the Secretary-General, Association of Commonwealth Universities (Appts), 36 Gordon Square, London WC1H 0PF, or from the Registrar a statement of general information about the University, The Medical School, the Department of Medicine and the Royal Adelaide Hospital, and formal terms of appointment. Any further information desired should be sought from the Registrar.

Applications (in duplicate) giving the particulars listed in paragraph 8 of the Statement should reach the Registrar of the University, G.P.O. Box 498, Adelaide, South Australia 5001, not later than 30 August 1974. (23172) 25

UNIVERSITY OF EDINBURGH

CLINICAL RESEARCH FELLOW
A clinical graduate preferably with M.R.C.P.(U.K.) is required for a research fellowship in relation to an M.R.C. programme grant on Autoimmunity in Disease under the direction of Dr. W. J. Irvine. The post, which is for two years in the first instance is one of the clinical lecturer scale (£2562 — £4866) and would carry honorary registrar status initially with the possibility of honorary senior registrar status. The successful applicant would be a member of a team working on clinical immunology and would be principally concerned with the clinical aspects, although he would also have opportunities for laboratory work. The post also offers opportunities for maintaining contact with general medicine and clinical experience in endocrinology.

Applications, giving the names of two referees, should be sent to the Secretary to the University, University of Edinburgh, Old College, South Bridge, Edinburgh, EH8 9YL, not later than 19th July, 1974. Please quote reference number 5026. (23169) 25

UNIVERSITY OF THE
WEST INDIES
Jamaica

Applications are invited for the post of
LECTURER

IN HAEMATOLOGY
in the Department of Pathology. Appointee will be attached to the University Hospital and will teach students for the M.B. B.S. degree. The appointment is for two years only. Salary scale: J \$7,860—J \$10,752 p.a. (£1 sterling — J \$2.2) F.S.S.U. **ACCIDENT AND
EMERGENCY
(including CASUALTY)**

ST. GEORGE'S HOSPITAL
London

CONSULTANT

IN ACCIDENT AND EMERGENCY SERVICES
Applications are invited for a new post of Consultant in charge of the Accident and Emergency Departments at SW1 and SW17. These departments deal with emergencies and casual attenders, the patients being about equally divided between medical and surgical cases. The duties of the new Consultant will be the primary care of these patients, the teaching of students in the Department and the supervision and postgraduate training of Casualty Officers. He will also contribute to the planning and organisation of the Accident and Emergency Departments in the new hospital at SW17 (Phase II). The post will be whole-time or maximum part-time and applicants will be expected to have had not less than eight years post-qualification experience, with several years experience at a highly responsible level in emergency services. A higher qualification is desirable but not essential in candidates who have a fully appropriate range of experience.

The successful candidate will be required to reside within ten miles by road of St. George's Hospital, SW17.

Further details and application forms, which should be returned by 27th July, 1974, may be obtained from the Medical Staffing Office, St. George's Hospital, SW1 (Tel: 01-235 4343, Ext. 209). (H10068) 51-1

GWYNEDD AREA HEALTH AUTHORITY

Appointment of TEMPORARY/RESIDENT REGISTRAR IN EMERGENCY/ACCIDENT DEPARTMENT
Llandudno General Hospital, Llandudno, for the period June until 30th September 1974, inclusive. Single accommodation being available at the hospital.
This appointment is additional to the regular S.H.O. already in post.
The hospital is situated in delightful surroundings, facing the sea, close to the Maesdu Golf Club and within a few minutes from the centre of town.
Excellent facilities for Postgraduate Study available, both at the Hospital and at the Central Library at the C. & A. General Hospital, Bangor.
Arrangements also available for attending Hospital clinical meetings, and basic Science Courses at Bangor University.
Applications with names and addresses of two referees to the Hospital Secretary at the above address within seven days of appearance of this notice. (28080) 51-6

LANCASHIRE AREA HEALTH AUTHORITY
Blackpool Health District

The North Western Regional Health Authority invites applications for the post of **REGISTRAR IN THE ACCIDENT AND EMERGENCY DEPARTMENT (Resident)**
at the Victoria Hospital, Blackpool, which is vacant on the 1st August, 1974, to complete the staffing attached whole-time to the Department under the overall control of a Consultant Orthopaedic Surgeon and comprising one Medical Assistant, one Registrar and five Senior House Officers.
This post, in a modern busy Accident Unit in the District General Hospital for the area, is recognised under F.R.C.S. regulations. Generous mid- and post-graduate training facilities available. Flat may be available for a married officer.
Applications, stating age, qualifications and experience to the District Administrator, District Offices, Victoria Hospital, Whinney Hey Road, Blackpool, FY3 8NR (Tel: Blackpool 34111 Ext. 435). (H10095) 51-6

APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1974, No. 361).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

In particular, they will find full details of facilities provided in most hospitals in the United Kingdom in the current edition of the *Hospital Gazetteer*. If such details are not included members are advised to consult the Secretary of the B.M.A.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £1,914 per annum for the posts held during the first year; £2,061 per annum for posts held during the second year; £2,208 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,475 per annum x £189(1) x £186(1) — £2,850.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £2,850 per annum x £171(3) x £168(1) — £3,531.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £3,363 per annum x £168(1) x £216(4) — £4,395.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £3,156 per annum x £183(2) x £180(2) x £168(10) £5,562.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £5,085 per annum x £279(8) x £282(1) — £7,599.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rent is appropriate.

August, 1973

GWENT
AREA HEALTH AUTHORITY
South Gwent Health District
Royal Gwent Hospital
Newport, Mon
(442 beds)
Recognized F.R.C.S.

SENIOR HOUSE OFFICERS
required for Accident and Emergency Department. One to commence mid-July, and other August 1st. These posts are resident, and married accommodation is available.

The department is in the charge of a full-time Consultant Surgeon and has five Senior House Officers. All emergency cases are admitted through the Department which is responsible for resuscitation; it is fully equipped with apparatus for cardiac monitoring, positive pressure ventilation, as well as X-ray Intensifiers and a Berman F.B. Locator.

The Hospital is the base hospital for the Group and therefore has a large volume of acute cases in all specialties. It is being extensively redeveloped by a major capital building programme. An Intensive Care Unit is situated at the hospital.

There is a close connection with the teaching hospital at Cardiff, 10 miles to the west, and there is an extensive postgraduate education programme with a very good library. A postgraduate centre is situated at the hospital. These appointments will give ample opportunity for the successful applicants to avail themselves of these facilities.

Successful candidates will be expected to be resident on the nights on which he is on first call, which will be on average one night in five.

Please apply, quoting two referees, to the District Administrator, 64 Cardiff Road, Newport, Mon. NPT 2UA. (27551) 51-8

SOUTH GLAMORGAN AREA HEALTH AUTHORITY (TEACHING)

Applications are invited for a non-resident post of **SENIOR HOUSE OFFICER/REGISTRAR** (3 year Professional Training Appointments) in the Professorial Department of Anaesthetics, Cardiff. The successful candidate will be based in the University Hospital of Wales, but will also work in the other main centres in the area.

In addition to the formal attachment for clinical instruction, opportunity is given to attend a course in basic sciences for the primary F.F.A.R.C.S. examination and to attend departmental seminars.

Subject to review end of first year. Application forms from Mr. Adrian Evans, Area Administrator, South Glamorgan Area Health Authority, Temple of Peace and Health, Cathays Park, Cardiff, to be returned by the 26th July, 1974. (23186) 52-6

SOUTH WESTERN REGIONAL HEALTH AUTHORITY (On behalf of Somerset Area Health Authority)

Applications are invited for the appointment of a non-resident **REGISTRAR IN ANAESTHETICS**

initially with duties mainly at the Taunton and Somerset Hospital (accommodation may be available). A transfer into the Bristol rotational training scheme may subsequently be arranged for a suitable appointee. For such a period, it is likely that transfer would take place after about a year at Taunton; however, a transferred appointee would be guaranteed not less than a year in Bristol.

The appointment, which is a new post, will be for a period of two years but is subject to review after the first year. Excellent training facilities will be provided. Courses are available in Bristol for the Primary and Final F.F.A. There is an active Postgraduate Centre and a ten-bedded Intensive Therapy Unit at Taunton.

Application forms obtainable from the Regional Medical Officer, South Western Regional Health Authority, 27 Tyndalls Park Road, Bristol BS8 1PJ to whom they should be returned by 18th July 1974. Selected candidates will be interviewed on 1st August, 1974. (H10119) 52-6

Longer periods of attachment are available to candidates wishing to specialise in Forensic Psychiatry, or Mental Deficiency.

Further details can be had from the Secretary, Greater Glasgow Health Board, 351 Sauchiehall Street, Glasgow G2 3HT, to whom applications (1 copy) should be sent with details of age, qualifications, experience, present appointment, and the names of two referees, not later than 14 days after the publication of this advertisement. 84-5

MERTON, SUTTON & WANDSWORTH AREA HEALTH AUTHORITY (Training)

SOUTH WEST THAMES REGIONAL HEALTH AUTHORITY (Joint appointment)

Applications are invited for a
SENIOR REGISTRAR
post in Child & Adolescent Psychiatry at St. George's Hospital, Tooting, S.W.17, Queen Mary's Hospital for Children, Carshalton and in the Kingston & Richmond Area (Regional Adolescent Unit, Long Grove Hospital, Epsom) commencing August, 1974 at Long Grove Hospital.

The successful candidate will be expected to work in rotation for at least twelve months in each hospital beginning at the Adolescent Unit. The joint appointment will provide wide experience and training in the in/out patient adolescents and their families, including psychotherapy, EEG, and mental retardation and a community orientated approach to psychiatric problems. Arrangements will be made for continuity of some long term work over the whole period. Applicants should hold the D.P.M. or equivalent and experience in child/family psychiatry, paediatrics or psychotherapy would be an advantage. Applicants may visit the hospitals by appointment.

Apply on forms obtainable from Medical Staffing Office, St. George's Hospital, SW1X 7EZ (Tel: 01 235 4343 Ext. 209) by 20th July, 1974. (H10088) 84-5

NORTHERN REGIONAL HEALTH AUTHORITY AND NEWCASTLE AREA HEALTH AUTHORITY (TEACHING) Joint Training in Child Psychiatry and Mental Handicap

SENIOR REGISTRAR
IN CHILD PSYCHIATRY
AND MENTAL HANDICAP
whole-time, non-resident based on the Northgate Hospital, Morpeth, Northumberland for the mentally handicapped and the Nuffield Child Psychiatry Unit at the Hospital for Sick Children, which is one of the Teaching Hospitals associated with the University of Newcastle upon Tyne.

The successful candidate will participate in the Training Scheme in Child Psychiatry and Mental Handicap and D.P.M. or M.R.C.Psych. is required. Eighteen months will be spent based on the Nuffield Child Psychiatry Unit where comprehensive experience will be provided on a rotational basis in out-patients and in the day and in-patients Units. Other experience will include Child Guidance and psychodynamic therapy. A further 18 months will be spent based on Northgate Hospital providing experience in Mental Handicap in the out-patient and in-patient services for both children and adults and in the community services. Opportunities will be given for the care of the mentally handicapped with mental illness and of the mentally handicapped "offender."

Both parts of the training will provide opportunities for work in Special Schools, work with adolescents, medical-legal experience and the application of behaviour modification programmes. The successful candidate will also participate in undergraduate teaching and other lecturing. Options include intensive psychotherapy, E.E.G., research and administration. Special course and teaching programmes will be available.

Applications, naming three referees, to Regional Medical Officer, Northern Regional Health Authority, Benfield Road, Newcastle upon Tyne NE6 4PY, by 20th July, 1974. (30845) 84-5

EARL'S HOUSE HOSPITAL Durham

REGISTRAR IN PSYCHIATRY (Mental Handicap) (Non-resident)

The hospital is situated on the outskirts of a University and Cathedral city. There are 370 beds in newly built villas. The attitude is progressive with emphasis on therapy and community involvement.

Facilities at Newcastle for M.R.C. Psych., and also a postgraduate centre at Dryburn Hospital (the acute general hospital of the region).

Married or single accommodation available. Applications, naming three referees, to Administrator Medical Staffing, Dryburn Hospital, Durham DH1 5TW. (H10128) 84-6

EAST ANGLIAN REGIONAL HEALTH AUTHORITY Fulbourn and Addenbrooke's Hospitals,

(Cambridgeshire Area Health Authority (Teaching))

Applications are invited for the post of non-resident

REGISTRAR IN PSYCHIATRY
in the Cambridge Psychiatric Service, vacant from mid-July.

Fulbourn Hospital is a progressive, 700 bedded hospital pleasantly situated 4 miles from the centre of Cambridge and within easy reach of London by road or rail. All kinds of psychiatric treatments are given, but emphasis is placed on psychotherapy of individuals and groups, and administrative, community and family psychiatry.

The work will include inpatient and out-patient work at both Fulbourn Hospital and at Addenbrooke's Hospital in Cambridge city. There is a Professional Library and a Postgraduate Medical Education Centre at Fulbourn Hospital, in which is held a training programme for the M.R.C. Psych. and D.P.M. examinations, with further lectures and seminars in psychotherapy and community psychiatry.

The appointment is for one year in the first instance, although with the impending establishment of a Rotational Training Scheme this will be extended to 18 months.

Single accommodation can be arranged in or very near Fulbourn Hospital.

Applications, with the names of two referees, should be submitted forthwith to Dr. G. M. Pettinella, Training Officer, Fulbourn Hospital, Cambridge CB1 5EF, to be returned not later than Friday 19th July 1974. (30745) 84-6

Applications with the names and addresses of two referees to Secretary, Cherry Knowle Hospital, Ryhope, Sunderland, SR2 0NB. (30801) 84-6

SOUTH WESTERN REGIONAL HEALTH AUTHORITY on behalf of Avon Area Health Authority (Teaching)

Applications are invited for the appointment of

REGISTRAR IN PSYCHIATRY

in Bristol (non-resident). A furnished flat for a small family is available.

The successful applicant will be based at Glenside Hospital, Bristol (except for programme no. 4 below) and will take part in the Registrar rotation scheme in Bristol. This entails six-monthly rotations through four of five programmes which are arranged as follows: (1) Rehabilitation (2) Acute general psychiatry and psychogeriatrics (3) Acute general psychiatry and child psychiatry (4) Mental subnormality — Stoke Park Hospital, Bristol (5) Glenside Underground Teaching Unit (University of Bristol).

At all stages in rotation, training is emphasized by the inclusion of sessions specifically for this purpose, including forensic psychiatry, paediatrics and psychogeriatrics and child psychiatry. Postgraduate seminars are held regularly under the guidance of the hospital Clinical Tutor. The Registrar will be expected to attend the Avon Membership Course on Friday afternoons during the University term.

The appointment, which is vacant from 1st October, 1974, will be held for a period of two years but is subject to review after the first year.

Application forms obtainable from the Regional Medical Officer, South Western Regional Health Authority, 27 Tyndalls Park Road, Bristol BS8 1PJ, to whom they should be returned by 18th July, 1974. Selected candidates will be interviewed on 1st August 1974. (H10124) 84-6

SOUTH GLAMORGAN AREA HEALTH AUTHORITY (TEACHING)

Applications are invited for the appointment of a

SENIOR REGISTRAR
 (Non-resident)

in Rheumatology/Rehabilitation. The successful candidate will be based in the Department of Rheumatology at the University Hospital of Wales (880 beds).

Facilities include an out-patient department in the twin suite available for Rheumatology and Orthopaedics and a comprehensive Rehabilitation Department. In-patient care is provided with 8 beds at the University Hospital of Wales and a 21 bedded unit at Llandough Hospital. Facilities are available for teaching and there are excellent opportunities for research; a comprehensive programme of postgraduate teaching also exists in which the appointee will be expected to take part.

Previous experience in this specialty is desirable and applicants must possess a higher qualification in medicine.

The appointment is under the auspices of the Joint Advisory Committee on Senior Registrar Training and is subject to annual review.

Application forms available from the Personnel Department, Temple of Peace and Health, Cathays Park, Cardiff (0222-31021 ext. 25) to be returned by 20th July. (23136) 87-5

GOVERNMENTAL

Senior Medical Officers

£8,216

Three important appointments are to be made in the Medical Divisions of the Department of Health and Social Security. Although these posts are widely diverse in nature, they all call for high standards of professional ability, personal responsibility and initiative.

International Health

The holder of this post will be a UK delegate to the Public Health Committees of the Council of Europe and of the Partial Agreement countries of the Council of Europe and will also be involved with medical oversight of WHO and Council of Europe fellowships and assist in Port health work.

Communicable Disease Surveillance

The successful candidate will be concerned with medical aspects of monitoring the levels of human communicable disease in England and, from knowledge of the epidemiological characteristics of such diseases, recommending policies for their prevention and control. He will also advise, assist and support those responsible locally for the control of such diseases, both generally and during particular outbreaks, and by promoting research and otherwise, seek to improve the information available on the characteristics and prevalence of such diseases.

Centrally Financed Research

The candidate appointed to this post will assist in assessing research proposals and take part in identifying future research needs by close liaison with policy divisions and with research workers in academic and other departments. In the biomedical field, collaboration with staff of the Medical Research Council is involved.

Candidates (men and women) for all the above posts must be fully registered as medical practitioners in the United Kingdom.

There are prospects of further career progress and a non-contributory pension scheme.

For further details and an application form (to be returned by 26 July 1974), write to the Civil Service Commission, Alencon Link, Basingstoke, Hants. RG21 1JB, or telephone BASINGSTOKE 29222 ext. 500, or LONDON 01-839 1992 (24 hour answering service). Please quote S/8670/1.

Department of Health and Social Security**ST. HELENS & KNOWSLEY
AREA HEALTH AUTHORITY****SENIOR CLINICAL MEDICAL OFFICER**

Applications are invited for the above post which mainly involves duties in the Child Health Service. Possession of D.P.H. or D.C.H. and experience in developmental paediatrics and the assessment of handicapped children essential. Salary scale £4,176—£4,953.

Application forms obtainable from Personnel Department, St. Helens & Knowsley Area Health Authority, Cowley Hill Lane, St. Helens, Lancs. Closing date 15th July 1974. 23110 113

OVERSEA (See also p. xlv)

Attention is drawn to the importance of detailed careful consideration to the terms of any contract, especially as terms and conditions of service may differ markedly in different areas. 'Notes on Contracts Overseas' may be obtained on application to the Secretary.

Before any contract is signed it is advisable to obtain full details of remuneration and of terms and conditions of service and information about local conditions. These may often be obtained from the local B.M.A. Branch or affiliated Medical Association whose address may also be obtained on application to the Secretary.

AUSTRALIAN ORTHOPAEDIC ASSOCIATION**TRAINEE REGISTRAR POSITIONS 1975**

The Australian Orthopaedic Association Training Programme is administered and supervised by a Board of Studies in each State. The aim of the Programme is to train orthopaedic surgeons to a standard where they will be acceptable for Active Membership of the Australian Orthopaedic Association, and eligible to sit for the Fellowship in Orthopaedic Surgery of the Royal Australasian College of Surgeons.

The Programme, which covers training in adult orthopaedics, trauma, paediatric orthopaedics and research, involves rotating registrarships at a number of teaching hospitals in each Capital City for varying periods up to four (4) years, according to the candidate's requirements. The successful applicants will be required to commence duties during January (New South Wales, Western Australia—Queensland—Tasmania) February (Victoria and South Australia) of the following year.

Applicants must have completed their basic surgical training and be in possession of a Primary Fellowship.

Application forms and further details may be obtained from the Secretaries of the various Boards of Studies, whose names and addresses are appended hereunder:

New South Wales: Dr E. H. Bates, 66 High Street, Randwick, N.S.W. 2031, Newcastle: Dr G. Kerridge, Royal Newcastle Hospital, Newcastle, N.S.W. 2300, Victoria: Dr J. E. Critchley, 34 Queen's Road, Melbourne, Vict. 3004, South Australia: Dr R. T. Southwood, 164 Ward Street, North Adelaide, S.A. 5006, Western Australia: Dr W. N. OVERSEA

Upjohn medicine designed for health produced with care

A recognized leader in the discovery and development of original pharmaceuticals, including prostaglandins, antibiotics and corticosteroids, offers an unusual career opportunity.

medical adviser

Responsible for handling medical aspects of the company's marketing of human specialities in Scandinavian countries, the Medical Adviser will be located in Brussels at the headquarters of the Scandinavian Organisation.

Primary task will be the supervision of clinical trials for registration purposes, continuation of close relations with leading physicians and assistance in the training of medical representatives. Frequent travelling will be involved, especially in Scandinavian countries. The candidate should hold a medical degree and have a good knowledge of Clinical Pharmacology. Specialist experience in Endocrinology, Gynaecology and Clinical Pathology would be an advantage.

There will be opportunity for attendance and participation at international congresses and symposia as well as in-Company training in all aspects of the product lines.

This is a challenging and personally rewarding position for a physician in the age range 30-45 + who wishes to expand his scope of activities within a worldwide, successful ethical organisation, whilst acting as a member of a relatively small team.

The salary for the post will be commensurate with its responsibilities and a car will be provided.

Please reply to G. Persani, M.D./N.V. Upjohn S.A./B-2670 Puurs/Belgium. U122. 28001 118

These posts are of twelve months duration and open to suitably qualified graduates of an Australian or other university.

Applications close 18th July, 1974 and should be made to Dr. T. J. Claffey, Censor-in-Chief, Australian Orthopaedic Association, 147 Macquarie Street, Sydney, New South Wales, 2000, Australia. 118

AUSTRALIA — U.K. graduates requiring details of Private Practice conditions contact: — Locums Limited, 9 Bligh Street, Sydney, Australia. 118

ALBANY MEDICAL CENTER HOSPITAL

ANAESTHESIOLOGIST

Positions are available in a major medical centre in upstate New York. The Centre includes the Albany Medical Center Hospital, the Albany Medical College and a School of Nursing. Many other education programmes, such as a School for Nurse Anaesthetists are also located here.

Salaries and employee benefits are excellent.

Albany is the Capital of New York State and is close to many recreational areas, such as the world famous Saratoga Performing Arts Center and superb mountain ranges which provide opportunities for both winter and summer activities.

For further information, please contact Chairman, Dept. of Anaesthesiology, Albany Medical Center, New Scotland Avenue, Albany, New York, U.S.A. 12206. (H19948) 118

ALGERIA

MEDICAL OFFICER

We are looking for a young, preferably single, general practitioner to initiate and run a medical service for our team of engineers in Annaba. We expect to have up to 200 staff plus families on site by the end of 1974. Additionally, the selected candidate must be prepared, if required, to give part-time assistance to the local medical services: fluent French is therefore necessary.

Employment will be on a two-year contract, renewable by mutual agreement. In addition to a generous salary, we provide free furnished accommodation and a car.

Applications, with brief career details, quoting reference 3280/105, should be sent to Mr. G. D. Choat, W. S. Atkins & Partners, 101 East Street, Epsom, Surrey, 30686 118

CANADA. ASSISTANT with view to partnership in recently built 4-doctor clinic. The town of Vermilion is situated on the main highway 120 miles east of Edmonton, the provincial capital, and has a fully equipped 54 bed hospital. Good recreational and educational facilities. Obstetrical experience necessary. Salary \$21,600 per annum. Reply stating experience, names of 3 referees, and enclosing a recent photograph to Manager, Valley Medical Clinic, Vermilion, Alberta, Canada. 118

CANADA. General Practitioner to join group of four in busy surgical and family practice in pleasant Northern Alberta town with modern amenities. Excellent, fully accredited 72-bed hospital expanding with addition of Regional Health Centre. Good recreational and educational facilities. Generous starting salary with view to early partnership. Tel: Dr. Howard at 031-664 2342, charges reversed, between 9th and 19th July, or write Box 449, High Prairie, Alberta. 118

CONSULTANT PHYSICIAN required by multi-specialty British trained group with broad general practitioner base in capital prairie city. Must be eligible for Canadian certification. Congenial atmosphere, full hospital facilities and good starting salary of not less than \$24,000 per annum. Reply Box 866 BMJ. 118

LOCUM G.P. 6 to 8 weeks as from 12th August 1974. Pay \$2000/month. Mid-sized town in Saskatchewan near lake and 50 bed hospital in town. Two doctors remaining. Must have Conjoint or British or Irish B.Ch. Box 820 Wadena, Sask. Canada. 118

GENERAL SURGEON is required for an 8 man group in central British Columbia with a view to full partnership if mutually agreeable. Modern 120 bed hospital. Liberal salary negotiable. Excellent income as partner. Good schools and recreational facilities. Reply, including telephone number to Dr. J. Tompkins, Avery Clinic, 64 Front Street, Quesnel, British Columbia. Tel: 604-922 2171. H19949. 118

GENERAL PRACTITIONER Graduate of Irish or British Universities or G.M.C. registration to join a one doctor practice in Valleyview Alberta. Position vacant now. Large district. One other practice in town but present doctor is single handed. Anaesthetic surgical or obstetrical training an advantage but not absolutely necessary. Salary \$18,000 p.m. and partnership after three months if compatible. Post vacant now. Contact Dr. G.O. Okolo, P.O. Box 388 Valleyview Alberta, or phone 403 524 3631. Three months Locum position could be considered also. 118

GENERAL PRACTITIONER Required for THE VILLAGE OF ROSSBURN Rossburn, Manitoba

This is a 17-bed Hospital in town, with office space available at reasonable rent. The area served is approximately 4000 people. Opportunity for person who wants to establish himself quickly. LOCUM G.P. 6-8 weeks as from 12th August 1974 pay \$2,000/month. Mid-sized town in Saskatchewan near lake and 50 bed hospital in town. Two doctors remaining. Must have

NEW BRUNSWICK, CANADA

RADIO THERAPIST

required. A vacancy exists on the Radiotherapy staff of the Saint John General Hospital. The Department serves the whole of New Brunswick and conducts peripheral clinics in the other main population centres. A very active chemotherapy programme and a complete Diagnostic Nuclear Medicine Unit are incorporated.

The General Hospital will move to a new 780 bed hospital which will be commenced this autumn, and a new Radiotherapy Department will be built. It is planned to install a Linear Accelerator in addition to the present range of Cobalt Teletherapy units, Orthovoltage and Superficial voltage X-ray machines. A complete stock of Caesium tubes and needles has replaced radium. The Department has 29 beds of its own. The staff consists of 4 Radiotherapists, and 2 Physicists.

The Hospital is affiliated with Dalhousie University and members of the Department hold teaching appointments in the Medical School.

Saint John is a sea-port on the shores of the Bay of Fundy and the residential environs are most attractive. A full range of recreational facilities is available within minutes — golf, tennis, curling, skiing, sailing etc.

This vacancy offers a suitable candidate the opportunity of partaking in the planning of completely new facilities. Experience in Nuclear Medicine will be an asset but is not required. Salary approximately £18,000 (pounds) per annum. Usual fringe benefits including pension scheme and life insurance.

Please direct applications or inquiries to Dr J. A. Caskey, Director, Radiotherapy Department, General Hospital, Saint John, New Brunswick, Canada. (H10049) 118

HONG KONG NETHERSOLE HOSPITAL

PATHOLOGIST
Busy 350 bed general hospital invites applications for the post of Pathologist. Applicants must have a medical degree registrable in Hong Kong.

Salary will be commensurate with experience, and will not be less than HK \$43,000 per year. A furnished flat may be provided for a married doctor. Passage to and from Hong Kong will be paid for successful applicants and their families. Applicants will be required to give an undertaking to work for at least three years at the hospital. The successful applicant is entitled to 4 weeks of vacation per year plus 3 months paid leave upon completion of a 3 year contract.

Please apply to Medical Superintendent, Nethersole Hospital, Bonham Road, Hong Kong. H10119 118

NEW ZEALAND: Outstanding opportunity offered to young doctor to join Health Centre in Auckland, incorporating two doctors, practice nurses, secretarial staff, physiotherapist and district nurses. Maple Jewellery
Best value in Hatton Garden
 Did you know that MAPLE JEWELLERY have the biggest, most varied selection of Diamond Rings and Jewellery, at 30% to 50% below normal retail prices? (40-50% off Diamond Jewellery - 30-35% off Gold Jewellery). How can we genuinely do that? Simply by manufacturing Jewellery in our own Workshop on the Premises, and selling DIRECT to YOU, saving wholesale/retail mark-ups that usually get passed on to the Customer! VISIT OUR SHOWROOM, and see for yourself why such a large number of our Customers come back, and recommend us to others. 167
 Free colour catalogue on request.

THE HOSPITAL GAZETTEER 1972

A guide to the Hospitals in the United Kingdom

This new edition is even more comprehensive than those previously published with a new easy read format. It is possible to tell at a glance:

The number of beds; the establishment of medical staff; nature of special departments; study leave, off duty time, etc.; opportunities for preparation for postgraduate diplomas; the kind of accommodation provided; facilities for recreation and other relevant facts.

Specially reduced price for B.M.A. members and senior medical students £2.50 including postage. (Cover price £3.50 including postage.)

Becotide INHALER is indicated for a wide range of patients with *bronchial asthma*

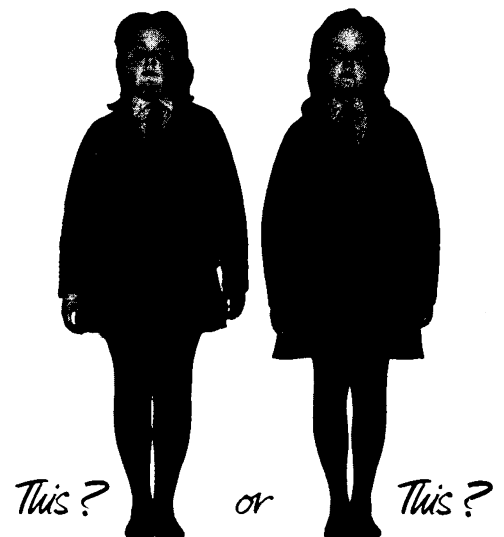

Patients whose asthma is becoming
worse and whose response to
bronchodilators is consequently waning;

Patients who are not controlled or are
inadequately controlled by
sodium cromoglycate in addition
to bronchodilators;

Children with severe asthma;
Severely asthmatic patients who are
dependent on systemic steroids or
ACTH for their well being.

The clinical evidence for Becotide Inhaler is extensive and convincing...

Topical treatment with beclomethasone dipropionate by means of an aerosol (Becotide Inhaler) thus provides excellent control of patients with asthma.

(*Practitioner*, 1973, 211, 86)

Clinically, the steroid aerosol (Becotide Inhaler) provided the expected benefits observed when oral corticosteroids are given to asthmatic patients.

(*Curr. med. Res. Opin.*, 1972, 1, 173)

For those who are poorly controlled on bronchodilators or DSCG, this treatment (Becotide Inhaler) can give complete or comparative freedom from airways obstruction without risk of adrenal suppression or other side effects.

(*Brit. med. J.*, 1973, 3, 161)

Beclomethasone dipropionate (Becotide Inhaler) appears to be an effective drug in the treatment of severe childhood asthma in those patients who need corticosteroid therapy in addition to disodium cromoglycate.

(*Arch. Dis. Childh.*, 1973, 48, 671)

With the addition of this important drug (Becotide Inhaler) to our armamentarium, the long-term treatment of children with oral steroid is no longer desirable.

(*Arch. Dis. Childh.*, 1973, 48, 663)

Patients 13, 16 and 17 were all controlled on prednisolone in excess of 10mg per day and were unable to reduce the dose of prednisolone below that level without clinical deterioration. They now remain as well, if not better, controlled on the steroid aerosol (Becotide Inhaler) in a dose of 100mcg four times a day and all have normal basal plasma-hydrocortisone levels.

Relieves anginal pain. Extends active life.

In IHD, angina is only half the story. The need is for a complete treatment which not only will offer the benefit of the most effective anti-anginal therapy, but also will protect against myocardial infarction and death. 'Eramid' is a new single treatment system which will relieve anginal pain and

extend the active life of your patient by helping to prevent further development of the underlying disease process. 'Eramid' is recommended for the treatment of angina pectoris where both practolol and clofibrate are indicated. Further information is available on request.

Eramid

The complete prescription for the anginal patient.

'Eramid' contains: Clofibrate B.P. 500 mg, Practolol B.P. 100 mg.

The Thais
prescribe Brufen as ...

บรูเฟน
(ibuprofen)

but in Thailand – as in the ninety or more other countries now using Brufen in rheumatic diseases – the reasons for prescribing it are always the same. Eight years experience in over 5 million people has shown that, at the recommended dosage, Brufen brings the arthritic patient (regardless of nationality) these outstanding benefits.

**Powerful action against the
pain and inflammation**

Less risk of side-effects

**Exceptionally low incidence
of gastric upset**

**Consistent effectiveness in
long-term use**

BRUFEN 
(ibuprofen)

a world of success in arthritis

Brufen is ibuprofen available as tablets containing 200 mg; also as a suspension. Full information about Brufen available from Marketing Division (Medical Products) The Boots Company Ltd., Nottingham.
