

# Kefzol

## Logical alternative

'Kefzol' i.m. (cefazolin sodium) – greater effect than any single penicillin

**Gram-positive:** wider range of activity against Gram-positive organisms, including penicillinase producers.

**Gram-negative:** active against Gram-negative organisms, especially those increasingly resistant to penicillins, such as *E. coli*, *Klebsiella* and *P. mirabilis*.

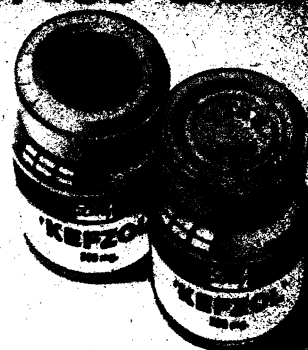

# the penicillins

**Low toxicity:** low incidence of side effects. Well tolerated.

**Indications:** hospital infections of the respiratory tract, urinary tract, skin, soft tissue, bones and joints and in obstetrics and gynaecology, due to susceptible organisms.

**More convenient:** effective in a simple twice daily dose of 500mg.

## 500mg twice daily

In vaginitis/vaginal discharge  
you want the right answer, right away

9 times out of 10  
we have the  
perfect  
arrangement

Nine times out of ten 'Flagyl Compak' is the "perfect arrangement" for immediately prescribable, highly successful treatment of vaginitis. Even when, clinically, the nature of the infection is unclear.

Immediately prescribable because nine times out of ten the probability is trichomoniasis, candidiasis or both<sup>1,2</sup> – and 'Flagyl Compak' supplies the answer to each. 'Flagyl' for "TV." Nystatin for "thrush." The two for the two together.

Highly successful because nine times out of ten 'Flagyl Compak' supplies a fully effective answer. Each agent has a cure rate of 98 per cent.<sup>3,4</sup> Both can produce cure in just one week.

In vaginitis, even when there's uncertainty, could anything be surer – right from the start?

## Flagyl Compak

complete, immediate treatment  
for Candida, Trichomonas  
or mixed infection

# Floxapen. The 97% answer to boils and abscesses

This patient has a boil. Not a serious infection, but it's painful and embarrassing. She'd like you to get rid of it for her—quickly. Floxapen can help you do just that.

Following an oral dose, high blood levels are rapidly achieved ensuring effective concentrations at the site of infection. And, once there, Floxapen will destroy virtually all staphylococci as well as all streptococci.

In a recent G.P. clinical trial, Floxapen was successful in 97% of the soft tissue infections treated. (*Practitioner*, 1970, 205, 801.)

Oral dosage. Adult: 250mg q.i.d. a.c.; Children 2-10: ½ adult dose; under 2: ¼ adult dose. Side-effects: as with other penicillins. Contra-indications: penicillin hypersensitivity, ocular administration. Further information is available on request.

Floxapen\* (flucloxacillin) is a British product originated by  
**Beecham Research Laboratories,**  
Brentford, England.

# Fybogel

## the new therapeutic solution for the treatment of pressure diseases of the large bowel

**DIVERTICULAR DISEASE  
IRRITABLE/SPASTIC COLON  
HAEMORRHOIDS  
ANAL FISSURE**

**These are the pressure diseases of the large bowel — a wide range of conditions with a common aetiological factor: low level of fibre in the diet.**

### The pressure problem

Raised intra-colonic pressure due to excessive segmentation. This leads to the formation of diverticula when pressure builds up in an occluded segment.

Raised intra-abdominal pressure due to straining to evacuate the resulting concentrated stools. This may lead to the formation of haemorrhoids when pressure on the pelvic diaphragm occludes the venous return from the haemorrhoidal plexus.

### Fybogel — the natural solution

By providing a natural fibre regimen Fybogel treats the main cause of pressure diseases — a low level of dietary fibre. Fybogel is a controlled regimen, presented as granules in single dose sachets. The granules disperse in water to make a palatable drink.

Full information is available on request from:  
Reckitt & Colman Pharmaceutical Division,  
Hull HU8 7DS.

Each sachet contains 3.5g Ispaghula Husk BPC in an effervescent base.

# Before one bad thing leads to another

Bacterial throat infections in a child can be a cause for anxiety to everyone concerned.

And you'll want to make sure that the treatment you prescribe will prevent the condition turning into something worse . . . such as otitis media, with a possible legacy of impaired hearing; or a chest infection.

Ceporex is the ideal antibiotic in such cases, because it is rapidly bactericidal. This means that fever quickly subsides; so do irritation, discomfort and pain.

Ceporex, with recorded success rates of  
97% in tonsillitis/pharyngitis,  
94% in acute otitis media and  
92% in unspecified ENT infections,\*  
has minimal side effects and an excellent  
record of safety.

## Are asthmatic attacks ruining her lungs?

Asthmatic attacks can damage lungs.

Sometimes the bronchioles lose their elasticity, the ability to expel phlegm is impaired and there is increased risk of infection.

Sometimes the alveoli themselves may suffer damage.

Aerosol bronchodilators can help, but only when the attack is under way, and there may already be damage.

Only Intal prevents the attack and eliminates these problems.

With Intal, there is no danger of side effects, no risk of misuse and no diminution of therapeutic effect.

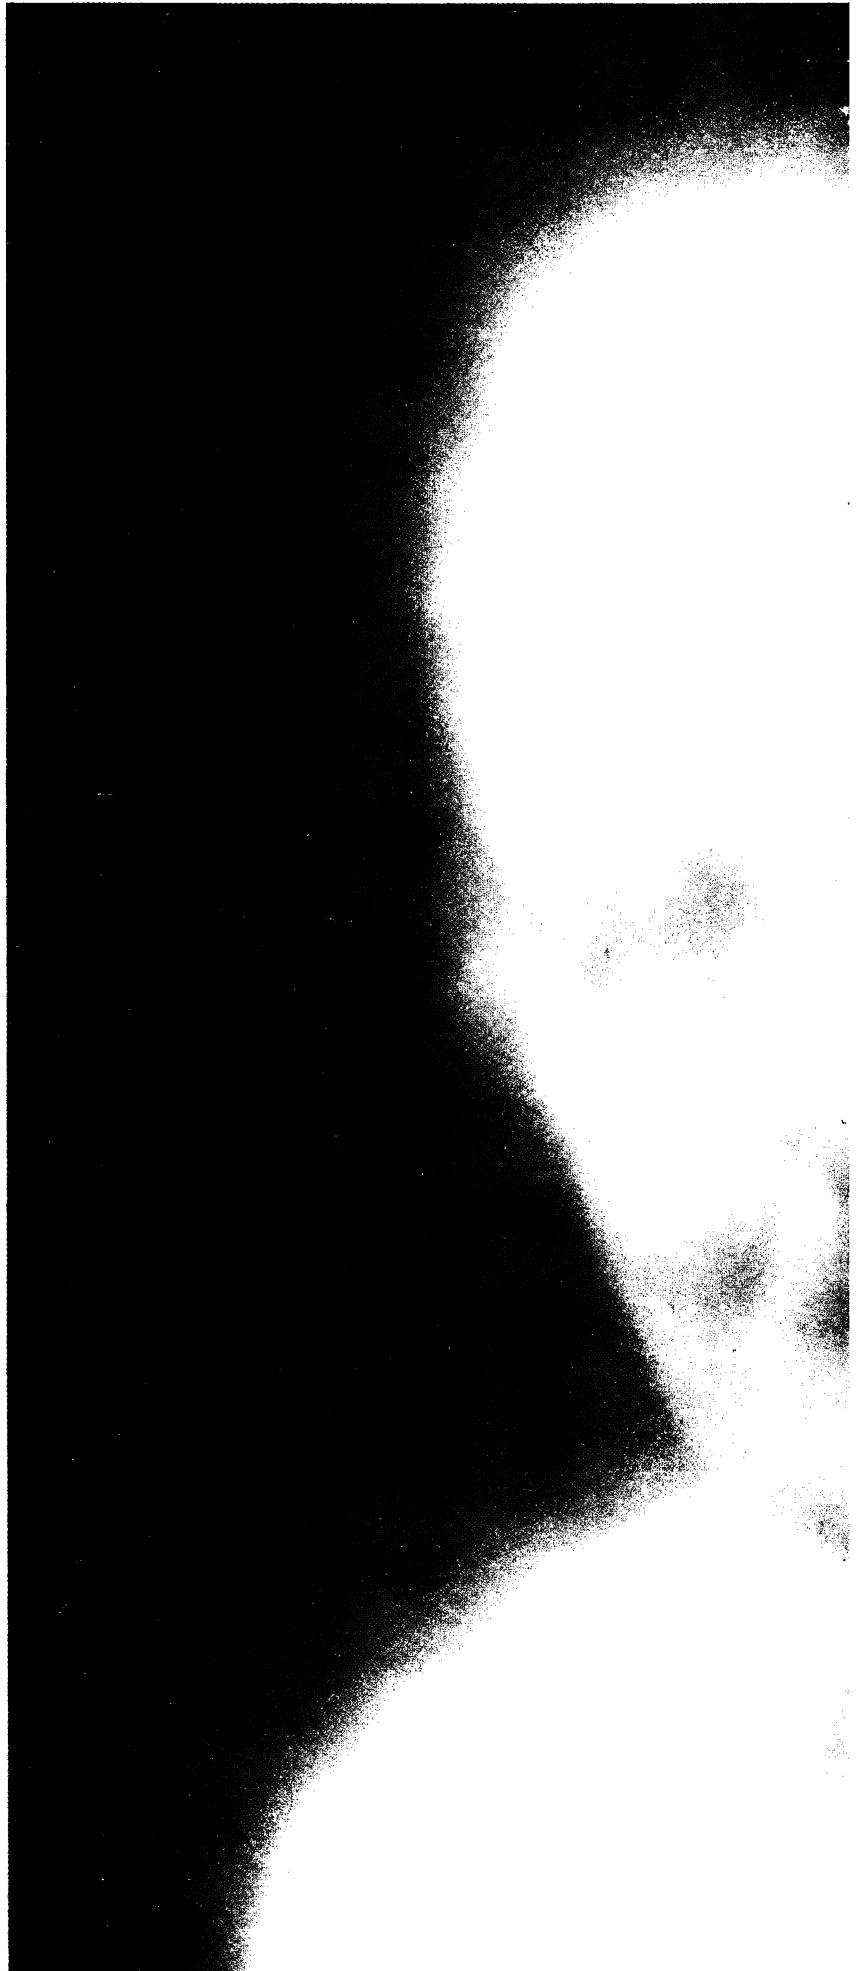

Put them on Intal.  
Give them a fighting chance.

**The hypertensive patient's feeling of well-being...**

# should be protected

BRITISH MEDICAL JOURNAL, 13 JULY 1974

Success in treating hypertension depends so much on the co-operation of the patient. He usually feels perfectly well in himself—and obviously he wants to stay that way.

Yet many antihypertensive agents interfere with daily living. But with 'Aldomet', side effects have been infrequent—in particular, dizziness from postural or exertional hypotension rarely occurs.

No wonder 'Aldomet' is prescribed more than any other antihypertensive.

- ☐ lowers blood pressure more physiologically by reducing peripheral resistance
- ☐ usually does not directly affect heart or kidney function
- ☐ other disturbing side effects such as diarrhoea, impotence, or failure to ejaculate are uncommon
- ☐ acts rapidly and smoothly, usually without hazardous drops in blood pressure
- ☐ dosage is simple, and easily established
- ☐ a sedating effect, common in the beginning of therapy, usually disappears on continued treatment

**for effective 24-hour  
control of hypertension**

**Rx Aldomet®**  
**prescribe by name**

'Aldomet' (methyldopa/MSD) is supplied as tablets containing 125 mg, 250 mg, and 500 mg methyldopa, and as an injection for emergency use. Detailed information is available to physicians on request. ® denotes registered trademark.

Merck Sharp & Dohme Limited  
Hoddesdon, Hertfordshire

# 'Orudis' in arthritis

## Optimal efficacy and tolerance now further confirmed by two new studies

### Activity equal to that of phenylbutazone

"... in 47 patients with osteoarthritis of the hip, it has been shown that there is little to choose in efficacy between ketoprofen ['Orudis'] 200mg daily and phenylbutazone 300mg daily ... Side-effects were mild..."<sup>1</sup>

Comparative clinical studies with indomethacin<sup>3</sup> and ibuprofen<sup>4</sup> have already shown that 'Orudis' affords both significant therapeutic effect and low toxicity in the treatment of arthritis.

1 *Rheumatol. and Rehabil.* (in press), 1974

2 *Scand. J. Rheumatol.*, (in press), 1974

### Tolerance markedly superior to that of aspirin

"... a trial with gastroscopic examinations has allowed the adoption of the hypothesis that the new anti-inflammatory product ketoprofen ['Orudis'] is better tolerated by the gastric mucosa than acetylsalicylic acid..."<sup>2</sup>

The latest comparisons with two further widely prescribed agents provide additional cogent evidence of its ability to meet the criteria for optimal drug management.

3 *Br. Med. J.*, iv, 398, 1973    4 *Br. Med. J.*, iv, 82, 1973

## What on earth's a tub of margarine doing in this Medical Journal?

We know that there's a significant link between saturated fats, serum cholesterol levels and coronary heart disease in man.<sup>1,2.</sup>

There are a number of guidelines for reducing the risk of coronary heart disease. One of the most important is the recommendation to reduce the amount of saturated fat intake in the diet.<sup>3.</sup>

The American Heart Association,<sup>4.</sup> the combined Medical Boards of Norway, Sweden and Finland,<sup>5.</sup> and the National Heart Foundations of Australia and New Zealand,<sup>6,7.</sup> all recommend the reduction of saturated fat intake and an increase in the level of polyunsaturated fatty acids.

Many doctors are recommending a modified fat diet for patients at risk

from a heart attack. The change is made easier with Flora.

Flora is an accepted component of a lipid lowering diet.<sup>8,9.</sup> The value of such a diet is indicated by the findings from three first generation clinical trials of primary prevention, which suggested that dietary modifications would reduce the incidence of coronary heart disease.<sup>10,11,12.</sup>

Flora is higher in polyunsaturated fats than any other leading margarine, and is low in saturated fats\*. In addition, Flora is a highly acceptable food and so patients will use it if recommended to do so.

**Give good advice - recommend Flora.**

*\*At least 50% of Flora's fat content is linoleic essential fatty acid. Flora has a fat content of not less than 80% of the total product and is sold in half pound tubs.*

# How much would it cost to safeguard your family?

Here is an example of a Family Income Benefit policy, which would provide your wife and children with adequate life assurance cover, at very reasonable cost.

**"At age 34 an F.I.B. policy providing initial cover of £40,000 over a 20 year period, can be effected for less than £3 per month after tax relief. The policy would secure a tax-free income of £2,000 p.a. in the event of death at any time during the period of the policy and this income would be payable from death until the end of the 20th year from commencement of the policy."**

The F.I.B. policy is only one of a number of ways in which a family's financial wellbeing can be safeguarded. The Medical Insurance Agency was formed to assist the Medical and Dental Professions in all insurance problems. Impartial advice is available completely free of charge and very often by assisting you in choosing the best policy for your circumstances, we can save you money.

Contact the M.I.A. — your insurance specialists — by completing and returning the coupon below.

## Cardiovascular Disease in the Tropics

Edited by A. G. Shaper, M. S. R. Hutt, Z. Fejfar

Cardiovascular disease is a major problem in many developing and tropical countries and this collection of essays by 36 members of the *International Society of Cardiology* draws attention to the fascinating and complex situation in the tropical world. The book presents the present state of knowledge regarding many conditions previously thought to be peculiar to the temperate and developed countries and also deals with those disorders peculiar to the tropical situation. The differences in geographic distribution and natural history of many cardiovascular problems between temperate and tropical countries provide unique opportunities for research into the nature of these problems. The book is intended not only for doctors and students in tropical countries but for cardiologists, physicians, pathologists and epidemiologists everywhere, who are concerned with the international problem of cardiovascular disease. It provides an up-to-date review suitable both for clinical and epidemiological work and for further research into these disorders.

## Medicine in a Tropical Environment

Edited by A. G. Shaper, J. W. Kibukamusoke, M. S. R. Hutt

*Medicine in a Tropical Environment* is intended for medical students and doctors working in tropical and developing countries. The essays bring together specific problems of the tropical environment which have been the subject of recent investigation, and the authors write on them from personal experience. Little of the material on which the essays are based was available more than five years ago. The book should stimulate the interest of students, doctors, and non-medical scientists in trying to solve some of the problems raised in almost every chapter. To doctors in temperate climates preparing themselves for medical work in developing parts of the world *Medicine in a Tropical Environment* is essential reading.

*Demy Octavo* • *Paperback* • 452 pages • PRICE £3.50 (U.S.A. \$10.50), including postage

23rd September to 11th October 1974

A three-week block course is to be held at the Brook General Hospital, Guy's Hospital and Lewisham Hospital from 9.30 a.m. to 6.30 p.m. Mondays to Fridays. This course is limited to 25 applicants and the fee is £52. It is officially recognised for study leave. Applications to: Mrs. P. Inskeep, Secretary, Postgraduate Centre, Brook General Hospital, Shooters Hill Road, London S.E.18. (23272) 4

UNIVERSITY OF BIRMINGHAM AND WEST MIDLANDS REGIONAL HEALTH AUTHORITY

## INTENSIVE FINAL F.R.C.S. COURSE at Dudley Road Hospital, Birmingham

9th to 20th September, 1974

An intensive postgraduate course in surgery, suitable for Final F.R.C.S. candidates, will be held at Dudley Road Hospital, and at general and specialist hospitals in the Birmingham area from Monday, 9th to Friday, 20th September, 1974.

The lecturers will include: Mr. L. D. Abrams, Professor F. Ashton, Mr. J. Atkins, Mr. A. D. Barnes, Mr. P. G. Bevan, Professor B. Brooke, Mr. A. Clain, Mr. D. B. Clarke, Professor J. Leigh Collis, Mr. J. J. Corkery, Professor H. Ellis, Mr. J. D. Hamer, Mr. J. G. Hamilton, Mr. M. H. M. Harrison, Mr. M. H. Irving, Mr. D. M. Jackson, Mr. G. Jantet, Mr. P. S. London, Mr. G. D. Oates, Mr. H. Piggott, Professor G. Slaney, Mr. R. Abbey Smith and Mr. J. Alexander Williams.

Accommodation will be available at a University hall of residence. There will be a course fee of £50.00 inclusive of day-time refreshments, and there will be an additional charge to those requiring residential accommodation.

Those interested may obtain further details and application forms from Professor A. G. W. Whitfield, Director, Board of Graduate Studies, The Medical School, Birmingham B15 2TJ. Closing date for applications will be 25th July, 1974, and applicants will be notified of their inclusion or otherwise on the course shortly thereafter. (26603) 4

## University of Bristol

### Advanced Post Graduate Training Course in Clinical Rheumatology

## Royal National Hospital for Rheumatic Diseases Bath

Sept 16-21 1974

The programme will concentrate on common practical problems in rheumatic diseases and on their scientific bases. It will include a number of symposia in which aetiology, diagnosis and treatment will be discussed and in which course members can actively participate. The course will be suitable for Consultants, Senior Registrars and Registrars who are either Rheumatologists or are General Physicians, but wish to further their knowledge of the subject.

The course fee is £30, or £47.50 to include accommodation in flats in the centre of Bath. The course has been recognised by the Council for Medical Post-graduate Education for England and Wales and by the D.H.S.S. for the Advanced Post-graduate Training Scheme. The fee, subsistence and travelling expenses are therefore recoverable.

For further information and full details of the programme, please write to:

Dr. M.I.V. Jayson  
Royal National Hospital for Rheumatic Diseases  
Bath, Somerset, BA1 1RL.

# INSTITUTE OF CHILD HEALTH (University of London)

## POSTGRADUATE COURSES IN PAEDIATRICS

A series of Short Courses covering various specialties within paediatrics will be held at the Institute of Child Health, from 14th October to 6th December, 1974. The topics which will be covered are: Nephrology, Haematology and Oncology, Cardiorespiratory Disorders, Endocrine and Metabolic Disorders, Neonatal Paediatrics, Paediatric Surgery for Paediatricians and Gastroenterology.

The courses are intended for junior medical staff, who are completed at least one year of clinical paediatrics. Each course will be complete in itself, and applicants may enrol for more than one course. The number of participants will be limited. The course fee will be £10 each week.

Further details available on application to the Sub-Dean, Institute of Child Health, 30 Guildford Street, London WC1N 1EH. (Tel: 01-242 9789). (23276) 4

# THE UNIVERSITY OF MANCHESTER Faculty of Medicine

**DIPLOMA IN PSYCHOLOGICAL MEDICINE**  
Registered medical practitioners are invited to apply for a course in preparation for this Diploma which starts in October, 1974. Instruction is part-time for eight university terms, occupying two half days a week for the first two terms and three half days for the remaining six terms. Attendance at this course will also serve to prepare suitable applicants for Membership of the Royal College of Psychiatrists. Candidates for the course should normally hold training posts in the National Health Service. These may be at one of the two teaching hospitals, United Manchester Hospitals and the University Hospital of South Manchester, which offer a number of posts in the Senior House Officer and Registrar grades, or at other psychiatric units in the Manchester Region. Special provisions for extended part-time clinical work can sometimes be made for married women. Doctors intending to apply for the course, who wish to obtain a hospital post in this area should state this in their application and also watch the medical press for details of such vacancies. Further particulars from Professor David Goldberg, Department of Psychiatry, University Hospital of South Manchester, West Didsbury, Manchester, M20 8LR, to whom application should be made as soon as possible. (28060) 4

## THE ROYAL COLLEGE OF GENERAL PRACTITIONERS

### TEACHERS COURSE 1974

A Course for Teachers in General Practice will be held at the Royal College of General Practitioners from Monday, 30th September until Friday, 4th October 1974 inclusive. Approval under Section 63 is being applied for.

The aims of this Course are to enable participants to discover how best to use the practice consultation for teaching purposes. To devise techniques for the ongoing study of the conditions and resources available in the participants' own areas.

No texts are available for this Course, but participants will be expected to be thoroughly familiar with the ideas incorporated in the College publication "The Future General Practitioner — Learning and Teaching".

Doctors wishing to attend this Course should apply in writing to the Courses Secretary at the College for an application form; this should be done as soon as possible, as the number of participants will be strictly limited. (23329) 4

## PRACTICES

### (Family Practitioner Committees)

For vacancies (except those in Scotland) apply on Form F.P. 16A, obtainable from the Family Practitioner Committee. Mark envelopes "Vacancy."

#### BRADFORD AREA HEALTH AUTHORITY

##### FAMILY PRACTITIONER COMMITTEE

Applications are invited for a single-handed general practice vacancy caused by retirement on the 18th October, 1974. The practice is in an urban/industrial area classified as "open" and the list size is approximately 1,850. The retiring doctor has practised from a health centre which accommodates nine doctors and his surgery suite will be available to the successor. Residential accommodation is not available.

Further information and application forms should be obtained from the Administrator, Family Practitioner Committee, 30a Bank House, Manor Row, Bradford 1. The closing date for the receipt of applications is the 29th July, 1974. (H10181) 5

#### CAMBRIDGESHIRE AREA HEALTH AUTHORITY

##### FAMILY PRACTITIONER COMMITTEE HUNTINGDON AND GODMANCHESTER PRACTICE AREA

Applications are invited from registered medical practitioners for a practice vacancy in the above practice area occasioned by the retirement of a single-handed male practitioner on 30th September, 1974. The area is classified as "Open" by the Medical Practices Committee. Present list approximately 3,500 in a mainly urban locality.

The surgery and residential accommodation will be available for purchase to an incoming practitioner.

Applications on Form FP 16A, obtainable from the undersigned should be submitted not later than 7th August, 1974.

F. G. Lloyd, Administrator, Family Practitioner Committee, Vinery Road, Cambridge CB1 3DX. (H10229) 5

## DUMFRIES AND GALLOWAY HEALTH BOARD

Applications are invited from Registered Medical Practitioners for a single handed practice vacancy in the Kirkcubbin/Kelsoholm area of Dumfriesshire. List at present 2,308. Rented surgery accommodation within a clinic will be available. A local authority house may be available to rent. Further particulars and forms of application may be obtained from the Secretary, with whom applications should be lodged by first post on 29th July, 1974. Dumfries and Galloway Health Board, Charnwood, Dumfries DG1 3AN. (H10239) 5

#### HAMPSHIRE FAMILY PRACTITIONER COMMITTEE VACANCY — SOUTHAMPTON (Townhill Park)

Applications invited for a single-handed practice vacancy due to the resignation of the practitioner on the 30th September, 1974. Area classified as "Designated". List at present 2,836.

Practice accommodation not available but accommodation lately used as a branch surgery may be available.

Application forms and further particulars may be obtained from The Administrator, Hampshire Family Practitioner Committee, Friarsgate, Winchester, to whom completed applications should be submitted by the 29th July, 1974. (H10182) 5

#### HIGHLAND HEALTH BOARD

##### MEDICAL PRACTICE VACANCY CANISBAY, CAITHNESS

Applications are invited from Registered Medical Practitioners for a medical practice vacancy based upon Canisbay, Caithness.

The vacancy will arise following the resignation from the Board's Medical List of the present incumbent on 30th September, 1974.

The number of patients on the practice list at 1st April, 1974 was 920, and the Doctor appointed will be required to dispense for all the practice patients. The Practice is in receipt of an inducement payment and a modern 4-bedroom house with adjacent suitable accommodation provided by the Board will be available to rent.

Further details and forms of application may be obtained from the Administrator, Primary Care, Highland Health Board, 28 Southside Road, Inverness with whom completed applications should be lodged not later than 31st July, 1974. (23290) 5

#### LANARKSHIRE HEALTH BOARD

##### VACANT PRACTICE AT LARKHALL

Applications are invited from registered medical practitioners for a single-handed vacancy in Larkhall due to the retirement of present practitioner at 30th September, 1974. List at present 2,790. Surgery accommodation may be available.

For form of application and further particulars apply to the Administrator, Primary Care Services, Lanarkshire Health Board, 14 Dalzell Drive, Motherwell ML1 2BZ, with whom applications should be lodged not later than 26th July, 1974. (H10230) 5

#### NORFOLK FAMILY PRACTITIONER COMMITTEE (NORFOLK AREA HEALTH AUTHORITY) Brooke, Norfolk

Applications are invited for a rural practice vacancy at Brooke (9 miles south-west of Norwich) due to resignation becoming effective on the 30th September, 1974. List at present 2,155 including 2,149 dispensing patients. "Restricted" area.

Surgery accommodation may be available for purchase.

Application Form (EC16A) and further details obtainable from the Administrator, Norfolk Family Practitioner Committee, Horse Fair House, 17 St Faith's Lane, Norwich, Norfolk.

Applications to be received not later than first post, Friday 2nd August, 1974. (H10240) 5

#### ROCHDALE FAMILY PRACTITIONER COMMITTEE FOR THE ROCHDALE AREA HEALTH AUTHORITY MEDICAL PRACTICE VACANCY ROCHDALE EAST

Applications are invited for the above mentioned practice vacancy occasioned by the death of a single-handed male practitioner.

The area is classified as "Open" by the Medical Practices Committee. List size approximately 3,000.

The surgery and residential accommodation will probably be available to an incoming practitioner.

Applications on Form F.P.16A to be received by the undersigned not later than noon on the 2nd August, 1974.

E. W. Sykes, Esq., Administrator, Rochdale Family Practitioner Committee, 115 Spotland Road, Rochdale OL12 6PP. (H10231) 5

#### SEFTON FAMILY PRACTITIONER COMMITTEE MEDICAL PRACTICE VACANCY SOUTHPORT

Applications are invited for a vacancy arising from the resignation of a single-handed male practitioner.

The area is classified as "Open". List size approximately 3,200.

The surgery and residential accommodation will not be available to an incoming practitioner.

Application forms FPC.16A may be obtained from The Administrator, Sefton Family Practitioner Committee, Magdalen House, Stanley Precinct, Bootle, Merseyside, L20 3BA, and should be returned by 29th July, 1974. (H10232) 5

### EAST SUSSEX AREA HEALTH AUTHORITY Brighton Health District VOCATIONAL TRAINING SCHEME FOR GENERAL PRACTICE

Applications are invited for this three year training course. The Scheme is now almost three years old and includes day release for attendance at lectures, discussions etc. at the Sussex Postgraduate Centre and during the third year the day release is for attendance at seminars etc. at the University of Sussex.

The Postgraduate Centre has a vigorous programme of clinical meetings and extensive library facilities. The Course consists of four six months hospital posts in the S.H.O. grade and two periods of six months attachment to General Practices in the area. Arrangements can also be made for short attachments to specialties not normally included in the course.

Accommodation is available for the full three years if required.

Forms of application and further information regarding the course from Mr Belcher, Deputy Hospital Secretary, Royal Sussex County Hospital, Eastern Road, Brighton BN2 5BE. (H10183) 21

### SEFTON AREA HEALTH AUTHORITY Southern District and the University of Liverpool VOCATIONAL TRAINING FOR GENERAL PRACTICE

Applications are invited for a 3 year course, commencing 1st September, 1974, based on Walton Hospital.

The programme consists of 2 years in hospital posts selected from a wide range of specialties (including Obstetrics), together with two six months periods in General Practices.

Trainees will attend the day release course organised by the University of Liverpool.

It is expected that hospital married accommodation will be available during the whole of the 3 years.

Application forms, and full details of the scheme, obtainable from Mr. K. A. P. Gill, District Administrator, Sefton Area Health Authority, Southern District, Walton Hospital, Rice Lane, Liverpool L9 1AE, to whom applications should be returned not later than 18th July, 1974. (23109) 21

## Vocational Training for General Practice

### THE NORWICH SCHEME

Applications are invited for a vacancy in the above scheme which consists of two years in hospital posts and a year in general practice. The Hospital posts will be within the United Norwich Hospitals and will consist of 6 months in General Medicine and Geriatrics, and 6 months in Obstetrics and Gynaecology (approved for D.Obst. R.C.O.G.) and 3 month appointments in Accident and Emergency, Psychiatry and Paediatrics. There is also provision for an elective period in which the successful candidate can gain experience in any chosen specialty. The scheme is recognized for the M.R.C.G.P.

Married accommodation will be available throughout the hospital period. The post commences on 1st November 1974. The provisional interview date is 23rd August.

Applications and enquiries for further information should be addressed to Dr. P. Leney, NANIME, Norfolk & Norwich Hospital, Norwich NOR 53A

# ISLE OF WIGHT AREA HEALTH AUTHORITY

**THE WESSEX VOCATIONAL TRAINING SCHEME FOR GENERAL PRACTICE**  
Applications are invited for a vacancy in the above training scheme with effect from 2nd September, 1974. Trainees are appointed to the Senior House Officer Grade and spend two years in Hospital posts with a final year in General Practice. They will qualify for the Vocational Training Grant when they complete the course.

The rotation of hospital posts is as follows:- Chest and Geriatric Medicine 6 months; Obstetrics and Gynaecology 6 months; Paediatrics (with Ophthalmology and E.N.T.) 6 months; Psychiatry (with Dermatology) 6 months.

This post is recognised for both the M.R.C.G.P. and D.R.C.O.G. A day release course directed to the M.R.C.G.P. constitutes an integral part of the General Practice year. Married accommodation is available.

The population of the Isle of Wight is approximately 110,000. Frequent passenger services to the island run from Portsmouth, Southampton and Lynton.

Candidates are welcome to visit the Island by appointment with the Clinical Tutor. Post-graduate Medical Centre, St. Mary's Hospital, Newport, Isle of Wight.

Applications giving full particulars and the names of two referees should be sent by 27th July to: Area Personnel Officer, Personnel Division, Area Headquarters, Whitecroft, Sandy Lane, Newport, Isle of Wight PO30 3ED. (31124) 21

# KIRKLEES AREA HEALTH AUTHORITY DEWSBURY DISTRICT

## VOCATIONAL TRAINING SCHEME

FOR GENERAL PRACTICE  
Commencing September, 1974

Applications are invited from Medical Practitioners for two Senior House Officer Grade posts, to initiate the Dewsbury District vocational training scheme.

Programme comprises: 1st Year. Six months paediatrics and six months in general medicine and dermatology. 2nd/3rd Year. Six months obstetrics and gynaecology and six months geriatrics (including certain duties in acute general medicine and coronary care) or accident and emergency interspersed with two six months periods in general practice.

Throughout the course there will be integrated teaching in General Practice in the Dewsbury Post Graduate Medical Centre and with the Huddersfield District of the Kirklees Area Health Authority.

Arrangements will be made for Psychiatric Seminars and Ophthalmic experience, and also experience in the work of the Community Physician's Department.

The posts are recognised for D. Obst. R.C.O.G., D.C.H. and recognition is also being sought for the M.R.C.G.P.

The successful candidates will be based at Staincliffe General Hospital, which has 397 general beds. Married accommodation may be available if required.

Please apply in writing to the Personnel Officer, Kirklees Area Health Authority, Dewsbury District 20 Oxford Road, Dewsbury, Yorks. (30812) 21

# NOTTINGHAMSHIRE AREA HEALTH AUTHORITY

## WORKSOP AND RETFORD VOCATIONAL TRAINING SCHEME FOR GENERAL PRACTICE

This is a new scheme which will start on 1st September, 1974. Initially there will be four vacant posts.

The training will be arranged to cater for the individual successful applicant's needs. All trainees will be offered four 6-month S.H.O. posts from the specialties of general medicine, obstetrics, paediatrics, geriatrics (acute work with day hospital facilities) and accident and emergency. This hospital service will be preceded and followed by six months in general practice with one trainer.

Experience in E.N.T., dermatology, orthopaedics, psychiatry and ophthalmology and a half-day release programme will be available throughout the course.

Accommodation available, but not necessarily within Hospital Premises.

The paediatric post is recognized for the D.C.H. examination and the obstetric post for the D.Obst. R.C.O.G.

Application has been made through the Royal College of General Practitioners for recognition of the scheme as fulfilling the requirements for the M.R.C.G.P. examination.

Workshop is a medium-sized town in rural North Nottinghamshire within easy reach of Sheffield, Doncaster, Nottingham and is the gateway to the Dukeries.

Written applications giving full experience of training and qualifications etc. to Assistant District Administrator, Victoria Hospital, Workshop, S80 2BN. (30564) 21

## UNIVERSITY AND RESEARCH APPOINTMENTS

### CHARING CROSS HOSPITAL MEDICAL SCHOOL

Applications are invited for the appointment of

LECTURER  
in the Department of Medicine

Candidates should be interested in working in the cardio-pulmonary field and will be expected to undertake research under the direction of Professor A. Guz. Clinical work will fall within the Section of Respiriology of the Division of Medicine and will carry Honorary Senior Registrar Status. The job will commence on August 1st, 1974, or as soon thereafter as practicable. Salary as for Clinical Lecturer, superannuable under FSSU or NHS as appropriate.

Applications to The Secretary, Charing Cross Hospital Medical School, Brandenburg House, Fulham Palace Road, London W6 9HH by 15th July, 1974 with full details of qualifications and experience and names of referees. (H10185) 25

### THE LONDON HOSPITAL MEDICAL COLLEGE (University of London)

#### SENIOR LECTURER IN ANAESTHETICS

Applicants are invited from medical graduates holding the appropriate higher qualifications for the appointment of Senior Lecturer (with Honorary Consultant contract) within the Professorial Anaesthetics Unit. Clinical duties could include anaesthesia and perfusion for open-heart surgery, intensive therapy work, or any other branch of anaesthetic practice. The duties will include teaching both of undergraduates and postgraduates. The post offers opportunity to initiate or take part in a wide variety of clinical and basic research projects. Extensive laboratory and biochemistry facilities are available. Initial salary within the range £5,085/7,599 (under review) together with superannuation under the F.S.S.U. or N.H.S. Enquiries to Professor B. R. Simpson. Tel: 01-247 5454 Ext. 369. Applications, giving full details of qualifications and experience, together with the names of two referees, should be sent to the Secretary, The London Hospital Medical College, Turner Street, London E1 2AU within 21 days. 25

## OCCUPATIONAL HEALTH

See also pp xix & xx

# S MEDICAL OFFICER SCOTTISH AREA

The British Steel Corporation wishes to appoint a full-time medical officer to join the Medical Department in Scotland where a comprehensive, occupational health service serving 26,000 employees is in the process of development.

He would be based in the Tubes Division's major works at Bellshill but would work under the general direction of the Senior Medical Officer and give service to other works in central Scotland. He would also participate in the further development of the Scottish medical service.

The Corporation has an extensive nationwide Medical Service which offers good career prospects. The salary offered will be within the B.M.A. Recommendations.

Please write for application form to:- Manager, Staff Recruitment, Scotland and North East, British Steel Corporation, Tollcross Works, 1300 Tollcross Road, Glasgow G32 8YP. (30881) 24

## COMMERCIAL APPOINTMENTS

# Medical Advisers

Due to continuing development of new prescription medicines in a number of therapeutic areas and the expansion of its pharmaceutical business in many countries, the Pharmaceutical Division of a British based international company wishes to engage the services of additional registered Medical Practitioners in its Medical Department.

The Medical Advisers will be responsible for setting up and supervising clinical trials at home and overseas and in the preparation and presentation of data to regulatory bodies. They will work closely with licensing, registration and research staffs in these activities. Part-time clinical work will be encouraged.

The posts will involve travel within the U.K. and overseas and a company car will be provided.

Candidates up to 40 years should be registered Medical Practitioners preferably with a post-graduate qualification, and some experience at Senior Registrar or equivalent level. Previous experience within the industry, although an advantage, is not necessary.

In addition to competitive salary, fringe benefits are at the level associated with a large British company, and assistance will be given with re-location to the North of England.

Salary around £6,000—negotiable.

Please quote ref. AM.84 when writing with full details which will be forwarded direct to our client. Should there be any companies to whom your application should NOT be sent please list these separately.

R. Llewellyn,  
MSL ADVERTISING SERVICES LIMITED,  
17 Stratton Street, London, W1X 6DB.

(23402-23)

## OCCUPATIONAL HEALTH

Attention is drawn to the British Medical Association's statement of policy on the Remuneration of Industrial Medical Officers as approved by the Representative Body, which is available on request from the Secretary.

## Unilever

Applications are invited from registered medical practitioners, preferably between 28 and 35 years, to join the full-time staff of the Unilever Occupational Medical Service based on the Head Office at Blackfriars, London, E.C.4.

The successful candidate's duties will include health supervision of employees in a number of factories and offices in the Unilever Group situated in the Greater London area; advice to management on problems relating to the health of the working communities; examinations for home and overseas appointments.

Candidates should have a good standard of clinical medicine combined with an interest in preventive and occupational medicine.

Experience in general practice would be an advantage. An opportunity for further post-graduate training will be available after a period of satisfactory service. Salary will be in accordance with experience, qualifications and age, and will not be less than that set out in the B.M.A. scale. A car is provided and the Company has a generous contributory pension scheme.

The list of those invited to attend for interview will be made out from the letters of application. Candidates are therefore asked to give full details of their training and experience including their reasons for wishing to make a career in occupational medicine.

The names of two persons to whom reference may be made should also be included.

Applications should be submitted to the Principal Medical Adviser, Unilever House, Blackfriars, London EC4P 4BQ.

CHARING CROSS HOSPITAL  
MEDICAL SCHOOL  
University of London

Applications are invited for the post of  
LECTURER

Department of Haematology  
at the Charing Cross Hospital Medical School:  
it is customary for this to carry the Honorary  
Status of Senior Registrar to the Hospital.

Applicants must have the minimal  
requirement of the Primary Examination of  
the M.R.C.Path. and will be expected to take  
part in the teaching of undergraduate  
students and to carry out routine  
haematological duties. There are ample  
facilities for research, which is encouraged.

The appointment will be for one year in the  
first instance. Applications, naming three  
referees, to the Secretary, Charing Cross  
Hospital Medical School, Brandenburgh  
House, Fulham Palace Road, London W6 9FH  
by 31st July, 1974. (H10184) 25

## GUY'S HOSPITAL MEDICAL SCHOOL

Applications are invited from medical  
graduates for the post of

JUNIOR LECTURER OR  
LECTURER

(Full-time or Part-time)

in the Department of Physiology. The duties  
include teaching practical physiology, with  
man as a subject, and with emphasis on  
relevance to medicine.

The person appointed will have opportunity  
to follow his own line of research or to join in  
with current work. There are excellent  
facilities for co-operative research with other  
departments, both academic and clinical. For  
a recently registered graduate there are good  
facilities for preparation for the examinations  
for higher diplomas.

Salary (October 1974 rates, full-time) for  
Junior Lecturer £2,580 - £3,285 and for  
Lecturer £3,285 - £4,896, plus £162 London  
Allowance and F.S.S.U.

Application forms are obtainable from the  
Dean, Guy's Hospital Medical School, London  
Bridge, SE1 9RT and should be returned not  
later than 29th July, 1974. (23463) 25

UNIVERSITY OF SOUTHAMPTON  
Faculty of Medicine

Applications are invited from General  
Practitioners for appointment as an  
ASSOCIATE REGIONAL ADVISER

IN GENERAL PRACTICE

in the Wiltshire Area of the Wessex Regional  
Health Authority. The Adviser will be a  
member of the staff of the Regional  
Postgraduate Dean of Medical Studies, and  
will work closely with the Regional Adviser in  
General Practice. The appointment will be for  
two half day sessions per week, for one year in  
the first instance, renewable for further  
periods of up to five years. The new  
appointment will carry responsibility  
primarily for the Bath, Salisbury and Swindon  
Districts and the practitioner appointed  
would preferably be living and working in the  
Wiltshire Area. By arrangement with the  
Regional Adviser, however, responsibility will  
not exclusively be limited to this area but the  
two Advisers will work together as a team. The  
salary is currently at a rate of £690.82 per  
annum for one session per week. Further  
information is available from the Deputy  
Secretary, (Ext 2804), The University,  
Highfield, Southampton SO9 5NH to whom  
applications (7 copies) should be sent not later  
than 3rd August, 1974. Quote ref: JMB. (23474) 25

## Medical Officer

With some 160,000 employees and  
operating in an international context,  
Courtaulds proposes to strengthen its  
industrial medical organisation. The  
present Chief Medical Officer and his  
deputy will retire within the next three  
to four years.

Applications are invited from suitably  
qualified and experienced medical  
practitioners. The appointment will be  
based on London. Responsibilities will  
involve extensive travel within the UK  
and overseas as needed.

Initial salary will be not less than the

BMA recommendations with additional  
qualifications and experience being  
properly and substantially recognised.  
Other benefits, including the provision  
of a company car and participation in  
the company pension scheme, will be in  
accordance with normal practice and  
the status of the job.

# Medical Officer

## Occupational Health

A full time medical officer is required by a group of northern factories of BICC which are situated at Helsby (Cheshire), Leigh (Lancashire) and Wrexham (Denbighshire) and have approximately 5200 employees.

The successful candidate will be a doctor who will have experience of occupational medicine; he will work under the general direction of the group medical officer, and it is expected that he will be situated at either Helsby or Leigh.

Starting salary will be within the senior medical officer grade of the BMA and will depend on age and experience.

A company car will be supplied.

Other conditions of service reflect our position as a progressive employer, and help with relocation expenses will be given where necessary.

Please write giving details of age, qualifications and experience to:

G. Clarke,  
Personnel & Administration Officer,  
British Insulated Callender's  
Cables Ltd.,  
P.O. Box 11,  
Warrington Road,  
Prescot, Merseyside,

UNIVERSITY OF DAR ES SALAAM  
Tanzania

Applications are invited for the following posts in the Faculty of Medicine:-

**PROFESSOR OF PHARMACEUTICS**

This is a new Department. Applicants should be Pharmacists with postgraduate qualifications with considerable experience in academic pharmacy and preferably have had experience also in other branches of the profession. They should have well developed qualities as an educator and administrator. Appointee will be the founder member of staff of the Department and will be responsible for its creation and development. The graduate course will be for a Bachelor of Pharmacy degree, leading to statutory registration of graduates as Pharmacists. The first group of students will be expected to start their studies in July 1974.

**PROFESSOR/ASSOCIATE****PROFESSOR IN PAEDIATRICS**

Candidates must have a higher medical qualification e.g. M.R.C.P. or equivalent and should have considerable teaching experience. Appointee will take part in the Departments teaching of all aspects of child care in the Tanzania setting. He will have the opportunity for research and will help in the organisation of the Faculty's integrated curriculum and in training junior staff.

**PROFESSOR/SENIOR LECTURER/  
LECTURER IN PSYCHIATRY**

Candidates must have had postgraduate psychiatric training in an approved programme, preferably with an emphasis on Community Psychiatry. Teaching experience is a requirement of senior posts. Appointees will be required to teach medical students at all five year levels with an emphasis on integration with other subject areas, especially Behavioural Sciences, Community Medicine, Child Health and Medicine. Additional opportunities exist to assist in training junior staff, medical auxiliaries and carrying out relevant research.

**SENIOR LECTURER/  
LECTURER IN PATHOLOGY**

Candidates must have at least three years experience for Lectureship position and five years experience for Senior Lectureship in one or more fields of Pathology. Appointee will be required to give lectures to medical undergraduates in their 2nd and 3rd year course; to supervise practical classes and tutorial discussions; arrange clinico-pathological conferences and take part in the various symposia. He will also be required to do research in his field of specialisation.

**SENIOR LECTURER/LECTURER  
IN PHARMACEUTICAL CHEMISTRY**

In the Department of Pharmaceutical Chemistry. Applicants should have postgraduate qualifications in Pharmacy with experience in academic and other branches of the profession. Appointee will join the Head of Department in founding the Department and will have an important role in its development.

**SENIOR LECTURER/LECTURER  
IN NUTRITION IN THE****DIVISION OF COMMUNITY HEALTH**

Applicants should possess a medical degree and higher qualification in Nutrition and should have extensive experience of Community Nutrition work in rural areas of Africa. Interests and experience in Maternal and Child Health and Health Education would be an additional advantage. Appointee will be expected to conduct teaching courses in preventive and community aspects of Nutrition at both undergraduate and postgraduate level. Additional responsibilities will include research and service in community nutrition.

Salary scale: Professor T£3,080 — T£3,360 p.a. Associate Professor T£2,800 — T£3,220 p.a. Senior Lecturer T£2,380 — T£2,800 p.a. Lecturer T£1,898 — T£2,318 p.a. (T£1 £1.18 sterling). The British Government may supplement salaries in range £900 — £1,400 p.a. (sterling) for married appointees of £600 — £1,100 p.a. (sterling) for single appointees (normally free of all tax) and provide children's education allowances and holiday visit passages. These supplementation rates are currently under review. F.S.S.U. Family passages: biennial overseas leave.

Detailed applications (2 copies), including a curriculum vitae and naming 3 referees, should be sent by airmail, not later than 15th August 1974, to the Chief Academic Officer, University of Dar es Salaam, P.O. Box 35081, Dar es Salaam, Tanzania. Applicants resident in UK should also send 1 copy to Inter-University Council, 90/91 Tottenham Court Road, London W1P 0DT. Further particulars may be obtained from either address. (23482) 25

SENIOR REGISTRAR  
IN ACCIDENT & EMERGENCY  
Applications are invited for the above non-resident post at this hospital to commence 1st October, 1974. The appointment is for one year in the first instance extending to two years by mutual agreement.  
This is the busiest Accident and Emergency Department in London with a staff of 1 Consultant, 2 Registrars (1 Medical 1 Surgical), 7 S.H.O.'s and 2 H.O.'s.  
There are some Administrative and Teaching duties. For a suitable successful candidate, a training programme could be arranged to meet the training needs of an Accident and Emergency Consultancy.  
Prospective candidates are invited to visit the Department by arrangement.  
Application forms are obtainable from the Personnel Office, King's College Hospital Tel. 01-274 6222, Ext. 2726 (Miss Millwood) to be returned by 26th July, 1974. (23395) 51-6

## APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1974 No. 361).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

In particular, they will find full details of facilities provided in most hospitals in the United Kingdom in the current edition of the *Hospital Gazetteer*. If such details are not included members are advised to consult the Secretary of the B.M.A.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

### SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £1,914 per annum for the posts held during the first year; £2,061 per annum for posts held during the second year; £2,208 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,475 per annum x £189(1) x £186(1) — £2,850.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £2,850 per annum x £171(3) x £168(1) — £3,531.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £3,363 per annum x £168(1) x £216(4) — £4,395.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £3,156 per annum x £183(2) x £180(2) x £168(10) £5,562.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £5,085 per annum x £279(8) x £282(1) — £7,599.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rent is appropriate. August, 1973

## IMPORTANT NOTICE

### Appointments

### CANBERRA HOSPITAL AND WODEN VALLEY HOSPITAL AUSTRALIA

### GOVERNMENT AND UNIVERSITIES OF SOUTH AFRICA

Before applying for any appointment specified in this notice, or for any appointment under an authority referred to in this notice, medical practitioners are advised to communicate with the Secretary of the British Medical Association, B.M.A. House, Tavistock Square, London, W.C.1. to learn the views of the association regarding the terms and conditions of service pertaining to the appointments.

By Order of the Council

**DEREK STEVENSON**

Secretary.

**DUDLEY  
AREA HEALTH AUTHORITY**

Applications are invited from registered  
medical practitioners for the post of  
**CLINICAL ASSISTANT  
IN ANAESTHETICS**  
for nine sessions per week with effect from 1st  
September, 1974. Experience in speciality  
essential. Active teaching programme with  
weekly tutorials and monthly seminars held  
within the Area.  
Applications naming two referees to the  
Area Personnel Officer, Dudley Area Health  
Authority, Kelvin House, 6 The Broadway,  
Dudley, Worcs. as soon as possible. (30819) 52-4

**ESSEX  
AREA HEALTH AUTHORITY  
Chelmsford District**

**LOCUM SENIOR REGISTRAR  
IN ANAESTHETICS**  
required for period 29th July - 25th August,  
1974. Resident. Anaesthetic experience is  
offered in all the usual specialties as well as  
thoracic surgery.  
Applications with the names of two  
referees, to District Administrator, Essex  
Area Health Authority, Chelmsford District,  
Bellefield, London Road, Chelmsford, Essex  
CM2 0QH. (31001) 52-5

**NORTHERN  
REGIONAL HEALTH AUTHORITY**

**SENIOR REGISTRAR  
IN ANAESTHESIA  
(Whole-time, resident)**  
in the Department of Anaesthesia of the  
Middlesbrough/Lanbaugh District in the  
Cleveland Health Authority Area. The  
Cleveland Area comprises a progressive,  
mainly industrial conurbation in a rural and  
coastal setting on the River Tees adjacent to  
the North Yorkshire Moors.

The successful candidate will join a team of  
13 Consultants, two Medical Assistants, two  
Senior Registrars, three Registrars and six  
S.H.O. General services are provided for a  
population of 350,000 and sub-regional  
specialties to a population of about a million.  
The post offers excellent High Professional  
Training and experience in Anaesthesia for  
Neurosurgery, Neurology, Radio-therapy and  
Thoracic (other than Cardiac), Plastic,  
Dental, Ophthalmic and E.N.T. Surgery. The  
Department of Anaesthesia is developing a  
Resuscitation Unit and is in the process of  
establishing an Intensive Therapy Unit.

A flexible rotational scheme is in operation to  
meet individual requirements and facilities  
may be arranged for secondment to the  
Regional Cardiac Surgery Centre. There is an  
excellent Library with an active Postgraduate  
Centre, and an active programme of Training  
for Junior Anaesthetists in which the  
successful applicant will be expected to  
participate.  
Applications, naming three referees, to  
Regional Medical Officer, Northern Regional  
Health Authority, Benfield Road, Newcastle  
upon Tyne NE6 4PY by 27th July, 1974. (30932)  
52-5

**WEST MIDLANDS  
REGIONAL HEALTH AUTHORITY  
and  
BIRMINGHAM  
AREA HEALTH AUTHORITY  
(Teaching)**

**Midland Area Training Scheme for  
SENIOR REGISTRARS  
IN ANAESTHETICS**  
Vacancies within the Scheme starting in the  
Central Birmingham Health District (formerly  
the United Birmingham Hospitals) will occur  
on 1st August, 1974. The Scheme provides for 2  
years training in the Teaching Area and one  
year in a major peripheral centre in the  
Region. There is also provision for an "off  
service" year. Rotations are tailored to suit  
individual needs and sympathetic  
consideration is given to domestic  
circumstances. All units involved provide a  
first class training with excellent  
postgraduate facilities and experience is  
available over the whole range of anaesthetic  
procedures. Every encouragement is given to  
participation in clinical research activities.  
Training is under the overall supervision of  
the Professor of Anaesthetics, University of  
Birmingham.

Applicants must hold the F.F.A.R.C.S. and  
further details and application forms may be  
obtained from the Medical Personnel Office,  
Queen Elizabeth Hospital, Birmingham B15  
2TH on quoting reference SRA/40012 and  
should be returned within two weeks of the  
appearance of this advertisement. (H10038)  
52-5

**GREATER GLASGOW HEALTH BOARD**

The Greater Glasgow Health Board offer  
**SENIOR REGISTRARSHIP  
IN ANAESTHETICS**  
based initially at Glasgow Western Infirmary.  
This post will be reviewed annually.  
Subsequent movement to other teaching  
hospitals in the interests of the Senior  
Registrar's training and experience will be  
arranged by the Western Regional Committee  
for Postgraduate Medical Education.  
Further details can be had from the  
Secretary, Greater Glasgow Health Board,  
Room 117, 351 Sauchiehall Street, Glasgow, G2  
3HT, to whom applications (1 copy) should be  
sent with details of age, qualifications,  
experience, present appointment, and the  
names of two referees not later than 14 days  
from the date of this advertisement. (H10221)  
52-5

**NEWCASTLE  
AREA HEALTH AUTHORITY  
(Teaching)**

**THREE SENIOR REGISTRARS  
IN ANAESTHESIA  
(Whole-time non-resident)**  
to participate in a rotation scheme between  
the Teaching Hospitals and the Regional  
Cardiothoracic Surgical Service. The scheme  
is devised to ensure that the holders enjoy the  
best training facilities in the Region. All the  
hospitals may be served without change of  
residence.  
A two-year period will provide five months  
in a full-time Cardiothoracic Unit, three  
months in Anaesthesia for Neurosurgery, two  
months in Paediatric and Neonatal work, and  
extensive contact with all branches of  
Intensive Therapy. One year will be spent in  
the Royal Victoria Infirmary, Newcastle upon  
Tyne with facilities for research and training  
and two months of this time will be free from  
clinical duties, to be spent in an approved  
postgraduate activity.  
These are new posts, recently approved by  
the Department of Health in recognition of the  
training facilities available.  
Applications, naming three referees to The  
Area Personnel Officer, Newcastle Area  
Health Authority (Teaching), Personnel  
Division, Medical Staffing Section, Newcastle  
General Hospital, Newcastle upon Tyne NE4  
6BE. Closing date 27th July, 1974. (23344) 52-5

**YORKSHIRE  
REGIONAL TRAINING SCHEME  
SENIOR REGISTRARS IN  
ANAESTHETICS**  
Posts rotate between The General Infirmary  
at Leeds, St. James's Hospital, Leeds  
(Teaching Hospitals), The Regional Thoracic  
Centre at Killingbeck Hospital, Leeds and  
hospitals in the Bradford Group.  
The posts are designed to provide a  
comprehensive training including experience  
in Anaesthetics for Cardio-Thoracic Surgery  
and Neuro-Surgery and in Intensive Care.  
There is an attachment period to the  
University Department to provide experience  
in research. Candidates must be F.F.A.R.C.S.  
or equivalent. Recognized for higher  
specialist training. The posts are non-  
resident.  
Please quote reference number 526.  
Further details and application forms may be  
obtained from the Regional Administrator,  
Yorkshire Regional Health Authority, Park  
Parade, Harrogate, Yorkshire, to whom they  
should be returned by 25th July, 1974. (30887)  
52-5

**SENIOR REGISTRAR IN GERIATRIC AND GENERAL MEDICINE**

To the Northampton Area (Kettering Health District) Applications are invited for this post in the Kettering Health District with a six months secondment to Oxford Area Health Authority (Teaching). The post offers excellent training, experience and facilities for those planning for consultant career in Geriatric/General Medicine.

The Geriatric Unit is a very active one with a great deal of acute medicine as well as facilities for rehabilitation. Good experience in medicine and a higher qualification essential.

Further details of the post on request from the Administrator, Oxford Regional Health Authority, Old Road, Headington, Oxford.

Applications (2 copies) on forms obtainable from the Administrator, Oxford Regional Health Authority, Old Road, Headington, Oxford should reach him by 27th July 1974. Quote ref 17/1/21/68/BMJ (30650) 67-5

**ROYAL NATIONAL ORTHOPAEDIC HOSPITALS**

**SENIOR REGISTRAR IN GENERAL MEDICINE AND HUMAN METABOLISM**

required. This post involves duties both in the Metabolic Unit and in general medicine among our orthopaedic patients at this group of Postgraduate Teaching Hospitals (Great Portland Street, London, and Brockley Hill, Stanmore, Middlesex).

Tenure for one year in the first instance, depending on results of negotiations which are in progress to include this post in a training rotation with a London District General Hospital. The successful applicant, if suitable, may proceed on this programme. There are opportunities for study and research both in the Metabolic Unit and in the Special Clinics in Human Metabolism.

Applicants should be members of The Royal College of Physicians. The post is whole-time, non-resident, although residential accommodation may be available.

Application forms and further information concerning the details and duration of post from the House Governor, 234 Great Portland Street, London W1N 6AD. Tel: 01-387 5070, Ext. 15, to be returned by 23rd July, 1974. (23449) 67-5

**THE HARLEY STREET CLINIC, W.1.**

Applications are invited from suitably qualified medical practitioners for the post of Resident Medical Officer. This private hospital will shortly be expanding to 150 beds and cares for acute medical and surgical cases. This position will particularly suit candidates who are studying for a higher qualification.

Applications in writing giving the names of two referees to: The Executive Administrator, The Harley Street Clinic, 35 Weymouth Street, London W.1. Tel: 935 7700 67-5

## MICROBIOLOGY

**CAMDEN/ISLINGTON  
AREA HEALTH AUTHORITY (T)**  
(Teaching)  
Applications are invited for the post of  
**SENIOR REGISTRAR  
IN MICROBIOLOGY**  
for one year in the first instance, from a date to be arranged. This post will rotate between the Bacteriology and Virology Laboratories at University College Hospital and is interchangeable with the Microbiology Department of the Whittington Hospital. This is a four year training post subject to formal review after 18 months. Candidates about to take the primary M.R.C.Path. would be considered. The post is also suitable for applicants holding M.R.C.P., seeking a career as an Infectious Diseases Physician.  
Application forms from the Assistant Secretary, University College Hospital, Gower Street, London WC6 6AU, to be returned by 27th July, 1974. (31090) 68-5

**NORTH WESTERN  
REGIONAL HEALTH AUTHORITY  
and Manchester Area Health Authority**  
(Teaching)

**SENIOR REGISTRAR  
IN MEDICAL MICROBIOLOGY**  
This is a whole-time non-resident post offering training in all branches of the specialty including public health bacteriology and epidemiology, immunology and virology. Facilities for research will be provided. The successful applicant will spend the first year at Preston Royal Infirmary and then rotate to the Manchester Royal Infirmary or the University of South Manchester. There will be an opportunity during the second year to take the University course for the Diploma in Bacteriology. Married accommodation is available at Preston if required.  
Application forms from the Regional Medical Officer to the Authority, Gateway House, Piccadilly South, Manchester, M60 7LP, to be returned by 3rd August, 1974. (23406) 68-5

**TAYSIDE HEALTH BOARD**  
**CONSULTANT IN OPHTHALMOLOGY**  
 Applications are invited for appointment to a new post of Ophthalmologist (Consultant) in the Ophthalmology Service based on Perth Royal Infirmary and the new teaching hospital at Ninewells. The principal duties associated with the post will relate to out-patient and in-patient services in the Perth District but the successful candidate will also have a definite commitment to work in Dundee in relation to any special interest he may have, e.g. paediatric ophthalmology. Re-organisation of the Ophthalmology Service is at present under consideration and the duties of the post may be amended with an increased commitment to work in Dundee. It is likely that the University of Dundee will grant an associated honorary appointment.  
 The appointment will be on a whole-time or maximum part-time basis on the option of the successful candidate.  
 Forms of application and further particulars from the Secretary to the Board, Vernonhome, Riverside Drive, Dundee, with whom applications should be lodged not later than 10th August, 1974. (H10234) 76-1

BASINGSTOKE DISTRICT HOSPITAL

PSYCHIATRIC REGISTRAR  
(Resident)

The appointment will be one of three therapeutic teams and offers excellent experience in all forms of psychiatric illness.

This is a modern progressive mental hospital with a new District General Hospital on the same site. It is set in the heart of beautiful Hampshire countryside on the outskirts of Basingstoke, an expanding modern town. It is served by an excellent bus service and a frequent train service to Waterloo (45 minutes) and is 50 miles from London on the M3 Motorway. Apart from its own Social Club and the usual variety of sporting facilities, the hospital boasts an excellent nine-hole golf course.

Apart from general clinical psychiatry (1,000 beds) the hospital has an Alcoholic Unit, a Mother and Baby Unit, a Psychiatric Intensive Care Unit, a Day Hospital and a rapidly expanding Community Psychiatric Nursing Service. It shares an active Postgraduate Education Centre with the District Hospital, runs regular weekly case conferences, seminars and monthly Journal Club. Generous study leave is granted to Doctors attending the Wessex School of Psychiatry for courses in P.P.M. and M.R.C.Psych. The hospital is fully recognized as a training hospital by the Royal College of Psychiatry (Category 1).

**SENIOR HOUSE OFFICER**  
**TO PSYCHIATRIC DIVISION**  
**(Resident)**

required as soon as possible with duties mainly at Long Grove Hospital. The hospital is accredited for training by the Royal College of Psychiatrists.

Letters of application with names of two referees to the Liaison Officer, Long Grove Hospital. (31110) 84-6

**LOTHIAN HEALTH BOARD**  
(a) Royal Edinburgh Hospital/  
University of Edinburgh

**Trainee Posts — Non-resident**  
**SENIOR HOUSE OFFICER/REGISTRAR**  
Applications are invited for the Three-Year Course of academic and clinical training. The theoretical aspects of the Course consist of 54C hours of instruction, the advanced studies section enabling the trainees to select options of particular interest to them. Students are registered as graduate students in the Faculty of Medicine and are expected to take the Membership Examination of the Royal College of Psychiatrists. Concurrently with their training, eligible students may become candidates for the M.Phil. Degree.

The in-service clinical component which includes supervision in Psychotherapy, is rotational. Trainees pass in planned sequence through the various services in the Royal Edinburgh Hospital, the two teaching General Hospitals and the Department of Psychological Medicine of the Royal Hospital for Sick Children. Registrars will have opportunity to rotate to peripheral hospitals for special experience.

Appointments will be made as Senior House Officer with promotion to Registrar as vacancies occur and subject to satisfactory progress.

(b) Bangour Village Hospital, Broxburn, Herdmanston Hospital, Haddington, and Roslynvie Hospital, Roslin, in conjunction with the Royal Edinburgh Hospital and the University of Edinburgh.

Applications are invited for the Three-Year Course of academic and clinical training. The academic component of the Course is as described in the advertisement above. The in-service component which includes supervision in Psychotherapy, is rotational. The training period will include general psychiatric experience in one of the Hospitals and associated General Hospitals, a year in the Royal Edinburgh Hospital and experience in Specialised Services e.g. Alcoholism, Child and Adolescent Psychiatry, Forensic Psychiatry or Subnormality. Appointments will be made as Senior House Officer or as Registrar depending on previous service. Houses or accommodation may be available.

Applications which should be typewritten, giving particulars of age, qualifications, previous experience and the names of two referees, should be lodged with the Secretary, Lothian Health Board, 1 Drumsheugh Gardens, Edinburgh, (from whom further information may be obtained) within two weeks of this advertisement. The Hospitals can be visited by arrangement with the Physician Superintendent or the District Administrator.

Applicants should indicate whether they are interested in either or both of the two training experiences offered. (H10246) 84-8

Humberside Area Health Authority

### SURREY AREA HEALTH AUTHORITY

## Community Health Doctors (Clinical)

(Salary Scale £3,189 — £4,176)

Three vacancies exist for qualified medical practitioners to work mainly in the Child Health Service. The vacancies are in the North, North-West and South East Districts of this Authority and experience in paediatrics and/or possession of a Diploma in Child Health or Public Health would be an advantage, as would recognition for ascertainment of educationally sub-normal children.

These posts, which are in a new and large Authority, offer opportunity to obtain experience in the preventive aspects of pre-school and school health services and for management of the problems of handicapped children.

If you are interested in these vacancies please apply to:—

Area Personnel Officer, (Ref: GC),  
Surrey Area Health Authority,  
Friary Court,  
13/21 High Street,  
Guildford, Surrey.

Tel: Guildford 71261, Ext. 276.

### NATIONAL HEALTH SERVICE REORGANISATION

## SPECIALIST IN COMMUNITY MEDICINE

### Child - Health

Applications are invited from officers who are wholly or mainly employed in health service in England and Wales and who are transferable to the reorganised health service under the provisions of the National Health Service Reorganisation Act, for the above post with this fast developing and pleasantly located Authority. The post carries with it the challenge of tackling problems of organisational development and the continued improvement of services.

Applicants should be registered medical practitioners with broad experience of administrative medical work in a senior level employed on the provision of health services by local health or education authorities, or in the public health services or local authorities or in the National Health Service hospital service.

Salary Scale: £5,085 x £279(8) — £7,317 x £282(1) — £7,599.

Further particulars and application forms are available from Dr. J. Beasley, Area Medical Officer, Clarendon House, 78B High Street, Solihull, Warwickshire, B91 3QP, Tel: 021-704 1301. Application forms should be returned by 3rd August, 1974. (30927)

110

**SOMERSET AREA HEALTH AUTHORITY**  
Specialist in Community Medicine  
Child Health

Applicants should be suitably qualified registered medical practitioners, in England and Wales, who have a broad experience of administrative medical work.

Persons in contact with Family Practitioner Committees and University teaching staff who have previously been ineligible to apply for posts in the reorganised Health Service will also now be considered.

Somerset is a two-district Area with a population of 344,000. It is mainly a rural area although the County Town of Taunton, where both the Area Health Authority and County Council are based, is becoming an important

centre for administration and commerce. The Child Health Services are well developed in Somerset and include a 36-bedded Children's Psychiatric Unit and up-to-date Paediatric Departments at Taunton and Yeovil. The duties of the post involve planning and organising integrated health services for children of all ages and co-ordinating the work of Child Health Medical staff including organising the examination and treatment of school children.

Salary scale £5,085 - £7,599.

Further particulars and application forms available from the Area Personnel Officer, Somerset Area Health Authority, County Hall, Taunton. Applications should be returned by 27th July, 1974. (30980) 110

**CANTERBURY & THANET HEALTH DISTRICT**  
Kent and Canterbury Hospital  
Canterbury, Kent  
(407 beds)

#### SENIOR HOUSE OFFICER COMBINED POST IN GENERAL AND COMMUNITY MEDICINE

Applications are invited from those interested in the possibility of a career in community medicine (administrative medicine or epidemiology) for a resident post as Senior House Officer in General Medicine on the Medical Unit, (Dr. D. J. E. Taylor), vacant in July.

In addition to the part-time clinical duties the successful candidate will be involved in research in epidemiology and administrative medicine in the Health Services Research Unit (Director-Professor M. D. Warren) at the University of Kent at Canterbury. The candidate will be given the status of honorary research associate in the University.

This post is intended to provide an introduction to community medicine whilst enabling the successful candidate to gain further experience and training in general medicine. At the end of the period of appointment, further training may be arranged in community medicine over a three to four year period which would include an opportunity to study for the M.Sc. (Social Medicine) at the London School of Hygiene and Tropical Medicine.

Applications giving full particulars of age, qualifications and experience together with names and addresses of two referees to be addressed to the Postgraduate Administrator at the above Hospital as soon as possible. 27794) 110

**LEEDS AREA HEALTH AUTHORITY**  
(Teaching)

Applications are invited for the following posts from registered medical practitioners in England and Wales:

**DISTRICT COMMUNITY PHYSICIAN**  
**LEEDS WESTERN DISTRICT**  
(Teaching)

The Leeds Western District (Teaching) is one of the largest in the country, with a population of 390,000. The District Headquarters are in newly constructed accommodation in the General Infirmary at Leeds and the hospital provision in the district includes the former groups of the United Leeds Hospitals (1,000 beds), High Royds Hospital, Management Committee (1,500 beds), Wharfedale Hospital Management Committee (800 beds) and the Regional High Energy Radiation Centre at Cookridge (154 beds). The post is one of the most interesting and challenging in the reorganised service.

**SPECIALIST**  
**IN COMMUNITY MEDICINE**  
(Environmental Health)

**SPECIALIST**  
**IN COMMUNITY MEDICINE**  
(Social Services)

The matching Local Authority is the second largest Metropolitan District in population (736,000) and the largest in the area. The Environmental Health Committee proposes a comprehensive programme of environmental monitoring and research in which the Specialist in Community Medicine (Environmental Health) would be expected to take part. The Social Services Department has wide ranging responsibilities and the Specialists in Community Medicine will be closely involved with the work of its central development group. It is hoped that all Community Medicine Specialists in the Area will take part in the research and teaching activities of the Department of Community Medicine and General Practice in the University of Leeds. Salary scales — £5085 x £798.8 — £7317 x £282.1 — £7599.

The Area Medical Officer (Dr. G. E. Welch) would welcome enquiries about these posts, and further particulars and application forms can be obtained from the Area Personnel Officer, Leeds Area Health Authority (Teaching), Hepworth House, Claypit Lane, Leeds, LS2 8AP. The closing date for applications is 26th July 1974. (23365) 110

**NORTH WESTERN REGIONAL HEALTH AUTHORITY**

#### TRAINEE IN COMMUNITY MEDICINE

This post is suitable for a doctor with at least two years post-registration clinical experience who is interested in a career in community medicine. The post will be rotating and will offer practical experience in the work of the specialty by attachment to health districts and areas in Manchester. It will normally be held for about two years and during this period the holder will be expected to undertake the course offered by Manchester University Department of Community Medicine. This is a part-time course, involving attendance at the University for 2½ days weekly in term time, over two years. Both formal instruction and preparation of a thesis are involved and the course will prepare the participant for an M.Sc., as well as enabling him/her to sit for the membership of the Faculty of Community Medicine.

The training post is equivalent to registrar in the clinical specialties and carries the same salary scale (£2,850 x £171.3) x £168.1) £3,531; where a doctor currently earning a higher salary is appointed it will be at the discretion of Regional Health Authorities to allow protection of salary.

Application forms and further particulars may be obtained from the Regional Medical Officer, North Western Regional Health Authority, Gateway House, Piccadilly South, Manchester M60 7LP. Applications should be received not later than 31st July, 1974. (23405) 110

**APPLICANTS ARE ADVISED NOT TO send original testimonials when replying to advertisements. Copies will serve the purpose quite as well, and in the event of their being lost or mislaid no inconvenience will ensue.**

**WARWICKSHIRE AREA HEALTH AUTHORITY**

**DISTRICT COMMUNITY PHYSICIAN**  
(SOUTHERN DISTRICT)  
**SPECIALIST**  
**IN COMMUNITY MEDICINE**  
(SOCIAL SERVICES)

Applications for the above are invited from suitably qualified medical practitioners in England and Wales not necessarily employed in the merging health services.

The Warwickshire Area Health Authority serves a population of nearly half a million people in one of the finest counties in England. The Southern District, population 220,000, contains the pleasant towns of Stratford upon Avon, Warwick, Leamington Spa and Kenilworth, in which there is both heavy and light industry. It is served by a group of hospitals where the specialist services have been developed to a high degree and includes a Psychiatric Hospital with exceptionally good facilities for rehabilitation and a hospital for the younger chronic sick. The area is served by four hospitals for the mentally handicapped, which are administered by the Northern District. The District Community Physician will be expected to develop Health Care Planning Teams in a number of specialties and to play a full part in the District Management Team. He will also be a member of the Area Division of Community Medicine which will initiate and develop a progressive policy for the Area and encourage research and postgraduate training in Community Medicine.

The Specialist at Area level, will in addition to his commitment to the Social Services Department, which is in progress of reorganisation, and with which good relations have been established, have the option of developing any interests that he may have relevant to community medicine which may include planning, epidemiology and the development of information services.

There are three District General Hospitals development plans in the Area at the stage of detailed planning.

Salary scale: £5,085 — £7,599.

The Area Medical Officer, Dr. Keith Young, telephone Warwick 46211, would welcome visits and further enquiries from prospective candidates.

Applicants are asked to forward a summary of education, experience and publications giving the names of two referees to the Area Personnel Officer, Warwickshire Area Health Authority, Cape Road, Warwick CV34 4RJ, by 25th July 1974. (30979) 110

## PUBLIC APPOINTMENTS (Whitley Scales)

**ARGYLL AND CLYDE HEALTH BOARD**  
Dumbarton District

#### CLINICAL MEDICAL OFFICER

Applications are invited from registered medical practitioners for a post as clinical medical officer in this District. Duties will consist of clinical work in the field of community child health including the school medical service. The salary will be within the range £3,189 — £4,176 with placing according to experience and qualifications. Car mileage allowance payable.

Applications to be sent to Dr. J. G. Young, District Medical Officer, Nurses' Home, Victoria Infirmary, Helensburgh, giving details of age, education and qualifications, together with the names of two referees. (H10251) 113

**DURHAM AREA HEALTH AUTHORITY**

#### CLINICAL MEDICAL OFFICERS (full or part-time)

Applications are invited from registered medical practitioners to undertake clinical duties in various parts of the Area primarily in the child health service. Previous experience with handicapped pupils and in developmental paediatrics is an advantage but there will be opportunities for further training. Salary scale £3,189 — £4,176. Assisted car purchase scheme and travelling and subsistence allowances where applicable. A grant towards removal expenses may be available.

Application forms and further particulars from the Area Personnel Officer, Durham Area Health Authority, County Hall, Durham, (31174) 113

**NOTTINGHAMSHIRE AREA HEALTH AUTHORITY**  
(Teaching)

#### CLINICAL MEDICAL OFFICERS

Salary range £3,189 — £4,176. We require forward looking Physicians who wish to work in Child Health Clinics, in schools and with handicapped children in an area with a new medical school.

There is close liaison with the Paediatricians in hospitals and Paediatric Unit. Although the work will be primarily with children and young people, there may be the opportunity for experience in other clinical fields, e.g. Family Planning, Survival (Cytology).

Appropriate Postgraduate qualifications and relevant experience will be taken into account in determining the initial salary.

For those with limited experience, the authority will provide suitable in-service training opportunities in conjunction with the University Department of Child Health.

Further details and application forms from Dr. Eleanor J. More, Area Specialist in Community Medicine (Child Health), County Hall, Nottingham. (31175) 113

# SPECIALIST IN COMMUNITY MEDICINE

## SOCIAL SERVICES LIAISON/ HEALTH SERVICE PLANNING

Applications for the above post are invited from suitably qualified registered medical practitioners at present employed in the merging health services in England and Wales.

The Authority is a single district Area and the duties of the post will be concerned principally with the organisation, planning and development of health services for specific patient groups (such as the elderly, the mentally ill and the handicapped) and ensuring their effective co-ordination with the social services provided by the matching Local Authority.

The successful applicant who should have broad experience in medical administration will also be expected initially to undertake certain duties in connection with health service planning in close co-operation with the Area Medical Officer. This aspect of the work will however be reviewed when additional specialist appointments can be made.

The area is within easy reach of both Manchester and Salford Universities and offers opportunities for research.

The present salary scale is £5,085 — £7,599 and the Review Body recommended scale is £5,433 — £7,947.

Particulars of the post and application forms may be obtained from the Area Personnel Officer.

Further enquiries may be made to Dr. J. Salem, Area Medical Officer — 061-872 2311. Closing date for receipt of applications is 22nd July, 1974. (23323) 110

## Vacancies

### City Council of Nairobi

#### Public Health Department

## Consultant Obstetrician/ Medical Superintendent

(Pumwani Maternity Hospital)

**Salary Scale:** K£4000 x 75 - 4300 x 100 - K£4400 per annum  
(Plus £600 per annum in lieu of overtime)

Applications are invited for the above post from qualified Medical Practitioners in possession of M.R.C.O.G. or other equivalent postgraduate qualification in Obstetrics and Gynaecology. Applicants should have considerable administrative experience in a large and busy obstetric and gynaecology hospital and at least 5 years postgraduate experience.

Pumwani Maternity Hospital has 250 obstetric beds and will soon have at least 10 Gynaecology beds. There is a modern New Born Unit with 144 cots/incubators and an attached mothers hostel with 60 beds. As a part of the hospital there are seven Maternity Units scattered around the City each with 20 beds for normal deliveries.

The Hospital serves a large section of the City community and handles about 16,000 deliveries per year. It offers wide surgical experience in Obstetrics and a limited amount of Gynaecology. It has a School for Kenya Registered Midwives and Enrolled Midwives and the successful candidate will be expected to help in their teaching as well as that of Senior House Officers and Registrars.

### SENIOR REGISTRAR

**Salary Scale:** K£3366 x 84 — 3534 x 96 — K£4014 per annum (Plus £600 per annum in lieu of overtime)

Applications are invited for the above post at Pumwani Maternity Hospital. The applicants must be holders of the M.R.C.O.G. or equivalent qualification. A diploma in Child Health or Paediatrics in addition will be an advantage.

The hospital has 250 beds and serves a large section of the City community and handles about 16,000 deliveries per year. It offers wide surgical experience in Obstetrics and a limited amount of Gynaecology. It has a School for Kenya Registered Midwives and Enrolled Midwives and the successful candidate will be expected to help in their teaching as well as that of Senior House Officers and Registrars.

### ASSISTANT MEDICAL OFFICER OF HEALTH (3 POSTS)

**Salary Scale:** K£3525 x 75 — K£4200 per annum  
(a) School Health Service — 1 Post

#### Qualifications:

Must be Registered Medical Practitioner with long experience in School Health and Day Nursery work or Paediatrics with interest in Community Health Paediatrics. Candidates with postgraduate qualifications at M.R.C.P. level or doctorate will be given preference.

#### Duties:

Overall responsibility in organising and planning for School Health and Day Nursery Programmes (under the guidance of Medical Officer of Health). These will among other duties include:

1. Medical Examinations and follow-up screenings
2. Completing immunisation schedules started at Child Health Clinics.
3. Health Education.

#### (b) Clinical Services — 1 Post

#### (c) Maternal and Child Health Service — 1 Post.

#### Qualifications:

Candidates must be Registered Medical Practitioners with postgraduate qualifications in either Clinical Medicine or in Maternal and Child Health (e.g. Diploma in Obstetrics, Diploma in Child Health or Diploma in Public Health).

#### Duties:

Will be overall responsible for organisation and planning of Clinical and Maternal and Child Health Services (under the guidance of the Medical Officer of Health) and any other duties as may be assigned to him by the Medical Officer of Health.

### TERMS OF OVERSEAS CONTRACT

## Crown agents

M Division, 4 Millbank, London SW1P 3JD  
quoting reference number

TEHERAN, IRAN. Bank Sepah is the oldest established and one of the largest of the Iranian Banks. The Bank has a country holiday estate at the foot of the Alborz mountains about 30 kilometres from Teheran where bank staff and their families can spend up to two weeks holiday at a time in the summer in almost idyllic surroundings. To secure the provision of a competent medical service for this scheme and to initiate and advise on physical health activities, the Directors of the Bank wish to appoint a Graduate of a British University who should have had at least five years G.P. experience, part of which may have been in Health Farms or similar institutions in the U.K. or elsewhere. Salary would be negotiable but probably exceeding \$15,000 per annum with free accommodation and board and a car would be provided. Income Tax in Iran is very low by comparison with the U.K. Applicants for this post are invited to submit details of past experience and references to The Manager, Bank Sepah Iran, 5/7 Eastcheap, EC3. Early application is desirable as the post should be taken up by mid-August. (H10248) 118

THE OPPORTUNITY OF your life to practice medicine in its fullest sense. The Lutheran Medical Foundation urgently needs doctors to serve the Zulus in their Homelands. The need arises from constant expansion of services. Salary scale: R5700 — R8100 plus 15%, according to experience, qualifications and grading, plus free housing. Travel expenses paid according to length of contract. We need doctors who genuinely care. For further information contact Medical Superintendent, Ekombe Hospital, Post Bag 203, Kranskop, Natal, South Africa. Interviews could be arranged October/November this year in London. 118

#### WAIKATO HOSPITAL BOARD

ORTHOPAEDIC SURGEON  
Waikato Hospital, Hamilton  
New Zealand

Applications are invited from suitably qualified medical officers registrable in New Zealand for the position of Orthopaedic Surgeon at Waikato Hospital.

The position is of specialist status and applicants should have been qualified for a minimum period of eight years, have had five years experience in the speciality and hold an appropriate higher qualification.

Salary and conditions of employment in accordance with the Hospital Employment (Medical Officers) Regulations, the salary being within the scale \$12,639/\$16,926 per annum. The actual commencing salary will be determined by the Director-General of Health in accordance with the appointee's qualifications and experience.

Waikato Hospital is the Board's base hospital of approximately one-thousand beds. It is situated in the city of Hamilton, which has excellent public and private schools, a University centre and a teachers training college. It is the centre of a rapidly expanding agricultural and farming area with ready access to all sporting facilities.

Application forms and conditions of appointment can be obtained from the Chief Executive, Waikato Hospital Board, P.O. Box 934, Hamilton, New Zealand, with whom applications close on the 30th August, 1974.

Further particulars, if desired, may be obtained from the Medical Superintendent, Waikato Hospital, Private Bag, Hamilton, or from the Superintendent-in-Chief, Waikato Hospital Board, Private Bag, Hamilton, New Zealand. (H10216) 118

PRINCESS MARGARET HOSPITAL  
(Ontario Cancer Institute)  
500 Sherbourne Street,  
Toronto, Canada.

#### PAEDIATRIC ONCOLOGY

Resident required from 1st July, 1974 - 30th June, 1975. Applicant must have had minimum of two years general paediatric training. Salary \$12,700 per annum. Applications to Dr. Marilyn Sonley, 500 Sherbourne Street, Toronto. (H10215) 118

THE MANAGEMENT of the Diaconessenhuis Hospital, Heemstede, Holland, has a vacancy for an Anaesthetist to work in this hospital as equal partner with the present anaesthetist, who is also British. The salary will be approximately £14,000 p.a. The Diaconessenhuis is a completely new hospital of 365 beds, which was opened on the 1st August 1973. All normal surgical specialities are represented. In the case of English Anaesthetists, the contract for doctors on a fixed annual salary is limited to one year, but there is the possibility of renewal for a further period.

Please apply to the Medical Director, Diaconessenhuis, Handellaan 2, Heemstede (Haarlem), Holland. (H10197) 118

WANTED TO JOIN large group practice in Hong Kong. General Physician under 35 years of age. (Paediatric experience and higher qualifications an asset). One year's probation at salary to be negotiated. Junior Partnership offered after one year if mutually compatible. Full partnership available after four years. Successful candidate will be required to do general practice. Reply to Box 5104 BMJ. 118

WANTED a Locum Specialist Anaesthetist for six to eight weeks beginning third week of August, 1974. It is for a three-man private anaesthetic group — about 35 miles from Sydney, near the famous Blue Mountains. Salary: \$A350.00 per week. If single, accommodation and boarding can be arranged in the hospital. Apply in first instance to Box 208, Penrith, N.S.W. Australia, 2750. Applicant must have F.F.A. and registrable qualifications in the State of N.S.W. 118

WANTED: A General Practitioner is required for an eight man group in Central British Columbia. View to partnership. Modern 120 bed hospital. Liberal salary negotiable. Fast growing area in the famous Cariboo country. Reply including telephone number to Dr. J. Tompkins, Avery Clinic, 644 Front Street, Quesnel, British Columbia. Tel: 604-992 2171. H19953 118

WANTED: Partner consultant psychiatrist. Experienced semi-retired psychiatrist considered. Seaside town 100 miles from Perth, ocean beaches, medium sized port, sailing, two large modern hospitals, regional centre for area with population about 80,000. Modern air-conditioned well fitted consulting suite with two separate consulting rooms. No ongoing. Principally eclectic, analytically orientated and empathic. Practice established ten years. Overseas applicants write airmail giving qualifications. Acceptance by Commonwealth as consultant essential. Apply PO Box 283, Bunbury, 6230, West Australia. 118

# NAPROSYN

naproxen 250 mg.

**Powerful  
in arthritis**

**Kind  
to patients**

Courtesy of Westminster Hospital

Naprosyn is a powerful non-steroidal anti-inflammatory agent with analgesic properties, for the treatment of rheumatoid arthritis, osteo-arthritis and ankylosing spondylitis. Naprosyn significantly reduces morning stiffness, relieves painful joints, increases mobility and improves grip strength. Naprosyn is well tolerated.

**NAPROSYN** round-the-clock action in  
rheumatoid and osteo-arthritis

#### Prescribing Information

Presentation: NAPROSYN (naproxen) is a new and unique non-steroidal anti-inflammatory agent, developed by Syntex Research. It is unrelated to salicylates, the corticosteroid hormones, or to other anti-inflammatory compounds now in use. It is presented as a yellow half-scored tablet containing 250mg of naproxen, inscribed NAPROSYN on one side, and SYNTEX on the other.

Indications: NAPROSYN is indicated for the treatment of rheumatoid arthritis, osteo-arthritis (degenerative arthritis) and ankylosing spondylitis.

NAPROSYN has been shown to have striking anti-inflammatory properties when tested in classical animal test systems. In addition, it has marked analgesic and anti-pyretic actions. It exhibits its anti-inflammatory effect even in adrenalectomised animals, indicating that its action is not mediated through the pituitary-adrenal axis. It inhibits prostaglandin synthetase, as do other non-steroidal anti-inflammatory agents. As with other agents, however, the exact mechanism of its anti-inflammatory action is not known.

Dosage and Administration: The recommended starting dose (and usual maintenance dose) of NAPROSYN is 250mg twice daily, usually given with the morning meal and about 12 hours later. Dosage adjustment within the range of 375mg to 750mg daily, maintaining twice-daily administration, may be required for long-term maintenance.

As safety and efficacy studies in children are not yet complete, the product is currently not recommended for use in children under 16 years of age.

Contra-indications: There are no known absolute contra-indications.

Special Precautions and Warnings: NAPROSYN has been found to be well tolerated by patients exhibiting dyspepsia with other similar agents. Nonetheless episodes of gastro-intestinal bleeding have been reported in patients with NAPROSYN therapy. NAPROSYN should be given under close supervision to patients with a history of gastro-intestinal disease.

Due to the high plasma protein binding of NAPROSYN patients simultaneously receiving hydantoin, anti-coagulants or a highly protein-bound sulphonamide should be observed for signs of overdosage.

Occasional skin rashes and angio-oedema have been reported. Patients who have exhibited aspirin hypersensitivity in the past (usually as the angio-oedema/asthma

syndrome) may exhibit the same phenomenon on NAPROSYN. The following additional occurrences have been reported with NAPROSYN but a causal relationship to NAPROSYN has not been established: abdominal discomfort, epigastric distress, headache, inability to concentrate, insomnia, thrombocytopenia, tinnitus, vertigo.

Sporadic abnormalities in laboratory tests (e.g. liver function tests) have occurred in patients on NAPROSYN therapy but no definite trend was seen in any test indicating toxicity.

Teratology studies in rats and rabbits, at dose levels equivalent on a human multiple basis to those which have produced foetal abnormality with certain other non-steroidal anti-inflammatory agents, e.g. aspirin, have not produced evidence of foetal damage with NAPROSYN. As with other drugs of this type NAPROSYN produces delay in parturition in animals. The relevance of this finding to human patients is unknown. However, good medical practice indicates minimal drug usage in pregnancy, and use of this class of therapeutic agents requires cautious balancing of possible benefits against potential risks to the mother and foetus.

Overdosage: Should a patient ingest a large number of NAPROSYN tablets accidentally or purposefully, the stomach may be emptied and usual supportive measures employed. Animal studies indicate that the prompt administration of activated charcoal in adequate amounts would tend to reduce markedly the absorption of the drug.

Pharmaceutical Precautions: Protect from light.

Legal Category: To be supplied on prescription only.

Package Quantities: NAPROSYN is supplied in canisters of 250 tablets. (N.H.S. Price £17.50).

Further information. In addition to the excellent therapeutic efficacy demonstrated by NAPROSYN in comparative clinical trials, good tolerance has been demonstrated, even in patients exhibiting multiple intolerance to other commonly used non-steroidal anti-inflammatory agents.

Product Licence Number PL/0286/0031B (NAPROSYN is a registered trade mark).

Product Licence Holder: Syntex Pharmaceuticals Limited, St. Ives House, Maidenhead, Berkshire. Technical literature, symposia proceedings and full bibliography are available on request.

**SYNTEX**

This is  
time she  
to you for

How long before  
she's back again

Not long, it seems, if her hypnotic prescription is renewed. Admittedly she sleeps well enough while the tablets last. But what happens when they stop? Her insomnia duly returns and she is obliged to come back for more. It's been like this for months.

But it needn't go on like this – not with 'Surmontil'. The return of insomnia is usually a sign of an underlying, untreated disturbance – anxiety/depression. And 'Surmontil', by itself, in once-nightly dosage, supplies the requisite comprehensive relief.

An immediate, marked sedative effect for continued symptomatic control of the insomnia.<sup>1,2,3</sup>

Together with pronounced anxiolytic/antidepressant actions to definitively remove its causes,<sup>4,5,6</sup> so permitting, in time, unaided sleep and the withdrawal of treatment.

With 'Surmontil', in short, you do more than just prescribe a name. You write, in seconds, a happy ending to the most wearisome of stories.

# Becotide Inhaler-

## "a notable advance in the treatment of asthma"

PRACTITIONER, 1973, 211, 86.

### AS EFFECTIVE IN ASTHMA AS ORAL STEROID THERAPY

"By exerting a selective, topical, anti-inflammatory effect on the bronchial mucous membrane, it (Becotide Inhaler) is able, as this trial shows, to control asthma as well as prednisolone given by mouth."

(*Brit. med. J.*, 1972, 3, 314)

"In this unit over 100 asthmatics have been converted from systemic corticosteroid therapy to beclomethasone dipropionate by inhalation."

(*Brit. med. J.* 1973, 4, 49)

### FREE FROM SYSTEMIC EFFECTS AND ADRENAL SUPPRESSION

"Effective control of asthma is achieved (with Becotide Inhaler) with no evidence of systemic absorption or steroid side effects."

(*Brit. med. J.* 1972, 1, 585)

"Basal plasma-hydrocortisone levels did not become low (with Becotide Inhaler) in any patient, and in those transferred from prednisolone the plasma-hydrocortisone rose to normal."

(*Lancet*, 1972, i, 1361)

### A FULLER AND LESS RESTRICTED LIFE FOR THE ASTHMATIC PATIENT

"The absence of growth suppression and the effects of complete absence of asthma on the lives and exertional capabilities of these children have been dramatic, often allied with marked improvement in emotional status and confidence."

(*Brit. med. J.*, 1973, 3, 161)

"Of the 31 steroid-dependent patients (transferred to Becotide Inhaler), 28 showed loss of weight and 10 of these lost their Cushingoid facies."

(*Curr. med. Res. Opin.*, 1972, 1, 173)

BECLOMETHASONE DIPROPIONATE BP  
IN BRONCHIAL ASTHMA

# Becotide INHALER

Full information is available on request. Becotide and Beco-

*And now a logical development—  
new for the control of nasal symptoms  
in allergic rhinitis*

## **Beconase NASAL SPRAY**

- ☐ Provides fully effective control of nasal symptoms
- ☐ Employs a convenient and accurate drug delivery system
- ☐ Is free from the risk of systemic steroid side effects
- ☐ Reduces or obviates the need for antihistamines or topical vasoconstrictors and can eliminate the burden of sedative side effects and rebound congestion
- ☐ Consequently improves the quality of life for the patient with seasonal or perennial allergic rhinitis

Allergic rhinitis whether seasonal or perennial is a prevalent disease problem affecting a large number of people. Current drug treatments in the form of oral antihistamines and topically applied vasoconstrictor solutions are often not fully effective or are associated with a high incidence of unwanted side effects notably drowsiness and rebound congestion.

Oral or parenteral corticosteroid preparations are the most effective treatments for allergic rhinitis but, as in asthma, clinicians are reluctant to prescribe them because of the serious systemic side effects that may occur.

Beclomethasone dipropionate administered by metered-dose aerosol is now known to be as effective in asthma as systemic corticosteroids without causing their side effects. Administered intranasally as Beconase Nasal Spray it has been shown to be extremely effective in the control of seasonal and perennial allergic rhinitis again without causing the systemic side effects commonly occurring with corticosteroids.

"The effect of a daily dose of 400 mcg beclomethasone dipropionate aerosol intranasally has been investigated in a double-blind cross-over trial in 29 patients with hay fever. The effect on nasal symptoms was so pronounced in 25 patients that further symptomatic treatment was unnecessary."

(*Brit. med. J.*, 1973, 4, 464)

### **PRESCRIBING INFORMATION**

**Indications.** Beconase is indicated for the prophylaxis and treatment of perennial and seasonal allergic rhinitis, including hay fever.

**Dosage and Clinical Use.** The recommended maximum dosage is one application into each nostril, four times daily. Not for use in children.

Beconase is only for intranasal use. Other treatment may sometimes be necessary to control eye symptoms.

The effect of Beconase is not immediate and this should be explained to the patient. Full therapeutic benefit requires regular therapy.

**Side Effects.** No major side effects attributable to Beconase have been reported but occasionally sneezing attacks have followed immediately after use of the aerosol.

**Contra-Indications.** There are no specific contra-indications to the use of Beconase.

**Precautions.** Infections of the nasal passages and paranasal sinuses should be appropriately treated but do not constitute a specific contra-indication to treatment with Beconase.

Care must be taken while transferring patients from systemic steroid treatment to Beconase if there is any reason to suppose that their adrenal function is impaired.

Unnecessary administration of drugs during the first trimester of pregnancy is undesirable.

**Presentation.** Beconase is a metered-dose aerosol which delivers 50 mcg of beclomethasone dipropionate BP per actuation into a specially designed nasal applicator. Each canister of Beconase provides 200 sprays.

**SELECTIVE TOPICAL STEROID THERAPY  
IN ALLERGIC RHINITIS**

## **Beconase NASAL SPRAY**

trade marks of ALLEN & HANBURY LTD LONDON E2 6LA

# Burinex<sup>\*</sup> K

the only  
short-acting diuretic  
with built-in  
potassium supplementation

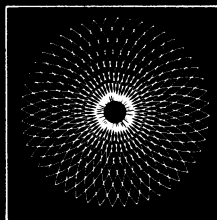

- Burinex K is positively indicated as a diuretic
- ★ in patients undergoing concurrent treatment with digitalis
  - ★ in the treatment of chronic congestive heart failure
  - ★ for maintenance therapy

The time of administration can be suited to the daily routine of the ambulant patient. An early evening dosage allows the patient to retire to bed in a state of therapeutic dehydration—minimising nocturia and nocturnal dyspnoea.

The short period of diuretic activity

allows for natural compensatory absorption of dietary potassium during the prolonged diuretic-free phase (some 21 hours per day).

Burinex K reduces the number of tablets the cardiac patient has to take, thus avoiding confusion and medication errors.

Burinex K is bumetanide (0.5 mg) with slow-release potassium chloride (573 mg)

Leo Laboratories Limited,  
Hayes Gate House, Hayes, Middlesex.
