

A burning problem.

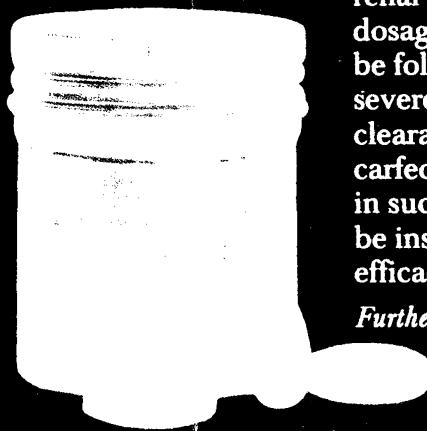

Now from Beecham: an oral penicillin specifically for Urinary Tract Infections.

Urinary tract infections are rarely as simple as they seem. Patients with renal infection may present with no symptoms other than dysuria and frequency. And management is very often complicated by relapse and recurrence.

Now Beecham have introduced Uticillin, a powerful oral penicillin indicated specifically for the treatment of urinary tract infections such as cystitis and pyelonephritis. Uticillin will successfully treat 9 out of 10 patients first time, with a reduced risk of relapse.

Uticillin has the inherent safety of penicillin. Unlike many urinary antibacterials, Uticillin can be prescribed both in pregnancy and when the possibility of pregnancy must be considered.

And the dosage is simple to remember, 1 tablet three times a day.

Uticillin. The decisive answer to acute and chronic urinary tract infections.

Adult dosage: Simple urinary tract infections, 1 tablet (500 mg) t.i.d.

Complicated and recurrent urinary tract infections, 2 tablets (1g) t.i.d.

Contra-indication: Penicillin hypersensitivity.

Side-effects: As with other penicillins.

Precaution: In mild and moderate degrees of renal impairment, the normal dosage recommendations should be followed. In patients with severe renal failure (creatinine clearance of 10 ml/min or less) carfecillin is not recommended; in such patients urine levels may be insufficient for therapeutic efficacy.

Further information on request.

and patients 'Aldomet'

Methyldopa/MSD [®]

WIDELY ACCEPTED BY PATIENTS

- * Most patients taking 'Aldomet' feel well and improve symptomatically.
- * Symptomatic exercise or postural hypotension rarely occur—patients report 'dizziness' only rarely.
- * A sedating effect (beneficial for some anxious patients) usually disappears on continued treatment.

By overcoming many of the disadvantages of other types of therapy, 'Aldomet' permits effective antihypertensive treatment of most patients. In contrast to some other antihypertensive agents, 'Aldomet' is not necessarily contra-indicated in hypertensive patients with asthma, obstructive pulmonary disease, or congestive heart failure, provided caution and appropriate additional specific therapy is used.

Patients' acceptance and physicians' confidence together mean that, apart from diuretics, 'Aldomet' is the most widely used antihypertensive in Britain today.

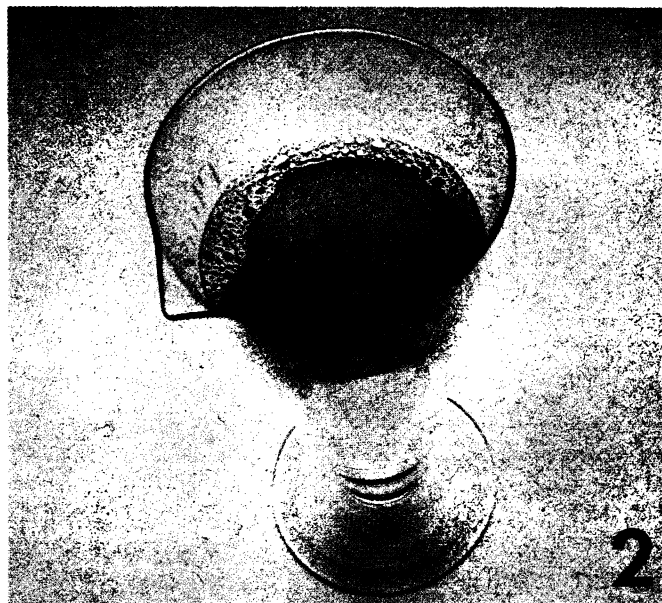

For effective 24-hour control of hypertension

Rx **Aldomet** [®]
prescribe by name

'Aldomet' is available as 125 mg, 250 mg (the standard strength), and 500 mg tablets—and an injection for emergency use. Detailed information is available to physicians on request. [®] denotes registered trademark.

Merck Sharp & Dohme Limited, Hoddesdon, Hertfordshire

- 1 Aldactide's unique action gives you precise, long-term control of diuresis.
- 2 It ensures predictable loss of water and sodium which does not diminish with time.
- 3 Correct potassium levels are maintained during long-term therapy.
- 4 Dosage is simple and no potassium supplements are required.

One thing you shouldn't

Dermatophagoides pteronyssinus scanning electron micrograph

Migen
asthma immunisation made easy.

sweep under the carpet.

Because, no matter what you do, you can't get rid of *Dermatophagoides pteronyssinus*, the house dust mite, "... the most common cause of allergic asthma in this country". *Brit. med. J.*, (1970), 2, 501.

The mite is an extremely potent allergen. In fact, it has been calculated that the inhalation of mite material in an amount weighing less than one whole live mite would be capable of precipitating an allergic reaction.

In 1698 Floyer in his "Treatise on Asthma" stated that, "all asthmatics are offended by the least dust made by the sweeping of a room, or making of a bed". But it wasn't until 1964 that the significance of this tiny, semi-transparent creature was first appreciated.

Today, although only 0.3 mm. in length, the common house dust mite has been proved to be a major cause of a disease that disables over 300,000 Britons.

So it does not simply treat the symptoms of asthma – it prevents them. Immunisation against the powerful house dust mite allergen can raise the patient's overall level of tolerance. If he is multi-sensitive he may well find that he no longer reacts to contact with other allergens which have previously provoked attacks. And the stress caused by the fear of attack is reduced.

Migen is the first short course treatment that gives you, the family doctor, real control over asthma.

Migen and Simplicity

There was a time when immunisation was both a complicated and lengthy business. Not so with Migen. Just six injections form a course of treatment for asthma and perennial rhinitis. With each syringe pre-filled to ensure easy administration and accurate dosage.

Migen and Safety

In Migen the active material is adsorbed on to tyrosine – a naturally occurring amino acid which is metabolised in the human body. The active material is therefore released slowly but completely for maximum effectiveness and minimum risk of adverse effects.

Diagnosis

Migen may usually be prescribed on the basis of a careful case history alone. A Diagnostic Aid has been devised to help identify, by case history, those patients who are most suitable for Migen treatment. If the diagnosis is still in doubt after the case study then the Migen Skin Test Kit may be used for confirmation. Both the Diagnostic Aid (which also includes notes for the guidance of patients) and the Skin Test Kit are available on request from Bencard.

Migen

Many products have been advocated for use in the treatment of asthma. Most have drawbacks that you and your patients suffer for the sake of some relief. Now Migen offers you an opportunity to treat the most common form of allergic asthma. From your surgery.

A Thriving Subculture

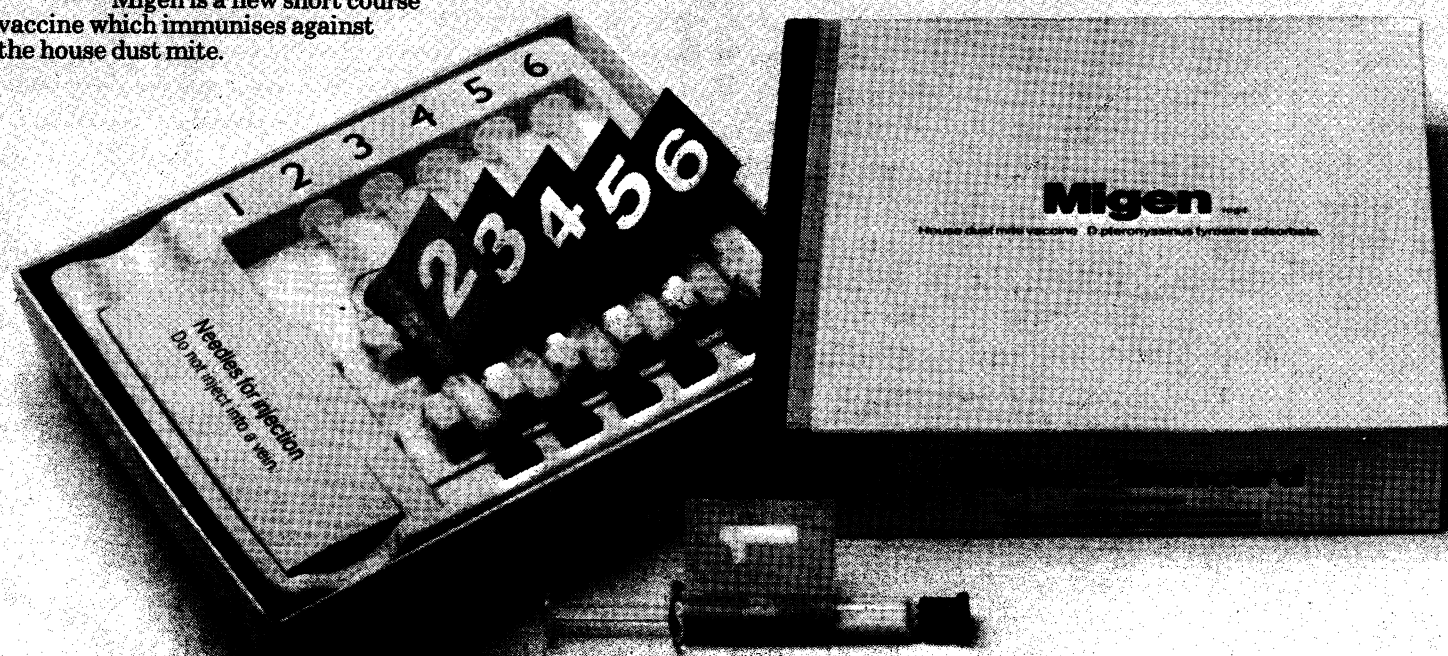

Although the mites will live and breed in any house dust they are most often found on the mattresses and pillows of our beds, close to their staple diet – human skin scales. For most people this thriving subculture means little. But for the allergic asthmatic it could mean the difference between a dream and a nightmare.

Avoidance is Impossible

In the home, it is virtually impossible to remove every trace of the mite. The ubiquitous creature exists in beds, carpets, curtains, cushions – anywhere that human beings and domestic dust come together. Even immaculate dwellings produce dust samples rich in live mites, their excreta and dead remains – all potent allergens. This is why the most effective way of controlling house dust mite sensitivity is immunisation.

Migen – for the prevention of Asthma

Migen is a new short course vaccine which immunises against the house dust mite.

Migen  **Bencard**

Migen is a tyrosine adsorbed vaccine prepared from pure extract of *Dermatophagoides pteronyssinus*. Full information on Migen (regd.) is available on request from Bencard, Freepost, Brentford, TW8 9BE.

This is what we call practising medicine.

A career in Naval medicine can be a rewarding experience. Opportunities to specialise abound. And perhaps above all else, there is an immense satisfaction to be gained from the wide variety of work you will be involved in.

At sea, for instance, you could be anywhere from the Mediterranean to the Pacific Ocean. Looking after the health and well being of the company of a modern warship.

And though you could spend as long as the first eighteen months of your five year Short Service Commission on board different ships, you need have no fear of losing contact with mainstream medicine. For no matter where you are, you will be kept informed of current medical opinion.

After this, the choice is yours. Post graduate medical training and a career in the clinical disciplines at one of our naval district general hospitals. Haslar or Plymouth, for instance, with their wide spectrum of clinical material drawn from naval personnel, their dependants and the local civilian population as well. There are also naval hospitals in Malta, Gibraltar and Mauritius, with opportunities for exchange appointments elsewhere.

Or you might prefer occupational medicine in our research orientated naval dockyards. Aviation medicine with its accent on rotary wing support of the Fleet. And for those with an administrative turn of mind, community medicine.

Royal Naval expertise in maritime medicine is recognised world wide and research into underwater medicine, nuclear medicine and the closed submarine environment is centred

at the Institute of Naval Medicine at Alverstoke.

Naval general practice in well staffed and equipped medical centres extend as far afield as Hong Kong and Singapore. And new training schemes are now under way in the United Kingdom.

Should you be moved or sent abroad at any time, all expenses will be paid by us. We will help you with accommodation (at very reasonable rents) and provide allowances for the education of your children, if you have a family.

If you enter the Royal Navy immediately after registration you will be given the rank of Surgeon Lieutenant and a salary of £4,099, rising to £4,249 after four years.

On the other hand, if you are older (up to the age of forty) and more experienced, we can offer you a number of opportunities in general practice and the specialities. And, depending on your post-registration experience, you could enter as a Surgeon Lieutenant Commander at a salary of £5,161, rising to £5,658.

Then, at the end of your five year Short Service Commission you could leave with a tax free gratuity of £3,000.

But if it is mutually agreeable, you could apply for a Full Career Commission or a 16 year pensionable commission. The choice is yours.

In the meantime if you would like further information, write giving details of your age and qualifications to Surgeon Commander L.C. Banks, R.N., (724BU11) Department of the Medical Director General (Naval), Empress State Building, Fulham, London SW6.

A NEW PERSPECTIVE IN MODERN SURGERY

The 'URSK-7' ultrasonic apparatus

Designed in the Soviet Union, the "URSK-7" apparatus eliminates the need to introduce into bone and soft tissue any type of metal structure that necessitates further surgery for its removal.

It also enables welding of transplants to be carried out, reproduces bone tissue from bone fractions to fill up cavities in bone, and performs fine plastic surgery. The use of this apparatus ensures quick and efficient connection of bone fragments. When used for ultrasonic bone cutting there is also the added advantages of minimum traumatism and the ability to reach places difficult of access. The "URSK-7" has proven particularly invaluable for surgery on children.

A NEW LOOK AT INFECTIOUS DISEASES

(ISBN 0 900221 88 7)

from the British Medical Journal

Infectious diseases remain as much a medical challenge as ever, and the articles collected in book form under the title *A New Look at Infectious Diseases* cover many aspects of diagnosis and treatment. The widespread use of newer antibiotics, and increased risk of spread by travel are all dealt with, as well as the problems of diagnosis produced by present day doctors' unfamiliarity with many diseases, which were formerly so common and widespread.

Floxapen.

The 97% answer to boils and abscesses

This patient has a boil. Not a serious infection, but it's painful and embarrassing. She'd like you to get rid of it for her—quickly. Floxapen can help you do just that. Following an oral dose, high blood levels are rapidly achieved ensuring effective concentrations at the site of infection. And, once there, Floxapen will destroy virtually all staphylococci as well as all streptococci. In a recent G.P. clinical trial, Floxapen was successful in 97% of the soft tissue infections treated. (*Practitioner*, 1970, 205, 801.)

Oral dosage. Adult: 250mg q.i.d. a.c.; Children 2-10: ½ adult dose; under 2: ¼ adult dose. Side-effects: as with other penicillins. Contra-indications: penicillin hypersensitivity, ocular administration. Further information is available on request.

Floxapen* (flucloxacillin) is a British product originated by
Beecham Research Laboratories,
Brentford, England.

Floxapen. The penicillin strong enough for today's infections

By the end of the day she'll know why you chose Nobrium.

Most people who need tranquillizers also need to work or run a home, so they should remain alert.

Nobrium can provide tranquillity without undue sedation. It has a specific, precise action on the amygdala which leaves most other parts of the brain virtually unaffected.

Nobrium "...is an anxiolytic agent to be given throughout the day,

particularly in the treatment of outpatients with duties in productive employment.... It is a medication with a strikingly low component of sedative action coming close to being the ideal anxiolytic for daytime use."¹

Before one bad thing leads to another

Acute cystitis is bad enough: temporarily painful, inconvenient and embarrassing. It can also disrupt a busy woman's life, causing absence from work and inability to cope with family problems.

And you'll want to make sure that the initial condition is completely cleared up and does not give rise to a worse problem . . . such as pyelonephritis.

Ceporex can clear up cystitis quickly and decisively; because it is *bactericidal*, destroying most common causative organisms. Against the major ones, *E.coli*, *Proteus mirabilis* and *Klebsiella* spp., it has been shown more effective than ampicillin.¹ Rapidly and almost completely absorbed, and

excreted unchanged, Ceporex can render the patient's urine sterile within an hour,² allowing inflammation and other distressing symptoms to subside without delay.

Ceporex, with a recorded success rate of 92% in acute cystitis,³ has minimal side effects and an excellent record of safety.

Some people take barbiturates because they can't face another day

Every year many thousands of people attempt to kill themselves with barbiturates. Some die. Most survive. But usually, only after intensive treatment, in hospital.

Virtually all of these patients could be transferred to Mogadon, which is much safer,¹ but just as effective in inducing sleep.² Moreover, it causes few of the barbiturates' many other problems.³⁻⁵

Patients may still try to kill themselves. But with Mogadon few, if any, would succeed and most would recover in less than 12 hours without treatment.¹

Mogadon: far safer, far better

ROCHE

All new drugs make promises...

Brufen keeps them

**The promise of relief
from inflammation and pain...**

fulfilled by more than seven years' use in all types of practice. Over 8,000,000 arthritic patients have been treated with Brufen. It is now prescribed in more than 90 countries throughout the World.

**The promise of an exceptionally
well tolerated drug...**

clearly demonstrated in large numbers of patients unable to tolerate other antirheumatic agents. Side-effects of any nature have been remarkably few with Brufen.

**The promise of effectiveness
in long-term use...**

confirmed by extended studies in clinical practice. Every feature of Brufen, including its value in long-term therapy, has been fully discussed in some 250 published articles and papers.

BRUFEN

(ibuprofen)

keeps its promise to the arthritic

Brufen is ibuprofen, available as tablets of 200 mg and as a suspension containing 100 mg in 5 ml. Full information from Marketing Services, The Boots Company Ltd., Nottingham.

Surgical hosiery provides venous support, but PAROVEN is a kind of 'physiological elastic stocking' for the capillaries.

"The most obvious effect of treatment with HR (Paroven) is the very constant relief of night cramps, with an improvement exceeding 90 per cent."

Brit J Clin Pract (1970) 23, 161

"The degree of relief in chronic aching pain in the legs was not so marked (compared with 90% improvement in night cramps and 70% improvement in heaviness of the legs), but still amounted to 54 per cent."

Brit J Clin Pract (1970) 23, 161

"Symptoms of heavy legs are improved in 70 per cent, and it was generally agreed that not only did legs feel lighter but the patients were more agile."

Brit J Clin Pract (1970) 23, 161

"The improved venous blood oxygenation and the reduced tissue oxygen extraction indicated better tissue perfusion with less blood oxygen having been taken from the increased capillary blood flow."

Brit med J (1971) 2, 138

PAROVEN[®]

improves capillary flow

Relief of symptoms in varicose disorders

Varicose veins, post-phlebitic syndrome, superficial thrombophlebitis, varicose ulcers, varicose eczema, ankle oedema, restless legs, paraesthesia, haemorrhoids.

Dosage Initial treatment: 4 capsules a day, preferably with meals. In most cases, at least four weeks treatment with PAROVEN is required before significant benefit is felt. At the point where the patient experiences benefit, the dosage may be adjusted to a maintenance level. Maintenance treatment: 1-2 capsules a day.

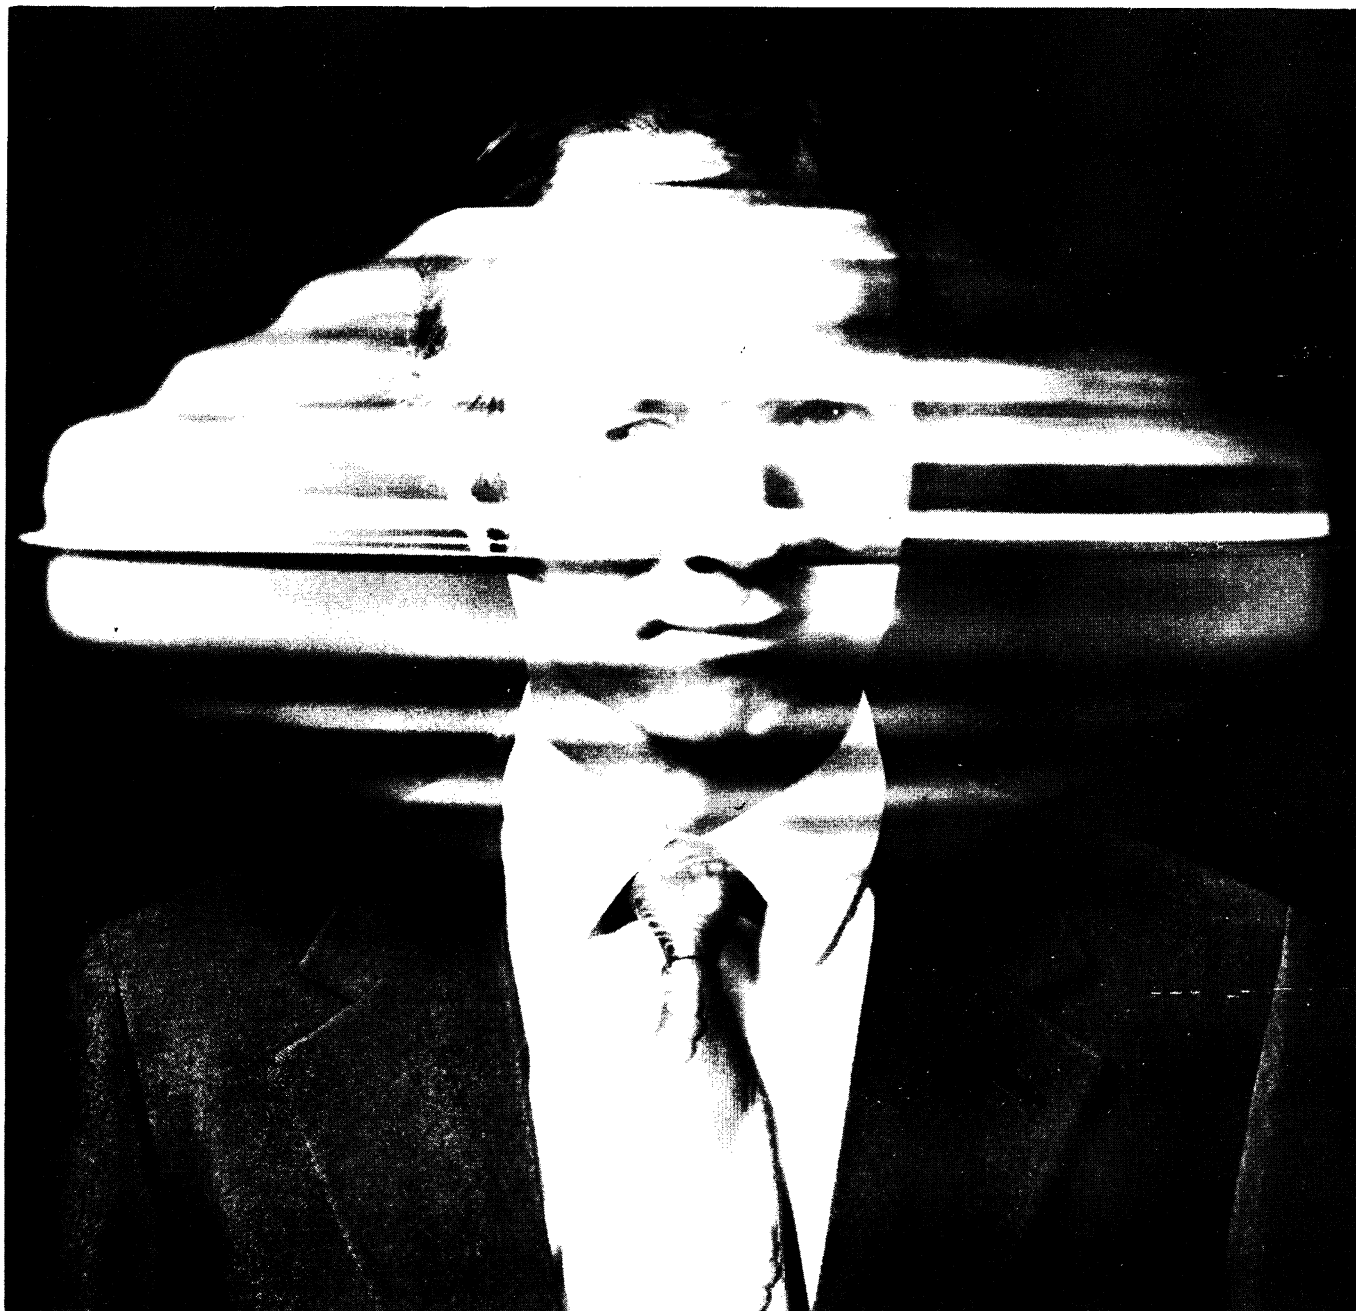

Side effects and Precautions In a few patients, slight gastro-intestinal disorders, flushes and headaches have been reported. These are usually overcome by taking the capsules with meals or by slight adjustment of dosage. There are no known contra-indications to PAROVEN; it is virtually non-toxic and has no teratogenic effects. In keeping with current teaching and practice its use during the first trimester should, however, be avoided.

Availability Capsules, each containing 250 mg of O-(β -hydroxyethyl)-rutosides (not less than 45% troxerutin) in bottles of 20 and 100 capsules.

Further information is
available on request.

GENERAL PRACTICE TRAINING POSTS

BUCKINGHAMSHIRE AREA HEALTH AUTHORITY Aylesbury District

GENERAL PRACTITIONER VOCATIONAL TRAINING SCHEME

Application are invited for a three year course of training for General Practice, starting on 1st January, 1975.

The programme consists of: Six months obstetrics; six months paediatrics; six months in the department of the trainee's choice; six months geriatrics and psychiatry; one year in a training general practice.

The hospital posts will be at Stoke Mandeville and Royal Buckinghamshire Hospitals, the general practice in a selected teaching practice in Aylesbury. Arrangements will be made for the trainee to spend some time in the teaching practice during the hospital period.

The scheme is approved for the M.R.C.G.P., D.Obst., R.C.O.G., and D.C.H.

A day release vocational training course is arranged in the Oxford region during the general practice year.

The trainee would be expected to take part in the activities of the Postgraduate Centre at Stoke Mandeville Hospital including regular meetings of a trainer-trainee group.

Aylesbury is a pleasant county town within easy reach of London and Oxford.

The hospital posts are at S.H.O./Registrar level, according to experience. Applicants must be fully registered on 1st January, 1975.

Applications with curriculum vitae and names of two referees should be sent to: The District Clinical Tutor, Stoke Mandeville Hospital, Aylesbury, Bucks. by 5th October, 1974. (25755) 21

HAMPSHIRE AREA HEALTH AUTHORITY (Teaching) Southampton and South West Hampshire District

Applications are invited for the post of SENIOR HOUSE OFFICER which will be a 3-year linked Hospital and General Practice training post.

The Hospital post includes an opportunity to take the D.Obst., R.C.O.G., and to study in various specialities.

The final year will be as a Trainee in a selected Practice, and will include a day release course for general practice.

The vacancy will occur on the 1st December, 1974, and the proposed programme will include six months each in Obstetrics & Gynaecology, General Medicine, Geriatric Medicine, and elective subjects.

Application forms and further particulars from the Medical Services Division, Southampton District Hospitals, 119, Tremona Road, Shirley, Southampton. The closing date being the 11th October, 1974. (25934) 21

WELSH NATIONAL SCHOOL OF MEDICINE THE WELSH VOCATIONAL TRAINING SCHEME FOR GENERAL PRACTICE at Bridgend, Glam.

An opportunity exists to take part in a forward looking Vocational Training Scheme for General Practice based on Bridgend General Hospital.

There will be vacancies on the scheme commencing 1st August, 1975. Bridgend is situated in the very attractive Vale of Glamorgan and the area is such that it will provide a most agreeable home for the single or the family man throughout the three years of the course.

It is the firm intention of the Organisers to provide a stimulating three year course. The appointments commencing in the S.H.O. Grade will consist of (1) Six months in General Medicine (2) Six months in Accident and Emergency Surgery (3) Six months in General Practice (4) Six months in Obstetrics and Gynaecology (5) Six months in Paediatrics (6) a further six months in the same General Practice, with an option for 6 months in Psychiatry.

Special arrangements will be made throughout the course for experience in E.N.T., Ophthalmology, Psychiatry, Dermatology and other subjects relevant to General Practice.

During the General Practice appointments day release will be given to attend the Vocational Training Course at the General Practice Unit of the Welsh National School of Medicine in Cardiff. The appointments are recognized to qualify candidates for entry to the following examinations — M.R.C.G.P., D.C.H. and D.Obst.R.C.O.

Married accommodation may be available. Applications giving full particulars and the names and addresses of two referees should be sent to the District Administrator, Ogwr Health District, Maesteg Road, Tondur, Bridgend, Glam., as soon as possible. (26084) 21

Not everyone has Adequate Capital

to meet the cost of a new car or to replace equipment. Many seek financial help — Bank loans, Personal loans, and Hire Purchase — but some of these are expensive.

The M.I.A. can help and in many cases can arrange loans at competitive rates.

Our client, a well-established U.K./Commonwealth subsidiary of an important and expanding international Pharmaceutical Group, based in West London, is seeking a

MEDICAL ADVISER

This is a senior position, reporting to the Managing Director and offering considerable scope. He will be responsible for a small Medical Department, concerned with the organisation and supervision of clinical trials in the U.K. and overseas. In addition, he will advise Management on all medical aspects of the Company's activities, particularly new product development and will be expected to maintain and improve relations with clinicians and other members of the medical profession. This will involve some travel, both on the Continent and outside Europe.

The successful candidate is unlikely to be below the age of 35 and must have several years' experience in the pharmaceutical industry. As a key member of the Management team, he will be expected to play an active part in the Company's development and must be capable of working in close co-operation with marketing, research and technical staff. A knowledge of French would be an advantage, although not essential.

The starting salary will be in the range of £7,000 — £8,000 per annum (possibly higher for an outstanding candidate) and other benefits will include a Company car, twice-yearly bonus and Pension and Life Assurance Scheme.

Please write, giving full details of qualifications and experience with a covering note to tell us which Companies you do not wish to apply to (if any) otherwise your reply will be sent direct and unopened to our client.

Zyma (UK) Limited Medical Adviser

Applications are invited from registered medical practitioners preferably in the 30-40 year age group. The duties will involve the initiation and follow-up of clinical trials of new and established products in close co-operation with Consultants, Research Units, General Practitioners and the Committee on Safety of Medicines, as well as studying adverse reactions to drugs and obtaining detailed case histories where this is indicated.

The Company's interest is at present mainly in the vascular field but the outcome of current research is opening up new areas of interest.

The work will involve travelling within the UK and occasionally abroad. Clinical work is encouraged. Appreciation of modern trends and ideas in medicine is important and this is aided by attendances at specialist society meetings and conferences both in the UK and abroad.

Previous experience in the Pharmaceutical Industry is not essential. The new member will join a team of

doctors experienced in this field and initially will be given help and advice in this interesting and expanding branch of medicine which offers wide scope for an excellent career.

Further details of the type of work and duties involved will be sent to interested applicants, and will be discussed in depth with applicants selected for interview.

The successful candidate will be based in North Cheshire within easy travelling distance of the more highly sought after residential areas to the south of Manchester. Salary will be negotiable in accordance with experience and qualifications. Good conditions of work include a first class contributory pension scheme. Generous financial assistance towards expenses associated with house removal and purchase is offered in appropriate cases.

Registered Medical Practitioners interested in the appointment are invited to write, giving full particulars of age, qualifications and previous experience to:

The Medical Director, Geigy Pharmaceuticals,
Hurdfield Industrial Estate Macclesfield,
Cheshire SK10 2LY.

WEST MIDDLESEX HOSPITAL Isleworth, Middlesex VOCATIONAL TRAINING FOR GENERAL PRACTICE

Applications are invited for two posts of **SENIOR HOUSE OFFICER** at West Middlesex Hospital and also in general practice for a three year vocational training scheme for general practice starting 1st December, 1974. There will be four six-month appointments in Obstetrics, Geriatrics, Paediatrics and another one or two specialties, e.g. Psychiatry, plus twelve months in general practice.

Good experience in a busy district general hospital and in an approved general practice. This scheme is recognized for vocational training and as preparation for membership examination of the Royal College of General Practitioners. The Obstetric post is recognized for the D.R.C.O.G. and the Paediatric post for the D.C.H. Intending applicants are invited to visit the hospital by arrangement with Dr. I. McLean, Baird's secretary — Tel: 01-560 2121 Ext. 578.

Applications, stating age, qualifications, previous experience, and the names of two referees to Miss Evans, Personnel Department, Hounslow Health District, West Middlesex Hospital, Isleworth, Middlesex (Tel. 01-560 2121 Ext. 665). (26011) 21

UNIVERSITY AND RESEARCH APPOINTMENTS

UNIVERSITY OF ABERDEEN

LECTURESHIP IN THERAPEUTICS AND CLINICAL PHARMACOLOGY

Applications are invited for the above post. Duties will include clinical and teaching work and there will be opportunities for research. The successful applicant will be accorded appropriate clinical status. Salary on scale — £2,538-£4,875 (under review) with placing according to age, qualifications and experience.

Further particulars from The Secretary, The University, Aberdeen, with whom applications (10 copies) should be lodged by 26th October, 1974. (H11305) 25

UNIVERSITY OF BIRMINGHAM Department of Cancer Studies

**RESEARCH FELLOW
IN CANCER GENETICS**

Applications are invited from medical graduates for a research fellowship supported by the Cancer Research Campaign. The fellowship is for one year in the first instance but is renewable for 2 further years. The fellow will become part of a group already working on the genetics of cancer in man and will control clinical aspects of the project. An honorary N.H.S. contract can be arranged. Salary will be on the clinical lecturer scale £2985-3822.

Applications with curriculum vitae and the names of two referees should be sent to Professor D. G. Harnden, Dept. of Cancer Studies, Medical School, Birmingham B15 2TJ, from whom further details can be obtained. (H11253) 25

KING'S COLLEGE HOSPITAL MEDICAL SCHOOL (University of London) Denmark Hill, SE5 8RX

Applications are invited from medical graduates for the post of **SENIOR LECTURER** in the Liver Unit, being a replacement within the M.R.C. programme and which may carry consultant status. Research interests within the field of Acute Liver Failure and artificial liver support would be an advantage. Salary on University Senior Lecturer scale. The successful applicant will also participate in the clinical work and teaching of the Unit, further particulars from Dr. Roger Williams, Director of the Unit.

Applications to the Secretary of the Medical School, with the names of 3 referees by 14th October, 1974. (25862) 25

LAMBETH/SOUTHWARK/LEWISHAM AREA HEALTH AUTHORITY (Teaching) Poisons Unit, Guy's Hospital

Applications are invited for the post of **DEPUTY DIRECTOR OF THE POISONS UNIT** (whole-time or maximum part-time) who must be qualified in clinical pharmacology. Applicants should have particular experience in the methods of drug analysis in biological fluids, as a basis for the study and practical application of pharmacodynamics to therapeutics and overdosage. There is considerable scope for research, associated with an honorary academic appointment in Guy's Hospital Medical School, University of London.

Further details can be obtained from the Director, Poisons Unit, Guy's Hospital. Detailed applications, naming three referees, should be sent to the Superintendent, Guy's Hospital, London, SE1 9RT, not later than 26th October, 1974. (26012) 25

SOUTH WEST THAMES REGIONAL DEPARTMENT OF NUCLEAR MEDICINE Royal Marsden Hospital, Downs Road, Sutton, Surrey

RESEARCH FELLOW

required to participate in a multi-disciplinary ultrasound project based in a department of Nuclear Medicine. The person appointed will concentrate on the clinical development of a variety of advanced concepts of ultrasonic diagnosis and the co-ordination with conventional x-ray and isotope diagnostic techniques. In this he will have the full support of a team of physicists, electronic engineers, and other clinicians.

The basic qualifications should include a medical degree and an interest in diagnosis by physical methods. A proportion of the time will be spent in carrying out routine ultrasonic diagnosis on a recently developed grey scale ultrasonic scanner. There are opportunities to take a higher degree in science or medicine.

Salary at the Senior Registrar level and appointment is for three years in the first instance.

Applications should be made to the Deputy Administrator, Royal Marsden Hospital, Downs Road, Sutton, Surrey. Tel: 01-642-6011. Ext. 201. (33866) 25

COMMERCIAL APPOINTMENTS

MEDICAL ADVISER

ENDOCRINOLOGY

The British Company representing NOVO in U.K. invite applications from qualified medical practitioners having particular interest and experience in the management of diabetes.

The successful applicant will have the responsibility of running a small but efficient medical department, advising the Company on new product development (possibly distinct from diabetic therapy) and of organising clinical trials in the U.K.

Further details are available from the Managing Director.

Martindale Pharmaceuticals Limited

Chesham House Chesham Close Romford RM1 4JX

Telephone Romford 43756.

H11251-23

**Pharmaceuticals
Division**

Medical Advisers

The Pharmaceuticals Division of ICI is expanding rapidly and successfully both at home and overseas. We are looking for clinicians who enjoy responsibility and independence and who would like to share in work which includes: involvement in the clinical evaluation of new drugs; providing up-to-date information on the clinical properties of established drugs; liaison with Research Department; and advising Marketing Departments on technical and professional matters.

One of our main growing points is overseas business and our doctors are therefore involved in some foreign travel and the chance to work with leading clinicians abroad. No rigid framework exists and there is considerable freedom for patterns of work to develop in accordance with special interests and abilities. Part-time clinical work in local hospitals is encouraged.

The successful applicant is likely to be in the age range 27-35 and hold a higher qualification with experience in general medicine. A particular knowledge of neurology or cardio-pulmonary disease could be an advantage.

The Medical Department is located at our Research establishment in rural Cheshire, fourteen miles south of Manchester, an attractive area with excellent housing and education facilities. Salary will be determined according to qualifications and experience and will be negotiable in the £7,500-£8,000 range. There are pension and profit sharing schemes in operation. Assistance towards re-location expenses will be given to married appointees.

Letters may be addressed in confidence to:

**The Medical Director (CWM)
ICI Pharmaceuticals Division
Alderley House, Alderley Park
Macclesfield, Cheshire SK10 4TF**

COMMERCIAL APPOINTMENTS

(See also pp. xvi and xvii)

ORTHO PHARMACEUTICAL LIMITED MEDICAL DIRECTOR

The Post of Medical Director to the Company will shortly become vacant.

We are seeking a doctor with several years' productive experience in the Pharmaceutical Industry, who is now ready to fill this important and responsible post.

The doctor appointed will be responsible for the clinical research and registration functions of the Company, and will have the appropriate staff to help with the programme.

Ortho Pharmaceutical Limited is situated in very pleasant countryside near High Wycombe and offers excellent working conditions.

Salary is negotiable, and will be appropriate to experience and ability. There are the usual fringe benefits, including a company car.

All applications will be treated in the strictest confidence and should be addressed to the Managing Director, Ortho Pharmaceutical Limited, P.O. Box 79, Saunderton, High Wycombe, Bucks. HP14 4HJ.
(H11252) 23

THE UNIVERSITY OF ADELAIDE

invites applications for appointment to the newly established

CHAIR OF COMMUNITY MEDICINE
The new Professor must hold medical qualifications registrable in South Australia. The formation of a Department of Community Medicine is envisaged with responsibility for undergraduate teaching, research activities and a major involvement in certain community health centres; but the Department will also have accommodation in the Royal Adelaide Hospital, adjacent to the other clinical departments. Some teaching in community medicine and practice is currently provided by a Reader supported by a number of part-time Tutors, who will become members of the new Department. The present programme extends over the second, third, fourth and sixth years of the undergraduate curriculum.

Salary: \$A19,614 a year with superannuation on the F.S.S.U. basis and, for an eligible candidate, supplementary superannuation and pension schemes. In addition to basic salary the Professor will receive on account of his registrable qualification a clinical allowance at the rate of \$A3,000 a year.

Further information: Potential candidates are invited to obtain from the Secretary-General, Association of Commonwealth Universities (Appts), 36 Gordon Square, London WC1H 0PF, or from the Registrar of the University, a statement of general information about the University, the Medical School and the proposed Department of Community Medicine, and formal terms of appointment. Any further information desired should be sought from the Registrar.

Applications (in duplicate) giving the particulars listed in paragraph 7 of the Statement should reach the Registrar of the University, G.P.O. Box 498, Adelaide, South Australia 5001, not later than 4th November, 1974. (25994) 25

UNIVERSITY OF DUNDEE

CHAIR OF PHYSIOLOGY

Applications, from medical and non-medical graduates, are invited for the Symers Chair of Physiology which falls vacant on 1st October, 1975, through the retirement of Professor G. H. Begg.

Applicants without medical degrees should preferably have had a close association with the medical profession through teaching or research. Applications would be welcomed from physiologists who have worked predominantly in the clinical field. Salary within normal U.K. professorial range.

Further information on the post and on the structure and teaching and research commitments of the Department of Physiology (of which the person appointed will be Head) is available from The Secretary, The University Dundee, DD1 4HN, with whom applications (15 copies — overseas 1 copy) should be lodged by 30th November, 1974. Please quote Reference Est/28/74N. (25945) 25

UNIVERSITY OF MANCHESTER

TUTOR IN MEDICINE

Applications invited for this post in the University Department of Medicine at Hope Hospital, a rapidly developing teaching hospital associated with the expanded Manchester Medical School. The successful applicant, who should hold a higher medical qualification will be attached to one of the general medical firms at this Hospital and will participate in the clinical and teaching duties at that Unit. The applicant will be expected to undertake a research project in a field relevant to the interests of the Unit to which he is attached. The Tutor will be granted appropriate honorary N.H.S. grading by the Salford A.H.A.(T). Salary range p.a.: £2,883—£3,819. F.S.S.U.

Further particulars and application forms (returnable by 14th October) from the Registrar, The University, Manchester M13 9PL. Quote ref: 203/74/JMB.(25873) 25

UNIVERSITY OF OTAGO

Faculty of Medicine
Wellington Clinical School
Wellington, New Zealand

CHAIR OF PSYCHOLOGICAL MEDICINE

The University of Otago has established at Wellington a Clinical School of the Faculty of Medicine. Applications are invited for the Chair of Psychological Medicine.

Professorial salaries for medically qualified staff are regularly reviewed. Rates are fixed at various points within the present range of NZ \$19,645 to \$21,707 per annum.

Further particulars are available from the Secretary-General, Association of Commonwealth Universities (Appts), 36 Gordon Square, London WC1H 0PF, or from the Registrar of the University.

Applications close in New Zealand and London on 31st October, 1974. (25992) 25

UNIVERSITY OF SYDNEY

SCANDRETT

CHAIR OF CARDIOLOGY

Applications are invited for the Scandrett Chair of Cardiology which will become vacant on the resignation of Professor P.I. Korner in January, 1975.

Salary will be at the rate of \$A22,614 per annum.

A statement of Conditions of Appointment and Information for Candidates may be obtained either from the Secretary-General, Association of Commonwealth Universities (Appts), 36 Gordon Square, London WC1H 0PF, or from the Registrar, The University of Sydney, N.S.W. 2006, Australia.

Applications close on 4th November, 1974. (25993) 25

OCCUPATIONAL HEALTH

Attention is drawn to the British Medical Association's statement of policy on the Remuneration of Industrial Medical Officers as approved by the Representative Body, which is available on request from the Secretary.

Industrial Medical Officer

A large Public Group with interests in different industries requires a whole-time Doctor to take charge of Occupational Health within its manufacturing business in the South Wales and Herefordshire area employing approximately 4,000 people. This is a new appointment to replace a number of existing part-time medical officers. It will be permanent, pensionable, carry a number of other fringe benefits including the provision of a car. Experience in Occupational Medicine is necessary but an Occupational Health qualification, although desirable, is not essential.

The Group is progressive in its outlook and the man envisaged would be required to take an active part in innovation and to build up sound working relations with management. He must have administrative competence as well as a strong interest in Industrial Medicine. He will

be provided with secretarial and nursing assistance and with well equipped surgeries.

He will be expected to set up and operate a comprehensive range of health screening and to be actively concerned in all aspects of safety, accident prevention, and treatment. He will advise on absenteeism, environment and other related matters.

Salary will be dependent on age/experience but will not be less than B.M.A. scales.

Candidates should apply to D. G. Wright quoting ref. 345. All applications, which may be in writing or by telephone, will be treated in the strictest confidence and will not be disclosed without the individual's permission. Local interviews can be arranged where candidates' commitments demand it.

**UNIVERSITY OF SOUTHAMPTON
Faculty of Medicine**

Applications are invited from registered medical practitioners for the post of

**LECTURER
IN MEDICINE**

The person appointed will be required to undertake clinical and teaching duties in general medicine and research in the field of hypertension or endocrinology. The Lecturer will be based at Saint Mary's General Hospital, Portsmouth, and will be associated with the University Department of Renal Medicine at that hospital, but the opportunity to gain special experience in nephrology will

be optional. Good opportunities will also be available in endocrine and metabolic diseases. It is intended that a suitable candidate should be offered honorary Senior Registrar status by the Hampshire Area Health Authority (Teaching). Candidates must have M.R.C.P. Salary £3,936 — £5,439 (9 increments). Superannuation. Initial salary will depend on qualifications and experience. Further particulars may be obtained from the Deputy Secretary, The University, Southampton SO9 5NH to whom applications (seven copies from applicants resident in UK and one from others) should be sent not later than 12th October, 1974 quoting reference JMB18/73/A. (25809) 25

FELLOWSHIP AWARDS

LILLY INTERNATIONAL FELLOWSHIP PROGRAMME

Since 1945, Eli Lilly and Company have sponsored an International Fellowship Programme which gives physicians from various parts of the world an opportunity of studying for one year at medical centres of their choice in the United States or Canada.

Fellowships are intended for postgraduate study in internal medicine or any of its sub-specialties.

The selection of a Fellow from the United Kingdom is undertaken on behalf of the Company by the Medical Research Council when applications for their own series of travelling fellowships are being considered. All enquiries and requests for forms of application for the 1975-76 award (tenable from 1st October, 1975) should accordingly be addressed to:

Medical Research Council, Training Awards Section, Secretariat and Universities Division, 20 Park Crescent, London W1N 4AL.

The closing date for applications for these awards is 21st October, 1974. (H11183) 26

SPECIAL APPOINTMENTS

**Assistant Director
of
Scientific Services**

MEDICAL SERVICES

Salary within range £7,000 to £10,000 p.a.

The Directorate of Scientific Services will have four Assistant Directors, one of whom is the Assistant Director of Medical Services.

The successful applicant will be an experienced medical practitioner, with, or willing to develop, a special knowledge in waterborne diseases and health hazards associated with a Water Authority.

The duties will include:

- a) Supervision of the welfare and health of the Authority's employees of some T1,000.
- b) The ascertainment, evaluation and control of health hazards within the water service.
- c) Advising on the suitability of public water supply and of raw water to be used for potable water supplies, given their chemical, bacteriological and virological qualities.
- d) Undertaking research work involving epidemiological studies within the Severn-Trent water area, and the medical aspects of experimental work directed at producing wholesome water from raw water of doubtful quality.

The Headquarters Office of the Authority is at Abelson House, on the south eastern edge of the City of Birmingham.

Applications quoting the names of two referees should reach the undersigned by 21st October, 1974.

Director of Administration, Severn-Trent Water Authority, Abelson House, 2297, Coventry Road, Sheldon, Birmingham B26 3PS.

GWENT

AREA HEALTH AUTHORITY

SOUTH GWENT

HEALTH DISTRICT

ROYAL GWENT HOSPITAL

Newport, Gwent

(Recognized F.R.C.S.)

SENIOR HOUSE OFFICER

required for Accident and Emergency Department early October. Married accommodation available. Resident. The Department is in the charge of a full-time Consultant Surgeon, has five Senior House Officers and all emergency cases are admitted through the Department, which is responsible for initial resuscitation. The Department is equipped with apparatus for cardiac monitoring, positive pressure ventilation, as well as X-ray Intensifiers and a Berman F.B. Locator.

The Hospital is the base hospital for the District and therefore has a large volume of acute cases of all specialties. It is being extensively re-developed by a major capital building programme. An intensive care unit is situated at the Hospital.

There is a close connection with the teaching hospital at Cardiff, 10 miles to the west and there is an extensive postgraduate education programme with a very good library. A postgraduate centre is situated at the Hospital. The appointment gives ample opportunity to the holder to avail himself of these facilities. The successful candidate will be expected to be resident on the nights on which he is on first call, which will on average be one night in five.

Apply quoting two referees to the District Administrator, 64 Cardiff Road, Newport, (formerly Newport, Mon.). NPT 2UA. (25930) 51-8

OLDHAM

AREA HEALTH AUTHORITY

Oldham Royal Infirmary

Union Street West

Oldham, OL8 1DJ

RESIDENT

SENIOR HOUSE OFFICER

required for Accident and Emergency Department.

The Department is under the direction of a Consultant Orthopaedic Surgeon. The Orthopaedic Department is staffed separately and immediate supervision is provided by a medical assistant. Four other Senior House Officers and GP Clinical Assistant sessions make up the staffing complement of the Accident Department.

Excellent postgraduate teaching and library facilities are available in the group which is in easy reach of the Manchester University Medical School.

Apply in writing to the Hospital Secretary as soon as possible giving the names and addresses of two referees. (25952) 51-8

PINDERFIELDS

GENERAL HOSPITAL

Wakefield

SENIOR HOUSE OFFICER

required for the Accident and Emergency Department at the above hospital. This is a new purpose built unit with a staff of one Consultant, one Medical Assistant, four Senior House Officers and five Clinical Assistants. There is also a Postgraduate Medical Centre with excellent library service.

Post recognized for F.R.C.S. Resident; married accommodation normally available.

Applications, giving full personal particulars, details of experience and two names and addresses for reference to Hospital Secretary, Pinderfields General Hospital, Aberford Road, Wakefield. (25789) 51-8

AREA HEALTH AUTHORITY

SENIOR HOUSE OFFICER

St. Davids Hospital, Cardiff

Applications are invited for the post of **SENIOR HOUSE OFFICER** in the Accident Unit of the above Hospital, available immediately.

The post offers considerable opportunity for practical experience in the management of all types of injury under the direction of a Consultant and is recognized for the F.R.C.S. Good postgraduate facilities available. Non-resident.

Applications Personnel Department, Temple of Peace & Health, Cathays Park, Cardiff. Closing date: 12th October, 1974. (26027) 51-8

APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1974, No. 361).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

In particular, they will find full details of facilities provided in most hospitals in the United Kingdom in the current edition of the *Hospital Gazetteer*. If such details are not included members are advised to consult the Secretary of the B.M.A.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £2,202 per annum for the posts held during the first year; £2,370 per annum for posts held during the second year; £2,538 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,823 per annum x £189(1) x £186(1) — £3,198.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £3,198 per annum x £171(3) x £168(1) — £3,879.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £3,711 per annum x £168(1) x £216(4) — £4,743.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £3,504 per annum x £183(2) x £180(2) x £168(10) — £5,910.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £5,433 per annum x £279(8) x £282(1) — £7,947.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rent is appropriate.

Downs Road, Sutton, Surrey
require
TWO RESIDENT
SENIOR HOUSE OFFICERS
IN MEDICAL ONCOLOGY
preferably with the membership, to start on
1st January, 1975. Both appointments are on
the Medical Professional Unit. There is close
liaison with the Radiotherapy Professional
Unit.
The posts offer experience in the medical
care of cancer patients with particular
emphasis on the management of lymphomas
Leukaemia and the investigation and
treatment of a wide variety of other malignant
diseases. There will be opportunity to
participate in the investigation of metabolic
and endocrine aspects of cancer and in
studies of the value of germ-free
environments.
Potential candidates are warmly
encouraged to come and see the units
beforehand and talk about the work of this
modern cancer hospital.
Candidates should apply in writing to the
Deputy Administrator, by 5th October, 1974.

NORTH WESTERN
REGIONAL HEALTH AUTHORITY

Whole-time or maximum part-time
CONSULTANT PSYCHIATRIST
to the Lancaster District of Lancashire Area Health Authority.

Applications are invited from candidates with wide experience of the specialty. This is a new post, offering the opportunity to join a progressive Psychiatric Division at the Lancaster Moor Hospital, Lancaster, with outpatient sessions at the Queen Victoria Hospital, Morecombe.

A particular interest in the Psychiatry of the Elderly is required, and a higher qualification in general medicine is desirable.

The successful candidate would be expected to work in close association with the Consultant Physician in Geriatric Medicine, and participate in the planning of services for the elderly mentally ill throughout the District. A Psycho-geriatric Assessment Unit of approximately 20 beds is planned for the Lancaster Moor Hospital, and other appropriate wards would be allocated.

Lancaster Moor is a comprehensive hospital, with acute, long-term and mental illness wards, and a wide range of sub-specialties, including a mixed Alcoholic Unit, and one for disturbed children under twelve years of age.

The population served is about 125,000, of which approximately 20% exceeds the age of 65 years.

Application forms and further particulars may be obtained from the Regional Medical Officer, North Western Regional Health Authority, Gateway House, Piccadilly South, Manchester M60 7LJ. Closing date for applications 12th October, 1974. (25812) 84-1

SENIOR REGISTRAR IN

CHILD PSYCHIATRY

The training scheme includes experience at Royal Manchester Children's Hospital, Pendlebury and Booth Hall Children's Hospital, Manchester. The post is whole-time and non-resident. The appointment is for three years subject to annual review and will include up to one year to be spent in an Adolescent Unit to be arranged.

Training will be based on a busy out-patient child psychiatric department with University teaching commitments at the Royal Manchester Children's Hospital, with in-patient treatment on these patients being carried out in a large in-patient child psychiatric department at Booth Hall Children's Hospital. Members of staff hold University appointments and are responsible for various training courses. Training includes courses of lectures, regular supervision of diagnostic and long-term treatment cases; multi-disciplinary team conferences and seminars are an important feature of the work and all members of staff contribute. Experience in related areas of paediatrics, mental subnormality, children in care and special schools is readily available. The out-patient department has close links with the rest of the Hospital and also with the local Social Services Department. The 22 bedded inpatient unit with its school, occupational therapy department and gymnasium is organised on a family group basis and the Senior Registrar attached to each consultant plays an important role in the relevant family group and is responsible for individual therapy with the cases.

Candidates should be registered medical practitioners who have undergone at least 2 years training in adult psychiatry and who either have a D.P.M. or have passed Part I M.R.C.Psych. and are expecting to submit themselves to the Part II during their training. Relevant previous experience in the field is desirable. Candidates are encouraged to visit the Units, and arrangements may be made direct with: Mr T. Ibbson, Sector Administrator, Royal Manchester Children's Hospital, Pendlebury, Manchester M27 1HA. Tel: 061 794 4696. Mr R. Mitchell, Sector Administrator, Booth Hall Children's Hospital, Blackley, Manchester 9. Tel: 061-740 2254.

Application forms available from Area Personnel Officer to be returned by Monday, 7th October, 1974. Salford A.H.A. (T), Peel House, Albert Street, Eccles M30 0NJ. (25981) 84-5

Psychiatry

Applications are invited for the post of SENIOR REGISTRAR IN PSYCHOTHERAPY

This appointment is a new post within the combined Cambridge Psychiatric Service, designed to provide intensive training and experience in Psychotherapy or a Psychiatrist proposing to specialise in this field. The post carries with it opportunities for teaching and research. A clinical medical school is scheduled to open in Cambridge in 1975.

Application forms and further details of the post are available from the Area Medical Officer, Cambridgeshire Area Health Authority (Teaching), Purbeck House, Purbeck Road, Cambridge. Tel: Cambridge 42841. Closing date for receipt of applications is 18th October, 1974 and it is hoped that interviews will be held during week ending 8th November, 1974. (33799) 84-5

WEST MIDLANDS
REGIONAL HEALTH AUTHORITY

ROTATIONAL TRAINING SCHEME
FOR SENIOR REGISTRAR IN
MENTAL SUBNORMALITY

Applications invited for the post of senior registrar in mental subnormality. The post is intended to run in parallel with a scheme already in existence for senior registrars in child psychiatry. It is intended that the successful applicant will spend nine months at each of either two or three hospitals for the mentally subnormal in the Birmingham area, depending on the length of training required. During this period there will be an opportunity to take part in the assessment and management of the multiply handicapped child and also to work in special units for the cerebral palsied, deaf/blind and rehabilitation units for adolescent and adult mentally handicapped. Three sessions per week will be spent, over the whole period of training, in attending a child psychiatric out-patients clinic, this placement to remain constant, regardless of movement between subnormality hospitals, in order to maintain continuity. The scheme is newly opened Institute of Mental Subnormality at Lea Castle Hospital will be available to trainees. D.P.M. required. Accommodation, married or single, will be made available as conveniently as possible or successful candidates must reside within Birmingham.

Candidates invited to arrange to meet the Director of the Institute of Mental Subnormality (Kidderminster 850461) to discuss the appointments and at the same time they will be given an opportunity of viewing the various units in which they would be working and to visit the hospitals involved.

Application forms to be returned by 14th October for Regional Administrator, W.M.R.H.A., 146 Hagley Road, Birmingham, B16 9PA. (33857) 84-5

SENIOR REGISTRAR

IN PSYCHIATRY

REGIONAL TRAINING SCHEME

The post is included in a Training Scheme designed to give comprehensive training in all aspects of Psychiatry; it also provides study for higher qualifications and/or selected projects of research. Provision is made for basic duties (seven sessions a week Acute Psychiatry) at selected Regional Hospitals, the General Infirmary at Leeds and the Department of Psychiatry, Subject to a satisfactory annual report, the post will be tenable for five years.

The present vacancy commences in the Regional Drug Unit, Leeds Road Hospital, Bradford; post recognized for higher specialist training.

Candidates must possess the D.P.M. or other higher or appropriate qualifications. Non-resident. Please quote reference No. 532.

Application forms and further details may be obtained from the Regional Administrator, Yorkshire Regional Health Authority, Park Parade, Harrogate, North Yorkshire, HG1 5AH, to whom applications should be returned by 10th October, 1974. (33626) 84-5

DURHAM HEALTH DISTRICT

Durham Area Health Authority
Earls House Hospital for the
Mentally Handicapped, Durham

Applications are invited for the post of REGISTRAR IN PSYCHIATRY

Resident
The hospital has 370 beds, mainly in newly built villas. The residents are of all ages and all types of handicap. Two 8-bedded units and the main centre are about to be opened for the intensive therapy of multiple handicapped, deaf and/or blind patients and for those with emotional problems. Research is encouraged and there is flexibility to try new methods, including behaviour modification. The aim of the hospital is to provide a therapeutic, optimistic environment in which each resident can reach their full potential. Regular multi-disciplinary meetings are held and the hospital has active involvement with the community through busy Out-patients in the main centre of population. The medical staff also work in Training Centres, Special Schools and Hostels.

There are facilities for attending postgraduate courses in Newcastle, as well as case conferences and discussions at neighbouring hospitals. Some experience in psychiatry is desirable and the post is suitable of study for the D.P.M. or M.R.C.Psych. examinations. Married or single accommodation available.

Applications, naming three referees, to District Medical Staffing, Earls House Hospital, Lanchester Road, Durham DH1 5RM. (H11265) 84-6

BUCKINGHAMSHIRE AREA HEALTH AUTHORITY
St. John's Hospital
Stone, Aylesbury, Bucks
A vacancy for a **TRAINEESHIP IN PSYCHIATRY**
at the above Hospital will be available in October. The appointment is part of a scheme to provide a three-year training programme leading to the M.R.C.Psych. It is in the first place for a year at Senior House Officer grade, renewable annually and, subject to satisfactory review, progressing to registrar after one year.

Clinical training is carried out at the hospital. M.R.C.Psych. and D.P.M. candidates are encouraged to attend the University day-release course in Oxford. Secondments for neurosciences, neurology, child psychiatry, psychogeriatrics are arranged. Married or single accommodation is available. Post not compulsorily resident. Requests to see Hospital to Dr. D. C. Watt, Medical Director, Stone (Aylesbury) 383, from whom a memorandum on the post is available. (25750) 84-8

CLAYBURY HOSPITAL
Woodford Bridge, Woodford Green
Essex
There will be a vacancy from 13th October, 1974 and another from 1st November, 1974 for a full-time **PSYCHIATRIC SENIOR HOUSE OFFICER**

at this hospital of 1,560 beds with an admission rate of 1,600 patients annually. Claybury is a progressive psychiatric hospital within easy reach of Central London. It is accredited under Category 1 for the full course of psychiatric training toward the M.R.C.Psych. and the post is recognized for the D.P.M. The post offers special experience in training in therapeutic community methods. The hospital is organised into firms each serving a sector of the catchment area. Each Senior House Officer works on an admission ward under Consultant supervision and has responsibility for longer stay wards. A postgraduate training programme of case conferences, seminars and journal discussion is organized by the Clinical Tutor. Facilities are also offered for attendance at other recognized courses. The position is non-resident but residential accommodation is available. Please apply to the Administrator as soon as possible, with names and addresses of two referees. (26040) 84-8

DEVON AREA HEALTH AUTHORITY
Plymouth Health District
Moorhaven Hospital, Bittaford
nr. Ivybridge, Devon
SENIOR HOUSE OFFICER IN PSYCHIATRY
Applications are invited for the above resident post which is available immediately. Modern single or married accommodation will be provided on the hospital estate. This up-to-date Psychiatric Hospital of 681 beds is situated on the edge of the Dartmoor National Park and is within easy reach of Plymouth and many popular coastal resorts.

A comprehensive training scheme for D.P.M. and M.R.C.Psych. examinations is in operation utilising all modern treatment methods integrated with Plymouth General Hospital and the Nuffield Community Psychiatric Centre. Excellent library and good social facilities. If you are interested and would like to visit the hospital on an informal basis we would be pleased to show you around. Applications to the Chairman — Medical Executive Committee. (26839) 84-8

CORNWALL AND ISLES OF SCILLY AREA HEALTH AUTHORITY
St. Lawrence's and Associated Hospitals

Applications are invited for three posts of **SENIOR HOUSE OFFICER IN PSYCHIATRY** as under.
Post (a) 2 Senior House Officers for duty at St. Lawrence's Hospital, Bodmin.
Post (b) 1 Senior House Officer for duty at the Psychiatric Unit in the Royal Cornwall Hospital (City), Truro.
Candidates appointed will become members of Consultant Clinical Teams and be able to gain experience in all aspects of psychiatry. There are excellent Medical Library facilities available with Case Conferences and Team Meetings also held. Opportunities are also provided for attending Case Conferences and postgraduate instruction in other branches of medicine. A peripheral allowance of £96 p.a. is payable in respect of one post (a) and post (b). The successful candidates are required to be resident and married or single furnished accommodation is available. Applications with the names of two referees to the Administrator, St. Lawrence's Hospital, Bodmin, Cornwall. (H11318) 84-8

DYFED AREA HEALTH AUTHORITY
St. David's Hospital, Carmarthen
RESIDENT LOCUM SENIOR HOUSE OFFICER IN PSYCHIATRY
required from 13th November, 1974 to 14th March, 1975. Applications giving details of previous experience and names and addresses of two referees to the Hospital Secretary, St. David's Hospital, Carmarthen 7481. (25961) 84-8

CLEVELAND AREA HEALTH AUTHORITY
Hartlepool Health District
General Hospital

SENIOR HOUSE OFFICER IN PSYCHIATRY
Applications are invited for the above resident post, vacant middle of September. Single accommodation only available. The Psychiatric Unit of this hospital comprises 75 beds for acute and medium stay cases and offers wide experience in in-patient, out-patient and day-patient psychiatry. The emphasis is on community care and there is close liaison with the Social Services and the Community Psychiatric Nursing Services of the Local Authority. There is also an association with a large Mental Hospital in the area. Teaching is undertaken and the Unit forms part of a Group of Hospitals, which, in association with the University of Newcastle, offers a full training programme for the M.R.C.Psych. Applications, giving details of age, when available, experience (with dates), qualifications and accompanied by copies of two recent testimonials, should be sent to the Group Personnel Officer, General Hospital, Hartlepool, TS21 9AH, as soon as possible. Arrangements can be made to visit the hospital. (H10901) 84-8

FULBOURN HOSPITAL
Cambridge CB1 5EF

Applications are invited for a **LOCUM SENIOR HOUSE OFFICER** immediately at the above hospital from September 1974 — February 1975. This progressive hospital of 700 beds is pleasantly situated four miles from the centre of Cambridge and within easy reach of London by road or rail. All kinds of psychiatric treatments are given, but emphasis is placed on psychotherapy of individuals and group administration, community and family therapy.

The successful candidate will be required to work in a busy admissions unit, and will have the opportunity to take part in the various meetings in which group and individual dynamics are explored. There is a professional library, and one half-day a week is free for psychiatric seminars and lectures under the Cambridge Postgraduate Medical School. Accommodation can be arranged, according to availability.

Applications, with the names of two referees should be submitted forthwith to The Clinical Tutor. (Tel: Cambridge 48074 Ext. 93). (33801) 84-8

COMMUNITY MEDICINE

NORTH EAST THAMES REGIONAL HEALTH AUTHORITY

SPECIALISTS IN COMMUNITY MEDICINE (Four posts)

Applications are invited for the following
posts from officers who have been transferred
to the Regional or Area Health Authorities in
the North East Thames Regional Health
Authority under the provision of the National
Health Service Re-organisation Act.

At Region (2 posts): Specialists in
Community Medicine. Post 1 — Health Care
Planning and Capital Building: to advise on
resource allocation, information and
monitoring. Post 2 — Supervision of Long Stay
Services, monitoring standard of care and
treatment.

Camden and Islington Area Health
Authority (T): Post — Specialist in
Community Medicine: Information Services
and Planning.

Essex Area Health Authority: Post 4 —
Specialist in Community Medicine: Health
Care Planning and Information.

Applicants must be registered medical
practitioners with broad experience of
administrative medical work at a senior level
in the provision of health services by local
health or education authorities, or in the
public health services of local authorities or in
the national health service hospital service.

Salary scale: £5,433 x £279 (8) — £7,665 x £282
(1) — £7,947.

Information about the conditions of
eligibility which apply where there are agency
and extra-territorial arrangements between
regions, or transfer of territory, will be
included in the further particulars which are
obtainable, with application forms, from the
Secretary, N.H.S. Appointments Unit for the
North East Thames Region, 40, Eastbourne
Tce., Paddington, London W2 3QR (Tel: 01-262
9973).

The closing date for receipt of completed
applications is 10th October, 1974. (26089) 110

PUBLIC APPOINTMENTS (Whitley Scales)

CLEVELAND AREA HEALTH AUTHORITY

Applications are invited from Medical
Officers who are wholly or mainly employed in
the National Health Service in England and
Wales, for the post of

DISTRICT COMMUNITY PHYSICIAN

North Tees District

Salary scale £5085—£7599

Comprehensive range of facilities including
new D.G.H. (1000 beds); prototype Harness
Geriatric Unit nearing completion; major
health centres and planned.

Professional opportunities and recreational
amenities within the District and immediate
vicinity make this a most attractive
appointment.

Further particulars and application forms
(returnable by 3rd October, 1974) may be
obtained from the Area Medical Officer, Dr.
H. Hugh John, P.O. Box 92, Marton House,
Borough Road, Middlesbrough, Cleveland.
(Tel: 49141 (Middlesbrough) Ext. 200) who
would welcome enquiries or visit from
potential applicants. (33980) 113

GREATER GLASGOW HEALTH BOARD

Maternity, Child Health and
School Health Services

CLINICAL MEDICAL OFFICERS (Whole-time or Part-time)

SENIOR CLINICAL MEDICAL OFFICERS (Whole-time)

Applications are invited from registered
Medical Practitioners for the above posts.
Vacancies exist in all 5 Districts of Greater
Glasgow.

Successful applicants will be graded
according to experience and remuneration
will be on the appropriate recognized scale
(under review at the time). The senior scale
implies a degree of experience in more than
one of the specialised areas. Car mileage
allowance will be available.

Application forms from the Secretary,
Greater Glasgow Health Board, Room 117, 351
Sauchiehall Street, Glasgow G2 3HT to whom
completed forms giving the names and
addresses of two referees should be returned
not later than 14 days after publication of this
advertisement. (H11325) 113

STOCKPORT AREA HEALTH AUTHORITY

CLINICAL MEDICAL OFFICER

Applications are invited from registered
medical practitioners for the above full-time
or part-time post.

In the main, the post will involve work with
children from birth to 16 years, a knowledge of
developmental paediatrics, of experience
with handicapped children and of the work in
a school health service would be desirable,
but full training facilities exist if the
successful candidate requires this.

The Area Medical Officer is the Chief
Medical Officer with overall responsibility for
Clinical Medical Officers but the Community
Physician in Child Health is the senior
administrative doctor who will be
responsible for the allocation of the above-
mentioned duties and any others that may be
required.

Salary for the full-time appointment will be
within the scale £3,189 - £4,176 per annum,
starting point being fixed according to
experience and qualifications. Travelling and
subsistence allowances will be paid in
accordance with Whitley Council Rates.

Application forms obtainable from Dr. K.
G. Murray, The Area Medical Officer, Area
Offices, Bramhall Moor Lane, Hazel Grove,
Stockport, SK7 5AB. The closing date for
applications is the 13th October, 1974. (H11179) 113

REPUBLIC OF IRELAND (See also P. xxxix & xl)

OUR LADY'S HOSPITAL FOR SICK CHILDREN

Crumlin, Dublin 12
Children's Teaching Hospital
334 beds

MEDICAL REGISTRAR

Applications are invited for the above post
commencing 1st January 1974.

Salary £4,216 — £5,215 plus £300 for higher
degree.

Applications on forms obtainable from
Secretary/Manager.

Closing date for receipt of applications is
21st October 1974. (H11270) 117

OVERSEA

Attention is drawn to the im-
portance of detailed careful con-
sideration to the terms of any
contract, especially as terms and
conditions of service may differ
markedly in different areas. 'Notes
on Contracts Overseas' may be
obtained on application to the
Secretary.

Before any contract is signed it is
advisable to obtain full details of
remuneration and of terms and
conditions of service and in-
formation about local conditions.
These may often be obtained from
the local B.M.A. Branch or affiliated
Medical Association whose address
may also be obtained on application
to the Secretary.

COMMUNITY MEDICINE

DISTRICT COMMUNITY PHYSICIAN

NORTH HAMMERSMITH HEALTH DISTRICT

Ealing, Hammersmith and Hounslow
Area Health Authority (Teaching)

Salary Scale £5085 — £7599

Applications for the above post are invited from
registered medical practitioners in England and
Wales.

The North Hammersmith District Headquarters
are at the Hammersmith Hospital and it is
anticipated that there will be opportunity for the
successful candidate to develop academic links
with the Royal Postgraduate Medical School.

The post does not carry 'Proper Officer'
responsibilities.

Application forms and further details are available
from:

Ruth Kendall,
Area Personnel Officer,
92, Bath Road,
Hounslow,
Middlesex. TW3 3EL.

Closing date for receipt of applications 12th
October, 1974. (25698) 110

NORTHUMBERLAND AREA HEALTH AUTHORITY UNRESTRICTED ADVERTISEMENT

Specialist in Community Medicine (Social Services)

Salary: £5443 + £279 x 8 to £7665 + £282 x 1 to £7947

Vacancy due to early retirement

Applications for the above appointment are invited from any
Registered Medical Practitioner in England and Wales with
suitably wide experience in administrative medical work at a
senior level.

The duties of the post would be largely concerned with the
organisation, planning and development of health services
directed towards particular patient groups (such as the
elderly, mentally ill, mentally handicapped etc) and co-
ordinating these services with those provided by the Social
Services Committee of the matching Local Authority.

Northumberland Area Health Authority headquarters are in
the small county town of Morpeth some 15 miles north of
Newcastle upon Tyne and set in the extensive and pleasant
grounds of a large mental illness hospital. At present one
wing of a purpose-built headquarters housing the nucleus of
the administration has been constructed but by the end of
this month a further extension of this building will result in the
complete administrative staff (including the FPC services)
being situated in one locality. The Authority is a Single
District Area with a population of approximately 280,000 and
includes the developing new town of Cramlington.

Intending applicants are invited to discuss the post with Dr J.
T. Clow the Area Medical Officer (Morpeth 56121 STD 0670)
who will be pleased to provide further information.

Application forms, job descriptions etc. may be obtained
from the Area Personnel Officer, Northumberland Area
Health Authority, East Cottingham, Morpeth,
Northumberland NE61 2NU.

Closing date 21st October, 1974. (H11283) 110

CALGARY CANCER CLINIC

Calgary, Alberta, Canada

RADIOTHERAPIST

The Provincial Cancer Hospitals Board invites applications for the position of Radiotherapist to their Calgary Cancer Clinic. The Calgary Cancer Clinic is serving the Southern half of the Province of Alberta as a large out-patient facility, working in conjunction with all City hospitals. The Clinic has a Theratron 780, and Eldorado 8 Cobalt Unit, a Cesium Unit, a Superficial X-ray Unit, and a new Gamma Camera and Dedicated Computer which have been recently installed, in addition to Isotope, Diagnostic X-ray, Medical Physics, and Clinical Laboratory Facilities. The Radiotherapy Department treats over 850 new malignancies per annum.

Salary is negotiable depending upon experience and qualifications. There is a superannuation programme, relocation allowance, group life insurance, and other employer assisted benefits.

Candidates must either have or be willing to obtain a Canadian Fellowship as well as be qualified for registration with the College of Physicians and Surgeons of the province of Alberta, Canada. It is expected that the successful candidate will qualify for a position in the Faculty of Medicine of the University of Calgary.

Further information may be obtained from Dr. I. S. Brown, F.R.C.S.E., F.F.R., D.M.R.T., Director of Therapeutic Radiology, Calgary Cancer Clinic, 2104 - 2nd Street S.W., Calgary 3, Alberta, Canada. (H1151) 118

GOVERNMENTAL

Senior Medical Officer

£9,200+

Senior Medical Officers of the Medical Advisory Service are responsible for the surveillance of the health of civil servants and certain other similar groups; they assess future work capacity in cases of prolonged sickness absence; they advise management about staff whose current work performance may be otherwise affected by ill-health; they also offer guidance when occupational health hazards are present.

Senior Medical Officers work in liaison with a network of some 2,000 local Medical Officers of the Medical Service, as well as with General Practitioners and hospital consultants throughout the country. There will be opportunities for clinical practice in this work, and it is intended that epidemiological studies should be developed in association with academic and hospital departments.

Candidates must be fully registered as medical practitioners in the United Kingdom with an extensive medical background, and should preferably hold a higher professional qualification.

The salary for this London-based appointment is over £9,200 and there is a non-contributory pension scheme.

For full details and an application form (to be returned by 15th October, 1974), write to Civil Service Commission, Alencon Link, Basingstoke, Hants RG21 1JB, or telephone BASINGSTOKE 29222 ext. 500 or LONDON 01-839 1992 (24 hour answering service), quoting S/8747/2.

ROYAL HOBART HOSPITAL

Hobart — Tasmania

ANAESTHETIST
Applications in writing, addressed to the General Superintendent, Dr. J. M. Sparrow, G.P.O. Box 1061L, Hobart, Tasmania 7001, from whom further particulars may be obtained, are invited from registered medical practitioners with an approved higher qualification in Anaesthetics for appointment to the above position.

The Royal Hobart Hospital is the principal Teaching Hospital for the Faculty of Medicine, University of Tasmania. It has a bed capacity of 600 and had 16,300 patient admissions and 266,000 outpatient attendances for the year ended 30th June, 1974.

The Operating Theatre suite is a spacious and very modern unit, consisting of six excellently equipped general theatres and ancillary rooms. A full range of surgical and anaesthetic procedures is carried out with the exception of open heart surgery.

Assistance towards travelling expenses in taking up duty is available. Applicants from the United Kingdom should apply in this regard to the Agent-General for Tasmania in London.

Recreation Leave is of five weeks each year and long service leave is of three months after each ten years of service.

The appointee is eligible to participate in the State Retirement Benefit Fund.

Current Salary Range: Specialist Class 1 — A \$15,885-17,394; Specialist Class 2 — A \$18,010-19,862; Specialist Class 3 A \$21,338.

Classification is dependent upon the qualifications and experience of the successful applicant, and is determined by the Controlling Authority in terms of the Medical Officers Principal Award.

Applications should be accompanied by the names of three referees and close on the 30th November, 1974. Salaries and conditions of service are subject to such changes as may be determined by the appropriate authority when such matters become subject to general review. (26066) 118

TARANAKI HOSPITAL BOARD

Taranaki Base Hospital
New Plymouth, New Zealand

PSYCHIATRIST

Applications are invited for the position of Psychiatrist at the Taranaki Base Hospital in New Plymouth, New Zealand. The position is a whole-time one but applications are invited also from those interested in a substantially whole-time appointment initially, or after a period of whole-time duty.

Conditions of employment will be in accordance with the New Zealand Hospital Service Determination for Medical Officers. The salary for a specialist will be within a 10 step scale N.Z. \$12,639-N.Z. \$16,926 p.a. with automatic annual increments to the maximum. An appointee not being a specialist will hold the position of Medical Officer of Special Scale on a salary within the range of N.Z. \$8,927-N.Z. \$15,316 p.a. with intermediate steps within six individual scales. The commencing salary in either case will be determined by the Medical Officers Salaries Grading Committee.

The Taranaki Hospital Board serves an area with a population of over 100,000. New Plymouth is a coastal city of 39,000. It has an equable climate and educational, cultural and sporting (from surfing to ski-ing) facilities appropriate to such a community are readily and economically available.

The Board has commenced preliminary planning of a Psychiatric Unit of 40 beds (approx.) at New Plymouth. The average occupied bed state of the New Plymouth Hospitals is 380.

Considerable assistance towards fares and removal expenses can be given to whole-time appointees or substantially whole-time specialist appointees subject to a contract of minimum service.

Conditions of appointment and application forms are available from The Secretary, Taranaki Hospital Board, Private Bag, New Plymouth, New Zealand, with whom applications close on 11th October, 1974. (25986) 118

WAIKATO HOSPITAL BOARD

WHOLE-TIME OR SUBSTANTIALLY WHOLE-TIME PSYCHIATRIST

Rotorua Hospital
Rotorua, New Zealand
Applications are invited from suitable qualified medical officers for the position of whole-time or substantially whole-time Psychiatrist at Rotorua Hospital.

This is an additional appointment, as the Department is in the process of being enlarged and Psychiatric Unit is in the process of being built. One other Psychiatrist is employed.

This is a position of specialist status and the salary will be in the scale \$12,639/\$16,926. The commencing rate will be determined by the Director-General of Health according to the qualifications and experience of the appointee.

Rotorua Hospital, of 370 beds, is situated in the major tourist centre of New Zealand, with associated world-famous trout fishing and thermal activities. It is handy to hunting, mountaineering and beach facilities. Conditions of appointment and application forms are available from the Chief Executive, Waikato Hospital Board, P.O. Box 934, Hamilton, with whom applications close on 31st October, 1974.

Further details of the position, if desired, may be obtained from the Medical Superintendent, Rotorua Hospital, Private Bag, Rotorua, New Zealand. (H11271) 118

GUYANA BAUXITE COMPANY LIMITED

LINDEN GUYANA

Vacancies for

MEDICAL OFFICERS

We need a Medical Officer/Anaesthetist and a General Medical Practitioner for our 120-bed acute general hospital located in the town of Linden, Guyana and providing medical care for our employees and for the community of 40,000.

The position of Medical Officer/Anaesthetist is suitable for a registered medical practitioner who has had all-round general practice experience in addition to at least one year's experience in the field of anaesthesiology. The successful applicant will be expected to administer anaesthesia to both cold and emergency cases and to perform general medical and obstetrical duties. The successful applicants will work under the general direction of the Chief Medical Officer and along with the other doctors participate in the further development of the services available at the hospital.

Salaries and fringe benefits are attractive. Benefits include six weeks annual vacation with passages for employee and family, furnished housing at low rental, schooling local and overseas, medical facilities, tax free gratuity.

If you are interested in any of these appointments please write submitting a curriculum vitae to:

ELECTRA CORE LTD

27 Warren Road, London E10. Tel: 01-556 7073

Published by the Proprietors, THE BRITISH MEDICAL ASSOCIATION, Tavistock Square, London WC1H 9JR, and printed in Great Britain by George Pulman and Sons Limited of London and Bletchley, Typesetting by E. J. Day (Bedford) Limited and Type Matters of London. Registered as a Newspaper.

Bactericidal action, simple 'twice-daily' dosage, and now . . .

a new kind of tablet

Bactrim Roche

Quickly disperses in water to produce a palatable suspension for those who have difficulty taking ordinary tablets (particularly valuable for example in geriatric cases) or it can be swallowed whole. The option provided by this new tablet reinforces the strong claim of Bactrim Roche as the treatment of first choice in urinary tract, chest, and skin and soft tissue infections

Bactrim is the trade mark for Roche pharmaceutical preparations containing trimethoprim and sulphamethoxazole. Further information is available on request Roche Products Limited, 15 Manchester Square, London W1M 6AP.

J098042

Why should you take it lying down?

Whilst the patient on sympatholytic drugs such as methyldopa, bethanidine or guanethidine is upright his blood pressure is controlled

adequately. But when he lies down his blood pressure rises sharply – try measuring it when he is supine.

In contrast 'Inderal' offers

full and stable control of hypertension in all postures,* whatever the patient is doing, and 'Inderal' works equally well when he is under stress.

INDERAL

protects your patient all day, every day

'Inderal' is a trade mark for propranolol.

Why on earth should anyone need Nestlé's Growing Up Foods?

A fair enough question. Why introduce a special range of foods for pre-school children?

The answer is simple. As you know a properly-balanced diet during the pre-school years is vitally important, as the rate of physical and mental development is faster now than it will ever be again.

And it's at this stage that eating habits are formed. If a child gets used to too many calories now, he may have an obesity problem later. If he is allowed too much sugar and too many sweets he could have dental problems very soon.

Yet at this stage a child will often prefer sweet and fattening things and get faddy about foods that are actually good for him.

And to add to the problem, a mother will not always know which of the many foods around are good for him anyway.

So we've made a range of highly

nutritious foods that children actually enjoy eating. They are specifically designed to assist mothers of young children to solve everyday feeding problems, either by replacing badly-balanced foods, or supplementing the normal intake when the child is being difficult about essentials like milk, eggs, meat, etc.

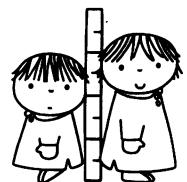

To help the mother plan a well-balanced diet we tell her in simple language exactly what proportion of protein, vitamins and minerals each product provides.

We've made Soups and Drinks, Cereals and Spreads. Even high-protein biscuits. All designed to help a mother make sure her child has a properly balanced diet, and likes it.

If you'd like more information about Nestlé's Growing Up Foods write for our booklet to Nestlé's Growing Up Foods, St. George's House, Croydon, Surrey CR9 1NR.

Available only at

MINOCIN

in bronchitis

highly effective
sometimes vital

You fastened your safety belt this morning just in case of an emergency. You're not expecting trouble, of course, but you never know . . .

You never know with bronchitis either. Minocin* (minocycline) protects against the hazards of bronchitis, but unlike traditional tetracyclines and semi-synthetic penicillins is also highly effective against resistant staphylococci - the pathogens which could threaten your patients life. Staphylococcal pneumonia is the only really life endangering infective hazard in bronchitis.¹ So whenever you treat bronchitis be sure from the start with Minocin - just in case . . .

(1) Brit. Med. J., (1970), Leading Article, 1, (9989) 125-126
Presentation Blister packs of 9 and 45 tablets, each containing 100mg minocycline.

Lederle Laboratories

A division of Cyanamid of Great Britain Ltd., Fareham Road, Gosport, Hants.
Full information is available on request

*Trademark

Burinex^{*} K

the only
short-acting diuretic
with built-in
potassium supplementation

- Burinex K is positively indicated as a diuretic
- ★ in patients undergoing concurrent treatment with digitalis
 - ★ in the treatment of chronic congestive heart failure
 - ★ for maintenance therapy

The time of administration can be suited to the daily routine of the ambulant patient. An early evening dosage allows the patient to retire to bed in a state of therapeutic dehydration—minimising nocturia and nocturnal dyspnoea.

The short period of diuretic activity

allows for natural compensatory absorption of dietary potassium during the prolonged diuretic-free phase (some 21 hours per day).

Burinex K reduces the number of tablets the cardiac patient has to take, thus avoiding confusion and medication errors.

Recommended dosage:
2 tablets daily as a single dose
Further information available on request

Burinex K is bumetanide (0.5 mg) with slow-release potassium chloride (573 mg)

Leo Laboratories Limited,
Hayes Gate House, Hayes, Middlesex.
