

Guarding the Guardians: Research on

EDITORIAL PEER REVIEW

Following the success of the American Medical Association's First International Congress on Peer Review in Biomedical Publication, a second such Congress is being planned for September 1992. We aim to present original research on critical issues in the publication of all clinical and scientific research.

What are such critical issues?

- The mechanisms of peer review and editorial decision making in different journals
- The relationships between authors, editors, and reviewers, and how each is educated, selected, and evaluated.
- Allocation of responsibility for published material
- Quality assurance
- Breakdowns, weaknesses, and biases

For more information on attending or presenting research, contact:

BEGIN PLANNING YOUR RESEARCH PROTOCOLS NOW!

You don't know everything

HOW TO DO IT: 3

Organise a new department . Choose a house officer . Get publicity for a multicentre trial . Be a GP locum . Write a practical annual report . Start a DNA diagnostic service . Develop diabetic summary in general practice . Dictate a word processor for charitable status . Organise department . Choose a manager . Get publicity . Be a manager . Organise a multi-centre trial . Be a GP locum . Write

But often in a medical career it seems as if you are expected to. When confronted with a problem you've never met before the only thing to do is to ask the experts—but where are the experts who are never on holiday, never off sick, in a meeting, or simply unavailable? In *How To Do It: 3*, that's where. You can keep them in your pocket, and in a few minutes they can tell you, among many other things, how to:

- lecture overseas
- be a manager
- prepare a Festschrift
- commission a portrait
- write a practice annual report
- organise multicentre trials
- start a DNA diagnostic service
- survive a dinner

**Two companion
volumes of
essential know-how
are also available**

Price (each book): Inland £6.95; Abroad £9.00
BMA members: Inland £6.45; Abroad £8.50

HOW TO DO IT: 1

Chairman. Committee. Be a dictator. Be a computer. Take an examination. Be an international paper. Choose a journal. Give evidence. Organise a meeting. Write a book review. Use a library. Interview a student. Write an examiner. Use a lecture. Survive as an editor. Prepare a programme. Construct an inquest. Take a clinical examination. Use slides. Apply for a research grant. Deal with a publisher. Plan a research project. Write a paper.

HOW TO DO IT: 2

Organise your time
Run a clinical budget
Deal with a patient complaint
Organise a private practice
Take an expedition round
Deal with a general practitioner
Organise a word processor
Retire
Use a problem colleaguer
Take a sabbatical from general practice
Be a patient
Use electronic mail
Signpost your hospital
Get a letter in the newspapers
Keep up with the news
live

Did ed, BMJ, murder his wife?

Supposedly based on rumoured events in the life of Ernest Hart, a great but undervalued editor of the *BMJ*, Frank Danby's novel *Dr Phillips: a Maida Vale Idyll* was first published in 1887. Unlike many popular Victorian novels it is concisely plotted; its style is pithy; the characters are sympathetic and believable; and the author's presentation of Jewish life in the late nineteenth century is uncompromisingly honest.

But is the character of "Dr Phillips" a portrait of Hart? In his introduction to the new Keynes Press

edition Stephen Lock, present editor of the *BMJ*, places the novel in its literary and historical context and examines the character and achievements of Ernest Hart.

Beautifully printed and bound, and with illustrations by Tabitha Salmon, this edition of *Dr Phillips: a Maida Vale Idyll* will fascinate those interested in literature, history, and the *BMJ*.

Dr Phillips
*A Maida Vale
Idyll*

FRANK DANBY
