

ABC OF CHILD ABUSE

SECOND EDITION

EDITED BY ROY MEADOW

Cruelty to children is common: at least four children in Britain die every week as a result of abuse or neglect. In England alone nearly 45,000 children are listed on child protection registers. With the aid of colour photographs, the *ABC of Child Abuse* gives clear guidance on how to recognise the different forms of child abuse, and advises on what to do if you suspect or confirm it.

- Abuse and short stature
- Protecting children
- About courts
- Abuse: the experience

Medicine & Global Survival

EDITOR: JENNIFER LEANING, M.D.

CALL FOR PAPERS

Medicine and Global Survival is a new international journal to be launched in March 1994. This journal, previously published as The PSR Quarterly will be published by the BMJ Publishing Group. Medicine and Global Survival looks at major catastrophic issues of our time from the physicians' perspective. It discusses the role of medicine and public health in determining and changing the ways in which our societies respond to these serious challenges to global survival.

The journal aims to enlist physicians and other professionals in a truly international analysis of major issues relating to:

- war
- civil conflict
- disaster
- the environment
- public health and development
- human rights
