

# Getting your paper published is hard enough.

# Getting it read shouldn't be even harder.

## Many more doctors in Britain read the BMJ than any other medical publication\*.

The BMJ also offers you:

- readership by senior doctors at key medical institutions worldwide
- 20,000 overseas readers and 150,000 readers of the BMJ's eleven local editions
- an editorial decision within 8 weeks of receipt of your manuscript
- publication within 10 weeks of final acceptance

Manuscripts should be submitted to The Editor,

British Medical Journal, Editorial Department, BMA House, Tavistock Square, LONDON WC1H 9JR

**\*Readership among Hospital Doctors (%):**

BMJ – 85; Hospital Doctor – 63; Hospital Update – 43;
