Why

brand of methacycline

*Trade Mark

should not be confused with tetracycline in chronic bronchitis

It is distinctly more active than tetracycline against the organisms commonly associated with respiratory infections[1] and its spectrum of activity is broader than that of the penicillins, including ampicillin.

It clears purulent sputum quickly – even sputum which has remained stubbornly infected in the face of tetracycline therapy.[2]

It has been shown to shorten exacerbations far more decisively than either tetracycline or ampicillin.[3]

High, sustained blood levels ensure therapeutic activity for up to 24 hours after the final dose.[1] This is a distinct advantage over tetracycline and the penicillins.

The problem of the antibiotic being destroyed by penicillinase-producing organisms does not arise.

It all adds up to shorter exacerbations, less damage to lung tissue and a better prognosis for the patient.

NAPOLEON'S SURGEON

J. Henry Dible, M.B., M.Ch., LL.D., F.R.C.P.

In this fascinating book Professor Dible has annotated the memoirs of Baron Larrey, Surgeon-in-Chief to Napoleon, who became a notable practitioner of the surgical art in the era before anaesthetics and antiseptics. He was a successful innovator of surgical practice, a reformer in the fields of public health and army medical services (he was present at the battle-fields of the Nile, Ulm, Eylau, the Moskova, Dresden, Leipsic and Waterloo) and his name is worthily inscribed on the Arc de Triomphe.

AUSCULTATION OF THE HEART AND PHONOCARDIOGRAPHY

By Aubrey Leatham

This monograph reviews changes that have been brought about in this aspect of cardiology by advances in microphonic and amplification techniques. Accurate recording of cardiac vibrations by phonocardiography is now a necessary part of the diagnostic work of every cardiac department. In research, also, intracardiac phonocardiography has begun to produce helpful information because vibrations within the heart are relatively localised to their source, or 'downstream' to that source. Senior medical students and physicians will use the book to gain a better understanding of the principles of auscultation of the heart and cardiologists will value the purposeful phonocardiograms used to illustrate the text.

A PRACTICAL GUIDE TO BLOOD COAGULATION AND HAEMOSTASIS

By Jean Thomson

The purpose of this book is to present methods that can be used routinely in all hospitals and to recommend the way in which these can be used safely and effectively. It is hoped that the use of this guide will ensure a technique which in practice will help eliminate false positive results and enable the precise nature of defects to be established.
At a time when new knowledge and techniques are constantly increasing, a balanced and comprehensive guide to the assessment and interpretation of information gained from laboratory tests is a welcome addition to the literature on the subject.

A TEXTBOOK OF GENERAL PHYSIOLOGY

By Hugh Davson

In this comprehensive textbook the author retains the fundamental viewpoint of the investigator who seeks to study those features that appear to be common to all forms of life. His method is still to base the text on those original accounts he has consulted, rather than on reviews or monographs.
In order that it should be as up-to-date as possible extensive revision has been undertaken, much has been added, and the work is now published in two volumes.

HORMONES AND THE IMMUNE RESPONSE

Ciba Foundation Study Group No 36

This study group explores the relatively new area of interest being opened up between immunology and endocrinology. The role of hormones (including thymic hormones) in the development of the immune system and the acquisition of immunocompetence, and their activity in cell mediated and humoral immune responses, are discussed in some depth.

Not just a pretty face.

Now, in an entirely new format, comes the Heinz booklet, "From Milk to Mixed Diet." The new edition covers feeding and development from birth right up to the toddler stage. Written under the supervision of a leading paediatrician, it follows the concept of feeding by weight rather than age. It will prove a useful reference to mothers, helping them to cope with their day-to-day feeding problems. We'll be pleased to send you copies (without charge) for your own use and for mothers under your care.

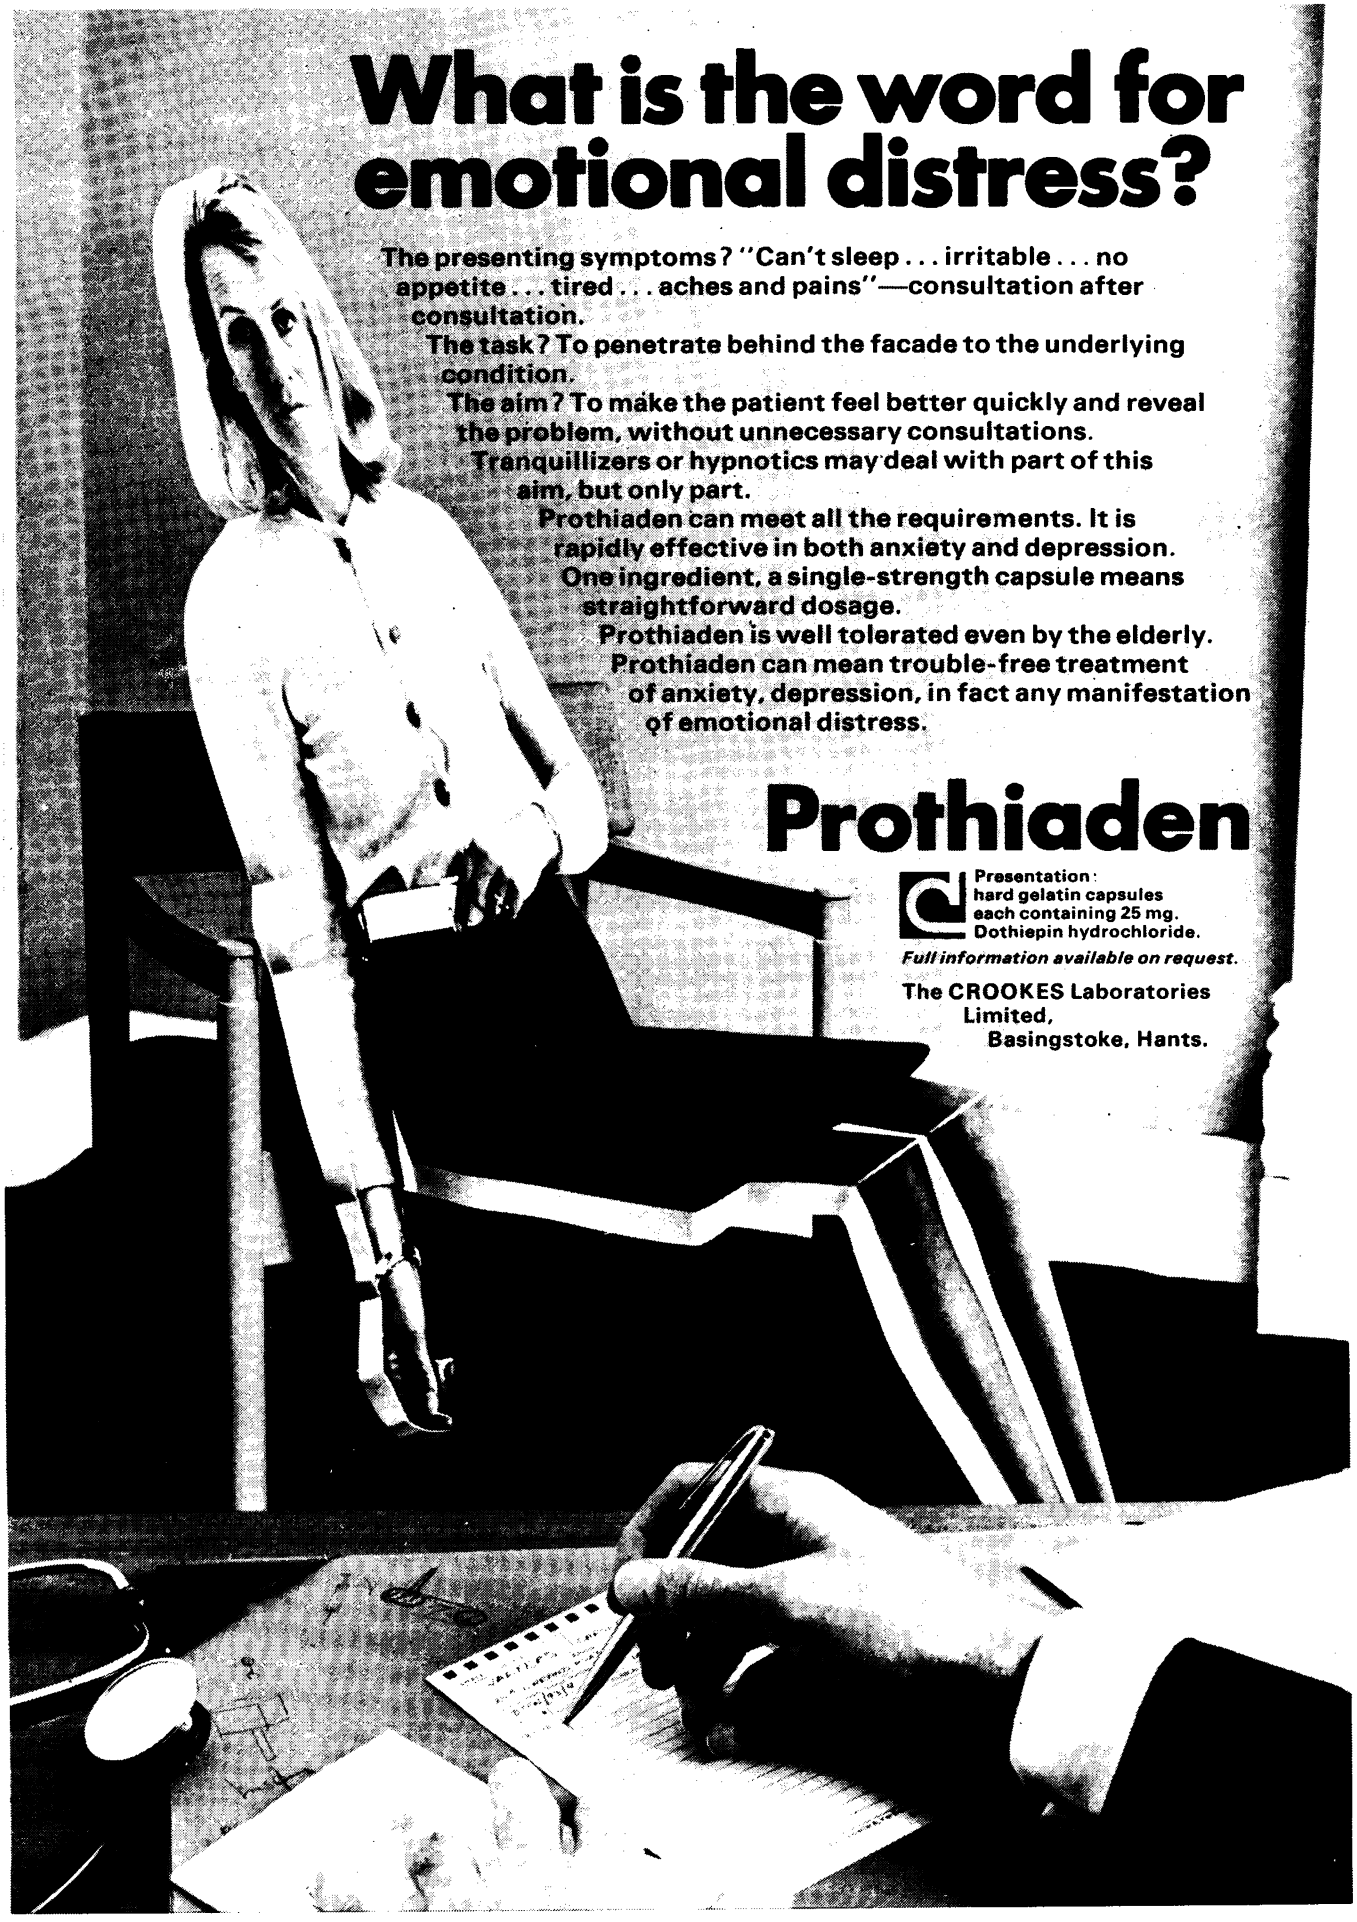
Heinz



What is the word for emotional distress?
The presenting symptoms? "Can't sleep . . . irritable . . . no appetite . . . tired . . . aches and pains"—consultation after consultation.
The task? To penetrate behind the facade to the underlying condition.
The aim? To make the patient feel better quickly and reveal the problem, without unnecessary consultations.
Tranquillizers or hypnotics may deal with part of this aim, but only part.
Prothiaden can meet all the requirements. It is rapidly effective in both anxiety and depression.
One ingredient, a single-strength capsule means straightforward dosage.
Prothiaden is well tolerated even by the elderly.
Prothiaden can mean trouble-free treatment of anxiety, depression, in fact any manifestation of emotional distress.
Prothiaden
Presentation: hard gelatin capsules each containing 25 mg. Dothiepin hydrochloride.

Three faces of constipation. One sure answer–Normax.

NORMAX normal relaxed bowel function

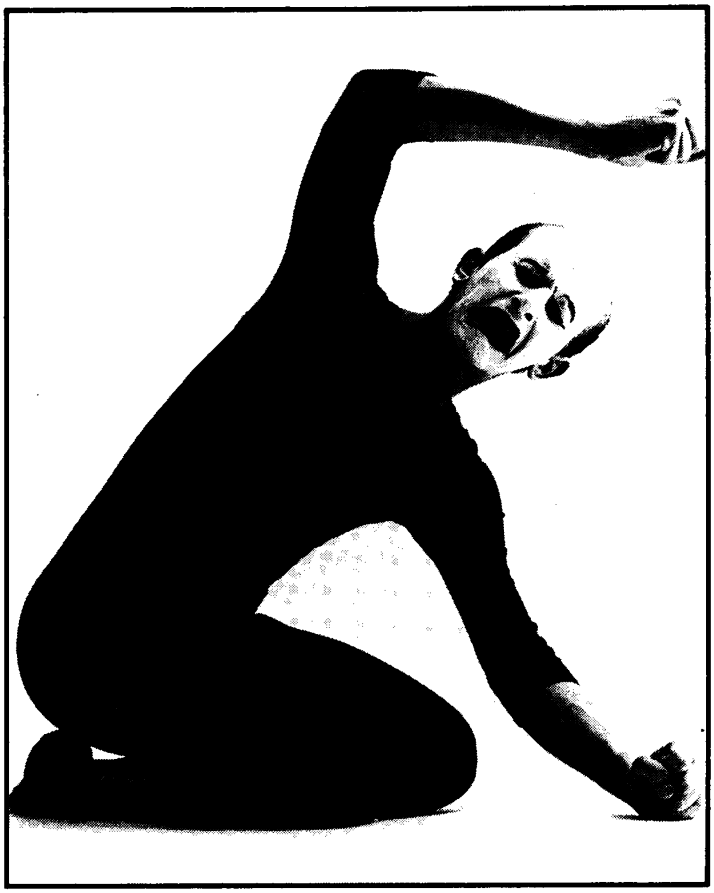
Constipation can be a real problem for many patients. A problem for Normax to deal with by speeding the return to normal relaxed bowel function.

Normax contains a faecal softener that mixes evenly with the colonic contents – it prevents dehydration and hard-stool formation. And Normax also contains a mild peristaltic stimulant that counteracts the suppressed urge to defaecate.

No harmful purging. No dehydration. No laxative habit.

Normax Bencard

Normax (regd) capsules each contain 60mg dioctyl-sodium sulphosuccinate and 50mg danthron.
Full information is available on request from Bencard, Great West Road, Brentford, Middlesex.



Superficially agitated... but basically depressed

Anxiety symptoms often mask depressive states

Mr M: "I get a tight pain in my stomach whenever I think of it . . . I start to tremble and I get very restless . . . I have to have a drink . . ."

Mr M has a personal problem for which there appears, to him, to be no solution. His anxiety hides a basic depressive state which probably contributed to the genesis of his problem.

Many patients show symptoms of anxiety when their slowly increasing depression begins to affect their performance. On the other hand, long periods of stress may give rise to a depressive state. Treat such patients purely for anxiety–and their depression may get worse: treat them for depression alone–and they can become severely agitated. When anxiety precedes, hides, or accompanies depression Limbitrol* is indicated to deal with both aspects of the anxiety/depression syndrome.

When you diagnose Tonsillitis, you're in Penbritin Territory

The right-first-time antibiotic for Upper Respiratory Infections

Penbritin is right because it destroys penicillin-sensitive bacteria as effectively as penicillin V or G, and also kills other respiratory pathogens sensitive to broad-spectrum antibiotics only.

Penbritin is right because the sensitivity of respiratory pathogens is unchanged after 9 years' extensive use. In contrast, some bacteria, especially streptococci, now show a much reduced sensitivity to tetracyclines.

Penbritin retains the safety of penicillin which makes it an ideal treatment for children's infections and other situations where safety is a prime consideration. This is an advantage not shared by any other broad-spectrum antibiotic.

Two syrups, capsules and tablets enable you to prescribe Penbritin in the right form for each patient. Twenty papers involving 400 patients and showing an overall success rate of 95% confirm Penbritin as the right-first-time antibiotic in upper respiratory infections.

Dosage: Adults and children over 10 yrs. 250 mg q.i.d. a.c.
Children under 10 yrs. 125 mg q.i.d. a.c.

Contra-indication: Penicillin allergy.

Side-effects: As with other penicillins.

Further information is available on request.

Penbritin

Penbritin* (ampicillin B.P.) is a product of British research at

Why disrupt the flu virus?

So it won't disrupt your patient.

WELLCOME* Flu Vaccine is prepared by a special 'split virus' technique in which the killed virus is disrupted by chemical action to dissolve the outer coating of the virus and release the active immunizing principles as sub-unit particles. The splitting of the virus by this treatment produces a vaccine which is less reactogenic than the older, conventional vaccines but which retains its immunizing properties in full.

WELLCOME Flu Vaccine provides effective protection against the current strains of influenza virus—A2/Hong-Kong/68 and the current B strains. For your vaccination programme, WELLCOME Flu Vaccine means worthwhile protection with fewer reactions.

International conference* confirms success of Ceporex

Results in 2,000 patients show high success rates with few side effects in a wide range of infections

In the respiratory tract[1]
"Cephalexin with its very good tolerance at high doses and its broad spectrum of activity is certainly one of the best antibiotics for treating severe respiratory tract infections."

In the urinary tract[2]
"Cephalexin compares very favourably with the other drugs at present being used for treatment of urinary tract infections both in efficacy and in lack of toxicity."

In the paediatric unit[3]
"Cephalexin was administered . . . to 100 infants or children. The infections treated were broncho-pulmonary, ENT, gastro-intestinal and soft tissue . . . The results obtained were excellent . . . cephalexin was well tolerated clinically by the patients . . ."

In general practice[4]
". . . cephalexin is highly effective in most of the infections seen in general practice. Cephalexin was well tolerated . . . and reactions such as rashes, pruritus and vulvo-vaginitis occurred in less than 2% of the patients treated."

a little knowledge is not enough . . . give teen-agers the facts about menstruation

Some teen-agers have heard they shouldn't bathe or wash their hair during their menstrual periods. Some think unmarried girls shouldn't use tampons. Others say exercise brings on "cramps". No wonder they call it the "curse".

Give them the facts . . . with the help of the illustrations in charts like the one above prepared by R. L. Dickinson, M. D. and available to you free from Tampax Limited. These 11"x8½" coloured charts are laminated in plastic for permanence and are suitable for marking with grease pencil. Social myths can be exploded, too, by giving teen-agers either of the two booklets we will be glad to send you in quantity for distribution. One booklet is written for the young girl just beginning menstruation and the other for the older teen-ager. The booklets tell them what menstruation is, how it will affect them, and how easily they can adjust to it normally and naturally.

Unmarried girls, of course, can use tampons. And they have many good reasons to do so. Tampax tampons are easy to insert—comfortable to wear. Because they're worn internally there's no irritation or chafing; no menstrual odour.

Tampax tampons are available in Regular and Super absorbencies, with explicit directions for insertion enclosed in each package.

Simply write to the address below for your free set of charts and sample booklets. These booklets may then be reordered in any quantity you need for your patients' personal use.

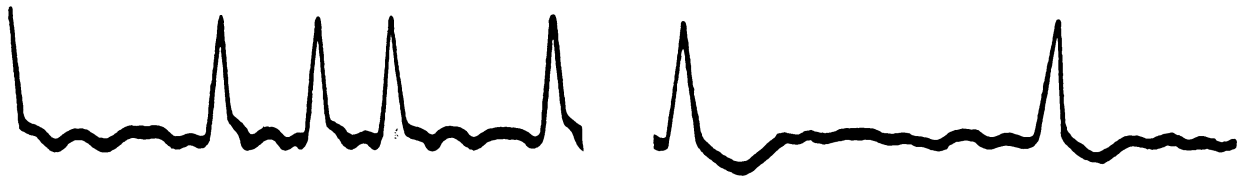
Lanoxitest*

Digoxin Radio-immunoassay

"The cardiac glycosides are among the oldest effective remedies in clinical medicine, but despite 200 years' experience problems still arise in determining optimal dose requirements. These problems have been only partly overcome by the availability of purified preparations such as digoxin. Considerable variation in tolerance occurs from patient to patient, yet the margin between effective digitalization and toxicity is small."

Brit. med. J., *3*, 427 (1970)

The use of the newly introduced Lanoxitest reagent kit (Code No. KT 07) enables plasma levels of digoxin to be measured on a routine scale, greatly simplifying patient control and the establishment of optimum individual dosage.



Lanoxitest ensures pin-point accuracy in digitalization

Day after day of freedom from asthmatic attack

The unique mode of action of disodium cromoglycate offers the asthmatic patient outstanding benefits. A prophylactic treatment, it prevents the onset of asthmatic episodes – thus minimising long-term damage to lung tissue. Freedom from asthma attacks permits a happier, more normal life for the asthmatic patient.

Published clinical reports confirm that with INTAL COMPOUND, the incidence and severity of acute attacks is considerably reduced – even in patients on conventional therapy such as bronchodilators, antihistamines and corticosteroids. Less time is lost from work or school, exercise tolerance is improved and a consistent clinical comment on disodium cromoglycate has been the total absence of serious side effects.

INTAL COMPOUND – supplied in SPINCAPS (each containing 20 mg disodium cromoglycate, and 0·1 mg Isoprenaline Sulphate BP in powder form, together with an inert carrier). For use in a special insufflator – SPINHALER.

Full information is available on request. Fisons Limited, Pharmaceutical Division, Loughborough, Leicestershire.

AN

ESSAY

ON THE

SHAKING PALSY.

BY

JAMES PARKINSON,

MEMBER OF THE ROYAL COLLEGE OF SURGEONS.

LONDON:

PRINTED BY WHITTINGHAM AND ROWLAND,

Goswell Street,

FOR SHERWOOD, NEELY, AND JONES,

PATERNOSTER ROW.

1817.

In 1817 James Parkinson wrote his Essay on the Shaking Palsy. Now, Roche announce Larodopa*, probably the most significant single breakthrough in treatment in the whole history of Parkinson's Disease.

1970

Larodopa Information Services to give doctors full and current information on Larodopa in Parkinson's Disease

1 **The Information Service**
A special unit set up to hold all information and answer doctor's questions.
2 **Clinical Reviews**
Issued at intervals, these contain abstracts and brief summaries of latest published work.
3 **Larodopa Monographs**
These examine specific aspects – dosage, response etc. – of using Larodopa, extracted from all work published so far.
4 **Larodopa Publications**
More definitive works on Parkinson's Disease and its treatment.
5 **Material for Patients**
To help patients get the maximum benefit from treatment.
6 **Prescribing Information Cards**
The briefest summary of current opinion on the technique of using Larodopa. These items will be re-issued as, and when, they require updating.

Larodopa

Larodopa can benefit two thirds or more of patients with Parkinson's Disease, often dramatically. It offers many of them a hitherto unachievable improvement. All symptoms, including akinesia, respond.

Roche are making special arrangements to ensure that every doctor concerned with the management of Parkinsonian patients is kept fully informed of developments in this rapidly changing field. Every scrap of information which appears is being collected, evaluated and will be passed on.

NO BARKING

Because it is designed for cough control ACTIFED* Compound Linctus can be relied upon when cough itself is the main cause for concern. Hacking, harrowing coughs; coughs that bring misery and sleeplessness. ACTIFED Compound Linctus contains codeine. Because it also includes the quick-acting antihistamine triprolidine and the decongestant and bronchodilator pseudoephedrine, ACTIFED Compound Linctus takes into account any associated congestion or allergy.

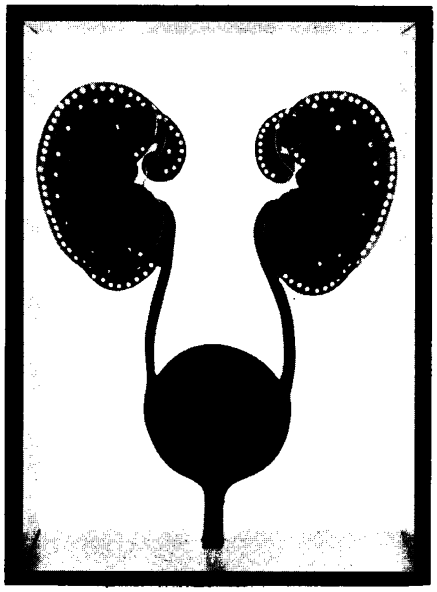
in urinary infections 'clearly superior' to ampicillin or sulphadimidine



Higher cure rates

These comparative results were obtained in treating hospital in-patients with UTI[1], most of whom were infected with entrenched hospital pathogens.

85% cure rate	SEPTRIN*
70% cure rate	ampicillin
40% cure rate	sulphadimidine

(Cure criterion=eradication of original organism 1 week after treatment ended.)

SEPTRIN was "clearly superior to either of the other treatments" and this superior effect was "even more appreciable in the re-treatment of patients who had failed on another drug."[2]

SEPTRIN Tablets, SEPTRIN Paediatric Suspension and SEPTRIN Paediatric Tablets contain trimethoprim and sulphamethoxazole. Full information is available on request.

Clear reasons for using Septrin

Abstracted from a Leading Article in the *British Medical Journal*[2].

- Trimethoprim not only attains therapeutic tissue levels, but is excreted unchanged in high concentration in the urine.
- All Gram-negative bacilli occurring in the urine, except *Pseudomonas aeruginosa,* are usually highly sensitive to it.
- Its minimum inhibitory concentration is extremely low.
- Trimethoprim and a sulphonamide, by blocking successive stages in the same bacterial metabolic process, exert a strong synergic effect, and this action is bactericidal.

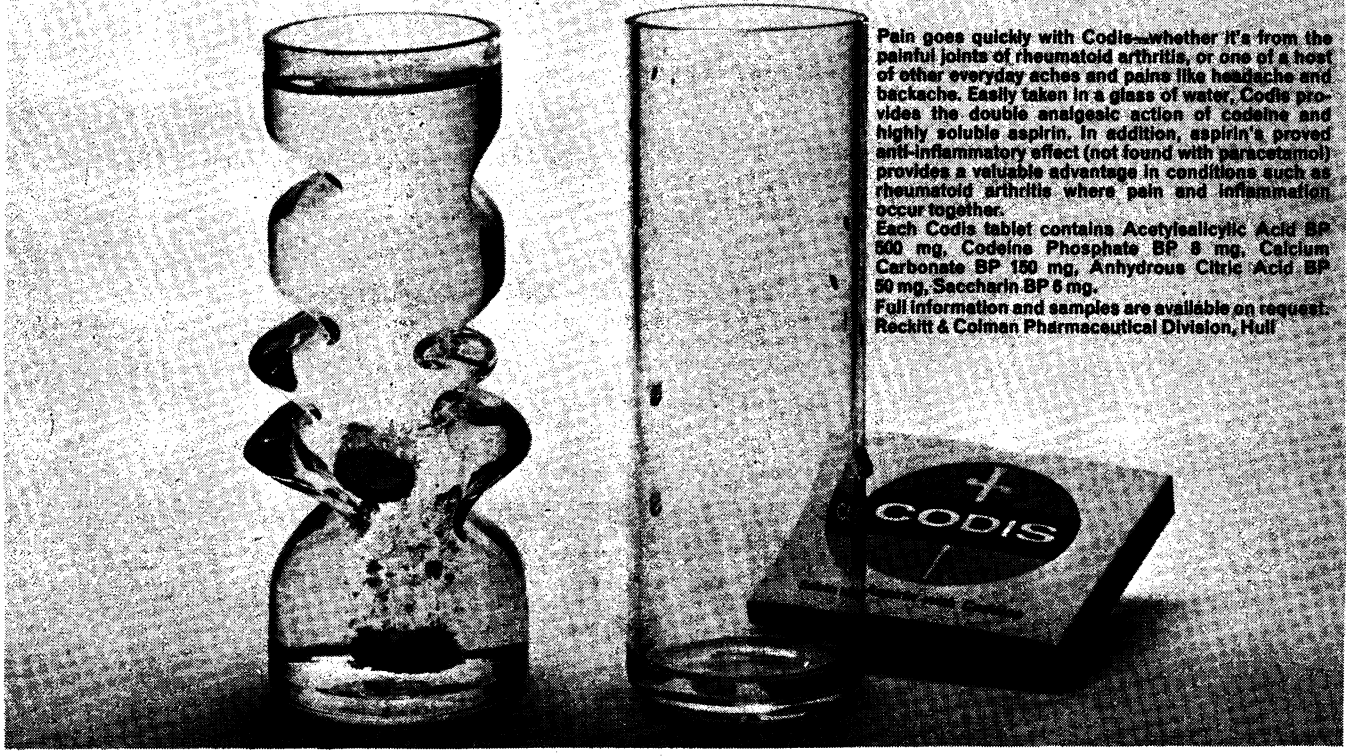
The pain... ...is gone



Pain goes quickly with Codis...whether it's from the painful joints of rheumatoid arthritis, or one of a host of other everyday aches and pains like headache and backache. Easily taken in a glass of water, Codis provides the double analgesic action of codeine and highly soluble aspirin. In addition, aspirin's proved anti-inflammatory effect (not found with paracetamol) provides a valuable advantage in conditions such as rheumatoid arthritis where pain and inflammation occur together.
Each Codis tablet contains Acetylsalicylic Acid BP 500 mg, Codeine Phosphate BP 8 mg, Calcium Carbonate BP 150 mg, Anhydrous Citric Acid BP 50 mg, Saccharin BP 6 mg.
Full information and samples are available on request: Reckitt & Colman Pharmaceutical Division, Hull

Halt at the flashing light
Flashing lights and visual disturbances, classically early warnings of migraine, are signals for arresting all manifestations of an attack – at onset.
MIGRIL* acts in the minutes between initial warning and the otherwise inevitable full-blown attack.
As well as containing an effective dose of ergotamine (2 mg in each tablet), enhanced by caffeine, MIGRIL contains the anti-emetic, cyclizine. Nausea and vomiting, due to migraine itself or to ergotamine, are very effectively relieved.
MIGRIL, taken at the first warning of an attack, provides a specific treatment that the patient will learn to rely on.
Full information is available on request.

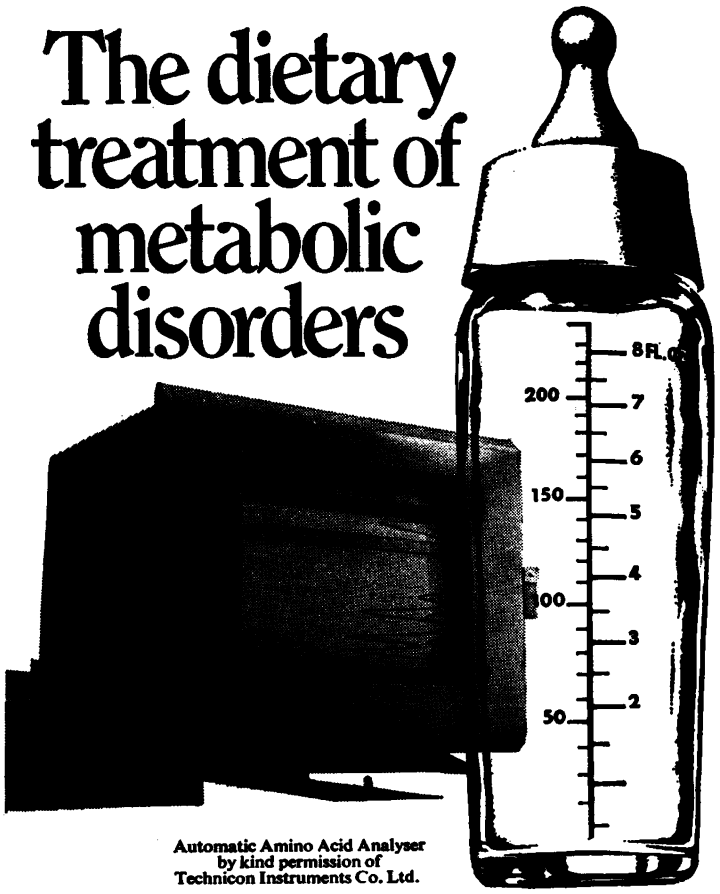
The dietary treatment of metabolic disorders



Automatic Amino Acid Analyser by kind permission of Technicon Instruments Co. Ltd.

The dietary treatment of metabolic disorders in infancy and allied conditions is aided by Trufood's extensive range of readily available synthetic and modified foods. Nearly 50 years' specialised experience of making foods for babies, combined with continuous and intensive research into their preparation, has enabled us to provide such trusted products as:

Minafen—
for the dietary treatment of phenylketonuria
HF (2)—
for the dietary treatment of histidinaemia
LPT (1) and LPTM (2)
for the dietary treatment of tyrosinosis
Galactomin No. 17—
for the dietary treatment of galactosaemia and lactose intolerance—No. 18 with reduced fat—No. 19 with fructose as the sole carbohydrate.
MCT (1)
for the dietary treatment of certain fat malabsorptions.
Edosol—
for low sodium diets
Locasol—
for the dietary treatment of hypercalcaemia
Himaizol—
for the dietary treatment of hypercholesterolaemia
And—for normal babies—**TRUFOOD baby milk.**

We will be pleased to share our skill and knowledge with you if you have any problems involving special diets, especially if they are for babies.

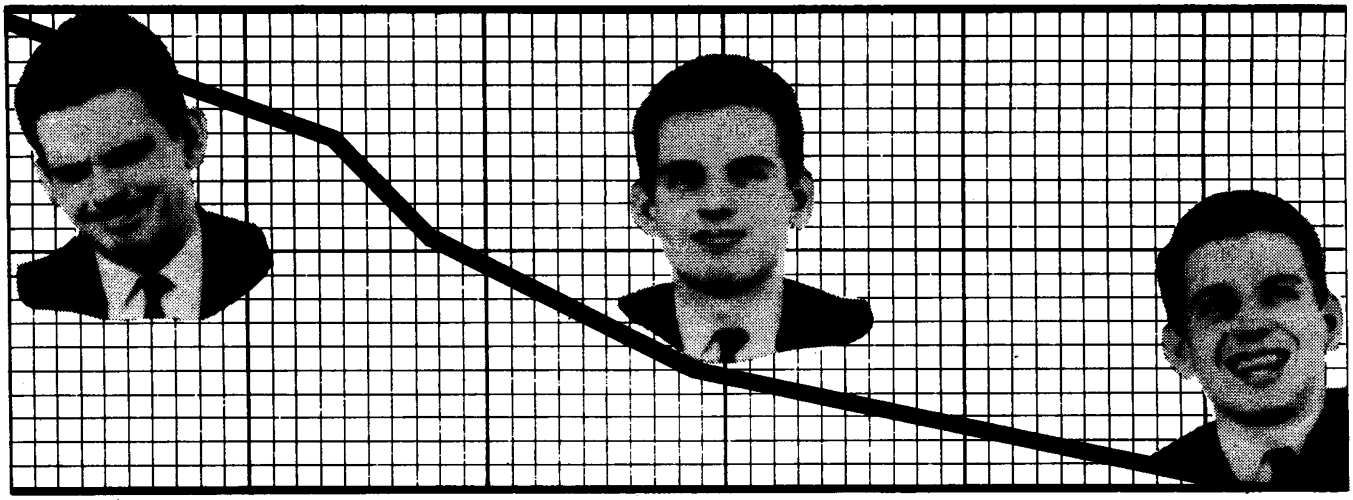
Rabro Liquorice for Peptic Ulcer

NO OEDEMA - AMBULATORY TREATMENT



rabro tablets A combination of specially prepared liquorice with conventional ingredients.

advantages ■ Ambulatory treatment
■ Strict dieting unnecessary ■ Assists healing

formula Prepared Liquorice Juice. 300 mg.
Bismuth Subnitrate 350 mg. Magnesium Carbonate 400 mg.
Calcium Carbonate 200 mg. Cortex Rhamnus Frangula 25 mg.

Dose 2 tablets 3 times daily after meals.
Packing Containers of 60 & 150 tablets.
(in handy pocket strips of 10)

Continuing work on liquorice stresses its growing importance in the treatment of peptic ulcer. Untreated liquorice is known to produce undesirable side effects. In Rabro tablets the liquorice has been modified to overcome this. The fact that treatment is effective without the patient being confined to bed makes it the prescription of choice.

GROWING POINTS IN NEPHROLOGY

A two-week course in advanced nephrology will be held from March 22 to April 2, 1971. This is a new course designed for consultants, senior registrars and registrars with a major interest in nephrology. It will include lectures, discussions, clinico-pathological conferences and case presentations in a wide range of nephrological topics directed towards clinical diagnosis, the treatment of patients and current research. Sessions will be held at the following hospitals: Fulham, Great Ormond Street, Guy's, Hammersmith, Royal Free, St. Bartholomew's, St. Thomas' and University College, and speakers from other hospitals and medical schools will participate.
This course is approved under the Department of Health's Advanced Postgraduate Training Scheme, which offers paid study leave, expenses, course fees and the cost of locum tenens for consultants, senior registrars and registrars at post-membership level who intend to make a permanent career in the National Health Service. Fee: £25. Enquiries, further information and applications to Dr. I. C. Gilliland, British Postgraduate Medical Federation, 14 Millman Mews, London, WC1N 3EJ by January 8, 1971.

UNIVERSITY OF DUNDEE
POSTGRADUATE MEDICAL EDUCATION

Courses and Attachments for General Practitioners 1971

These courses and the residential attachments in obstetrics have been recognized by the Scottish Home and Health Department as approved postgraduate medical training for general practitioners, whose fees and expenses will be met by the Department on certain conditions. Approval on a similar basis for attachments in specialties other than obstetrics is given by the Department after consultation with the University.

1. Course in Geriatric Medicine March 29–April 2, 1971

The course will be held in the Department of Geriatrics, Maryfield Hospital, Dundee. It is intended primarily for general practitioners but will also be suitable for doctors about to enter the field of Geriatric Medicine, for Medical Officers of Health and for senior nursing and medical ancillary staff.

Hotel accommodation available.

Course fee £10.

2. Refresher Course in General Medicine and Surgery June 21–July 2, 1971

The course will be held in Dundee Royal Infirmary and other hospitals in the Dundee area. Instruction will be given by means of lecture-demonstrations and clinical rounds, with emphasis on recent advances in diagnosis and treatment.

Accommodation at moderate cost available in University hall or residence.

Course fee £17.10.0.

3. Attachments: Residential attachments in obstetrics at Dundee Royal Infirmary, normally of a fortnight's duration, will be available for general practitioners from June to September, 1971.

Attachments in other clinical specialties are also available.

Further particulars for the above courses and attachments may be obtained from the Director of Postgraduate Medical Education, Faculty of Medicine Office, The University, Dundee, DD1 4HN.

The practice premises are not available at present. Further details may be obtained from the undersigned, to whom applications should be made on Form E.C.16a by first post on Monday November 16, 1970. S. H. A. Shaw Clerk of the Council, Carnarvon House, Carnarvon Road, Clacton-on-Sea, Essex. (Tel: 0255-22337). (H6450) 3

NATIONAL HEALTH SERVICE
MONMOUTHSHIRE AND NEWPORT EXECUTIVE COUNCIL
EBBW VALE, MON.

Applications are invited for vacancy due to resignation in "Intermediate" area at Ebbw Vale, Mon.

List approximately 2,553. Surgery accommodation in a Health Centre available.

Applications on Form E.C.16A to be submitted not later than November 18, 1970, to the Clerk of the Council, 1st Floor, Sovereign House, 1 Kingsway, Newport, Mon, NPT 4TF. (H6558) 3

WEST RIDING OF YORKSHIRE
COLNE VALLEY URBAN DISTRICT
NR. HUDDERSFIELD

Applications are invited to fill a vacancy to start a new practice at Marsden in the Colne Valley Urban District (a "designated" area since June 1, 1967). Average number of patients per principal in the Urban District at October 1, 1970 was 3,216, the distribution of principals in the District being 3 at Golcar, 3 at Slaithwaite and 1 at Marsden. Hospital facilities at Huddersfield, adjacent to Marsden, including new District Hospital—Hospital diagnostic facilities are available.

The doctor appointed will, subject to satisfying the criteria laid down, be able to claim either Type A or Type B Initial Practice Allowance.

No residential or surgery accommodation available but local housing authority have been asked to indicate whether they can give any assistance, temporarily or otherwise in this direction. Applicants will be informed of the position in this respect as soon as it is known.

Applications to be made on Form E.C.16A obtainable from the Clerk to the West Riding Executive Council, 5 St. John's North, Wakefield, Yorkshire (Tel.: Wakefield 73153) to whom they should be submitted by not later than November 27, 1970. (H6554) 3

WEYMOUTH, DORSET. APPLICATIONS are invited for a two doctor medical practice vacancy in the coastal resort of Weymouth. List of patients 5,223. Premises may be available. Further particulars and application forms from the Clerk, Dorset Executive Council, 4 High West Street, Dorchester, Dorset. Closing date for applications November 20, 1970. (H6564) 3

GENERAL PRACTICE

THE WELSH NATIONAL SCHOOL OF MEDICINE
(University of Wales)

LECTURER IN GENERAL PRACTICE

Applications are invited for the appointment of Lecturer in General Practice in the General Practice Unit of the Department of Social and Occupational Medicine. Applicants should have adequate vocational training or practical experience in General Practice and an interest in researches in that field.

The successful candidate will act as one of the Practitioners working from a health centre near the new medical teaching centre in Cardiff. In this capacity he will comply with all the requirements of the National Health Service, but his list will be restricted to enable him to pursue his research interests and participate in undergraduate and postgraduate teaching. Salary will be within the scale £2,145-£4,284 per annum with participation in the superannuation scheme.

Applications (one copy only is needed but it should be suitable for reproduction) with the names and addresses of three referees should be submitted within four weeks of the appearance of this advertisement to the Academic Registrar, 34 Newport Road, Cardiff CF2 1YE, from whom further particulars may be obtained. (12862) 4

THE M.R.C.P. EXAMINATIONS

We deal exclusively with these examinations. The course is completely up to date and contains: Communications discussing all aspects of Internal Medicine * *X*-rays, E.C.G.'s, and pathology forms, all with model answers * Colour slides and viewer with questions and model asnwers * Essay and short note questions * Multiple choice questions with detailed analyses of answers * Personal guidance and assessment is given throughout. Write for details and your initial assessment to: **Medical Tutors Ltd., 34 Park Avenue North, London, N.8.** 2

PRACTICES (Exchange)

SUSSEX. RURAL PRACTICE. Single-handed. List 2,000. Exchange for similar in South Midlands or East Anglia.—Box 656, B.M.J. 5-2

PARTNERSHIPS OFFERED

A FOURTH PARTNER REQUIRED IN A group practice in Metropolitan Essex, close to Epping Forest. Central surgery. Full secretarial help. Appointments system. On staff of G.P. hospital. Access to full X-ray and pathological facilities. Two postgraduate centres nearby.—Box 542, B.M.J. 6-1

A GRADUATE OF A BRITISH UNIVERsity is required as replacement partner in practice 200 miles from London. List 5,500. Obstetrics required. Early parity, no capital required. Full details on application.—Box 664, B.M.J. 6-1

A MATURE, EXPERIENCED, HAPPILY married G.P., preferably a graduate of a British University, to join as a partner with early parity following six month assistantship. Semi-rural work varied and interesting, including participation in Road Accident After-Care Scheme. Nurse attachment. Furnished cottage available. Remuneration fair and adequate.—Drs. Easton and Barritt, 34 Low Green, Catterick, Richmond, Yorkshire. (Old Catterick 475). 6-1

A SECOND PARTNER, GRADUATE OF a British University, required for practice of 3,500. Central Scotland, semi-rural G.P. beds in district hospital, X-ray, laboratory and P.G. facilities. New H.C. to be built next year. Minimal domiciliary midwifery. C.W. and factory appointments. Might suit middle aged practitioner seeking to improve life expectancy in unhurried atmosphere. Could commute from Edinburgh. Rota of 5 Parity after 3 months.—Box 663, B.M.J. 6-1

ASSISTANT WITH VIEW TO EARLY partnership, postgraduate of a British University with D.Obst. to replace a third doctor in a group practice. Salary £3,500. List 8,400. Population 45,000. Purpose built surgery with full ancillary help and attachments. Appointment system. Full access to G.P. hospital, general and obstetric beds, X-ray and path. facilities (now District Hospital under construction). Drs. R. C. T. Bellamy and J. Kayll, 4 The Crescent, Farnborough, Hants. 6-1

COASTAL TOWN, LARGE, WESTERN Australia. Scot or Irish, circa 40, surgery, midwifery, G.P. Particulars.—Box 427, B.M.J. 6-1

COMPACT RURAL PRACTICE, PART dispensing, with above average income, requires graduate of British University as replacement partner. Early parity after six months' salaried partnership. Equal duty rota. Full diagnostic access. G.P. Obstetric Unit. Excellent postgraduate facilities. Generous terms for suitable applicant. Bungalow available rent. Dr. Horton, Billinghay, Lincoln. 6-1

DONCASTER, YORKSHIRE. FOURTH partner, graduate of British University, under 32, required for mainly urban practice. Working from fully staffed, modern group premises. Preliminary six month assistantship. Duty rota of five. Excellent liaison with large modern hospital containing G.P. Maternity Unit. Drs. Evans, Lyon, Eminson, 77 Thorne Road, Doncaster. 6-1

DUNDEE. A 3RD PARTNER WILL BE required soon, due to resignation vacancy. Good rota with neighbouring practice. A health centre is at present in the planning stages. We have full ancillary staff, including nurse attachment, and can offer all the usual diagnostic facilities and postgraduate courses pertaining to a University Medical School.—Box 644, B.M.J. 6-1

EAST SCOTLAND RETIREMENT vacancy in pleasant mixed urban and rural practice of 4,500. Appointments, ancillary help, access X-ray, etc., good rota. Immediate partnership and early parity. Commence April 1.—Box 683, B.M.J. 6-1.

EDINBURGH. REPLACEMENT FOR deceased practitioner required in three-man Partnership in South Edinburgh with hospital, school and university teaching appointments. Central premises with secretarial and nursing staff. Attached District Nurse and Trainee Assistant. E.C.G. with access to laboratory and radiological services. List 6,800 (8.8% over 65) with possibility of further expansion. Rota for off-duty. Vacancy now but prepared to wait for suitable candidate. Share of profits, after preliminary assistantship, depending on experience of successful applicant. Dr. A. A. Brown, 8 Fernichill Road, Gilmerton, Edinburgh EH17 7AB. 6-1

EXPANDING AND PROGRESSIVE group Practice in Rochdale requires a sixth partner, interested especially in Paediatrics with a view to setting up a Developmental Paediatric Clinic within the Group. Previous experience in General Practice is not essential. The practice is fully equipped in modernized premises with five receptionists, two midwives, District Nurses and Health Visitors attached, an appointments system and Night Duty Rota. Specialization within the Group is encouraged and has resulted in a diversity of interests in occupational health, Clinical Assistantships, and General Practice teaching for Manchester students. Post Graduate Medical Centre nearby. Minimum starting salary £3,500.—Box 660, B.M.J. 6-1

EXPERIENCED JUNIOR PARTNER required in Brighton. Young Graduate of British University preferably with D.R.C.O.G. Partnership of three. Application should give particulars and telephone number. Starting share £3,000.—Box 662, B.M.J. 6-1

FIFTH PARTNER REQUIRED FOR newly formed expanding Group Practice—purpose built premises now under construction; full ancillary help, appointments system, access to X-ray and Pathology facilities; Suffolk seaside town; part-time hospital work a feature of the practice. UNITED NORWICH HOSPITALS

VOCATIONAL TRAINING SCHEME FOR GENERAL PRACTITIONERS

to commence February 1, 1971.

The scheme is of four rotating S.H.O. posts over two years through inpatient departments as follows: Obstetrics, six months; General Medicine and Dermatology, six months; Paediatrics, three months; Geriatrics, three months; Accident and Emergency, three months. There will be, in addition, a period of three months during which the S.H.O. will locum his colleagues' holidays, and will be able to undertake study of a subject of particular interest to him. Throughout the two year period, one half-day per week will be allocated for attendance at specialist clinics, e.g., Rheumatology, Chest Medicine, Ophthalmology, etc.

Married accommodation can be provided during the two years of hospital appointments.

A third year will be spent as a trainee in General Practice in the area.

During the whole three year period, there will be a programme of evening tutorials with meetings covering particularly Psychiatry, but also a variety of topics of interest to general practice. There will also be an intensive course on Practice Organisation and Methods early in the trainee year.

Further information can be obtained on request from the Clinical Tutor, Norfolk and Norwich Institute of Medical Education, Norfolk and Norwich Hospital, Norwich, Norfolk, NOR 57A.

Applications with full particulars must be sent to the Group Secretary, Norwich, Lowestoft and Great Yarmouth Hospital Management Committee, St. Stephen's Road, Norwich, by November 28, 1970. (38467) 9-1

VALE OF EVESHAM. GROUP PRACTICE of four has vacancy for trainee. Graduate of a British University. Full hospital and maternity facilities, including own beds. Spacious flat in Georgian house. Evesham 6650 between 9 a.m. and 6 p.m. or write Dr. Savery, 88 High Street, Evesham. 9-1

MEDICAL OFFICERS

Ranks Hovis McDougall Limited invite applications from General Practitioners for appointment as Medical Officers within their Occupational Health & Hygiene Service at:—

ANDOVER
BURTON-ON-TRENT
HULL
LONDON E.16
READING
STOURBRIDGE

In this appointment, which is part-time, the Medical Officer would be a member of the Health Service team with responsibility to the Chief Medical Officer. He would participate in the clinical work of the Service which will be undertaken, by appointment, at the practitioner's consulting room, and by arrangement from time to time in programmes of Health Education involving First Aid instruction being undertaken within local companies.

Fees for this work will be in accordance with the B.M.A. scale of remuneration.

Applications, quoting reference no. 46/70 with details of age, qualifications and experience, together with the names of two referees (one to be a professional colleague), should be addressed to

The Chief Medical Officer,

Ranks Hovis McDougall Ltd.

Pembroke House,
44 Wellesley Road, Croydon, CR9 3PA.

(12697) 17

WYCOMBE GENERAL HOSPITAL

SENIOR HOUSE OFFICER
in the Accident & Orthopaedic Department required. There are 4 posts, 3 of which are already filled. Duties include diagnosis and assisting in the treatment of all types of injury, and orthopaedic conditions. The successful candidate will get plenty of experience under adequate supervision. The post is recognized as "casualty experience" for the F.R.C.S.
Excellent library and good postgraduate, educational facilities. Married or single accommodation available.
Applications to Hospital Secretary, Wycombe General Hospital, High Wycombe, Bucks. (38471) 20-8

WORTHING HOSPITAL

SENIOR HOUSE OFFICER
(Casualty)
required immediately for this hospital on the Sussex Coast. Married accommodation available.
Applications to Hospital Secretary, Worthing Hospital, Lyndhurst Road, Worthing, giving age, qualifications, experience and names of two referees. (38261) 20-8

APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given. Canvassing disqualifies (Statutory Instrument, 1969, No. 163).

SALARY SCALES OF HOSPITAL MEDICAL STAFF

Following the Twelfth Report of the Review Body, new salary scales have been approved. These came into force on April 1, 1970. The scales are set out below:

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £1,626 per annum for the posts held during the first year; £1,755 per annum for posts held during the second year; £1,884 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £165 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,040 per annum in the first year; £2,184 per annum in the second year; £2,328 per annum in the third or subsequent years.

Deductions of £195 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £2,328 per annum × £144(3) × £126(1)—£2,886.

Deductions of £195 per annum for those with remuneration at the first point on the scale, and £225 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £183 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £2,760 per annum × £126(1) × £174(1) × £177(1) × £174(1) × £177(1)—£3,588.

Deductions of £250 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £2,520 per annum × £144(1) × £156(3) × £144(10)—£4,572.

Deductions of £250 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £4,512 per annum × £201(8) × £210(1)—£6,330.

Deductions of £390 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rental is appropriate.

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters may be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association. (October, 1970)

East Cheshire Hospital Management Committee

Parkside Hospital, Macclesfield Cheshire

1,453 beds, with Neuro-Surgical Unit and Psychiatric Out-Patient Clinic

REGISTRAR IN PSYCHIATRY

vacant early November (peripheral allowance payable) at this modernized Hospital, which is run on the "firm" system and where Junior Medical Staff are encouraged to accept much of the responsibility for the treatment on their wards. Easy access to Manchester with facilities to attend the D.P.M. Course at the University. Duty rota allows ample time for study and leisure activities. Good Library and regular tutorial meetings held. No previous experience in Psychiatry is necessary but good all-round experience is advisable, e.g. General Practice. The Hospital has delightful grounds, in pleasant area near the Derbyshire hills. Many recreational facilities, including indoor heated swimming pool.

A Hospital house or single accommodation may be available. Good local schools for all age groups.

Hospitality offered to those interested in looking round the Hospital.

Application Forms available from the Group Secretary, Willerby House, Cumberland Street, Macclesfield, Cheshire, SK10 1BR. (38552) 44-6

NORTH STAFFORDSHIRE HOSPITAL MANAGEMENT COMMITTEE

St. Edward's Hospital, Cheddleton, Leek, Staffs

REGISTRAR IN PSYCHIATRY

required at this Psychiatric Hospital of 1,100 beds. This post is offered as a substantive appointment for two years subject to review at the end of the first year. Experience in specialty desirable but not essential. Excellent experience and facilities for D.P.H. Good single accommodation—married accommodation available.

Applications to Group Secretary, North Staffs. H.M.C., Princes Road, Hartshill, Stoke-on-Trent, Staffs. ST4 7JN. (38669) 44-6

NORTH EAST METROPOLITAN REGIONAL HOSPITAL BOARD

Runwell Hospital, Wickford, Essex

TRAINING PROGRAMME RESIDENT REGISTRAR IN PSYCHIATRY

Applications are invited for the above post, which will become vacant on January 1, 1971. The successful applicant will be attached to a clinical division and seconded during the period of the post for one or two sessions per week to the departments of psychology, neuropathology or clinical neurophysiology. The training programme, which includes clinical conferences, seminars in the basic sciences and clinical psychiatry and an extended series of special lectures, is approved by the British Postgraduate Medical Federation. The secondment to the special departments will provide practical experience in the field most closely related to the basic science instruction. The successful candidate may be required to participate in a rotation scheme between Runwell and the Psychiatric Unit at Rochford General Hospital. The appointment will be for one year, renewable. Out-patient and day-patient experience will also be provided. There is a comprehensive medical library. The hospital is recognized for the D.P.M. This post would also be of interest to those preparing for either higher qualifications or considering entry into general medical practice. Single or married accommodation.

Application forms from Group Secretary, Runwell Hospital. (12936) 44-6

LEEDS REGIONAL HOSPITAL BOARD

invites applications for the post of

REGISTRAR IN PSYCHIATRY

at Naburn and Bootham Park Hospital, York (625 beds).

In addition, the post is part of a rotational scheme whereby Registrars in Psychiatry can gain experience in all the Psychiatry facilities in the York area including Child and Adolescent Psychiatry.

The post offers, in addition to the usual psychiatric experience the opportunity of working in a Neuro-Psychiatric unit and an Industrial Therapy unit.

The psychiatric services are an integral part of the York Comprehensive Mental Health Service. The successful candidate will be encouraged to attend the D.P.M. Course at Leeds, and for this purpose will be granted study leave with pay and expenses. There is also an active postgraduate Medical Centre in York.

Resident—single and married accommodation available.

Please quote reference number 680.

Application forms may be obtained from the Secretary, Joint Registrars Committee, Park Parade, Harrogate, to whom they should be returned by November 18, 1970. (38436) 44-6

THE UNITED LIVERPOOL HOSPITALS

Royal Liverpool Children's Hospital

Applications are invited for the post of

REGISTRAR IN PSYCHIATRY

for the period to September 30, 1971. Reappointment for the period to September 30, 1972 will be considered without the need for further application. There is an active in-patient unit at the Heswall branch of the hospital and there are very close teaching links with both undergraduate and postgraduate courses at the University of Liverpool.

Apply by November 20, 1970 on form obtainable from the Secretary, 80 Rodney Street, Liverpool L1 9AP. (H6509) 44-6

RUBERY HILL HOSPITAL

Birmingham, B45 9BB

LOCUM PSYCHIATRIC REGISTRAR

From November 9, 1970 for approximately two months.

Detailed applications naming three referees to Administrator. (38673) 44-6

RUBERY HILL HOSPITAL

Rubery, Birmingham

PSYCHIATRIC REGISTRAR

Post available mid-November. Furnished flat for married man, in hospital grounds. Hospital serves south-west Birmingham. Offers wide experience and full training facilities in adult psychiatry, including outpatients. Post carries membership of Birmingham Medical Institute.

Application forms from Secretary, South Birmingham H.M.C., Oak Tree Lane, Birmingham, B29 6JF, to be returned by November 17, 1970. (38674) 44-6

SOUTH WESTERN REGIONAL HOSPITAL BOARD AND UNITED BRISTOL HOSPITALS

Applications are invited for the appointment of

REGISTRAR IN PSYCHIATRY

in the Bristol Clinical Area. The post is non-resident. An unfurnished house is available.

The successful applicant will be based at Glenside Hospital, Bristol (except for programme No. 4 below) and will take part in the Registrar rotation scheme in the Bristol Clinical Area. This entails six-monthly rotation through four of five programmes which are arranged as follows: (1) Rehabilitation, (2) Acute general psychiatry and psycho-geriatrics, (3) Acute general psychiatry and child psychiatry, (4) Mental subnormality—Stoke Park Hospital, Bristol. (5) Glenside Undergraduate teaching unit (University of Bristol).

At all stages in rotation, training is emphasized by the inclusion of sessions specifically for this purpose, including forensic psychiatry, paediatrics, psycho-geriatrics and child psychiatry. Postgraduate seminars are held regularly under the guidance of the hospital Clinical Tutor.

The appointment will be for a period of two years but is subject to review after the first year.

Applications by letter, stating date of birth, qualifications and experience together with the names and addresses of two recent referees should be sent to the Secretary of the Regional Hospital Board, 27 Tyndalls Park Road, Bristol BS8 1PJ by November 19, 1970. Selected candidates will be interviewed on December 4, 1970. (H6539) 44-6

ROYAL EDINBURGH HOSPITAL
and
DEPARTMENT OF PSYCHIATRY
UNIVERSITY OF EDINBURGH

TRAINING POSTS

Applications are invited for training posts as Senior House Officer to take up duties in January, April, July or October. Successful trainees can look forward to promotion to higher training grades and research posts in the Hospital.

The course of instruction provided in the University Department, of which Professor G. M. Carstairs is Chairman, commences each October and extends over three years. It covers general and special aspects of psychiatry comprehensively. Teaching is scheduled on two days each week during University terms. Fees are paid by the Regional Hospital Board.

The in-service clinical training usually covers three years. There is a planned rotation through the general psychiatric units of the hospital and some of the special units selected after discussion with the trainee. The special units include those dealing with General Hospital psychiatry, child and adolescent psychiatry, the treatment of alcoholism and metabolic and psycho-pharmacological research, etc. The training includes a theoretical and practical programme in psychotherapy involving individual and group work. Opportunity is also available for study of research methods, forensic psychiatry and mental deficiency. Medical Research Council Units for the Epidemiological Studies in Psychiatry and for Brain Metabolic Studies are associated with the Department and the Hospital. Many other research activities are in progress including those undertaken in the psycho-physiological and sleep laboratories.

Applications should be made on a form obtainable from Dr. J. W. Affleck, the Physician Superintendent, Royal Edinburgh Hospital, Morningside Park, Edinburgh, 10. Professor H. J. Walton, Department of Psychiatry at the same address, should be contacted regarding academic arrangements.

St. David's Hospital, Carmarthen

SENIOR HOUSE OFFICER IN PSYCHIATRY

This hospital and the newly opened Psychiatric Ward and Day Centre at the nearby West Wales District General Hospital can offer wide experience in modern methods of treatment and diagnosis of psychiatric illness. The hospital is fully recognized for the D.P.M., and training facilities and appropriate study leave to work for this diploma are given. Experience at the General Hospital Unit is given on a rotation basis.

Conditions of service and salary as laid down by the Department of Health and Social Security Peripheral allowance payable. Furnished accommodation available. The hospital is situated in a pleasant area in the County Town of Carmarthen.

Applications, stating age, qualifications, and experience, with the names and addresses of three referees, to the Group Secretary, South West Wales Hospital Management Committee, Glangwili, Carmarthen. (38198) 44-8

SUFFOLK MENTAL HOSPITALS MANAGEMENT COMMITTEE
St. Audry's Hospital, Melton
Woodbridge, Suffolk
St. Clement's Hospital
Foxhall Road, Ipswich, Suffolk

SENIOR HOUSE OFFICER

Applications are invited from registered medical practitioners (men or women) for the above post. The two Hospitals in the Group comprising 1,500 beds, together with Out-Patient Departments and Electroencephalography offer extensive experience of modern psychiatric methods. The Group is recognized for D.P.M. purposes. Compulsorily resident post, furnished or unfurnished accommodation is available for married applicant. Salary in accordance with the national scales as laid down in "Terms and Conditions of Service for Medical and Dental Officers" plus £140 special allowance.

Applications should be made to the Secretary, Suffolk Mental Hospitals Management Committee, St. Audry's Hospital, Melton, Woodbridge, Suffolk, IP12 1QT. (H6533) 44-8

ST. THOMAS' HOSPITAL
London, S.E.1

Applications are invited for the post-registration resident post of

PSYCHIATRIC HOUSE PHYSICIAN

from February 15, 1971.

Application forms can be obtained from the Clerk of the Governors and should be returned by November 13, 1970. (38373) 44-9

RADIOLOGY

LEEDS REGIONAL HOSPITAL BOARD

CONSULTANT IN RADIOLOGY
Leeds
(Whole-time or Maximum Part-time)

This is a new post, and the duties will range—depending on the successful candidate's special interests—over several hospitals in Leeds which are under the aegis of the St. James's (University) Hospital Management Committee or of the Leeds (B) Hospital Management Committee. The hospitals are St. James's, which is a large and rapidly developing teaching hospital, Chapel Allerton Hospital, which houses a neurosurgical unit, and Killingbeck Hospital, which houses the very active cardio-thoracic surgical unit.

Further information and application forms obtainable from the Secretary, Park Parade, Harrogate, to whom they should be returned by December 1, 1970. (38654) 45-1

SOUTH EAST METROPOLITAN REGIONAL HOSPITAL BOARD

Applications invited for appointment as

CONSULTANT RADIOLOGIST

(Wholetime or maximum part-time) to Clinical Area No. 4 comprising the Medway and Gravesend, and the Central Kent Groups of Hospitals. A large part of the work will be at the new Medway Hospital which contains the Accident Centre for the Area. Wide general experience in the specialty essential.

Candidates must hold an appropriate Diploma. Hospitals may be visited by arrangement.

Application forms from Secretary, Advisory Appointments Committee, South East Metropolitan Regional Hospital Board, Randolph House, Croydon, CR9 3OA to be returned by December 3. (38655) 45-1

ST. HELENA GROUP HOSPITAL MANAGEMENT COMMITTEE

LOCUM CONSULTANT RADIOLOGIST

required from January 1 for six weeks.

Applications to Group Secretary, St. Helena Group H.M.C., 14 Pope's Lane, Colchester, Essex. (38670) 45-1

WESTERN REGIONAL HOSPITAL BOARD

Applications are invited for the following appointment:—

CONSULTANT RADIOLOGIST
Royal Hospital for Sick Children, Yorkhill and Associated Hospitals

with duties also in the Glasgow Western and Gartnavel Group.

Whole-time or Maximum Part-time Sessions.

Further details can be had from the Secretary, Western Regional Hospital Board, 351 Sauchiehall Street, Glasgow, C.2, to whom applications (one copy) should be sent with details of age, qualifications, experience, present appointment, and the names of two referees, not later than 30 days after the publication of this advertisement. (H6544) 45-1

STAINES GROUP HOSPITAL MANAGEMENT COMMITTEE

LOCUM CONSULTANT RADIOLOGIST

required at Ashford Hospital, London Road, Ashford, Middlesex (465 beds), for month of November

Applications to Secretary. (13044) 45-1

BIRMINGHAM REGIONAL HOSPITAL BOARD

WHOLE-TIME SENIOR REGISTRAR IN RADIOLOGY

in the East Birminghtm Group with main duties at the East Birmingham Hospital, which includes a large chest unit; some duties also at Marston Green Maternity Hospital and Solihull Hospital. Full Training appointment offering wide radiological experience. Special units for study of infectious, metabolic, renal and tropical disease at principal hospital: there is a large renal dialysis unit. Also a special interest in vascular disease, gastroenterology and arthritis. A considerable volume of obstetrics, paediatrics and geriatrics is undertaken, and there is a major accident unit.

Successful candidate will be required to spend some time within the United Birmingham Hospitals under the joint scheme of rotational training between the two Boards.

Candidates must possess D.M.R.D. A higher qualification would be an advantage. Residence required within ten miles hospital.

Application forms from Secretary, 146 Hagley Road, Birmingham 16, to be returned by November 23. Candidates may visit hospitals. (38526) 45-5

BOARD OF GOVERNORS OF THE UNITED SHEFFIELD HOSPITALS
and
SHEFFIELD REGIONAL HOSPITAL BOARD

WHOLE-TIME SENIOR REGISTRAR IN RADIOLOGY

with main duties at the Northern General Hospital, Sheffield, and four notional half-days in the United Sheffield Hospitals. Possession of a higher qualification essential. Appointment for one year in first instance and renewable thereafter annually subject to satisfactory work and progress. Application form and further details from Senior Administrative Medical Officer, Old Fulwood Road, Sheffield S10 3TH. Forms to be returned by November 16, 1970. (38311) 45-5

RADIOTHERAPY

ROYAL BERKSHIRE HOSPITAL
Reading

SENIOR HOUSE OFFICER (Radiotherapy)

recognized for full D.M.R.T. Training. Appointment covers mainly departmental work in radiotherapy and tumour chemotherapy. Two high energy units plus ortho-voltage equipment will be available during 1971. Department incorporates busy isotope Unit. Vacant immediately. Married accommodation available.

Apply, stating age, experience, qualifications (with dates), and copies of two recent testimonials to Hospital Secretary. (12927) 46-8

RHEUMATOLOGY

BOARD OF GOVERNORS KING'S COLLEGE HOSPITAL
Denmark Hill, London, S.E.5

CONSULTANT IN PHYSICAL MEDICINE AND RHEUMATOLOGY

Applications are invited for the post of Consultant in Physical Medicine and Rheumatology for nine sessions per week from April 8, 1971.

Applications (suitable for photocopying) with the names of three referees should be forwarded to the Assistant House Governor from whom further particulars may be obtained. Closing date December 5. (12794) 47-1

SOUTH-EASTERN REGIONAL HOSPITAL BOARD
Scotland

Applications are invited for the post of

CONSULTANT RHEUMATOLOGIST

at the Northern General Hospital, Edinburgh.

The appointment will be whole-time or maximum part-time, and it is envisaged that the person appointed will be offered a part-time Senior Lectureship in the University of Edinburgh and that his contract with the Regional Board will include a specific allocation of sessions for academic duties. In certain circumstances, however, the appointment may be one with whole-time or maximum part-time duties to the Regional Board without a University component other than an honorary appointment to the clinical teaching staff.

Further particulars on application.

Apply by December 5, 1970 giving particulars of age, qualifications and previous experience together with the names and addresses of three referees to the Secretary, 11 Drumsheugh Gardens, Edinburgh EH3 7OO. (H6494) 47-1

INTERNIST. CERTIFIED OR BOARD eligible—to join well established group in Pittsburgh, Pennsylvania, U.S.A., practising internal medicine with emphasis in rheumatology. Although responsibility predominantly in clinical practice, there is opportunity for postgraduate as well as undergraduate teaching at University affiliated hospital. DOCTORS ABROAD. Copies of vacancies advertised in the *Journal* can be sent by AIR MAIL: Members rate: minimum cost is 40 shillings for six weeks' supply, which covers up to five separate headings. Non-members rate: 60 shillings minimum for six weeks' supply of five headings or less. Additional headings: 10 shillings each for six weeks' supply (for members and non-members). Orders for specific grades cannot be accepted.

Payment must be PREPAID and enclosed with application.

EAST ANGLIAN
REGIONAL HOSPITAL BOARD

MEDICAL REGISTRAR
for the Departments of Rheumatology and of Physical Medicine at the Norfolk & Norwich Hospital, St. Michael's hospital, Aylsham, and Mundesley Rehabilitation Centre

This post offers wide experience with duties in both specialties throughout the north-eastern section of the region. The Rheumatic Unit at Aylsham has 54 beds, including some for the treatment of children, and active departments of pydrotherapy, physiotherapy, occupational therapy and orthopaedic surgery. Full facilities for electro-diagnosis are available. The post is recognized for the Diploma in Physical Medicine. A wide range of postgraduate activities exist at the Norfolk & Norwich Hospital where a newly built department is to open in the spring of 1971. A modern centrally heated detached house is available near to St. Michael's Hospital.

Candidates invited to visit hospitals by direct arrangement with the Group Secretary, Cromer Area Hospital Management Committee, Cliff Avenue, Cromer, Norfolk, from whom application forms may be obtained. (38671) 47-6

ST. THOMAS' HOSPITAL
London S.E.1

Applications are invited for the post of
RESIDENT SENIOR HOUSE OFFICER IN NEUROLOGY AND RHEUMATOLOGY
at the Lambeth Hospital, to commence February 15, 1971.

Application forms, obtainable from the Clerk of the Governors, should be returned by November 13, 1970. (38375) 47-8

STOCKPORT AND BUXTON HOSPITAL MANAGEMENT COMMITTEE
Devonshire Royal Hospital,
Buxton, Derbyshire

RESIDENT SENIOR HOUSE OFFICER
(Rheumatology and Physical Medicine)

Applications are invited for the above appointment, now vacant, at the Devonshire Royal Hospital, Buxton (213 beds). The appointment which carries an additional allowance of £135 per annum offers exceptional experience in Physical Medicine, Rehabilitation and Rheumatology including work with the Manchester University Rheumatism Research Unit. There are active Reconstructive Surgical and Hand Units in the hospital, and excellent opportunities for research. The post is recognized for the Diploma in Physical Medicine and recommended for consultant training by the Royal College of Physicians of London. Single accommodation is available and married accommodation may also be available if required.

Applications, giving details of age, qualifications and experience with the names and addresses of two referees to the Group Secretary, Group Offices, Bramhall Moor Lane, Hazel Grove, Stockport, SK7 5AB. (H6562) 47-8

PRACTICAL PSYCHIATRY

from the British Medical Journal

Most doctors who have been qualified for more than ten years received very little training in psychiatry as medical students. Yet psychiatric problems confront all those practising clinical medicine. The articles collected together in this book were written for the *B.M.J.* to give practical advice to general practitioners and others on how to recognize and cope with the more common forms of mental disorder. Many patients are anxious or depressed; when should the doctor try to do something about it? This is the sort of question the authors set out to answer. As far as possible they have avoided the use of psychiatric jargon, and case histories have been used freely to illustrate the points made. Any doctor who feels ignorant about psychological medicine will find here a readable introduction to the practical aspects of clinical psychiatry.

What happens if CMC is added to ACTH?

CROOKES ACTH/CMC

ACTH/CMC is ACTH with a difference. The difference is convenience. ACTH/CMC is a clear, mobile liquid, even under storage conditions. It is highly purified, has a prolonged storage life and is virtually painless on injection.

Which all adds up to easier therapy in bronchial asthma, Bell's palsy and rheumatoid arthritis. Even with long courses there are no dangers of withdrawal symptoms. ACTH/CMC stimulates natural corticosteroid production. And so it removes the risk of adrenal atrophy so common with synthetic corticosteroid treatment.

ACTH/CMC is the modern form of ACTH

Corticotrophin complexed with carboxymethylcellulose

ADMINISTRATIVE

DURHAM COUNTY COUNCIL
Health and Welfare Department

PRINCIPAL SENIOR MEDICAL OFFICER (ADMINISTRATION)

Applications for this appointment which ranks third in medical seniority in the Department at County Hall, are invited from registered medical practitioners who hold the Diploma in Public Health or equivalent qualification. Salary is at present on the scale £3,375 to £3,945 p.a., but the commencing salary will not be less than £3,565.

The duties of the post are comprehensive and offer wide experience in the administration of a large and progressive Health Department—previously combined Health and Welfare—including responsibilities for the development of new projects and liaison with the new Social Services Department. It is designed to afford experience and further training for promotion to more senior posts in the health service. The Department has its own Research and Evaluation Section which works closely with the County Council Computer and Management Services Unit services.

Further particulars and application forms from the County Medical Officer, County Hall, Durham. Closing date, November 27, 1970. J. T. Brockbank, Clerk of the County Council. (38709) 54

GOVERNMENTAL

POLICE AUTHORITY FOR NORTHERN IRELAND

POLICE SURGEONS

Applications are invited for the posts of Police Surgeon in all parts of Northern Ireland.

Terms and conditions of service will apply as negotiated by the British Medical Association, and these are available on application.

Candidates may be required to attend for interview. Applicants should submit a curriculum vitae including notes of any experience in police work, of any post-graduate education in forensic medicine, and a note of any further qualifications in forensic medicine.

Applications, to arrive not later than November 13, 1970, should be submitted to The Secretary, Police Authority for Northern Ireland, 5th Floor, River House, 48 High Street, Belfast BT1 2D. (H6510) 55

PUBLIC HEALTH

FLINTSHIRE COUNTY COUNCIL

MEDICAL OFFICER IN DEPARTMENT

(Male or Female). Salary £2,160-£2,895 per annum. Applicants should be qualified and registered medical practitioners. Possession of D.P.H. or D.C.H., etc., an advantage. Duties mainly with School Health and Child Health Services but an opportunity given for experience in all other branches. Modern clinics and modern techniques in a progressive Authority. Car allowance.

Application form obtainable from the Clerk of the County Council, Shire Hall, Mold to be returned by November 19. T. M. Haydn Rees, Clerk of the County Council. (3861) 56

LANCASHIRE COUNTY COUNCIL

Applications are invited from Registered Medical Practitioners for vacancies which exist in Newton-le-Willows and areas adjacent to Bury. Salary scale £2,160-£2,895 per annum commencing point according to experience. The County Council has a generous scheme of financial assistance towards study for the Diploma in Public Health. Medical Officers are classified as car users and subsistence allowances are payable where appropriate. An assisted car purchase sceme is in operation.

Further details and application forms obtainable from the County Medical Officer of Health, Serial No. 7742, East Cliff, County Offices, Preston PR1 3JN. Application forms to be returned as soon as possible. (12709) 56

BEDFORDSHIRE COUNTY COUNCIL
(Health Department)

MEDICAL OFFICER

Applicants must be registered medical practitioners for the above appointment, which will be for general duties in the Health Department based on Bedford, including Child Health Clinics, School Health work, the care of handicapped persons, etc.

Opportunity will be given to the successful applicant to receive experience in administration and the commencing salary will be related to qualifications and experience, up to a maximum of £3,375 p.a.

There will be an opportunity for the successful candidate (if suitable) to apply for secondment to the Course for the D.P.H. on full salary plus fees and expenses.

An "essential user" car allowance is payable. Loan facilities for the purchase of car are also available. Removal expenses payable.

Application forms from Establishment Officer, County Hall, Bedford. Preliminary enquiries are welcome and may be made to Dr. M. C. Macleod, County Medical Officer of Health, Health Department, County Hall, Bedford. (0234 63222 ext. 148). (38455) 56

BEDFORDSHIRE COUNTY COUNCIL
(Health Department)

MEDICAL OFFICER

Applicants must be registered medical practitioners for the above appointment, which will be for general duties in the Health Department based on Bedford including Child Health Clinics, School Health work, the care of handicapped persons, etc. Opportunity will be given to the successful applicant to receive experience in administration and the commencing salary will be related to qualifications and experience, up to a maximum of £3,375 p.a.

There will be an opportunity for the successful candidate (if suitable) to apply for secondment to the Course for the D.P.H. on full salary plus fees and expenses. An essential user car allowance is payable. Loan facilities for the purchase of car are also available. Removal expenses payable.

CITY AND COUNTY BOROUGH OF LINCOLN
MEDICAL OFFICER IN DEPARTMENT
(Female)
Health Department

Applicants must be registered medical practitioners for the above appointment in a progressive, compact Local Health Authority. The duties will be varied and will include infant welfare, cytology and family planning clinics. The possession of the D.C.H., though not essential, will be a distinct advantage.

Salary according to scale £2,160 to £2,895 p.a. Superannuable post, removal expenses paid and assistance with housing accommodation.

Applications stating age, qualifications, experience and names and addresses of two referees should be sent to the Medical Officer of Health, City Health Department, Beaumont Fee, Lincoln. (38533) 56

GOVERNMENTAL

MINISTRY OF HEALTH AND SOCIAL SERVICES

MEDICAL REFEREE SERVICE

PANEL OF PART-TIME MEDICAL REFEREES

Vacancies presently exist on the above Panel and the Ministry invites applications from suitably qualified candidates for enrolment. Candidates for appointment may be either male or female and should be registered medical practitioners with wide experience in general practice and/or in the hospital service. Normally they should not be engaged in the provision of general medical services under the Health Services Acts in the vicinity of any centre to which they may be called as a Referee. IT IS A REQUIREMENT THAT CANDIDATES SHOULD BE AVAILABLE FOR WORK IN BELFAST OR IN ANY OF THE OTHER CENTRES IN NORTHERN IRELAND.

Those appointed will not be required to undertake more than two examination sessions in any one day. These sessions are held in the morning and afternoon, are normally of approximately 2½ hours duration and can be at various times depending on the location of the centre. SESSIONS CANNOT BE GUARANTEED.

The rate of remuneration will be £6 12s. 0d. per session.

Preference will be given to suitably qualified ex-Service candidates. Applications, giving full particulars of qualifications, experience, date and place of birth and availability should be forwarded to the Establishment Officer, Ministry of Health and Social Services, Room 513, Dundonald House, Belfast, BT4 3SF, so as to reach him not later than November 16, 1970.
(H6502) 55

COUNTY OF HERTFORD

Appointment of Medical Officer of Health and Divisional Medical Officer— East Herts Health Division

Applications are invited from suitably qualified and experienced medical practitioners for this appointment, to be made jointly by the Hertfordshire County Council; Hertford Borough Council; Cheshunt, Hoddesdon, Sawbridgeworth and Ware Urban; and Braughing and Ware Rural District Councils.

The post is whole-time, superannuable and carries a salary of £4,222.10.10 to £4,730. The Divisional Health Offices are situated in Hoddesdon.

Forms of application with particulars from the County Medical Officer, County Hall, Hertford returnable by November 23, 1970.

(12967) 56

City of Belfast

HEALTH DEPARTMENT
MEDICAL OFFICER

Salary:—£2,160-£2,895 per annum.
Applicants must be fully registered medical practitioners. The possession of a Degree or Diploma in Public Health, State Medicine or Sanitary Science will be deemed an additional qualification and credit will be given for previous experience in public health service. Applicants who do not hold the Diploma in Public Health or an equivalent qualification must be prepared, if selected for appointment and, if so required, to pursue a full time course of study for this Diploma at the Department of Social Medicine, Queen's University, Belfast. During study the candidate will hold the appointment of Medical Officer and will be paid full salary at the minimum point of the scale.
Canvassing will disqualify.
Application forms and further details are obtainable from the Health Department, P.O. Box 254, 16 College Street, Belfast, BT1 6BX. Completed applications should be returned to the undersigned P.O. Box 234, City Hall, Belfast, BT1 5GS not later than November 16, 1970.

DAVID JAMISON,
Town Clerk.
56

COUNTY COUNCIL OF ESSEX

MEDICAL OFFICER

SOUTH-EAST ESSEX AREA—POPULATION 130,000

South-East Essex is a pleasant area adjacent to Southend-on-Sea and within easy reach of London. Duties mainly school health, maternity, child welfare and immunisation. There are within the area an audiology clinic, a child guidance clinic, a junior training centre, a day special school for the educationally sub-normal and partially hearing units at two central primary schools.

Salary within the scale £2,160-£2,895 according to qualifications and experience. Disturbance and lodging allowance payable in appropriate cases, together with casual user car allowance.

Application form from Principal School Medical Officer, 85-89 New London Road, Chelmsford, returnable by November 20.

(38614) 56

Cheshire County Council

Senior School Medical Officer £2,605—£3,180 Sale/Altrincham

Applications are invited from registered medical practitioners for the above post in the Sale/Altrincham area.
The duties of the post will include giving assistance to the Divisional Medical Officer, as well as clinical duties involved in the assessment of handicaps and the supervision of progress in pre-school children.
Possession of the D.P.H. or of experience with handicapped children would be an advantage, but there are generous training facilities for the successful applicant.
Salary within the scale £2,605 to £3,180 per annum, starting point being fixed according to experience and qualifications.
Generous travelling expenses and subsistence allowances.
Removal expenses will be paid where appropriate.

Application forms from
The County Medical Officer should be returned to Pepper House, Pepper Row, Chester, not later than November 30.

(12945) 56

ANAESTHESIA RESIDENCY

At the University of Alberta affiliated teaching hospitals in Edmonton. Fully approved for Certification and Fellowship by the Royal College of Physicians and Surgeons of Canada. Didactic teaching, research and clinical experience including respiratory disease and intensive care service. For further information write: Dr. E. A. Gain, Chairman, Dept. of Anaesthesia, University of Alberta Hospital, Edmonton 61, Alberta, Canada. 61-1

ASSISTANT WITH VIEW WANTED FOR large Saskatchewan partnership rural general practice. At present two partners, one Scottish, one Irish, service three originally independent country practices, within a radius of twenty miles, and are based upon a modern million dollar hospital where the practice undertakes all its own Obstetrics, and Surgery limited to Tonsils, Herniae and the like. Providing as it does general medical services over a substantial area, the assistant sought must have a background of adequate residency training in Surgery as well as the usual spectrum of main subjects. Since the Practice has almost trebled in size in five years, qualities of personality, adaptability and, perhaps above all, of industry, are essential ingredients of success and compatibility. Leisure time will be scrupulously divided as will the rota of nights and weekends, as well as holidays. There will be an early junior partnership for the right man or woman, with ready accession to parity, and possibly succession. The marital status of the applicant is irrelevant, qualities sought are of over-riding importance. Salary will be not less than $15,000 p.a. The practice is equidistant from Regina and Saskatoon where excellent Teaching Hospital referral facilities are enjoyed for major problems in all specialties, and with whom close mutual professional relationships have matured over five years. Assistance is urgently needed.—Box 679, B.M.J. 61-1

AVAILABLE JULY 1, 1971. APPROVED internships (Rotating 0, 1, 2, 3, 4, 5, 6); Complete Residencies in Internal Medicine Paediatrics, Surgery, Obstetrics and Gynaecology, Pathology and Anaesthesiology. Salaries from $8,00 to $12,000 annually. Liberal fringe benefits. Institutional Member of Association of American Medical Colleges. Affiliated with Albany Medical College. Near Boston and New York City. Write Director, Department of Medical Education, Berkshire Medical Center, Pittsfield, Mass. 01201. (H5522) 61-1

BRITISH GROUP OF THREE REQUIRE a fourth partner. $1,200 a month—car expenses paid—six month assistantship then partnership at 22% with no "buy in." Gross income of practice approximately $150,000. Full hospital facilities. Drs. Waugh, Eustace, Cookson, Drayton Valley, Alberta, Canada. 61-1

CANADA
PATHOLOGIST

required for a group of hospitals in Northern Ontario about 400 miles North of Toronto. Excellent facilities for both Summer and Winter sports. Income in excess of $30,000.00 per annum. Apply airmail, with curriculum vitae, for further details to the hospital administrator, Kirkland & District Hospital, Kirkland Lake, Ontario. (H5737) 61-1

CLINICAL FELLOWSHIP IN THERAPEUtic Radiology open to candidates who wish to take a further year of advanced training in therapeutic radiology at the Ottawa Clinic, Ontario Cancer Foundation. Applicants must have completed at least three years of specialty training in therapeutic radiology after graduation from an approved Medical School. The Fellowship will involve working in an active Cancer Clinic in a Teaching Hospital with teaching responsibilities. It will be necessary for the applicant to fulfil the registration requirements of the Ontario College of Physicians and Surgeons and must have training acceptable to the Royal College of Physicians and Surgeons of Canada. The Fellowship is for a period of twelve consecutive months although this could extend to eighteen months in certain circumstances. The stipend will be approximately $10,000 per year. Further particulars and application forms may be obtained from the Director, Dr. T. G. Stoddart, Ottawa Clinic, Ontario Cancer Foundation, Ottawa Civic Hospital, Ottawa 3, Ontario. 61-1

Applications by **27 November 1970.** (13013) 61-1

PROVINCE OF SASKATCHEWAN, CANADA, DEPARTMENT OF PUBLIC HEALTH PSYCHIATRIC SERVICES BRANCH

requires

SENIOR PSYCHIATRISTS

Salary Range: 1. D.P.M. or American Boards or Eligibility, American Boards—$18,600-$20,508.
2. D.P.M. or American Boards, full licence—$18,600-$23,748.
3. Certification (C) and full licence—$20,508-$26,184 (October 1, 1970).
Additional pay for duty outside working hours of $1,500 to $2,000 annually.

Duties: Saskatchewan leads North America in providing the most advanced public psychiatric programme based on proven concepts of community psychiatry. Services are made available to the province's one million citizens through eight mental health regions. The Senior Psychiatrists attached to each region assume major programme responsibility.

Qualifications: Minimum, Eligibility Certification (C) or American Boards or D.P.M. or equivalent; also at least four years' training in psychiatry.
Promotional opportunities to the Regional Director series as follows:—
Regional Director I—
$20,016 to $28,200 for Certification (C) and licence.
Regional Director II—
$22,080 to $31,092 for Certification (C) and licence.
Regional Director III—
$23,748 to $33,420 for Certification (C) and licence.
Youth is no barrier to promotion, but good judgment and ability to work effectively with professional colleagues, ancillary staff, and community agencies are essential.
Financial assistance toward the cost of travel and sustenance of the appointee and members of his immediate family is available. In return for such assistance, the recipient must agree to remain with the Department for two years.

Further particulars and application forms available by writing to: Colin M. Smith, M.D., F.R.C.P. (C), Executive Director of Psychiatric Services, Provincial Health Building, Regina, Saskatchewan, Canada. Completed application forms should be returned to Dr. Colin M. Smith. Please quote Competition Number c/c 2011.

WANGARATTA DISTRICT BASE HOSPITAL
Australia

REGIONAL PATHOLOGIST

The Committee of Management invites applications for this post from Pathologists registrable in Australia, preferably with higher qualification.

The Regional Laboratory caters for the Base Hospital (183 beds) and twelve District Hospitals in North East Victoria. It is new, well equipped and air-conditioned.

Applicants should therefore be capable of supervising routine haematology, bacteriology, chemical pathology and histopathology, even if their interest lies mainly in one branch.

Wangaratta is a pleasant country town of 16,000 people, 150 miles north east of Melbourne on the Melbourne/Sydney highway. There is a wide range of educational, social and sporting activities available.

Salary in the vicinity of $16,000 per annum. Limited right of private practice. A three bedroomed brick residence is available for rental at $8 per week. Financial help towards cost of removal.

Four weeks' annual leave. Liberal conference and study leave. Cumulative sick leave and sabbatical leave. Encouragement in special projects.

Applications and enquiries to the undersigned. N. B. Perrin, Manager and Secretary. (H6569) 61-1

Introduction to Psychotherapy by Hypnosis
A. Phillip Magonet, M.D.

This work is a particularly welcome addition to medical literature as it provides an insight into one of the lesser explored areas of medicine. Dr. Magonet has worked in the field of practical hypnotism for over 25 years and quotes numerous case histories drawn from his considerable medical experience.

DOCTORS RECOGNISE THE EFFECTIVENESS OF VENTOLIN THERAPY.

Over 30 published references in 18 months confirm the effectiveness of Ventolin (salbutamol), and the weight of favourable comment continues to grow.

"... it seems clear, therefore, that because of its effectiveness in producing bronchodilatation, its long duration of action, its lack of cardiovascular stimulant action, and its lack of tendency to produce falls in PaO_2, salbutamol is the most effective drug at present available by aerosol inhalation for the relief of asthmatic airway obstruction."
Brit. med. J. (1970), **2,** 23.

PATIENTS PREFER VENTOLIN THERAPY.

Following a double-blind, cross-over sequential trial in general practice, comparing salbutamol (100mcg per puff) with isoprenaline sulphate (100mcg per puff), the author concluded: "My trial has shown unequivocally that patients prefer salbutamol to isoprenaline."
Practitioner, (1970) **205,** 213.

"... In the double-blind subjective assessment it (Ventolin) was rated as the best of four treatments (placebo, isoprenaline 100mcg, orciprenaline 1,500mcg and Ventolin 200mcg) by 13 patients, while only three preferred orciprenaline."
Brit. med. J., (1969) **2,** 287.

VENTOLIN–a real advance over existing bronchodilator therapy

PRESENTATION Ventolin Inhaler is a metered aerosol, delivering 100mcg salbutamol per inhalation. Ventolin Tablets each contain salbutamol 2mg as sulphate. Full information is available on request.

Ventolin is a Trade Mark of ALLEN & HANBURYS LTD LONDON E2 6LA

In the treatment of Dermatitis Fucidin® 'H' Ointment fills a definite need

Fucidin H Ointment offers the antipruritic anti-inflammatory action of hydrocortisone combined with the rapid bactericidal action of Fucidin, minimising the risks of the adverse effects of the more potent steroids and the considerable risk of sensitisation caused by many topical antibiotics.

Fucidin H Ointment: Sodium fusidate B.P. 2%; hydrocortisone acetate B.P. 1% in a neutral ointment base. Available in tubes containing 10G & 25G.
