Penbritin the right-first-time antibiotic

Penbritin is a unique antibiotic. It combines the rapid decisive action of penicillin with broad-spectrum activity, a powerful combination which makes Penbritin a first-choice treatment for many infections seen in general practice.

Penbritin retains the safety of penicillin, an advantage no other broad-spectrum antibiotic can share. Where safety is particularly important, during pregnancy or in paediatrics for example, Penbritin may be prescribed with confidence.

Penbritin provides an appropriate presentation for all of your patients. There are capsules, scored paediatric tablets and fruit-flavoured syrup in two strengths. Penbritin can also be given by injection if the patient's condition demands it.

Penbritin is the preferred antibiotic for good reasons. The experience of nine years' extensive usage in hospitals and in general practice endorses Penbritin as the right-first-time antibiotic.

Further information is available on request.

cause for confidence in Ventolin Therapy.

DOCTORS RECOGNISE THE EFFECTIVENESS OF VENTOLIN THERAPY.

Over 30 published references in 18 months confirm the effectiveness of Ventolin (salbutamol), and the weight of favourable comment continues to grow.

"... it seems clear, therefore, that because of its effectiveness in producing bronchodilatation, its long duration of action, its lack of cardiovascular stimulant action, and its lack of tendency to produce falls in PaO_2 , salbutamol is the most effective drug at present available by aerosol inhalation for the relief of asthmatic airway obstruction."

Brit. med. J. (1970), **2**, 23.

PATIENTS PREFER VENTOLIN THERAPY.

Following a double-blind, cross-over sequential trial in general practice, comparing salbutamol (100mcg per puff) with isoprenaline sulphate (100mcg per puff), the author concluded: "My trial has shown unequivocally that patients prefer salbutamol to isoprenaline."

Practitioner, (1970) **205**, 213.

"... In the double-blind subjective assessment it (Ventolin) was rated as the best of four treatments (placebo, isoprenaline 100mcg, orciprenaline 1,500mcg and Ventolin 200mcg) by 13 patients, while only three preferred orciprenaline."

Brit. med. J., (1969) **2**, 287.

VENTOLIN—a real advance over existing bronchodilator therapy

PRESENTATION Ventolin Inhaler is a metered aerosol, delivering 100mcg salbutamol per inhalation. Ventolin Tablets each contain salbutamol 2mg as sulphate. Full information is available on request.

**Superficially
agitated...
but
basically
depressed**

Anxiety symptoms often mask depressive states

Mr M: "I get a tight pain in my stomach whenever I think of it . . . I start to tremble and I get very restless . . . I have to have a drink . . ."

Mr M has a personal problem for which there appears, to him, to be no solution. His anxiety hides a basic depressive state which probably contributed to the genesis of his problem.

Many patients show symptoms of anxiety when their slowly increasing depression begins to affect their performance. On the other hand, long periods of stress may give rise to a depressive state. Treat such patients purely for anxiety—and their depression may get worse: treat them for depression alone—and they can become severely agitated. When anxiety precedes, hides, or accompanies depression Limbitrol* is indicated to deal with both aspects of the anxiety/depression syndrome.

in bronchitis more effective than ampicillin or tetracycline

Compared with ampicillin

In a controlled single-blind trial involving 50 patients with chronic bronchitis SEPTRIN* was shown to be more effective than ampicillin, with reference to reduction of sputum volume and purulence.

Sputum volume reduction

There was a significantly greater reduction in mean sputum volume after treatment with SEPTRIN than after treatment with ampicillin.

Sputum purulence reduction

23 out of 24 cases with purulent sputum receiving SEPTRIN improved (using MRC sputum grading) as compared with 16 cases out of 22 cases with purulent sputum receiving ampicillin who improved in this respect. The success rate for SEPTRIN was significantly higher than for ampicillin.

Clinical improvement

Clinically, 24 out of 25 cases receiving SEPTRIN responded as compared with 19 out of 25 receiving ampicillin.

Reference: Postgrad med J, (1969) 45, Supplement (November) 86.

*Trade Mark

Compared with tetracycline

In a trial designed to compare the effect of SEPTRIN with that of tetracycline in the treatment of chronic bronchitis, it was found that a week's course with SEPTRIN was more beneficial than a week's course of tetracycline.

24 patients received SEPTRIN and 22 received tetracycline, and objective data was collected from the two groups at the beginning and at the end of treatment.

Sputum volume

The decrease in mean sputum volume after treatment, as a fraction of the initial measurements, was significantly larger for the SEPTRIN group.

Sputum purulence

Objective grading of reduction in purulence of the sputum showed better results with SEPTRIN than with tetracycline at the end of treatment.

Reference: Postgrad med J, (1969) 45, Supplement, (November) 91.

SEPTRIN Tablets, SEPTRIN Paediatric Suspension and SEPTRIN Paediatric Tablets contain trimethoprim and sulphamethoxazole. Full information is available on request.

International conference confirms success of Ceporex in general practice

... "cephalexin is highly effective in most of the infections seen in general practice. Cephalixin was well tolerated ... and reactions such as rashes, pruritus and vulvo-vaginitis occurred in less than 2% of the patients treated."

Twenty papers on the use of cephalexin (Ceporex) were presented at the International Conference on Cephalosporins* at Brighton in June. Treatment of 2,000 patients with a wide variety of infections, in hospital and general practice, emphasised the effectiveness of this new oral cephalosporin.

One report described the use of Ceporex in a multi-centre trial in general practice. 341 infections, including ENT, skin and soft tissue, respiratory and urinary tract, were treated. Over-all success rate was 91%. Side effects were minimal.

This autumn you can confirm the effectiveness of the wide activity of Ceporex in the treatment of pneumonia, broncho-pneumonia, bronchitis, and other moderate and severe infections of the respiratory tract in patients of all ages. Ceporex is well tolerated, and can be considered for patients hypersensitive to the penicillins. It is available in a range of six presentations – 250 mg and 500 mg capsules, pleasant syrups, and small identified film-coated tablets.

* (A full report of the papers presented at the International Conference on Cephalosporins – organised jointly by the Fellowship of Postgraduate Medicine and Glaxo – appears as the October Supplement to the Postgraduate Medical Journal.)

Who pioneered film-strip meetings?

Back in the days when doctors received many more mailings than they do now, we decided to stop and re-think the whole question of communication. It was obviously necessary both from the doctors' point of view and from ours. But surely there was a more efficient, more acceptable way of providing them with the product information they required? Thus was born the idea of the filmstrip meeting and just over 10 years ago we, somewhat tremulously, held the first one. Today the filmstrip meeting has become an accepted part of communication between the pharmaceutical industry and the medical profession. Doctors get the information they need. Have the opportunity to question representatives at length. Can discuss common problems with their colleagues. And it all happens in the pleasant and relaxed atmosphere that is conducive to good two-way communication. We're proud of having pioneered this mutually beneficial development in communication. But we're aware that there's still plenty of room for improvement. We're working on that too.

What do they know about peristalsis?

Nothing...except they've got it back again

Senokot Syrup acts specifically on the colon and induces a controlled peristaltic action producing soft, easily passed stools. The defaecation reflex is restored to normal leading to re-education of the bowel.

Senokot Syrup is a pleasant liquid presentation of the standardized senna which has been endorsed in over 200 references in medical journals and textbooks. Predictable in its action, and free from griping when taken in the correct dosage, Senokot Syrup is particularly suited to the requirements of children and elderly patients.

Why disrupt the flu virus?

So it won't disrupt your patient.

WELLCOME* Flu Vaccine is prepared by a special 'split virus' technique in which the killed virus is disrupted by chemical action to dissolve the outer coating of the virus and release the active immunizing principles as sub-unit particles. The splitting of the virus by this treatment produces a vaccine which is less reactogenic than the older, conventional vaccines but which retains its immunizing properties in full.

WELLCOME Flu Vaccine provides effective protection against the current strains of influenza virus—A2/Hong-Kong/68 and the current B strains. For your

vaccination programme, WELLCOME Flu Vaccine means worthwhile protection with fewer reactions.

Day after day of freedom from asthmatic attack

The unique mode of action of disodium cromoglycate offers the asthmatic patient outstanding benefits. A prophylactic treatment, it prevents the onset of asthmatic episodes - thus minimising long-term damage to lung tissue. Freedom from asthma attacks permits a happier, more normal life for the asthmatic patient.

Published clinical reports confirm that with INTAL COMPOUND, the incidence and severity of acute attacks is considerably reduced - even in patients on conventional therapy such as bronchodilators, antihistamines and corticosteroids. Less time is lost from work or school, exercise tolerance is improved and a consistent clinical comment on disodium cromoglycate has been the total absence of serious side effects.

INTAL COMPOUND - supplied in SPINCAPS (each containing 20 mg disodium cromoglycate, and 0.1 mg Isoprenaline Sulphate BP in powder form, together with an inert carrier). For use in a special insufflator - SPINHALER.

Full information is available on request. Fisons Limited, Pharmaceutical Division, Loughborough, Leicestershire.

In 1817 James Parkinson wrote his Essay on the Shaking Palsy. Now, Roche announce Larodopa*, probably the most significant single breakthrough in treatment in the whole history of Parkinson's Disease.

1970

Larodopa Information Services to give doctors full and current information on Larodopa in Parkinson's Disease

1 The Information Service

A special unit set up to hold all information and answer doctor's questions.

2 Clinical Reviews

Issued at intervals, these contain abstracts and brief summaries of latest published work.

3 Larodopa Monographs

These examine specific aspects — dosage, response etc. — of using Larodopa, extracted from all work published so far.

4 Larodopa Publications

More definitive works on Parkinson's Disease and its treatment.

5 Material for Patients

To help patients get the maximum benefit from treatment.

6 Prescribing Information Cards

The briefest summary of current opinion on the technique of using Larodopa. These items will be re-issued as, and when, they require updating.

Larodopa

Larodopa can benefit two thirds or more of patients with Parkinson's Disease, often dramatically. It offers many of them a hitherto unachievable improvement. All symptoms, including akinesia, respond.

Roche are making special arrangements to ensure that every doctor concerned with the management of Parkinsonian patients is kept fully informed of developments in this rapidly changing field. Every scrap of information which appears is being collected, evaluated and will be passed on.

TODAY'S DRUGS

New 1970 Edition

The problem facing the prescribing doctor today is choice. Catalogues of drugs—no matter how detailed—are of little help unless accompanied by advice on which drug to give for what condition. So this new edition of "Today's Drugs" not only gives a full account of the drugs but also includes clear accounts of the management of common conditions such as urinary infections and epilepsy.

The new edition differs from the earlier one in other ways. It deals with only three subjects—infections, vitamin deficiencies and anaemias, and disorders of the nervous system. Further volumes will be published at intervals of about a year, and by the time the whole field of therapeutics has been covered this first volume will have become obsolete and due for replacement. In order to further emphasize the ephemeral nature of books on therapeutics—and to cut costs—the book is a paperback.

Halt at the flashing light

Flashing lights and visual disturbances, classically early warnings of migraine, are signals for arresting all manifestations of an attack – at onset.

MIGRIL* acts in the minutes between initial warning and the otherwise inevitable full-blown attack.

As well as containing an effective dose of ergotamine (2mg in each tablet), enhanced by caffeine, MIGRIL contains the anti-emetic, cyclizine. Nausea and vomiting, due to migraine itself or to ergotamine, are very effectively relieved.

MIGRIL, taken at the first warning of an attack, provides a specific treatment that the patient will learn to rely on. Full information is available on request.

Migril masters migraine

Let the blood flow through

In the treatment of ischaemia due to intermittent claudication, cerebral arteriosclerosis and vasospastic disorders, Bradilan® has achieved excellent results. Because Bradilan employs tetranicotinoylfructose, the molecule of which is gradually hydrolysed in the intestine, release is smooth and even - with no peaks or troughs. Consequently, efficient and prolonged vasodilation is maintained, with less risk of over dilation in flush areas. For the same reason, headaches are a rare occurrence. Bradilan acts directly on vessel walls and is especially indicated when ischaemia is due to vasospasm. Ideally, treatment should be continued for at least 12 weeks so that progress can be realistically evaluated.

BRADILAN sustained vasodilation with minimal side effects

"You *increased* the dosage?
But I thought this woman had
a peptic ulcer."

"She has – but I find that she
can tolerate Brufen, and her arthritis
is improving nicely."

Experience has shown that Brufen is extremely well tolerated by the majority of arthritic patients, including many who have suffered from persistent gastric disturbance with other antirheumatic drugs. Patients with pre-existing peptic ulceration have received Brufen therapy without exacerbation of gastric symptoms.¹

In the treatment of arthritis, Brufen provides the relief of pain and stiffness essential to achieve a progressive improvement in joint flexion and functional capacity. To patient and doctor, Brufen means highly effective antirheumatic therapy without the limitation of frequent side-effects. Brufen is available as tablets, each containing 200 mg. of ibuprofen.

Hypnotics: isn't it time we all woke up?

barbiturates

As few as 25 can
cause anaesthesia, coma
and death

*Mogadon**

To date, no
authenticated death (up
to 80 tablets produced
no harmful effects)¹

“Now that satisfactory and safe alternative hypnotics such as nitrazepam are available it would seem high time that prescribing of barbiturates, at any rate to outpatients, be restricted or better still abandoned”²

In one year 1,857 people died of barbiturate poisoning, including 1,260 suicides.³ ☐ Is there really any excuse for such a high figure any more? ☐ With Mogadon, the safe hypnotic, comes the possibility of safe sleep. ☐ To date it has resulted in no authenticated deaths or suicides. Indeed as many as 80 tablets have produced no harmful effects¹ and clinical and animal experiments lead us to believe that the amount necessary to produce death could probably not be consumed in tablet form. ☐ When such a drug exists (and a recent trial in the British Medical Journal showed it to be comparable in effectiveness to butobarbitone)¹ is one any longer justified in using anything else?

1. Brit. med J., 1969, 3, 23 / 2. ibid., 1969, 3, 177 / 3. Registrar General's Annual Report for 1967

GENERAL PRACTICE TRAINING POSTS

BIRMINGHAM REGIONAL HOSPITAL BOARD AND UNIVERSITY OF BIRMINGHAM Vocational training for general practice

The Birmingham Regional Hospital Board and the Board of Graduate Studies of the Faculty of Medicine of the University of Birmingham, in co-operation with the Midland Faculty of the College of General Practitioners and Local Medical Committees, offer 12 post-registration graduates seeking a career in general practice in the Birmingham region a three year period of vocational training which will satisfy the requirements for the vocational training allowance. The three years will include—

1. Two house officer appointments, each of six months in obstetrics, paediatrics, psychiatry or any other specialty that may be desired.

2. A one year resident "family medicine rotating internship" in the grade of senior house officer. This year will be tailored to the needs of the holder and may include general medicine, paediatrics, obstetrics and gynaecology, psychiatry, casualty, dermatology, ophthalmology, otorhinolaryngology or geriatrics.

3. One year as a registrar in family medicine (trainee practitioner). This year may be divided into two periods—one in urban and the other in rural practice.

It will include an extended course of special instruction sponsored by the University of Birmingham and may also include a period of attachment to a Medical Officer of Health.

One post vacant at present with duties initially at the East Birmingham Hospital. Detailed applications naming three referees to Secretary, Regional Hospital Board, 146, Hagley Road, Birmingham B16 9PA by December 7, (39083) 11

WEST NORFOLK & KING'S LYNN GENERAL HOSPITAL AND NORFOLK EXECUTIVE COUNCIL

VOCATIONAL TRAINING IN GENERAL PRACTICE

This is a three year course in Hospital and General Practice training, initially at S.H.O. grade, which is based at King's Lynn. The course is approved by the Postgraduate School of the University of Cambridge, by the Regional Hospital Board, and meets the requirements for the D.Obst.R.C.O.G., D.C.H., and the M.R.C.G.P.

Six months is spent in a selected general practice, and is followed by two years in rotating hospital appointments, and a final six months in general practice. Residential accommodation is provided. Further information may be obtained from the Clinical Tutor, Medical Library, General Hospital, King's Lynn, Norfolk.

Application for the two posts available on April 5, 1971 should be made by December 5 to the Group Secretary, King's Lynn Area H.M.C., St. James' Hospital, King's Lynn. (39084) 11

B.M.A. DEPUTISING SERVICES

Applications are invited from Doctors interested in becoming full-time or part-time Locums in the Coventry and Leicester areas. Full-time or part-time positions are offered on either a short- or long-term basis and subject to a suitable probationary period. It will be possible to offer full-time doctors a most advantageous contract which will give him guaranteed security, both financially and in terms of tenure. To give some idea of the remuneration a basic week of 60/65 hours could produce an annual income in the region of £4,000 plus and those working less or more hours than this would be paid on a strictly pro-rata basis. Applications to be sent to the B.M.A. Deputising Services, 107a London Road, Leicester.

8-1

B.M.A. DEPUTISING SERVICES

Applications are invited from Doctors interested in becoming full-time or part-time Locums in the Bristol area. Full-time or part-time positions are offered on either a short or long term basis and subject to a suitable probationary period. It will be possible to offer full-time doctors a most advantageous contract which will give him guaranteed security, both financially and in terms of tenure. To give some idea of the remuneration, a basic week of 60/65 hours could produce an annual income in the region of £4,500, and those working less or more hours than this would be paid on a strictly pro rata basis.

Applications to be sent to the B.M.A. Deputising Services, 14/16 Baldwin Street, Bristol, BF1 1SR.

UNIVERSITY OF WESTERN AUSTRALIA

VACANCIES IN ANATOMY
AND HUMAN BIOLOGY

Applications are invited for appointment to the staff of the Department of Anatomy at the level of Senior Lecturer or Lecturer and Senior Tutor. It is desired to appoint one person whose interest and training are primarily in Embryology and developmental studies, a second whose interest is in Gross Topographical or Neuro-anatomy and a third who wishes to develop teaching and research in Human Biology. The first two would be required to conduct undergraduate courses for medical students, to develop more advanced lecture and laboratory courses for Science students and to supervise Honours and research students. The third post is in connection with a newly established course in Human Biology beginning in 1971. Further information may be obtained from the Head of the Department, Professor David Allbrook, in the University.

The salary ranges for a Senior Lecturer, Lecturer and Senior Tutor are \$A9,000-10,500 p.a., \$A6,318-8,760 p.a. and \$A5,066-5,942 p.a. respectively. Benefits include superannuation similar to F.S.S.U. rates to Perth for appointee and dependent family, removal allowance, study leave (for Senior Tutors long service/study leave), subsidised temporary accommodation and housing loan scheme.

Further information including conditions of appointment and method of application is available from the Registrar, University of Western Australia, Nedlands, Western Australia, 6009, or the Secretary-General, Association of Commonwealth Universities (Appis.), 36 Gordon Square, London, WC1H 0PF. Applications close on December 19, 1970. (13350) 14-1

INVERESK RESEARCH INTERNATIONAL
HEAD OF PATHOLOGY

A suitably qualified pathologist, with experience of experimental pathology and toxicology, is required to lead a group investigating a variety of problems concerned with human and animal disease processes and the evaluation of the safety of new drugs and chemicals.

This position will appeal to young but experienced pathologists trained in either human or veterinary pathology, who wish to enlarge their interests beyond the usual limits of the discipline. Facilities exist for working with scientists of various disciplines and a wide variety of experimental animals are kept. Experience with or interest in working with sub-human primates would be an advantage.

An attractive working environment is provided within six miles of Edinburgh and close ties exist with the academic centres in the area.

This is a responsible position in an expanding British independent research organisation and the rewards will be commensurate with the responsibility demanded from the successful applicant.

Applications, together with details of experience and qualifications, to:

The Director,
Inveresk Research International,
Inveresk Gate,
MUSSELBURGH,
Midlothian,
Scotland.

(H6791)

Product Safety Manager

We are an international company and leaders in the fields of medical supplies, baby products and non-woven fabrics.

The post of Product Safety Manager is newly created within our Medical Division and offers considerable scope for job development. Responsibilities include total control of all matters relating to product safety, new product registration and consulting with appropriate research organisations.

The man we appoint will ideally be a qualified pharmacist or physician, aged around 30, with 2 years commercial experience. Other scientific disciplines may be considered if particularly relevant.

In addition to professional qualifications it is imperative that he has the ability and personality to liaise effectively with company departments throughout the U.K. and overseas.

These duties will include a certain amount of travel, mostly within the U.K.

If you feel you meet our requirements write giving brief details to :-

Graham Crisp, Personnel Manager,

Johnson & Johnson Limited,

260 Bath Road, Slough, Bucks. SL1 4EA.

SHEFFIELD REGIONAL HOSPITAL BOARD

LOCUM MEDICAL ASSISTANT
for the Accident and Emergency Department, Mansfield and District General Hospital, December 14 to January 1, 1971.
Apply to Secretary, Old Fulwood Road, Sheffield, S10 3TH, naming two referees. (39094) 20-3

INDUSTRIAL MEDICAL OFFICER for Beecham's Worthing Site

The emphasis in this post is on the development of a programme of research in the field of Industrial Health with the aim of recommending to management such measures as are necessary to minimise risks to factory and laboratory employees. To do this effectively the doctor will find it necessary to conduct some medical examinations, liaise with local medical practitioners and supervise nursing and first-aid staff and facilities.

A doctor in middle life is required who has retained sufficient interest in research to structure and progress diverse investigations. Ideally he should have Industrial Health experience but those without it will be considered. He must be prepared to become an integrated member of the management team.

The Company's Worthing site comprises a modern pharmaceutical factory and several laboratories. Salary not less than B.M.A. recommendations, together with membership of one of the best non-contributory pension and life assurance schemes available.

Please write briefly stating your qualifications and experience to:

THE PERSONNEL DIRECTOR,
BEECHAM PHARMACEUTICAL DIVISION,
BEECHAM HOUSE, GREAT WEST ROAD,
BRENTFORD, MIDDLESEX.

COMMERCIAL APPOINTMENTS

see also pp. xxvi and xxvii

**CLINICAL TRIALS INVESTIGATOR**

The Medical Department of an international ethical pharmaceutical Company requires a doctor to join its clinical investigation and research team.

The applicant must be medically qualified, registered and between 28-45 years of age. Previous knowledge of drug evaluation is not necessary but the ability to initiate and organise clinical investigations as well as to think scientifically is essential. An interest in general medicine would be a distinct advantage. The successful applicant would be encouraged to maintain a clinical attachment.

Career prospects in the pharmaceutical industry are excellent. Initial salary will depend mainly on qualifications and experience and the Company operates a non-contributory pension fund and life assurance scheme. A Company car is provided. Conditions of employment are good and assistance with removal expenses will be considered.

Please apply, in writing, to:—

**Personnel Manager,
John Wyeth and Brother Limited,
Huntermcombe Lane South,
Taplow, Maidenhead, Berks.**

(13286)

16

Professional Services Manager (Medical Graduate)

Warner-Lambert International has recently established headquarters in Slough to provide managerial leadership to the Eastern Hemisphere, which includes Europe, U.K., Africa and the Indian subcontinent. Appropriate functional groups are now being formed, and within the marketing group concerned with ethical pharmaceuticals, a vacancy exists for a Professional Services Manager. He will report to the Director, Professional Products, who, in turn, reports to the Hemisphere President.

This is a senior appointment, calling for a qualified medical doctor, preferably with postgraduate experience in pharmacological research. He must have several years' experience within the pharmaceutical industry, and this should include direct responsibility for the design, monitoring and interpretation of clinical trials. The nature of the appointment will require reasonable international travel. The

ability to develop effective working relationships, and earn the professional respect of people of different nationalities is essential. In this regard a European language capability will give otherwise suitable candidates a significant advantage.

The standards of this appointment will be high and particularly for this reason the salary and other terms of service will be very attractive. These terms will include excellent pension and life assurance benefits plans, and relocation assistance where necessary.

Please reply, in confidence, to

**Director of Personnel,
Warner-Lambert International,
Eastern Hemisphere Group,
266 Bath Road,
Slough, Bucks.**

(13295) 16

BROOK GENERAL HOSPITAL

During the course of the next three months there will be vacancies for Senior House Officer appointments at the Brook General Hospital. Successful candidates will rotate between the new Accident and Emergency Department and the Orthopaedic Department. Alternatively a six month appointment in either Accident and Emergency or Orthopaedics could be arranged. Opportunity will be given for Senior House Officers to attend the Regional Thoracic and Regional Neurosurgical Units as observers, and to attend the day release courses for Primary and Final F.R.C.S., both of which are held at the Brook General Hospital. Candidates who obtain the Primary F.R.C.S. by the end of their appointment will be eligible to apply for the Surgical Rotation Programme at the Brook General Hospital.

Applications to: Hospital Secretary, Brook General Hospital, Shooters Hill Road, Woolwich, S.E.18. (13165) 20-8

SALARY SCALES OF HOSPITAL MEDICAL STAFF

Following the Twelfth Report of the Review Body, new salary scales have been approved. These came into force on April 1, 1970. The scales are set out below:

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £1,626 per annum for the posts held during the first year; £1,755 per annum for posts held during the second year; £1,884 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,040 per annum in the first year; £2,184 per annum in the second year; £2,328 per annum in the third or subsequent years.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £2,328 per annum \times £144(3) \times £126(1)—£2,886.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale, and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £183 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £2,760 per annum \times £126(1) \times £174(1) \times £177(1) \times £174(1) \times £177(1)—£3,588.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £2,520 per annum \times £144(1) \times £156(3) \times £144(10)—£4,572.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £4,512 per annum \times £201(8) \times £210(1)—£6,330.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rental is appropriate.

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters may be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association. (November, 1970)

Royal Newcastle Hospital. Radiologist.

QUEENSLAND

Bundaberg Associated Friendly Societies Centre.

Before applying for any appointment specified in this notice, or for any appointment under an authority referred to in this notice, medical practitioners are advised to communicate with the Secretary of the British Medical Association, B.M.A. House, Tavistock Square, London W.C.1, to learn the views of the Association regarding the terms and conditions of service pertaining to the appointments, or, in the case of the Australian appointments, with the General Secretary, Australian Medical Association, 77-79 Arundel Street, Glebe, N.S.W., 2037. Medical practitioners are advised to communicate with the Medical Secretary of the Irish Medical Association, 10 Fitzwilliam Place, Dublin, before applying for, accepting, or sitting on Interview Boards for any of the Irish appointments mentioned in this notice.

By Order of the Council,
DEREK STEVENSON,

November 16 1970

Secretary.

**RESEARCH TRAINING FELLOWSHIPS
IN DERMATOLOGY**

The Wellcome Trust is offering research training fellowship in Dermatology tenable at either the Institute of Dermatology in London or the Department of Dermatology in Newcastle.

Candidates should preferably be members of the Royal College of Physicians. Previous experience in Dermatology is not essential. The fellowships can be held for up to three years and will provide a training programme in selected aspects of Dermatological research. Opportunity will be provided where necessary, for periods of training at other centres.

Salaries according to age and experience on a scale commencing at age 28 of £2,235 rising to £3,435 at age 36.

Applications should be made by February 1, 1971 to the Head of either the Institute of Dermatology, London, or the Department of Dermatology, Newcastle, and should include a formal curriculum vitae and names of two referees. (H6809) 26-5

**ELECTRO-
ENCEPHALOGRAPHY****BIRMINGHAM REGIONAL
HOSPITAL BOARD**

Whole-time

**SENIOR REGISTRAR IN
ELECTROENCEPHALOGRAPHY**

Duties at Midland Centre for Neurosurgery and Neurology (6 nhd) and D-ley Road Hospital, Birmingham (5 nhd). Full training post in all clinical aspects of E.E.G. including work in a specialized neurosurgical unit. Opportunity for experience in electromyography and peripheral neurophysiology, and monitoring of anaesthesia and stereotactic surgery. Excellent postgraduate and research facilities in liaison with the University of Birmingham and the University of Aston and opportunity to study direction and organization of other E.E.G. departments. Successful candidate may be granted honorary appointment with United Birmingham Hospitals. Experience specialty and higher qualification required.

Successful candidate must reside within easy reach of both hospitals.

Application forms from Secretary, 146 Hagley Road, Birmingham B16 9PA to be returned by December 21. Candidates may visit hospitals. (39126) 27-5

GERIATRICS**NEWCASTLE REGIONAL HOSPITAL
BOARD****CONSULTANT PHYSICIAN IN
GERIATRIC MEDICINE**

Whole-time or maximum part-time, for the Hartlepool Group of Hospitals. The appointee will initially have charge of approximately 120 beds in three hospitals pending reorganisation of the service towards the end of 1971, upon completion of the first phase of development of a new district general hospital, when he will have at his disposal 150 beds for acute assessment, rehabilitation, and long-stay, with the supporting facilities of a general hospital.

Good experience in general medicine is desirable, and the appointee will not be expected to confine himself solely to geriatric medicine but will also have access to beds and other facilities of the general medical service.

Residence within 10 road miles of Hartlepool General Hospital.

Further particulars from Senior Administrative Medical Officer, Regional Hospital Board, Benfield Road, Newcastle upon Tyne, NE6 4PY, to whom applications should be addressed, naming three referees, by December 12, 1970. (39049) 29-1

**SOUTH-EASTERN REGIONAL
HOSPITAL BOARD**

Scotland

Applications are invited for the new post of

CONSULTANT GERIATRICIAN

based at the Eastern General Hospital, Edinburgh, with duties covering the northern and eastern sections of the City of Edinburgh and the County of Midlothian.

The appointment will be whole-time or maximum part-time, and it is envisaged that the person appointed will be offered a part-time Senior Lectureship in the University of Edinburgh and that his contract with the Regional Board will include a specific allocation of sessions for academic duties. In certain circumstances, however, the appointment may be one with whole-time or maximum part-time duties to the Regional Board without a University component other than an honorary appointment to the clinical teaching staff.

Further particulars are available on application.

Apply by December 5, 1970 giving particulars of age, qualifications and previous experience together with the names and addresses of three referees to the Secretary, 11 Drumshigh Gardens, Edinburgh, EH3 7QQ. (H6687) 29-1

Sutton Coldfield****CONSULTANT OBSTETRICIAN
AND GYNAECOLOGIST**

(whole-time or maximum part-time) for the
North Birmingham Group of Hospitals,
Chief duties at Good Hope General and
Maternity Hospitals, Sutton Coldfield, with
subordinate duties at Lichfield, Tamworth and
Hammerwich Hospitals. This is the third
Consultant appointment, in this specialty, in
a developing District General Hospital
complex. The Maternity Hospital (completed
1967) has 144 beds and 22 special care cots;
the gynaecological ward at the centre has, at
present, 28 beds with additional "progressive-
patient-care" beds envisaged. There is an
active Postgraduate Centre and Library. A
candidate with a wide experience in the
specialty and a higher qualification is
required. The successful candidate must
reside within 10 miles of the Good Hope
Hospital complex.
Applications (15 copies) naming three ref-
erences to be sent to The Secretary, 146
Hagley Road, Birmingham 16 by December
21, 1970. Candidates are welcome to visit
the hospitals. (39132) 36-1

tary, by November 24, 1970. (38910) 41-8

**UNITED BRISTOL HOSPITALS
Bristol Royal Infirmary**

Applications are invited for the post of
JUNIOR CLINICAL PATHOLOGIST
(Senior House Officer grade) tenable for one
year from March 1, 1971. The holder is
required to be resident on average one night
in four. A full course of training is
provided, with a course of lectures covering
basic medical science and clinical pathology.
The post is designed for those studying for
the Primary M.C.Path. or the Primary
M.R.C.P.

Application forms obtainable from the
Secretary, Royal Infirmary, Bristol BS2
8HW, should be returned by November 30,
1970. (13326) 41-8

**UNITED BRISTOL HOSPITALS
AND
SOUTH WESTERN REGIONAL
HOSPITAL BOARD AND
THE UNIVERSITY OF BRISTOL**

Applications are invited for the appoint-
ment of a
**JUNIOR TRAINEE IN CLINICAL
PATHOLOGY**
for a period of three years, from March 1,
1971, but subject to annual review and con-
firmation. The first year will be in the
grade of S.H.O. and the next two years in
the grade of Registrar (or equivalent University
grades).

The holder will rotate through the sec-
tions of bacteriology, chemical pathology,
haematology and morbid anatomy and a
general training with a course of lectures
designed for the Primary Examination for
Membership of the College of Pathologists
will be provided. No previous training is
required.

The duties will be mainly in the
laboratories of the United Bristol Hospitals.
The holder will be required to undertake
emergency duties, but these will be rare
except in the first year, when they will
average one night in four, and when the
holder must be resident on those nights.

The United Bristol Hospitals are recog-
nized by the College of Pathologists for
training in all branches of clinical pathology
for both Primary and Final M.C. Path.
examination.

Application forms obtainable from the
Secretary, Royal Infirmary, Bristol BS2 8HW
should be returned by November 30, 1970.
(13327) 41-8

PLASTIC SURGERY

**AMENDED ADVERTISEMENT
SOUTH-EASTERN REGIONAL
HOSPITAL BOARD**
Scotland

Applications are invited for the post of
**CONSULTANT
PLASTIC SURGEON**
for duties with the Regional Plastic Surgery Service based on Bangour General Hospital, Broxburn.
The appointment will be whole-time or maximum part-time, and it is envisaged that the person appointed will be offered a part-time Senior Lectureship in the University of Edinburgh and that his contract with the Regional Board will include a specific allocation of sessions for academic duties. In certain circumstances, however, the appointment may be one with whole-time or maximum part-time duties to the Regional Board without a University component other than an honorary appointment to the clinical teaching staff.
Further particulars available on application.

Apply by December 12, 1970, giving particulars of age, qualifications and previous experience, together with the names and addresses of three referees to the Secretary, 11 Drumsheugh Gardens, Edinburgh, EH3 7QQ. (H6658) 43-1

NORTH HAMPSHIRE GROUP HOSPITAL MANAGEMENT COMMITTEE
Basingstoke, Hampshire**PSYCHIATRIC REGISTRAR**

required at Park Prewett Hospital, with an effective date of January 1, 1971. A two-bedroomed self-contained centrally heated and fully furnished ground floor flat would be associated with the appointment or residential facilities for a single person.

The successful applicant will be offered experience in most groups of psychiatric illness—neurotic, psychotic and psychogeriatric—and the hospital is also equipped with separate units for treatment of alcoholic addiction, rehabilitation of long-stay patients, and extensive and progressive industrial and occupational therapy departments. Ancillary facilities include psychological and pathological departments, an excellent medical library, and reading rooms. Clinical conferences are held weekly and recent developments in psychiatry and allied subjects are debated in the journal club. The hospital has an admission-rate of approximately 1,200 patients a year and all forms of modern therapy are undertaken. It is recognized by London University as an undergraduate teaching institution and by the Royal Colleges for the Diploma in Psychological Medicine. The successful candidate will be allowed to attend the excellent D.P.M. course at the Wessex School of Psychiatry and to participate fully in the Wessex regional scheme for postgraduates in psychiatry.

Basingstoke is a rapidly developing "new town" and has excellent shopping facilities and a frequent fast train service to London (45 minutes).

Applications should be made within two weeks of the appearance of this advertisement on form obtainable from the Group Secretary, North Hampshire Group Hospital Management Committee, Park Prewett Hospital, Basingstoke, Hants. (39290) 44-6

ADMINISTRATIVE**SHEFFIELD REGIONAL
HOSPITAL BOARD****MEDICAL
DEPARTMENT**

Registered Medical Practitioners are invited to apply for appointment as Assistant Senior Medical Officers (Salary scale £4,017-£5,115).

These appointments at the Board's Headquarters will require the successful candidates to assist the Senior Administrative Medical Officer in matters of medical administration generally and in the development of the hospital services in the Region.

Applicants should have had clinical administrative experience and preferably some knowledge of the planning of hospital specialist services and of current hospital design.

Application forms to be returned by December 7, 1970, and further particulars available from the Secretary, Old Fulwood Road, Sheffield, S10 3TH. Ref. 660/1. (39080) 54

**NEWCASTLE REGIONAL HOSPITAL
BOARD****ADMINISTRATIVE MEDICAL OFFICER
(Trainee)**

A comprehensive training in medical administration is offered to a keen young doctor with sound basic clinical experience. A full training programme tailored to the needs of the successful applicant will be arranged. This will initially consist of a period of in-service instruction, followed by secondment, in September/October 1971, to a full-time course for two years organized by the London School of Hygiene and Tropical Medicine, leading to an M.Sc. Degree in Social Medicine from the University of London.
No administrative experience is required, nor is any particular pattern of previous clinical experience necessarily more appropriate than any other. The principal criteria will be a good general medical background and aptitude and enthusiasm for management, investigation, and the practice of medicine on a community scale.

Salary scale £2,760 x increments of £126 (1), £174 (1), £177 (1), £174 (1), and £177 (1) to a maximum of £3,588. Post superannuable.

Further particulars available on request. Canvassing will disqualify, but applicants are encouraged to visit the Senior Administrative Medical Officer by appointment.

Applications, giving particulars of age, qualifications and experience, together with names and addresses of three referees, should be addressed to the Senior Administrative Medical Officer, Newcastle Regional Hospital Board, Benfield Road, Newcastle upon Tyne, NE6 4PY, within 21 days. (39220) 54

DOCTORS ABROAD. Copies of vacancies advertised in the *Journal* can be sent by AIR MAIL. Members rate: minimum cost is 40 shillings for six weeks' supply, which covers up to five separate headings. Non-members rate: 60 shillings minimum for six weeks' supply of five headings or less. Additional headings: 10 shillings each for six weeks' supply (for members and non-members). Orders for specific grades cannot be accepted.
Payment must be PREPAID and enclosed with application.

**SOUTH-EASTERN REGIONAL HOSPITAL BOARD,
SCOTLAND****GROUP MEDICAL SUPERINTENDENT**

Applications are invited from registered medical practitioners with appropriate experience for an appointment to the Regional Board Headquarters medical administrative staff for duties as Group Medical Superintendent of the Edinburgh Northern Board of Management.

The person appointed will be required to undertake responsibility for medical administrative duties in this Group of Hospitals and will have the opportunity to play an important role in the development of the hospital services in the integration of the health service.

Salary £4,512-£5,718.

Applications, giving the names of three referees, by November 28, 1970, to the Secretary, South-Eastern Regional Hospital Board, Scotland, 11 Drumsheugh Gardens, Edinburgh, EH3 7QQ, from whom further particulars may be obtained. (13141) 54

WESTERN REGIONAL HOSPITAL BOARD

Applications are invited for the following appointments:

PRINCIPAL ASSISTANT SENIOR MEDICAL OFFICER

Salary Scale: £4,512 x £201 (6)-£5,718 per annum.

The duties are concerned with the organisation and planning of services for long term patients, geriatric and psychiatric. Previous experience in the planning of new building projects and of general arrangements in the administration of the psychiatric or geriatric services is desirable.

ASSISTANT SENIOR MEDICAL OFFICER

Salary Scale: £4,017 x £183 (6)-£5,115 per annum.

Duties are in connection with the general medical administrative functions of the Regional Hospital Board, including the planning of new major buildings.

ADMINISTRATIVE MEDICAL OFFICERS

Salary Scale: £2,760-£3,588 per annum.

There are two vacancies.

These posts provide for training in medical administration and persons appointed will be seconded for duty as Deputy Group Medical Superintendent to either the hospitals of the Glasgow South Western or Glasgow Northern Boards of Management, of which the main hospitals are the Southern General and Stobhill General Hospitals respectively.

The Regional Board has discretion in terms of regulations to regrade the post after a suitable period to Assistant Senior Medical Officer.

Further details can be had from the Secretary, Western Regional Hospital Board, 351 Sauchiehall Street, Glasgow, C.2., to whom applications (1 copy) should be sent with details of age, qualifications, experience, present appointment, and the names of two referees, not later than 30 days after the publication of this advertisement. (H6753) 54

PUBLIC HEALTH**BIRMINGHAM REGIONAL
HOSPITAL BOARD**

The region covers the counties of Hereford, Salop, Stafford, Warwick and Worcester, in which there are 18 hospital groups with 42,000 beds serving a population of over five million. There are very close links with the four universities (Birmingham, Keele, Warwick, Aston) and numerous technical colleges contained within the region, especially for educational and research programmes.

**(i) ASSISTANT SENIOR
MEDICAL OFFICER****(ii) MEDICAL OFFICER**

In addition to assisting the Senior Administrative Medical Officer in the planning and administration of hospital services in the region, one of the doctors appointed to these posts will be given special training in automation and the application of the computer to medical services with the possibility of a University attachment. Temporary attachments will also be arranged to the health department of a large local health authority so that a general all-round training will be given to fit the successful candidates for a career in an integrated health service.

Present salaries: Superannuable.
Assistant Senior Medical Officer £4017 x 183(6)-£5115
Medical Officer £2760 x 126(1) x 174 (2) x 177(2)-£3588

Applications, stating age, experience, qualifications and naming three referees, to Secretary, 146 Hagley Road, Birmingham 16 by December 14, (39142) 56

£3,465—£4,035

This is a newly created post and the duties will cover a wide field. Applicants will be expected to have had some training in modern research and epidemiological methods—particularly in the use of computer methods.

The person appointed will be required to plan and control researches in health projects, advise and co-ordinate various projects carried out by other members of the department, and to liaise with officers engaged on related work in other departments. Generous relocation assistance in approved cases.

Application form returnable by November 30 from County Medical Officer (RCM), County Hall, Kingston upon Thames. (39170)

56

NORFOLK COUNTY COUNCIL

DEPARTMENTAL MEDICAL OFFICER

(Whole - Time)
£2,160 - £2,895

Applicants must be registered General Practitioners. Commencing salary depending upon qualifications and experience. Possession of a D.P.H. or D.C.H. will be an advantage. The duties will be mainly clinical work in the School Health and Child Welfare Services.

Application forms, together with further particulars, can be obtained from the County Medical Officer, County Hall, Martineau Lane, Norwich, NOR 48A, to whom completed forms should be returned not later than November 30, 1970. (38830)

56

CITY AND COUNTY BOROUGH OF CARLISLE

Deputy Medical Officer of Health & Deputy Principal School Medical Officer

Applications are invited from registered medical practitioners possessing a Diploma in Public Health, or equivalent qualification, for the post of Deputy Medical Officer of Health, etc., in this historic City close to the English Lake District and the Scottish Border Country. The work is both administrative and clinical.

The salary scale is £2982 x £120(4) x £108(1) x £105(1) to £3675. Essential car user allowance. The successful applicant may be recommended for appointment as Deputy Referee to the Carlisle Crematorium for which there is an additional remuneration of £150 p.a. Assistance with removal expenses will be given and temporary housing may be made available.

The Council have appointed a Director of Social Services under the Local Authority Services Act, 1970

Further particulars and forms of application may be obtained from the Medical Officer of Health, Civic Centre, Carlisle, to whom completed forms should be returned

W. Hirst,
Town Clerk.

(39082)

56

LONDON BOROUGH OF BEXLEY Health Department

Applications are invited for the following posts in the newly organized Health Department.

PRINCIPAL MEDICAL OFFICER
Salary: £3,270-£3,845 (including London Weighting)

Applicants for this key managerial position in the department should be registered Medical Practitioners who are holders of a Diploma in Public Health, State Medicine or Child Health. The successful candidate will be responsible for a team covering medical, dental, nursing and other paramedical services within an area of the Borough.

SENIOR MEDICAL OFFICERS
Salary: £2,985-£3,560 (including London Weighting)

Candidates should be registered Medical Practitioners with a reasonable experience of working within a Health Department of a Local Authority. Preference will be given to candidates with a background in paediatrics. Each of these officers will work as a senior member of an area team responsible for medical, dental, nursing and other paramedical services. These positions will therefore offer considerable management experience.

Further particulars and forms of application are obtainable from the Medical Officer of Health—Dr. H. James—Health and Welfare Department, London Borough of Bexley, 9 Brampton Road, Bexleyheath, Kent to whom applications should be returned by December 4, 1970. Clive Dennis, Town Clerk. (13347)

ROYAL COUNTY OF BERKSHIRE

MEDICAL OFFICER AND SCHOOL MEDICAL OFFICER

Applications are invited from registered medical practitioners for the appointment of Medical Officer and School Medical Officer in the southern part of the County based on Newbury. This is normally a full-time appointment but consideration would be given to applicants requiring half-time posts. Although duties are mainly in connection with the School Health Service, there is opportunity of gaining experience in other aspects of Local Health Authority Services. The D.P.H. or D.C.H. will be an advantage. Salary within the range £2,160—£2,895 per annum according to qualifications and experience. Car provided, or car allowance payable.

Further particulars and form of application obtainable from the County Medical Officer, Abbot's House, Abbey Street, Reading. (13352)

56

CITY OF LIVERPOOL

PERSONAL HEALTH & SOCIAL SERVICES DEPARTMENT

MEDICAL OFFICER IN DEPARTMENT

(£2,160—£2,895)

The officer appointed will be mainly employed in Maternity and Child Health work including family planning sessions but will also undertake general medical duties as may be allotted from time to time. Possession of the Diploma in Public Health is desirable. Experience in other fields of medicine will be taken into account when assessing the commencing salary.

General Local Government conditions apply. Removal and other expenses will be paid in appropriate cases.

Application forms, returnable as soon as possible, from the Medical Officer of Health, Health Department, Hatton Garden, Liverpool, L3 2AW. (13351)

56

STANLEY HOLMES
Chief Executive and Town Clerk

DURHAM COUNTY COUNCIL

Health and Welfare Department

Principal Senior Medical Officer (administration)

Applications for this appointment which ranks third in medical seniority in the Department at County Hall, are invited from registered medical practitioners who hold the Diploma in Public Health or equivalent qualification. Salary is at present on the scale £3,375 to £3,945 p.a. but the commencing salary will not be less than £3,565.

The duties of the post are comprehensive and offer wide experience in the administration of a large and progressive Health Department—previously combined Health and Welfare—including responsibilities for the development of new projects and liaison with the new Social Services Department. It is designed to afford experience and further training for promotion to more senior posts in the health service. The Department has its own Research and Evaluation Section which works closely with the County Council Computer and Management Services Unit services.

Further particulars and application forms from the County Medical Officer, County Hall, Durham. Closing date, November 27, 1970.

J. T. BROCKBANK,
Clerk of the County Council.

(39169)

54

SERVICES

What's in the RAF for a young doctor?

Interesting out-of-the-rut medicine

The typical R.A.F. station doctor is a G.P. - with probably a lot of experience in pediatrics! He also has important responsibilities in aviation medicine, public health and industrial health. He does much more preventive work than most civilian doctors are able to do. There are wide opportunities for hospital practice - 47% of R.A.F. doctors are now working in specialist departments.

The chance to travel

You could live and work abroad, in many different conditions and climates, treating not only R.A.F. personnel and their families, but local populations. Your gain in clinical experience would be marked.

... a fair crack of the whip for the Doctor's wife

A Doctor's wife is a Doctor's *wife*. She should not also have to be his telephone-answerer, appointment-maker, dispenser and general auxiliary! In the R.A.F., these things are done by professionals: the typical R.A.F. doctor, on a typical R.A.F. station, works in a fully equipped Medical Centre, which he shares with another doctor; between them they would probably have about 12 staff—secretarial as well as nursing.

£3,000 (tax free) after 5 years

In the first case, you would probably join the R.A.F. for 5 years. If you decide to go back to civil life at the end of this time, you would take with you a tax-free honorarium; at present £3,000. (You might of course wish to stay on: you can apply after the first year.) Now for income: suppose you are a married man of 25, fully registered. If you were in the R.A.F., your income would be at least £3,249 p.a. The R.A.F. would probably provide you with a house, furnished right down to the last coffee-cup.

To find out more please write, giving your age, nationality, qualifications and date of full registration with General Medical Council, to The Directorate General of Medical Services, RAF (MA1 (RAF)), Ministry of Defence (724QS14), 1-6 Tavistock Square, London W.C.1.

Royal Air Force Aerocrats

LANCASHIRE COUNTY COUNCIL

Applications are invited from Registered Medical Practitioners for vacancies which exist in Newton-le-Willows, Chorley and areas adjacent to Bury.
Salary scale £2,100-£2,895 per annum—commencing point according to experience.
The County Council has a generous scheme of financial assistance towards study for the Diploma in Public Health.
Medical Officers are classified as car users and subsistence allowances are payable where appropriate. An assisted car purchase scheme is in operation.
Further details and application forms obtainable from the County Medical Officer of Health, Serial Number 7787 East Cliff County Offices, Preston PR1 3JN. Application forms to be returned as soon as possible. (13308) 56

LONDON BOROUGH OF RICHMOND UPON THAMES SENIOR MEDICAL OFFICER (Child Health)

required for administrative and clinical duties including responsibility in special schools. Previous experience in the school health service and the ascertainment of educationally subnormal children desirable. D.P.H. or D.C.H. an advantage. Whitley Council conditions of service. Commencing salary according to experience within scale £2,790—£3,365. Car allowance.
Forms from Medical Officer of Health, Elmfield House, High Street, Teddington, Middlesex, returnable by November 30. (01-977 4411). (13333) 56

REPUBLIC OF IRELAND

CLARE COUNTY COUNCIL County Hospital, Ennis HOUSE OFFICER

Immediate applications are invited for the post of House Officer (Post Registration). Salary scale: £1,600 x £150 + £2,500 per annum. Full residential emoluments will be supplied for which a deduction of £218 per annum will be made from the gross salary.
Applications should be addressed to the Secretary, Courthouse, Ennis, Co. Clare. (H6728) 60

JERVIS STREET HOSPITAL Dublin, 1

SURGICAL REGISTRAR

The Committee of Management invite applications from suitably qualified persons for the above posts.
Salary £2,700 to £2,950 plus £210 p.a. for higher qualification.
Applications, with full particulars of qualifications and experience and the names of two referees should be received by the undersigned not later than Monday, November 30, 1970. Sheila O'Dea, Secretary. (H6773) 60

UNIVERSITY COLLEGE, Dublin Department of Pharmacology

COLLEGE LECTURER OR ASSISTANT LECTURER

Applications are invited for the post of College Lecturer or Assistant Lecturer tenable from January 1, 1971 or in special circumstances a somewhat later date. The Department caters for medical and science (including pharmacy) students. Non-medical (or non-veterinary) candidates must have a higher degree in pharmacology, physiology or biochemistry.
Salary on scale: College Lecturer £2,493 x 129—£3,396.
Assistant Lecturer £1,633 x 102—£2,137.
Initial placing according to qualifications and experience. Family allowances are payable; and the appointee may either participate in a non-contributory pension scheme or receive benefits on the basis of an F.S.S.U.-type arrangement.
Further information is obtainable from the Head of the Department of Pharmacology, Foster Avenue, Blackrock, County Dublin to whom applications (in triplicate) should be sent before Thursday December 10, 1970. These should name two referees and indicate age, qualifications and experience. (13334) 60

CORK HEALTH AUTHORITY

VACANCY FOR ANAESTHETIC REGISTRAR St. Finbarr's Hospital, Cork (Teaching Hospital)

This post is recognized for F.F.A.R.C.S.I. and D.A. Full Consultant cover is provided at all times and study time will be allowed. Experience may be gained in most branches of anaesthetic management including Intensive Care, regional blocks, general, vascular, cardiothoracic, obstetric, plastic, paediatric, orthopaedic, E.C.T. and casualty work, carried out in four University Affiliated Hospitals.
The appointment will be for one year in the first instance but may be renewed if the candidate proves satisfactory.
Remuneration will be at the rate of £2,200 by annual increments of £150(5)—£2,950 per year with an allowance of £210 for a higher degree. This salary will be further reviewed on January 1, 1971.
Application forms may be had from Secretary, Cork Health Authority, Room 703, County Hall, Cork to whom completed applications should be sent. (H6737) 60

THE CHILDREN'S HOSPITAL

Temple St., Dublin

Applications are invited for the appointment of **MEDICAL REGISTRAR**

Oil Industry Medical Society
Tripoli — Libya
Medical Officer

male or female, married or single, is required to join eight other Medical Officers in the Society's well-equipped modern hospital. This is currently being expanded to include 40 beds and provides out-patient and in-patient care for the employees and dependants of approximately 50 companies engaged in the oil industry.

The present staff includes a surgeon, physician/paediatrician, obstetrician/gynaecologist, anaesthetist, psychiatrist and ophthalmologist and a radiologist is currently being recruited. The appointee will join this team in providing a comprehensive service, including pre-employment and periodic medical examinations of employees and dependants, and maintaining a 24-hour duty roster for the hospital.

Qualifications: Applicants must have at least five years' experience since full registration in the U.K. Preference will be given to those with broadly-based experience and who have post-graduate experience at Registrar level in a field which augments or complements the skills of the present staff.

Salary: Salary, inclusive of overseas allowances, will be payable in Libyan Pounds and is equivalent to Sterling £7,000 to £7,500 for doctors with a higher qualification and to Sterling £6,500 to £7,000 for those without post-graduate qualifications.

Libyan Income Tax is currently approximately 11% of gross earnings. Furnished accommodation for married or single employees will be provided at a reasonable rental, personal effects may be shipped to Libya at Society expense and paid home leave is provided annually with free return air passages for the employee and family. There is generous provision for medical care and educational assistance for children.

Interviews will be held in London and the successful candidate will be offered an initial contract of two years, renewable by mutual agreement.

Please write with details of qualifications, experience, age and present salary to B. R. Allen, Mobil Oil Company Limited, 54/60 Victoria Street, London S.W.1. (39120) 61-1

Work requires high standard of General Medical Training, Anaesthetics and Operating experience useful. Drs. Pariser/Pearce, 301 Mitchell Street, Port Colborne, Ontario. 61-1

GENERAL PRACTICE VACANT

A General Practitioner is required for the Amuri District following resignation of previous Medical Officer on account of age after more than 20 years' service.

The practice is centred at Rotherham where there is an excellent house owned by the Council.

Culverden is seven miles away in one direction and Waiau a similar distance in another. Consulting rooms can be arranged in both these centres and this course is recommended.

Cheviot is situated 34 miles to the North-East and the Cheviot and Amuri practices can be easily worked for relief during alternate weekends. Hanmer Springs is situated 25 miles to the North where there is a special area doctor practising from the Hospital.

As the Amuri is an important rural area the Minister of Health has approved the offer of a guaranteed return from General Medical Services of \$7,250 per annum. This guarantee would not affect the doctor's claims for Maternity Benefits, or his eligibility for the rural practice bonus, or restrict in any way his right to charge patients over and above the general Medical Services benefit.

All main roads and most secondary roads in Amuri County are tar-sealed. This area of North Canterbury is a most congenial one for social activities with opportunities for sport—fishing, shooting, ski-ing, golf (several courses), mountain climbing, tramping and swimming within easy reach. Christchurch is 62 miles South where there is a base hospital, private hospitals and a full range of specialists available.

For any further particulars please apply to the County Chairman, P.O. Box 14, Culverden, North Canterbury, New Zealand. 61-1

ARABIAN AMERICAN OIL COMPANY

Saudi Arabia

invites applications for the position of

OBSTETRICIAN

The company operates a modern fully-equipped hospital which is a member of the American Hospital Association and fully approved by the Joint Commission on Hospital Accreditation. There is a staff of 60 physicians, representing all the major specialties. All physicians and supporting personnel have been trained either in the United Kingdom or in the United States.

Applicants must have their post-graduate training, of at least one year, either in the United Kingdom or in the United States and three years' experience in obstetrics.

An all-inclusive salary of £5760 per annum is offered, a two-year contract renewable at company option and a round trip for entire family to home every two years.

Applications in writing should be forwarded to Mr. H. van Asbeck, Laan van Meerdervoort 55, The Hague, Netherlands. (H6685) 61-1

APPLICATIONS ARE INVITED FOR THE position of Junior Full-Time Radiologist. (A minimum of six months training in Nuclear Medicine a requirement.) Salary range \$19,000—\$28,000 per annum, four weeks holiday, retirement scheme, group insurance, etc. The Ottawa Clinic of the Ontario Cancer Foundation has two divisions one of which is at the Ottawa General Hospital and the other division at the Ottawa Civic Hospital. The Ottawa Clinic possesses a full range of equipment including two Cobalt units, three 250 therapy units, two superficial therapy units, etc. The present staff consists of five radiotherapists, physics staff, etc. Three peripheral consultative clinics are operated outside Ottawa. Approximately 1,000 new patients are seen per year and the total number of treatments given in 1969 was 16,394. Candidate must either have or be capable of obtaining Fellowship or Certification from the Royal College of Physicians and Surgeons of Canada and be eligible for registration with the Ontario College of Physicians and Surgeons. Fluency in the French language would be an asset. Further particulars and application forms may be obtained from the Director, Dr. T. G. Stoddart, Ottawa Civic Hospital, Ottawa 3, Ontario, Canada.

Groote Schuur Hospital, the main teaching hospital of the University of Cape Town medical faculty, has a vacancy for a

Principal Specialist to head the Department of Radio-Isotopes

Candidates must be in possession of an appropriate medical degree registrable with the South African Medical and Dental Council and also a certificate of recognition by the South African Atomic Energy Board entitling them to handle all types of Diagnostic Isotopes.

The prospective applicant may be either a Physician, Radiologist or any other suitably qualified and experienced medical practitioner.

His duties will not include the handling of Therapeutic Radio-Isotopes as this falls under the Radiotherapy Department.

Salary will be £5,610 per annum, and in addition, an annual vacation savings bonus is payable subject to certain conditions.

Candidates are required to furnish a statement of academic achievements, professional experience and the names of three referees.

Applications must be made, in duplicate, on the prescribed form, Staff 23; which is obtainable from the Chief Migration Officer, Immigration Section, South Africa House, Trafalgar Square, London, W.C.2, and should be forwarded to the Medical Superintendent of the hospital concerned to reach him not later than 31st January, 1971.

61-1

BERMUDA

Applications are invited for the appointment of CHIEF MEDICAL OFFICER to the Government of Bermuda.

Salary is fixed at £6,850 per annum, and the appointment will be on contract for a period of three years. Passage provided.

The Chief Medical Officer is the professional head of the Department of Health and Welfare and chief professional adviser to the Member of Executive Council responsible for Health and Welfare. The successful candidate will be responsible for the professional direction of the Department in accordance with the policies laid down by the Member. He will be required to work closely with the Permanent Secretary of the Department.

There are three main Divisions of the Department; the Personal Health Division (including Clinics and School Health); the Welfare Division; and the Environmental Health Division; each of which is in charge of a senior officer responsible to the Chief Medical Officer. A wide range of services provided by the Department includes epidemiology, disease control; port and airport health. The Chief Medical Officer has statutory functions under certain Acts of Parliament including the Public Health Act, the Dangerous Drugs Act, the Poisons Act, the Quarantine Act, and subsidiary legislation thereunder.

Qualifications

Applicants must be fully qualified medical practitioners, as approved by the Bermuda Medical Board, and also possess the Diploma in Public Health or equivalent recognised Postgraduate qualification in Public Health; they should have extensive experience of, and have shown outstanding ability in, health and welfare administration, and should preferably have attained the age of 40 years, and should be under 50 years.

Applications, should include a full resume of past experience and the names and addresses of two referees, and should be forwarded by AIRMAIL to the Secretary to the Public Service Commission, Post Office Building, Hamilton, BERMUDA, to arrive not later than December 19, 1970. 61-1

NIGERIA

WESLEY GUILD HOSPITAL, ILESHA
OBSTETRICIAN/GYNAECOLOGIST
with M.R.C.O.G. or equivalent qualification, required as from February 1971 to take charge of the obstetrics and gynaecology unit in this busy 170-bed general and maternity hospital, recognized for training nurses, midwives, and pre-registration housemen. A new and larger maternity department is about to be built to replace the present 26-bed unit, and the doctor will be able to supervise its development and organization. Facilities good, excellent laboratory, blood bank, laparoscope, family planning programme, research encouraged. Work includes some general on-call duties in rotation with other doctors. Accommodation available. Good climate. Salary at Nigerian government rates according to qualification, or by negotiation. This is a real opportunity for a doctor of Christian conviction to use his skill in a situation where needs are great, and something practical can be done. Application to the medical superintendent, Wesley Guild Hospital, Ilesha, or Medical Secretary, Methodist Missionary Society, 25 Marylebone Road, London, N.W.1. (H6796) 61-1

PRINCE COUNTY HOSPITAL

Summerside, Prince Edward Island
Canada
Psychiatrist with Canadian specialist certificate or equivalent required to establish a psychiatric unit in a modern general hospital of 150 beds. This unit will provide all adult in-patient active psychiatric treatment for a total population base of 35,000.
Family physicians in the region will have full admission privileges. Private practice basis; part-time appointment with provincially operated Mental Health Clinic and other community services can be arranged.
Apply, with references to: Mr. J. M. Logan, Administrator, Prince County Hospital, Summerside, P.E.I., Canada. (H6738) 61-1

RECENT GRADUATE, FIVE-MAN
group, general practice. Hospital privileges, good income. Reply B. Freed, 172 Queen West, Brampton, Ontario, Canada. 61-1

RESEARCH FELLOWSHIPS IN

OTOLARYNGOLOGY
The Department of Otolaryngology (Chairman: Professor D. P. Bryce), University of Toronto, Canada, offers two Research Fellowships for the study of problems related to laryngeal and pharyngeal cancer and reconstructive head and neck surgery. These Fellowships are tenable for one year as from July 1, 1971. Candidates should be of middle/senior registrar grade and have passed a Final Fellowship examination. Salary is dependent upon qualifications and experience.
Apply, in writing, naming three referees, to John M. Frederickson, M.D., F.R.C.S.(C), F.A.C.S., Associate Professor, Medical Sciences Building, 1 Kings College Circle, University of Toronto, Department of Otolaryngology, Room 7310, Toronto 5 Ontario, Canada. 61-1

RESIDENCIES IN LABORATORY

MEDICINE
(1) **PATHOLOGY RESIDENCY**
A rotating program in clinical pathology and anatomical pathology, and a straight four year course in anatomical pathology, fully approved by the Royal College of Physicians and Surgeons of Canada and the American Board, is available in a 1,100-bed Ottawa University-affiliated general treatment hospital. The staff includes four full-time pathologists, 2 haematologists, a cytopathologist, a medical bacteriologist and a medical biochemist. The annual workload consists of 10,000 surgical, 500-600 autopsies, 500 bone marrows and 279,466 other hematological tests, 21,100 cytology specimens, 103,151 bio-chemical tests and 55,422 bacteriological tests per year. Emphasis is placed on participation in intra- and interdepartmental conferences, seminars and clinically oriented laboratory work. There is an opportunity to participate in the teaching of undergraduate medical students and laboratory technology students.
(2) **MEDICAL BIOCHEMIST RESIDENCY**
A four-year training program, approved by the Royal College of Physicians and Surgeons of Canada, is available at the Ottawa Civic Hospital. The Biochemistry Department is staffed by a medical biochemist, a clinical chemist and two laboratory scientists. Advanced and modern methods of investigation including radio-isotope methods, chromatography techniques, general hematology, bone marrow examinations and blood banking, cytogenetic studies and extensive investigation in hemoglobinopathies. The department is responsible for patients and therefore, clinical teaching is provided. There is a staff of two hematologists.
(3) **HEMATOLOGY RESIDENCY**
The training program in Hematology covers all requirements for examination in hematological pathology of the Royal College of Physicians and Surgeons of Canada. This includes advanced coagulation techniques, radio-isotope methods, general hematology, bone marrow examinations and blood banking, cytogenetic studies and extensive investigation in hemoglobinopathies. The department is responsible for patients and therefore, clinical teaching is provided. There is a staff of two hematologists.
For further information for any of the above courses, apply to Dr. R. Barr, Department of Pathology, Ottawa Civic Hospital, Carling Avenue, Ottawa 3, Ontario, (H6627) 61-1

UNITED STATES HOSPITAL INTERNSHIPS AND RESIDENCIES available. University and non-university affiliated hospitals. Wide choice. Submit curriculum vitae to: International Medical Exchange 1250, Portland Avenue, Rochester, New York 14621, U.S.A. Interviews may be arranged. 61-1

URGENTLY REQUIRED G.P.
and G.P. for seven doctor clinic. Mid Ontario. Guaranteed salary plus percentage. Good housing and school. Privileges available in accredited hospital. On call rota. Beautiful area with compatible colleagues. Please include curriculum vitae and two names of reference to Box 790, B.M.J. 61-1

WANTED. GENERAL PRACTITIONER

WEST VIRGINIA UNIVERSITY

MEDICAL CENTER

RADIOLOGISTS

Radiologists wanted to work in University Hospital (450 beds). Department at present performing approximately 55,000 examinations per annum of all types, including special procedures.

The department is undergoing reorganization and re-equipping under new Chairmanship, together with the development of subdivisions of diagnostic ultrasound and isotopes.

Salary range, fringe benefits and academic rank comparable and competitive with similar positions throughout the United States. Beautifully located in a university town in the foothills of the Allegheny mountains. Excellent cultural facilities including a new center for the performing arts.

Wide range of outdoor and sporting activities. Easy access to all major cities.
Reply with brief curriculum vitae to Box 920, B.M.J. 61-1

WANGARATTA DISTRICT BASE HOSPITAL Australia

REGIONAL PATHOLOGIST
The Committee of Management invites applications for this post from Pathologists registrable in Australia, preferably with higher qualification.

The Regional Laboratory caters for the Base Hospital (83 beds) and twelve District Hospitals in North East Victoria. It is new, well equipped and air-conditioned.

Applicants should therefore be capable of supervising routine haematology, bacteriology, chemical pathology and histopathology, even if their interest lies mainly in one branch.

Wangaratta is a pleasant country town of 160,000 people, 150 miles north east of Melbourne on the Melbourne/Sydney highway. There is a wide range of educational, social and sporting activities available.

Salary in the vicinity of \$16,000 per annum. Limited right of private practice. A three bedroomed brick residence is available for rental at \$8 per week. Financial help towards cost of removal.

Four weeks' annual leave. Liberal conference and study leave. Cumulative sick leave and sabbatical leave. Encouragement in special projects.

Applications and enquiries to the undersigned, N. B. Perrin, Manager and Secretary. (H6569) 61-1

THE WOMEN'S HOSPITAL (Crown Street) Sydney, Australia

PATHOLOGIST

With a view to filling an impending vacancy in the position of "Clinical Pathologist," suitably qualified medical graduates who may be objectively interested are invited to communicate with the Chief Pathologist (Dr. J. M. Moyes) and/or to make written application, with all customary personal and professional details, by December 20, 1970.

Owing to limitation of space, the present full-time medical staff establishment of the Department of Pathology is restricted to the posts of Chief Pathologist and Clinical Pathologist. Essentially therefore, applicants will be prepared to maintain active interest in various sections and, from time-to-time, to deputise for the Chief Pathologist in the work and administration of the Department as a whole.

At the same time it will be appropriate for the appointee to have and/or develop a special interest, including research, with a high degree of sectional independence, either in Biochemistry, Haematology or Bacteriology.

New accommodation for a self-contained section will be available in a few weeks; another such improvement will be completed in 1971, and entire re-accommodation of the Department is foreseeable.

The appointee will be qualified, or in line for qualification, as a "Specialist" as defined by the Medical Officers—Hospital Specialists (State) Award, the current salary range being \$10,032—\$12,566 according to years of service with such qualification, plus an administrative allowance, currently \$360 per annum.

Enquiries should please be addressed to the Chief Pathologist; Applications to the Chief Executive Officer; Postal Address—The Women's Hospital, (Crown Street), Darlinghurst, N.S.W. 2010, Australia. (13707) 61-1

U.S.A. MUHLBERG HOSPITAL, plainfield, N.J. fully accredited Internship, 550-bed hospital, 25 miles from New York City. \$300 monthly stipend, plus full maintenance. Transportation advanced. E.C.F.M.G. required. Inquiries to Director, 61-1

WORCESTER CITY HOSPITAL, Worcester, Massachusetts, U.S.A.

Teaching Program. Full-time Chiefs of Service. Stipend \$7,467.20-\$10,008.00.

RESIDENCIES in Internal Medicine, Surgery, Pathology, Pediatrics. Extension F.M.G. required. Apply to Director of Medical Education. 61-1

YOUNG RADIOLOGIST WANTED to join qualified radiologist and 26 other specialists. Newly completed clinic in large, beautiful Western Canadian Capital. Close to the Rocky Mountains. Excellent x-ray equipment including intensifiers and 90-second processing. Cool, dry winters and warm, dry summers. Excellent year-round recreation facilities and schools.—Box 894 B.M.J. 61-1

YOUNG FRUSTRATED G.P. WANTED to join group of four doctors in rapidly growing town in central British Columbia. Three of us are fugitives from the N.H.S. We have a F.R.C.S. and a M.R.C.O.G. but need another G.P. with a wide practical experience as possible. We have a well equipped, modern 100 bed hospital and plenty of worthwhile medicine, hunting, fishing and skiing. If your wife is a physiotherapist, our joy would be complete. Possible interview in London very shortly. For fuller details apply to Box 1727, Williams Lake, B.C., Canada. 61-1

ZAMBIA FLYING DOCTOR SERVICE. The service is designed to provide medical facilities for the rural areas of Zambia. It owns and operates five aircraft and sees about 10,000 patients a month. The work is hard and challenging but there is much interest and variety and there are opportunities for original work. At present the service employs 12 doctors and 12 nurses. A number of posts for doctors are available from early 1971. Terms contract period (revised) one year. Furnished accommodation provided at a modest rental. Salary scale for doctors K4,712 to K6,274 plus 25% gratuity (K1=11/8D sterling). Doctors interested in applying should address their enquiries to the Chief Medical Officer, Zambia Flying doctor service, P.O. Box 1856, NDOLA, Zambia. (H6794) 61-1

FACULTY OF ANAESTHETISTS OF THE ROYAL COLLEGE OF SURGEONS OF ENGLAND

BOARD OF FACULTY ELECTION
Notice is hereby given that an election of five Fellows in the Faculty to the vacancies on the Board occasioned by the retirement in rotation of Dr. A. J. W. Beard, Dr. R. W. Cope, Dr. A. H. Galley and Dr. W. D. Wylie, and by the death of Dr. M. H. Armstrong-Davison, M.B.E., D.D., will take place at the College on Wednesday, March 10, 1971, at 2.30 p.m. Dr. A. J. W. Beard, Dr. R. W. Cope and Dr. A. H. Galley are not eligible for re-election having completed the total period of service permissible. Dr. W. D. Wylie is eligible but is not applying for re-election.

The following shall be eligible for election to the Board on complying with the conditions of the Rules of the College:
(a) All Fellows in the Faculty by election, provided they have been medically qualified for fifteen years at the date of the election.
(b) All Fellows in the Faculty who have been medically qualified for fifteen years and Fellows by examination for ten years at the date of the election.

Standing Orders VI (ii) prescribe that an elected Member of the Board may not serve beyond the date of election next following his 67th birthday.

Copies of the requisite Notice to be signed by the Candidate and three Fellows in the Faculty may be obtained on application to me, and must be received by me duly completed within thirty days from this date, i.e. not later than Monday December 14, 1970.

The names of the candidates will be published in the medical journals on or about Friday, January 15, 1971. A voting paper will be sent by post to each Fellow whose address is registered at the College on Wednesday, January 20, 1971. Fellows are requested to give notice, without delay, of any change of address so that their voting papers may not be misdirected. R. S. Johnson-Gilbert, Secretary. 35/43 Lincoln's Inn Fields, London, WC2 3PN. (13766) 62-1

What is the word for emotional distress?

The presenting symptoms? "Can't sleep . . . irritable . . . no appetite . . . tired . . . aches and pains"—consultation after consultation.

The task? To penetrate behind the facade to the underlying condition.

The aim? To make the patient feel better quickly and reveal the problem, without unnecessary consultations.

Tranquillizers or hypnotics may deal with part of this aim, but only part.

Prothiaden can meet all the requirements. It is rapidly effective in both anxiety and depression. One ingredient, a single-strength capsule means straightforward dosage.

Prothiaden is well tolerated even by the elderly.

Prothiaden can mean trouble-free treatment of anxiety, depression, in fact any manifestation of emotional distress.

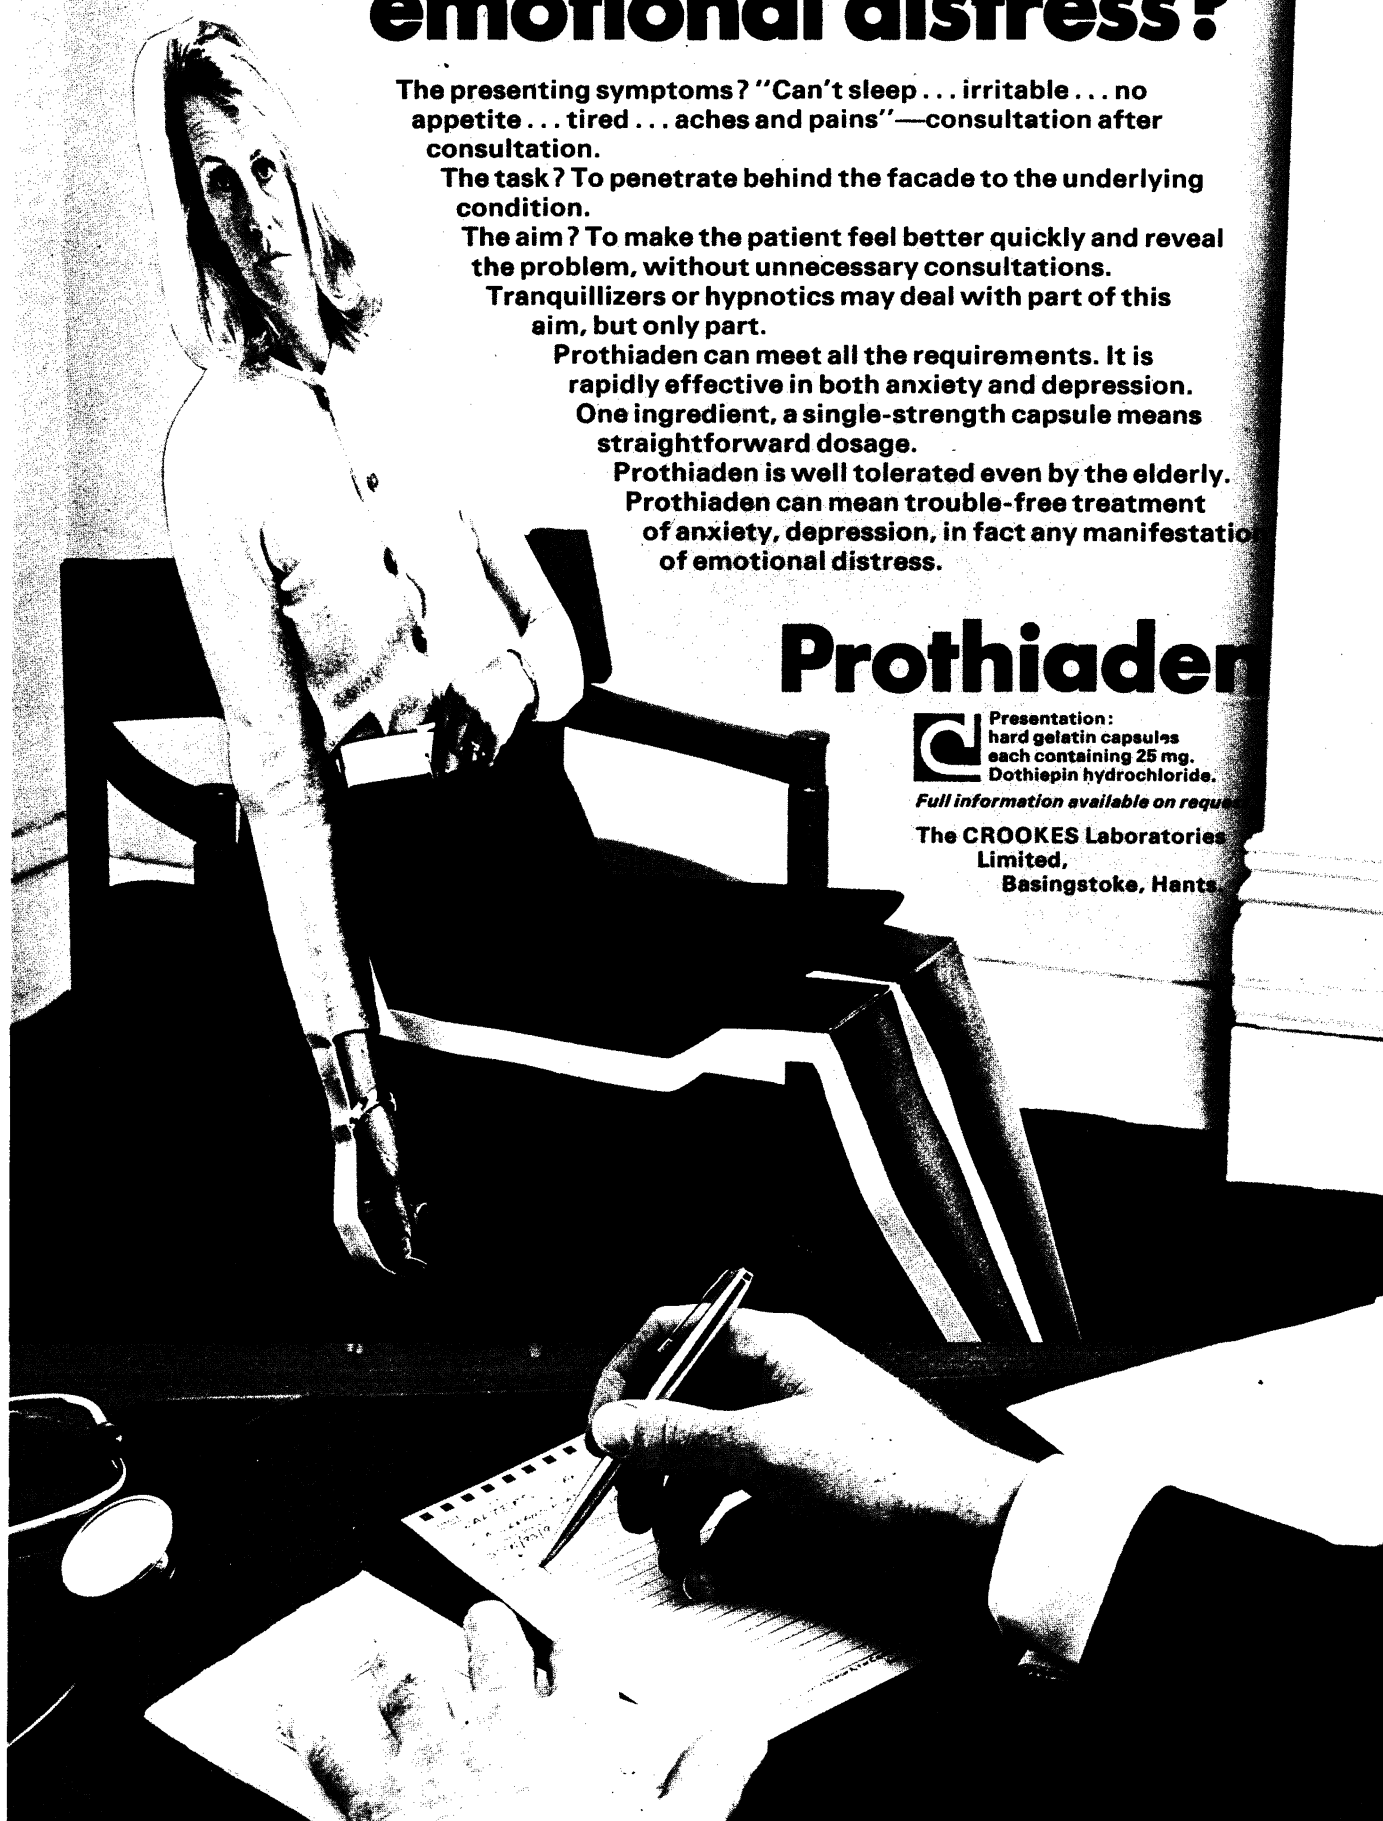

Prothiaden

Presentation:
hard gelatin capsules
each containing 25 mg.
Dothiepin hydrochloride.

Hazard Ahead...

but with care, one that is readily overcome.

The 'Hazards' facing you and your family are not so easily tackled, but with the same care you can provide for yourself and your dependants with the right type of insurance.

Understandably, you may not know where to start, but the Medical Insurance Agency, with its knowledge of the insurance market and of the needs of the medical and dental professions, will help you to find the policy that is exactly right for you.

oral
Dalacin C

Before 'Eraldin', he'd have thought twice.

In angina, 'Eraldin' makes the going easier for patient and doctor.

-Easier for the Patient

His confidence is restored because his heart is protected against the effects of stress. Emotional situations no longer herald anginal attacks. Although he still knows his physical limits, these have been extended - by 'Eraldin'.

-Easier for the Doctor

'Eraldin', the latest, most advanced long-term protection against angina, shields the heart - and the heart alone - against excessive sympathetic stimulation. This cardioselectivity

permits protection in a broader group of anginal patients. Management is straight forward and dosage is on a simple twice or thrice daily basis. 'Eraldin' has other valuable properties - mainly related to safety.

Detailed information is available on request.

If your patient needs trinitrin he also needs
