

three faces of Valium* Roche

1 Valium Roche in simple anxiety

Anxiety may be a physical, as well as an emotional state. Often, it presents as a rather bizarre pattern of largely physical symptoms, things like headache, 'dyspepsia', insomnia, muscular pains and disturbances of appetite.

Hundreds of clinical trials, involving tens of thousands of patients in almost every country in the world have shown that Valium Roche affords remarkable symptomatic relief in such cases, 'curing' a long list of apparently intractable physical symptoms.

2 Valium Roche in psychosomatic illness

Sometimes, anxiety disturbs physiological or bio-chemical function to the point of producing functional or structural disorders. Such conditions take on a life of their own and demand – in addition to the relief of anxiety – active, specific treatment.

In such cases Valium Roche curbs anxiety and – coupled with specific treatment – helps to ease or eradicate a long list of conditions involving the skin, gastro-intestinal tract, the heart and circulation, the muscles and the organs of reproduction and excretion.

3 Valium Roche in organic disease

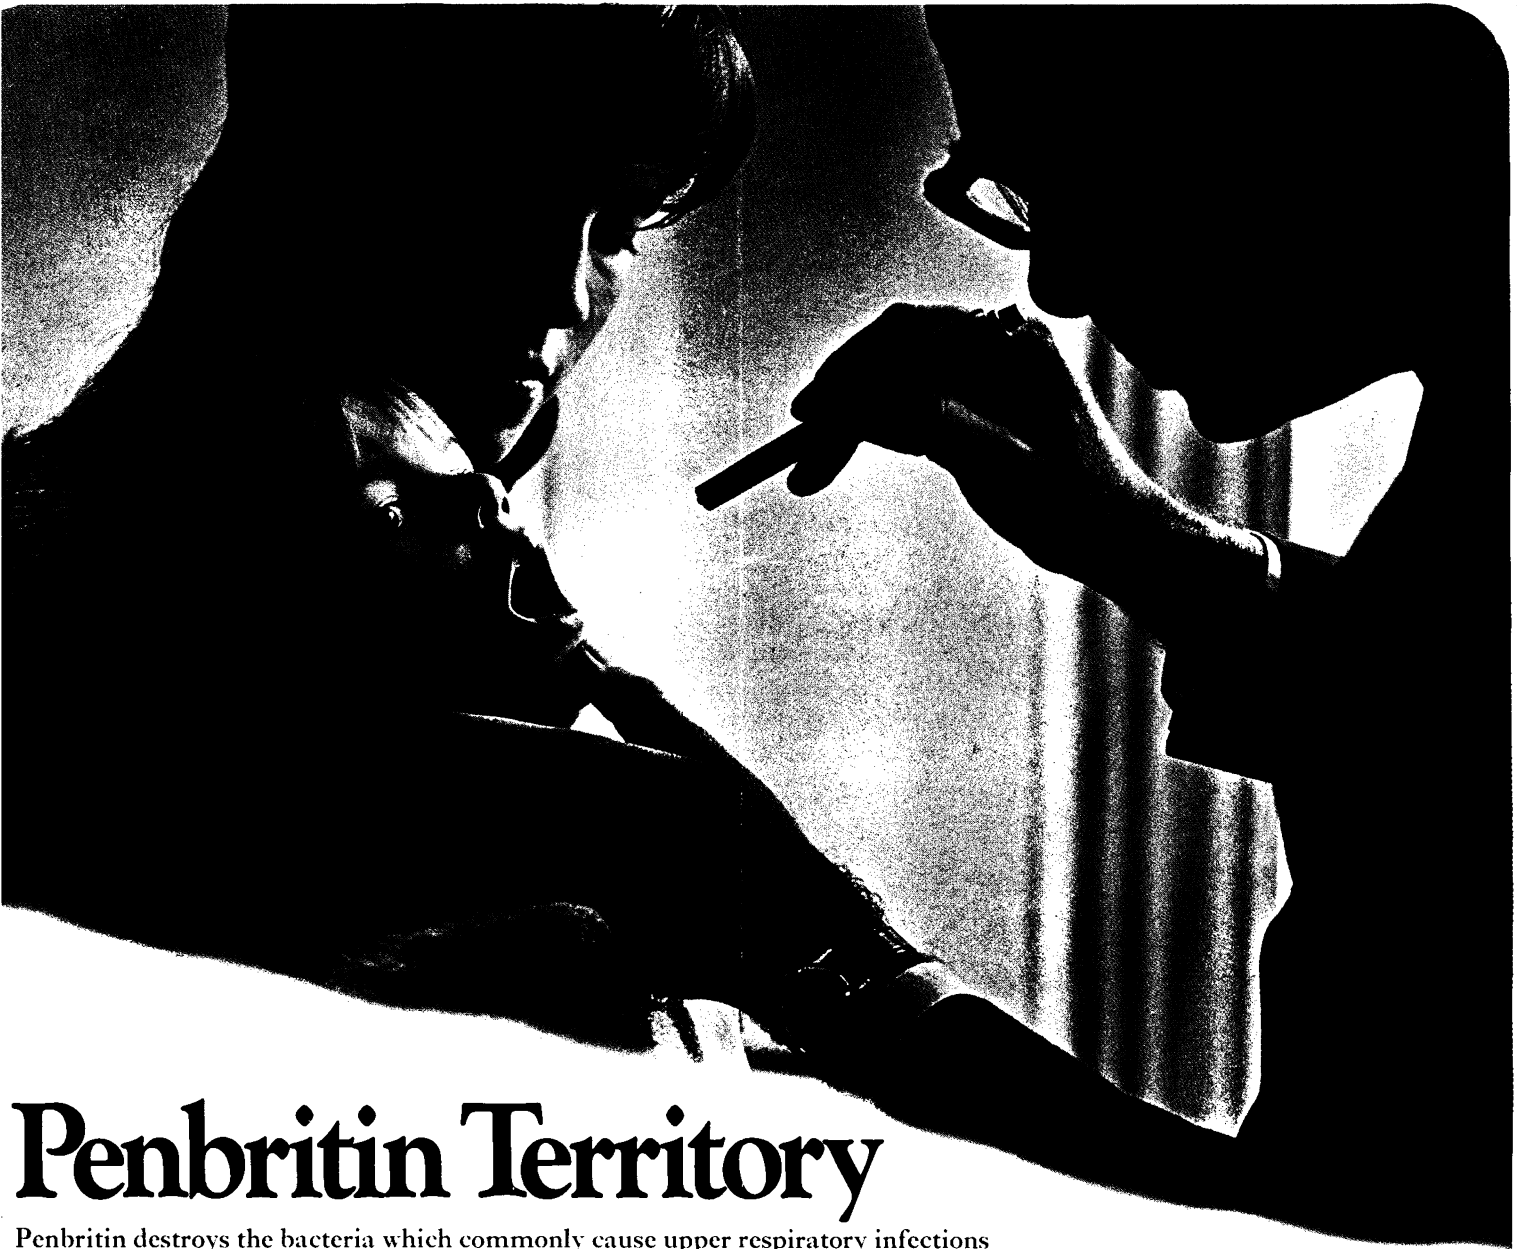

Even patients whose clinical condition is clearly organic can become excessively anxious. When they do, the anxiety and its physical effects may hinder recovery or – in conditions like myocardial infarction – amount to a major complication.

Valium Roche has been used in many such cases. Invariably, it produces a sharp improvement in the patient's emotional outlook and attitude. Where anxiety has produced an increase in sensations of pain or discomfort Valium Roche can afford dramatic relief from organic symptoms.

Roche Products Limited, 15 Manchester Square, London W1M 6AP.

Penbritin Territory

Penbritin destroys the bacteria which commonly cause upper respiratory infections and otitis media. Its spectrum of activity includes streptococci—now less sensitive to tetracyclines than they were—and *Haemophilus influenzae*. This pathogen often causes otitis media in the young and is insensitive to oral penicillin V and G.

Penbritin's decisive bacteria-destroying action, so important in treating infections in children, contrasts with the tetracyclines and erythromycins which merely inhibit bacterial growth.

As a penicillin Penbritin has a well-documented record of safety. In contrast it has been suggested that tetracyclines are "absolutely contra-indicated for children aged under 8" because of serious effects on tooth development. (Brit. med. J. (1970), 4, 509).

Acceptability is important in choosing an antibiotic for children. Penbritin syrup, paediatric tablets and the new paediatric suspension are extremely acceptable to the young. And at the normal children's dosage, Penbritin syrup's N.H.S. cost is just 8½p a day.

Usual children's dosage: 125mg. q.i.d. ½ – 1 hr a.c.

Contra-indication: Penicillin hypersensitivity.

Side effects: As with other penicillins.

Further information is available on request.

Penbritin The right-first-time antibiotic for infections in children

Penbritin* (ampicillin) is a British product originated by
Beecham Research Laboratories, Brentford, England.

Septrin

an advance on
the antibiotics

SEPTRIN eradicates infection by a double blockade of bacterial metabolism.

Day-to-day decisions confronting the G.P.

"What is hypertension and when should I treat it? Is further investigation necessary or desirable in this patient and if so, what investigations should I as a clinician do? Which of the many drugs now available should I use to treat my hypertensive patients? Should I use drugs alone or in combination and if so, for how long?"

Dr. R. L. Parsons, Lecturer in Clinical Pharmacology at a London Teaching Hospital answers these important and fundamental questions in a 15-minute recorded lecture, which is the first in the CIBA Postgraduate Medical Educational Series.

This recording will be sent to all general practitioners in the United Kingdom during December. Watch out for your copy.

1. The Management of Hypertension

The first in a series of 15-minute recorded lectures
by Dr. R. L. Parsons, Lecturer in Clinical Pharmacology
at a London Teaching Hospital.

In urinary tract infections

Do bacteria like liquorice?

They won't when it is accompanied by the nitrofurantoin in CEDURAN tablets. Deglycyrrhizinated liquorice is included in CEDURAN tablets to effectively combat the gastric side-effects, so often a cause of unsuccessful treatment with nitrofurantoin. In 82 patients* in whom treatment had to be abandoned because of side-effects. There was an almost complete absence of untoward reactions from CEDURAN. Furthermore, in a recent survey† of the sensitivities of urinary pathogens, nitrofurantoin was one of the only three preparations recommended as primary oral treatment.

* Trial on file with Tillotts Laboratories.

† Postgrad. Med. J. (September Suppl. 1971) 47, 7-18

The beauty of Calmurid HC in eczema:

The difficulty of treating the essentially inflammatory condition of dry eczema is that it occurs beneath a barrier of dry, scaly skin.

So the heavy artillery is wheeled in. The massively potent fluorinated steroids. The logic: *saturation* treatment. The result? Only too often such serious side effects as skin atrophy and wasting, systemic absorption and adrenal suppression.

Now reverse the logic. *Select*, rather than saturate. Take a medicament proven highly successful in the treatment of dry, scaly skin. Calmurid. Use its deeply penetrating action as a means of carrying the milder, natural steroid, hydrocortisone, right through to the eczematous area.

The result this time is a very evident clearance of inflammation. And the remarkably early disappearance of the dry, scaly skin.

Double blind trials have shown that Calmurid incorporating hydrocortisone at least equals the potent fluorinated steroids in efficacy. It is without their hazards. It lends itself especially to the treatment of infants and children and for use in all long-term therapy. A sample awaits your request.

Indications

Atopic Eczema, Besnier's Prurigo, acute and chronic allergic eczema, neurodermatitis and other hyperkeratotic skin conditions with accompanying inflammation.

Unwanted Effects

Being hyperosmotic and acidic, Calmurid HC may cause smarting following initial applications to raw, fissured or weeping surfaces. Application to mucous membranes may cause smarting for the same reason.

Contra-Indications

Skin tuberculosis, viral infection accompanied by dermal manifestations, herpes simplex, vaccinia, chickenpox and measles. Syphilitic skin lesions. Concurrent mycotic infections (excepting *Candida*). The cream should be complemented with antimycotic treatment.

Application

Apply twice daily after washing the affected area. If a lesion is moist therapy should be aimed at drying the area before instituting Calmurid HC therapy.

It is skin deep

Calmurid HC penetrates

Composition Carbamide (urea) BP 1968 10% Hydrocortisone 1% in a stabilising emulsified base which does not contain wool fat preservatives or other known sensitising agents. **Presentation** Tubes 30g. **Storage** In a cool place. *Calmurid* is a registered trade mark.

For children such as Johnny who, every year, seem to be more often in the surgery than out of it, Keflex has a lot to offer.

Rapidly absorbed and reaching high serum levels, Keflex has a broad spectrum of antibacterial activity that even includes penicillinase-producing pathogens, and so increases the chances of first-time success in treating infective episodes.

All these properties, plus an extremely low incidence of rash and gastro-intestinal disturbance, make the pleasant-tasting Keflex suspensions a treatment which ensures that most patients like Johnny can overcome infection quickly and with the minimum of complications.

A girl student aged 15 years, who, wanting to commit suicide, ingested 26 tablets of Mogadon.

In the absence of her parents, the patient took this dose together with half a bottle of wine. The patient was admitted to hospital 12 hours later. Respiration and circulation were normal, the patient was in a state of fairly prolonged deep sleep with marked muscle relaxation.¹

Now you can sleep easy

Against a background of increasing concern about the danger of barbiturate poisoning (as few as 20 or 30 tablets may prove fatal), the advent of Mogadon must be of considerable importance. Indeed, Mogadon ".....appears to be as nearly as safe as a drug can be."² Even as many as 80 tablets have produced no untoward effects. Moreover, a recent trial in the B.M.J. showed Mogadon comparable in effect to butobarbitone.³ When such a drug exists, should you risk using anything else?

In treating angina, what do you want: safety or effectiveness?

or both?

Which β - blocker?

TRASICOR is outstandingly effective in preventing anginal attacks.¹

Its advantages over propranolol include:

- less risk of heart failure²
- less risk of bronchospasm in asthmatics³

The safety advantages of TRASICOR over propranolol are shared by practolol but practolol's relative efficacy in angina does not appear to be comparable.^{4, 5, 6.}

Only TRASICOR combines maximum efficacy with safety advantages. Whenever angina is sufficiently severe to warrant the use of trinitrin the logical first choice is now TRASICOR.

An M&B Medical Product

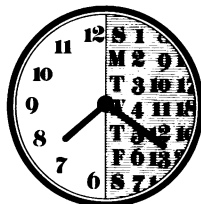

A broken leg disrupted four lives

The 70 year old woman had always had a stable personality. But she broke her leg, and her daughter came to live with her when she came out of hospital. Unfortunately the daughter had been somewhat neurotic all her life, and she became more of a hindrance than a help: she was quite unable to cope with the extra burden of an elderly invalid and became more depressed and agitated.

The twin problems of a broken leg and her daughter's neurosis proved too much for the old lady, and she developed her daughter's symptoms. As tension increased all the family relationships were disrupted. The doctor had treated them both for depression – one reactive, the other endogenous – over the years without much success. Then six months ago they were both put on Limbitrol. There has been a much better response than with previous treatments: conflict between mother and daughter has disappeared.

LIMBITROL

treats anxiety in a matter of hours and depression in a matter of days

Anxiety symptoms are often relieved in 1 to 2 hours,
and depressive symptoms usually respond within 7 to 14 days.
Limbitrol is the trade mark for pharmaceutical preparations
containing chlordiazepoxide and amitriptyline.

Full information is available on request from
Roche Products Limited, 15 Manchester Square, London W1M 6AP.

This fictionalised case history is based upon the records of an actual patient:
details of treatment and the results are factual.

New assisted passage scheme

The formula which really assists and maintains free mucus flow in bronchial conditions — that is new **LINCTIFED* EXPECTORANT**.

LINCTIFED EXPECTORANT: loosens thick tenacious sputum; decreases mucosal congestion; controls irritating, unproductive cough.

Let the blood flow through

In the treatment of ischaemia due to intermittent claudication, cerebral arteriosclerosis and vasospastic disorders, Bradilan® has achieved excellent results. Because Bradilan employs tetranicotinoylfructose, the molecule of which is gradually hydrolised in the intestine, release is smooth and even – with no peaks or troughs. Consequently, efficient and prolonged vasodilation is maintained, with less risk of over dilation in flush areas. For the same reason, headaches are a rare occurrence. Bradilan acts directly on vessel walls and is especially indicated when ischaemia is due to vasospasm. Ideally, treatment should be continued for at least 12 weeks so that progress can be realistically evaluated.

BRADILAN

sustained vasodilation with minimal side effects

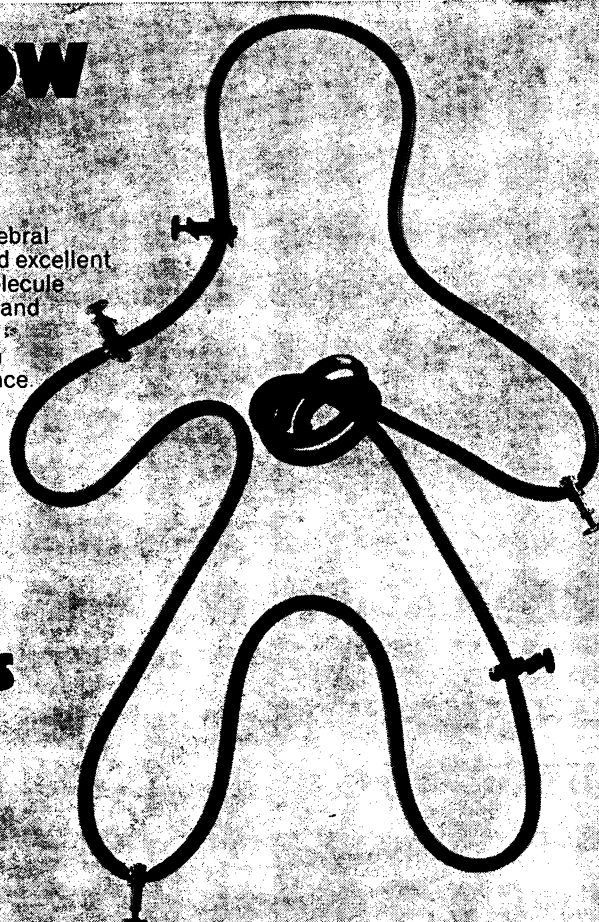

Tablets 250 mg.

WRIGHT LAYMAN & UMNEY LTD., 43-59 CLAPHAM ROAD, S.W.9

The case for treating chronic urinary tract infection with

new Hiprex

Hiprex can eliminate urinary infection in eight out of ten patients

Hiprex is effective against the organisms which most commonly cause urinary tract infection. Success rates of more than 80 per cent have been reported in clinical trials.

Hiprex can end the frustration of treatment failure

Unlike other agents, notably antibiotics, sulphonamides and nalidixic acid, *Hiprex* is unlikely to produce bacterial resistance – a major cause of treatment failure. *Hiprex* has proved effective even when other treatment has failed.

Hiprex is especially suitable when long-term treatment is indicated

Hiprex does not lose its effect during prolonged use and for this reason is of particular value in persistent and recurrent urinary infections. Minor side-effects have been reported in fewer than four per cent of patients, and no serious adverse reactions have been reported. Treatment costs are kept low – as little as 4p a day.

Hiprex improves the prospects of co-operation in long-term use

Published reports stress that *Hiprex* can overcome the major difficulty of ensuring uninterrupted therapy. All but refractory cases respond to a simple twice-daily dosage, normally without need for special measures to acidify the urine.

Composition Each tablet contains hexamine hippurate 1 g. **Indications** The treatment of urinary tract infections, such as pyelitis, cystitis and urethritis, but excluding acute pyelonephritis. The treatment of chronic pyelonephritis, and as maintenance therapy after successful antibiotic treatment of acute pyelonephritis. The treatment of asymptomatic bacteriuria, including that occurring during pregnancy. Prophylaxis before and after urological surgery. **Dosage** Adults: 1 tablet twice daily. Children: 6-12 years: $\frac{1}{2}$ tablet twice daily. In refractory cases, the dosage may be increased to: 1 tablet three or four times daily in adults. $\frac{1}{2}$ tablet three or four times daily in children aged 6-12 years. Doses in excess of those recommended may cause severe bladder irritation, haematuria, albuminuria or painful micturition. **Alkalinuria** Some patients may have an alkaline urine as a result of a predominantly vegetarian diet or occasionally due to *Proteus* or *Pseudomonas* infection. In these cases, additional acidification may be necessary to lower the urinary pH to the level required to degrade the hexamine moiety. Administration of ascorbic acid 1 g. four times daily is recommended in these cases. **Side-effects** Occasionally, rashes, gastric irritation, or irritation of the bladder may occur. With prolonged administration at high dosage, the latter may lead to haematuria. All side-effects are reversible on withdrawal of the drug. **Treatment of side-effects** Patients experiencing painful micturition or bladder irritation should be instructed to discontinue the medication. Prompt relief of these symptoms can be obtained by the consumption of copious quantities of water and 2-3 teaspoonfuls of bicarbonate of soda. **Contraindications** Renal insufficiency, hepatic insufficiency or severe dehydration. *Hiprex* is also contra-indicated as the principal therapeutic agent in acute parenchymal infections of the kidney. **Basic N.H.S. prices** 100 tablets £2.00 plus Purchase Tax. *Hiprex*: registered trade mark. Additional information is available on request

(New Second Edition)

A Complement in Radiology to the Beeson and McDermott Textbook of Medicine.

This exhaustive two-volume guide to the interpretation of roentgenograms is now available in a new second edition that contains nearly 400 completely new x-rays and discussions of 50 additional diseases. Unlike conventional texts, this work is organised by disease entities rather than radiologic signs. It provides quick diagnostic access to 700 diseases and disorders. Over 2300 x-rays graphically depict the radiographic appearance of disorders ranging from the straight-back syndrome to benign osteoblastoma. A new, detailed appendix correlates disease entities with their radiologic sign to facilitate differential diagnosis. Subject coverage follows Beeson and McDermott's Textbook of Medicine, new 13th edition.

By J. George Teplick, M.D., F.A.C.R. and Marvin B. Haskin, M.D. both of Hahnemann Medical College, Philadelphia, Pennsylvania. 1296 pages (2 Volumes) 2373 illustrations November 1971 £9.60-separate, £19.50-set.

Nealon

FUNDAMENTAL SKILLS IN SURGERY

(New Second Edition)

This book provides detailed instruction for medical students, interns, and junior residents who may be expected to perform elementary surgical techniques on their own without either having had adequate instruction or the opportunity of seeing somebody else perform the techniques.

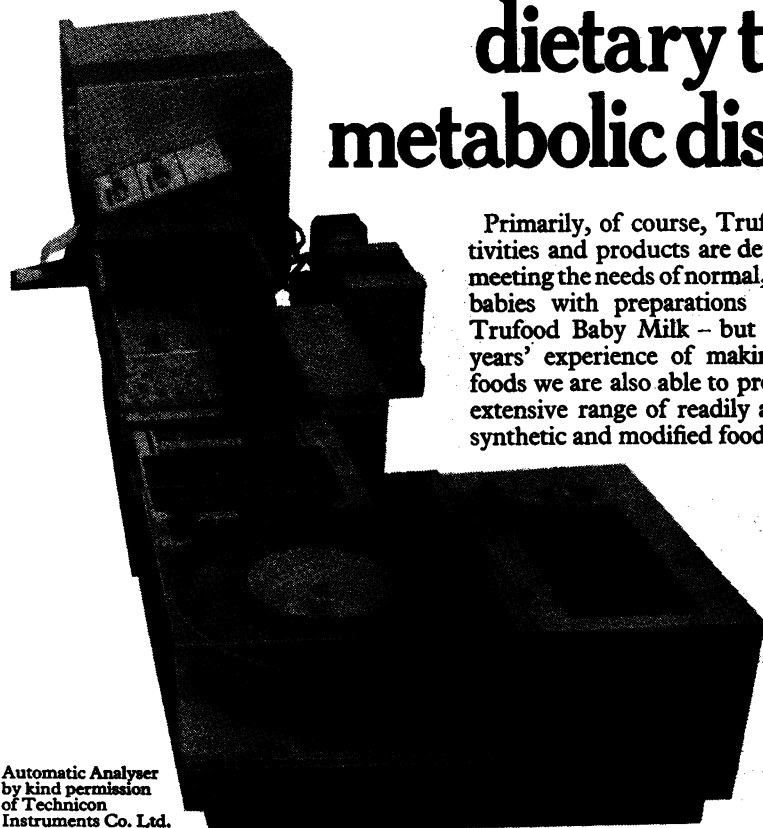

By Thomas F. Nealon, Jr., M.D. St. Vincent's Hospital and Medical Center of New York.

327 pages. 396 illustrations.
November 1971.

Specialised foods for the dietary treatment of metabolic disorders in infancy.

Automatic Analyser
by kind permission
of Technicon
Instruments Co. Ltd.

Primarily, of course, Trufood activities and products are devoted to meeting the needs of normal, healthy babies with preparations such as Trufood Baby Milk – but with 50 years' experience of making baby foods we are also able to provide an extensive range of readily available synthetic and modified foods.

If you have any problems involving special diets for the very young, we will be pleased to share our knowledge with you.

Some Trufood specialised formula foods for the dietary treatment of metabolic disorders in infancy:

Minafen for phenylketonuria;
HF(2) for histidinaemia;
LPT(1) and LPTM(2) for tyrosinosis;
Galactomin – three formulae:
No. 17 for galactosaemia and lactose intolerance;
No. 18 with reduced fat;
No. 19 with fructose as the sole carbohydrate;
MCT(1) and MCT Oil for certain fat malabsorption syndromes;
Locasol for hypercalcaemia;
Edosol for low sodium diets.

Trufood Baby Foods

Surrey. Guildford GU1 181.

Peugeot introduce the 504 Estates. Sheer panache-or a new bid for space supremacy?

Let's face it, probably a bit of both.

The Peugeot 504 estate has stacks of room for whatever you have in mind. Beehives or Davenports, golf clubs or water skis, Worcester Pearmaines or whatever . . . It takes up to six in comfort. Plus a comfortable 40.6 cu. ft. of usable luggage space (66.4 cu. ft. with the rear seat down!) all carried in rare splendour.

The 504 family version has an extra folding bench seat so it takes two more people! And with the third seat down there's 22.95 cu. ft. of usable luggage space. It's just the thing for expanding families - and expanding cases.

But because Peugeot know that space isn't the only thing that counts, you'll find a lot of other particularly welcome touches.

Like individual armchair seats in the front for one thing. Fully adjustable. Fully reclining. Like built-in adjustable headrests. Because Peugeot insist that you're comfortable.

You'll also see a number of luxurious features: side window de-frosting and de-misting louvres; electric

windscreen washers and wipers; heated rear window; cigar lighter.

And safety belts on the front seats. All as standard.

If we appear to be talking about a lot of small details, you can take for granted all the big things that make a Peugeot a Peugeot.

You'll find the same high engineering standards you get with Peugeot saloons. And the same peace and quiet.

Our famous suspension system helps make sure of that.

If you happen to have any cobbles handy you'll see what we mean.

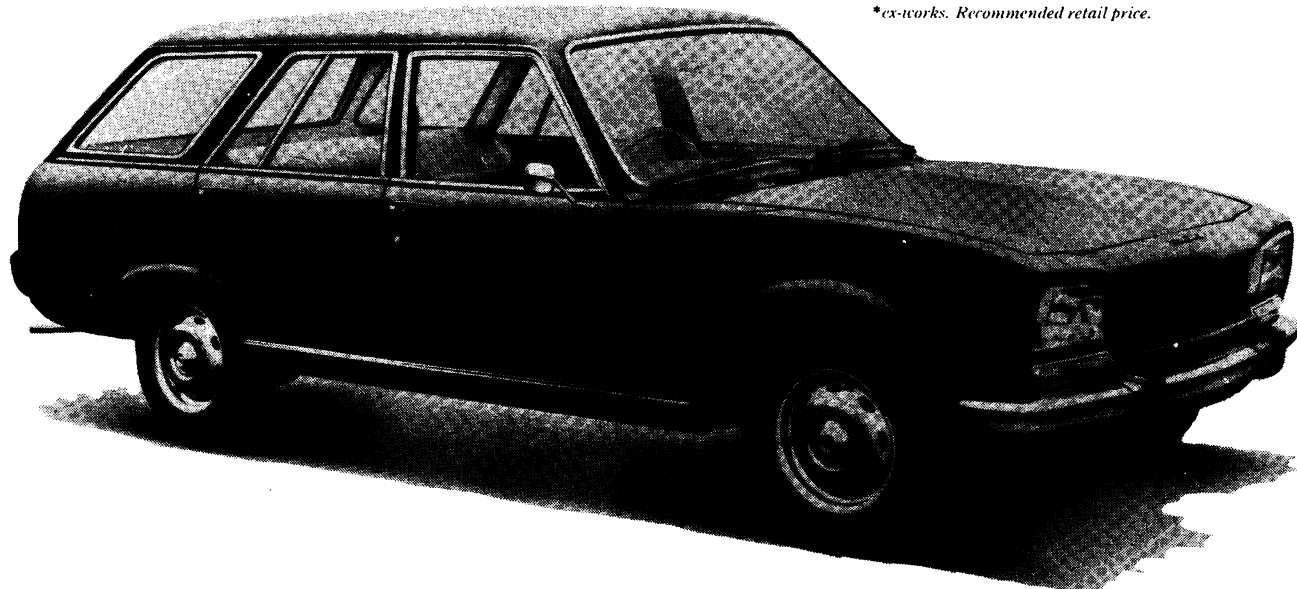

So - all in all, the new 504 estates are all you expect the 504 saloon to be. Only more so. Peugeot planned them that way. For all the family. Or whatever.

Peugeot 504 estate; 1971 c.c. 4-cylinder engine; compound double-barrelled carburettor; front wheel disc brakes.

5-6 seater estate £1,733.13. Automatic estate £1,914.37*.*

7-8 family estate £1,795.63. Automatic family estate £1,976.88*. Write or phone: Peugeot, 79-81 Uxbridge Rd., London, W.5. 01-579 5351 for a list of authorised dealers.*

*ex-works. Recommended retail price.

1905 An important year for Coffee lovers

It was the year Dr. Ludwig Roselius discovered how to remove caffeine from coffee without altering its flavour.

Since then, thanks to him and his Kaffee H.A.G., no one need say "No" to coffee! Today, in nearly every country in the world, the Medical Profession is recommending it increasingly in cases where caffeine is contra indicated.

Liberal samples are free to any doctor applying to The A.A. Supply Co. Ltd., Dept. BM, 14 Northfield Estate, Beresford Avenue, Wembley, Middx. HA0 1YW.

Road Accidents and the Family Doctor

Road accidents are now acknowledged to be one of the major epidemics of our time. It has been estimated that many accident deaths could be saved by skilled treatment at the site of the accident, and recently doctors in Britain and abroad have been playing an increasingly active part in this. This booklet, which reprints a series of articles which appeared in the *B.M.J.*, contains contributions on organization and medical equipment, the management of soft-tissue injuries, resuscitation, fractures of the spine, and extrication of persons trapped in a vehicle. The introduction is written by Mr. Norman Capener, Chairman of the Medical Commission on Accident Prevention.

UNIVERSITY AND RESEARCH APPOINTMENTS (see also OVERSEA)

KENT AND CANTERBURY HOSPITAL
Canterbury

SENIOR HOUSE OFFICER COMBINED POST IN

GENERAL AND COMMUNITY MEDICINE. Applications are invited from those interested in the possibility of a career in community medicine (administrative medicine or epidemiology) for a new post as Senior House Officer in General Medicine on the Medical Unit (to Dr. J. E. Taylor) in addition to the part-time clinical duties the successful candidate will be involved in research in epidemiology and administrative medicine in the Health Services Research Unit (Director — Professor M. D. Whitehead) at the University of Kent at Canterbury. The candidate will be given the status of honorary research associate in the University. This post is intended to provide an introduction to community medicine whilst enabling the successful candidate to gain further experience and training in general medicine. At the end of the period of appointment, further training may be arranged in community medicine over a three to four year period which would include an opportunity to study for the M.Sc. (Social Medicine) at the London School of Hygiene and Tropical Medicine.

Applications, together with copies of two recent testimonials, to be addressed to the Hospital Secretary at the above Hospital. (15492) 14-1

KILLINGBECK HOSPITAL
York Road, Leeds 14

PROFESSOR

(Immunology)

in the Department of Chemical Pathology. The successful candidate will develop and establish Immunology as a discipline in Pathology and be responsible for diagnostic, research and clinical immunology and the teaching of immunology to medical undergraduates and postgraduates. Salary: £N3,400 p.a. (£N6 = £7 sterling). The British Government may supplement salary by £925 p.a. (sterling) and provide children's education allowances and holiday visit passages. Family passages; various allowances; F.S.S.U.; regular overseas leave.

Detailed applications (6 copies) naming 3 referees by 20th December, 1971 to Inter-University Council, 90/91 Tottenham Court Road, London W1P 0DT, from whom particulars are available. (15493) 14-1

UNIVERSITY OF OTAGO

Dunedin, New Zealand
Wellcome Medical Research Institute
Department of Medicine

HYPERTENSION RESEARCH

Applications are invited from medical graduates, with a higher qualification, for an appointment within the Hypertension Research Group. This Group is supported by a project grant from the Medical Research Council of New Zealand and is under the direction of Associate Professor F. O. Simpson. It is backed by excellent facilities in the Wellcome Institute and in the Hypertension Clinic of Dunedin Hospital. Applicants should have some experience in hypertension or, alternatively, in cardiovascular or renal work or in clinical pharmacology. An interest in data processing would be useful. The successful applicant will be expected to carry out research in some aspect of hypertension, to share in the care of in-patients and out-patients attending the Hypertension Clinic, and to take part in some clinical teaching. An appointee with suitable qualifications would be second in charge of the Group.

Grading will be according to qualifications and experience. The salary will be within the range £N26,412-£10,979 per annum. A cost-of-living adjustment is expected to increase these rates significantly. (Note: £NZ100 equals £46.67 stg; \$US112; \$A100). Approved fares will be paid for the appointee, his wife and children, plus assistance with removal expenses. In certain circumstances the appointment could be a temporary one (e.g. 3 years) and assistance with return fares could be provided.

Further particulars are available from the Secretary-General, Association of Commonwealth Universities (Appts), 36 Gordon Square, London WC1H 0PF (Tel: 01-387 8572), from Associate Professor F. O. Simpson, Wellcome Medical Research Institute, P.O. Box 913, Dunedin, New Zealand, or from the Registrar of the University. Applications close in New Zealand and London on 31st December, 1971. (15281) 14-1

UNIVERSITY OF NAIROBI Kenya

Applications are invited for

FELLOWSHIP AWARDS

BEIT MEMORIAL FELLOWSHIPS

FOR MEDICAL RESEARCH 1972

Notice is hereby given that an election of Junior Fellows to begin work on 1st October, 1972 will take place in May, 1972. Junior Fellowships have annual values of £1,625-£2,000 p.a. plus yearly increments of £125 for three years. As a rule superannuation benefits are provided to which the successful candidate will be required to contribute 5% of the annual stipend and to which the Trust will make a contribution of 10%. Candidates must have taken a degree in faculty of a university approved by the Trustees of Her Majesty's Dominions, Protectorates and Mandated Territories, India, Pakistan, the Republic of Ireland and the United Kingdom, or a medical diploma registered in the UK. Election of Junior Fellowships are rarely made above the age of 35 years. Applications from candidates must be received not later than 24th March, 1972. Candidates must submit evidence that they can find suitable accommodation in the departments where they propose to work, which must be in Great Britain or Ireland.

Forms of application and all information may be obtained from Professor W. G. Spector, Pathology Department, St. Bartholomew's Hospital, London, E.C.1. For overseas candidates forms of application may be obtained from: The Secretary, South African Medical Council, P.O. Box 205, Pretoria, South Africa; The Ministry of Health, The Government of India, New Delhi, India; The Government of East Pakistan, Eden Buildings, Ramna, Dacca, East Pakistan; The Secretary, Department of Education and Science, P.O. Box 826, Canberra City, A.C.T. 2601, Australia; The Department of Health, Wellington, New Zealand; and, The Canadian Medical Association, 1867 Alta Vista Drive, Ottawa 8, Ontario, Canada. (15509) 14-2

PEEL MEDICAL RESEARCH TRUST

Applications are invited from registered medical practitioners for a

TRAVELLING FELLOWSHIP

The Fellowship aims to provide 1 year of postgraduate study in medicine or allied subjects at centres abroad. The basic allowance will be at the rate of £1,750 per annum, with additional allowances for travelling and home maintenance. Candidates should supply full details of the intended study, including the name of the department or centre at which they intend to work, and an assurance of consent from the head of the department concerned. Applicants must be permanently resident in the United Kingdom.

Further particulars and forms of application are available from the Peel Medical Research Trust, P.O. Box No. 11, 15 New Square, Lincoln's Inn, London WC2A 3RP. Closing date for receipt of applications, 15th February, 1972. (H8331) 14-2

UNIVERSITY OF NOTTINGHAM HEALTH SERVICE

Applications are invited from qualified medical practitioners for an appointment in the University Health Service. The vacancy has arisen as a result of the return of one of the three doctors to general medical practice. It would be an advantage if the physician appointed was eligible for the obstetric list and had some casualty experience. The service, which includes both students and staff, operates from the purpose-built Cripps Health Centre, completed three years ago. There are in-patient facilities, full supporting auxiliary staff and good research possibilities. The initial salary will be fixed within the range £3,718 to £4,776 per annum. Salary increments after appointment will be determined annually in relation to non-professional clinical salaries.

Further particulars and forms of application, returnable not later than 8th December, 1971, may be obtained from the Staff Appointments Officer, University of Nottingham, University Park, Nottingham NG7 2RD quoting ref. no. 133. (15297) 18

COMMERCIAL APPOINTMENTS

COMMERCIAL APPOINTMENTS

Clinical Therapeutics

Applications are invited from graduates of British Medical schools for an appointment in the Department of Clinical Investigation of Parke-Davis and Company at their new location in Monmouthshire.

The duties of the successful candidate will consist of designing, initiating, following up and evaluating the results of clinical trials of new drugs and eventually communication of these results in writing to the individuals and organisations concerned.

The qualities sought in applicants for the appointment will include a wide interest in medicine, a well developed critical faculty and a good knowledge of modern therapeutics. A background of clinical experience in internal medicine is desirable and a higher qualification would be an advantage. Previous research experience, while useful is not essential.

Applicants should preferably be between 30 and 35 and for an individual in this age range an excellent salary is offered and additional benefits include a pension scheme and company car. The job involves travelling both within and without the United Kingdom, including an initial and periodical future visits to the parent company in the USA.

Please apply with details of experience to the **Personnel Manager, Parke-Davis and Company, Usk Road, Pontypool, Mon. (25891)** 15

PARKE-DAVIS

Boehringer Ingelheim

A FRUITFUL AND IMPORTANT MEDICAL CAREER

Have you as a doctor seriously considered what an interesting and worthwhile career can be had in the scientifically and medically stimulating atmosphere of a medical team in the pharmaceutical industry?

This is an opportunity to join such a team working with compounds of unique pharmacological and medical interest in different fields of medicine, but particularly in the cardiovascular and respiratory fields of therapeutics.

By being positively involved in the pre-clinical aspects and personally co-ordinating the early and subsequent clinical studies the doctor gets the opportunity of intellectual satisfaction and is deeply involved in the new and exciting subject of clinical therapeutics.

The company will move to new administrative offices in Bracknell, Berkshire, in the summer of 1972 which provide a pleasant environment in which to work and live within easy reach of London.

A doctor in the medical team can expect an attractive salary, a very generous non-contributory pension scheme and life assurance and assistance with moving house. A car is provided. If you would like to consider making a career in the pharmaceutical industry, please write in confidence to:

The Medical Director,
Boehringer Ingelheim Limited, Isleworth House,
Great West Road, Isleworth, Middlesex.

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1969, No. 163).

SALARY SCALES OF HOSPITAL MEDICAL STAFF

Following the Twelfth Report of the Review Body, new salary scales have been approved. These came into force on April 1, 1970. The scales are set out below:

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £1,626 per annum for the posts held during the first year; £1,755 per annum for posts held during the second year; £1,884 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,040 per annum in the first year; £2,184 per annum in the second year; £2,328 per annum in the third or subsequent years.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £2,328 per annum x £144(3) x £126(1) — £2,886. Deductions of £210 per annum for those with remuneration at the first incremental point on the scale, and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £183 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £2,760 per annum x £126(1) x £174(1) x £177(1) x £174(1) x £177(1) — £3,588.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £2,520 per annum x £144(1) x £156(3) x £144(10) — £4,572.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £4,512 per annum x £201(8) x £210(1) — £6,330. Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rental is appropriate.

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters may be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association. November 1970

Next week may be too late

An illness or an accident can be costly. Fortunately, most of us recover and the setback to family finance is only temporary. But can the same be said of permanent incapacity? Adequate insurance is the answer for the majority of doctors.

PATHOLOGY

JOINT REGISTRARS COMMITTEE OF THE BOARD OF GOVERNORS OF THE UNITED LEEDS HOSPITALS
The University of Leeds and the Leeds Regional Hospital Board

SENIOR REGISTRARS IN PATHOLOGY
Regional Training Scheme
The hospitals associated with the scheme are Leeds (St. James's) University Hospital, the Royal Infirmary, Bradford, St. Luke's Hospital, Bradford and the Regional B.T.S. Laboratory at Searcroft Hospital, Leeds. Provision is also made for a period of one year to be spent in the University Departments. Candidates should possess the Primary M.R.C.Path. and should have at least three years' experience in Pathology. The posts are non-resident. Training can be afforded in each of the major divisions of morbid anatomy, bacteriology, haematology and chemical pathology, and trainees will be consulted regarding their interest. Please quote reference No. 101.
Application forms may be obtained from the Secretary, Joint Registrars Committee, Park Parade, Harrogate, to whom they should be returned by 22nd December, 1971. (26034) 41-5

SOUTH WESTERN REGIONAL HOSPITAL BOARD

Applications are invited for rotating
SENIOR REGISTRARS IN CHEMICAL PATHOLOGY
(2 posts)
for: (1) Southmead Hospital, Group Laboratory, Bristol; and (2) The Area Laboratory, Exeter. It is expected that about two years will be spent at Exeter and two years at Southmead Hospital, which provides extensive clinical facilities for the University of Bristol, but the Senior Registrars will have their appointments reviewed after the first year in accordance with the Department of Health's Circular HM(61)119. Full research facilities are available for a wide range of investigations, and candidates will be encouraged to participate in academic activities in Bristol and Exeter. An appropriate higher qualification is essential. Further details may be obtained from the Board's Senior Administrative Medical Officer, 27 Tyndalls Park Road, Bristol BS8 1PJ.
Applications by letter, stating date of birth, qualifications and experience with dates, together with the names and addresses of two recent referees, should be sent to the Secretary of the Regional Hospital Board at the above address by 16th December, 1971. Selected candidates will be interviewed on the 31st December, 1971. (H8288) 41-5

MANCHESTER REGIONAL HOSPITAL BOARD
and the Board of Governors of the United Manchester Hospitals

SENIOR REGISTRAR IN CHEMICAL PATHOLOGY
The appointee will spend a period of 3 years in the teaching hospitals and will initially commence duties at the University Hospital of South Manchester. A comprehensive range of experience will be offered including the use of multichannel analytical equipment, computers, isotopes, metabolic problems etc. with participation in regular tutorial teaching. Opportunities for research work will be available.
Application forms and further details from the Senior Administrative Medical Officer to the Board, Gateway House, Piccadilly South, Manchester M60 7LP, to be returned by 16th December, 1971. (15375) 41-5

ST. GEORGE'S HOSPITAL
London and the Wessex Regional Hospital Board (Joint Appointment)

Applications are invited for a post as
SENIOR REGISTRAR IN CHEMICAL PATHOLOGY
jointly between the Portsmouth and Isle of Wight Area Pathological Service and St. George's Hospital, S.W.1 available 15th January, 1972. The appointment will be for two years in the first instance to commence at Portsmouth followed by two years at St. George's Hospital. Candidates should have passed Primary M.R.C.Path., or equivalent qualification.
Apply on forms obtainable from the Deputy House Governor, St. George's Hospital, S.W.1 by 18th December, 1971. (H8339) 41-5

BIRMINGHAM REGIONAL HOSPITAL BOARD
and United Birmingham Hospitals

TRAINEE REGISTRARS IN PATHOLOGY
The successful candidates will take part in a training scheme instituted by both Boards in collaboration with the Division of Pathological Studies, University of Birmingham. The posts will provide for multi-discipline or single-discipline training according to the needs of candidates selected. Annual rotation between hospitals within the areas covered by the two Boards and initial appointments will be to Selly Oak Hospital, Birmingham, Warwick Hospital, The Queen Elizabeth Hospital, Birmingham, and the Children's Hospital, Birmingham. Excellent postgraduate facilities and career advice available and encouragement to study for M.R.C.Path.
Application forms from Secretary, B.R.H.B., 146 Hagley Road, Birmingham, to be returned by 20th December, 1971. Candidates welcome to visit hospitals. (26169) 41-6

LEEDS REGIONAL HOSPITAL BOARD IN ASSOCIATION WITH UNIVERSITY OF LEEDS MEDICAL SCHOOL

Training Scheme in Pathology
S.H.O./Registrar Grade
Comprehensive basic training provided in all branches of Pathology in University Departments and selected Regional Hospitals. Trainees expected to obtain primary M.R.C.Path. within 3 years. Please quote Reference No. 102.
Application forms and further details may be obtained from the Secretary, Joint Registrars Committee, Park Parade, Harrogate to whom they should be returned by 22nd December, 1971. (26039) 41-6

NORTH EAST METROPOLITAN REGIONAL HOSPITAL BOARD
Chase Farm Hospital, Enfield, Middx.

REGISTRAR IN PATHOLOGY
required for duties mainly in the area laboratory at Chase Farm Hospital. This post offers experience in all branches of Pathology and the laboratory is recognized for the M.C. Path and D. Path Examinations. Active postgraduate education programme. The appointment is for one year in the first instance, renewable subject to satisfactory service, for a second year.
Application forms obtainable from the Hospital Secretary (closing date 14th December, 1971). (15317) 41-6

NORTH WEST METROPOLITAN REGIONAL HOSPITAL BOARD
Barnet General Hospital
Wellhouse Lane, Barnet, Herts. (432 beds)

REGISTRAR IN PATHOLOGY
not required to be except on duty. Post recognized for M.R.C.Path. and D.Path. Appointment for one year with eligibility for second year. This is a Group Hospital Laboratory giving an excellent opportunity to gain experience in all routine disciplines including radio-isotope work.
Application forms obtainable from and returnable to Group Secretary, Barnet Group Hospital Management Committee, 1 Wellhouse Lane, Barnet, Herts., by 21st December. (15652) 41-6

ST. ANDREW'S HOSPITAL, NORTHAMPTON

Tel: 0604 (Northampton) 34354

Applications are invited for the post of

CONSULTANT PSYCHIATRIST

St. Andrew's Hospital is a private Independent Hospital of 450 beds which is registered as a Charity. It is at present in a period of rapid change and development, and a new admission unit will be opened in the near future, where the successful candidate will be based.

Applicants must have had wide experience in psychiatry and possess a D.P.M., and an additional higher qualification is desirable.

Salary range £4,512 per annum rising to £6,330 per annum. The Hospital has its own Superannuation Scheme which is almost identical to, and has full reciprocity with the National Health Service Superannuation Scheme, so that years of contributory service are transferable in either direction.

Applications, with the names and addresses of three referees, should be sent to Dr. James Harper, the Medical Director, by 20th December. Dr. Harper will be pleased to meet applicants by appointment to give them further details of the post. (H8177) 44-1

MANCHESTER REGIONAL HOSPITAL BOARD

WHOLE-TIME ASSISTANT IN PSYCHIATRY

(Medical Assistant Grade)
in the North East Manchester Group of Hospitals with duties primarily at Crumpsall and Springfield Hospitals. Good experience essential and higher qualifications desirable. Candidates must be on the permanent Medical Register. The appointee will be required to live within 10 road miles of the main hospitals.

Application forms and further particulars from the Senior Administrative Medical Officer to the Board, Gateway House, Piccadilly South, Manchester M60 7LP, to be returned by 21st December, 1971. (15634)

44-3

SOUTH-EASTERN REGIONAL HOSPITAL BOARD

Scotland

Applications are invited for the post of ASSISTANT IN PSYCHIATRY (Medical Assistant Grade)

with duties principally at Stratheden Hospital, Cupar, Fife. Stratheden Hospital is a 884 bed hospital with an admission rate of approximately 1,100 a year, and is the centre of a comprehensive psychiatric service for the County of Fife. There is an extensive out-patient service with over 5,000 attendances a year, and duties will include sessions at General Hospitals and Day Hospitals in the main centres in the County. Accommodation, married or single, is available. Further particulars may be obtained on application to the Chairman, Medical Committee, Stratheden Hospital. (Tel: 0334-2611).

Applications which should be typewritten, giving particulars of age, qualifications and previous experience together with the names and addresses of two referees should be lodged with the Secretary, 11 Drumsheugh Gardens, Edinburgh within two weeks from the date of this advertisement. (15003) 44-3

WESTERN REGIONAL HOSPITAL BOARD

Leverdale Hospital, Glasgow

Applications are invited for the following appointment, which will be for two years in the first instance:

ASSISTANT IN PSYCHIATRY

(Medical Assistant Grade)
Further details can be had from the Secretary, Western Regional Hospital Board, 351 Sauchiehall Street, Glasgow, C.2., to whom applications (1 copy) should be sent with details of age, qualifications, experience, present appointment, and the names of two referees, not later than 18th December, 1971. (H8310) 44-3

MANCHESTER REGIONAL HOSPITAL BOARD

IN CHILD PSYCHIATRY

tenable initially in the Child Psychiatric Unit which is part of Booth Hall Children's Hospital, Manchester. This modern unit, which comprises a large Out-Patient Department and an In-Patient Unit of 22 beds with school and gymnasium, is staffed by three Consultant Child Psychiatrists, with ancillary staff. It is a training centre for Child Psychiatrists, Psychiatric Social Workers and Clinical Psychologists and works in close co-operation with the University Department of Psychiatry. Rotation will be arranged to the new purpose-built Young People's Unit of 30 beds at Parkside Hospital, Macclesfield, where training in community and group dynamic methods and experience in giving out-patient psychotherapy to adolescents is available. A comprehensive training is given to Senior Registrars including lectures, seminars and psychotherapeutic teaching. Time is also given for study and research. Applicants should hold a D.P.M. and some previous experience in Child Psychiatry would be an advantage. Appointee to live in or near Manchester.

Application form from the Senior Administrative Medical Officer to the Board, Gateway House, Piccadilly South, Manchester M60 7LP, to be returned by 22nd December, 1971. (15633) 44-5

ST. BERNARD'S HOSPITAL MANAGEMENT COMMITTEE

LOCUM SENIOR REGISTRAR

required at St. Bernard's Hospital, Southall, Middlesex. (2,070 beds). This post will be available, at present, for an indefinite period. The work is concerned with an admission ward and good clinical experience is essential.

Application forms from The Secretary, St. Bernard's Hospital Management Committee, Southall, Middlesex. (H8274) 44-5

UNITED BRISTOL HOSPITALS

and South Western Regional Hospital Board

Applications are invited for the whole-time appointment:

SENIOR REGISTRAR

IN PSYCHIATRY

(Mental Handicap)
in the Bristol Clinical Area, (non-resident). Candidates should possess appropriate higher qualification. The appointment, which is a new one, will be for one year in the first instance and will then be subject to review. The successful candidate will be based in the Hortham/Ernstley Hospital, Bristol, which caters for the Mentally Subnormal, but a broad training programme will be provided in other fields such as child and family guidance and Forensic Psychiatry at other hospitals and clinics in the Bristol Clinical Area. The appointment will include a monthly session with the United Bristol Hospitals in respect of work at the Bristol Children's Hospital. Sessions will be included for study and research. There will be a possibility of rotation with a similar Senior Registrar post in Bristol.

Applications by letter, stating date of birth, qualifications and experience with dates, together with the names and addresses of two recent referees should be sent to the Secretary of the Regional Hospital Board, 27 Tyndalls Park Road, Bristol BS8 1PJ by 16th December, 1971. Selected candidates will be interviewed on the 31st December, 1971. (H8289) 44-5

Applications should be made on form obtainable from the Group Secretary, South Ockendon Group Hospital Management Committee, Leytonstone House, High Road, London, E.11 and returnable within 14 days of this advertisement. (26069) 44-6

SOUTH WESTERN REGIONAL HOSPITAL BOARD

and United Bristol Hospitals

Applications are invited for the appointment of

REGISTRAR IN PSYCHIATRY

in the Bristol Clinical Area. The post is non-resident. Accommodation is available. The appointment, which is vacant from 1st January, 1972, will be for a period of two years, subject to review after the first year. The Registrar will be based at Barrow Hospital and will take part in the Registrar rotation scheme in the Bristol Clinical Area. This entails approximately 18 months in General Psychiatry at Barrow Hospital and in the associated out-patient clinics in the Bristol Teaching Hospitals. There will be six months each in acute general psychiatry and rehabilitation, acute general psychiatry and psychogeriatrics and the Bristol Day Hospital. Six months will be spent at Hortham Hospital and with the Bristol Child and Family Guidance Service gaining experience in Mental Subnormality, Child and Adolescent Psychiatry. Both Barrow and Hortham Hospitals are actively involved in the teaching of medical undergraduates and there is also a progressive postgraduate teaching programme organised at both hospital and regional level in association with the Department of Mental Health of the University of Bristol. These and other details are available from Dr. M. G. Barker, Hospital Tutor, Barrow Hospital, Barrow Gurney, Bristol BS19 3SG.

Applications by letter, stating date of birth, qualifications and experience with dates, together with the names and addresses of two recent referees should be sent to the Secretary of the Regional Hospital Board, 27 Tyndalls Park Road, Bristol BS8 1PJ by 16th December, 1971. Selected candidates will be interviewed on the 31st December, 1971. (H8290) 44-6

RHEUMATOLOGY**SOUTH WESTERN**
REGIONAL HOSPITAL BOARD
Bath Clinical Area

Applications are invited for the appointment of a

REGISTRAR IN RHEUMATOLOGY**(Non-Resident)**

in the Bath Clinical Area as from 1st March, 1972. The successful applicant will be based on the Royal National Hospital for Rheumatic Diseases, Bath, where he will be responsible for supervision of one hundred beds assisted by two Senior House Officers. A good background knowledge of general medicine is required. Exceptional facilities for clinical research are available and the successful candidate will be expected to spend part of his time in research projects. Regular postgraduate teaching sessions take place at the hospital and also in the Postgraduate Centre, Royal United Hospital, Bath. The appointment will be for a period of two years, but is subject to review after the first year.

Applications by letter, stating date of birth, qualifications and experience with dates, together with the names and addresses of two recent referees should be sent to the Secretary of the Regional Hospital Board, 27 Tyndalls Park Road, Bristol BS8 1PJ by 16th December, 1971. Selected candidates will be interviewed on the 31st December, 1971. (H8291) 47-6

PRINCESS ALEXANDRA HOSPITAL
Harlow, Essex**SENIOR HOUSE OFFICER**

required in Physical Medicine and Rheumatology at this hospital from 15th January, 1972. A resident post at Princess Alexandra Hospital with some duties at St. Margaret's Hospital, Epping. The Princess Alexandra Hospital is a new District General Hospital with up to date departments for Physiotherapy, Hydrotherapy and Occupational Therapy. Duties will include care of ward and out-patients, special clinics, E.G.G. and rehabilitation. There will be

opportunities for research and ample time for study for higher qualifications. The post is recognized for D.Phys.Med. Some experience in General Medicine or Orthopaedics is desirable. Single accommodation available.
Apply with names of two recent referees to the Hospital Secretary. (25270) 47-8

ROTATING
APPOINTMENTS**DURHAM**
HOSPITAL MANAGEMENT COMMITTEE

Applications are invited for

SENIOR HOUSE OFFICERS

from 1st February, 1972, in a rotation scheme of twelve months involving: S.H.O. post in General Medicine at the General Hospital, Chester-le-Street; S.H.O. post in Orthopaedics and Casualty at Dryburn Hospital, Durham. (P.R.C.S. recognized). The General Hospital, Chester-le-Street has 190 beds serving the specialties of General Medicine, Geriatric Medicine, Neurology and Psychiatry; it is about 5 miles from the Medical School of the University of Newcastle upon Tyne and is ideal for attendance at the many postgraduate courses held there. Dryburn Hospital is in a University and Cathedral city, and about 10 miles from the Newcastle Medical School. The Accident Unit and Orthopaedic Ward of 100 beds is in modern recently opened accommodation in an acute hospital of 410 beds having a medical library included in the facilities of a postgraduate medical centre. Extension of posts will be considered. Married and single accommodation.

Apply with full details and two referees to Group Secretary, Dryburn Hospital, Durham. (H8343) 48-8

PORTSMOUTH GROUP
HOSPITAL MANAGEMENT COMMITTEE**SENIOR HOUSE OFFICER**

Rotating Appointment to meet F.R.C.S. Regulations comprising six months in each of the following specialties: General Surgery; Urology; Orthopaedics; Accident and Emergency. Married accommodation may be made available to candidates offering suitability up to two years. Applicants may opt out of the scheme at the end of any six months' period. The successful applicant will be required to commence duty immediately.

Applications stating age, experience, qualifications and names of two referees to the Group Secretary, Saint Mary's General Hospital, Portsmouth as soon as possible. (26072) 48-8

SURGERY**ISLE OF MAN**
HEALTH SERVICES BOARD

Applications are invited for the whole-time or maximum part-time post of

CONSULTANT GENERAL SURGEON

which will become vacant on 1st July, 1972 on the retirement of the present holder of a part-time post. The duties will be mainly at Noble's Hospital, Douglas, Isle of Man, an acute general hospital of 200 beds of which approximately 90 are surgical. The person appointed will be required to undertake duties at other hospitals in the Isle of Man, particularly at Ramsey Cottage Hospital. The new post is for a general surgeon whose interest should be wide and include trauma. The successful candidate will share the surgical work with other maximum part-time Consultants with supporting junior staff, and will be young enough to provide continuity of development and management of the Department of Surgery on their retirement within five years. Work is proceeding on a £1,600,000 Development Scheme at Noble's Hospital, the first phases of which should be operational in 1972. Terms and conditions essentially the same as those in the United Kingdom. Full reciprocity for superannuation. The person appointed will be required to reside within ten miles of the main Hospital in Douglas.

Application form and further details may be obtained from the undersigned, to whom completed forms should be returned not later than Monday, 10th January, 1972. C. J. Quayle, Administrator & Secretary, Isle of Man Health Services Board, 3 Harris Terrace, Douglas, Isle of Man, Tel: Douglas, Isle of Man, 3303. S.T.D 0624-3303. (H8275) 50-1

Airedale Hospital Management Committee

(15548) 56

DOWN COUNTY HEALTH COMMITTEE

KINGSTON UPON HULL CORPORATION
Health Department

DIVISIONAL MEDICAL OFFICER OF HEALTH
Applications are invited from registered practitioners holding a Diploma in Public Health, Sanitary Science or State Medicine, for the above full-time superannuable position in the No. 6 (Newry) Division (population approximately 50,000). Applicants must also be qualified in accordance with the Health Authorities (Qualifications and Duties of Medical Officers) Regulations (N.I.) 1966 (S. R. & O. 1966 No. 108). The persons appointed will also act as Medical Officer of Health to the District Councils in the Division, and will receive an allowance in respect of the number of appointments held — at present £432 p.a. Salary will be within the scale (including present allowance) of £4,107 x £114 (4) x £75 (2) — £4,713 p.a. Car allowance will be payable.

Application Forms and Conditions of Service may be obtained on request and completed applications must be lodged with the Secretary, Down County Health Committee, 65 University Street, Belfast BT7 1HN, by 30th December, 1971. Canvassing will disqualify. (H8311) 56

SENIOR MEDICAL OFFICER

Applications are invited from Medical Practitioners of either sex for the above-mentioned appointment, the duties of which are mainly in connection with maternal and child health and general administration within the Health Department, and the medical inspection of aliens and Commonwealth immigrants, under the Hull and Goole Port Health Authority. Applicants must be holders of a Diploma in Public Health and possession of additional degrees, diplomas, etc., will be considered an advantage. Salary scale £3,453 x 6 increments to £4,116 per annum, in addition an honorarium of £150 per annum will be paid in respect of Port Health Duties outside normal working hours. An 'essential user' car allowance will be paid and assistance with removal expenses will be considered.

Particulars of the appointment and forms of application, may be obtained from the Medical Officer of Health, Guildhall, Kingston upon Hull HU1 2AA, to whom completed application forms should be returned not later than 13th December, 1971. (25865) 56

CITY OF NOTTINGHAM

SENIOR MEDICAL OFFICER

Applications for the above post are invited from registered medical practitioners, preferably holding a D.P.H., and with experience of local health authority work. The successful applicant will have wide ranging responsibilities in the community health services with specific interest in epidemiology, (including the epidemiology of non-infectious diseases) immunization and vaccination programming and ambulance services. Interest in research will be actively encouraged and there will be opportunities to gain higher medical qualifications and experience in administration, including liaison with local hospitals and specialists. These duties afford experience and training for promotion to more senior posts in the service. Salary within the scale £3,453 to £4,116 per annum with placing according to experience. Essential user car allowance payable. Post superannuable, subject to medical examination. Temporary housing accommodation and assistance with removal expenses, together with home purchase facilities, may be available in approved cases.

Application forms from Dr. W. H. Parry, Medical Officer of Health, Huntingdon House, Huntingdon Street, Nottingham NG1 3LZ, to whom they should be returned by Friday, 10th December, 1971. (25588) 56

HERTFORDSHIRE COUNTY COUNCIL
HEALTH DEPARTMENT
St. Albans Division

MEDICAL OFFICER IN DEPARTMENT
Applications are invited for the above full-time post from Registered Medical Practitioners to work in the St. Albans Division. The Medical Officer appointed will have every opportunity to engage in all aspects of the work with the pre-school and school child and every encouragement will be afforded to attend refresher courses. There are opportunities for promotion both in the clinical and administrative sides of the work. The salary will be on the scale £2,493-£3,342 per annum, point of entry on the scale according to qualifications and experience. Car allowance payable. Removal expenses, lodging and travelling allowances payable where appropriate.

Further details and forms of application may be obtained from: Staff Section, Health Department, County Hall, Hertford, to be returned within 14 days. (15679) 56

LANCASHIRE COUNTY COUNCIL

MEDICAL OFFICERS

(Departmental)
Vacancies exist for Medical Officers (Departmental) for the areas adjacent to Penwortham and Bamber Bridge, Widnes, Fleetwood.

Applicants must be registered Medical Practitioners but previous Public Health Service not necessary although desirable. Any applicant wishing to make a career in Public Health will be granted leave of absence with pay to study for the Diploma in Public Health. The County Council will be responsible for the full cost of the training. Car and Subsistence allowances are payable where appropriate. Anyone wishing to purchase a car make take advantage of a car purchase scheme. The salary scale is £2,493-£3,342 per annum and one increment will be payable for each year that the applicant has been engaged in Medical Practice since qualification.

Further details and application forms obtainable from the County Medical Officer of Health, Serial No. 8429, East Cliff County Offices, Preston PR1 3AN. Application forms to be returned as soon as possible. (15682) 56

Public Health Department DEPUTY MEDICAL OFFICER OF HEALTH AND DEPUTY PRINCIPAL SCHOOL MEDICAL OFFICER

Applications are invited from registered medical practitioners, holding a Degree in Sanitary Science, Public Health or State Medicine, for the post of **DEPUTY MEDICAL OFFICER OF HEALTH AND DEPUTY PRINCIPAL SCHOOL MEDICAL OFFICER** for the City of Stoke-on-Trent at an annual salary of £4,131 x £126 (4) — £4,635. An additional sum is payable for assistance given with crematorium referee duties. Essential car user allowance is also payable.

Applicants should have had considerable experience both in the clinical and administrative aspects of a Health Department. Consideration will be given to a temporary service tenancy house, if required. The appointment is full-time, superannuable, subject to medical examination and terminable by three months' notice on either side.

Applications, with full particulars and the names of three persons to whom reference can be made should be addressed to the **TOWN CLERK, Town Hall, Stoke-on-Trent**, not later than Friday, 17th December, 1971.

Canvassing, directly or indirectly, will be a disqualification.

L. K. ROBINSON,
Town Clerk

(15245) 56

City of **STOKE** on Trent

GOVERNMENTAL

Senior Medical Officer

to evaluate proposals for applied research projects

£6475

As a member of the Department's headquarters medical staff in London the Senior Medical Officer will administer the centrally-financed research programme, evaluating proposals for applied research in clinical and social medicine including cost. He will also advise on the interpretation of statistical data arising from other programmes and projects, and from medical policy and problems.

Candidates (men or women) must be medical practitioners fully registered in the United Kingdom, and must have training or

experience in either medical research (specifically clinical medicine or epidemiology) or statistics.

The pension scheme is non-contributory.

Fuller details of this appointment may be obtained by writing to the **Civil Service Commission, Alencon Link, Basingstoke, Hants.**, or by telephoning **BASINGSTOKE 29222 ext. 500** or **LONDON 01-839 1696** (24-hour "Ansafone" service), quoting reference **S/7843/AM**. Closing date **30 December 1971**.

SERVICES

Travel with the Navy for three years before you go into practice.

Just because you've finished your training, it doesn't mean you have to settle down into practice or a routine hospital job.

Especially when you can spend three years, as a naval doctor, seeing something of the world and getting a lot of useful experience on the way.

You'll get plenty of variety and all the responsibility you can handle. And at sea, as the only doctor on board your ship, you will find yourself having to cope with medical emergencies of every kind.

But you're more than just a doctor. Above all you are a naval officer—with the ever-changing scene and the full, satisfying life that every naval officer enjoys.

How do you become a naval doctor?

If you are in your pre-registration year or are already a qualified practitioner, you simply apply to join for a 3-year or 5-year commission. Then, if selected, you enter the Navy as a Surgeon-Lieutenant at £3,395 p.a. You are then given a short course in the special problems of maritime practice (including nuclear and underwater medicine) after which you take up your first appointment.

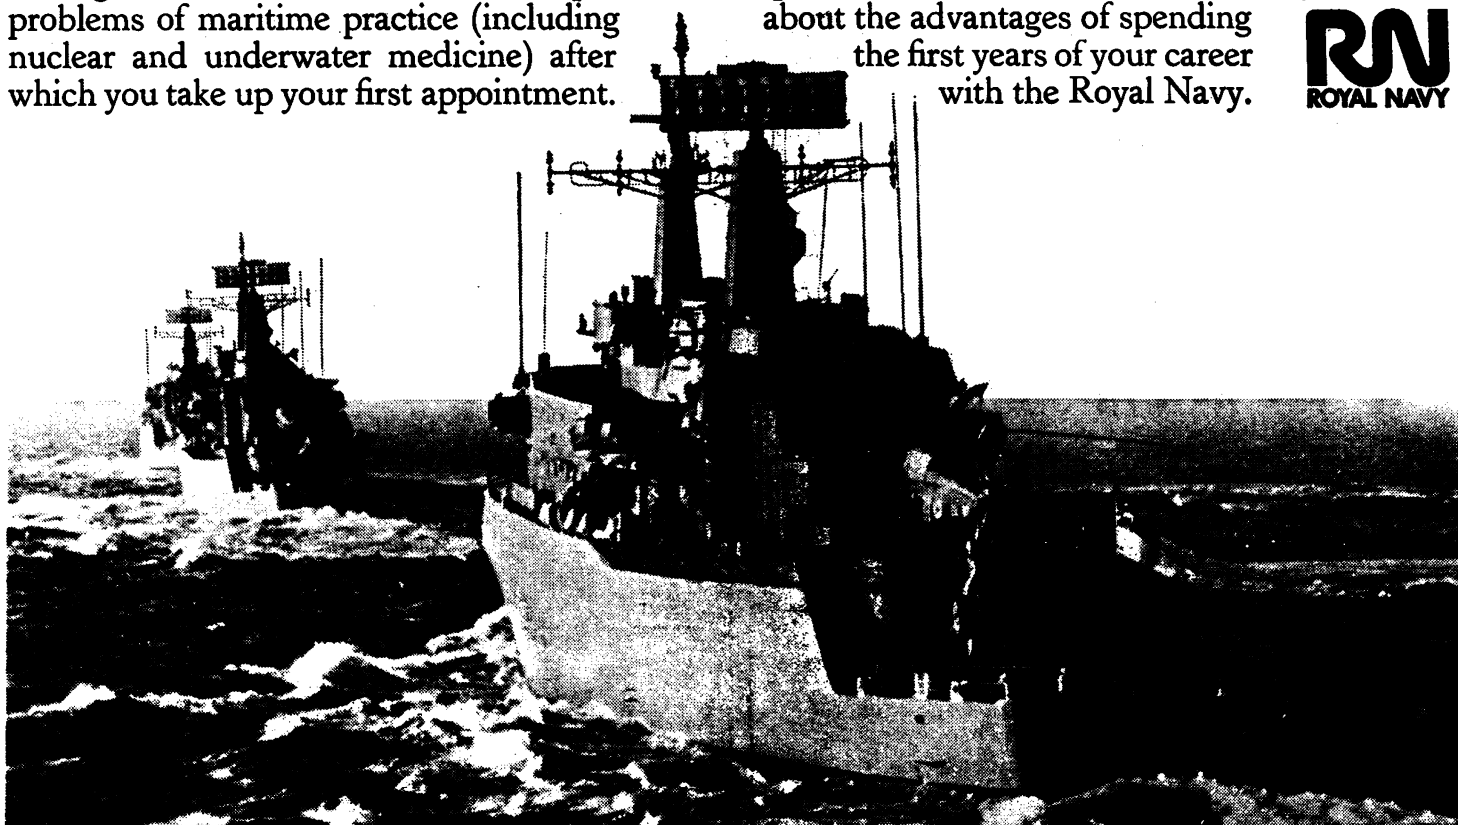

At sea, you would be looking after the health of a whole ship's company. Ashore, you may be looking after their families as well. (So we can even give you experience in obstetrics and paediatrics.)

And, at the end of your commission, you'll not only have a lot of useful experience and happy memories, but you'll also have a pretty useful tax-free gratuity. £1,500 after three years and £3,000 after five years.

Even if you're still at medical school, it's not too early to join us. Every year, we award about twenty-five Medical Cadetships to selected 2nd M.B. students. Each award pays for tuition fees and gives a salary of £1,814 a year in the rank of Surgeon Sub-Lieutenant. When you're registered, you're promoted to Surgeon Lieutenant and you begin your five-year commission.

Write now to Surgeon-Commander F. M. Kinsman, R.N., (724AA4), Dept. of the Medical Director-General (Navy), Empress State Building, London, S.W.6, and tell him your age and qualifications. In return he'll tell you more about the advantages of spending the first years of your career with the Royal Navy.

RN
ROYAL NAVY

ANAESTHESIA RESIDENCIES. Applications are invited for the Residency Training Programme at the University of Western Ontario, full approved by the Royal College of Physicians and Surgeons of Canada, and the American Board of Anaesthesiology. Overseas Development

The provision of skilled manpower is a vital element in Britain's aid to the developing countries. Your professional skills will be welcome and you will have the satisfaction of doing a challenging, responsible and worthwhile job. The emoluments shown are based on basic salary scales and allowances. Terms of service usually include free family passages, paid leave, education grants, subsidized accommodation and terminal gratuities. For certain of these appointments an appointment grant of up to £200 and car purchase loan of up to £300 may be payable. Employment will be on contract to the overseas Government for 2-3 years unless otherwise stated; in most cases superannuation rights can be preserved or maintained. Candidates should normally be citizens of, and permanently resident in, the United Kingdom. They must possess full medical qualifications and be eligible for full registration with the General Medical Council in the United Kingdom.

MEDICAL OFFICER

£2,000-2,600/St. Helena

For duties in the Government Hospital, visiting patients in their homes and other general duties. A recently retired General Surgeon or Gynaecologist would be considered.

REGISTRAR (PAEDIATRICS)

£2,792-3,152/Gibraltar

Registrar in Paediatrics required for St. Bernard's Hospital. Possession of M.R.C.P. is essential. Candidates should be able to stand-in for medical colleague. Contract 2 years, but shorter tour considered.

CONSULTANT PSYCHIATRIST

£3,524/Barbados

For general clinical and administrative duties in the 800 bedded Mental Hospital which is under the supervision of the Medical Superintendent. The Consultant, male or female and under 57, may also be required to undertake clinical duties in the Psychiatric Unit of the general hospital and the teaching of medical students and student nurses. Possession of the D.P.M. plus at least five years' experience in clinical Psychiatry is essential. Contract 2 years.

SPECIALIST PSYCHIATRIST

£3,396 or £3,882 p.a. without consulting practice/Jamaica

Responsibility for treatment of in-patients and conducting out-patients clinics in the specialty. Probable posting on arrival the new County of Cornwall Regional Hospital, Montego Bay, but the Officer may be assigned to the Kingston Public Hospital for orientation in the first instance. Possession of the D.P.M. or equivalent plus five year's experience in the specialty is essential.

MEDICAL OFFICER

(Pneumoconiosis)

£3,120-4,049/Zambia

To carry out medical examinations at the Pneumoconiosis Medical and Research Bureau, Kitwe, and to perform any other medical duties as required by the Director. They should, preferably, have experience in chest diseases. An allowance of £933 p.a. in lieu of private practice is also payable. Contract: 3 years.

CONSULTANTS

£4,122-5,175/Uganda

Post A: Consultant Physicians. For clinical duties in an up-country location, either Gulu, Fort Portal or Mbale. They will be expected to assist in the teaching of junior staff. They must possess the M.R.C.P. or equivalent and have relevant proven experience in a responsible position. Contract 21-27 months.

Post B: Consultants in Obstetrics and Gynaecology. For clinical duties in obstetrics and gynaecology and to assist in teaching of junior staff. Candidates should possess the M.R.C.O.G. Contract 21-27 months.

Post C: Consultant Paediatrician. For duties in paediatrics and to assist with the teaching of medical students and other junior hospital staff at Mbale. Candidates must possess the M.R.C.P. or equivalent qualification and have previous paediatric experience in responsible position. Contract 21-27 months.

SENIOR REGISTRARS

(ORTHOPAEDIC)

£2,508-3,574/Uganda

Senior Registrars are required for full-time clinical duties in Orthopaedic Surgery at Mulago or other large hospitals. Duties will include teaching medical students and other subordinate staff.

SENIOR CONSULTANT

(RADIOTHERAPY)

£3,549 p.a./Barbados

To be responsible to the Hospital Director at the Queen Elizabeth Hospital, Bridgetown, for the day to day running of the Radiotherapy Department including an Isotope Laboratory and Cancer Registry, also the Supervision of twenty-four Radiotherapy beds. Candidates should have six years' postgraduate experience including three years in the specialty and possession of the D.M.R.T. or F.F.R. Contract 2 years.

REGISTRARS (PSYCHIATRY)

£2,834-3,420/Barbados

For duties in the Observation Ward at the Mental Hospital or at the in-patient unit at the Queen Elizabeth Hospital under the supervision of a Consultant Psychiatrist. To assist in the rehabilitation of patients and the teaching of student nurses and medical students. Candidates must be under 57 years with at least one year post-registration experience in Psychiatry

SENIOR REGISTRARS

£2,508-3,574/Uganda

Senior Registrars are required for full-time clinical duties in General Surgery, Oral Surgery and Intensive Care at Mulago or other large hospitals. Duties will include teaching medical students and hospital junior medical staff.

OPHTHALMOLOGISTS

£4,923/Zambia

To work in the Health Department as a specialist Ophthalmologist. Posting will probably be in Lusaka in the first instance. Possession of the F.R.C.S. (Ophthalmology) or its equivalent and a minimum of three years' experience in specialty is essential. An allowance of £1,666 is also payable in lieu of private practice.

MEDICAL OFFICERS

£2,620 p.a./Falkland Islands

The Government of the Falkland Islands urgently require three Medical Officers.

Post A: Duties of general practitioner and to be in sole charge of the country district of East Falklands. The Officer will be under the general supervision of the Senior Medical Officer in Stanley with whom communication will be by telephone or radio-telephone. Travel between patients either by land-rover, plane or ship.

Post B and C: Duties of general practitioner, but will be required to serve at the General Hospital, Stanley and to attend district calls. May also be required to spend part of tour in the country district.

All Posts: Candidates must be 27-50 years, no private practice. Contract 2 years' tour, but shorter tours can be considered. Furnished quarters available, free family passages, paid leave, educational grants and a terminal gratuity of 20% of salary. Payment of an inducement allowance is under consideration.

MEDICAL OFFICERS OF HEALTH

£2,844-3,882/Jamaica

To administer all Government Public Health functions in any one of the twelve rural parishes. Services include Environmental Sanitation, Maternal and Child Health, School Medical services, communicable disease, Health education and Insect control, together with any other appropriate duties that may be assigned by the Chief Medical Officer. Possession of the D.P.H. or equivalent is essential. Private practice not permitted.

GENERAL DUTY MEDICAL OFFICERS

Are required in Botswana, Kenya, Lesotho, Uganda, St. Kitts and St. Lucia. Salaries vary with local living costs.

Foreign and Commonwealth Office

ARABIAN AMERICAN OIL COMPANY

invites applications for the position of

GENERAL PHYSICIAN

in the Company's hospital in Saudi Arabia. The Company operates a modern, fully equipped hospital which is a member of the American Hospital Association and fully approved by the Joint Commission on Hospital Accreditation. There is a staff of 60 physicians, representing all the major specialties. All physicians and supporting personnel have been trained either in the United States or in the United Kingdom. Applicants must be graduates of a recognized University with at least one year postgraduate training and two years' additional experience of registrar training in general medicine or paediatrics. Knowledge of both English and Arabic language. Applicants must be fully prepared to participate in the General Medicine Service, performing medical consultations, diagnostic procedures, Electrocardiography etc. A basic salary of Saudi Riyals 3,860 per month (approximately £350 sterling) is offered; a two-year contract renewable at Company option and a round trip for the entire family to go home every two years.

Applications in writing should be forwarded to: Mr. H. L. Foree, Aramco Overseas Company, 55 Laan van Meerdervoort, The Hague, Netherlands. (H8257) 61-1

THE WORLD HEALTH ORGANIZATION

invites applications for a vacancy as a

Health Systems Analyst

to be concerned with the development AND application of methodologies for formulating national programmes and projects in the health sector, and with the development of information and management systems to support such health programmes and projects, both at the country level and within the Organization. Position may require extensive travel and involvement in teaching and the preparation of training materials as well as research and development work within a multi-disciplinary team.

Minimum qualifications

Education: A degree from a recognized university, preferably at Master's level, in a field such as economics, statistics, social sciences, information or management science or public administration.

Experience: Practical experience in working in systems analysis and design, preferably in multi-disciplinary teams. Knowledge of and experience in public health would be an additional asset.

Languages: Excellent knowledge of English with a working knowledge of French and/or Spanish. Ability to communicate effectively both orally and in writing is very important.

Conditions: Salary range per annum: (Net of Taxes). Junior level US\$11,283 to US\$15,093 and Senior level US\$13,578 to US\$17,568. Annual increments vary from US\$312 to US\$364. Post adjustment, dependants' allowance and education grant where applicable. Pension and sickness insurance schemes. Six weeks' annual holiday; home leave every other year.

Applications: Candidates should apply to the World Health Organization, VN, P 71/116, Avenue Appia, 1211 Geneva 27.

CARDIOLOGIST

required to work in the

Cardiac Centre in Eindhoven, Holland

Adequate experience in cardiac catheterization essential.

During the initial period to overcome the language problem, his duties will be mainly in the cardiac laboratory, coronary care unit, pre- and postoperative patient care.

Salary according to experience.

Applications to: **Dr W. J. M. van der Sande**
Medical Director Binnenziekenhuis
Eindhoven – Holland
Tel: 01031-040-68222.

CANADA

A surgeon is desired, but a G.P. would be acceptable, to join three English G.P.s (Members of I.V.F.) as assistant with view to full partnership after 6 months (or as a locum for June, July, August 1972) in an active small town hospital and office practice. Starting salary \$1,500 monthly. The partnership is trying to arrange occasional missionary relief work with Evangelical Societies in various parts of the world. Interviews can be arranged on 8th January when one partner will be passing through London after working in East Africa. Those interested in a challenging practice with short term missionary opportunities are asked to apply giving full details and telephone number to: Dr. David Lewis, Box 480, Drayton Valley, Alberta, Canada. (2304) 61-1

AUSTRALIA

QUEENSLAND PUBLIC SERVICE

Applications are invited for appointment to the following position:

MEDICAL OFFICER TO THE FLYING SURGEON

DEPARTMENT OF HEALTH

QUALIFICATIONS: Registered Medical Practitioner with some experience in anaesthetics.

GENERAL: The Flying Surgeon Service, based at Longreach, carries out a routine and emergency surgical service to Aramac, Barcaldine, Blackall, Clermont, Cloncurry, Collinsville, Cunnamulla, Emerald, Hughenden, Injune, Julia Creek, Mitchell, Mount Isa, Muttaborra, Quilpie, Richmond, Roma, Surat, Springsure, and Winton.

RESIDENCIES
IN LABORATORY MEDICINE

(1) **PATHOLOGY RESIDENCY**
A rotating programme in clinical pathology and anatomical pathology, and a straight four-year course in anatomical pathology, fully approved by the Royal College of Physicians and Surgeons of Canada and the American Board is available on a 1,046-bed Ottawa University affiliated general treatment hospital. The staff includes four full-time pathologists, 2 haematologists, a cytopathologist, a medical bacteriologist and a medical biochemist. The annual workload consists of 10,000 surgicals, 500-600 autopsies, 500 bone marrow and 324,270 other haematological tests; 27,100 cytology specimens; 350,000 biochemical tests and 80,352 bacteriological tests per year. Emphasis is placed on participation in intra- and interdepartmental conferences, seminars and clinically oriented laboratory work. There is an opportunity to participate in the teaching of undergraduate medical students and laboratory technology students.

(2) **HAEMATOLOGY RESIDENCY**
The training programme in Haematology covers all requirements for examinations in haematological pathology of the Royal College of Physicians and Surgeons of Canada. This includes advanced coagulation techniques, radio-isotope methods, General haematology, bone-marrow examinations and blood banking, cytogenetic studies and extensive investigation in hemoglobinopathies. The department is responsible for patients and, therefore, clinical teaching is provided. There is a staff of two haematologists.

For further information for any of the above courses, apply to Dr. R. Barr, Department of Pathology, Ottawa Civic Hospital, Carling Avenue, Ottawa, Ontario K1Y 4E9.

RESIDENCY IN MEDICAL BIOCHEMISTRY
Fully approved by the Royal College of Physicians and Surgeons of Canada (4-year) programme in Medical Biochemistry is offered by the Department of Pathology in the Ottawa Civic Hospital. This programme provides an opportunity to acquire first-hand knowledge in clinical and laboratory procedures. This institution is a 1,100-bed University of Ottawa teaching hospital approved for postgraduate training in most of the specialties and sub-specialties by the Royal College. Residency begins 1st July, 1972.

Details of the programme and application forms are available from Dr. W. J. Poznanski, Medical Biochemist, Department of Pathology, Ottawa Civic Hospital, Ottawa, Ontario K1Y 4E9. (H7449) 61-1

AUSTRALIA

QUEENSLAND PUBLIC SERVICE

Applications are invited for appointment to the following position:

SENIOR PSYCHIATRIST

DIVISION OF PSYCHIATRIC SERVICES
DEPARTMENT OF HEALTH
BRISBANE

QUALIFICATIONS: Applicants should be registerable in Queensland, hold the D.P.M. or equivalent postgraduate qualifications in Psychiatry and have had five years' experience in the specialty subsequently. Experience in the forensic or related fields would be an advantage.

Trends in Clinical Pathology

Essays in Honour of Gordon Signy

This book is no pious collection of personal tributes but a survey of the old and the new disciplines in clinical pathology since the second world war — research in atherosclerosis and ischaemic heart disease, progress in medical virology, microbiology and cytology, the impact of antibiotics on medical bacteriology, chemical pathology and also molecular defence, haematology in mid-century, including haemostasis and blood transfusion. The place of fibrin in the story of hyalin is another modern study, so also is that on automation. The outlook on some members of the family Enterobacteriaceae is changing, and the 'old' forensic medicine is indeed new. And those pathologists working in the under-developed countries are not forgotten. The contributors are internationally renowned.

WANGANUI HOSPITAL BOARD

New Zealand

VISITING

EAR, NOSE AND THROAT SURGEON
Applications are invited from Registered Medical Practitioners suitably qualified for the position of part-time Ear, Nose and Throat Surgeon and the appointee will be the sole specialist in this field in the area. Salary will be in accordance with the New Zealand Hospital Regulations and will be based on a nominal whole-time salary of \$8,936-\$13,284 depending on qualifications and experience and hours of duty, which will be a minimum of 3/10ths.

Further particulars are available from The Classified Advertising Manager, British Medical Journal, London, or the Medical Superintendent, General Hospital, Wanganui. Full particulars as to age, qualifications and experience and advice as to when the appointment can be taken up, should be addressed to the Medical Superintendent, K. Harris, Secretary. (H8176) 61-1

WANGANUI HOSPITAL BOARD

PART-TIME PSYCHIATRIST

Applications are invited from Registered Medical Practitioners with qualifications and experience in Psychiatry, for the Specialist post of Visiting Psychiatrist at the Wanganui General Hospital. This is a newly established position to serve the hospital needs of the Wanganui district and the average number of hours per week for the initial appointment will be fourteen (4/10ths). There is considerable scope for private psychiatric practice in the district. The present salary will be four-tenths of the basic salary scale for specialists (\$8,936-\$13,284), the commensurate rate depending upon the length of experience in psychiatric medicine.

Further particulars are available from The Classified Advertising Manager, British Medical Journal, London, and applications close with the undersigned, Private Bag, Wanganui, New Zealand. K. Harris, Secretary. (H8175) 61-1

BIOCHEMISTRY

THE ROYAL INFIRMARY
OF EDINBURGH
Department of Clinical Chemistry

Applications are invited for the post of **BASIC-GRADE BIOCHEMIST**. Candidates should have an Honours degree in Biochemistry or Chemistry, or one of the related biological sciences. The Post will provide experience of routine hospital service in Clinical Chemistry, and opportunities for engaging in developmental and research work. A training programme exists for preparing Basic-grade Biochemists for the Mastership in Clinical Biochemistry. Salary and Conditions of Service according to current Whitley Council agreements.

Applications giving age, qualifications and experience, together with the names and addresses of two referees to Personnel Officer, Royal Infirmary, Edinburgh EH3 9YW, by 18th December, 1971. (15570) 63-1

UNITED STATES Hospital Internships and Residencies available. University and non-university affiliated hospitals. Wide choice. Submit curriculum vitae to: International Medical Exchange 1250, Portland Avenue, Rochester, New York, 14621, U.S.A. Interviews may be arranged. 61-1

VICTORIA HOSPITAL
London, Ontario, Canada

Two positions in nephrology are available at Victoria Hospital in London, Ontario affiliated with the University of Western Ontario. These positions would entail wide exposure to clinical nephrology. There is a very active programme concerned with hemodialysis and renal transplantation. The residents will also be encouraged to participate in clinical research projects related to nephrology and the interests of the two nephrologists associated with this unit. Projects underway at the present time involve tissue histocompatibility, calcium and magnesium studies, renal failure, drug toxicity and intracellular electrolytes.

Interested persons should contact Dr. R. W. Kimber, Renal Unit. Salary dependent upon qualifications. (H8067) 61-1

WAIKATO HOSPITAL BOARD
Rotorua Hospitals, Rotorua, New Zealand

VISITING PSYCHIATRIST

Applications are invited from suitably qualified medical officers, registrable in New Zealand for a position of Visiting Psychiatrist at the Rotorua Hospitals. This is a new position with the object of forming a complete Psychiatric unit at the Hospitals.

The actual sessional basis will be mutually arranged as there are excellent prospects for private practice in Rotorua. Applicants should have been qualified for a minimum period of eight years, have had five years Psychiatric experience and possess a higher qualification in Psychiatry.

The position which is of specialist status will attract a salary in the normal whole time scale \$8,936/12,033, the commencing rate to be determined according to the appointee's qualifications and experience. Rotorua is the Board's second largest general hospital, having more than 370 beds including maternity and covers the usual specialties. Rotorua is situated in the centre of New Zealand's thermal area and is a popular tourist resort, being handy to hunting, farming, mountaineering and surfing facilities.

Enquiries regarding this position should be directed to the Medical Superintendent, Rotorua Hospital, Private Bag, Rotorua, New Zealand. Conditions of Appointment and application forms may be obtained from the Secretary, Waikato Hospital Board, P.O. Box 934, Hamilton, N.Z. with whom applications close on the 31st January, 1972. (H8254) 61-1

NON-MEDICAL
POSTSPONTYPRIDD AND RHONDDA
HOSPITAL MANAGEMENT COMMITTEE
East Glamorgan General Hospital
Psychiatric Clinic

A vacancy exists for a **SOCIAL WORKER** OR **SENIOR SOCIAL WORKER** (according to appropriate qualifications) at the Psychiatric Clinic, the first of its type in Wales. All modern forms of treatment are undertaken to provide a comprehensive psychiatric service for a population of 170,000 in the catchment area. Close liaison is maintained with officers of the local Health Authority Mental Health Departments, to provide a Community Care Service, and regular meetings take place. Regular Case Conferences are also held at the Clinic. The Clinic consists of two ward units totalling 46 beds, a Day Centre for 30 patients and a Consultative Wing from which Out-Patient Services operate. There is a possible opportunity for Senior Grade Applicants to participate in student supervision and tutorial activities in conjunction with the University College, Cardiff. Appropriate Whitley Council conditions of service apply. Canvasing will disqualify. New entrants subject to medical examination, including Chest X-ray. Application forms are available from the undersigned and must be returned as soon as possible. P. V. Davies, Group Secretary, Group Headquarters, Albert Road, Pontypridd. (14093) 63-7

**ST. ANDREW'S HOSPITAL
Northampton**

Medical Director, James Harper, M.B., F.R.C.P.(Edin.), F.R.C.Psych. St. Andrew's Hospital is a private psychiatric hospital situated in 130 acres of parkland in the county town of Northampton. In general, patients are admitted to Wantage House, a reception unit in the grounds which is equipped for the investigation and treatment of all forms of psychiatric illness. In addition, there is accommodation mainly in private rooms, both in the main hospital and in various villas for longer stay patients and geriatric patients. The hospital's amenities include Gloucester House, which comprises an Occupational Therapy Department, a swimming pool, squash court and library, while in the grounds there are tennis courts, a nine-hole golf course, etc.

Fees range from £31.50 per week, and subscribers to private medical insurance schemes such as British United Provident Association and Private Patients Plan, may claim benefit in respect of these charges.

Further particulars may be obtained from the Medical Director, St. Andrew's Hospital, Northampton (Tel: Northampton 34354) who can be seen in consultation by appointment, either at the hospital or at 55 Harley Street, London, W.1. 99

Hazard Ahead...

but with care, one that is readily overcome.

The 'Hazards' facing you and your family are not so easily tackled, but with the same care you can provide for yourself and your dependants with the right type of insurance.

Understandably, you may not know where to start, but the Medical Insurance Agency, with its knowledge of the insurance market and of the needs of the medical and dental professions, will help you to find the policy that is exactly right for you.

JOURNAL OF CLINICAL PATHOLOGY

Original and specially commissioned articles on each branch of pathology, with prominence given to its clinical application. Technical methods, notes on new or improved apparatus, book reviews.

Monthly. Annual Subscription, Inland £10.00; Overseas £11.00 (U.S.A. \$26.50).

Order from: The Subscription Manager, British Medical Journal.

'... elderly people select for themselves a diet relatively poor in potassium content even in circumstances where an adequate intake is available.'

Geront. clin. (Basel), 1971, 13, 119 (May/Jun)

'Digitalis overdose is very common especially in the elderly.'

'... [The most common causes] today are simple overdose, impaired renal function and depletion of the body potassium.'

Brit. J. Hosp. Med., 1971, 6, 93 (Jul)

so now—

MODURETIC[®]
 **DIURETIC**

a highly effective diuretic that entirely
obviates the need for potassium supplements

'Moduretic' is a new diuretic from Merck Sharp & Dohme—highly effective, yet helps to conserve the body's natural balance of potassium

With 'Moduretic', dosage is simplified

'Moduretic' Tablets are small, distinctively diamond-shaped, and peach-coloured

'Moduretic' is available as tablets containing 5 mg amiloride hydrochloride and 50 mg hydrochlorothiazide.
Detailed information is available to physicians on request. ® denotes registered trademark.

Merck Sharp & Dohme Limited, Hoddesdon, Hertfordshire Telephone Hoddesdon 67123

Adagio cantabile...e sostenuto

The diuretic you prescribe for patients needing long-term therapy should be gentle.

'Massive, rapid diuresis might produce considerable reductions in blood volume and blood pressure, which might be particularly dangerous in elderly patients.'*

Such a diuretic should be combined with a potassium supplement, but there is a risk of small bowel ulceration or obstruction when patients take preparations which release a large concentration of potassium ions in the small bowel.

CENTYL K reduces the risk by combining the highly effective diuretic, bendroflumazide BP (a Leo discovery) with a slow-release potassium chloride supplement to provide greater safety during long-term maintenance therapy.

conduct long-term diuresis with confidence

Centyl[®] K

the gentle diuretic

with slow-release potassium supplement

Centyl K tablets contain 2.5mg bendroflumazide B.P., and 573mg potassium chloride (\approx 8 mEq.) in a slow-release core. Available in packs of 100 tablets (10 bubble packs each of 10 tablets).
