# Bronchitis is harming his education

Every G.P. knows the problem of the 'chesty' child.

Every winter it's the same. He loses days, even weeks from school because of bronchitis.

Ceporex Syrup helps the 'chesty' child beat bronchitis. Because Ceporex Syrup contains cephalixin, a broad spectrum bactericidal antibiotic with a

high proven success rate in bronchitis.

But unpleasant side effects, such as teeth-staining, rashes and diarrhoea, so often a problem with some antibiotics, are extremely rare with Ceporex Syrup.

This winter you can help the 'chesty' child because

## Ceporex Syrup beats bronchitis

Ceporex Syrup is available in 125mg and 250mg strengths

# HEART ATTACK!

BRITISH MEDICAL JOURNAL, 29 DECEMBER 1973

Excessive anxiety—generated in the amygdala (orange spot) and transmitted into the body by the hypothalamus (red spot)—affects the cardiovascular system and may precipitate angina, heart failure, or even myocardial infarction in patients with pre-existing heart disease.

Nobrium relieves excessive anxiety by a precise action on the amygdala, the source of anxiety. It also damps the transmission of anxiety to the cardiovascular system by a supplementary action on the hypothalamus. This precise action is highly effective<sup>1,2</sup> relieving associated anxiety<sup>2</sup> in over 90% of patients with cardiovascular disorders while causing few side effects.<sup>2,3</sup>

# When the problem is bacterial diarrhoea **Kaomycin** provides prompt control

- neomycin acts swiftly, effectively, and safely to control all eight of the most common diarrhoea – causing pathogens
- because neomycin is less than three percent absorbed, its antimicrobial action is concentrated in the gut – where it is needed
- kaolin mixes with the faecal mass and adsorbs toxic materials and bacteria
- kaolin adheres to the intestinal mucosa forming a protective coating to help prevent further irritation

#### *Supplied:*

Bottles of 150 ml. and 500 ml. Each 5 ml. dose contains kaolin, B.P., 1.03 g.; neomycin sulphate, 53 mg. (equiv. to 37 mg. neomycin base); suspended with methylcellulose.

# NEW BOOKS

## Acetylcholine

An Approach to the Molecular Mechanism  
of Action

**M J Michelson & E V Zeimal**

*The Sechenov Institute of Evolutionary, Physiology  
and Biochemistry, Leningrad*

**252 pages 195 illustrations**

**£8.50 hard cover December 1973**

This book is a detailed account of the  
cholinergic nerve synapse, its structure and  
mechanisms of action, and the ways in  
which various pharmacological agents can  
affect its function. A special feature is the  
wide use of modern concepts of electronic  
structure and conformation of molecules in  
relation to their biological activity.

## Frontiers in Catecholamine Research

Edited by Earl Usdin & Solomon Snyder

*Psychopharmacology Section, US National Institute  
of Mental Health*

Approx 1,200 pages £20.00 hard cover  
January 1974

In May 1973, an epoch meeting on  
catecholamines took place in Strasbourg,  
France. **Frontiers in Catecholamine  
Research** comprises the published  
proceedings of this venture, perhaps the  
most extensive and rigorous scientific  
meeting ever held in neurotransmitters.  
This Third International Catecholamine  
Symposium embraced all aspects of  
catecholamines including their metabolism,  
synaptic disposition in the brain and in the  
periphery, interactions with drugs and role  
in medical and psychiatric disease. More  
than 500 scientists from 29 different  
countries participated and attended the  
scientific sessions which included 126  
formal presentations. This volume is  
without question the most exhaustive and  
authoritative ever published on  
catecholamines. At the same time the  
theme of the meeting, "New Frontiers"  
has ensured that most of the presentations  
focus on new data and novel conceptual  
approaches. The book should be  
indispensable for all research workers in  
the brain sciences, and pharmacology, as  
well as to medical and graduate students.

# SEPTRIN TACTICS

## first

SEPTRIN ensures coverage against all likely bacterial pathogens.

## fast

SEPTRIN rapidly obtains effective blood levels with simple twice daily dosage.

## decisive

SEPTRIN crushes bacterial resistance with a bactericidal action which differs essentially from that of the antibiotics

Superior to either ampicillin or tetracycline as judged by reduction in sputum purulence or sputum volume.<sup>1,2</sup>

"... not only are the two primary pathogens, *Strep pneumoniae* and *H influenzae*, sensitive, but so are the secondary invaders such as *klebsiella* which often replace them after antibiotic treatment."<sup>3</sup>

"... can only be considered excellent on the criteria originally specified, namely the elimination of the infecting micro-organism."<sup>4</sup>

## Auntie remembers— taking her Lucidril.

Forgetfulness presents itself in many ways in old age—for example, a patient often forgets when and how much to take of any prescribed medication.

Lucidril can help a patient's memory by an action that does not depend on improving the blood supply to the brain.

Lucidril starts the old brain working again—along different lines. Firstly, it stimulates the metabolism of

the brain, probably through different pathways. Secondly, it removes the lipofuscin pigments which are a concomitant of old age and which may impair cellular metabolism.

Lucidril thus improves mental function; as a recent clinical paper has pointed out:

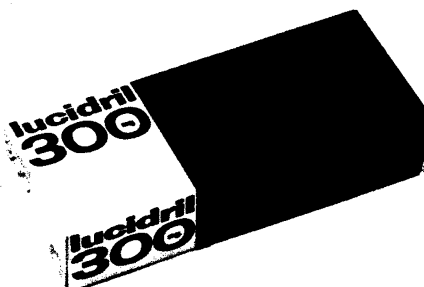

"These preliminary results with Lucidril are encouraging, because they indicate that the intellectual impairment exhibited by such patients

may be reversible, even when the underlying causes are presumably of an organic nature, such as cerebral arteriosclerosis."

Lucidril 300 contains 300 mg. meclofenoxate hydrochloride. Product Licence Number 0098/5002. Lucidril is a trade mark.

\*Copies of the paper, Age and Ageing, (1972) 1, 74, and any further information are available on request.

# Bencard inject commonsense into the treatment of hay fever

New Pollinex is commonsense because it offers all the benefits of the immunological approach to the treatment of hay fever in a streamlined and simplified form.

Pollinex contains *modified* extracts of the twelve grass pollens which cause most hay fever in Britain – *modified*, by a unique process. The result is that unwanted side-effects are to a large extent eliminated, without affecting the stimulation of antibody production which protects the patient against hay fever.

The *modified* active material is adsorbed on to a natural base which is fully metabolised in the body. The result is simpler, safer, prevention of hay fever.

Only three injections

Only three injections are required, and pre-filled disposable syringes ensure trouble-free administration and accuracy of dosage.

Simplicity with safety

With simplicity goes safety.

The active material in Pollinex is released slowly but completely for maximum efficiency and minimum risk of side-effects.

Preventive therapy

With Pollinex the immunological approach to the treatment of hay fever becomes a really practical proposition, so many more patients experience the relief which comes from preventive therapy.

Pollinex is prescribable on form E.C.10 and is available from stock. An illustrated booklet with full information on Pollinex (regd.) is available from

Bencard, Freepost, Brentford, Middlesex.

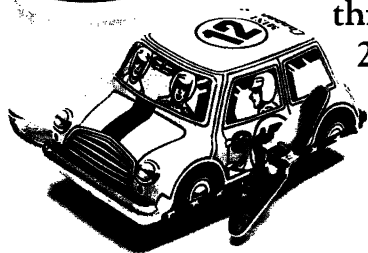

# Excellent in child

Amoxil is an excellent antibiotic for the commonly occurring bacterial infections in children. For a start, Amoxil is pleasant to take. The citrus-flavoured syrup or paediatric suspension pleases even the fussiest of patients.

Then Amoxil can get to work. Its broad spectrum of bactericidal activity and outstanding oral absorption<sup>1</sup> ensure the high serum levels necessary for a rapid response. In fact, just three daytime doses give 24 hour therapeutic effect.

# Children's infections.

It is not surprising, therefore, that Amoxil's extensive clinical trials have proved it so reliable: a recent study<sup>2</sup>, involving 150 children, demonstrated a success rate of 94%.

Add to this Amoxil's penicillin safety and low treatment cost and you really have an excellent antibiotic for children – and for grown-ups too.

Further information on Amoxil (regd) is available from Bencard, Freeport, Brentford, England.

#### Prescribing information

**Dosage:** Adults 250 mg three times a day.

Children – up to 10 years: 125 mg three times a day. In the case of severe infections the dosage should be doubled.

**Presentation:** Amoxil capsules 250 mg. Amoxil syrup 250 mg/5 ml, 100 ml bottle. Amoxil syrup 125 mg/5 ml, 100 ml bottle. Amoxil Paediatric Suspension 125 mg/1.25 ml, 20 ml bottle with pipette. Amoxil presentations contain amoxycillin as the trihydrate.

**Contra-indication:** Amoxil is a penicillin and should not be given to penicillin-hypersensitive patients.

**Side effects:** No serious side effects have been reported in extensive clinical trials. Those side effects which were encountered were mild and of a transitory nature.

**Chest, Ear, Throat  
and Urinary Infections**

If you think  
you have a good chance  
of falling ill  
during the next 20 years,  
call this number.

01-636 1686

Just about everybody falls ill sometime. It happens to doctors just as much as it happens to everybody else. Without regular money coming in, the expenses of your practice and home can prove to be a crippling financial burden.

Luckily there's a cure for all this. A sickness and accident policy with the Medical Sickness Society. The mutual society founded to take care of the insurance needs of doctors and dentists.

If you should fall ill for a long time the policy will make sure there's adequate money coming in to your bank account to take care of your expenses.

And we'll go on paying until you're fit enough to go back to work again or, if necessary, right up to your retirement age.

So contact us now. Be it for sickness and accident cover, or for life assurance, a pension plan, an equity-linked savings policy, or just plain advice about your insurance problems.

All you have to do is 'phone 01-636 1686. We'll do the rest.

## EDUCATIONAL

### DONCASTER POSTGRADUATE MEDICAL TEACHING CENTRE

#### F.R.C.S. COURSE

Five day residential surgical and orthopaedic course for final F.R.C.S. candidates to be held at Doncaster Royal Infirmary. 25th — 29th March, 1974.

Visiting Lecturers: R. H. Baker, F.R.C.S. Orthopaedic Surgery, T. Duckworth, F.R.C.S. Orthopaedic Surgery, J.M.D. Galloway, F.R.C.S., General Surgery, A. G. Norman, M.Clin., F.R.C.S. Thoracic Surgery, D. Price, F.R.C.S., Neurosurgery, W. J. W. Sharratt, F.R.C.S., Orthopaedic Surgery, W. Waugh, F.R.C.S. Orthopaedic Surgery.

The course is limited to 30 students. Cost £15.

Apply to: The Secretary, Postgraduate Medical Teaching Centre, Royal Infirmary, Doncaster DN2 5LT, for details of full programme. (21802)

#### FINAL F.R.C.S. COURSE

March 4th to 22nd, 1974

A three week block course, 9.30 a.m. to 6.30 p.m., Monday to Friday, will be held at Guy's Hospital and Lewisham Hospital. Limited to 25. Fee £52. Approved for Study Leave under HM 67/27.

Applications to Miss D. Phillips, Dept. of Postgraduate Studies, Guy's Hospital, Medical School, London Bridge, S.E.1. (21803)

### GUY'S HOSPITAL NEWCOMEN CLINIC

#### COURSE IN DEVELOPMENTAL PAEDIATRICS

Subjects include neurological development, developmental assessment of young children, perceptual and communication disorders and services for handicapped children. Especially suitable for Consultants and Registrars in Paediatrics and Psychiatry. Approved by the British Postgraduate Medical Federation. 4th to 8th March, 1974, Inc. Fee nineteen pounds. Application form from Department of Postgraduate Studies, Guy's Hospital Medical School, London, S.E.1. Numbers limited. (21661)

### THE ROYAL LONDON HOMOEOPATHIC HOSPITAL

Great Ormond Street

London WC1N 3HR

#### HOMOEOPATHY

An Intensive Course of Instruction in the principles and practice of Homoeopathy will be held from Monday 25th February, to Friday 1st March, 1974 inclusive.

Grants for locums and travel expenses etc. are available for General Medical Practitioners wishing to attend.

Apply: Dean of the Faculty of Homoeopathy at the above address. (21797)

### UNIVERSITY OF BIRMINGHAM

#### ABOLITION OF THE DEGREE OF CH.M

Notice is hereby given that the Council of the University of Birmingham is recommending to the Court of Governors that with effect from 1st October, 1974, the University should cease to award the Degree of Master of Surgery (Ch.M). Candidates who are at present eligible to supplicate for the degree of Ch.M. under the existing Regulations will in future be eligible to supplicate for the degree of M.D. Copies of the Regulations for the M.D. may be obtained from the Assistant Registrar, the Medical School, University of Birmingham, Birmingham B15 2TJ. (21718)

## PARTNERSHIPS OFFERED

A BATLEY (West Riding) Doctor requires young graduate of a British University to replace Partner due to emigration. Old established practice. Full ancillary staff. Hospital beds. Open access to all facilities. New Maternity Hospital. Clinical assistantships held. Wide range of clinical material. New Postgraduate Centre. Pleasant patients. Good recreational facilities. Box 3017 BMJ

BANBURY, OXFORDSHIRE. Male graduate (under 35) of a British University, required as a fourth partner in semi-rural practice commencing around May, 1974. Open access to X-Ray, E.C.G., Pathology and Physiotherapy. G.P. beds in modern Maternity Unit. L.A. Health Visitors (2). Midwife and Nursing (3) attachments. Obstetrics an advantage. Immediate partnership offered to the right man. Initial share approaching £5,000. Parity after 2½ years. Applications in writing to Drs. Hyslop, Jackson and Rodrick, Windrush Surgery, 21 West Bar, Banbury, Oxon. 10

GRADUATE OF A British University required as fourth partner. East Yorkshire suburban mixed practice with three major ancillary appointments. Ample off duty and holidays. Minimum salary £4,000. Accommodation can be arranged. Box 3018 BMJ

LINCOLN. Graduate of British University required on 1st April to replace retiring senior partner, in three-man practice, having exclusive use of small Health Centre. Full attachments and open access to Pathology, X-Ray, and G.P. Maternity Unit. Own E.C.G. weekend rota of seven. Remaining partners cheerful, hard-working and sporting. Initial salary by agreement, parity in two years. Dr. Chapman, Health Centre, Boultham Park, Lincoln. 10

GRADUATE OF BRITISH University required as 5th partner in semi-rural practice in Kent. Obstetrics essential. Three months Assistantship for mutual appraisal. Early parity. Good educational and recreational facilities. Box 3011 BMJ

PARTNER REQUIRED by two partner practice in Weston-super-Mare. Short period of assistantship with partnership within 12 months. One partner planning retirement in 1976. Please apply stating age, qualifications, academic record and other interests. Box 3012 BMJ

SINGLE HANDED Practitioner requires partner during next six months. Graduate of a British University, under 35. Receptionists, attached nurses, midwife, health visitor, appointments system, teaching interest. Small town near Newport and Cardiff. Open access. Duty rota. Salaried partnership with view to full partnership and early parity. Obstetrics necessary. Vocational training desirable. Apply in writing Wade, Risca, Monmouth NP 10 6EE.

THIRD PARTNER REQUIRED for pleasant urban-rural practice in Carlisle. Very conscientious colleagues could group to attend 6,000 patients. Excellent opportunity to practice unhurried medicine in congenial company with good facilities. Flat available. Phone Carlisle 26542 or 29215 after 8 p.m. 10

LONG ESTABLISHED Group Practice requires Graduate of British University, under 40, male or female, as fifth partner in Stevenage Old Town. Early parity after salaried partnership of 6 months. (Salary negotiable). Obstetric experience preferable. Branch surgery in the New Town. Some country work. Appointment system. Usual ancillary help and attachments. G.P. beds soon in brand new hospital. Health Centre planned with Executive Council. Good equal off-duty. 6 weeks holiday per year. Housing available. Box No. 3025 BMJ

THIRD PARTNER wanted 1st April, 1974 in Lincoln — preferably vocationally trained and on Obstetric list. Parity two years. Apply Box No. 3022 BMJ.

WANTED SALARIED partner N.W.9. Group Practice. Part-time. Generous terms offered. Box 3023 BMJ.

WANTED. Fourth partner. 10 miles Cardiff. New health centre February, 1974. Hospital appts. held. Full ancillary staff and hospital facilities. £5,000 first year. ¼ share in 3 years. Box 3024 BMJ.

## GENERAL PRACTICE TRAINING POSTS

### EASTERN REGIONAL HOSPITAL BOARD (Scotland)

#### VOCATIONAL TRAINING IN GENERAL PRACTICE

A casual vacancy has arisen in the Board's Vocational Training Scheme in General Practice. The post will provide for three six-month modules of training in psychiatry, infectious diseases, with a considerable paediatric content and in general medicine followed by one year in a teaching practice. A further elective six-month module will be arranged at the end of the General Practice training period. The post is non-resident.

Further particulars and forms of application from the Secretary to the Board, Vernonholme, Riverside Drive, Dundee, with whom completed applications should be lodged not later than 13th January 1974. (H15642) 22

### SOUTHERN GENERAL HOSPITAL Glasgow, G51 4TF

#### VOCATIONAL TRAINING SCHEME IN GENERAL PRACTICE

Applications are invited from doctors who have attained full registration at the time of entry for four posts in the above Scheme starting 1st August, 1974.

The scheme, which is run in association with the Royal College of General Practitioners, lasts for three years and offers 18 months hospital experience in general medicine, obstetrics and gynaecology, paediatrics and psychiatry. A further 6 months is spent in community medicine and the final year as a trainee in general practice with opportunities to attend specialist outpatient clinics.

Remuneration in the hospital posts is on the senior house officer salary scale and in general practice is as a trainee general practitioner.

Further information and application forms can be obtained from the Medical Superintendent to whom applications should be submitted within three weeks of the date of this advertisement. (21752) 22

## UNIVERSITY AND RESEARCH APPOINTMENTS

### INSTITUTE OF CHILD HEALTH University of London

Applications are invited for the post of **LECTURER IN MORBID ANATOMY**. The holder of the post will have routine duties in the Hospital for Sick Children and will be expected to take part in the research programme of the department. Salary within the range for University Clinical Lecturers (£3012—£4668). Initial salary according to age and experience.

Applications by 31st January 1974 to the Secretary (81030), Institute of Child Health, 30 Guilford Street, London, WC1N 1EH, from whom further particulars may be obtained. (21719) 25

# APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1969, No. 163).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

# SALARY SCALES OF HOSPITAL MEDICAL STAFF

**HOUSE OFFICER:** Each post in this grade shall be tenable for six months. £1,914 per annum for the posts held during the first year; £2,061 per annum for posts held during the second year; £2,208 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

**SENIOR HOUSE OFFICER:** £2,475 per annum x £189(1) x £186(1) — £2,850.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

**REGISTRAR:** £2,850 per annum x £171(3) x £168(1) — £3,531.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale, and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

**SENIOR REGISTRAR:** £3,363 per annum x £168(1) x £216(4) — £4,395.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

**MEDICAL ASSISTANT:** £3,156 per annum x £183(2) x £168(10) — £5,562

Deductions of £270 per annum in respect of lodging only for voluntary residence.

**CONSULTANT:** £5,085 per annum x £279(8) x £282(1) — £7,599.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

**COMPULSORY RESIDENCE:** The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rent is appropriate. August, 1973

## OVERSEA

Attention is drawn to the im-  
portance of detailed careful con-  
sideration to the terms of any  
contract, especially as terms and  
conditions of service may differ  
markedly in different areas. Notes  
on Contracts Overseas may be  
obtained on application to the  
Secretary.

Before any contract is signed it is  
advisable to obtain full details of  
remuneration and of terms and  
conditions of service and in-  
formation about local conditions.  
These may often be obtained from  
the local B.M.A. Branch or affiliated  
Medical Association whose address  
may also be obtained on application  
to the Secretary.

**1. STAFF PSYCHIATRIST  
DIRECTOR OF PSYCHIATRY**  
or  
**2. LOCUM STAFF PSYCHIATRIST**  
(part time)

Due to the move of the present Director to  
another field of Child Psychiatry, a vacancy  
will shortly occur for a full-time Staff  
Psychiatrist. A suitable appointee may be  
offered appointment as Director of  
Psychiatry. In addition, a locum position for a  
Staff Psychiatrist for four half-days  
weekly will be available for several months  
from the end of January, 1974. The Hospital is  
a 580-bed teaching hospital of the University  
of Sydney and the Department is actively  
involved in postgraduate teaching as well as  
the provision of patient service. Terms and  
conditions in accordance with provisions of  
the Medical Officers-Hospital Specialists  
(State) Award. Present full-time salary in the  
range \$AUS13,574—\$AUS18,755 according to  
experience; in addition, a person appointed  
Director will receive an administrative  
allowance. The salary for the locum part-time  
appointment will be four tenths of the full-  
time salary.

Applications from child psychiatrists, with  
career details and the names of referees,  
should be directed to the undersigned from  
whom further details are available. P.  
McReady, General Medical Superintendent.

## ANAESTHETISTS (2)

Required by the Medical Department. Duties will include

A. Attending to the pre-anaesthetic care of patients, as well as administering general and regional anaesthetics for all forms of surgery, except major cardiac procedures.

B. Assisting in emergency resuscitative work where necessary. Posting initially would be to Belize City Hospital where there is a twin operating theatre. Applicants who should normally be citizens of, and permanently resident in, the United Kingdom must possess the D.A. or equivalent with at least five years' experience in anaesthesia and be eligible for full registration with the General Medical Council in the United Kingdom.

Appointment for 2-3 years.

Salary in scale £4,075 to £4,775 p.a. which includes an allowance payable in the United Kingdom, and normally tax free, in scale £1,900 to £2,600 p.a. Terminal gratuity 20% of salary.

For a married man with two children and paying tax at standard rates, the total emoluments described above, including gratuity, approximate to a gross (i.e. before tax) U.K. return of £5,900 p.a. and for a single man about £5,250 p.a.

Other benefits include paid leave, free family passages, children's education allowances and subsidised accommodation. A tax free appointment grant of up to £200 and an interest free car purchase loan of up to £600 may be payable in certain circumstances.

For full details, application form and booklet about Belize, please apply giving age and brief details of qualifications and experience to:-

**'ORUDIS'**

supplied as capsules of 50 mg in easy-to-open containers

---

# Orudis

high activity  
with good tolerance

## Prescribing information

### Indications

'Orudis' is a potent non-steroidal, anti-inflammatory analgesic agent. It is an inhibitor of prostaglandin synthesis.

'Orudis' is recommended in the management of the rheumatic diseases:

rheumatoid arthritis  
osteoarthritis  
ankylosing spondylitis  
gout

other forms of non-infectious arthropathy  
acute articular and periarticular disorders – bursitis, tendinitis, synovitis, tenosynovitis, capsulitis of the shoulder  
painful musculo-skeletal conditions.

### Administration and dosage

**'Orudis' is administered orally and should always be taken with food.**

**Dosage is usually one capsule (50 mg) three times daily. This dosage may be increased to one capsule four times daily or decreased to one capsule twice daily depending on the size and condition of the patient and on the severity of the disease.**

### Side-effects and precautions

No serious side-effects have been reported. Symptoms of dyspepsia have occurred in a small percentage of patients and, in some such instances, a reduction of dosage has been helpful. 'Orudis' should always be prescribed "To be taken with food".

Skin rashes have been rare.

In common with other anti-inflammatory agents, 'Orudis' should be used with caution in patients with a history of peptic ulcer and in those with impaired hepatic function.

No embryopathic effects have been recorded but it is a sound medical principle to exercise caution in prescribing any medication during the first trimester of pregnancy.

### Presentation

Capsules each containing 50 mg ketoprofen, in packs of 100 and 500. The capsules are bi-coloured (opaque green/opaque purple), each half printed ORUDIS 50 in white.

Basic NHS cost (as at November 1973)  
25 capsules of 50 mg £1.14  
(ex dispensing pack)
