

IN PAIN, INFLAMED, IMMOBILE-

INDOCID[®]

Six merits of 'Indocid'

Analgesic

'Indocid' can relieve arthritic pain—promptly and effectively. Natural movement is encouraged. By night, the patient can relax and sleep more easily; and during the day, the physical and psychological benefits of reduced pain are considerable.

Anti-inflammatory

The powerful anti-inflammatory properties of 'Indocid' have been recognised for many years. Some patients respond so well to the reduction of inflammation and swelling that they are able to perform everyday tasks previously seen as impracticable.

Mobility

By relieving pain, swelling and inflammation, 'Indocid' encourages the patient to attempt more natural movement. 'Indocid' is often an important part of the management of the patient incapacitated by rheumatoid arthritis or osteoarthritis.

Efficacy

'Indocid' is established as a major antirheumatic agent. Relief of pain, reduction of inflammation, and the progressive increase in mobility—even in some who are severely disabled—enables many to enjoy a more active life.

Reliability

Many years of clinical use have proved the qualities of 'Indocid'.

Versatility

'Indocid' has proved valuable against a variety of arthritic conditions, and the number of formulations allow easy dosage adjustment to meet the need of the individual patient.

'Indocid' is indicated in the active stages of—

Rheumatoid arthritis

Osteoarthritis

Ankylosing spondylitis

Gout

Certain acute musculo-skeletal disorders

In the day and night control of a variety of arthritic conditions

INDOCID[®]

Indomethacin/MSD

prescribed for its merits

'Indocid' is available as 25 mg and 50 mg capsules, 100 mg suppositories, and a suspension containing 25 mg/5 ml. Detailed information is available to physicians on request. ® denotes registered trademark.

Merck Sharp & Dohme Limited
Hoddesdon, Hertfordshire

- 1 Aldactide's unique action gives you precise, long-term control of diuresis.
- 2 It ensures predictable loss of water and sodium which does not diminish with time.
- 3 Correct potassium levels are maintained during long-term therapy.
- 4 Dosage is simple and no potassium supplements are required.

Aldactide

TRICICLOS

NO

Non-sedative.

'Vivalan' has little or no sedative effect¹. This means that patients remain alert and active and can continue with their normal daily activities.

Rapid acting.

Controlled studies² have demonstrated that patients can show a marked improvement in as little as 3 days from the start of 'Vivalan' therapy.

Widely effective.

'Vivalan' is effective in all types of depression including mixed anxiety – depressive states³.

Clinical trials have shown that as many as 70% of patients respond favourably to 'Vivalan' therapy^{1, 2, 3}.

'Vivalan' is chemically unrelated to any antidepressant currently available, and is a product of original ICI research.

When an infection causes concern

In treating difficult ENT infections including quinsy and sinusitis, you can be more certain of first-time success when you prescribe Magnapen.

Magnapen destroys all the bacteria commonly met in general practice. This greater certainty means that the painful and worrying symptoms of these infections are quickly relieved.

So you can depend on Magnapen in severe infections even when there are no laboratory reports to guide you.

Full information on Magnapen* (ampicillin with flucloxacillin in equal parts) is available from

Beecham Research Laboratories
Brentford, England.

*regd.

call on the greater
certainty of
Magnapen

This is what we call practising medicine.

A career in Naval medicine can be a rewarding experience. Opportunities to specialise abound. And perhaps above all else, there is an immense satisfaction to be gained from the wide variety of work you will be involved in.

At sea, for instance, you could be anywhere from the Mediterranean to the Pacific Ocean. Looking after the health and well being of the company of a modern warship.

And though you could spend as long as the first eighteen months of your five year Short Service Commission on board different ships, you need have no fear of losing contact with mainstream medicine. For no matter where you are, you will be kept informed of current medical opinion.

After this, the choice is yours. Post graduate medical training and a career in the clinical disciplines at one of our naval district general hospitals. Haslar or Plymouth, for instance, with their wide spectrum of clinical material drawn from naval personnel, their dependants and the local civilian population as well. There are also naval hospitals in Malta, Gibraltar and Mauritius, with opportunities for exchange appointments elsewhere.

Or you might prefer occupational medicine in our research orientated naval dockyards. Aviation medicine with its accent on rotary wing support of the Fleet. And for those with an administrative turn of mind, community medicine.

Royal Naval expertise in maritime medicine is recognised world wide and research into underwater medicine, nuclear medicine and the closed submarine environment is centred

at the Institute of Naval Medicine at Alverstoke.

Naval general practice in well staffed and equipped medical centres extend as far afield as Hong Kong and Singapore. And new training schemes are now under way in the United Kingdom.

Should you be moved or sent abroad at any time, all expenses will be paid by us. We will help you with accommodation (at very reasonable rents) and provide allowances for the education of your children, if you have a family.

If you enter the Royal Navy immediately after registration you will be given the rank of Surgeon Lieutenant and a salary of £4,099, rising to £4,249 after four years.

On the other hand, if you are older (up to the age of forty) and more experienced, we can offer you a number of opportunities in general practice and the specialities. And, depending on your post-registration experience, you could enter as a Surgeon Lieutenant Commander at a salary of £5,161, rising to £5,658.

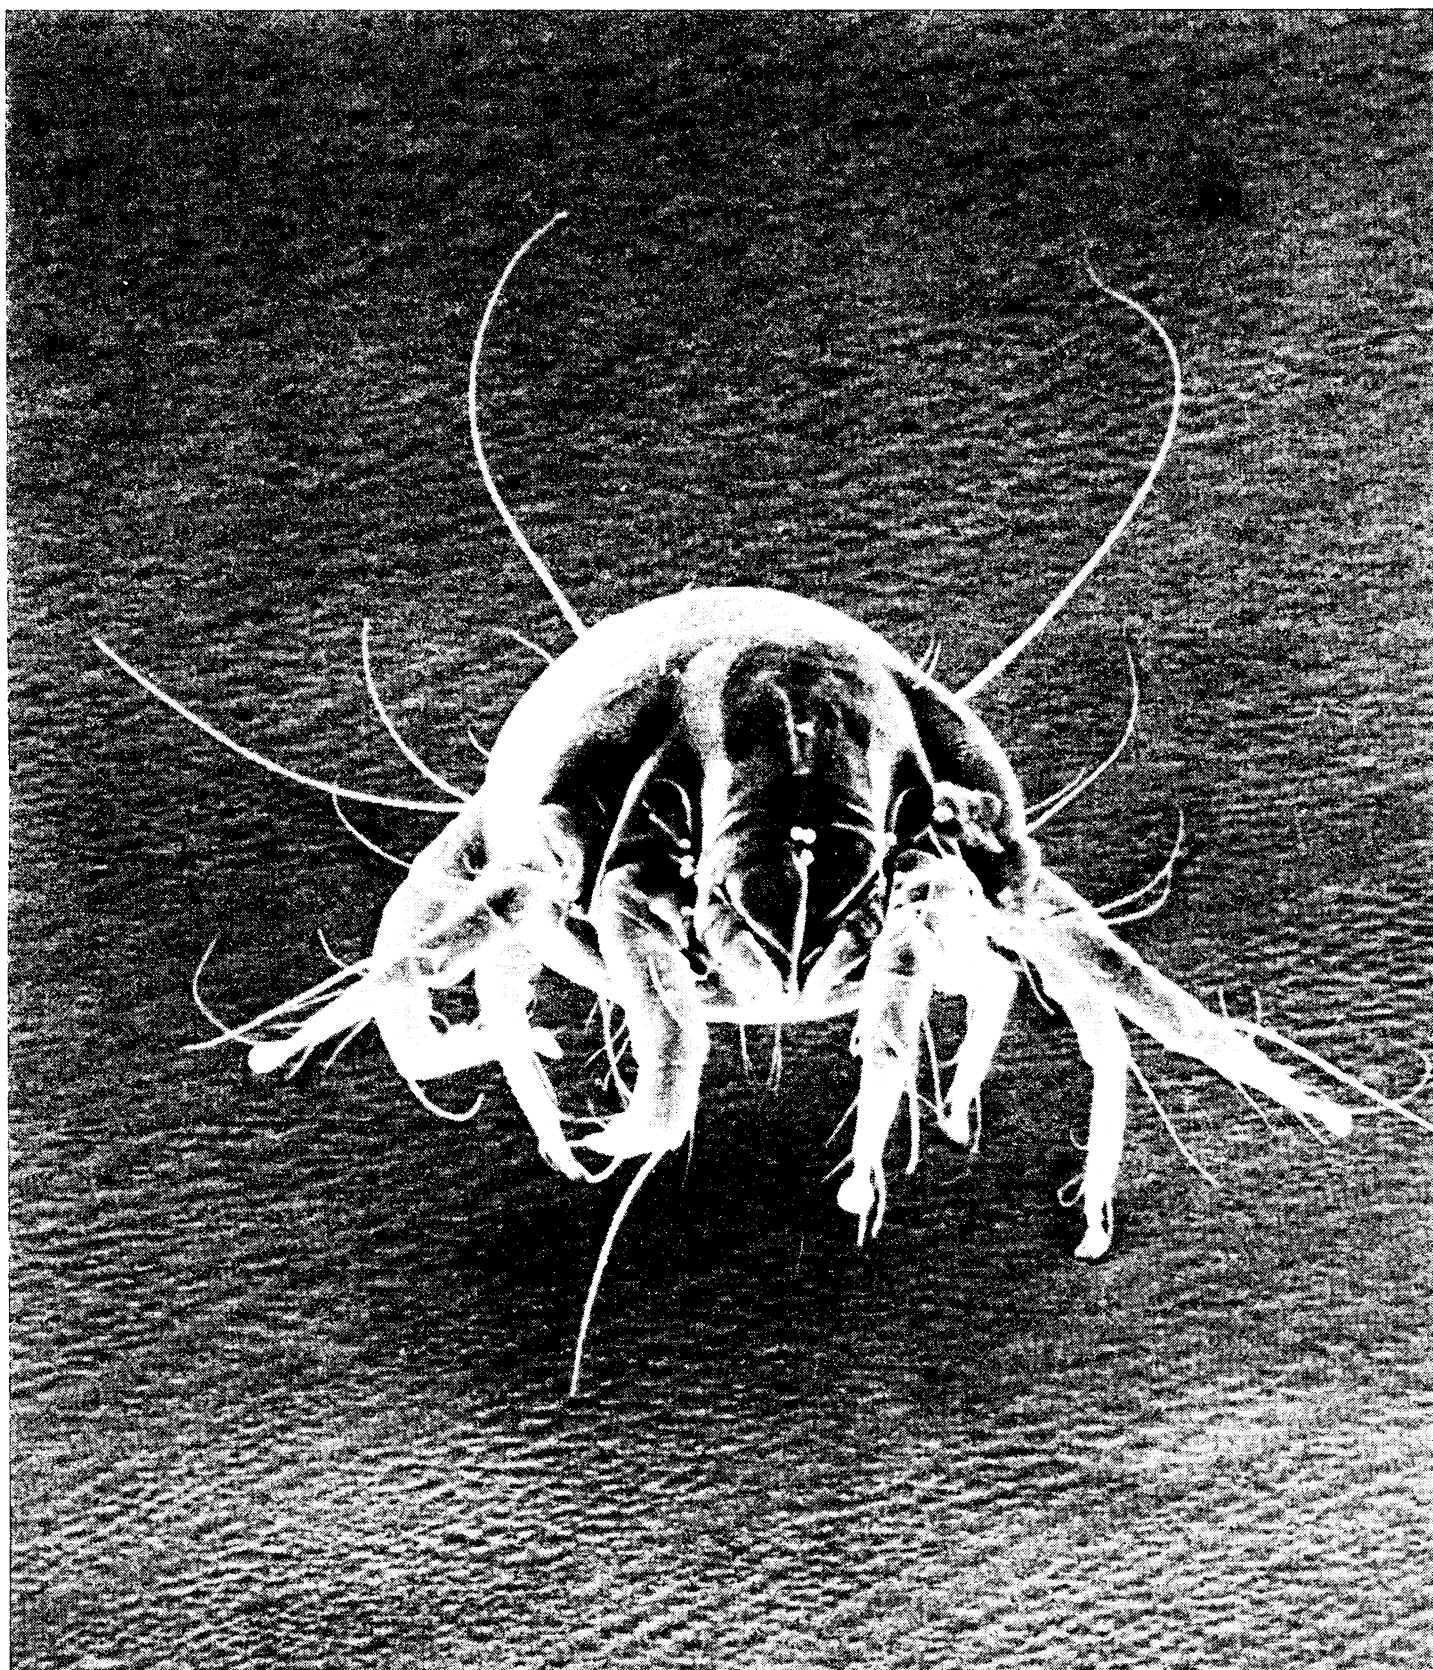

Then, at the end of your five year Short Service Commission you could leave with a tax free gratuity of £3,000.

But if it is mutually agreeable, you could apply for a Full Career Commission or a 16 year pensionable commission. The choice is yours.

In the meantime if you would like further information, write giving details of your age and qualifications to Surgeon Commander L.C. Banks, R.N., (724BU13) Department of the Medical Director General (Naval), Empress State Building, Fulham, London SW6.

One thing you shouldn't

Dermatophagoides pteronyssinus scanning electron micrograph

Migen
asthma immunisation made easy.

sweep under the carpet.

Because, no matter what you do, you can't get rid of *Dermatophagoides pteronyssinus*, the house dust mite, "... the most common cause of allergic asthma in this country". *Brit. med. J.*, (1970), 2, 501.

The mite is an extremely potent allergen. In fact, it has been calculated that the inhalation of mite material in an amount weighing less than one whole live mite would be capable of precipitating an allergic reaction.

In 1698 Floyer in his "Treatise on Asthma" stated that, "all asthmatics are offended by the least dust made by the sweeping of a room, or making of a bed". But it wasn't until 1964 that the significance of this tiny, semi-transparent creature was first appreciated.

Today, although only 0.3 mm. in length, the common house dust mite has been proved to be a major cause of a disease that disables over 300,000 Britons.

"...it is now firmly established that house dust is one of the most important allergic causes of asthma and that the most important allergen of house dust is a minute insect called the house dust mite."

The Asthma Research Council

A Thriving Subculture

Although the mites will live and breed in any house dust they are most often found on the mattresses and pillows of our beds, close to their staple diet - human skin scales. For most people this thriving subculture means little. But for the allergic asthmatic it could mean the difference between a dream and a nightmare.

Avoidance is Impossible

In the home, it is virtually impossible to remove every trace of the mite. The ubiquitous creature exists in beds, carpets, curtains, cushions - anywhere that human beings and domestic dust come together. Even immaculate dwellings produce dust samples rich in live mites, their excreta and dead remains - all potent allergens. This is why the most effective way of controlling house dust mite sensitivity is immunisation.

Migen - for the prevention of Asthma

Migen is a new short course vaccine which immunises against the house dust mite.

So it does not simply treat the symptoms of asthma - it prevents them. Immunisation against the powerful house dust mite allergen can raise the patient's overall level of tolerance. If he is multi-sensitive he may well find that he no longer reacts to contact with other allergens which have previously provoked attacks. And the stress caused by the fear of attack is reduced.

Migen is the first short course treatment that gives you, the family doctor, real control over asthma.

Migen and Simplicity

There was a time when immunisation was both a complicated and lengthy business. Not so with Migen. Just six injections form a course of treatment for asthma and perennial rhinitis. With each syringe pre-filled to ensure easy administration and accurate dosage.

Migen and Safety

In Migen the active material is adsorbed on to tyrosine - a naturally occurring amino acid which is metabolised in the human body. The active material is therefore released slowly but completely for maximum effectiveness and minimum risk of adverse effects.

Diagnosis

Migen may usually be prescribed on the basis of a careful case history alone. A Diagnostic Aid has been devised to help identify, by case history, those patients who are most suitable for Migen treatment. If the diagnosis is still in doubt after the case study then the Migen Skin Test Kit may be used for confirmation. Both the Diagnostic Aid (which also includes notes for the guidance of patients) and the Skin Test Kit are available on request from Bencard.

Migen

Many products have been advocated for use in the treatment of asthma. Most have drawbacks that you and your patients suffer for the sake of some relief. Now Migen offers you an opportunity to treat the most common form of allergic asthma. From your surgery.

Migen  **Bencard**

Migen is a tyrosine adsorbed vaccine prepared from pure extract of *Dermatophagoides pteronyssinus*. Full information on Migen (regd.) is available on request from Bencard, Freeport, Brentford, TW8 9BE.

Our Future Inheritance

Choice or Chance?

Alun Jones and Walter F. Bodmer

Recent advances in genetics, biology, and medicine have important social, ethical, and legal implications as well as being of great scientific interest. This book is concerned with some of the most significant topics: artificial insemination and fertilization of humans; genetic screening and selective abortion; organ transplantation; genetic engineering and cloning. £4 paper covers £1.25

Essentials of Human Anatomy

Russell T. Woodburne

Because the arrangement of this well-known textbook matches the sequence of most dissection courses, the volume can be studied continuously. It affords the student a clear understanding of the human body and a sound knowledge of its structure. Fifth edition illustrated £8.25 OUP New York

Evolution of the Nervous System

Harvey B. Sarnat and Martin G. Netsky

This book attempts to identify neuroanatomical features common to all vertebrate species and thus reconstruct the probable evolutionary sequence leading up to the development of the human brain. The functional capabilities of phylo-genetically older systems are demonstrated in lower vertebrates, together with their inadequacies for increasing the range of functions needed by evolving species. Illustrated £5.75 paper covers £4 OUP New York

A Medical Laboratory for Developing Countries

Maurice H. King

There has long been a need for a simple manual of clinical laboratory methods for the use of medical and laboratory assistants in developing countries, for it is they who must investigate and treat such common and important conditions as anaemia, malaria, leprosy, tuberculosis, trypanosomiasis, and a variety of helminth infestations. This book aims to fill this need. Illustrated paper covers £3.50 Oxford Medical Publications

Oxford

PRIMARY HEALTH CARE TEAMS

Report of a Special Panel of the Board of Science and Education, British Medical Association.

This Report looks at the functions, responsibilities and membership of the Primary Health Care Team and its relationship with those providing referral care both in developed and developing countries. It traces the evolution of the team approach at primary level and puts forward recommendations for its future development.

MEDICAL AND SURGICAL ENDOCRINOLOGY

D. A. D. Montgomery and R. B. Welbourn

This text provides a systematic account of clinical endocrinology, in which the essential unity of the endocrine system is emphasized. The basic anatomy, physiology and pathology of the endocrine glands are outlined. The clinical features, investigation and treatment of endocrine disease are described and all aspects of treatment—medical, surgical and radiotherapeutic—are discussed. The aim is to help all clinicians with the management of patients whether or not they have access to sophisticated methods of investigation.

First they need a quick shot in the arm...

In confusional states following acute febrile illness or surgery, alcoholic or drug-induced psychoses, and in peripheral neuritis associated with a malabsorption syndrome, patients should benefit from 2 days intensive intravenous administration of Parentrovite high potency B and C vitamins. After which, therapy can be continued by the intravenous or the intramuscular route for 5-7 days. This treatment rapidly assists a return to normal intracellular glucose metabolism, the consequence of which is a significant improvement in the patient's condition.

Parentrovite high potency injectable vitamins for initial therapy then Orovite follows on naturally from Parentrovite

As soon as the clinical situation allows, the patient can be switched to maintenance therapy with Orovite until full health is restored.

Orovite: high concentrations of vitamins B and C in tablet or elixir form.

Full information on Orovite (regd.) and Parentrovite (regd.) is available on request from Bencard, Great West Road, Brentford, Middlesex.

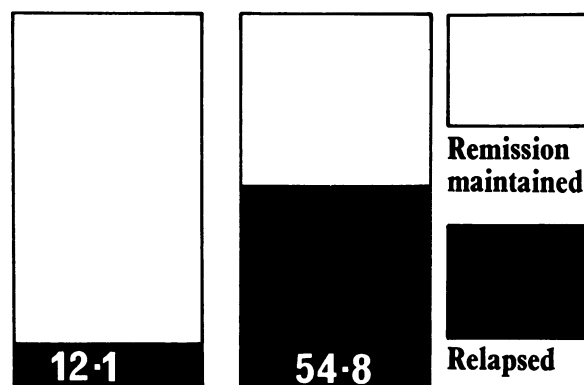

"It is concluded that maintenance treatment of ulcerative colitis with sulphasalazine (salazopyrin) should be continued indefinitely unless contraindicated by side effects".¹

The results of the above controlled trial carried out at the Nuffield Department of Clinical Medicine, Radcliffe Infirmary, Oxford, are all the more welcome as earlier trials of cortisone² and prednisone³ at standard dosages have shown them to be totally ineffective in reducing the number of recurrences of ulcerative colitis.

"Fortunately, Sulphasalazine tablets, 0.5 grams, 4 times a day will prevent relapses in the majority of patients with colitis, and only a few patients cannot tolerate this relatively small dose, which can be continued indefinitely, since we do not know when, if ever, it can be safely stopped".⁴

"A striking difference in the relapse rate".

"The patients who received dummy tablets had more than four times the relapse rate of those receiving sulphasalazine".¹ (Salazopyrin).

Salazopyrin (sulphasalazine) is available as the plain 0.5 g. tablet, 0.5 g. EN-tab and as an 0.5 g. suppository. Literature and detailed information on Salazopyrin are available on request.

* *Brit. med. J.*, (1969), **1**, 7-16.

If you ever thought there should be a better way to manage hypertension... ...you were right

better for you

Visken is quite simply a better way for you to manage hypertension. This is because it comes closer to ideal therapy.¹

Visken is highly effective, controlling all grades of essential hypertension within the simple dosage range of 15 to 45 mg daily.^{1, 9, 10} There is little or no risk of tolerance so progressive increases in dosage are unnecessary.¹ Furthermore, your hypertensive patients can really get on with living in the way they want, physically and mentally.

Visken is easy for you to use. Its effect normally builds up over 7 to 14 days without problems. Visken is compatible with diuretics and other antihypertensive therapies often allowing a reduction in their dosage and hence side effect potential.

Visken is the therapy patients will stay on, feel well on and do well on. Visken patients are more co-operative, which means you can be more effective in managing their condition.

better for your patients

As well as being a very effective antihypertensive, Visken will be highly acceptable therapy for your patients. In fact, Visken patients have commented on a feeling of well-being and increased energy.^{1, 10}

Visken provides 24 hour control of blood pressure and most importantly, your patients are free to go about their everyday activities and can really enjoy life. Thus, hypertensive patients who work hard out of doors, or under pressure indoors, housewives, elderly people – all are seen to benefit.

At therapeutic dosages Visken gives no problems of postural hypotension, sedation, impotence, and other side effects associated with traditional therapies.^{1, 3, 5, 8, 10.}

Visken is a beta blocker with little risk of cardiac failure or bronchospasm.

A simple and convenient dosage added to all these advantages makes it easy to see why Visken is better for you and better for your patients.

Visken

the better way to manage hypertension.

Full prescribing information on Visken (Pindolol 5 mg) is available from Sandoz Products Limited, Sandoz House, 98 The Centre, Feltham, Middlesex TW13 4EP.

a complete change

MUCODYNE is a unique treatment for bronchitic mucus. This means easier expectoration; decrease in dyspnoea; improved ciliary transport; a more normal secretion which does not plug the bronchus, is less likely to damage lung tissue or act as a source of secondary infection.

Other treatments, mostly expectorants, "... are nauseants which, reflexly, increase the secretions within the respiratory tract"², thus forming more mucus. MUCODYNE avoids this vicious circle. It acts at biochemical and cellular levels to restrict sticky mucus formation, to convert tenacious sputum to a healthier secretion and to reduce hyperplasia of the respiratory mucosa. MUCODYNE literally changes bronchitic mucus. And your patients will feel the change.

Now from Beecham: an oral penicillin specifically for Urinary Tract Infections.

Urinary tract infections are rarely as simple as they seem. Patients with renal infection may present with no symptoms other than dysuria and frequency. And management is very often complicated by relapse and recurrence.

Now Beecham have introduced Uticillin, a powerful oral penicillin indicated specifically for the treatment of urinary tract infections such as cystitis and pyelonephritis. Uticillin will successfully treat 9 out of 10 patients first time, with a reduced risk of relapse. Uticillin has the inherent safety of penicillin. Unlike many urinary antibacterials, Uticillin can be prescribed both in pregnancy and when the possibility of pregnancy must be considered.

And the dosage is simple to remember—1 tablet three times a day.

Uticillin. The decisive answer to acute and chronic urinary tract infections.

Adult dosage: Simple urinary tract infections, 1 tablet (500 mg) t.i.d.

Complicated and recurrent urinary tract infections, 2 tablets (1g) t.i.d.

Contra-indication: Penicillin hypersensitivity.

Side-effects: As with other penicillins.

Precaution: In mild and moderate degrees of renal impairment the normal dosage recommendations should be followed. In patients with severe renal failure (creatinine clearance of 10 ml/min or less) carfecillin is not recommended; in such patients urine levels may be insufficient for therapeutic efficacy.

Uticillin

specifically for UTI

Further information is available on request.

MEDICINE IN OLD AGE

(ISBN 0 900221 93 3)

The series of twenty two articles published in the British Medical Journal throughout the winter has been collected in book form as a convenient source of reference for general practitioners. The emphasis is on remedial mechanisms, and the use that can be made of psychogeriatric and social services in keeping the elderly healthy and relatively independent members of the community.

EDUCATIONAL

A SYMPOSIUM TO DISCUSS CURRENT PROBLEMS NURSING AND MEDICAL PROFESSION:

Thursday, 28th November 1974, 2.00 pm
at

Royal College of Physicians

This is a joint meeting of the Royal Colleges of Nursing, Midwives, Obstetricians and Gynaecologists, Physicians and Surgeons.

Topics on the programme are:-

**A New Role For The Clinical Nurse
The Specialist Nurse
Any Questions? Quo Vadis?**

Any member of the Nursing or Medical profession welcome. Please apply as early as possible, (allocation will be in order of receipt of applications as accommodation is limited), to Dr. Michael Joseph, Conference Organiser, Royal College of Physicians, 11 St. Andrew's Place, Regent's Park, London NW1 4LE (01-935 1174). Admission free, by programme. (27233)

UNIVERSITY OF BIRMINGHAM

Course on Child Development and Handicap 1975

(Approved by the Department of Education and Science)

Course intended for paediatricians (medical officers employed by local authorities, consultants, senior registrars, registrars and clinical assistants) extending over one year for one whole day per week.

First term devoted to formal lectures at the Institute of Child Health, Francis Road, Birmingham 16, on Thursday from January to April 1975. Second term from May to July, devoted to visits to educational, care and hospital establishments, with training over 20 half-days. The long vacation and third term from September to December 1975, will be devoted to writing up reports of assignments, completing individual projects and attending further formal lectures (including administrative aspects).

It is expected that students will work in their free time and library facilities will be available in the Barnes Library of the Medical School, in the Institute of Child Health, and in the Institute of Mental Subnormality, Kidderminster, for reading and writing essays and reports. No final examination will be held but a certificate will be awarded on the basis of the participant's attendance and application, the completion of a project related to a subject on the course and an objective assessment of clinical competence.

There will be a course fee of £110.00.

Further details and application forms can be obtained from:-

Professor J. M. Malins, Director, Board of Graduate Clinical Studies, The Medical School, Birmingham, B15 2TJ

As numbers are strictly limited, early application is essential and successful candidates will be notified in due course. (27234)

FOURTH CONGRESS
OF THE INTERNATIONAL SOCIETY
OF GEOGRAPHICAL OPHTHALMOLOGY
and the Second International Symposium
for Metabolic Diseases of the Eye
Monday, 30th June - Friday, 4th July 1975
Edinburgh, Scotland

Official Themes for I.S.G.O. a) Development and Congenital Ocular Anomalies and Diseases. b) Strabismus. c) Delivery of ophthalmic services in different countries of the world with special reference to the use and training of paramedical personnel. d) Free papers will be welcome. All papers must be strictly on Geographical Ophthalmology and themes. Papers can only be read by members of the Society or invited guests. Abstracts of not more than 200 words must be received before 30th December, 1974 (triplicate with triple spacing and one inch margin on either side). They should be sent to The President: Dr. E. E. Cass, P.O. Box 688, Fort Smith, N.W.T., Canada. Non-members may attend but may not participate in the programme.

Dues for membership: \$10.00 to be sent to account number 48-00117 at the Bank of Commerce, Fort Smith, N.W.T., Canada. President: Dr. Elizabeth Cass, Box 688, Fort Smith, N.W.T., Canada.

Vice-President: Dr. A. L. Kornzeig, 1200 Fifth Avenue, New York, U.S.A.

Executive Secretary: Dr. Viggo Clemmesen, Central Hospital, 4700 Naestved, Denmark.

The Second International Symposium on Metabolic Diseases of the Eye.

President: Dr. Jules Francois, Place de Smet de Naeyer, 15, Grad, Belgium.

Secretary: Dr. Heskell Haddad, 1200 Fifth Avenue, New York 10029, U.S.A.

Treasurer: Dr. Marvin Kwikko, Suite 1, 5591 Cote des Neiges Road, Montreal, Quebec, Canada.

Official Themes for Symposium: 1. Carbohydrate metabolic defects particularly diabetic retinopathy. 2. Hemoglobinopathies particularly sickle cell disease. 3. Large molecule disorders particularly Refsum Syndrome. 4. Genetic aspects of metabolic eye disease.

For all information re scientific programmes for this symposium apply to: Dr. Heskell Haddad, 1200 Fifth Avenue, New York 10029, New York, U.S.A.

For all information re Congress's fees, etc. apply to: Convener and Treasurer: Dr. R. S. Bartholomew, Dept. of Ophthalmology, University of Edinburgh, The Eye Pavilion, Chalmers Street, Edinburgh, Scotland, EH3 9HA. (27368)

QUALIFYING AND POSTGRADUATE EXAMINATIONS

Carefully designed courses with named specialist tutors. Advice on reading, guidance notes to each lesson and answer notes to all test papers.

Rheumatology Symposium: Wed. 20th Nov 1974.

NORTH MIDDLESEX HOSPITAL, LONDON N18 12.30 to 4.00 pm

Papers: Differential Diagnosis of Arthritis; Disaster Areas in Rheumatology; Gout; Drug Treatment of Rheumatoid and Osteo Arthritis.

Speakers: Dr. A. T. Richardson (Royal Free), Dr. A. G. White (Whitington), Dr. D. Zutschi (St. Ann's), Dr. M. Grayson (N. Midd).

Applications to Postgrad. Sec. North Middlesex Hospital, Silver St., N18 1QX. Tel: 01-807 3071 Ext. 481. (27232) 4

INSTITUTE OF UROLOGY

University of London

in association with St. Peter's Hospital

2 Week Course

NEPHROLOGY TO INCLUDE HAEMODIALYSIS AND TRANSPLANTATION

18th-29th November 1974

in the Lecture Theatre, Institute of Urology,

172 Shaftsbury Hospital,

London W.C.2.

An extensive programme covering the important aspects of nephrology which should be of value to registrars seeking further training in this field, or more established senior registrars, and consultants working in a different discipline who wish to acquaint themselves with recent nephrological procedures.

It will include the management of acute and chronic renal failure; use of isotopes in renal disease, immunological, biochemical and radiological techniques; renal disease associated with pregnancy; and a two day symposium on glomerulonephritis.

Fee for the course: £25.00

Applications to the Secretary, Institute of Urology, 172 Shaftsbury Avenue, London, WC2H 8JE, from whom detailed programmes can be obtained.

Course submitted for approval under the Advanced Postgraduate Training Scheme. (27029) 4

Symposium on CENTRAL ACTIONS OF DRUGS IN THE REGULATION OF BLOOD PRESSURE

Sponsored by the British Pharmacological Society

6 and 7 January 1975

at the

Royal Postgraduate Medical School, London W12

Topics: Essential hypertension and the autonomic nervous system; safety of centrally acting drugs; the presynaptic alpha receptor; central noradrenaline functions; methyl dopa; dopamine; propranolol; neuronal topography; CNS and aetiology of hypertension; clonidine.

Invited contributors: N. Anden; J. Axelrod; J. Chalmers; J. de Champlain; F. J. Conway; M. Day; L. Finch; K. Fuxe; M. Henning; L. Iversen; H. Jick; W. Kobinger; S. Z. Langer; W. J. Louis; M. J. Rand; A. Sjoerdsma; P. Sleight.

Registration forms from Professor C. T. Dollery, Royal Postgraduate Medical School, London W12 0HS.

(27181-4)

BRITISH ORTHOPAEDIC ASSOCIATION

A WEEKEND INSTRUCTIONAL COURSE

will be held at the City University, London on the 4th and 5th January 1975. This Course will be directed towards registrars and senior registrars in training. The Registration Fee will be £28.00 and will include all meals and accommodation.

Further particulars may be obtained from the Secretary, British Orthopaedic Association, at the Royal College of Surgeons, Lincoln's Inn Fields, London WC2A 3PN. (26951) 4

NORFOLK AND NORWICH INSTITUTE FOR MEDICAL EDUCATION with University of East Anglia

DAY RELEASE COURSE IN THE BASIC MEDICAL SCIENCES January 1975

N.A.N.I.M.E. in conjunction with the Department of Biological Sciences at the University of East Anglia will be holding a day release course in Basic Medical Sciences starting on Tuesday 14th January 1975 at 1100 hrs. The course will be held on successive Tuesdays during three 10 week terms.

It will consist of lectures and demonstrations in anatomy and histology, pathology, physiology and biochemistry and pharmacology. It is designed for ALL postgraduate students studying for higher qualifications, but is especially orientated towards the primary F.R.C.S.

The fee for the whole course will be £60, but students may enroll for one term at £25 or for one day at a time for £3. Thus it is hoped that junior doctors, with limited periods of appointment, will still be able to enroll or that students of all specialties can attend on a daily basis for instruction in topics in which they desire further education.

Enquiries and applications for the course should be made as soon as possible to: The Secretary, N.A.N.I.M.E. Norfolk & Norwich Hospital, Norwich, NOR 53A. Tel: Norwich 28377 Ext. 577. (35077) 4

PREVENTION AND MANAGEMENT PRESSURE SORES

A Symposium will be held at the Royal Society of Medicine Tuesday, December 3rd, 12.30-3.30.

The Meeting will be chaired by Professor A. N. Exton-Smith. Papers will be given by Dr. J. N. Agate (general care), Dr. J. R. Silver (patient support), Dr. M. Kataria (recent developments), Dr. P. P. London (skin care) and Dr. M. F. Green (care of the nursing). A Panel discussion will follow the papers.

A buffet lunch and tea will be provided. Admission, by ticket, is free to doctors, nurses and others with an interest in the symposium.

Applications for tickets by 26th November to: Department of Geriatric Medicine, Royal Free Hospital, New End Branch, London, NW3.

This Dermalex Co. Ltd. is kindly supporting this symposium. (27111) 4

ROYAL COLLEGE OF PHYSICIANS OF LONDON BRADSHAW LECTURE 13th November 1974

Colin Terence Dollery, M.B., F.R.C.P., will deliver the Bradshaw Lecture on Wednesday, 13th November 1974 at 5.00 p.m. The subject of the Lecture will be: "Individual Differences in Response to Drugs," and it will take place at the College, 11 St Andrew's Place, Regent's Park, London NW1 4LE. Any member of the medical profession may attend. By Order of the President Kenneth Robson - Registrar 27191 4

ROYAL COLLEGE OF PHYSICIANS OF LONDON 20th November 1974

Carl Gunnar Wilhelm Biorck, M.D., F.R.C.P., will deliver the Lilly Lecture on Wednesday, 20th November 1974 at 6.00 p.m. The subject of the Lecture will be: "Modern Chemotherapy of Tuberculosis," and it will take place at the College, 11 St Andrew's Place, Regent's Park, London NW1 4LE. Any member of the medical profession may attend. By Order of the President Kenneth Robson - Registrar 27192 4

ROYAL COLLEGE OF PHYSICIANS OF LONDON MITCHELL LECTURE 14th November 1974

Roland William Riddell, M.D., F.R.C.P., will deliver the Mitchell Lecture on Thursday, 14th November 1974 at 5.00 p.m. The subject of the Lecture will be: "Modern Chemotherapy of Tuberculosis," and it will take place at the College, 11 St Andrew's Place, Regent's Park, London NW1 4LE. Any member of the medical profession may attend. By Order of the President Kenneth Robson - Registrar 27193 4

THE M.R.C.P. (U.K.) EXAMINATIONS

Our course covers all the requirements of the new examinations.

It includes communications on all aspects of internal medicine; X-rays, E.C.G.s, pathology forms, clinical case problems, colour photographs multiple choice questions. All aspects have detailed model answers. Personal guidance and assessment is given throughout. Write for details and your initial assessment to Medical Tutors Ltd., 113 Seven Sisters Rd., London N.7. 4

RENAL INVOLVEMENT
IN SYSTEMIC DISEASES
to be held on Friday 31st January 1975.

Speakers:
Renal Involvement in Collage Diseases — Professor J. S. Cameron, Guy's Hospital.
Amyloidosis and The Dysproteinemias — Dr. Norman Jones, St. Thomas's Hospital.
Renal Involvement in Diabetes Mellitus — Dr. P. J. Watkins, King's College Hospital.
The Kidney in Liver Disease — Dr. V. Parsons, King's College Hospital.
Henoch-Schönlein Purpura — Dr. S. R. Meadow, Leeds.
Applications to: Dr. A. J. Eisinger, Clinical Tutor, St Helier Hospital, Carshalton. (27267) 4

THE MEDICAL COLLEGE OF ST. BARTHOLOMEW'S HOSPITAL University of London

FINAL F.R.C.S. HALF-DAY COURSE

A course of clinical sessions and lectures for Final F.R.C.S. examination candidates will be held at St. Bartholomew's Hospital each Wednesday from the 5th February, 1975 to the 23rd April, 1975 from 2 p.m. to 6 p.m.

The emphasis of the course will be on clinical sessions and will include lectures, Pathology, Operative and X-Ray Sessions and candidates will be expected to write papers. The Course is officially recognized for Study Leave and claims for reimbursement of the fee of £25 will be considered under the provisions of HM/67(27).

Application forms and further information available from Mr. J. S. P. Lumley, F.R.C.S., Department of Surgery, St. Bartholomew's Hospital, West Smithfield, London, EC1A 7BE (01-606-777 Ext. 630) (27366) 4

THE ROYAL COLLEGE OF GENERAL PRACTITIONERS

A Joint Study Day for General Practitioners and Geriatric Physicians will be held on Wednesday 22nd January, 1975 at The Royal College of General Practitioners, 14 Princes Gate, London S.W.7.

The aim is for General Practitioners and Geriatric Physicians to meet in order to discuss problems which they share in caring for the aged sick in the community.

In the afternoon small groups will discuss special problems including those suggested by the Speakers, and these discussions will be followed by a panel discussion with the Speakers as panelists but also open to the floor. Allied professional groups, such as social workers and community physicians, will be represented in the audience and will be invited to participate.

A fee of £3.00 will include morning coffee, lunch and afternoon tea. General Practitioners will be able to claim reimbursement of this fee and also travelling expenses under Section 63.

Those wishing to apply should write to the Courses Secretary, 14 Princes Gate, London S.W.7 enclosing a cheque for £3.00. Since places are limited, priority will be given to early applicants. (27268) 4

THE UNIVERSITY OF CAMBRIDGE in association with The Royal College of General Practitioners (Experimental Courses Study Group at East Anglian Faculty)

Applications are invited for a two day residential course to be held at Christ's College, Cambridge, on 'The Educational Needs of Health Centre Entrance' from 6.30 p.m. on Thursday, 2nd January until 12.00 noon on Saturday, 4th January, 1975.

The object of the course is to help those who would wish to run courses in their own territories—doctors and their staffs about to enter Health Centres. Several such courses have been held at College Headquarters and there is evidence of continued high national demand for them.

This course is likely to be of particular interest to College Tutors and to other doctors interested in Health Centres or teaching or both.

Those attending will be able to claim subsistence allowance for travelling expenses under Section 63.

Applications are available from the Courses Secretary at The Royal College of General Practitioners, 14 Princes Gate, London, S.W.7., and should be returned to her not later than Friday, 29th November 1974. (27367) 4

THE ROYAL COLLEGE OF GENERAL PRACTITIONERS

Annual Symposium Sunday 17th November 1974

To be held at the Wellcome Foundation Building, Euston Road, NW1 through the courtesy of the Wellcome Foundation

Research in General Practice — A Clinical Stimulus.

Tickets (price £2 including lunch) and programme available from the Symposium Secretary, Royal College of General Practitioners, 14 Princes Gate, London SW7 1PU.

Approved under Section 63 of the Public Health Act for two full sessions. (27319) 4

THE ROYAL COLLEGE OF PATHOLOGISTS 2 Carlton House Terrace London SW1Y 5AF

The Primary Examination will be held during February/March 1975. Two 3-hour papers will be held on Tuesday 11th February and the practical examinations will be held between 10th-14th March. The written examination will be in London and in other centres.

This examination is open to medical and non-medical candidates who hold qualifications approved by the College and who fulfil the training requirements for entry.

Candidates will normally be allowed four attempts at the Primary Examination after which they may re-enter for only a specified number of attempts to be decided by the College.

Applicants, who must have completed at least 2 years' full-time work in pathology in recognized laboratories, should obtain an entrance form from the Registrar, at the above address, and should return it not later than 16th December, 1974. R. Blowers, Registrar. (27320) 4

UNIVERSITY OF LONDON

A lecture entitled "Nomads of the World — Their Health Problems" will be delivered by Professor Sixten Haraldson (Göteborg) at 5.30 p.m. on 13th November at The London School of Hygiene and Tropical Medicine (Manson Lecture Theatre), Keppel Street, (Gower Street), WC1. Admission free, without ticket. Academic Registrar. (27322) 4

UNIVERSITY OF LONDON

A lecture entitled "The Neuroendocrinology of Thirst" will be delivered by Dr. J. T. Fitzsimons (Cambridge) at 5 p.m. on 12th November at Guy's Hospital Medical School, London Bridge, SE1. Admission Free, without ticket. Academic Registrar. (27323) 4

PRACTICES (Family Practitioner Committees)

For vacancies (except those in Scotland) apply on Form F.P. 16A, obtainable from the Family Practitioner Committee. Mark envelopes "Vacancy."

CUMBRIA FAMILY PRACTITIONER COMMITTEE

MEDICAL PRACTICE VACANCY AT KIRKOSWALD, NR. PENRITH

Applications are invited for a single handed practice vacancy at Kirkoswald (9 miles Penrith; 13 miles Carlisle). Rural area, restricted classification. List size 1500 patients all dispensing.

Further details and application form FP16A from the Administrator, Cumbria Family Practitioner Committee, 1 Brunswick Street, Carlisle, CA1 1PP (Tel. Carlisle 24216). Completed application forms to be received not later than noon on Monday, 18th November, 1974. (H11873) 5

DOVER RURAL DISTRICT

Applications invited for vacancy in Dover Rural District due to resignation of single-handed male practitioner. Area currently classified as "Open". List approx. 2,917 including 526 elderly and 186 dispensing patients. The resigning practitioner's two surgeries may be available on a rental basis. The successful applicant will be required to take up the practice as soon as possible, and not later than the 24th January, 1975.

Applications on form F.P.16A should reach the undersigned by not later than 20th November, 1974. R. C. Norman, Administrator, Kent Family Practitioner Committee, 11 Station Road, Maidstone, Kent. (H12042) 5

GREENWICH & BEXLEY FAMILY PRACTITIONER COMMITTEE MEDICAL PRACTICE VACANCY WOOLWICH

Applications are invited from registered medical practitioners for a vacancy (urban area) due to the resignation on 31st December 1974 of a single-handed practitioner. List approximately 3,000. Classification of area "intermediate" — possibly being reclassified as "open" in the near future. Present surgery accommodation (rented from G.L.C.) may be available.

Further particulars and applications forms, FP16A may be obtained from the Administrator, Greenwich & Bexley Family Practitioner Committee, Morgan Gramplan House, Calderwood Street, S.E.18. Completed applications should be returned to the above mentioned office not later than 20th November 1974. (H11875) 5

HASTINGS SUSSEX

Applications are invited for an urban vacancy in Hastings, due to death. "Open" area. List at present 2,070. Residence (with surgery) will probably be available for purchase.

Details and Form F.P.16A from: The Administrator, East Sussex Family Practitioner Committee, 8 North Street, Lewes, East Sussex, BN1 2PB, by whom completed applications must be received not later than 19th November, 1974. (H12060) 5

LANCASHIRE FAMILY PRACTITIONER COMMITTEE FOR LANCASHIRE AREA HEALTH AUTHORITY

VACANCY TARLETON, Nr. PRESTON

Application invited for vacancy (rural) occasioned by resignation.

Open area, list approximately 3,300. Residence and surgery will be available to the successor.

Successful candidate will be required to take over on the 1st April, 1975.

Apply on Form 16A (obtained from the undermentioned) to arrive not later than 22nd November 1974. The Administrator, Lancashire Family Practitioner Committee, 42 West Cliff, Preston, Lancs. PR1 8HQ. (H12058) 5

SOUTH GLAMORGAN FAMILY PRACTITIONER COMMITTEE Cardiff - Pentwyn Restricted

Applications are invited from general medical practitioners for a vacancy in this new development on the north eastern outskirts of Cardiff. It is anticipated that the population by December 1974 will be 2,500 and by 1976 will be about 8,000.

A health centre is planned for the estate but until this is constructed a local authority house will be provided as surgery accommodation. The successful doctor will be expected to practise from the Centre when it is available. An Initial Practice Allowance will be payable to the successful applicant subject to eligibility.

The estate adjoins Llanedynyrn at which the General Practice Unit of the Welsh National School of Medicine is situated and the appointed doctor will be expected to accept medical students from time to time and to make use of some of the facilities provided at the Unit.

Application forms and further particulars may be obtained from The Administrator, South Glamorgan Family Practitioner Committee, 6th Floor, East Wing, Churchill House, Churchill Way, Cardiff, CF1 4TT to whom they should be returned by 23rd November, 1974. (H11997) 5

NORTHERN IRELAND HEALTH AND SOCIAL SERVICES

General Medical Practitioner

NORTHERN HEALTH AND SOCIAL SERVICES BOARD

Applications are invited for a vacancy in general medical practice based at Finvoy and Rasharkin in the north of County Antrim. The practice is largely dispensing and has a list size of approximately 2,070 patients.

At Rasharkin accommodation is available in a one-doctor health centre and at Finvoy the present doctor's residence which includes surgery accommodation is available to purchase. Applicants should have experience of general practice in the British Isles.

Further particulars may be obtained from — The Chief Administrative Officer, Central Services Agency, 27 Adelaide Street, Belfast BT2 8FH, to whom applications should be made by letter stating age, qualifications and experience and giving the names and addresses of two referees.

The latest date for the receipt of applications is Monday 18th November 1974. (27259) 5

THE UNIVERSITY OF MANCHESTER

Department of
General Practice
Manchester Family
Practitioner Committee

TWO VACANCIES

Applications are invited to share practice of approximately 1,800 patients at the Darbshire House Health Centre which is administered by the University. In addition to being included in the list of the Family Practitioner Committee as Principals, the two successful candidates will be appointed to the University staff as Lecturers in the Department of General Practice (salary range £2,883-£5,769) and will be required to take up their appointments as soon as possible.

Application forms and details of the University appointment may be obtained from the Administrator, Manchester Family Practitioner Committee, 2a Higher Ardwick, Manchester, M12 6BX, to whom completed forms must be submitted to arrive not later than 27th November, 1974. (H12073) 5

TRAFFORD FAMILY
PRACTITIONER COMMITTEEMEDICAL PRACTICE
VACANCY

Due to a resignation applications are invited for a vacancy in Old Trafford. The area, classified as "open" is residential/industrial in character, situated about two and a half miles South West of Manchester. List at present approximately 2,343 patients, and existing practice premises are available for purchase.

Further details and application forms (FP 16a) obtainable from Mr. B. Dutton, Administrator, Trafford Family Practitioner Committee, Fourth Floor, Oakland House, Talbot Road, Old Trafford, Manchester M16 0PU. Completed application forms must be received not later than first post on Wednesday, 27th November, 1974. (H12059) 5

WEST GLAMORGAN FAMILY
PRACTITIONER COMMITTEE
Blaengwynfi, near Port Talbot
West Glamorgan

Applications are invited for a vacancy at Blaengwynfi, approximately 12 miles North East of Port Talbot, due to resignation. Urban/rural area, classified as Restricted, list approximately 2,500 — all prescribing. Furnished surgery accommodation available on rental.

Further details and application form FP/EC 16A may be obtained from The Administrator, FPC, 41 High Street, Swansea SA1 1PN. Closing date for receipt of completed application forms is 20th November, 1974. (27388) 5

GENERAL PRACTICE TRAINING POSTS

HAMPSHIRE AREA HEALTH AUTHORITY (Teaching) Southampton and South West Hampshire District

Applications are invited for the post of SENIOR HOUSE OFFICER which will be a 3-year linked Hospital and General Practice training post.

The Hospital post includes an opportunity to take the D.Obst., R.C.O.G., and to study in various specialties.

The final year will be as a Trainee in a selected Practice, and will include a day release course for general practice. The vacancy will occur on the 1st December, 1974. The proposed programme will include 6 months each in Obstetrics and Gynaecology, General Medicine, Geriatric Medicine and elective subjects.

Application forms and further particulars from the Medical Services Division, Southampton District Hospitals, 119, Tremona Road, Shirley, Southampton. The closing date being the 16th November, 1974. (27414) 21

NORTH WESTERN REGIONAL COUNCIL FOR POSTGRADUATE MEDICAL EDUCATION

VOCATIONAL TRAINING FOR GENERAL PRACTITIONERS

Applications are invited for S.H.O. posts under the Vocational Training Scheme for General Practice.

While the posts are subject to normal terms and conditions of service for S.H.O. appointment, the schemes are intended to run for three years.

Continuation in the scheme will be subject to satisfactory progress during each of the stages, which usually consist of 6 months in each of four hospital specialties.

The subjects offered vary slightly in the two Hospital Groups but have a basic component of Medicine, Paediatrics, and Obstetrics with Psychiatry or Casualty or Geriatrics or Rheumatism and Rehabilitation as the fourth component. Attachments in other relevant specialties may also be offered.

Successful candidates will be attached for the third year of the Course to a recognized General Practitioner Trainer.

The Hospitals where vacancies exist are as follows:

Royal Albert Edward Infirmary, Wigan: One vacancy to commence 1st March 1975. Macclesfield Hospital, West Park Branch: Two vacancies to commence 1st March 1975.

Further details can be obtained from the Dean of Postgraduate Medical Studies, Gatehouse, Piccadilly South, Manchester M60 7LP.

Application should be made to the Administrator of the Hospital Group concerned not later than 23rd November, 1974. (27274) 21

YORKSHIRE REGIONAL HEALTH AUTHORITY

Vocational Training Scheme for General Practitioners

in the Leeds Area Health Authority (Teaching)

A three year vocational training scheme in general practice is in operation and further entrants will be accepted to start on 1 February 1975. The scheme is recognized by the Royal College of General Practitioners as suitable preparation for the M.R.C.P. examination and candidates completing the programme will qualify for the Vocational Training Allowance. It consists of one year as a trainee in training practices in Leeds and two years in hospital appointments at Senior House Officer level in hospitals in the Leeds Area Health Authority (Teaching). The four hospital posts each of which is for six months are Acute Geriatric Medicine at St James's Hospital, Obstetrics at St Mary's Hospitals and Infectious Diseases and Paediatrics at Seacroft Hospital, Leeds.

A study half day release scheme is in operation.

Applications stating age, qualifications and experience, together with the names and addresses of two referees to be forwarded to the Postgraduate Dean, School of Medicine, Thoresby Place, Leeds 2, not later than 25th November 1974.

MERTON, SUTTON & WANDSWORTH AREA HEALTH AUTHORITY (TEACHING)

Sutton & West Merton District

Vocational Training Scheme For General Practice

A vacancy occurs in a vocational training scheme for General Practice based at St. Helier Hospital, Carshalton with a secondment to Queen Mary's Hospital Carshalton with a Paediatric experience. Both Hospitals are near to the Surrey countryside and within easy reach of London. The scheme is recognized for the M.R.C.G.P., the D.Obst.R.C.O.G. and D.C.H. and the programme of training will be as follows:

- 3 months in General practice
- 6 months in Accident & Emergency
- 6 months in Obstetrics
- 6 months in Paediatrics
- (at Queen Mary's Hospital for Children, Carshalton)
- 6 months in Geriatrics/ General Medicine
- 9 months in General Practice

The year in General Practice will be an attachment to an established local teaching practice. The Hospital training will be given in established posts in the Senior House Officer grade.

Regular meetings of trainers and trainees will be held throughout the three years, and a half day release scheme can be arranged during the general practitioner training.

Attachments to other clinical specialties relevant to General Practice can be offered during the Hospital appointments, and training in Psychiatry will be optional for those candidates desiring it.

Excellent postgraduate centre and library facilities are available at St. Helier Hospital and Queen Mary's Hospital for Children.

Married accommodation may be available if required.

This scheme is already functioning with one trainee in post, and applications for the next vacancy on 12th February, 1975, giving full details of previous medical experience and including the names and addresses of two referees, should be sent to the Hospital Secretary, St. Helier Hospital, Wrythe Lane, Carshalton, Surrey SM5 1AA not later than 7th December.

21

WATFORD GENERAL HOSPITAL

Vocational Training Scheme for General Practitioners

Applications are invited from Medical Practitioners who have completed pre-registration training for appointment of TRAINEE GENERAL PRACTITIONERS at the Watford General Hospital and in local General Practice.

There are TWO PARALLEL schemes which both start with two months in General Practice and end with ten months in General Practice.

ONE POST IS AVAILABLE in the FIRST Scheme, which is in its third year and starts on FEBRUARY 1st, 1975, with two months in General Practice, followed by six-month posts at S.H.O. grade in General Medicine/Geriatrics, Obstetrics and Gynaecology, Paediatrics, Psychiatry and Family Psychiatry and end with ten months General Practice.

The SECOND Scheme starts on MARCH 1st, TWO POSTS available, with two months General Practice followed by six-month posts at S.H.O. grade in General Medicine/Geriatrics, Obstetrics and Gynaecology, Casualty and Orthopaedics, Psychiatry and Family Psychiatry and ends with ten months in General Practice.

There is a half-day release during the three year course for a teaching seminar organised by the General Practitioner Course Tutor. During the hospital post training period all trainees are sponsored by G.P. Trainers, (with whom they have continuing contact). There is an active Postgraduate Centre in the hospital.

The appointments are recognised for the D.R.C.O.G. and M.R.C.G.P., D.C.H. and D.P.M. Upon completion the doctor will be entitled to receive the Vocational Training Allowance.

Married accommodation available.

Applicants to the THREE POSTS available, please apply to:

**The Hospital Secretary, Watford General Hospital,
Shrodells Wing, Vicarage Road, Watford, WD1 8HB.**

from whom further particulars may be obtained.

21

Bedfordshire Area Health Authority Northern District

Vocational Training for General Practice

Applications are invited from recently qualified Medical Graduates for courses of training starting in January 1975.

The programme comprises:

1. Four successive six month appointments at Senior House Officer Grade, to be chosen from Paediatrics, Accident and Emergency, General Medicine with Geriatrics, Psychiatry and Obstetrics with gynaecology.
2. A final year's appointment in two general practices, comprising a rural practice and an urban practice.
3. Throughout the three year period there will be half-day release course which will include seminars on clinical topics, community care, practice administration and the general organisation of the health care services. As well as this, the trainees will be expected to attend staff conferences and general practitioner meetings held in the Bedford Medical Institute.
4. The course has the approval of the Royal College of General Practitioners, and the trainee will be eligible to sit the M.R.C.G.P., D.C.H., and the D.Obst. R.C.O.G.

Applications and requests for further information should be sent to the Establishment Officer, Bedfordshire Area Health Authority, Northern District, 3 Kimbolton Road, Bedford.

21

BERKSHIRE AREA HEALTH AUTHORITY (West District)

VOCATIONAL TRAINING FOR GENERAL PRACTICE AT READING

A vacancy will arise during January, 1975 for up to two years of a three year course. Ideally the applicant would spend a 3 month introductory period in a suburban practice, followed by a 6 month period as an S.H.O. in specialties of his choice then 6 months as an S.H.O. in general medicine, finally 9 months as a trainee in the original practice.

Fortnightly seminars and monthly meetings of 16 Reading trainees and weekly R.C.G.P. regional day release course.

Suitable for a doctor who has completed one or more years in post-registration hospital jobs, now wishing to qualify for the vocational training allowance and take the M.R.C.G.P. examination. Starting date flexible, depending upon the applicant's previous hospital experience.

Further information from Dr. T. I. Stewart, R.C.G.P. Tutor, Tel: Kidmore End (073525) 2188. Application forms from Clinical Tutor, The Library, Royal Berkshire Hospital, Reading, Tel: (0734) 85111, Ext. 508, returnable to him as soon as possible quoting "Scheme I (modified)". Interviews to be held week beginning 2nd December. (H12028) 21

OXFORD REGIONAL COMMITTEE FOR POSTGRADUATE MEDICAL EDUCATION AND TRAINING

VOCATIONAL TRAINING FOR GENERAL PRACTICE AT READING

A vacancy will occur in a three year course during January, 1975. Post recognized for M.R.C.G.P., D.C.H.D(Obst)R.C.O.G. It comprises three months introductory period in a selected teaching practice which is part of the new Wallingford Community Hospital complex, then six months each as S.H.O. in paediatrics and S.H.O. in obstetrics and gynaecology at the Royal Berkshire Hospital; then a 6-month period as an S.H.O. to include an attachment to the University Health Service plus a number of hospital specialties of the applicant's choice. This would be followed by six months as S.H.O. in psychiatry, emphasizing family psychiatry, group therapy, child psychiatry and mental handicap. The teaching in this department is strongly G.P. oriented. Trainee finishes with 9 months in the original practice.

Fortnightly seminars and monthly meetings of the 16 Reading trainees and weekly R.C.G.P. regional day release course.

Suitable for a doctor training for general practice who has shown a strong interest in counselling and behavioural problems. Further information from Dr. T. I. Stewart, R.C.G.P. Tutor, Tel: Kidmore End (073525) 2188.

Application forms from Clinical Tutor, The Library, Royal Berkshire Hospital, Reading, Tel: (0734) 85111, Ext. 508, returnable to him as soon as possible quoting "Scheme III". Interviews to be held on Thursday, 28th November. (H12027) 21

UNIVERSITY AND RESEARCH APPOINTMENTS

ST BARTHOLOMEW'S HOSPITAL City & Hackney (Teaching) District

Applications are invited for the post of

RESEARCH ASSISTANT

in the Department of Neurology, to work on the interaction of voluntary movement and postural reflexes. A well equipped laboratory has recently been established. A limited amount of clinical work could be undertaken should the applicant wish. Enthusiasm is more important than previous experience but an interest in physiology would obviously be an asset. Salary on Registrar scale £3,198 to £3,879; point on scale is dependent upon previous experience.

Application forms are available from the Medical Staff Office, St Bartholomew's Hospital, and should be returned by 22nd November 1974. (27195)

LIVERPOOL SCHOOL OF TROPICAL MEDICINE Department of Parasitology A LECTURER/SENIOR LECTURER

(Technical Assistance)

is required in this Department. Applications are invited from candidates holding a medical qualification registrable in the U.K. or a good science degree and doctorate in relevant subjects. Practical experience in the parasitology of tropical diseases is essential and preference will be given to candidates who already have experience in teaching and/or research on parasitic diseases in the developing countries.

The successful applicant will be required to spend periods of service overseas at teaching and/or research centres but will be based in this Department.

Salary will be within the University scale for Lecturer/Senior Lecturer and the starting point will be commensurate with qualifications and experience. The appointee will be entitled to participate in the University Pension scheme. Further information may be obtained from the undersigned.

Applications together with the names of three referees should be sent to the Dean, Liverpool School of Tropical Medicine, Pembroke Place, Liverpool L3 5QA, to arrive not later than 15th December, 1974. overseas candidates should apply by airmail. (H12074) 25

NEWCASTLE AREA HEALTH AUTHORITY (Teaching) RESEARCH FELLOWSHIP (Registrar Grade)

required to assist in an investigation into factors influencing the responses to antihypertensive drug therapy. The post, which is attached to the Clinical Pharmacology Section of the University Department of Pharmacology, is for a period of two years. Previous experience in Clinical Pharmacology is not essential and the successful candidate will receive training in this field. The research work should form the basis of a higher degree.

Further particulars may be obtained from Professor D. Rawlins, University of Newcastle, NE1 7RU.

Applications, which should include the names and addresses of two referees, together with a full curriculum vitae, should be made to the Area Personnel Officer, Newcastle Area Health Authority (Teaching), Newcastle General Hospital, Newcastle upon Tyne, NE4 6BE. Closing date: 23rd November, 1974. (27278) 25

ST THOMAS'S HOSPITAL MEDICAL SCHOOL (University of London) London SE1 7EH

Applications are invited for the post of

LECTURER IN PHARMACOLOGY

to be filled on 1st January or as soon as possible thereafter. The post will involve both undergraduate and postgraduate teaching. Close links are maintained with other Basic Medical Science departments and clinical departments. Enquiries to Professor G. W. Bisset.

Salary on the University scale Assistant Lecturer/Lecturer £2,580-£4,896 p.a.

Applications, giving details of age, qualifications and experience with the names of two referees, to the School Secretary (H12020)

THE UNIVERSITY OF ADELAIDE
invites applications for appointment to the newly established

CHAIR OF COMMUNITY MEDICINE

The new Professor must hold medical qualifications registrable in South Australia. The formation of a Department of Community Medicine is envisaged with responsibility for undergraduate teaching, research activities and a major involvement in certain community health centres; but the Department will also have accommodation in the Royal Adelaide Hospital, adjacent to the other clinical departments. Some teaching in community medicine and practice is currently provided by a Reader supported by a number of part-time Tutors, who will become members of the new Department. The present programme extends over the second, third, fourth and sixth years of the undergraduate curriculum.

Salary: \$A19,614 a year with superannuation on the F.S.S.U. basis and, for an eligible candidate, supplementary superannuation and pension schemes in addition to basic salary. The Professor will receive on account of his registrable qualification a clinical allowance at the rate of \$A3,000 a year.

Further information: Potential candidates are invited to obtain from the Secretary-General, Association of Commonwealth Universities (Appts), 36 Gordon Square, London WC1H 0PF, or from the Registrar of the University, a statement of general information about the University, the Medical School and the proposed Department of Community Medicine, and formal terms of appointment. Any further information desired should be sought from the Registrar.

Applications (in duplicate) giving the particulars listed in paragraph 7 of the Statement should reach the Registrar of the University, G.P.O. Box 498, Adelaide, South Australia 5001, not later than 7th December, 1974. (27325) 25

THE UNIVERSITY OF LIVERPOOL Department of Pathology

Applications are invited for the post of

LECTURER

in the Department of Pathology.

Initial salary within the range £2,883-£3,588 per annum on a scale rising to £5,337 per annum, according to qualifications and experience, plus threshold payments.

Applications, together with the names of three referees, should be received not later than 22nd November, 1974 by the Registrar, The University, P.O. Box 147 Liverpool L69 3BX from whom further particulars may be obtained. Quote ref. RV/BMJ/287. (27002) 25

LONDON SCHOOL OF HYGIENE AND TROPICAL MEDICINE (Incorporating the Ross Institute) Keppel Street, London WC1

TUC CENTENARY INSTITUTE OF OCCUPATIONAL HEALTH

Applications are invited from medically qualified graduates for the post of

Senior Lecturer in Occupational Medicine

in the TUC Centenary Institute. The successful candidate will be required to teach graduates and will be responsible for organizing the M.Sc. (Occupational Medicine) and D.I.H. (Diploma in Industrial Health) Courses and will be expected to undertake research.

The appointment is linked with an honorary contract in the National Health Service, i.e. occupational physician at the Hospitals for Sick Children, Great Ormond Street, London WC1. Salary according to qualifications and experience, in the range £5,433-£7,947 p.a., with membership of F.S.S.U. Applications, with full curriculum vitae, and naming two referees should be submitted to the Dean. Further particulars about this post may be obtained from Professor R. S. F. Schilling, TUC Centenary Institute of Occupational Health. (27264) 25

UNIVERSITY OF DUBLIN Trinity College

Lecturer in Paediatrics

Applications are invited for the above post in the Department of Paediatrics at Trinity College, Dublin.

The Department is based in the National Children's Hospital, Harcourt Street.

The appointment is tenable for 1 year in the first instance, and will be remunerated on the University Lecturer scale:-

£2867 x £162 - £4001/bar/£4163 x £162 - £4649

Further particulars and application forms are available from: The Staff Secretary, West Theatre, Trinity College, DUBLIN 2

Completed application forms should be returned not later than Friday, 22nd November 1974.

(27262-25)

COMMERCIAL APPOINTMENTS

Wellcome

Department of Clinical Immunology

Applications are invited from registered Medical Practitioners for two posts in the Department of Clinical Immunology within the Clinical Research Division at the Wellcome Research Laboratories, Beckenham. These vacancies arise due to promotions within the Division and increasing departmental commitments.

The Department is responsible for all phases of the clinical development and assessment of immunoprophylactics (vaccine and immunoglobulins), immunosuppressants, agents for immunotherapy and cancer chemotherapy and antiviral substances.

The successful applicants will be expected to participate in new and existing research projects which require liaison with laboratory scientists at The Wellcome Research Laboratories and research groups in hospital and community medicine. The work provides opportunities for original clinical research.

The salary will be according to age and experience. A higher medical qualification would be advantageous but is not essential.

For further information and an application form, please write, quoting ref. AM 492, to:

J. F. Hayes,
Personnel Manager,
The Wellcome Research Laboratories,
Langley Court, Beckenham,
Kent BR3 3BS.

(27186) 23

ST. MARY'S HOSPITAL
Praed St. W2RESEARCH FELLOW
IN CARDIOLOGY
Cardiopulmonary Unit

Applications are invited from medical graduates for the above post. The Fellowship is primarily intended for training in methods of research and investigation in cardiology. The successful applicant will supervise an open-ward study of an anti-arrhythmic agent found to be of value in the prevention of arrhythmias following myocardial infarction. He will also be required to undertake clinical responsibility within the department.

The Fellowship is tenable from 1st January 1975 for one year in the first instance. Commencing salary is £3,198 per annum. Enquiries can be made to Dr. P. A. Kidner, 01-262 1280 Ext. 198. Applications should be made to Group Personnel Officer, from whom application forms may be obtained, by 25th November, 1974. (27416) 25

UNIVERSITY OF MALAYA
FACULTY OF MEDICINE

Applications are invited for one post of ASSOCIATE PROFESSOR in the Department of Orthopaedic Surgery in the Faculty of Medicine. Candidates should have high academic qualifications and wide experience in teaching and research.

All Clinical staff of the Faculty are required to undertake patient-care and service functions in the University Hospital which is managed by a Board of Management.

Subject to suitable academic qualifications and experience, preference will be given to candidates who are proficient in Bahasa Malaysia (Malay), but this requirement is not applicable to overseas staff. If selected, overseas candidates may be offered a short-term contract subject to the possibility of renewal by mutual agreement.

Salary scale (approx. sig. equiv.): Medical £2457-2919; Non-Medical £2278-2919. In addition the following allowances are payable: Variable Allowance £243 min. £649 max. p.a. calculated at 35% of basic salary. Supplementary Housing Allowance £503 p.a. and medical benefits.

Further particulars and application forms are obtainable from the Association of Commonwealth Universities (Apts), 36 Gordon Square, London WC1H 0PF.

The closing date for the receipt of applications is 29th November, 1974. (27236) 25

THE UNIVERSITY OF MANCHESTER

SENIOR LECTURERS IN PSYCHIATRY
Applications are invited for two posts, which involve teaching and research in the Department of Psychiatry as well as clinical responsibility in the University Hospital of South Manchester or the Manchester Royal Infirmary. The Manchester A.H.A. (T.) will be prepared to grant honorary consultant status and, by agreement with the Authority, the successful candidates will be expected to undertake a clinical commitment in the Authority's service enabling them to carry out their clinical duties fully. Salary range p.a. £5,433-£7,947. F.S.S.U. Further particulars and application forms, returnable by November 23rd, from the Registrar, The University, Manchester M13 9PL. Quote ref: 226/74/JMB. (27058) 25

THE UNIVERSITY OF MANCHESTER
Department of General Practice
Manchester Family
Practitioner Committee

TWO VACANCIES

Applications are invited to share practice of approx. 1,800 patients at the Darbshire House Health Centre which is administered by the University. In addition to being included in the list of the Family Practitioner Committee as Principals, the two successful candidates will be appointed to the University staff as Lecturers in the Department of General Practice (salary range £2,883 to £5,709); and will be required to take up their appointments as soon as possible.

Application forms and details of the University appointment may be obtained from the Administrator, Manchester Family Practitioner Committee, 2a Higher Ardwick, Manchester, M12 6BX, to whom completed forms must be submitted to arrive not later than 27th November, 1974. (H12072) 25

UNIVERSITY OF GLASGOW
The British Heart Foundation
Chair of Cardiac Surgery
(supported by the Isidore and
David Walton Charitable Trust)

The University Court will shortly consider an appointment to the above Chair of Cardiac Surgery. The appointment will be full-time.

Further particulars may be had from the secretary of the University Court (Room 18), University of Glasgow, Glasgow, G12 8QU, with whom applications, (20 copies), giving the names and addresses of three referees, should be lodged on or before 9th December, 1974. In reply please quote Ref. No. 3583 J. (27440) 25

THE UNIVERSITY OF ADELAIDE

invites applications for appointment as soon as possible as

READER OR
SENIOR LECTURER
IN PAEDIATRICS

(these positions are, respectively, commensurate with Associate and Assistant Professor in North America) from candidates with substantial experience in general and neonatal paediatrics, and who hold relevant specialist medical qualifications. An appropriate record and experience in teaching are also required.

The position carries responsibilities for the clinical care of newborns and for undergraduate instruction in neonatology at the teaching hospitals of the University. In addition to general paediatric skills, substantial and recent experience of modern methods of care of the newborn is essential. The main areas of activity would be in the newborn units of the Queen Victoria and The Queen Elizabeth Hospitals; general paediatric interests would be catered for in the Adelaide Children's Hospital. Further information is obtainable from the Head of the Department (Professor G. M. Maxwell).

Salary Scale: Reader \$A16,389 a year plus an allowance of \$A3,000 a year for registrable medical qualifications and clinical responsibilities. Senior Lecturer \$A12,643-417(1)-416(4)-14,724 plus an allowance of \$A2,500 a year for registrable medical qualifications and clinical responsibilities; with superannuation provision.

Further information, including list of particulars required in an application, is available from the Registrar of the University or from the Secretary-General, Association of Commonwealth Universities, 36 Gordon Square, London WC1H 0PF.

Applications should reach the Registrar, G.P.O. Box 498, Adelaide, South Australia 5001, not later than 13th December, 1974. (27216) 25

COMMERCIAL APPOINTMENTS (See also p. xxiii)

Beecham Pharmaceuticals

Medical Adviser

The UK Division of Beecham Pharmaceuticals has a vacancy for the senior post of Medical Adviser to Beecham Research Laboratories.

The Medical Adviser, who will report to the Medical Director, will provide support for the BRL marketing departments and will advise on all aspects of the company's medical activities. He will be responsible for the organisation and supervision of clinical trials on new and established products and will be involved in their development from the earliest stages. The work will involve travelling in the UK with occasional attendance at conferences abroad.

Applications are invited from registered medical practitioners, preferably in the age range 35-40 years. Previous experience in the pharmaceutical industry would be an advantage but is not essential.

In addition to an attractive salary, a company car is provided together with other first class fringe benefits.

Please write, giving details of age, qualifications, experience and current salary to: Personnel Manager, Beecham Pharmaceuticals - UK Division, Beecham House, Great West Road, Brentford, Middx.

UNIVERSITY OF LEICESTER AND
THE LEICESTERSHIRE AREA
HEALTH AUTHORITY (Teaching)

3 combined posts of

Demonstrator in the
department of Anatomy

at the University of Leicester and

Senior House Officer

in the Accident and Orthopaedic Department at the Leicester Royal Infirmary

Applications are invited for the above three joint full-time resident posts. The appointments will be tenable for one year to commence 1st January 1975. The posts will consist of 6 months in the Accident and Orthopaedic Department at the Leicester Royal Infirmary and 6 months in the department of Anatomy at the University of Leicester. The posts are recognized for the F.R.C.S. Active postgraduate teaching facilities are available.

Further details may be obtained from the District Administrator, South West District, Leicester Royal Infirmary, Infirmary Square, Leicester, LE1 5WW, to whom written application giving full details and the names of two referees should be sent, not later than the 18th November, 1974.

(35038)

25

UNIVERSITY OF OXFORD

CLINICAL LECTURER
IN OPHTHALMOLOGY

Applications are invited for the post of full-time Clinical Lecturer in Ophthalmology. Salary on scale £3,354 x £228-£3,810 x £216-£4,458-£4,671 p.a., according to qualifications and experience, plus superannuation. The appointment is for three years in the first instance. The lecturer will be responsible for teaching Ophthalmology in the Clinical School, will hold an honorary appointment in the Oxford Eye Hospital and will have adequate time for research. He should take up office on 1st January, 1975, or as soon thereafter as possible.

Applications, together with the names of two referees, should be sent by 30th November, 1974 to the Administrator, Nuffield Laboratory of Ophthalmology, Walton Street, Oxford, OX2 6AW. (H12075) 25

UNIVERSITY OF QUEENSLAND
AustraliaRESEARCH FELLOW IN
CLINICAL PHARMACOLOGY

Applications are invited from medically qualified graduates for the above-mentioned post in the Department of Medicine at the Princess Alexandra Hospital. The appointment, which will be for an initial period of two years, is being supported by Merck Sharp and Dohme (Australia) Pty. Ltd., and will be supervised by Professor B. T. Emmerson. The appointee will be expected to work on problems of clinical pharmacology and evaluation of drugs and to undertake undergraduate and postgraduate teaching. Salary within the range of \$9,002-\$14,724 per annum with a supplement for undergraduate teaching, plus superannuation similar to F.S.S.U. and housing assistance.

Applicants should request three referees to submit confidential reports to the Staff Officer, University of Queensland, St. Lucia, Q. 4067, Australia.

Additional information and application forms are available from the Secretary-General, Association of Commonwealth Universities (APUs), 36 Gordon Square, London WC1H 0PF.

Applications close in London and in Brisbane on 31st January, 1975. (27324) 25

UNIVERSITY OF
WESTERN AUSTRALIA
Perth

Applications are invited for the following appointments:

BIOCHEMISTRY

SENIOR LECTURER OR LECTURER

in the Department of Biochemistry. The appointment is occasioned by an increase in the student quota in medicine. The research activities of the Department include biochemical aspects of development, endocrinology, control of parturition and lactation, enzymology of lipid metabolism and enzyme kinetics. Travel grants are regularly available for various research purposes within Australia. Intending applicants should write in detail to the Head of the Department for further details.

PSYCHIATRY

ASSOCIATE PROFESSOR
OR SENIOR LECTURER

in the Department of Psychiatry. The level of appointment will be determined by the qualifications and experience of the appointee. Candidates should possess a higher degree in psychiatry, have wide clinical experience, and experience of teaching and administration in a university department of psychiatry or its equivalent. Demonstrated capacity for research is essential. Special skills in the areas of biological psychiatry, neuropsychiatry or community and social psychiatry would be an advantage but are not essential. The appointee will be based in the new academic teaching unit at the Perth Medical Centre.

SENIOR LECTURER OR LECTURER

in the area of behavioural science in medicine, based in the Department of Psychiatry. Applicants should have experience of either clinical and medical psychology or medical sociology. The appointment will be made in one of these two areas. The appointee will be expected to participate in the teaching of behavioural science to preclinical medical students and will be a fully established member of the Department of Psychiatry with access to clinical material in his particular area and the opportunity to carry out research. He may be required to contribute to the teaching of clinical medical students and postgraduate students of psychiatry from time to time. Applicants should have experience of teaching and research in one of these two areas, preferably in a university medical school. A higher degree at doctoral level would be a definite advantage.

The current salary ranges are: Associate Professor — \$A16389 p.a.; Senior Lecturer — \$A12643-14724 p.a.; Lecturer — \$A9002-12352 p.a. The appointee to position (1) in Psychiatry will be entitled to a differential of \$A3000 p.a. or \$A2500 p.a. according to the level of appointment, for clinical responsibilities. Benefits include superannuation similar to F.S.S.U., fares to Perth for appointee and dependent family, removal allowance, study leave and long service leave and housing loan scheme.

Applications in duplicate stating full personal particulars, qualifications and experience should reach the Staffing Officer, University of Western Australia, Nedlands, Western Australia 6009, by 7th December, 1974. Candidates should request three referees to write immediately to the Staffing Officer.

General information and conditions of appointment available from the Association of Commonwealth Universities (APUs), 36 Gordon Square, London, WC1H 0PF. (27417) 25

UNIVERSITY OF
THE WEST INDIES
Jamaica

Applications are invited for

(a) SENIOR LECTURESHIP

or

(b) LECTURESHIP
IN CLINICAL
PHYSIOLOGY

tanable as soon as possible. Applicants should possess a medical qualification and relevant postgraduate training. Duties include lecturing in basic and clinical Physiology and demonstrating in experimental human and animal physiology to students working for the medical degree.

Salary scales: (a) J \$10,992-J \$14,472. (b) J \$7,860-J \$10,752 p.a. (£1 sterling = J \$2.12). Additional remuneration will be available for all clinical duties. F.S.S.U. Unfurnished accommodation for a maximum of three years at 10% of salary. Thereafter 20% of salary payable in lieu of housing. Family passages; triennial study leave.

Detailed applications (3 copies), including a curriculum vitae and naming 3 referees, should be sent by airmail as soon as possible to the Registrar, University of the West Indies, Mona, Kingston 7, Jamaica. Detailed particulars are available and should be obtained from the same source before an application is made. (27326) 25

UNIVERSITY OF TASMANIA
LECTURESHIP OR
SENIOR LECTURESHIP
IN RADIOLOGY

Applications are invited for a Lectureship or Senior Lectureship in Radiology in the Department of Surgery.

Current salary scales are — Senior Lecturer \$A12,643 — 417 x 1 — 416 x 4 — 478 x 3 — \$12,352. A medical loading of \$A2,500 per annum is also paid. (It is expected that academic salaries in Australia will shortly be reviewed.)

The appointee will be required to work in the Department of Surgery and to take part in the instruction of medical students in pre-clinical and clinical years of the curriculum. The appointee will also work in the Royal Hobart Hospital Radiology Department.

Facilities are available in the Department of Surgery for experimental research work and funds will be made available to the appointee to facilitate this.

Further information and application forms should be obtained from the Association of Commonwealth Universities (APUs), 36 Gordon Square, London WC1H 0PF.

Applications close on 30th November 1974. (27217) 25

RESEARCH AWARDS

BURDEN RESEARCH
MEDAL AND PRIZE

Entry for the Burden Research Medal and Prize is open to all registered medical practitioners who are working in the field of mental subnormality in the United Kingdom or Republic of Ireland.

The award for 1975, total value £250, may be presented at Stoke Park Hospital on or about the 1st April, 1975, for outstanding research work which has been published, accepted for publication or presented as a paper to a learned society during the three year period ending 31st December, 1974.

Five copies of the paper or papers, with application form, should be submitted to the Secretary of the Burden Trust by 10th January, 1975.

Further information and application forms are available from the Secretary, Burden Trust, 16 Orchard Street, Bristol BS1 5EA. (H12082) 27

Personnel Department, South Glamorgan
Area Health Authority, Temple of Peace &
Health, Cathays Park, Cardiff to be returned
by 18th November 1974. (27120) 51-8

APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1974, No. 361).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

In particular, they will find full details of facilities provided in most hospitals in the United Kingdom in the current edition of the *Hospital Gazetteer*. If such details are not included members are advised to consult the Secretary of the B.M.A.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £2,202 per annum for the posts held during the first year; £2,370 per annum for posts held during the second year; £2,538 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,823 per annum x £189(1) x £186(1) — £3,198.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £3,198 per annum x £171(3) x £168(1) — £3,879.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £3,711 per annum x £168(1) x £216(4) — £4,743.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £3,504 per annum x £183(2) x £180(2) x £168(10) — £5,910.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £5,433 per annum x £279(8) x £282(1) — £7,947.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rent is appropriate. July, 1974

Applications are invited for a vacancy from Medical Practitioners either as

REGISTRAR or SENIOR HOUSE OFFICER

(i.e. with or without previous experience) who wish to make Pathology a career. If the successful candidate is appointed in the S.H.O. grade it is intended that this will proceed to Registrar after one year's satisfactory service. The successful candidate will have the opportunity of working in each of the 4 departments of the Central Laboratory. Special weekly lectures and demonstrations are undertaken for those preparing for Primary and Final Examination of the Royal College of Pathologists. The laboratory is recognized for the Primary and Final Examinations for the M.R.C. Path. and for the Diploma of Clinical Pathology. Post vacant early December. Non resident.

Application form from: District Administrator, Saint Mary's Hospital, Portsmouth, PO3 6AD. (27211) 81-6

GREATER GLASGOW
HEALTH BOARD

Applications are invited for the post of
**SENIOR REGISTRAR
IN PSYCHIATRY**
to the Greater Glasgow Health Board. This
appointment will be for one year in the first
instance.

The first year will normally be spent in
General Adult Psychiatry.

In the second and subsequent years rotation
for periods of four months will be arranged to
Child and Adolescent Psychiatry; Mental
Deficiency and Forensic Psychiatry. Longer
periods of attachment are available
to candidates wishing to specialise in Forensic
Psychiatry, or Mental Deficiency.

Further details can be had from the
Secretary, Greater Glasgow Health Board, 351
Sauchiehall Street, Glasgow G2 3HT, to whom
applications (1 copy) should be sent with
details of age, qualifications, experience,
present appointment, and the names of two
referees, not later than 14 days after the
publication of this advertisement. (H1048)
84-5

OXFORD
REGIONAL HEALTH AUTHORITYSENIOR REGISTRAR
IN PSYCHIATRY

to the Northamptonshire area

This post, vacant in February 1975, will be
based on St. Crispin Hospital, Northampton,
and on the community work in the Kettering
Health District, and will include six months
secondment to the University Department of
Psychiatry, Oxford.

Northampton is within 75 miles of London
by an hourly train service. The Area
psychiatric service offers a range of
opportunities for gaining consultant skills
and, in addition to work in general psychiatry,
arrangements could be made to extend
experience in E.E.G. Child Psychiatry,
Mental Subnormality or Psycho-geriatrics if
required.

Active involvement in training Junior
Psychiatrists will be expected. Candidates
must hold M.R.C.Psych. Enquiries welcomed
by the Medical Director or the Psychiatric
Tutor, St. Crispin Hospital, Northampton. Tel:
Northampton 52323.

Further information and application forms
(2 copies) obtainable from the Secretary,
Senior Registrar's Appointments Committee,
Oxford Regional Health Authority, Old Road,
Headington, Oxford OX3 7LF should reach
him by 23rd November, 1974. Please quote
reference 17/14/397/BMJ. (34851) 84-5

DEVON

AREA HEALTH AUTHORITY

Applications are invited for the post of
REGISTRAR IN PSYCHIATRY
at Exe Vale Hospital, near Exeter.

The appointment, which is vacant from 21st
December, 1974, will be for a period of 2 years,
but is subject to review after the first year.

Exe Vale Hospital is a comprehensive
Psychiatric Hospital with specialized units for
treatment of Alcoholics, Children and Psycho-
Geriatric patients. There are departments of
Psychology will assist candidates in preparing
for this part of the D.P.M. and the medical
staff of the hospital hold regular Journal and
Clinical meetings which assist in preparation
for D.P.M. and M.R.C.Psych. examinations.

The facilities of the Postgraduate Medical
Institute of the University of Exeter (General
Medicine and Epidemiology) are available and
there is a close liaison with local authority
after-care services. The post carries a
maximum peripheral allowance and is
resident. A house or flat is usually available
for a married officer. Single officers can be
accommodated within the hospital. The
hospital is composed of 3 adjacent branches.
Successful candidate will rotate through the
branches according to training needs.

Application forms obtained from the Area
Personnel Officer, Devon Area Health
Authority, Renslade House, Bonhay Road,
Exeter EX4 3DE. To whom they should be
returned by 21st November, 1974.

Selected candidate will be interviewed on
the 3rd December, 1974. (35225) 84-6

NORTHERN IRELAND HEALTH
AND SOCIAL SERVICES**District Administrative
Medical Officer
(District Community Physician)****EASTERN HEALTH AND SOCIAL SERVICES BOARD
(TEACHING)**

The Central Services Agency on behalf of the Eastern Health and Social Services Board invites applications for posts of District Administrative Medical Officer.

The vacancies exist in the three major districts in the Belfast area.

The Board which administers an area with a population of approximately 700,000 is responsible for the major teaching hospitals and provides clinical teaching facilities for the Queen's University of Belfast Medical School. The regional specialties for Northern Ireland are based on hospitals within the Board's area.

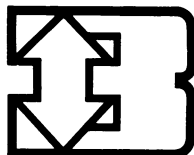

Candidates must be registered medical practitioners with wide experience in medical administration and a good clinical background. They should also have specialised knowledge of the organisation and management of medical services in the hospital or community context.

The salary is £5,433 rising by nine increments to £7,947 per annum. The starting point on the scale will be determined in the light of qualifications and experience.

Application forms and further particulars are available from
The Chief Administrative Officer
Central Services Agency
27 Adelaide Street, BELFAST BT2 8FH

Latest date for receipt of applications is 9th December 1974.

Psychiatric Services - (Management and Development) £9,000+

An opportunity has arisen for a medical practitioner with extensive psychiatric knowledge and experience to undertake a wide variety of work in the field of mental health services with the Department of Health and Social Security.

You will join a Medical Division responsible for planning and development of these services, including the medical administration of the Department's three Special Hospitals. One of the main attractions of this post is that it will offer you the freedom to develop and pursue your own special interests within the broad scope of the Division's work.

You must be fully registered in the UK with clinical experience and post graduate training in psychiatry. A higher qualification or experience in specialised areas of psychiatry would be an advantage.

The post is at Principal Medical Officer level with a non-contributory pension scheme.

For full details and an application form (to be returned by 29th November 1974) write to the CIVIL SERVICE COMMISSION, ALENCON LINK, BASINGSTOKE, HANTS RG21 1JB or telephone BASINGSTOKE 29222 ext. 500 (or, for 24 hour answering service, LONDON 01-839 1992). Please quote S/8799/1.

Scope in Zambia for a

Medical Officer

General Duties and Anaesthetics

Roan Consolidated Mines Limited in Zambia has a vacancy at its Chibuluma Division for a Medical Officer whose responsibilities will include hospital out-patient sessions, clinic visits and some administration. He will also have medical in-patient responsibilities and will have one routine anaesthetic list per week and, on a rota basis, will share emergency anaesthetic call duties with usually one other medical officer. Previous hospital appointments should therefore include experience in anaesthetics.

A broad general experience in hospitals and general practices over several years would be an advantage. The man appointed will be based at Kalulushi where the company provides a comprehensive health service for its employees and their dependants of Chibuluma Division. The curative medical services have an establishment of 4 doctors and consists of well-equipped hospital and 4 clinics in the area. The hospital has nearly 100 beds and is run by qualified nursing and para-medical staff.

A competitive salary will be negotiated depending on experience and qualifications for a three-year contract.

Additional benefits include ■ tax free settling-in allowance ■ tax free children's education and travel allowances ■ generous leave conditions and return passages paid every two years ■ free life assurance ■ car provided.

Medical Officers

£7,300

You are offered the prospect of a tour of duty – for as little as one year – in Zambia, one which will give you both a wide range of professional experience and early responsibility. It is with the nation's major mining organisation, Nchanga Consolidated Copper Mines Ltd, with an international staff of technical specialists.

The company is responsible for providing full medical care to its employees – over 30,000 – and their families; the total of persons to be looked after is about 150,000.

There is a senior doctor staff of over 40, together with a full complement of specialists and 150 fully qualified nurses. The modern facilities include 5 well-equipped hospitals (814 beds), 16 clinics and 8 main first aid dressing stations.

General Duty Medical Officers will be involved in preventive and curative medicine, surgery, anaesthetics, gynaecology/obstetrics, public health and nutrition; and although the mines have a strict safety code an amount of accident work can be expected.

Contracts may be negotiated for periods of one to three years. Locums can also often be arranged.

Salaries will depend on experience, but the minimum is K11,275 gross per annum (£7,320 based on an exchange rate of K1.=65p). In addition there is a tax free settling-in allowance; subsidised Company private primary schools; a detached, furnished house with garden is provided for £3 per week; and children receiving secondary education overseas are granted up to £780 per child per year, tax free, towards school fees and two free return passages to visit their parents during holidays; interest free car loan available. Study leave is available, and there are 60 days standard annual leave.

Up to 33½% of gross income can be sent home each month.

Please send for details to:

Anglo Charter International Services Limited,
Appointments Division, Dept. **ABM 0911**
7, Rolls Buildings, London, EC4A 1HX.

Scope in Zambia for

Anaesthetist

This appointment with Roan Consolidated Mines in Zambia will appeal to a Doctor whose prime interest is anaesthetics. The practitioner appointed will spend 80% of his time giving anaesthetics in the two hospitals run by the company for their mine employees and dependants. The remaining 20% of his time will be taken up by relieving his colleagues in general medical duties.

The hospitals and clinics run by the company provide for about 50,000 local and 2,000 expatriate personnel in the town of Luanshya. The team of 11 practitioners includes a specialist surgeon, gynaecologist/obstetrician and an orthopaedist. Operating sessions are held five days a week. Members of the team work a rota system so that off-duty hours can be maximised for all. The hospitals have air-conditioned theatres, piped oxygen and Boyle-type anaesthetic machines. The medical staff is under the administrative control of a qualified Chief Medical Officer.

Employment will be on a renewable contract basis for three years. Salary will be negotiated depending on experience and qualifications. A Diploma in Anaesthetics is preferred.

Additional benefits include ■ generous leave conditions with return passages paid every two years ■ generous baggage allowance ■ tax free settling-in allowance ■ furnished accommodation at low rental ■ tax free children's education and travel allowances ■ free life assurance ■ car for professional use.

Please write giving concise details of qualifications and experience, quoting reference AM.954, to:

Scope in Zambia for a

Paediatrician

Roan Consolidated Mines Limited has an immediate opportunity for a Paediatrician at its Mufulira Division. Applicants should be experienced and have a higher qualification in Paediatrics.

This post will provide challenging experience in the community health and curative aspects of paediatrics. Such experience will be gained in a professionally stimulating and congenial atmosphere with all the advantages of a superb climate and outdoor recreation.

The preventive and curative medical services which the Company provides for its 55,000 local and 2,500 expatriate employees and dependants are based on two well-equipped hospitals, totalling 460 beds, and nine peripheral clinics. The full establishment of medical officers is 15, including those with higher qualifications working in their specialised fields.

The successful applicant will have direct inpatient, outpatient and clinic responsibilities and will serve as consultant throughout both hospitals. In addition, a limited amount of student nurse teaching will be involved, associated with a registered nurse training school established in 1970.

In common with other specialist medical officers employed, duties will include a minimal amount of general medical work. A competitive salary will be negotiated depending on experience and qualifications. The appointment will be on a renewable contract basis.

Additional benefits include ■ generous leave conditions with return passages paid every two years ■ generous baggage allowance ■ tax free settling-in allowance ■ furnished accommodation at low rental ■ tax free children's education and travel allowances ■ free life assurance ■ car for professional use.

NEW from

Cardiovascular Research

For angina. For hypertension.

Merck Sharp & Dohme is pleased to announce the introduction of 'Blocadren'—a new, first product of original research which provides practitioners with an effective pharmacological approach to managing the long-term clinical needs of angina and hypertension, while permitting most patients to live a more normal life style.

Introducing a new beta-adrenergic blocking agent.

One strength tablet. Same average daily dosage. For hypertension. For angina.

For the patient with angina— restricted by pain

A world-wide double-blind co-operative study was conducted by 29 investigators. Three hundred and seven patients completed the study.

Fewer anginal attacks

Patients receiving 'Blocadren' showed a drop from an average of 12 anginal attacks per week to under 4 attacks per week. Compared to placebo, twice as many patients on 'Blocadren' were free of anginal attacks (30% vs 13%).

Less severe anginal attacks

Investigators reported either no anginal episodes or only mild episodes in 67% of patients treated with 'Blocadren'.

Reduced intake of glyceryl trinitrate

Patients receiving 'Blocadren' showed a reduction from a pretreatment average weekly intake of glyceryl trinitrate 10.6 tablets to 3.2 tablets at the completion of the study. Compared to placebo, twice as many patients on 'Blocadren' had no need for glyceryl trinitrate (39% 'Blocadren' vs 19% placebo).

Stress tolerance improved

Patients receiving 'Blocadren' required significantly more stress to produce an anginal attack than did the patients receiving placebo (Week 28; $p < 0.01$)

Remarkable overall response

Good to excellent response was reported in 71% of patients treated with 'Blocadren', compared to only 26% of patients on placebo.

For the patient with hypertension— an asymptomatic risk

The asymptomatic hypertensive patient is 'at risk' for two reasons: side effects of medication may cause him to discontinue therapy, and inadequate control may result in progressive organ damage. 'Blocadren' can help remedy both problems.

Effective in 4 out of 5 patients

Clinical effectiveness was confirmed in 80% of patients treated with 'Blocadren' in a world-wide double-blind co-operative hypertension study.

Significant reduction in diastolic pressure

The average of the co-operative study and five other studies showed that 4 out of 5 patients responded with significant reduction in pressure (defined as a reduction of 10 mm Hg or more, or a drop to 90 mm Hg, in supine diastolic pressure). Percentage of patients responding in individual studies ranged from 64 to 94%.

Used safely with thiazide

In another study, 'Blocadren' was safely administered to 24 patients concurrently with hydrochlorothiazide.

BLOCADREN
Timolol maleate/MSD Trademark

One major product for two major problems.

'Blocadren' is supplied as half-scored 10 mg tablets.
NOTE: As with all beta-adrenergic blocking agents, there are important contra-indications to the use of 'Blocadren', particularly congestive heart failure, allergic rhinitis, bronchospasm, and asthma. Detailed information is available to physicians on request.

VENTOLIN IN CHRONIC BRONCHITIS

"Salbutamol (Ventolin) is probably the most effective aerosol and also carries least dangers of cardiotoxicity, an important consideration in elderly patients who may have ischaemic heart disease in addition to chronic bronchitis."

(Update 1973, 6, 1807)

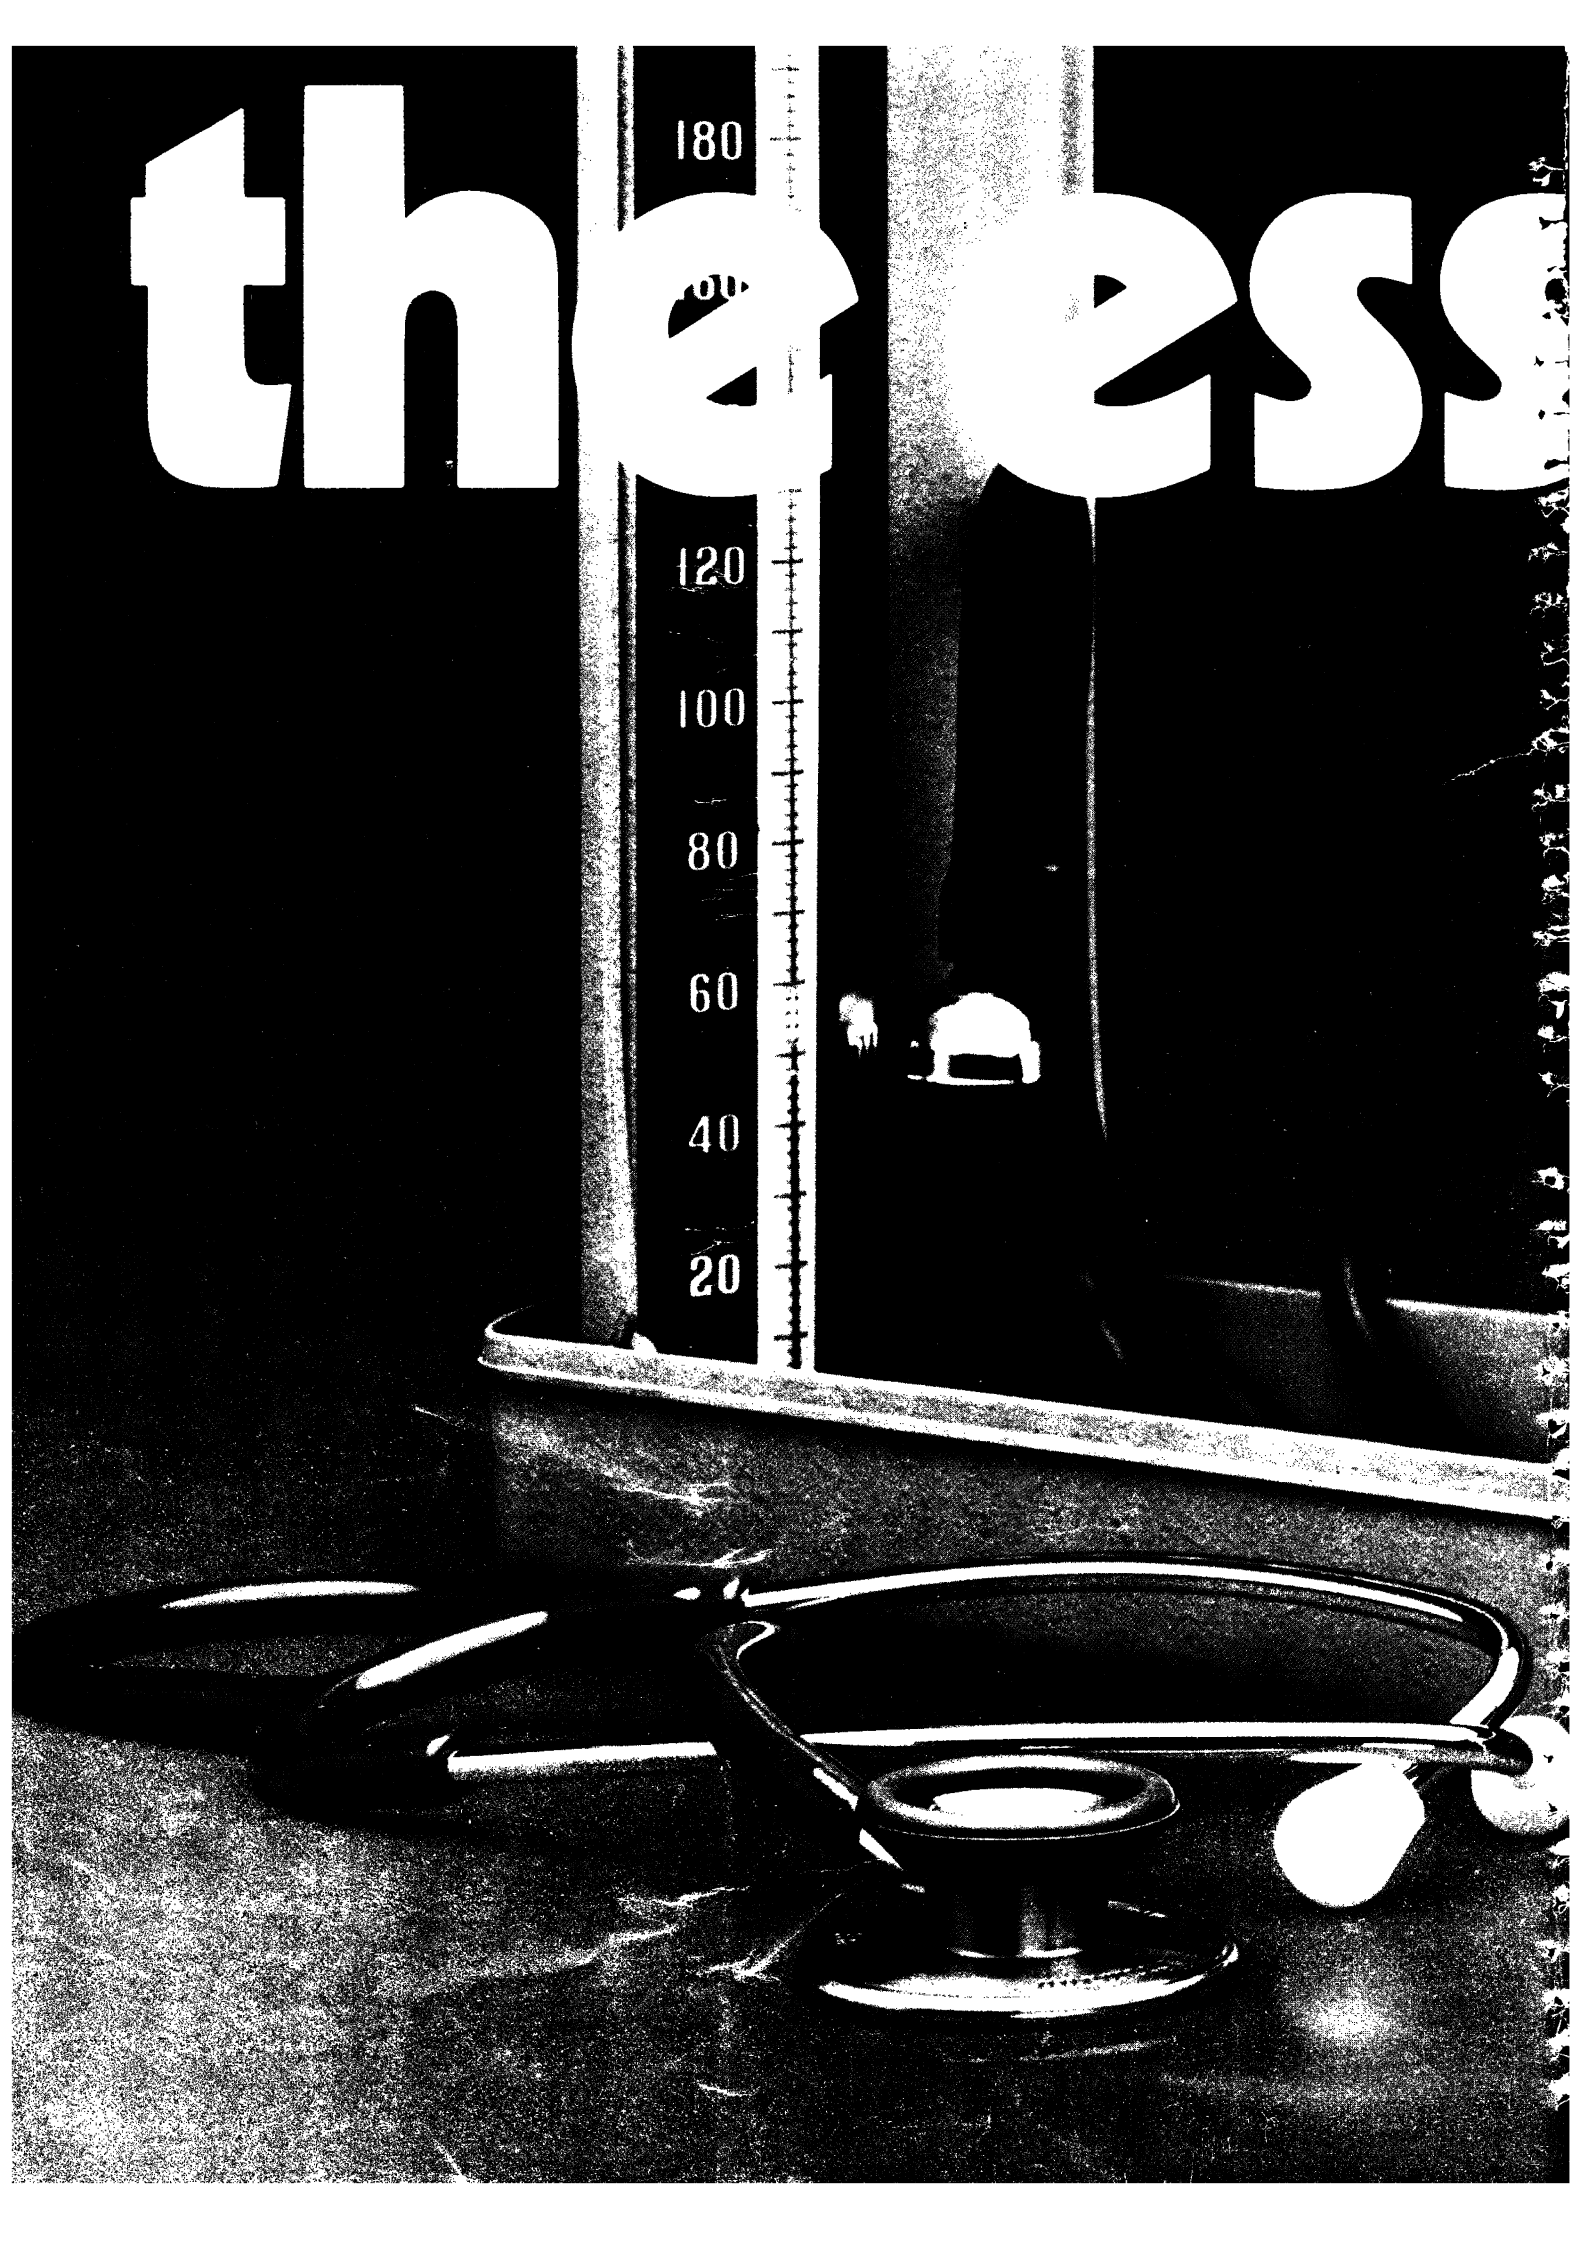

The hazard of respiratory infection often makes antibiotic cover the primary consideration in the therapy of the so-called "English Disease". But even when this has been eliminated, the chronic bronchitic often has other problems—chronic breathlessness is one. Whenever reversible bronchospasm can be demonstrated (e.g. by taking Peak Flow Readings) then bronchodilators are indicated. Ventolin Inhaler provides effective, selective metered-dose aerosol therapy—either for routine use or for when distressing attacks of dyspnoea supervene. Ventolin Tablets 2mg and 4mg are for use wherever an oral bronchodilator is preferred. Ventolin Inhaler contains salbutamol BP. Ventolin Tablets contain salbutamol sulphate BP.

VENTOLIN—PRIMARY THERAPY IN REVERSIBLE AIRWAYS OBSTRUCTION

Full information is available on request. Ventolin is a trade mark of ALLEN & HANBURY LTD LONDON E2 6LA

the ess

entials

Zaroxolyn has a high success rate in mild to moderate essential hypertension.

"The high frequency of good to excellent response, once a day administration, potentiation of other non-diuretic anti-hypertensive agents and the failure of tolerance to develop in long-term use would seem to be the major advantages of metolazone."

Current Therapeutic Research (1974) 16, 778

Full information on request from:

Middlesex HA1 1BL, England.

Antihypertensive/Diuretic **ZAROXOLYN®** METOLAZONE

This is the device for controlling a major IUCDifficulty

Namely the increased and prolonged menstrual
bleeding which often results with the IUCD.

€psikapron[®]

(Epsilon aminocaproic acid)

inhibits the excess fibrinolytic activity of the
endometrium stimulated by the presence of the IUCD.
It is effective within 2 hours of oral administration,
and is prescribed only during menstruation, as it is
when treating heavy periods or menorrhagia.

Manufactured by: AB Kabi, Stockholm, Sweden.
Distributors in the U.K.: Vestric Ltd., Runcorn,
Cheshire and ALL BRANCHES.
