

# a complete change

MUCODYNE is a unique treatment for bronchitic mucus. This means easier expectoration; decrease in dyspnoea; improved ciliary transport; a more normal secretion which does not plug the bronchus, is less likely to damage lung tissue or act as a source of secondary infection.

Other treatments, mostly expectorants, "... are nauseants which, reflexly, increase the secretions within the respiratory tract"<sup>2</sup>, thus forming more mucus. MUCODYNE avoids this vicious circle. It acts at biochemical and cellular levels to restrict sticky mucus formation, to convert tenacious sputum to a healthier secretion and to reduce hyperplasia of the respiratory mucosa. MUCODYNE literally changes bronchitic mucus. And your patients will feel the change.

## The new symbol in the world of health care

A new symbol; a new company, founded on established strengths. The strengths of more than 30 companies in international medical supply; all members of the British Oxygen Group and based in Europe, North America, Africa, India, Australia and the Far East.

Together they form one of the world's leading supply groups in the field of health care, with products and services ranging from anaesthetic apparatus to disposable needles; from orthopaedic implants to medical gases; from hospital beds to complete medical gas pipeline systems. Medishield will work internationally by caring locally. Throughout the world the Medishield symbol promises access to a wide range of equipment built and tested to the highest international standards. It promises the benefits of research programmes carried out by Medishield companies in diverse fields of medical activity and the support of an after-sales service second to none, operated by teams of highly qualified engineers.

For information on Medishield, its companies, products and services write to the Commercial Director.

# How do you see Perennial Rhinitis?

This picture (by courtesy of Dr. Niels Mygind), taken with the aid of a scanning electron microscope at a magnification of  $\times 4,500$ , reveals the appearance of the nasal mucous membrane of a patient with perennial allergic rhinitis showing goblet cells with hypersecretion of mucus.

Perennial Allergic Rhinitis is a prevalent disease problem causing much misery and inconvenience. Many patients fail to obtain adequate relief from vasoconstrictor drugs, antihistamines and sodium cromoglycate. Furthermore, side effects such as rebound congestion and drowsiness are often troublesome. Oral or parenteral corticosteroid preparations are the most effective treatments but, as in asthma, clinicians are reluctant to prescribe them over long periods because serious systemic side effects may occur, including adrenal suppression.

**In contrast, Beconase Nasal Spray is a metered-dose aerosol which delivers into a specially designed nasal applicator beclomethasone dipropionate BP, a selective steroid which controls more effectively the inflammatory process at the allergic mucous membrane in dosages which do not cause systemic side effects.**

## **Beconase NASAL SPRAY**

**IMPROVES THE QUALITY OF  
LIFE FOR THE PATIENT WITH

# BMJ publications

## **Cardiovascular Diseases in the Tropics (1974)**

The book presents the present state of knowledge regarding many conditions previously thought to be peculiar to the temperate and developed countries and also deals with those disorders peculiar to the tropical situation. It provides an up-to-date review suitable both for clinical and epidemiological work and for further research into these disorders.

Price £4.50 (U.S.A. \$13.50)

## **A New Look at Infectious Diseases (1974)**

Infectious diseases remain as much a medical challenge as ever, and the articles collected in book form under the title *A New Look at Infectious Diseases* covers many aspects of diagnosis and treatment. The widespread use of immunization, with its occasional hazards, the use of newer antibiotics, and increased risk of spread by travel are all dealt with, as well as the problems of diagnosis produced by present day doctors' unfamiliarity with many diseases which were formerly so common and widespread.

Price £2.00 (U.S.A. \$6.00)

## **Medicine in Old Age (1974)**

The series of twenty two articles published in the *British Medical Journal* throughout the winter have been collected in book form as a convenient source of reference for general practitioners. The emphasis is on remedial mechanisms, and the use that can be made of psychogeriatric and social services in keeping the elderly healthy and relatively independent members of the community.

Price £2.00 (U.S.A. \$6.00)

## **Today's Drugs/3 (1973)**

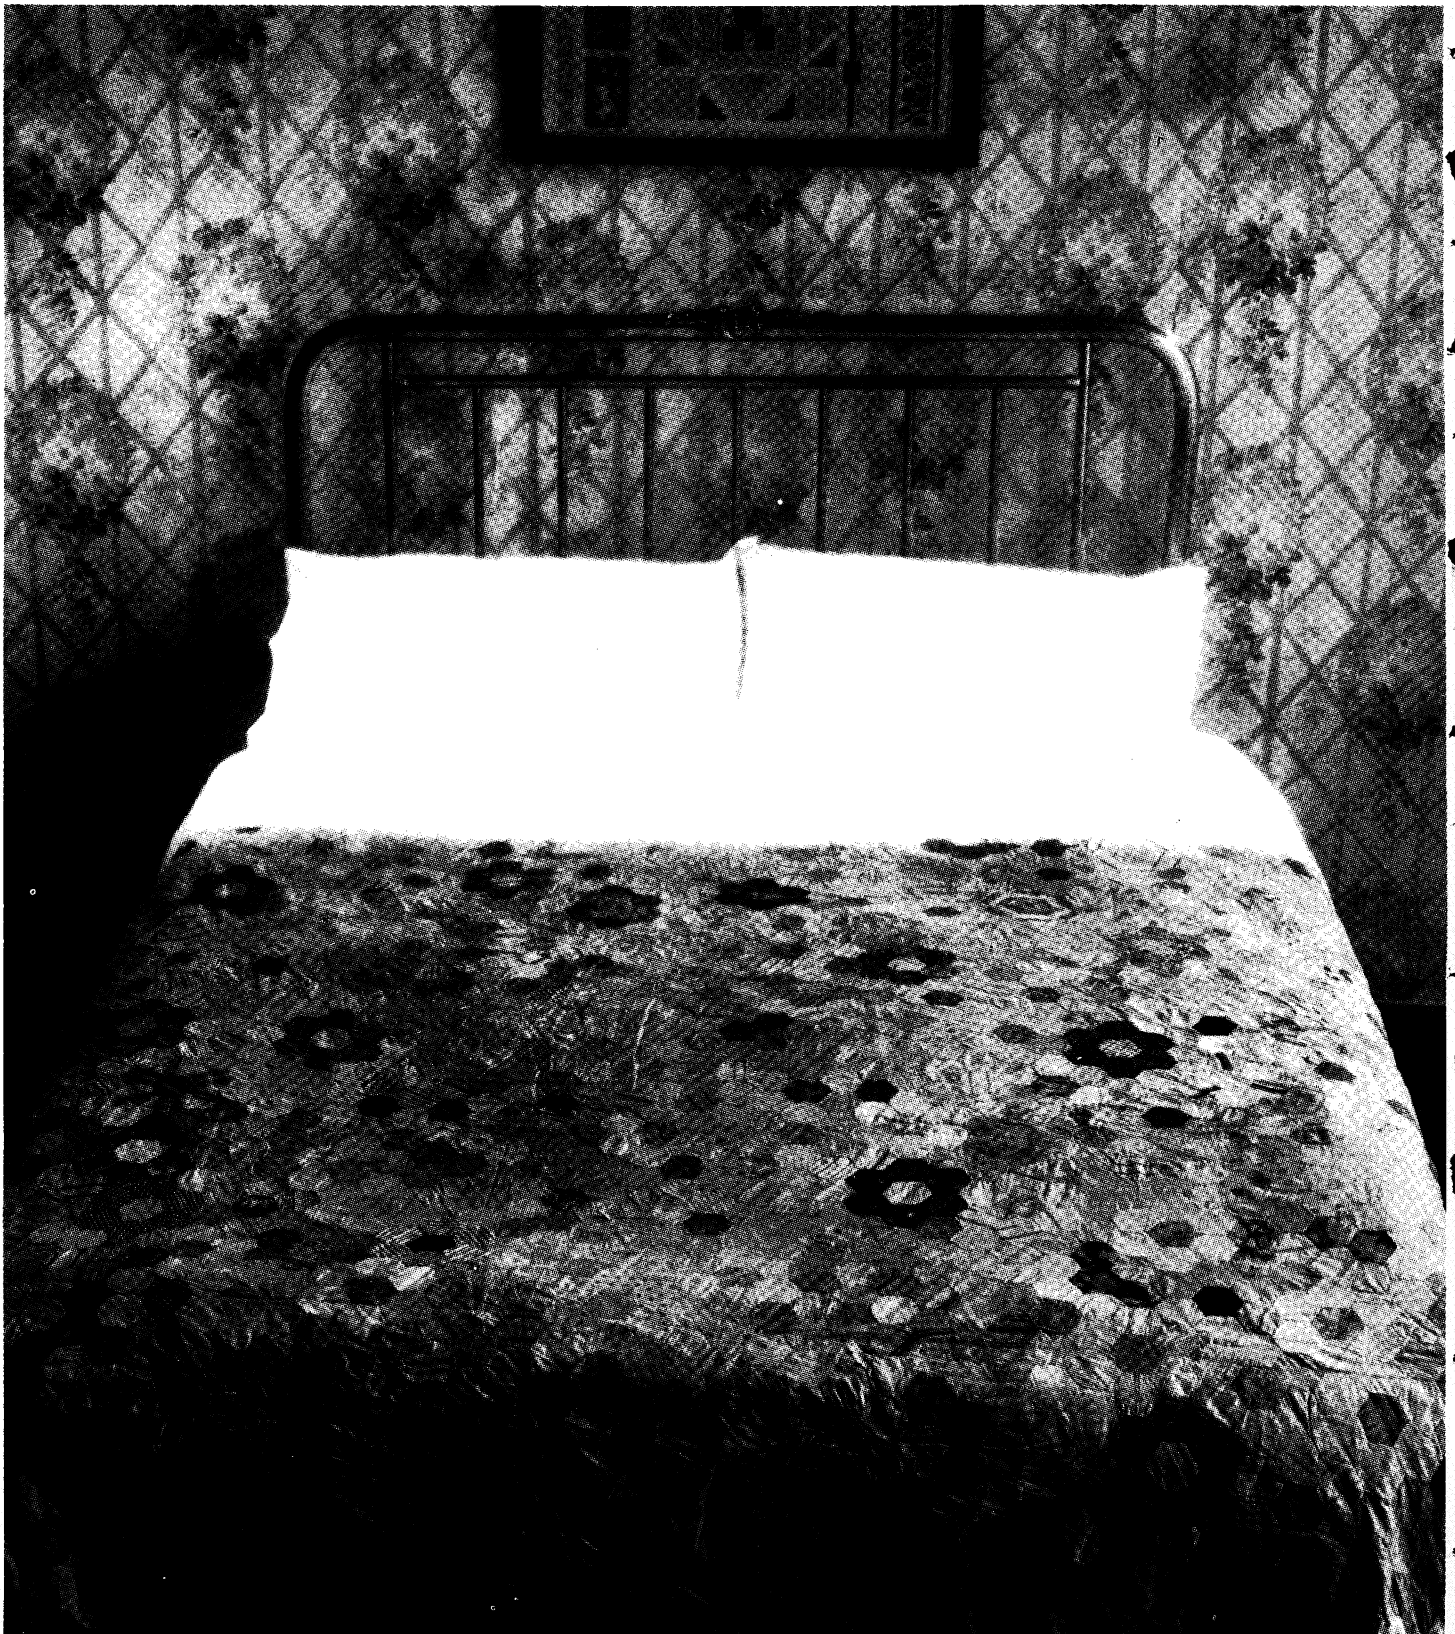

The third and final volume of the 'Today's Drugs' series, like its predecessors, is based on *BMJ* articles revised and brought up to date by their authors. It deals with respiratory agents, drugs acting on the central nervous system, and a miscellaneous group of drugs.

Price £1.25 (U.S.A. \$3.75)

# This bed contains over

## **Migen**

**asthma immunisation made easy.**

# 10,000 causes of asthma.

This bed is alive. Crawling with *Dermatophagoides pteronyssinus*, the common house dust mite.

The mite is found "...almost everywhere that human beings live, but particularly where they sleep".

Brit. med. J., (1969), 2, 723. It has also been identified as "...the most common cause of allergic asthma in this country, particularly in children".  
Brit. med. J., (1970), 2, 501.

The house dust mite is an extremely potent allergen. In fact it has been calculated that the inhalation of mite material in an amount

weighing less than one whole live mite would be capable of precipitating an allergic reaction.

The mite population lives on human skin scales. Each of us sheds about 5 g. of dander a week and 0.5 g.-1 g. of this accumulates in beds and bedding, an amount which can support up to 10,000 mites. For most people, this thriving subculture means little. But to the allergic asthmatic it could mean the difference between a dream and a nightmare.

## Avoidance is Impossible

In the home, it is virtually impossible to remove every trace of the mite: The ubiquitous creature exists in beds, carpets, curtains, cushions - anywhere that human beings and domestic dust come together. Even immaculate dwellings produce dust samples rich in live mites, their excreta and dead remains - all potent allergens. This is why the most effective way of controlling house dust mite sensitivity is immunisation.

## Migen - for the prevention of Asthma

Migen is a new short course vaccine which immunises against the house dust mite. So it does not simply treat the

symptoms of asthma - it prevents them. Immunisation against the powerful house dust mite allergen can raise the patient's overall level of tolerance. If he is multi-sensitive he may well find that he no longer reacts to contact with other allergens which have previously provoked attacks. And the stress caused by fear of attack is reduced.

Migen is the first short course treatment that gives you, the family doctor, real control over asthma.

## Migen and Simplicity

There was a time when immunisation was both a complicated and lengthy business. Not so with Migen. Just six injections form a course of treatment for asthma and perennial rhinitis. With each syringe pre-filled to ensure easy administration and accurate dosage.

## Migen and Safety

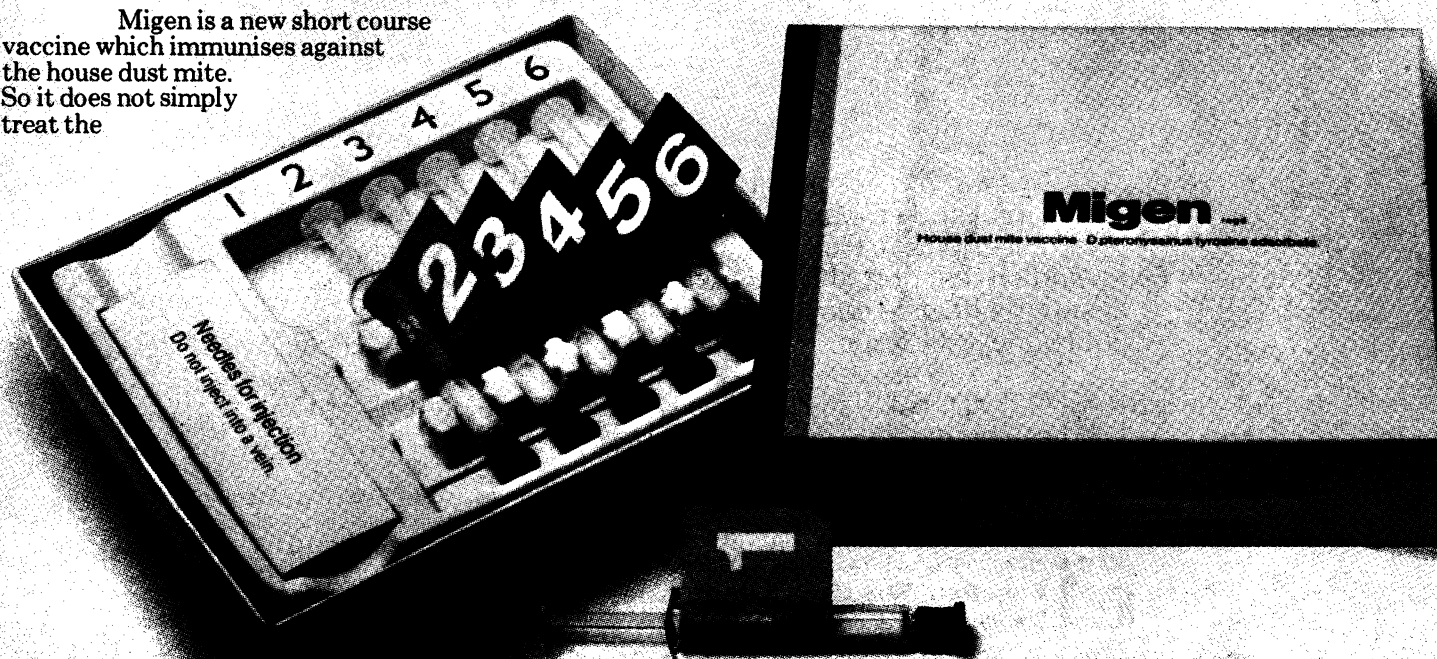

In Migen the active material is adsorbed on to tyrosine - a naturally occurring amino acid which is metabolised in the human body. The active material is therefore released slowly but completely for maximum effectiveness and minimum risk of adverse effects.

## Diagnosis

Migen may usually be prescribed on the basis of a careful case history alone. A Diagnostic Aid has been devised to help identify, by case history, those patients who are most suitable for Migen treatment. If the diagnosis is still in doubt after the case study then the Migen Skin Test Kit may be used for confirmation. Both the Diagnostic Aid (which also includes notes for the guidance of patients) and the Skin Test Kit are available on request from Bencard.

## Migen

Many products have been advocated for use in the treatment of asthma. Most have drawbacks that you and your patients suffer for the sake of some relief. Now Migen offers you an opportunity to treat the most common form of allergic asthma. From your surgery.

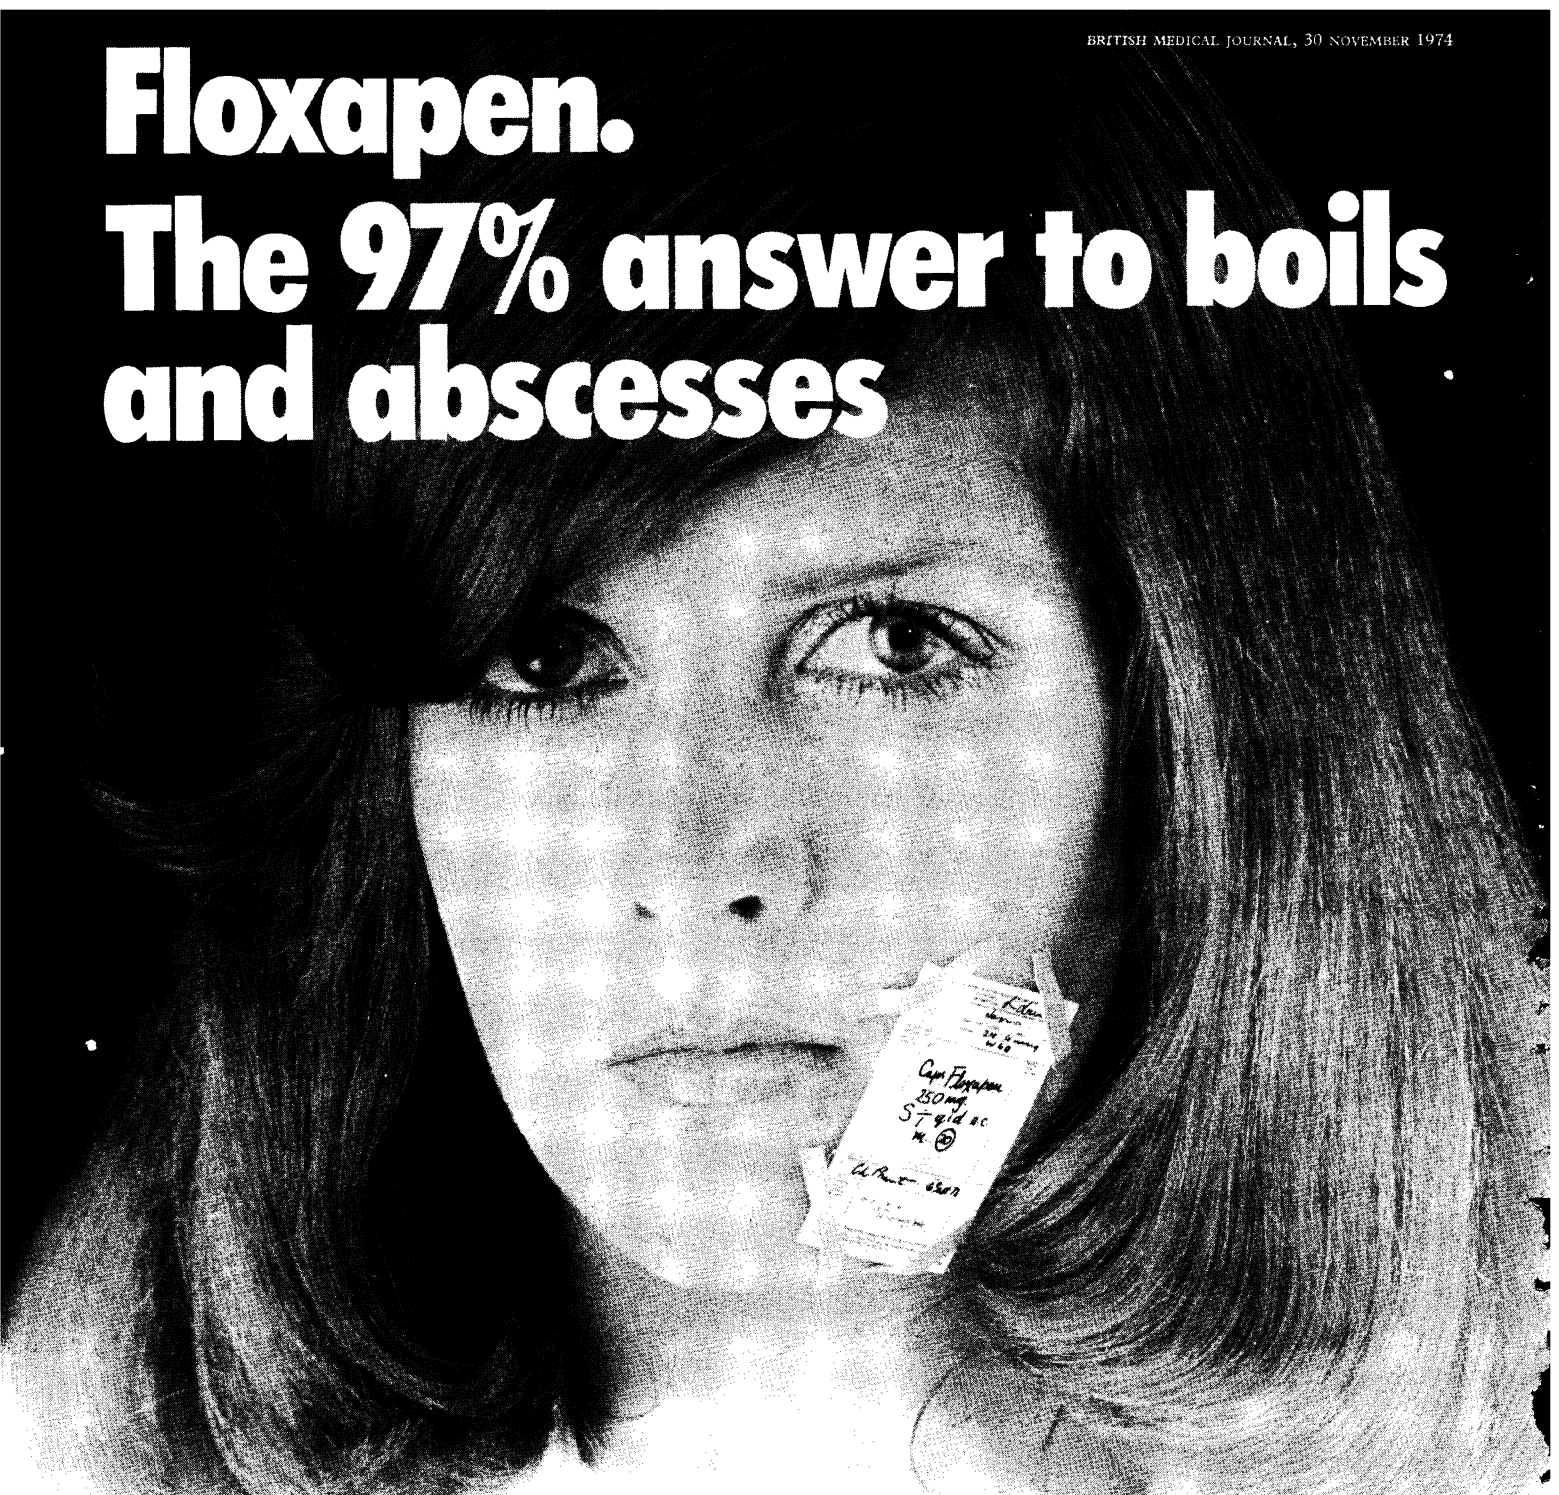

**Migen**  **Bencard**

Migen is a tyrosine adsorbed vaccine prepared from pure extract of *Dermatophagoides pteronyssinus*. Full information on Migen (regd.) is available on request from Bencard, Freeport, Brentford, TW8 9BE.

# Floxapen.

## The 97% answer to boils and abscesses

This patient has a boil. Not a serious infection, but it's painful and embarrassing. She'd like you to get rid of it for her—quickly. Floxapen can help you do just that. Following an oral dose, high blood levels are rapidly achieved ensuring effective concentrations at the site of infection. And, once there, Floxapen will destroy virtually all staphylococci as well as all streptococci. In a recent G.P. clinical trial, Floxapen was successful in 97% of the soft tissue infections treated. (*Practitioner*, 1970, 205, 801.)

*Oral dosage. Adult: 250mg q.i.d. a.c.; Children 2-10: ½ adult dose; under 2: ¼ adult dose. Side-effects: as with other penicillins. Contra-indications: penicillin hypersensitivity, ocular administration. Further information is available on request.*

Herpid is 5% idoxuridine, an agent effective against DNA viruses, in dimethyl sulphoxide, a penetrating solvent.

Herpid, brushed on to the vesicles by the patient regularly for 4 days, rapidly reduces pain and resolves lesions.

#### **Eradicates pain**

Herpid halves the duration of pain (otherwise often severe and long lasting) in most zoster

patients. In one series the median duration of pain was only 3 days.

#### **Less postherpetic neuralgia**

Herpid greatly reduces the incidence and severity of postherpetic neuralgia.

#### **Resolves lesions quickly**

Herpid cuts the average healing time of lesions by almost a third.

Herpid is most effective when used early in the course of the

disease. So consider zoster in any patient presenting with unilateral root pain and prescribe Herpid.

# Do teen-agers want the facts on menstruation from you?

**Your requests  
for 400,000  
booklets  
indicate they do.**

Ignorance isn't bliss for many young girls when the changes of puberty occur. They want facts – and they're very likely to ask you for them.

To help you give them the facts about menstruation, we provide free booklets and charts. The booklets – one for beginning menstruants and one for older girls – also answer their social questions on menstruation.

The coloured charts, prepared by R. L. Dickinson, M.D., depict the physiology of menstruation. Laminated in plastic for permanence, they are suitable for grease pencil marking and erasure.

Do they help? Your response indicates they do. In five years, we've received over 28,000 requests for the charts – and we've sent you more than 400,000 booklets. Many of these are reorders – a good indication that you and your young patients appreciate them.

Users appreciate the distinctive features of the Tampax tampon, too. Designed for intravaginal use, it is softly compressed for efficient absorption and maximum comfort. It's placed in correct position hygienically by means of a satin-smooth container-applicator, prelubricated to facilitate insertion. It expands in three dimensions for complete protection. Its removal cord is chain stitched, for safety, to the entire length of the tampon. Both tampon and applicator are readily disposable in the toilet.

Because Tampax tampons are worn internally, there's no irritation, no chafing, no embarrassing menstrual odour. And for sports-active girls, particularly swimmers, tampons are a must.

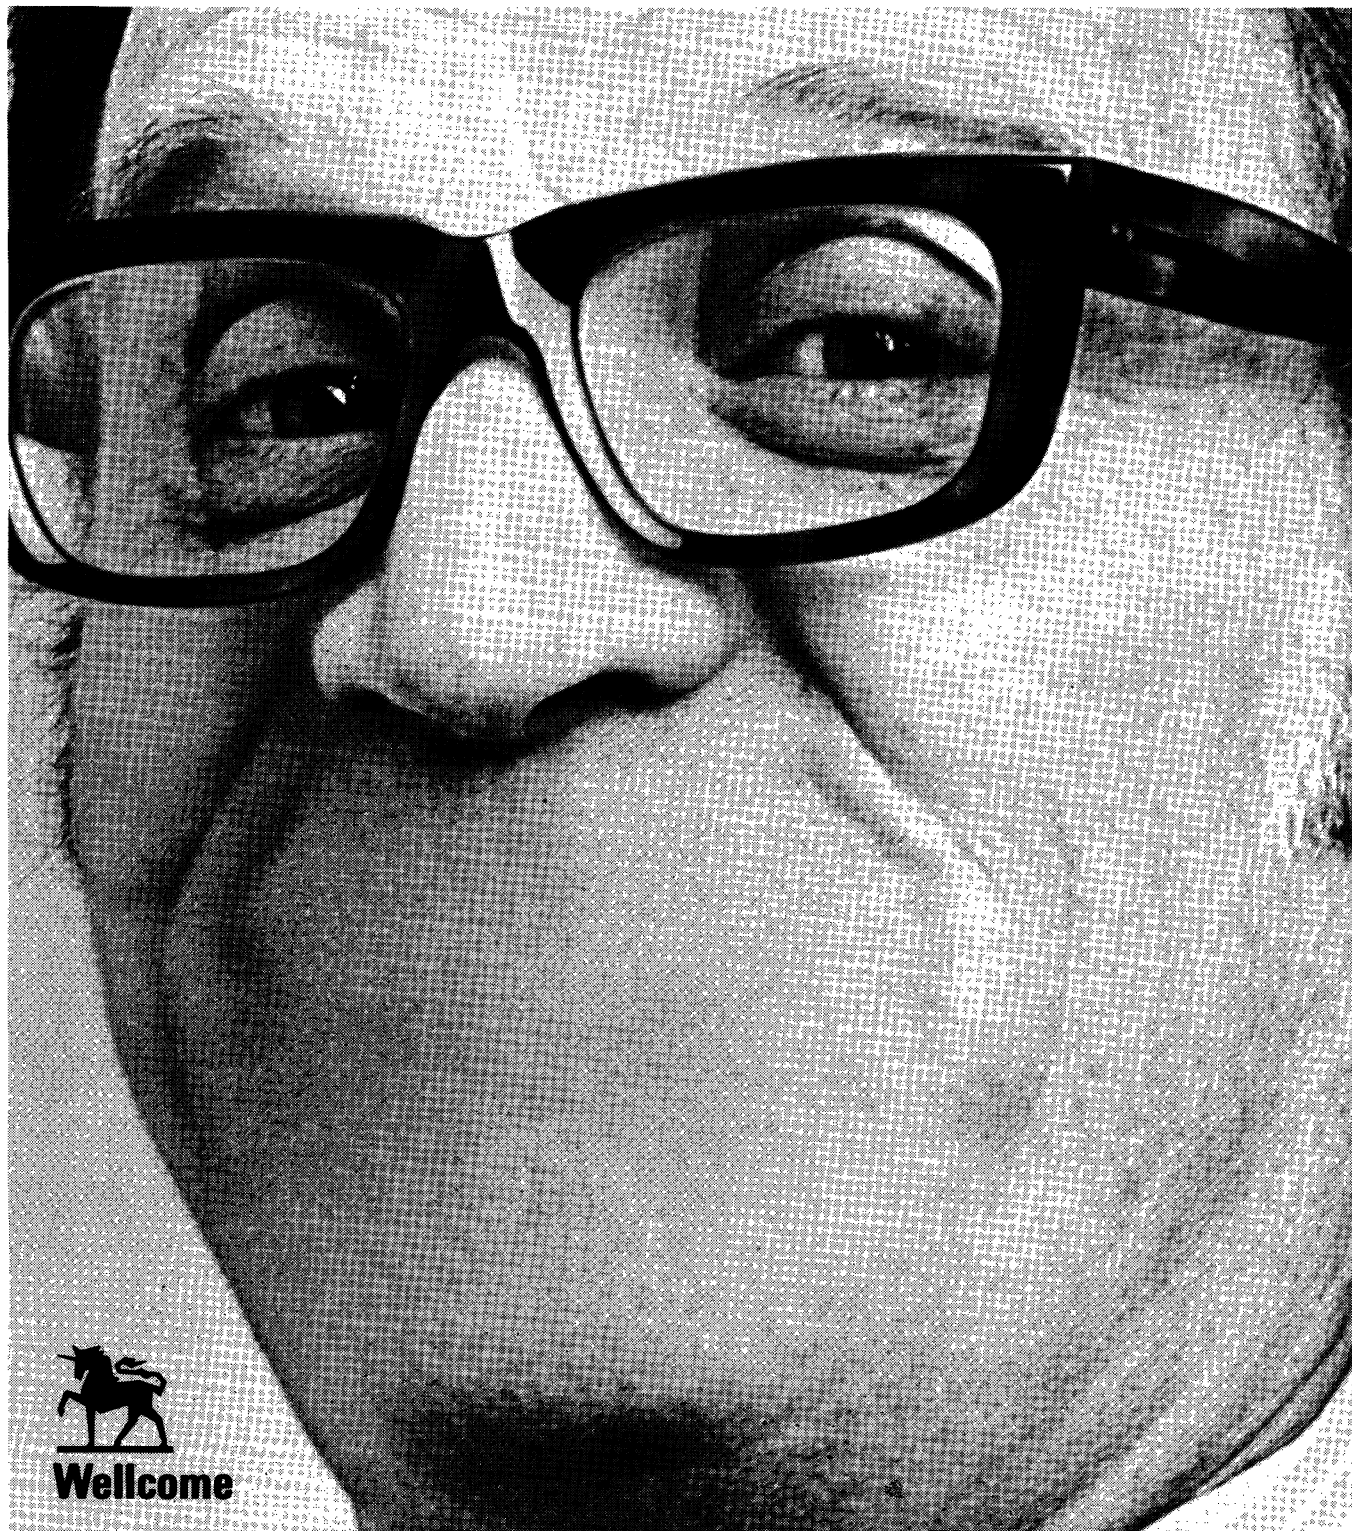

Tampax tampons are available in Regular and Super absorbencies, with explicit directions for insertion and use enclosed in each package.

Please order your charts and booklets by writing to the address below.

Introducing a new beta-adrenergic blocking agent.

# Blocadren.

Timolol maleate/MSD

Trademark

One strength tablet.  
Same average daily dosage.  
For hypertension. For angina.

## For the patient with angina—restricted by pain

In a world-wide double-blind co-operative study, patients receiving 'Blocadren' showed a drop from an average of 12 anginal attacks per week to under four attacks per week.

Good to excellent response was reported in 71% of patients treated with 'Blocadren' compared to only 26% of patients on placebo.

## For the patient with hypertension—an asymptomatic risk

The asymptomatic hypertensive patient is 'at risk' for two reasons—side effects of medication may cause him to discontinue therapy, and inadequate control may result in progressive organ damage. 'Blocadren' can help remedy both problems.

Clinical effectiveness was confirmed in 80% of patients treated with 'Blocadren' in a world-wide double-blind co-operative hypertension study.

**BLOCADREN**  
Timolol maleate/MSD Trademark

## One major product for two major problems.

'Blocadren' is supplied as half-scored 10 mg tablets

NOTE: There are important contra-indications to the use of 'Blocadren', particularly congestive heart failure, allergic rhinitis, bronchospasm, and asthma. Detailed information is available to physicians on request.

# Listen to the difference between Amoxil and other

The difference which has  
given significantly longer  
periods of relief from acute  
exacerbations of chronic  
bronchitis than tetracyclines,  
ampicillin and cephalosporin.<sup>1</sup>  
The difference that makes  
Amoxil more effective than  
ampicillin in the treatment  
of chest infections.<sup>1,2,3,4</sup>

The difference  
which takes over  
where the tetracyclines  
have done all you can

expect of them in bronchitis—

so that significantly greater relief of all  
clinical symptoms can be demonstrated.<sup>5</sup>

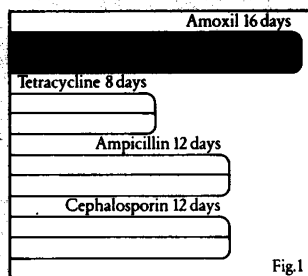

The difference that allows Amoxil to penetrate  
bronchial membrane barriers regardless of  
the degree of inflammation.<sup>4</sup>

The difference in absorption that means Amoxil can be taken  
t.d.s. with or without food—which means it is simpler for  
patients to take properly. To these differences must be added  
Amoxil's safety and the fact that it is one of the least  
expensive therapies for respiratory infections. No  
wonder doctors everywhere are recognising that  
Amoxil makes all the difference.

# er antibiotics

6 In the cases of our severely sick in-patients, which of course cannot be compared with milder cases of out-patient practice, we found with amoxycillin [Amoxil] a clearly longer relapse rate than with other preparations.<sup>19</sup> (These included various tetracyclines, ampicillin, chloramphenicol and cephalosporin).

6 Amoxycillin [Amoxil] was more effective than oxytetracycline when all the patients treated were considered together. Its superiority, however, was most marked in the case of the less severely affected patients, in whom the differences were highly significant.<sup>59</sup>

6 The demonstration that amoxycillin [Amoxil] penetrates into bronchial secretions as efficiently when the mucosa is uninfamed as when it is inflamed, suggests that clearance of bacteria from the lower respiratory tract should be more easily accomplished with this drug than ampicillin. Further, there is the implication that organisms may be more readily cleared from the upper respiratory tract, which frequently acts as a reservoir of potential pathogens from which relapse of lower respiratory infection may stem.<sup>49</sup>

# Amoxil

Makes all the difference  
in respiratory infections.

# If you ever thought there should be a better way to manage hypertension... ...you were right

## better for you

Visken is quite simply a better way for you to manage hypertension. This is because it comes closer to ideal therapy.<sup>1</sup>

**Visken is highly effective**, controlling all grades of essential hypertension within the simple dosage range of 15 to 45 mg daily.<sup>1, 9, 10</sup> There is little or no risk of tolerance so progressive increases in dosage are unnecessary.<sup>1</sup> Furthermore, your hypertensive patients can really get on with living in the way they want, physically and mentally.

**Visken is easy for you to use.** Its effect normally builds up over 7 to 14 days without problems. Visken is compatible with diuretics and other antihypertensive therapies often allowing a reduction in their dosage and hence side effect potential.

**Visken is the therapy patients will stay on, feel well on and do well on.** Visken patients are more co-operative, which means you can be more effective in managing their condition.

## better for your patients

As well as being a very effective antihypertensive, Visken will be highly acceptable therapy for your patients. In fact, Visken patients have commented on a feeling of well-being and increased energy.<sup>1, 10</sup>

**Visken provides 24 hour control of blood pressure** and most importantly, your patients are free to go about their everyday activities and can really enjoy life. Thus, hypertensive patients who work hard out of doors, or under pressure indoors, housewives, elderly people – all are seen to benefit.

**At therapeutic dosages Visken gives no problems** of postural hypotension, sedation, impotence, and other side effects associated with traditional therapies.<sup>1, 3, 5, 8, 10.</sup>

Visken is a beta blocker with little risk of cardiac failure or bronchospasm.

**A simple and convenient dosage** added to all these advantages makes it easy to see why Visken is better for you and better for your patients.

**Visken**

the better way to manage hypertension.

Further details and application forms for these courses from Dr. I. C. Gilliland, British Postgraduate Medical Federation, 33 Millman Street, London WC1N 3EJ. (27985) 4

## UNIVERSITY OF LONDON LONDON SCHOOL OF HYGIENE AND TROPICAL MEDICINE

Department of Community Health  
(Director — Professor J. N. Morris)

## M.Sc. Social Medicine

The next academic course leading to the Higher Degree of Master of Science in Social Medicine in the Faculty of Medicine of the University of London will start on 29th September, 1975, and extend whole-time over two calendar years. The Course provides professional training for doctors intending to become **Community Medicine Specialists** and follow careers in

## Health-Services Administration or Teaching and Research

The training has been designed primarily to prepare the graduate for the variety of medical administrative posts in the reorganized National Health Service, including its special services and information systems. There is a widespread shortage of university teachers of social medicine which it is hoped that the course will also help to meet. The Course is an integrated one of **statistics — epidemiology — social and behavioral sciences** (jointly with the London School of Economics) — **planning and evaluation** in relation to policies and services for the promotion of health, prevention and control of disease, and medical and social care. During the second year each student is attached to an academic or service unit and carries out his/her own research in order to gain practical experience particularly in the application of epidemiological theory and methods; this year is also related to intended future career.

The Course and Degree exempt from Part I of the examination for Membership of the Faculty of Community Medicine, and it is anticipated that the Report on the second year project will similarly qualify.

Bursaries at the level of Registrars' or Senior Registrars' emoluments are available to suitable candidates from the Department of Health and Social Security and others from the Medical Research Council. "Trainee" appointments with initial secondment to the Course may also be arranged with particular Regional and Area Health Authorities.

Further details and application forms may be obtained from the Registrar, London School of Hygiene and Tropical Medicine, Keppel Street (Gower Street), London WC1E 7HT, to whom applications for admission with the names of two referees should be addressed before 17th February, 1975. Interviewing will begin in January.

(27977)—4

## Medical Artists' Association of Great Britain

Closing date for entrance examination — 31st March, 1975. Application forms from the Hon. Assistant Secretary, Mrs. I. Prentice, 87 Annandale Road, East Greenwich, London, SE10 0JY. (27976) 4

The first and last six months will be spent in General Practice with approved trainers. There will be hospital posts of six months duration in four of the following specialties at S.H.O. grade: Accident and Emergency; General Medicine; General Surgery with E.N.T.; Geriatrics; Obstetrics and Gynaecology. Special arrangements could be made for a post in Paediatrics if required. There will be a half-day release for teaching seminars throughout the three years which will include a seminar a month in psychiatry. There will also be an opportunity for instruction in other specialties during the periods spent in general practice. The scheme will be associated with one of a similar nature in Nottingham. Recognized for the M.R.C.G.P. and other diplomas. Married accommodation may be available.

Application forms and further details from District Administrator, Oak Bank, Crow Hill Drive, Mansfield, Notts. Forms to be returned by 14th December, 1974. (27722) 21

## GENERAL PRACTICE TRAINING POSTS

(See also p. xiv)

## Wessex Regional Health Authority

Dorset Area Health Authority  
(East Dorset Health Care District)

## VOCATIONAL TRAINING SCHEME FOR GENERAL PRACTICE BOURNEMOUTH

Applications are invited from fully registered Medical Practitioners for Senior House Officer grade posts on the Wessex Vocational Training Schemes for General Practice. There are three schemes in operation, two of which cover a three year period (2 years in Hospital, 1 year in General Practice) and the third for a two-and-a-half year period (1½ years in Hospital, 1 year in General Practice). Each scheme commences with an initial month and concludes with a final eleven months in General Practice with an approved trainer. Details of the schemes are given below:

**Scheme I** Six months each in Chest Medicine, Paediatrics and Obstetrics and Gynaecology. Next post becomes available — 1st April 1975.

**Scheme II** Six months each in Chest Medicine, Obstetrics and Gynaecology and Geriatrics (in an active short-stay unit). Next post becomes available — 1st June 1975.

There is a six months elective period during which there will be opportunities for gaining experience in other specialties. These schemes are recognized for the M.R.C.G.P., (the D.Obst. R.C.O.G. and the D.C.H. as appropriate) and on completion of the appointment the holder qualifies for the Vocational Training Allowance paid to principals in the National Health Service.

**Scheme III** Six months each in Psychiatry, Accident/Emergency Services and Medicine/Dermatology. Next post becomes available — 1st March 1975.

It is envisaged that this scheme would be suitable for Doctors who have already completed a Post-Registration job in another specialty, or who are prepared to do a further six months Post-Registration job in order to be eligible to sit the M.R.C.G.P. and to qualify for the Vocational Training Allowance.

Included in the trainee year for all three schemes is a day release course at Southampton or Winchester.

Arrangements can be made for interested candidates to visit the hospitals and practices in the area involved in the schemes. Hospital posts are resident.

Forms of Application and full details of the appointments may be obtained from the Administrative Assistant (Medical Staffing), Central Administrative Offices, Royal Victoria Hospital, Shelley Road, Boscombe, Bournemouth, to whom completed forms should be returned by Saturday, 14th December, 1974. Telephone enquiries to Miss Stark — Bournemouth 35201, Extension 234.

# QUEEN ELIZABETH HOSPITAL Birmingham

**CLINICAL RESEARCH ASSISTANT IN THERAPEUTICS & CLINICAL PHARMACOLOGY**  
A post is available at registrar or senior registrar level in the Department of Therapeutics and Clinical Pharmacology of the University of Birmingham at the Queen Elizabeth Hospital.  
The appointment, supported by Endowment funds, will be for one year in the first instance, renewable for a further two years.  
The successful candidate will be asked to take an active part in the work of a small team studying the effect of age and other factors on pharmacokinetics in man. The post offers an opportunity for general medical experience and training in Clinical Pharmacology.  
Further details from Professor O. L. Wade, Department of Therapeutics, Queen Elizabeth Hospital.  
Application forms obtainable from Medical Personnel Department, Queen Elizabeth Hospital, Birmingham B15 2TH and should be returned by 14th December 1974. (H13328) 25

# UNIVERSITY OF OTAGO Dunedin, New Zealand Department of Psychological Medicine

**LECTURER OR SENIOR LECTURER**  
Applications are invited for the above-mentioned position. The successful applicant will have hospital consultant status and will be expected to participate in the clinical and teaching programmes of the Department, and to conduct research.  
Salary — Lecturer: NZ\$9,997–\$14,287 with a bar at \$11,511 p.a.; Senior Lecturer: NZ \$14,699–16,926 p.a.  
Salary scales are subject to both triennial review and regular cost-of-living adjustments.  
For further details of departmental activities and of professional opportunities, write to Professor Basil James, Chairman of the Department, the Registrar, University of Otago, P.O. Box 56, Dunedin, New Zealand; or the Association of Commonwealth Universities (Appts), 36 Gordon Square, London WC1H 0PF. Applications close on 15th December, 1974. (27907) 25

# THE LONDON HOSPITAL MEDICAL COLLEGE (University of London) Department of Physiology

Applications are invited for the appointment of  
**LECTURER IN PHYSIOLOGY**  
which will fall vacant on 1st January, 1975. Applicants for this particular appointment must have a medical qualification. Initial salary within the range £2,580/£3,285 plus £213 London Allowance per annum, with an extended range for those holding an appropriate higher qualification. Further information may be obtained from Professor K. W. Cross, Department of Physiology. Tel: 01-247 0644, Ext. 1.  
Applications, including the names of two referees, to the Secretary, The London Hospital Medical College, Turner Street, London E1 2AD, within fourteen days. (28068) 25

# UNIVERSITY OF SYDNEY

**LECTURESHIP IN ANATOMY**  
Suitable applicants may be graduates in medicine, dentistry or science and should have had appropriate teaching experience in anatomy and research experience in biological fields.  
The Department of Anatomy offers courses in gross and neuroanatomy for students of medicine, dentistry and physiotherapy. Facilities for research in histology, histochemistry, electron microscopy and electromyography are available within the Department.  
The position is permanent but may be filled for three years in the first instance with possibility of permanency after that time, or in certain cases return fares.  
Salary range: \$49,002–\$12,352 p.a.  
Applications including curriculum vitae, list of publications and names of three referees to the Registrar, University of Sydney, N.S.W. 2006, Australia, by 31st December 1974. Enquiries about Department of Anatomy to Professor M. J. Blunt, in the University. Information about conditions of appointment and application procedure available from Association of Commonwealth Universities (Appts), 36 Gordon Square, London WC1H 0PF. (27990) 25

# THE UNIVERSITY OF NOTTINGHAM and NOTTINGHAMSHIRE AREA HEALTH AUTHORITY (Teaching) South Nottingham District General Hospital, Nottingham Combined posts of Demonstrator in Department of Human Morphology University of Nottingham and Senior House Officer in the Accident and Emergency Department Nottingham General Hospital

Applications are invited for four of the above combined resident posts. The appointments are for one year, and successful applicants will have a one day attachment to Professor Coupland's Department of Human Morphology at the Nottingham University Medical School.  
Two posts will rotate into the Orthopaedic Department in the second six months while still continuing the one day attachment at the Department of Human Morphology, if required.  
Holders of these posts who complete the year satisfactorily will then be considered for inclusion in Surgical training programmes at Senior House Officer and Registrar level in the Nottingham Hospitals.  
The posts are recognized for F.R.C.S.. There

is an active postgraduate training programme including primary and final fellowship courses. N.H.S. Superannuation. Married accommodation may be available.  
Further information may be obtained from Professor R. E. Coupland, Department of Human Morphology, University of Nottingham, or Mr. P. A. M. West, Consultant-in-Charge, Accident and Emergency Department, Nottingham General Hospital.  
Applications giving full details and naming two referees to the Personnel Officer, Harvey Court, University Hospital, Nottingham NG7 2UH. (35583) 25

# UNIVERSITY OF MANCHESTER

**RESEARCH OFFICER**  
in the Department of  
General Practice  
Applications invited from medically qualified candidates for this post, to make a comparative study of two groups of entrants to general practice. One group will have received formal vocational training; the other will not have had such training. Appointment will be for three years. Opportunity exists to work for a higher qualification. Salary range p.a.: £4,437–£4,812. F.S.S.U.  
Further particulars and application forms (returnable by 9th December) from the Registrar, The University, Manchester, M13 9PL. Quote ref: 235/74/JMB. (27765) 25

# THE UNIVERSITY OF MANCHESTER Department of Child Health

# CLINICAL RESEARCH FELLOWSHIPS

The opportunity arises of awarding two Clinical Research Fellowships to join a full-time research team within the Department of Child Health. The main, but not exclusive interest of the team has been the development of the brain and its vulnerability, with an emphasis on the long term sequelae of environmental influences during fetal life and infancy. The present aim is that clinicians preparing for a career in a University Clinical Department should help to extend the work of the present team into the clinical area; and this could be in Paediatrics, Obstetrics, Developmental Behavioural Sciences, Developmental Pathology, Epidemiology, or any other field of clinical relevance to the team's central interest. Appointments are likely to be at the post-M.R.C.P., Registrar/Senior Registrar level, and should lead to a higher Degree. Enquiries to Professor John Dobbing, The Medical School, Stopford Building, Oxford Road, Manchester M13 9PT. Tel: 061-273 8241.

# GENERAL PRACTICE TRAINING POSTS

# WEST SUSSEX AREA HEALTH AUTHORITY (Cuckfield and Crawley Health District)

# Vocational Training Scheme For General Practice Crawley, Sussex

Applications are invited for two posts in this recently established scheme which has been approved by the Royal College of General Practitioners and British Postgraduate Medical Federation, to commence on 1st January, 1975.

It is based on a new hospital and a group of experienced trainers with an established integrated medical community. There is already an active general Postgraduate programme.

The educational components of the scheme are as follows:—

An introductory course of two weeks duration.  
Four successive six-month hospital posts as Senior House Officer will be chosen from the following:  
General Medicine and Infectious Diseases.  
Geriatrics: 30-bed In-patient Unit with associated Day Hospital and Community facilities.  
Accident and Emergency with some Orthopaedic and Out-patient Rheumatology.  
Psychiatry: An acute Psychiatric ward with Out-patient Day Hospital and Community Care facilities.  
Obstetrics: approved for D(Obst.)R.C.O.G.  
One year in a local Training Practice.  
A 30-session half-day release course in the G.P. year.  
Weekly lunchtime seminars throughout the course.  
Throughout the training period there will be lectures/demonstrations in Obstetrics and Paediatrics.  
Attendance at Out-patient clinics in Ophthalmology, Dermatology, E.N.T. and Gynaecology.

Married accommodation will be available.

Candidates requiring less than a full three year programme are invited to apply and will be accommodated if possible.

Application forms may be obtained from Hospital Secretary, Crawley Hospital, West Green Drive, Crawley, Sussex.

Closing date 7th December, 1974. (35741)

21

# THE UNIVERSITY OF MANCHESTER DEPARTMENT OF CHILD HEALTH

# RESEARCH BIOCHEMIST AND RESEARCH HISTOLOGIST

Applications are invited from biochemists and histologists to join an existing multidisciplinary research team investigating vulnerable periods in developing brain, with an emphasis on the long term sequelae of environmental influences during fetal life and infancy. Applicants should be post-doctoral, with research experience, and be interested in problems with an ultimately human relevance. First class facilities and close interdepartmental collaboration available in new medical school, including opportunities for developing new quantitative histological and neurochemical procedures in conjunction with animal behaviour studies and clinical paediatric research. Salary on appropriate medical or non-medical University scales.

Enquiries to Professor John Dobbing, The Medical School, Stopford Building, Oxford Road, Manchester, M13 9PT. Tel: 061-273 8241.

THE UNITED  
BIRMINGHAM HOSPITALS  
Birmingham Area Health Authority  
(Teaching)  
Central Birmingham Health District

Applications are invited for the post of

**MEDICAL  
RESEARCH FELLOW**  
(Senior Registrar or  
Registrar Grade)  
(Non-Resident)

in the Department of Medicine, Queen Elizabeth Hospital, to join a multi-disciplinary team investigating a computer-based system to assist in the management of patients with hypertension. The post will involve some clinical duties and experience with computers is not essential. The research project could form the basis for a higher degree.

Further information may be obtained from Professor J. M. Bishop, Queen Elizabeth Hospital, Birmingham B15 2TH, to whom applications should be sent. (H13327) 25

UNIVERSITY OF OXFORD  
The Queen's College

**JUNIOR RESEARCH  
FELLOWSHIP IN MEDICINE**

The Governing Body proposes, if a suitable candidate presents himself, to elect to a Junior Research Fellowship in Medicine. The Fellowship is offered for research in Oxford in one of the Medical Sciences, such as Anatomy, Biochemistry, Clinical Medicine, Genetics, Pathology, Pharmacology or Physiology. The successful candidate will enter upon his Fellowship on 1st October 1975.

The basic stipend of the Fellowship, which is pensionable under the Federated Superannuation System for Universities, is £1,669 per annum, subject to adjustment in the light of any other emoluments enjoyed by the Fellow. The Fellowship will be tenable for three years and may (but only in exceptional circumstances) be renewed for a further period not exceeding three years. The Fellow will be entitled to free rooms in College (or in approved cases to an increase of stipend in lieu) and to free luncheon and dinner at the Common Table. He may, with the leave of the Governing Body, engage in teaching up to a maximum of six hours weekly.

and must not have exceeded the thirtieth term from their matriculation. Candidates should apply to The Provost, The Queen's College, Oxford, as soon as possible, and in any case not later than the 6th January 1975. They should enclose a statement of their qualifications and of the nature of the advanced study or research they propose to undertake, and should submit any publications or other completed work they wish to have taken into account. They should also give the names of two persons prepared to act as referees. (H13329) 25

UNIVERSITY OF OXFORD

**TEMPORARY LECTURER  
IN PATHOLOGY**  
Department of Pathology  
Radcliffe Infirmary

Applications are invited from fully qualified medical practitioners for a post of temporary lecturer in Pathology to undertake teaching research and service duties in autopsies and histopathology. Good facilities for research laboratory recognized for both primary and final examinations of the Royal College of Pathologists. The post will be vacant early in 1975 and will be tenable for a period of just under one year. Salary on scale £3,354-£4,671 per annum.

Applications, including full curriculum vitae and the names of two referees, should be made by 7th December 1974 to Dr A. H. T. Robb-Smith, Gibson Laboratories, Radcliffe Infirmary, Oxford, OX2 6HF, from whom further details may be obtained. (35513) 25

MONASH UNIVERSITY  
Melbourne, Australia  
Departments of Social and  
Preventive Medicine and Anthropology  
and Sociology

**LECTURER**

Applications are invited for a joint appointment in the Department of Social and Preventive Medicine and the Section of Social Work in the Department of Anthropology and Sociology. A medical graduate with a sociological interest is desired to assist in teaching in both departments, in addition to the supervision of postgraduate work.

Salary scale: Lecturer \$A9,002—\$A12,353 per annum; Lecturer (medically qualified) \$A11,502—\$A14,852 per annum with superannuation based on an endowment assurance scheme the employee and employer contributing 5% and 10% respectively.

Benefits: Travelling expenses for appointee and family; removal allowance; repatriation after three years' appointment if desired; temporary housing for an initial period; availability of loans for home purchase; study leave entitlement accumulates at the rate of one month's leave for each six months' service up to six years, with provision for financial assistance.

Further general information and details of application procedure are available from the Academic Registrar, Monash University, Wellington Road, Clayton, Victoria, 3168, Australia, or the Secretary-General, Association of Commonwealth Universities (Apts), 36 Gordon Square, London WC1H 0PF. Enquiries to Professor B.S. Hetzel, Chairman, Department of Social and Preventive Medicine. Closing date 11th December 1974.

The University reserves the right to make no appointment or to appoint by invitation. (27989) 25

UNIVERSITY OF MANCHESTER

**LECTURER IN OPHTHALMOLOGY**

Applications invited for this post from candidates with medical qualifications registrable in the U.K. The successful applicant will be expected to undertake teaching and research in the Department of Ophthalmology and clinical work in the Manchester Royal Eye Hospital, and should be eligible for honorary N.H.S. grading, preferably as Senior Registrar. Salary range p.a. £2,883—£5,709. F.S.S.U.

Further particulars and application forms (returnable by 3rd December) from the Registrar, The University, Manchester, M13 9PL. Quote ref. 236/74/JMB. (27766) 25

THE UNIVERSITY  
OF MANCHESTER

**LECTURER IN MEDICINE  
FOR DENTAL STUDENTS**

Applications invited for this post, tenable in the Professorial Department of Medicine at Withington Hospital. The appointee will have responsibility for the organisation of teaching in clinical medicine for dental students and would be expected to undertake research in the general field of metabolism. A higher qualification is essential for this post which will carry honorary senior registrar grading and involve some out-patient and ward responsibilities in the University Department of Medicine. Salary range p.a. £2,883—£5,709. F.S.S.U.

Further particulars and application forms (returnable by December 20th) from the Registrar, The University, Manchester M13 9PL. Quote ref. 244/74/JMB. (28157) 25

WELSH NATIONAL  
SCHOOL OF MEDICINE  
(University of Wales)

**SENIOR LECTURER  
IN TRAUMATIC AND  
ORTHOPAEDIC SURGERY**

Applications are invited for the post of Senior Lecturer in the Department of Traumatic & Orthopaedic Surgery. Salary commencing at a p.a. on the scale for clinical Senior Lecturers £5,433—£7,947 per annum) according to qualifications and experience. It is expected that, in accordance with previous practice, the successful candidate would be offered an Honorary Consultant contract by the South Glamorgan Area Health Authority (Teaching). F.S.S.U. available.

Applications should be submitted by 31st December, 1974 to the Registrar, Welsh National School of Medicine, Heath Park, Cardiff CF4 4XN from whom further particulars may be obtained. (28167) 25

UNIVERSITY OF ZAMBIA

Applications are invited for the following posts in the School of Medicine:-

1. PROFESSOR/ANESTHESIOLOGIST: Senior Lecturer and Lecturer in Department of Surgery. Candidates must possess a recognized postgraduate qualification in Surgery. Professional candidates must have distinguished themselves in a field of Surgery for several years experience of teaching and administration in a university. A detailed list of scientific publications is required from all candidates as well as a full statement of educational and professional training and positions held. Appointee to Professorial post will be expected to lead the Department of Surgery while appointees to the Senior Lectureship and Lectureship will act as Consultant and Senior Registrar, respectively.

2. PROFESSOR/SENIOR LECTURER in Department of Pathology and Microbiology. Candidates should have specialised in either Basic Immunology or Clinical Immunology or Immunopathology. They should possess a medical degree and an appropriate postgraduate qualification or M.R.C. Path (or equivalent), and adequate experience in the field of Immunology. Non-medically qualified candidates whose basic training in immunology will also be considered.

3. SENIOR LECTURER/LECTURER in Biochemistry in Department of Physiological Sciences. Candidates must possess a relevant postgraduate qualification in Biochemistry and for Senior Lectureship level, teaching experience and a list of scientific publications are required. Appointee will be required to teach third year medical undergraduates and conduct research.

4. SENIOR LECTURER/LECTURER in Anatomy in Department of Anatomy. Candidates should be graduates with postgraduate qualifications in Anatomy. Preference will be given to those with five or more years' experience in undergraduate Anatomy teaching and with interest in the research fields in Cytology and Histochemistry. Appointee will be responsible to the Head of the Department and will be expected to participate in Histology and Medical Embryology teaching of 3rd year medical students.

5. SENIOR LECTURER/LECTURER in Department of Chemical Pathology. Candidates should be medically qualified and must possess M.R.C. Path. or equivalent with relevant teaching and research experience. Non-medically qualified candidates who have experience as Clinical Biochemists will also be considered. Appointee will be expected to teach undergraduate and postgraduate medical students, conduct specialist services for the University Teaching Hospital Staff and take part in research.

Salary scales: Professor K7,400 - K7,800 p.a. Senior Lecturer K5,600 - K6,600 p.a. Lecturer K4,000 - K5,400 p.a. Medical differential allowances may be payable locally. (£1 sterling £1.50). The British Government may supplement salaries of married Professors. Senior Lecturers and Lecturers in range £516 - £1,152 p.a. (sterling) or salaries of single Professors and Senior Lecturers in range £78 - £204 p.a. (sterling) (normally free of all tax). This supplementary allowance is unlikely to be applied to single appointees to Lecturer level. These rates are for academic staff, other than clinical medical staff are currently under review. There may also be provision of children's educational allowances and holiday visit passages, family passages, various allowances; superannuation and medical aid schemes; regular overseas leave. Detailed applications (2 copies), including a curriculum vitae and naming 3 referees, should be sent by post or later than 30 December 1974 to the Registrar, University of Zambia, P.O. Box 2379, Lusaka, Zambia. Applicants resident in U.K. should also send 1 copy to Inter-University Council, 90/91 Tottenham Court Road, London W1P 0DT. Further particulars may be obtained from either address. (27986) 25

## FELLOWSHIP AWARDS

BEIT MEMORIAL FELLOWSHIPS  
FOR MEDICAL RESEARCH 1975

Notice is hereby given that an election of JUNIOR FELLOWS to begin work on 1st October 1975 will take place in May 1975. Junior Fellowships have annual values within the range of £2000-£2525 p.a. (plus London Allowance £213 p.a.) plus yearly increments of £175 for 3 years. As a rule, superannuation benefits are provided for which the successful candidate will be required to contribute 6¼% of the annual stipend and to which the Trust will make a contribution of 12%. Fellows who are already members of the Federated Superannuation System for Universities or of the National Health Services Superannuation Scheme may opt to remain in their existing scheme, in which case the contributions will be at the rates appropriate to them. Candidates must have taken a degree in a faculty of a university approved by the Trustees in Her Majesty's Dominions, Protectorates and Mandated Territories, India, Pakistan, the Republic of Ireland and the United Kingdom, or a medical diploma registrable in the U.K. Elections to Junior Fellowships are rarely made above the age of 35 years. Applications from candidates must be received not later than 21st March 1975. Candidates must submit evidence that they can be given accommodation in the departments where they propose to work, which must be in Great Britain or Ireland.

Form of application and all information may be obtained from Professor W. G. Spector, Pathology Department, St. Bartholomew's Hospital, London EC1A 7BE. For overseas candidates forms of application may be obtained from: The Secretary, South African Medical Council, P.O. Box 265, Pretoria, South Africa; The Ministry of Health, The Government of India, New Delhi, India; The Secretary, Dept. of Education and Science, P.O. Box 826, Canberra City, A.C.T. 2601, Australia; The Dept. of Health, Wellington, New Zealand; and The Canadian Medical Association, 1867 Alta Vista Drive, Ottawa 8, Ontario, Canada. (27958) 26

## COMMERCIAL APPOINTMENTS

# Director of Clinical Research

Edinburgh capital and festival city of Scotland

A unique opportunity exists to play a major part in the development of Syntex Research Centre, a new pharmaceutical R and D unit to be constructed in a highly attractive country location close to Edinburgh.

The Director of Clinical Research will be responsible for the development of new compounds, initially in the cardiovascular area, but later in others, through Phases I and II of study. He will work closely with Universities and Hospitals mainly in the European area, but beyond where necessary. His future Department is at present envisaged to include two further doctors, biostatistics and other assistance, and ancillary services (Library etc) will be available. Close collaboration with the toxicology, pharmacology and pharmaceutical development units will be expected and personal research or clinical work on one day per week will be encouraged.

A number of compounds are already in development, and their medical progress will occupy the Director at an early stage. Temporary office accommodation should be available on site in the New Year.

The ideal candidate will:—

- \* have a higher medical or scientific degree
- \* have experience of Phase I and II clinical work
- \* be young in mind, active and enquiring
- \* speak one or more European languages (as well as English)
- \* be prepared to travel
- \* like working in a congenial, co-operative environment
- \* expect, and get, rewards which recognise his efforts

This is a vital position within the new Centre, and an attractive remuneration package will be offered, including a company car, free BUPA membership and a non-contributory pension (after a qualifying period).

If you feel you are the right candidate for this position please contact:—

Dr. G. A. Christie, Managing Director,  
Syntex Research Centre,  
St. Ives Road, Maidenhead,  
Berkshire SL6 1RD (Tel. 28424)

**SYNTEX**  
RESEARCH CENTRE

## UNIVERSITY OF OXFORD

RADCLIFFE TRAVELLING FELLOWSHIP  
IN MEDICAL SCIENCE 1975

The Radcliffe Travelling Fellowship is endowed out of the Fund bequeathed to University College by Dr. John Radcliffe. It is held for two years of which the Fellow must spend at least one year abroad engaged in the study of medical science. While abroad he will be paid £3,500, plus allowances of £650 for a wife and £150 for each child; these payments will normally not be subject to tax. No payment will be made to the Fellow while he is in this country but he will be entitled to the common meal at University College.

Candidates must have passed all the examinations required by the University for the Degrees of Bachelor of Arts and Bachelor of Medicine of the University of Oxford, and must not have exceeded six years from the time of passing the last examination for the Degree of Bachelor of Medicine.

The Fellowship will be vacated ipso facto by a Fellow who spends more than twelve months on the whole within the United Kingdom, but permission may be given to an elected candidate to postpone taking up his Fellowship for a period which shall not normally exceed one year from the date of election.

Candidates will be required to submit an essay of not more than six thousand words on some subject, chosen by themselves, connected with the science or practice of medicine, including pre-clinical subjects. With this essay they should submit a statement indicating the sort of work they would like to do during the period of tenure of

the Fellowship, should they be successful. They will be interviewed and, if the examiners think fit, orally examined, on a date to be advertised later.

Each intending candidate should send his name and address, qualifications, and curriculum vitae, together with the above-mentioned essay and statement regarding the nature of the work he would like to do, to the Regius Professor of Medicine, 13 Northam Gardens, on or before 31st January 1975. (H13280) 26

## UNIVERSITY OF NAIROBI—KENYA

Applications are invited for the following posts in the Faculty of Medicine:

1. **ASSOCIATE PROFESSOR IN PHARMACOLOGY AND THERAPEUTICS**  
Department of Medicine. Applicants should have a higher degree in Medicine and should have considerable experience in the practice of, the teaching of and research in Pharmacology and Therapeutics. Appointee will be expected to take charge of the sub-department of Pharmacology and Therapeutics within the Department of Medicine and will be responsible for organising teaching of Pharmacology and Therapeutics to both pre-clinical and clinical students.

2. **SENIOR LECTURER IN DERMATOVENEREOLGY**  
Department of Medicine. Applicants must have a higher degree in Medicine and should have wide experience in the practice and teaching of Dermatology and some experience in Venereology. Those with previous experience in research shown by published work will be given preference. Appointee will be expected to teach both undergraduates and postgraduates. There are wide clinical facilities in Dermatology, Venereology and in Leprosy, and facilities for research in these subjects.

3. **SENIOR LECTURER IN SECTION OF MICROBIOLOGY**  
Department of Medical Pathology. Applicants must have an advanced qualification in Microbiology and must have extensive experience of diagnostic work and teaching. A medical qualification will be an advantage. Duties will include diagnostic work and the teaching of undergraduates, postgraduates and technicians. Appointee will be expected to undertake research.

4. **PROFESSOR**  
Department of Community Health. Applicants should be graduates in Medicine and they should have postgraduate qualifications in Public Health and/or Preventive and Social Medicine. They should have wide experience in the management of health services, in teaching Community Health at university level and in research, preferably in Epidemiology. Appointee will be expected to provide overall leadership in teaching and research and in the management of the Department. Work will include supervision of students' field work in the rural areas of Machakos (70 km. east of Nairobi).

5. **2 SENIOR LECTURERS IN MEDICAL SOCIOLOGY**  
Department of Community Health. The work includes: classroom teaching to medical students; providing guidance for students' field work in Machakos District and West Kenya; (in the future) supervising postgraduate work; doing relevant research, preferably in Machakos District. The work requires occasionally staying in Machakos as the need may be. Appointee must have an advanced degree in Social and/or Medical Sciences and experience in teaching and research.

6. **PROFESSOR**  
Department of Human Pathology. Applicants must be medically qualified and have an advanced postgraduate qualification, with wide experience in the teaching and practice of one or more branches of laboratory medicine. Appointee will have the overall responsibility for the teaching of Pathology in all its aspects at undergraduate and postgraduate levels. He will also be responsible for the diagnostic laboratories — sections of Histopathology, Microbiology, Chemical Pathology and Haematology. These serve the Kenyatta National Hospital and up-country hospitals.

7. **ASSOCIATE PROFESSOR**  
Department of Paediatrics and Child Health. Applicants must be clinically qualified and hold a higher degree in Paediatrics and have wide experience in the practice and teaching of Paediatrics in a tropical setting. A sound research experience with adequate scientific contributions is essential. Appointee will assist the Professor in the running of the Department and will carry a full share of clinical load at the Kenyatta National Hospital.

8. **4 LECTURERS**  
Department of Pediatrics and Child Health. Applicants should be clinically qualified and hold a higher degree or diploma in Paediatrics. They should have some experience in teaching and practice of Paediatrics. Previous experience in the tropics is desirable. Appointees will be expected to teach undergraduate and postgraduate medical students and take their share of clinical work at the Kenyatta National Hospital.

9. **ASSOCIATE PROFESSOR IN ANAESTHETICS**  
Department of Surgery. Applicants should have F.F.A.R.C.S. or equivalent and should have had extensive clinical experience in Anaesthesia, Resuscitation and Intensive Care. Practical experience in Anaesthesia for open heart surgery is desirable. They should have made a significant contribution in the field of their choice. Applicants must also have considerable experience in undergraduate and postgraduate teaching and in conducting and supervising clinical and Laboratory

research. Appointee will be in charge of the Anaesthetic Unit of the Department and will be also expected to plan and direct postgraduate training in Anaesthesia. He will be appointed Honorary Consultant Anaesthetist at the Kenyatta National Hospital where he will also play a leading role in the Intensive Care Unit.

10. **SENIOR LECTURER IN ANAESTHETICS**  
Department of Surgery. Applicants must have F.F.A.R.C.S. or equivalent and should have had considerable clinical experience in Anaesthesia, Resuscitation and Intensive Care. They should also have had some experience in undergraduate and postgraduate teaching. Previous research experience shown by published work will be an advantage. Appointee will be appointed Honorary Consultant Anaesthetist at the Kenyatta National Hospital. Responsibilities attached to this post include teaching, conduct and supervision of research, training of Junior Staff and participation in anaesthetic duties at the Kenyatta National Hospital.

11. **LECTURER**  
Department of Surgery. Applicants should be registered medical practitioners and possess a higher qualification. Previous experience of teaching undergraduates and of research will be an advantage. Appointee will be given the status of Senior Registrar in the Kenyatta National Hospital. He will be expected to undertake an active part in clinical work as well as in the organisation and conduct of undergraduate and postgraduate teaching and research.

12. **2 SENIOR LECTURERS**  
Department of Obstetrics and Gynaecology. Applicants should possess a postgraduate qualification in Obstetrics and Gynaecology and should have had several years practical experience in the subject. Preference will be given to those who have also had teaching and research experience. Appointees will be expected to teach postgraduates, undergraduates and pupil midwives. They will also be expected to interest themselves in research and to take their full share of clinical duties in the Kenyatta National Hospital.

13. **2 LECTURERS**  
Department of Obstetrics and Gynaecology. Applicants must have a higher qualification, and previous teaching experience will be preferable although not essential. The posts carry responsibility for the training of medical students, postgraduates, nurses and midwives. Appointees will be expected to take part in the routine care of patients at the Kenyatta National Hospital, supervision of the junior medical staff and to interest themselves in research.

14. **ASSOCIATE PROFESSOR**  
Department of Orthopaedic Surgery. Applicants must be clinically qualified and hold a higher qualification in Surgery. Experience in the practice and teaching of Orthopaedics in a tropical setting will be considered an advantage. Scientific and clinical contributions to the subject are essential. Appointee will assist in the running of the Department and will be responsible for the clinical and teaching programmes.

15. **2 SENIOR LECTURERS**  
Department of Orthopaedic Surgery. Applicants must be clinically qualified and hold a higher qualification in Surgery. Experience in the teaching and practice of Orthopaedics is essential. Research experience would be an advantage. Appointees will have a share of the clinical load, and will be expected to participate in the teaching programme of the Department.

16. **LECTURER**  
Department of Orthopaedic Surgery. Applicants must be clinically qualified and hold a higher qualification in Surgery. Some experience in the teaching and practice of Orthopaedics would be an advantage. Appointees will partake in the clinical work, under supervision as is required and will be expected to participate in the teaching programmes of the Department.

Salary scales: Professor K£3,600 — K£4,380 p.a. Associate Professor K£3,036 — K£3,564 p.a. Senior Lecturer K£2,256 — K£3,036 p.a. Lecturer K£1,500 — K£2,580 p.a. There may be an allowance of K£150 p.a. for staff assigned clinical hospital duties (K£1 — £1.19 sterling). The British Government may supplement salaries in range £900 — £2,052 p.a. (sterling) for married appointees or £204 — £1,248 p.a. (sterling) for single appointees (normally free of all tax) and provide children's education allowances and holiday visit passages. For those appointed to clinical duties, the supplementation may be in range £1,326 — £2,500 p.a. (sterling) — if married; or £630 — £1,696 p.a. (sterling) — if single. F.S.S.U. Family passages; various allowances. Detailed applications (2 copies) including a curriculum vitae and naming 3 referees, should be sent by airmail, not later than 30th December, 1974 to the Registrar, University of Nairobi, P.O. Box 30197, Nairobi, Kenya. Applicants resident in U.K. should also send 1 copy to Inter-University Council, 90/91, Tottenham Court Road, London W1P 0DT. Further particulars may be obtained from either address. (27959) 25

**OCCUPATIONAL HEALTH (See also p. xviii)**

Attention is drawn to the British Medical Association's statement of policy on the Remuneration of Industrial Medical Officers as approved by the Representative Body, which is available on request from the Secretary.

# Regional Medical Officer

## £7020 – £9140

The Post Office, which employs over 400,000 people in its four businesses (Posts, Telecommunications, Giro and Data Processing), has a vacancy in its Occupational Health Service for a Regional Medical Officer in Northern Ireland.

The OHS has an establishment for 27 full-time doctors and 53 nurses with many part-time doctors. This new post will be based in Belfast. The RMO will advise on clinical and environmental health matters for about 8,000 staff and will be required to develop and lead an occupational health team in the province. He/she will also be required to undertake routine medical examinations and to carry out any other duties assigned to the Post Office OHS.

Direct line responsibility will be to the Chairman of the Northern Ireland Postal and Telecommunications Board, with ultimate professional responsibility to the Chief Medical Officer in London.

Candidates should have experience in occupational health, initiative, a mature personality, and the ability to form and maintain good relationships with staff at all levels. The possession of a DIH would be an advantage.

Starting salary will depend on experience and qualifications, but for a good candidate would be within the range £7020 – £9140. If a candidate with less experience/qualifications were selected, the salary would be in a lower range and facilities would be provided for post-graduate training in occupational medicine, including day release for the DIH course.

For a leaflet giving details of the organisation, objectives and responsibilities of the Occupational Health Service and an application form, please write or telephone (by reversing the call charge if you wish), quoting reference AM.845, to:

**Miss C Barrett**  
Post Office Headquarters Northern Ireland  
Queen's House  
14 Queen Street  
Belfast BT1 6ER  
Telephone: BELFAST 26049

# The Post Office

(27988-24)

## Smiths Food Group

# Factory Medical Adviser

Applications are invited for two posts of part-time Factory Medical Adviser at Lincoln and at Paulsgrove, near Portsmouth.

The Medical Adviser will attend for two hours each week and will provide occupational health services for the factory and appropriate advice to the Factory Manager. He will be medically responsible to the Group Medical Adviser and will be assisted by the Factory Nurse.

Experience in occupational medicine is not essential but will be an advantage. Salary for each post will be £462.00 p.a.

ESSEX  
AREA HEALTH AUTHORITY

Chelmsford District

## CASUALTY OFFICER

(Senior House Officer)

Chelmsford & Essex Hospital  
Applications are invited for the above post, recognized for the F.R.C.S. Vacant from the 1st December, 1974. Duties shared with three other Casualty Officers. Resident.

Opportunity can be given for Casualty Officer to follow up his cases in the wards and to obtain operating experience in major theatre under the guidance of the Consultants and Resident Surgical Officers. Off duty time is generous and the post is likely to suit one seeking either a higher qualification in surgery or intending general practice.

The Department deals almost exclusively with trauma and there are very few casual attenders.

There is an Academic Unit with good library facilities and a full programme of postgraduate education.

Applications, together with the names of two referees to District Administrator, Essex Area Health Authority, Chelmsford District, 85/89 New London Road, Chelmsford, Essex. (35584) 51-8

For further details write to the Executive Director. (H13266) 37

## OCCUPATIONAL HEALTH

Medical Officer  
Part time  
Edinburgh

Our Occupational Health Service is well established and we require a part-time Medical Officer based at Edinburgh where there is a well equipped consulting room and examination suite.

The duties are principally concerned with the provision of an occupational health service for employees working in retail branches situated in the Eastern parts of Scotland and the North East of England. Some travelling is involved and the work load each week is approximately 7-8 hours.

Fees will be in accordance with B.M.A. 'Doctor in Industry' scales, plus out-of-pocket expenses.

Applications are invited from registered medical practitioners who have an interest in Occupational Health, Social Medicine or Community Health.

Exploratory discussions will be held in Edinburgh but, in the first instance, please write to: J. F. Pattison, Employment Manager,

The Boots Company Ltd.,  
Station Street, Nottingham NG2 3AA

(28036)

24

# APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1974, No. 361).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

In particular, they will find full details of facilities provided in most hospitals in the United Kingdom in the current edition of the *Hospital Gazetteer*. If such details are not included members are advised to consult the Secretary of the B.M.A.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

## SALARY SCALES OF HOSPITAL MEDICAL STAFF

**HOUSE OFFICER:** Each post in this grade shall be tenable for six months. £2,202 per annum for the posts held during the first year; £2,370 per annum for posts held during the second year; £2,538 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

**SENIOR HOUSE OFFICER:** £2,823 per annum x £189(1) x £186(1) — £3,198.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

**REGISTRAR:** £3,198 per annum x £171(3) x £168(1) — £3,879.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

**SENIOR REGISTRAR:** £3,711 per annum x £168(1) x £216(4) — £4,743.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

**MEDICAL ASSISTANT:** £3,504 per annum x £183(2) x £180(2) x £168(10) — £5,910.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

**CONSULTANT:** £5,433 per annum x £279(8) x £282(1) — £7,947.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

**COMPULSORY RESIDENCE:** The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rent is appropriate.

## QUEEN ELIZABETH II

HOSPITAL  
Welwyn Garden City Herts AL7 4HQ

### SENIOR HOUSE OFFICER

required within the Accident and Traumatic Unit of the Casualty Department for post vacant now. Duties involve assistance at fracture clinics and minor ops sessions. Immediate supervision by registrar responsible to Consultant Orthopaedic surgeon. Post recognized for F.R.C.S. Facilities for postgraduate study including excellent library, clinical meetings and lectures. Compulsorily resident, married accommodation may be available.

## ROYAL GWENT HOSPITAL

Newport, Gwent (442 beds)  
(Recognized F.R.C.S.)

### THREE

### SENIOR HOUSE OFFICERS

required for Accident and Emergency Department on 1st January, 7th January, and 1st February, 1975. Married accommodation available. Resident. The Department is in the charge of a full-time Consultant Surgeon, has five Senior House Officers and all emergency cases are admitted through the Department. Which is responsible for initial resuscitation. The Department is equipped with apparatus for cardiac monitoring, positive pressure ventilation, as well as X-Ray Intensifiers and a Berman F.B. Locator.

The Hospital is the base hospital for the District and therefore has a large volume of acute cases of all specialties. It is being extensively redeveloped by a major capital building programme. An intensive care unit is situated at the Hospital.

There is a close connection with the teaching hospital at Cardiff, 10 miles to the west and there is an extensive postgraduate education programme with a very good library. A Postgraduate Centre is situated at the Hospital. The appointment gives ample opportunity to the holder to avail himself of the facilities.

The successful candidate will be expected to be resident on the nights on which he is on first call, which will on average be one night in five.

Apply quoting two referees to District Administrator, 64 Cardiff Road, Newport, Gwent. (28079) 51-8

# IMPORTANT NOTICE

Appointments

**CANBERRA HOSPITAL AND  
WODEN VALLEY HOSPITAL AUSTRALIA**

**GOVERNMENT AND UNIVERSITIES OF SOUTH AFRICA**

Before applying for any appointment specified in this notice, or for any  
appointment under an authority referred to in this notice, medical  
practitioners are advised to communicate with the Secretary of the  
British Medical Association, B.M.A. House, Tavistock Square,  
London, W.C.1. to learn the views of the association regarding the  
terms and conditions of service pertaining to the appointments.

By Order of the Council

**DEREK STEVENSON**

**KIRKLEES  
AREA HEALTH AUTHORITY**  
Dewsbury District

Applications are invited for the post of  
Resident

**SENIOR HOUSE OFFICER**  
from candidates who are eligible for  
temporary or full registration. Whilst  
experience in anaesthetics is desirable  
candidates without such experience will be  
considered. The post is recognized for training  
for the F.F.A.R.C.S. and D.A. qualifications.

The post involves duties at all hospitals in  
the District including a new maternity unit of  
120 beds including 20 special baby-care beds  
at Stanciliffe General Hospital where there is a  
special emphasis on obstetric anaesthesia.  
This is a twelve month appointment but  
consideration will be given to candidates who  
wish to take the post on a locum basis. Single  
accommodation is available.

Applications in writing giving details of  
present and previous posts together with the  
names and addresses of two referees should be  
sent to the Personnel Officer, Dewsbury  
Health District, 20 Oxford Road, Dewsbury  
WF13 4JU. (35945) 52-8

#### NOTTINGHAMSHIRE AREA HEALTH AUTHORITY

(Teaching)  
North Nottingham District  
City Hospital, Hucknall Road,  
Nottingham NG5 1PB  
(732 beds)

Applications are invited for the post of

#### RESIDENT SENIOR HOUSE OFFICER IN PAEDIATRIC SURGERY

This post, suitable as a third House Officer appointment for those interested in paediatrics or surgery, concerns the in-patient care of elective and emergency neonatal and general paediatric surgery problems. The Unit consists of 23 beds and cots within a general hospital containing 110 other children's beds and cots for medical, plastic surgery and orthopaedic surgery problems, and infectious diseases. The other staff include a second Senior House Officer, a Registrar and two consultant Paediatric Surgeons. Undergraduate medical teaching has commenced and postgraduate teaching and library facilities are available. The post allows time for study.

More senior applicants may apply, but in this case some previous paediatric experience is very desirable.

The post is vacant on 1st February 1975 and is for a period of six months in the first instance.

Married accommodation may be available. Applications giving details of age, qualifications and experience, together with the names and addresses of two referees to the Hospital Secretary, City Hospital, Hucknall Road, Nottingham NG5 1PB. (H13183) 80-8

LIVERPOOL  
AREA HEALTH AUTHORITY  
(Teaching)  
Mersey Regional Health Authority

Applications are invited for the post of **SENIOR REGISTRAR IN PSYCHIATRY** with duties at Rainhill Hospital.  
The hospital is organised on a team basis, and two teams are associated with General Hospital Units. There is a Professorial Unit carrying out both undergraduate and postgraduate teaching. There are two Day Hospitals connected with Rainhill and also an active Clinical Psychology and E.E.G. Department. In view of the proximity of the Professorial Unit and the University, the facilities for training and varied experience at this hospital are excellent.  
The post involves rotational training and the place and type of work is reviewed at six monthly intervals to enable the successful candidate to gain experience in General Hospital Psychiatry, Forensic Psychiatry and Electroencephalography at other hospitals.  
Application form obtainable from the Area Personnel Department, Liverpool Area Health Authority (Teaching), 2nd Floor, Orleans House, Edmund Street, Liverpool, L3 9NG, to be returned by 12th December 1974. (H13286) 84-5

REGIONAL HEALTH AUTHORITY  
and  
Newcastle Area Health Authority

**Joint Training in Child Psychiatry and Mental Handicap**  
**SENIOR REGISTRAR IN CHILD PSYCHIATRY AND MENTAL HANDICAP**  
whole-time, based on the Northgate Hospital, Morpeth. Northumberland for the mentally handicapped and the Nuffield Child Psychiatry Unit at the Hospital for Sick Children, which is one of the Teaching Hospitals associated with the University of Newcastle-upon-Tyne.  
The successful candidate will participate in the Training Scheme in Child Psychiatry and Mental Handicap and D.P.M. or M.R.C. Psych. is required. Eighteen months will be spent based on the Nuffield Child Psychiatry Unit where comprehensive experience will be provided on a rotational basis in out-patients and in the day and in-patients Units. Other experience will include Child Guidance and psychodynamic therapy. A further 18 months will be spent based on Northgate Hospital providing experience in Mental Handicap in the out-patient and in-patient services for both children and adults and in the community services. Opportunities will be given for the care of the mentally handicapped with mental illness, and of the mentally handicapped "offender".  
Both parts of the training will provide opportunities for work in Special Schools, work with adolescents, medico-legal experience and the application of behaviour modification programmes. The successful candidate will also participate in undergraduate teaching and other lecturing. Options include intensive psychotherapy, E.E.G., research and administration. Special courses and teaching programmes will be available.  
Applications, naming three referees, to the Regional Medical Officer, Northern Regional Health Authority, Benfield Road, Newcastle-upon-Tyne, NE6 4PY by 11th December, 1974. (35911) 84-5

CLAYBURY HOSPITAL  
Woodford Bridge, Woodford Green, Essex

Application forms are available from the Staff Officer. The closing date for applications is 14th December, 1974. (27994) 84-8

# WILTSHIRE AREA HEALTH AUTHORITY

## Salisbury Health District The Old Manor Hospital Salisbury, Wiltshire

## SENIOR HOUSE OFFICER (Student)

required early January. The successful candidate will form part of a geographically orientated therapeutic team which has two Consultants.

The post offers wide experience in general psychiatry in the acute, medium and long stay areas. An active rehabilitation programme is in being.

This compact hospital is situated within the city in close proximity to the General Hospital with which there is a close liaison and where there is an active Postgraduate Centre. There are weekly clinical teaching sessions at the Hospital and regular meetings in the General Hospital complex.

The incumbent will be expected to attend the Wessex School of Psychiatry (where courses for M.R.C. Psych. and D.P.M. are held) for which day release is arranged.

Single or married accommodation is available. The Hospital may be visited by arrangement (please contact Medical Secretary - Salisbury 3216).

Applications, giving qualifications and experience, as soon as possible to Hospital Secretary, The Old Manor Hospital, Wilton Road, Salisbury. (35802) 84-8

# RADIOLOGY

## EAST SUSSEX & WEST SUSSEX AREA HEALTH AUTHORITIES

Joint Appointment of

whole-time/maximum part-time

CONSULTANT IN

DIAGNOSTIC RADIOLOGY

Six sessions Royal Sussex County Hospital which is an expanding 480-bedded hospital with a new Accident and Acute Emergency Centre. In addition to the busy routine X-ray Sessions in the Department also provides vascular, ultra-sound and nuclear medicine cover for the area.

One session would cover work at the Royal Alexandra Hospital for Children and there would be four sessions at Hurstwood Park which is a 40-bedded hospital specialising in neurosurgery and nervous disorders. A higher qualification is essential.

Private residence shall not be more than ten miles by road from the main hospital unless specific approval is given by the Authorities to a greater distance. Hospitals may be visited by arrangement with the District Administrators.

Application forms from the Secretary, Advisory Appointments Committee, South-East Thames Regional Health Authority, Randolph House, 46-48 Wellesley Road, Croydon, CR9 3QA. To be returned by 30th December. (35913) 85-1

# LAMBETH/SOUTHWARK/LEWISHAM AREA HEALTH AUTHORITY

## (Teaching) Guy's Group of Hospitals

Applications are invited for the post of

## CONSULTANT RADIOLOGIST (Six Sessions)

to the Guy's Group of Hospitals. The successful applicant will be required to undertake three sessions at Guy's Hospital, mainly concerned with the diagnostic applications of ultra sound and three general sessions at New Cross Hospital.

Applications, together with the names of three referees, should be sent to the Clinical Superintendent, Guy's Hospital, London, SE1 9RT not later than 28th December 1974. (28154) 85-1

# ENFIELD DISTRICT HOSPITAL Chase Wing The Ridgeway, Enfield, Middx.

## LOCUM FULL-TIME

## CONSULTANT RADIOLOGIST

required immediately for an indefinite period. Applications giving details of previous experience and names and addresses of two referees to Acting Hospital Secretary. (35708) 85-1

# LOTHIAN HEALTH BOARD Scotland

Applications are invited for two posts of

## CONSULTANT RADIOLOGIST

in the South Lothian District whole-time or maximum part-time based at the Royal Infirmary of Edinburgh, with duties in other hospitals in the Lothian Area as required, in particular the City Hospital and Princess Margaret Rose Orthopaedic Hospital. An interest in Respiratory Diseases and/or Skeletal Disease would be an advantage.

The successful candidates will be expected to take part in the teaching programme and it is envisaged that at some future date, when the duties of the posts can be so arranged as to allow of it, they may be offered two sessions for academic work carrying a University appointment of part-time Senior Lecturer.

Further particulars on application.

Applications, which should be typewritten, giving particulars of age, qualifications and previous experience together with the names and addresses of three referees should be lodged with the Secretary, 11 Drumsheugh Gardens, Edinburgh EH3 7QQ by 4th January 1975. (H13296) 85-1

# NORTHERN REGIONAL HEALTH AUTHORITY

## CONSULTANT RADIOLOGIST

Whole-time or maximum

part-time

required from 6th August 1975. To fill a vacant vacancy in the North Tyneside Area Hospitals, in a team of two Consultants. Main hospital Preston, North Shields (359 beds), with duties also at Tynemouth, Victoria Jubilee Infirmary, (130 beds).

Residence within ten road miles of Preston Hospital, North Shields.

Application forms, returnable by 21st December 1974, and further particulars from Regional medical Officer, Northern Regional Health Authority, Benefield Road, Newcastle-upon-Tyne NE6 4PY. (35974) 85-1

# SALFORD AREA HEALTH AUTHORITY (Teaching)

## LOCUM

## CONSULTANT RADIOLOGIST

Post available for up to five months pending filling of new post which is currently being advertised.

Applications naming two referees to Area Personnel Officer, Peel House, Albert Street, Eccles M30 0NJ. Closing date 13th December 1974. (28173) 85-1

# SALFORD AREA HEALTH AUTHORITY (Teaching)

## CONSULTANT RADIOLOGISTS

(Two posts, whole-time or

maximum part-time)

Two posts available to serve the three main acute hospitals in this single district Area — Hope Salford Royal and Royal Manchester Children's Hospitals — which are teaching hospitals associated with the expanding University of Manchester Medical School. Hope Hospital is being developed as a University (and district general) hospital of about 1200 beds.

1. A replacement post with main duties in neuro-radiology will fall vacant in February, 1975 on retirement of the present holder. The work includes some general radiology in the Area, neuro-radiological work is currently carried out at Salford Royal Hospital and the Royal Manchester Children's Hospital, where appropriate equipment is used.

2. A second, new, post is being created with duties mainly at Hope Hospital and the Royal Manchester Children's Hospital and involves general radiology.

The Consultant establishment, including the new post, is five, serving a population of approximately 270,000, and for neurology/neurosurgery, 850.00.

Candidates for either post should have suitable experience, a higher qualification and an interest in teaching.

Further details and application forms from the Area Personnel Officer, Salford A.H.A. (Teaching), Peel House, Albert Street, Eccles M30 0NJ, to be returned by 23rd December 1974. (28074) 85-1

# TAYSIDE HEALTH BOARD Scotland

## DIAGNOSTIC RADIOLOGIST

Dundee Teaching Hospitals

Applications are invited for appointment to this new post of Diagnostic Radiologist (Consultant) Dundee Teaching Hospitals — Newells Hospital (805 beds) and Dundee Royal Infirmary (441 beds), the main general teaching hospitals associated with the University of Dundee.

The appointment will be on a whole-time or maximum part-time basis on the option of the successful candidate.

Further particulars and application forms may be obtained from the Secretary to the Board, Vernoholme, Riverside Drive, Dundee, with whom applications should be lodged not later than 23rd December, 1974. (H13252) 85-1

# THE HOSPITAL FOR SICK CHILDREN Great Ormond Street, London WC1N 3JH

Applications are invited for the appointment of

## CONSULTANT NEURORADIOLOGIST

for 3 sessions per week tenable at the Hospital for Sick Children, Great Ormond Street. Applications, giving the names of three referees, should be submitted to the House Governor by December 16th. (Tel: enquiries 01-405 9200 Ext: 3 — the hospital can be visited by appointment). (H13309) 85-1

# YORKSHIRE REGIONAL HEALTH AUTHORITY

## LOCUM CONSULTANT IN RADIOLOGY Huddersfield

Required 1st January, 1975 for three months in first instance.

Applications stating age, qualifications and experience, together with names and addresses of three referees to the Area Administrator, Kirklees Area Health Authority, St. Luke's House, Crosland Moor, Huddersfield. (35824) 85-1

# YORKSHIRE REGIONAL HEALTH AUTHORITY North Humberside

## CONSULTANT RADIOLOGIST

(Whole-time or maximum part-time)

Applications are invited for an additional appointment to work with six consultants who are already in post in the Hull and Beverley Districts.

The new appointee will have sessions at the new Hull Royal Infirmary and will be offered a special interest by agreement with those already in post. This special interest selected will determine which other hospitals the appointee will visit.

There is an interest in ultrasonics would be an advantage but is not essential.

Further details and application forms may be obtained from the Regional Administrator, Yorkshire Regional Health Authority, Park Parade, Harrogate, to whom completed forms should be returned by 31st December, 1974. (35823) 85-1

# BRENT AND HARROW AREA HEALTH AUTHORITY

Harrow District

Northwick Park Hospital and

Clinical Research Centre

Watford Road, Harrow, Middx.

Tel: 01-864 5311

## LOCUM SENIOR REGISTRAR IN RADIOLOGY

required immediately until 28th February, 1975.

Please contact Mr. C. Firman, Medical Staffing Officer, Ext. 2403. (28130) 85-5

# GREATER GLASGOW HEALTH BOARD

The Greater Glasgow Health Board offer an appointment as

## SENIOR REGISTRAR IN RADIOLOGY

to join a team participating in a European Control Trial in coronary artery surgery at Glasgow Royal Infirmary. This trial is designed to assess the extent to which surgery alters the natural history of occlusive disease of the coronary arteries. A successful applicant will be concerned with the radiological investigation to coronary artery disease and will also be involved in the investigation of acquired and congenital heart disease. He will join a team comprising medical and surgical Cardiologists, a Radiologist, a Clinical Physiologist and a Physicist. The post is of limited tenure and the approximate duration is 15 months.

Applications should be sent to the Secretary, Greater Glasgow Health Board, 351 Sauchiehall Street, Glasgow G2 3HT with details of age, qualifications, experience, present appointment and the names of two referees not later than 14 days after this advertisement. (H13318) 85-5

## REGISTRAR IN THORACIC AND CARDIAC SURGERY (Non-Resident)

The appointment, which is vacant, is for one year in the first instance and will then be subject to review.

It is intended that the successful Candidate will work for one year with the Cardiac Surgeon at the Bristol Royal Infirmary and Bristol Children's Hospital and for one year also with the Thoracic Surgeon at Fenchay Hospital, Bristol.

Application forms are obtainable from Medical Personnel, Bristol Health District (Teaching), District Headquarters, 10 Marlborough Street, Bristol BS1 5NU, and should be returned by 13th December 1974. (27841) 92-6

# LIVERPOOL AREA HEALTH (AUTHORITY) (Teaching) Mersey Regional Health Authority Regional Cardio-Thoracic Surgery Service

## Applications are invited for the post of REGISTRAR IN CARDIO-THORACIC SURGERY

This is a rotating post which offers training in both adult and children's cardio-thoracic surgery. Experience in adult cardio-thoracic surgery will be obtained at Broadgreen and Fazakerley (Aintree Unit) Hospitals and in children's cardio-thoracic surgery at the Royal Liverpool Children's Hospital. As well as experience in all aspects of cardio-thoracic surgery, there are opportunities for clinical and experimental research at the Liverpool University.

Applicants should have wide experience in general surgery and possess the F.R.C.S., or have completed the requirements for sitting the Final F.R.C.S. The post is tenable from 1st April 1975.

The post is recognized as non-resident. Application form obtainable from the Area Personnel Department, The Liverpool Area Health Authority (Teaching), 2nd floor, Orleans House, Edmund Street, Liverpool, L3 9NG, to be returned by 12th December 1974. (H13312) 92-6

# FRENCHAY HOSPITAL Bristol BS16 1LE

## LOCUM RESIDENT SENIOR HOUSE OFFICER IN THORACIC SURGERY

required for the period 18th to 31st January 1975, inclusive.

Applications, naming two referees to be sent to the Personnel Officer, Frenchay Hospital, Bristol BS16 1LE. (27975) 92-6

## UNRESTRICTED ADVERTISEMENT IN ENGLAND AND WALES

# SPECIALIST IN COMMUNITY MEDICINE (HEALTH CARE PLANNING) (two posts)

Salary scale: £5,443 — £279 x 8 to £7,665 — £282 x 1 to £7,947

Applicants are invited from suitably qualified registered medical practitioners for two 'health care planning' posts designated for service planning and medical staffing and health care planning and preventive medical services respectively, which are based at Area Health Authority Headquarters, situated on the outskirts of Mansfield.

This advertisement is not restricted to officers who were transferred to Regional or Area Health Authorities under the provision of the N.H.S. Reorganisation Act but is open to all suitable applicants in England and Wales.

Nottinghamshire Area Health Authority (Teaching) is a four-District Area with a population of almost 1,000,000.

# NOTTINGHAMSHIRE AREA HEALTH AUTHORITY (TEACHING)

Candidates are invited to discuss the posts with Dr. H. I. Lockett, the Area Medical Officer (Mansfield 34251).

Application forms and job descriptions may be obtained from the Area Administrator, Nottinghamshire Area Health Authority (Teaching), Lichfield Lane, Berry Hill, Mansfield, Notts. Closing date 10th December 1974.

118

COMMERCIAL AND INDUSTRIAL MEDICAL AID SOCIETY

## MEDICAL OFFICERS (General Duties/Obstetrics) (General Duties/Anaesthesia) Sterling £7,680 +

The Society requires two Medical Officers to fill vacancies occurring within its medical department in the near future.

Our service provides full medical care for some 18,000 employees and dependants operating from two Group Practice Centres and two small hospitals with a total of 55 beds.

The medical staff includes specialists in Anaesthesia, Obstetrics and Gynaecology, General Surgery and part-time in Medicine and Radiology, together with six General Medical Practitioners.

The duties of Medical Officers include both In-patient and Out-patient responsibilities covering most facets of medicine and whilst not absolutely necessary we would prefer the one post to be filled by a Practitioner with added experience in Anaesthesia, and the other with added experience in Obstetrics. Experience in Paediatrics would be of extra advantage in both cases.

**Kitwe and Ndola** are commercial centres on the Copperbelt plateau in the Republic of Zambia which at 4,500 ft. enjoy a very healthy climate together with excellent social and sporting facilities. We as a Society endeavour to provide good working and living conditions for our staff in order to maintain as happy a medical team as possible.

### Terms

- Two year Contract renewable. Basic salary negotiable depending on experience but not less than K9,600 per annum (Range — K9,000 to K14,000) (K151 — £100).
- Gratuity of 20% basic salary. Payable on completion of Contract.
- Rent free attractive furnished accommodation.
- Free passage to and from Zambia for employee and family with generous baggage allowance on recruitment and repatriation.
- Other benefits include: Car provided; generous annual leave; settling in allowance; insurance scheme; Education allowance and passages.

N.B. Present Exchange Control Regulations allow for externalisation of one third gross salary in addition to end of Contract allowance and Terminal Gratuity.

### LOCUM POSITIONS MAY BE AVAILABLE

Please write giving full personal and professional details together with the names and addresses of two referees to Box 4233 BMJ.

Interviews may be arranged in the U.K. December/January period. (H13218)

118

## Industrial and General Practice Overseas

Medical Officer required for joint industrial medical service operated by two large companies in the Arabian Gulf. Occupational health and general practice are involved with laboratory and radiographic support and access to hospital beds. Ample opportunity to develop special interests.

The salary will be generous, tax-free and related to qualifications and experience. Usual benefits including provident fund, free housing, car, educational assistance, insurance, etc.

Applications are invited from registered medical practitioners of either sex, preferably with five years postgraduate experience. Higher qualifications, postgraduate diplomas in relevant subjects, a knowledge of colloquial Arabic or experience in aviation medicine, although not essential would be advantageous. Age is less of a factor than physical fitness to sustain professional efficiency.

Applications with details of qualifications, appointments, experience, professional interests and family status to Box 4342, The British Medical Journal.

118

## The City of Edmonton

**HOME OF THE 1978  
COMMONWEALTH GAMES**

requires

## MEDICAL OFFICER OF HEALTH

The City of Edmonton, a rapidly expanding and progressive city, requires a Medical Officer of Health to administer a city-wide public health programme for a population in excess of 450,000.

The incumbent will be responsible for the complete public health programme in accordance with applicable legislation and procedures and policies established by the Local Board of Health.

The Department of Health has a staff of approximately 225 professional and technical personnel engaged in providing the following services:

General Medical and Health Services  
Dental Services  
Environmental Health Services  
Community Psychiatric Services  
Family Planning and Pre-Natal Programme  
Home Care and Nutritional Services

The successful candidate will be a graduate from an accredited School of Medicine supplemented by a Diploma, Masters or Doctorate in the field of Public Health and extensive experience in Public Health work and Community Medicine, including considerable managerial experience. Applicants must be eligible for registration by the College of Physicians and Surgeons of Alberta.

Salary Range: \$26,112.00 to \$35,484.00 per annum (under review).

Apply to The City of Edmonton, Employment Office, Centennial Building, 21 Sir Winston Churchill Square, Edmonton, Alberta, Canada T5J 0H1.

Applications will be received up to and including 18th December, 1974.

When applying, please quote: Posting No. 1106-74.

# **NORTH BRISBANE HOSPITALS BOARD** Full-time Medical Staff

## **DIRECTOR OF DIAGNOSTIC RADIOLOGY**

Applications are invited from Specialist Radiologists for appointment to the position of Director of Diagnostic Radiology, the North Brisbane Hospitals Board.

The North Brisbane Hospitals Board controls the Royal Brisbane, Royal Women's and Royal Children's Hospitals and these are major teaching hospitals for the University of Queensland. The Royal Brisbane Hospital provides medical, surgical, out-patient, gynaecological, radiotherapy, casualty, orthopaedic and psychiatric services, with approximately 1050 beds; the Royal Children's Hospital paediatric treatment with approximately 200 beds and the Royal Women's Hospital obstetric and neonatal care with approximately 350 beds. The day-to-day running of the complex will be in the hands of a Hospital Executive comprising three Executive Directors; Medical Services, Nursing Services and Administrative and Support Services.

Each Hospital in turn has a Management Committee comprising the three Branch Heads within that hospital responsible to the Hospital Executive administratively, with each Branch Head having functional responsibility to the appropriate Executive Director.

The Director of Diagnostic Radiology will be responsible to the Executive Director, Medical Services for the radiological services of the Board's Hospitals as a whole and to the Medical Superintendents of the individual hospitals for radiological services within those hospitals.

The University of Queensland has indicated that it will give sympathetic consideration to a request that the Director of Radiology be given formal honorary status in a University Department.

The appointment will be permanent after a twelve month probationary period, in accordance with the terms of appointment.

The position is full-time and superannuated. Salary is \$24,637 per annum (\$944.40 per fortnight).

Further particulars may be obtained from the Manager. ## INSTITUTE OF MEDICAL AND VETERINARY SCIENCE Adelaide, South Australia DIRECTOR OF NUCLEAR MEDICINE

(Salary \$19,612 to \$22,060, according  
to experience, plus 12.5%  
in lieu of Private Practice)

Applications are invited for the position of Director of  
Nuclear Medicine from Medical Practitioners with  
appropriate postgraduate qualifications enabling  
registration in South Australia as a Specialist, and  
extensive experience in Nuclear Medicine. (The present  
director has resigned to take up a position in the United  
States).

The Institute's Division of Nuclear Medicine is in the Royal  
Adelaide Hospital. It is very well equipped with modern  
imaging facilities, including Pho-Gamma H.P. scintillation  
cameras, a dual 5-inch-detector whole body rectilinear,  
and a standard 3-inch rectilinear scanner. A third camera  
will soon be delivered.

Installation of a dedicated laboratory computer is now  
under consideration, to replace the extensive use being  
made of the University of Adelaide's CDC 6400 computer.

The Division also have a multi-probe detector system for  
kinetic studies, and a full range of beta and gamma  
sample-counting equipment. A well-equipped  
radiopharmaceutical laboratory staffed by two radio-  
chemists produces radio-pharmaceuticals. Brain blood-  
flow studies have been very highly developed. Computer  
applications and programming are carried out by two  
physicists. The total staff is over 20.

Approximately 13,000 procedures are performed per  
annum. The responsibilities of the Division also include  
operation of the whole body counter in the Royal  
Adelaide Hospital. The department is and will remain the  
main central facility of its kind in South Australia. With  
the introduction of ultrasound and an E.M.I. scanner,  
close co-operation with the hospital department of  
radiology is under consideration to cover a full range of  
organ imaging.

Applications stating full name, place, date and year of  
birth, nationality, marital status, past and present  
employment, details of academic record and  
qualifications, experience and published work, together  
with the names of three referees, should be sent to the  
Director, Box 14, Rundle Street Post Office, Adelaide,  
South Australia 5000. Closing date 7th February, 1975.  
(27960) 118

## Medical Adviser Nigeria

Mobil Oil Nigeria Limited is seeking a General Physician to develop  
and implement a programme of industrial medicine and hygiene  
for its operations in Nigeria. Duties will include training local staff  
in industrial medical work; advising management on medical  
problems impacting on business activities and on medical care of  
employees; providing clinic consultations and treatment for  
employees and dependants. The position is based in Lagos but  
will involve some travelling throughout Nigeria.

Candidates should have been qualified for at least seven years and  
preferably have some industrial medical experience.

An attractive salary (in accordance with B.M.A. scales), overseas  
allowances and benefits including housing will be offered with an  
annual renewable contract.

Please write with details of qualifications, experience, age and  
present salary to:

B. R. Allen  
Mobil Oil Company Limited  
Mobil House  
54/60 Victoria Street  
London SW1E 6QB  
(35829)

Commercial and Industrial Medical Aid Society

## LOCUM MEDICAL OFFICER

(Sterling £7,368)

The Society requires urgently a Locum Medical Officer within its  
medical department.

Our service provides full medical care for some 18,000 employees and  
dependants operating from two Group Practice Centres and two  
small hospitals with a total of 55 beds.

The Medical Staff includes specialists in Anaesthesia, Obstetrics and  
Gynaecology, General Surgery and part-time in Medicine and  
Radiology, together with six General Medical Practitioners.

The duties of Medical Officers include both in-patient and out-patient  
responsibilities covering most facets of medicine and whilst not  
absolutely necessary we would prefer the applicant to have added  
experience in any or all of the following:— anaesthesia, obstetrics,  
paediatrics.

Kitwe and Ndola are commercial centres on the Copperbelt plateau in  
the Republic of Zambia which at 4,500 ft. enjoy a very healthy climate  
together with excellent social and sporting facilities. We as a Society  
endeavour to provide good working and living conditions for our staff  
in order to maintain as happy a medical team as is possible.

As this post will involve working periodically at both Centres it would  
suit ideally a practitioner of non-marital status, or failing this a  
married practitioner with no children.

### Terms

- Salary negotiable but not less than K11,200 per annum (K152 = £100).
- Period of Locum negotiable.
- Rent free attractive, fully furnished accommodation.
- Free passage to and from Zambia with generous baggage allowance on recruitment and repatriation.
- Other benefits include: provision of a car and Company insurance scheme.

N.B. Present Exchange Control Regulations allow for  
externalisation of one third gross salary.

Please write giving full personal and professional details, together  
with a U.K. contact telephone number, and the names and addresses  
of two referees to Chief Medical Officer, C.I.M.A.S., Box 4343,  
British Medical Journal, from whom further information will be  
available on request.

Interviews will be arranged in the U.K. December/early January  
period. 118

### NEW ZEALAND

Wellington Hospital Board  
Wellington Clinical School  
Wellington Hospital

**REGISTRARS IN PATHOLOGY 1975**  
Applications are invited for Registrar positions in the Department of Pathology, Wellington Hospital.

An organised training programme based on the requirements of the Royal College of Pathologists of Australia will be in operation in 1975. Further information on careers in pathology, the requirements of the Royal College of Pathologists of Australia and on the training at Wellington Hospital may be obtained from either: Professor W. E. Stehens, Wellington Clinical School, Wellington Hospital, or Dr. M. McKeellar, Director of Laboratory Services, Pathology Department, Wellington Hospital.

The heads of the main laboratory Divisions will be pleased to discuss with applicants what the training will involve.

Conditions of employment are in accordance with the New Zealand Hospital Service Determination for Medical Officers. The current salary scale applicable is: NZ\$8,714 - \$9,108 - \$9,503 - \$9,997 - \$10,493 - \$10,988 - \$11,484. (Maximum without higher qualification \$10,493) Single accommodation is available.

Applicants should obtain a schedule of conditions of appointment and an application form from the High Commissioner for New Zealand, New Zealand House, Haymarket, London, SW1Y 4TQ, or from the Chief Executive, Wellington Hospital Board, P.O. Box 10245, Wellington, New Zealand to whom applications should be addressed. (27970) 118

# The Future General Practitioner

## Learning and Teaching

General or family practice is a special subject. This book is written by six experienced teachers selected by the Council of the Royal College of General Practitioners. It is intended chiefly for teachers, but it will also be valuable to those who are learning and to all who are concerned about the place of family practice within a country's medical services.

A syllabus is developed in five main parts:

**Health and Diseases**

**Human Development**

**Human Behaviour**

**Medicine and Society**

**The Practice**

Throughout the book the authors have tried to indicate ways in which the teacher may approach the task of passing on what he had learned by his own experience. The theme is the search for objectives which will satisfy the needs of learner and teacher. The belief is that this search will benefit the future family practitioner and through him the community of his patients.

**North America.** A B.M.J. "Air Express" service is available to subscribers in Canada and the U.S.A. at the inclusive annual subscription rate of \$67.50. The non-member subscription rate to the B.M.J. by surface mail is \$38.50 including postage. **Readers in the U.S.A. can send their subscription order with or without payment to: *British Medical Journal*, 1172 Commonwealth Avenue, Boston, Mass. 02134.**

PFIZER INTRODUCES

**Hypovase\***  
brand of prazosin hydrochloride \*Trade Mark

A NEW AGENT FOR  
THE TREATMENT OF  
HYPERTENSION

CONTROLS BLOOD  
PRESSURE SMOOTHLY

IN ALL GRADES OF  
BENIGN HYPERTENSION

WITH FEW DISTRESSING  
HAEMODYNAMIC EFFECTS

THROUGH A UNIQUE  
MODE OF ACTION

# NEW Hypovase\*

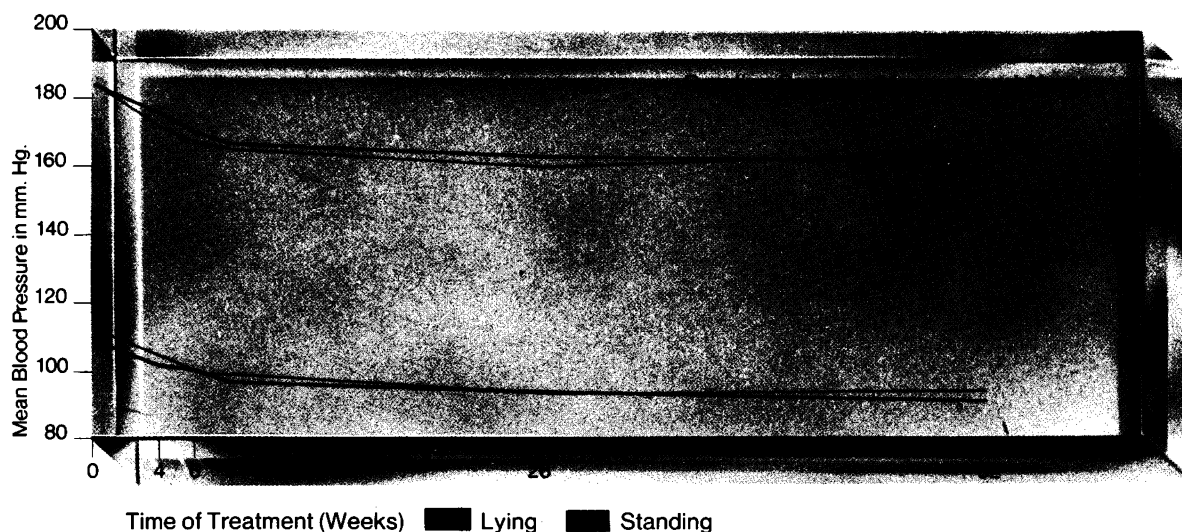

brand of prazosin hydrochloride

\*Trade Mark

## SMOOTH, GRADUAL REDUCTION OF ELEVATED BLOOD PRESSURE . . .

lying or standing, with no abrupt falls in blood pressure even during the first few days of treatment. The onset of effect is smooth and gradual, reaching the maximum for a given dose in 2 to 8 weeks.

SMOOTH CONTROL MAINTAINED WITH NO DEVELOPMENT OF TOLERANCE<sup>1</sup>

## EFFECTIVE IN ALL GRADES OF BENIGN HYPERTENSION

Clinical studies involving more than 1,000 patients to date have amply confirmed the efficacy of Hypovase in benign hypertension of all degrees of severity. In refractory cases, the addition of a thiazide to the regimen often produces a satisfactory response.

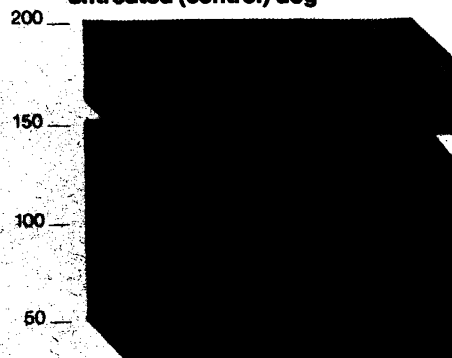

"The data cited show that...[Hypovase]...when given alone in divided doses ... induces a decline of mean arterial blood pressure of more than 15 mm. Hg in about three-quarters of ambulatory patients with mild to gross severity of disease..."

*J. Clin. Pharmacol.* 1970,10, 408

# LOW INCIDENCE OF POSTURAL HYPOTENSION AND OTHER DISTRESSING HAEMODYNAMIC EFFECTS

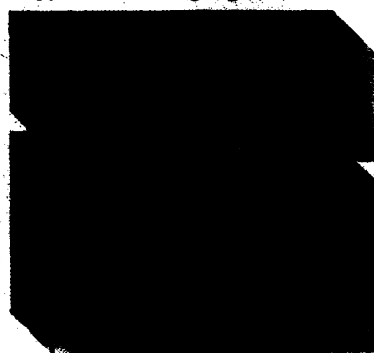

## IN DOGS, A NOTABLE ABSENCE OF ORTHOSTATIC CHANGES<sup>2</sup>

Tilt response:  
untreated (control) dog

(fig. 1)

Tilt response: after administration  
of Hypovase 0.1 mg/kg. iv.

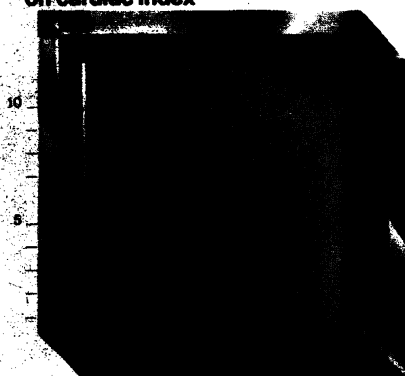

(fig. 2)

The normal haemodynamic pattern elicited when an untreated (control) animal is abruptly tilted from the horizontal position (fig. 1.) is closely approximated by the pattern obtained following administration of Hypovase (fig. 2.)

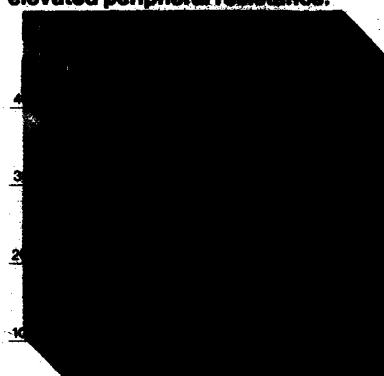

## IN HUMANS, HYPOVASE APPEARS TO NORMALIZE SYSTEMIC CIRCULATION<sup>3</sup>

The following parameters were determined under increasing work loads.

No significant effect  
on cardiac index

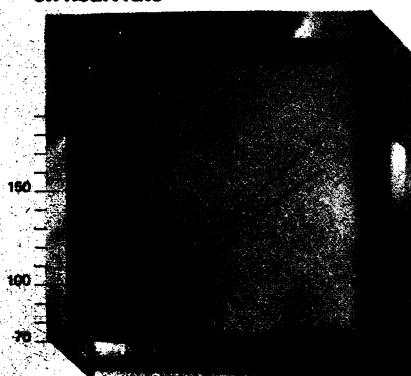

Significant reduction in  
elevated peripheral resistance.

— Before treatment  
--- After treatment

No significant effect  
on heart rate

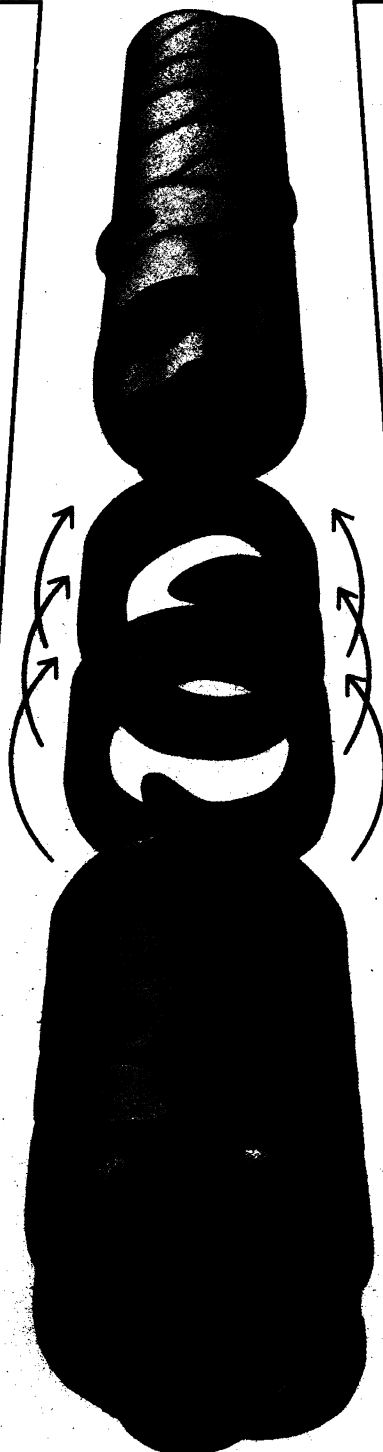

Unlike many other antihypertensive agents, Hypovase appears to effect a normalization of the systemic circulation in benign essential hypertension. Orthostatic hypotension seldom occurs, cardiac output tends to improve with therapy, and adverse cardiovascular and renal changes are not a problem.

## UNIQUE MODE OF ACTION

Hypovase, unlike previous antihypertensive agents, produces a direct, specific relaxation of arteriolar smooth muscle to reduce elevated peripheral resistance — the major haemodynamic abnormality in essential hypertension. Because the effect is a specific action on the arterioles, there is no venous pooling... and no adverse effect on cardiac or renal mechanisms.

3. *Acta med scandinav.*, in press

Scored tablets, 2mg. and 5mg., in packs of 100.  
Full information on request.

"In a group of 14 hypertensive patients a 10-week course of treatment with prazosin [Hypovase] 3 to 7.5 mg/day produced a significant reduction in mean blood pressure without serious side effects."  
*Brit. med. J.*, 1974, 2, 298-300

"Of 24 patients... only three showed little or no response and in many the blood pressure control has been very satisfactory. There was little postural effect and tolerance was not seen."  
*Brit. med. J.*, 1974, 1, 637

# All new drugs make promises...

# Brufen keeps them

**The promise of relief  
from inflammation and pain...**

fulfilled by more than seven years' use in all types of practice. Over 8,000,000 arthritic patients have been treated with Brufen. It is now prescribed in more than 90 countries throughout the World.

**The promise of an exceptionally  
well tolerated drug...**

clearly demonstrated in large numbers of patients unable to tolerate other antirheumatic agents. Side-effects of any nature have been remarkably few with Brufen.

**The promise of effectiveness  
in long-term use...**

confirmed by extended studies in clinical practice. Every feature of Brufen, including its value in long-term therapy, has been fully discussed in some 250 published articles and papers.

# BRUFEN

(ibuprofen)

# keeps its promise to the arthritic

Brufen is ibuprofen, available as tablets of 200 mg and as a suspension containing 100 mg in 5 ml. Full information from Marketing Services, The Boots Company Ltd., Nottingham.
