Madopar is a combination of levodopa (Larodopa) and benserazide, a decarboxylase inhibitor developed by Roche, in the well-researched and documented ratio of 4:1. Trials in many centres confirm this ratio as the one best tolerated in clinical practice.

Benserazide inhibits the peripheral decarboxylation of levodopa with the result that therapeutic levels of dopamine in the brain are achieved with lower doses and a clinical response occurs within days.

Thus, the well-known benefits of levodopa are realised but with a dramatic reduction in both side-effects and the refractory period—aspects of levodopa therapy which up to now have posed problems for many Parkinsonian patients.

Madopar is the trade mark for pharmaceutical preparations containing levodopa and benserazide.

Larodopa is the trade mark for Roche pharmaceutical preparations containing levodopa.

THERE ARE AROUND 300,000 REASONS FOR CONSIDERING RIVOTRIL IN EPILEPSY

Rivotril is an important new benzodiazepine derivative for the treatment of *all* clinical forms of epileptic disorder. The majority of epileptic patients – there are about 300,000 in the UK – are maintained with several drugs, a considerable number of which exhibit severe side-effects and pose real problems in over-dosage.

That an anticonvulsant drug should be a benzodiazepine with low toxicity,¹ be remarkably free from serious side-effects,^{2,3,4,5} have a rapid onset of action⁶ and be compatible with other anticonvulsants^{3,4} constitutes a major breakthrough.

Rivotril is such a drug.

“The effect of [Rivotril] on grand mal is remarkable . . . in the majority of patients the favourable effect was indisputable.”³

“Clonazepam [Rivotril] is particularly effective in cases of petit mal, and the results of treatment are certainly comparable with those achieved with other currently-used anticonvulsant drugs.”²

VENTOLIN WORKS IN CHRONIC BRONCHITIS

"Salbutamol (Ventolin) is probably the most effective aerosol and also carries least dangers of cardiotoxicity, an important consideration in elderly patients who may have ischaemic heart disease in addition to chronic bronchitis."

(Update 1973, 6, 1807)

The hazard of respiratory infection often makes antibiotic cover the primary consideration in the therapy of the so-called "English Disease". But even when this has been eliminated, the chronic bronchitic often has other problems—chronic breathlessness is one. Whenever reversible bronchospasm can be demonstrated (e.g. by taking Peak Flow Readings) then bronchodilators are indicated. Ventolin Inhaler provides effective, selective metered-dose aerosol therapy—either for routine use or for when distressing attacks of dyspnoea supervene. Ventolin Tablets 2mg and 4mg are for use wherever an oral bronchodilator is preferred. Ventolin Inhaler contains salbutamol BP. Ventolin Tablets contain salbutamol sulphate BP.

Now new strength

Erythroped

makes it easy

Erythroped Forte
Children over 8 years - Adults.
500 mg./5 ml.

Erythroped PI
Children under 2 years.
125 mg./5 ml.

Erythroped Children

Erythroped is the easy antibiotic. Easy for you to prescribe. Easy for parents to give. Easy for children—and old people—to take.

Erythroped is made in 3 strengths for 3 different age groups—the only children's antibiotic that is. We've increased the three strengths, so now Erythroped is even more effective. Simply prescribe them by name, according to the age of the child, q.i.d.

And the delicious cherry taste of Erythroped will ensure that all the treatment you prescribe gets taken.

You know exactly where you are with Erythroped. It's the antibiotic that makes life easier for everyone.

Exercise Testing in Children: Applications in Health and Disease

By S. Godfrey, M.D., Ph.D., M.R.C.P. (London), Hammersmith Hospital, London.

This is a precise and detailed account of the methods used to investigate the response to exercise in both healthy and sick children, and to provide the reader with adequate information on these techniques as well as normal values and examples of disturbances which can occur in disease.

160 pp 100 Illust. Price £5.00 Hardback binding Aug. 1974

Microbiology of Human Skin (Vol. 2)

By W. C. Noble, Ph.D., M.R.C.Path., St. John's Hospital for diseases of the skin, London—and D. A. Somerville, Ph.D., Department of Bacteriology, University of Glasgow.

This book is an intensive study of the normal microbial flora of the skin, and of the varied factors which help to maintain or change its balance. Reference is made to the non-resident micro-organisms which may bring about clinically manifest changes in the skin. This volume contains 4 sections: Skin as a Physical Habitat for Growth; The Principal Members of the Normal Flora; Skin Pathogens and Factors/Which May Effect Changes In That Flora; and finally, methods.

JOINT CLINICAL MEETING DUBLIN 1976

The Irish Medical Association is honoured to act as host to the first Joint Meeting of the three Associations to be held in Dublin from the 27th June-2nd July 1976. We extend a warm welcome to all members and their families. Full details of the meeting including a social programme and attractive travel and accommodation costs will be available in the summer of 1975. These will be sent to you on request. Make a note in your diary. Write or phone us.

Enquiries :

The Irish Medical Association, Conference Centre, 10 Fitzwilliam Place, Dublin 2.
Telephone : 01-762087/762550.

This is what we call practising medicine.

A career in Naval medicine can be a rewarding experience. Opportunities to specialise abound. And perhaps above all else, there is an immense satisfaction to be gained from the wide variety of work you will be involved in.

At sea, for instance, you could be anywhere from the Mediterranean to the Pacific Ocean. Looking after the health and well being of the company of a modern warship.

And though you could spend as long as the first eighteen months of your five year Short Service Commission on board different ships, you need have no fear of losing contact with mainstream medicine. For no matter where you are, you will be kept informed of current medical opinion.

After this, the choice is yours. Post graduate medical training and a career in the clinical disciplines at one of our naval district general hospitals. Haslar or Plymouth, for instance, with their wide spectrum of clinical material drawn from naval personnel, their dependants and the local civilian population as well. There are also naval hospitals in Malta, Gibraltar and Mauritius, with opportunities for exchange appointments elsewhere.

Or you might prefer occupational medicine in our research orientated naval dockyards. Aviation medicine with its accent on rotary wing support of the Fleet. And for those with an administrative turn of mind, community medicine.

Royal Naval expertise in maritime medicine is recognised world wide and research into underwater medicine, nuclear medicine and the closed submarine environment is centred

at the Institute of Naval Medicine at Alverstoke.

Naval general practice in well staffed and equipped medical centres extend as far afield as Hong Kong and Singapore. And new training schemes are now under way in the United Kingdom.

Should you be moved or sent abroad at any time, all expenses will be paid by us. We will help you with accommodation (at very reasonable rents) and provide allowances for the education of your children, if you have a family.

If you enter the Royal Navy immediately after registration you will be given the rank of Surgeon Lieutenant and a salary of £4,548, rising to £4,701 after four years.

On the other hand, if you are older (up to the age of forty) and more experienced, we can offer you a number of opportunities in general practice and the specialities. And, depending on your post-registration experience, you could enter as a Surgeon Lieutenant Commander at a salary of £5,552, rising to £6,147 after five years.

Then, at the end of your five year Short Service Commission you could leave with a tax free gratuity of £3,000.

But if it is mutually agreeable, you could apply for a Full Career Commission or a 16 year pensionable commission. The choice is yours.

In the meantime if you would like further information, write giving details of your age and qualifications to Surgeon Commander L.C. Banks, R.N., (724BU15) Department of the Medical Director General (Naval), Empress State Building, Fulham, London SW6.

RN
ROYAL NAVY

Herpid is 5% idoxuridine, an agent effective against DNA viruses, in dimethyl sulphoxide, a penetrating solvent.

Herpid, brushed on to the vesicles by the patient regularly for 4 days, rapidly reduces pain and resolves lesions.

Eradicates pain

Herpid halves the duration of pain (otherwise often severe and long lasting) in most zoster patients. In one

series the median duration of pain was only 3 days.

Less postherpetic neuralgia

Herpid greatly reduces the incidence and severity of postherpetic neuralgia.

Resolves lesions quickly

Herpid cuts the average healing time of lesions by almost a third.

Herpid is most effective when used early in the course of the disease. So consider zoster in any patient present-

ing with unilateral root pain and prescribe Herpid.

Further information and dermatome maps are available on request. Please write or phone:

THIS GREAT PRODUCT FOR OEDEMA IS A GREAT PRODUCT FOR HYPERTENSION

...because 'Moduretic' in hypertension offers the physician a highly effective anti-hypertensive to control thiazide-responsive hypertension – with fewer problems.

'Moduretic' prevents excessive loss of body potassium – the need for potassium supplements is eliminated.

MODURETIC® ◇ DIURETIC

Amiloride hydrochloride and hydrochlorothiazide

'Moduretic' is available as peach-coloured, diamond-shaped tablets containing 5 mg amiloride hydrochloride and 50 mg hydrochlorothiazide. Detailed information is available to physicians on request. R denotes registered trademark.

Merck Sharp & Dohme Limited
Hoddesdon, Hertfordshire

a highly effective diuretic/antihypertensive that helps to conserve the body's potassium

Now from Beecham: an oral penicillin specifically for Urinary Tract Infections.

Urinary tract infections are rarely as simple as they seem. Patients with renal infection may present with no symptoms other than dysuria and frequency. And management is very often complicated by relapse and recurrence.

Now Beecham have introduced Uticillin, a powerful oral penicillin indicated specifically for the treatment of urinary tract infections such as cystitis and pyelonephritis. Uticillin will successfully treat 9 out of 10 patients first time, with a reduced risk of relapse. Uticillin has the inherent safety of penicillin. Unlike many urinary antibacterials, Uticillin can be prescribed both in pregnancy and when the possibility of pregnancy must be considered.

And the dosage is simple to remember—1 tablet three times a day.

Uticillin. The decisive answer to acute and chronic urinary tract infections.

Adult dosage: Simple urinary tract infections, 1 tablet (500 mg) t.i.d. Complicated and recurrent urinary tract infections, 2 tablets (1g) t.i.d.

Contra-indication: Penicillin hypersensitivity.

Side-effects: As with other penicillins.

Precaution: In mild and moderate degrees of renal impairment the normal dosage recommendations should be followed. In patients with severe renal failure (creatinine clearance of 10 ml/min or less) carfecillin is not recommended; in such patients urine levels may be insufficient for therapeutic efficacy.

Uticillin

specifically for UTI

Further information is available on request.

Uticillin* (carfecillin sodium) is a British product originated by

PFIZER INTRODUCES

Hypovase*
brand of prazosin hydrochloride *Trade Mark

A NEW AGENT FOR
THE TREATMENT OF
HYPERTENSION

CONTROLS BLOOD
PRESSURE SMOOTHLY

IN ALL GRADES OF
BENIGN HYPERTENSION

WITH FEW DISTRESSING
HAEMODYNAMIC EFFECTS

THROUGH A UNIQUE
MODE OF ACTION

NEW Hypovase*

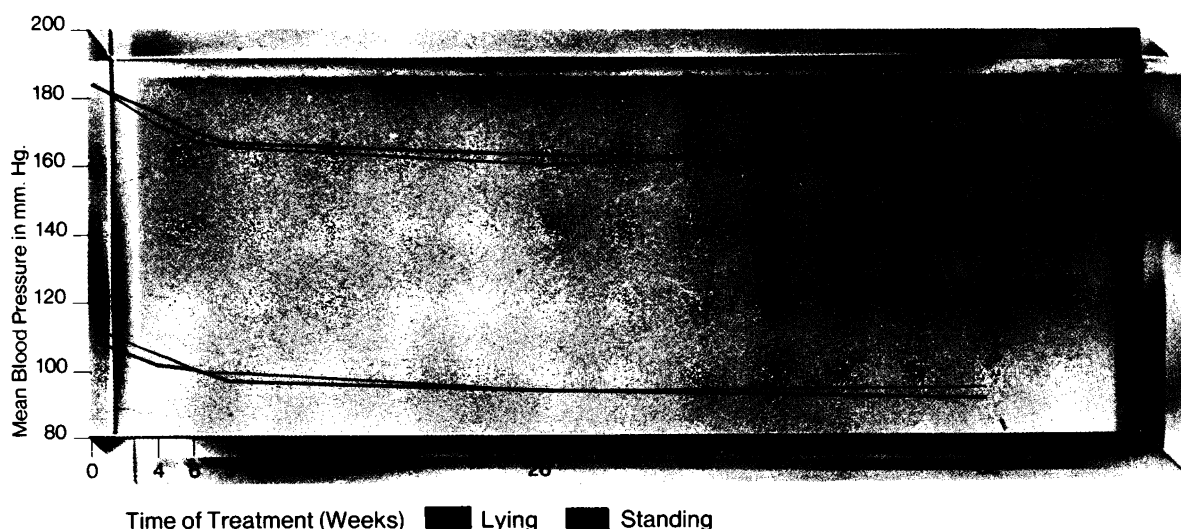

brand of prazosin hydrochloride

*Trade Mark

SMOOTH, GRADUAL REDUCTION OF ELEVATED BLOOD PRESSURE . . .

lying or standing, with no abrupt falls in blood pressure even during the first few days of treatment. The onset of effect is smooth and gradual, reaching the maximum for a given dose in 2 to 8 weeks.

SMOOTH CONTROL MAINTAINED WITH NO DEVELOPMENT OF TOLERANCE¹

EFFECTIVE IN ALL GRADES OF BENIGN HYPERTENSION

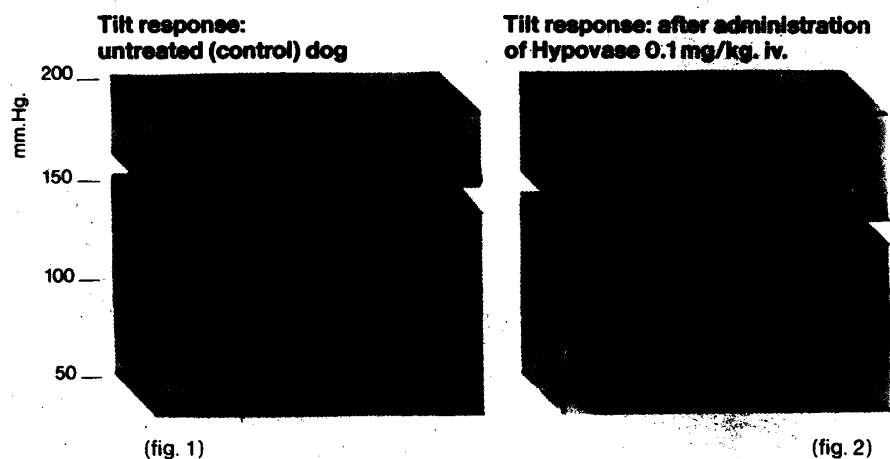

Clinical studies involving more than 1,000 patients to date have amply confirmed the efficacy of Hypovase in benign hypertension of all degrees of severity. In refractory cases, the addition of a thiazide to the regimen often produces a satisfactory response.

"The data cited show that...[Hypovase]...when given alone in divided doses...induces a decline of mean arterial blood pressure of more than 15 mm. Hg in about three-quarters of ambulatory patients with mild to gross severity of disease..."

J. Clin. Pharmacol. 1970, 10, 408

LOW INCIDENCE OF POSTURAL HYPOTENSION AND OTHER DISTRESSING HAEMODYNAMIC EFFECTS

IN DOGS, A NOTABLE ABSENCE OF ORTHOSTATIC CHANGES²

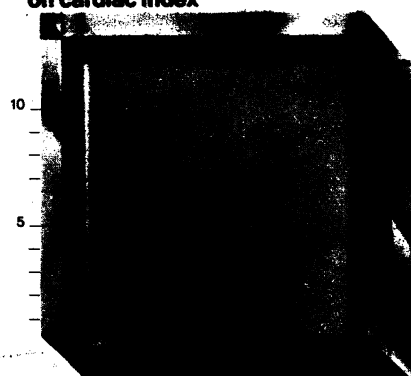

The normal haemodynamic pattern elicited when an untreated (control) animal is abruptly tilted from the horizontal position (fig. 1.) is closely approximated by the pattern obtained following administration of Hypovase (fig. 2.)

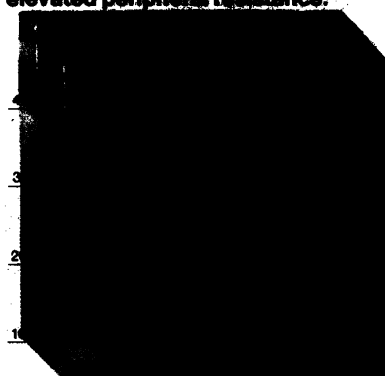

IN HUMANS, HYPOVASE APPEARS TO NORMALIZE SYSTEMIC CIRCULATION³

The following parameters were determined under increasing work loads.

No significant effect on cardiac index

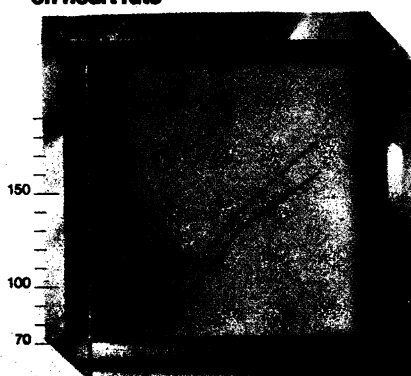

Significant reduction in elevated peripheral resistance.

— Before treatment
--- After treatment

No significant effect on heart rate

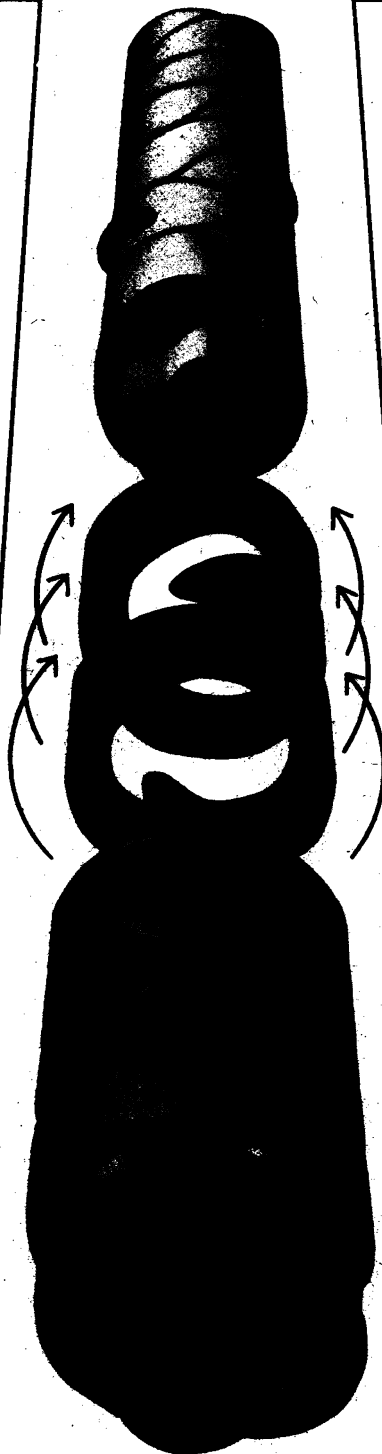

Unlike many other antihypertensive agents, Hypovase appears to effect a normalization of the systemic circulation in benign essential hypertension. Orthostatic hypotension seldom occurs, cardiac output tends to improve with therapy, and adverse cardiovascular and renal changes are not a problem.

UNIQUE MODE OF ACTION

Hypovase, unlike previous antihypertensive agents, produces a direct, specific relaxation of arteriolar smooth muscle to reduce elevated peripheral resistance – the major haemodynamic abnormality in essential hypertension. Because the effect is a specific action on the arterioles, there is no venous pooling...and no adverse effect on cardiac or renal mechanisms.

Sounds right for Septrin

Reliable in chest infections

Why run the risk of a bacterial chest infection becoming chronic?

Experience increasingly indicates the need for prompt, vigorous treatment.

Whenever chest sounds indicate infection, rely on SEPTRIN:

- more effective than ampicillin or tetracycline^{1,2}
- over 30 million treatment courses prescribed worldwide.

SEPTRIN

Non-returnable ulcers with Caved-S

* Definitive healing effect on gastric mucosa obviates need for additional antacid back-up therapy.

* Economical cost means dosage regimen can be maintained over prolonged periods ensuring maximum possible recovery, without relapse problems.

* Marked absence of side effects means greater dosage flexibility to match the severity of your patient's condition.

* No contra indication problems.
4 unique advantages.

Full prescribing information is available on request.

CAVED-S

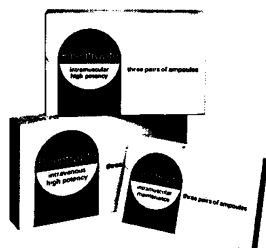

the ulcer fighter

First they need a quick shot in the arm...

In confusional states following acute febrile illness or surgery, alcoholic or drug-induced psychoses, and in peripheral neuritis associated with a malabsorption syndrome, patients should benefit from 2 days intensive intravenous administration of Parentrovite high potency B and C vitamins. After which, therapy can be continued by the intravenous or the intramuscular route for 5-7 days. This treatment rapidly assists a return to normal intracellular glucose metabolism, the consequence of which is a significant improvement in the patient's condition.

Parentrovite high potency injectable vitamins for initial therapy then Orovite follows on naturally from Parentrovite

As soon as the clinical situation allows, the patient can be switched to maintenance therapy with Orovite until full health is restored.

Orovite: high concentrations of vitamins B and C in tablet or elixir form.

Full information on Orovite (regd.) and Parentrovite (regd.) is available on request from Bencard, Great West Road, Brentford, Middlesex.

Why forbid the patient coffee?

Thanks to H-A-G Decaffeinated Coffee even in cases of Insomnia, Palpitations, Disorders of the Heart and Circulation, Excitability, Gastritis and Peptic Ulcer, Gallstones, certain Diseases of the Liver the patient need not forego his favourite beverage.

GENERAL PRACTICE TRAINING POSTS

NOTTINGHAMSHIRE AREA HEALTH AUTHORITY (Teaching)

BASSETLAW DISTRICT VOCATIONAL TRAINING SCHEME FOR GENERAL PRACTICE

This is a new scheme which will start on 1st February, 1975. Initially, there will be four vacant posts and training will be linked with the well established scheme at Doncaster.

The training will be arranged to cater for the successful applicant's individual needs. All trainees will be offered four 6-month S.H.O. posts from the specialities of general medicine, obstetrics, paediatrics, geriatrics (acute work with day hospital facilities) and accident and emergency. This hospital service will be preceded and followed by six months in general practice with one trainer.

Experience in E.N.T., dermatology, orthopaedics, psychiatry and ophthalmology and a half-day release programme will be available throughout the course.

Accommodation available, but not necessarily within Hospital Premises.

The paediatric post is recognized for the D.C.H. examination and the obstetric post for the D.Obst.R.C.O.G.

Application has been made through the Royal College of General Practitioners for recognition of the scheme as fulfilling the requirements for the M.R.C.G.P. examination.

Workshop is a medium-sized town in rural North Nottinghamshire within easy reach of Sheffield, Doncaster, Nottingham and is the gateway to the Dukeries.

Written applications giving full experience of training and qualifications etc. to Assistant District Administrator, Victoria Hospital, Worksop S80 2BN, Notts. (36371) 21

SOMERSET AREA HEALTH AUTHORITY East Somerset District VOCATIONAL TRAINING FOR GENERAL PRACTICE

Applications are invited from Medical Graduates who wish to train for a career in General Practice, to participate in this approved three year course commencing 1st March 1975. The trainee will spend the first two years in Hospital Service posts at Senior House Officer grade in the new Yeovil District Hospital. The post will rotate in General Medicine, Paediatrics, Geriatrics, Obstetrics and Gynaecology. The third year will be spent as an assistant in a local training practice. Throughout the three years a half day a week release scheme will be operated to allow the trainee to attend a course in General Practice.

Those wishing to be considered should be fully registered by the date of commencement of the course and should apply to the District Administrator, Yeovil District Hospital, Yeovil, Somerset BA21 4AT, by 21st December 1974. (28458) 21

VOCATIONAL TRAINING FOR GENERAL PRACTICE

Applications are now invited from recently qualified medical graduates for a 3 year course of training commencing on 1st February 1975 in Halifax. The appointment will consist of: 1. Six months in General Practice; 2. Six months in General Medicine; 3. Six months in Accident and Emergency; 4. Twelve months in which candidates may select their specialities, which may include, Paediatrics and Obstetrics and Gynaecology; 5. Six months in General Practice.

Special arrangements will be made throughout the course for experience in E.N.T., Ophthalmology and Dermatology and Psychiatric departments and other sections relevant to General Practice. A study programme will be continuous throughout the three year period.

Other information may be obtained from Dr. I. M. Muscat-Baron, Consultant Physician, Royal Halifax Infirmary.

Applications giving names and addresses of two referees should be sent to Area Personnel Officer, Royal Halifax Infirmary, Halifax by 30th December, 1974. (36336) 21

DEPARTMENT OF GENERAL PRACTICE UNIVERSITY OF MANCHESTER

Applications are invited to fill an immediate vacancy for a

TRAINEE GENERAL PRACTITIONER

in the Darbshire House Health Centre. Distict Nurses and Health Visitors are attached, full ancillary staff, X-ray unit, open access to teaching hospital investigation facilities. Excellent opportunities for postgraduate study including day-release course.

Accommodation not available.

Applications, as soon as possible, to: The Secretary, Department of General Practice, Darbshire House, Upper Brook Street, Manchester M13 0FW.

ST. HELENS & KNOWSLEY AREA HEALTH AUTHORITY and the University of Liverpool

VOCATIONAL TRAINING FOR GENERAL PRACTICE

Applications are invited for a 3-year course commencing 1st March, 1975 based at Whiston General Hospital.

The programme consists of 6 periods of duty each of 6 months duration, two of which will be with approved general practitioner trainers and 4 in hospital posts selected from a range of specialties including Obstetrics and Gynaecology, Psychiatry, Paediatrics, Geriatrics, General Medicine, E.N.T./Ophthalmology and Accident and Emergency.

Trainees will be expected to attend the Day Release course organised by the University of Liverpool.

At Whiston Hospital there is a new purpose built Postgraduate Medical Centre, comprising lecture rooms, study rooms and a library under the control of a professional librarian in conjunction with the Area Postgraduate Tutor.

Applications for married accommodation for the full 3 years training will be sympathetically considered.

Application forms and full details of the scheme are obtainable from the Area Personnel Department, St. Helens & Knowsley Area Health Authority, Cowley Hill Lane, St. Helens. Closing date 20th December. (28560) 21

The successful applicant will be eligible for an honorary consultant contract with the United Leeds Hospitals. The department may be visited by arrangement with Professor E. Mary Cooke. Salary on one of the scales £2883-£5223 or £5343-£6561 (to be adjusted if honorary consultant status awarded). Forms of application and further particulars may be obtained from the Registrar, The University, Leeds LS2 9JT. Please quote reference 96/1/1. Closing date for applications 20th January 1975. (28431) 25

OCCUPATIONAL HEALTH

Attention is drawn to the British Medical Association's statement of policy on the Remuneration of Industrial Medical Officers as approved by the Representative Body, which is available on request from the Secretary.

Medical Officer

West Midlands £6,500 plus

Longbridge Operations, located on the Southern outskirts of Birmingham, has a vacancy for a full-time Medical Officer. The variety of processes involved in the manufacture of motor cars provides an unusually broad range of occupational health experience. Some 26,000 employees are served by an established comprehensive medical service of full-time doctors and nurses and there are X-ray and Rehabilitation facilities. The Service works in co-operation with an established Industrial Hygiene Unit.

Duties include the examination of employees as a result of injury or illness occurring in the place of employment, and examinations for certain categories of staff in order to advise on placement. In addition, study of the working environment will be required to ensure safe working methods and use of materials. There will also be an opportunity to train for the Diploma of Industrial Health. Applicants need not have previous industrial experience but general medical experience would be helpful.

Starting salary will not be less than £6,500 p.a. Attractive fringe benefits are available and assistance will be given in moving house.

Applications which will be treated in confidence should be made to:

*John G. Priest, Recruitment Co-ordinator,
Divisional Personnel, Power and Transmission Division,
British Leyland, Longbridge, BIRMINGHAM B31 2TB.*

MONASH UNIVERSITY
Melbourne, Australia
Department of Pathology & Immunology

LECTURER OR SENIOR TUTOR
The Department is responsible for teaching 4th, 5th and 6th year medical students and a small number of B.Med.Sc. and Science Honours and graduate Immunology students. Its research programme is orientated to problems of cancer immunology and immunological diseases. Excellent facilities are available for a variety of modern experimental pathological techniques, including fluorescent and electron microscopy tissue culture, radio- and chemical pathology. Applicants should have experience in Pathology and/or Immunology.

Salary Scales: Lecturer \$A9,002-\$A12,352 per annum; Lecturer (medically qualified) \$A10,673-\$A14,022 per annum; Senior Tutor \$A7,545-\$A9,002 per annum with superannuation based on an endowment assurance scheme, the employee and employer contributing 5% and 10% respectively.

Benefits: Travelling expenses for appointee and family; removal allowance; repatriation after three years' appointment if desired; temporary housing for an initial period. Study leave entitlement (for Lecturers only) accumulates at the rate of one month's leave for each six months' service up to six years with provision for financial assistance. Availability of loans for home purchase (for Lecturers only).

Further general information and details of application procedure are available from the Academic Registrar, Monash University, Wellington Road, Clayton, Victoria 3168, Australia or the Association of Commonwealth Universities (Apts), 36 Gordon Square, London WC1H 0PF. Enquiries about the Department to Professor R.C. Nairn, Department of Pathology, Monash Medical School, Alfred Hospital, Prahran, Victoria 3181.

Closing date: 17th January 1975. Appointment to commence in May 1975.

The University reserves the right to make no appointment or to appoint by invitation. (28534)

APPLICANTS ARE ADVISED NOT TO send original testimonials when replying to advertisements. Copies will serve the purpose quite as well, and in the event of their being lost or mislaid no inconvenience will ensue.

UNIVERSITY OF LEEDS
Department of Obstetrics & Gynaecology
(Leeds Maternity Hospital)

Applications are invited for the post of
TUTOR

(Senior Registrar)
in the Department of Obstetrics and Gynaecology (Leeds Maternity Hospital). Salary on the scale £3120 x £234(3)-£3822 x £213(4)-£4674 x £156-£4830.

Duties will include involvement in the management of patients in the Maternity Hospital at Leeds and gynaecological patients at the Hospital for Women at Leeds. There will be a responsibility for instruction and training of medical students during their period of residency. Holders of the post are normally granted honorary Senior Registrar status. There are opportunities for clinical and laboratory research.

Interested candidates may contact Professor J. S. Scott, Department of Obstetrics and Gynaecology, 17 Springfield Mount, Leeds LS2 9NG (Tel: 0532-453905).

Forms of application and further particulars may be obtained from the Registrar, The University, Leeds LS2 9JT. Please quote reference 100/1. Closing date 13th January 1975. (28521)

FELLOWSHIP AWARDS

PEEL MEDICAL RESEARCH TRUST

Applications are invited from registered medical practitioners for a Travelling Fellowship. The Fellowship aims to provide 1 year of postgraduate study in medicine or allied subjects at centres abroad. The basic allowance will be at the rate of £1,750 per annum, with additional allowances for travelling and home maintenance in certain circumstances. Candidates should supply full details of the intended study, including the name of the department or centre at which they intend to work, and an assurance of consent from the head of the department concerned. Applicants must be permanently resident in the United Kingdom.

Further particulars and forms of application are available from the Peel Medical Research Trust, P.O. Box No. 111, 5, New Square, Lincoln's Inn, London, WC2A 3RP. Closing date for receipt of applications 17th February, 1975. (H13284)

SEARLE RESEARCH FELLOWSHIP IN CLINICAL VIROLOGY

THIS FELLOWSHIP is designed to give training and research experience in clinical virology in both an industrial and academic setting.

IT WILL BE of particular interest to clinicians or clinical pathologists who wish to gain experience in both the laboratory and clinical aspects of virology and anti-viral therapy.

THE TENURE OF the fellowship will be for 3 or 4 years, half being spent in the Department of Experimental Medicine at G D Searle and Company Limited at High Wycombe and half at the MRC Clinical Research Centre, Northwick Park Hospital and the Common Cold Unit.

THE FELLOW WILL be responsible for the planning, administration and conduct of research in the field of experimental and clinical virology with particular respect to anti-viral therapy.

THE SALARY will be at Registrar or Senior Registrar level, depending on qualifications and experience and assistance will be given with re-location expenses.

FURTHER DETAILS MAY BE OBTAINED FROM DR. D. A. J. TYRRELL, DEPUTY DIRECTOR, CLINICAL RESEARCH CENTRE, WATFORD ROAD, HARROW, MIDDLESEX, HA1 3UJ.

(28472-26)

UNIVERSITY OF OXFORD

RADCLIFFE TRAVELLING FELLOWSHIP
IN MEDICAL SCIENCE 1975

The Radcliffe Travelling Fellowship is endowed out of the Fund bequeathed to University College by Dr. John Radcliffe. It is held for two years of which the Fellow must spend at least one year abroad engaged in the study of medical science. While abroad he will be paid £3,500, plus allowances of £650 for a wife and £150 for each child; these payments will normally not be subject to tax. No payment will be made to the Fellow while he is in this country but he will be entitled to the common meal at University College.

Candidates must have passed all the examinations required by the University for the Degrees of Bachelor of Arts and Bachelor of Medicine of the University of Oxford, and must not have exceeded six years from the time of passing the last examination for the Degree of Bachelor of Medicine.

The Fellowship will be vacated ipso facto by a Fellow who spends more than twelve months on the whole within the United Kingdom, but permission may be given to an elected candidate to postpone taking up his Fellowship for a period which shall not normally exceed one year from the date of election.

Candidates will be required to submit an essay of not more than six thousand words on some subject chosen by themselves connected with the science or practice of medicine, including pre-clinical subjects. With this essay they should submit a statement indicating the sort of work they would like to do during the period of tenure of the Fellowship, should they be successful. They will be interviewed and, if the examiners think fit, orally examined, on a date to be advertised later.

Each intending candidate should send his name and address, qualifications, and curriculum vitae, together with the above-mentioned essay and statement regarding the nature of the work he would like to do, to the Regius Professor of Medicine, 13 Norham Gardens, on or before 31st January 1975. (H13280) 26

GRANTS

PEEL MEDICAL RESEARCH TRUST

Applications are invited from registered medical practitioners, or from other persons engaged in medical research, for grants of financial aid towards medical research. Any one grant is unlikely to exceed £1,000; the average is £500 which may be repeated for up to 3 years.

Further particulars and forms of application are available from the Peel Medical Research Trust, P.O. Box No. 1, 5 New Square, Lincoln's Inn, WC2A 3RP. Closing date for receipt of applications 17th February, 1975. (H13285) 29

APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1974, No. 361).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

In particular, they will find full details of facilities provided in most hospitals in the United Kingdom in the current edition of the *Hospital Gazetteer*. If such details are not included members are advised to consult the Secretary of the B.M.A.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £2,202 per annum for the posts held during the first year; £2,370 per annum for posts held during the second year; £2,538 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,823 per annum x £189(1) x £186(1) — £3,198.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £3,198 per annum x £171(3) x £168(1) — £3,879.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £3,711 per annum x £168(1) x £216(4) — £4,743.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £3,504 per annum x £183(2) x £180(2) x £168(10) — £5,910.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £5,433 per annum x £279(8) x £282(1) — £7,947.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rent is appropriate. July, 1974

required 13th to 19th January. Single accommodation only. Ring St Albans 68224. Ext: 12, office hours, or write District Administrator, St Albans City Hospital, St Albans, Herts AL3 5PN. (36304) 51-8

ROYAL GWENT HOSPITAL

Newport, Gwent (442 beds)
(Recognized F.R.C.S.)

THREE SENIOR HOUSE OFFICERS
required for Accident and Emergency Department on 1st January, 7th January and 1st February 1975. Married accommodation available. Resident. The Department is in the charge of a full-time Consultant Surgeon, has five Senior House Officers and all emergency cases are admitted through the Department, which is responsible for initial resuscitation. The Department is equipped with apparatus for cardiac monitoring, positive pressure ventilation, as well as X-ray Intensifiers and a Berman F.B. Locator.

The Hospital is the base hospital for the District and therefore has a large volume of acute cases of all specialties. It is being extensively redeveloped by a major capital building programme. An intensive care unit is situated at the Hospital.

There is a close connection with the teaching hospital at Cardiff 110 miles to the west and to the University of Wales postgraduate education programme with a very good library. A Postgraduate Centre is situated at the Hospital. The appointment gives ample opportunity to the holder to avail himself of these facilities.

The successful candidate will be expected to be resident on the nights on which he is on first call, which will on average be one night in five.

Apply quoting two referees to District Administrator, 64 Cardiff Road, Newport, Gwent. (28546) 51-8

UNIVERSITY OF BRISTOL

AVON AREA HEALTH AUTHORITY

(Teaching)
Bristol Health District (Teaching)
Bristol Royal Infirmary

ROTATIONAL APPOINTMENT FOR DEMONSTRATOR IN PATHOLOGY AND SENIOR HOUSE OFFICER TO THE ACCIDENT AND EMERGENCY DEPARTMENT

Applications are invited from registered medical practitioners for appointment in a new rotational training scheme commencing on 1st January 1975.

The successful candidate will spend one year as Demonstrator in the Department of Pathology, University of Bristol, and six months as Senior House Officer in the Accident Service, Bristol Royal Infirmary. The duties as Demonstrator include assistance with the teaching of medical students and the conducting of autopsies; previous experience is not necessary and facilities for training in diagnostic histology are available. As Senior House Officer comprehensive training is available in accident surgery, including neurosurgery and plastic surgery; whilst on the Accident Service duties will be non-resident except for nights on call. The appointment offers an excellent opportunity to study basic pathology for those who wish to pursue a career in surgery and to prepare for the Primary F.R.C.S. examination.

The salary scale as Demonstrator is £2,883 - £4,044 per annum according to qualifications and experience, and as Senior House Officer at standard rate in the National Health Service.

Applications (3 copies) giving full name, age, qualifications, details of education and experience, together with the names of not more than three referees, should reach the Secretary, Senior House, The University, Bristol BS8 1TH (quoting reference 'LD') from whom further particulars may be obtained, not later than 8th January 1975. PAEDIATRICS

BIRMINGHAM
AREA HEALTH AUTHORITY
 (Teaching)
 East Birmingham Health District

CONSULTANT PAEDIATRICIAN
 Whole-time or maximum part-time with a special interest in Renal Disease. Duties are mainly at East Birmingham Hospital, where there is a major Paediatric Unit serving a population of 365,000 and fully integrated into the University of Birmingham undergraduate teaching programme. The successful candidate will be one of a team of four consultants, one of whom is a University Senior Lecturer. In addition to general paediatrics it is intended that the new consultant will develop a service for children with renal disease, including those suitable for haemodialysis and transplantation. East Birmingham Hospital has an established renal unit undertaking long term haemodialysis in charge of two consultant physicians. In addition to working with them the successful candidate will be offered three sessions as consultant associate at the Children's Hospital, Birmingham, to assist in running the existing renal service. Duties at both hospitals will include teaching and excellent research facilities are available. Applicants must hold a higher qualification and have wide experience in general paediatrics, as well as paediatric nephrology. Further details may be obtained from the District Administrator, East Birmingham Hospital, with whom arrangements may be made to visit the Hospital. Successful candidate must reside within ten miles of main hospital. Applications naming three referees, to Regional Administrator, West Midlands Regional Health Authority, 146 Hagley Road, Birmingham B16 9FA by 27th January, 1975. (36359) 79-1

**NORTH WESTERN
REGIONAL HEALTH AUTHORITY**

**WHOLE-TIME OR
MAXIMUM PART-TIME
CONSULTANT PSYCHIATRIST**

to the Lancashire Area Health Authority at Calderstones Hospital, Whalley, near Blackburn which has 1619 beds for the mentally handicapped. This hospital is situated in the Blackburn District but is managed on an Inter-District arrangement by the Burnley District of the Lancashire Area Health Authority. The appointee will be required to liaise with Health Authorities in the Burnley and Rochdale areas.

Wide experience and a higher qualification are essential and the appointee will be required to live within 10 road miles of Calderstones Hospital and convenient to Burnley and Rochdale.

Calderstones Hospital is situated in the beautiful Ribbles Valley within easy reach of main centres, the Lake District and the Lancashire Coast.

Application forms and further particulars from the Regional Medical Officer, North Western Regional Health Authority, Gateway House, Piccadilly South, Manchester, M60 7LP, to be returned by 4th January, 1975. (28320) 84-1

**NORTH WESTERN AND NORTHERN
REGIONAL HEALTH AUTHORITIES**

**CONSULTANT
PSYCHIATRIST
Whole-time or maximum part-time
Consultant Psychiatrist
to the Lancashire
Area Health Authority
and the Cumbria
Area Health Authority**

The appointee will be based at the Royal Albert Hospital, Lancaster, which has 996 beds for the mentally handicapped and will be required to liaise with the Health Authorities in the Lancaster, Preston and Blackpool Districts of the Lancashire Area Health Authority and with those in the South West Cumbria District and South Lakeland Sector of the East Cumbria District of the Cumbria Area Health Authority.

The Royal Albert Hospital is situated in very pleasant surroundings, one mile from the City of Lancaster and in easy reach of the seaside, Lake District and Southern Scotland. It is a progressive hospital, having amongst the usual services associated with a hospital of this kind, a very wide variety of occupational and industrial therapies, together with a modern, well equipped Assessment Centre, catering for both adults and children. An active psychology service functions within the hospital.

Wide experience and a higher qualification are essential. The appointee will be required to live within ten miles of the Royal Albert Hospital.

Application forms and further particulars from the Regional Medical Officer, North Western Regional Health Authority, Gateway House, Piccadilly South, Manchester, M60 7LP. Closing date for applications, 4th January, 1975. (28483) 84-1

THE HOSPITALS FOR SICK CHILDREN and The City and East London Area Health Authority (Teaching)

Applications are invited for the post of

SENIOR REGISTRAR IN CHILD PSYCHIATRY

for duties to be shared equally between the Hoxton Child Guidance Unit and the Queen Elizabeth Hospital for Children, Hackney Road, London, E2 8PS. The Queen Elizabeth Hospital is a member of the Hospitals for Sick Children Group. The Hoxton Child Guidance Unit is a well established clinic in the community. It is already linked by a consultant joint appointment to the Queen Elizabeth Hospital and takes part in the undergraduate teaching programme for students from St. Bartholomew's Hospital, Family, Group, Individual and Community techniques are employed. The candidate would be expected to gain some experience in mental handicap.

Further details and application forms available from the House Governor, The Hospital for Sick Children, Great Ormond Street, London WC1N 3JH and to be returned by 23rd December, 1974. Telephone enquiries: 01-405 9200 Ext. 3. (H13311) 84-5

CLAYBURY HOSPITAL

Woodford Bridge, Woodford Green, Essex
There will be a vacancy from 1st December 1974 for a

FULL-TIME PSYCHIATRIC REGISTRAR

at this hospital of 1,560 beds with an admission rate of 1,600 patients annually. Claybury is a progressive psychiatric hospital within easy reach of Central London. It is accredited under Category 1 for the full course of psychiatric training towards the M.R.C.Psych. and the post is recognized for the D.P.M. The post offers special experience in training in therapeutic community methods. The hospital is organized into firms, each serving a sector of the catchment area. Each Registrar works on an admission ward under consultant supervision, and has responsibility for longer stay wards. The Registrar undertakes out-patient work and has the opportunity to train in group psychotherapy under a Consultant Psychotherapist. A postgraduate training programme of case conferences, seminars and journal discussion is organized by the Clinical Tutor. Facilities are also offered for attendance at other recognized courses.

The appointment is non-resident but married or single accommodation is available. Please apply to the Administrator as soon as possible, with names and addresses of two referees. (27616) 84-6

ESSEX AREA HEALTH AUTHORITY

WESTMINSTER HOSPITAL & QUEEN MARY'S HOSPITAL (ROEHAMPTON) DEPARTMENTS OF PSYCHIATRY
in association with
Kensington, Chelsea and Westminster Area Health Authority (Teaching)
Merton, Sutton and Wandsworth Area Health Authority (Teaching)
Kingston & Richmond Area Health Authority and Croydon Area Health Authority

invite applications for two appointments to their

ROTATIONAL TRAINING SCHEME IN PSYCHIATRY (Resident)

The scheme offers a broadly based general training lasting 2½ - 3½ years and provides the clinical experience required for Membership of the Royal College of Psychiatrists. In addition to active postgraduate programmes in participating hospitals, systematic teaching will be provided through day-release attendance at the South West Thames Regional Courses in Psychiatry, which extend over three years.

Both appointments will commence with an academic post, followed by rotation in two selected posts at Warlingham Park Hospital or Long Grove Hospital, in child psychiatry at Westminster Hospital or together with subnormality at Queen Mary's Hospital, Carshalton, then to posts in District General Hospitals — Queen Mary's Hospital, Roehampton or St. Mary Abbots Hospital; thereafter a choice of more specialised experience should be available; alcoholism, child and adolescent psychiatry, forensic psychiatry or psychotherapy.

Appointments will be made as S.H.O. in the first instance and subject to satisfactory review at the end of the academic post, will be continued in the registrar grade. The first appointment commences 1st February 1975. Married accommodation will be provided at an economical rent for the duration of the training period, a single room will be available rent free at the hospitals where resident night duties are required.

Application forms should be obtained from and returned to the Assistant Hospital Secretary, Queen Mary's Hospital, Roehampton, SW15 (Tel: 789-6611 Ext: 204) by December 20th, 1974. 84-8 (36301)

RADIOLOGY

NORTH WESTERN
REGIONAL HEALTH AUTHORITY

TWO WHOLE-TIME OR MAXIMUM PART-TIME CONSULTANT RADIOLOGISTS
to the Blackpool District of the Lancashire Area Health Authority with duties mainly at Victoria Hospital, Blackpool (566 beds), a modern hospital providing a regional cardiothoracic service. Plans are in being for the expansion of the main X-ray Department on an immediate basis and a new sub-department is planned for 1977, with provision for ultrasound and isotope studies. Wide experience and a higher qualification are essential and the appointees will be required to live within 10 road miles of the main hospital. Application forms and further particulars from the Regional Medical Officer, Gateway House, Piccadilly South, Manchester, M60 7LP, to be returned by 4th January, 1975. (28321) 85-1

WEST MIDLANDS
REGIONAL HEALTH AUTHORITY
Coventry and Warwickshire Areas

Whole-time or maximum part-time **CONSULTANT RADIOLOGIST**
Vacant March, 1975 on retirement of present holder with main duties in the Coventry hospitals, with two sessions allocated for duties in Rugby. The sessions in Rugby and most of the sessions in Coventry are for a general radiologist, but there is opportunity for a suitably qualified candidate to undertake up to three sessions in neuro-radiology. There is a regional neurosurgical unit in Coventry. General radiology, including some systemic arteriography and other routine procedures would occupy most of the Coventry sessions, but as well as neuro-radiology there are opportunities for ultrasonics and isotope scanning. There is also a regional cardiac surgery unit. Active postgraduate centre and every encouragement to undertake research. Candidates should have a higher qualification and wide experience in the specialty. Successful candidate must reside within 10 miles Coventry and easy reach Rugby. Candidates welcome to visit hospitals by prior arrangement. Applications (12 copies) naming 3 referees to Regional Administrator, 146 Hagley Road, Birmingham B16 9PA by 13th January. (36425) 85-1

LAMBETH/SOUTHWARK/LEWISHAM
AREA HEALTH AUTHORITY
(Teaching)
Guy's Group of Hospitals

Applications are invited for the post of **CONSULTANT RADIOLOGIST** (Six Sessions)

to the Guy's Group of Hospitals. The successful applicant will be required to undertake three sessions at Guy's Hospital, mainly concerned with the diagnostic applications of ultra sound and three general sessions at New Cross Hospital.

Applications, together with the names of three referees, should be sent to the Clinical Superintendent, Guy's Hospital, London, SE1 9RT not later than 28th December 1974. (28154) 85-1

OXFORD
REGIONAL HEALTH AUTHORITY

CONSULTANT RADIOLOGIST (whole-time or maximum part-time)
required for the West Berkshire Health District with duties shared with 5 other Consultants mainly in the Royal Berkshire and Battle Hospitals, Reading. Modern well equipped department (further extension nearing completion). Active postgraduate centre. Further particulars on request. Typed applications on A4 paper giving full particulars and names of three referees to the Regional Administrator, Oxford Regional Health Authority, Old Road, Headington, Oxford by 6th January, 1975. Please quote reference 17/1/15/45/BMJ. (36154) 85-1

WESSEX
REGIONAL HEALTH AUTHORITY
and
HAMPSHIRE
AREA HEALTH AUTHORITY
(Teaching)

Applications are invited for the post of **CONSULTANT RADIOLOGIST** to the Salisbury and to the Southampton and South West Hampshire Health Care Districts.

The post is vacant from 1st February, 1975 and the successful candidate will spend nine sessions in Salisbury and two sessions weekly in Southampton. The person appointed will be expected to live within a ten mile radius of Salisbury General Hospital.

Application forms and job description are obtainable from the Regional Medical Officer, Wessex Regional Health Authority, 'Highcroft', Romsey Road, Winchester, Hants. Closing date for applications is 13th January, 1975. (36424) 85-1

MANCHESTER
AREA HEALTH AUTHORITY
(Teaching)

Applications are invited for the post of **SENIOR REGISTRAR IN NEURORADIOLOGY**

to provide a specialised training in Neuroradiology. The appointee will be a Senior Registrar who has undergone the basic training and preferably holds F.F.R. qualification. The post is tenable at the Manchester Royal Infirmary for 12 months with a possibility of extending to two years.

Application forms available from The Area Medical Officer, Manchester Area Health Authority (Teaching), Mauldeth House, Mauldeth Road West, Manchester M21 2RL, to be returned by 28th December, 1974. (36178) 85-5

SOUTH GLAMORGAN HEALTH AUTHORITY
(Teaching) and
Salop Area Health Authority

Applications are invited for the appointment of **SENIOR REGISTRAR IN MEDICAL RADIODIAGNOSIS**

The appointment will provide a full training programme in all branches of the specialty, including neuro-radiology and cardio-thoracic radiology and will be based initially at the University Hospital of Wales (Cardiff). Attachments to other Hospitals in the Cardiff area are included, and one six month attachment at the Robert Jones and Agnes Hunt Orthopaedic Hospital, Oswestry, for certain specialised experience. The appointment is under the auspices of the Joint Advisory Committee on Senior

Registrar Training and is subject to annual review.

Application forms from the Medical Personnel Department, Temple of Peace and Health, Cathays Park, Cardiff, (Tel: 0222 31021, Ext. 46) to be returned by 31st December, 1974. (28540) 85-5

RADIO THERAPY

OXFORDSHIRE
AREA HEALTH AUTHORITY
(Teaching)

REGISTRAR
IN RADIO THERAPY

Applications are invited for the post of Registrar in Radiotherapy which is based on the Churchill Hospital and which will fall vacant on 30th December, 1974. This centre has a full range of equipment for treatment by mego-ortho and a low-voltage radiation. A large variety of sealed and unsealed isotopes are in regular use. Duties will include treatment and clinic sessions: undergraduate and postgraduate teaching and experience in peripheral clinics. The successful candidate will be encouraged to take part in the many research projects currently being pursued. Facilities are available for Radio-Biological Studies. Training facilities for the D.M.R.T. and F.R. are available in Oxford. A higher qualification will be an advantage. The post is non-resident.

Applicants may view the department by arrangement with Dr. G. Wiernik, Radiotherapy Department, Churchill Hospital, Headington, Oxford.

Applications on forms obtainable from a Medical Staffing Officer, Manor House, Off Headley Way, Headington, Oxford, OX3 9DZ should be returned to him by 21st December quoting reference M107/74. (36155) 86-6

NOTTINGHAMSHIRE
AREA HEALTH AUTHORITY
(Teaching)
South Nottingham District
General Hospital, Park Row, Nottingham

RESIDENT SENIOR HOUSE OFFICER
required from 1st February, 1975 in the Department of Radiotherapy at the above hospital.

This is a well-equipped Department, including Linear Accelerator (with electrons), Cobalt and Orthovoltage Units. Duties include responsibility for the ward care of some 56 patients. This post would be well suited for a trainee in Radiotherapy. The appointment is for six months in the first instance.

Applications, together with the names and addresses of two referees should be sent as soon as possible to the Personnel Officer, Harvey Court, University Hospital, Nottingham NG7 2UH. (36426) 86-8

RHEUMATOLOGY AND REHABILITATION

HIGHLAND HEALTH BOARD

Applications are invited for the post of **CONSULTANT IN REHABILITATION** (whole-time or maximum part-time)

based at Raigmore Hospital, Inverness, in a modern department opened in 1971 forming part of Phase I of the New Central Hospital, Inverness, complete with hydrotherapy pool. A modern Postgraduate Medical Centre and excellent Library are available at Raigmore Hospital.

Form of application and further particulars may be obtained from the Personnel Officer, Highland Health Board, 17 Old Edinburgh Road, Inverness, with whom applications should be lodged by 10th January, 1975. (H13300) 87-1

GRAMPIAN HEALTH BOARD

Applications are invited for the appointment of two whole-time or maximum part-time

CONSULTANT RADIOLOGISTS

with main duties in the ABERDEEN TEACHING HOSPITALS.

One post is vacant at present and the other is a new appointment created in view of increased workload and the wide range of services now undertaken by the Department of Radiodiagnosis.

The University will accord the honorary status of Clinical Senior Lecturer.

Applications, together with the names of two referees should be forwarded by 14th January, 1975, to the Chief Administrative Medical Officer, 1 Albyn Place Aberdeen, AB9 1RE, from whom further particulars and a form of application may be obtained. (28430) 85-1

THE CITY AND EAST LONDON AREA HEALTH AUTHORITY (Teaching) and the North East Thames Regional Health Authority

Applications are invited for the post of
NON-RESIDENT SENIOR REGISTRAR
IN RHEUMATOLOGY
becoming vacant 1st April, 1975. Candidates
must be members of a Royal College of
Physicians. This is a rotational appointment in
which the successful candidate spends the
majority of the time at The London Hospital,
and part at Hackney Hospital, the Prince of
Wales's General Hospital, Tottenham and in
the Colchester District. Facilities for research
are available if required. Full details of the
rotational programme are available on
application to The London Hospital.
Applications (no forms provided), giving the
names and addresses of three referees, should
be received by 31st December, 1974 and
addressed to The Medical Staffing Officer, The
London Hospital, Whitechapel, E1 1BB. D. J.
Kenney, District Administrator, Tower Hamlets
Health District. (28479) 87-5

UNIVERSITY OF LEEDS Department of Medicine RHEUMATISM RESEARCH UNIT (see Academic Staff Appointments) (28255) 87-6

PRINCESS ALEXANDRA HOSPITAL Harlow, Essex

SENIOR HOUSE OFFICER
IN RHEUMATOLOGY & REHABILITATION
required from the 13th January, 1975. Mainly
at Princess Alexandra Hospital and St.
Margaret's Hospital, Epping. Resident post.
Out-patient and ward duties, and experience
in new Medical Rehabilitation Centre.
Recognized as training post by the Royal
College of Physicians for D.F.M.
Applications with details of age,
experience, qualifications and names of two
referees to Hospital Secretary. (H13328) 87-8

ROTATING APPOINTMENTS

NORTH MIDDLESEX HOSPITAL London N18 1QX

**ROTATIONAL
SENIOR HOUSE OFFICER**
IN GENERAL SURGERY
AND ORTHOPAEDICS/ACCIDENT
AND EMERGENCY/THORACIC SURGERY
Applications are invited for a post vacant on
the 16th January, 1975 in a Rotational Training
Scheme in General Surgery. The post will
involve a two-year appointment, one year of
which will be in general surgery, six months in
accident and emergency and six months in
thoracic surgery. Candidates should possess
the Primary Fellowship as the training is
geared towards the acquisition of the Final
Fellowship. The post is resident (married
accommodation may become available).
Applications with full particulars and the
names of referees to the Hospital Secretary by
the 18th December, 1974. (36277) 88-8

SPINAL INJURIES

LOTHIAN HEALTH BOARD

**CONSULTANT TO
SPINAL PARALYSIS SERVICE**
Applications are invited for this consultant
post based initially at the Spinal Injuries Unit,
Edenhill Hospital with responsibility for the
co-ordination of the day to day care of
patients working in association with the other
consultants concerned. The present unit will
be replaced in new building at the Princess
Margaret Rose Orthopaedic Hospital and will
offer an expanded spinal paralysis service.
Where the successful applicant has
experience in a specialty associated with the
care of spinal paralysis, consideration will be
given to an attachment to a specialist unit of
his interest. Participation in teaching will be
expected. There are opportunities to pursue
research either on an individual or team basis.
The appointment will be whole-time or
maximum part-time and the person appointed
may be offered a part-time Senior Lectureship
in the University of Edinburgh and in that
case his contract with the Health Board would
include a specific allocation of sessions for
academic duties. The appointment may,
however, be one with whole-time or maximum
part-time duties to the Health Board without
a university component other than an
appointment to the Clinical Teaching Staff.
Further details on application.
Applications which should be typewritten,
giving particulars of age, qualifications and
previous experience, together with the names
and addresses of three referees should be
lodged with the Secretary, 11 Drumshugh
Gardens, Edinburgh, EH3 7QQ by 30-1
January 1975. (H13339) 90-1

LEEDS AREA HEALTH AUTHORITY (TEACHING)

POSTGRADUATE TRAINING IN SURGERY

Applications are invited for a vacancy commencing 1st January
1975 on the above Postgraduate Training Scheme. The successful
candidate will be appointed for a period of three years — two in
the Senior House Officer grade and one in the Registrar grade —
to rotate at six monthly intervals through a series of six ap-
pointments at St. James's Hospital and Chapel Allerton Hospital.
All the posts are recognized by the Royal College of Surgeons for
F.R.C.S. training. The post is non-resident.

The scheme is designed for individuals who have made up their
minds that they wish to specialise in one of the broad divisions of
surgery and who are completing or have fairly recently completed
two or three House Officer appointments.

Application forms available from the Personnel Manager, St.
James's Hospital, Leeds LS9 7TF, Tel: 0532-33144 Ext. 293/203.

Closing date 10 days after the appearance of this advertisement.

(28182)—112

COMMUNITY MEDICINE

**STAFFORDSHIRE
AREA HEALTH AUTHORITY**

Specialist in Community Medicine

Planning, Information and Research

Salary £5,433 to £7,947

Applications are invited for the above post from suitably qualified and experienced registered medical practitioners.

The doctor appointed will have responsibility for developing the planning, information and research functions; stimulating of and participating in analytical studies including epidemiology and statistics and control of systems in preventive medicine within Staffordshire. The appointee will be a member of the Area Health Authority Headquarters medical staff and will work closely with the three Health Districts.

Staffordshire is a multi-district Area with a population of 985,000. Popular misconception suggests that it is a highly industrialised area but this is not so. A large proportion of its acreage is devoted to farming and there are excellent road and rail links with all parts of the country.

The Area Medical Officer, Dr. J. S. Hamilton will be pleased to provide further information — telephone Stafford 56231.

Application form and job description from Area Medical Officer, Staffordshire Area Health Authority, 52 Marston Road, Stafford ST16 3BU.

(36302)

110

GOVERNMENTAL

Biomechanical Research and Department Unit,
Roehampton, London

MEDICAL OFFICER

...to research into the physiological problems associated with fitting artificial limbs. Duties include studying human locomotion to identify and measure deviations from normal and to optimise gait patterns in amputees. The work also involves developing methods for fitting artificial limbs to minimise interference with the physiological functions of the patient's stump.

Candidates must be registered as medical practitioners in the U.K. They must have specialised in physiology and have had particular experience in the neurophysiology of locomotor control, and of measurement techniques and instrumentation. Practical experience in prosthetics and biomechanics is also essential. Familiarity with the use of analogue and digital computers would be an advantage.

Starting salary from £5800 to £8000 according to qualifications and experience. Non-contributory pension scheme. Prospects of promotion.

For further details and an application form (to be returned by 10th January 1975), write to Civil Service Commission, Alencon Link, Basingstoke, Hants., or telephone Basingstoke 29222 Ext. 500 (or, for 24 hour answering service, London 01-839 1992). Please quote ref: S/8836/1.

(28436)

112

Department of Health and Social Security

PUBLIC APPOINTMENTS (Whitley Scales)

HEALTH BOARD
Monklands/Cumbernauld District
DISTRICT MEDICAL OFFICER

Salary Scale £5,433-£7,947

Applications are invited from Registered Medical Practitioners serving within the United Kingdom for the post of District Medical Officer of the Monklands/Cumbernauld district of the board. This is one of three districts and the successful applicant will be responsible to the Health Board through the Chief Administrative and Medical Officer. As a member of the District Executive Group he will be jointly responsible with other members for the functions delegated to it by the Area Executive Group. There is a new District General Hospital in the district which is due to open in 1976.

Further information and details of the duties of the post with forms of application may be obtained from the Personnel Officer, Board Office Hartwood, Shotts, Lanarkshire, ML7 8JZ and should be returned within 30 days of the appearance of this advertisement.

(28520)

113

NORTHAMPTONSHIRE
AREA HEALTH AUTHORITY
SENIOR CLINICAL
MEDICAL OFFICER

Applications for this post are invited from registered medical officers with experience in child health work and an interest in developmental paediatrics. Much of the work will be concerned with the early detection, assessment and surveillance of handicapped children. Close links exist with the hospital services for children.

Relevant postgraduate qualifications would be an advantage and there will be opportunities for further in-service training.

Salary in the range: £3,909 to £4,692. Applications, giving the names and addresses of two referees, should be sent to the Area Medical Officer, 39 Billing Road, Northampton NN1 5BB by 3rd January 1975.

Further information about this post can be obtained from Dr V. Tracey, Area Specialist Community Medicine (Child Health) Northampton House, Northampton, NN1 2HR.

(36434)

113

OVERSEA

Attention is drawn to the importance of detailed careful consideration to the terms of any contract, especially as terms and conditions of service may differ markedly in different areas. Notes on Contracts Overseas may be obtained on application to the Secretary.

Before any contract is signed it is advisable to obtain full details of remuneration and of terms and conditions of service and information about local conditions. These may often be obtained from the local B.M.A. Branch or affiliated Medical Association whose address may also be obtained on application to the Secretary.

118

NEW (ZEALAND DEPARTMENT OF HEALTH

ASSISTANT
DIRECTOR

DIVISION OF PUBLIC HEALTH, WELLINGTON

Salary NZ\$12,639-\$16,926

The Health Department invites applications from administratively experienced medical practitioners to accept responsibility for its Occupational Health and Toxicology Branch in its Head Office in Wellington. Applicants should hold the Diploma or an equivalent qualification in public health, the Diploma of Industrial Health and have experience in promoting and maintaining the well-being of workers. Some experience of the environmental toxicology of commercial, household and agricultural poisons would be an advantage.

The Department through its Medical Officers of Health undertakes investigation of diseases arising from work, maintains a surveillance programme of hazardous occupations and participates in the operation of a number of Occupational Health Centres. In addition to statutory functions relating to specific industries the Department provides a consultative service to Government Departments. It also has its own laboratory service to monitor environmental conditions at work and undertake special investigations.

Passages: Fares for appointee and his wife and family will be paid.

Incidental Expenses: Up to \$N.Z.800 for a married man can be claimed to cover the cost of taking personal effects to New Zealand.

Application forms and general information are available from The High Commissioner for New Zealand, New Zealand House, Haymarket, London with whom applications will close on 6th January 1975. Please quote reference PT 140 when enquiring.

AUCKLAND HOSPITAL BOARD
New Zealand

Applications are invited from suitably qualified Medical Practitioners, eligible for registration in New Zealand, for the following WHOLE-TIME MEDICAL OFFICER positions in the Accident and Emergency Departments at:

1. Middlemore Hospital
2. North Shore Hospital

Each of the above positions calls for a Medical Practitioner who has had a number of years experience in general practice.

The Accident and Emergency Department at North Shore Hospital has twelve holding beds and appropriate X-ray, laboratory and physiotherapy services. The Department will be expanded to provide "in depth" service when Stage II of the new hospital is completed.

Salary and Conditions of Employment in accordance with the Hospital Employment (Medical Officers) requirements for a Medical Officer of Special Scale: \$NZ8,927-\$NZ15,316 per annum.

Conditions of Appointment and official Application Forms may be obtained from The High Commissioner, New Zealand House, Haymarket, London W.C.2, England.

Applications close at noon on Friday, 31st January, 1975 with: The Chief Executive, Auckland Hospital Board, P.O. Box 5546, Auckland 1, New Zealand. (28446)

118

AUCKLAND HOSPITAL BOARD

Applications are invited from Medical Practitioners eligible to qualify as "Tutor Specialist" under the provisions of Hospital Services Determination No. M.9 — Medical Officers, for the position of:

WHOLE-TIME
ORTHOPAEDIC TUTOR SPECIALIST

Salary and Conditions of Employment in accordance with the provisions of Hospital Services Determination No. M.9 — Medical Officers, the salary being within the scale — NZ\$11,484-NZ\$13,875 per annum.

The actual commencing rate within this scale being determined in accordance with the appointee's qualifications and experience.

Conditions of Appointment giving full details of the position together with Forms of Application are available from: The High Commissioner, New Zealand House, Haymarket, London W.C.2.

Applications close at noon on Friday, 31st January 1975 with: The Chief Executive, Auckland Hospital Board, P.O. Box 5546, Auckland 1, New Zealand. (28434)

118

AUSTRALIA. Applications invited from graduates of a British University for first class positions available in Sydney and Brisbane. Locums and Private Practice opportunities. Write Radio Doctor Service, Box 1628 BMJ.

118

AUSTRALIA — assistant view partnership. Irrigation Area 400 miles from Sydney. Base Hospital. Airmail Reply Dr. Reitsma, Griffith, N.S.W.

118

BEAUTIFUL BRITISH COLUMBIA. An opportunity exists to join six young doctors in Kitimat, B.C. Canada starting Summer 1975. Kitimat is a young, thriving community of 15,000 people located at the head of a coastal fjord surrounded by mountains. Work consists mainly of obstetrics, gynaecology, paediatrics and general medicine, with no geriatrics. Anaesthetic experience welcome but not essential. There is direct responsibility for looking after one's own patients in the local hospital (100 bed), and the performance of minor surgical procedures is encouraged. Specialist cover is provided. Recreation is essentially outdoor with hunting, salmon fishing, hiking, golf, boating and swimming all within a short distance. For further details please send a resume, by airmail, of experience, and telephone number to Dr. Richard Carruthers, Suite 230-120 Nechako Centre, Kitimat, British Columbia.

118

General Duties Medical Officers for new private hospital in oilfield area of Nigeria

This 120 bed hospital is nearing the end of construction and staff are now being recruited. The positions offer excellent all round experience and do not require previous knowledge of tropical medicine. Candidates should have about two years post qualification experience in U.K. and be adaptable and eager to broaden their horizons.

Furnished housing of high standard is provided. Salary is generous, negotiable and will be no less than that being offered for similar positions. This is a considerable opportunity to save money and see one of Africa's most interesting countries. Box 4391 BMJ.

118

Surgeon for new private hospital in oilfield area of Nigeria

A Surgeon with F.R.C.S. and good all round experience is required to initiate and run the surgical services of this new 120 bed hospital. There is excellent scope for organizing and equipping the Unit to suit his own ability and needs.

Furnished housing of high standard will be provided. Salary and terms and conditions of service will be generous and subject to individual negotiation. They will be no less than those offered for similar appointments. Box 4392 BMJ.

118

FIJI SENIOR CLINICAL TUTOR

Candidates should hold the F.R.C.S. with at least three years experience in Clinical Surgery and some experience in teaching.

The successful candidate will be expected to give tuition in Surgery to Medical Students at the Fiji School of Medicine.

The salary will be in the range of £4,700 to £5,830 approx. which includes a tax free allowance of either £1,056 or £1,752 according to marital status. A terminal gratuity of 25% of basic salary is also payable.

Benefits include: free family passages; subsidised housing; education allowances and children's visit passages; generous paid leave; outfit allowance; appointment grant up to £300 and car loan up to £600 payable in certain circumstances.

The post described is partly financed by Britain's programme of aid to the developing countries administered by the Ministry of Overseas Development.

For further particulars you should apply, giving brief details of experience to

crown agents

M Division, 4 Millbank, London SW1P 3JD, quoting reference number M2X/740725/BG.

118

MISERICORDIA GENERAL HOSPITAL
99 Cornish Avenue, Winnipeg, Manitoba, R3C 1A2
CANADA

HOUSE MEDICAL OFFICERS

Applications are invited from Physicians who will provide full-time service to all patient areas in a 409 bed acute care community hospital in Winnipeg, Canada. Duties include emergency care of in-patients in the absence of the attending physician, progress evaluation of seriously ill patients and performance of diagnostic and treatment procedures. Services include medicine, surgery, obstetrics and gynaecology, paediatrics and psychiatry. Minimum salary \$28,000 annually.

Forward applications with details of qualifications and experience to -- T. I. Bartman, Assistant Executive Director, Misericordia General Hospital, Winnipeg, Manitoba, R3C 1A2, Canada.

(You are advised to check with the General Medical Council of the United Kingdom relative to reciprocity to practice in Manitoba before making application). (H13324)

118

COMMERCIAL AND INDUSTRIAL MEDICAL AID SOCIETY

MEDICAL OFFICERS (General Duties/Obstetrics) (General Duties/Anaesthesia) Sterling £7,680 +

The Society requires two Medical Officers to fill vacancies occurring within its medical department in the near future.

Our service provides full medical care for some 18,000 employees and dependants operating from two Group Practice Centres and two small hospitals with a total of 55 beds.

The medical staff includes specialists in Anaesthesia, Obstetrics and Gynaecology, General Surgery and part-time in Medicine and Radiology, together with six General Medical Practitioners.

The duties of Medical Officers include both In-patient and Out-patient responsibilities covering most facets of medicine and whilst not absolutely necessary we would prefer the one post to be filled by a Practitioner with added experience in Anaesthesia, and the other with added experience in Obstetrics. Experience in Paediatrics would be of extra advantage in both cases.

Kitwe and Ndola are commercial centres on the Copperbelt plateau in the Republic of Zambia which at 4,500 ft. enjoy a very healthy climate together with excellent social and sporting facilities. We as a Society endeavour to provide good working and living conditions for our staff in order to maintain as happy a medical team as possible.

Terms

- Two year Contract renewable. Basic salary negotiable depending on experience but not less than K9,600 per annum (Range — K9,000 to K14,000) (K151 — £100).
- Gratuity of 20% basic salary. Payable on completion of Contract.
- Rent free attractive furnished accommodation.
- Free passage to and from Zambia for employee and family with generous baggage allowance on recruitment and repatriation.
- Other benefits include: Car provided; generous annual leave; settling in allowance; insurance scheme: Education allowance and passages.

N.B. Present Exchange Control Regulations allow for externalisation of one third gross salary in addition to end of Contract allowance and Terminal Gratuity.

LOCUM POSITIONS MAY BE AVAILABLE

Please write giving full personal and professional details together with the names and addresses of two referees to Box 4233 BMJ.

Interviews may be arranged in the U.K. December/January period.

(H13333-118)

EXPANDING RURAL South Saskatchewan group practice with fully accredited hospital requires two additional G.P.s. Additional experience in obstetrics, surgery or anaesthetics an advantage. Congenial working conditions. Salary based on experience. Opportunity for permanent after initial three months if mutually agreeable. Please write giving qualifications and for further details. Apply to: Langenburg & District Medical Clinic, P.O. Box No. 430, Langenburg SOA 2A0, Saskatchewan, Canada. 118

EXPERIENCED General Practitioner required for busy city practice in Lusaka, Zambia. Immediate vacancy three years contract. Attractive terms. Apply Frolgal Court Flat 40 Finchley Road, London NW3. 118

TRAINING IN MAJOR TRAUMA

Maryland Institute for Emergency Medicine University of Maryland Hospital
Young surgeons who have completed their training in general or orthopaedic surgery and who desire a unique experience in major trauma and major surgical complications are invited to apply for one-year appointments (subject to renewal) in the Maryland Institute for Emergency Medicine.

The Institute serves the State of Maryland (population 7.7 million) and contiguous border states as a referral center for severe trauma and other life threatening conditions. Over 1,000 patients of this type are admitted by helicopter each year. All facilities are available for maximum support of these critical patients on a 24-hour basis including admitting rooms, clinical laboratories, admitting areas and hyperbaric oxygen chambers within the Institute and the full support of the adjacent University Hospital. Successful applicants would be expected to participate in clinical research, which is carried out at the Institute in collaboration with various local and federal agencies and the United States Army.

Applications should be made in writing with a curriculum vitae, naming three referees to Dr. William Gil Clinical Director, Maryland Institute for Emergency Medicine, University of Maryland, 225 Greene Street, Baltimore, Maryland 21201. 118

Readers in the U.S.A. can send their subscription order with or without payment to: *British Medical Journal*, 1172 Commonwealth Avenue, Boston, Mass. 02134.

MINOCIN

in bronchitis

highly effective
sometimes vital

You fastened your safety belt this morning just in case of an emergency. You're not expecting trouble, of course, but you never know...

You never know with bronchitis either.

Minocin* (minocycline) protects against the hazards of bronchitis, but unlike traditional tetracyclines and semi-synthetic penicillins is also highly effective against resistant staphylococci – the pathogens which could threaten your patient's life.

Staphylococcal pneumonia is the only really life endangering infective hazard in bronchitis.¹ So whenever you treat bronchitis be sure from the start with Minocin – just in case...

(1) Brit. Med. J., (1970), Leading Article, 1, (5489) 125-126

Presentation Blistar packs of 9 and 45 tablets, each containing 100mg minocycline.

DALMANE

A new and powerful treatment for insomnia

Getting to sleep

Clinical trials¹⁻³ have shown that Dalmane cuts the time taken to get to sleep by half, reducing it from an average of 36.2 to 13.9 minutes in one trial¹ and from 63.4 to 27 minutes in another.²

Staying asleep

Trials^{1,2,4} have shown that Dalmane patients enjoy a longer night's sleep with fewer nocturnal awakenings. Dalmane has increased the average night's sleep by 65 minutes⁵ and 93.3 minutes⁶ and in a third trial to an average of over 8 hours.¹

Patient preference

The low incidence of side-effects such as hangover with Dalmane is undoubtedly one reason why many patients prefer it.⁷ In one study⁸ Dalmane produced exactly the same incidence of hangover as placebo.

Safety

Dalmane, a non-barbiturate, has a high mean lethal dose in mice and rats,⁹ suggesting that overdosage would be unlikely to present undue problems of management or threat to life. Human toxicity studies¹⁰ in which healthy men were given large doses of Dalmane for some time confirmed that it is well tolerated.

Clearly a distressing infection...

In difficult situations, immediate therapy with Magnapen gives a greater certainty of first-time success even when there are no laboratory reports to guide you.

Magnapen destroys all the bacteria commonly met in general practice, so it can be used with confidence to treat distressing infections rapidly and with the safety of a penicillin.

Full prescribing information on Magnapen for the treatment of severe ENT, respiratory and soft tissue infections is available on request.

Magnapen* (flucloxacillin with ampicillin in equal parts) is a British product originated by:

**Beecham Research
Laboratories**
Brentford, England.

...time to call on the
greater certainty of
Magnapen

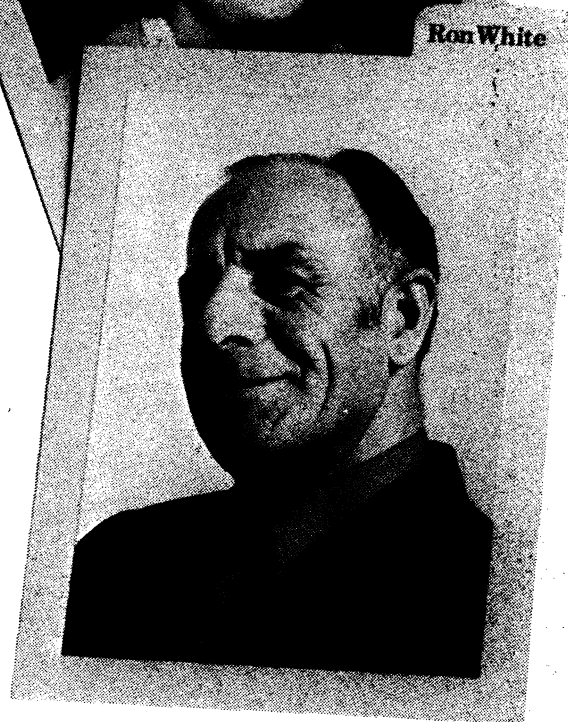

Lucy Trent – secretary –
needs one **Prothiaden**
capsule three times daily

Joan Smith – housewife –
home most of day.
Finds 2 capsules of
Prothiaden 3 times daily,
as prescribed, very
convenient

Ron White –
bus conductor – out all day.
Finds the prescription of
a single night-time dosage of
Prothiaden preferable to
three times daily dosage.

Whatever the dosage regime
Prothiaden patients get better and quicker relief from
depression, anxiety, tension and disturbed sleep

Prothiaden the flexible antidepressant

Capsules containing dothiepin hydrochloride 25mg.

A seasonal reminder from Bencard

A reminder, that is, that the hayfever season is closer than you think. Make it a Pollinex season.

Recent clinical trial work¹ showed that a single three-dose course of Pollinex is effective in the large majority of hayfever patients. It is considered that further benefits may ensue with each year's pre-seasonal Pollinex course.

Combining safety and efficacy, Pollinex contains twelve grass pollens chemically modified and adsorbed on a tyrosine base to allow slow and complete release of

active material, ensuring maximum effectiveness and minimum risk of side effects.

Pollinex consists of only three injections presented in disposable syringes pre-filled for accuracy of dosage and ease of administration.

Give your hayfever patients a trouble-free year. Remind them about Pollinex treatment now. Ask for a supply of Patient Recall Cards from Bencard, and give your patients the best New Year gift they could receive.
¹In press.

Pollinex

Positive action in hayfever prevention

Further information is available from Bencard, Freeport, Brentford, England.
