TRICICLOS

NO

Non-sedative.

'Vivalan' has little or no sedative effect¹. This means that patients remain alert and active and can continue with their normal daily activities.

Rapid acting.

Controlled studies² have demonstrated that patients can show a marked improvement in as little as 3 days from the start of 'Vivalan' therapy.

Widely effective.

'Vivalan' is effective in all types of depression including mixed anxiety – depressive states³.

Clinical trials have shown that as many as 70% of patients respond favourably to 'Vivalan' therapy^{1, 2, 3}.

'Vivalan' is chemically unrelated to any antidepressant currently available, and is a product of original ICI research.

The unique antidepressant

How do you see Perennial Rhinitis?

This picture (by courtesy of Dr. Niels Mygind), taken with the aid of a scanning electron microscope at a magnification of $\times 4,500$, reveals the appearance of the nasal mucous membrane of a patient with perennial allergic rhinitis showing goblet cells with hypersecretion of mucus.

Perennial Allergic Rhinitis is a prevalent disease problem causing much misery and inconvenience. Many patients fail to obtain adequate relief from vasoconstrictor drugs, antihistamines and sodium cromoglycate. Furthermore, side effects such as rebound congestion and drowsiness are often troublesome. Oral or parenteral corticosteroid preparations are the most effective treatments but, as in asthma, clinicians are reluctant to prescribe them over long periods because serious systemic side effects may occur, including adrenal suppression.

In contrast, Beconase Nasal Spray is a metered-dose aerosol which delivers into a specially designed nasal applicator beclomethasone dipropionate BP, a selective steroid which controls more effectively the inflammatory process at the allergic mucous membrane in dosages which do not cause systemic side effects.

Beconase NASAL SPRAY

Beclomethasone dipropionate is also available as Becotide Inhaler—a metered-dose aerosol for the control of bronchial asthma.

Cardiovascular Disease in the Tropics

Edited by A. G. Shaper, M. S. R. Hutt, Z. Fejfar

Cardiovascular disease is a major problem in many developing and tropical countries and this collection of essays by 36 members of the *International Society of Cardiology* draws attention to the fascinating and complex situation in the tropical world. The book presents the present state of knowledge regarding many conditions previously thought to be peculiar to the temperate and developed countries and also deals with those disorders peculiar to the tropical situation. The differences in geographic distribution and natural history of many cardiovascular problems between temperate and tropical countries provide unique opportunities for research into the nature of these problems. The book is intended not only for doctors and students in tropical countries but for cardiologists, physicians, pathologists and epidemiologists everywhere, who are concerned with the international problem of cardiovascular disease. It provides an up-to-date review suitable both for clinical and epidemiological work and for further research into these disorders.

Medicine in a Tropical Environment

Edited by A. G. Shaper, J. W. Kibukamusoke, M. S. R. Hutt

Medicine in a Tropical Environment is intended for medical students and doctors working in tropical and developing countries. The essays bring together specific problems of the tropical environment which have been the subject of recent investigation, and the authors write on them from personal experience. Little of the material on which the essays are based was available more than five years ago. The book should stimulate the interest of students, doctors, and non-medical scientists in trying to solve some of the problems raised in almost every chapter. To doctors in temperate climates preparing themselves for medical work in developing parts of the world *Medicine in a Tropical Environment* is essential reading.

Demy Octavo • *Paperback* • 452 pages • PRICE £3.50 (U.S.A. \$10.50), including postage

Otosporin. Anti-infective/anti-inflammatory ear drops

*Trade Mark

much better to go
to bed with a couple of

Safapryn-Co^{*}

brand of enteric-coated aspirin
with paracetamol and codeine

*Trade Mark

The usual advice is to go to bed with a couple of aspirin. But aspirin can cause a problem – *gastric irritation*. Much better to go to bed with a couple of Safapryn-Co tablets. This formulation provides all the benefits of aspirin *without* the risk of gastric irritation. In Safapryn-Co, the aspirin is enteric-coated to pass intact through the stomach and dissolve in the alkaline fluid of the small intestine. Hence, there is no direct contact between the aspirin and the gastric mucosa to cause irritation.

But good toleration is only half the story. Each tablet contains:

enteric-coated aspirin/ paracetamol/codeine	to relieve the aches and pains
codeine	to reduce the cough

(Each sugar-coated tablet contains 300 mg. aspirin as an enteric-coated core, 250 mg. paracetamol and 8 mg. codeine phosphate).

In packs of 100

Listen to the difference between Amoxil and other

The difference which has given significantly longer periods of relief from acute exacerbations of chronic bronchitis than tetracyclines, ampicillin and cephalosporin.¹

The difference that makes Amoxil more effective than ampicillin in the treatment of chest infections.^{1,2,3,4}

The difference which takes over where the tetracyclines have done all you can

expect of them in bronchitis—

so that significantly greater relief of all clinical symptoms can be demonstrated.⁵

The difference that allows Amoxil to penetrate bronchial membrane barriers regardless of the degree of inflammation.⁴

The difference in absorption that means Amoxil can be taken t.d.s. with or without food—which means it is simpler for patients to take properly. To these differences must be added Amoxil's safety and the fact that it is one of the least expensive therapies for respiratory infections. No wonder doctors everywhere are recognising that Amoxil makes all the difference.

er antibiotics

‘In the cases of our severely sick in-patients, which of course cannot be compared with milder cases of out-patient practice, we found with amoxycillin [Amoxil] a clearly longer relapse rate than with other preparations.’¹⁹ (These included various tetracyclines, ampicillin, chloramphenicol and cephalosporin).

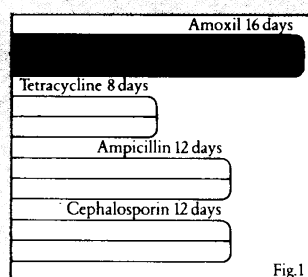

Fig. 1

‘Amoxycillin [Amoxil] was more effective than oxytetracycline when all the patients treated were considered together. Its superiority, however, was most marked in the case of the less severely affected patients, in whom the differences were highly significant.’⁵⁹

‘The demonstration that amoxycillin [Amoxil] penetrates into bronchial secretions as efficiently when the mucosa is uninfamed as when it is inflamed, suggests that clearance of bacteria from the lower respiratory tract should be more easily accomplished with this drug than ampicillin. Further, there is the implication that organisms may be more readily cleared from the upper respiratory tract, which frequently acts as a reservoir of potential pathogens from which relapse of lower respiratory infection may stem.’⁴⁹

Amoxil

Makes all the difference
in respiratory infections.

If you ever thought there should be a better way to manage hypertension... ...you were right

better for you

Visken is quite simply a better way for you to manage hypertension. This is because it comes closer to ideal therapy.¹

Visken is highly effective, controlling all grades of essential hypertension within the simple dosage range of 15 to 45 mg daily.^{1,9,10} There is little or no risk of tolerance so progressive increases in dosage are unnecessary.¹ Furthermore, your hypertensive patients can really get on with living in the way they want, physically and mentally.

Visken is easy for you to use. Its effect normally builds up over 7 to 14 days without problems. Visken is compatible with diuretics and other antihypertensive therapies often allowing a reduction in their dosage and hence side effect potential.

Visken is the therapy patients will stay on, feel well on and do well on. Visken patients are more co-operative, which means you can be more effective in managing their condition.

better for your patients

As well as being a very effective antihypertensive, Visken will be highly acceptable therapy for your patients. In fact, Visken patients have commented on a feeling of well-being and increased energy.^{1,10}

Visken provides 24 hour control of blood pressure and most importantly, your patients are free to go about their everyday activities and can really enjoy life. Thus, hypertensive patients who work hard out of doors, or under pressure indoors, housewives, elderly people – all are seen to benefit.

At therapeutic dosages Visken gives no problems of postural hypotension, sedation, impotence, and other side effects associated with traditional therapies.^{1,3,5,8,10}

Visken is a beta blocker with little risk of cardiac failure or bronchospasm.

A simple and convenient dosage added to all these advantages makes it easy to see why Visken is better for you and better for your patients.

Visken

the better way to manage hypertension.

Prescribing information on Visken (Pindolol 5 mg) is available from Sandoz Products Limited, Sandoz House, 98 The Centre, Feltham, Middlesex TW13 4EP.

GENERAL PRACTICE TRAINING POSTS

WESSEX REGIONAL HEALTH AUTHORITY West Dorset Health Care District

Offer the following 3-year linked Hospital and General Practice training post in the S.H.O. grade, commencing on the 23rd January 1975. The hospital post is in the new 100-bed hospital to take the D.Obst.R.C.O.G. and to study in various specialties, and will be for a 2-year period, including 6 months each in Obstetrics and Gynaecology, Paediatrics, General Medicine and elective subjects. One year will be as a Trainee in a Selected Practice near the hospital and includes a day-release course of vocational training for general practice.

Application forms and further particulars from the District Administrator, West Dorset Health Care District, Herrison Hospital, Dorchester, to whom they should be returned without delay. 21

UNIVERSITY AND RESEARCH APPOINTMENTS

UNIVERSITY OF NOTTINGHAM and Derbyshire Royal Infirmary (424 beds)

Applications are invited for the combined post of

SENIOR HOUSE OFFICER ACCIDENT & EMERGENCY Derbyshire Royal Infirmary DEMONSTRATOR in the Department of Human Morphology University of Nottingham

Resident. The present staffing of the Department at the Infirmary is a Consultant in Accident and Emergency, a Medical Assistant, two Registrars, six Senior House Officers and a part-time Senior House Officer. The attachment to Professor Coupland's Department of Human Morphology at the Nottingham University Medical School will normally be for one day weekly. Additional facilities are available within the University for candidates to work towards the Primary Fellowship Examinations. Vacancy early January.

The appointment will be for six months in the first instance, and the post is recognized for F.R.C.S. Applications stating age, experience and two names for reference to Hospital Secretary, Derbyshire Royal Infirmary, Derby DE1 2QY quoting 171. (36825) 25

AVON AREA HEALTH AUTHORITY (Teaching)

RESEARCH FELLOW

Stroke Unit, Frenchay Health District. This appointment is to a new unit, to open early in 1975, for the study and provision of stroke rehabilitation. The unit is experimental in character and is directly funded by the Department of Health and Security under its Research Programme.

It will be concerned with: (a) the provision of a service for the treatment and rehabilitation of stroke cases; (b) the evaluation and place of such a unit in the National Health service; (c) service research on the validation of methods of treatment e.g. physiotherapy and (d) fundamental research on stroke injury in the C.N.S.

There will be close links with the Regional Neurological and Neurosurgical Unit at Frenchay Hospital and appropriate University status will be awarded at the University of Bristol.

The Research Fellow will be immediately responsible to the part-time Director of the unit. He should have an interest in the clinical and particularly the social aspects of stroke rehabilitation and will be expected to undertake research or collaboration in research in the clinical, social or epidemiological aspects of the subject.

The salary scale for this post is within the range £3,189 - £5,859 in accordance with qualifications and experience.

Enthusiasm for the development of a new unit concerned with the medical and social aspects of rehabilitation is the most important requirement.

Application forms and further details may be obtained from Mr. J. Morrison, Area Personnel Officer, National Westminster Court, Little John Street, Bristol BS1 2BE. (Tel: 293541). Closing date: 10th January 1975. 25

FLINDERS UNIVERSITY OF SOUTH AUSTRALIA School of Medicine

SENIOR LECTURER

Primary Care and Community Medicine. Applications are invited for the above-mentioned position at the new Flinders University Medical School. The Flinders Medical Centre is an integrated medical school with a 710 bed hospital under construction on the University Campus. Sixty-four first year students started this year.

The Unit of Primary Care and Community Medicine, now being formed under Professor Anthony Radford, includes aspects of behavioural sciences, demography, biostatistics and epidemiology as a basis for teaching of individual and family medical and health care, and all aspects of community medicine. Postgraduate diploma and degree courses and continuing education programmes in these subjects will also be undertaken.

Applicants must have a medical qualification registrable in South Australia, specialist knowledge in preferably two or more aspects of the field and a strong interest in teaching. Conditions of service include provision for transportation expenses, superannuation, tenure, study leave and long service leave.

Salary scale: \$A12,643-\$A14,724 (plus clinical loading dependent on degree of clinical responsibility).

Further information may be obtained from the Association of Commonwealth Universities (Apts.) 36 Gordon Square, London WC1H 0PF.

Applications, in duplicate, should be lodged with the Registrar, The Flinders University of South Australia, Bedford Park, South Australia, 5042, not later than 17th January, 1975. Professor Radford is available in the U.K. for informal consultation. (28862) 25

GUY'S HOSPITAL MEDICAL SCHOOL (University of London)

Applications are invited for the post of

LECTURER

in the Department of Obstetrics and Gynaecology which will fall vacant on the 1st April 1975. Candidates should be members of the Royal College of Obstetricians and Gynaecologists.

Salary within the range £3,360 - £5,016 per annum, plus Threshold Payment of £19.14 per month and F.S.S.U.

Further information may be obtained from Mr. T. M. Coltart, Department of Obstetrics and Gynaecology, Telephone 01-407 7600, Ext: 363.

Application forms obtainable from the Dean, Guy's Hospital Medical School, London Bridge, SE1 9RT. (28931) 25

THE LONDON HOSPITAL MEDICAL COLLEGE (University of London)

LECTURER

IN ANAESTHETICS

Applications are invited for the above appointment and candidates should have obtained the F.F.A.R.C.S. Duties will include provision of an obstetric analgesia service, and opportunities will be available for further training in other special branches of anaesthesia. The post offers opportunity to take part in a wide variety of clinical and basic research projects. Extensive laboratory and biochemistry facilities are available. Initial salary within the range £3360-£4449 per annum, plus Threshold Payments, and superannuation under F.S.S.U. Enquiries to Professor B. R. Simpson (Tel: 01-247 5454, Ext. 369).

Applications, giving full details of qualifications and experience, together with the name of a referee, should be sent to the Secretary, The London Hospital Medical College, Turner Street, London E1 2AD, within 21 days. (28837) 25

MONASH UNIVERSITY Melbourne, Australia Department of Physiology (including Pharmacology)

LECTURER/SENIOR TUTOR

The Department conducts courses for B.Sc. (Hons) and M.B.B.S. degrees and accepts graduate students for M.Sc. and Ph.D. degrees. Research interests include: brain ultra structure, neurophysiology, biophysics and pharmacology of central and peripheral synapses, muscle biophysics, circulatory physiology and pharmacology, renal and endocrine physiology. Applicants should be medically qualified or hold a Ph.D. in Physiology.

Salary scales (currently under review): Lecturer (Medically qualified) \$A11,502-\$A14,352. Lecturer \$A9,002-\$A12,352 per annum. Senior Tutor \$A7,545-\$A9,002 per annum, with superannuation based on an endowment assurance scheme, the employee and employer contributing 5% and 10% respectively.

Benefits: Travelling expenses for appointee and family; removal allowance, repatriation after three years' appointment if desired; temporary housing for an initial period. For lecturers only, study leave entitlement accumulates at the rate of one month's leave for each six months' service up to six years with provision for financial assistance.

Further general information and details of application procedures are available from the Academic Registrar, Monash University, Wellington Road, Clayton 3168, Victoria, Australia, or the Secretary-General, Association of Commonwealth Universities (Apts.), 36 Gordon Square, London WC1H 0PF. Enquiries about the Department to the Chairman, Professor R. Porter, in the University, Closing date 31st January 1975. The University reserves the right to make no appointment or to appoint by invitation. (28938) 25

THE QUEEN'S UNIVERSITY OF BELFAST

LECTURESHIP/SENIOR LECTURESHIP IN MEDICINE

This Lectureship in medicine with major interest in respiratory disease is a joint appointment between the University and the Eastern Health and Social Services Board and is tenable from 1st April 1975 or such other date as may be arranged.

The salary is £4,260 to £5,634 with provisions for superannuation. The successful applicant (if suitably qualified) may be graded as consultant with the University title of Senior Lecturer. In these circumstances, the salary may rise to £7,947. An appointment may be made at any point on the scale depending on qualifications and experience. The successful applicant will be expected to play a full part in the organisation of teaching and research programmes. Assistance is available with removal expenses.

Applications should be received by 31st January 1975. Further particulars may be obtained from the Personnel Officer, The Queen's University of Belfast, Belfast BT7 1NN Northern Ireland (Please quote Ref. 74/BMJ). (28802) 25

QUEEN'S UNIVERSITY OF BELFAST Northern Ireland Health and Social Services

SENIOR TUTOR/ SENIOR REGISTRARS OR TUTOR/REGISTRARS

Applications are invited for posts as Senior Tutor/Senior Registrar or Tutor/Registrar. The posts are non-resident and are available from 1st August 1975.

The appointments involve clinical duties at teaching hospitals in Belfast as well as teaching and related duties in the Faculty of Medicine of Queen's University. A successful applicant will be expected to engage in and assist in research in his subject.

Appointees will be officers both of the University and the Eastern Health and Social Services Board (the body responsible for administering the Belfast teaching hospitals). Remuneration will be according to the scales pertaining to the Senior Registrar, and Registrar grades at the time of appointment. Tenure is limited to the general terms covering these grades.

Posts may be available in the following Departments — Surgery, E.N.T., Surgery, Ophthalmology, Medicine, Social and Preventive Medicine, Midwifery and Gynaecology, Anaesthetics, Pathology, Dentistry, Therapeutics and Pharmacology and Mental Health.

Please write for an application form and further particulars (stating Department in which you are interested) to: The Chief Administrative Officer, Central Services Agency, 27 Adelaide Street, Belfast BT2 8FH. The latest date for the return of completed application forms is 31st January 1975. (28892) 25

UNIVERSITY OF NOTTINGHAM Medical School Department of Psychiatry

Applications are invited for a post of

LECTURER IN PSYCHIATRY

in the Department of Psychiatry (Professor J. E. Cooper). Clinical duties will be at Mapperley Hospital, where the Department of Psychiatry has its headquarters. Duties will also include teaching in both the clinical and behavioural sciences courses, and taking part in the psychiatric assessment of ward referrals in the district general hospitals. The curriculum at Nottingham features an unusual degree of integration between the various departments in the Medical School, and an interest in all aspects of psychiatry in relation to medicine will be required. The successful candidate will be eligible for Honorary Senior Registrar or Registrar status according to qualifications and experience.

Salary will be on the clinical lecturer scale (£2,883 to £5,619) and the appointment will carry membership of F.S.S.U. The starting salary will depend on qualifications, age and experience.

Other particulars and a form of application may be obtained from the Senior Assistant Registrar, Medical School, University of Nottingham, Nottingham NG7 2RD, to whom completed applications should be returned by the 20th January, 1975. (28648) 25

RESEARCH AWARDS

THE WELLCOME TRUST

TRAVELLING RESEARCH FELLOWSHIPS

TO WESTERN AND EASTERN EUROPE 1975/76

Applications are invited from British research workers for the award of Wellcome-European Research Fellowships for 1975/76. These awards include the Trustees' special fellowships to Denmark, Germany, Hungary, Norway and Sweden.

The object of these fellowships is to encourage working visits to countries in Western and Eastern Europe by investigators in any branches of the natural and clinical sciences which have a bearing upon human or animal medicine. Candidates whose research is related to clinical problems will be given preference. These fellowships, which are normally for one year, are intended for graduates from the United Kingdom who already have some post-doctoral research experience. Stipends, according to age and experience, are within the range of £2,120 to £4,165 per annum. A special cost of living allowance applicable to the country in which the candidate wishes to work is given where necessary. Travelling and some incidental expenses are provided in addition.

The candidate must make his own arrangements with the department in which he proposes to work, and written evidence must be submitted confirming his arrangements. Application forms may be obtained from the Assistant Director, The Wellcome Trust, No. 1 Park Square West, London NW1 4LJ. Completed application forms must be returned by 31st March 1975. (H13481) 27

UNIVERSITY OF BIRMINGHAM
Department of Anatomy/Pathology

MEAD BEQUEST RESEARCH FELLOW
Applications are invited for the post of Research Fellow to work under the joint supervision of Dr. Martin Berry (Anatomy) and Professor W. Thomas Smith (Neuropathology) on an experimental study of regeneration in the central nervous system. This is a joint appointment for 3 years between the Department of Anatomy and Pathology and the extensive research facilities of both Departments will be available. Medical or non-medical graduates are invited to apply; previous experience of electromicroscopy and/or immunofluorescent techniques would be an advantage, though is not essential. The Fellowship may be discussed with Professor W. T. Smith (021-472 1301 Ext. 3554). Department of Pathology, who will arrange for visits to the School.
Salary within the range of £2118-£2931, according to age, qualifications and experience.
Applications to Assistant Registrar, Faculty of Medicine, University of Birmingham, Birmingham B15 2TJ. Closing date 31st January 1975. (36661) 25

UNIVERSITY OF MELBOURNE
Department of Pathology

SCHOLAR IN RENAL DISEASE
Applications are invited from medical graduates for a scholarship in renal disease tenable in the Department of Pathology. The successful applicant would be expected to enrol for the degree of Ph.D. Preference will be given to candidates intending to follow a career in medicine or pathology, and anxious to obtain a training in experimental methods.
Salary range according to experience.
£6,500-£8,500 per annum. Further information may be obtained from Dr. J. D. Tange, Department of Pathology, University of Melbourne.
Applications referring to position number 531300 should be addressed to the Registrar, University of Melbourne, Parkville, 3062, Victoria, Australia, and close on 21st January 1975. (28861) 25

UNIVERSITY OF THE WEST INDIES
Jamaica

Applications are invited for the post of **PROFESSOR IN PHYSIOLOGY**

The post is recognized for the purposes of the F.R.C.S. and time will be made available for attendance at the University of Liverpool's Basic Science Course.
There is a total establishment for the Accident and Emergency Department of six Senior House Officers on a rota covering twenty-four hours a day seven days a week which gives ample time off duty.
Application forms, together with details of the duty rota, can be obtained from The Area Administrator, Medical Staffing Section, Orleans House, Edmund Street, Liverpool, L3 9NG, to be returned as soon as possible. (H13502) 51-8

NORTHAMPTONSHIRE
AREA HEALTH AUTHORITY
Northampton General Hospital
(600 beds)

SENIOR HOUSE OFFICERS
required in the Accident and Emergency Department. The posts will become vacant in December 1974 and January 1975.
The Department is staffed by six Senior House Officers with registrar and consultant cover. The duties at present are divided between the reception theatres and the inpatient department under the direction of three consultant orthopaedic surgeons. A consultant in charge of the accident and emergency reception is in post.
The department is a modern one with its own operating theatres, wards and x-ray facilities. The hospital has an excellent postgraduate medical centre with library and full postgraduate programme, creating good opportunities for studying for higher qualifications. Extensive new recreational facilities including swimming pool, squash courts, badminton court, etc. are also available on site. Generous off-duty time.
The post is a compulsory resident. Single accommodation available and married accommodation usually available.
Applications giving full details and names of two referees to Mr. R. E. Thornton, Senior Administrative Assistant, General Hospital, Northampton NN1 5BD. (36580) 51-8

PINDERFIELDS GENERAL HOSPITAL
Wakefield

RESIDENT
SENIOR HOUSE OFFICER
required for the Accident and Emergency Department at the above hospital. This is a new purpose built unit with a staff of one Consultant, one Medical Assistant, four Senior House Officers and five Clinical Assistants. There is also a Postgraduate Medical Centre with excellent library service. The post is recognized for F.R.C.S. Married accommodation normally available.
Applications, giving full personal particulars, details of experience and two names and addresses for reference to Hospital Secretary, Pinderfields General Hospital, Aberford Road, Wakefield, Yorkshire. (28841) 51-8

QUEEN ELIZABETH II

Welwyn Garden City, Herts. AL7 4HQ

LOCUM SENIOR HOUSE OFFICER
IN CASUALTY
required 13th to 19th January. Single accommodation only. Ring St. Albans 6844, Ext. 12, office hours, or write District Administrator, St. Albans City Hospital, St. Albans, Herts. AL3 5PN. (36663) 51-8

REDBRIDGE/WALTHAM FOREST
AREA HEALTH AUTHORITY

East Roding District
King George's Hospital
Eastern Avenue, Newbury Park
Ilford, Essex

CASUALTY OFFICER
(S.H.O. Grade)
This post is recognized for F.R.C.S. Salary will be in accordance with the terms and conditions of service for medical and dental staff. Post can be resident when on duty. Single accommodation available in hospital. Applications giving full particulars, together with the names of two referees, should be sent to the Clinical Services Administrator, King George Hospital, Eastern Avenue, Ilford, Essex, to be received not later than the 6th January, 1975. (36797) 51-8

ROYAL SUSSEX COUNTY HOSPITAL
Brighton

Accident and Emergency Department
Applications are invited for two posts of **RESIDENT ACCIDENT OFFICER**
(Senior House Officer grade)
becoming vacant on 1st January 1975 and 1st February, 1975.
This is a major Accident and Emergency Department with every modern facility and is staffed by seven S.H.O. Accident Officers. All the posts are recognized for the F.R.C.S.
The appointments are for six months in the first instance and one month of this appointment can be spent in a secondment to either Medical Department with experience in the General Medical Wards, Intensive Therapy Unit, or with the Orthopaedic/Traumatic Department or other specialty according to the choice of the successful candidate.
There is an active postgraduate teaching programme in operation and the Sussex Postgraduate Medical Centre, with excellent library facilities, is situated nearby.
Applications showing details of age, qualifications and experience together with the names of two referees to the Hospital Secretary, Royal Sussex County Hospital, Eastern Road, Brighton, BN2 5BE, Sussex. (H13411) 51-8

SELLY OAK HOSPITAL

SENIOR HOUSE OFFICER
Accident and Emergency Unit of large General Hospital. This is a very busy unit covering a large catchment area, and receiving all types of trauma. Post vacant immediately and resolutely.
Applications for the above post, naming two referees, to the Administrator, Selly Oak Hospital, Raddieburn Road, Selly Oak, Birmingham, B29 6JD. (36720) 51-8

SOUTH GWENT
HEALTH DISTRICT

Royal Gwent Hospital
Newport, Gwent
(442 beds)
(Recognized F.R.C.S.)

TWO SENIOR HOUSE OFFICERS
required for Accident and Emergency Department on 10th January and 1st February, 1975. Married accommodation available in Newport. The Department is in the charge of a full-time Consultant Surgeon, has five Senior House Officers and all emergency cases are admitted through the department, which is responsible for initial resuscitation. The department is equipped with apparatus for cardiac monitoring, positive pressure ventilation, as well as x-ray intensifiers and a Berman F.B. Locator.
The hospital is the base hospital for the district and therefore has large volume of acute cases of all specialties. It is being extensively redeveloped by a major capital building programme. An intensive care unit is situated at the hospital.

There is a close connection with the teaching hospital at Cardiff, 10 miles to the west and there is an extensive postgraduate education programme with a very good library. A postgraduate centre is situated at the hospital. The appointment gives ample opportunity to the holder to avail himself of these facilities.
The successful candidate will be expected to be resident on the nights on which he is on first call, which will on average be one night in five.
Apply quoting two referees to the District Administrator, 64 Cardiff Road, Newport, Gwent. (28940) 51-8

APPOINTMENTS

Applicants should state name, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1974, No. 361).

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

In particular, they will find full details of facilities provided in most hospitals in the United Kingdom in the current edition of the *Hospital Gazetteer*. If such details are not included members are advised to consult the Secretary of the B.M.A.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £2,202 per annum for the posts held during the first year; £2,370 per annum for posts held during the second year; £2,538 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £2,823 per annum x £189(1) x £186(1) — £3,198.

Deductions of £210 per annum in respect of lodging only for voluntary residence.

REGISTRAR: £3,198 per annum x £171(3) x £168(1) — £3,879.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale and £243 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary residence.

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral hospitals.

SENIOR REGISTRAR: £3,711 per annum x £168(1) x £216(4) — £4,743.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £3,504 per annum x £183(2) x £180(2) x £168(10) — £5,910.

Deductions of £270 per annum in respect of lodging only for voluntary residence.

CONSULTANT: £5,433 per annum x £279(8) x £282(1) — £7,947.

Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rent is appropriate. July, 1974

NOTTINGHAMSHIRE AREA HEALTH AUTHORITY (Teaching) North Nottingham District Sherwood Hospital (306 beds)

**LOCUM TENENS
SENIOR HOUSE OFFICER
IN GERIATRICS**
required for the month of January 1975.

This progressive geriatric hospital has four admission wards accommodated in a new 120 bedded wing; there is a purpose-built day hospital and an active rehabilitation unit. It is the headquarter of the Nottingham Area Geriatric Service which provides a service for the new North and South Nottingham Districts and comprises approximately 600 beds for acute admissions, rehabilitation and continuing care, out-patient clinics and a psychogeriatric assessment unit.

The post has been recommended for consultant training by the Royal College of Physicians of London. Sherwood Hospital is on the same campus as the City Hospital, a large district general hospital. Undergraduate teaching is carried out in Sherwood Hospital and there is an extensive range of postgraduate education in association with the City Hospital. Nottingham General Hospital and Nottingham University Medical School. There is a modern Postgraduate Medical Centre which includes an excellent library and there are ample opportunities for study for higher qualifications.

The staffing of the hospital includes four Consultants and the appropriate non-consultant medical staff. The post is resident; single accommodation only is available. Further details may be obtained from the Geriatric Unit Office, Sherwood Hospital. Applications, together with the names and addresses of two referees, should be sent to the Hospital Secretary, Sherwood Hospital, Hucknall Road, Nottingham as soon as possible. (H13503) 63-8

PAEDIATRIC SURGERY

NORTHERN IRELAND HEALTH AND SOCIAL SERVICES

SENIOR REGISTRARS OR REGISTRARS IN PAEDIATRIC SURGERY

Applications are invited for non-resident posts of Senior Registrar or Registrar in Paediatric Surgery.

The appointments will commence on 1st August 1975.

A successful candidate will be based at the Royal Belfast Hospital for Sick Children and the Ulster Hospital, Dundonald, Belfast. The hospitals provide a regional service for all of Northern Ireland and a person appointed will have an opportunity to acquire wide experience in modern techniques.

Active postgraduate training is provided in Northern Ireland in all the major aspects of surgery and the posts are recognized for higher surgical training. A Specialty Adviser is available for career guidance and there are excellent educational and library facilities. Research is encouraged.

Candidates for a Senior Registrar post must have or expect to have by the date of appointment four years' service since graduation and Fellowship of a Royal College of Surgeons; for appointment as Registrar at least one year's service as Senior House Officer in Surgery and primary Fellowship or equivalent are essential.

Application forms and further particulars are available from: The Chief Administrative Officer, Central Services Agency, 27 Adelaide Street, Belfast BT2 8FH. The latest date for the return of application forms is 31st January 1975. (28906) 80-5

LIVERPOOL AREA HEALTH AUTHORITY (Teaching) Alder Hey Children's Hospital

Applications are invited for a resident post of **SENIOR HOUSE OFFICER
IN PAEDIATRIC ORTHOPAEDIC**

for six months from 1st April 1975. Post recognized for D.C.H. Postgraduate educational facilities exist for Primary F.R.C.S. and D.C.H.

Application form obtainable from The Area Personnel Department, Liverpool Area Health Authority (Teaching), 2nd Floor, Orleans House, Edmund Street, Liverpool L3 9NG, to be returned by 31st December 1974. (H13427) 80-8

PATHOLOGY

NEWCASTLE AREA HEALTH AUTHORITY (Teaching)

CONSULTANT HISTOPATHOLOGIST

Whole-time or maximum part-time to be responsible for the paediatric surgical histology and paediatric autopsy services in the Teaching Hospitals of the Newcastle Area. There are complete facilities at both main hospitals in the group, Newcastle General Hospital and Royal Victoria Infirmary, though the principal base will be at the former. A trained paediatric pathologist is preferred but applications are also invited from experienced general histopathologists with an interest in paediatric pathology. Successful candidates will be accorded appropriate honorary status in the University of Newcastle upon Tyne.

Resident within 10 road miles of Newcastle General Hospital.

Further particulars from Area Personnel Officer, Newcastle Area Health Authority (Teaching), Personnel Division, Newcastle General Hospital, Westgate Road, Newcastle upon Tyne NE4 6BE, to whom applications should be addressed, naming three referees. Closing date: 10th January, 1975. (28816) 81-1

**SOUTH EAST THAMES
REGIONAL HEALTH AUTHORITY**
Kent Area Health Authority
South East Kent and
Canterbury/Thanet Health Districts

Applications are invited for the post of
CONSULTANT PSYCHIATRIST
(Whole-time maximum part-time)
for duties in Child and Adolescent Psychiatry
to the South East Kent and Canterbury/Thanet
Health Districts of the Kent Area Health
Authority.

Duties will be as follows:
St. Augustine's Hospital (Beech House,
Inpatient Unit for Adolescent Girls) up to a
maximum of half the appointee's time.
Adolescent Outpatient Clinic, Canterbury —
1 session weekly.

The remainder of the time will be spent
running Child Psychiatric Clinics.

Previous experience in Child Psychiatry
and possession of a D.P.M. essential.
A higher qualification is desirable.

Private resident shall not be more than 10
miles by road from St. Augustine's unless prior
approval is given by the Regional Health
Authority.

Hospital and Clinics may be visited by
arrangement.

Application forms from the Secretary,
Advisory Appointments Committee, South
East Thames Regional Health Authority,

January. (36746) 84-1

**YORKSHIRE
REGIONAL HEALTH AUTHORITY**

**WHOLE-TIME LOCUM
CONSULTANT IN PSYCHIATRY**
York

required immediately for duties at Naburn
and Bootham Park Hospitals. Appointment for
three months in first instance.

Applications stating age, qualifications and
experience, together with names and
addresses of three referees to the District
Administrator, York District, Bootham Park,
York. (36747) 84-1

**HAMPSHIRE
AREA HEALTH AUTHORITY**
(Teaching)

Southampton and South West Hampshire
Health District

Applications are invited to fill
THIRTEEN

CLINICAL ASSISTANT
sessions in psychiatry base at Knowle Hospital
and/or Southampton Mental Health Centre.
The successful applicants would be expected to
undertake out-patient work, if necessary
under supervision, in the Southampton, Hythe
or Fareham/Cashtown areas. Some in-patient
work at Knowle Hospital could be included.
Preference will be given to applicants with
previous psychiatric experience and also to
applicants who are prepared to take a greater
rather than a lesser number of sessions. It is
hoped that no Clinical Assistant would wish to
do less than three sessions per week although
no rule as regards a minimum commitment
exists.

Knowle Hospital and Southampton District
can offer a wide, up-to-date and academic
experience in psychiatric practice in an area
which is rapidly developing community
facilities and where further changes are
expected in the near future. Applicants are
not required to be resident.

Application forms are available from the
Personnel Officer, Knowle Hospital, Fareham,
Hants. Tel: Wickham 832271 or 832081. (36749) 84-4

The training course will involve attachment
to the Department of Child and Family
Psychiatry, and Royal Hospital for Sick
Children, Glasgow, and/or the Department of
Child and Adolescent Psychiatry at the
Crichton Royal Hospital, Dumfries. There is
also rotational attachment to the Douglas Inch
Clinic for Forensic Psychiatry, Glasgow, and
other Child and Adolescent Units and Mental
Deficiency Units in Glasgow, and surrounding
districts. Attachments in Paediatric Medicine
are also available.

Further information may be obtained from
the Tutor in Child and Adolescent Psychiatry,
Dr F. H. Stone, Department of Child and
Family Psychiatry, Royal Hospital for Sick
Children, Glasgow and from the Department
of Child and Adolescent Psychiatry, Crichton
Royal Hospital, Dumfries.

Applications (one copy) stating age,
qualifications, experience, present
appointment and the names of two referees
should reach the Secretary, Greater Glasgow
Health Board, Southside, Glasgow, G3 7LN,
Glasgow, G2 3HT no later than 14 days after
the publication of this advertisement. (H13508) 84-5

**NORTHERN IRELAND
HEALTH AND SOCIAL SERVICES**

**SENIOR REGISTRARS OR
REGISTRARS IN PSYCHIATRY**

Applications are invited for non-resident
appointments in Psychiatry available from 1st
August 1975.

Vacancies exist at a number of hospitals
throughout Belfast and Northern Ireland.

There is a rotational training scheme in
Northern Ireland leading to the M.R.C. Psych.
or a D.P.M. Successful candidates may receive
training in posts which offer wide experience
in sub-specialties such as Mental
Subnormality and Child Psychiatry, including
a period in the University Department of
Mental Health of the Queen's University of
Belfast.

Applications will be considered for
Registrar appointments from candidates who
have satisfactorily completed one year's
service as S.H.O. in any specialty.

For the Senior Registrar grade candidates
will require to have either (a) M.R.C. Psych.
or (b) D.P.M. London or equivalent and
higher qualification such as M.D. or M.R.C.P.
or (c) D.P.M. London or equivalent, and
evidence of satisfactory progress towards a
higher qualification such as M.D. or M.R.C.P.

Other higher qualifications however
including those obtained overseas will be
considered in individual cases.

Application forms and further particulars
are available from - The Chief Administrative
Officer, Central Services Agency, 27 Adelaide
Street, Belfast BT2 8PH. The latest date
for the receipt of application forms is 31st January
1975. (28909) 84-5

of

**REGISTRAR
IN PSYCHIATRY**

in Bristol. The post is non-resident. A modern
unfurnished bungalow is available.

The successful applicant will be based at
Glenside Hospital, Bristol (except for
programme No. 4 below) and will take part in
the Registrar rotation scheme in the Bristol
area. This entails six-monthly rotation
through four of five programmes which are
arranged as follows: (1) Rehabilitation (2)
Acute general psychiatry and psychogeriatrics
(3) Acute general psychiatry and child
psychiatry (4) Mental Subnormality — Stoke
Park Hospital, Bristol (5) Glenside
Undergraduate teaching unit (University of
Bristol).

At all stages in the rotation, training is
emphasized by the inclusion of sessions
specifically for this purpose, including
forensic psychiatry, paediatrics, psycho-
geriatrics and child psychiatry. Postgraduate
seminars are held regularly under the
guidance of the Hospital Clinical Tutor.

The appointment will be for a period of two
years, but is subject to review after the first
year.

Application forms obtainable from the
Regional Medical Officer, South Western
Regional Health Authority, 27 Tyndalls Park
Road, Bristol, BS8 1PJ to whom they should be
returned by 9th January 1975. Selected
candidates will be interviewed on 24th
January 1975. (H13516) 84-6

CLAYBURY HOSPITAL
Woodford Bridge, Woodford Green
Essex

There will be a vacancy from 1st January, 1975
for a full-time

**PSYCHIATRIC
SENIOR HOUSE OFFICER**

at this hospital of 1,560 beds with an admission
rate of 1,600 patients annually. Claybury is a
progressive Psychiatric Hospital within easy
reach of Central London. It is accredited
under Category 1 for the full course of
psychiatric training towards the M.R.C. Psych.
and the post is recognized for the D.P.M. The
post offers special experience in training in
therapeutic community methods. The hospital
is organized into firms, each serving a sector
of the catchment area. Each Senior House
Officer works on an admission ward under
Consultant supervision and has responsibility
for longer stay wards. A postgraduate training
programme of case conferences, seminars and
journal discussions is organized by the
Clinical Tutor. Facilities are also offered for
attendance at other recognized courses.

The position is non-resident but residential
accommodation is available.

Please apply to the Administrator as soon as
possible, with names and addresses of two
referees. (28147) 84-8

HIGHLAND HEALTH BOARD

Applications are invited for a **WHOLE-TIME NON-RESIDENT SURGICAL REGISTRAR**

at the Inverness Hospitals. Main duties at the Royal Northern Infirmary (222 beds) and Raigmore Hospital (415 beds). Secondment can be arranged to the Aberdeen Teaching Hospitals for experience in specialised units.

Further particulars and application schedules can be obtained from The Personnel Officer, Highland Health Board, 17 Old Edinburgh Road, Inverness with whom applications should be lodged by 25th January 1975. (H13524) 91-6

LIVERPOOL AREA HEALTH AUTHORITY (Teaching) Mersey Regional Health Authority

Applications are invited for a non-resident post of

REGISTRAR IN SURGERY
for a period to 30th September 1975. Reappointments for the period to 30th September 1976 will be considered without the need for further application.

The post is one of a group which together provide by inter-change a planned two-year programme of training in a sequence of teaching and non-teaching hospitals. This rotation scheme is designed for doctors who have passed the Primary F.R.C.S. examination and who have already held a recognized post for 6 months in a Casualty Department. The scheme will provide the required experience to enable them to take the Final F.R.C.S. examination.

The hospitals involved are: Southport General Infirmary, Broadgreen/Aintree Hospitals (Thoracic Surgery) and David Lewis Northern Hospital.

Apply by 1st January 1975 on form obtainable from the Area Personnel Department, The Liverpool Area Health Authority (Teaching), 2nd Floor, Orleans House, Edmund Street, Liverpool L3 9NG. (H13524) 91-6

LIVERPOOL AREA HEALTH AUTHORITY (Teaching) on behalf of ISLE OF MAN HEALTH SERVICES BOARD

Applications are invited for the post of **SURGICAL REGISTRAR** with duties at Noble's Hospital, Douglas, Isle of Man.

This is an acute general hospital of 220 beds of which approximately 90 are surgical. The surgical work carried out is of a very general nature including gynaecology, orthopaedic, and some E.N.T. and ophthalmic cases. Indeed this Island, because of its geographic position, offers an unusually wide range of surgical experience.

The surgical establishment includes three Consultants and two Registrars resident on the Island, and in addition there are visiting consultants in the specialties of orthopaedics, E.N.T., thoracic surgery, radiotherapy and paediatrics.

The appointment, which will become vacant on 1st March 1975 is tenable for one year in the first instance.

Post recognized for F.R.C.S. However, preference will be given to candidates who already hold a Surgical Fellowship, and all candidates must at least hold a Primary Fellowship.

The Terms and Conditions of Service are essentially the same as in the United Kingdom. There is full reciprocity with the United Kingdom for superannuation. Low Manx Income Tax. Resident post. Single/married accommodation is available.

Application form and further information from the Area Personnel Department, Liverpool Area Health Authority (Teaching), 2nd Floor, Orleans House, Edmund Street, Liverpool L3 9NG.

Applications to be returned not later than 9th January 1975. (H13506) 91-6

ROTHERHAM AREA HEALTH AUTHORITY Montagu Hospital

RESIDENT REGISTRAR IN SURGERY
required for duties at the above hospital. Applications stating age, qualifications, experience (with dates of previous posts held) and names and addresses of three referees to: Area Personnel Officer, Oakwood Hall, Margate Road, Rotherham S60 2UN. Closing date for applications 13th January 1975. (36821) 91-6

THORACIC SURGERY**NORTHERN IRELAND HEALTH AND SOCIAL SERVICES**

SENIOR REGISTRARS OR REGISTRARS IN THORACIC SURGERY
Applications are invited for non-resident posts of Senior Registrar or Registrar in Thoracic Surgery.

The appointments will commence on 1st August 1975.

A successful candidate will be based at the Thoracic Surgery Unit in the Royal Victoria Hospital, Belfast, which is a major teaching centre. The unit provides a regional service for all of Northern Ireland and a person appointed will have an opportunity to acquire wide experience in modern techniques.

Active postgraduate training is provided in Northern Ireland in all the major aspects of surgery and the posts are recognized for higher surgical training. A Specialty Adviser is available for career guidance and there are excellent educational and library facilities. Research is encouraged.

Candidates for a Senior Registrar post must have or expect to have by the date of appointment four years' service since graduation and Fellowship of a Royal College of Surgeons; for appointment as Registrar at least one year's service as Senior House Officer in Surgery and primary Fellowship or equivalent are essential.

Application forms and further particulars are available from: The Chief Administrative Officer, Central Services Agency, 27 Adelaide Street Belfast BT2 8FH. The latest date for the return of application forms is 31st January 1975. (28913) 92-5

BRADFORD AREA HEALTH AUTHORITY

Applications are invited for the post of **RESIDENT REGISTRAR IN ROTATIONAL SURGICAL TRAINING SCHEME**

with duties in the Bradford hospitals. This is one of four rotational registrarships providing 6 months in Accident and Orthopaedic Surgery, 6 months in Thoracic Surgery and two periods of 6 months each in General Surgery. These posts are recognized as rotational training posts by the Royal College of Surgeons. Candidates must possess Primary F.R.C.S.

There is an active postgraduate teaching programme with full University and library facilities. Undergraduate students are also trained in the hospitals of the District.

Application forms may be obtained from the District Administrator, Bradford Area Health Authority, Bradford District, Bradford Royal Infirmary, Duckworth Lane, Bradford BD9 6RJ. (28888) 92-6

QUEENSLAND PUBLIC SERVICE

REGIONAL
GERIATRIC PHYSICIANDepartment of Health
Townsville

Qualifications: Degree registrable in Queensland; Membership of the Royal Australian College of Physicians or suitable equivalent; experience or interest in Geriatric Medicine.

General: The successful applicant will be responsible for the development of Geriatric services in Townsville and North Queensland; provide a consultant service to, and involvement in a teamwork setting with a wide range of other professional staff employed by the Division of Community Medicine; provision of medical services to "Eventide" at Charters Towers.

Enquiries: Enquiries regarding this position may be made to: Director-General of Health and Medical Services, Administration Building, Cnr. George and Elizabeth Streets, Brisbane, Queensland 4000.

Salary will be within the range \$19,677- \$21,472 per annum.

Applications quoting position reference number 860 V-74 and containing full particulars of name, address, telephone number, date of birth, marital status, qualifications, experience and present employment and furnishing copies of testimonials and the name of two referees should be forwarded to the Chief Administration Officer, Department of the Public Service Board, Box 59 Post Office, Brisbane, North Quay, 4000 by 3rd February 1975. (H13482) 118

AUSTRALIA
Townsville Hospitals Board

Medical Superintendent

\$A24,133 p.a.

Applications are invited from Medical Practitioners registrable in Queensland for appointment as full-time Medical Superintendent, Townsville Hospital.

The successful applicant should hold a postgraduate degree in some field of medicine. A Degree or Diploma in Hospital or Medical Administration would be of advantage.

Provision will be made of a limited allocation of beds for the appointee's specialty, if required.

DUTIES: Medical administration including supervision of medical and allied services and training of Resident Medical Officers. Reporting to Board on administration and advising on improvements and expansion of facilities. The position is superannuable.

The hospital at Townsville, which is the second largest city in Queensland, has a registered capacity of 603 beds and is to be developed to 800 beds as a teaching hospital associated with a Medical School to be established at James Cook University of North Queensland. Planning of expansion for that purpose is in progress.

Daily Average: During 1973/74 daily average of in-patients was 322, Out-patients 434. Staff Complement includes Surgical Supervisor, Staff Psychiatrist, Staff Anaesthetist and Out-patients and Casualty Officer.

Rotating full-time staff consists of 12 Registrars and 20 Resident Medical Officers.

26 Visiting Specialists in 16 specialties are employed on sessional duty.

GENERAL: The Board controls a small hospital on Palm Island Aboriginal Settlement and an Out-patients Centre on Magnetic Island. Daily Averages — In-patients, Palm Island 28 — Out-patients, Palm Island 46, Magnetic Island 12.

Application forms and further information available from The Agent-General for Queensland, 392 Strand, London WC2R 0LZ.

Closing date 20th January, 1975. (28785)

Hazard Ahead...

but with care, one that is readily overcome.

The 'Hazards' facing you and your family are not so easily tackled, but with the same care you can provide for yourself and your dependants with the right type of insurance.

Understandably, you may not know where to start, but the Medical Insurance Agency, with its knowledge of the insurance market and of the needs of the medical and dental professions, will help you to find the policy that is exactly right for you.

The main laboratories at Lincoln's Inn Fields

The Imperial Cancer Research Fund deserves your support

because

- It is entirely financed from voluntary contributions and devotes more than 95p of every pound donated to cancer research.
- Its laboratories at Lincoln's Inn Fields offer unrivalled facilities and are the largest independent centre for cancer research in Europe.
- It is committed to an expanding research programme and its hopes for the future depend on YOUR SUPPORT NOW.

For everyone's sake support I.C.R.F. now with an offer of help or a donation.
It makes sense.

Donations may be sent to: I.C.R.F., Dept. 101,
P.O. Box 123, Lincoln's Inn Fields, London, WC2A 3PX.

BMJ publications

Cardiovascular Diseases in the Tropics (1974)

The book presents the present state of knowledge regarding many conditions previously thought to be peculiar to the temperate and developed countries and also deals with those disorders peculiar to the tropical situation. It provides an up-to-date review suitable both for clinical and epidemiological work and for further research into these disorders.

Price £4.50 (U.S.A. \$13.50)

A New Look at Infectious Diseases (1974)

Infectious diseases remain as much a medical challenge as ever, and the articles collected in book form under the title *A New Look at Infectious Diseases* covers many aspects of diagnosis and treatment. The widespread use of immunization, with its occasional hazards, the use of newer antibiotics, and increased risk of spread by travel are all dealt with, as well as the problems of diagnosis produced by present day doctors' unfamiliarity with many diseases which were formerly so common and widespread.

Price £2.00 (U.S.A. \$6.00)

Medicine in Old Age (1974)

The series of twenty two articles published in the *British Medical Journal* throughout the winter have been collected in book form as a convenient source of reference for general practitioners. The emphasis is on remedial mechanisms, and the use that can be made of psychogeriatric and social services in keeping the elderly healthy and relatively independent members of the community.

Price £2.00 (U.S.A. \$6.00)

Today's Drugs/3 (1973)

The third and final volume of the 'Today's Drugs' series, like its predecessors, is based on *BMJ* articles revised and brought up to date by their authors. It deals with respiratory agents, drugs acting on the central nervous system, and a miscellaneous group of drugs.

Price £1.25 (U.S.A. \$3.75)
