

This is what we call practising medicine.

A career in Naval medicine can be a rewarding experience. Opportunities to specialise abound. And perhaps above all else, there is an immense satisfaction to be gained from the wide variety of work you will be involved in.

At sea, for instance, you could be anywhere from the Mediterranean to the Pacific Ocean. Looking after the health and well being of the company of a modern warship.

And though you could spend as long as the first twelve months of your five year Short Service Commission on board different ships, you need have no fear of losing contact with mainstream medicine. For no matter where you are, you will be kept informed of current medical opinion.

After this, the choice is yours. Post graduate medical training and a career in the clinical disciplines at one of our naval district general hospitals. Haslar or Plymouth, for instance, with their wide spectrum of clinical material drawn from naval personnel, their dependants and the local civilian population as well. There are also naval hospitals in Malta and Gibraltar with opportunities for exchange appointments elsewhere.

Or you might prefer occupational medicine in our research orientated naval dockyards. Aviation medicine with its accent on rotary wing support of the Fleet. And for those with an administrative turn of mind, community medicine.

Royal Naval expertise in maritime medicine is recognised world wide and research into underwater medicine, nuclear medicine and the closed submarine environment is centred at the Institute of Naval Medicine at Alverstoke.

Naval general practice in well staffed and equipped medical centres extend as far afield as Malta and Hong Kong. And new training schemes are now under way in the United Kingdom.

Should you be moved or sent abroad at any time, all expenses will be paid by us. We will help you with accommodation (at very reasonable rents) and provide allowances for the education of your children, if you have a family.

If you enter the Royal Navy immediately after registration you will be given the rank of Surgeon Lieutenant and a salary of £5,997, rising to £6,716 after four years.

On the other hand, if you are older (up to the age of 39) and more experienced, we can offer you a number of opportunities in general practice and the specialities. And, depending on your post-registration experience, you could enter as a Surgeon Lieutenant Commander at a salary of £8,015.

Then, at the end of your five year Short Service Commission you could leave with a tax free gratuity of £3,000.

But if it is mutually agreeable, you could apply for a Full Career Commission or a 16 year pensionable commission. The choice is yours.

In the meantime if you would like further information, write giving details of your age and qualifications to

Surgeon Commander L.C. Banks, R.N., (724 BU 27) Department of the Medical Director General (Naval), Empress State Building, Fulham, London SW6. **ROYAL NAVY**

Septrin b.d. in otitis media

better for him better for mum

Better for him because Septrin has a powerful activity against the causative pathogens ensuring a rapid response and high success rates. 1.2

Better for mum because the twice-daily dosage of Septrin removes the worry of giving medicine at awkward times of the day and night.

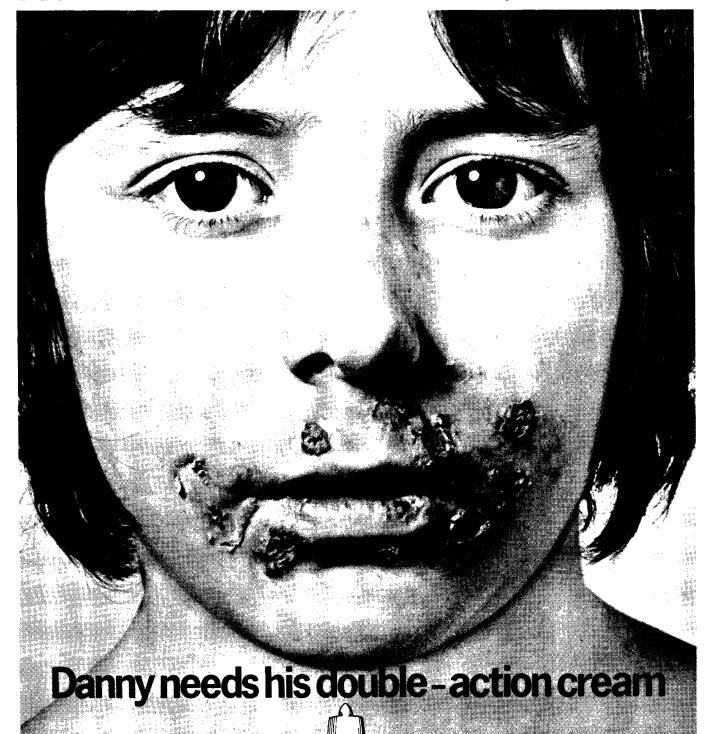

1 Jinfect Dis, (1973), 128, suppl, 629. 2 Canad med Ass J, (1975), 112, 87S.

Septrin contains trimethoprim and sulphamethoxazole. FULL PRESCRIBING INFORMATION IS AVAILABLE ON REQUEST. Wellcome Medical Division, The Wellcome Foundation Ltd., Berkhamsted, Herts

Some patients stayon barbiturates until the day they die

Every day in Britain three patients die after deliberately taking overdoses of barbiturates – a total of over 1,000 every year.

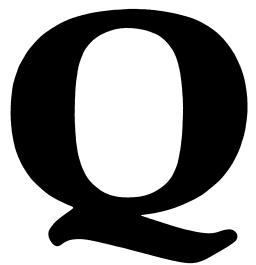

Virtually all of these patients could have been transferred to Mogadon, which is much safer but just as effective against insomnia

The parients may still have tried to kill themselves. But with Mogadon few if any would have succeeded

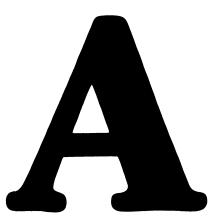

Mogadon: farsafer, farbetter

How much Caved-S can an intractable duodenal ulcer patient take?

For a full year without relapse, 12 tablets a day for up to 16 weeks*

The Practitioner

June 1973 Vol. **210** pp. 820~823

* This dosage regimen was established in a recent trial of Caved-S on patients all with intractable duodenal ulcer and a history of more than six relapses in the year prior to the trial. Of twenty patients receiving 12 Caved-S tablets a day for 16 weeks, 12 had no relapse in a full year's follow-up, and the other 8 had two or one relapse in the follow-up year. All these patients had actually been referred for surgery, but surgery was avoided in all cases. Another similar group of 20 patients received 8 Caved-S tablets a day for 8 weeks – the condition of patients selected was too serious for controls with a placebo. Of this second group 3 had no relapse, 7 up to two relapses, and 10 up to 4 relapses in a year's follow-up.

No significant side effects occurred. Only one patient discontinued treatment, and he later resumed treatment successfully. The authors conclude:

"Caved-S... should be given in high dosage before surgery is attempted in patients with duodenal ulcer who fail to respond to a low dose or other treatments."

Caved-S the ulcer fighter

Licence No. 0425/5000 Composition: Liquorice (not more than 3% glycrrhizinic acid) 380 mg., bismuth subnitrate 100 mg., alum. hydrox gel 100 mg., light mag. carb. 200 mg., sod. bicarb. 100 mg., frangula bark 30 mg.; brown tab.

Caved-S effective and economic in high dosage

NON-CONTRIBUTORY INVALIDITY PENSION.

NEW BENEFIT FOR SICK AND DISABLED PEOPLE WITHOUT N.I. CONTRIBUTIONS.

DO YOU KNOW ANYONE WHO SHOULD APPLY?

There are many people who are incapable of work but have not qualified for sickness or invalidity benefit because they do not have enough national insurance contributions. Now they can claim Non-Contributory Invalidity Pension.

Under the Non-Contributory Invalidity Pension scheme, they could be entitled to £7.90 a week. (More, if they have a wife and children.)

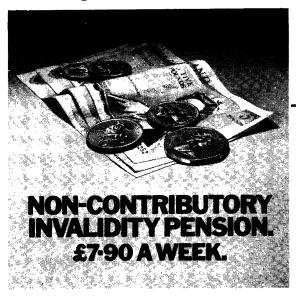

If you have a friend, relation or patient who qualifies, <u>you</u> could tell them about it. How do they qualify?

They must be between 16 and 65 (men) or 60 (women) and have been incapable of work for at least 28 consecutive weeks. But, at present, a woman cannot qualify if she is married and living with her husband.

To get a leaflet and claim form all they need do is fill in the coupon below, or call at

their local Social Security Office. Payments start from November 20th.

But don't forget to tell them; or better still, show them this advertisement.

| Please send me a copy of leaflet N.I. 210 about Non-Contributory Invalidity Pension |

Mrs. Jackson's migraines, while frequent, do not follow an entirely predictable pattern. She dislikes the side-effects of ergotamine treatments: long-term prophylaxis would involve an unacceptable degree of over-medication. Is there an alternative?

2 PINK MIGRALEVE, taken at the first warning, will often completely abort impending Migraine attacks. Residual symptoms, if any occur, can be controlled with Yellow Migraleve. Like most patients, Mrs. Jackson will find such a regime preferable, because Migraleve offers:

- Less medication than with long-term prophylactic treatments
- Economic dosage, taken only as attacks occur
- Proven effectiveness in 79% of attacks²
- Considerably less vomiting than with ergotamine¹
- Proven patient preference¹

5 good reasons for prescribing

MIGRALEVE PINK tablets contain buclizine, paracetamol, codeine Migraleve Yellow tablets contain paracetamol, codeine.

THE FINEST PRIVATE PSYCHIATRIC HOSPITAL IN BRITAIN IS IN NORTHAMPTON

St. Andrew's Hospital, which was established in 1838 as a nonprofit making charitable foundation, is a progressive hospital staffed and equipped for the treatment of every type of psychiatric illness.

All patients are under the care of Consultant Psychiatrists. In general, short stay patients are admitted to Isham House, a luxuriously appointed Nursing Home in the grounds. The accommodation consists of private bedrooms, most of which have private bathrooms. All forms of treatment are available, with emphasis on individual and group psychotherapy.

Facilities for occupational therapy and recreation are excellent, and include a 9-hole golf course, squash court, tennis courts, swimming pool and a Social Centre with restaurant, shop and hairdressing salon. All these are set in the hospital's own 100 acres of well-wooded grounds.

Long stay and psychogeriatric admissions are into the main hospital which has been modernised specifically for the purpose. Again, accommodation is mostly in private bedrooms.

St. Andrew's Hospital is only 65 miles from London and is easily accessible from all parts of the country by rail and road.

B.U.P.A., and P.P.P., subscribers are able to claim benefit in respect of their treatment fees.

St. Andrew's Hospital offers the highest standards of treatment for the whole spectrum of psychiatric illness in an ideal environment.

Further particulars, including fees, may be obtained from the Medical Director, St. Andrew's Hospital, Northampton, (Tel. 0604 21311) who can be seen in consultation by appointment at the hospital.

Why forbid the patient coffee?

Thanks to H-A-G Decasteinated Coffee even in cases of Insomnia, Palpitations, Disorders of the Heart and Circulation, Excitability, Gastritis and Peptic Ulcer, Gallstones, certain Diseases of the Liver the patient need not forego his favourite beverage.

* THE H-A-G DECAFFEINATING PROCESS. Swelling the green beans by steam pressure enlarges the pores and exposes the maximum surface to the highly volatile caffeine solvent (not trichlorethylene) which is flushed through the beans, carrying the caffeine with it. The surplus solvent is removed by a final steam flushing. The beans are then roasted in the normal way.

H-A-G coffee is available in 3 forms, Beans, Ground and Instant.

Liberal samples of Ground or Instant will be sent free and post free to any Doctors applying to:
The A.A. Supply Co. Ltd. Dept. BM,
14 Northfield Estate, Beresford Avenue, Wembley, Middlesex. HAO 1YN.

ADVERTISEMENTS

PHARMACEUTICAL PRODUCTS

Readers are reminded that prescribers' literature and clinical information are always available from advertisers on request.

What we can do is up to you.

At a time when you may be finding it hard enough to look after your own children, it may seem a trifle optimistic to ask you to help us look after ours.

But the sad fact is that if nothing is done, many unloved children grow into unloving parents. And so the sad circle of deprivation widens. Eventually it touches us all.

Every year Barnardo's helps more than 7000 children. Many are handicapped, maladjusted, orphaned or deserted. Some come because the State cannot cope. If we don't help them, who will?

More than ever. Barnardo's needs your help. A donation, a Deed of Covenant, a helping hand in running a local fund raising group, they'll all enable us to continue our work.

If you think that Dr. Barnardo's is nothing to do with you, imagine what would happen if nothing got done. We can't give unless vou do.

Britain's largest child care charity.

I enclose a donation of £1 □ £2 □ £5 □ £10 □ £20 □ £..... I would like to know more about Wills/Covenants. □ I would like to know how I can help Barnardo's. \Box (tick box) (Make cheque/PO payable to Dr. Barnardo's).

MEDICINE IN OLD AGE

(ISBN O 900221 93 3)

The series of twenty two articles published in the *British Medical Journal* have been collected in book form as a convenient source of reference for general practitioners. The emphasis is on remedial mechanisms, and the use that can be made of psychogeriatric and social services in keeping the elderly healthy and relatively independent members of the community.

advertisement british medical journal 18 october 1975 xi

To treat diverticular disease, resume normal pressure.

It is now recognised that diverticula are often the result of the *raised intra-colonic* pressures induced by a diet deficient in natural fibre.

...less pressure is required to propel soft stools through the colon than is the case with very viscous ones. 991

66... the swiftly passed stool resulting from a high fibre diet subjects the sigmoid to less strain and does not favour the development of diverticula.

Fybogel, by raising the level of fibre in the diet, helps to eliminate high intra-colonic pressures, thus relieving the symptoms and at the same time treating the basic cause of diverticular disease.

In Fybogel, the fibre is presented as a palatable drink—the granules disperse easily in water. Two sachets daily, taken after meals, is the dosage usually required to restore normal intra-colonic pressure and treat diverticular disease.

1 Postgrad. Med. J. (October 1974) 50, 629.

Fybogel: single-dose sachets, containing 3.5g Ispaghula Husk B.P.C.

APPOINTMENTS Applicants for medical appointments are advised to check whether the post

advertised is included in the Important Notice and to scrutinize carefully the remuneration and terms of service offered. Any member who is in doubt about these terms in relation to B.M.A. agreements should consult the Secretary of the

Advertisers are reminded that the Race Relations Board insists that no descriptive term implying racial, national, or ethnic characteristics may be used in any advertisement. Further, readers are advised not to apply for any appointment which discriminates between applicants on grounds of creed or unreasonably on

HOSPITAL APPOINTMENTS

Applicants should state names, address, age, nationality, and qualifications, and enclose (unless otherwise specified) one copy of each of three recent testimonials, with a short statement of experience and appointments held. Applications should be sent at once if no closing date is given: Canvassing disqualifies (Statutory Instrument, 1974, No. 361.

All National Health Service hospital appointments are in accordance with the Terms and Conditions of Service of Hospital Medical Staff.

Further details concerning standards of residential accommodation, telephone charges, removal allowances, study leave and other matters should be obtained from the Hospital Secretary; or by B.M.A. members from the Secretary, British Medical Association.

In particular, they will find full details of facilities provided in most hospitals in the United Kingdom in the current edition of the *Hospital Gazetteer*. If such details are not included members are advised to consult the Secretary of the B.M.A.

Applicants requiring hospital married accommodation are strongly advised to obtain, prior to interview, clarification in writing from the employing authority as to whether such accommodation will be available on appointment.

No advertisement may stipulate that a non-resident must live less than 10 miles from a hospital. Advertisements for post-registration house officers, senior house officers and registrars should state clearly whether the post is resident, i.e. compulsorily resident.

In all advertisements grade should be clearly indicated. Normally a consultant vacancy must be advertised as (a) part-time with the number of sessions clearly stated, or (b) whole-time with the option of maximum part-time.

In the view of the BMA, an advertiser should not insist on possession of English higher qualifications in preference to Scottish or Irish qualifications (or vice

SALARY SCALES OF HOSPITAL MEDICAL STAFF

HOUSE OFFICER: Each post in this grade shall be tenable for six months. £2,859 per annum for the posts held during the first year; £3,075 per annum for posts held during the second year; £3,294 per annum for posts held during the third and subsequent years, subject to full registration.

Deductions of £177 per annum in respect of lodging only for voluntary residence.

SENIOR HOUSE OFFICER: £3,663 per annum x £243(1) — £3,906 x £246(1) — £4,152

Deductions of £210 per annum in respect of lodging only for voluntary

REGISTRAR: £4,152 per annum x £222(3) — £4,818 x £291(1) — £5,109.

Deductions of £210 per annum for those with remuneration at the first incremental point on the scale and £234 per annum for those on the second and subsequent points will be made in respect of lodging only for voluntary resi-

On assimilation to the scale for Registrars, one increment and one only shall be given for any year or part of a year in excess of two spent previously in the senior house officer grade.

Allowances at rates up to £204 per annum shall be payable to house officers, senior house officers and registrars occupying posts approved for such allowances in peripheral bospitals.

ances in peripheral hospitals. SENIOR REGISTRAR: £4,818 x £291(1) — £5,109 x £294(1) — £5,403 x £291(2) — £5,985 x £294(1) — £6,279.

Deductions of £270 per annum in respect of lodging only for voluntary

On assimilation to the salary scale for senior registrars, increments to a maximum of two shall be given for each year or part of a year in excess of three spent previously in the registrar grade.

MEDICAL ASSISTANT: £4,548 x £258(4) x £234(1) x £222(9) — £7,812. Deductions of £270 per annum in respect of lodging only for voluntary

CONSULTANT: £7,536 x £786(1) x £789(3) — £10,689.
Deductions of £420 per annum in respect of lodging only for voluntary residence.

COMPULSORY RESIDENCE: The Terms and Conditions of Service of Hospital Medical and Dental Staff state:

173. A practitioner who is required as a condition of his appointment to reside in a hospital shall be provided with lodging without charge, except where the practitioner elects to occupy a house, flat or apartment for which a rent is appropriate.

xxxviii **BRITISH MEDICAL JOURNAL** 18 OCTOBER 1975 ADVERTISEMENT

THE NORTH BRISBANE HOSPITALS BOARD **ROYAL BRISBANE HOSPITAL**

STAFF **PHYSICIAN**

Applications are invited from specialist physicians for appointment to the position of Staff Physician, North Brisbane Hospitals Board, to manage the administrative arrangements necessary in relation to full-time and part-time staff, facilities, etc. in order to privide the required standard of medical services in the medical wards of the Royal Brisbane Hospital. The basic purpose of the position is to see that a high standard of "Medical Services" as a major specialty is provided at Royal Brisbane Hospital within policies, practices and procedures adopted by the Board The basic purpose of the position is to see that a high standard of "Medical Services" as a major specialty is provided at Royal Brisbane Hospital within policies, practices and procedures adopted by the Board.

He will be responsible to the Medical Superintendent, Royal Brisbane Hospital. Other duties of the position will include, but are not limited to, the following:

(a) Organization of special services carried out by specialist physicians within the hospital.

(b) Adviser for selection and purchase of all medical equipment and apparatus.

(c) To sit on such committees as required by the Medical Superintendent of theRoyal Brisbane Hospital or the Executive Director of Medical Services.

(d) To undertake such other administrative duties as required by the Medical Superintendent of the Royal Brisbane Hospital or the Executive Director of Medical Services.

(e) To undertake the treatment of patients as a specialist physician as required within the hospital and to undertake such medical work as had been agreed upon between the administrators of the hospital and the medical staff.

Special duties to include clinical teaching and research as authorized by the Medical Superintendent.

Personal qualifications: He must have a higher degree in medicine and be qualified for registration as a physician. It is envisaged that the successful applicant will be a senior physician with administrative experience, in which case the appointment will be to a position of Senior Staff Physician with

experience, in which case the appointment will be to a position of Senior Staff Physician with salary of \$24,738 per annum. The salary range for Staff Physician is \$18,640 to \$23,666 and commencing salary will depend on years since registration as a specialist.

Applications closing 2nd Janaury, 1976 should be forwarded to the Executive Director of Medical Services, North Brisbane Hospitals Board, Base Hospitals Post Office, Brisbane, Old., 4029.

Further particulars may be obtained from the Medical Superintendent, Royal Brisbane Hospital. (3617).

(H18832)

DIRECTOR, DEPARTMENT OF PATHOLOGY AND LABORATORY MEDICINE

The applicant should be a medically qualified laboratory physician with extensive experience in laboratory management, preferably in a teaching hospital, with demonstrable leadership in one or more of the related fields of Laboratory Medicine, with specific reference to the maintenance of exemplary service, as well as undergraduate and postgraduate education, or medical research. The primary responsibility of the successful applicant will be the administration of the laboratories in a 500-bed medical and surgical teaching hospital of the British Columbia Medical Centre and affiliated with the University of British Columbia. The applicant must be able to contribute in his or her field of professional expertise in the Hospital and the University and should be eligible for a senior Academic Appointment. Salary range negotiable and commensurate with training and experience.

Send curriculum vitae and names of three references to: Chairman of Search Committee for DDPLM

Particulars of the appointment and duties may be obtained from the Medical Director, Dr. P. L. T. Ilbery. Applications on forms available from the Manager at 481 Little Lonsdale Street, Melbourne, Victoria, 3000, close on 31st October, 1975.

(47572)

AUSTRALIA

MERSEY GENERAL HOSPITAL LATROBE — TASMANIA

Resident Medical Officers

Applications are invited from first, second or third year medical graduates, possessing Australian or British qualifications for positions in medicine and surgery which will become vacant in January, 1976.

Initial appointments are for one year from the time of commencement but this may be extended by agreement.

It may be possible to offer experience in obstetrics and gynaecology in the Women's Division of the Hospital.

This is a modern base hospital of 230 beds with a full-time specialist staff. The General Division is in Latrobe and the Women's Division is five miles away in Devonport on the North West Coast of Tasmania.

Service at the hospital is recognised for registration.

Salary — 1st year after qualification — \$A13,805 per annum 2nd year after qualification — \$A14,757 per annum 3rd year after qualification — \$A15,266 per annum

Annual leave — 28 days.

Single R.M.O.'s receive board, accommodation and laundry. Attractive modern, self-contained fully furnished and equipped married quarters are available for which an annual rental of \$780.00 is charged (this includes light and fuel).

The financial terms quoted are those pertaining at the time of advertising and are subject to variation by the controlling authority.

Applications and enquiries, accompanied by the names of two medical referees, should be airmailed to the Medical Superintendent, Mersey General Hospital, Latrobe, Tasmania, Australia, 7307, from whom further particulars and the hospital brochure may be obtained.

Further information may be obtained from the Agent General for Tasmania, 458/9 Strand, London, who may arrange passage assistance for selected personnel and possible allowances towards removal expenses.

(29233)118

Saudi Arabia puts the challenge back into medicine

Working in Saudi Arabia is probably the biggest challenge to your professional ability and personal qualities you could ever face. Your patients will speak little, if any, English. They'll come from a different culture. They'll exhibit symptoms of diseases you probably last came across in text books. Of course, you'll have your international colleagues to consult. But in many cases, you will have to use your own initiative and ingenuity.

We operate three general/acute care facilities that provide health service to Ministry of Defence personnel, in both metropolitan and rural areas. We offer

excellent salaries and a range of benefits including good recreation facilities.

Practising medicine in Saudi Arabia isn't for everyone. But if you still want to learn and achieve something new every day, and are the type of Physician who is concerned with direct patient care, our programme could be for you.

We are looking for medical practitioners with three years in a chosen specialty so, if you're interested, write stating your marital status, job title and age to:

Whittaker Life Sciences Ltd., (Dept. BMJ 18/10), 76 Grosvenor Street, London W.1.

And we will forward a full colour brochure immediately.
