

MEDICAL BENEVOLENT COLLEGE.

ESTABLISHED JUNE 25TH, 1851.

IN placing before the Profession the FIRST LIST OF CONTRIBUTORS to this national undertaking, the Council have to congratulate the members on the very satisfactory results of their labours. They, however, earnestly call upon those who have not already subscribed to come forward as early as possible, in order to convince the public, to whom an urgent appeal will shortly be made, that they are fully sensible of the great want of such an asylum for their less fortunate brethren, or their widows, in the evening of life. They would also urge upon the Profession the importance of personal exertion to promote the accomplishment of so laudable an object.
