

THE NEW MEDICAL JOURNAL, Price 1s. 6d., may be had of all Booksellers.

THE LONDON AND EDINBURGH MONTHLY JOURNAL OF MEDICAL SCIENCE. Edited by Dr. J. R. CORMACK, appears regularly in London, Edinburgh, and Dublin, on the first day of each Month. Besides the Original Communications and Reviews, there is always a copious abstract of what is new and important in Medicine and the kindred Sciences, gleaned from the latest numbers of the British and Foreign Periodicals, as well as Reports of Scientific Societies, and the Professional News of the day. By means of special correspondence, the Medical News of the Continent are published in this Journal, both early and correctly.
