

LIST OF BOOKS

PUBLISHED BY

HENRY RENSHAW, 356, STRAND, LONDON

I.

Foolscap 8vo, cloth, lettered, price 10s 6d,

A MANUAL of GENERAL THERAPEUTICS, with Rules for Prescribing, and a copious Collection of Formulæ. By D. SPILLAN, M.D., A.M.

"The manner in which Dr. Spillan has executed his arduous task, reflects high credit both on his industry and judgment. We can safely recommend his work as one calculated to be of great value, not only to the student, but to the practitioner."—*Dublin Medical Press*.

"This will prove a great favourite with the active practitioner, who has not time to wade through elaborate works on therapeutics. It is an excellent compilation, some portions of which we shall notice in our next number."—*Johnson's Journal*.

"It is a valuable boon, both to the practitioner and student; and contains ample stores of valuable information. We strongly recommend for the perusal of our readers, the admirable chapter on the modus operandi of medicines contained in Dr. Spillan's work."—*Dublin Medical Journal*.

II.

MAYO'S PHYSIOLOGY.

8vo, boards, price 18s,

OUTLINES of HUMAN PHYSIOLOGY. By HERBERT MAYO, F.R.S., Senior Surgeon to the Middlesex Hospital. Fourth Edition, considerably enlarged, and illustrated, by very numerous Wood Engravings.

"The information contained in the present volume is at the same time so complete, so much condensed and so clearly arranged, that we conceive it ought to be in the hands of every student of physiology, and of every one who wishes to obtain a just view of the structure of the human frame, the uses of its various organs, and the nature of animal bodies generally."—*Edinburgh Medical Journal*.

III.

MAYO'S PATHOLOGY.

8vo, cloth, price 18s,

OUTLINES of HUMAN PATHOLOGY; containing the Morbid Affections of the Bones, Joints, Muscles, Nerves, Spinal Cord, Brain, Integuments, Digestive Organs, Blood Vessels, Heart, Lungs, and Urino-genital System. By HERBERT MAYO, F.R.S., &c. &c.

"In barely more than a page we find nearly all that is certainly known of the pathology of dropsy. * * * We cannot afford space for noticing the diseases of the joints, the discussion of which, as of other subjects of surgical pathology, the author displays more than usual ability."—*Forbes's Review*.

IV.

MAYO ON SYPHILIS.

8vo, cloth, price 5s 6d,

A TREATISE on SYPHILIS. By HERBERT MAYO, F.R.S., Senior Surgeon to the Middlesex Hospital.

V.

BURNETT'S BOTANY.

8vo, cloth, price 21s,

OUTLINES of BOTANY, including a General History of the Vegetable Kingdom, in which Plants are arranged according to the system of Natural Affinities. By the late GILBERT T. BURNETT, F.L.S., Professor of Botany at King's College, London.

VI.

LISTON'S OPERATIVE SURGERY.

8vo, cloth, price £1 2s,

PRACTICAL SURGERY; with 150 Engravings on Wood. By ROBERT LISTON. Third Edition, much enlarged.

"* * * The aim throughout has been to produce a work which should be useful to the Students of Surgery and young Practitioners, exhibiting a plain, common sense view of the most important injuries and diseases which are met with in practice, unencumbered by speculations or theories, and accompanied by simple directions how to conduct the treatment.

LONDON, EDINBURGH, and
DUBLIN LIFE ASSURANCE COMPANY,
3, Charlotte-row, Mansion-house, and 55, Chancery-
lane, London.

Trustees:

KENNETT KINGSFORD, Esq., BENJAMIN IFILL, Esq.,
JAMES BIDDEN, Esq.

The important improvements introduced by this Company, one of which is the proper remuneration of Medical Gentlemen, which render Assurances more generally useful as Family Provisions and as Securities, and their advantages certain, are explained in the Prospectuses of the Company, which are forwarded to applicants free of expense.

ALEX. ROBERTSON, Manager.

**MAUNSELL AND EVANSON ON DISEASES
OF CHILDREN.**

8vo, cloth, price 12s 6d,

PRACTICAL TREATISE on the
MANAGEMENT and DISEASES of CHIL-
DREN. By RICHARD T. EVANSON, M.D., Professor
of Medicine in the Royal College of Surgeons in
Ireland, and H. MAUNSELL, M.D., Professor of Mid-
wifery in the Royal College of Surgeons in Ireland.
Fourth Edition, revised, improved, and considerably
enlarged.

"Their book bears intrinsic evidence of the fruits
of careful observation; it is judiciously and carefully
drawn up, and exhibits the joint production of the
fellow labourers in a very attractive light."—*Medical
Gazette.*

"I refer the professional reader to the able work
of Drs. Maunsell and Evanson on the Management
and Diseases of Children, a work which embodies the
latest and most accurate information on this as on
most others of the important topics of which it treats."
—*Dr. Combe on Infancy, &c.*, p. 298.

Dublin: Fannin and Co., 41, Grafton-street. Lon-
don: Henry Renshaw, 356, Strand. Edinburgh:
Maelachlan, Stewart, and Co.

**WALTERS' HYDRO-PNEUMATIC ENEMA
SYRINGE.**

THIS newly-invented Instrument is
very much superior to any at present in use, on
account of its simplicity, its great portability, and its
durability. It is in itself reservoir and syringe, less
than half the size of any others that hold the same
quantity of fluid, and gives a continuous jet of any
force required, and free from air. It has been shown
to several of the most eminent Surgeons and Physicians
in London, and has met with their unqualified appro-
bation. They will be forwarded into the Country, on
receipt of a Post-office Order for a Guinea and a Half.

Manufactured only by the Inventor, J. Walters,
Anatomical Machinist, &c., 16, Moorgate-street, Lon-
don, whose name and address is stamped upon them.

MEDICAL PRACTICE, in a large
Midland Town, for immediate Sale, on mode-
rate terms. It has been established about Ten Years,
and the connection is highly respectable. The re-
ceipts are £400 per annum, and a proper successor
would be readily and securely introduced to the busi-
ness; a Gentleman conversant with Ophthalmic Sur-
gery would find a large field for Practice. Furniture,
at a valuation, about £150. Rent of House, with
good accommodation, £30 per annum.

Mr. LANE has on his books numerous Businesses
which he can strongly recommend to the notice of
Gentlemen desirous of embarking in Practice; among
them, especially, are two Practices at the West-end,
with long introductions, requiring each £1,000; and
several Provincial Businesses, of which the receipts
vary from £200 to £500 per annum, which have pecu-
liar advantages; and some of which may be entered
into on very easy terms.

Mr. LANE continues to pay every attention to the
selection of Professional Assistants; and Gentlemen
FULLY qualified, will generally find Situations attain-
able through his Agency.

Personal Applications between twelve and four, or
by letter, prepaid.

Medical Agency Office, 13, John-street, Adelphi.

PROVINCIAL MEDICAL AND SURGICAL ASSOCIATION.

THE Members and Friends of the above

Association are informed that the Tenth Anniversary Meeting will be held at Exeter, on Wednesday and Thursday, the 3rd and 4th days of August next, when the attendance of all those interested in the objects of the Society is requested. President, Dr. GOLDIE, York; President-Elect, J. H. JAMES, Esq., Exeter.

The Retrospective Address will be delivered by JAMES BLACK, M.D., of Manchester.

The Address in Surgery, by W. SANDS COX, Esq., Birmingham.

CHARLES HASTINGS, M.D.,
J. P. SHEPPARD, Surgeon,
Secretaries to the Association:

*** Members residing at a distance are informed that trains now leave Bristol each day for Taunton (thirty miles from Exeter), in the morning at nine, at 50 minutes after ten, at 40 minutes after twelve o'clock; and in the afternoon at 40 minutes after two, at four, at five, and at seven o'clock.

UNIVERSITY OF LONDON.

NOTICE IS HEREBY GIVEN, that the following CLASSICAL SUBJECTS have been selected for the MATRICULATION EXAMINATION in this University in 1843:—

XENOPHON—The First Book of the Hellenics;

LIVY—The Thirty-first Book.

Somerset-house, July 5, 1842.

Just Published, Fourth Edition, much enlarged, 8vo, cloth, with Plates, price 10s 6d,

THE PATHOLOGY and DIAGNOSIS of DISEASES of the CHEST; comprising a rational Exposition of their Physical Signs, with Researches on the Sounds of the Heart. By CHARLES WILLIAMS, M.D., F.R.S., Professor of the Practice of Medicine, London University College.

"The fact that a fourth edition is called for is a very good argument in favor of any book. But this was not necessary in the case of Dr. Williams; it was well known to the profession as one of the best manuals of diseases of the chest we possess."—*Dublin Medical Journal*.

"Of all the works on this subject, we are inclined much to prefer that of Dr. Williams."—*Medical Gazette*.

"Evidently written by a man thoroughly acquainted with his subject."—*Lancet*.

"We strongly recommend this work to the attention of auscultators."—*Medico-Chir. Review*.

London: John Churchill, Princes-street, Soho.

Just Published, 4to, with Four Plates, price 3s,

A CASE of CARCINOMATOUS STRICTURE of the RECTUM, in which the Descending Colon was opened in the Loin. By ALFRED JUKES, Surgeon to the General Hospital, Birmingham.

London: John Churchill, Princes-street, Soho.

Just Published, post 8vo, cloth, price 9s,

COMMENTARIES ON PATHOLOGY, and on Useful as well as on Dangerous Innovations in Practical Medicine. By Sir ALEXANDER CRICHTON, F.R.S., K. St. V. and St. Anne, Physician to the Emperor of Russia, and to his Royal Highness the Duke of Cambridge.

London: John Churchill, Princes-street, Soho.

Just Published, 8vo, cloth, price 4s,

HASTINGS, considered as a **RESORT** for INVALIDS, with Tables, illustrative of its Temperature, Salubrity, and Climate, showing its suitability in Pulmonary and other Diseases; also Directions for the choice of a Residence, and Hints as to Diet, Regimen, Bathing, &c. By JAMES MACKNESS, M.D., Physician to the Hastings Dispensary.

London: John Churchill, Princes-street, Soho.

Just Published, post 8vo, cloth, price 7s 6d, illustrated with a Map, geologically colored,

THE CLIMATE of the SOUTH of DEVON, and its Influence upon Health; with short Accounts of Exeter, Torquay, Teignmouth, Dawlish, Exmouth, Sidmouth, &c. &c. By THOMAS SHAPTER, M.D., Physician to the Exeter Dispensary, &c.

London: John Churchill, Princes-street, Soho.

To be had of all Booksellers.—A new popular Work, price 4s 6d,

THE WATER CURE: a new System for restoring Injured Constitutions to Robust Health, for the Radical Cure of Gout and Rheumatism; Stomach, Liver, and Nervous Complaints; Tic, Scrofula, Syphilis, and their consequences, &c., &c.; the result of observations made on nearly 2,000 patients. By JAMES WILSON, Physician to his Serene Highness Prince Nassau.

London: John Churchill, Princes-street, Soho.

The Author is now established at Great Malvern, celebrated for the purity of its air and water, and every other adjunct for giving the water cure its full effect.

Just Published, 18mo, cloth, price 4s,

THE SIMPLE TREATMENT of DISEASE: deduced from the Methods of Expectancy and Revulsion. By JAMES M. GULLY, M.D.

London: John Churchill, Princes-street, Soho.

This day is Published, illustrated with Six Plates, drawn and colored from Nature, price 10s 6d,

A PRACTICAL TREATISE on the DISEASES of the SCALP; being an Attempt at Simplifying the Diagnosis and Treatment of that Class of Affections. By JOHN E. ERICHSEN, Member of the Royal College of Surgeons in London, Fellow of the Royal Medical and Chirurgical Society, and formerly House Surgeon to University College Hospital.

London: John Churchill, Princes-street, Soho.

BRAITHWAITE'S RETROSPECT.

—Just Published, price 5s 6d, neatly bound in cloth, the Fifth Volume of this Journal, giving a careful Analysis of all the Practical Matter of the fourteen British, besides many of the French, German, and American Medical Journals, during the last six months. Edited by W. BRAITHWAITE, Surgeon to the Leeds General Eye and Ear Infirmary, and Lecturer on Midwifery and the Diseases of Women and Children in the Leeds School of Medicine.

The Third Edition of Vol. I. is now ready, price 4s 6d.

London: Simpkin, Marshall, and Co. Edinburgh: Oliver and Boyd. Dublin: Hodges and Smith. Leeds: G. Cullingworth.

*** This half-yearly volume enables the busy practitioner to keep up his periodical reading at the least possible expense, and with but little loss of time; at the same time, everything that can be really useful in practice has been collected from at least twenty different journals.
