TO CORRESPONDENTS.

The JOURNAL is posted on Friday evening. From the system which is adopted, there ought never to occur any omissions. Members who do not receive their Journals at the proper time are requested, after waiting one day, to communicate immediately with the publisher; otherwise, it may be difficult to supply the missing numbers. The whole impression of several numbers of the current year is already exhausted.

We regret to state that our limited space obliges us to decline a large number of original articles and letters, which have been sent to us for publication. More than forty letters have been received upon one subject, viz., the Poor-law Committee.

The following original articles are in the hands of the printer:

- ANDERSON, W. J., Esq., Continued Fever in Children.
- DURANT, C. M., M.D. Case of Abdominal Aneurism: with Remarks on its Differential Diagnosis.
- IMAGE, W. E., Esq. Neuroma of the Median Nerve.
- LINDSAY, W. L., M.D. Clinical Notes on Cholera [No. IV, Feigned Cholera].
- NORRIS, DANIEL, M.D. Correlation of Physiology and Pathology. Lectures II and III.
- RICHARDSON, B. W., M.D. Effects of the Horizontal Position of the Body in Syncope. [Part II.]
- STEELE, A. B., Esq. Cases of Puerperal Convulsions: with Observations.
- TURNER, R., M.D. Pathology and Treatment of Laryngo-Tracheal Inflammation. [Three Parts.]
- WEST, R. U., Esq. Cases of Puerperal Mania.

The periscope articles in hand are:

- LITTLEJOHN, H. J., M.D. Report on Forensic Medicine.
- CHATTE, John, Esq. Report on Cholera.
- HULKE, J. W., Esq. Translation of Paper by Dr. Anagnostakis on the Examination of the Retina.

The report of the suppressed Inquest at the Royal Free Hospital, and various leading articles, are unavoidably delayed.

LETTERS, ETC., FOR THE EDITOR, may be addressed to 21, EDWARDS STREET, PORTMAN SQUARE; where members may see the Editor, on Wednesdays, between 12 and 1 o'clock.
