"PULVIS JACOBI VER., NEWBERRY'S."

Diphtheria, Fevers, Hooping Cough,

of this invaluable medicine, for so many years prescribed as "Pulvis Jacobi
Ver.", but to which it is now necessary to add the name "Newberry's",
to secure prescribers against the substitution of articles advertised as
James' Powder, but which have nothing in character, dose, or effect, with the
original article, which has been sold by the Newberry Family continuously
since its introduction in 1746.

Price for Dispensing: 1 oz. Bottles, 9s.; 1/2 oz. Do., 3s. 4d.

Mr. Bourjeaud's Registered Spiral

ELASTIC COMPRESSORIAL APPLIANCES, to be obtained
only at No. 11, DAVIES STREET, BERKELEY SQUARE, W., and at No.
11, RUE DES BEAUX ARTS, PARIS, and through Medical Practitioners.

Mr. BOURJEAUD, in submitting the accompanying Diagrams, presents
his best thanks to the Members of the Medical Profession for their un-
ceasing support of his invention of the Spiral Elastic Compressorial Prin-
ciple in Surgical Appliances, and for the continuance of innumerable re-
commendations in all parts of the kingdom, at the same time he feels it
incumbent upon him to remind his friends, that this Invention was registered
by him in February 1848, and, immediately after, advertised in the *Medical*
Journals, thus affording an undeniable contradiction to the assertions of the
unblushing appropriators of his principle, who have never appeared till
within the last three and a half years, and yet style themselves Patentees,
Registrars, etc., of the Spiral Principle. The advantage of qualifying ante-
cedents, and being a Member of the Surgical Profession, have enabled Mr.
B., by confining his attention to the superintendence of the manufacture
and adjustment of his appliances, to attain great proficiency; and he con-
sidered it essential, especially in difficult cases, that patients should be
attended by himself or his assistants, and if not practicable, by a Member
of the Profession, as it must be admitted to be exceedingly hazardous for
the suffering to entrust their limbs or cases of hernia to persons totally
ignorant of anatomical or physiological laws.

The charges, estimating the amount of benefit afforded, are less than the
prices of the imitations: Mr. B. invites an inspection, and of the certificates
confirming his sole claim to the inventions.

N.B. No. 11, DAVIES STREET, near Mivart's Hotel. The Establishment
is strictly private. At home from 10 till 6.
