

## TO CORRESPONDENTS.

## POSTAGE OF MANUSCRIPT AND PRINTED MATTER.

Any amount of manuscript or printed matter, singly or together, provided it contains nothing in the form of a letter, is transmitted through the post, in packets open at the ends, at the following rates: not exceeding 4 ounces, one penny; above 4 and not exceeding 8 ounces, twopence; above 8 ounces and not exceeding 1 pound, fourpence; for every additional half-pound or under, twopence.

To CONTRIBUTORS. The Editor would feel glad if Members of the Association and others, would cooperate with him in establishing as a rule, that in future no paper for publication shall exceed two pages of the Journal in length. If the writers of long communications knew as well as the Editor does, that lengthy papers always deter the reader from commencing them, this great evil would never arise. Brevity is the soul of medical writing—still more than of wit.

NOTICE.—DR. WYTER will feel obliged if the Associates will address all Post Office Orders in payment of Subscriptions, to the Publisher, Mr. THOMAS JOHN HONEYMAN, 37, Great Queen Street, Lincoln's Inn Fields, London, W. C., "Bloomsbury Branch"; and he would also feel obliged by their sending all communications respecting the non-receipt of the Journal, to the same address; as both these matters are out of the province of the Editor.

Communications have been received from:—SIR CHARLES HASTINGS; MR. C. R. THOMPSON (with enclosure); MR. RICHARD GRIFFIN; MR. F. NEEDHAM; DR. T. INMAN; DR. W. O. MARKHAM; DR. C. WARDEN; MR. W. B. KESTIVEN; DR. JOHN SNOW; MR. J. DULVEY; MR. J. S. GANGE; MR. A. G. WALTER (Pittsburgh, America); MR. HAYNES WALTON; MR. T. HOLMES; MR. AUGUSTIN PUGHARD; DR. EDWARD SMITH; MR. JOHN WINDSOR; MR.
