The Issue of the BRITISH MEDICAL JOURNAL now exceeds
21,000 COPIES WEEKLY.

Fifth Edition, with Coloured Plates, price 12s. 6d.

DISEASES OF THE EAR.
By GEORGE P. FIELD, M.R.C.S.

Aural Surgeon to St. Mary's Hospital, and Dean of the Medical School.

"Forms an excellent guide for the practitioner or the student."—*British Medical Journal.*

"It is a practical treatise founded on vast clinical experience. The illustrations are excellent and helpful, the text is clear and concise, and the work as a whole is as complete and trustworthy as we could desire. We recommend it strongly to practitioners and students alike."—*Medical Press and Circular.*

"It is refreshing to get away from the usual recurring quotation of German authorities.—*American Journal of Medical Science.*

London: BAILLIÈRE, TINDALL & COX, King William Street, Strand.

Now ready, Demy 8vo, half bound, 17s. net.

DEFORMITIES.

A Treatise on Orthopaedic Surgery.

By A. H. TUBBY, M.S., Lond., F.R.C.S. Eng.

Illustrated by 15 Plates and 300 Figures.

British Medical Journal.—"Standard work on the subject in the English language."

MACMILLAN & CO., LIMITED, LONDON.

DISEASES OF THE GALL BLADDER AND BILE DUCTS.

By MAYO ROBSON, F.R.C.S.

Hunterian Professor, Royal College of Surgeons of England; Senior Surgeon to the Leeds General Infirmary.

Profusely Illustrated, price 7s. 6d.

"The book is in itself a notable example of what great success may be attained in a special pursuit by a surgeon who has mastered the whole of surgery."—*British Medical Journal.*

"The volume should be in the hands of physicians as well as surgeons, in case of necessity for prompt surgical interference in certain conditions of the bile tracts."—*Journal of the Medical Sciences.*

London: BAILLIÈRE, TINDALL, & COX,
King William Street, Strand.

Now ready, with 264 Engravings and 3 Plates, 8vo, 20s

A Text-book of Nervous Diseases;

for the use of Students and Practitioners. By CHARLES L. DANA, M.D., Professor of Nervous and Mental Diseases in the Bellevue Hospital Medical College, ex-President of the American Neurological Association. J. & A. CHURCHILL, 7, Great Marlborough Street.
