Surgeon and Lecturer on Surgery at the London Hospital; late Examiner in Surgery at the University of Oxford.

## ENLARGEMENT OF THE PROSTATE.

ITS TREATMENT AND RADICAL CURE.

Including the Hunterian Lectures.

Second Edition now ready.

This volume contains an admirable and practically complete summary of our knowledge of the subject with which it deals. The opinions expressed by the author as the fruit of his experience are in all cases sound. He writes in an unusually fluent and graceful style, and shows himself a prudent counsellor.—*Brit. Med. Journal*.

By the same Author.

## INFLAMMATION OF THE BLADDER AND URINARY FEVER.

Price 5s.

London: H. K. LEWIS, 136, Gower Street.
