**THE TREATMENT OF LATERAL
CURVATURE OF THE SPINE.**

By BERNARD ROTH, F.R.C.S.

"In speaking of the first edition we expressed the
hope that this book would do something to check
the unscientific and often disastrous treatment of
lateral curvative of the spine by spinal supports and
prolonged rest, and this new edition is even better
calculated to show the good results which may be
obtained in lateral curvative by posture and
exercise."—*LANCET.*

"There can be no doubt that good work has been
done by the author by his strong advocacy of the
more rational method of treating lateral curvative
of the spine by exercise."—*BRITISH MED. JOURNAL.*
