The HOUSE GOVERNOR of the LONDON HOSPITAL says:

"The effect on some of our anæmic and rickety children has been MAGICAL."

THE fame of "Roboleine" as the premier reconstructive food of the world spreads day by day. Here is an extract from a letter which was inspired by the magnificent work "Roboleine" has been doing for poor little children—many of them in a very

weak and emaciated condition. "Roboleine" is undoubtedly the strongest ally a Medical Officer can have and proof of this is to be seen at any time in our letter files. We have the finest quality of medical testimony ever accorded to a tonic food.
