## INSULIN

Insulin 'A.B.' Brand is of full and guaranteed activity, is highly purified, stable and sterile. Every batch is carefully standardised by a series of accurate physiological tests, is submitted to bacteriological examination for sterility and passed under the authority of the Medical Research Council for issue and use under medical direction

*Insulin 'A.B.' Brand has been found to retain its activity under tropical conditions.*

### REDUCTION IN PRICE.

We have pleasure in announcing that, as a result of important extensions in our Insulin manufacturing plant that come into operation shortly, we are further reducing the price of Insulin 'A.B.' Brand from 1/9 to 1/3 per dose. The new prices which come into force on Jan. 1st, 1924, will therefore be as follows:

Phials containing 5 c.c. or 100 units or 10 doses	12/6 each
Phials containing 10 c.c. or 200 units or 20 doses	25/- each

FULL PARTICULARS AND LITERATURE WILL BE SENT ON REQUEST.
